OKLAHOMA CITY BANK MESSENGER IS ROBBED OF \$80,000

RAID STAGED IN BUSY PART OF THAT CITY

Five Bandits Seen in Vicinity During Hold-Up

BANK EMPLOYEE WOUNDED IN ARM

Citizens Held Back by Two Outpost Robbers

OKLAHOMA CITY, May 24.—(P)—Invading the most heavily guarded section of the city, five bandits made off today with a maul containing between \$80,000 and \$125,000 being transported to the American First National bank after shooting Charles M. Vowell, 31, a messenger, in the left arm.

The robbery occurred at the side of the postoffice and less than a block from Oklahoma City branch of the Federal Reserve bank.

Although it first was reported that only two men had participated in the robbery, accounts of witnesses assembled later indicated there were five in the party. Two accomplished the actual robbery, boarding the running board of the car Vowell was driving as he halted it at a stop line.

Left Toward Shawnee

The bandits were traced to the east highway leading toward Shawnee. Their car bore a license number issued to Ross Green of Shawnee, but as the license had been issued for an old car and the bandits car was apparently new, it was indicated the plates had been stolen and transferred.

Vowell and Crede Harper, negro chauffeur of the bank car, had just left the Federal Reserve bank, where they got the money, intended for Saturday payroll.

As they slowed down for the stop line, the bandits car approached and slowed down. Two men leaped out of the car and boarded the bank car on the running boards. Witnesses told of a brief struggle, followed by a shot.

The man on the curb side of the bank car grabbed the money satchel. It was as heavy as he staggered back to the bandit machine. His companion followed and the bandits drove north into Robinson avenue.

As the retreating car reached the northeast corner, it was boarded by a man who had been standing on that corner, holding passably at bay with a shot gun. Witnesses were vague as to what became of the fifth man, who had stood at the southeast corner of the intersection, flourishing two automatic pistols.

County and city officials immediately took up the trail.

Vowell, who was reluctant to discuss the robbery without authority from bank officials, said he had seen only one robber. He was shot in the left arm, which he moved in reaching for his gun, after one bandit had leveled a pistol at Vowell's abdomen.

FARM LOAN MEN WILL CONVENE IN PAMPA

More than 100 secretaries from this district and several officials from the Federal Land bank at Houston are expected.

The business session will get under way at the high school auditorium tomorrow morning at 10 o'clock. A luncheon will be served at the Schneider hotel at noon, and will be followed by another business session in the auditorium.

If there is enough time after the afternoon session, a drive through the outfields will be made. The Board of City Development will sponsor the drive.

I. B. Hukhey is local secretary of the association. Mr. Hukhey is seriously ill at his home and will be unable to attend the sessions.

Bonnie Lee Rose Entertains Lions

Little Miss Bonnie Lee Rose, daughter of Mr. and Mrs. B. W. Rose, entertained the Lions club Thursday with a number of clever readings.

The little girl gave them in good fashion, and her manner was especially pleasing.

Other features on the entertainment program were speeches concerning candidates for office in the Lions club election to be made next week. The reputations of several were attacked in a humorous manner, and impeachment proceedings were forecast.

Walter Rogers was introduced as a new member.

Visitors included H. J. Edington of Clarendon, Dick Hughes, District Attorney Clifford Braly, Mrs. B. W. Rose and Bonnie Lee Rose, and Carl Holt.

Bullet That Killed Dallas Boy Studied

DALLAS, May 24.—(P)—Aided by the bullet which pierced the heart of William B. McLean, 20, Tuesday, the grand jury and officers of the district attorney's office here today redoubled their efforts to solve the problem of his death. The coroner's verdict of suicide was questioned in the investigation.

With the additional information, the grand jurors recalled Willis L. Holder, McLean's room mate, who had told them that McLean had planned a "perfect suicide" that would appear not to be suicide. McLean's 25 calibre pistol was found near him, and a theory of some investigation that it might not have been the gun that killed him led to the second inquest and the removal of the bullet from the body.

YOUNG WIDOW EMBRACES HIM THIS MORNING

Habeas Corpus Move Is Under Way This Afternoon

AMARILLO, May 24.—(P)—R. H. Hamilton's life was threatened on several occasions before he shot his son-in-law, Tom Walton, Jr., 21, to death here May 4. Hamilton's law partner testified here today in a habeas corpus hearing through which Hamilton is seeking his release on bond.

H. G. Hendricks, Hamilton's partner, swore that Hamilton had told him on more than one occasion that young Walton had threatened his life. One of the threats was in a letter Walton had written to his bride, Theresa, and another was communicated to Hamilton by a friend, Hendricks declared.

Hendricks testified that he sold a gun to the accused man about three weeks before Walton was killed in Hamilton's office. He said that Hamilton read to him a paragraph of a letter which he said Walton had written to Theresa saying, in effect: "If I can't have you, and if I go, he'll go before I do."

Hendricks daughter, Florene, had testified that she witnessed the shooting and that no words were spoken either by Walton or Hamilton.

AMARILLO, May 24.—(P)—Theresa Hamilton Walton, 19, appeared in district court here today to testify at a hearing for her father, R. H. Hamilton, seeking release under bond. Hamilton is under indictment for murder in the slaying of his son-in-law, Thomas Walton, Jr., 21, Theresa's husband, here May 4.

The young widow, whose whereabouts had been kept secret for two weeks, appeared in court just after District Attorney E. W. Thompson told the judge his office had been unable to locate her. Defense Attorney C. B. Reeder said: "The girl is here in Amarillo and she will be in the courtroom in 6 minutes." At the expiration of that time, the girl walked into the courtroom with her mother and brother.

Hamilton arose and embraced his daughter. She kissed him. Hamilton's attorneys asked that Mrs. Walton be excused from the courtroom until she was needed to testify. The request was granted, and the young widow left with her mother.

Legal points on the motion for bond asked under a habeas corpus writ, were being argued, and it was expected the girl would be called this afternoon.

Walton was shot in Hamilton's office when he went there to tell of his marriage to Hamilton's daughter.

Jury Discharged With Member Ill

The jury in the case of E. H. Brady, charged with possession of intoxicating liquor for the purpose of sale, was dismissed by Judge W. R. Ewing late last night after Juror A. L. Hill of Almarred became seriously ill and rushed to the hospital. The body had been deliberating five hours and stood seven for conviction and five for dismissal, Jurors said.

Mr. Hill was resting well at the hospital this morning.

Non-jury cases are being heard by Judge W. R. Ewing today.

Injunction Is Asked to Evade Labor Agent Tax

DALLAS, May 24.—(P)—Petition for an injunction restraining Governor Dan Moody and others from enforcing the recently enacted law taxing labor agents was filed here today by attorneys for the Michigan Sugar company. Arguments are to be heard tomorrow.

The petition was filed in an effort to prevent enforcement of the law and would cause the plaintiffs a loss of not less than \$10,000.

AUSTIN, May 24.—(P)—Deportation of Mexican laborers who have violated special contract permits allowing them to remain in Texas six months will not create a shortage of farm workers, state commissioner of labor Charles McKemp said today.

Home Economics Department Head Chosen by Board

Miss Lucile Hill, teacher of domestic science in Floydada high school, yesterday was elected to head a similar department in Central high school next term. She is a graduate of the College of Industrial Arts and has had three successful years of experience.

Miss Hill takes an active part in school affairs, and at Floydada was sponsor for the girls' pep squad. Her home economics classes served a number of banquets during the last school year.

The school board elected Miss Vinson as Willow, Okla., to which in the grades. She taught last term at Okmoo.

Miss Orena Huggins of Clarendon was approved as an instructor in piano, and she will have private classes. Miss Huggins has had special public school music.

An equalization board for the independent district was appointed. Its members are M. K. Brown, Siler Paulkner, and J. E. Williams.

One of the cottages will be moved to Kingsmill and converted into quarters for the teachers there.

Indications of a large increase in enrollment next term caused postponement of action on several proposed projects. A large increase in number of pupils will necessitate more space and more teachers. The system has already grown to require more than 80 teachers, and the full revenue from the tax levy is necessary to carry on the work.

Second Death From Scarlet Fever Here

Daniel Covington, 8-year-old son of Mrs. Esther Covington, died in a local hospital at 7 o'clock this morning. Death was from scarlet fever. It is the second death this week from scarlet fever.

The lad is survived by his mother and one brother, Weldon. They have lived here for more than four years.

Funeral services will be held at the grave tomorrow afternoon at 3 o'clock by the Rev. Tom W. Brabham, pastor of the Methodist church. Interment will be at Fairview cemetery.

MOTHER BELIEVED TO HAVE SLAIN THREE CHILDREN AND THEN ATTEMPTED TO KILL SELF

LEBANON, Ky., May 24.—(P)—Three children were found dead near Ryder cemetery today. Their mother, Mrs. Mamie Shey Shoaf, nearby with her throat slashed. Coroner Marion Russell said he believed the woman killed her children and tried to commit suicide.

The throats of the children had been cut, apparently they had been dead several hours when they were found. Two negro boys discovered the mother about 8 a.m. She wrapped herself in a tarpaulin that had been used to cover a monument.

The two negro boys pointed vaguely towards a field near the cemetery, and searchers who followed the direction given came upon the children. They were Tom Porter Shoaf, aged 2; Ina Louise, 7, and Catherine, 11.

Mrs. Shoaf is the wife of Carey Shoaf, employe of a lumber company here, and they have four other children ranging in age from 12 to 17. Members of her family said that while worrying over financial troubles yesterday she had said that she would not "go thru another day like this."

Mother of Flier Prays For Success of Endurance Try

FORT WORTH, May 24.—(P)—The endurance monoplane Fort Worth had been aloft 116 hours at 7:33 a. m., this morning.

FORT WORTH, May 24.—(P)—Mrs. O. W. Robbins, Everman, mother of Reg Robbins, endurance flier, is planning to greet her son from the air at the first possible moment. Both she and her husband have been to the municipal airport several times, but a plane was said not to have been available for the mother to take the flier.

Miss Elmo Reeves, Handley, sister of Robbins, said their mother would probably go to the airport this afternoon.

"Both mother and father are praying constantly for the success of Reg," Mrs. Reeves said today. Robbins flies over his parents' home at Everman several times each day and night, and drops them notes. His grandfather, E. J. Robbins, also lives at Everman.

Texas Company's Gusher Forges to Production Lead

The Texas company's No. 2 Cook-Faulkner in section 29, block B-2, forged ahead of the Magnolia Petroleum company's new gusher, in the Bowers-McGee pool, during the last 24 hours. The Texas company's test made 7,251 barrels the last 24 hours. Magnolia's gusher flowed 5,640 barrels during the same period.

Both producers hit the pay Wednesday morning, the Magnolia well making 880 barrels, and the Texas well 400 barrels.

In the LeFors area the McMann Oil company's No. 1 Saunders in the J. G. Rustice survey came in Wednesday morning for 1,200 barrels. The last 24 hours the new well produced 1,000 barrels.

Of from all three wells tested at gravity corrected.

Merchants Asked to Be Ready With Information

The formal application of the Fort Worth and Denver Northern railroad, newly chartered Texas corporation, for a certificate of public convenience and necessity to permit construction of a line from Childress to Pampa, was forwarded yesterday to the Interstate Commerce Commission, it was learned here last night.

Officials of the Burlington system, of which the proposed road will be a part, will be here soon in connection with the project.

A brief containing proof of the advantages of the proposed line to Pampa, Childress, and intermediate towns, including Shamrock and Wellington, is being prepared from a local angle by the Board of City Development. Included in this information will be facts on incoming and outgoing tonnage of all kinds, crop valuations over a number of years, land valuations in the city and county, land under cultivation and that which is tillable, oil production and territory, production of gasoline and carbon black, and other data.

Special emphasis will be placed on saving of freight and passenger mileage and saving of time in getting shipments of merchandise and consignments of mail. Many hours will be cut off of the present schedules toward the south.

Manager George Briggs is urging local merchants to co-operate with the B. C. D. in supplying needed information.

Dallas County Clerk Gets Strange Letter

DALLAS, May 24.—(P)—A letter threatening death if he helped a woman he did not know was contemplated today by D. C. Whiteley, county clerk. He did not know whether it was a hoax, or if it indicated a kidnaping.

From Morris Heights Station, New York, and unsigned by any name save that of "Money man," the letter warned Whiteley not to give any aid to Mrs. Robert L. Jennings, who on July 10, last year, obtained a marriage license to wed. Whiteley said he did not know Jennings and had not heard of a Mrs. Jennings.

Col. Green Praised by Breckenridge Man

The Rev. A. A. Hyde, minister of the Presbyterian church, has received a copy of a letter regarding Col. Guy W. Green, who will come to the local church for an enlistment campaign, May 29-June 9.

The letter is addressed to Dr. H. C. Rogers of Kansas City, the man who first advised him to enter the work.

The letter is as follows: "We have just closed the most successful meeting in the history of the Breckenridge church under the leadership of Guy Green. He is so different that it is refreshing. The results of the meeting with me have been wholesome and lasting. You never did a bigger or finer piece of work than getting Mr. Green into his present work."

"This is the second time that I have been privileged to have Mr. Green in a meeting." Signed: FRANK B. McDOWELL, pastor, Breckenridge, Texas. Col Green will come to Pampa from San Angelo and will open the campaign here next Wednesday evening.

HOLY SOULS CHURCH

Sunday morning the feast of the Holy
Trinity and the end of the Easter ses-
sion will be celebrated at Holy Souls
church with the reception of first holy
communion by a number of children.
The services will start at 8 o'clock,
preceded by a procession of the children
from the sacristy around to the front
of the church and down the center aisle
to the pews reserved for them.

The girls will be dressed in white,
wearing veils and wreaths. The boys
will have no distinctive suits, but all
will carry decorated candles. Those
comprising the class are as follows:
John Sullins, Harry Jennings, John
Howard, Edward Cummings, Earl Phil-
lips, Hubert Phillips, Mary Ann Tyler,
Betty Beaudoin, Margaret Dee, Eva
Marie Howard, Joan Allaire, Myrtle
Allaire, Martha Ann Martin, Ruth Sul-
lins and Catherine Sullins.

A cordial invitation is extended to
the friends of these children and to
the public at large to join them in the
celebration of the solemn ceremony.
Rev. Joseph Wampler, pastor.

THE WORLD AND THE CHURCH

"The World and the Church" will be
the subject for discussion tonight at
Church of Christ revival by Evangelist
John Rice.
The Church of Jesus Christ was es-
tablished by divine authority, and is
the spiritual government of the Lord
in the world. All aliens are invited
unto Jesus Christ the great King to
become citizens of the church or King-
dom, hence to leave the world.
The church was built upon the
eternal rock of ages, and all who are

on the sand, or out of the church are
invited into the church or upon the
rock by Jesus (Matt. 11:29-30; Matt.
7:24-25). Mr. Rice will show that all
babies who die in infancy are safe, and
that all responsible persons (those
who can believe) must become obedient
in order to be saved. Jesus Christ came
to save the world (John 3:17) all the
world lieth in the evil one (John 5:19).
Therefore church members should
keep themselves unspotted from the
world. (Rom. 12:12; Jas. 1:27.)

Last night's attendance was the larg-
est since the beginning of the re-
vival. One baptism, preparations are
being made to increase our seating
capacity.

Cabot Nine Will Battle Texans

Cabot's fast baseball team under
Manager Whitehead will be in Amarillo
Sunday afternoon to do battle with
the Tackless Texans. Manager White-
side says the Texans may be Tackless
now but that when his boys get through
with them they will also be run shoe-
less and sockless.

Last Sunday the Texans, wearing the
name of Erasmus, the Great in front,
won a 6 to 2 game from the Shell boys.
The Amarillo team is under the man-
agement of that veteran of veterans,
Sled Allen. Old as the hills and base-
ball wise, the veteran Allen gives the
best teams in the country trouble.
Manager Whitehead has not an-
nounced his batteries for the big game,
but says he will have a surprise for the
Texans.

She Preaches to Friends the Good Sargon Has Done

"Since taking Sargon I have felt in better health than in the last five years. My stomach was in such an upset condition that most everything I ate soured instead of digesting properly. I would have such bloating pains after each meal that I hated to eat. About twelve years ago I had a fall, injuring my hip and knee, and I have been troubled with rheumatism in my joints ever since.

MRS. LULA E. PETERSON
"An inactive liver caused me to be constipated and I was continually taking laxatives. I had many a restless night from all this suffering and would be as tired in the mornings as though I had never gone to bed. Nothing I took helped me. Sargon made me feel like a different woman. My appetite has come

back and I enjoy my meals. My stomach is soothed and my digestion improved so I don't suffer bad effects after eating. The rheumatism disappeared and I rest much better at night. I got up in the morning feeling refreshed and full of life and energy.

"Sargon Soft Mass Pills toned up my liver and rid me of constipation in a natural manner. My whole system is reconditioned and filled with new health.

"Sargon has helped so remarkably that I am preaching to all my friends about its benefits and will continue to praise this wonderful medicine every chance I get."

The above statement was made recently by Mrs. Lula E. Peterson, highly respected resident of 7814 Sherman St., Houston, Mrs. Peterson is a member of the Royal Neighbors society, and also belongs to the Baptist church.

Sargon may be obtained in Pampa from Fatheree Drug Co., and in McLean from Erwin Drug Co., ADV.

CHAPTER XL
"IT'S a common trick," Freen explained. "The owner allows his car to be stolen; then it's abandoned and he gets it back with no responsibility for anything that happens after he reports that it's out of his possession. But of course he delays making the report until the car has served its purpose."
"Then the police have to look for it and if I see," Oerndorf remarked, "I'll have the owner brought in."
Freen said and turned to Stephen. "Better come along to headquarters and have a talk," he added.
Stephen shook his head. "Not until I've seen Mr. Judson," he replied.
"Right, buddy, but you know this stolen car business means there's an organization after you."
Stephen showed a quickened interest. "If the owner of that taxi really is in on this thing then hold him," he exclaimed earnestly.
"Wait for it," Freen asked. "I'll tell you after I've seen Mr. Judson," Stephen promised.
"Wait for it," Freen returned. "Don't be a fool, young man. Somebody's out to get you."
Stephen's lips set in a stubborn line. "They'll have to take time to cook up something new," he said, convinced that he was safe for the time being. "You get that taxi owner and maybe you'll have someone who can tell you where Huck Connor is."

International Sunday School Lesson

BY DR. J. E. NUNN

General topic: God's Law in the Heart.

Scripture Lesson: Jer. 31:29-34; John 1:17.

Jer. 31:29. In those days they shall say no more, The fathers have eaten sour grapes, and the children's teeth are set on edge.

30. But every one shall die for his own iniquity: every man that eateth the sour grapes, his teeth shall be set on edge.

31. Behold, the days come, saith Jehovah, that I will make a new covenant with the house of Israel, and with the house of Judah:

32. Not according to the covenant that I made with their fathers in the day that I took them by the hand to bring them out of the land of Egypt, which My covenant they brake, although I was husband unto them, saith Jehovah.

33. But this is the covenant that I will make with the house of Israel after those days, saith Jehovah: I will put My law in their inward parts, and in their heart will I write it; and I will be their God, and they shall be My people.

34. And they shall teach no more every man his neighbor, and every man his brother, saying, Know Jehovah: for they shall all know Me, from the least of them unto the greatest, as I have said, saith Jehovah: for I will forgive their iniquity, and their sin will I remember no more.

John 1:17. For the law was given

through Moses; grace and truth came through Jesus Christ.

Time: Shortly before the final siege of Jerusalem in the tenth year of Zedekiah, B. C. 588.

Place: Jerusalem.

Golden Text: Thy word have I laid up in my heart, that I might not sin against thee.—Ps. 119:11.

"The New Covenant"

"The Book of Christianity is the New Testament, but its real name—so given the Revised Version—is "The New Covenant", for that is what "New Testament" means. The Old Testament is the story of the people of the Old Covenant, God's people with whom, beginning with Abraham, He made a solemn covenant that if they would obey Him he would protect them, if they would worship Him He would bless them, if they would be His people He would be their God. The New Testament is the story of a new and better covenant, impossible under the old conditions. This New Covenant was revealed gradually to the prophets of the Old Covenant days, as their minds were illuminated by the Holy Spirit. Isaiah saw its splendor and disclosed it in glorious words. Jeremiah ventured to name it, presenting the revolutionary idea that it would be substituted for the Old Covenant. This chapter we are to study is therefore one of the greatest, most momentous and significant passages in all the Bible.

"From Gloom to Cheer"

The four chapters, Jer. 30:33, constitute a remarkable section of the Book, characterized by a sudden and brilliant change from gloom to cheer, from the darkness of despair to the sunshine of hope. This is especially surprising in view of the fact that chapters 32 and 33, at any rate, and probably the closely related chapters 30 and 31, were written in the tenth year of Zedekiah, the last king of Judah, and were composed during the siege that was to end with the capture and destruction of Jerusalem. "The prophet was in prison famine and pestilence held possession of the city, and the prospects of the nation were such as to create despair in every mind. It was at such a time as this, when humanly speaking the people most needed the comfort of hope, and yet the prophet, had he been speaking his own words, was least likely to be able or willing to afford it them, that it was announced through Jeremiah that the people of God should not perish, that through them the Gentile nations should be led to a knowledge of the truth, and that the righteous BRANCH should yet arise from the house of David and Zion's name be THE LORD OUR RIGHTEOUSNESS."—Rev. A. W. Streaume.

Rachel is Comforted
Jeremiah hears bitter lamentation from the grave of Rachel in Ramah. She is weeping for her children, lost, exiled, in sore distress. But Jehovah bids her dry her tears. "Thy children shall come again to their own border," the Lord promises. The passage is full of tender comfort: "Their soul shall be satisfied with My goodness." "Every sorrowful soul have I replenished." "Like as I have watched over them to pluck up and to break down and to overthrow and to destroy and to af-

(Continued from Page 5)

first, so will I watch over them to build and to plant, saith Jehovah."

Jeremiah Warns People

But with all this comfort and hope Jeremiah interweaves strong words of warning and exhortation. The people have something to do to bring about their restoration and safety. God's favor and help are conditioned on their repentance and amendment.

Sins of the Fathers

The fathers have eaten sour grapes, and the children's teeth are set on edge. This was a popular proverb expressing a fact of common observation. It is certainly history, and true in the life of individuals, that, as is said in the Second Commandment (Ex. 20:5), God visits a man's iniquity upon the third and fourth generation of his children.

Personal Responsibility

But every one shall die for his own iniquity; every man that eateth the sour grapes, his teeth shall be set on edge. This passage attacks a doctrine which based as it was on the primitive idea of the solidarity of the tribe or nation, was widely prevalent. If any member of the body corporate sinned, his relatives were involved in his guilt.

But this does not diminish the responsibility of the individual. Each one of us can rise above his inherited evil tendencies and the baneful circumstances that surround him, and live a righteous life.

Why? Not because our fathers were poor and illiterate, and gave us small advantages of education and a home without books or literary culture. Many a man has overcome all these difficulties and far more serious ones; and has made for himself a good and honored name. Why, then, have not we? Because we have neglected to make use of the opportunities we have, our life is the comparative failure that it is.

Grace and Truth

For the law was given through Moses, grace and truth came through Jesus Christ. "Grace is the kindness and love of God our Savior toward man, not by work of righteousness which we have done, under law God demanded righteousness; under grace He gives righteousness to us. Law was given; grace came. Law has to do with works; grace has to do with faith. Law blesses the good; grace saves the bad. Under law we can earn blessings; under grace blessings are a free gift."

There is a double contrast here: between the law and grace together with truth; between Moses and Christ. It is contrast, but not contradiction. Grace and truth do not destroy the law they give it life. Christ did not deny Moses; He was that prophet, like unto Moses, yet the Son of God. We are not so much concerned to know how the law came to know that grace and truth came through Jesus Christ."

Old Covenant Vanishing

But that which is becoming old and waxeth aged is high unto vanishing away. The writer of the Epistle to the Hebrews is unknown. The ancients suggested Paul or Barnabas; in modern times Appollon has been added to the list of suggested authors, together with Luke, Mark, Priscilla and Aquila. The Epistle was written to stir its readers to greater zeal for Christianity by setting forth the supreme claims of Christ to the honor, reverence, and service of all men. The author of the Epistle has been arguing that the old religion of Judaism was deficient, and needed in all important points to be filled out, completed, in and through Christ. Among these points that needed revision

was the covenant. "If that first covenant had been faultless, then would no place have been sought for a second." The Epistle Jeremiah's verses are quoted (Jer. 31:31-32), being the longest quotation from the Old Testament in all the New Testament. The writer concludes by saying, "In that He saith, a new covenant, He hath made the first old. But that which is becoming old and waxeth aged is high unto vanishing away."

God's Care For Us

That God himself should be taking care of your mind and heart and mine; that He, and not some mortal, should be teaching us what we are and what we have to do; that He should be curbing us when we struggle to run wild; that He should be urging us on when we wish to stand still—is not that wonderful? For rich and poor to be alike in such a covenant as this; for each one to be able to say, "Yes, He was giving me my lesson then and there; I did not forget it; I needed the rod to make me heed it. And that stroke of the rod came I felt. It was His way of putting His law in my mind, of writing it in my heart!" Yet this is even so. We are all to say that and to think that. A sharp twinge of pain is not merely a twinge of pain. It is the message from the Father—I would put this law in thy mind, which thou hast

broken. I would write this law in thy heart which thou hast forgotten, for I have said that I would be your God and that you should be My people. I do not forget any of My people, and I would not have any of them forget Me. This seems to me very wonderful." —F. D. Maurice.

It's Like This— ENGLAND, TOO, is troubled with high rents, and the people are trying to do something about it.

A conference of the National Labor Housing association was held recently to call attention to what was described as "the growing scandal of trafficking in rents."

It is being proposed to declare rental property on a public utility basis, and to have rental courts at which complaints can be heard and adjustments made arbitrarily.

Such drastic steps are not

apt to be taken in this county soon, but there is a choice between the towns and cities which have high rents and those who do not.

OUTDOOR BILL BOARD SIGNS are admittedly detrimental. It is being proposed by the Outdoor Advertising association to meet widespread objections to their use by certain restrictions.

"Our plan calls for the selection of specific sections, roads or sections of roads of recognized beauty," said a representative of the association in speaking of plans to take away signs altogether where necessary.

upon the private property owners in these scenic beauty spots to discourage all offensive commercialization of their property.

Selections of spots to be abandoned by the advertisers will be selected by Chamber of Commerce, county commissioners, civic organizations, or other agencies.

Some such arrangement is certainly needed. Just where the best view is likely to be taken, there will be the huge signs.

By the way, Notary Publics are limited to 143 in Paris, the right being sold or bequeathed. And over here the only thing on that basis is lineage from the Mayflower.

"Strong Man" Wins Wrestling Bout With Local Blacksmith—Dotson Is Knocked Out in Freak Third Period

Arthur Saxon, Belgian strong man, won a fast and furious wrestling match from Oscar Dotson, local blacksmith, last night at the Fla-Mor auditorium. Although there were only two falls, each winning one, Saxon was given the match.

The man from across the waters showed a brand of sportmanship that is seldom seen in the wrestling game where practically everything "goes." In an effort to pull Saxon off the ropes and throw him for the third fall, Dotson missed his footing and both men landed across the ring, Dotson landing on his neck and Saxon on his head.

Both wrestlers were knocked out but Saxon "came back" first and could have continued the match. The time was 6 minutes.

The two big fellows started slowly, each feeling the other out. They never left their feet the first three minutes. Finally Saxon got a headlock but couldn't throw the heavy blacksmith. It was a draw for the first 20 minutes with neither gaining any advantage. Finally the strong man got a reverse headlock which Dotson couldn't break and Saxon was patted on the back after 25 minutes.

The Pampa man came back strong and had Saxon at his mercy from the ring. At the end of 9 minutes Dotson got a Joe hold and the Belgian patted the canvas.

Full number three failed to materialize. Both fighters were knocked out after 6 minutes of furious wrestling but Saxon came back, while Dotson had to be carried to the dressing room. The end came after Dotson had Saxon in difficulty from a headlock. The Belgian strong man grabbed the ropes and Dotson, in an effort to pull him loose, gave a mighty tug and both wrestlers left the ropes and went across the ring. Saxon landed on his head and lay still. Dotson landed on the back of his neck and writhed in pain but couldn't move.

After a half minute, Saxon came

back and was ready to proceed but Dotson was still out. Referee Cal Farley motioned Saxon to end the match, but showing good sportmanship, the Belgian remained in his corner to give the blacksmith a chance to regain his feet.

Swede Sandson had no difficulty throwing Strangler Stringer, in the semi-final of the evening's card. The local boy patted the mat after five minutes of rough stuff. The Swede got a body scissor on Stringer, who was not in condition. The invader is fast and knows the game. Stringer asked for a return match after he gets in condition.

An added attraction between Miss Teddy Myers and Miss Billie Jackson lasted only five minutes. Miss Myers used her weight to advantage and threw the lighter girl with a body slam.

Young Wade and Kid Stewart put on a good, mixed bout which went to a draw.

An effort is being made to match Cal Farley of Amarillo for the next card.

Dwight Morrow on Way to Wedding

LAREDO, May 24—(P)—Dwight W. Morrow, United States ambassador to Mexico, was on the way to his home in Englewood, N. J., today to attend the wedding of his daughter Anne to Col. Charles A. Lindbergh. Mr. Morrow refused to announce the date of the wedding but said, "It will take place while I am on this trip north." He plans to return to Mexico City in July.

The ambassador arrived here late yesterday from the Mexican capital escorted by 200 Mexican soldiers. Before his departure from Mexico City last Wednesday, newspapermen were pledged to secrecy so he would not be exposed to danger by announcement of his itinerary.

Gulf Gunners Fail to Take Field

When the Gulf Gunners failed to field a team last night, Shell was awarded their scheduled game. To entertain the large crowd Shell played a picked-up team and lost a thrilling 6 to 5 battle. The two nines battled five innings to a 5 to 5 tie and went an extra inning with Gulf putting over the winning run.

Gulf has a good team, but through a misunderstanding of dates several players failed to show up in uniform.

FRIEDRICHSHAFEN, Germany, May 24—(P)—The Graf Zeppelin returned at dawn today to Friedrichshafen from Cures, France, where it made an emergency landing a week ago after turning back from an attempt to cross the Atlantic.

The flight from Cures, some 600 miles, occupied eight hours and 41 minutes. A large French land crew assisted the ship from the hangar.

EL PASO, May 24—(P)—General Marcelo Caraveo, former governor of Chihuahua and the outstanding rebel general of the Mexican revolution with General Jose Gonzalo Escobar, had revealed his presence at his home in El Paso. He said he had crossed the border five miles west of here late Tuesday and had been resting in seclusion.

Caraveo promised a detailed statement would be prepared today and released tonight. For the present, he said he would remain with his wife and children in their El Paso home, which they have owned for several years.
