Three Unmasked Bandits Get \$2,274 in Robbery of Valera Bank

'JOB NOT OUR FIRST' ASSERTS ONE OUTLAW

Men Escape With 20 Minute Lead on Pursuers

LONE OFFICIAL GIVES UP MONEY

Only About \$15 Left Behind by Trio's Leader

VALERA, Dec. 20. (P)—Forcing Assistant Cashier Steve Brown to fill their sacks with currency and silver, three unmasked men held up the First State Bank of Valera today and escaped with \$2,274.

Brown was alone in the bank when two of the three men entered. They asked where other employes and officials were. Brown said he was the first down. "You'll do," they said, and forced him, at the point of a gun, to put all available money into a sack.

Before they finished their job, Glen Mitchell, another employe, entered. He greeted the men.

"We're robbing this bank," one of the men said.

Mitchell thought they were joking. "Sure enough?" he said. Then the robber pulled his gun and forced both men into the vault, shutting, but not locking, the door.

As they started out, the bandits met I. R. Thompson, Valera barber. He too was forced into the vault. The bandits then loaded their sack of money into a waiting car, manned by a third robber, and they sped away, toward Coleman.

The proprietor of a cafe across the street saw the car driven away, but did not realize the bank had been robbed. The robbers had a twenty-minute start before police were notified.

The men in the bank were described as middle-aged, both wearing caps and brown sheep-skin lined coats. One of the pair, who seemed the leader, told the officials not to be nervous as they wouldn't be hurt if they followed directions. "This isn't our first job," he said.

They left only about \$15 in the bank. A bus driver between Coleman and San Angelo reported meeting the car near Valera. Officers in the surrounding territory have been advised to watch for the automobile and its occupants.

THE WEATHER VANE

WEST TEXAS: Cloudy in north, rain in southeast portion tonight and Saturday; warmer tonight and in southeast portion Saturday.

—AND A SMILE NEW YORK. (P)—Found a method of unobtrusive speechmaking at a banquet. Alfred E. Smith, Mayor Walker and others saw themselves talk at a dinner given by Joseph Johnson, commissioner of works, to Winifred Sheehan, film executive. All the vocalization came from film.

3 SHOPPING DAYS TILL CHRISTMAS CHRISTMAS WON'T BE LONG NOW—AND NEITHER SHOULD YOUR SHOPPING LIST

MIAMI ROAD DELEGATION GIVEN PROMISE THAT HIGHWAY 33 WILL BE NORTH OF SANTA FE'S LINE

Christmas Tree for Children Is Plan—Movie Too

A Christmas tree to be given on Albert square, just south of the new court house, awaits the children of Pampa. It will be held next Tuesday afternoon, at a time to be announced.

On the same afternoon there will be a free movie for all the children. This to be given by the Griffith Amusement company. The Lions will be in charge of toy distribution as usual this year, according to C. O. Busby, chairman of the club's committee. Anyone having old toys that can be conditioned for distribution to the homes of poor children is asked to call Mr. Busby at the city hall or the Rev. Tom W. Braham at the Methodist church. These men will send for the toys which cannot be delivered to them.

Toys will be delivered at the homes this year instead of at the Christmas tree. The American Legion and the Elks club are cooperating in the distribution of Christmas cheer. They will give money and groceries, while the Legion auxiliary will contribute clothing.

Further announcement of the Christmas plans will be made Sunday, according to Mr. Busby.

Magnolia Well Is Near Pay

Magnolia Petroleum company's No. 1 Wright, section 13, block 3, is now drilling in the granite wash at 2,832 feet in an oil formation. The company expects to bring in the well before the end of the week. This well is an offset to the Texas company's No. 3 and No. 5 Coombs-Worley gushers which came in two weeks ago for a heavy production.

Canadian Geese Bagged by Pampa Men Last Night

Thirteen Canadian honkers and stories of one of the best hunting trips of the season were brought back from a ranch near Miami last night by J. G. Christy, J. G. Lyons and Roy Bourland of Pampa, and Cecil Fortney of Borger. The Pampans and the Borgerite killed their 13 geese in three hours and said they could have killed more.

"In the three hours that we lay in the field between the feeding grounds and the creek we must have seen 5,000 geese," Mr. Bourland said. One of the geese brought back weighed nine and one-half pounds. As the weather was almost zero, the men dug pits in the earth and waited for the geese to "make whoopee with our six live decoys and 25 paper ducks," Bourland explained.

The men hunted one hour Wednesday afternoon and two hours yesterday morning. The ranch is about 13 miles north of Miami.

Trains Running Heavy on Account of Holiday Rush

Old Man Santa Fe felt the first strain of the Christmas week this morning when his early morning passenger which arrives here usually at 3:40 a. m., pulled in at the station at 11 o'clock. But even that was only the first section and it was about twice as long as the usual train. The second section is due to arrive sometime today. Santa Fe officials said the train was "loaded to the gills with Christmas cards, packages and folks rushing everywhere for the holidays."

Local Problems Arise As New Route Is Planned

MIAMI, Dec. 20. (Special)—Highway interest in Roberts county has been quickened by a decision of the state highway commission to route No. 33 north of the Santa Fe railroad between Pampa and Miami and to bring it through Miami as a control point. Previous indications were that traffic from Pampa east would be sent over No. 33-A, which is located south of this town.

An order establishing the designation of highway 33 north of the railroad was made in Austin after a conference with Joe Coffey and W. A. Scales, representing Roberts county. There was little discussion of where the new designation would be located, this being regarded by the commission as an engineering problem. An early survey was promised, but Division Engineer Bailey is not expected to begin the work until the new year, probably in February.

Miami citizens were elated with the change in designation, which means that the town will not, as was feared, be left off a main highway. They felt also that they had accomplished something for Pampa in saving the designation into territory north and east of Gray county, a growing trade territory for both counties.

Considerable conjecture hinges on where the new route will cross the Santa Fe near Pampa. In the Austin discussion, Mr. Gilchrist told the commission that the most logical point seemed to be about 2 miles west of Pampa at a natural under-pass. From this point the road might follow an easterly trend, skirting North Pampa and continuing toward Miami. Whether the designation would follow the recently graded and drained highway built by Gray county is problematical, and the state engineer would not commit himself upon this point.

Another point of interest was what disposition would be made of highway 33-A east from Pampa, which the highway commission has previously claimed too nearly parallel No. 33 to justify both routes in passing near Miami.

Roberts county will likely call a bond election to pave Highway 33 across the county when the designation has been definitely surveyed and established. It had been repeatedly stated here that the county could not and would not vote for paving which went south of the railroad, where it would serve only a few residents of the Roberts area.

Camp Warner to Be Discussed at Meeting Sunday

Disposition of Camp Warner, near Claude, will be discussed by Boy Scout leaders at the camp Monday, it was learned today.

Memphis Boy Scouts will have an outing at the Camp Saturday and Sunday and visitors from several councils will be present. James Sackett of Pampa will be among the scoutmasters at the meeting. When the Panhandle council was divided about two years ago, equity in the camp remained undivided. The Adobe Walls council has been holding its camps at different sites. Whether the camps will be consolidated and all held at Camp Warner next year will be discussed.

Scout Executive Clarke of this council has asked that as many Scout leaders as possible attend the Camp Warner meeting.

RETURNING FROM COLLEGE

Miss Macie and Miss Retha Lester, daughters of Mr. and Mrs. J. L. Lester, will arrive tomorrow from Huntsville, where they attended Sam Houston State Teachers college to spend the holidays at their home. John Lester, Jr., left yesterday to meet them at Fort Worth, from which place they were to drive to Pampa.

CITY OPERATES AT PROFITS HER DEPARTMENTS

Total Revenues Found to Be \$12,964 Over Cost

WATER DIVISION EFFICIENT ONE

Department Has Net Income of Over \$20,000

Operating revenues of the City of Pampa for the year Nov. 30, 1928 to Nov. 30, 1929 amounted to \$12,964.15 more than the operating expenses over the same period, according to a statement of City Manager F. M. Gwin.

In other words, city departments requiring operating expenses more than paid their way, requiring no tax revenue. The water department alone showed a total of \$47,492.43 in revenues and a net profit of \$20,642.43 after fixed charges, including interest on investment, sinking fund requirement, and depreciation, were deducted. It is likely that a reduction in water rates will be made early next year because of this good showing and by reason of the fact that the water resources are now considered adequate for a city of 20,000.

Efficient operation of the water department is clearly shown by comparison of figures for 1927, 1928 and 1929. In 1927, water receipts totaled \$34,556.07 with an operating expense of \$22,242.21. In 1928 the receipts were \$54,398.40 and expenses \$24,120.24, with a gross profit above operating expense of \$30,278.16. In 1929, to November 30 over a year's fiscal period, the receipts were \$72,980.61 and the expenses \$25,488.18, or a gross profit above operating expense of \$47,492.43. It will be seen that the operating expense has risen little, while the profits have more than doubled in the last three years. Profits of the department have been used in repairs, new equipment, and extensions, and to pay the fixed charges named above.

The water department's operating expenses were as follows: Superintendent's salary, \$2400; helper's salary \$1760; pumpers' (2) salary, \$2917.95; labor paid by hour, \$3939.15; bookkeeper and collector, \$1290; fuel and oil \$1774.53; power and light, \$8305.15; natural gas \$89.33; maintenance on building, \$7.90; maintenance on equipment, \$823.68; other expenses \$2180.49. Total, \$25,488.18. On last November 30 there were 1,616 water connections in Pampa, as compared to 1,288 on Nov. 30, 1928.

For the last fiscal year, revenues and receipts not including general taxes were as follows:

City court, \$13376.87; water service and taps, \$72,980.61; dump ground \$596.50; occupation taxes, \$245; pound fees, \$226.75; dog taxes, \$778.25; permits, plumbing, building, etc., \$2,672.63; interest, \$1,899.04. Total, \$92,775.65.

Operating expenses were distributed as follows:

City officer (manager's salary, secretary's salary, city commission, printing, charity, legal suits), \$12,916.06; police department and jail, \$13,812.63; city court, city judge, city attorney, etc., \$3,833.66; fire department, \$2,559.77; health department, and laboratory, \$2,292.90; water and sewer department, \$25,488.18; sanitation and dump ground, \$1,034.81; street lighting, \$5,892.72; assessor's office, \$1,513.67; tax collector's office, \$445; city hall expense, \$511.63; street maintenance department, \$9,330.33; interest, \$1,890.14. Total, \$79,811.50.

Total operating revenues for November were \$8,110.59 and operating expenses \$7,291.39, leaving net revenues \$819.20. Water service and taps produced \$6,447.17 in revenues in November, compared with operating expenses of \$2,400.34.

"I am rather proud of this statement," said the city manager. "It points the way to still further economies of operation."

Mr. and Mrs. G. A. Kelley will leave today for Mt. Enterprise, where they will spend the holidays with Mr. Kelley's parents.

A new hat is presented to any football player at Colgate University who blocks a punt in a game.

APPEALS COURT FINDS ACTION IN HIDALGO COUNTY UNLAWFUL IN THAT BALLOTS ILLEGALLY THROWN OUT

Gordon Griffin of McAllen Is Declared to Have Been Elected Over Judge Leslie, Incumbent

AUSTIN, Dec. 20. (P)—The third court of civil appeals today affirmed the Travis county district court in holding that Gordon Griffin of McAllen had been elected district judge of Hidalgo county over Judge J. E. Leslie of Edinburg, incumbent.

The trial court found the county commissioners court of Hidalgo county acted unlawfully in rejecting returns of the Weslaco box and refusing to include the results there in the canvass.

Returns as canvassed by the commissioners gave Judge Leslie the office by a majority of a few votes, but it was alleged the Weslaco box had voted overwhelmingly for Griffin, swinging the election to him.

CONGRESSMAN KAYNOR AND FOUR OTHERS KILLED IN CRASH WHEN TRI-MOTORED AIRPLANE FALLS

Fiesta Is Much Enjoyed—Christmas Tree Is Feature

A Christmas fiesta in three parts was presented by the Hill School of Expression on Wednesday evening, before a large and appreciative audience at the First Methodist church. Fifty pupils of Mrs. F. Lee Hill and her assistants Miss Marie Batai and Miss Clarice Pittman, with a number of singers of the city, were presented in the recital, which was the first of large pretensions given by the school since its establishment in the early fall.

Children and little tots appeared in the first and second parts of the program. The first was a Christmas fantasia, preceded by a prologue. Part II consisted of two one-act plays, "Christmas Contervery" and "The Company of Santa Claus." In both the first and second acts the legendary and allegorical figures of Christmas legend were seen—elves, fairies, snow sprites, and Old Saint Nick. Attractive costuming added much to the pleasing effect.

"No Room in the Inn," a pageant of the Nativity, was given as the third and closing number. Older members of the expression classes and their friends presented the characters. Their costumes also were beautiful, and special lighting was used to make the scenes impressive.

A Christmas tree was held, after the performance, for the children of the cast. Small presents and treats of candy, fruit, and nuts, were distributed by the teachers.

Mrs. Frank Shaw Will Accompany Henderson Train

Mrs. Frank Shaw will leave tomorrow for Shreveport, La., where she will board W. K. Henderson's "radio train" that will make an 11-day tour of old Mexico beginning Dec. 26.

Henderson is the owner of radio station KWKH and is its chief announcer. The special train will comprise 18 cars and several hundred people. The radio tour will include a visit to Mexico City, Monterrey and Tampico. The tourists will board the train at Shreveport.

Mr. Henderson, who is also owner of the Henderson Iron Works at Shreveport, will be host. He gained national fame as an announcer with the salutation, "Hello world, doggone yuh!" The tour has been in the process of organization for several months.

Miss Velora Reed left this morning for Noel, Mo., where she will spend the holidays with her parents.

The commissioners claimed they did not count the Weslaco votes because the envelope bearing them was unsealed and because of alleged irregularities in the voting.

Leslie, judge of the 93rd judicial district, was the Democratic nominee and Griffin ran on the independent ticket in the general election of 1928.

Griffin sought an injunction in the Travis county district court to enjoin Mrs. Jane Y. McCallum, secretary of state, from opening the returns from Hidalgo county, claiming they did not reflect the true result. The court granted the injunction and the case was appealed.

WASHINGTON, Dec. 20. (P)—Five persons, including a member of congress and his secretary, were hurled to death today in the worst air crash in the history of Bolling field.

Representative William Kaynor of Massachusetts, en route by air to his home in Springfield, along with Stanley B. Lowe, his office associate, were passengers in the plane.

Captain Harry A. Dinger, pilot of the plane, Arthur A. McGill, civilian air employe, and Charles Kunder, army private, were the others who lost their lives.

The big plane had just taken off from the field and had reached a height of about 400 feet when it seemed to hesitate. It then turned downward, striking the ground with tremendous crash.

Bolling field officers immediately closed sources of information pending an inquiry, but news of the accident reached the capitol first. It reached the capitol, first from a woman who made the trip by automobile. She was in a hysterical state and could not immediately identify any of those killed.

Lowe, who is also a resident of Springfield, and McGill were requested by Representative Kaynor to accompany him on the flight to Massachusetts. Kaynor only recently had been placed on the house military committee, and today's tragedy ended his first journey in an airplane.

Captain Dinger was considered one of the most expert aviators in the army. He personally piloted Chairman James of the house military committee recently on a trip of 20,000 miles over the country for inspection purposes. Representative Kaynor was serving his first term in congress, having been elected in November a year ago. He was born in Sanborn, Iowa, in 1884, was a graduate of Yale in 1912, and was manager of the football team there. Prior to his election to congress he had served as postmaster at Springfield, Mass., for six years, and formerly was chairman of the Republican city committee.

COTTON GINNINGS ARE ANNOUNCED

WASHINGTON, Dec. 20. (P)—Cotton of this year's crop ginned prior to December 13 was announced today by the census bureau to have been 13,461,630 running bales, counting round as half bales and excluding linters.

To that date last year 13,144,333 running bales were ginned and 1927 the total was 12,072,763 running bales. Round bales included this year numbered 520,072 compared with 564,586 last year and 487,234 in 1927.

American Egyptian included totalled 20,701 bales, compared with 21,981 last year and 17,660 in 1927.

Mr. and Mrs. J. W. Brown of El Paso were in the city today, visiting with Mr. and Mrs. J. W. McPolk, who travel for Kansas City Paper House.

SHUT-DOWN IS INEFFECTIVE IN THIS SECTION

Committee Is Named to Draft Plan of Action

SPECIAL MEETING IS HELD HERE

Daily Production May Be Cut to 40,000 Barrels

A committee of three oil company officials was appointed to draft a proration plan for Gray county oil areas, at a meeting of 60 operators here yesterday afternoon. The plan will be submitted to the operators for discussion and approval at another session to be held here at 10 a. m., Dec. 27. The committee includes Chairman J. L. McMahan of the Texas company, Steward Dewar, vice-president of Phillips Petroleum company, and E. B. McFarlin of the McMan Oil and Gas company.

The motion empowering H. M. Stalcup of the Skelly Oil company, president of the committee, to appoint the committee was instructed to confer with the crude purchasing companies to ascertain what amount of oil they will buy in January. With this information the committee will form the proration plan for Gray county.

In stating the reason why the meeting was called, Mr. Stalcup said the county is still producing too much oil; that the increase in daily production this week over last is 16,000 barrels. While the daily production Dec. 5 was around 51,000 barrels, now it is about 70,000 barrels, and the demand is much lower than the production, he said.

Pipeline Runs Out Pointing out that the Texas company has cut its purchases 40 per cent and the Humble has cut its purchases 50 per cent, H. A. Meyers of the Prairie Pipeline company announced that as his company daily was buying 4,000 barrels of oil, more than it needed, it was confronted with the necessity of slashing its pipeline runs that amount. He said it was necessary to either curtail the pipeline intakes or cut the price of oil and that his company preferred to do the former.

Humble Pipeline company men stated that they favored a proration plan; (See PRODUCTION, page 8.)

Christmases of Many Lands Are Seen in Program

Two hundred pupils in the second grade classes of the Pampa ward schools gave a program of unusual interest last evening at Central high auditorium. Christmas as it is celebrated by Indian, Japanese, Russian, Italian, German, Dutch, and American children was illustrated in seven scenes, in which games were played and songs typical of the peoples were sung. Each group was attractively costumed. All appeared together to sing Christmas carols at the end of the program.

The high school orchestra, directed by Thomas Fannell, played before the program and between scenes, the music contributing appreciably to the entertainment of the evening. Accompanists for the various acts were: Mrs. J. F. Curtis, Mrs. J. I. Bradley, Miss Martha Wulfman, Miss Kathleen Besty, Miss Iva June Willis, and Miss Nell Crain.

Pupils of the following teachers took part: Mrs. Tom Morris, Mrs. Katie Strickland, Mrs. B. G. Gordon, Mrs. C. C. Cockerill, Miss Beulah Hall, Miss Cleo Snodgrass, Miss Opal Snodgrass, Miss Opal Cox, Mrs. J. L. Lester, primary supervisor, and Miss Iva June Willis, public school music supervisor, were general directors.

A large audience was present for the interesting program. Through nominal charges a fund of \$85 was raised for the purchase of equipment for primary grades.

Table with subscription rates for Pampa and other areas, including one-year, six-month, and three-month rates.

NOTICE TO THE PUBLIC

Any erroneous reflection upon the character, standing, or reputation of any individual, firm, concern, or corporation that may appear in the columns of the Pampa Daily News will be gladly corrected when called to the attention of the editor.

AS THIS IS WRITTEN THE SENATE PUBLIC BUILDINGS COMMITTEE IS CONSIDERING THE HOUSE BILL PROVIDING \$230,000 FOR FEDERAL STRUCTURES.

The House measure, known as the Elliott bill, contains the clauses which would make possible building of federal structures at Pampa and Borger next year.

but probably did not expect to need it so soon.

While it is not necessary for Pampa to donate a site for the federal building, it would be wise to do so.

The federal job, together with the city hall-auditorium and fire station, would form the nucleus of a big building program.

In going over the building of this year, The News has noted a fact that will cause it to raise the building permit total far

above the official figures. This fact is that many buildings actually cost much more than first estimates and the figures in the permits taken.

Seen from this new angle, Pampa's building for 1929 will just about reach the total for 1928, which was \$1,450,000.

It is possible that the weather man knows his business, but if he wanted us to have snow on Christmas eve, why didn't he send it on Christmas eve?

TWINKLES

Another thing that peevs us about this railroad recommendation is that that man Sullivan looked at our hearing from the standpoint of other hearings bearing on the Fort Worth network of lines.

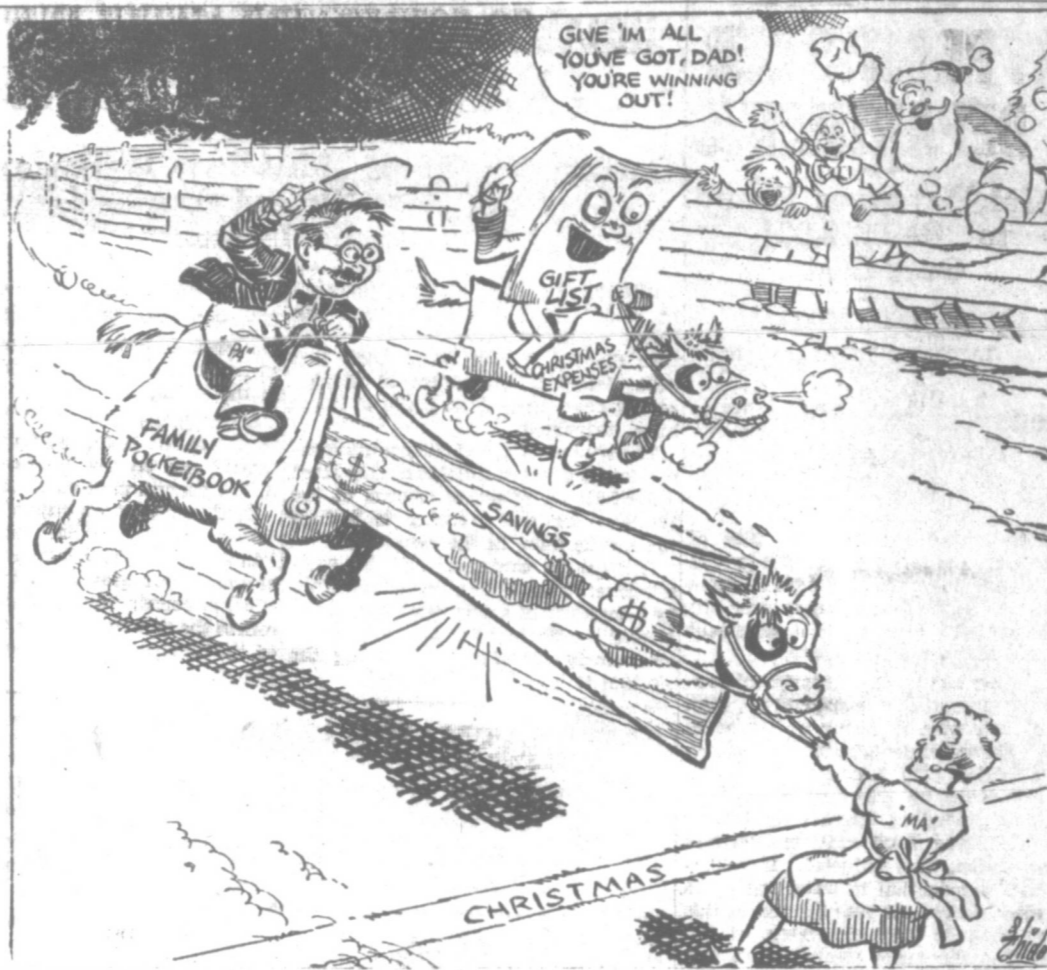

Percy, the office mouse, isn't so crazy about hanging up a sock. He much prefers a big shoe for his home.

Christmas Holidays Will Find 85 Pampa Teachers Widely Scattered

All schools of Pampa Independent district, recessed at 2:30 o'clock this afternoon for a week's Christmas vacation, and there followed immediately an exodus of teachers who will spend the holidays at their homes or with friends in other cities. Of the eighty-five members of the city faculties, only a score will remain here through the week, including those who have their homes in Pampa.

Supt. and Mrs. R. B. Fisher will go to St. Joseph, Mo., where they will visit Mrs. Fisher's parents, J. A. Meek, principal of Baker school, with Mrs. Meek and their little son, will spend the holidays with relatives at Wheeling, Mr. and Mrs. Otho Mitchell and small son will be in Childress several days with Mrs. Mitchell's parents. Mr. and Mrs. B. G. Gordon will go to Fort Cobb, Okla., for a few days. Mrs. Annie Daniels, principal of East Ward, has a home in Canadian, and will go there for the holidays. Miss Dorothy Ballard is to go to Los Angeles with her parents for the holidays. They will make the trip by motor, accompanied by Mrs. L. L. Sone and her little daughter, Shirley Ann, who will visit the former's parents.

Miss Luell Hill will go to her home in Baird. Miss Mary Shell will visit her parents at Waxahatchie. Miss Gracie Fern Latimer, the most recent addition to the high school faculty, will visit her home at Higgins. Miss Addie Lee Smith will go to Dallas. Miss Olivine and Miss Maxine Collins will spend the week at their home in Alford.

Miss Iva Hargrove will visit her sister, Mrs. Lewis Gilbert, at Guyman, Okla. Mrs. E. F. Thomas and her husband will be guests of the former's parents, Mr. and Mrs. R. E. Benton, of Fort Cobb, Okla. Mrs. E. L. Norman, who is a teacher in Junior high, and her husband will visit in Mangum, Okla., where parents of both live.

Miss Mildred Stewart is one of a number who will go to Clarendon for the holidays. She will visit in Dallas, also, before returning to Pampa. Mrs. C. A. Barker will visit her parents in Canyon. Mrs. E. L. Hampton will go to Clovis, N. M., accompanied by her husband, to visit her parents.

Miss Nell Crain will go to her home in Goodnight. Miss Vida and Miss Opal Cox are to be at their home in Jayton. Miss Kathleen Beaty, whose home is in Amarillo, will go there for the holidays. Mrs. John Bradley will be in Norman, Okla., for most of the vacation.

Miss Ellen Smith is visiting in Canyon. Miss Jewell Montague is to be at Silverton for the week. Mrs. L. K. Stout is to visit in Jarsons, Kans. Mrs. C. E. Lawrence will spend the holidays with relatives and friends in

Kansas City. Mrs. John Hessey will spend a few days in Clarendon. Miss Naomi Owens is to spend most of the week in Waynoka, Okla.

Miss Hazel Bulls will spend the holidays at her home in Clarendon. Miss Fannie Florence and Miss Nettie Sims, whose home also is in Clarendon, will be there. Miss Anna Louise Jones is to go to Wortham. Miss Roy Riley will spend the vacation with her parents at Lockney. Mrs. Logan Simpson is to be in Amarillo. Miss Edna Mims will be in Wellington.

Mrs. Alice Cookston will visit in Amarillo. Mrs. A. M. Teed also is to visit friends in Amarillo. Miss Ila Poole is to go to her home at Hedley. R. A. Selby, principal of Junior high, will visit in White Deer and Wellington. Miss Martha Wulfman is to spend the vacation with friends and relatives in Farwell. Miss Sarah Campbell is to be at her home in Claude. Miss DeLoris Vinson, whose home is at Willow, Okla., will go there for the holidays.

Miss Clarice Fuller will visit her grandfather and other relatives in Clarendon. Miss Gwendolyn Spradley is to be at Hereford. Mrs. Edna Underwood and her children will visit in Willow and Mangum, Okla. Miss Beulah Hall will be in Tulla at her home. Mrs. C. W. Stowell will be the guest of Mr. and Mrs. Bob Sone of Floydada. Miss Mary Nell will spend the holidays with her parents at Memphis.

Mrs. T. A. Cox will accompany Mr. Cox to Cleburne and Galveston. Miss Josephine Thomas, principal of West Ward, is to visit her sister, Mrs. W. C. Tomlinson, at Weatherford, Okla. E. H. Solf will be in Carmen, Okla., at his home. Miss Bernice Whiteley is to be at her home in Bangs. Miss Anna Esta Goerner also will visit in her home, which is in Dallas.

A. M. Fox will be with friends in Independence, Kans. Miss Josephine Carriger will be the guest of friends in Cushing. Miss Fannie May is to visit with her parents at Alpine. Miss Leah Amend, whose home is in Canyon, will go there for the vacation. Nellus Tedford is to be in Excelsior Springs, Mo. Mr. and Mrs. T. A. Fannell of the music faculty and their children will go to Cobby, Kans., for a part of the vacation.

Miss Arless O'Keefe will spend most of the vacation at her home in Panhandle. Miss Iva June Willis, whose parents live in Wichita Falls, will go there for the holidays. Jack Wood, principal of Lamar school, is to visit in Waco. L. L. Sone, principal of the high school, will visit in the home of his brother, Lem Sone, at Panhandle. Among those whose homes are in

Program to Feature Christmas Observance of Moose Lodge Tonight

Members of the Moose lodge, their families, and their friends will meet this evening at the Odd Fellows hall for a Christmas social, a program, and a Christmas tree. The public is invited to attend.

The program, scheduled to open at 8 o'clock, is as follows:
Song, by assembly.
Selected reading, Mrs. F. Lee Hill.
Reading, Everett Lovell.
Song, Lois Cottrell.
Reading, Ernestine Followell.
Children's pageant.
Reading, Betty Jean Stroud.
Reading, Roberta Lambert.

The Christmas tree will be for the special benefit of the children, and will hold a gift and treats for all.

Pampa, and who will remain here for the holidays are the following: Mrs. J. R. McKimling, who will have her brother, Troy Stalls, an S. M. U. student, as her guest; Mr. and Mrs. J. L. Lester, Mrs. Tom Morris, Mrs. Sam Irwin, Mrs. I. E. Kullmann, Mrs. C. C. Cockerill, Mrs. Catherine Wilkerson, Mrs. E. F. Strickland, Miss Zenobia McFarland, Miss Opal and Miss Cleo Snodgrass, Miss Julia Mae Barnhart, Miss Wilma Chapman, Miss Margaret Terrell, Miss Hortense Allison, Miss Bonnie Lee Tidwell, Miss Helen Anderson, Miss Euritha Henry, and C. S. Chaney.

Gift Exchange and Christmas Tree Feature Friendship Class Party

A party featured by a Christmas tree was given yesterday afternoon for the Friendship class of the Methodist Sunday school, with Mrs. R. C. Lackey, Mrs. Jerry Boston, and Mrs. A. S. Beavers acting as hostesses at the class room.

The tree was laden with gifts exchanged among the members and by "Pollyanna friends," each member receiving two presents. Games were played, and refreshments accenting the color notes of red and green of the decorations were served at the tea hour.

The members attending were: Mrs. L. A. Seigel, Mrs. Roy Bourland, Mrs. J. Frank Murray, Mrs. C. S. Boston, Mrs. O. H. Booth, Mrs. T. H. Bartholoma, Mrs. J. E. Gilbert, Mrs. W. R. Campbell, Mrs. H. L. Spence, Mrs. C. M. Fearn, Mrs. W. S. Tolbert, Mrs. Tom Robinson, Mrs. Carl Clements, Mrs. Roy Wiley.

Mrs. E. P. Thompson, Mrs. J. V. Kidwell, Mrs. Joe W. Shelton, Mrs. E. F. Caughey, Mrs. W. A. Webb, Mrs. C. A. Morris, Mrs. A. J. Taylor, Mrs. R. M. Smith, Mrs. Roy Tinsley, Mrs. B. M. Wood, Mrs. Lee Harrah, Mrs. W. P. Moss, Mrs. R. G. Harrell, Mrs. Edwin Vicars, Mrs. Joe Hodge, Mrs. Russell Smith, Mrs. R. G. Harrell, and Mrs. L. P. Duval.

Boyd Hayes of Temple, Okla., arrived today to spend the holidays in the home of his brother, J. Homer Hayes.

Baptist Juniors Will Send Gifts to Orphans

The Junior department of the First Baptist Sunday school, the pupils of which are between the ages of nine and thirteen years, will have a Christmas tree and program tomorrow afternoon at the church, beginning at 2:30 o'clock. Gifts will be exchanged among the pupils, and treats will be distributed.

Each child attending is to bring a gift to be sent to Buckner's Orphans home at Dallas.

Alleged Escaped Convict Claims to Be An Engineer

ST. LOUIS, Dec. 20. (AP)—A man identified by police as Mike Stanna, escaped convict wanted in Ohio and Texas for murder and robbery, but who insists he is John M. Henson, New Orleans civil engineer, was held in jail here today awaiting positive identification.

The man was arrested in a fashionable hotel here by detectives on information he was Stanna, under sentence of 100 years for murder of a paymaster in a holdup in Cleveland in July, 1920, and wanted in Galveston, Texas, for escaping from jail while under sentence of 33 years for participation in the robbery of a jewelry store. Stanna escaped from the Ohio prison in 1927.

In his room police said they found a loaded revolver, several cartridges and three shotgun shells containing tear gas. They also said the prisoner's fingerprints were of the same classification as those of Stanna and that he filled the convict's description in other respects. His fingerprints have been sent to Ohio and Texas.

Subway Crash Injures Fifty in Brooklyn Today

NEW YORK, Dec. 20. (AP)—Fifty persons, many of them women, were injured today when a six-car Brooklyn Manhattan transit subway train ran into a grounded third rail in the tunnel under the East river connecting Manhattan with Queens.

In efforts to escape from the train excited persons broke windows in some of the cars, cutting themselves with glass.

Meanwhile fumes of burning insulation seeped into the cars with the result many passengers became excited and began to fight their way out. Windows were broke, and many passengers were cut and bruised.

When the power was turned off, the passengers rushed from the cars to the road bed of the tunnel. Some walked to Queens Plaza station about half a mile away, and climbed out on Welfare Island, while others were taken aboard a train on the opposite track and removed from the tunnel.

B. M. T. officials said the motorman brought his train to a stop and sent in a call for an emergency crew as soon as he noted a flare on the third rail.

Baker P-T.A. Holds Final Session of 1929

Members of the Baker Parent-Teacher association closed the business of 1929 and turned their faces toward a year of greater accomplishment in 1930, yesterday afternoon, at their last meeting of the year. Officers of the association urged first of all a fuller attendance of the membership at regular meetings, which hereafter will be held on the third Thurs-

day afternoon of the month. After discussions of the possibility of adding lunch school through out, and other educational equipment, a committee was appointed to investigate costs and prices, and report at the January meeting. Members were Mrs. J. S. Browne, Mrs. Roy Kugore, and Mrs. J. S. O'Brien.

A pleasing program was presented by pupils of Miss Martha Williams and Miss Opal Higgins.

Former Follies Girl Is Reunited With Husband

LOS ANGELES, Dec. 20. (AP)—Heleen Lee Worthing, former New York stage beauty, resumed her place today as mistress of her home in the negro section of Los Angeles after effecting a reconciliation with her husband, Dr. Eugene C. Nelson, from whom she had separated because of a "jealous spat."

The reconciliation followed a meeting in an attorney's office. Both the former actress and her husband said their differences had followed a dispute over another woman and "all has been forgiven."

Airing of Dr. and Mrs. Nelson's marital troubles not only explained the disappearance two years ago of Miss Worthing, but also brought the first intimation to friends here that Dr. Nelson was not entirely of Caucasian blood.

"To me he is not what the world would call a negro," Miss Worthing said of her husband. "He is not black in skin or black in heart. I believe he loves me better than anything else in the world, and I know that I do him. No social or racial barrier can separate us."

The former Ziegfeld Follies girl, who dropped from sight in 1927, said she was married to Dr. Nelson in Tijuana in June of that year. For a time they lived in an exclusive Hollywood neighborhood, but later moved to the negro section of Los Angeles where Dr. Nelson has an extensive practice.

Huge Verdict in Breach Suit Is Returned by Jury

DETROIT, Dec. 20. (AP)—Unless a new trial is granted by Judge Homer Ferguson, a judgment against John H. Castle for \$450,000 will be entered after 20 days in favor of Miss Bertha Cleavenger in accordance with a jury's verdict yesterday in her \$750,000 breach of promise suit.

The verdict against Castle, 37 years old and a wealthy real estate operator, is believed to have established a new high figure in a breach of promise case. A \$225,000 verdict in the O'Brien-Manning case in New York was subsequently reduced by the court to \$125,000.

Mrs. A. B. Zahn returned yesterday afternoon from Amarillo, after spending a few days at St. Anthony's hospital, where she had a tonsillectomy.

PORT ARTHUR'S STOCK RISING RAPIDLY NOW

BY GAYLE TALBOT, JR.
Associated Press Sports Writer

Sentiment, as applied to the prospective winner in a high school football game, is built upon the sands. Five days ago, when it became known that Port Arthur and Breckenridge would meet for the state schoolboy title, there was a disposition among fans and critics alike to consider the hard-riding Buckaroos as good as "in." Breckenridge had met its toughest opposition, the consensus said; its grapple with Port Arthur would be in the nature of an anti-climax.

That, however, was five days ago. There has been a remarkable shift in sentiment since then. It has become noised about that, after all, Port Arthur really has quite a football unit and has no intention of offering itself as a sacrifice for a Breckenridge holiday. The state has discovered that the Jackets have eight men in their line-up who played against Abilene in last year's finale, and that the team is about 30 per cent stronger than last season. The Jackets, one hears, were not so hot early in the year, but have been gathering power steadily and right now are at the top of their form. Several critics have ventured the opinion that if the lowlanders are willing to open up and mix it with the Buckaroos they will have an even chance of victory. At any rate, Breckenridge is far from the top-heavy favorite it was a week ago.

The Texas league is becoming a sort of way-station for several baseball pilots. Two years in the same city is becoming a news event, three an achievement and beyond that a miracle. When the 1930 season opens only two managers, Del Pratt of Waco and Art Phelan of Shreveport will hold seats they had a year ago. Pancho Snyder will resume his place at Fort Worth, where he tolled the last half of the 1929 campaign, but the other five outfits will have new men at the helms. Jakey Atz, deposed Fort Worth pilot, has signed to succeed Mill Stock at Dallas; Del Baker, former Fort Worth catcher, will succeed Claude Robertson as pilot of Beaufort; George Burns has been sent down by the Giants to take Pat Newman's place at San Antonio; and Carl Williams has inherited Jim Galloway's job at Wichita Falls. Neither the winner of the last campaign, Stock, nor the runner-up, Galloway, could stick it out another term. The only berth remaining to be filled is at Houston, and the Cardinals are expected to announce their nominee any day. It is almost certain Gene Bailey, who took up where Snyder left off last year, will not be retained as pilot.

Five of seven Southwest conference schools again have chosen linemen to captain their 1930 gridiron teams. They are making up for the many years in which the gallant forwards are popularly believed to have gotten the worst of it. Dexter Shelley of Texas university and "Bull" Floyd of the Aggies are the only backs who will be called in on the pre-game consultations next season. Floyd, at that, was a lineman until the last season, when Matty Bell converted him into a full-back. Others are Noble Atkins, Texas Christian, center; Bill Morgan, Rice, tackle; Marion Hammon, Southern Methodist, tackle; Barton Koch, Baylor, guard; Milan Creighton, Arkansas, tackle. Cy Leland will act as second string captain to Atkins at T. C. U.

CAN'T CARRY FILMS

AUSTIN, Dec. 20. (AP)—The railroad commission today issued an order forbidding motor buses to carry motion picture films. The order was an aftermath of the recent bus explosion near San Antonio in which three people lost their lives. Films being carried on the bus were said to have exploded.

Pampa, Texas

International Sunday School Lesson

BY DR. J. E. NUNN

General Topic—The Child in a Christian World (Christmas Lesson)

Scripture Lesson—Luke 2:8-20.

8. And there were shepherds in the same country abiding in the field, and keeping watch by night over their flock.

9. And an angel of the Lord stood by them, and the glory of the Lord shone round about them: and they were sore afraid.

10. And the angel said unto them, Be not afraid; for behold, I bring you good tidings of great joy which shall be to all the people:

11. For there is born to you this day in the city of David a Savior, Who is Christ the Lord.

12. And this is the sign unto you: Ye shall find a Babe wrapped in swaddling clothes, and lying in a manger.

13. And suddenly there was with the angel a multitude of the heavenly host, praising God, and saying,

14. Glory to God in the highest, And on earth peace among men in whom He is well pleased.

15. And it came to pass, when the angels went away from them into heaven, the shepherds said one to another, Let us now go even unto Bethlehem, and see this thing that is come to pass, which the Lord hath made known unto us.

16. And they came with haste, and found both Mary and Joseph, and the Babe lying in a manger.

17. And when they saw it, they made known concerning the saying, which was spoken to them about this Child.

18. And all that heard it wondered at the things which were spoken unto them by the shepherds.

19. But Mary kept all these sayings, pondering them in her heart.

20. And the shepherds returned, glorifying and praising God for all the things that they had heard and seen, even as it was spoken unto them.

Golden Text—Suffer the little children, and forbid them not, to come unto me; for to such belongeth the kingdom of heaven.—Matt. 19:14.

Time and Place—Jesus Christ was born in Bethlehem, according to tradition, on December 25. The year B. C. 5, four years and a few days before the beginning of the Christian era, which was fixed thus incorrectly by the calculations of the monk Dionysius Exiguus in A. D. 526. The Matthew passage, at Capernaum, summer of A. D. 29, the third year of Christ's ministry, Christ blessing the little children, Mark 10:13-16, in Persea, March, A. D. 30, a month before the crucifixion.

INTRODUCTION
Christianity is the only religion that gives the child his proper place. "Ever since that day when Jesus was born in Bethlehem, the world has had new reverence for childhood and motherhood." The spread of Christianity has been marked by the transformation of the attitude of men toward the child and by the growth of institutions for the promotion of his welfare. Today, more than ever before the best thought of the world is centering on the prob-

lems of childhood.

Secret of Greatness
"Dr. A. J. Gordon was a wonderful man of God. On one occasion I asked one of the aged members of his church if she would tell me what in her judgment was the secret of Dr. Gordon's power. She told me this story. "One day—it was a Sunday—I saw Dr. Gordon going towards his home from the church, when he met three children who were crying. After ascertaining the cause of their grief I saw him get down on his knees in the dirt and reach through the grating of the sidewalk and pull up a scrawny kitten. He gave it to the kiddies and went on his way rejoicing." Friends, that is the spirit of the kingdom of God, and it will make any man great."—Rev. W. Harry Freda.

Bringing Children
"That he should touch them"—not simply that they should touch him. Parents of the coming generation, bring your children to Jesus! Small lives need the greatest heat to fan them into flame. Seek for them nothing less than the sun—bear them into the presence of Jesus. They will learn all things from Him—the beauties of the field and the pity of the heart and fervor of the mind. Caesar will not teach them such courage; Socrates will not show them such calmness; David will not impress them with such chivalry; Moses will not inspire them with such meekness; Elijah will not imbue them with such earnestness; Daniel will not touch them with such manliness; Job will not serve them with such patience; Paul will not fire them with such love.

The Babe of Bethlehem
When Augustus was Emperor of Rome and Quirinius Governor of Syria the imperial mandate ordered a census to be taken throughout the empire. The

Sunday School Lesson

(Continued from page 6.)

Jewish method of enrollment, which the Romans allowed to be used in Palestine, was to require each person to be enrolled in his own city, that is, the town from which his family originally came.

Among the many thousands whom this edict required to take long and toilsome journeys was Joseph, the village carpenter of Nazareth in Galilee, who traveled with Mary, his espoused wife, to Bethlehem six miles south of Jerusalem, since he was descended from the great King David, who was born in that small town. The inn was crowded, and had no room for the pair, who were compelled to take refuge in a stable. Tradition, which is probably accurate, says that Jesus was born in a limestone cave used as a stable, and Jerome spent many years in such a cave at Bethlehem, translating the Bible into Latin (the "Vulgate" or "Common" translation). Mary was too poor to hire an attendant, and when the Holy

Child was born she herself wound His tender body with swaddling bands after the fashion of the East, and laid Him in a stone manger, a receptacle still on occasion employed as a cradle in that region. The entire story is so simple and natural that it bears on its face the evidence of its truthfulness. The false Gospels, on the contrary, are crowded with preposterous miracles attaching to the infancy of our Lord.

The City of David

Bethlehem was known as the "City of David" because it was the home of his ancestors rather than because of any residence or exploit on his own part at that place. It was here that Boaz married Ruth, the beautiful young Moabite widow who left her native land to go to Judah with Naomi, her bereaved mother-in-law. It was here that Boaz, David's grandfather, was born to Obad and Ruth; and it was here that Jesse, the father of David, lived (1 Sam. 17:2). Because it was his birthplace Bethlehem was associated with the name of David throughout his history.

Christ the Lord

Here is a triple crown of glory and blessing! "Jesus" means "Jehovah Saves"—saves from sin, saves from sorrow, saves from death, saves eternally, saves freely, saves all who will accept his salvation. "Christ" means "anointed," and is Greek; "Messiah" is Hebrew and also means "anointed." Christ was anointed by the Holy Spirit at his baptism. He is Prophet, Priest, and King. "Lord" signifies "Jehovah," the Infinite and Eternal Sovereign. This wonderful sentence is the herald's proclamation, announcing the greatest event in the world's history.

The Heavenly Host

"And suddenly there was with the

angel a multitude of the heavenly host." Jehovah is the Lord God of Sabath, that is, of this same heavenly host. Before the wondering eyes of the shepherds the sky seemed parted and drawn aside like a curtain, disclosing the vast army of angels who had gathered to attend the event which meant so much to heaven as well as earth, "Praising God." Because He "so loved the world that He gave His only begotten Son."

The First Preachers

"And when they saw it, they made known concerning the saying which was spoken to them about this child." They would tell their startling story to this person and that, in the streets of Bethlehem and the crowded inn, and they would not fail to tell it to Joseph and Mary, who would rejoice at this confirmation of the heavenly announcements that had been vouchsafed to themselves.

Those shepherds were the first Christian preachers, and they moved their little audiences powerfully because they talked about Jesus Christ, and because the confined themselves to their own experience. Any preacher or teacher or other Christian worker will succeed if he follows their example.

Mary Pondered

"But Mary kept all these sayings, pondering them in her heart." Memory and thoughtfulness combined, gradually working understanding, and conviction. The others wondered, but Mary pondered. Little is told us of this marvellous and greatly blessed woman, the mother of our Lord, but that little is enough to fill us with admiration. To artist, to poet, to musician, to saint, and to seer she has always stood for the highest, purest, and best in womanhood, the ideal mother.

ONCE UPON A TIME

Colonel Patrick J. Hurley, recently appointed secretary of war, was a cowboy, at 14, on an Oklahoma ranch. A year later, Hurley tried to join Roosevelt's Rough Riders, but was rejected because of his age.

"Stumble not at the despised acorn, rather consider the mighty oak which springs out of it, filling with spreading branches all the sky. Out of that stable has grown the civilized world. The manger was more than all thrones, the swaddling clothes more imperial

than purple raiment, the Babe was verily King of kings and Lord of lords. The humble birthplace witnessed the origin of the force which destroyed the religions of the old world, and of the movement which has created a new earth. It is not difficult now to believe in the divinity of the wonderful Child. How can we do anything else! Blessed are all they who trust in Him."—William L. Watkinson.

"Would it not be well if, from this Christmas-tide, we were to start afresh with new efforts to please Christ in our daily thoughts, words, and deeds; to ask His blessing on all that we undertake; to avoid, as a pestilence, whatever we know He would condemn; to say at every turn, 'Lord, I am Thine; I give thee my heart; do Thou take of my soul, keep me from evil, make me what Thou wouldest have me to be'—in a word, to dedicate ourselves, more consciously, regularly and affectionately than ever before, to Him who lay in the manger and died on the cross, that He might have us as His own to all eternity."—Canon William Bright.

Miss Madree Rowley will arrive tomorrow from Norman, Okla., where she attends the University of Oklahoma. She will spend the holidays with her sister, Mrs. Charles Todd.

Jack Hunter of Elk City, Okla., was a visitor in the city yesterday.

PUBLIC AUCTION TO CLOSE SALE OF FURNITURE

The Amarillo Furniture company will close its sale tomorrow with a public auction, beginning at 2:30 p. m. Victor Cornelius, sales promoter of Fort Worth, who has charge of the sale, will act as auctioneer. "We are going to let our friends buy at their own price," says Mr. Cornelius. The auction is the final selling before moving to the new location at 207 North Chuyler street.

Missouri has 227 licensed airplane pilots.

Jacksonville, Fla., has a jailer who is 6 feet 6 inches tall.

Nearly 400 of England's 1928 brides were 70 years of age or over.

PRORATION

That its present maximum capacity is 12,600 barrels daily, but would be 17,600 barrels daily in about 40 days, or as soon as a refinery is completed near Electra.

The capacity runs of the other pipeline companies and refineries henceforth will be as follows: Prairie, 7,500; Phillips, 5,000; Texas company, 14,000; British-American, 5,000; Pampa Refining company, 5,000. Mr. Stalcup estimated the outlet for Gray county in January would be around 40,000 barrels and that the present production is about 70,000 barrels daily. The proration plan will be based on the total capacity runs of the pipelines and refineries.

Reasons for Crisis
Mr. McMahan declared that curtailment in the past has been a failure because some of the companies have run all their oil; some have not observed the shut-down agreement, and some have. "The Texas company has cut its production," he said. "We have been penalized more than any other company in the field." He stated that his company would cooperate in any proration plan that was fair if the other companies would.

In answer to McMahan's query as to why Gray county was prorated while Hutchinson and Carson counties are not, Mr. Stalcup said that proration is usually confined to flush pools.

It is believed that the proration plan to be worked out by the committee will limit production to about 40 per cent of its present production, or around 40,000 barrels. The curtailment plan now in operation in the Dard Creek area in Guadalupe county was discussed and the committee announced it would consider adoption of that method.

Whereas the shutdown agreement effected only the Marland, Finley and Bowers pools, the proration will apply to all the pools of Gray county, including the LeFors and Saunders areas.

Blame for the failure of the shutdown agreement and the present overproduction could not be easily fixed, it was said. Mr. McMahan stated that his company was forced to bring in its two big gushers on the Coombs-Worley lease last week.

The only major companies who were not officially represented were Gulf Production company and Magnolia Petroleum company whose representatives, although present, said they were not authorized to speak.

Warmer Weather Brings Snow to North Panhandle

Last night brought warmer weather to Pampa and the North Plains, but with it snowfall amounting to almost three inches.

The temperature at 7 a. m. today was 20 degrees above zero, while at noon it had risen to 34 degrees.

BORGER. Dec. 20. (P)—Warmer weather brought snow to the Panhandle today. An inch of snow was on the ground here, and more was falling. Plainview also had a covering of white.

BROWNSVILLE. Dec. 20. (P)—This border community was apprised of the latest wintry blast last night when the temperature dropped to 40. Crops were not damaged.

VERNON. Dec. 20. (P)—Snow was falling this morning, with the temperature at a minimum of 26.

LUBBOCK. Dec. 20. (P)—Overcast skies and a flurry of snow greeted South Plains citizens today. The mercury slid down to 18 degrees last night, and the snow which fell intermittently was sticking.

CHILDRESS. Dec. 20. (P)—Four inches of snow fell here during the night while the mercury hovered around 15 degrees. Snow was still falling today, but the skies were clear, and the weather had moderated.

Markets

KANSAS CITY LIVESTOCK
KANSAS CITY, Dec. 20. (U. S. D. A.)—Hogs: 6,000; 25¢@50¢ lower; top \$9.35 on choice 180-230lb; packing sows 7.25@8.25.

Cattle: 1,200; calves: 700; steady to strong; slaughter steers, good and choice 950-1500lb 11.00@15.25; fed yearlings 12.25@15.50; heifers 11.00@14.50; cows 7.25@10.00; vealers 7.00@12.25; stocker and feeder steers 9.75@12.25.

Sheep: 1,000; lambs steady to strong; sheep steady; lambs 11.25@12.00; ewes 4.50@6.00.

WHEAT DROP BIG

CHICAGO. Dec. 20. (P)—Wheat dropped today to more than 16¢ a bushel below prices recently obtainable. With export demand meager, general bearish sentiment prevailed, and there was considerable selling out of future delivery holdings in order to stop losses.

Opening 1-4¢ to 7-8¢ down, wheat later continued to fall. Corn, oats and provisions were relatively steady, with corn starting 1-4¢@3-8¢ off to 1-8¢, and consequently holding near to the initial range.

Aluminum can be rolled into sheets so thin that 4000 placed together measure only an inch in thickness.

Food Inspector Is Working Here

Recommending that certain improvements be made in bakeries and restaurants of the town, W. L. Cude, state food and drug inspector, left yesterday announcing that he would return to finish inspection of Pampa food and drug dispensaries early in January.

Mr. Cude especially urged the bakers to keep and maintain in a whole, some and sanitary condition, the floors, wall and ceilings of the rooms of the bakery building in which the dough is mixed and handled. He also said the state law requires that the toilet and water closet be separated and apart from the room in which the bakery products are produced and handled. The same statute applies to cafes and other eating places as well as bakeries, he said.

While inspecting Amarillo bakeries, Mr. Cude charged several with violations of the pure food and sanitary laws. Two managers pleaded guilty to the charges and were fined.

Mars rotates on its axis in 24 hours 37 minutes 22 seconds, so that it day is only slightly longer than that of the earth's.

PAMPA GIRLS WIN BUT BOYS LOSE TO BORGER LAST NIGHT

BORGER. Dec. 20. (Special)—Pampa's girls defeated a local team here last night, 19-14, but the Harvesters did not halt the Bulldog sharpshooters and lost, 33-25.

While the Harvesters appeared to have the better teamwork and a developing offensive, the Pampa team always in the lead, although off on only by but a single point. Hanna was high point man of the game, shooting 13 points for the Bulldogs. LeFarge threw 10 points, and Captain Henry Ayres, star of the Pampa team, accounted for 8.

Pampa boys who were called upon by Coach Mitchell included English, Moore, Ayres, Saulsbury, Lard, Webb, Braly, and Poe. It was the first loss of the Harvesters to a Borger team.

Pampa girls were too strong for a crippled Borger line-up. Illness of a straggler forward was a blow to local hopes. Those who played for Pampa included Brown, Stone, Hies, Kell, Thomas, Fletcher, Ward, and Rose.

Wisconsin Man Says Texas Not Made Example

MILWAUKEE, Wis., Dec. 20. (P)—Declaring the Wisconsin real estate brokers board had at heart only the welfare of residents of this state and was not acting discriminatorily against Texas realtors, John L. Newman, secretary, announced the board had denied licenses to three Texas firms.

The board, Newman said, was authorized under the state laws as a license granting body for the sole purpose of protecting buyer and legitimate realtors, whether from Texas or any other state. Unfortunately, he added, an impression was given erroneously in Texas that Wisconsin had discriminated against Texas realtors and had planned a statute to forbid Texans from land

operations in this state. In dealing with hearings which resulted in licenses being denied the Texas firms, Newman cited the case of the Durham tropical land company of Florida which was refused a license and took recourse to the state supreme court in 1926. The court upheld the board on the ground the company had failed to demonstrate "competency and convincing trustworthiness."

Odds on Bass to Win Fight Crown

NEW YORK, Dec. 20. (P)—The betting fraternity is willing to give odds that the junior lightweight championship will transfer its headquarters from Seattle to Philadelphia tonight when Tom Morgan defends his somewhat synthetic title against Benny Bass in Madison Square Garden.

Overright odds made the deadly punching Bass an 8 to 5 favorite, but these were expected to narrow to around 6 to 5 at ring time. The fight is for 15 rounds.

An 8-year-old boy in New York trapped three burglars in his home.

England exports more than \$10,000,000 worth of sweets every year.

Craig Wood Now Defending Title to Pasadena Open

PASADENA, Calif., Dec. 20. (P)—More than 120 of the nation's best professional golfers and nearly an equal number of amateurs started play here today bent on wresting from Craig Wood, Bloomfield, N. J., professional, the \$4,000 Pasadena open golf title.

A majority of the "big shots"—Walter Hagen, Leo Diegel, Johnny Farrell, Tony Manero, Horton Smith, Bobby Cruikshank, Tommy Armour—and numerous others sought championship money. Wood, whose long drives featured his appearance a year ago, has coupled his hitting ability with a finished style on the putting greens—a style which won for him the recent Hawaiian open and enabled him to go to the third round in the professional golfer's association tourney.

Robert Cecil is convalescing at his home following an operation for appendicitis, performed at Pampa hospital a week ago.

Talks To Parents

NOT ENOUGH ATTENTION
By ALICE JUDSON PEALE

Five-year-old Betty spent her morning at kindergarten and her afternoon playing with children out in the park under the supervision of her nurse.

When she came home for supper, she found her mother entertaining some ladies at tea. She was led into the living room where she kissed her mother and said "How do you do?" to all the ladies, and then walked docilely out again quite in the manner of the model child.

A few moments later there were sounds of a struggle in the hall, and the guests were amazed to see a small whirlwind of tears and anger rush into the room and leap on its mother's lap.

"Tell all those ladies to go home, mother; I want you to come up in my room—I don't want you to stay here. I want to come and watch me have my supper."

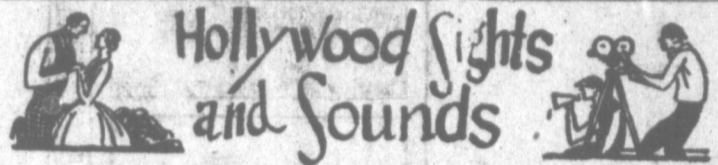

The occasion was not one of discipline. Betty had seen nothing of her mother all day, and it is not strange that she thus should violently demand attention. Too often we blame the child for misbehaving when he has been under strain which makes misbehavior inevitable.

Every child needs a certain amount of attention and the assurance of affection. Many women nowadays, not only those who are rich enough to keep a nurse, but also those who earn money in full time positions outside the home, pay far too little attention to their children.

Such naughtiness as Betty's is the happiest response to this neglect. The little girl voiced her needs openly, and she was not likely to be denied. There are many children whose response to star, was amazed to witness on the

psychological neglect is much more serious, while it is far more obscure and less likely to be understood.

Mrs. J. N. Duncan, who left a few days ago for Rochester, Minn., to enter the Mayo clinic, was resting as well as possible on the trip, according to a message which reached here yesterday. She was accompanied by her husband, a daughter, Miss Jeta Duncan of Dallas, and Miss Ethel Simpson, superintendent of Pampa hospital.

By ROBBIN COONS

HOLLYWOOD—The movie city's newest and smallest theater—it seats only 25 people—is affording to many of the cinema's elite a novel thrill—and yet its art is centuries old.

This latest recreation for filmland's week-ends is provided by three young fellows who paid their way through college with animated dolls and since graduation have toured America and Europe giving shows with equal skill in homes of the rich and in rustic backwoods villages.

They are the "three puppeteers of the club Guignol"—Harry Burnett, Richard Brandon and Forman Brown. In the tiny cellar theater of their Hollywood hillside home on week-ends they entertain with a "revue intime" of "sophisticated marionettes."

There recently Esther Rakston, on the eve of her local debut as a vaudeville star, was amazed to witness on the

Christmas Bonuses For Office Forces

NEW YORK, Dec. 17. (AP)—The New York World says today that more than \$100,000,000 will be distributed as Christmas bonuses in the financial district, mostly to clerks and bookkeepers in brokerage offices and banking institutions.

A survey indicates the payments will be as large or larger than in 1928, the largest on record. Despite the crash in stock values many firms will make new records for net profits in 1929.

J. P. Morgan & company, which never reveals its bonus plans but is reputed to have paid a year's salary as bonuses for several years, was reported as likely to follow the same policy this year.

Sore Throat? Don't Gargle

This Doctor's Prescription Gives Quicker, Better Relief

Don't suffer the pain and discomfort of sore throat. Use a doctor's prescription called Thoxine guaranteed to relieve with the very first swallow. Gargles and salves are too slow and if they do relieve, it is usually only temporarily.

Thoxine has a double action—it relieves the soreness and goes direct to the internal cause. It contains no harmful drugs and is safe and pleasant for the whole family. There is nothing better to stop coughing due to irritated throats. Just ask for Thoxine, put up ready for use in 35c, 60c, and \$1.00 bottles. Money back if not relieved. Sold by Pampa Drug Co., and all good drug stores.—Adv. No. 3

The Rev. Tom W. Brabham, pastor of the First Methodist church, is in Abilene this week, transacting business connected with business of the Northwest Texas Methodist conference.

miniature stage a puppet performance of her own act, even to the music and dances, the show having been arranged for her by friends as a surprise.

STARDOM IN MINIATURE

There also George Arliss, Jetta Goudal, Gary Cooper, Ramon Novarro, Charlotte Greenwood, Buddy Rogers, and other stars may and do go to see extraordinary likenesses of themselves cavort about the little stage, pulled by Burnett, who makes all the puppeteers invisible strings.

By hand, hopes before long to have completed his "cast" of Hollywood celebrities. But the shows presented include plays, musical revues, and even scenes from Shakespeare.

Burnett got the idea while a student at the University of Michigan, and meeting Brandon at Yale, the two enlisted Brown, a former Michigan man and Burnett's cousin, in their unique enterprise.

Millions Taken From Small Area of Oil Leases

AUSTIN, Dec. 20. (AP)—Out of approximately 2,100,000 acres of University of Texas land in West Texas, only about 20 sections actually produce oil, but from this comparatively small area the university has already received \$11,500,000 for its permanent fund, proceeds from oil and gas.

Production will remain at about the same level for a time, he said. "As new fields open up production will rise only until peak production is reached, then it will go down again until a new field comes in," the supervisor continued. "That keeps average production about the same."

He said average production per day in the Pecos field now ranges around 8,500 barrels, Crane field produces about 17,000 barrels as a daily average, and the deep well area in Reagan county averages approximately 17,500. Three wells are now producing from deep sand in Reagan county. The newest of these came in at 2,299 feet, which is only 296 feet shallower than the deepest producing well in the world, No. 1B, owned by the Texas Oil and Land company, also in Reagan county.

This well is producing 2,800 barrels of oil daily as well as 25,000,000 cubic feet of gas which makes about 15,000 gallons of gasoline per day. Compton reported. The first oil found in this field was at a depth of 2,400 feet, but the oil at the present depth is of a superior quality. Two more wells are now drilling more than 8,000 feet down.

Now Happy!

ges Bougon, who saw four years of bloodshed and death as a French soldier during the World War, and who escaped injury during all that time only to cripple himself in an automobile accident here a few months ago, figures that this going to be a pretty good Christmas after all.

Bougon lives in a land of make-believe. He makes and mends dolls and creates other toys to fill children's stockings on Christmas Eve.

That wasn't always his trade. He came to San Francisco after the war as

an automobile mechanic and earned his living that way until this summer, when a truck he was driving went over a steep cliff. He came out of this with his neck injured and one hand paralyzed.

No more work as a mechanic for

FIRST CHRISTIAN CHURCH

500 East Kingsmill Ave.

This undenominational church extends to the whole community a most cordial invitation to participate in its worship, and work and fellowship of a congregation trying to restore the church of the New Testament in doctrine, ordinance, and life. Our minister is ready at all times to come to those in sorrow or trouble, if requested. Whether you are a member of any church or no church, do not hesitate to call telephone No. 66.

Special sermons appropriate to the Christmas seasons will be delivered at both morning and evening services Sunday. The morning sermon will perhaps startle you, but do not be afraid to think. Hear it. Bring friends.

Bible school will be at 9:45 o'clock, and the four societies of young people will meet at 8:30 o'clock. All from junior ages up are most welcome.

F. W. O'MALLEY, Minister.

BIG CITY WELL GOOD PRODUCER

The second big city well of the new series is being completed by D. L. McDonald, contractor. It will be named No. 3, since it is on the site of old No. 3.

The newest well is pumping 920 gallons of water per minute in the development process, and has quit making sand. The water level is not being lowered by the heavy flow.

MOUNTAINEERS FREED OF CHARGE

MOUNTAIN VIEW Ark., Dec. 20. (AP)—A jury's verdict has wiped away charges of murder against four mountaineer farmers, whose chief witness testified he was the Connie Franklin they were accused of slaying.

Acquittal after a trial which added \$8,000 to Stone county's already heavy debt offered an expensive answer to the question of the identity of the 33-year-old farm hand upon whom the defense based its case.

Judge S. M. Bone, who estimated the cost of the trial, stopped a burst of applause after the verdict. He asked the community to forget the bitter feelings which arose when the man appeared to challenge the story of Tillar Rumber, 17, who said Franklin, her lover, had been kidnaped by night riders and presumably slain.

Pope Leaves His Vatican First Time in Many Years

ROME, Dec. 20. (AP)—Pope Pius XI, ending nearly 60 years of self-imprisonment of the popes in the Vatican, made his exit at dawn today from the pontifical quarters and entered Italian territory.

It was the first time since 1870, when the kingdom of United Italy was formed and the papal state destroyed, that a pope had left the Vatican.

Notifying hardly anyone, His Holiness drove at 6:45 a. m. in an automobile from the Vatican to St. John Lateran, the palace, or church, where last February 1 the treaties were signed solving the so-called Roman question. Even most of his entourage knew nothing of the departure.

The voluntary self-exile of the popes in the Vatican began in 1870 when the troops of the first Victor Emanuel took Rome in the name of the Kingdom of Italy. Pope Pius IX, his temporal power ended, withdrew to the Vatican, never thereafter to leave it.

He Spent Money "Right and Left"

"My health had been going back on me for 10 years until I started Sargon, and I'll tell any man it's a real medicine and does everything claimed of it!"

A. CHOAT

"It looks like I couldn't digest anything I ate. My kidneys were irregular and the pains in my back were awful. I was weak, nervous and run down. I spent money right and left trying to get well, but I might as well have thrown it in Trinity river! Now, after taking Sargon, I am eating anything I want, never have a trace of indigestion and I sleep like a log all night. The pains in my back are gone and I am stronger and better in every way. Sargon pills are a wonderful laxative and keep my whole system in healthy condition!"—A. Choat, 2759 W. Brooklyne, Oak Cliff, Dallas. Fatheree Drug Co., Agents. adv.

Middle West to Be Represented by Great Eleven

DALLAS, Dec. 20. (AP)—One of the best balanced football machines ever to trot onto a gridiron in Dallas will appear at Ownby stadium, home of the Southern Methodist university Mustangs, New Year's day flying the silks of the Middle West all-stars against the Southwestern all-stars in the second annual Dixie classic, judging from data obtained on the aggregation Jimmy Phelan will muster together.

The coach, who piloted Purdue thru an undefeated season to its first Big Ten championship, has gone to considerable time and trouble to pick the best players available in the section allotted him, according to information here, and indications are he will have a much stronger eleven than the one led into this city last year by Ernest Earg in the initial game of the classic.

A list of players, including a number of outstanding gridsters of the season, showed the Purdue mentor would have on his post season team two quarterbacks, two fullbacks, four halfbacks, four ends, three guards, three tacklers and a pair of centers to represent every school in the Big Ten conference.

Greenleaf Again Is Billiard Champ

DETROIT, Dec. 20. (AP)—Ralph Greenleaf of New York again held the world's pocket billiard championship. This star cueist defeated Erwin Rudolph of Chicago in the play-off for the world's crown by 125 to 69 in 18 innings. The game was not spectacular, but was marked by hard fighting and excellent defensive work. Both players seemed to show the strain, Greenleaf miscuing twice and making a foul once, offenses seldom charged against a headliner. Rudolph also was guilty of at least four misses on easy shots.

Stimson Says Mexican Action at Laredo Not Inspired by Single Event—Moody in Second Appeal

AUSTIN, Dec. 20. (AP)—Governor Dan Moody was hopeful today that Secretary of State Stimson would take up with the Mexican government the matter of reopening the Mexican consulate and port at Laredo, after the Texas governor had sent his second appeal to the cabinet officer to use his good offices on behalf of a restoration of friendly relations between the people of the border city and Mexicans.

After giving the secretary a copy of resolutions passed by the Laredo chamber of commerce expressing a desire for a return of friendly relations and regretting on behalf of the "commercial interests of Laredo, the unfortunate incident that has prompted the Mexican government to remove its consular office," Governor Moody told the secretary he hoped the policy of the government at Washington with reference to foreign relations would not permit "the Mexican government to profess friendliness toward the United States and at the same time offer the affront of closing the door at one of the principal ports between the two nations."

Secretary Stimson in answer to the governor's first telegram said he understood that the action of the Mexican government "was not in any sense an attempt at retaliation for a single incident, but because the Mexicans feel that from several incidents lasting over a considerable period of time Laredo is not a safe point for their public citizens to pass in traveling."

He added that "Mexicans find it difficult to understand that you have not found it possible in the past, either by your authority or by your advice, to ameliorate the conduct of the legal offices of the country."

WASHINGTON, Dec. 20. (AP)—The state department is endeavoring to find a means of settling the differences that have arisen between the government of Mexico and the city of Laredo, Texas, which resulted in the closing of the Mexican consulate at the border city.

With the merchants of Laredo facing a sharply curtailed holiday trade through loss of Mexican patronage, Secretary Stimson informed Governor Moody his department was "taking steps to see

what, if anything could be done."

The Mexican embassy here would make no statement, and dispatches from Mexico City said the American embassy there had received no instructions to intervene, although it had been informed of Governor Moody's action in bringing the case to the attention of the state department. No course of action had been decided upon, the embassy said.

GORDON GIVING AWAY SHOES TO THE NEEDY TOTS

Desiring to help in distributing Christmas cheer, August A. Gordon, local merchant has offered to give shoes to any needy child in the city, and has already given away 39 pairs of shoes. He has one hundred pairs for distribution.

Mr. Gordon said that an order from any person or agency doing welfare work, including Welfare association, Lions club, Rotary club, any pastor, Mrs. Charles Hughes, Mrs. M. P. Downs, Mrs. DeLea Vicars, would secure a pair of shoes for a child. He also said that he would give Christmas baskets to any family not otherwise provided.

When Mr. Gordon outfitted a child of five recently, he gave its mother the first pair of new shoes she had had in two years.

Christmas Programs to Be Given at Presbyterian Church Sunday

Two Christmas programs will be presented at the Presbyterian church on Sunday, the first, at 11 o'clock, featuring the pastor's Christmas message and special music, and the other, a musical to be given at 7:30 o'clock in the evening. An offering of clothing, food, and money—white offerings to the King—will be received for the poor of the community, later to be placed in the hands of a charity organization for distribution.

The morning program will be as follows:

Piano prelude—"Impromptu" (Shubert), by Mrs. F. P. McSkimming.
Doxology.
Invocation.
Gloria Patri.
Hymn—"Saviour Like a Shepherd Lead Us," by choir and congregation.
Responsive reading—Twenty-third Psalm.
Hymn—"I Heard the Bells of Christmas Day," by choir and congregation.
Scripture reading.
Prayer.
Response by choir.
Vocal solo, by Mrs. A. H. Doucette.
Offertory—"Moonlight Sonata" (Beethoven), piano solo by Mrs. F. P. McSkimming.
Hymn—"Hark the Herald Angels Sing," by choir and congregation.
Sermon—"O Little Town of Bethlehem," by the pastor, the Rev. A. A. Hyde.
Hymn—"It Came Upon a Midnight," choir and congregation.
Benediction.

The evening program is to consist chiefly of Christmas anthems by the choir, interspersed with vocal and instrumental solos, scripture reading, and a congregation hymn. George Briggs will direct the choir. There will be no sermon. The program follows.

Piano prelude—Opus 28 (Chopin), by Mrs. F. P. McSkimming.
Anthem—"The Greeting We Love Best" (Tillotson), by choir.
Prayer.
Response—"Hear Our Prayer" (Meredith), by choir.
Chorus—"Star of the East" (Tillotson), by choir.
Piano solo—"Christmas Fantasia" (Mueller), by Juliet Jane Canfield.
Anthem—"His Birthday" (Tillotson), by choir.
Scripture reading.
Prayer.
Anthem—"The Bells of Christmas" (Tillotson), by choir.
Vocal solo—"The Angels Song" (Wm. Stekela), by Mrs. Harry E. Lyman.
Violin obligato, by Mrs. Ray Chambers.
Anthem—"Joy" (Tillotson), by choir.
Offertory—"The Wooing Winds" (Trinkaus), violin solo, by Mrs. Ray Chambers.
Anthem—"His Star Divine" (Tillotson), by choir.
Anthem—"Heavenly Chorus" (Tillotson), by choir.
Presentation of white gifts.
Hymn—"Silent Night," choir and congregation.
Benediction.

Lobby committee continues hearings on sugar tariff.
House:
Continues consideration of agriculture department appropriations bill.

Whitey Walker Is Found Guilty in Oklahoma Trial

ADA, Okla., Dec. 20. (P)—In jail for several months on various charges, including one in connection with the slaying of three peace officers in Borger, Texas, two years ago, William J. "Whitey" Walker was convicted of robbery with firearms in the robbery of the First National bank of Allen, Okla., here yesterday.

A jury found him guilty after deliberating four hours. His punishment was left to Judge Orel Busby, who announced he would pass sentence Saturday.

Three persons in the bank at the time of the robbery identified Walker as one of the robbers. They quoted him as having told them to "take a good look" at him. An officer was in court to arrest Walker on other charges in case he was acquitted.

Walker was turned over to Oklahoma officers by Hutchinson county, Texas, authorities after Clem Celhoun, district attorney, admitted he had been unable to work up a case against Walker in connection with the slaying of the officers at Borger.

Self-Serving Store Has New Manager; Opening Announced

Sipes Self-Serving store on South Cuyler street will open under new management tomorrow morning. R. E. Robinson will be in charge of the business.

The store is being improved in every department, and new stocks are being placed on display.

On the opening day, representatives of Jacob Dold Packing company and the Brown Candy and Cracker company will be on hand to demonstrate their products by serving refreshments to the throngs who are expected to attend the opening of this up-to-date store. Candy will be given to all children accompanied by their mothers when purchases of merchandise are made.

Mr. Robinson, the new manager, has had long experience in the business. He states that complete stocks will be kept at all times, and that prices will be as low as is consistent with good business.

An announcement advertisement of the store is in this issue of The News.

Army Train Is Behind Schedule

CHICAGO, Dec. 20. (P)—Army's football squad today was on its way

toward California's blimy winter weather—but still behind schedule.

Its special train three hours late in Chicago, the army corps failed to stop at Galesburg, Ill., when it finally resumed its march on Stanford university, and was cheated out of one of its stop-off workouts. Failure to stop at Galesburg also disappointed townspeople and Knox college students.

Coach Biff Jones hoped to side-track the train for a while today at Syracuse, Kans., while he sent the men through a signal drill.
