

BEAUTY SPOTS!—Well, hardly. Eye-sores such as these will be the target of Clean-up Week, which starts officially on Monday. Upper left is an all-too typical scene around the garbage can area in one Big Spring residential alley. Upper right is the debris left in a moving operation, and lower right is the clutter left when tree trimmings were dumped aside instead of being hauled away. To facilitate in cleaning up spots like these and hundreds of other areas perhaps only slightly less untidy, the city is furnishing free trash hauling service this week. Residents can help the program by packing trash in boxes, such as are shown next to the garbage truck lower left. Special trucks will haul the debris stacked on property lines while garbage crews will see that kitchen refuse is all cleared this week. (Mathis Photos)

Red Invaders Near Hainan Capital City

TAIPEI, April 22. (AP)—The Communist invaders of Hainan have reached the outskirts of that island's capital, disproving Chinese Nationalist reports of a tremendous victory. The official Nationalist Central News Agency conceded this tonight.

The new was confirmed in guarded language by the Defense Ministry.

A sad, strained look quickly replaced the happy smiles in this Nationalist capital.

Loss, or even isolation, of Hainan, the Hainan capital, would be perhaps an irretrievable blow to the Nationalist position on the 13,500-square mile island.

It would allow the Reds easily to reinforce from the mainland ten miles to the north the spearheads that they plunged into Hainan Monday.

Only Friday night the Central News Agency had reported a smashing Nationalist victory, with 6,000 Reds said to have surrendered and 2,000 to 4,000 to have been killed in an area 25 to 45 miles southwest and west of Hainan. The Nationalists had celebrated noisily with firecrackers.

The sudden shift in the news was contained in this dispatch from the agency's Hainan correspondent.

"Reports circulated here Friday night that 4,000 Communist troops had surrendered.

"These reports were made because Communist troops southwest of Hainan suddenly stopped fighting Friday morning and some Communist units showed white flags.

"The Communists, however, resumed fighting after dark the same day and started to drive towards Hainan.

Johnson Reports Weapons Variety

WASHINGTON, April 22. (AP)—Secretary of Defense Louis Johnson said today the United States had speeded up development of new weapons more terrible than any the world has ever seen.

Johnson said this country leads in fashioning a variety of new arms that "may mean the difference between victory and defeat in war."

In his semi-annual report, the secretary told America its atomic arsenal is "no longer a small number of bombs of a single type and size."

He also said that America's trimmed-down fighting forces are proficient and getting "equipment superior to that of any other nation."

He disclosed that Russia's atomic explosion last September, coming far earlier than expected, had stepped up U. S. development of new war tools that "surpass in destructive power any arms previously known." He did not explain the weapons.

At the end of 1949, armed services manpower totaled 1,551,000, a net decrease of 2,000 officers and 63,000 enlisted men in six months.

At year's end, the U. S. had 36,000 military airplanes, with 5,400 more being obtained, Johnson also reported 11,000 of the existing aircraft were fighters, 2,000 jet powered.

Air Force Secretary Symington, who leaves this post April 24, reported that the last six months of 1949 completed the "downward" adjustment to the 45-group force fixed by the President.

Secretary Matthews reported the Navy at the end of 1949 met its requirements "fairly well," but it could use more aircraft carriers "to advantage."

He noted that 20 vessels had been stricken from the Navy list in the six months period. He said Navy policy is to inactivate or eliminate all shore facilities that are not essential for support of the operating forces, for approved research or for "early mobilization."

Former Army Secretary Gray reported Army manpower decreased 35,000 in the last six months of 1949, and would drop 12,000 additional by June 30 to meet the budget limit of 630,000.

Gray said the reduction was being accomplished by reducing the strength of units in the army's 10 regular divisions and inactivating two of the six training divisions.

Appoint Local Good Neighbor Committee

Appointment of a Big Spring "good neighbor" committee to work locally with the Texas Good Neighbor Commission was announced Saturday by Mayor G. W. Dabney.

Functions of the group will be patterned after those of similar committees already in operation in other cities and towns. Dabney said. The committee here was appointed at the suggestion of Neville G. Penrose, chairman of the Texas Good Neighbor Commission.

Its duties will be to investigate and study any complaints alleging racial discrimination within the community.

"Communities themselves should be able to cope with problems of that type, rather than outside agencies which are not familiar with local situations," the mayor observed. "Some cities that already have such committees have been successful in bringing about amicable settlement of complaints, and I am sure that Big Spring can do the same."

The mayor said he believed the committee would be able to get to the center of such complaints and handle them expeditiously without any distortion of facts.

Members of the committee, all of whom have accepted appointments, are: George Sims, veteran railroad man; the Rev. Theo Francis, Catholic priest; Mrs. Dorothy P. Davis, principal of Kate Morrison School; Lewis H. Price, department store manager; and D. M. Carmona, who functions from time to time as a special representative of the Mexican consul. Dabney will be an ex-officio member of the committee.

National Phone Strike Is Threatened For Monday

NEW YORK, April 22. (AP)—An isolated dispute in the Midwest threatened Saturday to spark a coast-to-coast stop of telephone installation services on Monday.

The threat came from Ernest Weaver, president of Division 6, CIO Communication Workers of America, representing 10,000 installation workers in 48 states and the District of Columbia.

He said the strike would be called unless Western Electric Co., manufacturing and installation unit of the American Telephone and Telegraph Co., adjusted a dispute in Indiana.

If it comes, the strike would be two days before the end of a 90-day truce obtained by President Truman in an over-all wage fight between various CWA divisions and AT&T, parent company of the nationwide Bell System.

Because of the truce, Weaver said his union would not do any picketing before Wednesday, thus precluding the likelihood that the rest of the CWA's 200,000 members would be kept off their jobs Monday.

The sudden strike threat, temporarily overshadowing over all telephone contract negotiations, stemmed from a relatively minor disagreement at South Bend, Ind.

There, 104 telephone installation workers struck on March 27 when a crew, according to the union, was denied pay after it refused to walk more than half a mile through a muddy field to work on a television tower.

Sympathy walkouts flared Friday at scattered points across the country.

Weaver said that if talks today with Western Electric representatives are "any real indication of the company's attitude, you can bet your bottom dollar that we will walk out Monday."

And, he added, "we will stay out until we win reasonable concessions or until hell itself freezes over."

He said his union considered the Indiana dispute "part of our overall struggle" with the company, which he accused of "outright witching" and of thinking it is "just too damned good to deal" with his union.

T. E. Shea, Western Electric personnel director, accused Weaver of using the South Bend dispute "as a pretext for calling an illegal strike in total disregard of the public interest."

If the strike occurs, Shea said, it will be "clearly in violation" of the union contract, which he said forbids strikes in such disputes, and calls for their settlement through "orderly grievance procedure."

Until today, negotiators had expected to have at least until Wednesday to iron out issues in the overall telephone dispute, before any new strike crisis arose.

Bullet-Holed Raft Reported Found

STOCKHOLM, Sweden, Sunday, April 23. (AP)—A Swedish state police officer at Viby, on the Island of Gotland, was quoted today as having said a rubber life raft picked up in the Baltic Sea last Thursday appeared to have been hit by bullets.

Earlier the official Swedish News Agency T. T. had quoted the captain of a Swedish fishing vessel which picked up the second raft as having said there was a big hole in the middle of it "with ragged edges, probably caused by fire. There was also a large number of small rafts, most of them rectangular and about one by two inches big."

U. S. Navy anti-air titles in London have not definitely identified either of the two rafts found in the area as having belonged to a U. S. Navy Privateer patrol bomber plane missing over the Baltic since April 8.

Both rafts were sent to the U. S. Navy base at Port Lyautey, Morocco, North Africa, where the Privateer had been stationed.

The London Navy announcement said the first raft, which had markings "identical with those on rafts issued to the squadron to which the missing aircraft was attached," had already been sent to the Navy Department in Washington "for further examinations."

Students Deny Negro College Admittance

WACO, April 22. (AP)—Student government representatives from 27 Texas colleges and universities today beat down a determined effort to admit Negro colleges to the Texas Intercollegiate Students Association. Two hundred students attended.

A resolution that the "right to membership not be denied to any college because of race or creed" was tabled after much parliamentary maneuvering.

The motion to open membership to Negro schools was made by Bill Hamilton, president of Texas Christian University student council, and seconded by Jim Siekes of Trinity University, San Antonio.

Bob Gibson, president of Southern Methodist University's student council, led the successful effort to table the resolution. The vote was 19 to table and eight against, each school being allowed one vote.

Czechs Guilty Of Spying For U. S. Embassy

PRAGUE, Czechoslovakia, April 22. (AP)—Czechoslovakia sentenced two of her nationals to the gallows today on charges of high treason and spying for the United States.

Another defendant was sentenced to life imprisonment and three others were given prison sentences ranging from 18 to 25 years.

The four-day trial in the state court in Prague at Glatzky Pankrác Prison was attended by Western newspapermen and copiously reported by the Czech News Agency.

The news agency said the six were only the advance spearhead of a widespread espionage network which was smashed last fall. At the trial, witnesses declared four former U. S. Embassy officials had direct contact with the ring. In addition the present air attaché, Col. Andre DeChamps, was said to have made use of it.

(U. S. Secretary of State Dean Acheson said last fall the charges against American officials were "trumped up.")

The defendants testified they had supplied U. S. Embassy officials with information about changes in the foreign ministry, impending currency changes, shortages of materials and political opinion among working classes. The Czech News Agency said this constituted spying.

It said several witnesses, who testified against the defendants and who are under arrest, will be tried later.

Maj. Jaroslav Nechansky, 34, a British-trained parachutist, and Beleslav Wahl, 25-year-old law student who said they were "twisted heads" of the network, were sentenced to death.

They had testified they operated several regional espionage centers supplied with radio sets by the United States to be used in event of an East-West war.

Nechansky also was stripped of his military decorations and dishonorably discharged from the Czech army.

Water Runs If Door Open

PIERRE, S. D., April 22. (AP)—A census-taker met a farmer from flood-bedecked Sully County.

She asked him the standard question: "Do you have running water in your home?"

"Nope," said the farmer, freshly chased from his home by an overflowing stream, "but if I opened the door I would."

Insect Destruction To Crops May Be Worst In Texas History

By The Associated Press

Texas may have the worst crop damage from insects in its history this season, reports from throughout the state indicated Sunday.

Already, many thousands of square miles of wheat and oats have fallen victim to insects and drought. Boll weevils, fleashoppers and thrips are appearing in great numbers in fields of early cotton.

Upcoming fear observers, are severe infestation of fields of late cotton by a number of insects. And Texas agricultural Extension Service authorities already are warning that grasshoppers and screwworm flies may be expected in great numbers.

Mainly the insect threat can be blamed on the relatively mild winter which failed to kill off the usual number of hibernating bugs. The threat may outweigh all the South and Southwest. For instance, Rudolph Strong, entomologist of the Louisiana Extension Service, reported last week that only about one-third of the hibernating boll weevils had been killed by winter weather and that about 2,300 per acre survived. He called it the greatest number of survivors ever recorded in March in the state.

And the Texas Extension Service said that screw worm flies, which infect cattle, swarmed the winter in a much larger area than ever was known.

Flies were found in 156 Texas counties and the service announced last week compared to the usual 30 counties. And the flies, which rarely before had survived in any other state west of the Mississippi, were found as far west as the Pacific Ocean and as far north as the Texas-Oklahoma border.

The extension service called the insects a real threat to the livestock industry.

Damage from grasshoppers was blamed as much as the spring and winter drought by some farmers for reducing Texas' expected wheat production to the lowest point since 1932. Some farmers have had a 100 per cent loss from both causes.

Weather conditions during the next few weeks probably will determine just how serious the grasshopper infestation will be, the Texas Extension Service said the past week. More moisture will bring them out in big numbers, the service predicts.

But it's Texas' multi-million dollar cotton crop that has the farmers worried. On top of federal acreage allotments, a drop in production in the western states has returned them to the Soviet Union.

Reviewing The Big Spring Week - With Joe Pickle

We move from busy times to busier times. Last week brought a district woman's convention, an Agri-Market, an exhibit of women in the FFA meeting, youngsters to the regional intercollegiate league meet, and ended with quarterhorse races here Saturday. This week begins with the Junior finals, and will contribute a visit by the ABCUB national president, a Stampet quartet affair Thursday evening, and the 24th annual Boy Scout Round up Thursday, Friday and Saturday.

Joining in the general revival of religious forces here, the Jewish congregation last week reorganized Temple Israel. Long-range objective is to secure a permanent home for the congregation and perhaps, some day, a rabbi.

ACHESON CHARGES

U. S. Is Top Target Of Kremlin Threats

WASHINGTON, April 22. (AP)—Secretary of State Dean Acheson said tonight the United States is the Kremlin's chief target in a drive for "dominion over the entire world."

"We are faced with a threat—in all other words I say this—we are faced with a threat not only to our country but to the civilization in which we live," he declared.

Acheson said if all Americans and fighting faith in freedom, they can "carry the free world forward to strength and security."

The secretary spoke to the American Society of Newspaper Editors and by radio.

The United States will "go on trying to find a common ground for agreement" with Russia, Acheson said.

He said the Soviet Union is "able until the Soviets abandon 'the idea of aggression.'"

"That real and present threat of aggression stands in the way of every attempt at understanding with the Soviet Union," he said, "and that word 'aggression' includes not only military attack, but propaganda warfare and the secret undermining of free countries from within."

Declaring there is "no quick or easy way to subdue an evil force... No miracle that will make it disappear from the earth," Acheson laid down a program in which he said every citizen can join to

REALITY, RADIO BLEND FOR TICKET

State highway patrolmen lent a touch of reality to the radio program which held the attention of an Amarillo motorist approaching Big Spring late Friday night.

Principal character of the program was a woman who was having her troubles with the police, who insisted on giving her traffic violations.

The motorist said he became so interested in the program he forgot about his speedometer. The patrolmen, traveling in his wake, didn't. They gave chase and clocked him at 80 MPH.

The accused entered a plea of guilty in justice court Saturday morning and was fined \$10 and costs.

Court Will Hear Oil Title Case

STANTON, April 22.—Hearing on a plea of privileges filed by attorneys representing Martin county, which is seeking title to oil lands in Hockley and Cochran counties, is due to be heard in 118th District Court here Monday.

The hearing was originally set two weeks ago, but oil company attorneys requested a postponement, which drew no objection from Martin county's counsel.

Martin county is seeking to expunge records of its commission's court at the time the lands were sold in 1908, claiming that all members of the court were not present when the sale was authorized.

U. S. Sends Austrian Trio To Prison

VIENNA, Austria, April 22. (AP)—U. S. Civil Affairs Court today sentenced a German girl and two Austrian men to prison after finding them guilty of attempted kidnaping on behalf of the Russian Army.

The girl, Gisela Sell, 24, Berlin-born blonde, received a seven year term; Rudolf Weichberger, 25, was given eight years, and Michael Berger, 27, was sentenced to eight years, six months.

Miss Sell testified she had taken part in a plot to kidnap Victor Morejow in the U. S. Zone of Austria and deliver him to Soviet officers in the Russian zone, to earn 5,000 schillings (about \$200).

Miss Sell said the Russians threatened that if she refused to take part in the kidnaping plot they would see that her mother in Berlin, and to her Russian lover, who had already been forcibly returned to the Soviet Union.

According to U. S. Army sources, Sgt. Miss Sell, Weichberger and Berger were all members of a gang led by Benno Blum, who was shot and killed by American and French military police on April 2 while attempting to escape from the home of a woman friend.

The police said at that time that Blum, a Bulgarian, was the head of a ring that kidnaped refugees in the western-ruled sectors of Vienna and returned them to the Soviet zone.

UNVEILING IS FRIDAY

Fowler To Dedicate Liberty Replica Here

Wick Fowler, well-known former newspaper man who is now on the staff of Gov. Allan Shivers, will deliver the dedication address at unveiling ceremonies for a Statue of Liberty replica here Friday.

Nat Shick, public relations chairman for the Buffalo Trail Boy Scout Council, said the entire program for the dedication has been completed.

The statue is being presented to the Boy Scouts by Mr. and Mrs. Tom Good in memory of their son, Jake Good, who died in 1928. The ceremony has been set for 4:30 p.m. Friday and half an hour of the dedication event will be broadcast.

Shick, who will be master of ceremonies, will speak briefly on the significance of the dedication, following the bugler's sound for parade and the invocation. It has been pronounced by the Rev. James Parks. Mr. and Mrs. Good will be introduced and remarks will be heard from Dr. W. B. Hardy, council president, and H. W. Lewman, Regional Scout executive.

Shick will introduce the principal speaker following the unveiling.

WICK FOWLER

Fowler was on the staff of the Dallas Morning News before the war, and later served that paper as a war correspondent. He was the first Texan to be accredited as an overseas correspondent for a Texas newspaper.

Mayor G. W. Dabney will accept the statue in behalf of the city. A parade of Boy Scouts and bands through the business district will precede the ceremonies in front of the Municipal auditorium.

City Will Be Host To Legionnaires Of 19th District

Big Spring will be host to its second convention in less than two weeks next Saturday and Sunday when American Legion delegates from posts throughout the 19th district assemble here for their semi-annual business session.

Early registrants will participate in social activities scheduled for Saturday while the main convention session is set for Sunday at the local post's club house. Joe Spurlock, Fort Worth, commander of the American Legion Department of Texas, is due to attend the session. About 400 delegates are expected.

Local Men Listed Among 3 Enlistments In Army, Air Force

William T. Hensley, 192 Algerta street, was one of three men enlisting in the Army and Air Force at the Big Spring Recruiting Main station Friday.

Hensley, who was discharged from the Army April 7, re-enlisted as a private first class. He has been assigned to the 10th Infantry division, Fort Riley, Kans.

Others enlisting here were Harold E. Lewis, Quitaque, who enlisted in the Army as a corporal, and Clyde W. Adams, Midland, Air Force enlistee. Lewis was also assigned to the 10th Infantry while Adams was sent to Lackland Air Force base, San Antonio, for assignment.

City Starts Year With \$60,142.77

The City of Big Spring started the new fiscal year April 1 with a general fund balance of \$60,142.77, according to the March report released Saturday by City Secretary C. R. McClenny.

The city's cash balance dropped \$7,026.03 from the total of \$67,168.80 on hand at the beginning of the month. Receipts for the month amounted to \$40,447.26 while expenditures totaled \$47,473.29.

Balance in the airport fund at month's end was \$7,045.64, an increase of approximately \$1,000 over the \$6,003.12 in the fund March 1.

The cemetery fund also showed an increase during the month, rising from \$744.89 to \$5,002.54. The swimming pool and park system fund dropped from \$286.55 to \$15.30.

Balance in the parking meter fund stood at \$18,431.28, some \$3,000 above the \$15,537.83 on hand at the beginning of the month. The interest and sinking fund balance grew from \$72,689.72 to \$73,406.69 during the month.

Water consumption registered an increase during March, the total rising to 46,791,000 gallons, some 4,400,000 gallons more than the total used in February.

Water and sewer services billed to customers in March amounted to \$18,883.06, an increase of \$1,020.02 over February. Garbage collections returned \$3,623.85.

Current tax receipts in March amounted to \$1,161.11 while delinquent tax collections totaled \$327.78.

Cancer Drive Fund Passes \$1,600 Mark

An early finish to the Cancer drive was forecast Saturday by Matt Harrington, chairman of the Howard county Cancer unit, as contributions passed the \$1,600 mark.

Canvassers in the campaign for funds will continue making contacts until the goal of \$2,500 is reached, Harrington said. Response to the drive has been exceptionally good, he indicated.

Contributions may be handed to one of the canvassers or mailed to Ira Thurman, or to Cancer, Big Spring, the county chairman said.

Skinny Ennis To Play At Legion Dance

Skinny Ennis will bring his nation club, Legion officials announcement known band here May 8 for a dance at the American Legion Saturday.

Tickets for the dance here will go on sale Monday morning at the Crawford Drug store, and they will be sold on a "first come, first served" basis. However, early purchasers will get the choice tables, Legion officials reminded. Admission price will be \$3 per person, tax included.

State Bond Issue Is Way To Defeat School Building Shortage

DALLAS, April 22. (AP)—A California has pointed out a possible way for Texas to defeat the school building shortage.

Supr. Willard E. Goslin of Pasadena, Calif., said Friday his state was beating the problem with a statewide bond issue. He spoke at the American Association for Health, Physical Education, and Recreation convention. He said Texas might try the same program.

Goslin said California passed a \$250 million bond issue for school construction. He said bond funds are allotted to crowded communities which have exhausted local money sources.

Conviction Of Cohen Aide Is Overruled

LOS ANGELES, April 22. (AP)—An appellate court has overruled a vagrancy conviction of John Stompanato, a Mickey Cohen associate, in justice court.

The higher court said that idleness didn't necessarily make Stompanato a vagrant, and found no other grounds for the conviction. Stompanato was fined \$200 and sentenced to 60 days in jail last fall. The case will go back to Beverly Hills for retrial by Justice Henry H. Dravner.

Comic Strip Artists Defend The Funnies

WASHINGTON, April 22, (U)—The country's editors asked themselves and their comic artists today whether comic strips laden with sex and crime will some day make them answerable for "damage done to American youth."

Two of the top artists, Al Capp of "Li'l Abner" and Milton Caniff of "Steve Canyon" defended their craft as being one in which virtue always is conspicuously rewarded. Caniff had the last word:

"The editor is the key to the whole thing; he can tell us what's wrong, he can leave the strip out of the paper, he can cancel it."

But the debate was not and the "grave concern" over unfunny funnies in a forum at the annual meeting of the American Society of Newspaper Editors.

James S. Pope, managing editor of the Louisville Courier-Journal, led the assault for the editors along with Norman Isaacs, managing editor of the St. Louis Star-Times. A questionnaire circulated by him to fellow editors, Pope said, showed them bothered by these problems: Many editors are worried about the detailed pictorialization of crime. One editor of a successful daily carries no crime or detective strips.

Al Capp was belabored for the accentuated hips and thighs of the female inhabitants of his mythical mountain town, Dogpatch. He protested that "women do have figures and they're beautiful—people like to see beautiful girls properly dressed—and artists like to draw them."

Isaacs retorted that Capp should underline the word "properly dressed." Unabashed, Capp explained:

"These are very poor people in Dogpatch."

Even James V. Bennett, federal director of prisons, was drawn into the act. Isaacs read a statement by him voicing concern over the impact on juvenile delinquency of blood-and-thunder strips "which can easily be imitated by children."

Caniff promptly invited anybody to "quote us a single statistic to show that any child has been prompted to commit a crime by any comic strip."

Isaacs said the feature syndicates which sell the comics tend to deal with complaints by "filling, fumbling and forgetting." He said there are many strips which are perfectly harmless, and he included Caniff's among them, but he observed that "enough is wrong with enough strips to cause us concern."

"Comic strips are to children their first introduction to mediocrity," Isaacs said. "We've got to stop feeding kids this mental marijuana."

As for propaganda on the comic pages, Capp said he fears a tendency in America to shrink from the lampooning of itself in the man, net of the "delightful and disrespectful humorists of another day."

He professed himself "terrified" at the interpretations some seek to read into his own make-believe tales.

"I'm afraid America is losing its most precious freedom—the fifth freedom—the freedom to laugh at itself," he remarked.

"Let's not lose that freedom for

Vet Kills Wife, Self After Police Chase

PORT HURON, Mich., April 22, (U)—War Veteran Robert De Lacy, 28, fired a bullet through his wife's head last night, then led police on an 80 mile-an-hour chase and finally killed himself with the same gun.

The night's violence and tragedy ended months of quarreling between De Lacy and his 28-year-old wife, Theima.

When it was all over, police found a penciled note from De Lacy on the seat of his car.

"God forgive me," he had written, "but I just loved Theima too much."

Many times, St. Clair County sheriff's officers reported, they were summoned to the De Lacy home just outside the city to quiet disturbances.

Last night two neighbor couples were visiting the De Lacy's when the husband, an unemployed garage worker, took a German Luger pistol and killed his wife with one shot after an argument.

Then he drove off in his car, still carrying the gun. Police set up road blocks.

Before anyone could locate De Lacy, Coroner Arthur H. Smith, who owns the funeral home where Mrs. De Lacy's body was taken, received a telephone call.

"Save a place for me," the husband said. "I'll be joining her."

Minutes later one police car came upon the De Lacy auto. The fugitive driver tore up and down Port Huron's main streets for four miles, with the officers in pursuit.

Finally De Lacy swerved around a corner and parked in front of Smith's funeral home.

Officers waited a few minutes, then approached with guns drawn.

They found De Lacy slumped over the wheel of his car, shot through the head. The pistol was in his hand and the note on the seat beside him.

The husband served in the Army during World War II, participating in at least one Pacific island invasion.

WASHINGTON, April 22, (U)—Congress has changed the name of the bill to give the states title to the oil-rich tidelands. The old name:

"A Bill to Confirm and Establish the Titles of the States to Land Beneath Navigable Waters Within State Boundaries and to the National Resources Within Such Lands and Waters, To Provide for the Use and Control of Said Lands and Resources and To Provide for the Use, Control, Exploration, Development, and Conservation of Certain Resources of the Continental Shelf Lying Outside of State Boundaries."

The new name:

"Submerged Lands Act."

Truman Described As Modern Day "Robin Hood"

WASHINGTON, April 22, (U)—A young Republican leader today described the Truman administration as a modern-day Robin Hood which steals from the rich, keeps a big helping for itself, and gives the rest to the poor.

In an address prepared for the National Society of Children of the American Revolution, John Topp, chairman of the Young Republican National Federation, said:

"I am sure you all remember the story of Robin Hood, the outlaw who always robbed the rich, kept a big portion for himself, and then distributed the rest of his loot to the poor."

"Well, that is the kind of program which our present government officials are trying to give you and me today."

Body Of Marine Flyer Recovered

SAN DIEGO, Calif., April 22, (U)—The body of Marine Lt. Hobson John Clifford, 30, of Ramona, Okla., was recovered today from the wreckage of his fighter plane.

The plane crashed in the ocean 20 miles southwest of here during a flight from the aircraft carrier Valley Forge Thursday. A submarine salvage vessel raised the wreckage containing the body after divers had located it at a depth of 100 feet.

You Can Put Your Confidence In GENERAL ELECTRIC REFRIGERATORS

New G-E Refrigerators are more efficient — built to last even longer than old G-E models, which have been giving their owners faithful service for a dozen years and longer! And greater efficiency means lower operating cost, too. Remember, General Electric's record is unexcelled for dependability — more than 2,200,000 G-E Refrigerators have been in use ten years or longer!

Today, General Electric is proud to say that there has never been a better refrigerator than those that G-E is making for you now. But don't take our word for it — ask your neighbor!

Zero Compartment holds up to 70 lbs. of frozen foods, keeps it safe up to a year. Room for economy gallon containers of ice cream. Three large freezing trays provide plenty of ice cubes. No fear of running out — they freeze very fast in the zero cold.

No defrosting! No more worries or mess every week or so about defrosting. This compartment defrosts itself.

Deep vegetable drawers. Plenty of space for large fruits and vegetables, such as grapefruit and cabbage.

Sliding utility basket. Convenient for storing eggs, small jars and packages. Large bottle storage. There is room for as many as 16 square quart-size milk bottles. Room for large bottles too.

Sliding Aluminum shelves glide forward easily making even foods stored at the back readily accessible.

REFRIGERATOR — \$359.95
 ON HILBURN'S EASY TERMS

6- FT MODELS AS LOW AS \$189.95
 \$18.95 Down — \$2.50 Week

The heart of any electric refrigerator is the mechanism. That's why General Electric not only seals a permanent supply of oil in the mechanism, but also provides a force-feed lubrication system. This forces oil through the mechanism, so that moving parts float in a fine film of oil, eliminating metal-to-metal contact and wear.

The same care is taken in cabinet construction and finish. The General Electric cabinet is all-steel — no wood to warp or to crack. The finish is the finest obtainable, consisting of two coats of enamel individually baked on the Bonderized surface at extremely high temperatures and for long periods of time. This finish is resistant to scratches, stains, grease, and should retain its original gleaming whiteness over the years.

HIGHLIGHTS ON KBST

BSHS Seniors Will Operate Station

Wednesday April 23 will be a student day on KBST. That's when the Big Spring high school seniors take over the local station to operate it in its entirety for the full 18-hour day.

From 6 a. m. to 12 midnight, seniors will staff the station, including manager, announcer, copy writers and announcers and will get a taste of radio work just as it presents itself every day in the week.

All sales, production and presentation will be in the hands of the students.

The class is sharing in the day's proceeds, and students have already been busy planning the day's operation.

Rep. Rooney Rues Congress Comment

WASHINGTON, April 22. (U.P.)—Rep. John J. Rooney of New York called Rep. Frank B. Keefe of Wisconsin a "big district attorney from Oshkosh" but Speaker Sam Rayburn made him strike it out of the Congressional Record.

Rayburn said that Democrat Rooney was indulging in personalities about Republican Keefe, and that's against the House rules.

The beef by Keefe struck Rooney as looney. He argued that Keefe is (A) big, (B) a former district attorney, and (C) from Oshkosh.

Sander Attorney Calls For Press Conference

MANCHESTER, N. H., April 22. (U.P.)—A press conference has been called for next Tuesday by counsel for Dr. Hermann N. Sander.

Atty. Louis C. Wyman said the conference would be held in his office, but gave no indication of its nature.

Wyman has told newsmen that the revocation of Dr. Sander's license by the state board of Registration in Medicine "is very much under study" by his staff.

The state board revoked the 41-year-old doctor's license Wednesday for what it termed "morally reprehensible action in deliberately injecting air" into the veins of Mrs. Abbie Borroto, 59, a woman cancer patient.

The young country doctor was acquitted by a jury last March 9 of injecting Mrs. Borroto by injecting the air.

Dr. Sander has been dropped from the staffs of the Elliott and Hillsborough County hospitals, but may apply for reinstatement if his license is restored. Two Catholic hospitals, Notre Dame and Sacred Heart, have barred him permanently as a visiting physician.

He also has lost his membership in the American Academy of General Practice.

Blount said that he felt that "the time has arrived for the people of our state to awake, roll up their sleeves and become conscious of the inadequacies of their state government," and that "it is true wisdom that the best place to find a helping hand is at the end of your own arm." He said he had no personal ambitions but to serve the district as ably and humbly as he knew how within the framework of the constitution.

U. S. Should Seize 10 Soviet Soldiers As "Hostages"

PHILADELPHIA, April 22. (U.P.)—The United States should seize and hold 10 Russian soldiers and sailors now in this country as "hostages" for the 10 Americans in the Navy plane shot down by the Soviets in the Baltic Sea, says Maj. Gen. William J. (Wild Bill) Donovan.

Donovan, wartime head of the Office of Strategic Service (OSS), said the Americans may be alive and prisoners of the Russians.

"The 10 Russians should be held until indemnity which the United States has asked is paid," Donovan said. "Or until the Americans are returned safe and sound and the possibility that they are prisoners of the Russians should not be excluded."

Donovan made his remarks at a press conference preceding a cancer crusade luncheon. He is national chairman of the campaign.

Airlift Vet Burns To Death In Plane

ARDMORE, Okla., April 22. (U.P.)—A veteran of the Berlin airlift was burned to death today when trapped in a light civilian airplane which crashed near here. His companion was saved from death by witnesses who pulled him from the ship.

Dead was Master Sgt. Robert Sheering, 25, who returned to the states from Europe six months ago and was visiting relatives at nearby Healdton, Okla.

Charles McGee, 38, Healdton garage owner and Sheering's brother-in-law, suffered serious injuries in the crash.

ARABIC NEWSPAPER SAYS FAROUK HAS MARRIED NARRIMAN SADEK

DAMASCUS, Syria (U.P.), April 22. (U.P.)—A generally reliable Arabic newspaper in Beirut, Lebanon, published a story last Tuesday saying that King Farouk of Egypt and Narriman Sadek already are married.

Up to today there has been no denial or protest about the story from any official Egyptian source.

The newspaper, Beirut, said the beautiful 17-year-old Egyptian girl has become the king's legal wife and added that it had learned "from sources very near to King Farouk" that there will be an official announcement May 6. That day is observed in Egypt as Ascension Day, the anniversary of the beginning of Farouk's reign.

The headline on the story said "Farouk and Narriman married." A picture of the girl accompanying the story was captioned "The New Queen."

In the past, the Egyptian Foreign Office has been extremely touchy concerning reports about the romance of the Egyptian king. Persons familiar with the policy of the foreign office said the lack of any denial or protest in this case seemed to indicate the story could be true.

Only Buick has Dynaflo—and with it goes HIGHER-COMPRESSION Fireball valve-in-head power in three engines: Over 9-322 engine in Super models. NEW-PATTERN STYLING, with MULTI-GUARD fender, fender-through fenders, "double bubble" taillights. WIDE-ANGLE VISIBILITY, close-up road view both forward and back. TRAFFIC-HANDY SIZE, less over-all length for easier parking and maneuvering, short turning radius. EXTRA-WIDE SEATS cradled between the axle. SOFT BUICK RIDE, from all-steel springing, safety-ride tires, low-pressure tires, ride-steady torque-tube. WIDE ARRAY OF MODELS with Body by Fisher.

YOU know many things about the man behind the wheel when this bold front comes winging your way.

He knows style—he is traveling behind the boldest and freshest forecast of things to come that is on the roads today.

He's a practical person—likes the idea of plenty of protection out front without spending money on such extra items as bumper guards.

He likes convenience—the easier parking made possible through the precious inches of over-all length saved by this design—not to mention freedom from "locking horns" with the car ahead.

And he's foresighted—knows that accidents do happen sometimes—and he goes for the idea of a front-end design that can be repaired by replacing single bars instead of a whole grille work.

You could add that he likes power—for behind this smart forefront there's a big bonnetful of Fireball horsepower.

He likes comfort—since every car bearing this grille rides on soft coil springs all around.

Most of all, he has an eye for a buy. For this bold new design means Buick—and in every series, SPECIAL, SUPER and ROADMASTER, Buick means a better all-round buy.

For proof of that—go look, try and compare. You'll find that, dollar for dollar, your Buick dealer has the top values—and that goes for cars bracketing every price range above the very lowest.

Blount States Re-Election Intentions

R. E. (Peppy) Blount announced Saturday that he would be a candidate for re-election as state representative from the 91st district.

Citing rising costs and duplications in state government, Blount said that "I have registered my opposition to this gray-train government as I believe the people of our district would have had me do."

The Big Spring colon pointed out that "as one of the older and more experienced members of our house of representatives, in tenure of service, I believe I am better qualified to serve the best interests of our district and West Texas."

Currently, Rep. Blount is serving out his second term as representative. He is a Big Spring high school graduate of 1943. He was decorated for 31 bomber-transport missions in the Asiatic-Pacific theatre as a pilot. Returning home, he entered the University of Texas where he was a three-letterman in football and where he is working towards his law degree. Last session he introduced prison reform measures at the request of the late Gov. Beauford Jester. He also introduced measures in the House dealing with creation of a local water district.

Rep. Blount called attention that he had supported only one tax increase measure, that at the last special session "because it was the only way in which we could, at the time, provide for those unfortunate in our eleemosynary institutions."

Cost of state government in Texas, he said, had increased from \$165 million in 1940 to \$514 million in 1950. While population increased 18 per cent, living costs 79 per cent, "our state government" increased 207 per cent," he said.

"The waste in our state government is tremendous and the brakes must be applied to our spending if we are to survive," he said. "If you and I kept our personal business accounts the way the state does, we would never have enough money to pay our bills."

"The state has more than 220 different checking accounts ranging from \$20 million to \$80 million. Although the surplus is over \$180 million, new taxes already are being discussed. Our present heavy

part from 200 state agencies, institutions and departments, some overstaffed by members with overlapping terms, is bleeding the Texas taxpayer."

Blount said that he felt that "the time has arrived for the people of our state to awake, roll up their sleeves and become conscious of the inadequacies of their state government," and that "it is true wisdom that the best place to find a helping hand is at the end of your own arm." He said he had no personal ambitions but to serve the district as ably and humbly as he knew how within the framework of the constitution.

Trash Trucks Scheduled For 10 Days Activity In City's Clean-Up Week

City trash trucks have been scheduled for 10 days of activity in connection with clean-up week. City Manager H. W. Whitney has announced.

Vehicles will start making the rounds Monday to remove rubbish, shrubbery trimmings, and other materials to be disposed of by residents during the clean-up period, the city manager said. They will continue the work through Thursday, May 4.

City officials have requested that all trash to be removed be placed in alleys prior to the time the trucks start runs in the particular area in which it is located. The

large area to be covered will make it impossible for vehicles to go back over the route, the city manager declared.

D. M. McKinney, chairman of the chamber of commerce civic and beautification committee, appealed to all residents to support the clean-up drive. Members of the committee were to call most citizens during the weekend, reminding them that the clean-up is to start Monday.

A meeting of local Colored residents has been set for 3 p.m. Sunday afternoon at the Lakewood school at which time plans for the clean-up project will be made for

that section of the city, McKinney said.

All-out participation in the project by all citizens has been urged as a health as well as beautification measure.

"It's the right time to dispose of rubbish, cans, and other refuse that will provide breeding places for flies, mosquitoes, and other insects," C. W. Mason, city-county sanitarian, pointed out. "Destruction of places of breeding will prevent spread of diseases carried by such insects later."

There are no restrictions on what will be picked up by city trucks during the cleanup.

"Trash may be piled in boxes, barrels, or in stacks as long as it is placed in the location where garbage is usually left," Whitney said.

Persons who have 55-gallon drums, or other non-regulation containers they wish to save, should place them on private property, off the streets or alleys, Whitney said. The city commission has issued instructions that all non-regulation garbage and trash containers be picked up and disposed of, he said.

Regulation cans are those not exceeding 30 gallons in capacity. They must have covers, according to city ordinance.

Mayor's Proclamation

WHEREAS, the general health and welfare of our citizens depend upon wholesome surroundings arising from good clean living conditions, and

WHEREAS, the lives and property of our people are endangered by fire caused by cluttered conditions around homes and stores, in alleys and lots, and

WHEREAS, civic pride should prompt us to maintain a slightly city, and unity of effort is required for any development of our community.

THEREFORE, I, G. W. Dabney, Mayor of the City of Big Spring, do hereby designate Monday, April 24 as official opening day of the Clean-Up-Paint-Up-Fix-Up program; and call upon all departments of the city, its commercial organizations, civic clubs, schools, churches, boys' and girls' groups and all other associations, and our people in general to take an active part in this constructive program for Community Improvement to insure its success.

G. W. DABNEY, Mayor
City of Big Spring

MAYOR URGES RESIDENTS TO MAKE CLEAN-UP WEEK A BIG SUCCESS

Mayor George W. Dabney Saturday urged residents of Big Spring to join enthusiastically in making clean-up week a success.

"This important activity can be successful only to the degree in which people here actually take part," said the mayor. "To be really effective, the clean up has to be accepted as individual responsibility."

While residents will be contributing to their own satisfaction in having clean, neat and attractive premises, the mayor observed, they also will be contributing to their own health and welfare for having contributed to the community's safety.

"The time to stop the threat of flies and other creatures which may help spread many diseases more common to the summer season is before they get a good start," said Mayor Dabney. "We can do that now by destroying places for their breeding and harboring in our clean up efforts."

"Since it is thought that flies may have a part in carrying polio, we ought to do everything within our power to see that they are held to an absolute minimum. At the same time all other sanitary precautions should be taken to make this a truly a clean city."

Aside from health there are civic benefits to be had from a successful clean-up, he commented.

"You don't need anyone to tell you how much you are impressed by a clean and neat town," said the mayor. "That condition speaks for itself, and we ought to make it speak for us."

He also pointed to the advantage in increased safety through reduced hazards. In a clean city, said the mayor, fires are less likely to occur and accidents can be minimized.

"I hope that everyone will find time this week to do his share in cleaning his own premises, perhaps in fixing things that need repairing and if possible in putting on a new dress of paint and anything else that will contribute to appearance of cleanliness."

REMOVAL DATES SET Residents Alerted For Trash Trucks

Residents in the area between Runnels and Goliad streets south to 24th street are being alerted to have trash ready for city trucks to remove Monday, R. V. Forsyth, city street superintendent, indicated Saturday.

Trucks will cover the area from the 11th Place and Goliad intersection east to Settles and south to 18th street on Tuesday, second day of the city's 10-day pick up schedule.

On Wednesday, the section from State street eastward to the city limits, north to 7th street, and south to the alley between Wood and 11th Place will be included on the truck run. Thursday they will pick up all trash in the area bounded by the alley between Runnels and Main north to 4th street, south to 8th street, and west to San Antonio.

Friday's run will be over the sector from the alley between Runnels and Main west to the city limits, south to 18th and north to 8th street. Saturday the trucks will cover the area along the alley between Main and Runnels from 18th to 24th and west to the city limits.

Monday, May 1, they will clean up the section from the alley between Goliad and Austin east to the city limits, south to 11th Place, and north to 2nd street. The trucks will pick up trash in the area extending from the alley between 2nd and 3rd south to 10th street, west to the city limits and east to San Antonio on Tuesday, May 2.

The area along N. Gregg from the alley between 2nd and 3rd east to N. Benton, and north to N. E. 12th will be included in the clean up Wednesday, while on Thursday, final day of the trash pick up, trucks will go over the section from 3rd street north along N. Gregg, west to the city limits, and north to the city limits.

Editors Sit For Portraits With Some Misgivings

WASHINGTON, April 22 (AP)—The American Society of Newspaper Editors has agreed to sit for its portrait today—with some misgivings.

President Ben M. McKelway Friday informed the editors, meeting in convention, that Life Magazine wanted them to pose for a picture to be captioned "The Face of the American Press."

Each editor, he said, would be shown in the group shot holding before him a copy of his own paper.

There was some debate. Finally one editor said:

"We ask people to do so many silly things in posing for our own cameramen. I don't see how we can turn this request down."

So Life was granted its group shot, by a vote so close that the editors had to stand and be counted.

\$138,800 Is Weekly Building Permit Total

A total of \$138,800 in building permits was issued by the city during the past week, F. W. Bettle, city building inspector, reported Saturday.

Total for the year was pushed well above the million dollar mark as a total of \$1,000,500 was registered Saturday. There were 31 permits issued for construction, primarily for residential buildings, during the week.

Largest block of the permits issued to Charles H. Rudd Construction company Wednesday for the construction of 14 residences in the Ridgelea Terrace addition.

103 Are Awarded Food Handling Certificates

Certificates in sanitary food handling were awarded 103 persons Friday at the close of the Big Spring-Howard county Health unit Foodhandler's school.

A total of 175 different food establishment workers attended a portion of the five-class school, C. W. Mason, city-county sanitarian, reported. Attendance of at least four of the five classes was required for receiving the certificates.

Classes were conducted daily, Monday through Friday, at Municipal Auditorium by C. B. Brevedlove, Austin, State Health department instructor. Lectures and training films made up the sanitary foodhandling course.

Suicide Ruled In Houston Deaths

HOUSTON, April 22 (AP)—Justice of the Peace Tom Mass has ruled the death of Mrs. Shellah Grasty, 32, was suicide.

Mass said Friday Mrs. Grasty, mother of two small children, died by placing a blanket over her head and running a hose from an open gas jet under the blanket.

Stephens Guilty Of Murder, Asks For New Trial

FLORESVILLE, April 22 (AP)—Lynn Stephens, 52, was found guilty of murder last night by a Wilson County jury and sentenced to 28 years in prison.

Stephens was charged with murder with malice in the ambush slaying of Federal Prohibition Agent Charles Stevens the night of Sept. 24, 1929.

Stevens, accompanied by James Murphy, another prohibition agent, was returning from raking a still

in Atascosa County when the ambush occurred near San Antonio. The jury deliberated one hour and 35 minutes before returning the verdict. The state had asked the death penalty.

Leonard Brown and Joe Burkett, attorneys for Stephens, filed a formal motion for a new trial. They said the motion would be amended.

Stephens testified Thursday he was saying a woman from drowning in a nearby ditch when the officer was shot. He said he was unarmed. State witnesses testified they saw Stephens fire the fatal shot.

Your City Urges You To --

HOW TO HELP WITH TRASH COLLECTION

1. The City is requesting that all trash material to be disposed of be piled up before special pick-up trucks start their runs Monday. Since such a large area is to be covered, it will be impossible for trucks to go back over routes covered.
2. No restrictions are placed on types of materials to be picked up, so long as it is placed adjacent to the location where garbage is usually picked up. The trash may be in boxes, barrels or stacks, so long as it is accessible.
3. If you have large drums or other non-regulation containers you wish to keep, place these containers back in the yard and off public property. The city commission has instructed that all non-regulation containers left on alleys or streets be picked up and disposed of.

Demands Probe Of 1945 Amerasia Case

WASHINGTON, April 22. (AP)—Hinting at new evidence, Senator Hickenlooper (R-Iowa) today demanded a thorough investigation of what he called the "very mysterious" 1945 Amerasia Case involving secret government documents.

"I think there are some elements of evidence which heretofore have not been known publicly," Hickenlooper declared.

He made the statement after being told by reporters that Senator McCarthy (R-Wis.) had predicted that the Amerasia Case is about to break wide open and would disclose an important Soviet espionage ring.

The case first came to light five years ago with the arrest by the FBI of career diplomat John S. Service and five other persons.

They were charged with illegal removal of government documents for use in the magazine Amerasia, a publication devoted to news of Far Eastern affairs.

Service later was exonerated and returned to duty in the State Department. A grand jury also refused to indict two others. Two of those arrested were fined, and there was no action against the sixth defendant.

Hickenlooper declined to discuss just what he has in mind in the way of possible new evidence. He is a member of the Senate Foreign Relations Committee, which is conducting an investigation into the charges of espionage against Service and others in the State Department.

McCarthy has said his charges will stand or fall on the outcome of his accusations against Far Eastern expert Owen Lattimore. The Wisconsin Republican has called Lattimore Russia's top espionage agent in this country—a charge Lattimore has called a "contemptible lie."

Lattimore also has denied Lous

Budenz' testimony before the Senate group that he once was a member of a Communist cell. Budenz is a former Communist.

Lattimore's attorneys today asked Senator Tydings (D-Md.), who heads the inquiry group, for the right to attend all the committee's hearings—even those held behind closed doors—and for the right to see all evidence submitted to the senators.

They also urged that any further charges be aired publicly and that Lattimore be given the right to reply to them immediately in public.

CIO Asks Congress Halt Unemployment

WASHINGTON, April 22. (AP)—The CIO has urged Congress to take immediate emergency steps to halt the spread of unemployment which it said was "menacing" the national economy.

CIO President Philip Murray told a news conference Friday that in addition to the 4,250,000 now totally unemployed another 2,500,000 persons were working less than 35 hours a week.

Murray said the CIO is bringing committees of unemployed to Washington—and also to state capitals—to impress legislators and officials with the need for action.

WASHINGTON, April 22. (AP)—A permit to run a new standard radio station at Atlanta, Texas, has been filed by Herman H. Wommack, Jr., and David A. Wommack, doing business as the Ark-La-Tex Broadcasting Co. The application was received by the Communications Commission Friday.

Surprise For Russia May Be In The Making

ANN ARBOR, Mich., April 22. (AP)—Russia may soon get "a new hot potato of considerable dimensions," says a U. S. State Department expert.

Francis H. Russell, director of the office of public affairs, dropped the hint of moves to come in an address here last night at the University of Michigan.

He said he was referring to a "program of technical aid to the world's underdeveloped areas," planned by this country and other free nations.

"The police states are going to find themselves more and more on the defensive," he predicted.

He acknowledged, however, that "the struggle has by no means been all our way."

Referring to recent charges of subversive activities among high government officials, Russell said "it is pretty clear by this time that there are no Communists in the State Department."

Attacks on "those to whom the conduct of our foreign affairs is entrusted" can only lead, he said, to "the damaging of our prestige abroad and the shattering of the confidence of our friends overseas—that they can rely on us for leadership."

Our best move, he said, is to hit Communist nations where it hurts most—by "punching holes in the philosophic foundations of their system."

"If democracy is to gain adherence of people around the world who are making their choice between conflicting ways of life," Russell concluded, "we must be able to show why it is that communism is inevitably the road to intellectual, moral and physical decay and why it is that the political philosophy on which democracy is built is that of life and growth."

Woman Claims Share Of Grauman Estate

LOS ANGELES, April 22. (AP)—Mrs. Carrie J. Adair, seeking a share of late Showman Sid Grauman's \$750,000 estate, has bulkwaded her claim of being his common-law wife with a deposition that he picked her up in El Paso, Tex., when she was 14.

Mrs. Adair said she lived with her four years after bringing her to Los Angeles. Four cousins of Grauman also claiming the estate asked for the deposition.

HIGHER FOOD PRICES

Government States Living Cost Rise

WASHINGTON, April 22. (AP)—The government today reported a slight rise in living costs, chiefly due to higher food prices.

The living cost boost was three-tenths of one per cent in March. Foods went up six-tenths of one per cent, after having declined for three straight months.

The latest government living cost index, put out by the labor department's bureau of labor statistics, is 1.5 per cent lower than a year ago. It is 25 per cent higher than in June 1946 when wartime price controls were relaxed and 89 per cent above the prewar level.

The index for March was 167 per cent of the 1935-39 average,

which is considered a base period.

Besides foods, the bureau said, prices for fuel, electricity and refrigeration rose four-tenths of one per cent. However, the gas-electricity portion of this group of items is still below prewar prices.

Rents, apparel and house furnishings all edged up slightly in March, too. This was the first increase for apparel, one-tenth of one per cent, since November 1948. Clothing prices had fallen steadily since then, but a total of eight per cent.

Foods, while moving up a bit in March, still are 2.8 per cent below a year ago although 110 per cent above prewar. Food prices rose in March in 44 of the 56 cities surveyed.

AIR FORCE PLANS TESTS BY JET TO CHECK DAYTON MYSTERY BLASTS

DAYTON, O., April 22. (AP)—The Air Force plans tests next week to see if recent high altitude dives by a jet plane speed king can explain a series of mystery blasts reported in the Dayton area.

Col. F. K. Paul, chief of the flight test division at Wright-Patterson Air Force Base, said last night the new tests are planned "to see if we can prove anything."

"Right now it is all a lot of conjecture but there is a possibility that some of the dives may be linked to the series of explosions," he told newsmen.

He referred to dives at near supersonic speeds by Maj. Richard L. Johnson, holder of the recognized world jet speed record of more than 670 miles an hour set in 1948 at Murco, Calif.

Reports of an explosion or earth tremor that rattled dishes and

broke windows near Dayton began pouring into police, newspapers, and radio stations Thursday. Telephone callers timed the disturbance at about 11:30 o'clock.

Reports of a second blast about 12:15 o'clock Friday created more excitement. It mounted when two more occurred about 3:30 o'clock.

Johnson heard about the mystery blasts. He recalled they coincided roughly with the time he was in the air and told superior officers about it. They permitted him to disclose that "those working close to the project feel they have a logical explanation for linking the dives with the explosions."

Missionaries Get Italy Visa Extension

WASHINGTON, April 22. (AP)—The Italian government will allow American Church of Christ missionaries to remain there at least until Dec. 31, the State Department has been advised.

The department Friday notified Sen. Johnson and Rep. Burlison of Texas that the seven missionaries and their families—threatened with expulsion—have had their visas extended to Dec. 31.

Most of the group came from Texas. Their visas had expired April 15.

The missionaries recently had difficulties with the people of the Frascati area, where they operate an orphanage and school. The village is near Rome.

CENSUS TAKER CLIMBS WINDMILL

SHAMROCK, Tex., April 22. (AP)—Mrs. Kloe Brown, census enumerator, found the farmer the only one at home. He was atop a high windmill busily doing a repair job.

"I want to ask you a few questions," Mrs. Brown shouted. "I'm the census taker."

"Lady, if you want to ask me any questions," the farmer replied, "you'll have to come up here. I'm going to be here for quite a while."

Mrs. Brown pleaded, the farmer grumbled but was unmoved—and Mrs. Brown climbed.

Loyalty Oath Controversy Seems Settled

DAVIS, Calif., April 22. (AP)—The bitter University of California loyalty oath controversy appeared to be settled today.

By a 21 to 1 vote Friday, the University board of regents withdrew its "sign or quit" ultimatum to the 11,000 university employes and adopted a compromise proposed by a special committee of the alumni association.

The action, at a special regents' meeting on the university's College of Agriculture campus here, came just nine days before the April 30, sign-or-quit deadline.

It provides that instead of signing the special non-Communist oath, faculty members and other university employes may sign a contractual letter stating they are not members of the Communist Party.

Faculty members who do not wish to sign either the letter or the oath may petition for a hearing before a committee of the Academic Senate, self-governing body of the university faculty.

A faculty spokesman, Prof. John B. Hicks of Berkeley, said after Friday's meeting "We believe the regents have reaffirmed their faith in the faculties of the university and for this we are grateful."

"We believe the solution offered by the regents will be accepted," Regent L. M. Giannini of San Francisco, president of the Bank of America, was the only one to oppose the compromise proposal.

University President Robert Gordon Sprout offered the formula—which he called "a tribute to the wisdom and prudence" of the alumni—committee to the regents.

John Francis Woylan, a leading proponent of the special oath, seconded Sprout's motion.

Engineer Faces Life In Plane Bomb Case

LOS ANGELES, April 22. (AP)—John H. Grant, accused of trying to put a time bomb aboard an airliner, faces a possible life-term charge in addition to 16 counts of attempted murder.

Dep. Dist. Atty. George Kemp said that the 36-year-old aircraft engineer "Quite likely" will be charged Monday with the 16 counts.

Carrying from one to 30 years—plus a charge of violating the state health and safety code against taking explosives on a public conveyance—which carries a penalty of one year to life.

Grant is held on suspicion of attempted murder of his heavily injured wife and two children. Thirteen others were aboard.

If You've Earned It—Don't Hesitate!

There are countless people who have every right to be enjoying a Cadillac—but who, for one reason or another, are denying themselves the pleasure.

If this is happening to you—there must be a reason—and we think the following paragraphs may be of interest.

If you are hesitating to purchase a Cadillac because of cost—please remember that the lowest-priced Cadillac actually costs less than certain models of numerous other makes of cars!

If you are concerned about operating expense—remember that three 1950 Cadillacs recently averaged better than twenty-two miles to the gallon in an official-supervised economy test of 751 miles!

If you are wondering about the cost of upkeep—draw your own conclusions from the fact that the lifespan of a Cadillac has never been fully measured.

If you are afraid your friends might think you ostentatious—please be assured that our owners have not found this to be the case.

Yes, if you have earned it, there is every reason why you ought to be driving a Cadillac—every practical reason, as well as every personal one.

This would be a wonderful year to make the move—for never before was Cadillac so beautiful—so luxurious—so utterly thrilling to drive.

Better come in and see us. We think you'd be surprised at how easy it is to enjoy a Cadillac.

AMID CHAMPAGNE

New Ferries Link Galveston, Bolivar

GALVESTON, April 22 (U.S.)—Amid a splash of champagne, Galveston's two new ferries, the R. S. Sterling and the Cone Johnson, were christened today.

Swinging the traditional bottles were Mrs. Ross Sterling and Mrs. Cone Johnson, widows of the two leaders of Texas Highway Construction for whom the boats were named.

About 500 persons attended the ceremonies held in Todd Shipyards on Pelican Spit.

Workers turned water into the huge drydock at 11 o'clock and by 11:27 o'clock the new ferries were floating free.

The ferries are being put in service on the Galveston-Port Bolivar route 45 days ahead of schedule. The Sterling is to begin operations May 1, the Johnson about June 1.

Fred A. Wemple, of Midland, chairman of the State Highway Commission, remarked that the ferries are destined to become a vital part of the Texas highway system. He mentioned that Highway 87, on which the ferries will be a connecting link, joins some of the most important areas in the state. (Included are San Antonio, San Angelo, Big Spring and Lubbock).

Rolly Seawell Wins First At Lubbock

Rolly Seawell, Big Spring high school, won first place in senior boys' declamation at the regional interscholastic League speech meet at Lubbock, Saturday.

He was one of three Big Spring students winning places in the regional speech tournament. Peggy Lamb placed second in the senior girls' division of declamation. Jo Ann Miller placed first in junior girls' declamation.

Seawell is the only one of the trio eligible to compete in the state tournament, however Miss Miller won top honors in her division. Juniors do not compete above the regional level.

Forsan Baseball Manager Guest At Business Club

D. W. Roberson, manager of the Forsan baseball team, was a special guest at the Friday luncheon meeting of the American Business club, which met at the Crawford hotel.

Roberson told of sandlot baseball activities in that area and informed the group that proceeds from a sale of tickets for the opening game would be used to pay for new uniforms for the team.

R. E. McKinney was in charge of the program. He introduced Gilbert Gibbs, who screened a film of patriotic nature, "Enterprise," for the group.

The ABC will meet for breakfast at 7 a.m. next Friday at the Settles, rather than at noon.

Rother Dismissed

BERLIN, April 22 (U.S.)—Arthur Rother, who conducted "Deutschland Oeber Alles" at West German Chancellor Konrad Adenauer's political rally here last Tuesday, was dismissed today as chief orchestra director by the Soviet-controlled Berlin radio station. Playing of the former German national anthem, which the Nazis had raised to new prominence, was followed by a walkout of Socialist Party leaders at the rally.

Spring Cleaning

Springtime is clean-up time, and a general campaign for health and slightness gets underway in the city today, with the official start of "Clean Up-Paint Up-Fix Up" week. This program is under joint sponsorship of the city administration and the chamber of commerce beautification committee, and participation of every citizen is urged.

Many local householders already are engaged in the springtime refurbishing chores, as pictured on this page.

LAWN BEAUTIFUL—That's the goal of Mrs. Vernon Smith, as she works in the yard of the family residence at 803 West 18th. Son Taylor lends a hand in the background.

SPRING WINDS . . . Bring a lot of loose paper into the best-kept yards, as well as vacant lots and alleys. Above, Buddy White needs some assistance from Mrs. W. J. Flowers, 1906 Main, to clear some paper from his lawn mower.

FLOWER GARDENS—Won't be so attractive in the summer unless some hard work is done in the Spring. Above, Mrs. J. T. Dillard, 1800 Johnson, fills a wheelbarrow with excess greenery from her garden.

NEW PAINT JOB—Mrs. A. D. Webb, 1615 Stata street, in right photo replaces screens on the windows of her home after the painter has just finished giving the screens a "new look" for spring.

READY FOR THE TRUCKS—Leroy LeFevre and Ray Andrew (below) are among the Big Springers getting ready for the trash collecting trucks. The city will operate special pickup schedules during cleanup week. Information about Clean Up Week may be found on other pages of today's Herald.

DAILY TASK—Mrs. L. B. Russell (below) says it's almost a daily task to keep the weeds out of one's yard, especially in the wake of April showers. Mrs. Russell works at her residence, 1006 Main.

Local Junior Woman's Forum Wins Award For Second Best Club Report

Big Spring's Junior Woman's Forum took second place for junior club reports and five Big Spring clubs were recognized as being 100 per cent subscribers to the Texas Club Woman when annual awards were presented at the spring luncheon held by District 8, Texas Federation of Women's clubs, held Friday in the Settles hotel.

First place in the senior club report classification went to the Fort Stockton Literary club. The Alpine Study club, Alpine, and the Sorala club, Grandfalls, tied for second place. Third place was won by the History club at Marfa.

First place for junior club reports was taken by the Junior Woman's club, El Paso, and third place by the Young Matrons Auxiliary Woman's club, El Paso.

In the individual club, press scrapbook division, the 20th Century club of Midland, took first place, the Young Matrons Auxiliary Woman's club, El Paso, second place, and the Modern study, Midland, third place.

In the city federation, press scrapbook division, the Junior Woman's club, El Paso, took first place. In the relatively new, score card contest, first place went to the Fort Stockton Literary club, and second place to the Midland 20th Century club.

Odeasa's Thursday Study club took first place in the yearbook division. Grandfalls' Goshute club, second, and the Maria History club, Marfa, third.

At the coffee and art exhibit held Friday morning, delegates and visitors had been asked to name their choice. Announcement was made concerning the fact that a painting entitled "Mary" and the winner of second place in the yearbook group had been named the "people's choice." The artist is Florence Hardy, Monahans. Mrs. Frank McMullen of Big

Lake, was named the art exhibit door prize winner and received a painting by Mrs. Robert E. Lee of Big Spring, as a gift.

District 8 clubs, which claim 100 per cent subscriptions to the Texas Clubwoman, include: Tuesday Review club, Big Lake, Andrews Study club, Andrews, Alpine Study club, Alpine, El Progresso club, Alpine, Century Culture club, Marfa, Marathon Study club, Marfa, Women's Study club, McCamey, Modern Woman's Forum,

"Build A Better Community" Contest Winners Presented At Club Meeting

Two Texas winners in the "Build A Better Community" contest were presented in Friday afternoon's session of the District Eight, Texas Federation of Women's clubs convention held in the First Methodist church. They were: the El Progresso club, Alpine, winner of state and sweepstakes prizes, and the Hodaseth Valley Woman's club, Fort Hancock, winner of the class "B" award. Of three state winners, two winners were from District 8.

Mrs. H. M. Bailey presented the Alpine report. El Progresso club members felt that their community's greatest need was a library. At that time, the club had "no books, no money, and no library" with which to serve the some 20,000 people of their area. Their first step toward the library service was to give a tea. Three hundred guests attended, and 300 books were presented. Club members formed a committee and catalogued the books. Finally, after months of hard working with the aim of providing library service for everyone, regardless of race, color or creed, they formed a

District Clubs Close Meeting With Breakfast

Big Spring clubwomen ended their hostess duties for the District 8, Texas Federation of Women's clubs convention, on a Western note Saturday morning as members of the Junior Woman's Forum and the 1948 Hyperion clubs took official charge of a breakfast held in the Settles hotel. Honoring junior clubs, the breakfast took the theme, "Building Better Communities Through Our Schools." Decorations included several novel models of early day schools. Table decorations included a pasture scene formed of cedar arrangement and toy cattle.

Entertainment was western, too. Hoyle Nix and his West Texas cowboys were the official musicians for the closing session. Square dancing was also featured as Harry King presented the local act set in an exhibition.

Dan Conley, who served as master of ceremonies for the program portion of the breakfast and sang in a barbershop quartet's presentation of two numbers.

In addition to the program, one of the highlights of the morning was the presentation of an award to the Modern Study Club, Midland, for the work in the art questionnaire division.

Mrs. Steve Baker, Junior Woman's Forum president and junior club chairman for the district, gave the welcome to juniors. Mrs. Leroy Gardner gave a tribute to juniors.

Mrs. Joseph Best, district president, presided during the closing business session. She asked that all clubs send her a list of officers immediately after the election of officers.

John Ben Shepperd Is Fine Arts Speaker

John Ben Shepperd, Texas Secretary of State, was the featured speaker when the Texas Federation of Women's clubs, District 8, held their annual fine arts program Friday evening in connection with the district meeting held here.

Taking the club's "Build A Better Community" theme, Shepperd stated that "if we are to build a better world that we must start at the crossroads of America," not in some distant land or in the state and national capitals. "It will be up to the people of the communities," said Shepperd, "to see that right paths are followed."

Saying that "it is possible for people to tax and spend themselves into socialism," Shepperd added that we may be in real danger if we keep on our present path. He said that only in one life was great power put into one hand and the result was not disaster. He stated that was in the life of Christ.

He said that citizens of the communities of the land should remember when they complain about affairs in their state and national governments that "they must put their own houses in order, too."

Shepperd emphasized the idea that the indifference of a people was more dangerous than outside enemies, that any people who are too satisfied are on the road to ruin.

He stated that "anytime, we stop working to remake our democracy, it begins to lose its power. It can not be handed from one generation to another. "We have the greatest challenge, any people have ever had," said

Shepperd, "we are citizens of the world, whether we like it or not." Too often, added the speaker, we have not been willing to work hard enough to understand each other. "We should be an example, a hope and an inspiration to freedom loving peoples of the world," said Shepperd, "and we can fulfill this obligation, by working in our churches, schools, by taking civic responsibility and by being interested in public affairs and politics. In closing, Shepperd urged his listeners to do the best possible job wherever they serve and in whatever they do.

Preceding Shepperd's address, a musical program was presented. Mrs. Joseph Best and Mrs. J. O. Simmons, Jr. presided during the program. Mrs. Best introduced the featured speaker.

Musson Compton led the invocation by singing "The Lord's Prayer," Malotte.

Mrs. Nell Frazier presented her girls ensemble in three numbers, "The Two Magicians," "Glennia Mia," and "The Sleigh."

Elsie Willis played two piano numbers, "Hungarian Rhapsody No. 5" and "The Music Box."

Cornelia Frazier, accompanied by Mrs. Nell Frazier, sang "The Jewel Song" from Faust and "Summertime."

A string group from Odeasa, presented "Andante," a misuet by Mozart and "Captain Brown." The group was composed of junior high school and grade school students and was directed by Mrs. Leland Croft.

Earlier in the evening, club delegates and visitors had been entertained at the Big Spring Country club with members of the 1950 Hyperion club as hostesses.

Receiving the guests were: Mrs. Cliff Wiley, hostess club president, Mrs. J. B. Young, charter member of the 1905 club, oldest federated club in Big Spring, Mrs. U. L.

Garden Club To Sponsor Spring Flower Show At The Country Club

The spring flower show annually sponsored by the Big Spring Garden club will be held at the Country club Wednesday afternoon at 3 o'clock. A silver tea will be held in connection with the affair.

Members of the hospitality committee will include Mrs. E. L. Tollett, chairman, and Mrs. Marvin Miller, Mrs. A. C. Bass, Mrs. J. T. Brooks, Mrs. C. C. Jones, Mrs. Eva Pysatt and Mrs. J. M. Morgan.

Judges for the flower show are Mrs. John Powers, Mrs. Lillian Day, and Mrs. J. A. Fortenberry, all of Lubbock. Members of the judging committee will be Mrs. J. C. Daugherty, chairman; Mrs. B. L. LeFever and Mrs. J. E. Hogan.

Artistic arrangements will be featured in the show. Class One will include the living room table with arrangement; Class Two, coffee table with arrangement; Class Three, end table with arrangement; Class Four, bedside table with arrangement; Class Five, hall table complete with arrangement; Class Six, breakfast table and artistic arrangement; Class Seven, dining table with arrangement, including china, crystal and silver; Class Eight, bridge table with arrangement; Class Nine, tea carts with arrangements; Class Ten, will include an outdoor table and arrangement and Class 11 will consist of bed trays with arrangement.

Appropriate appointments may be used with the bridge tables, tea carts, outdoor tables and bed trays. Score points for each flower arrangement boasting a definite purpose will be given. Points will be based on color combinations, relation to the receptacle, proportion of balance, distinction and originality, suitability of combination of material and condition of the arrangement. Score points for the bed tray arrangement will be centered on the color combination, the proportion and balance, distinction and originality, relation of the flowers to the receptacle and the accessories, suitability to the occasion, including practicality and correctness, and the condition of the entire arrangement.

Miniature arrangements are not to exceed three inches. Small arrangements are to remain between four and ten inches. Special groups will include crescent shaped arrangements, line and line-mass arrangements.

These will be scored on perfection of design, color combination, suitability to container, distinction and originality and condition. There will be a corsage section, and a fruit arrangement exhibition. Score points for the fruit arrangement will be based on color combination, relation to receptacle, perfection according to variety proportion and balance, distinction and originality and condition.

A special junior division will be held. Florists are invited to exhibit, but not to compete for the awards.

Other committee members and chairmen include, Mrs. Lloyd Wesson, chairman of the staging committee, and Mrs. C. D. Wiley, A. chairman is Mrs. J. D. Benson. Committee members are Mrs. Tot

contestant from Texas. Mrs. Bailey announced that the club would use the award money to furnish the library's community room. She said they wanted to use the award in this manner because the community room belonged to "everybody and everybody helped to make the library a reality."

At the general federation meeting, Mrs. Hodge will present the El Progress club's report. She will be sixth on the presentation list. Mrs. Barney Oden presented the Hudds Valley Woman's club report. She stated that her club entered the "Build A Better Community" contest because that was the reason they were organized, to make their community a better place in which to live. She stated that her club entered not one, but nine projects.

Mrs. Oden said that the club's main work had been the sponsoring of a community center for Fort Hancock. The center was established by first purchasing an Army surplus building and furnishing and arranging for an auditorium, reception room, scout room and other facilities.

Their project also includes a library. Mrs. Oden said that though the Fort Hancock library served a smaller area than the Alpine library and contains hundreds instead of thousands of books, that the interest was great. She said that on the first day of service, the library issued books to 14 children. The club also sponsors the girl scouts, houses the boy scouts, sponsors club and brownie troops and operates a "teen castles," which sponsors dances, games, parties, picnics and other activities. The center also houses the Lions club and provides them with meals and houses two church groups on Sunday. Another project is a choral group for women. During the year, the group has given six concerts of classical and semi-classical music. The club also sponsors art exhibits and a community recreation program. Mrs. Howard made the \$100 class "B" award to the club.

Also featured on the afternoon schedule was a report by Ethel Foster, chairman of the board of trustees of the Texas Federation of Women's clubs. She addressed the session, using the theme, "Headquarters Activities." She also presented Mrs. J. C. Cunningham, Fort Stockton, new member of the board of trustees.

Miss Foster said that she considers the board of trustees, which is composed of 11 members, one of the most important positions which a Texas clubwoman can hold. She asked the delegates and visitors present to keep up with the activities of the board because there was the possibility of a change in the by-laws of the group in the near future.

She stated that she was taking a report on the TFWC youth conservation work to the general convention at Boston. She said that the TFWC houses a number of University of Texas students in their building, which is now valued at \$500,000. There are ten bedrooms which are occupied by university students, she said.

She described the job of keeping up the clubhouse as a full-time task, which begins at 7 a.m. or earlier. She nominated the Texas clubhouse as the "best kept" in the federation. She said that the house employs a rather porter and one part time porter, also a maid upstairs. She stated that the house hostess is kept busy most of the day booking appointments. She said that activities included parties for scholarship Latin American students of the state federation. During the past year, said Miss Foster, the auditorium has housed 56 formal dances, in addition to wedding receptions, initiation parties, book rug exhibitions and art exhibits. She reported that the federation receives a commission for affairs which include sales.

Mrs. L. G. Byrty of Midland, Fine Arts chairman, presented two awards during the afternoon session, one to the Maria History club for their golden jubilee pageant, and one to the El Progress club for their radio quiz program.

No official invitation to the convention was issued. However, there is a possibility that the 1950 convention may go to Marfa. Mrs. LeRoy Gindron, El Paso, Mrs. Harwood Keith, Big Spring, and Mrs. Frank McMullan, Big Lake, were named as a committee to accept or reject any official invitation which may be issued.

Final registration figures reached 218. Last official count given at Friday afternoon's session was 215 registered, including 147

Stalcup, Mrs. Marvin Bewell, Mrs. Robert Stripling, Mrs. John Coffee, and Mrs. H. C. Stipp. Artistic arrangements will be under the direction of Mrs. Ross Boykin, Mrs. Brown Rodgers, Mrs. J. W. Butrell and Mrs. D. M. Penn. Miniature and small arrangements will be directed by Mrs. J. D. Sticher. Mrs. Lloyd Wesson will be in charge of the junior division. Clerks will be Mrs. C. D. Wiley, Mrs. E. F. Satterwhite, Mrs. B. L. LeFever, Mrs. Lloyd Wesson and Mrs. J. D. Benson. Mrs. R. E. Satterwhite is publicity chairman.

Only members of the Garden club will be eligible to enter arrangements, but the show will be open to the public. Those entering flower arrangements are asked to bring them to the show by 11 a. m.

Association Members Are Elected District Officers At Convention

Two local association members Mrs. W. N. Norred and Mrs. Alton Underwood, were elected vice-president and recording secretary respectively of the 10th district at the third annual conference of the Parent-Teacher association held in Abilene Thursday and Friday.

Over 300 delegates, state, national and district officers and guests registered at the convention.

Mrs. J. J. Black of Midland was named president of the 10th district. Other officers installed were Mrs. Les Swafford, Odessa, vice-president for Ector and Midland counties; Mrs. Morgan Hall, Stanton, vice president for Martin and Andrews counties; Mrs. Harvey Baker, vice-president for Taylor and Nolan counties; and Mrs. O. L. Stalcup Midland, corresponding secretary.

Nathan Morris, Abilene, and her committee.

Mrs. Joe Showalter and E. L. Webb were conference chairmen.

H. A. Newman, director of elementary education, introduced the conference theme, "We Build A World Child by Child," when he spoke to the delegates at the morning session.

"Each child is unique and highly individualistic. If we are to build a world it must be done with the child as an individual and not as a group," he said.

"The responsibility for the nurture of the child lies with the home, the school, the church, commercialized entertainment, adult societies and communities," he said.

"The home should be the center of every woman's attention but should not be the circumference," Mrs. Howard J. Maughan, Preston, Idaho, told the audience as she spoke on "Our Homes, The Citadel of America." As national representative she brought greetings from the National Congress.

"Every child should be equipped to meet the world, but parental influence must be such that it can be stopped before going to extremes," Mrs. Maughan said.

State achievements were given by Mrs. E. M. Pittman, Anson, state vice-president. She informed delegates of the Texas convention to be held in Mineral Wells, Nov. 8-10.

Greetings from Abilene City Schools were given by Superintendent Nat Williams. Response was given by Mrs. L. G. Byerley, Midland, 36th district character and spiritual education chairman.

Dr. Earl G. Hamlett, pastor of St. Paul Methodist Church, gave the invocation.

Choral music was given by the Miles Mother singers of Runnels county, directed by Mrs. A. C. Wendland and accompanied by Mrs. C. H. Ray, Jr. During the afternoon, the Abilene Mother singers were presented by Mrs. Walter H. Adams, accompanied by Mrs. Roy Mack.

Workshops were conducted during both sessions. Mrs. T. R. Odell, Abilene, study group chairman, was in charge of an afternoon clinic. Pages were Brownies and Girl Scouts, with a pledge to flag led by Roy Scouts.

Luncheon was served to delegates at both South and North Junior High Schools. A tea, given through the courtesy of Abilene City Council at the YMCA, concluded the conference.

Local delegates attending the convention were Mrs. J. C. Lane, Mrs. W. M. Norred, Mrs. J. T. Brooks, Mrs. Zollie Mae Rawlins, Mrs. Alton Underwood, Mrs. L. D.

Jenkins, Mrs. Roy Tidwell, Mrs. Elvys McCrary, Mrs. Clyde E. Thomas, Jr., Mrs. S. Marie Haynes, Mrs. T. F. Horton, Mrs. Frank Wilson, Mrs. James Horton, Mrs. R. B. Davidson; Mrs. Avery Deal, Mrs. Landon Roane, Mrs. Raymond Hamby, Mrs. Nathan Stalcup, Mrs. Cecil Penick, Mrs. Lois Coston, Mrs. W. R. Rogers, Mrs. W. L. Vaughan, Mrs. H. H. Stevens and Mrs. Relfee Jones.

Cornelia Frazier And David Barlow Are United In Marriage Saturday

Cornelia Frazier and David H. Barlow of New York City and Lenoir, N. C., were united in marriage in a double ring ceremony in the parsonage of the First Baptist church Saturday morning.

The bride is the daughter of Mrs. Nell Frazier, 1601 Owens, and of Bruce Frazier of Stanton. The bridegroom is the son of Mrs. J. C. Russell of Lenoir, N. C.

Dr. P. D. O'Brien, pastor, officiated at the informal service.

For her wedding, the bride chose a navy blue linen suit and accessories. She wore a corsage of white gardenias. For something old, the bride carried a handkerchief belonging to her great grandmother. Something new was her suit and something borrowed was a cameo brooch belonging to her mother, Mrs. Nell Frazier. She wore a blue garter, a gift from Mrs. Louis D. Carothers.

Mrs. James B. Frazier, sister-in-law of the bride, served as matron of honor. James B. Frazier, brother of the bride, was best man.

A reception was held in the home of Dr. and Mrs. O'Brien, 101 Lincoln, immediately following the ceremony.

The refreshment table was laid with a hand made lace cloth and centered with a two-tiered wedding cake topped with a miniature bride couple surrounded in pink rosebuds. Lighted white tapers flanked the center arrangement. Crystal and silver appointments completed the table setting. Ruby Billings attended the punch service and Mrs. L. D. Carothers served the cake.

Attending the reception were Mrs. S. Marie Haynes, Mr. and Mrs. L. D. Carothers, Ruby Billings, Mr. and Mrs. James B. Frazier, Penny, Jim Bruce, and Roger.

The bride is a graduate of Big Spring high school and of the University of Texas, where she received her Bachelor of Music. She has been studying grand opera under Queensa Mario in New York, and recently completed a road tour covering the Eastern Seaboard and Chicago in "The Student Prince."

The bridegroom graduated from high school at Lenoir, N. C., and from the Blanton Business college in Asheville, N. C. He is now associated with the Brayhill Furniture factory as sales manager of the Metropolitan area in New York city.

Following a wedding trip to Colorado Springs, Colo., Mr. and Mrs. Barlow will be at home in New York, N. Y.

The Better the TOOLS the Better the GARDEN

Never was a truer statement made. Your garden can be a bouquet of flowers and shrubs or a rich bounty of vegetables.

No more back-breaking wees. There are clever ways and means—and implements—for giving you results at minimum expense of time, wear-and-tear, physically—and MONEY.

This is Headquarters for Garden Supplies. Fun just to come in and look around.

Support the institution that supports your church every good cause.

ITS "LIFE EXPECTANCY" WILL RISE

"LIFE EXPECTANCY" is an insurance term meaning how long the average person can expect to live.

There is an interesting parallel in the life expectancy of man and his home. The life expectancy of both can reasonably rise if both are taken care of.

We will be happy to discuss color schemes and give you an estimate for repainting your home.

Coahoma Junior Class Sponsors Senior Banquet

COAHOMA, April 24.—Members of the Coahoma Junior class, sponsored by Mrs. Nancy Annen and Carleen Clary, entertained the senior class with a formal banquet Friday evening in the Coahoma gym. Decorations and the program carried out the gypsy theme.

The gym was decorated in the shape of a large tent formed of crepe paper in colors of blue, green, red, white, yellow, lavender with purple and white junior class colors, predominating.

Tables were covered in white. Floral arrangements of white gladioli tied with purple ribbon. Plate favors were miniature wicker cooking pots and contained individual fortunes.

Ray Alexander served as toastmaster. Superintendent M. R. Turner gave the invocation. Patsy Harris gave the welcome. Wayne White gave the response. Pat Hogan, accompanied by Mrs. Ed Robertson, sang "Golden Farrings". Doris Courson read the class prophecy. The class will be read by Margaret Stamp, the reader provided by Wanda Shive. Jane Echols, Harriet Hays and Margaret Stamps sang "The Gypsy."

Members of the eighth grade homemaking cases and first year homemaking students sang. W. A. Wilson gave the benediction.

Students and faculty members attending were: Ray Alexander, Rodney Cramer, Maurice Duncan, R. J. Echols, Jackie Wolf, Billy Hays, Melvin Tindol, Alfred Thiem, Russell Thompson, Tommy Vick, Paul West, Elizabeth Turner, Rickard Bartlett, Millburn Hoover, Mr. and Mrs. John Ammen, Mr. and Mrs. Ed Robertson, Superintendent and Mrs. M. FIGHTING FOR FARE!—What is undoubtedly a new approach to the taxi business is unveiled in a Red Skelton comedy, "The Yellow Cab Man," which headlines the Ritz theatre's program for today and Monday. It's the usual Skelton nonsense, though Gloria DeHaven is in the cast to add some charm.

LATIN RHYTHM—Desi Arnaz beats a rumba rhythm in one of the many musical scenes from "Holiday in Havana," in which he is co-starred with dancer Mary Hatcher. The picture is the Lyric theatre's feature for today and Monday.

WHODUNIT!—Claire Trevor and Dorothy Lamour are the distracting influences surrounding Brian Donlevy as he sets about solving a murder mystery. They're principals in "The Lucky Stiff," a Craig Rice story which is at the Ritz Saturday. The picture is a Jack Benny production.

ALL IN FUN

Skelton Tears Up The Cab Business

Red Skelton puts his madcap antics on wheels for his newest comedy, "Yellow Cab Man," featured at the Ritz theatre today and Monday. He is seen as the zany inventor of safety devices who becomes a Yellow Cab Driver and the insurance company's Red Risk No. 1.

Teamed with Skelton is Gloria De Haven, who joins him in playing an out-and-out comedy part as the pretty claims adjuster who pulls Red out of one hair-raising escapade after another.

The supporting cast features Walter Slezak, Edward Arnold and James Gleason. Slezak is cast as a quack psychiatrist who hypothesizes Skelton in an attempt to get the formula for his unbreakable elastic windshield invention. Arnold is the "heavy" and unscrupulous ambulance chaser, while Gleason enacts the Yellow Cab Company's best driver who befriends Skelton.

The screen play is by Devery Freeman and Albert Beich, based on a story by Devery Freeman. The picture was directed by Jack Donohue as his first full-fledged directorial assignment for M-G-M, and was produced by Richard Goldstone.

Rhumba Rhythm In Spotlight At The Lyric

There's music and color on the Lyric screen today and Monday, with the presentation of "Holiday in Havana." Desi Arnaz, the orchestra boy, and Mary Hatcher, a song-and-dance cutie, are co-stars.

The story is about Havana's annual carnival and rhumba competition, and the cast includes Ann Doran, Steven Geray and Minerva Urecal.

The story relates how Desi, a bus-boy with aspirations to become a composer, assumes the leadership of a top rhumba band at the hotel at which he is employed. Since it is the season for the Cuban capital's big event, the yearly carnival and rhumba contest, Desi heads his men for Havana where he hopes to pick up a top singer and dancer to front for the band.

How he becomes romantically involved with Miss Hatcher, one of Cuba's top entertainers who has escaped from her mother's clutches to compete in the rhumba contest, and then straightens out a misunderstanding at the height of the carnival, provides the framework for the ingratiating songs and dances that highlight the film.

Outstanding musical numbers are "Straw Hat Song," performed by Arnaz; "Rumba Rumbero," "Holiday in Havana," the title song, "I'll Take Romance," "Made for Each Other," "Arnez Jam" and "Copa Cebena."

Gehrig Story Is Dramatized In 'Pride Of Yankees'

With the great American game of baseball as the background, one of the great real-life dramas of recent years is presented in "The Pride Of The Yankees."

Almost everybody knows this is the stirring story of the late Lou Gehrig. The picture is being re-issued and is booked at the Ritz theatre Tuesday and Wednesday.

Gary Cooper is in the starring role. The picture tells the story of Gehrig, son of humble immigrant parents, who climbed to national fame on the baseball diamond. It reveals the good sportsmanship, the devotion to his family and friends and the heroic courage which carried him down the Long Lons Trail, at only 37, with a smile on his lips. It is a narrative of homespun romance and delightful humor, highlighted by the sublime bravery of a great American.

The supporting cast includes Teresa Wright, Walter Brennan, Virginia Gilmore, Ernie Adams, Harry Harvey, Pierre Watkin, Spencer Charters, as well as Babe Ruth, Bill Dickey, Robert W. "Bob" Meusel and Mark Koenig, former team mates of Gehrig, who enact their real life roles.

Veloz and Yolande, dancing duo, and Ray Noble and his Orchestra have special performances in "The Pride of the Yankees," directed by Sam Wood.

Horn Plays A Horn

BOULDER, Colo., (U. S. News)—Murray Horn of Long Island, N. Y., plays the flute in the University of Colorado band.

Shoes Are Included

CHICAGO, (U. S. News)—Two robbers took \$300 from a men's furnishing store on the west side, and presumably split it on a share-and-share-alike basis. One of them also got a pair of shoes to boot.

HONORED FOR RECORD—A trophy in recognition of long and outstanding service has been presented to A. E. Walker, (left) the "Yellow Cab Man," by his employer, Paul Liner, and presentation was made by Chief of Police Pete Green. Walker has had eight years of service as a Yellow Cab driver without a serious accident, is lauded by his boss not only for safety, "but also for courtesy and promptness and for operating a clean cab." (Mathis Photo).

A Real Yellow Cab Man, A. E. Walker, Has Established Record For Safety

About everything a taxi driver shouldn't be is portrayed—all in good fun—by Red Skelton in the current Ritz comedy, "The Yellow Cab Man." But at the other extreme, particularly with emphasis on safety, is A. E. Walker of the home town, a veteran driver for the Yellow Cab company.

Walker has been driving taxis here for the past eight years, and has reputation as a dependable, reliable driver has increased with each succeeding year. That probably can be attributed to Walker's cultivated with amazing success through the years.

No taxi-cab operated by Walker has ever been involved in a serious traffic mishap, and he has never been accused of being at fault in minor fender scrapings. In fact, Walker's minor mishaps were confined to brief periods, a year ago last winter when icy streets made routine driving hazardous.

It would help considerably if he had eyes in the back of his head, Walker admits, but he does a fair job of "driving for the other fellows" anyway.

"You've got to watch all of them all the time, because you can never be certain just what other drivers will do," Walker declares.

He operates on a theory that a driver must watch all other vehicles that come near him and keep his own car under control at the same time.

"If you keep your car under control and fail to keep careful watch in all directions, you're still a target for accidents. On the other hand, if you watch and don't have control of your own car you are in the same position," Walker explained.

Speed may be important at times, but ordinarily it serves no useful purpose for a taxi-cab driver, Walker believes.

"Usually I try to 'size up' my passengers as soon as they get in the cab to get an idea of how fast they like to travel. Some of them prefer to ride at not more than 20 miles an hour and I like to accommodate them." (City speed limit is 30 miles an hour.)

"By the time I finish my day I usually have my share of the fares," Walker concluded.

Walker and his family will be guests of the Ritz during the showing of "The Yellow Cab Man."

'Battleground' Top War Story, Back At Lyric

GI's who made history — the defenders of Bastogne during the crucial Battle of the Bulge — are presented in "Battleground," one of the most impressive pictures yet resulting from World War II. "Battleground" is at the Lyric Tuesday and Wednesday.

Some 20 of the Bastogne men play themselves in the picture. The platoon of "Screaming Eagles" formerly of the famed 101st Airborne Division and now members of the 2nd Division at Fort Bragg, N. C., were selected by the division commander on their

Bogart Starred In Adventure With Tokyo Background

Humphrey Bogart tackles a new kind of underworld in the adventure yarn, "Tokyo Joe," Thursday-Friday attraction at the Ritz theatre. A drama of post-war Tokyo, the picture also presents Alexander Knox, Florence Marley and Sessue Hayakawa.

Miss Marley is seen as the blonde torch singer in a Tokyo night club, put on the spot by Japanese mobsters. Her rendition of "These Foolish Things" has brought that song into a new popularity, comparable to the manner in which "As Time Goes By" was greeted after "Casablanca." Hayakawa, Japanese-born silent screen star, makes his first Hollywood appearance in 17 years, as the menacing leader of the Tokyo underground.

war records. In addition to appearing in "Battleground," they acted as "battle training" instructors for the studio's stars, including Van Johnson, John Hodiak, Ricardo Montalban and George Murphy.

The arrival of the platoon marked a reunion for the "Eagles" and ex-Technical Sergeant Robert Firosh, writer of the original story and screen play of "Battleground" and also the picture's associate producer. Firosh, squad sergeant and later platoon sergeant, fought through the Battle of the Bulge and was decorated for holding an enemy minefield.

HI-TALK

By Dolores Franklin

On Wednesday, the Seniors of B.S.H.S. will take over radio station KBST. The Seniors have been working hard for quite some time selling advertising for that station. They are also getting announcers, engineers, and typists lined up for the big event. General manager of the station will be Woody Wood; sales manager, June Cook; and program director, Dolores Franklin.

The copywriters include Margaret Ann Hurt, Mackey Dee Younger, Joyce Kilpatrick, Janelle Beene. Announcers to work are Larry Dillon, Lawrence Wilson, J. O. Haney, Woody Wood, Dewey Pheasant, Jackie Jennings, Dallas Woods, Rodney Stagg, Bill Cook, George Clark, Rodman Roberts, Marlin Murphy, Amos Jones. Rolly Seawall is in charge of newscasts. Mervil Click, G. H. Hayward, Elliot Williams, Wayne Bartlett, Howard Jones, Billy Cunningham, Hector Long, Wayne Horne, Gene Bledsoe, Loyce Rice, Norman Brown, Edward Bostman make up the staff of engineers. Most of the day's program will be school events; so for the latest happenings in your high school, be sure to tune in on Wednesday.

In the literary events of the regional meet held in Lubbock Friday and Saturday, eight students contested from Big Spring high school. First place in the declamation contest was won by Peggy Lamb, who will try for senior girl honors; Joan Miller who will compete in the junior girls division; and Rolly Seawall for the senior boys.

Darlene Montgomery will try for typewriting honors, having won third at district. Ready-writer Peggy Toops was second at district and is qualified to go to regional. Also in the writing section is June Cook, who will compete in the shorthand contest, and Dolores Franklin and Kitty Roberts, entering for journalism. June Brownrigg was chosen to attend the girls' state convention, which will be held in Austin the early part of June. Marilyn Miller will be her alternate. Girls' state is sponsored by the American Legion Auxiliary, and the local unit of the organization is sponsoring June from the Big Spring area. It is quite an honor to have the privilege of attending girls' state.

since only one girl in each unit of the state of Texas gets to attend; which amounts to around 275 girls. The basis on which these girls are selected are scholarship, leadership, and citizenship. June is a junior at B.S.H.S. and an active participant in school activities, having represented Big Spring at district on the girls debate team and one-act play. She also had a leading part in the junior play this year. Last year's representative to girls' state was June Cook. June was presented to the American Legion auxiliary Thursday night at a meeting honoring girls' state. The Tri-Hi-Y met Monday evening at the "Y" for a regular business meeting. After the business the girls gave a play, "Blue Beard", for the Hi-Y club. Characters included June Cook as Bluebeard, Jody Smith, Evelyn Wilson, Sandy Swartz, Gayle Price, and Pat Lloyd. Members present included Janelle Beene, Dolores Franklin, Martha Ann Johnson, Patricia Lloyd, Gayle Price, Judith Beene, June Cook, Susan Houser, Kitty Roberts, Jean Stratton, Sandy Swartz, Peggy Toops, Lynn George, Jamie Walker, Bobby Jean White, Martha Clare, Evelyn Wilson, and the sponsor, Mrs. M. A. Cook.

Auxiliary Will Elect Officers At Monday Meet

The Cosden Auxiliary will meet Monday night in Room 1 of the Settles hotel to elect new officers. The wanderlust is on us, and we suppose a few souls would be in Cathay if they could catch that slow boat we recently sang about. R. I. Tollett took the noon plane Wednesday for Chicago. He went from there to New York and is expected to return Sunday evening. A. V. Karcher is in New York and was fortunate enough to secure coveted tickets to "South Pacific". Sam Hefner is fishing at Possum Kingdom this weekend. The Don Yates are in San Angelo today for a visit with relatives. The Ice Capades have drawn some to Fort Worth this weekend including Bobbie Green, Evelyn Phinney, and the Jess Kelleys. Glynn Jordan is spending a vacation week out of town. Alma Golinick is in Fort Worth for the weekend. Eleanor Matheny and Mrs. C. W. Deats are in Lubbock visiting the Randall Pickles and Louis Rites. The P. E. Witt family is spending the week end in Mineral Wells to attend the motorcycle hill climbing contest. The Jack Smiths left this morning for Alpine for the Lena club district conference. DO YOU SUPPOSE MANGLE WILL EVER WAKE UP, VIC? THAT WAS A LOVELY RIGHT TO THE JAW YOU GAVE HIM! HEY, LOOK!

IT'S THE STATE POLICE!

FLINT! WHAT ARE YOU DOING HERE?

YOU REALLY WANT TO KNOW?

I'M SITTING UP WITH THE BABY, SERGEANT. MONTAGUE MANGLE! WELL, I'LL BE...

BUT YOU CAN SIT UP WITH HIM FROM NOW ON. WE'RE HEADING BACK TO PARADISE PEAKS. MRS. SAYBROOK'S BEEN WAITING A LONG TIME FOR HER SON.

Later... MRS. SAYBROOK, CHRISTOPHER'S ACCOUNT OF HOW SIGRID AND I WERE TIED UP IN THE CABIN, AND HOW I GOT FREE IN TIME TO STOP MANGLE FROM BURNING US TO DEATH, LEAVES OUT THE MOST IMPORTANT PART OF THE STORY...

IT WAS CHRISTOPHER WHO RISKED HIS NECK TO CUT ME FREE. IF HE HADN'T DONE THAT, I WOULDN'T BE HERE NOW!

WHEN YOU CAME TO PARADISE PEAKS, MRS. SAYBROOK, YOU WERE WORRIED ABOUT YOUR SON BEING A COWARD. I DON'T THINK YOU HAVE TO WORRY ABOUT THAT ANY MORE!

WELL, NOW, HE AINT EXACTLY OUR BEAR... NOT YET, ANYHOW. IF HIS OWNER DONT GET WELL, I RECKON WE CANT JUST TURN HIM LOOSE!

I'M GOING TO THE HOSPITAL TODAY TO SEE HOW MR. SANDECCI, HIS OWNER, IS.

THE POOR FELLOW DIDNT EVEN REMEMBER HIS OWN NAME... THE POLICE FOUND IT OUT FROM CARDS AND THINGS IN HIS WALLET!

I'D SURE LOVE TO HAVE THE BEAR, BUT I'D LIKE IT EVEN BETTER IF THAT POOR MAN GOT WELL!

OH, SO WOULD I... I SOMEHOW FEEL THAT HE WAS GOOD TO OLD BRUNO.

DOSSONE IT! I'VE READ EVERY PAPER FOR DAYS, AND I CANT FIND OUT A THING ABOUT THAT GUY I HIT... DONT KNOW IF HE'S GOING TO LIVE OR DIE!

HE AND HIS BEAR WORKED IN A CARNIVAL WITH ME LAST MONTH, AND IF HE KNOWS MY CAR... IF HE GETS WELL ENOUGH TO TALK, I'LL GO TO THE CLINK ON A HIT-AND-RUN RAP!

THE MANG HEAD INJURY IS SUCH THAT ONLY AN EXTREMELY DELICATE BRAIN OPERATION CAN SAVE HIM... THERE ARE ONLY FOUR OR FIVE BRAIN SURGEONS ALIVE WHO COULD DO IT... VERY HIGH-PRICED SPECIALISTS!

HM-M-M... I SEE!

THAT'S AWFUL SAD NEWS ABOUT MR. SANDECCI, RUSTY! THE POOR MAN... IT WOULD COST A TERRIBLE LOT FOR ONE OF THOSE SPECIALISTS!

YEAH... I GUESS SO... SAY! WAIT! I THINK I'VE GOT A TERRIFIC IDEA!

I'LL KEEP A GUN HANDY TONITE. MIGHTY LONESOME UP HERE. I'LL DRIVE YOU HOME IN THE JEEP, WAT'LL I TAKE OFF THESE COVERALLS.

HE PROBABLY GOT AWAY. HE MUST OF HAD CONFEDERATES WAITIN'...

I GUESS SO. HE'S SMART AS HECK AN' PLENTY DANGEROUS. HE'D KILL ON SIGHT!

... I BETTER JUST CHECK THAT DOOR LOCK AGAIN...

UNHKKK

TRY... IT AGAIN!

TARZAN

by EDGAR RICE BURROUGHS

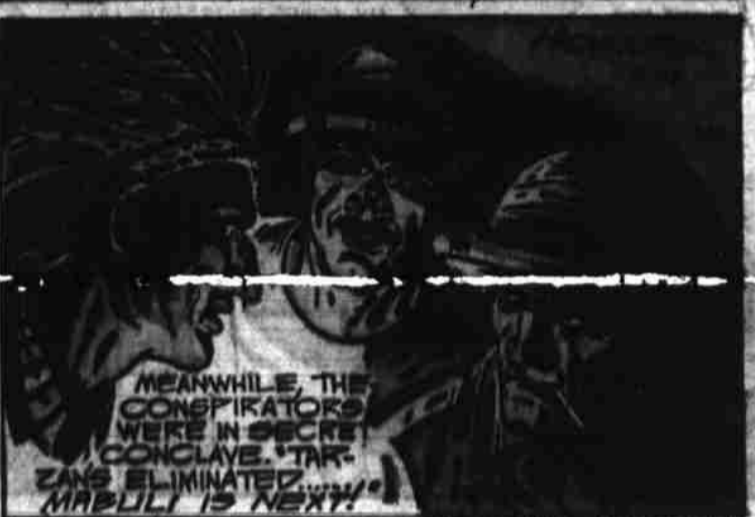

CLEVELAND AND BAKER FIRED AGAIN AND AGAIN AS THEY SAW THEIR PREY VANISHING IN THE DENSE FOLIAGE. ONCE FREE, TARZAN DREW RAPIDLY AWAY FROM PURSUIT.

WHEN NIGHT HAD FALLEN, THE APE-MAN CAREFULLY MADE HIS WAY BACK TO THE VILLAGE TO EXPOSE CHAKA'S TREACHERY!

TARZAN WAS SURE MABLILI HAD FATHOMED CHAKA'S TRICKERY. HE WOULD SEE THE CHIEF FOR A SECRET TALK.

MEANWHILE THE CONSPIRATORS WERE IN SECRET CONCLAVE. "TARZAN'S ELIMINATED. MABLILI IS NEXT!"

Prince Valiant

IN THE DAYS OF KING ARTHUR

BY HAROLD R. FOSTER

Synopsis: PRINCE VALIANT RIDES TO HIS MEETING WITH JARL EGIL. HE DOES NOT FEEL THE FIERCE JOY OF COMBAT, FOR THIS DUEL IS A FOOLISH THING OF BAD TEMPER AND WOUNDED PRIDE.

EGIL IS THERE, WAITING. HUMILIATION AND DESPAIR HAVE MADE HIM A DEADLY ENEMY, FOR IF HE WINS HE WILL HAVE TO FLEE THE VENGEANCE OF THE KING.

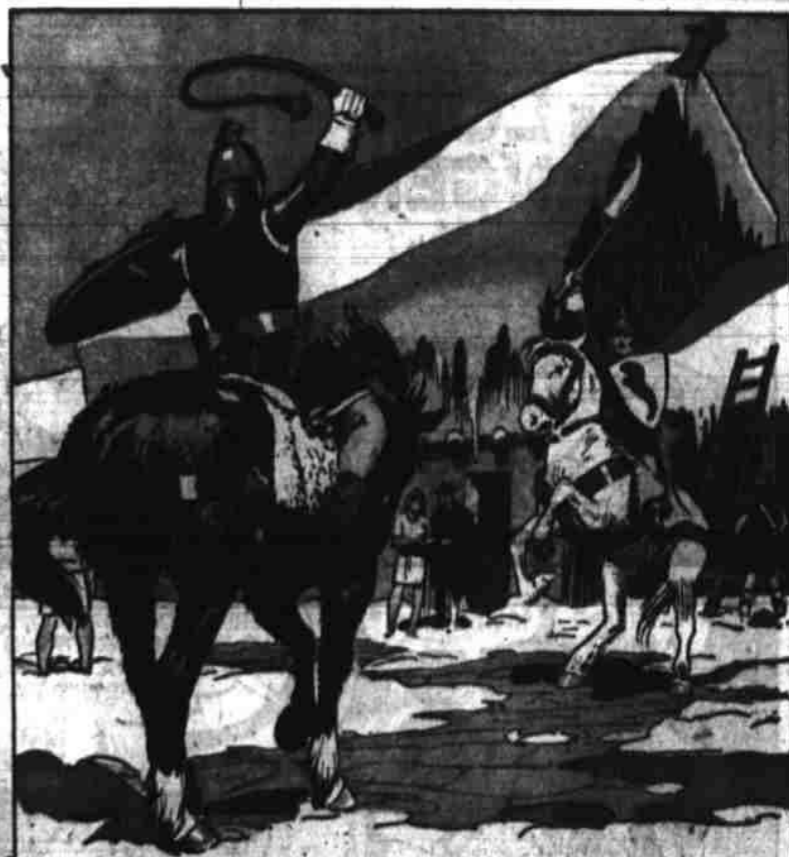

ARMORED BUT UNARMED, THEY STAND BEFORE THE TABLE AND CHOOSE IN TURN THE THREE WEAPONS ALLOWED BY THE RULES.

EGIL SELECTS THE POWERFUL BUT CLUMSY LOCHABER, A MACE AND HIS SWORD. VAL TAKES THE WHIP-MACE, DAGGER AND A SWORD.

"YOUR SWORD, YOU FORGOT YOUR CHARMED SWORD!" CRIES ARF. BUT VAL SHAKES HIS HEAD. "ON THE BLADE IS THE INSCRIPTION: 'THE SINGING SWORD BEARS A CHARM FOR HIM WHO USES IT IN A GOOD CAUSE,' AND THIS," HE SAYS, "IS NOT A GOOD CAUSE!"

SO THEY MOUNT, SALUTE EACH OTHER, AND THE CONTEST BEGINS.

AT THE FIRST ONSLAUGHT, VAL REALIZES HIS WEAKENED LEFT SIDE AND LIGHT SHIELD WILL NOT LONG WITHSTAND THE TERRIBLE BLOWS OF THE LOCHABER!

WITH SUPERB HORSEMANSHIP HE CROWDS HIS ENEMY SO THE LONG-HANDLED WEAPON IS USELESS.

WHETHER BY DESIGN OR BY ACCIDENT A MIGHTY STROKE KILLS VAL'S MOUNT AND THEY CRASH TO THE GROUND IN A HELPLESS TANGLE.

NEXT WEEK - The Miracle.

OUT OUR WAY

The Willets

By J. R. Williams

T. M. REG. U. S. PAT. OFF.

Four 20-Game winners with the same pitch...

"CAMELS agree with my throat!"

BOSTON RED SOX (WON 23)
Top winner in the majors last season. A lean left-hander with a back-breaking curve, Mel reports: "Camels give me the most fun from smoking. They taste great!"

ST. LOUIS CARDINALS (WON 26)
Always cool in the clutch, Howard came up in '49 with another great season. "Camels are my smoke," says Howard. "They taste great and they're mild!"

CLEVELAND INDIANS (WON 23)
"Camel mildness is welcome to my throat," says dependable Bob. This converted outfielder is as respected at the plate as he is on the mound.

NEW YORK YANKEES (WON 91)
Helped win the pennant in '49. Big Vic made the 30-day Mildness Test and says: "I've changed to Camels for keeps! They agree with my throat!"

Noted throat specialists report on 30-day test of Camel smokers...
NOT ONE SINGLE CASE OF THROAT IRRITATION DUE TO SMOKING CAMELS
* Yes, these were the findings of noted throat specialists after a total of 3,470 weekly examinations of the throats of hundreds of men and women who smoked Camels—and only Camels—for 30 consecutive days.
