

# NEGRO ADMITS SLAYING WOMAN BLANSCET AND ANDREWS REMAIN IN SHERIFF'S RACE STERLING'S LEAD OVER SMALL IS CONTINUING TO GROW

Well, that's that.

Meaning that the election, with its resulting endurance contest for all interested, is over for the present. The counters had a hot, exhausting job and the remarks about the long "short ballot" were not complimentary. The Pampa didn't think very nice things either—he had to struggle with totals from Saturday to Sunday night with hardly a break.

The only thing disappointing about the status of Senator Small is that he did not get in the run-off. The showing that Mr. Small made is magnificent. He deserves the congratulations of every one who voted for him. His support from all over the state testifies to the splendid campaign which he waged. No longer may it be said that a West Texan has no chance to become governor of this state.

When you consider that such old political campaigners as Love, Mayfield, Young, and Miller were his opponents, you must grant that he was beaten only by the force of circumstances. The main campaign strategy was and is that the personal standing vote is strong enough to put either he or Ma (if not daughter also) in any run-off in which there are 11 candidates. This the other candidates may aspire in the run-off. It reduces the chances of a West Texan by half, and it was that half which beat Clint Small.

The Sterling candidacy of course proved decisive in the drive for that lone unattached place in the run-off. Sterling made the road bond issue dominant, and the focused abuse the other candidates gave him only publicized his campaign. Newspaper influence, always an important factor in a state race, had a lot to do with Sterling's returns. The Houston newspapers, the Dallas News, and the various other downstate organs reached hundreds of thousands of voters. Newspaper support was given tending for various reasons. One was that he was a publisher. Another was that the road bond plan he sponsored is supported by scores of newspaper editors who have studied the methods of voting highway paving bonds in other states. Sterling may have influenced a few editors by placing advertisements, but we doubt it. A newspaper is a sort of public utility. It has space to sell and what goes into a paid advertisement is no more controlled by the paper (except within the bounds of decency and law) than the use of water that is sold by the water company. Scores of papers took Sterling's ads yet opposed him to the limit of their resources.

Gray county paid a fine tribute to Mr. Small thru the ballot box. We trust the Wellington man will take it as a token of our esteem and our appreciation, for we Gray county folk realize what brilliant service he has rendered as state senator. The Small for Governor club headed by Newton P. Willis, with Mel B. Davis as secretary-treasurer, rendered fine support of his candidacy, and Mr. Davis played a big part in the state campaign.

The News was glad to have a part in the campaign for Mr. Small in Gray county. Its support was whole-hearted from the start, and the management, was "for Small" Ap- tire staff, from printer's devil to parently the effort was lost in the peculiar race involving the nation's biggest state, but it was, in every way a worthwhile. West Texas is an important factor in Texas politics.

Sheppard Is Getting Ever Mounting Majority

BOBBITT MUST OPPOSE ALLRED

Neff Barely Short Of His Needed Total

DALLAS, July 28. — (AP) — Mounting returns from Saturday's Democratic primary today brought only alteration in figures and left the relative standing in the governor's race unchanged, with the runoff August 23 to be between Mrs. Miriam A. Ferguson of Austin and Ross S. Sterling of Houston.

The Texas election bureau's compilation at 11 a. m., representing returns from 244 of the 253 counties, 70 complete, showed Mrs. Ferguson 54,707 votes ahead of Sterling and Clint C. "The people of Texas know now that I was the victim of falsehood and corruption. Their Saturday verdict so states."

## Steel King and His Aged Mother

"He was a mighty good boy and I'm proud of him," says Mrs. Pauline Schwab, 84, of Loretto, Pa., shown here with her son at a recent family picnic. And she has a right to be for while her boy, Charles M. Schwab, once drove the hack line between Loretto and Crescent for a few dollars a week, he is now chairman of the Bethlehem Steel Corporation at a salary said to approximate a million dollars a year.

## SURVEY ON WHICH TO BASE APPLICATION OF PIPELINE LAW TO BE MADE IN AREA

Representatives of the oil industry and interested royalty and land men are meeting today at the New Schneider hotel in a session which is expected to determine future production in this territory.

H. M. Stalcup of Tulsa, vice-president in charge of production of the Skelly Oil company, is presiding.

The morning was devoted to a discussion of the new pipeline law and the subject of curtailment generally. Before the first session ended, a motion was carried to select a committee of nine men, representing all branches of the industry, to make a territorial survey and to submit a report.

The necessity for immediate action was agreed upon by all, and it was believed that some step should be taken now in order that the state railroad commission may not have to enforce a plan arbitrarily. It was pointed out that the commission prefers that the industry reach its own conclusions concerning regulatory measures.

The sessions were resumed this afternoon.

Joe Huckabee, Oklahoma City, has moved to Pampa and has taken employment with the Neon Sign company here.

## WEATHER

TEXAS: Generally fair tonight and Tuesday. Not much change in temperatures. Light to moderate southerly winds on the coast.

AND A SMILE

TONL POINT, N. Y.—Folks hereabouts are convinced there will be frost right after labor day with an early fall. The katydids are chirping in hot weather. Their appearance, old timers say, means frost in six weeks.

## STENNIS AND GARY TO BE IN NEXT VOTE

Sherman White To Be Attorney Of County

DOUCETTE WILL STAY SURVEYOR

Barnes and Rider in Run-Off; Cox Is Victor

With the long missing Hopkins box available, complete returns turn from Gray county compiled by The News this afternoon indicated that Jno. V. Andrews would oppose Lon L. Blanscet in the race for nomination for sheriff.

The totals gave Blanscet 1,334 votes, Andrews 754, and Pipes 720, from the returns furnished The News by election judges. The 34-vote margin for second place in the sheriff's race could be changed thru discovery of any clerical error. The county Democratic committee will meet Saturday to arrange the returns.

Complete returns showed that A. H. Doucette defeated W. T. Fox for county surveyor, 1528 to 1445 votes.

In casting more than 1,300 ballots in the first Democratic primary Saturday, Gray county placed C. E. Gary and Judge S. D. Stennis in the run-off for county judge, Lon J. Blanscet and Jno. V. Andrews for sheriff, T. W. Barnes and Larry D. Rider for tax collector, and E. R. Turman and W. J. (Bill) Turpin for constable of precinct 2.

Those nominated Sherman White for county attorney, Mabel Davis for county treasurer, A. H. Doucette for county surveyor, Lewis O. Cox for commissioner of precinct 2, James Todd, Jr., for justice of this precinct, place 1, and S. W. Baxter for justice in place 2, Miss Louise Miller was nominated for district clerk under the divided office provision.

Those nominated without opposition included John B. Hessey for county superintendent, Charlie Thut for county clerk, and F. E. Leach for tax assessor.

With complete returns received from all but the Hopkins box, and a portion of the latter tabulated, the figures for Gray county as assembled by The News were substantially correct. However, in several races the totals are too close to be conclusive, as a clerical error could alter the result. This could be true in the county surveyor's contest, and possibly but not probably in the second place for the run-off for sheriff.

## HUTCHINSON OFFICERS ARREST BANK ROBBERY SUSPECTS AND SEIZE LARGE SUM OF MONEY

BORGER, July 28. (AP)—Five men and two women were captured last night by two Pampa peace officers after a daring chase thru a rugged canyon near here and were held in Hutchinson county jail at Stinnett as suspects in the recent robbery of a bank at Edna, Kansas. Nearly \$1,200 was recovered from caches in the canyon.

The officers, deputies "Red" Burton and Lex Board, were pursuing an automobile which had figured in a collision and happened upon the other automobile in which seven persons were riding. Its occupants and the car tallied with descriptions of the Edna bank robbers so they gave chase.

Seeing they were pursued, the men and woman abandoned the car and fled afoot thru "bad lands" of the canyon.

Burton followed one of the men and when he had cornered him "got the drop" on the man and disarmed his prisoner of two guns. Board had been unarmed but Burton supplied him with a gun and they gave chase after another of the fugitives from the automobile. That man was captured and the two prisoners led the officers to a house in a remote corner of the canyon.

Burton entered the house and was met by a man who threatened him with a gun but the officer fired one shot over the man's head and he surrendered, followed by two other men and the two women.

The deputies said the prisoners gave so many alibis they could not be certain of their names but expected today to get in communication with Kansas officers.

## Library Given \$366 in Drive

One of the most successful projects sponsored by Pampa Library association since its organization was Library Tag Day, held Saturday during the Democratic primary election. A fund of \$367.14 was raised through the sale of tags at the three voting places of the city and on the streets.

With Mrs. H. G. Twiford and members of her special committee leading, a large group of library association members, representing various churches and organizations of the city, worked from early in the morning until the closing of the polls.

Mrs. Twiford as chairman of the tag day committee, said she and others of her committee, Mrs. Ivy Duncan and Mrs. T. M. Ashley, were well pleased with the results of the sale. She expressed the association's appreciation for the generous response of citizens and visitors, and for the excellent efforts of every worker.

## St. Louis Plane Is Going Strong

ST. LOUIS, July 28. (AP)—Dale Jackson and Forest O'Brien today began the second week of an endurance flight in which they hope to break the record of 554 hours recently established by the Hunter brothers in Chicago. At 7:11 A.M. today the flyers completed the first week of the flight.

Jackson and O'Brien had out an S O S sign to the citizens of St. Louis for more money to finance the flight. Already about \$20,000 had been subscribed, but the flight officials claim that it is at least \$9,500 short of the amount needed.

O'Brien dropped a note yesterday saying the motor was running nicely. "If it keeps up," he added, "we will land August 21 but it will be before then if the people of St. Louis don't get some more money in."

## NO DISORDERS IN MIAMI AT MURDER CASE

Rangers Bodies Kept Crowd's Gaze Off Killer

CASE WILL BE TRIED TODAY

Black Rushed From Pampa at Early Hour

MIAMI, July 28. — Pleading guilty of the slaying near Shamrock recently of Mrs. Henry Vaughn, white farm wife, Jesse Lee Washington, negro, asked for mercy at his trial here this afternoon.

The state, working towards a death verdict, paid little heed to the announcement and immediately placed Henry Vaughn, husband of the slain woman, on the witness stand. Fourteen other state witnesses and several defense witnesses also remain to be heard should all be called.

Judge E. F. Ritchie, appointed to defend the negro, had not indicated whether he would argue that the negro was feeble-minded, as he was claimed to be at the time of the killing. He questioned more than 65 veniremen of the 80 summoned before the jury was completed. Most of those dismissed had prejudices against the negro race or against the death penalty.

The jurors chosen were C. W. Reid, Bert Drum, J. A. Newiman, Raymond Cunningham, G. C. Mead, Frank Scales, F. F. Parker, W. F. Thornhill, Arch Morrison, E. C. Finch, W. L. Brown and Joe Tolbert.

The negro was brought to Miami from the Pampa jail by five Texas Rangers and Deputies Eubank and Wachtendorf of Gray county early today before the courtroom had filled. Roberts county deputies searched all men and women as they entered the courthouse, while the Rangers guarded the negro in a waiting room, where they had machine guns, gas bombs, and other artillery.

When court opened under the direction of Judge W. R. Ewing, about 200 persons were waiting to get a glimpse of the killer. They had little satisfaction, however, because the steel-garmented negro was entirely surrounded by Rangers who screened him from view as they took up their stand to ward off with their bodies, if necessary, any bullets intended for the accused man. They had announced that they would defend the negro "at all costs."

The defendants sat low in his chair, and except for the rolling of his eyes he was expressionless.

The crowd was orderly and Judge Ewing issued only one warning against demonstrations. When one man stooped to tie his shoe, Ranger Captain Gonzales quickly took him outside for a thorough search. He had no weapons, and when he had stooped to tie his laces he had meant to do only that.

Ten jurors had been chosen at noon. The courtroom was largely empty during the lunch hour. Washington and the officers and Rangers had their meal in the waiting room. The jury was completed about 2:30 o'clock. It was announced that an attempt would be made to finish the case today, and a night session may be held. However, the plea of guilty was believed to have shortened contemplated testimony and an earlier finish was predicted.

Washington will be returned to the Pampa jail tonight, and the Rangers will resume their vigil they have maintained since mob activity at Erick, Okla., and Shamrock caused Governor Moody to send them to take charge of the negro.

Miami has no negroes, and the jurors are for the most part farmers and ranchmen.

## Scott Knocked Out by Stribling In Second Round

WIMBLEDON STADIUM, London, July 29. (AP)—Young Stribling from Macon, Ga., stepped back into the fight ranks of the heavyweights tonight by knocking out Phil Scott, the tall Englishman, in two rounds after flooring him four times in the first session.

The knockout blow came late in the second round. A heavy left to the ribs smashed Scott to the floor and although he took referee Russell's count on one knee he appeared paralyzed and in agony and could not regain his feet.

The finish disappointed the crowd of 30,000 who gathered in the mixup of rain, mist and sunshine of a summer evening to see the ten round battle billed as for the heavyweight championship of the old world. The crowd seemed particularly disappointed that Scott did not take the final count on his back although the Englishman appeared to be trying hard to rise from one knee at the count of nine.

## Firemen Answer Call to Blaze At Farm House

The fire department extended its jurisdiction Saturday night when an S. O. S call was received from Mr. Cromer who lives six miles southwest of Pampa on the Dr. Fields farm.

A fire in a fire to Chief Alex Schneider and he did not hesitate alarm sounded the fire truck with a minute. A split minute after the boys in deck was roaring over dirt roads leaving wheat fields in its wake.

When the firemen arrived the six-room house was in flames, and the Cromer family, formed in a bucket brigade, was making little headway in extinguishing the blaze. When the firemen had exhausted the chemicals the fire was still going strong. Then, they 660, set to work with the buckets, carrying the water from a nearby tank, and it was not long before the fire was under control. Damage was confined to the interior of the house. The fire truck got back to town about 2 o'clock. They all agree that they never worked so hard at putting out a fire.

"We don't want the idea to get started that our territory is Gray county. That was not a precedent," Chief Schneider said.

## Wheat Is Sagging CHICAGO GRAIN

CHICAGO, July 28. (AP)—Despite lower temperatures and scattered showers, corn prices averaged higher early today, whereas wheat went lower. Offerings of corn future deliveries were quickly absorbed with buyers basing action on reports of heavy crop damage already done by drought and excessive heat. Apparent slowness of North American wheat export business depressed wheat values.

CHICAGO, July 28 — (AP) — Wheat: No. 1 red 88 3/4 to 89 1/4; No. 1 hard 88 1/4 to 89 1/4; No. 1 mixed 88 3/4 to 89. Corn: No. 2 mixed 86; Yellow 86 1/4 to 88; No. 1 white 86 to 89. Oats: No. 2 white 36 3/4 to 37. Wheat: No. 1 white 1 1/4 to 1 3/4; provision unchanged to a rise of 1 cent.

MUCH MAIL CANNOT BE DELIVERED

By RODNEY DUTCHER, NEA Service Writer

WASHINGTON.—The American level of intelligence and efficiency has doubtless risen to a high point, but 200 employees of the postal service are still kept working all year around because the American public annually sends nearly 25,000,000 pieces of undeliverable mail.

At the Washington office where dead letters and parcel post are sent, one to five sectional receiving offices, they get about 200 envelopes a day which are absolutely blank, with no address and no identification of the sender.

More than 99 per cent of checks, drafts and money orders received by the dead letter division, however, are restored by the senders.

In the fiscal year now ending, nearly 25,000,000 pieces of dead mail will have been received. Last year it was more than 23,000,000 and 19,000,000 were destroyed because there was nothing inside or outside with which the postoffice could find who sent them or who was supposed to get them.

Envelopes are found to contain all sorts of things—legal papers of all kinds, photographs, kid gloves, silk stockings, bottled medicine, fountain pens, love powder, locks of hair, with or without ribbon, and things like that and unlike that.

A \$10,000 bond was found recently in a misaddressed letter. It turned out to be part of the loot in a robbery. Once a series of envelopes came in containing lots of hundred-dollar bills totaling several thousand.

The total value of enclosures found in dead mail last year was \$5,425,000. The government's revenue was only \$250,000, however. It received \$81,000 in auctioning dead parcel post, \$48,000 in money actually taken from letters, \$32,000 in postage stamps taken from letters and \$80,000 in fees it gets for dead letter deliveries.

Letters are fed into opening machines which can handle 50,000 a day and are then examined by selectors who try to find a "good address." Everything more valuable than postage stamps of five cents or less is kept for a year if it can't be delivered according to Acting Superintendent Burton G. Cowles of the department's division of dead letters and dead parcel post.

DANCING JUDITH

By CORALIE STANTON and HEATH HOSKEN. COPYRIGHT 1930 BY CHELSEA HOUSE

BEGIN HERE TODAY JUDITH GRANT, beautiful artist's model, shares her Greenwich Village apartment with CHUMMY MORLEY, beautiful girl whose mind has been a blank ever since ALAN STEYNE, her lover, disappeared seven years ago. Steyne returns and she fails to recognize him. Meanwhile, he and Judith fall in love, and he tells Judith that he never loved Chummy and never knew Chummy loved him. Then abruptly, Chummy's memory returns and he recognizes Steyne; and feeling bound by a tie of honor, Steyne—with Judith's approval—asks Chummy to marry him. Judith, meanwhile, has aroused the infatuation of BRUCE GIDEON, a rich financier, who offers to star her in a musical show. She agrees and begins studying to become a dancer. BASTIEN DUMONT, a young painter who is also in love with her, goes to Steyne and tells him that Judith is "in Gideon's clutches."

NOW GO ON WITH THE STORY CHAPTER XVII

Under other circumstances, Dumont might have been astonished at Steyne's vehemence. As it came from Chummy's betrothed, and as Bastien knew the enormous debt of gratitude the girl owed her friend, it seemed natural enough. "You know the world, Steyne," he went on hurriedly. "You know that when a millionaire, a man of 40, takes an interest in a girl in Judy's position, there can be no good in it for her. It's all nonsense about his helping her with her dancing, and all that."

"You mean that she can't dance?" asked Steyne. "Of course she can dance. That's not the point. It's the man's influence that made Guarvenius take her on. The result is that she's killing herself, and one sees nothing of her. She is constantly out with this fellow—"

"Constantly out with him?" put in Steyne with suppressed excitement. "Well, perhaps that's an exaggeration. Anyhow, she goes out with him to lunch and dinner and to the play."

"Do you know anything against the man, Dumont?" "Yes, as a companion for Judy—enough to know that it can't do her any good to be seen about with him. You don't know Judy as I do, Steyne," he went on agitatedly. "She thinks she knows the world inside out. Well, in a way she does. I suppose—worse luck! But she's perfectly innocent where people are concerned. She thinks the best of everybody. She never dreams that anyone would take her in. That's what makes it so difficult."

"Why don't you speak to her?" "I have, but it's not the slightest use. You see, Judy never would take any notice of me. I thought, if you would speak to her—"

"Why should she take any notice of me, Dumont?" "Oh, I think she sees a lot of you. You see, you're a bit different from the rest of us. She knows you have traveled a lot and would look at things a bit differently; and then, of course, she couldn't think you were jealous."

Aviators Rest At Los Angeles On Long Flight

LOS ANGELES, July 28. (AP)—A dozen pilots, survivors of the all-American air derby, rested here today after completing approximately 4,000 miles of their aerial jaunt about the United States begun a week ago at Detroit. The derby will swing eastward Wednesday reaching in one-day jumps Ogden, Omaha, Chicago and Detroit where approximately \$50,000 in prize money awaits the winners.

Leut. Lee Gehlbach, first to arrive at the Metropolitan airport yesterday, held a comfortable lead of more than two hours over J. R. Weddell, New Orleans, who moved into second place by virtue of the withdrawal of Stud Junby, of Mobile, Ill. Junby disabled his ship landing at Douglas, Ariz., Sunday morning and was forced from the race. The elapsed times: Lee Gehlbach, Little Rock, Ark., 28:17:25. J. R. Weddell, New Orleans, 28:51:41. Lowell Bayless, Cleveland, 29:02:59. Charles Meyers, Cleveland, 28:14:19. Henry Ogden, Inglewood, Calif., 31:28:59. Stanley Santon, Blackwell, Okla., 33:01:50. Joe Meehan, Ironton, O., 33:45:12. Bill Cahill, Cleveland, 34:44:28. Larry Brown, Los Angeles, 42:10:30.

He had to speak her name twice before she looked up. Then a brilliant excited smile flashed across her face. There was an unnatural look about her. She was shabby and made up, as usual; only her careless, happy-go-lucky air had gone. Her whole being seemed to be concentrated on something. "How do you find Chummy looking?" she inquired. "My but she's making a positive hit!"

No place and time, this, for Alan's purpose, and yet he was desperate. He walked beside her. "Where are you going?" "To the dancing school." "Well, I'll walk with you, if I may."

"Bliss you, I've no time to walk farther than the square. I'm going on a bus." "Then I'll come as far as the square," he said, with a kind of harsh doggedness that was the result of jarred nerves. "I want to talk to you, Judy."

Judy laughed, and the pansy eyes took on a steely glitter. "We are solemn!" she exclaimed. "I know," Steyne said. "Judy, I'm awfully worried and upset. You must listen to me—if only as your friend."

"I know what you mean. You do not approve of my dancing. You are going to lecture me." "It has nothing to do with your dancing," he protested. His jarred nerves made him abrupt, and her fatigue made her as touchy as a cat in a thunder storm. "I only want to warn you."

# STRENGTH OF CLUBS IN WEST BIG SURPRISE

BY HUGH S. FULLETON, JR., Associated Press Sports Writer

An unexpected display of strength on the part of western clubs of both major leagues marked the inter-sectional series which wound up yesterday after a little over two weeks of east-west play. But it was the opening blasts of the current inter-sectional warfare that provided yesterday's sensations and made some important alterations in the standings.

In the National league, Chicago, after leading the way in the inter-sectional struggles with eleven victories and six defeats, went down yesterday before the Cincinnati jinx and lost a game and one half to the Brooklyn Robins, who trounced the Phillies twice. The Cubs had a promising rally nipped by the second triple play the Reds have made against them this season and dropped their fifth straight decision to Cincinnati as the Reds followed their advantage with a four run burst. The Robins pounded the Philadelphia pitchers for 26 hits in a pair of slugfest matches which produced nine home runs. They won by scores of 10 to 8 and 9 to 6.

This double victory was some what of an improvement of the Robins record of 9 victories and 8 defeats in their home stand against the west. Their mark, however, equaled that of the New York Giants, leaders of the eastern brigade. The Giants were pulled down somewhat in their inter-sectional campaign as the Pittsburgh Pirates scored two victories in the final double-header yesterday. The Pirates bunched their hits for enough runs to offset a six run Giant rally and won the first game 10 to 8, then piled up an early lead off Pete Donohue for an 8 to 4 triumph in the second.

The St. Louis Cardinals added to the prestige of the west by handing the Boston Braves a double defeat. They won the first game, 2-0, on homers by Fisher and Hafey and Sylvester Johnson's three hit pitching, then copped the second 8 to 1, with Herman Bell on the mound.

The Cards fell below the 500 mark for the inter-sectional play by one game, but with Cincinnati's record of winning eleven out of 18 games, the western clubs of the National league won 39 games and the east only 30.

Due to the surprising showing of Cleveland and Detroit at home and Washington's slump, the American league's western division took 38 contests to 34 for the east. The Indians won eleven games and lost eight while the Tigers were victorious ten times in 17 games. Philadelphia's Athletics again led all clubs.

# French Hold Davis Cup By Beating Yankees

AUTUIL, France, July 28. (AP)—Once more the tennis mucketeers of France have beaten off America's challenge for the Davis cup.

Capturing both of the final singles matches yesterday, France retained the cup by a margin of four victories to one and left no doubt of the superiority of the French. Henri Cochet and Jean Borotra, over the best America can offer in a tennis way at the present time.

Borotra, the "Bounding Basque" of old, clinched the series with a five set victory over George Lot of Chicago, 5-7, 6-3, 3-6, 8-6, and Cochet put the finishing touches on an overwhelming French victory by trouncing Big Bill Tilden, 4-6, 6-3, 6-1, 7-5.

Thus the series ended with Tilden chalking up the only point by beating Borotra in singles on Friday. Lot lost both his singles matches and Wilmer Allison and John Van Ryn, Wimbledon champions, lost the doubles to Cochet and Jacques Brugnon.

The Washington pair on one of its rather infrequent displays of its earlier strength and slammed the Chicago White Sox for 15 hits and a 10 to 1 victory after losing three straight. Fred Marberry made it a complete triumph by holding the Sox to three hits.

The St. Louis Browns ended their struggle to remain in seventh place by winning two of the day's most surprising games from the Boston Red Sox, 10 to 9 and 9 to 8. These two weak hitting clubs brought forth 53 hits, nine homers, and bursts of seven and eight runs in the first game. Goose Goslin hit three four baggers, Webb and Todd two apiece while Metzler won the second clash with a ninth inning homer.

The Cardinals added to the prestige of the west by handing the Boston Braves a double defeat. They won the first game, 2-0, on homers by Fisher and Hafey and Sylvester Johnson's three hit pitching, then copped the second 8 to 1, with Herman Bell on the mound.

# SPUDDERS AT TOP AFTER DOUBLE WIN

BY GAYLE TALBOT, JR., Associated Press Sports Writer

Rapid shifting of fortunes around the Texas league front over the week-end saw the Wichita Falls Spudders, knocked into second place Saturday night, come back Sunday to sweep a double bill at Beaumont and regain the pinnacle, while Wajoying a day on the peak, fell back to his natural specialists, after entering into a tie with the Fort Worth Cats for second place.

A pair of rookie hunkers, Vincent and Florrid, with the assistance of Larry Bettencourt's big bat, but the Spuds back in their accustomed niche. Vincent fanned the Exporters in the first out, 8 to 7, thanks largely to Bettencourt's thirty-fourth and thirty-fifth homers of the year, the two blows accounting for five runs. Florrid held the Shippers to five bingles in the night cap and blanked them, 5 to 0.

After expending most of their energy in taking two out of three from the Spuds in their big series, the Cubs fell easy victims to Fort Worth in yesterday's daylight battle, 13 to 10, and their tussle tonight was due to establish one or the other as the runner-up to the Spuds.

Bill Harris, after winning seven straight, was knocked from the hill by the Cats in the fourth, and his successors, Thurman and Wendt, were battered hard. Ed Brown, whose bigslugger had been a big factor in the Panthers' climb to the select circle, led the winners' attack with three homers.

The Sports were helpless before Ralph Judd's fast ball and dropped their opener to Houston, 6 to 0. The Cardinals gave up only seven scattered hits and struck out 11. Carrey Selph, with a home run and single as big gun for the Bison.

Six Dallas errors helped the Indians take their inaugural, 14 to 10, and break a four-game losing streak. The Tribe as outfit, 14 to 11, but took full advantage of Steer miscues to score in all except two innings. High Willingham homered for Dallas two one on in the seventh.

# Ends Piles Quick

NO SALVES OR CUTTING

Piles are caused by congestion of blood in the lower bowel. Only an internal medicine can remove the cause. That's why salves and cutting fail. HEM-ROID, the prescription of Dr. J. S. Leonhardt, removes this congestion and strengthens the affected parts.

HEM-ROID is now sold by druggists everywhere, and has such a wonderful record of success even in chronic and stubborn cases that Fathere's Drug company invites every Pile sufferer to try HEM-ROID and guarantees money-back if it does not end all Pile misery—Adv. No. 1.

## Large Crowds Hear Revival Sermons Sunday; Students Invited to Address

Three great services featured our revival meeting Sunday at the high school gymnasium," said the Rev. D. H. Truhitte, pastor of the Central Baptist church, "and the climax came in a big crowd Sunday night when that princely Christian gentleman, Rev. Tom W. Brabham, pastor of the First Methodist church came over and brought his large congregation to worship with us, illustrating this beautiful Christian courtesy."

Mr. Brabham sent the following letter Sunday morning to Mr. Upshaw:

"Dear Brother:

At a meeting of the official board held in my study this morning, it was voted that we dismiss and worship with the people of the Central Baptist church, to show a spirit of willingness upon a part of the membership of this church to cooperate with every group of people in our city in winning the lost to a saving knowledge of Jesus Christ.

Praying God's blessings upon your services today, I am,

Your brother in His name,

TOM W. BRABHAM,

Pastor of First Methodist Church.

Speaking further of the Sunday services, Mr. Truhitte said: "Congressman Upshaw's notable morning sermon on 'Taking Stock as Christians' moved many to tears and many crowded around him using the word 'wonderful' to express their enthusiastic congratulations." Five joined the church at this service.

At the union mass meeting for parents Sunday afternoon Mr. Upshaw brought a powerful message on "Home, the Foundation of Our Civilization," and at the close of the service nearly a hundred heads of families came forward and promised to build altars of prayer in their homes.

Entertaining features of the Sunday night service were negro spirituals sung by the Methodist church choir and two special numbers of the Lunford string band. Both musical aggregations will furnish music tonight.

The congressman - evangelist spoke on "The Great Mystery, Death," the first of a series of four messages at night to "People Who Think and Those Who Think They Think."

Tuesday morning at 9 o'clock all students of the high school and grammar schools are invited to be guests of honor to hear Congressman Upshaw's famous student address, "The beauty of the Unselfish Life." Special music will be rendered.

A telephone message announced an auto company coming Monday night from Happy, nearly 100 miles away. Prof. S. J. Trickland's solo, "My Mother's Prayer," made a profound impression at the rally for parents Sunday afternoon.

**Christian Science Churches**  
"Truth" was the subject of the lesson-sermon in all Churches of Christ, Scientists, Sunday, July 27. The golden text was from Psalms 108: 3, 4, "I will praise thee O Lord, among the people; and I will sing praises unto thee among the nations. For thy mercy is great above the heavens; and thy truth reacheth unto the clouds."

The citations comprising the service included the following from the Bible: "And ye shall know the truth, and the truth shall make you free."—(John 8:32).

The following quotation was included in the Lesson-Sermon, from James 2:24 and 2:25 of "Science and Health with Key to the Scriptures" by Mary Baker Eddy—the Christian Science textbook: "Truth brings the elements of liberty. On its banner is the Soul-inspired motto, 'Slavery is abolished.' The power of God brings deliverance to the captive. No power can withstand divine Love. What is this supposed power, which opposes itself to God? Whence cometh it? What is it that binds man with iron shackles to sin, sickness and death? Whatever enslaves man is opposed to the divine government. Truth makes man free."

**CHURCH OF THE BROTHERN**  
The revival at the Church of the Brethren, 637 North Nelson street, is now in full force. Seven came forward last night. Services will be held every night this week.

The Sunday school has purchased a Gulbrandsen piano.

Glen Adams, Dallas, salesman for the Marquette Manufacturing company, was a business visitor here today.
