Santa Fe President Impressed With Pampa and Vicinity

W. B. STOREY HERE ON TOUR OF INSPECTION

"You have a real city here and one that has surpassed all my expectations," declared W. B. Storey, president of the Santa Fe railroad, Thursday in looking over Pampa in company with M. K. Brown, Mayor F. P. Reid, and Sheriff E. S. Graves.

President Storey expressed appreciation of many fine civic assets, and was especially impressed by the New Schneider hotel, which he thought the finest he has ever seen in a city of this size. He foresees a bright future for Pampa, and believes local development will see a big increase in the next six months.

The famous executive and his special train arrived here last night. They remained in their cars during the night, and this morning looked over the city.

Included in the party were: A. G. Wells, vice-president in charge of operations, Chicago; F. B. Houghton, vice president in charge of traffic, Chicago; A. G. Jobs, director, Kansas City; W. E. Brown, director, Wichita, Kansas; J. S. Hornboy, general freight agent, Galveston; T. B. Gallaher, general freight and passenger agent, Amarillo; M. C. Blanchard, chief engineer, Amarillo; E. S. Machovec, mechanical superintendent, Amarillo; F. J. McKie, division superintendent, Amarillo; J. C. Barton, division superintendent, Slaton; W. A. Hamilton, private secretary of President Storey, Chicago. Of this group, President Storey, A. G. Wells, W. E. Brown, A. G. Jobs, F. J. MacKie, J. B. Houghton, and M. C. Blanchard left by motor early this morning for points in the Pampa oil field. They went south, while their train proceeded eastward to be rejoined by them later in the day.

The railroad officials are on their way to Chicago, after making an inspection tour of the Gulf lines south from Sweetwater to Galveston, and over the Slaton division northward.

They are convinced of the upward trend in business, and believe the Panhandle to be ideally situated to profit most.

Committee Splits on Ownership Phase Of Public Utilities

DALLAS, Oct. 20.—A committee on ownership operations was divided in its report on public ownership operation utilities, delivered today before the convention of the National Association Railroad Utilities commissioners.

The majority of the report associated public ownership not in public interest, while the minority of the report prepared by Joseph Westman, a member of the interstate commerce commission, said the policy must await gradual development but it can and should be adopted in the future.

MADISON, Wis.—A course in "Police Problems" has been inaugurated by the extension department of the University of Wisconsin, for blue seats who desire to have sociologists tell them how they improve their methods.

ANOTHER GUSHER FLOWING IN DELANEY AREA OF OIL FIELD

Gulf's No. 1 Bowers in Section 89 Comes In
This Morning For Production of
167 Barrels in 30 Minutes

Another gusher came in this morning in the Bowers field when the Gulf Production company's No. 1 Bowers in section 89, block 2-B, Gray county about half a mile north of the Delaney gusher, came in Thursday, making 167 barrels the first 30 minutes and steadily increasing.

Heavy production was struck at

3,015 feet with a flow of 5,000-6,000 cubic feet of gas, after a long fishing job for a 180-foot liner. First production was reached a month ago at 2,985 feet, when the well flowed 10 barrels an hour for several days. It was in deepening that the liner was lost. This gusher, with the Delaney well, will increase the Gray county production to another peak.

Streets Smooth. Paving is Rapid

General Officer Tom Bane reports having completed the grading of all the streets in South Pampa since the new Russell grader and caterpillar tractor arrived.

He states that the streets are in good condition and that with the new grader they will be kept that way. The next section to be worked on is along Browning street and intersecting streets.

Indian Jim will commence brick throwing on Ballard street tomorrow morning. Laying the base on Francis avenue has been completed and Russell street was completed yesterday. The grading has almost been completed on West Foster avenue and will soon be ready for the base.

This leaves only a half block of paving to be completed in the second program.

LOCAL MAN HURT

W. A. Taylor, foreman of Baxter and Lemons contracting engineers, was severely injured yesterday afternoon when material he was unloading from a box-car fell on him.

He was taken to the Pampa hospital, where it was found that four ribs were torn from the back bone and his shoulder badly crushed.

Clarendon Lions Guests of Pampa Club at Noon

Four prominent members of the Clarendon Lions club were luncheon guests here Thursday, and each had a part in the program.

The visitors were H. Mulkey, president of the Clarendon club; Judge H. R. Porter, G. G. Kemp, and G. L. Boykin.

Other guests were Bob Rose, A. E. Clarke, Sam Fenberg, Fred Cary, Elbert Thomas, R. R. Hill, and F. M. Culbertson.

That the Clarendon Lions club has been one of the greatest factors in the building of that city was declared by the visitors. They spoke also in behalf of a member, Sam Braswell, of the Clarendon News, whom they wish to be district governor. The candidacy of Mr. Braswell was endorsed by local Lions.

Expressing faith in the future of Pampa, the visitors asserted that this city had stood the depression better than any other city in the Panhandle, and has built wisely and well.

Lion Bert Curry, toastmaster, announced that plans are being made for a Boy Scout training course to be held here early in November. It will be an all-day meeting for adults and many prominent leaders from nearby cities are expected to attend.

TRADE DAY IS GROWING FAST SAY MEMBERS

NEXT SPECIALS UNDER DOLLAR

Larger Membership Is
Sought by Local
Men

That Pampa merchants are well pleased with the increased sales on the second Trade Day, Wednesday, October 12, over the one held in September was evidenced at a meeting of the group held in Chamber of Commerce Wednesday afternoon.

Merchants offering specials at one dollar or less and giving exceptional values were most enthusiastic, some reporting that they had sold more of such articles than on any previous day in their experience. On account of the results gotten by these merchants, the group took steps toward making the experiment of arranging for all specials to sell for over one dollar on the November Trade Day.

Those merchants reporting the largest number of sales stated that their experience made it necessary to limit the number of articles that one customer might purchase. This practice was also recommended for adoption by all members of Pampa Trade Day. The secretary, Mrs. Chas. I. Hughes, is sending out referendum on the two questions and results will be announced at an early date.

Those present at the meeting expressed the thought that the membership should include many more Pampa business and professional men. An invitation is extended to all in Pampa who are interested in this plan to make Pampa a more popular trading center. Mrs. Hughes stated that a call to 367, the Chamber of Commerce telephone, would bring particulars to any one interested.

Women Stage Hands Break Theatre Strike

MINNEAPOLIS — When stage hands in the theatre of A. G. Bainbridge went on strike he promptly filled their places with women scene shifters.

But women employees are not a new thing in Bainbridge's theatre, a dramatic stock house. The orchestra is composed of women, there are women ushers, janitors and office help. He asserts they do the work as well as men.

When the stage hands quit he called the women employees into conference and substitutes were obtained immediately.

RETRIEVES ANCIENT MUG

(By Associated Press)
YAKIMA, Wash.—His old shaving mug, bearing his name and a picture of the red barn he once operated here, was found recently by Fred Brooker of Vancouver. Returning after 30 years, Brooker went into his favorite shop and saw the mug on the shelf. He also found still standing the 1,300-pound hitching post he sank long ago to tether reservation colts.

Not merely scoutmasters, but all men interested in Scouting will find the work helpful, Mr. Curry said.

Road District Bonds Approved by Attorney General of Texas

The attorney-general has tentatively approved the Pampa road district bonds and all that remains is for Judge T. M. Wolfe to certify that the district does not overlap any other road district in the county.

A letter of approval from the attorney-general was received by Chas. C. Cook as the attorney this morning.

On September 10, a road bond issue of \$400,000 was voted in this district. The issue carried with a majority of 23 votes more than the two-thirds necessary. The bonds are to pave approximately 42 miles of road leading to the city on the six main highways.

W. H. WADDELL IS BRUISED

Locomotive Was on
Way to Take
Water

A miraculous escape saved W. H. Waddell from death or serious injuries early Thursday, as his new Buick coupe was struck and demolished by a freight engine at the Cuyler street crossing.

Mr. Waddell, an employe of the Cyprus Tank company, was badly bruised, and was taken by ambulance to Pampa hospital, where he was discharged when the X-ray disclosed no broken bones.

The accident occurred about 6:20 a. m. The driver was going north on Cuyler when an engine piloted by John Sykes struck the right front of the coupe. The engine had cut loose from its train and was traveling west to get water.

The engine carried the car about 120 feet, almost completely demolishing it. During this time Mr. Waddell was thrown from the car or leaped from it in time to avoid more serious consequences.

Harvesters Expect Hard Battle With Canadian Friday

This afternoon at 4 o'clock the Pampa Harvesters will meet the fast Canadian eleven on Ayres field in the last home game until November 4. The boys from the river town are reported to have a fast, heavy team and the locals look for a hard battle.

Sam Carlton and Elmer Hardin will still be out of the regular lineup, but will probably be used at some time during the game. Carlton was injured in the game against the Amarillo Sadies, and has played only one game since, when he was again hurt. Hardin will probably be used part of the game as his injuries are better.

Coach Verde Dickey plans to save his star men for the hard game that is expected against Miami in their stronghold a week from Friday. Miami is reported to have the strongest team they have yet developed and a hard battle is looked for.

Last week it took a fighting Pampa team to take a win from the Memphis eleven. Archie Lee Walstad and Skeet Roberts proved too much for Memphis, and are expected to prove the stumbling blocks to the Canadian team tomorrow afternoon.

Fall's Desire for Secrecy Is Attacked By State Today

(By Associated Press)
WASHINGTON, Oct. 20.—Introducing testimony to show Albert Falls desire for secrecy as to his negotiations with Harry Sinclair for the lease of the teapot dome went to the extent of misleading other applicants for the naval oil reserve, the special government counsel continued their assault today at the trial of the two men on charges of criminal conspiracy.

E. C. Finney, assistant secretary of the interior under Fall, who testified yesterday, was recalled today for further questioning.

PAMPA, TEXAS

NUMBER 2

Beauty Contest to Be Lively-End to Be at Carnival

A beauty contest, which will commence October 24 and close November 4 in the first part of the annual staff campaign, promises to be a contest of lively competition.

We have heard rumors to the effect that our lower classmen have rolled up their sleeves and started to work in real earnest to put over their candidate. The Freshmen aspire to put Lillian Jameson and Albert Lord over the top, the Sophomores Kate Archer and Don Saulsbury, while Melba Graham and Bob Kahl are the ones for whom the Juniors are toiling. But the Seniors feel sure that their candidates, Edna Baird and Russel Kennedy, will be the chosen two.

The close of the contest will be celebrated by a high school carnival. We expect to make this one of the peppiest and most interesting events of its kind. One of the features of the program will be the announcement of winners of the beauty contest, who will be crowned "King and Queen" of the carnival.

Forensic Club Enjoys Talks, Music Readings Tuesday

The Forensic club met Tuesday night, October 18, and the following program was rendered to the twenty members and three visitors. Four new members entered the club and a most enjoyable program was presented:

Smiling Through, Prof. R. B. Fisher
Just a Cottage Small, Prof. Fisher
Pampa's Advancements, Sammie Henton
Readings, "A Boy's Feet" and "Almost Beyond"
"Endurance," Catherine Vincent.

A Recipe for Making a Book

By Kate Douglas Wiggin

2 oz. of talent.
Common sense size of an egg.
1 oz. knowledge of human nature.
Put all into the mortar of experience.
Pound well with the pestle of discretion.
Add 1 pint sentiment, 1 gill wit, and just a shake of sadness.
Strain again six months later and destroy sediment.
Season, garnish, serve immediately.
If the public likes it, it will be eaten at once.
If the dish comes back untasted remove it from the menu.

CALL US BY NAME

Have we forgotten the name of our school? It is Central High School of Pampa, Texas. So many people call our school Pampa high school. They call the Lamar School the red school.

Let's see if we can't correct that and call the schools by their right names. The name of the school on the south side is the Baker school.

GET READY FOR BASKET BALL SEASON

The basket ball court has been put in order this week by Mr. Allen and some of his seventh grade boys. The students of Pampa highly appreciate their service.

NEW BOOKS ARRIVE

The new library books have arrived! We are hoping this new shipment of books, worth \$187.80 in money, will be worth more in knowledge to the students of Pampa High School.

REV. BRABHAM OFFERS PRIZES

Rev. T. W. Brabham was the main speaker on the program in Chapel this morning. The subject of his speech was "The Three Doors into Life's Pathway." Jack Stone sang three solos.

Rev. Brabham has promised the student making the best grades this year a \$25.00 gold piece. The best Boy Scout student will receive a free trip this summer.

Dissertation on Fine Table Manners

Think not of thy digestive works, lest thy fear spoil thy appetite.—Bob Kahl.

As you approach the table make a running jump for your chair; knock your neighbors down on the right and left in your attempt to be the first one seated.—Lorene Barnes.

Tuck one corner of your napkin under your collar. Drape the rest of it over your chest as though you had done it all your life.—Addie Bradford.

Hitch right up to the table, place your elbows on either side of your plate.—Maxine Scott.

If you don't know what implements to use, hold tight; sit back until you see what the rest of them do.—Russell Kennedy.

Every one enjoys hearing a good "oud sup"—sip your soup with the noise like a leaky faucet.—Virginia Faulkner.

If you are in doubt what spoon to use, pick out a big one; it holds more.—Claudine Pope.

If your soup is too hot, gargle it a little until it cools off a bit.—Edna Baird.

Discard your fork during the main course. You can hold more on the knife, anyway. Use the fork to clean up with.—Ed Harlacher.

If you get a spot on the table cloth absent-mindedly place a piece of bread, butter side down, on it—the butter keeps the bread from sliding off.—Jack Stone.

When pie is served, eat the hide as well as the stuffing. Go on, take a chance.—Columbus did.—Berlin Black.

Carelessly knock several of the best pieces of silver on the floor. While picking them up, stick one in your shoe. In this way you will soon have a collection.—Doyle Ward.

If you spill your coffee in your neighbor's lap, hastily assure him you didn't want it anyway.—Lucille Mooney.

When the finger bowl is brought in, roll up your sleeves, wash your hands thoroughly, and dry them on the table cloth.—Archie Walstad.

Ten Commandments of Agriculture Are Taken From Bible

(Submitted by Prof. J. L. Lester, Teacher of Vocational Agriculture.)

I. Use uniform quality cleaned and tested seed for planting.

"Thou shalt not sow thy fields with mingled seed." Lev. 19:19.

II. Grow legumes.

"When he hath made plain (smooth) the face (of the ground) thereof doth he not cast aboard fitches (vetch) and cast in the principal wheat?" Isa. 28:25.

III. Prepare your land.

"For thus sayeth the Lord to the men of Judah and Jerusalem: Break up your fallow ground and sow not among thorns (weeds)." Jer. 4:3.

IV. Terrace your land.

"The whole land is made desolate because no man layeth it to heart. The spoilers have come upon all high places through the wilderness." Jer. 12:11-12.

V. Cultivate your crops.

"He that tilleth his land shall have plenty of bread." Prov. 28:29.

VI. Raise live stock.

"And it shall come to pass in that day that a man shall nourish a young cow and two sheep." Gen. 4:2, Is. 7:21.

VII. Produce good type products.

"And behold seven ears came upon one stalk, full and good, and behold seven ears withered, blasted sprung up after them: and the thin ears devoured the seven good ears." Therefore thus sayeth the Lord God unto them: Behold, I, even I, will judge between the fat cattle and between the lean cattle." Gen. 41:22-23-24, Exe. 34:26.

VIII. Preserve fruits and vegetables.

"And is ye say, what shall we eat the seventh year, eat yet of the old fruit until the ninth year, until her fruits come in ye shall eat of the old store." Lev. 25:20-22.

IX. Have efficient power on the farm.

"Thou shalt not plow the ox and the ass together." Deut. 22:16.

X. Market your products in an orderly manner.

"And Joseph opened storehouses and sold to the Egyptians—and all the countries came into Egypt to Joseph to buy corn." Gen. 41:56-57.

The Curse

"But if ye will not hearken unto me and will not do all my commandments—your strength shall be spent in vain for your land shall not yield her increase, neither shall the trees of the land yield their fruit, and I will bring the land into desolation." Lev. 26:14-20-22.

The laws of good farming given to us in the Bible hold good today just as they did in ancient times.

Let's help the other fellow.

"The Measure of a life is Its Service."

JUNIOR CLASS ELECTS BEAUTY

Miss Melba Graham and Mr. Bob Kahl were elected beauty representatives for the Junior class at a meeting held Wednesday, October 12.

Miss Graham is a little, fascinating brunette and Mr. Kahl is a tall blond. The Juniors have much confidence in their representatives and expect them to win the contest.

VICTORY FOR HARVESTERS

The hardest fought game of the season was played here Friday, October 14. The Pampa Harvesters played the best they have ever played in the Pampa-Clarendon game.

Troy Maness showed up well as a fast runner and a hard driver. Archie Lee Walstad gained ground consistently and brought his "head" into play with some swift thinking.

The game was very interesting not only to both sides of boosters but to neutral spectators as well. This game was very exciting and Central high school is justly proud of its team and the good playing that they showed in the game.

The High School Orchestra is improving nicely.

Lamar School Notes

The Lamar School has just completed its first term of five weeks with very satisfactory results in all departments in all departments. The sixth and seventh grades are doing departmental work under the following teachers: Miss Josephine Cariker, English; Miss Louise Durrenberger, and sixth grade geography; Miss Clara Robenson, Reading; Miss Loreta Baker, Health and seventh grade geography; Chas. T. Allen, arithmetic. Report cards will be given out next Wednesday. The six-week term is being used this session instead of the four-week system, as formerly.

Chas. T. Allen, Principal

Last Friday the basketball girls of the seventh grade had a candy sale for the purpose of raising money to buy a basketball. The proceeds were \$4.50. We are very interested in our team this year and we are trying to make it the best that our school has ever had.

The boys of the sixth and seventh grades are trying to organize a basketball team and they are contemplating a match game with the Baker School Friday of this week.

The fourth grade children in Miss Herlacher's room have organized a spelling contest between the boys and girls. A spelling chart has been made and placed on the wall for the purpose of recording the number of perfect lessons made by each pupil. A good deal of enthusiasm was appreciated when the number of boys having perfect lessons was found to be greater than the number of girls.

Mrs. Daniel's 4th grade is having multiplication tables as contest work this week and also writing original health rhymes.

Original Health Rhymes

There was a little girl who ate candy every day,
And she got sick this way,
And if she would have eaten an apple instead,
She would not have been sick in bed.
Marie Farrington, Fourth Grade

If you have good health,
You'll have great wealth,
For health is as good as money.
You'll have good health, you'll have good wealth.
If you eat cream of wheat and honey,
Sybil Husted, 4th Grade.

Twenty volumes have been added to the library in third grades, Miss Stalls room, the past week. These have been donated by individuals who are interested in a class room library. This creates interest in that children are eager to prepare their lessons so they may be allowed to read the books.

Studying Texas Cities

The third grade pupils of Miss Pyrons room have been studying the cities of Texas. To make this study more interesting some of the children wrote to the Chamber of Commerce in the larger cities asking for any free literature or pictures they could send telling about the things of interest in their city. They responded liberally and we have been enjoying very much the picture-posters and descriptions of interesting places in Texas.

The children showed unusual interest in the study of Austin, our State capital.

CANADIAN VS. HARVESTERS FRIDAY

The Pampa Harvesters are preparing for the Canadian team here this next Friday, October 21. The game is to be played on the Ayres field.

Canadian has played four games this season, winning two and losing two. The Pampa team has made a great deal of improvement in the last two weeks.

This game promises to be an exceedingly good one and every student should be out to see it.

The Seniors wish to welcome a new fellow-student, Miss Lula Hutchins, from Hutchinson, Kansas.

All Pupils Take Part in Parade Friday Afternoon

All of the pupils of the Pampa public schools took part in a Fire Prevention parade last Friday afternoon.

The parade was led by the fire trucks, fire department officials, and the Boy Scouts. The students carried banners and flags and marched to the rhythm of a bass drum.

The members of the Girls' Athletic association furnished some snappy yells, while the students of the Lamar and Baker schools added color to the parade.

The students of the Central campus started from the campus at 3:15 Friday afternoon and marched six abreast up Cylar Street to Foster Avenue, where they met the students of the Baker school. Both groups then marched side by side to Frost street where they parted. The pupils then marched to their home rooms where they were dismissed.

Girls Pep Squad Gives Demonstration of School Spirit

The large "H" that decorated Ayers field Friday as one of the spectacles of the Memphis-Pampa. The letter was formed by the feminine pep of the high school.

The girls were dressed in overalls, white shirts, straw hats, and the costume was completed by neckerchiefs of gold. It is believed that these costumes will be adopted officially by the pep squad. The garments which they wore brought home more vividly the name of the team, the Harvesters.

The girls demonstrated that they could do more than form a letter of the alphabet by cheering long and loudly for the boys on the field. It was considered by everyone the best exhibition of enthusiasm which has been shown so far this season.

Wit and Humor

Katherine: Aren't you going to the game?
Virginia: No, I'm afraid the stands may collapse.
Katherine: No they won't. They'll be full of supporters.

Jack: Give me a kiss?
Jill: I don't give my kisses away.
Jack: Well, sell me one.
Jill: They're not for sale.
Jack: Then trade me one.
Jill: Aw-right.

Ruth: Chestnuts, peanuts and for-get-me-nuts.

Mr. Dial: What is the formula for water?
Freshie: H, I, J, K, L, M, N, O.
Mr. Dial: What?
Freshie: You said H to O. (H2O.)

Coach Dickey—after football practice: Have you taken a shower?
Archie: No, sir; is one gone.

Bob Kahl: Please, sir, I've called to see if I could get a job?
Store owner: But I do nearly all the work myself.
Bob: That suits me, sir.

Francis Street

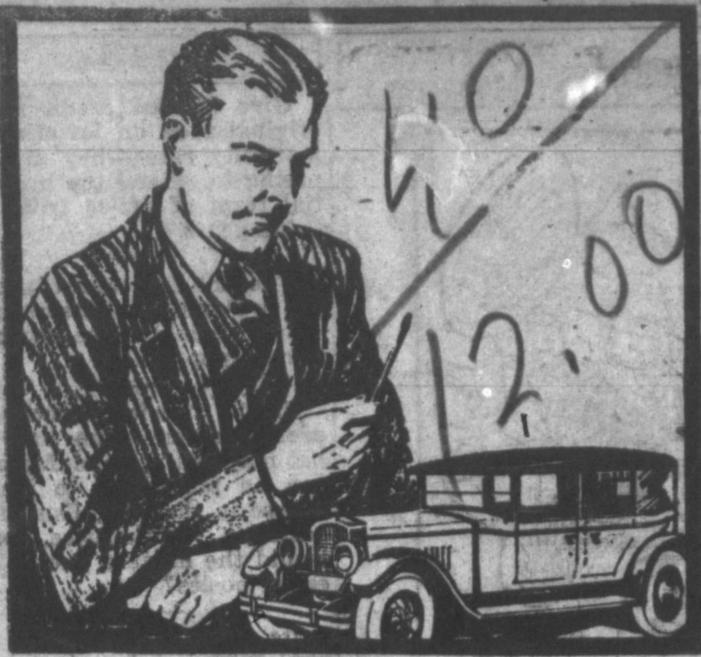

Francis Street, hard to beat,
No more mud on my poor Feet.
Pavin's done, Lots of Fun,
Wish I had my skates! By Gum!
Gee I'd skate! Might be Late!
Bet I'd have 0-0-0 clear across my skate.
Something calls me now "tout de suite"
To come and play on Francis Street.

As a Junior "Wow" I'd be a Flop,
I wouldn't have the brains to stop.
But if Twenty Flunks I Fain would meet,
I'll have to keep off FRANCIS STREET.

GOOD PEP MEETING

A rousing, good pep meeting was held in the high school auditorium last Thursday evening. Paul Camp and Hugh Breeding led the students well, and with such enthusiastic "backers" as the football boys have there is no wonder that they won the game last Friday.

"How best can I trade in my present car for a new car?"

WHEN you are ready to trade in your present car for a new car, you naturally want full value for your present car. But most of all you want full new car value.

It will therefore pay you to consider varying trade-in allowance offers in the light of these basic facts:

- 1 Your present car has only one mental basis of value: i.e., what the dealer who accepts it in trade can get for it in the used car market.
2 Your present car has seemingly different values because competitive dealers are bidding to sell you a new car.
3 The largest allowance offered is not necessarily the best deal for you. Sometimes it is; sometimes it is not.
4 An excessive allowance may mean that you are paying an excessive price for the new car in comparison with its real value.
5 First judge the merits of the new car in comparison with its price, including all delivery and finance charges. Then weigh any difference in allowance offered on your present car.
6 Remember that you are making a purchase—not a sale. You are buying a new car and simply using your present car as a credit against the new car's purchase price.

No. 165. Nettie Blakely vs. I. M. Blakely in the 84th District Court, Gray County, Texas. The State of Texas vs. the Sheriff or any Constable of Gray County—GREETING:

You are hereby commanded, that by making publication of this Citation in some newspaper published in the County of Gray once in each week for four consecutive weeks previous to the return day hereof, you summon I. M. Blakely, whose residence is unknown who is alleged to be a non-resident of the State of Texas, to be and appear at the next regular term of the 84th District Court of Gray County, to be holden at the Court House thereof, in the City of LeFors on the 1st Monday in November, A. D. 1927, the same being the 7th day of November, A. D. 1927, then and there to answer a petition filed in said Court on the 4 day of October, A. D. 1927.

In a suit, numbered on the Docket of said Court, No. 185 wherein Nettie Blakely is plaintiff, and I. M. Blakely is defendant, the nature of plaintiff's demand being substantially, as follows, to-wit:

That defendant is guilty of excess cruel treatment and inhuman and outrageous conduct towards plaintiff of such a nature as to render their living together insupportable.

Plaintiff prays for divorce, judgment dissolving marriage contract. Herein fail not, but have you before said Court on the said first day of next term thereof this writ with your return thereon, showing how you have executed the same.

Given under my hand and seal of said Court, at office in the City of LeFors, this the 4th day of October, A. D. 1927.

Ordering an election in the city of Pampa, Texas, to be held on the 8th day of November, 1927, for the purpose of submitting to the qualified voters of the city of Pampa, Texas, for adoption or rejection of a proposed charter prepared and framed by the Charter Commission heretofore selected by the City Council of the City of Pampa, and designating the place at which said election is to be held, and appointing a presiding officer therefor.

Whereas, on the 23rd day of June, 1927, the City Council of the City of Pampa duly enacted an ordinance and passed an order appointing three citizens of said city to act as a charter commission, who thereafter duly qualified as members of said charter commission and met and organized the same and duly proceeded to frame a new charter for the city of Pampa, Texas, and heretofore, on the 19th day of September, 1927, as such commissioners, signed such proposed new charter and duly provided for the submission of the same to a vote of the qualified voters of said city, at an election to be held upon the question of the adoption or rejection of such charter upon the 8th day of November, 1927; and

Whereas, the said charter commission provided that an election for such purposes; Therefore,

Be it ordained by the City Council of the City of Pampa, Texas: Section I: That an election be held in the City of Pampa, Texas, on the 8th day of November, 1927, at which the following proposition shall be submitted: "Shall the charter reported by the charter commission to the City Council of the City of Pampa, Texas, on the 19th day of September, 1927, and which has been prepared by the charter commission duly selected by the City Council of said city on the 20th day of June, 1927, be adopted as a charter of the City of Pampa, Texas, as contemplated and authorized by the constitution and laws of the State of Texas, including Chapter 13 of Title 28 or Vernon's Annotated Texas Civil Statutes of 1925.

Section II: That the polling place and presiding officer of said election shall be as follows: The polling place shall be the Chamber of Commerce room in the City of Pampa, and D. W. Osborne is hereby appointed presiding officer of said election.

Section III: That said election shall be held under the provision of Chapter 13, Title 28 of Vernon's Annotated Texas Civil Statutes of 1925, and all persons qualified to vote in said City under the laws of this State regulating general elections shall be allowed to vote.

Section IV: That the manner of holding said election shall be governed by the general laws of the State of Texas, regulating general elections when not in conflict with the provisions of the law hereinabove referred to.

Section V: All voters desiring to adopt the charter so proposed and reported by the charter commission shall have printed on their ballots the following: "Official Ballot."

"Shall the charter prepared by the charter commission, which was duly and legally selected on the 20th day of June, 1927, by the City Council and which was reported by said charter commission to the City Council of the City of Pampa, Texas, on the 19th day of September, 1927, be adopted?" "Yes."

And those opposed shall have on their ballots the following words: "Official Ballot."

"Shall the charter prepared by the charter commission, which was duly and legally selected by the City Council of the City of Pampa

on the 20th day of June, 1927, and which was reported by said charter commission to the City Council of the City of Pampa, Texas, on the 19th day of September, 1927, be adopted?" "No."

Section VI: A copy of this ordinance shall be sufficient notice of said election and thirty days notice of the time and place of holding the said election shall be given by posting certified copies thereof at the places designated for holding said election at least thirty days prior to the holding of said election and by publication of such notice once each week for four weeks, the date of the first publication being not less than thirty full days from the date of the election.

Passed and approved this 19th day of September, A. D. 1927. (SEAL) F. P. REID, Mayor. C. O. BUSBY, City Secretary. (26-27-28-29)

PROGRAM FOR PAMPA

- One or more new railroads.
New city hall-auditorium.
County agricultural agent.
Additional street paving.
Oil Exchange building.
Expedite road paving work.
Encourage existing industries.
Invite new industries.
Complete water, sewer systems.
More and better homes.
Extend Pampa trade territory.
Develop dairying industry.
Municipal band.
Municipal airport.
Pampa Fair.
Associated Charities.

FOR GREATER PAMPA.

Listed above are some of the projects which, in the opinion of the Daily News, have a good chance for realization during the coming year. They are not too much to expect, if you believe in Pampa, and considering the expansion of the last year they are little more inclusive than that which has already come to pass.

It is being freely predicted that Pampa is to be the center of the most extensive oil operations of the next year, and the virtual certainty of the big production of this field should bring bigger industries to this vicinity. Naturally, this will be the headquarters for drilling operations and field management. The Oil Exchange building would make possible the grouping, as is desirable, of the big central offices. Paved roads will make every part of the Panhandle field easily accessible.

The natural expansion will make more street paving possible and desirable. The increased valuations will make development of a park on the city block easy, and will justify building of a good city hall-auditorium-library to grace the center of the block. Many competent musicians will band together to form a much needed band, and the auditorium and lawn will be the scenes of many appreciated concerts. Conventions will find Pampa a favorite city.

A bigger population and these additional public improvements will make Pampa the trading center of a huge trade territory. Trade Day will bring thousands of people here every month. Many will chose to move here when oil or agriculture has brought them wealth, and this will truly be a city of good homes. Schools, churches, clubs, and

other organizations will move rapidly toward the full flower of service. Having laid the foundation of a real city with water and sewer extensions, paving, white way, and other modern conveniences, Pampa will be ideally situated to profit by every expansion of this territory.

And having passed that intangible but very real dividing line between the big oil town and the little city, Pampa will see her present investments increased greatly in value, to the profit of those who now live here and who are building the Greater Pampa.

More people will cause the demand for home grown products to be keen. Better markets will encourage industry, distribution, and agriculture. At this time, in the opinion of the Daily News, Gray county commissioners should cooperate with the state in placing a county agricultural agent in this county. The state selects the man and directs his work to a large extent. Farming deserves recognition, and as a people the farmer-tax payer should get back this service for his money.

The Pampa fair will need the services of a county agent. Revival of the fair is certain—the people have spoken.

This Greater Pampa will be served by one or more new railroads. The Interstate Commerce Commission has forseen the need and has issued a certificate of public necessity. Traffic in the Panhandle has taken a place of prominence comparable to that of many of the more thickly settled portions of the Middle West.

This is our conception of the Greater Pampa which will take shape in 1928. These remarks are suggestive rather than exhaustive. We will appreciate and publish similar comments from readers, who may see other distinct community-wide probabilities. Write your opinions to the News.

YOUR WEIGHT—Beware of the tables of "normal weight," says Dr. Leonard Williams of New York. Those tables tell you that a man of a certain height weighs normally 147 pounds at 25, and at fifty, 162 pound. It is a dangerous falsehood. A man should always weigh less at fifty than at twenty-five. If he does not, he will die sooner than he might die.

One pound or two pounds added to the weight on a horse's back will make him lose a race. Imagine the handicap put on an old heart, old lungs and old kidneys, by adding twenty or twenty-five pounds of fat at fifty. Dr. Williams says find out what your so-called "normal weight" is, then reduce twenty pounds below it. Weight is fat, displacing muscle, which connects on the heart as well as the abdomen.

Men old in years and great intellectual power. Voltaire, Pope Leo, Von Moltke, were almost living skeletons, all at least twenty to thirty per cent below what would be called "normal weight." Every one of us could live well and longer on half of what he eats now.—Childress Index.

PRESS FORUM

TEN AND 1,900,000 Merle Thorps, who generally knows much of that about which he writes, says in current article that careful compilations show more than 1,900,000 laws on the statute books in America. A policeman in the city of New York, he says, would have to spend eight hours a day for seven weeks just to read the laws of

All Set For Big Presidential Pageant

his city, with all of which he is supposed to be familiar and all of which he is sworn to enforce.

It is a sorry state of affairs. Not only the citizens, with little time to give to the study of law, unable to become acquainted with even a small fraction of the laws for the violation of which ignorance is not considered an adequate excuse, but law officers, lawyers, judges and prosecutors themselves, who devote their whole time to the task, cannot keep their heads above the steadily increasing flood of laws.

And worse even than the law deluge is the total lack of uniformity in laws covering similar situations in different political units invested with law-making power. What is legal in one city or state is illegal in another.

The straight line of common sense, by heaving to which it was once possible for a conscientious citizen to stay well within the legal limit has been left behind. Everyone knew pretty well the once boundaries of conduct paralleling the public welfare, because law attempted only to regulate those acts the commission of which had proved injurious to others.

Now law attempts to cover every phase of human activity.

There are laws regulating the length of bedsheets and the disposal of cigaret stubs; the time of day a merchant may sweep the sidewalk in front of his store and the sort of lights he may burn in his show windows; the sort of trees a man may set out on his property

and challenging the right of a family to cook in its own quarters.

These are but samples of the multitude of silly laws, yet legally enacted, which help to clutter up American statute books and make obedience to law a practical impossibility and enforcement a wholesale joke.

Moses needed but ten laws; America needs—or at least has—nearly two million. Isn't civilization wonderful?—End Eagle.

Miss Mary Hobart Becomes Bride of Guy Hutchinson in Beautiful Ceremony at Home of Her Parents

A wedding of unusual beauty and interest was solemnized at the home of the bride's parents, Mr. and Mrs. T. D. Hobart, at 3 o'clock Wednesday afternoon, when their daughter, Miss Mary Hobart became the bride of Mr. Guy Hutchinson of Arkansas City, Kans.

The house was beautiful with its decorations of orchid chrysanthemums, ferns and smilax.

Before the bridal party entered, Mrs. A. H. Doucette sang "O, Promise Me" and "At Dawning," accompanied by Mrs. Clinton Henry, who also played the wedding march.

The ceremony was performed by the Rev. W. L. Evans, pastor of the Presbyterian church of this city. The impressive ring ceremony was used.

The altar before which the bridal party stood consisted of a beautiful candelabra, entwined with smilax with sixteen lighted candles.

The groom was accompanied by his brother, Sam C. Hutchinson, who acted as best man, while Mrs. Clyde Fatheree was matron of honor, wearing a charming gown of orchid taffeta.

The bride was preceded by little Miss Ann Buckler who acted as flower girl and was beautiful in a dress of orchid georgette, carrying out the prevailing color scheme.

The bride came in on the arm of her father, who gave her away. She wore a handsome veil of tulle caught up with Chantilly lace and pearls, and wedding veil of tulle caught up with a band of pearls and clusters of lilies of the valley. She carried a lovely bouquet of white rose buds and lilies of the valley.

After the happy pair had received congratulations of their friends present, all retired to the dining room where the bride cut the wedding cake, a large and most beautiful one, really a pride of the culinary art, which was served together with ice cream in the form of a rose and much enjoyed by those present.

Mrs. Hutchinson is the charming and accomplished daughter of Mr. and Mrs. T. D. Hobart, pioneer residents of this city, and has many friends here who wish her a life of continued happiness.

After graduating from the Pampa High School, she attended the College of Industrial Arts in Denton, and afterwards went to Fairmount College, Wichita, Kas., where she received her A. B. degree. She is also an accomplished musician, having received a certificate from C. I. A., Denton.

The groom is the son of Mr. and Mrs. H. L. Hutchinson of Anthony, Kas. He was educated at Fairmount college, Wichita, from which institution he graduated with honor, receiving his A. B. degree, and at the University of Kansas, from which he holds an M. A. degree. He is also a talented solo singer. At present he is employed by the Ranney Davis Wholesale Mercantile company of Arkansas City as Mgr. of the canned

goods department for their entire chain of stores, seven in all. He is highly respected and trusted by his employers.

The guests at the wedding consisted of only a few long-time friends and immediate relatives of the contracting parties. Among the out of town guests were Mr. and Mrs. H. L. Hutchinson of Anthony, Kas., parents of the groom; Sam C. Hutchinson of the University of Wichita, Kas.; Mr. and Mrs. James Ross and little daughter of Wichita, Kas.; Mr. and Mrs. Fred Hobart and daughter of Canadian; and Mr. and Mrs. Clinton Henry of Palo Duro.

The bride and groom left on the evening east-bound train for Chicago, where they will spend their honeymoon, occupying a suite of rooms at the Stevens hotel. After their return, their home will be at Arkansas City, Kas.

Baptist W. M. U. Holds General Meeting Wednesday

There was a general meeting of the Baptist W. M. U. at the church Wednesday afternoon, with about 35 members present. Mrs. Harry Bernard, president of the entire Union, lead the devotional.

Quarterly reports from each of the four circles present were read, after which a mission program was enjoyed by the guests. The meeting closed with a short business session.

Missionary Society Enjoys Lecture by the Rev. Brabham

Mrs. R. C. Campbell was hostess in the meeting of the Methodist Missionary Society held Wednesday afternoon at the Methodist church.

The members completed their study of the book, "Moslem Women," and were given a very interesting lecture by the Rev. T. Brabham on the subject.

After a short business session the members were dismissed by prayer lead by Mrs. Tom Brabham.

The next meeting will be a business and social meeting held at the home of Mrs. J. G. Noel, at which all those having aprons and things to sell may bring them. Mrs. Zimmerman, Mrs. Bodkin and Mrs. Gehent will assist the hostess, Mrs. Noel.

Mrs. W. W. Merten Leads Auxiliary Program Wednesday

The Presbyterian Ladies Auxiliary meet at the home of Mrs. J. E. Corson with seventeen members present. Mrs. W. W. Merten was leader of the meeting, while the session was opened by a devotional lead by Mrs. Sweetman.

A very beneficial program was given in which Mrs. J. M. McDonald, Mrs. Dick Walker, Mrs. Joe Smith, and Mrs. W. W. Merten took parts.

The hostess served lovely refreshments of salad, sandwiches cake and coffee.

Fall Work Planned by Christian Aid Society Wednesday

The Ladies Aid Society of the Christian church met at the home of Mrs. W. A. Taylor Wednesday afternoon at 2:30. Mrs. Taylor, Mrs. Isbell and Mrs. Duenkle were joint hostesses.

The meeting was very successful

with Mrs. James Todd, first vice-president, as leader. There were 25 members present, and all took active part making plans for the fall. The following is a brief program of the work planned by the Society for the next few months: November 4, a Birthday Calendar will be held in the Christian church annex. On Trades Day, November 8, bazaars will be held on four corners

of Cuyler Street with book ends, door stops, etc. for sale. In the near future the "Family Album," a home talent play will be given, and before Christmas, Christmas bazaars will be held. The receipts taken in from this work will be contributed to the construction of the new building. Mrs. W. A. Taylor's home was lovely with decorations pertaining to Hallowe'en. Refreshments of

pumpkin pie, whipped cream and coffee were served to the members present. Mrs. Carrie Chaney has returned to her home in Letors after visiting friends and relatives in Pampa. Sam Hutchinson returned Wednesday to Wichita, Kan., where he is attending college. Mr. Hutchinson has been the guest of Mr. and Mrs. T. D. Hobart.

Mr. and Mrs. W. L. Hutchinson who have been the guests of Mr. and Mrs. T. D. Hobart, are returning to their home in Anthony, Kansas. Mr. and Mrs. L. E. Press left Tuesday for Pyote and Wichita on a business trip. Dr. A. Cole is in Kansas City this week attending medical convention there.

The Circle will meet with Mrs. A. Carpenter on Thursday, October 20.

Mrs. Guy Farrington Gives Hallowe'en Party for Daughter

The Hallowe'en celebrations were begun for the younger group Saturday afternoon when Mrs. Guy Farrington entertained a number of the friends of her little daughter, Marie.

The decorations of the home were symbolic of Hallowe'en, and the novel favors given afforded much amusement among the young guests. Games, and contests of all kinds were provided, and a spirit of holiday prevailed, as all the guests were dressed in costume.

Delicious refreshments of chicken salad sandwiches, pumpkin pie, and lemonade were served to the following guests: Phyllis Smith, Harriet Hunkapillar, Doris Hall, Olessa Winkler, Pauline Noel, Tylia

Newly Married Michigan Graduates To Live Here

Miss Margaret Fitch of Dallas and J. Thurman Clark of Pampa were married Saturday afternoon at the home of the bride's parents, Mr. and Mrs. Theodore J. Fitch. The Rev. B. P. Fullerton of Dallas performed the ceremony.

Mrs. Clark is the daughter of Mr. and Mrs. Theodore J. Fitch of Dallas. Mr. Clark is the son of Mr. and Mrs. Robert M. Clark of Altoona, Pa. Both are graduates of the University of Michigan.

The young couple will make their home in Pampa, where Mr. Clark is connected with the Magnolia Petroleum company.

First Duck Dinner Reported Sunday

The first duck dinner of the season was given at the home of Mr. and Mrs. E. G. Behrenger Sunday to a few relatives and friends.

The ducks, the result of some early morning shooting, were deliciously prepared and were enjoyed very much by the following guests: Miss Pearl Wilson, Miss Ethel Wilson, Miss Mary Patton, Mr. and Mrs. Arthur Long, and Virgil McConnell.

Miss Theota Gott and J. G. Wheeler Are Married Here

Miss Theota Gott and J. G. Wheeler were united in marriage at the home of the bride's sister, Mrs. W. G. Kinzer, Saturday evening at 8 o'clock. The Rev. James Todd performed the ceremony. Only immediate relatives were present.

Mrs. Wheeler is the daughter of C. V. Gott of this city, and is a recent graduate of the Baylor University School of Nursing, and a 1924 graduate of the Pampa High School.

Mr. Wheeler, who for many years was employed by the White House Lumber Company, is at present the owner of the Wheeler hotel.

The many friends of the couple will be pleased to learn that they will make their home in Pampa.

Beautiful Day Calls Women Out of Doors Also

The lovely fall sunshine called many people out-of-doors Sunday. Picnic lunches were packed, and while the men enjoyed duck hunting, the women spread a picnic dinner for their benefit. Such a party was the source of entertainment Sunday on the Merten lease, those present being Mr. and Mrs. J. S. Wynne, Mr. and Mrs. De Lea Vicars, Mr. and Mrs. J. M. McDonald, Mr. and Mrs. Alex Malloy, Mr. and Mrs. W. W. Merten, and Walter, Jr., Mrs. J. R. Crawford and Elizabeth and Wynne of Amarillo.

Enjoyable Party Is Given Saturday By Mrs. Merten

Mrs. W. W. Merten was hostess Saturday afternoon to a number of her friends in a most enjoyable little party. Mrs. Merten's home was charmingly decorated with cut flowers of the season.

The hours were enjoyably spent in playing forty-two with Mrs. Irvin Cole winning high score and Mrs. A. Cotterell winning low. Both were awarded charming prizes while all guests were given dainty powder puffs as favors.

A delicious plate-luncheon was served to the following guests: Miss Ruth Ann Mitchell, Miss Louise Durranberger, Miss Birdie Short, Mrs. Ferguson, Mrs. A. Cotterell, Mrs. Kullman, Mrs. Forrest McSkimming, Mrs. Porter Malone, Mrs. Roy Tinsley, Mrs. C. C. Dodd, Mrs. James Todd, Mrs. Irvin Cole, Mrs. Edwin Vicars, Mrs. Carol Kings-

Profitable Dinners Given by Endeavor Society Tuesday

The young people of the Endeavor Society of the Christian church gave a very successful chicken dinner to the public Tuesday, both at noon and evening, with a large crowd present. The managers say that approximately \$100 was taken in.

The members of the Christian Endeavor wish to thank the public for the patronage.

Modes of the Moment

There are comparatively few coat style shows. This Drecoll model has a shawl collar of frocks in the winter black caracul. It fastens with a round buckle of rhinestones well over on the left side. There are cuffs of black caracul and side fullness below the hips is obtained by a series of pleats.

Style Show Is Very Pleasing in Seasonal Display

Seasonal style and garment showings of surpassing beauty, attractive models, and clever entertainment made last week's style show at the Rex theatre one of unusual merit.

The stage was prepared after an all-night effort by the decorators, and the show was very pleasing from every standpoint.

A most elaborate display of fall and winter fashions was effectively modeled by local men and women, while the music and program between showings were enjoyed by the large audience.

The fashions shown included men suits, coats, and hats, snappy sport dresses, street dresses, elaborate afternoon and evening dresses, and a beautiful line of dainty lingerie. A striking display of jewelry novelties attracted the attention of many.

Eight local merchants took part in the event. They are: Kees and Thomas, Mitchell's Store, Gordon Stores company, Barnard's, L. T. Hill and company, Diamond "C," Murfee and company, and Cross Dry Goods company.

Much local talent appeared in the entertainment, which included "Old Fashioned Garden," by Frances Campbell, Ann Sedalia McNamara, and Joe Isabell. An enjoyable bit of humor was given by Gene Murfee and Janice Purviance in "I'll Not Play." "Crystal Gazer," given by Mrs. E. E. Fisher and Miss Ruth Ann Mitchell, and a delightful toe-dancing performance, The Balloon Dance, by Louise Walstad and Melba Graham proved enjoyable successes.

The music, furnished by Harrison's Texans orchestra, and the beautiful stage decorations, perfected a picture of a rose garden surrounding a lovely mansion.

Those who modeled for the merchants are: Kees and Thomas, George Gill and Wynne Caldwell. Mitchell's store, Mrs. James Eastland and Mrs. John Studer. Gordon's Store, Miss Kate Archer and Miss Mary Ford. Barnard's store, Mrs. P. B. Carlson, and Mrs. Morris Johnson. Diamond "C" Miss Catherine Ferguson, and Miss Helen Commons.

Hill's Department store, Miss Juanita Fulbright, and Miss Ruth Hill. J. E. Murfee store, Mrs. Wade Duncan, and Miss Louise Elston of Panhandle. Cross Dry Goods store, Miss Lucille Mooney, and Miss Edna Baird.

Leonard Thompson returned Tuesday from a business trip to Amarillo.

Mr. and Mrs. W. P. Masters left today for Odessa where they are holding the opening of their new cafe there.

Mr. and Mrs. H. C. Dahl left Tuesday for California, where they will make their home this winter.

J. M. McDonald is making a business trip to Lubbock and nearby towns.

Mr. and Mrs. M. K. Brown returned Tuesday from a visit in Dallas.

Burk Mathes left this morning for Plainview on a business trip.

Jack Gatton has purchased the E. E. Fisher home on Hazel street. The sale was made through the Pampa Land company.

Otto C. Rice is erecting a residence on his lot on north Sommerville street. Mr. Rice recently sold his home on North Sommerville street to L. H. Reynolds.

Mr. and Mrs. Dave Stribling of Miami were Pampa visitors Tuesday.

Miss Elsie Lard has returned from Guymon, Okla., where she has been attending the county fair.

Mr. and Mrs. J. R. Crawford, and children of Amarillo were guests this week-end in the J. S. Wynne home.

Mr. and Mrs. T. E. Simmons have returned from a trip to Ft. Worth and Dallas.

Mr. and Mrs. Walter Coffee visited friends and relatives in White Deer Sunday.

A group of fifteen members of the Christian Endeavor went to Panhandle Sunday night to visit the Christian Endeavor there. The crowd reports a good time and says that they are pleased with the work that is being done there.

Max Graham and J. W. Graham are attending the fair at Dallas this week.

Miss Pauline McKane, who is attending school in Canyon, spent the week-end with her parents.

W. C. Upton was an Amarillo visitor Saturday.

Mr. and Mrs. Robert Taylor of Dalhart are the guests of Mrs. L. W. Barrett.

Pre-Halloween Party at Lewright Home Interesting

One of the loveliest parties of early Autumn occurred Tuesday afternoon when Mrs. W. M. Lewright entertained the members of the Amusu Bridge Club. Mrs. Lewright's home was tastefully decorated in observance of the approaching Hallowe'en, and each guest was presented with novel Hallowe'en favors.

Bridge was enjoyed by the guests in which Mrs. W. L. Woodward won high score. Mrs. Marion Howard was a special guest of the club.

After several interesting games, delicious refreshments of chicken salad, followed by pumpkin pie and coffee, were served to the following guests: Mrs. Carol Kingsbery, Mrs. Siler Faulkner, Mrs. W. L. Woodward, Mrs. M. E. Finney, Mrs. Geo. Walstad, Mrs. W. A. Bratton, Mrs. W. W. Merten, Mrs. J. M. McDonald, Mrs. C. T. Hunkapillar, Mrs. Alex Schneider Jr., Mrs. Joe Smith, and Mrs. Marion Howard.

Mrs. H. W. Hickman Is Hostess to New Bridge Club

Mrs. H. W. Hickman was hostess to the Just A Mere Bridge club Tuesday afternoon at home on East Francis. The rooms were beautifully decorated in Autumn flowers with tallies and nut cups carrying out the scheme of decoration.

The hours were pleasantly spent in playing bridge, with Mrs. Harry Marbough winning high favor, while Mrs. Porter Malone was awarded consolation. A delightful bridge tea was served to the following guests: Mrs. T. K. Underwood, Mrs. Porter Malone, Mrs. Harry Marbough, Mrs. W. P. Clark, Mrs. W. W. Humphry, Mrs. Walter Darlington, and Mrs. H. W. Lester.

Child Study Club Will Meet With Mrs. Archie Cole

The Child Study club will meet with Mrs. A. Cole Thursday afternoon at 2:30 o'clock instead of Friday afternoon. Mrs. A. B. Sawyer and Mrs. A. Cole will lead the study.

The program will be as follows: "The Relations of Lungs, Stomach, Heart, and Brain to the Best in Body and Mind," Mrs. A. Cole. "Physical Care of the Child," Mrs. A. R. Sawyer.

"Faulty Positions," Mrs. G. C. Malone. "Care of the Teeth," Mrs. Guy Farrington. "Out-door Exercise," Mrs. W. W. Merten. "Mind and Morals," Mrs. Harvey Barnard.

"Spiritual Factors in Mental Growth," Mrs. B. E. Finley. "Baby Life," Mrs. Marion Howard. A health play, directed by Mrs. James Todd, Jr., will be followed by a general discussion on "The Need of a School Clinic."

All members are urged to be present and prepared to take part in the general discussion.

Mrs. Farrington Entertains Friends at Luncheon Friday

Mrs. Guy Farrington entertained a number of her friends Friday with a delicious 1 o'clock bridge luncheon. The light of candles created an atmosphere of mystery as it flickered on various Hallowe'en decorations.

The menu of the luncheon served follows: Fruit Cocktail, Chicken a la King, sweet potatoes surprises, apple sauce, bread and butter sandwiches, poinsetta salad, pumpkin pie and whipped cream, coffee.

After the luncheon, bridge proved highly interesting to the guests. High score was awarded Mrs. L. N. McCullough, and consolation was won by Mrs. Henry Thut, Jr. Those present included Mrs. J. M. McDonald, Mrs. Malloy, Mrs. F. N. Shriver, Mrs. Marvin Lewis, Mrs. Lewis Meers, Mrs. L. N. McCullough, Mrs. Gene Shakleton, Mrs. Joe Lewis, Mrs. Dick Walker, Mrs. Henry Thut, and Miss Cassis Ledrick.

Mrs. John Cram Is Hostess to Thursday Club

Mrs. John Cram was the charming hostess to the Thursday Bridge club at her home Thursday afternoon from 2:30 until 5 o'clock.

The bridge games were highly interesting with Mrs. John Sluder winning high score for club. Mrs. Ashby high score for guests, and Mrs. Maurice Finney high cut. Each received an attractive prize.

Delectable dessert and coffee were served to the guests. Those present were Mrs. John Studer, Mrs. P. B. Carlson, Mrs. J. D. Suggs, Mrs. G. A. Holloway, Mrs. Lester Chiles, Mrs. Walter Coffee, Mrs. Maurice Finney, Mrs. Tom Ashby, Mrs. O. K. Baker, and Mrs. Raymond Harrah.

Hallowe'en Motif in Party Biven by Miss Mitchell

Miss Ruth Ann Mitchell was the charming hostess to the Friday Thirteen Bridge club at her lovely new home Friday at 3 p. m.

Highly interesting games of bridge were enjoyed during the afternoon. At 5 o'clock the guests were asked to go into the music room, where they found a cleverly arranged booth with a fortune teller awaiting to tell them their fates. After a very entertaining and amusing hour, they returned to the living room where the tables were charmingly decorated with Hallowe'en decorations, for a lovely plate luncheon. The plates were marked by novel place cards and tiny Jack o'lanterns.

On the tables, also, were the prizes for those who had won them in bridge. High score was awarded Mrs. Clyde Fatheree and high score for guests was won by Mrs. P. O. Sanders, with Mrs. H. G. Twiford winning consolation. Beautiful prizes included a lovely pottery vase, a novel brass bowl with teak-wood

Last Chance Gas Co., Gets Oil Showing in First Gasser of Area

Pampa field gas wells are coming into their own as such, but there is one which has done better—obtaining oil.

Seven years ago in April the Tip-ton-McConnell well locally financed, was spudded in to see if this section might be in the paying strata. The location was in section 201, block 3, Carson County.

Well drilling was a big matter in those days, and difficulties caused the well to be abandoned at 2,600 feet, where 24,000,000 feet of gas was cased off before the drillers went on down to 3,090 feet in the unlogged tract.

A second attempt to drill deeper was not successful, but early last summer several local men re-organized for drilling and re-opened the

hole. The test was carried to 3,253 feet last Sunday, when the first show of oil was reached at 3,253 feet. Yesterday the well was balled dry at 11 o'clock, and at 3 o'clock there was 167 feet of oil in the hole. It looks good for 25 barrels, and the pay is just touched. Storage will be built and the 5-inch casing set before the well is drilled in.

J. N. Duncan is president of the new company, W. R. Campbell is secretary-treasurer, and directors include C. B. Barnard, Nelson Walters, and C. W. Merrill, the latter of White Deer. It is known as the Last Chance Gas company. Queerly enough, its chance is in the field's first gasser, and the strike looks promising.

Local Telephone Exchange Reports Heaviest Traffic of Its History—Directories Are Expected This Week

The Southwestern Bell Telephone company reports an increase in toll calls. During the peak of the growth of the city it required four operators on the toll lines. At this time the same number of operators are required at all times, and an additional long distance operator is on duty during the peak load.

In addition to the same numbers of operators as previously needed, the Southwestern Bell Telephone company now has a direct wire to Borger, five direct to Amarillo, two

direct wires to Canadian and to take the load off the Amarillo line, a direct line connects Pampa with White Deer and Panhandle which allows almost instantaneous service between Pampa and Amarillo.

The local office has been enlarged and redecorated and K. S. Boehm, local manager, is looking forward to the receiving of the new directory which should have already arrived. He expects it here this week, unless further delay is caused from some unlooked-for reason.

"Blackie" Wilson Says Principal Gunmen of Southwest Stayed Near Borger Before Rangers Went There

Ray "Blackie" Wilson, confessed member of the Kimes gang of bank robbers, described Panhandle activities of himself and associates in statements made on the witness stand at Okmulgee last week.

An Associated Press account of the testimony follows:

Wilson painted a vivid word-picture of Signal Hill, Texas, near Borger, as a hang-out for denizens of the underworld, and most of all southwestern criminals, during the cross examination. He operated a bootleg joint and gambling house, he said, while Matthew Kimes ran another. Shine Popjoy, alleged bank

robber operated another, Ray Terrell had another, Paul Martin, alleged Kimes gangster, owned an interest in still another, and gunmen galore went around half drunk fearing no officers.

"Blackie," who pleaded guilty to bank robbery, took a ten year prison term and immunity from murder prosecution and then turned state's evidence, denied he participated in robbery of a bank in Pampa, Texas, with Ray Terrell last April 1. He said he was in his joint in Signal Hill that day. He denied being present when two Borger deputies were murdered in Borger, saying he was in Oil City at the time.

Rotarians From Canadian Give Program Here

Forty Rotarians and Rotary Anns from Canadian were guests of the Pampa Rotary club Wednesday night at an inter-city banquet at the New Schneider hotel. They gave an interesting program.

More than one hundred persons were present. President Charles C. Cook of the local club introduced Jep Todd, president of the Canadian club, who was toastmaster. The following program was given:

Group singing.
Address on Ostend convention, J. W. Sanders.

Vocal solo, Marion Allen.
Piano duet, Mrs. J. W. Sanders, Mrs. C. W. Allen.

Curiosity speech, E. J. Pickens.
Vocal solo, Mrs. Parker Hanna.

Rotary Ann's Idea of Rotary, Mrs. C. E. Fike.
Pointers on Making the club a success, Dr. E. H. Morris.

What Rotary means to me, Rev. C. E. Fike.

Humor Abounds
The program was made much more enjoyable by the fact that wit, humor, and good natured raillery were interspersed with serious thoughts on the aims and ideals of Rotary, with particular stress on the sixth object of Rotary, which is "World Wide Peace Through Understanding."

President Jep Todd invited the Pampa club to visit Canadian at an early date for a similar meeting.

President Cook announced that the Pampa club is to be host to the Canadian, Panhandle, and Dalhart clubs as a result of an attendance contest recently closed, in which Pampa was the loser. No date was

announced, but the meeting was promised for the near future.

Many Guests
The following guests of the Pampa club were introduced:

From Canadian—Rotarians, C. W. Allen, S. E. Ellison, John Caylor, C. E. Fike, Parker Hanna, Coleman Jackson, W. A. Miller, E. H. Morris, Joseph M. Noble, H. A. Rutter, J. W. Sanders, E. H. Snyder, R. Mrs. J. R. Roberts has returned to her home in Amarillo after visiting relatives in Pampa.

Miss Peggy Pirtle visited friends in Roxana Sunday.

NEW SANTA FE LINE PLACED ON SCHEDULE

Cars Assembled Here Daily and Taken to White Deer

PRESENT BRANCH ROAD 11 MILES

Further Building Is Possible Under Permit

The new Santa Fe railroad from White Deer to Skellytown in the Carson Co. oil field completed and turned over to the railway company Saturday for operation. The first regular train, a mixed one-pulled into Skellytown Saturday.

The trains are made up here every morning, and operate on schedule out of White Deer.

The new line was started and completed to the temporary terminus at Skellytown in approximately five months. It taps a large undeveloped oil pool, the field now having about 150 wells scattered over eighteen sections of proven oil lands. There is also much farming and ranching along the line.

The railway company has made extensive improvements at Skellytown in anticipation of developments there. A depot costing \$37,000 and 361 feet long has been erected. Eighteen miles of switch and industrial track has been laid at Skellytown. A water standpipe of 100,000 gallon capacity, exactly the size of that furnishing water to the city of Borger, has been erected by the railway company to supply the railway and Skellytown.

The present line is only eleven miles long, but is to be extended later north into the Badger area of the Santa Fe to the Interstate Commerce Commission for the building of the line.

A freight operating out Pampa and carrying a passenger and a baggage coach will cover the new line each day and pick up freight from the east accumulating at White Deer, it is said.

Besides serving a rapidly growing oil town and oil fields, the new line will give railway transportation to such industries as the Roxana and Skelly refineries and the Cabot carbon plant. The completion of the new line is being hailed with joy by the people of Skellytown and Roxana.

Seven Arrests for Shooting Ducks Out of Season Here

During the past week game wardens of this territory have made seven arrests for violation of the Texas game laws. Four of the cases were tried in the Justice of the Peace court in Pampa, and the other three cases in White Deer.

All of the offenders pleaded guilty and paid fines of \$10 and costs, which is the minimum fine that can be assessed. The wardens made a round of the various lakes in the vicinity of Pampa Saturday morning, and report everything quiet, with more ducks in evidence than ever before.

Geese are also reported to be plentiful this season.

Stolen Buick Sedan Recovered—Casings Had Been Taken

A Buick sedan, owned by Mrs. H. C. Jones, was stolen from in front of the Baptist church Sunday night, but was recovered yesterday by C. G. Clare of the S. P. A. Protective association. The car had been abandoned in the canyons near Skellytown after four new casings had been stripped from the car.

A fur neck piece, which had been left in the car, was also stolen, but a Bible owned by Mrs. Jones was left by the thieves.

During the past year 800 cars have been marked with the S. P. A. emblem in this section, and out of that number only three have been stolen. All three of the cars were recovered, abandoned within 20 miles of Pampa. One of the thieves is at present time serving a term in the penitentiary, and the others were not apprehended.

NEW TAXES FOR WARSAW

WARSAW—Permits are being issued here for taxicabs only of the laudette type, which have the passenger compartment separate from that of the driver. The older styles are being discarded.

Markets

FORT WORTH, Oct. 20—Cattle receipts the first two days of this week have been the heaviest of the season. Good to choice fed steers are fully steady, while common stockers and half-fat steers are 15 to 25c lower for the week. There have been no good fed steers on sale, the bulk of the killing steers here being common in quality and flesh. Several cars of good to choice, dehorned, white-face two year old stockers here today sold at \$8.75, while the medium to good kinds are selling from \$8 to \$8.25. Good to choice red stockers, \$7.25 to \$7.75; fair kinds, \$6.75 to \$7.25; common and Jerseys, \$5.75 to \$6.50.

Butcher cattle are fully steady with the good close last week, and we think are selling at the high time since the war.

There were no real choice stock cows here this week, but all classes of stock cows are about 25c higher than a week ago, and could be good enough to sell for \$6.50 in carlots. Bulk of the red cows and aged white-faces, \$5 to \$5.75. Very few stocker or heifers here, but would sell fully as good as the very best time this year. Good, dehorned, white-face heifers quotable up to \$8.00. Bulk odds and horned heifers, \$7.50 to \$7.75.

Calf market steady to strong, best heavy calves selling from \$8.50 to \$9.25, with medium kinds from \$7.50 to \$8.25. Choice medium weights sold up to \$9.60 today. Veals steady, choice veals quotable from \$10 to \$11.50. Bulls steady.

The hog market 10 to 15c lower. One load of hogs sold at \$11.25, though choice butchers would have brought a little more; bulk of the best hogs quotable from \$11.10 to \$11.25.

Sheep are steady. Fat clipped mutton around \$8. Fat yearlings are around \$10. Choice fat lambs are \$12.50 to \$13.00.

KANSAS CITY, Stock Yards, Oct. 19—The better grades of cattle were fully steady Monday, but there was a weaker tone in the plain to fairly good kinds. Trade however, maintained a fairly active tone. Receipts were about evenly divided as to fat and stocker-feeder classes. No prime grain fat steers arrived. Hog prices were steady to 10 cents low-

er than last week's close and 10 cents under last week's high point. Offerings cleared readily. Sheep and lambs were steady. About 50 per cent of the run was feeding lambs.

Receipts were 35,000 cattle, 6,000 hogs and 19,000 sheep, compared with 35,000 cattle, 5,500 hogs and 14,000 sheep a week ago, and 31,300 cattle, 9,150 hogs and 17,000 sheep a year ago.

Cattle that showed quality and condition sold readily at steady prices. In a run of 35,000 cattle there was not a load that graded choice, and this condition reflects the scarcity of cattle that have had any material amount of feed. Some good short fed steers brought \$13 to \$14, and fair to good kinds \$11.50 to \$13. Wintered Kansas steers brought \$11 to \$14 and straight grass steers \$7 to \$11.25. Plain grass steers at \$8.50 to \$9.25 were in liberal supply. In many cases they were the final clean up of pastures or the tall ends out of bunches that will be held through the winter. Cows and heifers were steady to 15 cents lower, with practically all the decline in the medium to fairly good classes. Canners and cutters were steady. Veal calves were fully steady with last week's highest level. Best kinds sold at \$13 to \$14. Bulls and stags were steady.

Receipts of stock and feeding cattle were the largest of the year and while prices were quoted weak there was no material decline. Demand came from a wide area. More big Missouri, Iowa, and Illinois feeders were here than on any previous day this year.

Hog prices eased off slightly from last week's close and were 15 cents under the high point on Friday. The market is holding within a narrow price range and current receipts are no more than sufficient to meet the most urgent demand. The 200 to 280 pound hogs brought \$11.25 to \$11.50; 280 to 325 pounds \$11 to \$11.25; 140 to 170 pounds \$10.25 to \$11.15; packing sows \$9.50 to \$10.10; stock hogs and pigs \$10 to \$10.40.

Though sheep receipts were the largest of the season, prices remained unchanged. Trade was fairly active. Range lambs sold at \$13 to \$13.50; native lambs \$12 to \$13; feeding lambs \$12 to \$13. About half the run was range feeding lambs. Fat yearlings are quoted at \$9.25 to \$10; wethers \$7.25 to \$8, and ewes \$4.50 to \$6.

Trade in horses and mules was fairly active at unchanged prices. There is broad southern demand for mules.

Pampa Golfers Are Guests of Canadian Club on Sunday

Ten members of the Pampa Golf club visited Canadian Sunday and were the guests of the Canadian Golf club in a tournament in the afternoon. The local golfers were on the short end of the score at the close of the afternoon play, with three wins, a tie and six losses.

A large gallery followed the play during the afternoon. At the close of the contest the local golfers were the guests of the Canadian club at the banquet.

A return match will be played over the Pampa course next Sunday afternoon, commencing at 12:30 o'clock.

The Pampa team consisted of Thomas Dunbar, Otto Studer, Curry, Carlson, Coffee, Ashby, Walther, Smith, and Dahl.

The Canadian team was composed of Berry, Chambers, Oscar Studer, Davey, Reagan, Welch, Allen, McAdams and Carl Studer.

LeFors Petroleum Company Well Is in Second Gas

The LeFors Petroleum company's No. 1 Shaw, Travis Leach survey, the townsite well of LeFors, is making a second 30,000,000 cubic feet of gas from 2,630 feet and drilling in red rock. The first heavy flow was encountered at 2,425 feet with a slight show of oil at 2,550 feet.

The company is composed largely of local men and the well is being watched with considerable interest in the city.

The Magnolia Petroleum company has made a location to drill a well 330 feet from the south end, west line of section 63, block B-2, on the Joe Bowers lease.

ATTENDS CONVENTION

Andy Crocker, Pampa water superintendent, returned yesterday from Hot Springs, Ark., where he has been attending a convention of the Southwestern Water Works association. More than 200 delegates attended the convention which included representatives from all the states in the southwest.

To all persons interested in the above person of unsound mind, or her estate:

You are notified that I have on this the 14th day of October, 1927, filed with the judge of the County Court of Gray County, Texas, an application for authority to make to W. W. Merton, as lessee, an oil, gas and mineral lease of that certain land belonging to such persons of unsound mind, described as an undivided one-half interest in the East 240 acres of Section No. 179 in Block B-2 of the lands originally granted to the H. & G. N. Ry. Co. in Gray County, Texas, and that such application will be heard in the County Court room in the courthouse of such county on the 22nd day of October, 1927.

Witness my hand this 14th day of October, A. D. 1927.

O. H. Hendrix, Guardian of the estate of Florence Lewis Hendrix, a person of unsound mind.

ROBERTS HAS ONLY SCORE

Walstad Outstanding as Ground Gainer for Locals

Playing slugging football in a high wind, the Pampa Harvesters Friday triumphed over Memphis high school, 6 to 0. Both teams made good gains, but lacked the resourcefulness to score when opportunities arose.

Another big crowd saw the game, and the over-alled girls' pep squad of Central high made a fine impression with yells and drills.

Herlacher, the Pampa captain won the toss and elected to kick. Memphis defended the west goal. Walstad kicked off to May on his 18-yard line and the ball was returned 14 yards. Foxhall, the Memphis quarter, made one yard through center. May fumbled, but recovered to lose a yard. May kicked to Maness who fumbled. Evans, Memphis right guard, recovering the ball on his 28-yard line. On a play around right end, May made 14 yards for a first down.

Seitz went in for Clayton on the Pampa team. Hudgins made 7 yards around left end, Crawford bucked the line for 2 yards. McDavitt made no gain and the ball went over to Pampa on an incomplete forward pass. The ball was on Pampa's 8-yard line. Walstad's punt only carried 12 yards against the wind.

Crawford made 2 yards over left tackle and May made it a second first down by a run around right end for 10 yards. Bishop replaced Seitz for Pampa. In one of the most spectacular plays of the day, Kennedy went through the Memphis line to throw Hudgins for a 6-yard loss. The tackle was clean and hard from the line. Two plunges placed the ball on Pampa's 14-yard line and May tried a place kick which failed to leave the ground.

Still Gaining

Walstad punted out of danger but three line plays made another first down for Memphis. Memphis lost 5 yards on an offside, and then lost the ball on a fumble. Walstad punted 20 yards out of bounds. Two plunges over right tackle netted Memphis six yards. Pampa was penalized 10 yards for slugging. Three plunges put the ball on Pampa's one yard line. May tried to hurdle the line for the extra yard but failed by three inches, the ball going to Pampa. Walstad kicked 15 yards when the quarter ended with the ball on Pampa's 15 yard line.

Pampa had the wind at her back the second period and showed some real football. Green relieved Jones in the Pampa line-up. Four Memphis bucks failed to make a first down and the ball went to Pampa on her 10-yard line. Walstad kicked with the wind to Memphis' 25-yard line and the ball was returned to her 40-yard line by May. Two line bucks and a fake kick netted Memphis 1 yard. Robinson replaced Kahl, who was hurt. May punted to Pampa's 30-yard line.

It was then that Pampa started her mad rush of 70 yards down the field on five first downs. Walstad made 9 yards through center followed by Green who went 14 yards around left end for Pampa's initial first down. Walstad made 14 yards, Maness went through for 8 yards and Walstad on two end runs netted Pampa nine yards. Roberts made 12 yards through center, then 3 yards over left guard, followed by a line plunge over center for a touchdown.

A forward pass failed to make the extra point.

On the kick-off, Stalls booted out of bounds behind the Memphis line and the ball was brought out to the 20-yard line, after some discussion as to rules. Three line bucks made Memphis 2 yards and May booted to his 45-yard line. Green slipped going through left tackle for no gain, but was followed around right guard by Walstad for a 14 yard gain, through some nice broken field running. The ball was on Memphis' 21 yard line at half time.

Slow Work

Clayton kicked off to Crawford on his 9 yard line. Crawford made 8 yards before being downed by Kennedy on a pretty tackle. Hudgins went over right guard for 2 yards. Memphis was penalized 5 yards for offside. On the next play Crawford fumbled and was thrown for a 12-yard loss by Clayton. May's punt traveled 6 yards against the wind. It was a high spiral. Two bucks netted Memphis 9 yards and May punted to Walstad, who signaled for a fair catch. He was jumped and Memphis recovered the ball which was given to Pampa. Ten minutes

argument ensued following the play, but Pampa retained the ball according to a decision by Referee Studer, on Memphis' 38 yard line.

Walstad, with excellent interference and fast running through a broken field, made 19 yards. Two line plunges and an incomplete forward pass netted Pampa 3 yards, but Roberts failed to make the necessary two yards for a first down and the ball went over to Memphis. On the first play, Pampa was penalized 10 yards for roughing tactics. Line plunges by May netted Memphis 1 yard, and May booted to Roberts on the 50-yard line. Roberts returned the ball 12 yards before being downed.

A Freak Play

Walstad tried two line plunges and a forward pass for no gain as the Memphis line was breaking through Herlacher. Walstad booted out of bounds on Memphis' 15 yard line. May tried two line plunges for a 2-yard gain before booting to Walstad on his own 46-yard line. The ball hit Walstad's foot and bounded back to the Memphis 14-yard line before being recovered by May. An incomplete forward pass and two line plunges by May gave Memphis 2 yards and the quarter ended with the ball on the Memphis 16-yard line.

In changing goals the officials forgot the number of downs and Memphis got five before kicking out of bounds on Pampa's 20-yard line. The wind carried the ball a longer distance than an ordinary punt. Walstad tried two line plunges for three yards before punting out of bounds on the Memphis 29-yard line.

Some Thrills

The Pampa line weakened and May made 11 yards on two end runs and a buck. Crawford then carried the ball for 11 yards and another first down. The Pampa line then tightened. A pass to May was fumbled, Stalls falling on the ball. On the longest run of the day, Walstad made 24 yards around right end. Roberts made 4 yards over right tackle. Walstad was thrown for a loss when no one got through to receive his forward pass. A forward pass, Walstad to Clayton, was completed for a 10-yard gain. Walstad, Green and Roberts made 4 yards through the line and on a fake kick Walstad made 5 yards, the ball going to Memphis as the whistle blew. The game ended with the ball on the Memphis 20 yard line.

Walstad Effective

Again Archie Walstad was the shining light on the field. His broken field running was sensational. He is the kind of player who never knows when he is stopped. Roberts at fullback played a steady game as did Green. Hamilton at right guard was the strength of the Pampa line and was ably assisted by Salsbury at end and Kennedy at guard.

May, the Memphis fullback, was a 180-pounder who hit the line hard for gains. Hudgins and Foxhall, although short and stocky, were fast on their feet and made long gains around the end.

The game developed into a rough exhibition at times but the officials had it well in hand.
