### Moody Is Appealed To in Final Effort To Save Silver From Chair

#### LAST DECISION IS EXPECTED AT AUSTIN SOON

Sentenced Youth Hopeful But Is Ready to Die

PREPARATIONS NEARLY DONE

Will Have Statement to World on Faith

HUNTSVILLE, Oct. 25.—(P)—Bob Silver is still hopeful that his life will be saved before midnight, his execution hour.

He telegraphed his mother, Mrs. Mary Louise Silver, at Austin, an encouraging telegram to this effect today. At the prison, however, and all most in the same breath as his hopeful statement, he said, that if necessary, he is ready to die.

Silver also said that just before he stepped into the electric chair, unless Governor Moody intercedes, he will have a statement to make. When asked for details of the statement he continued that it would "express my faith in God and that I believe my sins forgiven. It also will be a farewell to the world."

Prison Chaplain W. E. Miller, standing by Silver when the latter made his declaration, cautioned the sentenced man to "put faith in prayer."

Silver spent a restless night. Plans for the execution continue to go forward. Warden E. F. Harrell called Governor Moody's office at 10 o'clock this morning and said preparations would be continued unless interrupted by executive clemency either in the form of another reprieve or commutation. He expects to have final word from the governor by 4 p. m.

A man said to be a relative of Silver had an appointment this afternoon with Governor Moody for another plea for the young man's life.

Mrs. Mary Louise Silver, mother of the doomed man, is still here.

Silver was convicted of the robbery and murder of a Fort Worth theatre cashier.

#### Joyce Company Ships Out 1,500 Head of Steers

The Joyce Land and Cattle company yesterday completed the loading of 1,500 yearling steers at the local loading yard.

The cattle were shipped in three lots to Kansas City, Miller Brothers to Topeka and the Fritzell-Cattle company were the purchasers. The steers were purchased from the local cattle company last spring to be delivered this fall.

This is the last shipment the Joyce company will make this fall, according to Superintendent House of the company.

#### SUPPOSE THIS SHOULD BECOME CURRENT STYLE

AGUAS CALIENTES, Mexico, Oct. 25.—(P)—One of the most remarkable articles to be placed on exhibit in the Mexican building at the International Exposition of Sevilla is a dress valued at \$22,000, so flimsy that it can be passed through a ring. The dress once belonged to the wife of a president of Mexico. It is now the property of Mrs. Eugenia L. De Emerg Lion of this city who will send it to the Exposition.

#### VELIE MOTOR HEAD DIES

MOLINE, Ill., Oct. 25.—(P)—W. L. Velie, 62, president of the Velie Motor Corporation, died last night after two days' illness.

## OKLAHOMA MAN IS HURT AS CAR GOES INTO DITCH

### SOFT DIRT CAUSE OF ACCIDENT NEAR CITY

Charles E. McGee is in the Pampa hospital for treatment of severe cuts about the head and face, and has an injured back suffered about 7 o'clock this morning when his car left the road near Kingsmill. Robert F. Hill the other occupant of the car, was uninjured.

Both men are employees of the Standard Conveyor company of St. Paul, Minn. Mr. McGee is a resident of Oilton, Okla., and Mr. Hill of Enid, Okla. The men were on their way to El Paso when the accident occurred.

According to the men, their car, a Ford touring model, hit some loose dirt on the road, rolling into the ditch. Mr. McGee was driving the car and was unable to get clear as the car turned over into a four-foot ditch.

The injured man was rushed to the hospital in the G. C. Malone ambulance, which was called to the scene of the accident.

#### Grandstand Is Being Moved Up Nearer Gridiron

Workmen are moving the grandstand in front of the bleachers at Fair park today. The stands will also be moved closer to the playing field so that spectators may stay in the stands to see the football games. The fence around the field also is being completed so that the playing field will be completely enclosed.

Cars will be allowed to park along the east side of the field but not on the side where the grandstands have been placed. Officers will be on hand at each game to keep spectators from crowding upon the field and hindering play.

Everything will be ready to handle a large crowd at the Hinton-Harvester game tomorrow afternoon. The game has been called for 3:30 o'clock.

#### Rev. A. A. Hyde to Come Here Last of November

The Rev. A. A. Hyde of Depot notified officers of the First Presbyterian church that he would accept the call to the Pampa church. He stated that he would arrive here the third Sunday in November unless further detained in Depot.

The Rev. Hyde preached here two weeks ago and was immediately called to the church. Before entering the ministry, Rev. Hyde was an active Christian Endeavor worker and prominent banker in Depot.

#### Youngster Does Not Mind Being Lost in Pampa

Contentedly strolling about the streets of the business section this morning, a youngster about three years old apparently did not mind being lost. He was discovered by Chief of Police J. I. Downs on West Foster avenue after he had been assisted across Frost street by a kind citizen.

He had wandered from his home in the south part of the city. He had been assisted across the railroad tracks by a lady. His frantic mother was on her way up town when Secretary C. O. Busby drove over the tracks hunting the little lad's parents.

#### WRECK IN SCOTLAND

LOCKERBIE, Dumfries, Scotland, Oct. 25.—(P)—Four railroad employees were killed when a London to Aberdeen passenger train collided with a freight train near here today. The two engines were derailed and rolled down an embankment. The engineer and fireman in each engine were killed. Three passengers were slightly injured.

#### A 20th Century Caesar?

Here is a recent and striking camera study of Benito Mussolini, Italian premier, whom Fascist extremists would like to see set up as emperor of Italy. Already, Premier Mussolini exercises practically as much power as an emperor, because in Italy his will is law.

## BIG ELECTION PARTY TO BE HELD BY THE NEWS NOV. 6

When you think of extraordinary service, think of The News.

This kind of service is being arranged for election night, November 6, when The News will stage a "party" for local people. A special leased wire will bring election returns from all parts of the nation and United States dependencies. The Associated Press, with its thousands of miles of wires, will serve this newspaper on the national returns. No other agency will be so complete.

The Texas Election Bureau will send The News a bulletin every few minutes on the Texas balloting. Gray county returns will be received from men stationed at each box. Re-bulletined and megaphoned at The News office. Be on hand for this extraordinary service.

#### Garage Damaged by Fire Yesterday

A fast run by the fire department last evening saved a garage at the rear of Scott Green's residence in the Channing addition. The end of the garage was in flames when the department arrived, but with the use of chemicals and the emergency tank on the big pumper the fire was soon under control.

The fire was caused by Mr. Green's young son playing with matches in a car trailer backed up against the garage. He apparently dropped a lighted match into a bundle of straw in the bottom of the trailer. The fire had gained considerable headway when discovered.

#### NEWS' DRIVE IS NOW GETTING STARTED

HERE IS YOUR CHANCE

More entries are wanted and needed in the big campaign everywhere. Especially in District No. 2, which comprises all territory OUTSIDE the City of Pampa. There is not a single entry so far from White Deer, Roxana, Skellytown, Kingsmill, Alameda, McLean or Miami. If you live in any of these towns, or near any of them on a route, you have a splendid chance to win. One of the cars and six of the smaller prizes must be won OUTSIDE Pampa and in District No. 2. There are more than twice as many prizes as there are contestants in this district. Won't SOMEBODY please get busy for these awards in this district? Getting votes is just as easy as rolling off a log. If you don't believe it, try it and see!

"Are you saving the Daily News coupons?"

That is the question everybody is beginning to ask everybody else in Pampa, downtown at lunch time, at the theatre, in offices and homes—everywhere. It is a topic of never-fading interest in scores of Pampa homes, and reports have it that some subscribers scarcely finish reading their paper in the evening when some request, either by a personal call or by the telephone, is made for the coupon. Each copy, as most people now know has a vote value of 10 votes in the great \$5,000 automobile and prize subscription campaign just starting, in which the latest model, brand new and unused automobiles are to be given away free to those holding the highest number of votes just a few weeks from now.

People all over the territory are beginning to save their coupons to be deposited in the ballot box at the daily News office for some favorite contestant. The dates of the coupons have hitherto been short, and it was necessary for them to be in the office within 24 hours, but beginning with today, contestants will have at least four days to get their coupons in.

#### Getting Under Way

The campaign is beginning to get under way slowly but surely. New and energetic contestants are enrolling every day, and those who are entering now are beginning to produce some votes at once. When the campaign was first announced, many "nominations" were received of this and that person nominating another, etc., but of course a

#### College Queen

Ellen Lanham of Dallas, Texas, was chosen All-College Queen from among representatives of 14 colleges and universities from all over the country, at the annual All-College Ball during the Texas State Fair at Dallas. Miss Lanham was princess from the Ogden School for Girls in Philadelphia. She is also a former student of the University of Texas.

#### LEADERSHIP IS NEEDED—SMITH

#### Nominee Slashes Back at Hoover's New York Speech

BOSTON, Oct. 25.—(P)—Governor Alfred E. Smith and his party left Boston at 10:31 a. m. today for New York City. They will stop off at a number of cities en route, leaving the train at Blackstone, Mass., to go to Providence by automobile.

Before a shouting audience that packed every foot of the Boston arena last night, the Democratic presidential nominee took issue with the utterance of his rival on the questions of water power, farm relief and prohibition and declared the time had come when the need of the nation was leadership.

The Governor's overnight stay in Boston was almost one of continuous shouting—except for the time spent in sleep. From the moment he arrived until after he retired to his room at a hotel after the night's speech, he was the center of a cheering crowd which 900 police were unable to hold.

His address at the arena climaxed a full program and was made only after the nominee had stopped en route at mechanics and symphony halls to greet for a few minutes crowds unable to jam into the other structure.

He was introduced to the gathering which filled every one of the 10,000 or more seats and packed all available space in the aisles and corners, by Mrs. Francis Wilson Sayre, daughter of Woodrow Wilson, and tears came to his eyes when she referred to him as the man of whom her father once had said:

"I believe he feels in an unusual degree the impulses and compulsions of the nation's and the world's affairs." After wiping his eyes, the standard bearer of the party Wilson twice led to victory thanked the daughter of the last Democrat to sit in the White House for her introduction, and took as the text of his address a quotation from Herbert Hoover's acceptance speech.

"We shall use words to convey our meaning, not to hide it," the Democrat read.

He said his rival had uttered these words in August but it was not until last Monday night at Madison Square Garden in New York City that Mr. Hoover had "let the cat out of the bag." In that speech, the nominee added, his rival had referred to the Democratic theory as one of "State Socialism."

"Well, how do the members of Congress feel who voted for the development of Muscle Shoals by the government?" he asked amid laughter and applause.

"Does Mr. Hoover seriously desire the American people to believe," he went on, "that the application of the Jef-

#### BILL FRITZ IS CHARGED WITH TWO MURDERS

Indicted Man Slays Lad Who Witnessed Liquor Deal

FATHER KILLED THEN THE SON

#### Assailant Flees in Car And Has Eluded Man Hunt

ABILENE, Oct. 25.—(P)—Officers of West Texas counties, assisted by posses of citizens, were searching today for Bill Fritz, charged with murder for the slaying of Dudley W. Hamilton and his son Earle, 17, at their home near Rochester last night.

A murder charge was filed against Fritz at Haskell today by District Attorney Clyde Grissom.

The fugitive was under indictment in a liquor case in Haskell county in which Earle Hamilton was a state witness. Mrs. Hamilton said Fritz called at the Hamilton home last night, getting the father and son out of bed, to demand that the son leave the country before the liquor case came to trial next Monday.

After a conversation in which the elder Hamilton said his son would not leave, a pistol was shown against Dudley Hamilton's breast, and he fell dead when a shot was fired, Mrs. Hamilton said.

The boy then fled, his mother said, and was shot twice, one bullet striking him in the shoulder and another in the leg as he attempted to run into the house through a rear door. He died before a doctor could be summoned.

The assailant fled in an automobile and had not been caught at noon today.

Records showed that Fritz had been indicted for liquor law violations on several occasions and for theft, cases against him dating as far back as 1920.

#### Three Arrested After Gun Fight

One man was charged with theft of pipe and his bond set at \$750 in justice court today, and two other men are being held in jail following a gun battle with local officers in Southwest Pampa about 11 o'clock last night.

The battle took place at the rear of the Jarecki Manufacturing company warehouse after city officers had been notified by a resident who saw the men near the building. The officers were seen approaching and three of the men ran to a Chevrolet coupe parked nearby, but before they could get away Officer Turpin emptied a load of buckshot from a sawed-off shotgun into the rear of the car. The men then surrendered.

In the meantime, Officer Guthrie had taken after a fourth man who fled. A gun battle ensued between the man and the officer, but no damage was done. The man got away and has not been apprehended.

The men had a Ford truck parked across a Santa Fe spur and were in the act of carrying bundles of 1-inch gas pipe to the truck, officers said.

#### LIQUOR IS FOUND

Officers of the sheriff's department last night confiscated twenty gallons of liquor and made one arrest. The liquor was taken at a local hotel and the porter was arrested. Charges will be filed.

F. P. Reid transacted business in Miami and Canadian yesterday.

R. I. Blackshear, formerly of Amarillo, has accepted a position as bookkeeper for the Gray County Creamery.

## Edison Receives Congressional Medal

In the laboratory at West Orange, N. J., Thomas Edison the other night received one of the nation's highest awards—a special congressional medal of honor, recognizing his years of service as an inventor. Here is Edison before the microphone as he spoke the words broadcast throughout the nation. On the table is Edison's first model of the phonograph, which was returned to the inventor for the occasion from the British museum. Left to right are Ronald Ian Campbell, British charge d'affaires; Andrew Mellon, secretary of the treasury; Mrs. Edison, Edison and John Grier Hibben, president of Princeton University.

Who is Which?

The opinion of the attorney-general's department in holding that the state board of control may specify what types of equipment may be purchased by the state highway commission is productive of a situation not without its dangers.

Suppose the highway commission needs a certain number of tractors. Competition between makes results in saving of the people's money.

The right of the board of control to exercise supervision over expenditures is commendable, and means a safeguard against graft.

The state board of control is the most powerful, and at times appears the most arrogant, of all state departments. It seems to us that the Legislature might well inquire into the powers it has assumed.

Humanity to Cats

Far be it from the intention of this column to plead for cats as a species, but we yield to the persuasion of a good friend and reader to plead for humane treatment of felines.

We are reliably informed that sundry kittens have been abandoned near the city limits; yea, left to cry their little hearts out and to hunger until their ribs can be counted from a considerable distance.

And dogs—that is where our indignation rises. Dogs—man's faithful friends since time immemorial. Ever since, in fact, the canines were tamed by women and thus learned to sympathize with man.

Because one dog went mad and bit several other dogs is no reason why dogs as a class should be discredited. Anyhow, we rise to demand that cruelty to animals be halted.

Uncle Sam has paid a bill after a delay of 64 years. Maybe that will help him to bear the procrastinations of our creditor nations.

WASHINGTON—Maine has 6 electoral votes, New Hampshire 4, Vermont 4, Massachusetts 18, Rhode Island 5 and Connecticut 7.

Herbert Hoover will carry Maine, New Hampshire and Vermont. But Alfred E. Smith is giving him a hard fight for New England's remaining 30 votes, hoping to beat down Hoover's victories in the townships with heavy city majorities. On the eve of Smith's personal visit to this battleground it appeared that the Democratic candidate had a slight edge in Rhode Island, that Hoover had the better chance in Connecticut and that Massachusetts was a horse race.

The Democrats were careful to nominate a Protestant for governor, inasmuch as Smith and Walsh are both Catholics. The population of the state is more than a third Catholic and the Democrats claim that they will have this year the normally Republican vote of the Italian, French and Portuguese elements, because the religious issue was promoted against Smith.

It pays to smile. A smiling man doesn't look half so ridiculous when his hat blows off as one who isn't smiling.

This is news: A mail carrier has been given \$1,000 by a patron, who is either uncommonly grateful or regrets the harsh words she said when expected mail didn't arrive.

mere nomination doesn't mean a thing unless the nominee himself gets busy. Many of those nominated in the campaign might just as well have been nominated for President as far as getting any votes is concerned. But those who are coming in of their own volition now, are apparently the ones who have set down and figured the campaign out along business lines. Anyone who will do that, and who wants to make money is invited to reflect that just seven weeks from Saturday night the Buick, the Whippet and the Chevrolet are to be given away. The Buick costs \$1,550, the Whippet \$775 and the Chevrolet \$736.50, and it will be seen that the winner of the first car will be making better than \$225 per week and that the winner of the other cars will both make more than \$100 per week.

It costs nothing to enter nor will it ever cost anything later. Every line from the big Buick right down the prize to the last commission check, is FREE reward for your effort in helping the Daily News to increase its circulation in the Pampa trade territory and beyond.

**Look at the Cars**  
Contentants and prospective entrants who have not seen the automobiles to be given away are invited to go around to the Pampa Buick Company, Inc., the McGarrity Motor Company and to Culbertson-Smalling Chevrolet company and see for themselves the splendid motor cars the News has purchased for them. It will be exceedingly pleasant to revolve in one's mind the thought that any one of them can be hand for just a little subscription and coupon gathering efforts between now and December 15.

Quite a number of nominations are being received every day, and those who have been nominated, but who have not yet produced any votes, are invited to examine the possibilities of the "First Subscription Coupon," which entitles a contestant to a bonus of 10,000 EXTRA votes when he or she turns in their very first subscription. The nomination alone, of course, counts 2,000. Then if the nominee will go to a friend and get that friend to subscribe for a year by the payment of either \$5 or \$6 (mail or carrier-buy) the subscription itself earns 5,000 votes and using the first subscription coupon earns a bonus of 10,000 more. Total votes with just one subscription—17,000.

**Get Busy Now**  
Nominees must have a subscription in before the first list of contestants is published, or their name will not appear. The Contest Manager has no desire to have the list all cluttered up with a lot of mere nominations who would never do anything anyway and who might stand in the light of those who are really going to work. So if you really mean business, and have not yet turned in a subscription, do so at once, in order that your name may be listed in the first publication. This list will probably come out Sunday if there are as many active contestants by that time as there are prizes to be awarded.

You can't lose in this race—everything. It will be either an automobile, a diamond, a watch or a commission check. The commission alone on 10 yearly subscriptions is \$6.00.

To enter it is only necessary to fill out a "Nomination Blank" found elsewhere in today's paper. Just bring or mail it to the Contest Manager at the Daily News office. You will be immediately supplied with a subscription book and everything necessary to

Special Ruling On Proration Is Asked in Howard

DALLAS, Oct. 25.—(P)—The plea of George A. Henshaw, Jr., president of the Henshaw Oil corporation, that proration schedules for production of oil in Howard and Glasscock counties should be devised to release more of the unusually high grade oil which he is producing has been taken under advisement by the state railroad commission.

Henshaw appeared before the commission here last night and asserted that, although he had discovered oil of a finer grade than that in surrounding fields, he was unable to obtain contracts for his products because refineries demanded larger quotas than he was able to furnish under the present proration ruling.

The Henshaw well is said to be able to produce 7,500 barrels of oil a day. It is about three miles from the main group of wells in that section which are now limited to 25,000 barrels a day.

Henshaw asserted that the horizon which his well had struck in the time constituted a new territory to which the present proration ruling does not properly apply. Frank T. Pickrell, Ft. Worth, of the Group One Oil corporation corroborated Henshaw's testimony. He asked the commission to retain the present proration, but to make special provision for the new horizon.

W. B. Hamilton of Wichita Falls chairman of the oil and gas bureau of the West Texas Chamber of Commerce opposed the application, asserting that the proposals attacked the theory of the proration rulings.

The commission also heard arguments of William Fleming, president of the F. H. E. Oil company of Sherman who charged that the Magnolia Petroleum corporation had violated the proration ruling by drilling more than one well to a pay horizon on a forty-acre unit.

A decision in the Henshaw request is expected within a week and in the Fleming protest soon.

Dallas Hospital Will Be Built For Child Care

DALLAS, Oct. 25.—(P)—A \$500,000 hospital dedicated to alleviation of the sufferings of the children of the State of Texas and backed by an endowment of \$1,000,000 or more is to be added to the group of hospital buildings which has made Dallas one of the outstanding hospital cities of the Southwest.

Preliminary plans for financing and building of the hospital were made last night within an hour by seventy-one sponsors. The institution is to be known as the Texas Children's hospital. The charter for the institution provides that it is to be an entirely non-sectarian and a philanthropic enterprise. It will occupy a piece of land near the medical group here, which was donated to the sponsors by a citizen.

The tract is an acre in extent and overlooks Reverchon park on one side. Near it are Parkland hospital, the Texas Scottish Rite hospital for Crippled Children, the Dallas Baby camp, Hope Cottage for the care of babies, the Presbyterian Children's Clinic and a number of privately owned clinics and hospitals.

Incorporators are G. B. Dealey, W. M. Whitenton, F. R. Freeman and Alex Spence. These four will act as a board of directors. A committee of nine to work with the directors to carry through the scheme of financing, chiefly from Texas citizens, was appointed. This committee is to complete its work within the next few months.

The 71 sponsors who met last night expect to double their number by adding the names of prominent citizens of the state, outside of Dallas, who are interested in child welfare.

AND SO, THEY CELEBRATED  
ST. PAUL, Oct. 25.—(P)—When Mr. and Mrs. C. F. Trettin of St. Paul have occasion to celebrate, they celebrate. Today they observed their golden wedding anniversary. Then they celebrated Mrs. Trettin's 75th birthday and wound up by reminding their friends it also was Mr. Trettin's 74th birthday. Mr. Trettin is secretary, treasurer of a local battery corporation.

ELECTRA, Oct. 25.—(P)—The backfire from a gasoline engine caused an explosion of gas here yesterday in which D. B. Bruton was fatally burned and J. M. Nowell painfully injured. Nowell is recovering.

IS PROHIBITION AN ISSUE?

The prohibition plank adopted at the Democratic convention in Houston says:

"Speaking for the National Democracy, this convention pledges the party and its nominees to an honest effort to enforce the Eighteenth amendment and all other provisions of the Federal Constitution and all laws enacted pursuant thereto."

Contemporaneous with the adoption of this plank Al Smith's headquarters issued this statement:

"Governor Smith's views on prohibition are well known. He is opposed to the present status of prohibition. He has his own platform on this point, irrespective of what the platform declares. Of course he stands for law enforcement. All public officials do."

It will be thus noted that Al Smith, in advance of his acceptance speech, repudiated the party platform. He has done this repeatedly in speeches in this campaign.

Al Smith claims he will enforce the prohibition law if he is elected president. He says that if he lays one hand on the Bible and raises the other toward heaven and swears to enforce the constitution he will do it.

FOUR TIMES ALREADY HE HAS SWORN THAT OATH AS GOVERNOR OF NEW YORK. HE HAS HAD EIGHT YEAR SIN WHICH TO MAKE A MOVE TOWARD KEEPING IT. EVERY MOVE HE HAS MADE HAS BEEN IN THE OTHER DIRECTION. HE NOT ONLY FAILED TO ENFORCE THE CONSTITUTION HIMSELF, BUT HE LED THE FIGHT FOR THE REPEAL OF THE LAW THAT GAVE THE OFFICERS OF NEW YORK THE POWER TO ENFORCE IT. HE HAS SHAMEFULLY AND WILFULLY VIOLATED HIS OATH EVERY DAY OF THE EIGHT YEARS HE HAS BEEN GOVERNOR. HIS EIGHT YEARS OF CONTINUOUS DISREGARD OF THE OATH HE HAS FOUR TIMES TAKEN IMPEACHES HIM AND SHOWS HIS OATH IS WORTH NOTHING.

But Al Smith's attitude on prohibition is consistent with his entire political history and his history is all political.

April 14, 1904, he voted for a bill to make it impossible for the people to vote out hotel bars.

April 12, 1905, he voted for eight wet amendments and the same day voted against this bill and it was lost.

May 2, 1906, he voted for several amendments to kill the local option bill and for motion to lay it on the table and finally voted against the bill.

April 10, 1906, voted to sustain Excise Commission in strangling local option bill.

April 4, 1907, voted against the Winters local option bill.

April 23, 1907, voted for the Ralston bill to allow saloons within 200 feet of a church.

March 26, 1908, voted for two anti-racetrack gambling bills and on June 10, voted against both. Why?

April 15, 1909, voted for bill to allow saloons within 200 feet of a school building.

April 26, 1910, voted against Gray local option bill.

May 3, 1911, voted for Goldberg bill to allow saloons nearer than 200 feet of a school or church.

March 25, 1912, voted for bill to take all liquor cases in New York City from the Court of Special Sessions and try them only after an indictment by the grand jury, where it would have been practically impossible to secure convictions.

In 1913, as speaker of the Assembly he hoped put through bills to increase the number of hours saloons could keep open, and to make it harder to convict liquor law violators.

March 19, 1914, voted against city local option bill.

March 25, 1915, led fight against and defeated Fish state prohibition referendum bill.

1916-17, as Sheriff of New York county ignored many flagrant violations of law reported to him affecting morals.

1919, as Governor he opposed ratification of Eighteenth amendment.

1920, got unconstitutional 2.75 per cent beer bill enacted.

1922, advocated repeal of State Prohibition enforcement law.

1923, got prohibition enforcement law repealed and wrote every Congressman urging modification of Volstead Law so as to allow sale of beer and light wines.

1927, urged Legislature to petition Congress to amend Volstead Act so as to allow sale of beer and wine.

1928, in his annual message to the Assembly he complained bitterly of New York's having ratified the Eighteenth Amendment and attacked those who put it through.

Need more be said as to whether prohibition is an issue?

We think not, but if so, Al Smith is continually saying it.

Kitchen Magic to Be Revealed

The magic which can be worked by putting in some mushrooms here and an onion there, and a delicate blend of flavors and seasonings, a department of the science of cooking every housewife is eager to know about, will be revealed by Mrs. Leona Rusk Ihrig, cooking expert, who will open the Pampa Daily News free cooking school on Nov. 5-9, inclusive.

How to get the illusive much desired flavor, accomplished in such a delightful fashion by some favorite chef need no longer be a mystery. The art of "snapp up" a dish, already delicious, may be acquired by any woman who enjoys cooking. So says Mrs. Ihrig who has received extensive training in home economics. She is ready to present a complete array of salads, entrees, cakes, pies and other articles along with many cooking hints of real value at the Daily News cooking school.

An invitation is extended to all Pampa women to attend. The lecture and cooking demonstration will be held each afternoon from Monday to Friday, inclusive, and all who wish particularly good seats are advised to time their arrival a bit early, as those close to the front will have the best opportunity of following each step the cook takes.

The woman who finds the jangling telephone a fatal disturbance when she is busy cooking, or who has to "shoo" the whole family out of the kitchen when she begins to work will find in Mrs. Ihrig much in which to marvel. For, by dint of her great knack for doing things systematically and well, her refusal to allow small things to annoy her, and her love for harmony at all times, Mrs. Ihrig's cooking school unfolds with the greatest calm and precision. She lectures as she works, beating mixing, molding, and designing. Some of her work is intricate and demands the deftest touch. This she does with hundreds of women looking on, just as easily as if she were in her own kitchen with all the doors and windows closed.

The nature of Mrs. Ihrig's work gives her an opportunity without parallel for learning the many modes of cooking in her own land. Wherever she goes she finds new recipes characteristic of that part of the country or state. Women exchange with her their choicest recipes and ideas for dainty beautiful, and delicious foods.

This Chicagoan Much Disgusted With Banditry

CHICAGO, Oct. 25.—(P)—Emil Descuronez is disgusted with the bandit business. Victims, he found last night, lack a fitting sense of cooperation, with a tendency even to downright rudeness.

He got a gun and pointed it at Frank Pasching, Mr. Pasching, in no mood for it, unbraided Descuronez and then chased him half a dozen blocks until Descuronez lost himself in Lincoln park.

It was about this time that Descuronez decided men were an unfortunate choice for amateur robbers, so he elected to rob Miss Henrietta Walker.

He pointed the pistol and gave the regulation "hands up" command. Miss Walker looked at Descuronez and broke forth in laughter. She laughed and laughed and laughed. Descuronez was moored to complain.

"You're being held up," he told her whereupon Miss Walker laughed some more. A policeman came up to see what the laughter was about. That's the end of the story.
