PRICE FIVE CENTS

5-STORY BANK BUILDING IS PLAN OIL, ROYALTY, AND LAND MEN TO STUDY BIG SLASH GREAT RESPONSE TO APPEAL FOR FUNDS IS MADE TODAY

RELIEF GIVEN AS DONATIONS ARE RECEIVED

American Legion Votes to Give \$100 to Cause MANY DONATING ON NEWS' PLAN Salvation Army Feels Grateful Over Outcome

An inspiring response to the appeal for funds, food, and clothing for the needy of Pampa was reported today. Ensign Edgar King, head of the Salvation Army, 212 East Foster, said that scores of persons had called him to offer clothing. He praised the spirit of the people in coming to the assistance of his organization in meeting appeals of the hungry and jobless persons here. The Pampa Daily News call for cash contributions to a relief fund was being answered by many citizens today, and the total had amounted to \$464 early this afternoon.

Others who wish to have part in the relief work should send or bring funds to The News office. Checks should be made payable to RELIEF FUND. The money received by this newspaper will be deposited in a local bank under the title Relief Fund. It will be drawn as needed for local relief work, and given to the Salvation Army or other responsible welfare bodies which may require funds.

For Local Use Only It is the intention, according to Olin E. Hinkle, editor of The News and custodian of the fund, that the money contributed through the newspaper be used for local purposes only. An accurate check will be made on expenditures, and a public statement of all receipts will be made daily as long as donations are made.

Republicans to Hold Primary in County in July

Republicans of Gray county are making plans to hold their first Republican primary, according to Dr. V. E. Brunow, chairman of the county Republican organization.

The state law requires that the party hold a primary on the same day as the Democratic primary. Republicans also are planning to hold a county convention in the spring and make nominations for the ticket. Part of the funds for holding the primary have already been subscribed by local Republicans.

The law requires that when any party polls 100,000 votes in the state, it must nominate a ticket and hold a primary in order to participate in the general election.

THE WEATHER VANE

WEST TEXAS: Generally fair and continued cold tonight and Thursday.

—AND A SMILE AGUA CALIENTE (P)—Here's an unguaranteed tip on the 50,000 pesos tournament: Harry Cooper, who has a fair score, got married yesterday about the same time that Marion Turpie Lake, on her honeymoon, was smashing records with a 77 at Edgewater Park, Miss. Bobby Jones did not win the national amateur championship till he was a benedict. Shortly after his marriage Jess Sweetser won the British amateur championship.

NINE SMALL SCHOOL CHILDREN ARE KILLED AT CROSSING WHEN NEW YORK CENTRAL HITS BUS

Rheudasil to Make Race For Constable Here

Scott Rheudasil, county jailer for the last three years, today announced his candidacy for the office of precinct No. 2, subject to the action of the Democratic primary in July.

G. H. Parrish, present constable of this precinct, announces in the News today, his candidacy for sheriff.

Mr. Rheudasil came to Pampa three years ago from Lubbock, where he served as constable and deputy sheriff. He was a resident of Lubbock for six years. Mr. Rheudasil has had eight years experience as a peace officer. He resigned Jan. 1 as jailer to make the race for constable.

Rose Building Is Likely to Have 3 More Stories

Three more stories will be added to the Rose building when a need for them is felt or when the owners are "encouraged" by possible tenants, according to W. B. Rose.

Estimates for the construction of the addition are now being computed by various contractors, and Mr. Rose is awaiting the result of their estimates before he makes any definite announcement.

The three floors would contain 132 rooms. The present 3-story structure was built so that three or four more floors might be added when needed. The steam heat plant in the building is sufficient to provide heat for 132 more rooms, Mrs. Rose said.

Business prospects for 1930 and 1931 are bright, Mr. Rose believes. He feels that Pampa will have a growing, prosperous future, and that if the stories are not added in the near future Pampa's growth will compel their erection in another year.

Weather Clears in State Today

By The Associated Press Clearing skies over Texas promised that the backbone of the third attack in one of Texas' worst blizzards had been broken today.

Although the cold over most of the state last night was intense, minimum temperatures did not equal the marks set last Saturday. The minimum officially reported to the U. S. Weather bureau was zero at Amarillo, one degree warmer than that city experienced Tuesday morning.

At Dallas the predicted temperatures of zero for last night missed the mark by four degrees, the reading early today being 4 above. At Houston the minimum was 16, while further south at Brownsville, in the Rio Grande valley, the low mark was 28 above.

Receding from North Texas the latest blizzard struck Southern Texas hardest last night. Another hard freeze was reported from Laredo, with the mercury dipping as low as 22 above. Citrus and truck garden growers said it would not be possible to estimate the damage for several days.

MEETING WILL BE HELD SOON AT AMARILLO

Gray County Will Send Delegates to Session

STEPS TO FIGHT CUT CONSIDERED

Many Meetings Are to Recommend Some Action

Gray county oil men, royalty owners, and landholders today were preparing to go to Amarillo tomorrow evening to attend a conference called by Earl Callaway, vice-president of the Mid-Continent Oil and Gas association.

The meeting will open at 8 p. m. at the Herring hotel.

In conversation with The News today Mr. Callaway said that it was greatly desired that Pampa and Gray county be well represented. Another session will follow Thursday's, when a special committee appointed by Edward T. Moore, president of the Texas division of the Mid-Continent Oil and Gas association, will convene in Houston to consider recommendations of the Amarillo meeting and others at Tulsa, Fort Worth, Wichita Falls, and other cities.

The Amarillo meeting is to be one of a series held in producing areas of Texas, Oklahoma, and other states affected by the recent cut in crude oil prices. The purpose, it was stated, will be to determine whether or not there is any justification for the drastic price cut, and, if so, to decide what should be done about it.

Mr. Callaway told The News that landowners, as well as royalty owners, should attend the Amarillo meeting.

"It has been the unanimous opinion at all the meetings, including those at Oklahoma City, Tulsa, Seminole, Fort Worth, Dallas, and Wichita Falls," he declared, "that the cut in the price of crude on January 15 was uncalculated and protests have been made from all centers. Unanimous recommendations have been made for tariff regulations in an effort to avert price reductions at a time when all are co-operating in curtailing production, and when purchasing companies have been actually drawing profit storage at the rate of approximately four million barrels monthly for the past three months.

(See OIL MEETING, page 6.)

City Hall-Auditorium Plans Are Taking Form—Many Groups to Be Quartered in \$100,000 Building

While not formally approving the plans for the city hall-auditorium submitted yesterday by Architect W. R. Kaufman, the city commission found the details generally acceptable and told the architect to make certain changes suggested.

Selection of the brick to be used will probably be made before the final draft of the plans is made. Mr. Kaufman desires this information at once.

In general appearance, the architect's drawing of the city hall structure resembles the Gray county courthouse, but arrangements of windows and terra cotta trim is somewhat different. The city building would be 76 by 140 feet over all, as compared with 120 by 85 feet for the courthouse. The city hall would be 41 feet 6 inches high, or a story lower than the courthouse, which towers 53 feet in the air.

The plans call for a stone base 7 feet high. The building is planned to fit into the rectangular plot of ground formed by widening of the streets on the east and west sides of Albert Square.

The lower or basement floor will be of half-basement type. The south half

Highway Delegates Are Pleased by State Attitude on Problems—Think Solution of Questions Now Certain

It Isn't Lincoln

The state highway commission has instructed engineers to make recommendations concerning highway 41 from Pampa to Hartley, and if these are favorable the road will be designated, according to Judge Ivy E. Duncan who has just returned from Austin where he conferred with the commission on highway problems.

The commission will accept highway 33 west from Pampa and pay two-thirds of the paving costs, Judge Duncan said. State Engineer Gibb Gilchrist said that although he could not "put his finger" on the exact route the road will be designated in a Pampa, it will go south of the roadway tracks.

Governor Moody assured Judge Duncan, Senator Clint C. Small, who gave a report on the crowded court conditions here, that some relief would be obtained before the close of the special session. The possibility of establishing a court of civil appeals here is very strong, Judge Duncan believes.

Both the senator and the county judge were satisfied with the result of their interview with the governor.

M. M. Newman county commissioner from the McLean precinct, is in Austin now conferring with the commission on highway 66 right-of-way problems. He arrived in Austin just as Judge Duncan was leaving yesterday morning.

Judge Duncan said the highway commission acted favorably upon all his requests and he believes most of the difficulties that have obstructed the paving of designated roads in Gray county are beginning to be moved. The highway commission gave the Gray county men a warm reception and were frank in the discussion of road problems. He believes all difficulties will be satisfactorily disposed of in the near future.

LARGE GUSHER IS BROUGHT IN BY OPERATORS

The first large gusher and the biggest oil well of 1930, Operators Oil company's No. 7 Cook-Faulkner, section 30, block B-2, was brought in last night for an initial production of 5,000 barrels. The well flowed over 200 barrels the first hour, and was making about 200 barrels this morning according to Tom Dowell, acting manager for the company. The well blew in about 8 o'clock.

The gusher was drilled to a total depth of 2,862 feet and pay was struck at 2,860 feet. All the tanks on the premises are full and the company is having trouble in handling the oil. Bell Oil and Gas company is buying the oil.

The same company's No. 5 Cook-Faulkner in section 30, block B-2, now on top of the pay will be drilled in as soon as arrangements can be completed to care for the oil. It is also expected to be a big producer.

Previous drilling of off-sets to the well by other companies compelled the drilling of both wells. This is the second well that that has been drilled in the restricted production area since proration went into effect.

Daily production of Gray county which has been declining at the rate of 6,000 barrels a week since the first of the year will likely be boosted by the production of the new well and by No. 5, to be completed soon.

Returning Bandits PHOENIX, Ariz., Jan. 22. (P)—Mrs. Irene Schoeder and Walter Glenn Dague, in the custody of Pennsylvania officers, today were speeding in a Pullman car toward Newcastle, Pa., where they must face trial on a charge of slaying Corporal Brady Paul of the state highway patrol. At 12:45 a. m. today the prisoners were placed aboard a train at Chandler, Ariz., after they had waived extradition.

Madams Schumann-Heink will make a "Talkie" soon.

STRUCTURE TO BE BEGUN IN EARLY SPRING

Pampa National to Be Housed in Fine Edifice

PLANS WILL BE READY AT ONCE

Adjoining Property Is Bought to Make Room

Construction of a 5-story building where the Pampa National bank now stands will start in the spring, according to proposed plans announced by J. M. Dodson, president of the bank.

Estimated cost of the edifice, which will be the tallest and largest in Pampa, will be \$165,000. A drawing of the imposing structure now in the bank shows that it will be beautiful in type and would be a credit to any large city in the country. The drawing which was submitted by Architect W. R. Kaufman has not yet been definitely accepted, but it is believed the general plan of the sketch will be followed, possibly with a few minor changes. According to present plans, it would be one of the largest business-buildings in smaller Panhandle cities.

Plans for erecting the building were completed last week-end when the Pampa National bank purchased the two adjoining buildings on the south and the sites on which they are situated from C. B. Bernard. The site for the new building, owned by the bank, is now 140 feet long and 75 feet wide.

The structure itself will be 50 feet wide and 140 feet long.

The building which when completed will definitely place Pampa in the city class, will be one of the largest buildings in the Panhandle. A semi-scraper, it will be built on one of the best locations in Pampa. It will include five stories and a basement, according to present plans. The bank will occupy the front part of the first floor. The edifice will be built of white stone and light-colored brick, will also have a mezzanine floor. It will have steel framework and will be modern in every detail.

Mr. Kaufman, the architect, is making some changes in the original drawing and when the sketch of the building is accepted by the bank, a photograph of it will appear in the News.

Although the bank for some time has been considering the building of such a structure, definite discussion did not take place until the annual stock holders meeting which was held last week.

At that meeting, Mr. Dodson was elected president; Dr. Bernard, vice president; J. M. Saunders, vice president; A. J. McAllister, cashier; C. M. Carlock, assistant cashier; A. L. Pring, more, assistant cashier; Hugh Morrow, assistant cashier.

The following directors were elected: J. M. Dodson, E. E. Reynolds, J. M. Saunders, D. W. Osborne, C. B. Bernard, L. C. McConnell, and R. S. McConnell.

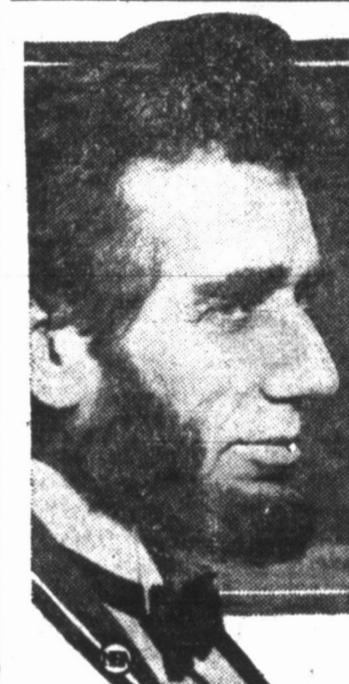

Attempt to Kill Chicagoan Told

CHICAGO, Jan. 22. (P)—A frustrated attempt to bomb Assistant State's Attorney Edward Markham, followed by an unsuccessful attack upon him, was revealed today. The motive was attributed to the warfare upon an alcohol ring.

Barking of his dog about 9:30 o'clock the evening of January 16 took Markham to the yard on the run.

"As I reached the yard, two men ran from the garage. The dog grabbed one," he said. "The other fired at me but missed.

"Inside the garage I found the hood lifted from the automobile. The ignition had been tampered with, I believe for the purpose of planting a bomb which would have exploded when I attempted to start the motor."

No, you guessed wrong—this isn't Abraham Lincoln, whose birthday anniversary is observed on Feb. 12, but a new picture of Judge Charles E. Bull, famous as Lincoln's "double," who is now on a lecture tour in the east. Judge Bull was born in Texas, the son of Confederate parents, but his resemblance to Lincoln is so strong that he often takes Lincoln roles in the movies in Hollywood, Calif., where he now resides.

Any erroneous reflection upon the character, standing, or reputation of any individual, firm, concern, or corporation that may appear in the columns of the Pampa Daily News will be gladly corrected when called to the attention of the editor. It is not the intention of this newspaper to injure any individual, firm, or corporation, and corrections will be made, when warranted, as promptly as was the wrongfully published reference or article.

THE FEE SYSTEM, AS THE NEWS HAS REMARKED MANY TIMES IN THE LAST THREE YEARS, IS BAD.

Everyone, almost, admits this statement except those receiving the benefits of the system, and they are quick to admit the truth as soon as they are out of office. While the plan has some good points, the bad ones greatly outweigh the better.

The News was much interested in Governor Moody's reference to the iniquitous fee system in his message to the current session of the legislature. As a former attorney general, he knows the legal tangles into which the system has fallen, and as a state official he has observed the inequalities and other evils that have resulted.

Because of its importance and the information it contains, the portion of the governor's message referred to is reproduced here:

"The provision of the constitution makes it impossible to abolish the fee system in this state, and any attempt to amend that provision would be bitterly opposed by practically every officer who is now compensated through the fee system." Governor Moody said. "Many citizens would vote against such amendment with the misapprehension that under the fee system violators of the criminal law are made to pay the cost of supporting our public officers. A more mistaken notion was never abroad in the land. When one considers the millions of dollars in fee for the collection of ad valorem taxes, the error of this conception is apparent. The fees of officers in felony cases are paid by appropriations from the general revenue and the general revenues are raised by taxation. The fees of the tax assessors and collectors are likewise raised through the imposition of taxes. The present fee bill has been patched up and changed here and there to give a man here, and one yonder, more fees, until it is difficult for a lawyer to read the statute and understand it.

"The committee which was appointed at the last session of the legislature to investigate the operation of the fee system has gathered some rather interesting and illuminating facts. Their report states that they found that some officers were collecting and retaining in fees as much as \$22,000 a year. That is an excessive amount of remuneration for any officer or any office holder in Texas. The committee in its report has directed attention to some of the defects in the present law. You will also find in this report reference to the contract system that seems to have gained popularity recently for the collection of delinquent taxes; the committee reports that

some counties have entered into contracts for the payment of excessive percentage for the collection of delinquent taxes. This imposes a burden upon the revenues of the state and the committee says that the state will pay this year \$500,000 more than a reasonable amount for the services of these contractors in the collection of delinquent taxes."

TWINKLES

Mr. Ferguson intends to run for governor. He broke his shoulder blade while tossing about in a dream, which proves that he was practicing up on those hell-raiser speeches he used so effectively for years.

It is remarkable how Ferguson can play upon the prejudices of the "common man". Analyzed, Jim, often in truth insinuates that his audience is common, vulgar, and inconsequential, but he gets down on the crowd's level and makes whoopee with the whittle-and-spit boys. This logic, or lack of it, goes over big in the "sticks", and not so doggone bad up here on the plains either. Texas has had enough of Fergusonism, but if it wants to know what a big hunk of the population is thinking—ask Jim.

This column wants to congratulate the big number of persons who have paid their poll taxes lately. Whether this page had anything to do with it or not, it was a good move, and we feel better about it. But next week is the week of Grace, poll taxically speaking, and we also are going to name it Poll Tax Week. There is a week for everything else, and many things less important are emphasized.

Prohibition is a lot better than the few whiskey years we can remember. And furthermore, we cannot get very much excited about the menace of failure to "prohibit" sale when we cannot name in a minute, counting rapidly, all the "best citizens" we know to patronize at least occasionally the men who sell the booze. Our idea is that the menace always originates with the buyers—who finance all the evils complained of.

It looks as if a little cooperation may be necessary to stop contagious diseases around here. The minor cases merely give the young folk chances to stay away from school, but chances are dangerous, unnecessary on the whole, and better done without. And smallpox should be controlled by vaccination.

The talkies are ruinin' old-time acting. And the bad boys who try to act insane seem to be out of practice, too.

East Ward Principal Announces Big Honor and Attendance Roll for Term

Mrs. Annie Daniels, principal of the East Ward school, has announced the following honor and perfect attendance rolls for the final six-week term of the first semester:

HIGH FIRST GRADE
(Mrs. C. T. Teacher)
Honor roll with perfect attendance—Arline Elliott, Florence King, Bettie Jean Tieman.

LOW SECOND GRADE
(Mrs. C. Wilkerson, Teacher)
Perfect attendance—Grover Lee Heiskell, Jack Moseley, Jack Smith. Honor roll—Edna Ayres, Venora Anderson, Edna Helms, Dorothy Peck, Roy Ferguson, Charles Pearce, Herman Tilley, and Bobby Williams.

HIGH SECOND GRADE
(Miss Vida Cox, Teacher)
Perfect attendance—Mary Jean Hill, Ludene Luttrell, Juanita Redell, Jack Crout, Howard Hampton, Charles Pafford, Robert Smith, Lee Harold Zuck. Honor roll—Jamyne Weems Autry, Mamie Baird McAlister, Glen Day, Joy Ward, Betty Jo Lafette.

LOW THIRD GRADE
(Mrs. Katie Strickland, Teacher)
Perfect attendance—Dean Barkside, Cody Goddard, J. W. Hungate, Arnold Lee, Lamoyne Swafford.

HIGH THIRD GRADE
(Miss Nell Crain, Teacher)
Perfect attendance—Floyd Brown, Maydell Coleman. Honor roll—Bernice Duncan, D. L. Killingsworth, George Cree, Edythe Peacock, Maydell Coleman, Roe Bern Lambert, Jessie Ellis, Rita Holmes, Martin Turner, Cecil Brown, Paul Luttrell.

LOW FOURTH GRADE
(Miss Mildred Stewart, Teacher)
Perfect attendance—Harry Clay, Howard Dyer, Jimmie Gill, J. P. Washburn, Olie Lee Henderson. Honor roll—Dorothy Burton, Avenell Mathis, Lorraine Snow, Geraldine Connor, E. T. Autry, Tommy Bicknell, Elmer Lee Gray, Lee Owens.

HIGH FIFTH GRADE
(Mrs. E. A. Hampton, Teacher)
Perfect attendance—Clyde Wayne New, J. C. Walker, Edna Earl Turner, Myrtle Woodcock, DeAnn Heiskell, Albert Reynolds.

HIGH FOURTH GRADE
(Miss Kathleen Beatty, Teacher)
Perfect attendance—Kathleen Kuehl, John Williams, Arvo Goddard, Pauline Stewart, C. E. Phillips, Ralph Hamilton, Oms Ewing, Dorris R. Hungate, Doyle Bailey. Honor roll—Jane Daniel, Bob Mitchell, Ernest Barndollar, Roy Lee Jones.

HIGH FIFTH GRADE
(Mrs. E. A. Hampton, Teacher)
Perfect attendance—Clyde Wayne New, J. C. Walker, Edna Earl Turner, Myrtle Woodcock, DeAnn Heiskell, Albert Reynolds.

CARD OF THANKS
East Ward faculty and students wish to thank the patrons and friends for the many kind and considerate deeds performed for us, and the wonderful cooperation in our work. You are welcome to our school at any time. Respectfully,
Miss Cox,
Mrs. Strickland,
Miss Stewart,
Miss Beatty,
Miss Crain,
Mrs. Hampton,
Mrs. Wilkerson,
Mrs. Craft,
Mrs. Daniels, Principal.
TO THE PUPILS
We, the teachers of East Ward school, wish to thank the students for their good conduct on the playgrounds and in the class rooms, and for the studious way in which they have handled their school work.

ABOUT FOLKS

BY A. F.
George Titus wants to know how much is being paid for votes this year.

Relative to a statement in this column the other day, that L. G. Blanton makes the best lard and sausage in the county, Mrs. Blanton said, no such thing. She made the lard and sausage while L. G. was performing his duties as unofficial office deputy.

A well-dressed young man in a local hotel lobby: "I know 20 men in this town that get arrested every time they go to Amarillo—the City of Roses!"

Some of those early risers who heard King George over the radio yesterday morning about 5 o'clock agree with the radio announcer that his English accent was much less pronounced than that of the actors who ape the Englishman's talk.

An old Civil War veteran yesterday reminded us that Monday was the birthday of General Robert E. Lee and that every boy born on that day to Southerners should be named after "Marse Robert." And he gave his reasons: "To Lee but two things really mattered—honor and his faith in the Almighty."

Lee appeals to the emotions of Americans and especially of those whose family traditions are southern. The name of Robert E. Lee, with all that the name connotes, still brings a tear to the eye and a lump to the throat. For them he has emerged as the outstanding leader of the Lost Cause.

In Congress

(By the Associated Press)
Wednesday:
Senate:
Continues debate on tariff bill. Lobby committee hears representatives of American tariff league. Interstate commerce committee continues hearings on communications bill. Banking committee takes up bills on calendar. House:
Appropriations committee meets to consider reporting supply bill for state, justice, commerce and labor departments. Elections committee continues hearings on Wurzbach-McCluskey contest from Texas. Immigration committee resumes hearings on bills to restrict western hemisphere immigration. Expenditure committee hears Secretary Mellon in hearing on bill to transfer prohibition unit from treasury to justice department.

Sheep: 8,000; lambs 11.75@12.85; ewes 5.00@6.85.

WHEAT IS FIRM
CHICAGO, Jan. 22 (AP)—Fresh upturns in wheat here took place early today, owing to indications of large export buying of North American wheat overnight. Opening unchanged to 1-2c higher. Chicago wheat afterward showed a rise all around, but then reacted somewhat. Corn and oats were likewise firmer, with corn starting unchanged to 1-4 up, and subsequently holding near to the initial figures. Provisions declined.

Chicago Grain
CHICAGO, Jan. 22 (AP)—Wheat: No sales reported.
Corn: No. 2 white 46 7-8 to 47 1-4; No. 3 white 44 1-2 to 46.

Pioneer Doctor Dies
LONG BEACH, Calif., Jan. 22 (AP)—Word was received here today of the death in Japan of Dr. Henry F. Hoyt, frontier pioneer of a generation ago, former chief surgeon of the United States army in the Philippines and once health commissioner of St. Paul. He died in Yokohama en route from Manila. He was 76 years old. Dr. Hoyt was the first physician to settle in the Texas Panhandle.

City Ordinance Requires Removal of All Curb Gasoline Equipment

APPEALS COURT

AUSTIN, Jan. 22 (AP)—The following proceedings were had in the court of criminal appeals today:
Affirmed: Joe Nowell, Potter; P. C. McInnis, Brown; E. J. Elbury, Harris; Claude Dewitt, Travis; J. M. Mullin, Gray; Freedom Bowman, Harris; Jose Segara, Bexar; Andrew Garza, Bexar; Chino Hernandez, Bee; John Flores, Harris; Lloyd McFadden, Walker; Earl Phillips, Walker; Tom Grigan, Dallas. Reversed and remanded: Willie Lee Duffey, Camp; Berry Fowler, Concho; Lonnie Bell, Camp; Willie Montgomery, Griggs; Noble Hattaway, Hopkins. Appellants motion for rehearing overruled: G. R. Smith, Coryell; Orvell Corn and oats were likewise firmer, with corn starting unchanged to 1-4 up, and subsequently holding near to the initial figures. Provisions declined. Appeal abated: Fred Prichard, Lamar.

A city ordinance of wide application was passed by the city commission at its afternoon session yesterday. The ordinance calls for removal of all gasoline, oil and other vending pumps and devices from the sidewalks of the city. Placing of containers on or under the sidewalks, streets, and alleys also is prohibited. The new statute, passed under an emergency clause for immediate effect, will necessitate removal of many gasoline pumps and alteration of filling station equipment. Continued complaints that cars being filled at the curb and sidewalk pumps were obstructing passage led to the action, members of the city commission stated.

Umpire in Politics
LOWELL, Mass., Jan. 22 (AP)—Bob Hart, National league umpire, has been elected city assessor for a two-year term. What effect his appointment will have on his umpiring, which he has been doing for 10 years, Hart said, would be explained in an announcement at the February 4 meeting of the National league. He resumed his duties today.

Three members of the crew of the steamship Limpopo, which was wrecked on Jan. 1, off the coast of Luderwiz, Africa, walked ninety miles to report the wreck of the ship and to obtain aid for the other eleven of the crew. Daily News Want-Ads bring results.

HEAVY CLASS OF WRESTLERS NOW BANNED

CHICAGO, Jan. 22. (P)—Heavyweight wrestlers, split into warring factions over the championship, have been banned from Illinois rings until they can agree to settle their titular claims in an elimination tournament sponsored by the state athletic commission.

The commission ordered the ban, effective immediately, after it had failed to induce the wrestlers to meet in such a tournament here this month. The pre-arranged match between John Pesek, "Nebraska Tiger Man," and John Etko, ponderous Slav, was permitted to stand, however. It is to be held next Tuesday.

General John V. Clinin, chairman of the Illinois commission, said the heavyweights agreed to enter an elimination tournament, but that Gus Sonnenberg, recognized generally as the champion, insisted he meet only the tournament survivor for the title. While others insisted Sonnenberg meet all challengers.

"There were so many disagreements that the commission was forced to give up the tournament," General Clinin added, "and indefinitely suspend all heavyweight wrestlers until they can agree."

Dutra Leads at Agua Caliente in Golf Tournament

AGUA CALIENTE, Lower California, Jan. 22. (P)—Olin Dutra, Santa Monica, Calif., professional, entered the third round of the Agua Caliente \$25,000 golf tournament today as leader of the 58 remaining entrants. He was one stroke ahead of Missouri's threat, Horton Smith, and Charles Guest, Los Angeles.

Dutra looked to the third eighteen holes today with a 146 score. Yesterday he shot 72, nearest approach of the day to the 71 which represents par. With him came his brother Mortie of Tacoma, Wash., whose 72 placed him in a six-cornered tie for third position.

Tied with Mortie and his 148 card were MacDonald Smith, Long Island, N. Y., who won two consecutive victories in the Los Angeles \$10,000 open, 1928-29, Gene Sarazen, former national open champion, from New York, Al Espinosa, veteran Chicago player; Ed Dudley, Wilmington, Del., leader of the field during the opening day with a par 71, and Al Watrous, Detroit pro.

Bill Baker, star center in football at McKinley School of Honolulu, Hawaii, has only one arm.

Lions and Rotary Clubs Will Not Have Basketball Game Tonight

Negro Athlete to Be Ineligible Soon

NEW YORK Jan. 22. (P)—Authorities at New York university have revealed that Phil Edwards, negro middle distance runner, will not be eligible to compete for the university after Jan. 31 and therefore will not defend his half mile crown at the intercollegiate indoor track and field championships here in March.

Although he has had only two years of varsity competition, he completes three years of eligibility at the end of this month. During his sophomore year he competed as an unattached athlete, as scholastic difficulties prevented his competing for New York university.

Inability to compete makes it virtually impossible for the Violets successfully to defend the indoor title they captured last year. Edwards not only won the half mile championship, but ran anchor on the team that won the two-mile relay event.

Walker Forfeit Now in Dispute

SACRAMENTO, Cal., Jan. 22. (P)—William H. Hanlon, chairman of the California boxing commission, said today he could not obey an order of the Illinois State Athletic commission that a \$10,000 forfeit posted by Mickey Walker, middleweight boxing champion, be given to the Shrine Hospital.

Walker posted the money as a guarantee that he would risk his title by last September, when the Illinois commission permitted him to go out of his class to meet Tommy Loughran for the light heavyweight title here last March. Walker's manager, Jack Kearns, has a temporary injunction to prevent the money being paid.

Hanlon said the disposition of the money was solely up to the California supreme court.

Commoner's Wife Dies Last Night

HOLLYWOOD, Calif., Jan. 22. (P)—Mrs. William Jennings Bryan today was joined in death with her famous husband, whose constant companion she was, in victory and defeat, from that October day in 1894 when he led her to the altar and slipped on her finger the ring inscribed "won 1880; one 1894."

Mrs. Bryan, whom the great commoner called "my mental safety valve," died last night in the home of her daughter, Mrs. Grace Bryan Hargreaves, wife of a Beverly Hills, Cal., banker. She had been suffering from arthritis

Shires and Bush Now in Agreement

CHICAGO, Jan. 22. (P)—The case of organized baseball, the White Sox in particular, against Charles Arthur "The Great" Shires neared conclusion today.

The punch throwing White Sox first baseman, who has already acceded to Commissioner K. M. Landis' demand that he quit the professional ring and get into shape for baseball, conferred secretly with Donie Bush, new White Sox manager, yesterday, and from the smiles that wreathed their faces it looked as if both had come to an agreement.

Shires is expected to have his suspension, levied because of his fist fight with former Manager Russell "Lena" Blackburne last season, lifted and receive his 1930 contract this week. "Bush and I will get along one hundred per cent," Shires said after the conference.

"Shires is a fine boy and I'm sure we're going to get along famously and win some ball games this summer," Manager Bush said.

for about 12 years, and her condition became suddenly worse upon her return here a short time ago from Miami, Fla., where she visited another daughter, Mrs. Ruth Bryan Owen, member of congress from Florida. Mrs. Bryan was 69 years old, and survived her husband by four years.

Throughout the 41 years of their married life, her husband's career was Mrs. Bryan's career. They discussed everything together—men, events and every new political issue. She assisted him with his mail and read aloud to him while he chopped down trees for exercise. In order that she might share more intimately his thoughts and be of greater aid in his efforts, she took up the study of law and was admitted to the bar.

Burial of Mrs. Bryan will be beside her husband in Arlington National cemetery, Washington, D. C., where the body will be taken following funeral services here.

The heat wave which descended on Rio De Janeiro in the middle of December still continues. The daily temperature ranges between 92 and 97 degrees in the shade.

HARVESTERS AND GIRLS TO GO TO MIAMI TONIGHT TO BATTLE WARRIORS AND SQUAWS THERE

Miami's Warriors and Squaws are mixing "medicine" today in an effort to learn how best to repulse the invasion tonight of Pampa's Harvesters and girls.

The local teams will journey to the Roberts county seat this afternoon for the double-header engagement. The girls are confident they will come out with a victory, while the Harvesters are training hard to develop a scoring attack which will enable them to defeat the team which they noosed out by a single point here recently.

It probably will be the last game of the week for the girls, but the Harvesters will go to Shamrock Friday night for a battle with the Irishmen.

For pedestrians who must walk on the public roads at night an Edinburgh man has patented a safety belt. It is of strong leather with reflectors attached front and back to catch the light of approaching automobiles.

RANGER STORE BURNS

RANGER, Jan. 22. (P)—Fire today in the business district of Ranger destroyed one building and damaged another, with a loss estimated by the owners at \$50,000. A drug store was destroyed and a department store damaged by smoke and water.

A VICTOR

Pioneer Low-Cost Standard Adding Machines

\$90

WHAT THIS SPECIAL VICTOR DOES—

- 1 Automatically lists and counts items as well as amounts of each item.
- 2 Automatic ejector provides customer with printed sales slip accurately totaled.
- 3 Items are added only when amount is actually set upon keyboard. Idle handle stroke does not operate counter.
- 4 Has cash register keytops—each key clearly indicates cents, tens of cents, dollars, etc.
- 5 Has 2-color ribbon, visible adding dials, autographic paper table.

Modern retailing demanded an adding machine that would automatically count and print items as well as amounts—and Victor engineers produced this special Victor for Retailers, at a price within every merchant's reach.

This special Victor speeds up sales—gains the confidence of customers—insures accuracy of clerks—meets bookkeeping requirements.

Two columns automatically count and print items while the other columns add and print amounts. Totals of both automatically taken with a single stroke. Automatic ejector provides customer with printed, totaled sales slip. Adding capacity \$99.99.

Adding capacity \$999.99, priced slightly higher.

Let us show you this machine today—or have it on free trial.

Wednesday
The Women's auxiliary of the Presbyterian church will meet in the home of Mrs. V. E. Fatheree, with Mrs. Tom Swann associate hostess. The program will open at 3 o'clock.

Circle 1 of the Baptist W. M. U. will meet in the home of Mrs. C. L. McKinney, 615 North Somerville, at 2:30 o'clock. Circle 2 of the W. M. U. will meet in the home of Mrs. J. S. Carter at 2:30 o'clock.

The Altar society of Holy Souls church will meet at 2:30 o'clock in the home of Mrs. Dan Gribbon at Kings mill, where Mrs. Hampton Waddell will be co-hostess.

A meeting of the executive board of the Methodist Women's Missionary society will be held at the church at 2:30 o'clock.

Friday
The Study Club of the Order of the Eastern Star will meet at 7:30 for instruction in secret ritual.

Mrs. D. L. Harris will entertain in the basement of the First Baptist church with a party for the young people of the church and Sunday school who are 16 to 30 years of age, inclusive. The affair is to be from 7:30 o'clock to 10 o'clock.

Child Study club will meet in Mrs. Lee Harrah's home at 2:30 o'clock.

A special meeting of the Mother's Primary club will be held at 10 o'clock Friday morning at the Methodist church. All members are urged to be present as important business will be transacted.

Miscellaneous

Tickets for the founders' day banquet to be given Friday evening by the A. A. U. W. and College club are on sale at Pampa Drug store No. 1 and Fatheree Drug store No. 4. Members are requested to buy their tickets before Tuesday night. Mrs. W. R. Campbell, telephone 111, and Mrs. Lee Harrah, 76-J, are in charge of reservations.

Mrs. W. T. Fraser Is Raised to Presidency of College Study Club

Mrs. W. T. Fraser, vice-president of the A. A. U. W. and College Study club since the opening of the club year last fall, was raised to the presidency Monday afternoon, succeeding Mrs. W. J. Smith, who resigned when she accepted a position to teach in the afternoon at Central high school.

On the same occasion the membership decided to hold regular meetings thereafter in the homes of the members, and accepted the invitation of Mrs. C. T. Hunkapillar to hold the next meeting in her home. The club heretofore has met twice each month in the women's parlor of the First Methodist church.

Mrs. Harry E. Marbaugh was director of the program. Her paper was on "The Making of Citizens." "The School and Citizenship" was discussed by Mrs. Roy Wiley.

Members present were: Mrs. Lynn Boyd, Mrs. C. S. Boston, Mrs. F. M. Culberson, Mrs. Clyde Fatheree, Mrs. W. T. Fraser, Mrs. George E. Wolfe, Mrs. W. R. Campbell, Mrs. A. D. McNamara, Mrs. Marbaugh, and Mrs. Wiley.

Bridge Club Members and Husbands Guests at Party Tuesday Evening

Mrs. Lloyd Bennett and Mrs. Guy Manning entertained members of Kongential Kard club and their husbands, together with other mutual friends, at a delightful bridge party in the Pampa law room. A color scheme of yellow and orchid was developed in all details of the affair, including card table covers, favors, and refreshments. The score pads and tally cards were decorated in a Japanese motif.

High scores were made by Mr. and Mrs. A. F. Clark, each of whom received an award. First grand slams of the evening were made by Mrs. Clark and Ralph Trimble, and low cuts were made by Mrs. Jim White and W. E. Coffee.

The guest list was as follows: Mr. and Mrs. C. S. Boston, Mrs. and Mrs. C. L. Craig, Mr. and Mrs. F. M. Culberson, Mr. and Mrs. A. F. Clark, Mr. and Mrs. Jack Mason, Mr. and Mrs. Ralph Trimble, Mr. and Mrs. Roger McConnell, Mr. and Mrs. Clyde Garner, Mr. and Mrs. Edgar Mullens, Mr. and Mrs. W. E. Coffee, Mrs. R. A. Webb, and Mrs. W. H. Lang.

Four Tables in Play at Amusu Bridge Club Meeting Yesterday

Mrs. Edwin Vicars was hostess yesterday afternoon to Amusu bridge club members and other friends at a party of four tables. Card table appointments and tea hour refreshments featured a color theme of lavender and rose, with a bowl of sweet peas centering each table.

High scores of the afternoon were made by Mrs. R. W. Mitchell, member, and Mrs. Tom E. Rose, special guest, Mrs. Siler Faulkner, member, and Mrs. Charles Thut, guest, held the low scores.

Other players were as follows: Mrs. C. P. Buckler, Mrs. C. T. Hunkapillar, Mrs. J. M. McDonald, Mrs. W. W. Mer-ten, Mrs. G. C. Walstad, Mrs. George E. Wolfe, Mrs. Alex Schneider, Jr., Mrs. W. E. Coffee, Mrs. Arthur Swanson, Mrs. H. D. Lewis, Mrs. C. M. Bryson, and Mrs. B. D. Robinson.

WATER MAINS BURST

HOUSTON, Jan. 22. (AP)—Large sections of Houston were without water Tuesday night and today as the result of continued freezing weather which burst approximately 25,000 water mains. Pressure downtown was reduced to 38 pounds. Normal pressure is around 70. The mercury went to 15 above zero last night.

Director White Enthusiastic Over Progress of Cast Which Will Present Revue at Banquet Friday

Enthusiasm grows as the date approaches for the founders' day banquet of the Pampa Branch of American Association of University Women and College club, among both the club members and their friends who will attend and the members of the cast presenting the program of the evening.

Moreover, a rumor heard yesterday in various and sundry places that the affair had been postponed from next Friday evening was denied this morning by Mrs. C. T. Hunkapillar, club president, and Harold White, director of the show to be presented. The banquet and the revue following will be given according to the original plan, in Central high auditorium on Friday evening, the banquet beginning at 7:30 o'clock, they announced.

The cast of "Progress of the Texas Panhandle," a colorful revue to be featured at the annual club function, is ready to perform, Mr. White says, with a finish surprising in amateurs working on their first show together. "I am very enthusiastic about the show," he said. "It is one of the best things ever attempted here, I am sure, and it is worthy of any city. I am very proud of the way the talent has developed."

Romantic periods in the development of the plains country will be represented in original songs and choruses,

and pantomime, in the cleverly written revue. Between 75 and 100 persons are in the cast. Soloists include: Mrs. R. R. Jones, Miss Audrey Noel, E. D. Zimmerman, Grady Morton, Clement Smith, and J. A. King. Dancing teams expected to attract special attention are the cowboy team, Walter Hardin and James Wear; and the "black puller" team, Fletcher Kennedy and J. J. Devine.

Specialty acts, between scenes, will include a cake walk and clog dancing by Miss Mary Camuse. Vern Springer is to give banjo numbers, and yodeling solos will be given by J. A. King. A quartet composed of Bob Rose, H. D. Balthrop, A. E. Hickman, and Jack Dunn, will sing.

The banquet will not feature the usual number of toasts, according to the plan announced. There will be a welcome to the presidents of the several women's organizations who will be guests of the club; and to the friends and husbands of members. The club song will be sung. The show will follow the banquet, and officers of the hostess club are urgent in their request that every member be present before 7:30 o'clock.

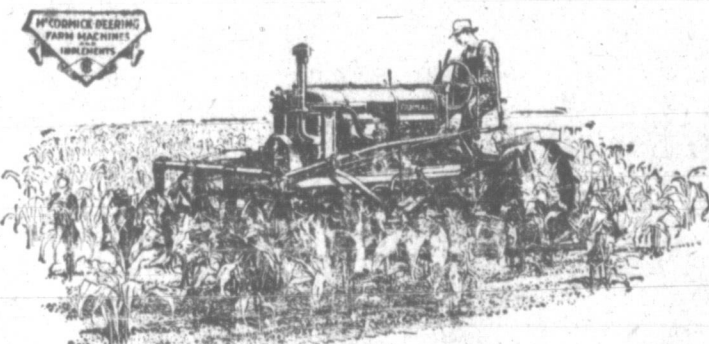

A bed of pansies in the yard of David Whitmeyer or Rome, N. Y., is in full bloom now.

Farmers

And others interested in Modern Farm Equipment—You are invited to attend a

Power Farming Day Program

to be held at Pampa at the

Pla-Mor Auditorium

Monday, January 27

Here is an opportunity to see for yourself the changes that are taking place in farm operating equipment. Trained men will be on hand to illustrate and demonstrate equipment and talk on questions in which every up-to-the-minute farmer is vitally interested.

Special attention will be given the operation and servicing of 15-30 and Farmall Tractors, Harvester Threshers and Six Speed Special Trucks.

There will be entertaining and instructive moving pictures. Your neighbors will be here; we'll have a pleasant, interesting day. Make your plans now to attend our Big Power Farming Day Program.

THE DIAMOND SHOP
"The Home of Dignified Credit"

Chicago "Flat Broke"—Unable to Pay Policemen

CHICAGO, Jan. 22. (P)—The financial crisis of the city, county and school board was described today by Silas H. Strawn, chairman of the citizens' committee as "critically desperate."

The local governments, he said, following a three-day search by his committee for "a way out," are "flat broke," with no prospects of any aid from the banks. Efforts to induce substantial property owners to buy tax anticipation warrants which they could use later as payment of their 1928 tax bills, also have been unsuccessful.

"Complete collapse of the local governments" is only "a matter of days" unless some means of producing cash is found, Strawn warned. Even a special session of the legislature, he said, could not get under way quickly enough to forestall the crisis. Such a procedure has been suggested.

The local governments, Strawn said, are \$290,000,000 in debt, and this is costing an estimated \$50,000 a day in interest.

"I do not believe the public grasps as yet what a really serious situation this is," Strawn declared. "I hope that before the poor people who are in our institutions either starve or freeze to death, our citizens will come to a realization of the existing conditions and do what they can to help."

The pinch already has been felt, he pointed out, in the Cook county hospital, the municipal tuberculosis sanitarium, the blind relief fund, the mothers' pension fund, the public library and other philanthropic institutions.

In the county no payrolls have been met for a month. Another payroll, due tomorrow, will not be met, officials said. In the city, the last day of policemen and firemen found the treasury unable to issue checks. Since January 1 no city payroll has been paid, nor bills met. The school board is behind one payroll and has announced it will be unable to meet the next payroll, due Friday when \$13,000 had hoped to get salaries totaling \$1,750,000.

Dallas Editor Dies Suddenly

DALLAS, Jan. 22. (P)—Wilbur S. Shaw, 33, Dallas newspaper man and editor of the Dallasite, a magazine, was found dead at a street intersection in the residence district today. He apparently had been frozen to death, or hit by an automobile.

Shaw was last seen in the press room at the city hall late Tuesday. His watch, the crystal shattered, had stopped at 10:25 o'clock last night.

His body bore no marks above the waist indicating he had been killed, but his legs were bruised. One hand had been injured, and his hat, with blood on it, was fifty yards from the body. The body was lying near a telephone post, the ground about was covered with ice.

Shaw worked on several Dallas newspapers. He was at one time city editor of the Dallas Times-Herald, telegraph editor on the Dallas Dispatch, and a reporter on the Dallas News and Journal. He had been editor of the Dallasite for several months.

He is survived by his mother, Mrs. M. E. Shaw.

PLAINVIEW, Jan. 22. (P)—Fire starting in the restaurant on the Elks home here last night caused damage estimated at \$12,000. It was the second fire within ten days, repairs and decorations having just been completed following the first blaze.

CITY HALL—

(Continued from page 1.) main floor and 125 more on the large stage.

The ceiling would be about 15 feet high. While this auditorium is not as large as the commission had hoped to build, the original plans calling for a larger auditorium had to be revised to stay within the \$100,000 voted for the purpose.

The auditorium is reduced somewhat in size to provide for the women's club and rest rooms and the city library. Adjoining the club assembly room would be a kitchenette, with facilities for serving refreshments or banquets. Across the corridor would be the library, with receiving room, recording and cataloging room, stack room, office, and reading room.

The demand for offices, for the Board of City Development quarters, for the women's work, and for the library makes it impossible to provide these facilities and at the same time build the largest auditorium in the city with \$100,000. The commissioners expect to let a turn-key contract as soon as weather clears.

Work on plans for the new fire station were ordered started at once.

RELIEF—

(Continued from page 1.) the relief fund, and John I. Bradley, who is raising the sum from the membership, said today the money would be handed The News on Saturday.

The Eight and Forty of the Legion added \$15 this morning, when a check was presented by Mrs. Floyd McConnell, secretary.

The Ladies' auxiliary of the Legion also desired to have a part in the relief work, and a donation of \$15 was pledged by Mrs. Willard E. Taylor in behalf of the organization.

Big Deposit Made
Clyde Fatheree, president of the Board of City Development, said that he and his assistants had raised \$693.50 and had deposited it to the credit of the Pampa Welfare association, which still has a bank account and which has not completed disorganization in favor of the Salvation Army. This fund is subject to check, and sums will be given to the Salvation Army for local use as needs arise.

A mass meeting to inquire into local welfare work may be held soon, it was said today. It is planned to continue the relief drive. The need for much aid is expected to continue for several months. Families with sickness, some of them quarantined, must be looked after daily.

Daily News relief funds to date:

OIL MEETING—

(Continued from page 1.) "A committee appointed January 20 at Dallas by Edward T. Moore, president of the Simms Oil company, and of the Texas division of the Mid-Continent Oil and Gas association, will hold a very important meeting Friday morning, the results of which may affect the entire industry. This committee is very anxious to get the consensus of opinion of the operators of the Panhandle at this time.

"Mr. Moore insists that it is imperative that every producer, royalty owner and land owner in the Panhandle, affected by the price cut, attend this meeting Thursday night."

WANT OIL PRICE RESTORED
By The Associated Press
FORT WORTH, Jan. 22. (P)—Restoration of crude oil prices after a cut put into effect last week was favored yesterday by Fort Worth operators, who met to indorse action taken Monday at Dallas by the Texas division, Mid-Continent Oil and Gas association, protesting the slash.

The Fort Worth operators voted to join with the Texas division in efforts to obtain a higher price for oil.

A beggar attacked a Chicago policeman using his wooden leg as a club, after the policeman attempted to arrest him for seeking alms in the loop.

Ripe raspberries were picked in Newcastle, England, in December.

Legion Votes to Aid Needy Here

At the regular meeting of local American Legion Post No. 334, Tuesday night the chief topic of discussion was Pampa's unfortunate, who are now suffering from cold and hunger. It was unanimously voted to give to the Pampa Daily News "Relief Fund" the sum of \$100.00 to help take care of the needy in Pampa.

John I. Bradley reported that arrangements had been made to place Sullivan J. Light and family in the Veterans hospital at Sulphur, Oklahoma, but to date they have not decided to leave Pampa.

The Legion is making arrangements to have Josh Lee back in Pampa, in the near future.

Mother and Babe Die Last Evening

Mrs. C. J. Jackson, 18, died at her home at the Coltexo plant near LeFors last night. An infant born last night to her and Mrs. Jackson also died.

Funeral services for Mrs. Jackson and child will be held at 2:30 o'clock this afternoon at the G. C. Malone funeral home with the Rev. Jesse Wiseman in charge. Burial will be made in the local cemetery.

Mrs. Jackson is survived by her husband, mother and father. Her husband is an employe at the Coltexo plant.

Chickens Burn to Death at Christy Farm Last Night

Seventy-five chickens burned to death last night when a brooder house at the poultry farm of J. G. Christy burst into flames as a gas line feeding a stove in the building parted. The building was half destroyed when it was discovered blazing about 11 o'clock by members of the Christy family.

Mr. Christy said the fire department arrived in an almost unbelievably short time after the alarm was turned in and the firemen extinguished the blaze at once, eliminating the danger of the fire igniting other poultry buildings nearby.

The birds destroyed were white Wyandottes of broiler size and were ready to go on the market. They were valued at about \$60 and the brooder house was valued at \$200 by Mr. Christy.

Mr. Christy believes the fire from
