WASHINGTON, Feb. 12. (AP)—Senator Dill, Democrat, Washington, joined in the attack against the confirmation of Charles Evans Hughes as chief justice of the United States today as debate on the nomination was resumed in the senate.

Senator Dill called attention to the birthday of Abraham Lincoln and added "what a coincidence that the senate should spend the birthday of the greatest champion of human rights since Jesus Christ walked the earth in consideration of the greatest champion of property rights as a nominee for chief justice of the United States."

"Masses of our people are finding it difficult to earn a livelihood and to lay aside a little for old age," continued the Washington senator. "The views of Mr. Hughes on economic questions are just as important as his legal ability. The court is building up a body of law, not enacted by congress, going right into the life of the people and permitting the corporations to pick the pockets of the man on the street."

"The increase in the cost of living is traceable to the economic theories that the court has adopted as the law of the land. Street car fares, gas rates, the cost of telephone service all are affected by the valuations fixed by the court and never intended by congress."

Presbyterians in Big Meeting Today

FORT WORTH, Feb. 12. (AP)—More than 500 visitors were here today for the annual meeting of Presbyterian men of the Texas synod.

Two speakers on the program were the Rev. Cleland B. McAfee, moderator of the general assembly of the Presbyterian church, U. S. A., and professor of systematic theology at the Presbyterian Theological Seminary at Chicago, and the Rev. George P. Horn, director of the department of men's work and district secretary of the board of christian education of the church.

Holdings of White Eagle Company Are Being Transferred

Holdings of White Eagle Oil company in Gray county, purchased last month by the Magnolia Petroleum company are being transferred to the purchasing company this week.

The property includes the White Eagle gasoline plant and all the production in the county. The White Eagle, an independent company, was sold in January, the Standard Oil company of New York giving eight and one-half shares of Standard stock for 10 shares of White Eagle. It is understood.

LINCOLN HONORED EVERYWHERE IN AMERICA

SPRINGFIELD, Ill., Feb. 12. (AP)—The 121st anniversary of Lincoln's birth was observed today, particularly here, where he sleeps, and in Chicago, where he was nominated to the presidency, but also everywhere in America, banquet halls, auditoriums, churches and schools.

Banks were closed, honoring the memory of one who never had much money to worry about. Trade dragged, and the air filled with oratory.

Allan Nevins, New York newspaperman and member of the Columbia university faculty, stood in the Sangamon county court room, rich in memories of the man he eulogized, and stated there might have been no "tragic era" had the emancipator lived through the reconstruction period.

Dr. B. C. Bean, former assistant state director of labor, noted that today was the centenary of the rail-splitter's coming of age. He announced the incorporation of an organization which will seek "to make an intensive study of the various ventures in business, to note the methods he used, the results he was able to secure, and to make these results available for the beginning—as well as the experienced—business man."

Change of Venue in Brady Case to Be Granted Soon

AUSTIN, Feb. 12. (AP)—Judge J. D. Moore will order a change of venue in the case of John W. Brady on his own motion Saturday, he advised attorneys on both sides today.

District Attorney Henry H. Brooks resubmitted his motion asking that the case against the former appellate court judge, who stabbed Lehigh Highsmith, stenographer, to death, go to Williamson county, adjoining Travis county.

Brooks told the court that he spent yesterday in Williamson county studying conditions there and had been assured by court officials a jury to try Brady could be obtained.

Dayton Moses of Fort Worth, attorney for Brady, suggested that the case be transferred to a district farther removed than Williamson county, although he entered no objection to selection of that site.

He suggested Bexar, Bell, Lampasas, Gonzales, or Burnet counties.

Historical Society Annual Sessions to Be April 11

CANYON, Feb. 12. (Special)—The program committee of the Panhandle-Plains Historical Society recently held a meeting at the headquarters here and made plans for the annual session of the Society, which will take place April 11.

The business meeting will give a portion of its time to a short program of appreciation of the lives of Colonel C. C. Goodnight and of Thomas F. Turner, first president of the society.

Following this program, business of the organization will be gone into by the members. President T. D. Hobart of Pampa will preside at this meeting.

The annual dinner will be held at Cousins hall, and a program of jolly tone is planned. Indications are that the attendance will be the largest in the history of the organization.

McLean Experiments in Thawing Pipes

MCLEAN, Feb. 12. (Special)—An electric pipe thawing machine is being tested by the city water department of McLean, under the direction of Supt. Fullbright, who is quoted as saying the device thaws pipes in short order and with little expense.

The city is planning to purchase a machine for the purpose, and, with the electric thawer considered a success, is expected to retain the one in use.

ANTI GROUP IS FIRST TO TALK

WASHINGTON, Feb. 12. (AP)—Chairman Graham of the house judiciary committee opened the hearing today before that group on resolutions to repeal the 18th amendment with the statement that "the 18th amendment and the enforcement law have been tested for ten years without satisfactory results."

"Enforcement has left a train of consequences most deplorable and depressing to every patriot," Graham declared. "Killings amounting to over 1,500 have resulted in the last ten years from enforcement."

"One hundred and fifty-one citizens were killed by prohibition officers and sixty-four agents killed by citizens. In one year there were 77,351 arrests for violations, alleged or real."

"During the first year under prohibition there were 29,000 cases instituted, and during the last fiscal year were close to 70,000."

"Demand for more prisons has been made and new ones ordered which it is said will not give relief from overcrowding except for a period of five years or possibly ten. Prison population has jumped four per cent per 100,000 in the last five years."

The chairman said both the wets and drys would be given equal opportunity to present their views. The hearings, he said, might not accomplish anything, but they would give an opportunity to the conscientious opponents of prohibition for a public hearing.

The hearings, he added, would be confined to resolutions for the repeal of the 18th amendment.

The committee then became involved in a discussion of procedure.

Representative Sumners, Democrat, Texas, insisted that a division of time be made, but Representative Laguardia, Republican, New York, made a motion that the hearings go on at once.

Representative Sabath, Democrat, Illinois, a wet, and author of one of the repeal resolutions, was questioned by Representative Sumners. The measure would leave with the states the

W. E. Ginn Makes His Announcement for Commissioner

W. E. Ginn announces his candidacy for commissioner of precinct No. 3 today, subject to the action of the Democratic primary in July.

Mr. Ginn, a farmer and rancher, lives 12 miles south of Pampa. He has lived in Gray county since 1910, and in precinct three during the last 13 years. He is not only well-known in his community but throughout the entire county.

"This is the first time Mr. Ginn has ever announced for a public office and he asks the earnest consideration of all his friends. He has been interested in the affairs of Gray county and believes he is aware of the highway needs of the county. Through intensive study and many years of observation, Mr. Ginn feels that he is well-equipped to help direct the affairs of the county."

Mr. Ginn says he hopes to talk with every citizen in his precinct before the election, and that he will not make any promises he cannot fulfill.

Pampa Station to Be Enlarged

The Santa Fe station here, pictured above, will soon be remodeled, re-decorated, and enlarged by 50-foot additions at either end. The cost of alterations and additions will be approximately \$50,000. A modern heating plant will be installed in a basement.

CITY COMMISSIONERS PLAN TO INSPECT HALL-AUDITORIUMS IN OTHER CITIES IN NEAR FUTURE

Plans for the new city hall-auditorium were studied at length by the city commissioners yesterday, but the architect's sketches were not given final approval.

The commissioners plan to visit other cities and inspect similar buildings before finally approving the local plan. Putting the jail, library, B. C. D. offices, city manager's offices, and women's department in the same building with the auditorium is making it necessary to revise the plans considerably to make the seating capacity as large as possible with the \$100,000 voted by popular election.

The auditorium cannot be as large as some people anticipated because the city offices and jail will require a large portion of the funds voted. The commissioners feel that they should not spend more money than the people voted, and they will make the auditorium as big as the money will allow. The architect has repeatedly altered his drawings in an effort to enlarge the auditorium space.

Directors of the Salvation Army yesterday decided to hold a finance drive February 24 and 25 to complete the \$4,000 budget adopted by the organization. A total of \$2,415 in additional funds is needed.

Five men will be chosen from the following groups to conduct the drive: Rotary, Lions, American Legion, and Labor Council. These solicitors will meet with the advisory board at 3 p. m. February 19 to plan the drive and to hear an official of the Salvation Army discuss the work. Alex Schneider will handle all field solicitations.

Hereafter, it was decided, the annual drive will be made in November of each year.

Present at yesterday's meeting, besides Ensign Edgar King, were: President M. K. Brown, Treasurer J. O. Gillham, Mrs. A. B. Zahn, Mrs. DeLoe Vickers, Mrs. W. Purviance, Mrs. Tom Clayton, Paul Hill, Clyde Fatheree, Frank Henry, J. W. Garman, B. E. Finley, and W. H. Curry.

Washington to Be Honored by Masons in Local Program

Memorial services for George Washington will be held at the First Methodist church Feb. 24 under the auspices of the local Masonic lodge, and the orders of the Eastern Star and the Rainbow.

A program comprising addresses, songs and readings, lasting about two hours will be given. The program will begin at 8 p. m. The Masonic memorial service will be exemplified. Dr. A. Caldwell of Amarillo will be one of the principal speakers.

In sponsoring the service the Masonic organizations are conforming to the national custom of lodges in holding memorial services for Washington, who was a Mason.

The Eastern Star committee in charge of the program includes Mrs. Rey Sewell, Mrs. Harry Bernard, and Mrs. W. C. de Cordova, while the Masonic committee includes Dick Cross, W. C. de Cordova, D. T. Cecil and C. P. Buckler.

All Masons, their families and guests are invited to attend the service.

Reserve Officers Will Organize

A chapter of the Reserve Officers' Association of the United States will be organized tonight at a meeting of the reserve officers of the Pampa district. The meeting will be held in the new Chevrolet building. Officers from Amarillo and Borger are expected to be present, and all local officers are urged to attend. Two hours credit will be allowed.

LOCAL MAN NOW HEAD OF LIONS GROUP

W. H. Curry, president of the Pampa Lions club, last night was elected chairman of the newly organized Group 33 of the Panhandle organization. C. A. Clagstone of Spearman was the choice for group secretary.

The election came at the close of a banquet at the Methodist church basement attended by 130 persons, including Lions and Ladies from many cities. The delegations included four persons from Borger, twelve from Fallett, eight from Miami, ten from Panhandle, three from Perryton, five from Spearman, six from Wheeler, and five from Dalhart.

Mr. Curry opened the banquet program after the invocation had been given by Lion Pope of Panhandle. One person from each delegation made a brief talk and introduced others of his party. Club singing was led by Everett Johnston of the Dalhart club, who later in the evening sang solos. The big audience enjoyed readings by Miss Anna Marie Bennett of Panhandle, "sweetheart" of the club, and violin solos by Mrs. Dorothy Chambers of Pampa, accompanied by Mrs. Thomas Fannell.

A. T. Holcomb of Dalhart, deputy district governor, introduced A. C. Kater of Houston, the district governor, who in turn presented Melvin Jones of Chicago, secretary general of the International Association of Lions clubs.

Mr. Jones' address, in addition to being inspirational, presented many facts concerning growth of the organization. He said that in the last 953 days 557,000 new members have been recruited. Of these, 125 were in Texas, raising the total number in this state to 238. Texas has 35 more Lions clubs than there are other civic clubs altogether. The international association is composed of nearly 2,100 clubs. The organization leads in number of clubs in nineteen states. Last year the clubs carried out 10,715 activities.

The speaker emphasized that Lionism helps business and professional men "get out from themselves" and to "sacrifice for humanity." Numerous examples of Lions' achievements in Americanization, crippled children's work, charity, and other activities were cited. Mr. Jones also told of the history of the organization, and of how the name Lions was adopted. The qualities of courage, strength, activity, and fidelity, and the fact that the Lion was recognized as king of his realm in ancient times caused the name to be favored. The speaker said that the term Lioness stood for "wonderful woman."

Pioneer Resident Dies Suddenly— Funeral Arranged

Edward L. Eldridge, 67, for 24 years a resident of Pampa, was the victim of a sudden and fatal heart attack last night at his South Main service station. He was hurriedly removed to McKean & Connor hospital, but died while in the lobby of the clinic. Mr. Eldridge had suffered severe attacks of asthma for several years.

Funeral services will be held tomorrow afternoon at 2:30 o'clock at Stephenson funeral home with Rev. James Todd, Jr., officiating. Interment will be made in the local cemetery.

Mr. Eldridge came to Pampa in 1906 and has been engaged in the drayage and transfer business since then, although he has considerable other business interests.

He is survived by three sons, Robert, Albert, and Edgar and a daughter, Mrs. Susie Mauldin of Oklahoma City. He is also survived by eight grandchildren. He was a member of the First Christian church of this city.

Mr. Eldridge was well-known in Pampa and in Gray county, and was a valued friend of oldtimers in this section. He came here before the city was on the map and has had a part in its growth.

Independents of Texas to Organize

FORT WORTH, Feb. 12. (AP)—Arrangements for organizing a state association of independent oil men were under way here today after a meeting at which independent operators of Fort Worth effected organization. Committees will work with independent oil men at other centers in Texas.

Roy Westbrook yesterday was named temporary president, J. C. Maxwell, temporary vice-president, and C. L. Morgan, temporary secretary-treasurer. Temporary members named on the executive committee were: L. C. Turkman, L. D. Ladd, C. F. Kelsay, Jack Daniger, E. P. Hyde, Mel Ingleswright, A. J. Broderick, S. D. Edwards, Stanley Thompson and the three officers.

The meeting authorized a telegram to the two Texas senators in Washington urging them to support an oil tariff as a necessity to the most important business in the state. The meeting also condemned tax increases.

BIG PERMIT TAKEN

A permit to build a \$6000 residence in the Cook-Adams addition was issued yesterday to George May from the office of city building inspector. The house will be built of brick and will be modern in every detail.

Mrs. Emma Jackson was granted a permit to construct a garage and servants' house at her home at 603 East Higgins.

OKLAHOMA NOT TO GET LAND IN PANHANDLE

Notice of Rejection Is

Government

SOONER OFFER ONLY \$150,000

Dewey Young Presents
Resolution on
Subject

AUSTIN, Feb. 12. (AP)—The offer of Oklahoma to pay \$150,000 for approximately 30,000 acres of land on the Panhandle border which a government survey moved from Oklahoma to Texas was rejected by the house today.

This rejection came with adoption of a resolution presented by Representative Dewey Young of Wellington which declared that no further consideration be given the Oklahoma offer, that the United States supreme court be so notified and that such legislation as might be necessary to protect the bona fide holders of title in the strip in question be passed.

The law is set over on the Texas side after a survey of the 10th meridian as a boundary line between the states was made.

The Oklahoma offer was recently presented the called session by a commission headed by Governor W. H. Hollaway of that state.

Election Judges for Gray County Are Announced

Judges to serve at elections in each of the eleven voting precincts of Gray county during 1930 were chosen by the commissioners court in regular session Monday.

At the same time it was announced that the salary of the county judge would be increased from \$2,000 to \$2,700 and that the county commissioner's salary would be increased from \$1,600 to \$2,000 a year, as provided by the statute.

Upon receipt of a petition presented by W. M. Castleberry and signed by 49 other citizens of precinct No. 2, the commissioners ordered that an election be called to determine whether or not that precinct shall have a stock law. Date of the election has not been set.

Election judges follow:
LeFors—E. Baechus, presiding judge; George Thut.

Pampa—Precinct No. 2, Robert Woodward, presiding judge; Price Bailey, William Long and T. H. Latta.

A COLLEGE HEAD REMARKED THE OTHER DAY THAT COLLEGES ARE NOT SAFE PLACES FOR YOUNG PEOPLE.

He added that the only safe place for any younger generation is in the grave. Colleges are places in which to grow, and growth always imposes dangers.

It is ridiculous to blame colleges for much of the human material that fill the class rooms and flood the country with diplomas.

And higher educational institutions, contrary to popular belief, are not reform schools. The bigger universities let the police handle most of the problems of conduct.

Parents who send children to colleges in the hope the incorrigibles will be reformed are taking large and unwise risks.

There are, however, few places in which there are more incentives to do right and make desirable growth than in college.

Oily: Pampa News: Housewives take notice: The difference between cottonseed or peanut oil and lard is only a couple of atoms of hydrogen to the molecule.

No; not advisable. The hog doesn't care anything about chemistry. The difference in hydrogen content between cottonseed oil and coconut oil is so small that many soap boilers in this country have stopped buying cotton oil and confined their purchases to imported soap stock.

to the enrichment of the Philippine groves and the impoverishment of American cotton farms. The Philippines, basking under the American flag, have free access to our ports for their commodities.

It begins to look like all any city will have to do to be good and financially sound will be to do as Chicago doesn't.

Pampa has not had any agitation for a young men's commercial club, as far as we know. In fact, so many young men take an interest in local affairs that they will have to grow old to make room for the "younger men" argument.

Sedalia Man Finds Health in New Konjola

Stomach and Kidney Ills of Long Standing No Problem for New Medicine.

The Groom editor chides us for playing this childish game of golf. He quotes Paul, the apostle, who said that "now that I have become a man, I have put aside childish things", or words to that effect.

It's really too bad. We residents of the United States are arguing so heatedly over prohibition or lack of it that we have to ignore the perfectly good subject of professionalism in college athletics.

MOORE STREET CARS IN NEW ORLEANS BOMBED

NEW ORLEANS, Feb. 12. (AP)—Three street cars were dynamited here last night in a renewal of bombings growing out of a strike of transportation employees last summer.

The explosions brought to more than 35 the number of trolleys dynamited since the beginning of difficulties between street car employees and "jitney" operators.

Child study club will meet at the home of Mrs. W. A. Crawford, 715 North Somerville, at 2:30 o'clock, instead of at the home of Mrs. H. D. Lewis, as was originally announced. Illness in the latter's family necessitated the change.

Sunday:
The Primary division of the Epworth League will be organized at the Methodist church at 6:30 o'clock, by Mrs. J. D. Sackett and Mrs. Joe Shelton, sponsors. All children six, seven, and eight years old are cordially invited to be present and join.

Miscellaneous
The Parent-Teacher association of West Ward is selling sandwiches, hot chocolate, and home-made candy at the school at noon each day this week and next. Profits will be used in payment on a school piano.

East Ward Parent-Teacher association will give a silver tea in connection with open house at the school building on Feb. 17.

The Woman's auxiliary of the Episcopal church will hold a Colonial silver tea at the home of Mrs. C. P. Buckler at the afternoon of February 24. Proceeds will be placed in the building fund of the church.

Banquet to Be Given Friday by Christian Endeavor Society

In celebration of the attainment of their goal of 75 members, the young people of the Junior Christian Endeavor society of the First Christian church will hold a banquet next Friday evening.

The Rev. F. W. O'Malley, pastor of the church, will be a guest of honor and will speak. Other program numbers will be a violin solo by LaVerne Twiford, songs by Margaret Bryson, and song and banjo numbers by two clowns.

Plans are being made to entertain eighty members, sponsors, and guests. The banquet will be held at the church, beginning at 7:30 o'clock. The sponsors are: Mr. and Mrs. Harry Marbaugh, Mr. and Mrs. J. L. Lester, Mr. and Mrs. C. M. Bryson.

Mrs. Charles Baer will leave today for Rochester, Minn., where she will receive treatment at Mayo sanitarium.

Twentieth Century Club Hears Discussion on the Opera Tuesday

Twentieth Century club's notable interest in music, which has been a significant factor in the development of musical appreciation and the furthering of musical activities here, made possible and exceptionally fine program on the opera, given yesterday under the direction of Mrs. W. A. Bratton, before a large group of members.

Mrs. W. R. Campbell defined the distinguishing features of the different schools of the opera. A discussion on the difference in music and poetry, as they effect the mind, was given by Mrs. J. D. Sugg. The meaning of the terms "opera seria" and "opera buffa" were explained by Mrs. E. C. Campbell.

Mrs. Clifford Braly outlined the opera, "Il Trovatore," and gave a brief sketch of the life of Verdi, the composer. Gounod, as the most representative French composer, was discussed by Mrs. F. M. Culbertson, who told the story of his "Faust." "Why the 'Magic Flute' is So Popular in Germany Today," was the topic of an excellent discussion by Mrs. H. G. Twiford.

Mrs. Edwin Vicars was hostess to other members of the club for the meeting and a social hour afterward.

Mrs. A. H. Gilles of San Diego, Calif., who is visiting in the home of Mrs. J. D. Sugg, was a guest.

Members present were: Mrs. A. H. Doucette, Mrs. Wm. T. Fraser, Mrs. Paul Kishiko, Mrs. Porter Malone, Mrs. A. R. Sawyer, Mrs. Floyd Smith, Mrs. H. G. Twiford, Mrs. J. D. Sugg, Mrs. W. A. Bratton, Mrs. W. R. Campbell, Mrs. F. M. Culbertson, and Mrs. Clifford Braly.

Officers of Cradle Roll Department Hold Club Meeting Monday

Mrs. O. J. McAlister and Mrs. A. Groening were co-hostesses Monday afternoon to members of the Cradle Roll club of the Baptist church.

A brief business session was held, during which Mrs. O. H. Gilstrap, president, appointed Mrs. Douglas Evans and Mrs. O. L. Beaty a committee on arrangements for an entertainment to be given next week.

The study period was spent in discussion of the second chapter of a manual entitled, "Work with the Cradle Roll and Beginners." Refreshments were served at the conclusion of the lesson. Those present were: Mrs. O. H. Gilstrap, Mrs. O. L. Beaty, Mrs. L. Anderson, Mrs. Douglas Evans, and the hostesses.

Mr. and Mrs. Clinton Henry of the JA ranch near Clarendin are visiting relatives and friends here for a few days.

Junior Department of Methodist Sunday School Entertained

A series of original contests provided two hours of delightful entertainment for young members of the Junior department of the Methodist Sunday school, at a party given yesterday afternoon in the church basement by officers and teachers of the department. Forty children participated in the pleasures of the occasion.

Charades in which the children guessed the months represented by the costumes of several girls and boys who paraded before them marked an exciting opening for the contests. Jeanne Murfee was winner.

Fragments of Mother Goose rymes were "placed" in the next contest, with Richard Wilks winning first place. The most amusing stunt of the afternoon, perhaps, was that of modeling animals from chewing gum. Each guest was a piece of gum together with a piece of paper on which was written the name of the animal he was to model. Pauline Stapp's mouse was awarded first prize.

Two by two, the group formed "living Valentines." Edwina Gilbert and Jack Stroup gave what was considered the best representation. Partners were found for the refreshment hour by matching candy hearts.

The dining room, like the remainder of the basement, was gaily decorated in the colors and motif of Valentine day. Red punch was served with red heart-shaped cakes.

Mrs. J. G. Stroup was in charge of the entertainment, with Mrs. C. T. Hunkapillar and Mrs. Tom W. Brabham assisting. Clarence Coffin and W. D. Hardin, teachers of the department, also helped with the contests.

Mrs. Joe Shelton, superintendent of the Junior Department, was in charge of the dining room and refreshments, assisted by Mrs. Albert Wood.

The following pupils attended: Charles Shelton, Jack Allison, Elizabeth Wood, Jimmie Stroup, Barbara Kilgore, Mary Maude Wright, Sammy Hatcher, Leona Hurst, Thomas Brabham, Jr., Mary Louise Adams, Vernon Guyer, Lillian Rice, Richard and Robert Kilgore, Pauline Stapp, Mary Crocker.

Edith Anne Brigham, Margaret and Elsie Kaul, Jack Walstad, Corajia Owens, Jeanne Murfee, Richard Wilks, Janice Purviance, Helen Frances Maddox, Omar Harrell, Dorothy Jo Moore, Wayne Winkler, Ruby Sackett, Jack Stroup, J. G. McConnell, Edwina Gilbert, Dorothy Burton, Mildred Tolbert, Richard Purdham, Paul Harrell, Gertrude Smith, Calvin Ditmore, and Frances Clark.

Kenneth Johnson of the Wilcox company underwent an operation for appendicitis Sunday afternoon at McKean and Connor hospital.

Essay Contest on Power Farming Won by William Finley

William Finley was winner of an essay contest in which a large group of boys in the vocational agriculture classes of Central high school wrote papers on what they saw and learned at the recent power farming school conducted here by the International Harvester company, under the auspices of the Pampa Hardware and Implement company.

After attending the demonstrations with their teacher, J. L. Lester, the fifty boys were asked to write essays. The local hardware and implement company offered a cash prize of \$10 for the best paper. The papers were judged largely on content, with style and form secondary considerations.

Miss Bernice Whiteley, head of the high school English department; J. L. Lester, head of the vocational agriculture department; and C. V. Lively, of the Pampa Hardware and Implement company acted as judges.

Wiley Reynolds was given second place on his essay, and Robert J. Meers, third. Honorable mention was given the papers of Reed Clark, Charles Barrett, Roy Lester, and B. J. Swafford. Mr. Lively said all of the papers were excellent, and showed a gratifying understanding of the subject on the part of the students.

SORE THROAT? DON'T GARGLE

This Doctor's Prescription Gives Quicker, Better Relief

Don't suffer the pain and discomfort of sore throat. Use a doctor's prescription called Thoxine guaranteed to relieve with the very first swallow. Gargles and salves are too slow and if they do relieve, it is usually only temporary.

Thoxine has a double action—it relieves the soreness and goes direct to the internal cause. It contains no harmful drugs and is safe and pleasant for the whole family. There is nothing better to stop coughing due to irritated throats. Just ask for Thoxine, put up ready for use in 35c, 60c, and \$1.00 bottles. Money back if not relieved. Sold by Pampa Drug Co.

Twelve months of meteoric progress

Is the gasoline you use as advanced as the car you drive?

No matter what price you pay for a car today, you get a car that climaxes all past achievements of the maker—a car built to new high standards of beauty and performance. But remember this. Unless the gasoline you use is as advanced as the car you drive, your car can give only a fraction of the performance the maker built into it. Gasoline, too, can be "out-of-date." One gasoline—Phillips 66—has kept pace with the striking progress in motor car manufacture. It is perfectly geared to the requirements of the modern high-speed, high-compression motor. Its volatility is scientifically controlled to fit season and climate. Results? Quick starting, regardless of weather! Flashy pick-up. Able-bodied power. Long mileage. Year 'round sweet performance. Fill up with Phillips 66, or Phillips 66 Ethyl.

Phillips 66

THE GASOLINE OF CONTROLLED VOLATILITY

WHEN THE THERMOMETER GOES DOWN THE VOLATILITY GOES UP
Gasoline must vaporize before it can be fired in the cylinders of your motor. Volatility refers to the ability of gasoline to vaporize. With volatility controlled, Phillips 66 vaporizes as quickly in cold as in warm weather.

Rash Romance by NEA Service Inc. by LAURA LOU BROOKMAN

BEGIN HERE TODAY JUDITH CAMERON, typist in a New York publishing house, marries ARTHUR KNIGHT, executive of the department in which she works. Knight is a widower with a daughter, TONY, 18, and a son, JUNIOR, 16, at school.

Why did you have to marry someone young enough to be your daughter? Why did you do that?

Interrupted by a honeymoon in Bermuda is on her way to America. Judith and Arthur sail to meet her. When Knight brings his daughter to their Long Island home the girl ignores her stepmother. Later she tells Judith she must leave the house. Knight, overhearing, forces Tony to apologize.

Why did you have to marry someone young enough to be your daughter? Why did you do that? Judith moved over to where her husband stood before the hearth. "It was a fine dog show," she said softly, "but I'd have enjoyed it more if you'd been there, dear."

When the young man had gone Judith...

Unemployed Men in Cleveland Riot

CLEVELAND, O., Feb. 12. (P)—A mass "protest" meeting was called for late today by leaders of the 1,200 unemployed men and women who pitted fists and knives against police night sticks in a "work or food" riot before the city hall yesterday.

Women and children were urged to join a public rally against "police brutality" by orators who retreated waving strips of policemen's coat tails as banners after the unemployed had been beaten away from the city hall.

Nine rioters were under arrest today, two more of the unemployed and three policemen were suffering from injuries and more than a score of others nursed bruises from kicks and blows.

fore, when Arthur Knight's daughter made overtures of friendliness that evening. Judith was dressing for dinner when she heard a tap on the door.

"Who is it?" she called.

Tony pushed the door back and slipped into the room timidly.

"Judith," she said quietly, "I'm sorry about—rushing off this morning the way I did. The breakfasts were all right. It was my fault. I wonder—to make up for it—if you'll have lunch with me tomorrow—in town?"

Nothing like this had ever happened before! Judith could hardly believe her ears.

"Why, yes," she said. "Of course I will. I'll be glad to."

"I'll have a friend with me. You don't mind?"

"Not in the least. I'm anxious to know your friends."

That was all that was said about the luncheon engagement then. Judith continued her toilet, happy in the knowledge of Tony's submissive mood.

She did not know that "the friend" of whom Tony had spoken was Andy Craig nor that Tony had other plans for this amazing luncheon which were yet to be revealed.

HEARING—

right to control liquor, but also would permit the government to exercise control over dispensaries and permits.

Sabath demanded the repeal of the Eighteenth amendment and a burst of applause, when asked by Representative Michener, Republican, Michigan, whether there was a possibility of repeal.

Michener asked him to "get down to brass tacks."

Sabath said he did not hope for repeal at this time, but that he felt it eventually would come.

He again was applauded when he asserted many thought that congress had no right or jurisdiction to pass the Eighteenth amendment.

Smiling, Chairman Graham said, "when an article is in the constitution it can hardly be termed unconstitutional."

Taking the witness stand, Walter W. Liggett, special writer for "Plain Talk," testified there are "not less than 700 speakeasies running day and night in the District of Columbia, and not less than 4,000 bootleggers."

Cites Boose Figures

In his work during the last eight months Liggett said he had studied the District of Columbia, Boston, Mass., the state of Michigan, and particularly Detroit, Kansas, and also his native state of Minnesota.

"With all respect for Mr. Volstead," he said, "I know conditions in Minnesota better than he does."

Turning to Boston, Liggett said there were 4,000 speakeasies with 15,000 persons in the booze business in that city. He declared there had been liquor transactions even in the office of the commissioner of public safety.

Referring to Detroit he said he had been informed the narcotic traffic had increased to such proportions there that a total of \$22,000,000 was spent annually. He said there were 20,000 speakeasies in that city and that this had been ascertained through a census taken by the police at the instigation of the mayor of Detroit.

Heavy Damage Done by Bombs

CHICAGO, Feb. 12. (P)—Another terrific explosion shook the north side last night. Two people were injured, the rear of the building housing the Northwestern Laundry company was wrecked and the damage was estimated at more than \$25,000.

At first attributed to a bursting boiler, fire department officials later found the boiler intact and said the explosion was caused by a bomb.

Several hours later, far across the city on the south side, a second bomb was exploded beneath the bedroom window of William Roberts, trucking contractor. The house was damaged and nearby windows shattered.

The owners of the laundry were unable to account for the explosion. Their truck drivers were all union men, and they had no labor trouble, they said.

Roberts also said he had had no labor trouble and could not account for the bombing of his home. He and his wife were thrown from bed, but were not injured.

Boy Is Killed in Plane Crash

CORPUS CHRISTI, Feb. 12. (P)—Frank Neuman, 17, was dead, and Carl Anderka, pilot, was in a serious condition here today as a result of their plane crashing into a plowed field not far from Orange Grove, near here, yesterday.

Anderka owned the plane and was considered a good pilot.

A farmer who saw the crash said they had been flying above his field for about 30 minutes when the plane suddenly looped and fell.

Neuman was dead when taken from the wreckage. Anderka, with a fractured skull and other injuries, was brought to a hospital. He was married three weeks ago to Miss Estel Olsen of Orange. He owned a theatre at Orange Grove.
