BORGER CRIME RING DESCRIBED

GUSHING OF DEEPENED MORSE WELL WEEK'S SURPRISE FIFTEEN PERSONS HURT IN DALLAS AS ELEVATOR FALLS

NEGRO LOSES CONTROL NEAR SECOND FLOOR

Car Crashes Into Basement, Then It Crushes

STREET FILLED BY AMBULANCES

Traffic Is Halted for Hour as Injured Are Moved

DALLAS, Sept. 21. (P)—Fifteen persons were injured, some seriously, when an elevator in the W. A. Gree department store fell three floors here late today.

The car, in charge of John Worthington, a negro who was unhurt, stopped at the second floor and was starting down when it got out of control, racing past the main floor landing and crashed into the basement. A flash of flame sprang up the elevator shaft as the cage dropped.

The injured:
 Mrs. M. N. Nail, injuries to left side and probable knee fracture.
 Mrs. C. H. Harben, both ankles sprained.

Mrs. Sudie Holmes, Vickery, Dallas county, bruised.
 Mrs. H. M. Flanary, slight hurts.
 Esther Jackson, store employe, leg fracture.

Miss Elsie Galloway, fractured ankle.
 Mrs. C. E. Galloway, mother of Miss Galloway, injuries to feet.
 Mrs. I. L. Holmes, Vickery, ankles hurt and back injuries.

Mrs. H. B. Harris, wife of the store's first floor manager, bruises and abrasions.
 Mrs. L. L. Kelsay, store employe, injuries to foot and both knees.

Mrs. Lawrence E. Ladd, bruises and abrasions.
 Mrs. W. G. Spanton of Vickery, head injury and shock.

Mrs. B. F. Hatch, store employe, slight concussion.
 Mrs. R. A. Winston, slight concussion.
 Mrs. Mary A. Reilly, 50, leg injury.
 Miss Mildred Sterry, fainted but was unhurt.

The car's roof collapsed when it plunged into the basement. The injured were removed through the store and through a street opening from the basement onto the sidewalk. Traffic on the street was tied up for an hour, police making lines for the ambulances.

Man Found Dead

O. Charles Kemp, better known as the "Baltimore Kid," was found dead in his bed Friday morning. He had been ill for some time. The body is being held by the Malone Funeral home till relatives can be located. Thus far no relatives of the man have been located. Malone's have requested information concerning the man's relatives if anyone knows them.

THE WEATHER VANE

OKLAHOMA: Partly cloudy, warmer in east and south portions. Sunday, Monday, increasing cloudiness becoming unsettled.

WEST TEXAS: Partly cloudy Sunday and Monday, becoming unsettled in north portion.

BUILDING PERMITS INCREASING IN PAMPA

Total for Year Is Boosted in Week to \$1,105,295

Total building permits for the week amounted to \$14,400, a gain of \$5,600 over last week. Permits for six new residences were issued by the city building inspector. The year's total now amounts to \$1,105,295.

A \$2,000 residence is being built by A. Groening in the Wynneles addition. M. S. Jackson is building a new home, also in Wynneles' addition, costing \$5,500. A. W. Pollard is building a \$1,700 house; Bert Howell is constructing a residence to cost \$2,000; and E. E. Plank is building in the North addition a new \$3,000 home.

When the cold wave struck building in Pampa declined. The last 10 days have seen a steady increase, however, in building here.

Ten-Week Term of District Court to Open Monday

With Judge W. R. Ewing presiding and Clifford Braly in his usual place as district attorney, the 31st district court will open here tomorrow for a 10-week term.

The first will be a non-jury week, with non-jury civil cases, particularly divorce petitions, due to come before the judge. Tomorrow Judge Ewing is expected to charge the grand jury, and on Tuesday he likely will set many of the cases.

The criminal and civil dockets are as full as they have ever been, and important cases and trials if heard will consume so much time that scores of petitions may never be heard this term. One hundred or more divorce suits have carried the figure on broken homes far beyond any previous record.

District Attorney Braly has completed his work in connection with the Holmes slaying at Borger, and is giving his time to preparation of evidence to be presented here.

Men on the grand jury panel are: James B. Noel, W. R. Campbell, F. W. Presang, W. T. Wilson, W. T. Wilks, J. M. Saunders, P. B. Carlson, Guy Saunders, J. L. Stroope, E. R. Sherrod, H. T. Wilkins, Siler Faulkner, C. W. Bowers, Roger McConnell, J. M. Carpenter and B. E. Finley.

Local Men Visit Borger Pythians

C. J. Thompson, Ernest Gee, R. R. Hingate, T. G. Green, and Walter D. Hardin visited Borger's Knights of Pythians lodge Friday evening.

Upon request several members from Pampa assisted in the degree team work in the rank of Esquire. Six members were initiated and all expressed themselves as being well satisfied with the work.

Mr. Heaton from the Amarillo lodge also was a visitor and assisted in the rank work. The Borger lodge was invited to attend the first anniversary celebration of the Pampa lodge Wednesday evening, Sept. 25.

HEAVY FLOW IS UNUSUAL IN AREA OF WELL

Curtailed Drilling Is Cutting County Oil Total

PANHANDLE OFF 5,374 BARRELS

Several Completions in Territory Made Recently

In a week featured by the sensational performance of Scott, Smith & Ochiltree's No. 1 J. S. Morse, section 69, block 25, H&GN survey, Gray county fell under the effects of curtailed drilling and lack of initial production, losing 6,952 barrels daily as compared to the previous week.

The Morse well when deepened a few feet flowed 85 barrels initially and held up to 1,000 barrels or more. It is in what was considered uncertain small production territory, and its unexpected gusher proportions is going to mean considerable offsetting and wildcatting on the theory that most any well in that vicinity is uncertain enough to be called a "wildcat."

Wells and production by counties:
 Carson—188 wells producing 10,277 barrels, a gain of 907 barrels.
 Gray—450 wells producing 85,461 barrels, a loss of 6,952 barrels.

Hutchinson—985 wells producing 25,283 barrels, a gain of 689 barrels.
 Moore—18 wells producing 815 barrels, a loss of 18 barrels.

Wheeler—31 wells producing 853 barrels, a gain of 183 barrels.
 Total—1,679 wells producing 122,689 barrels, a loss of 5,374 barrels daily compared with the previous week.

Flows at Top of Pay

When the Wilcox Oil and Gas company's No. 9 Coob and Worley barely scratched the pay at 2,956 feet the well made 200 barrels daily. Pay was struck in red granite wash. The well will be deepened. It is located in section 35, block 3, H&GN survey. The Wilcox No. 32 test is running casing on top of the oil sand. The test is down 2,972 feet, and drilling will be resumed Sunday.

Phillips company's No. 7 Palmer, section 31, block B-2, H&GN survey is down 2,917 feet in a red granite formation. The well is swabbing 285 barrels daily. The Phillips No. 6 Palmer is shut down at 2,740 feet in accordance with agreements made among the operators to curtail production. The test is located in section 31, block B-2, H&GN survey. Their No. 6 Jackson is down 2,485 feet in lime formation, with pay expected at 2,900 feet. This test is 330 feet from the north, 990 feet from the east line, in the south half of section 68, block B-2, H&GN survey. The same company's No. 1 Blasdale, section 56, is drilling 3,685 feet in red granite wash.

Have Fishing Job

Champlin Refining company's No. 2 Cook-Faulkner is fishing. It made 30 barrels when it struck pay. This test is located in section 30, block B-2, H&GN survey. Their No. 3 McLaughlin came in as a gas well. It is located in section 33, block B-2.

McMann Oil company's No. 5 Palmer, section 31, block B-2, is swabbing 500 barrels in red granite wash. The well is down 2,937 feet. Their No. 6

(See OIL WELL, Page 8)

Wanted—To Know How Many Will Attend Dinner

How many chamber of commerce members and oil men are going to attend the dinner at the Methodist church basement tomorrow evening?

Mrs. Chas. Hughes of the B. C. D., who is helping to arrange the dinner, would like to have the answer to this question. She recently sent each member of the chamber of commerce and many oil men letters asking for the return of a card on which was to be written whether the person addressed planned to attend.

Many of these cards have not been mailed, even though the recipients intend to be present. But the cards should be mailed today so that an estimate of the number of plates to be needed can be made. Tomorrow's dinner will be complimentary to the oil men of this area, who are urged to attend.

HANGARS BEING BUILT AT LOCAL LANDING FIELD

Pampa will soon have a flying field as well developed as those of much larger cities, if present development continues. In the last few days, one new hangar has been completed, and another is soon to be finished.

Frank Shaw has completed a new hangar for his American Eagle plane. It is of the same style and construction as the hangar housing the Ryan monoplane belonging to the Pampa Refining company, with the exception of its size. Shaw's hangar is smaller than the Pampa Refining company's. The fabricating department of the Cabot Carbon Co. is building a hangar for Bill Morris' Spartan biplane. The hangar has a 40-foot center-truss span, is 35 feet deep, and will house two Spartan planes. The building will be portable, and will be covered with corrugated sheet iron.

Welfare Board to Convene Tomorrow

An important meeting of the Pampa Welfare society will be held Tuesday afternoon, it was announced by Mrs. M. P. Downs, community nurse, last night.

The session will be held at the B. C. D. rooms at 4 p. m. A full attendance is desired.

Mrs. Taylor Returns

Mrs. W. A. Taylor, who has been seriously ill for several months, returned yesterday from Temple, where she had spent several weeks in Scott and White sanitarium. She was accompanied by her husband, her son, L. R. Taylor, and her daughter, Mrs. Hugh Isbell. No marked change was to be noted in Mrs. Taylor's condition, members of her family said.

FLY TO FOOTBALL GAME

One party of Pampa football fans flew to the game played by Norman, Okla., high and Amarillo high in Amarillo yesterday. Boyd Kennedy, pilot of the Pampa Refining company's Ryan biplane, took Tom Riggin, Al Clark, and Bob Sowder to Amarillo for the event.

Miss Emil Brewer of White Deer, formerly of Pampa, was a visitor here yesterday.

Hill Manager Here

Nat. Hetherington, district manager of the L. T. Hill stores, was a business visitor here Friday.

FAMOUS TEXANS DOWN

BROWNSVILLE, Sept. 21.—Fear that a Lockheed plane, participant in the Fort Worth good will aerocade flying to the south and carrying four prominent Fort Worth men besides the pilot, was down and in trouble somewhere between here and Corpus Christi was expressed tonight.

The ship was one of four which declined to turn back to Corpus Christi this morning when the other 15 did so because of rains. The three other planes which braved the elements landed here safely.

Local airport officials believed that the plane must have been forced down since no word had been heard from it. They considered that the craft's occupants would be mindful of the alarm their failure to appear would occasion and would have advised had they alighted safely and in good order.

The pilot is Bert Tidcoke and the passengers Frost Lynn, chairman of service for the Texas company, which owns the plane; Jack Hott, manager of the Fort Worth Association of Commerce; James D'Arcy, manager of the Clover Land company, and A. L. Ford of the Cooke Teague Motor company.

The first of a series of interesting programs planned for the weekly high school student assemblies will be given Wednesday morning at 11 o'clock in the gymnasium-auditorium. In this, as in all other assembly programs arranged for the year, numbers of equal interest to patrons will be given, and entertainment will be included, along with educational features. The students will have a part in presenting each exercise, according to the faculty announcement.

Miss Bernice Whiteley and Miss Fannie May of the English department have charge of arrangements for assembly programs for the entire year. They have announced the following for this week:

Special music—High school orchestra.
 Song, "Dear Old Pampa High School"—Student body.
 Reading, "The Man from Arkansas Hears the Grand Opera"—Mrs. Carson Loftis.
 Vocal solo, "Dreams of Old"—Audrey Noel.
 Address, "Some Slogans and Mottos and Their Uses"—The Rev. James Todd, Jr.
 Violin solos, "Il Trovatore," and "Mighty Lak a Rose"—La Verne Twiford. Accompaniment, Donald Twiford.
 School announcements—L. L. Stone, principal.
 School yells—Student body.
 Archer Fullington, city editor of The News, is expected to return today from a vacation trip.

Program of Next Chapel Service Is Given Today

The first of a series of interesting programs planned for the weekly high school student assemblies will be given Wednesday morning at 11 o'clock in the gymnasium-auditorium. In this, as in all other assembly programs arranged for the year, numbers of equal interest to patrons will be given, and entertainment will be included, along with educational features. The students will have a part in presenting each exercise, according to the faculty announcement.

Two planes from the Fort Worth aerocade will retrace their way back toward Brownsville at daybreak tomorrow to search for a Texas company Lockheed ship feared down with its pilot and four passengers.

Two planes of the Texas Air Transport from San Antonio also will leave to aid in the search, it was said.

Driller Is Found Dead at LeFors

Clarence H. Muncie, driller for the Plains Drilling company, was found dead in his room at LeFors Friday. He was apparently in good health, and his death was unexpected.

He is survived by his mother and father of Sullivan, Indiana; a wife and three boys of Newkirk, Okla.; two sisters, Mrs. Florence Stanley of Sheldahl, Indiana, and Miss Mildred Muncie of Sullivan, Indiana; and a brother, F. H. Muncie, of Tulsa, Okla.

The body is being held by Malone's funeral home pending funeral arrangements. The body will either be sent to Newkirk, Okla., or Sullivan, Ind.

Hill Manager Here

Nat. Hetherington, district manager of the L. T. Hill stores, was a business visitor here Friday.

WORST HAMER HAS FOUND IN WHOLE CAREER

Moody Hears Report on Conditions in Hutchinson

SOLUTION YET VERY UNCERTAIN

Little Progress Made in Search for Slayer

AUSTIN, Sept. 21. (P)—Captain Frank Hamer told what he thought of the situation that obtains at Borger today.

The Hutchinson county oil town is possessed of the "worst organized crime ring," he has observed in his 23 years as a Texas Ranger. Many of the "officers of the law" are either ex-convicts or under indictment of criminal offenses at the present time.

This is Captain Hamer's estimation of the situation as told by Governor Dan Moody.

Captain Hamer has an aversion to talking for publication. "It is awfully bad" was as far as the Ranger Captain would go with the newspapermen, but Governor Moody went a little further.

The governor yesterday was given a detailed account of the situation by Captain Hamer as the two rode from Dallas to Terrell, where the chief executive had a speaking date. As they rode they talked.

"No Suggestions"
 "Captain Hamer made no suggestions as to how best to clean up," Governor Moody said.

He was evasive when asked if martial law would be declared. "I don't know what we will do about it," he said.

Captain Hamer was here for a brief visit at Ranger headquarters. He did not say when he would return to Borger.

BORGER, Sept. 21. (P)—Officers investigating the assassination of District Attorney John A. Holmes here a week ago Friday eliminated two possible clues today, but apparently made little progress toward the arrest of the gunman.

Wayne O'Keefe, Holmes' next door neighbor, conferred with the investigators for a time, but special prosecutor Clem Calhoun told reporters later that O'Keefe had not seen the gunman well enough to help in identification. Earlier in the day Calhoun had gone to Sanford, but on his return reported that the tip was "just like all the rest."

Data Is Missing

While several Texas Rangers concentrated on new evidence, at least two others were seeking data Holmes had gathered for use in the prosecution of 12 men and two women arrested in Ranger raids here last July. The data, apparently has been lost. It was not in the files Holmes was known to have used and it had not been turned over to Alex Mood, assistant federal district attorney at Amarillo. Holmes was to have conferred with Mood on the cases the morning after the shooting occurred.

No explanation of Captain Frank Hamer's sudden trip to Austin was given, although Calhoun ventured the opinion that the ranger chief had gone

GRAY COUNTY'S INCORPORATED BODY WILL BE IN SESSION DURING A PORTION OF THE NEXT TEN WEEKS AS REPRESENTATIVES OF THE PEOPLE AND FORM OF GOVERNMENT UNDER WHICH WE LIVE. ITS MEMBERS ARE SWORN TO CARRY OUT THEIR DUTIES FULLY AND FEARLESSLY.

Grand jurors too often have no imagination. They are prone to pass upon information and charges placed before them without reading between the lines, figuratively speaking, and probing to determine causes and prevention of crime. If the duty of the body is merely to return indictments it could be done away with together without serious impairment of justice.

Special grand juries are ten necessary because regular juries have shirked their duty and failed to take notice of conditions which breed crime. Weak-kneed grand juries and trial juries are responsible for much of the disrespect which the law is held in in equal circles. There is indignity before the law where justice hangs heavy over the guilty of minor offenses ignores those guilty of crimes. There is no remedy which can more quickly remedy this situation than a keen, fearless grand jury.

It is the province and the responsibility of the grand jury to inquire into all phases of illegal activity. In so doing it is coldly impartial, and its action is in fulfillment of a function. It presumes no one guilty, but it probes thoroughly that it may put the check mark of approval after each one of its matters of responsibility.

We have read grand jury reports which approximated the ridiculous, and in which the chief emphasis seemed upon

Oil field courts have been congested and much below the desired level of efficiency. Some conditions could not be remedied at once. Others could have through vigorous enough insistence from grand juries and court officials themselves.

Unhappy Berger furnishes the answer insofar as extreme are concerned. Berger had a fearless prosecuting attorney, but how about her grand juries, her lukewarm citizenship? Judge Wilson of the federal court says that the slaying of the prosecutor was the worst crime in Texas in 30 years.

Convincing many people that a new idea is practical is something more difficult than convincing a drunk man that he is drunk. It's funny about good towns—they get mad if you say they are booming and if you fail to mention that they are growing.

David M. Warren, general manager of the Nunn-Warren Publishing company, returned last night from a trip which included Childress, Panhandle, and Berger.

TWINKLES

Our idea of consistency is hinged about the stick-to-it-iveness of this man Lorce who wants to merge a lot of railroads. He ought to be an example to towns seeking a railroad.

Twink has finally made up his mind to take up that kind of rural activity which has to do with knocking little balls along the meadows and stopping them in little oases in the water of which are depressed having little to do with farm relief. But he is ambitious and will someone please inform him if the caddies charge extra for carrying both right and left handed clubs?

Now that Lindy has taught Ann how to fly, he can answer her back-seat driving tactics with the retort, "Well, get up here and fly her yourself". Which, verily, will end most of such spats.

Convincing many people that a new idea is practical is something more difficult than convincing a drunk man that he is drunk.

It's funny about good towns—they get mad if you say they are booming and if you fail to mention that they are growing.

David M. Warren, general manager of the Nunn-Warren Publishing company, returned last night from a trip which included Childress, Panhandle, and Berger.

Pampa Boy Is Enrolled in Kemper Military School

BOONVILLE, Mo., Sept. 21.—Siler M. Faulkner, son of Mr. and Mrs. Siler Faulkner, 400 E. Foster, Pampa, is one of the 380 boys who this week completed registration and began their studies at Kemper Military school here.

The battalion of which Cadet Faulkner is a member, is the largest ever to be in attendance at Kemper coming from 25 states and one foreign country. Texas is this year represented by 43 cadets at Kemper.

Cadet Faulkner plans to continue the activities at Kemper that interested him in Pampa. He is already a member of the football squad. Kemper Military school is this year

Outperforming all other low-priced sixes at lower cost than ever

Not only is the Pontiac Big Six outperforming all other low-priced sixes. But, in addition, it is providing this unrivaled performance with amazing economy. During 1928, a large public utilities corporation operated 996 automobiles of 33 different makes. And according to its own accurately recorded cost figures, its Pontiacs cost one cent less per mile to operate than any other low-priced six in the field at that time.

PONTIAC BIG SIX at \$745

- FASTER: Today's Pontiac Big Six offers the highest top speed and the fastest acceleration to be found in any low-priced six.
SAFER: Because it carries two completely independent braking systems—internal-expanding four-wheel service brakes with non-squeak linings and a separate emergency brake acting on the transmission.
SMOOTHER: Because of the Harmonic Balancer which eliminates torsional crankshaft vibration.
MORE RELIABLE: Because of its basic design, which includes moderate engine speed for any given road speed.
LONGER-LIVED: Every Pontiac since the first has been famous for endurance and long life.

Baker Parent-Teacher Association's Open House on Friday an Outstanding Hospitality of Week—67 in Attendance

Social Calendar

TUESDAY

The Baptist W. M. U. will hold an all-day meeting at the church, in observation of the week of prayer.

The Order of the Rainbow will install officers and hold initiation services at 8 o'clock at the Masonic hall. All Masons and members of the Order of the Eastern Star are invited.

The Girls' Glee club of Central high school will hold the initial practice at 4 o'clock in the music cottage.

The executive board of Baker P.-T.-A. will meet at the school building at 2:30 o'clock. All officers are urged to attend.

The executive board of the Pampa Welfare association is to meet at 4 o'clock in the B. C. D. auditorium.

WEDNESDAY

A general meeting of the Methodist W. M. U. will be held at the church at 3 o'clock for the final study in a Bible course and for a social hour.

The Boys' Glee club of Central high school will hold first practice at 7:30 o'clock in the music cottage.

The Junior orchestra of the public school will meet at 4 o'clock for practice in the music cottage.

Mrs. C. E. Hutchins will entertain Entre Nous bridge club at her home at 2:15 o'clock, postponing the affair from Tuesday, the regular meeting day, because of Twentieth Century's breakfast.

Circle 2 of the Baptist W. M. U. will hold a regular meeting in the home of Mrs. John McKamy at 2:30 o'clock.

The Young Matrons' Missionary society of the First Christian church, will meet at 3 o'clock in the home of Mrs. Homer Kees.

THURSDAY

The Girls' Glee club of Central high school will practice at 4 o'clock in the music cottage.

The Friendship class of the Methodist Sunday school will have a party in the class room. "Polly Anna" friends will be revealed, and officers will be elected. The meeting is to be at 3 o'clock.

The high school orchestra will hold practice at the music cottage, beginning at 7:30 o'clock.

FRIDAY

Child study club will meet in the home of Mrs. A. H. Doucette at 2:30 o'clock.

Mrs. W. H. Lang Entertains Twenty Guests at Bridge

Five tables were in the game Friday afternoon when Mrs. W. H. Lang entertained for Kongenial Kard Klub members and other friends. Her home was attractively decorated for the occasion with bright-hued garden flowers.

High score favor for the club went to Mrs. P. M. Culberson, Mrs. W. T. Fraser scored high among the specially invited guests, and Mrs. Guy Manning won the consolation favor.

Other players included: Mrs. Jack Mason, Mrs. A. F. Clark, Mrs. Ralph Trimble, Mrs. C. S. Boston, Mrs. Floyd McConnell, Mrs. L. E. Hartell of Shamrock, Mrs. Robert Shields, Mrs. Otto Studer, Mrs. John Studer, Mrs. N. A. Heitand, Mrs. Charles Housen of Denver, Mrs. H. W. Johns, Mrs. S. A. Burns, Mrs. Donovan, Mrs. H. L. Grove, and Mrs. W. H. Gray.

Legion Auxiliary Elects Additional Officers to Staff

Three officers to complete the staff of the Women's auxiliary of the American Legion were elected Thursday evening in a meeting of large attendance at Legion hall. Mrs. S. C. Barrow was elected historian; Mrs. P. E. Boyd, corresponding secretary; and Mrs. W. Purviance, parliamentarian.

A membership drive was outlined. Four divisions, headed by captains to be appointed by the president, Mrs. Willard E. Taylor, will conduct the campaign on the competitive basis.

NOW!
REX
EVERY-
BODY'S
GOING!

Inaugurating a new year's work, the Baker Parent-Teacher association extended its hospitalities to the public on Friday afternoon, holding open house between 1 and 4 o'clock at Baker school building. Sixty-seven patrons and visitors spent the period pleasantly and profitably in visiting the class rooms, meeting faculty members, and becoming acquainted with one another. Refreshments were served at 4 o'clock.

An assembly and a short business session followed, with Mrs. J. H. Blythe, president, in the chair. Mrs. Joe Smith, president of the City Council of P.-T.-A., discussed the advantages of affiliation with the council, after which the members voted to retain affiliation with the city body.

Supt. R. B. Fisher, in a short address, expressed his appreciation for the spirit of cooperation manifestly existing between the patrons of Baker school and the faculty of the ward. He pointed to the many ways in which the association could be of inestimable value to the school, chiefly in supplying various needs of the students. The school board, he said, would have much to do this year to care for the major needs of a greatly increased enrollment.

Miss Iva June Willis, public school music instructor, gave an excellent talk on the value of music in the school room. Upon hearing her outline of the Baker building's needs in the way of phonograph records required for the Interscholastic League music memory contest next spring, the association made provision for the purchase of the necessary equipment. An encyclopedia, especially adapted to the needs of the grade school, was ordered for the school.

During the business session, the following new officers were elected to fill vacancies created by recent resignations: First vice-president, Mrs. J. S. O'Brien; recording secretary, Mrs. W. J. Hatcher; treasurer, Mrs. J. C. Cox; corresponding secretary, Mrs. F. G. Brown.

Chairmen of the standing committees also were named, and were as follows: Social, Mrs. A. L. Jones; magazines and publications, Mrs. W. M. Voyles; health and hygiene, Mrs. Robert Roof; publicity, Mrs. F. G. Browne. Room mothers were appointed. Various plans were discussed for making the year one of outstanding achievement and service.

A beautiful framed picture, offered by the P.-T.-A. as the prize to the class having the largest representation of parents at the open house meeting went to Miss Sarah Campbell's first grade room. Miss Irene Hall's second grade class had the next largest representation, with fourteen mothers present. Third place was won by Miss Clarice Fuller's first grade class.

Those who attended placed their names in Baker school's guest book, which was placed in the beautifully decorated entrance hall. Names registered were as follows: Supt. R. B. Fisher, Mrs. W. A. Gray, Mrs. C. T. Hunkapillar, Mrs. J. L. Lester, Mr. and Mrs. E. W. Lewis, Miss Iva June Willis, Mrs. Joe Smith, and E. G. Barrett, guests.

The local City Council of P.-T.-A. was formed last spring, shortly before the Eighth district convention was held in the city. Lack of time and the rush of pre-convention business prevented the completion of details of that time.

Mrs. Lewis Hardin Complimented with Party Thursday

Mrs. Z. H. Mundy and Mrs. J. D. Sackett were co-hostesses in the latter's home Thursday afternoon, entertaining with a delightful party in honor of Mrs. Lewis Hardin, a bride of the season. A miscellaneous gift shower was a feature of the occasion.

Included in the entertainment of the afternoon were piano duets by Mrs. Tom W. Brabham and Mrs. F. L. Elliott and a reading by Mrs. T. F. Morton. Each guest wrote advice to the bride and favorite recipes in a prettily bound book. Individual favors of mints, lolly-pop, and chewing gum were drawn from a cleverly improvised well. Delicious refreshments were served, with the menu repeating the pink and white color scheme featured in house decorations.

The guests were the following: Mrs. Lewis Hardin, honoree; Mrs. Fannie Hardin, Mrs. Phillips, Mrs. Muse, Mrs. Robert Morris, Mrs. S. A. Hurst, Mrs. Lee Harrah, Mrs. Raymond Harrah, Mrs. F. L. Elliott, Mrs. Tom W. Brabham, Mrs. Charley Duenkel, Mrs. Edna Emsley, Mrs. Joseph Hodge, and Mrs. T. F. Morton.

P.-T. A. Council To Re-organize

A business session preliminary to reorganization of the City Council of Parent-Teacher associations was held Friday afternoon at Central high school with representatives from each of the five associations present.

Lewis Cox was a business visitor in Amarillo yesterday.

DON'T BE SORRY!

Think how foolish it will be to pay rent for two or three years then look back and say: "Well I could have had my home about paid for now." Figure how much rent you will pay within the next few years! Then you'll buy in—

"APPAREL FOR WOMEN"

Mothers' Primary Club to Establish Private School

The establishment of a private school providing work identical with that taught in the first grade of the public schools for the accommodation of children too young to enter public school was definitely assured with the successful organization Friday of a Mothers' Primary club.

The club, composed of 28 mothers of prospective pupils, was organized solely to establish and maintain the school. The meeting was held at the home of Mrs. G. C. Malone, where plans were made to employ a specially trained primary teacher holding a state teacher's certificate, and to hold monthly club meetings for the transaction of business connected with the maintenance. The school will be taught in the primary rooms of the First Christian church.

Mrs. Ivy Duncan was elected president. Other officers elected were: Vice-president, Mrs. Frank Beaudoin; secretary, Mrs. I. Baum; treasurer, Mrs. G. C. Malone; reporter, Mrs. S. A. Burns.

Other members were: Mrs. C. E. Hutchinson, Mrs. Colbert Wilkerson, Mrs. J. D. Sackett, Mrs. Stockton, Mrs. A. S. Beavers, Mrs. J. W. Garman Jr., Mrs. J. E. Morgan, Mrs. W. R. Ferguson, Mrs. W. H. Davison, Mrs. J. Odell Gillham, Mrs. E. E. McNutt, Mrs. Dick-

Dorothy Gulliver

This trim frock of flat crepe is displayed by Dorothy Gulliver, popular member of Hollywood's younger favorites, in Film Fashions, presented this week at the Rex Theatre, through the courtesy of the Murfee's Store. The smart Buster Brown collar with vestee, and cuffs are very distinctive.

Lovely Helene Millard dons an ensemble of 'Mallinson's' crepe. The one piece dress has the effect of a tuck-in blouse of pebble crepe. The coat has a tuxedo front with a darker contrasting shade trimming and a finish of tailored bands the same as the blouse.

Charming June Marlowe displays a serviceable two piece sports dress of pebble crepe. The unusual scarf treatment consists of three loose bands forming a bow at center back of neck.

Edna Murphy wears a straight line sports coat fashioned of English novelty cloth, with a natural Canadian Lynx collar.

Murfee's, Inc.

"PAMPA'S QUALITY DEPARTMENT STORE"

Jersey Sale to Be Held Tuesday

A public sale of 43 head of Jersey cattle, brought to Pampa by S. M. Lawson of Fort Worth, will be held at the John Henry farm, half a mile east of the city, at 1 o'clock Tuesday afternoon.

Mr. Lawson, owner of the cattle, has within the last four years distributed Jerseys totaling several hundred thousand dollars in value in the agricultural sections of the Panhandle, and has brought other consignments to Pampa. He described the animals to be sold Tuesday as being of fine stock, with several outstanding blood lines represented among them. He invited inspection of the cattle prior to the sale.

Mrs. Clem Davis Is Club Hostess

Mrs. Clem Davis was hostess on Friday afternoon to members of Just We club. Those present were: Mrs. J. H. Lutz, Mrs. E. T. Broughton, Mrs. J. H. Hulme, Mrs. Floyd A. Hollenbeck, Mrs. A. D. Johnston, Mrs. L. M. Williams, and J. M. Brown.

Favors were given Mrs. Johnston, high score; Mrs. Hollenbeck, low score; and Mrs. Brown, guest high. A dainty luncheon was enjoyed at the close of the games.

CARD OF THANKS

We adopt this method of expressing our sincere appreciation to our many friends and acquaintances for their words of condolence and assistance rendered to us in our time of bereavement which was occasioned by the untimely and tragic death of our beloved husband, son-in-law, and brother, Jno. A. Holmes.

It is especially our desire to express to Governor Dan Moody our appreciation of his prompt action in dispatching assistance to apprehend the guilty party or parties; to those county and city officers who have and are conscientiously attempting to cause justice to be meted out to the guilty, to the Masonic fraternities for the burial services and to the pastors for the beautiful thoughts expressed and words of comfort.

Our sorrow has been lightened by the knowledge that we have such a legion of true friends and to know that the majority of the citizenship abhors such an act.

In conclusion, we say that the love we have for the friends of our deceased loved ones shall grow stronger and closer, and we trust that God will bless each.

Mrs. Jno. A. Holmes.
Mrs. Donna B. Green.
Mrs. C. H. Love.
W. E. Holmes.
T. W. Holmes.

CHURCHES

FIRST BAPTIST CHURCH

Sunday school, 9:45 a. m.
Morning preaching service, 11 a. m.
Amarada mission services, 2:30 p. m.
Training service, all unions 7 p. m.
Evening preaching service, 8:15 p. m.
The pastor will bring a timely message at both the regular preaching services today. His morning subject will be, "The Sunday School Teacher." The theme this evening will be, "The Blood."

All departments of the Sunday school and of the training service will have spiritual and enjoyable programs. In each of these phases of the church work is a place where you will find joy and satisfaction in worshipping and serving God. A hearty welcome awaits you at all the services of this church. Meet with us in any or all of these services today.

All the regular meetings of the church organizations will be held this week: Choir rehearsal, Tuesday at 7:30 p. m.; S. S. Teachers and officers meeting, Wednesday at 7:00 p. m.; mid-week prayer service, Wednesday at 8 p. m.; orchestra practice, Thursday at 7:30 p. m.

Cool weather bringing new invigoration for work is here. Let us utilize our energies for the glory of God and for the advancement of His cause in Pampa during the weeks and months that are now ours.

D. H. TRUHITE, Pastor
JOHN LEE HARRIS, Ass't. Pastor

Methodist Church

God has given to every man a kingdom to worship. Every man is worshipping something. It may be wealth, position, art, or any one of thousands of things. As Christians we believe that God alone should be the object of a man's worship. Churches were built to give man a place to worship. The First Methodist church of Pampa offers an ideal place for worship.

Sunday school starts promptly at 9:45 o'clock.

At the 11 o'clock hour the presiding Elder, W. M. Merrill of Calarendon, will preach. Miss Dorothy Canfill has inspired thousands with her wonderful work on the violin. She will play for the 11 o'clock hour. You can't afford to miss this rare musical treat.

The Epworth league service for the young people will be held at 7 o'clock.

The evening worship service will start at 7:45 o'clock. At that hour the pastor will bring a forceful message on the subject, "God or Baal—Christ or Chaos!" A male quartet will render a number at this hour.

Everyone is welcome.
Tom W. Brabham, Pastor.
Grady G. Morton, Educational Director.

PRESBYTERIAN CHURCH

We extend to you a cordial invitation to worship with us in our services today.

Sunday school at 10 a. m.

Sermon, "The Second Mile," at 11 a. m.

Sermon, "Be Strong," at 8 p. m.

A solo will be sung by Mrs. A. H. Doucette in the morning service. Mrs. Harry E. Lyman will sing a solo at the evening service.

SYMPATHY APPRECIATED BY PANHANDLE FAMILY

Mr. and Mrs. C. L. Upham of Panhandle are very grateful for the sympathy expressed to them in connection with the recent accidental death of their daughter. They sent this message to local friends: "We take this opportunity to express, as nearly as can

be done the deep appreciation and gratitude for the overwhelming evidence of kindness and sympathy extended to us in our bereavement and the great loss we have sustained. Harder indeed would have been to bear our suffering but for the thoughtful attention of friends and loved ones of our departed daughter, and the kindness and affection shown, the considera-

tion, the wonderful floral tributes, and all those unmentionable evidences of thoughtfulness, touching and sincere, are appreciated more than can ever be told. May God Bless each and every one of you."

Mr. and Mrs. C. L. Upham and family
Miss Lucille Stephenson went to Oklahoma City Friday.

BAPTIST WORKER RETURNS

Rev. John Lee Harris returned Saturday morning from California where he has been visiting. Mr. Harris has been in California for the last month with his mother and brother, Jack, on his vacation.

Mrs. Sam Fenberg, and Mrs. Soodhalter were Amarillo visitors Friday.

Nothing Newer than Today's Hudson

The greatness of Hudson value is expressed with unparalleled power in the way its NEWNESS stands out among the Newest and Latest models the industry offers.

Here we find feature after feature of Hudson's origination, now offered in the new models of the more expensive cars.

Here we find, featured as new, such advantages as radiator shutters—first introduced and for years standard with Hudson.

Here we find Hudson type brakes, Hudson type shock absorbers. Counterbalanced crankshafts are much to the fore, which seek to approximate the efficiency and smoothness of the Super-Six principle.

Nothing has been produced to touch its value and price advantage. It is still the master car in performance and reliability.

And Hudson still is alone in offering the almost individual distinction of such wide color choices, at no extra cost. See and examine the new offerings of other makers by all means. Then come, compare and drive the Greater Hudson. You, too, must feel the spontaneous enthusiasm that has rolled up a landslide approval for its beauty, quality and value—expressed in sales that for the first seven months of 1929 exceed the total of the entire year preceding.

\$1095

THE SOUL OF A WOMAN LAID BARE. A large 'X' graphic.

The SHINING TALENT By ELEANOR EARLY

©1929 By NEA Service Inc.

THIS HAS HAPPENED MOLLY BURHAM writes plays and books, and is generally adored. In a single evening, two men, MOLLY BURHAM and BOB NEWTON, met.

"But I mean tonight. You're not asking me to wake the poor child at this time of night, and give her to Mr. Newton, to take God-knows-where. It's the most idiotic thing I ever heard!"

"I would be much more sensible now if you two could get together," suggested Duggan peaceably, "and argue it out between the two of you. There's nothing to be gained by running to the judge with your tale. Sure, and the child is his."

"She's mine," contradicted Molly. "He gave her to me."

"To be having for a little while," soothed Duggan. "And sure you want to keep the little angel, which is only nature, God knows. For she's as pretty a one as ever I saw."

MOLLY turned her back squarely on Bob. "Ask him," she directed the policeman, "if I may keep her tonight, and if he will come tomorrow to talk things over."

"You heard her, Mr. Newton. Be a good lad now, and let's have no more talk this night. For Miss Burnham is a fine little lady, and you shouldn't be breaking her poor little heart."

They waited, like actors in a drama, for Bob's answer. Officer Duggan drew his shaggy gray brows together, frowning. Molly bent to a bowl of flowers on the table, twisting their blossoms this way and that. Red's fists were still clenched, and he glared at Bob like an animal that seeks to hypnotize before it springs.

Bob bowed. He was looking at Molly, but she kept her back to him. "If I have Miss Burnham's promise to see me tomorrow, and conclude the matter at that time," he said.

Molly raised her head, and returned his gaze steadily. "At three o'clock," she said. Then she spoke to Officer Duggan again, explaining Red's presence.

"Mr. Flynn's mother died tonight, Tim. He came to tell me about it. "And was she ailing long, the poor woman?" inquired the big policeman sympathetically. "May God have mercy on her soul."

"She'd been sick a long time," Red told him. "She's better off now, Tim."

Bob had stepped quietly into the hall, and now Duggan followed him. "Good night, Miss Burnham. Sorry to have troubled you. I'll say a bit of a prayer this night for you and the little one."

"Oh, thank you, Tim."

"If you'd use your nightstick now on Newton," suggested Red, "it would be more to the point, Tim."

But Molly closed the door on his blasphemy.

"You go to bed, Red," she commanded. "It had to be just like Bob to stulk around here all night. I'll order the flowers in the morning, and you can reach me by phone, if there's anything I can do."

"Will you go to the funeral?" he asked.

"If you want me to," she promised. "Poor dear Red! You came here for sympathy, and bumped into one of the usual farces. I'm awfully sorry."

"Oh, that's all right."

HE lit a cigaret casually. "Remember, if there's anything I can do, old dear..."

"You mean if I want to get married?" she laughed.

"All right. I'll let you know. Please go now, dear. Bob's probably round the corner somewhere."

"Exactly."

"I wanted you to know that the law is in on my side. You can't

possibly keep Rita without my consent. She shrugged wearily. "Now you trying to make me love you, Bob?"

"I wish I could make you love me."

"You act like an eager lover."

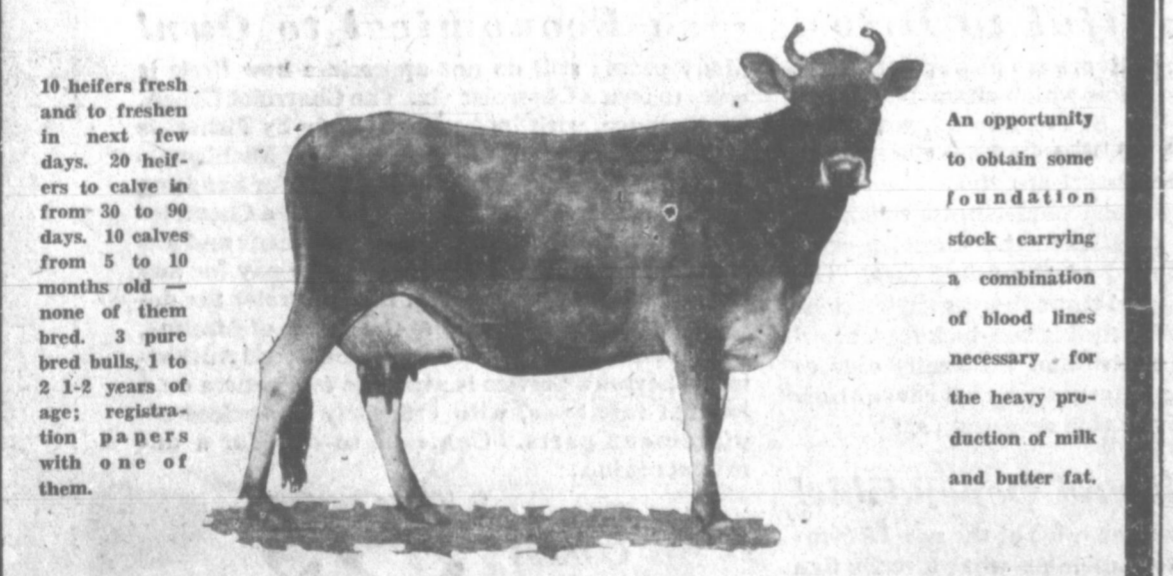

"But I would," he cried, "if you'd let me. I'm crazy about you!"

Pampa Gorillas Defeat Amarillo Junior High Eleven Here Friday

ATHLETICS GET CLEAN SWEEP OVER DETROIT

PHILADELPHIA, Sept. 21. (AP)—The Athletics made a clean sweep of their series with the Tigers by taking the third game here this afternoon by 10 to 7. The champions put the game on ice when they bunched seven runs in the fifth, the sixth and the seventh.

Al Simmons strengthened his bid for the American league hitting title by slapping out four clean singles in five times at bat. His team mate rival Jimmy Foxx, drew four straight walks and then grounded out to short.

Carroll Yerkes, who followed Bill Breckenridge to the hill in the fifth inning, got credit for the victory. His first of the season.

Detroit 010 400 011—7 10 3
Philadelphia 102 033 10x—10 13 1

Uhle, Prudhomme, Graham, Page, and Phillips; Breckenridge, Yerkes and Mattox, Peckins.

St. Louis Beats Senators

WASHINGTON, Sept. 21. (AP)—St. Louis closed its last appearance of the season here today defeating Washington 4 to 3. The visitors fell upon Jones in the first three innings for six hits, netting two runs each in the first and third.

Stewart of the Browns allowed Washington only four hits.

St. Louis 202 000 000—4 9 2
Washington 010 000 200—3 4 0

Stewart and Manion; Jones, Burke, Braxton and Spencer.

Two Out of Three

BOSTON, Sept. 21. (AP)—Boston made it two out of three games from Cleveland here today by winning 4 to 3 in 12 innings. Pitcher Bayne knocked Todd in with the winning run with a single over Averill's head.

Cleveland 101 000 010 000—3 9 2
Boston 009 020 001 001—4 13 3

Miljus, Brown and L. Sewell; Russell, Bayne and Heving, Asby, Gaston.

CLARENDON MAN IS VISITOR

Meredith Gentry of Clarendon was a business visitor in Pampa Friday.

RETURNS FROM DALHART

C. Herbert Walker returned Friday afternoon from a business visit of several days in Dalhart.

Victory by the Pampa Gorillas, second string men, over the Central Junior high school eleven of Amarillo Friday, 12 to 0, proved that local entries have the winning spirit this year.

The little fellows who aspire to be Harvesters a few seasons away really defeated the visitors, and many of the spectators wished that the older boys had not been used late in the game, and that Saltzman, ineligible for the first team, had not circled left end 37 yards for a touchdown late in the final period.

To start the game, Captain Bodenham of Amarillo won the toss and chose to kick. Captain Joe Kahl of the Gorillas took the south goal with his back to the breeze. The first quarter was scoreless. Fumbling and bad passes from center kept the ball near midfield. Doucette, who had a hectic afternoon at halfback but nevertheless made a touchdown, saw a pass from center hit the ground in front of him and roll to one side. He recovered on his own 20-yard line. The ball went over, and on the first play Amarillo's center cast the ball over the back's head and Leo Salsbury recovered for Pampa on the 35-yard line as the period ended.

Fair punting, much fumbling, and a number of penalties for the locals prevented scoring in the second quarter. The half ended with the ball on Amarillo's 40-yard line.

In the third period some short gains and a 15-yard penalty for Amarillo set the visitors back into their own territory and a weak punt got them into more difficulty. Fritchlie and Captain Kahl bucked the ball to the 15-yard line. Ledrick advanced it a bit, then Doucette scored around left end. The place kick try for point failed. The Gorillas had carried the ball to the 23-yard line when the third period ended.

The last quarter was punctuated by frequent Gorilla substitutions. The Central junior eleven was continually in danger, but it was not until the game was nearly over that Saltzman uncorked his long dash for a touchdown. The try for point failed.

Captain Kahl, half-pint edition of Captain Bob of the 1928 Harvesters, turned in a heady job of generalship and did not spare himself in the ball-juggling. Fritchlie did some low tackling that might teach the first string something, besides plunging. Ledrick was strong defensively, and Doucette did well except for fumbling. It was a scrapping line-up which Coach Fox of the Gorillas inserted to start the game: Clark, ls; Camp, ls; Barrett, ls; Pool, c; Hewitt, rs; McNell, rt; Leo Salsbury, re; Fritchlie, lb;

Victory in today's tussle placed Steers in a strategic position, needing to win only one more to close out Wichita Falls and enter the Dixie series against the Birmingham Barons. Victor Frazier, who whipped the Spudgers in the first game of the series, was scheduled to go back at the north countrymen tomorrow, with Andy Messenger, the submariner, a likely choice for the Oilers.

Local Shoe Man Receives Prize

Shelby Gantz, shoe salesman for Kees & Thomas recently received a fountain pen from the Schroll Orthopedic school of Chicago, as second prize in a sales contest conducted by the Schroll company among the men who attended its June school in orthopedics and salesmanship.

Mr. Gantz was in competition with salesmen in every state in the Union. A salesman in Quincy, Ill., was winner of first place, selling the greatest number of Schroll foot appliances. Third place was won by a Chicago salesman.

Dodson Trains Down for Tussle With Leo Chase

Oscar Dodson, Pampa blacksmith wrestler, has trained down to 185 pounds, and will meet Leo Chase, iron-man mauler, at the Pla-Mor auditorium Thursday night. Chase will be giving the blacksmith about 20 pounds. These two men met several weeks ago and Dodson won the battle after a hard fight. He weighed about 200 pounds at the time and it is believed that with his reduced weight he will be easier for Chase to handle.

Both men are training daily at the Pla-Mor and the public is invited to see them in action with their training partners. The battle Thursday night will be the last between the two men, win, lose or draw, the Pla-Mor management said when matching the gladiators.

An added attraction on the evening's card will be a second headline attraction, Johnnie Hilliard of Wichita Falls, 145 pounds, and Rusty Cahill, pride of Pampa boxers, will tangle in a six round event. Cahill "came back" two weeks ago when he won a decision over Jack Daugherty. Cahill is training hard for his bout with the bruiser from Wichita Falls.

Good preliminaries will open the big card. There will be several surprise bouts on the card. One of them will be a bout between two 135-pound negroes, whose names are being kept a secret, even to one another.

WITH AMPLE LUCK, STEERS GET IN POSITION TO WIN PLAY-OFF TODAY—WIN SATURDAY, 4 TO 0

BY GAYLE TALBOT, JR.

Associated Press Sports Writer
DALLAS, Sept. 21. (AP)—George Washington Payne and his Spudder defense fell part simultaneously in the eighth inning here today and the Dallas Steers, generously favored by Lady Luck, wrapped up the third game of the Texas league play-off.

All of the Mavericks' runs rode in during the one hectic frame, during which two infield raps hopped playfully over the heads of the Spud inner defense and Outfielder Gullic muffed a lazy fly off Glazner's bat. Up to that time it had been a pitcher's battle between Payne and his veteran adversary, Whitey Glazner, with the batters figuring inconspicuously. Each had given up three hits in the first seven chapters, and had been accorded sensational support.

Victory in today's tussle placed Steers in a strategic position, needing to win only one more to close out Wichita Falls and enter the Dixie series against the Birmingham Barons. Victor Frazier, who whipped the Spudgers in the first game of the series, was scheduled to go back at the north countrymen tomorrow, with Andy Messenger, the submariner, a likely choice for the Oilers.

Yank Bats Decisive
NEW YORK, Sept. 21. (AP)—The Yankees batted out an easy victory over the White Sox here today in the second game of the series. The score was 8 to 5. Ed Wells kept the eight Chicago hits well scattered, but the Yanks bunched their blows off Ted Lyons. Reynolds hit a homer with one on in the seventh.

Drive a Chevrolet Six!

—so Delightful to Drive!
The Chevrolet Six delivers its power with that smooth, even, velvety flow which characterizes the truly fine automobile! At every speed, you travel without the slightest annoyance from vibration or rumble. Equally delightful are the comfort and handling ease. Four long semi-elliptic shock absorber springs, set parallel to the frame, provide the road balance found in the finest cars. The steering gear is equipped throughout with friction-free ball bearings. And the big non-locking 4-wheel brakes are quiet, positive and unusually easy to apply. Only a demonstration can reveal how delightful it is to drive this amazing car!

—so Economical to Own!
Many people still do not appreciate how little it costs to own a Chevrolet Six. The Chevrolet Coach, for instance, with its beautiful Body by Fisher, is priced at \$595, f. o. b. factory, Flint, Michigan—with only the most reasonable charges for handling and financing. You can actually secure a Chevrolet Six for practically the same down payment and low monthly charges you would expect to pay for any low-priced car. In addition, the Chevrolet Six delivers better than 20 miles to the gallon of gasoline, with unusually low oil consumption! And Authorized Chevrolet Service is available everywhere on a low flat-rate basis, with extremely low-priced replacement parts. Come in to-day for a demonstration.

Here's good luck for Pampa football fans—Electra high school, a Class A team, will play the Class B Harvesters here next Friday, Sept. 27.

The Texoma game has been canceled and the Harvesters have begun preparations for what will likely be the hardest contest of the season. Last season at Electra the locals were beaten, 32 to 0, and memories of that game still linger with coaches Mitchell and Fox and many of the Harvesters.

As it has turned out, Pampa had a game scheduled with Electra and did not know it. The game was tentatively agreed upon last year. Coach Mitchell wrote for confirmation this season, but his letter was never received at Electra. This, however, was assumed that the game was scheduled and began preparing to make the trip here. Someone here saw Pampa listed in the Electra schedule and notified Coach Mitchell.

Electra is said to have given the Amarillo Sandstorm its hardest game of last season. If Pampa Central high's young squad wins next Friday it will have achieved distinction in Panhandle circles.

It is going to cost considerable to ring Electra here, and full support of Pampa fans will be necessary to prevent financial loss. Tickets will be placed on sale at once.

Friday's game will be at the new field north of the old one. Bleachers are being placed and the field is being leveled and marked. The fence is being moved.

Friday's high school football shows the following results:

Floydada 0; Plainview 0.
 Shamrock 25; Wheeler 6.
 Lamesa 12; Stanton 0.
 Memphis 20; Paducah 0.
 Canyon 0; Borger 0.
 Spur 19; Snyder 13.
 Follett 19; Beaver, Okla., 7.
 Perryton 7; Hooker, Okla., 0.
 Penhandle 16; Happy 0.

Mustangs Given Score By Denton Teachers Eleven

DALLAS, Sept. 21. (AP)—The Southern Methodist university Mustangs were given a scare by the North Texas Teachers' college eleven from Denton in their opening encounter here today, defeating the Teachers, 13 to 3, only after trailing for three quarters. Denton scored on the Ponies in the first period, when Crowley planted a field goal between the bars. With defeat snaring them in the face, the Mustangs broke out an aerial attack in the final quarter that pulled them through.

LeFors School Is Outgrowing Plant—Has 13 Teachers

LEFORS, Sept. 21. (Special)—The student body of the LeFors public school at the end of the second week has already outgrown the new \$75,000 building recently erected. The total enrollment is 405. One additional teacher has been employed and it is almost certain that others will be needed within a short time. There are now 13 teachers in the faculty. The school board has purchased \$1500 worth of playground equipment.

CHARLEY ROOT BEATEN AT END OF HARD GAME

CHICAGO, Sept. 21. (AP)—Charley Root held New York in check for seven innings today but faltered in the last two and the Giants took a 4 to 1 decision over the champion Cubs.

Melvin Ott's fortieth home run of the season, with Terry on base in the eighth inning, started the Giants on the way to victory. Two unnecessary runs were added on four hits in the ninth. Ott's circuit clout gave him a lead of one over Hack Wilson and Chuck Klein for home run honors in the league.

In winning, Bill Walker, the southpaw, held the Cubs to eight hits, while the Giants collected thirteen off Charley Root.

Bill Terry and Freddy Lindstrom led the New York attack with three hits apiece. Hornsby went hitless and fell behind Terry in the league batting race.

Walker's victory over the Cubs was the ninth achieved by a southpaw this year. The Giants closed their stand here tomorrow and then the Cubs are idle for five days.

New York 000 000 022—4 13 1
 Chicago 100 000 000—1 8 2
 Walker and Hogan; Root and Gonzales.

Brame Beats Braves

PITTSBURGH, Sept. 21. (AP)—Pittsburgh made it three out of five games from Boston today by winning the series final four to nothing. Irvir Brame allowed the Braves only five hits in scoring his sixteenth victory of the season for the Pirates.

Lloyd Waner went hitless after batting safely in the last 21 games. Boston 000 000 000—0 5
 Pittsburgh 301 000 000—4 3
 Smith, Delaney and Spohrer, Leggett; Brame and Hemsley.

Eight Doubles

CINCINNATI, O., Sept. 21. (AP)—Eight two-base hits featured the Philly-Red game here today which the visitors won 9 to 6, thereby gaining sole possession of sixth place.

The season series favors Philadelphia 11 to 10, with the final game tomorrow.
 Philadelphia 100 120 230—9 15 1
 Cincinnati 101 020 110—6 13 3
 Collins, Koupal and Lorian; May Ash and Sukeforth.

Clark Hard to Hit

ST. LOUIS, Mo., Sept. 21. (AP)—Watson Clark held the Cardinals to five scattered singles today and Brooklyn won the first game of the series with the retiring league champions, 3 to 0. Brooklyn 100 000 010—3 11 2
 St. Louis 000 000 000—0 5 0
 Clark and Picinich; Hallahan and Wilson.

Amarillo Sandies Defeat Norman 13-0 on Butler Field—Bufkin of Texans Looms as Fine Ball Luger

BUTLER FIELD, Amarillo, Sept. 21. (Special)—In a game no more notable in any particular than in the uncovering of a brilliant new backfield star among the locals—"Bull" Bufkin—Amarillo's Sandies turned back the Norman, Okla., Tigers here today, 13-0.

Bufkin ripped the visitors' 134-pound forward wall to shreds, and gained more ground than any other Amarillo player. Hudgins was the star of the second quarter, however, when he crashed across for two touchdowns—the only scores of the day.

A crowd of about 4,500 persons saw the game. It was recognized that Norman had a powerful team, that the Sandies have been underrated and that Amarillo high has power yet to be developed.

The Sandies opened impressively in the first period, gaining 75 yards and losing 8 compared to Norman's 8 yards gained and one lost. The Amarilloans made four first downs and Norman none. The first quarter ended with the ball on Norman's 34-yard line in her possession, with neither team having scored.

Early in the second period Gibson unleashed a 15-yard pass to Clayton, then Lockhart carried the ball on the next play to Norman's 10-yard line. Hudgins crashed off right end for 4 yards, then circled the same place for the goal. Gibson failed to convert.

After an exchange of short punts, Hudgins lugged the ball to Norman's 10-yard line. Lockhart invaded the Oklahoma's 10-yard territory, Hudgins again took charge of things and made a touchdown, which Gibson converted for the extra point.

A few minutes later Captain Haag of Norman sent a terrific punt which was downed on Amarillo's 12-yard line. Hudgins got a bad pass from center and lost 11 yards. Lockhart punted straight up almost and Norman took the ball on the Sandies' 10-yard mark. Mayes

and Wilkins failed to gain, but Mayes then made 6 yards on a spin play. Nolan plunged to the 1-yard line. Haag failed by inches to go over or make a first down. Lockhart kicked out to the 27-yard line as the half ended. Score, Amarillo 13, Norman 0.

The third period went scoreless, with Norman showing a gain in power. Captain Haag for the visitors was getting off 50-yard punts against the wind. Abe Lockhart of the Sandies shot a 55-yard punt with the wind, which Nolan of the Oklahomaans ran back 28 yards to keep his team out of trouble. Bufkin of Amarillo reeled off a 27-yard gain only to learn that an offside by a teammate lost the yardage. The quarter ended with the ball in Amarillo's possession on her 25-yard line.

The final period was chiefly notable for Bufkin's many long gains for Amarillo, and the Sooner captain's 55-yard punts with the wind. The ball was in Amarillo's possession in midfield as the game ended.

No Change in Illness

Yesterday brought no apparent change in the condition of F. T. Mason, who has been critically ill the last several days, according to the report from his home.

Narcotic Arrests Ends in Indictments

On Thursday the Amarillo Federal grand jury returned indictments against four men and one woman taken in Pampa for violations of narcotic laws. They were Lawrence Bell Smith, better known as "Hardboiled Smith"; J. W. Corbin, Emmett Denny, known as "Red Denny"; Walter Burke, alias

"Indian Chief"; and Margaret Bennett. Burke and Smith were indicted for purchase and possession of cocaine; J. W. Corbin for the purchase of morphine, Margaret Bennett for the sale of morphine, and Denny for the sale and purchase of morphine. The five from Pampa against which indictments were returned were captured by the police department as a result of a drive against violators of the narcotic laws.

Many Violations Mark Beginning of New Stop-Go Signals Saturday

Yesterday Pampans witnessed the installation of their automatic street signal. The signal is of the regular type used by Dallas, Amarillo, Abilene, and other larger cities. The signal is installed at the intersection of Cuyler street and Foster avenue. The light was placed there because of the large amount of traffic that passes at this point. The signal has a three-unit control, that is, three lights can be manipulated from the same control box. If the city decides to install fire alarm attachments later, it can do so with little additional cost. The fire signal consists of the red lights flashing on all four sides, and the gong ringing as long as there is danger from passing fire trucks. Citizens found it difficult to become accustomed to the new signal. Pedestrians would walk across the street in front of the red signal, or some confused motorist would "run the red signal." But as the day passed, and pedestrians and motorists grew more accustomed to the new system, violations became less frequent.

Drilling at McCollom et al's No. 1 F. Meers, section 107, block 3, will be resumed this week. Total depth is 3,202 feet, cemented back to 3170 after straightening the hole. A small shot was used in shapping up the hole for drilling ahead and straightening. Second pay is now expected some where under 3,300 feet. First pay at 3,110 is estimated good for about 100 barrels daily.

OIL WELLS—

Palmer is down to the granite wash, where casing is being set. The same company's No. 3 Saunders has been drilled to a depth of 2,735 feet into granite wash. This test is east of LeFors, in the J. G. Eustice survey. The Texas company's M. B. Davis No. 4, which came in Thursday, has flowed and swabbed 900 barrels. This well is in section 8, block 1. The same company reports a gas well northeast

BORGER—

home for clean clothing. Hamer, it was said, has been subpoenaed to appear in a case in Brownsville Monday. The investigators refused to comment on Hamer's statement in Austin today that Borger presented a bit of the worst organized crime he had seen in 23 years. Chief of Police John Crabtree, however, declared that the statement "sounded just like Hamer." Mayor Glenn A. Pace was out of town hunting doves and could not be reached for a statement.

BORGER, Sept. 21, (AP)—The tumult of special investigations and charges

of official conspiracy which has followed the assassination here a little more than a week ago of District Attorney John A. Holmes is merely an unusually turbulent chapter in the brief history of Borger, perhaps Texas' most picturesque oil boom town. Records show that since the town was founded three years ago there have been nearly two score murders and that the perpetrators of but two of them have been punished. A mushroom oil town in its infancy the city now has settled down to a steady growth depending largely upon the carbon black industry which now is bringing a monthly payroll of \$150,000 to its coffers. In 1926, when oil was discovered thousands of seekers of the black gold moved to Borger. The situation was turbulent and Texas Rangers were called in. For a time they made between 75 and 100 arrests daily.

THINK
—Of the days when your guiding hand will be gone. Whose will replace it? That of an individual, mortal, perhaps unskilled in estate administration? Or an institution like this one, whose Trust Officers have made it their life's work to conduct estates in the best interests of their client's heirs?

Pampa National Bank

Pay Cash Pay Less
That is our motto and that is our business policy. It has many advantages that make savings for our customers. Our cash customers do not have to pay for lost accounts. They do not have to pay for bookkeeping and collectors. All these savings we pass on to our customers in lower prices for good merchandise.

NEVER BEFORE a Stove Like MAGIC CHEF—the New Vogue in Gas Ranges
HAVE you seen Magic Chef, the new vogue in gas ranges? Designed to meet the urgent demand for a stove to conform with the art trends of the times, Magic Chef is the most delightfully new, handsomely different gas range you've ever set your eyes upon. The symmetry of its proportions, the artistry of its design and the charm of its coloring make Magic Chef a beautifying element in any kitchen, old or new. Nor is utility sacrificed to style in this most modern of gas ranges. Magic Chef combines more than twenty outstanding improvements in stove engineering and design. See Magic Chef and you'll want it for your own. You'll want it for its smartness, neatness, trimness, elegance and efficiency. You'll want it for the roominess of its cooking-top, oven and broiler. You'll want it because of the great efficiency of its new type burners, for its unique broiling feature, its cooking-top cover that quickly conceals utensils. You'll want Magic Chef for its heavily insulated oven that keeps the kitchen much cooler, for its roomy utensil drawer and quietly operating doors. And, last but not least, you'll want Magic Chef because the oven heat is measured and automatically controlled by the famous Red Wheel Oven Heat Regulator. Magic Chef is as durable as it is beautiful. It will give you more years of supremely satisfactory service than any other item of household equipment that you can buy at the same price. It will give you more deliciously cooked foods, freedom from the cares of cooking and real enjoyment in the new beauty and convenience of your kitchen.

\$195
A Small Down Payment Puts Magic Chef in Your Kitchen—Balance in Easy Payments out of Income

Magic Chef, the New Vogue in Gas Ranges was designed in the Research Laboratory of American Stove Company by Engineers working in collaboration with Frank Alvah Parsons, B.S., President of the New York School of Fine and Applied Art and noted authority on kitchen design.

Illustration shows Magic Chef with cooking-top cover lifted, interior of oven and broiler exposed, and utensil drawer partially withdrawn disclosing drip tray. An extremely practical and efficient gas range in every respect.
