"It's Like This..."

THE HOUSE COMMITTEE on revenue and taxation is making a valiant effort to find new sources of revenue...

One of the first steps was to suggest raising of the gross production tax on petroleum from 2 to 3 per cent.

The West Texas Chamber of Commerce is fighting both of these measures. The oil business is especially vital to West Texas.

House Bill No. 50 also is being combated strenuously. A number of local men yesterday sent telegrams to legislators urging defeat of the measure.

The federal government already levies an income tax, the chief purpose of which is to liquidate war debts.

There is no more reason for duplicating taxation functions than legislative or penal, and

certainly no one would wish to be tried twice for the same offense.

The East Texas Chamber of Commerce passed a resolution urging exercise of great caution in attempting any kind of tax duplication.

TAD DORGAN is dead. Teachers of strict English may give several well executed sighs of relief.

A new word cannot attain good standing until it has been barred from high verbal society for a decade or more.

As a corner of slang Tad Dorgan perhaps had no equal. Here are only a few of the phrases he turned loose upon the receptive public.

The language grows not merely by addition of trade and scientific terms, but by slang expressions.

However, this is no argument for excessive use of slang. New expressions suffer by repetition, and constant recurrence is positively nauseating to lovers of pure speech.

Daily WASHINGTON LETTER

WASHINGTON—Looking forward optimistically to a day when cabinet officers will all be more or less efficient, Congressman Andrew Jackson Montague of Virginia is preparing to push his bill providing for the frequent presence of heads of the executive departments on the floor of the Senate and of the House.

Montague's bill proposes that the cabinet members occupy seats on the floor at the opening of the Senate's session on Tuesdays and Fridays and at the opening of the House proceedings on Mondays and Thursdays.

Would Have Bothered Fall. If such a bill had become law at almost any time in the past, there probably would have been some prompt cabinet resignations.

Sweetwater editor's idea of how telegrams to legislators should be worded: "Do something and do it now, or close up and save us your expenses."

Several Panhandle newspapers are making much over a motorist who "sees with his skin." But he hasn't tried to make Pampa traffic on Saturday.

tant problems in their departments.

Such a system has been working for a long time in European parliaments, and democracies which have it appear to be quite satisfied.

A joint committee of House and Senate recommended it 30 or 40 years ago.

"Legislation would be greatly expedited," he says. "The system would quicken the interest and increase the knowledge of the American people in the process and substance of legislation."

"Relations between the executive and legislative branches would be brought out in the open and we wouldn't have to depend on backstairs conferences and private sessions between individuals."

"If an honest cabinet member faced an unjust accusation he would be able to come here and defend himself. If such a cabinet member were guilty of improper conduct, we would rapidly find it out."

Members of B. & P. Committees Named at Meeting

The Pampa Business and Professional Women's club held its second dinner meeting Wednesday evening at the Schneider, with 33 members present. Appointment of the members of committees whose chairmen were named last week by the president, Mrs. Grace Higgins; amendment of the constitution to include chairmen of the social and attendance committees in the board of directors; and the selection of regular meeting dates constituted the important business of the evening. Ten new members were added to the roll of the club.

The size of the several committees is flexible, Mrs. Higgins said, and each may be increased as the club membership grows and as the chairman desires. The committees as they now stand are as follows:

Membership—Miss Jewell Flanagan, chairman; Mrs. H. R. McDonald, Mrs. Roy Sewell, Miss Mercedes Mason, Miss Johanne Ruth Williams, and Miss Edna Clemens.

Program—Mrs. Ralph Butterfield, chairman; Mrs. Jack Griffith, Mrs. G. T. Cole, and Miss Sidney Smith.

Attendance—Miss Lucille Keim, chairman; Mrs. R. J. Kiser, Mrs. E. E. McNutt, Mrs. Ernest Gee, Miss Ruth Hill, and Miss Alice Rittenhouse.

Juniors Will Honor 1929 Graduates at Banquet Saturday

Honoring the 1929 graduates of Central high school, the junior class will give a banquet for 140 guests Saturday evening at the Schneider. An attractive decorative motif, to be developed in colorful detail, indicates that this will be one of the most brilliant affairs yet given by Pampa high school students.

Members of the junior class were assisted by Miss Fannie May, their sponsor, in planning the courtesy affair. Clara Brenner is chairman of the committee on arrangements and will be toastmistress. LeRoy Price, junior class president, will welcome the guests. The decorations committee includes Violet Schafer, Charles Thomas, and LeRoy Doucette. Selections by the high school orchestra and a vocal solo will be the program music.

The guest list includes, in addition to the members of the two classes, the members of the board of trustees and their wives, all members of the high school faculty, and members of the orchestra.

Mrs. John Studer Gives Large Party at Schneider Hotel

Members of the London Bridge club were guests yesterday afternoon of Mrs. John Studer, who entertained with eight tables at the Schneider hotel and included a large group in addition to the membership in her guest list. High scores were made by Mrs. Marion Howard, club member and Mrs. P. B. Carlson special guest. Mrs. W. A. Duerr made top cut. Each was given an attractive favor.

Players, other than those named, were as follows: Mrs. Porter Malone, Mrs. W. H. Johns, Mrs. P. O. Sanders, Mrs. I. B. Hughey, Mrs. Floyd Ward, Mrs. W. J. Smith, Mrs. H. Otto Studer, Mrs. George C. The very excellent program consisted of readings by Mrs. Carson Loftus and Mrs. Raymond Harrah, a vocal duet by Mrs. C. C. Dodd and Mrs. Abraham, a vocal solo by Josephine Lane, and a piano solo by Glen Twiford.

"Alibi" Talkie Shows Crooks With Their Halos Discarded

DETECTIVES ARE HEROES TO PRODUCER WHO TAKES ISSUE WITH SENTIMENT OF FICTION WRITERS

Roland West, famous producer-director of film melodramas, whose latest success, "Alibi," United Artists picture, comes to the Rex theatre Sunday takes issue with fiction writers who weave halos of romance around crooks.

And his sensational photo drama, "Alibi," is convincing proof of his contention, for the picture deals with criminals as they have never before been dealt with on the screen.

"The modern criminal is a rank coward," says West. "The gangs such as those that figured in the plot of 'Alibi' run in packs and would rather shoot their victims in the back than face them, for they don't like to take chances. All my life I have wondered why certain people allow themselves to wax sentimental over criminals and blame the police for 'treating' them rough."

"If there is any romance in the never-ending struggle between law and the criminal classes—and of course there is—it is on the side of the police. The police of America too seldom receive the credit they deserve for their cleverness, bravery and honor."

When "Alibi" was first shown in Hollywood the members of the screen colony were unanimous in acclaiming West's feature as the greatest all-around entertainment of the year.

"Where Values Are Real"

Yankee Habit of Leading Just Won't Wear Off

By WILLIAM J. CHIPMAN, Associated Press Sports Writer.

Habit is a powerful force, as may be seen from the standing of the clubs in the American league today. The Yankees lead with a percentage of .750 just when everybody had agreed they were plunging into the midst of a batting slump.

Eight solid blows off Gray in eight rounds and two more off Strelecki in the ninth netted the champions enough margin for a 7-to-3 victory over the Browns at Sportsman's park yesterday, a clean-up of three games in St. Louis, six straight in the West and seven straight, East and West.

The Athletics matched strides with the Yanks yesterday by winning their final clash in Chicago by 9 to 2 behind the steady pitching of Earnshaw. The Macks now have only Cleveland and Detroit to face—but so have the Yankees, which makes it unreasonable to suppose the McCulluddy troops will register any marked gain through the rest of the invasion.

Washington broke up Detroit's six-game winning streak yesterday, 6 to 3, perhaps to ease the shock of the Yankee arrival at Navin field today. Cleveland nosed out the Red Sox by 4 to 3 in a well-played game.

The reaction from a no-hit party found the Giants cracking up under the impact of Sheely's eighth-inning home run at the Polo Grounds. Two Pirates were aboard when Earl's pace descend-

ed, and Grimes pulled out his sixth straight triumph over the clan McGraw since he was traded down the river to Pittsburgh before the start of the 1928 season. The score was 4 to 3.

Meanwhile the Cubs and the Cardinals were marching step for step with each other into a more substantial lead. With old Alex the Great at his best, the Cards trimmed the Braves by 5 to 1 in Boston, while the Cubs were going on milk and honey in Flatbush. The Robins were subdued by 11 to 2.

Cincinnati broke up a three-game winning streak for the Phillies when May came to the rescue of Ash and pulled the Hendricks troops through to a 7-to-5 victory.

Marathon Men Have 74 Miles in Jaunt to Dallas

SHERMAN, May 10. (AP)—Realizing there is a lot of Texas to cross, C. C. Pyle's caravan of coast to coast runners set out at 5 a. m., to cover one of the longest laps of their trip, a 74-mile grind from here to Dallas.

Yesterday's task was a mere jaunt to the runners, the cavalcade covering but 33 miles. Tomorrow they will make another short hitch in their 3,400-mile hike.

Pete Gavuzzi, the Anglo-Italian from Southampton, England, ran his lead up to more than two hours yesterday when he finished twenty nine minutes ahead of Johnny Salo, Passaic, N. J. policeman.

The elapsed time of the first ten runners follows:

1—Pete Gavuzzi, England, 263:27:42

2—John Salo, Passaic, N. J., 265:49:42

3—Giusto Umek, Italy, 279:34:41

Her Entire System Strengthened by It

"Two years ago specialists in Louisiana advised me to come to San Antonio to recuperate from a bad spell of malaria, which had poisoned my system and left me in a run-down condition."

MRS. E. PRUDHOMME

tion. My complexion and eyes had turned an unhealthy yellow. Everything I ate gave me trouble, instead of strength. Constipation kept my system from throwing off poisons. I was almost hopeless.

"Sargon did more for me in less than a month than all the medicines I used in five years. My friends say they have never seen such a remarkable change in anyone in such a short time. Every trace of indigestion is gone. My food gives me the proper nourishment and I have gained five pounds. I feel good all the time."

"Sargon Soft Mass Pills overcome constipation in a natural way. They not only have rid me of constipation but have driven the malarial poisons out of my body."

"I take the greatest pleasure in telling all my friends about it."

The above statement was made recently by Mrs. E. Prudhomme, 616 West Woodlawn, San Antonio, Texas, who is highly regarded by her friends and neighbors.

Sargon may be obtained in Pampa from Fatherson Drug Co., and in McLean from Erwin Drug Co.—(adv.)

P. O. Pierce of the Reynolds-Stockstill ranch will leave Pampa hospital today, after recovering from injuries received several days ago.

Bus Terminal Will Be Built on Atcheson Ave.

Construction of a new bus terminal station will be started here today, according to Jess Fletcher, who will erect the building on his lot west of the Fletcher hotel on East Atcheson avenue. The building will be of brick construction, one story high, and will be 38 feet wide by 75 feet long.

The front end of the new structure will be for offices, waiting room and rest rooms. The rear will include a workshop and storage for buses, Mr. Fletcher says.

The Safety First Bus company, with headquarters at Amarillo, has taken a five-year lease on the building, according to Mr. Fletcher. He has already let the contract to the H. L. Case Construction company. The station will be completed and in operation within 30 days, the contractor says. It will be erected at a cost of approximately \$8,000.

Entrance to the ticket office and waiting room will be from Atcheson avenue. A 12-foot concrete runway will extend the length of the building and connect with the alley, which will probably be paved.

The Safety First bus line operating from Amarillo to Pampa was started two years ago. Since that time lines have been started to Oklahoma City and Enid, Okla., from Pampa.

The new bus terminal will not only be the headquarters for Safety First buses, but also will be the terminal for private lines operating between Pampa and Clarendon, Pampa and McLean, and Pampa and Childress. Buses will leave the local terminal for various destinations nearly every hour from 6:30 a. m. to 9 p. m.

W. E. Rowe of Amarillo is president of the Safety First Bus company, A. Hakick of Amarillo is traffic manager, and E. A. Connell of Amarillo is treasurer. The local manager of the company is Clay Blasingame. Roy Quinn is local agent.

Shell Team Is Easy Winner, 19-0

A barrage of hits and runs with Hunter's homer with the bases loaded featuring netted the Shell Petroleum company's baseball team 19 runs yesterday while the Magnolia boys were ringing up a goose egg. Dickey and Bullock allowed the rival oilmen only two hits while their teammates were gathering fourteen off Dillman.

To add to the barrage Clayton, Shell catcher, hit a homer with two on the patis. It was the most ragged game of the season. Magnolia plans to strengthen her roster and expects to give some of the leading clubs a hard battle before the season is over.

Batteries—Shell, Dickey, Bullock and Clayton, Munn, Magnolia, Dillman and Austin.

Evangelist Urges Faith in Building of Communities

An inspiring talk on optimism was given at the Lions club luncheon yesterday by the Rev. W. Y. Pond, evangelist, who is assisting in the revival at the Baptist church.

Rev. Pond spoke chiefly on city building, urging the Lions to cast aside conservative policies in community affairs and to be dominated by the spirit of faith. He said that Waco might have been one of Texas' chief cities had not the conservative element held the city back by failing to get railroads which wished to build through it.

He spoke sharply of the present legislature, asserting that the members had failed to catch the spirit of the people and that they were wasting time while doing little. He is a Waco man, affiliated with civic projects there.

Short talks were made by Rev. A. A. Hyde, Presbyterian minister, and Clayton Heare of Shamrock, who spoke on the "Advantages of Attending Lions International Conventions."

Rev. John Lee Harris, assistant pastor of the Baptist church, played a vio-

"The Alarm Clock" Will Be Presented by Brunk's Tonight

"The Alarm Clock," one of Avery Hopwood's comedy drama successes, will be presented by Brunk's Comedians tonight at 8:25 o'clock. The play had a successful run of two years in one of New York's large theatres and was classed by critics as one of the best comedy plays of recent years.

Tomorrow night the company will close a week's stay here by presenting a double attraction. At 8 o'clock "Why Bill Left Home" will be given. At 9 o'clock "Bought and Paid For" will be the attraction. Both are well known shows and have had long runs in the larger cities.

Last night a capacity house witnessed the presentation of that great mystery play, "The Cat and the Canary."

Fred Barnes and his orchestra have been making a hit with local audiences.

Top Late to Classify

Other visitors of the day included L. N. Fisher of Amarillo and W. M. Cra-ven.

Mr. and Mrs. Thomas Fannell, Mrs. Dorothy Ives, Mr. and Mrs. J. R. Teague, Miss Wilma Behrends, and Harry E. Hoare were among the Pampa people who attended the Francis McMillen concert in Amarillo last night.

WHEAT IN DECLINE
CHICAGO, May 10. (P)—Wheat prices turned downward afresh today after an irregular start. Something of an upward trend shown at the outset was ascribed largely to the fact the United States government crop report indicated less of a big yield than was generally expected, but the curtailment was asserted here to be due to a change in the official basis of computing, rather than to an altered crop outlook.
Opening 1-8c off to 1-1-8c up, wheat later declined all around. Corn, oats and provisions were easy, with corn starting unchanged to 7-8c higher, but subsequently showing setbacks.

CANTON REPULSES ATTACK
CANTON, China, May 10. (P)—Be-leaguered Canton today successfully suppressed the first fighting to grow out of the invasion of Kwangtung province by the Kwangsi military faction, silencing and forcing surrender of four gunboats in the harbor which rebelled.
A combined attack of a lone airplane and of the land batteries of Macao and Honan Islands caused the warships to flee to positions between American and British warships in the harbor. They were boarded and disarmed.

International Sunday School Lesson

BY DR. J. E. NUNN

General Topic: The Early Ministry of Jeremiah.

Scripture Lesson: Jer. 1:6-10; 26:8-15.

Jer. 1:6. Then said I, Ah, Lord Jehovah! behold, I know not how to speak; for I am a child.

7. But Jehovah said unto me, Say not, I am a child; for to whomsoever I shall send thee thou shalt go, and whatsoever I shall command thee thou shalt speak.

8. Be not afraid because of them; for I am with thee to deliver thee, saith Jehovah.

9. Then Jehovah put forth his hand and touched my mouth; and Jehovah said unto me, behold, I have put my words in thy mouth.

10. See, I have this day set thee over the nations and over kingdoms, to pluck up and to break down and to destroy and to overthrow, to build and to plant.

Jer. 26:3. And it came to pass, when Jeremiah had made an end of speaking all that Jehovah had commanded him to speak unto all the people, that the priests and the prophets and all the people laid hold on him, saying, Thou shalt surely die.

3. Why hast thou prophesied in the name of Jehovah, saying, This house shall be like Shiloh, and this city shall be desolate, without inhabitant? And all the people were gathered unto Jeremiah in the house of Jehovah.

10. And when the princes of Judah heard these things, they came up from the king's house unto the house of Jehovah; and they sat in the entry of the new gate of Jehovah's house.

11. Then spake the priests and the prophets unto the princes and to all the people saying, This man is worthy of death; for he hath prophesied against this city, as ye have heard with your ears.

12. Then spake Jeremiah unto all the princes and to all the people, saying, Jehovah sent me to prophesy against this house and against this city all the words that ye have heard.

13. Now therefore amend your way, and doings, and obey the voice of Jehovah your God; and Jehovah will repent Him of the evil that He hath pronounced against you.

14. But as for me, behold, I am in your hand; do with me as is good and right in your eyes.

15. Only know ye for certain that, if ye put me to death, ye will bring innocent blood upon yourselves, and upon this city, and upon the inhabitants thereof; for of a truth Jehovah hath set me unto you to speak all these words in your ears.

Time: Jeremiah born (Beecher) about B. C. 646. Begins prophesying, B. C. 626. Jehoiakim becomes King of Judah, B. C. 607.

Place: Jeremiah's call, at Anathoth of Jerusalem, Jeremiah's prophesying and trial, Jerusalem.

Golden Text: We must obey God rather than men.—Acts 5:29.

INTRODUCTION
If God speaks it must be through the yielded lips of man. God reaches out into the world today to lay His hand on men who will speak His message to

men. We are somewhat surprised when we look at the specimen whom God chose in that turbulent and sinful age to be His mouthpiece to wicked, scoffing men. He chose as a medium for His message a simple earthen vessel without any of the qualifications which we might deem necessary. He was not eloquent as Isaiah or seraphic as Ezekiel nor strong and brave as Elijah, but a timid, shrinking boy, conscious of his weakness and yearning for a sympathy and love which he could never know. He was chosen from a quiet, obscure home of a village priest. His very nature seemed to disqualify him utterly for any such calling, yet God came to him in the quiet hour and called him to be His messenger.

Jeremiah Makes Excuse

"Then said I, Ah, Lord Jehovah! Behold, I know not how to speak; for I am a child." Jeremiah was eighteen or twenty years old at the time, a very young man. He knew that if he should attempt to proclaim divine truth he would be brought into conflict with many worldly minded priests and prophets of the day. Jeremiah was certain to embroil himself in many perils if he could set himself in opposition to the current of the times. He was timid and shrinking. He was not practiced in public speaking. For him to be a prophet seemed an impossible task. He joined the long line of divinely appointed leaders—Moses, Joshua, Saul, Isaiah, Jonah, Paul, Mark, many more—who have "kicked against the pricks," have shrunk from taking up the heavy and dangerous work marked out for them. For all such, God has the same answer that He gave to Jeremiah.

"I Am With Thee"

"Be not afraid because of them; for I am with thee to deliver thee, saith Jehovah."

CHURCHES

FIRST CHRISTIAN CHURCH
 Evangelist A. G. Smith spoke last night in the revival at the Christian church on the subject "Ordinances, Their Place and Purpose," taking as a basis for his discourse a portion of the tenth chapter of Hebrews, also of the sixth chapter of Deuteronomy and the third chapter of Malachi.

The evangelist began by saying, "Dr. Henry van Dyke has called the age in which we live an age of doubt. Our young people today are questioning the things we held sacred in days gone by. Take it in business. There is a great change in the ways of doing business, in everything, and particularly in matters of religion; and that is all right. I am not opposed to that, but I am opposed to destructive criticism."

"In every dispensation, the Patriarchal, the Jewish, and the Christian we find a place for ordinances." Evangelist Smith discussed the historical background from the early beginning of the Biblical record, dwelling at length upon the tabernacle and temple of the Jewish nation with all of their services. He spoke of the love for cere-

mony in our hearts, calling attention to the dissemination of it in notification ceremonies for presidential nomination, lodges, weddings, funerals, and said, "I believe God put that down in man's heart."

"What is the purpose of these ordinances? One purpose of every ordinance that has ever been given is object teaching."

"The second purpose of the ordinance is that they are an outward expression of an inward faith or feeling." He then discussed the ideas of "a recognition of authority" and "implying obedience." "If you are going to see a reason for everything you will never get started in the Christian life. You must take God at His word."

Tonight is the last service of the week when Evangelist Smith will speak on "The Gospel Train," a chart sermon. There will be no service Saturday night. Sunday morning the subject will be "Building a Great Church" and Sunday night "The Undenominational Church." The meeting will continue until next Wednesday night.

Mrs. Louise Hinkle, formerly of Wichita, Kans., has accepted a position as operator with the Mitchell beauty parlor.
