State Platform

It is often more interesting to trace the source of platform planks than to note the specific provisions themselves.

The influence of Dan Moody and the state administration can of course be seen in most of the planks. In the interest of political expediency, Moody finds it advisable to submit many "party harmony" incitements in the interest of "party harmony".

State platform could be safely stressed, however, and this the platform does. After calling upon all officers to support "the settled policy of the State looking to the destruction of traffic in alcoholic liquors," and wisely adds that "no law can be ignored except at the cost of public integrity and disobedience of any law by common consent, if carried to its logical end, would establish a precedent that might be pleaded in defense of anarchy".

Recognizing a number of outstanding state questions the platform declares for the right of government control of public utilities, the necessity for tax revision, the advisability of abolishing the commission of appeals and placing nine justices on the supreme court bench, reduction of excessive freight rates on farm produce, enactment of laws to safeguard workmen's health and lives, and of legislation to preserve streams and rivers as public resources.

The platform aligns itself with the national Democratic platform in that it "endorses with the national Democratic platform of Governor Alfred E. Smith and Senator Joe T. Robinson.

It would be enormously beneficial to Texas if, as suggested taxes might be revised to evenly distribute the burden and the state institutions might be adequately supported.

Panhandle residents will be interested in noting that the State highway commission dictated the road plank, which is tantamount to an endorsement of the statewide bond issue and plans to take highway building out of the hands of the county officers and citizenship. The plank: "Public roads should be con-

structed and maintained as their forms of public service, taxation of motor vehicles, fuels, and lubricants is a proper source of income for highway construction and maintenance. We advocate classification of our highways into a system of primary and secondary roads; that the state have a correlated system of the more important highways at the earliest possible date; and that the highway commission should fill gaps existing in our present highways. The platform is merely the administration's expression on current questions, and adherents likely will agree with its declaration of Moody's administration as "honest, competent, economic, and statesmanlike." With the endorsement of the "bolters" are at odds, and West Texas is going to have to oppose or ride some of the legislation suggested, but as a whole the platform will be approved by the people of Texas.

WASHINGTON—Your correspondent was down in the bird department of the National Museum the other day and got to wondering whether it is nicer to be called a Pachycephala or a Thickhead. It all means the same thing. The poor little bird to whom these names are applied, more often the second one, has no choice in the matter. He's dead—just like thousands of other birds embalmed and laid out in a great series of trays enclosed in long lines of what look like electric refrigerators. There are about 90 kinds of pachycephalas—or thickheads—but the one your correspondent went to see was of a kind which had never visited the museum before. He's called pachycephala nudigula which means a thickhead with a nude neck. His naked spot is not all neck, however; it's part throat and part chest which goes featherless and makes him different from all other thickheads. It is not surprising if you have never seen a thickhead, for they are found only in the Malay archipelago and the one with the funny neck is known to exist only in the Sunda Islands. In appearance it's something like a shrike. Naturally, it was something of an event when the pachycephala nudigula came to Washington. The museum had heard that some European museum had two of them; it also found that it had duplicates of some rare Chinese bird which the European

museum didn't have. So the two museum just swapped. Charles W. Richmond, the National Museum's associate curator of birds, who knows about more than 20,000 kinds of birds, says that the term "thickhead," as used to describe this particular bird, has no relation to the popular understanding of the term. That is, the thickhead probably is no dumber and no smarter than the average bird. "Most all birds," says Mr. Richmond, "operate under an inherited sense which is useful within certain limits.

"Of course, some birds are smarter than others. Crows and magpies, for instance. The English sparrow, from long association with man, has learned quite a few tricks. Sometimes parrots are supposed to be bright. At any rate, He knows when to jump, they can talk, which is more than most birds can do.

"Or, take the Mino bird out at the zoo. He says 'So's your old man' and 'How about appropriations?' But he won't say what you want him to. If you want him to say 'How about appropriations?' he is just as likely to say 'So's your old man'. He represents a certain type of bird which is capable of a minimum amount of speech.

"But he can pick things up for himself sometimes. Originally there were two of them there. They lost one and then it was explained to visitors who saw the surviving Mino bird that the other one died. Pretty soon that Mino bird was telling everybody: 'The other one died.'

TWINKLES

In the interest of declining, wonder if we ought to give a course in how to spank for teachers who have no brothers or sisters?

Having cluttered up everything else, Lucky Strike is going on the air. But you can tune out radio ads—television and words. There's nothing better than a good, newsy ad—when you are looking for it. Fun fer nothin'—Watching local woman trying to get mite of society dog from under parked car, and having finally to hire a newsboy to crawl under. Also noting the canine's chastisement for such exasperating incorrigibility.

Lots of would-be oil men merely have gas on the stomach.

Hoover may be for equal rights, but we don't see how, if he is really a humanitarian and interested in making life most worthwhile for all women.

BARBS (By N.E.A. Service Inc.)

Among strange recent arrivals in Washington is the thickhead. Don't be alarmed, however, it's only a bird sent to National Museum.

One grand thing about fall anyway: a man has four more pockets in a vest in which to stow useless articles.

Madrid has placed a ban on "extemperate night singing." So that's the name of that noise the cats make!

Forty-five per cent of the pupils of the country ought to wear glasses, the U. S. Public Health Service asserts, and how many ought to wear stockings?

Well, if the next war comes Chicago can quickly mobilize a crack machine gun and bomb squad.

Athletics Hope to Pass Yanks in Western Tour

BY HERBERT W. BARKER Associated Press Sports Writer Thanks to Max Bishop, the Philadelphia Athletics have been saved from utter rout in the now famous battle of the Bronx.

After smashing the A's into defeat in the first three skirmishes of the crucial engagement, Miller Huggins' Yankee brigade ran afoul of Bishop's ninth-inning home run in the fourth clash yesterday. That dramatic blow carried with it a 4 to 3 victory for the Mack-men.

The Yankees thus saw their American league lead clipped to a game and a half, a margin the Athletics hope will prove not impossible to overcome when the two clubs invade the West on Saturday for the closing games of the season.

Bishop's game-winning punch into the right field bleachers was a fitting climax to a contest which saw the Yankees come within an ace of victory with another of the eighth inning rallies that enabled them to win the second and third games of the series. Huggins entered this inning with a 3 to 2 lead. The champions loaded the bases with two out and Lazzeri at bat. In delivering his first pitch to the "wonderful wop," Ehmske wrenched his knee so badly he had to be removed. Orwoll went to the box and lost no time in walking Lazzeri, forcing home the tying run. With the bases still full, Mike Gazella flied out to end the frame.

Hoyt had two men down in the Athletics ninth and had two balls and two strikes on Bishop when the second baseman clouted the ball over Ruth's head and into the right field stands. Haas got a life on Lazzeri's fumble and Cochrane singled to put two men on base and Hoyt under the showers in the clubhouse. Pipgras ended the rally by fanning the dangerous Simmons. Taking no chances, Mack sent Walberg to the mound to get rid of the Yankees in their last turn at bat and the left-hander was quite equal to the occasion.

A crowd of 40,388 saw the end of the series, swelling the total attendance for the four games to 177,113.

While the New York Giants and the Chicago Cubs were idle, the St. Louis Cardinals stretched their National league lead to three games by defeating Cincinnati, 2 to 1.

In the only other national league engagement of the day, Brooklyn beat the Athletics, 6 to 1.

New Stadium Is Being Built at Teachers College

CANYON, Sept. 13.—Monday of this week marked the opening of the football training camp at the Buffalo Park at the West Texas State Teachers College. With many of the old heads coming back and a good supply of new material, Coach Mitchell-Jones is looking forward to the most successful season in the history of football at the Teachers college. Coach Jones has been assistant coach for the past two years and succeeds O. G. Eckhardt, who resigned last spring.

The football field is to be turned so as to run north and south, whereas in the past the goals were east and west. Plans are going forward for the 1,600 seat stadium which is to be erected on the west side of the playing field. The lowest row of seats in this will be six and a half feet above the ground. The structure will be of steel, with board seats. Two 800 seat sections are to be built this year, other sections to be added as rapidly as possible.

Miss Eleanor Johnson of Lubbock is visiting her sister, Mrs. Clarence Kennedy. She will be here several days.

BOARD OF EQUALIZATION NOTICE TO PROPERTY OWNERS GRAY COUNTY, TEXAS.

Notice is hereby given that heretofore on the Second Monday in May, 1928, as required by law, the Board of Equalization of Gray County, Texas was duly organized and convened, and that after some deliberation, recessed, subject to the call of the County Judge, and that said Board will again be in session beginning on the 20th day of August, A. D., 1928, for the purpose of equalizing taxes in and for said Gray County, Texas.

Pacific Coast Flash to Meet Sam Baker Tonight

NEW YORK, Sept. 13.—(AP)—Another young Lochivar comes out of the west tonight with a crushing left hand as his calling card in New York's fistic Rialto. Young Gorbett, the third, of Fresno, Cal., slugging southpaw welterweight, meets that hard punching roider, Sammy Baker, in a twelve round encounter at Madison Square garden.

Only Handful of Houston Fans See Team Win First

WICHITA FALLS, Sept. 13.—(AP)—The Houston Buffaloes, winners of the first half of the Texas League season, yesterday got away to a flying start in the five-game series which will determine the champions by defeating the Wichita Falls Spudders, title holders of the last half, 7 to 4, in the initial struggle.

The pitching of "wild Bill" Hallahan, strike-out king of the league, was too much for the Spudders. On the other hand three Wichita Falls hurlers marched before the batsmen of the visitors. With Joe Kiefer, who pitched the last three innings, the only one having any luck in stopping the Buff stampede.

Hallahan allowed seven scattered hits and struck out ten. Jenkins and Turgeon were the only players who solved his curves with any degree of success.

Turgeon counted for three of Wichita Falls' four runs. His double in the fifth scored Lapan and his Homer over the left field balustrade in the ninth again found Lapan on base. Jenkins' homer in the eighth found the bases empty.

Payne, who started for the locals, was taken from the box with only one out in the second after Snyder had hoisted one of his fast balls out of the park. Steengrafe succeeded him and lasted through the fifth when he gave way to Kiefer.

Houston accounted for their score with three runs in the second, one in the third, two in the fifth and one in the sixth off eleven hits.

Approximately 9,000 fans witnessed the game. Only a handful of Houston fans were here.

Mike Ovcngros, diminutive southpaw, was a logical hurling choice for the second game for the Spudders, while Frank Barnes, Houston side-wheeler, was expected to oppose him.

Today's probable line-up: HOUSTON Hooks, 3b; Selph, 2b; Worthington, rf; Watkins, cf; Peel, lf; Schuble, ss; Snyder, c; Walker, lb; Barnes, p. WICHITA FALLS Benton, ss; Turgeon, 2b; Fitzgerald, cf; Jenkins, cf; Lamb, rf; Swenton, 3b; Roets, lb; Lapan, c; Ovcngros, p.

Gray's Game With Texon Is Postponed

Because of the fact that Gouber could not get transportation for his Grays, the three-game series with Texon, winner of the Denver tournament, has been postponed and may have to be called off. A call for transportation was issued by the manager, but no response was forthcoming, so he had to postpone the games.

The team was to have met the Big Lake Oil company team in a three-game series Friday, Saturday, and Sunday to declare the tournament winners.

If transportation can be furnished the team will go to Texon at a later date.

The game with the Amarillo All-Stars scheduled for Sunday has been postponed until the following week because of the game with the Fort Worth Cats. Holders of tickets to the All-Star game are asked to keep their tickets for the game a week from Sunday, when Soloans and his All-Stars will appear against the local nine.

The Amarillo team was only contenders for the championship at the Amarillo tournament defeating the Grays for their only loss.

NOTICE is hereby given that the Flick Construction company will not be responsible for any debts contracted by anyone employed in the construction of the O. & W. Railroad except on an order from the Flick Construction company signed by Z. C. Mitchell.

New Star from Northwest

Here's Don Moe, University of Oregon student, whose sound golf game has impressed critics so favorably this summer. Moe holds the Oregon state title now and was a sensation in the qualifying round of the western amateur meet at Chicago. A big future is predicted for him by critics.

Regular Panther Line-Up to Play Grays Sunday

The Fort Worth Cats, five times pennant winners of the Texas league and three times winners of the Dixie series, will play ball here Sunday afternoon against the Pampa Grays. Ed Gouber received word yesterday morning that the Cats would cancel an engagement Sunday in order to meet the Grays, winners of the Amarillo baseball tournament this year.

With the same line-up that played the entire season, the Cats will prove formidable foes for the local boys, but Gouber has gathered a strong team to meet the "Pussies." He has three pitchers already lined up, any one of whom should hold the Fort Worth nine. Gus Ketchum will probably begin the game, with Slim French and Lefty Ward in reserve.

Pampa fans will see four of last years big leaguers in the game in pitchers Joe Pate, and Johns, and Walk-up, and Catcher Buschoff, who have been starring for the visitors. Gouber will also be supplied with four big leaguers when Gus Ketchum, Sled Allen, Lefty Ward, and Joe Doty step into a Grays' uniform, while Clayton has seen some fast company.

The game will be played at Gray's park on the Miami road, a mile north of the post office and will commence at 3:15 o'clock, sharp. The Fort Worth line-up will be: Moore cf, Rolling 3b, Riley 1b, Bonowitz lf, Harrington 2b, Newton ss, Cox rf, Eschoff c, Pate p, Johns p, Walkup p, Devaney p, Wachtell p.

EDUCATION BUILDING IS ACCEPTED AT CANYON CANYON, Sept. 13.—The new Education building at the West Texas State Teachers college, which has just been erected at a cost of \$300,000, has been accepted and preparations are being made for the registration of all grade and high school students in this building with the opening of the fall session, September 24.

Re-arrangement of the Administration building, which began in August,

Bobby's Opponent Is Awful, Giving Champ Match

NEWTON, Mass., Sept. 13.—(AP)—Bobby Jones today remained a member of the cast of the national amateur golf championship—reduced to eight—thanks to the world's worst drive. Ray Gorton, the champion's second round opponent, stood on the 18 tee at Braeburn in the dismal dusk of a rainy September and looked through a gate left wide open by Bobby.

Bobby and Gorton, a homebred who knows every blade of grass and every hoof print in the bunkers of the teasing Braeburn layout, were all square going home. The three-times king of the Slim-on Pures had his turn on the tee and made a mess of it. His drive had carried over a dangerous brook more than 200 yards from the tee but rested in tough grass.

Bad as was Bobby's drive, his opponent's was worse. It went to the left, deep into the forest and behind a wood-pile. With all hope gone for a win, the home player showed his great heart by setting out to get the half and prolong the match. Two great shots achieved the Braeburn star's objective. He had to play toward the tee to escape the woodpile and of necessity his third was far short of the green. He sent his fourth well inside Bobby's third, perched on the green some 20 feet from the cup. When the champion laid his ball dead, Gorton's approach to the hole was partly obscured. He curled his putt—an eight-footer—around the partial styrmie and into the cup for a half.

He was still making trick shots from the tee, however, and on the extra hole, he sliced to another patch of trees. Jones took an orthodox par four to settle the affair.

The players were out with approximately medal scores of 42. Bob finished the 18th with a count of 35—two under par—for the second time.

His opponent was also under par with 36. The 36-hole third round today found Jones pitted against John B. Beck, member of the British Walker cup team. Harrison R. Johnson of St. Paul, playing Phillips Finlay, the long hitting Harvard student, Dr. Oscar F. Willing, Portland dentist against Geo. Voigt, the medalist, and Philip Perkins, the British Amateur champion, contesting with John Dawson, crack Chicago amateur.

Former champions fell in covers in the first two rounds. George von Elm, the first to go, was eliminated by the gigantic Arthur Yates who in turn succumbed to Perkins. John Dawson blotted Chick Evans out. Francis Outmet fell before Finlay. Jess Sweetser, lost to Voigt. The Canadian champion, C. Ross Somerville, was lost in the shuffle, as were Frank Dolp, western amateur champion and Watts Gunn, southern champion.

Texas U. Spends Big Sums Getting Ready for Games

AUSTIN, Sept. 13.—Preparations for the year 1928-29 have been under way in the athletic office of the University of Texas since before August, according to L. Theo Bellmont, director of physical training for men.

These preparations which cost us thousands of dollars, said Mr. Bellmont, "may be divided into three separate divisions. There are the intercollegiate, the physical, and the office divisions to go over and get in readiness for the fall rush.

In the intercollegiate division, all equipment must be gone over and inspected months before school opens, and new materials must be ordered in time to get them at the department and stocked and issued at the beginning of football practice. All this new equipment costs us much money besides the time and trouble spent in getting it ready.

"The physical division work consists in going over the seats at the athletic fields to see that they are in good condition, painted and comfortable, and in preparing the fields for games and practice at the opening of the University. We are at present installing a new field. It will be used by the freshmen for practicing and probably by the Varsity on rainy days, for we would not want to get the stadium ground out of condition after so much work has been spent in getting it in perfect condition.

"Probably the most exacting work comes here in the office. Besides supervising all of these other activities, we take charge of selling tickets for the various games. People send in orders by mail wanting certain seats for a game. We must check up on the seats sold and send them the nearest we can to what they want. A record of all the sales must be kept so that if a person should lose his ticket, we could tell which seat he held and under reasonable conditions issue him a duplicate. Thousands of dollars have

Hunter Playing Great Tennis in National Matches Fight Results

FOREST HILLS, N. Y., Sept. 13.—(AP)—Bill Tilden may be on the outside looking in at the national tennis championship now in its quarter-final round. But his bosom companion and Davis cup comrade, Francis T. Hunter, is carrying on in a fashion worthy of the famous Philadelphia himself. Courage and fighting spirit stood out today as chief factors in Hunter's great victory over Jean Borotra yesterday, 6-5, 5-7, 6-0, 6-4, 6-2.

Hunter's strong game gets another good testing when he meets Jack Crawford of Australia in the quarter-final round today, the Ansatz having upset Johnny van Ryn, 4-6, 6-4, 1-6, 6-2, 6-3.

In another quarter-final match, two of the strongest United States players must try to kill one another off. Geo. Lott, of Chicago, who yesterday defeated Christian Boussus, youthful Frenchman, 6-2, 6-2, 6-4, akes on Johnny Doeg, victorious yesterday at the third round over Bunny Austin, last of the English survivors, 6-4, 5-7, 6-2, 6-8, 6-2.

Besides Hunter and Lott, young Gregory Mangin of Newark, N. J., lamed the Frenchmen, toppling Rene de Buzel by scores of 8-6, 6-2, 3-6, 6-2.

Women's Societies Plan Means of Raising Money on Church Building Funds in Meetings Held Yesterday

Women's societies of four churches met yesterday for Bible or mission studies and business sessions. Attendance was good at each meeting, according to officers of the several groups, and much interest was shown in plans for work during the fall and winter months. Enjoyable social hours followed these meetings which were held in homes of members.

CATHOLIC SOCIETY HAS BUSINESS MEETING

The Altar society of Holy Souls church held a business meeting at the church and discussed means of raising funds to decrease indebtedness on the newly erected church and to carry on general work. Fourteen members were present. Mrs. A. B. Zohn, president, was in the chair for the session.

Members of the Pampa branch of the American Association of University Women and College Club will meet in a luncheon in the dining hall of the Methodist church at 12:30 o'clock Saturday. This is the first meeting of the year and will be given in honor of new members of the club. Reservations must be made before Thursday night. It has been announced Mrs. Andrew McNamara is in charge of reservation. Members may call her at telephone No. 562-W. The Friendship Society of the Methodist church will serve the luncheon.

METHODIST WOMEN BUY CHURCH FURNITURE

Yesterday's meeting of the Women's Missionary society of the Methodist church was one of unusual importance. Furnishings for the kitchen and serving room of the new building were selected, after reports from various purchasing committees had been heard. All furniture and equipment will be installed this week and will be in use when the district convention of pastors and lay leaders is held here Tuesday.

The Bible study of the afternoon was on the missionary journeys of Paul. Mrs. C. T. Nicholson was leader for the program. Fifteen members attended the meeting, which was held in the chapel of the church.

BAPTIST CIRCLES HOLD MEETINGS AT HOMES

The four circles of the Baptist Women's Missionary society met separately in the homes of members. Mrs. G. C. Durham was hostess to Circle No. 1. A program on Today's Supreme Challenge to America was conducted by Mrs. E. F. Brake, the seven members who were present taking part in a round-table discussion.

Circle No. 2 met in the home of Mrs. J. C. Barnard, with an attendance of seventeen members. Mrs. C. S. Abrell conducted the mission study, and Mrs. G. C. Stark was leader for the devotional period.

Members of Circles Nos. 3 and 4 spent the afternoon in making quilts and comforts which will later be sold and the proceeds therefrom applied to the church building fund. Circle No. 3 assembled in the home of Mrs. C. E. Swofford. Fourteen members assisted in the work and took part in the brief business session of the day. Twelve members and one guest were at the meeting of Circle No. 4 in the home of Mrs. O. H. Gillstrap in Kingsmill.

Miss Era Johnson Marries Toledo, Ohio, Man at Rochester

Miss Era Johnson, daughter of Mr. and Mrs. R. E. Johnson and popular member of Pampa's younger social set, became the bride of Mr. Carter E. Smyth of Toledo, Ohio in a simple ceremony at Rochester, Minn., Tuesday morning. The bride's mother and her sister, Miss Lella Johnson, the groom's mother, and Mrs. E. E. Johnson of Pampa were the only guests at the wedding, which took place at the home of a Methodist minister.

Mr. and Mrs. Smyth will make their home in Toledo, where Mr. Smyth is stationed as a government surveyor. The bride is a member of one of Pampa's pioneer families. She has a wide circle of friends throughout the country. She has spent the past two months in Rochester with her mother and sister and it was there she met Mr. Smyth.

...Social Calendar...

Mrs. S. A. Hurst will be hostess to members of the Child Study club for their first meeting of the new club year Friday afternoon. Mrs. Harry Barnard has charge of the program for the afternoon. Mrs. B. E. Finley and Mrs. W. Purviance will read papers of interest. It is urged that all members be present at the meeting, which opens at 2:30 o'clock.

A benefit chicken dinner and supper will be served at the annex of the First Christian church next Saturday. All funds will be used in the building program of the church.

CHRISTIAN W. M. S. HAS GOOD PROGRAM

A visit to the United Christian Missionary society of the First Christian church, in an interesting program conducted by Mrs. James Todd, Jr. Mrs. Wm. Barrett led the devotional of the afternoon. The meeting was held in the home of Mrs. Frank Meers, with Mrs. C. W. Stowell as co-hostess. Fifteen members and guests were present.

METHODIST WOMEN BUY CHURCH FURNITURE

Yesterday's meeting of the Women's Missionary society of the Methodist church was one of unusual importance. Circle No. 2 met in the home of Mrs. J. C. Barnard, with an attendance of seventeen members. Mrs. C. S. Abrell conducted the mission study, and Mrs. G. C. Stark was leader for the devotional period.

Members of Circles Nos. 3 and 4 spent the afternoon in making quilts and comforts which will later be sold and the proceeds therefrom applied to the church building fund. Circle No. 3 assembled in the home of Mrs. C. E. Swofford. Fourteen members assisted in the work and took part in the brief business session of the day. Twelve members and one guest were at the meeting of Circle No. 4 in the home of Mrs. O. H. Gillstrap in Kingsmill.

MANY HURT WHEN TRAIN HITS CARS

DETROIT, Sept. 13.—(AP)—Scores of passengers were shaken, several were bruised and fireman John Romaker, of Toledo, was severely injured today when the Red Arrow, Pennsylvania passenger train from New York to Detroit, ran through an open switch in a Detroit suburb, and crashed into a string of loaded freight cars.

Romaker was injured when he jumped as the locomotive struck the cars. None of the coaches of the passenger train was derailed.

Railroad officials said they were seeking a switchman, who has disappeared, as the man responsible for the crash.

Mr. and Mrs. B. D. Willard and children have very recently moved to Pampa and are living on Nelson St. They are former citizens of Tonkawa, Okla. Mr. Willard is in the oil business.

Pershing Is Honored on Birthday By a Grateful World

WASHINGTON, Sept. 13.—(AP)—General John J. Pershing today celebrated the sixty eighth milestone of a life rich in adventure and accomplishment, crowned by leadership of the battalions that fought in America's greatest war.

Now fully retired after a long and fruitful service in the army, the man with Washington and a few others, rose to the high distinction of a full-ranking general, found on this birthday echoes of the acclaim which a grateful world bestows upon those it reveres.

At the war department where Gen-

Now! A Double Purpose Gas

Some gasolines give more power than others. Some curb "knocking" and minimize carbon better than others.

KOOLMOTOR does both. Non-doctored and super-refined by special processes, it represents an outstanding advancement in motor fuels.

You have never fully tasted the delights of easier starting, speedier pick-up, more perfect combustion, and lessened carbon trouble until you have tried this unique combination of "high-test" and "anti-knock" gasolene.

Your motor deserves it—today.

Plains Specials

PLAINVIEW—The largest shipment of Hale county show cattle that has left the county for exhibit purposes will be shipped Monday, September 17, to Amarillo to be entered in the Tri-State Fair which starts September 22. The cattle are being shipped nearly a week ahead of time so they may be better fitted for show.

Oscar Stansell of Floydada has entered nine head in the Tri-State Fair exhibit. He will ship with the Hale county entries and be in charge of the entire shipment.

The Hale county entries will be shown later at the Panhandle-South Plains Fair at Lubbock and at the Southwestern Dairy Show Exposition at the Texas State Fair, Dallas.

Hale county breeders who have already signed for entries at the fair and the animals they will enter are: W. B. Rogers, aged bull; Fritz Puchs, aged cow; W. R. Wilks, two-year old cow and senior heifer calf; M. P. Cornett, senior yearling bull; Luther Griffin, senior yearling heifer; J. D. Smith, junior yearling heifer; Lee Howard, senior bull calf; E. O. Favors, junior bull calf; Jim Miller, junior heifer calf.

There may be other entries before time for shipment, R. M. Milhollin, who is arranging the shipment, states. The Hale county shipment is being sponsored by the Plainview Board of City Development.

H. G. Vaughn, who for many years has been manager of the shoe department of Carter-Houston's, has retired from the management and is devoting part of his time to a chicken farm one mile north of Plainview, Mr. Vaughn is at Carter-Houston's only in the afternoons, devoting the remainder of his time to his chickens.

He has been selling shoes for the past thirty years, beginning in September, 1898.

On his farm north of town he has seven hundred chickens. His home is equipped with gas electricity and running hot and cold water.

Douglas Hicks, formerly with Burns & Pierce, has taken over the management of the shoe department at Carter-Houston's.

The new Austin Pickup Street Sweeper, recently purchased for use on the Plainview streets, arrived on Wednesday. It was shipped by the Austin Western Road Machinery Company from Harvey, Ill. The new sweeper cost the city approximately \$6,800. A. H. Johnson, company representative, is in Plainview with the machine supervising its preliminary try out.—Plainview Herald.

Fire Benefit Film Coming to Crescent

Plenty of thrills are offered in "Hook and Ladder No. 9" which will show at the Crescent Friday, according to H. A. Gilliland manager of the theatre. The show will be given for the benefit of the local fire department.

Members of the department are selling tickets today and tomorrow for the show. One of the fire trucks is being used to advertise the picture.

Rev. Tom Brabham is attending to business in Amarillo today.

George Gill made a business trip to Amarillo last night.

Mr. and Mrs. J. L. Harris of Oklahoma City arrived yesterday to visit their daughter, Mrs. A. L. Murray.

Gas Line Work Ahead of Schedule

BARTLESVILLE, Okla., Sept. 13.—(Special)—The three main line gangs now engaged in the construction of the 132-mile Wichita to Ottawa extension of the Cities Service Gas Company's 20-inch Panhandle natural gas pipeline have laid a total of 80.56 miles of pipe and with the project 66.2 per cent complete are operating in excess of their required schedule. The original estimate called for the completion of this work by October 1st, but the contractors, the Oklahoma Contracting company of Dallas, Texas, have organized new gangs and increased others in an effort to have this line completed and service established before the advent of cold weather.

The Ottawa, Emporia and Wichita gangs have cleared a total of 121.90 miles of right-of-way, strung 116.90 miles of pipe, opened 88.15 miles of ditch, painted 85.76 miles of pipe head welded 96.50 miles and backfilled 80.56 miles.

Good progress is also being made on the White Water and Neosho river crossings, each of which will be crossed with four 12-inch and two 16-inch lines. On the Neosho crossing, 7,000 feet of 16-inch and 4,000 feet have been laid, 28 river clamps have been installed and the four 12-inch lines have been pulled across the river. Two 12-inch lines have been pulled across the White Water river, six 12-inch clamps installed and 1,200 feet of 12-inch pipe laid.

Preliminary work is progressing rapidly on the construction of the third 16-inch line between Ottawa and Kansas City where it will tie into the present system at the Glavin station. This will be a welded line 38.8 miles long and will be known as the Ottawa-Glavin loop. The contractors, Kelly-Dempsey company of Tulsa, estimate that this loop will be completed about October 3.

All pipe has been shipped, paint and couplings have been received and pipe is now being strung for the construction

of a 9-mile 20-inch line that will extend beyond Glavin station into Kansas City. The Truman-Smith Construction Company of Eldorado, Kas., estimate October 1st as the completion date.

LATE SPORTS

CUBS MOVE UP

CHICAGO, Sept. 13.—(AP)—The Cubs moved to within two games of the leading Cardinals by defeating the St. Louis club here today, 6 to 1, before a crowd of 43,000 fans.

GIANTS BEAT BRAVES

BOSTON, Sept. 13.—(AP)—The Giants defeated the Braves by 12 to 2 in the first game of a doubleheader here today, the fifth straight triumph of the New York forces in an eight game series at Braves field. Benton scored his twenty-fourth victory.

BOBBY IS GREAT

BRAE BURN COUNTRY CLUB Newton, Mass., Sept. 13.—(AP)—Bobby Jones, defending champion, completed his overwhelming victory over John Beck of England, by a margin of 14 and 13 today in the third round of the national amateur golf championship. It equalled the record for the most decisive triumph ever scored in the tournament.

ONE FRENCHMAN LEFT

FOREST HILLS, N. Y., Sept. 13.—(AP)—Frank Shields, 18-year-old New Yorker, blasted another of the invading Frenchmen out of the national tennis championship tournament today. The junior champion crushed Jacques Brugon by scores of 7-5, 6-1, 6-0, leaving Henri Cochet as the lone surviving Frenchman.

Mrs. J. E. Fletcher returned Tuesday evening from a visit with her parents in Lawton, Okla.

JEWISH NEW YEAR TO BEGIN TOMORROW

"Rosh Ashona" of the Jewish New Year will begin tomorrow evening at 6 o'clock and will continue until Sunday night. Several local citizens are planning to spend the week-end in Amarillo.

"Yon Kipper" will be celebrated a week from Monday when all places of business will close for the day. It is an age old custom and will be preserved in Pampa and elsewhere as in former years.

Businesses Tell How Girl Talked of Fatal Picnic ANGELES, Sept. 13.—(AP)—Brief news of the romance of Russell St. Betzel and Miss Barbara Maunder, 19-year-old Philadelphia girl with whom he lived here and with whom he is charged, were before the jury here today. Women cried as they testified concerning their visits with the Mauerger and of events which followed her appearance about June 23. Tears filled the eyes of the women they told of the anticipation Miss Mauerger had shown when she told them of the picnic she and Betzel planned in Laurel Canyon June 24. The day she was seen alive. It was in Laurel Canyon that the nude body of a girl was found.

Young Man Badly Hurt in Fall at City Well Today

James Perry, about 25 years old, is in the Pampa hospital in a serious condition from injuries, received when he fell 40 feet off a water tower this morning about 10 o'clock. Mr. Perry, an employe of the D. L. McDonald water filling company, sinking the city water well, was about 40 feet up the derrick when a board on which he was standing broke, hurling him to the ground. He was immediately taken to the Pampa hospital where it was found he had two fractured ribs, a broken nose, and arm and probably internal injuries.

Fair Exhibit Is Getting Attention All Over Gray County

F. P. Reid and George W. Briggs visited McLean and Alameda yesterday afternoon in the interest of the Gray county exhibit at the Tri-State fair in Amarillo September 22 to 29 inclusive. They visited the Chamber of Commerce at both towns and arranged to have committees appointed to gather produce to be used in the exhibit from farmers in each territory. The produce will be brought to Pampa Saturday and prepared for the booth. The Gray county booth this year will be even greater than that of last year and the local committee hopes to carry off one of the main prizes. A call is issued to those having anything that could be used in the display.

Morris Levine left this morning for Dallas, where he was called by the death of a brother-in-law. He will return Saturday.
