SEARCH FOR MISSING FLIER IS HELD IN SNOW STORM

MAIL PILOT IS LONG OVERDUE AT CLEVELAND

Five Planes Take Off This Morning in Search

LOW VISIBILITY IS HINDRANCE

Mountainous Country Snow Covered and Stormy

CLARION, Pa., Dec. 3. (P)—A search by air for Thomas P. Nelson, missing New York to Cleveland air mail pilot, was renewed today in a snow storm that blanketed the wooded, mountainous country where the flier was lost to a depth of six inches.

Five planes took off from the Clarion airport this morning to hunt over the territory covered by the air mail route from Clarion, Pa., to Cleveland. Reports indicated the weather would clear up sometime, but visibility was expected to be bad throughout the day.

Whereabouts of the mail pilot was a matter of conjecture as the planes set out. While there were numerous reports of a plane passing the darkness early yesterday, there was no definite report of Nelson after he passed Brookville on his way westward to Cleveland to Cleveland, shortly after midnight Monday.

Farmers and others along the air mail route were aware of the flier's plight, and some of them joined the motor caravan here.

The mail usually carried by plane between New York and Cleveland was sent by train last night, the night mail schedule having been disrupted by the search for Nelson. A number of the National Air Transport fliers were here with Superintendent Smith, hunting for their fellow aviator.

TROOP SCHOOL WILL BE HELD ON WEDNESDAY

A troop school for all reserve officers in this section will be held in John Studer's office in the First National bank building Wednesday night at 8 o'clock, it is announced. All officers attending will receive two hours credit.

Capt. Harry Foster, of the branch office of the 90th division at Amarillo is expected to be present as the school was authorized by him. Organization meeting of the reserve officers was held Tuesday night in the Culbertson-Small Chevrolet company building with eight officers present.

There are 17 officers living here now who are on the record but probably others who have moved here and have not advised their division captain of their move. The school will be held every Wednesday night, according to plans. It will be held in the new Culbertson-Small building as soon as it is completed.

KANSAS BANK ROBBED

MINERAL, Kans., Dec. 3. (P)—Three roughly dressed men today held up the Mineral State bank, forcing Miss Agnes Trudgeon, cashier, to turn over an unestimated amount of money, and fled southwest with a posse in close pursuit.

BIG COURTHOUSE CELEBRATION NEXT SPRING IS TAKING FORM

Opening of the new courthouse March 1 will be celebrated with a three-day "open house," a dedication ceremony, and other events which promise to pack Pampa with visitors on that day, according to present plans of county commissioners.

More than 1,000 invitations to attend the opening and dedication ceremonies will be mailed outside the county. State and Panhandle celebrities are expected to be present. The affair will be widely advertised, and officials say it is sure to be one of the important events in the Panhandle during the early spring. Definite information that the courthouse will be finished by March 1, was

DEAN DUTTON SEES GREAT PAMPA FUTURE

Denver Engineer Believes His Road Will Get Permit

"I have every reason in the world to believe that the Interstate Commerce Commission will give the Denver permission to build the railroad from Childress to Pampa," A. P. Briggs, engineer in charge of the location crew, said yesterday. "I don't see how the I. C. C. can refuse the Fort Worth and Denver's petition because if ever a country needed a railroad it is the country through which the proposed road will pass," he continued.

Mr. Briggs and a crew of fourteen men began making the permanent location for the road Sept. 1, starting at Childress. Covering two miles a day, they reached LeFors yesterday. The preliminary location was made three months ago. The route that is being surveyed and staked by Mr. Briggs and his men is the one on which the proposed road would be built.

The engineer and his men made the permanent location for the Denver branch to Quitaque and Dimmitt. He believes that the road will be completed within a year if the permit is granted. The Dimmitt branch was completed more quickly than any other railroad ever built, he said, and the Denver plans to build the Childress-Pampa line just as quickly.

The physical characteristics of the proposed route are similar to those in the Dimmitt branch country, he says. The greatest difficulty will be had in entering Shamrock, which is located on a ridge. He pointed out the rail connections at Pampa, Shamrock and Childress are ideal for distribution of building material along the route.

The railroad, according to the location made by Mr. Briggs, would pass through Magic City in Wheeler county and LeFors in Gray county, two oil centers of appreciable size.

Mr. Briggs said that from Dec. 15 to Jan. 15, he will look daily for the I. C. C.'s decision. The Rock Island's petition to build a road from Quanah to Shamrock and the Denver's petition are the only ones made at the hearing at Fort Worth last spring that have not been acted upon, and they will receive attention next, he believes.

Wage Increase Is Made by Ford

DETROIT, Dec. 3. (P)—Wage increases that will add approximately \$20,000,000 a year to the payroll of the Ford Motor company were announced by Edsel Ford, president of the company. The minimum wage of \$6 a day is increased to \$7 a day and increases graduating on the basis of five cents an hour were given employees already receiving between \$7 and \$10 a day.

The increases, effective Dec. 1, is confined to employees with in the United States. Of these, 115,643 come in the classification of five cents an hour to all employees who have been receiving \$7 or more per day. Those whose minimum wage will be increased from \$6 to \$7 a day number at the present 24,320.

THE WEATHER VANE

WEST TEXAS: Fair, not so cold in north and east portions tonight and Wednesday.

—AND A SMILE ZION, Ill. (P)—Commander Byrd seems to have had an awful narrow escape. He nearly fell off the edge of the earth. Wilbur Glenn Voliva avers that, pole flight notwithstanding, the earth is a circular plane.

'TOWN WITH A BACKBONE' IS SEEN BY HIM

Speaks Four Times on Monday to Local Audiences

'UNIVERSE' IS TONIGHT'S TOPIC

'Majesty of Man' Will be Subject on Wednesday

Describing Pampa as "the town with a backbone," Dr. Dean C. Dutton said last night that the Gray county capital is the most promising town in the Panhandle because of its fine school system, large churches, palatial residences, paved streets, and the loyal attitude of its citizens toward the town.

Dr. Dutton, known throughout the Southwest as "the blue bird philosopher," delivered four lectures yesterday: one to the senior high school at 2 o'clock; one at chapel exercises at 11 o'clock yesterday morning; and the last at the First Methodist church last night before citizens and students.

He spoke at 11 o'clock this morning in the gymnasium to high school students on the subject, "Gridiron Sportsmanship in Real Life," and his speaking on the same subject this afternoon at 3 o'clock to the junior high students. His subject tonight at the First Methodist church, beginning at 7:45 o'clock will be "The Universe—The Workshop of the Infinite." Tomorrow at 11 o'clock his subject at the gymnasium will be "Building the Stuff That Wins." Wednesday night at the church he will address the audience on "The Majesty of Man." All programs are open to the general public.

In his address last night, Dr. Dutton presented the study of the unusual background of American citizenship, which he termed as "its unique spirit of unselfish devotion to the world." The real American is not satisfied with the opportunities which he enjoys but he has a burning longing that the end of the earth shall have an equal chance.

"The business of this civilization is not to waste the accumulation of ideals and institutions which our forefathers have handed to us but to reconstruct them and go at the unfinished work of the world and keep us at the task until the whole world will have a chance to 'life, liberty and the pursuits of happiness.'"

Quoting Michael Pupin in his address yesterday morning, he said, "Science stands today with its head bared in the presence of the human spirit as the most gigantic thing in the universe outside the Creator." Speaking on the greatness of the human spirit, he pictured this soul empire as the realm where we are supposed to build a paradise, the building materials being the world of literature, of the beautiful, of knowledge—science—philosophy, moral splendor and spiritual grandeur, loving service and enduring friendships, great romances, great adventures, great thoughts and great experiences.

"Man is supposed to build his life into a very great personality," he said. This is clearly seen in that man's soul is not only as great as an empire but the man has the equipment of a God." Phases of citizenship where one may invest his atmosphere were named as citizenship with one's self, with the home folks, in the world of service.

THE WEATHER VANE

WEST TEXAS: Fair, not so cold in north and east portions tonight and Wednesday.

—AND A SMILE ZION, Ill. (P)—Commander Byrd seems to have had an awful narrow escape. He nearly fell off the edge of the earth. Wilbur Glenn Voliva avers that, pole flight notwithstanding, the earth is a circular plane.

Byrd's Flight Over South Pole Thrills World

Commander Richard E. Byrd (1) added the newest and greatest chapter to his life of adventure when he and three companions flew over the South Pole as shown on the map (2). The others were Bernt Balchen (3), pilot; Captain Ashley C. McKinley (5); aerial photographer, and Harold G. Gatty (6), radio operator. No. 6 shows Captain Robert F. Scott (standing, center) and his companions at the pole on Jan. 18, 1910. No. 7 is the big plane in which Byrd and his companions made their historic flight.

Minstrel Is Tonight

First of Two Big Shows to Be Presented

Blackface comedy, plantation melodies, modern jazz, clogging, tap dancing, and pantomime will feature the jubilee minstrel to be staged tonight and again tomorrow night at the Central high school auditorium, under the auspices of the Knights of Pythias and the Pythian Sisters. The show will start at 8:15 o'clock.

A large cast, composed of members of the two lodges and their friends, will present the three-act performance under the direction of "Happy Doc" Holland, professional minstrel director and performer. Effective costuming throughout the show is said to lend a glamour comparable to the traveling shows.

Typical blackface minstrelsy will open the show, eight end men tossing the wisecracks and jokes and performing the acrobatics. A circle of fourteen singers furnish the sound and scenic background. Specialty numbers of the first act will be a Spanish song, vocal solos, tap dancing, and jigs. Part I will close with a colorful patriotic pantomime.

Violin and banjo numbers, a whistling specialty, a guitar duet, and vocal selections by local talent, together with impersonations by Mr. Holland, will comprise a vaudeville act. The grand finale is to be a blackface farce, "In the Trenches," which is considered by many members of the cast as the best part of the show. Witly repartee is said to lend brilliance to unusually comical situations.

Snow in New York

NEW YORK, Dec. 3. (P)—Snow, ranging in depth from several inches to more than a foot, covered eastern states today, hampering traffic and causing many accidents. In New York City, four inches of snow accompanied by sleet soon turned the streets and sidewalks into a sea of slush. Traffic accidents were numerous.

Panhandle Lumber Company, Pioneer Local Firm, Will Have New Location

The Panhandle Lumber company is selling its valuable lots on North Cuyler and Russell streets, where its yard is now located, preparing to move by the first of the new year to West Foster avenue. The new yard will be located just across the street from the Gulf Service station at 422 West Foster, according to L. N. McCullough, local manager.

The lumber company, one of the oldest business institutions in Pampa, has been at the present location since 1902. From 1908 until 1922 it was situated at the corner of South Cuyler and King streets. Its present location on North Cuyler was on the outlying edge of the business district when the company was moved to it. Company officials hold the belief that a lumber yard should not be located in the heart of the business district for the reason that it occupies valuable space and is too near the traffic center.

Removal of the lumber company will afford a clearer vision of the high school and courthouse, relieving the vicinity of its stuffy, crowded appearance, the company officials believe. C. P. Buckler has bought a 25-foot frontage of the company's location on North Cuyler; J. E. Murfee and L. N. McCullough have each bought 25-foot frontages on the same street, while a 15-foot frontage on Cuyler and 150-foot frontage on Russell remains to be sold.

Seven Architects Want Contract to Draw Plans for New City Buildings

Last evening's city commission meeting was devoted almost entirely to hearing architects who wish to draw plans and supervise the work on the city hall-auditorium and fire station. Competitive bidding was absent, the customary 5 per cent being uniform consideration, but the various architects told the commission of their experience and made suggestions regarding the projects here. Most of them showed samples of previous work, and a few had drawn rough sketches suggestive of what they recommended for Pampa.

Completion of the hearing lasted until a late hour, and the commission did not last night select the official architect. The members will likely have a special session this week to award a contract. The following architectural firms were represented: Berry and Hatch, Amarillo. Harry Guyberson, Amarillo. Wyatt C. Hedrick, Fort Worth. W. R. Kaufman, Pampa. Lightfoot and Funk, Amarillo.

Wants Capital Clean Standing out among his suggestions (See MESSAGE, page 3.)

Wants Tariff Benefit Mr. Hoover stood squarely on the position he took at the opening of the special session when he asked for tariff rates beneficial to agriculture and to industries which have not been prosperous and put into official language his known desire for a 1 per cent reduction on individual income and corporation taxes.

Once again he asked that the broad principle of the flexible tariff by which the executive may order rate changes upon recommendation of the tariff commission, be retained. The senate has voted that this power should lodge with congress.

The president, in making his suggestions to a congress which has been widely divided over the tariff question, declared it "would be most helpful if action should be taken at an early moment, more especially at a time when business and agriculture are both cooperating to minimize future uncertainties."

TO RUN FOR TREASURER SAN ANTONIO, Dec. 3. (P)—Ed Christian of San Antonio announced today he would be a candidate for state treasurer. Mr. Christian formerly was collector of internal revenue for the first Texas district during the Woodrow Wilson administration. He was a candidate for state treasurer in 1924.

PLAYERS TO PORTLAND PHILADELPHIA, Dec. 3. (P)—Connie Mack, manager of the Philadelphia Athletics, today announced he had sent Jimmy Cronin, shortstop, Walter French, outfielder, and Steve Yerkes, pitcher, to the Portland, Oregon, club.

BROAD BUYING CARRIES MANY ISSUES HIGHER

President Mentions All of Big Problems in Document

TARIFF TO HELP FARMERS WANTED

Clean-Up of Capital Is Urged—for Lower Income Tax

NEW YORK, Dec. 3. (P)—Publication of President Hoover's message to congress, was followed by a broad buying movement on the New York stock exchange, which carried scores of issues up \$2 to \$10 a share, and a few specialties even higher. Trading, which had been relatively dull for the past fortnight, showed a market expansion in volume, with the ticker again falling slightly behind the market.

WASHINGTON, Dec. 3. (P)—A speedy end to the tariff controversy, prompt tax reduction and strengthening of prohibition enforcement were urged upon congress today by President Hoover in his first message on the state of the union.

A score of other proposals were contained in a twelve thousand-word document which the chief executive sent to the house and senate for reading by the clerks.

Most of the message was plain, matter-of-fact recital of what he has done and hopes to do, but he resorted to strong language in dealing with prohibition and law enforcement, a subject which he frequently has stressed since taking office.

Calling for cooperation of the average citizen in making statutes effective, the president said that the attitude of the man who selects the particular laws he will obey "may obscure, but can not conceal the ugly truth that the lawbreaker, whoever he may be, is the enemy of society."

Wants Tariff Benefit Mr. Hoover stood squarely on the position he took at the opening of the special session when he asked for tariff rates beneficial to agriculture and to industries which have not been prosperous and put into official language his known desire for a 1 per cent reduction on individual income and corporation taxes.

Once again he asked that the broad principle of the flexible tariff by which the executive may order rate changes upon recommendation of the tariff commission, be retained. The senate has voted that this power should lodge with congress.

The president, in making his suggestions to a congress which has been widely divided over the tariff question, declared it "would be most helpful if action should be taken at an early moment, more especially at a time when business and agriculture are both cooperating to minimize future uncertainties."

TO RUN FOR TREASURER SAN ANTONIO, Dec. 3. (P)—Ed Christian of San Antonio announced today he would be a candidate for state treasurer. THE LAST SESSION OF THIRTY-FIRST DISTRICT COURT HERE SAW COMPLETION OF IMPORTANT CASES. BUT BARELY TOUCHED THE BOOTLEGGING SITUATION IN GRAY COUNTY.

It is unfortunate that so many liquor cases were left on the docket through lack of time to try them. The profits of liquor traffic support an undesirable element, and delay in prosecution tends to encourage lawlessness.

WE WILL RECEIVE THIS CHRISTMAS.

The history of greeting cards dates from remote times. A slab of rock bearing a chiseled message was the vogue in stone age times, and probably was the first greeting "card".

During the middle ages greetings took the form of jewels or carved ornaments. This extravagance extended through the 17th and 18th centuries. During the picturesque days of Lady Pompadour, the French court used solid gold sheets.

And cards of this season, by the way, are masterpieces of the printers' and engravers' art. Color effects are striking, and thousands of verse makers have contributed the sentiments.

New Gowns Boom Corset Trade

The revival of the wasp waist in modified form has presented a renewed vigor in the corset industry. The gown of the early 1900's (left) and the Princess frock of today (right) are modeled by Joyce Coles, dancer.

CHICAGO, (AP)—There's a great year ahead for the corset makers. The return of the princess gown is expected by leaders in the industry to carry the production of stays in 1930 to its highest peak of any time.

Some observers might have thought the boyish figure vogue had worked a hardship on them that they couldn't recover from quickly. Apparently that was not a true deduction. Statistics show that, although the corset makers seemed lonely and not invited to the party, they were there just the same.

They made close to \$80,000,000 worth of girdles (wholesale value) last year, and one mail order house had piled up sales of \$2,000,000 to September 1, this year.

The renewed fad of the wasp waist was just beginning to get under way

Help Build a Rainbow!

OUT OUR WAY

by William

ONCE UPON A TIME

Thomas A. Edison's first experiment, at 6, was trying to hatch eggs by sitting on them himself. He watched a goose do it successfully, so he made a nest in the barn, but his father interrupted the experiment.

TWINKLES

The frost is on the punkin', all right, but Percy, the office mouse, says that the fodder shocks are so scarce that he prefers the noise of the office to the wide open spaces on nearby farms.

Football is virtually relegated to California for the rest of the winter, but remember, we have one of the finest gyms in West Texas and some good entertainment for local fans. Last year's basketball audiences were all too small.

Pampa has almost every club but the Hearsay, but there's a room for this one. More hear-say rumors are peddled in this city than anyone but an investigator could imagine.

Not to be outdone in the general epidemic of things, Old Man Winter has been having a

series of colds too. Among the expansion programs for next year might be mentioned those of Pampa gluttons, and curves for all seem to be favored by styles.

We are strictly for building a scenic highway through the Palo Duro canyon. Our attitude is partly fixed by recollection of walking out up those steep slopes on hot summer afternoons, carrying water jugs, et cetera.

This, comparatively speaking, is a land of plenty, but Santa Claus will have plenty to do this year. Acute poverty always exists in the midst of plenty. Giving in the right spirit affords the purest joy we can imagine.

A local young man is losing some of his well known conceit. He hung up a giant sprig of mistletoe over his desk and for three days has had none of the traditional results.

Pampa is a relatively clean oil city, but it will never be as clean as it should be while liquor law violators are not brought to justice. Borger's shame is proof enough of the danger of letting bootlegging rings grow up. Financially strong, they are able to obtain a grip on a city which it requires the power of state government to break.

BREAK THE FINANCIAL STRUCTURE OF CRIME AND VIOLATIONS SLOW DOWN.

Chicago crime was supported by vice, gambling, and bootlegging. The last element of the three remains, and probably always will, but the other two are being broken by John A. Swanson, state's attorney, Patrick Roche, prosecutor, and Frank J. Loesch, head of the Illinois Crime commission.

Chicago wants a clean-up. Chicago wants a cleaner reputation. Remember, Chicago will entertain the great world's fair in 1933, with visitors from all over the world. People will be afraid to attend unless meantime the Illinois metropolis gains a better reputation.

THIS IS THE SEASON OF GREETING CARDS. ONE NEVER HAS ENOUGH PRINTED, AND MOST OF US WOULD GIVE MANY A DOLLAR TO BE ABLE TO ANTICIPATE EVERY ONE

FRECKLES and His FRIENDS

Oh, Ho!

MOM'N POP Hard-Boiled

By Cowan

Childress Girl Bride of Mr. Eugene Johnson in Sunday Wedding

Mr. Eugene Johnson and his bride, the former Miss Mattie Ellen Sullivan of Childress, arrived in Pampa Monday evening to make their home, and temporarily are at the Johnson hotel. Their marriage was solemnized Sunday evening at Hollis, Okla., with the Rev. John Webb, Baptist pastor, performing the ceremony at his home.

Home Coming Will Be Held Tonight at First Christian Church

A home coming for all persons affiliated with the First Christian church will be held this evening at the church, sponsored by the Senior Intermediate Christian Endeavor society, which has prepared an interesting program for the occasion. The program will be opened at 7:30 o'clock, and following it, refreshments will be served. Mr. and Mrs. J. B. Townsend are sponsors for the society.

Each department of the Sunday school, each department of Christian Endeavor, and the official board of the church will give a program featuring five minutes. Other numbers will be as follows:

- Piano solo, Charles Thomas. Invocation, Roy McMillen. Welcome, Susie Belle Hickman, president of Senior Intermediate society. Welcome song, Christian Endeavor society. Reading, Virginia Rose. Piano solo, Dorothy Schilling. Double quartet, Sam Kleth, Howard Lane, Max Marbaugh, George Ingram, Charles Thomas, Howard Rierison, Floyd Voss, and Robert Brown.

Miss Mary Leah Jones and J. T. Duckworth Married Saturday

A week-end event of interest was the wedding of Miss Mary Leah Jones and Mr. J. T. Duckworth on Saturday afternoon. The Rev. Jesse F. Wiseman, minister of the Church of Christ, officiated, performing the ceremony at his home.

Mr. Duckworth is an employe of the Magnolia Petroleum company. He and Mrs. Duckworth will make their home in Pampa.

O'Neill Play Subject of Club Discussion

Eugene O'Neill's play, "The Hairy Ape," was discussed yesterday at a meeting of the A. A. U. W. and College Study club by Mrs. W. A. Duerr, who gave an interesting synopsis of the story. Mrs. W. T. Fraser sketched the life of the author.

Club members present were: Mrs. W. J. Smith, president; Mrs. C. S. Dewey, Mrs. Harry Marbaugh, Mrs. Roy Wiley, Mrs. T. R. Martin, Mrs. J. J. Devine, Mrs. Lynn Boyd, and Mrs. F. M. Culbertson.

Mexican Asserts He Was Cheated Out of Office

NOGALES, Ariz., Dec. 3. (AP)—Jose Vasconcelos, defeated candidate for the presidency of Mexico, was a self constituted exile in the United States today. He said he would not return to his native country unless summoned by his constituents.

Vasconcelos reached the border here from Guaymas, Sonora, accompanied by an escort of federal soldiers assigned by Governor Francisco Elias of Sonora to accord him safe conduct.

In a statement, the defeated candidate said:

"I have been practically in prison since a week before the election. Dozens of my leasers have been killed by the Porfirio Gil government and hundreds of my followers are yet in jail. Our crime is to have won 95 per cent of the vote.

"I have not been defeated—I have been cheated.

"I believe there is still strength enough in the Mexican nation to punish this crime—this series of crimes—by Vasconcelos friends, all exiles, as the result of past revolutionary activity in Mexico. He indicated he would leave tomorrow for Los Angeles.

Reps Surgeons

DALLAS, Dec. 3. (AP)—Too many surgeons are performing surgical operations they are not capable of doing, Dr. W. C. Tenney of Waxahachie, president of the North Texas Medical association, told physicians here today for the semi-annual meeting of the organization.

The Rev. Tom W. Brabham, pastor of the First Methodist church, left at noon today on a business trip to Lubbock. He was accompanied by Carson Loftus, secretary of the Business Men's association, who is to spend a few days hunting in the vicinity of Lubbock.

SOCIETY By MISS WILLETTE COLE PHONE 666 PHONE

SOCIAL CALENDAR

Monday The Study club of the A. A. U. W. and College club will meet at 3 o'clock in the women's parlor of the Methodist church.

Tuesday The Amusu bridge club will be entertained by Mrs. R. W. Mitchell with the game opening at 2:30 o'clock.

The executive board will hold a business session of unusual importance at 8 o'clock in the home of the president, Mrs. C. T. Hunkapillar. The president has requested the presence of every member.

The Senior Intermediate Christian Endeavor of the First Christian church will hold a home coming program and social at the church, beginning at 7:30 o'clock. All persons affiliated with the First Christian church are cordially invited to attend.

Kegonial Kard Klub will meet at 2:30 o'clock in the home of Mrs. Roger McConnell.

Wednesday The Women's Missionary society of the Methodist church will hold its annual election of officers at the church at 2:30 o'clock. A lesson from the Missionary Voice will be studied.

The Women's Missionary society of the First Christian church will hold its monthly meeting at the home of Mrs. R. E. Kinzer, 402 West Frances avenue, at 2:30 o'clock.

The Baptist Women's Missionary Union will hold an all-day meeting at the church in observance of a week of prayer for missions. The meeting will open at 10 o'clock, and at noon a covered dish luncheon will be served.

The Young Matrons society of the First Christian church will meet at the home of Mrs. W. G. Kinzer, 503 North Gray street, at 2:30 o'clock.

The Women's auxiliary of the Presbyterian church will meet at the home of Mrs. Tom Clayton, with Mrs. C. L. Mullen co-hostess. The program will open at 3 o'clock.

The Woman's auxiliary of the Episcopal church will convene at the home of Mrs. Steve Suratt at 2:30 o'clock.

The Altar Society of Holy Souls church will meet at the home of Mrs. A. B. Sawyer, with Mrs. Ed. Carrigan and Mrs. M. Conley hostesses. Meeting will be opened at 2:30 o'clock.

Thursday The American Legion auxiliary will meet at 2:30 o'clock to make plans for sending Christmas boxes to the hospitals for disabled soldiers.

The A. A. U. W. and College club will give two bridge tournaments, afternoon and evening, benefiting its scholarship fund. Tables will be placed in the Schneider hotel dining room and the Pampa Drug store tea room.

The Friendship class of the Methodist Sunday school will hold a social gathering at the church, beginning at 3 o'clock.

The East Ward Parent-Teacher association will meet at 3 o'clock. The meeting will close at 4 o'clock.

Friday Child Study club will meet at 2:30 o'clock in the home of Mrs. J. C. Phillips 612 North West street.

An ensemble concert presenting more than 100 pupils, will be given by the music department of the public schools at Central high auditorium. The program will open at 8:15 o'clock, and will be free to the public.

Saturday The Ladies of the First Christian church will hold a food and social sale at Piggy Wiggly store No. 1.

The A. A. U. W. and College club will hold its monthly luncheon at the Schneider hotel.

A regular meeting of the Order of the Eastern Star will be held at 7:30 o'clock.

Complete Outfit Wins Prize in National Contest

CHICAGO, Dec. 3. (AP)—A complete outfit—hat, shoes, lingerie and ensemble—costing only \$20.80 has won for Jeannette Gamble, 17-year-old Coffeyville, Kans., girl the championship in the national girls' style contest. Girls from 25 states entered the contest, which was part of the annual congress of Four-H clubs.

The dominant color of Miss Gamble's outfit was brown. Some of it she made herself; the rest was ready-to-wear. Her ensemble included a brown cardigan jacket, ivory colored blouse, brown and ivory checked skirt, all made by herself at a cost of \$3.80; a brown hat for which she paid \$4, brown shoes that cost the same; ivory hose costing \$1.35 and lingerie she made at a cost of \$2.65.

WASHINGTON, Dec. 3. (AP)—A report condemning collection of campaign funds by an installment system of promissory notes "as used by the Republican party in Texas" and recommending legislation to forbid the practice was submitted to the senate today by its patronage committee.

Prize Corn

Seven perfectly marked ears of corn brought Evelyn Clark above first prize at the recent stock and grain show held near Omaha. Thirty-two different colors are displayed in the corn kernels of the seven ears. Miss Clark, formerly of Albany, N. Y., lives with her family on a farm about 30 miles from Omaha. The corn was grown on the family farm.

MESSAGE—

(Continued from Page 1)

was one that the major prohibition enforcement activities should be transferred from the treasury to the justice department. At the same time the president declared his wish that the District of Columbia, around which a furor has been raised recently as a result of charges of liquor drinking in and out of public life, should be a "model city of law enforcement" for the nation. He asked that congress "give earnest consideration to the possibilities of prudent action which will give relief from our continuous amounting expenditures" for national defense.

Many Issues Presented President Hoover's suggestions, which if followed, would give the senate and house many issues for debate, included a range touching almost every phase of the nation's domestic and international problems. They included:

Adherence to the world court. Delegation by congress of power to reorganize government departments to the president with reservation of congressional revisory power within a limited period.

Early construction work on an extended public buildings program throughout the country.

An increase from \$30,000,000 to \$35,000,000 in the next fiscal year to push the Mississippi flood control work and more liberal appropriations for general river and harbor work.

Legislation to simplify and expedite consolidation of railroads.

Investigation into feasibility of amending national banking laws to permit chain banking in limited regions.

Creation of full time federal power commission of three members.

Establishment of permanent federal radio commission along lines of the temporary commission but with the removal of the requirement that commissioners must be chosen by zones.

Appointment of a special commission to negotiate contracts looking to the resumption of activities at the Muscle Shoals properties.

Congressional study of an immigration plan to more fully meet national necessities.

More liberal appropriations to strengthen the diplomatic and state department services.

Return of most of the seized alien property within a year.

LIQUOR CAR FOUND DALLAS, Dec. 3. (AP)—Police today sought the owner of an automobile containing 30 gallons of corn whiskey found wrecked in the Trinity river bottoms near the city limits. The ralling of a bridge 20 feet above the wreckage was broken, and the automobile apparently had plunged from the structure during the night. There was no indication as to whether the occupant was injured.

Goats Dont Smell —and Other Dont's

CHICAGO, Dec. 3. (AP)—Goats don't eat tin cans! Goats don't butt holes in walls!! Goats don't smell like goats!!! Goats don't smell at all!!!! Having said which, W. L. Tewalt, called it a day. He is national secretary of the American Milk Goat Record association.

Pampa Service Station Is Sold

Sale of the Pampa Service station to F. S. Brown of Lawrence, Kans., and S. E. Paxton, Roy, N. M., was announced today by J. W. Graham, owner since its establishment. The sale covered the invoice price of stock and equipment. The new owners took charge of the station Dec. 1. Mr. Graham still retains ownership of the building and lot.

A Word To the Wise Is Sufficient The more intelligent person uses great care when buying—and especially in purchasing jewelry! The stability of the firm from which the article is purchased is of great importance. Suppose you purchase a diamond, a watch, or other articles from a "fly-by-night" concern. Then the watch needs adjusting, or probably the diamond proves to be inferior—the "gold" ring turns to the brass that it originally was—to whom can you go for an adjustment? The Diamond Shop is a permanent institution in Pampa! The owners did not move in for a few months to "unload a bunch of cheap imitations and junk!" Our word is good—every article in the store is sold and guaranteed as represented! In jewelry there is room for adjustment within twenty years or more after the sale is made—IF IT COMES FROM THE DIAMOND SHOP YOU CAN RETURN IT TO THE DIAMOND SHOP TWENTY YEARS FROM NOW AND BE ASSURED OF GETTING A SQUARE DEAL! As jewelry experts and citizens of Pampa it is our pleasure as well as our duty to protect the people of this community! A WORD TO THE WISE IS SUFFICIENT!

# WALTER HAGEN QUALIFIES BY SCANT MARGIN

By PAUL B. ZIMMERMAN  
Associated Press Sports Writer  
LOS ANGELES, Dec. 3. (AP)—Walter Hagen, five times winner of the Professional Golfers' association title, today attempted a comeback on the Hillcrest country club course where yesterday he stumbled through 36 holes of medal play and all but failed to finish among the thirty-two qualifiers.

Only the official hand of the association, which last night ordered the name of "Lighthorse" Harry Cooper struck from the list of those who had earned the right to enter today's opening-match play, saved "Sir Walter" from continuing the playoff for one of the last two places. This was halted last night as darkness enveloped the fourth green.

Alex Pirie, president of the P. G. A., ruled Cooper out on grounds he did not qualify in his regional trials. The decision automatically placed Hagen, Henry Cuicl of Mill River, Conn., and Bill Mehlhorn, New York, among those to compete in today's first round.

The trio had tied with Al Houghton, Rockville, Md., and Waldo Crowder, Skirtland, Ohio, with cards of 149, but the Rockville professional was removed from the contenders on the first hole of elimination play, while Crowder dropped out on the fourth.

Glaring irregularities in the great Hagen's putting were responsible for the showing, which saw him among the tail-enders for the first time in many years of the P. G. A. play. Today he faced Bob Shave, of Aurora, Ohio, who qualified well up in the list with 145.

While Hagen's chances were swinging in the balance, Fred Morrison of Los Angeles was stroking his way to a great 136, four points better than Leo Diegel, defending champion. The tall Midwick Country club professional turned in a par 71 for his morning round, but came back with a startling 65 to get a competitive course record in his superb putt to lead in the 36 holes of medal play. Diegel's 140 placed him second, with Gene Sarazen, Fresh Meadow, N. Y., John Golden, Paterson, N. J., and Tony Manero, New York, finishing in a tie for third one stroke behind the titleholder from Agua Caliente.

Because of his remarkable showing yesterday, Morrison rose to the heights as a potential candidate for "Larruping Leo's" crown, but Joe Kirkwood, Philadelphia professional, who qualified with a 147, planned to give him tough match today because of his superior tournament experience.

Diegel, who displayed a steady, confident brand of golf will have his right to the title tested by P. O. Hart, Wheeling, W. Va., who finished with 147 yesterday.

For the most part the favorites survived the medal play. The major upset saw Ed Dudley, Wilmington, Del., member of the Ryder cup team fall to qualify by one point. Tom Kerrigan, New York also was among the missing as the tourney moved into its second day, as a result of a 142 card.

## Many Want to Fight Shires in Chicago Arenas

CHICAGO, Dec. 3. (AP)—Charles Arthur (The Great) Shires will encounter no difficulty in obtaining opponents when he makes his debut as a professional boxer.

In fact, Charles Arthur would hardly have time to look after his basketball duties, if he agreed to meet all who have applied to promoter Jim Mullen for the assignment of fighting him.

Don Murray, captain and tackle of the Chicago Bears pro football team and Merle Hogue, Chicago Cardinal tackle, have put in earnest bids for bouts with Charles Arthur. In addition, a great number of policemen, firemen and day laborers have placed challenges with Mullen.

Shires, who is training for his initial appearance against any opponent to be named by Mullen, is characteristically confident.

"I'm getting into shape," he said, "and I'll knock a lot of those bum bow-legged."

## Texas Is Warmer After Cold Wave

DALLAS, Dec. 3. (AP)—A bright sun today caused temperatures to rise generally over Texas after the coldest weather of the season had been recorded in a number of sections last night.

With the exception of the extreme southern portion, minimum temperatures between 20 and 30 degrees were registered. Abilene had a minimum reading of 22 degrees, Amarillo 24, Austin 24, Brownsville 38, Corpus Christi 32, Dallas 23, Del Rio 26, El Paso 28, Galveston 30, Houston 26, Palestine 22, Fort Arthur 28, San Antonio 28, and Shreveport 22.

B. Frank Bennett of Amarillo, finance secretary of West Texas Inc., was a business visitor in the city today.

## Pro Experts Get Shot at Diegel's Crown

LEO DIEGEL

By PAUL B. ZIMMERMAN  
Associated Press Sports Writer  
LOS ANGELES (AP)—Few of the country's leading professional golfers were absent when the roll was called at the 1929 National Professional Golf Association championships at the Hillcrest country club here December 2.

The \$10,400 tournament will end December 7.

Leading the aggregation of some 65 wanderers of the nation's fairways is "Larruping" Leo Diegel, defending champion, who defeated Al Espinosa of Chicago, 6 to 5 on the Five Farms course at Baltimore in 1928.

The unorthodox pro from Agua Caliente, Baja California, who recently transferred his golfing credentials from the Metropolitan District to the Pacific Southwest division, has been spending much of his time on the Hillcrest course determined to retain his title.

Judging from the list of qualifiers, the man who four times has stroked his way to the Canadian open championship, will be forced to the limit to repeat last year's performance.

Besides Espinosa, the Chicagoan from whom he won in the final round, Diegel is confronted by the great Walter Hagen of Detroit, the youthful but expert Horton Smith of Joplin, Mo.; Johnny Farrell, New York; Tommy Armour, Washington, D. C.; Bill Mehlhorn, Fenimore, N. Y.; John Golden, Paterson, N. J.; Gene Sarazen, New York; Henry Cuicl, Bridgeport, Conn.; and Fred Morrison, Los Angeles.

In addition there is an imposing array of others whose names have become by-words in the famous Scottish pastime.

Thirty-six holes of qualifying play marked the opening day of the tournament. The remaining five days will be devoted to match play with the low 32 continuing in the elimination.

The P. G. A. National championship originally was awarded to the La Cumbre country club Santa Barbara, but was moved to the Hillcrest course here recently when La Cumbre cancelled the event.

## Revenge Motive Spurs Bonds as He Begins Training for Next Battle

Moved by a smouldering desire for revenge, Cyclone Bonds began working out this afternoon for another 10-round battle with Luther Platter here Dec. 12.

Despite the technical knockout he suffered in the fourth round Thanksgiving night at the hands of Platter, Bonds is contending that he is certain to whip Platter when they meet Thursday night week. Platter is equally certain that he isn't. Bonds alibi sets forth that he would have beaten Platter last Thursday night if his hand hadn't crumpled up in the third round of that fight.

Bonds is taking the licking the big boy gave him pretty hard. In all of his 28 fights, it was the worst roughing he ever suffered. He is assuring local fight fans that the outcome of the next fight is going to be quite different.

As a semi-final feature, Jack Rogers Pla-Mor promoter, will present Rogers' Pug-Grubbs and Skeet Sherrod for an 8-round bout. Grubbs weight is now 120 while Sherrod weighs 118. Grubbs will be remembered as the self-styled "flyweight champion of the southwest" who fought K. O. Kitchens here through eight rounds without gaining a decision. In a recent program at the Pla-Mor, Sherrod and Kid Platter fought to a draw.

### Nebraskan Heads Arkansas

PAYETTEVILLE, Ark., Dec. 3. (AP)—A Nebraskan, Milan Creighton, will lead Arkansas on the gridiron next year. Creighton was elected captain of the 1930 team last night at a special banquet for the team. Bernard Uptmorer of Fort Smith was elected sub-captain. Both men will be seniors next year.

## Re-Elected

Captain Don Saulsbury, star fullback on the Harvester eleven this year, yesterday afternoon was honored by his teammates through re-election to the position. He has one more year of local football to play, and by next year should be one of the best backs even in Class A play. Albert Lard and Ray Chastain, other backfield stars, received votes during the balloting for captain.

## SEVENTEEN IN GIRLS' BASKET AGGREGATION

Seventeen girls are "out" for the six positions on the Central high school girls' basket ball team, all of them working hard in semi-weekly practices to establish their places before the selection of the sextet. Another seventeen, not by any means lacking in talent, lend added opposition at practice, while developing their own ability.

Some excellent talent has been found during the last several weeks of work, according to the coaches, Miss Zenobia McFarland and Miss Florence Sims; so good, in fact, that no one player is yet assured of a place on first team. For some of the positions, there are three candidates with almost equal chances they said.

Arrangements are under way for a game with Panhandle on Friday, the 13th. The Panhandle team had challenged the local team for a game next Friday; but plans for an ensemble concert in which several players would appear, made the game impossible. One practice game has been played with Mobeetle, with a victory for the Pampa squad.

Following is the list of those competing for first team: Adelle Stone, Ouida Brandon, Yvonne Thomas, LaRue Hall, Ruby Brown, Hazel Fletcher, Bobbie Jean Robinson, Virginia Weir, Florence Ward, Avis Heiskell, Mary K. Martin, Lorena Weir, Susie Campbell, Lucille Kentling, Golda Jamison and Betty James.

Others participating in the semi-weekly work-outs are: Neil Harley, Irene Owens, Ruth Brown, Betty Bell, Catherine Hesel, Bertha Buguman, Josephine Gantz, Winifred Heiskell, Beryl Botkin, Inez Stubbs, Helen Berry, Luella Wade, Kathleen Homlen Clella Nicholas, Yetta Stein, Nada Doss Pearl Neal, and Barbara Camp.

## Way Is Cleared to Return Iowa to Good Standing

CHICAGO, Dec. 3. (AP)—Iowa's chances of being restored to good standing in the Western conference appeared brighter today.

With declarations by three conference athletic directors—A. A. Stagg of Chicago, Fielding H. Yost of Michigan and George Huff of Illinois, said to have been aligned to subject Iowa to further discipline—that they have nothing to do with the Iowa case, it appeared the school needed only to present evidence that it has thoroughly cleaned house in its athletic department. This Iowa officials have been saying for several months, has been done.

Other matters will receive attention at the conference meeting Friday and Saturday. The question of barring all transfers from other schools from athletic competition in the Big Ten, will be considered. The rule now permits a student to transfer, remain out of competition one year, then compete if he has not received a degree.

## A Hot Ride

Johnny Padur, 13, Tacoma, Wash., caddy, can't sleep on his back or sit down to his meals for some little time. His foot caught in a rope behind a speeding car the other day and the auto went about a mile before the driver noticed Johnny's predicament. The 40-mile-an-hour ride was thrilling, though painful. Johnny's thrusters were ruined.

## "Tuffy" Griffith Wants to Meet Jack Sharkey

CHICAGO, Dec. 3. (AP)—Jerry "Tuffy" Griffiths, conqueror of Paulino Uzcudun, yearns to conquer Jack Sharkey.

The Sioux City, Iowa, heavyweight said today he would refuse to box Johnny Risko in Madison Square Garden, New York, December 27, unless assured the winner would get the assignment to engage Sharkey in the Miami bout in February.

Griffith says he does not fear Risko. He defeated him before on a foul, but was outpointing him up to the time the illegal blow was delivered.

## FIGHT RESULTS

By the Associated Press  
New York—Joe Banovic, Binghamton, N. Y., outpointed Bob Olin, Brooklyn, N. Y., (10). Andy Divoli, New York, stopped Jackie Phillips, Toronto, (2).

Philadelphia—Benny Bass, Philadelphia, stopped Jose Martiz, Spain, (4). Phil Zwick, Cleveland, outpointed Joe Marcic, New York, (10). Topeka, Kans.—Big Sid Terris, North Carolina, knocked out Paul Rector, Los Angeles, (1).

Chicago—Danny Delmont, Chicago, knocked out Harry Kahn, Milwaukee, (6). Willie Pelligrini, Milwaukee, outpointed Pal Moore, Chicago, (8). New Orleans—Eddie "Kid" Wolfe, Memphis, Tenn., outpointed Jose Estrada, Mexico, (10).

Indianapolis—Happy Atherton, Indianapolis, outpointed Anastasio Volduro, Panama, (10). Johnny Semas, Bermuda, knocked out Buzz Carlin, Jeffersonville, Ind., (3).

Trenton, N. J.—Young Terry, Trenton, knocked out Pete Petrolle, Fargo, N. D., (4). Minneapolis—Emil Paluso, New York, outpointed Jackie Sharkey, Minneapolis, (10). Johnny Ryan, Milwaukee, outpointed Tommy Shaddon, Omaha, Neb., (10). Britt Gorman, Minneapolis, knocked out Eskimo Gratio, Dead Horse, Alaska, (4).

## Southwest Mentors to Meet Dec. 9

COLLEGE STATION, Dec. 3. (AP)—The fall meeting of the Southwest Athletic conference will be held in Dallas December 9, according to announcement by secretary of the conference, Charles E. Friley, registrar and dean of the college of arts and sciences at the A & M college of Texas.

Number of important matters are expected to come up for consideration at the meeting, Dean Friley said. These will include a revision of the eligibility blank form, study of the findings of the Carnegie Foundation regarding intercollegiate athletics and study of present scholarship requirements of the conference.

The Southwest conference is now composed of the following members: A & M college of Texas, Baylor university, Rice Institute, Southern Methodist university, Texas Christian university, University of Texas and the University of Arkansas.

## TWO TEAMS IN EAST PLACE 3 ON ALL-STARS

By TED VOSBURGH  
Associated Press Sports Writer  
NEW YORK, Dec. 3. (AP)—Pittsburgh and Yale, with three representatives apiece, win the lion's share of honors on the All-Eastern football eleven for 1929 named by a consensus of sports writers polled by the Associated Press.

In the first team lineup is only one survivor of last year's all-star array—Keener Cagle of the Army. The West Point red head, who played sterling football all season on a losing team held his half back post against as brilliant a bevy of backs as ever trod the eastern gridiron.

Selections:  
First team, L. E. Donchess, Pittsburgh. Second team Nemecek, New York U.

First team, L. T. Wakeman, Cornell. Second team, Douds, W. and J.

First team, L. G. Green, Yale. Second team, Dimeolo, Pittsburgh.

First team, C. Ben Tieknor, Harvard. Second team, Siano, Forham.

First team, R. G. Montgomery, Pittsburgh. Second team, Gillson, Colgate.

First team, R. T. Vincent, Yale. Second team, Mooney, Georgetown.

First team, R. E. Douglas, Harvard. Second team, Booms, Dartmouth.

First team, Q. B. Booth, Yale. Second team, Wood, Harvard.

First team, L. H. Uansa, Pittsburgh. Second team, Hinkle, Bucknell.

First team, H. B. Cagle, Army. Second team, Hart, Colgate.

First team, F. B. Marsters, Dartmouth. Second team, Parkinson, Pittsburgh.

## Most of Berger Men Make Bond on Federal Charges

AMARILLO, Dec. 3. (AP)—Most of the sixteen men charged in federal warrants with violation of the national prohibition law in Hutchinson county were free today on bonds ranging from \$5,000 to \$10,000.

Three of those charged, Forner Sheriff Joe Ownbey, E. T. Blasingame and John Harkness, had not been served with warrants. Harkness is in the penitentiary.

Those released and the bonds demanded follow: Glen A. Pace, former mayor of Berger, \$10,000; Bill Millholton, Cal Baird, and Jim Crane, former deputy sheriffs of Hutchinson county, \$10,000; Sam Jones, former deputy constable, \$10,000; Johnny Jones, former preparation officer, \$5,000; R. T. Macey, H. C. Taylor, E. L. Lantron, Louis Weitzman, Louis Crim, and C. A. Mitchell, \$5,000. Bond for Ownbey was set at \$10,000. Bond for Jack Payne, once a deputy sheriff, Blasingame, and Harkness were set at \$5,000.

Although the warrants merely charged conspiracy, avoiding all details, it was said all of the men were charged with belonging to the same liquor ring.

## BEARD GROWN FOR WINTER WEAR SHORN BY THIEF

ST. LOUIS, Dec. 3. (AP)—Sam Lehrer, who cultivated a seven inch beard and found it useful with the mercury falling with zero, was robbed of his prized whiskers this morning.

Lehrer, employed by a window display company, was confronted by a negro holding a long knife when he opened the offices at 5:30 a. m. The negro searched Lehrer and, finding no money or jewelry, caught hold of his beard and whacked it off.

"I'll sell this for a wig," the negro shouted back as he ran.

Mrs. C. T. Hunks, who is in Amarillo today.

Edison in Characteristic Manner Says He Has Discovered Rubber Plant That Will Be Commercially Useful

WEST ORANGE, N. J., Dec. 3. (AP)—Thomas A. Edison, in one of his characteristically laconic interviews, has disclosed the discovery of a plant that will produce rubber on a profitable basis. Questions were submitted to the aged inventor at his laboratory, and he wrote brief replies. He was asked, "have you found one plant or more will produce a satisfactory amount of rubber for commercial purposes?" He answered, "yes."

Other questions and their answers were: Q—"In your opinion what is the business outlook for this winter?" A—"Fair." Q—"Are you going to conduct any other major experiments this year?" A—"I am conducting several other experiments, some of which have been in progress for several years, but not yet commercial."

Q—"What reports do you get from the Massachusetts Institute of Technology about Wilbur Huston?" (Huston won the Edison scholarship in 1928.) A—"I get no reports. He is down with scarlet fever and is quarantined with thirty other students."

Mr. Edison will leave on Thursday for his winter home at Fort Myers, Fla. Mileage between more than 30,000 ports and points along inland waterways is listed by the coast and geodetic survey for the convenience of navigators. Q—"What reports do you get from the Massachusetts Institute of Technology about Wilbur Huston?" (Huston won the Edison scholarship in 1928.) A—"I get no reports. He is down with scarlet fever and is quarantined with thirty other students."

### Shreveport Man Kills Enemy and Tries Suicide

SHREVEPORT, La., Dec. 3. (AP)—Having killed Marmaduke Ward, merchant, and wounded Miss Iva Mae Miller, guest at a dinner party at the Ward residence last night, Vernis Morgan, an attorney, clung to life today with two self-inflicted bullet wounds in his head.

Morgan forced his way into the Ward residence, according to information gathered by Dr. W. P. Butler, coroner, and made his way to the dining room where Ward was sitting at a table with Miss Miller. Mrs. C. E. Poindexter, and the latter's daughter, Dorothy, age 6.

John Alford, negro chauffeur, told police and the coroner that Morgan fired one shot as he came into the house and at the entrance to the dining room fired five more shots which struck Ward, one penetrating his heart. Apparently one of the bullets hit both Ward and Miss Miller, who was wounded in one thigh. Her condition is not serious.

Morgan then ran from the house to a street corner. There he shot himself twice in the head.

What was described as bitter enmity existed between Ward and Morgan for several months. The reason was not apparent.

### Wheat and Corn Kings Are Named

CHICAGO, Dec. 3. (AP)—A wheat grower from the foothills of the Canadian Rockies, Joseph H. B. Smith, was selected as the wheat king of the National Hay and Grain show today. Smith, whose home is at Wolf Creek, Alberta, won the title with his sample of hard red spring wheat which weighed 66.3 pounds to the bushel.

John L. Pfants of Hannibal, Mo., became the new corn king. His sample of an ear of yellow corn winning the purple ribbon.

### Wife Put Him on Sargon, He States

"After putting Sargon to the test in my case, I can easily understand why so many people are enthusiastic about it.

"My health was so bad that I was hardly able at times to do a day's

C. J. HOLCOMB

work. My food disagreed with me, I was bilious and constipated, suffered with headache and my whole system seemed filled with poisons. My kidneys were weak and I never felt strong and well. My wife persuaded me to try Sargon and now I feel like a brand new man. My stomach is in fine condition, my strength and energy have returned and my kidneys don't bother me like they did. Sargon Pills overcame my constipation and biliousness, my headaches are over and I'm telling all my friends what this wonderful treatment did for me."

C. J. Holcomb, 1501 Missouri Ave., Fort Worth.

### Talks To Parents

**FIRST TOYS**  
By ALICE JUDSON PEALE

As soon as the baby begins even vaguely to reach and fumble, it is time for him to have toys to play with.

The baby's first toys should be varied, safe and interesting. Toys which may be washed and boiled are best. He should have nothing to play with so small that it is possible for him to get into his mouth and choke on it.

The baby's first toys should be such as will provide him with new sensations of vision and touch and hearing. A good toy is one with which the baby can do many things.

The feel of his toys is very important. Since the young baby is not sensitive to color, the brightly colored beads and rattle which we buy appeal to him by virtue of their texture and shape, by the noises which they emit and by the feeling of power which he derives from handling them.

First toys for baby include not only the beautiful beads, animals, celluloid rattles and floating bath toys that are on sale in the stores, but also many home made playthings which are just as attractive to the child as those which we buy.

These home-made playthings include such objects as empty spools; buttons, strung securely on a stout string, stiff sheets of paper which crumple and rattle delightfully, a light metal cup and spoon, clothespins, and rattles made of metal salt shakers with screwed tops and with pebbles or rice inside.

The baby should not have many toys all at once. A few carefully selected for variety of experience are better than many constantly available.

The baby who has only a few toys at once tends to explore thoroughly the possibility of each plaything. The child who has many tends to learn less from each one and is likely to become bored.

### McLean Poultry Show Announced

McLean, Dec. 3. (Special)—A poultry show for McLean and the surrounding territory will be held here in January, according to plans outlined by the Chamber of Commerce for encouraging more extensive poultry raising and flock improvement in the section.

A committee, headed by T. J. Coffey, is available to assist anyone wishing help in preparation of his flock or selection of birds for the show. A. A. Tampke, director of vocational agriculture, will render expert service in that line. The exhibits have been planned to include all breeds of exhibition chickens and turkeys, production hens, brown hen and pullet eggs, and white hen and pullet eggs.

A poultry judging contest between the vocational agriculture classes of several high schools and teams selected by county agents, and an interesting program will be features of the show.

**Railroad President Fined**

COLUMBUS, Ohio, Dec. 3. (AP)—D. P. Rudemann, president of the Detroit, Toledo and Ironton railroad, today was fined \$25,000 by federal Judge Benson W. Hoigh when he pleaded guilty to an indictment charging the railroad with falsely billing shipments of coal. He pleaded guilty to each of 26 counts in the indictment.

### GRANDVIEW NEWS

The honor roll for the Grandview intermediate grades for the last month was as follows: Students with an average of 90 or above—Joe McDonald and Wilhemena Johnson; students with averages between 80 and 90—Bill Dodd, Willard Kuykendall, Isaac Kuykendall, Frank Babcock, Henry Kromsch, Merv Campbell, Evelyn Johnson, Roma Kuykendall, Allen Bell Eden, and Catherine McCormick.

Grandview school had one day vacation for Thanksgiving.

Grandview basketball teams lost both games to Alanreed last Wednesday. A large number of Grandview patrons saw the games.

Mr. and Mrs. Guy Andis spent Thanksgiving day with relatives in Clarendon.

Mr. and Mrs. J. A. Kuykendall entertained on Thanksgiving day with a birthday party for their son, Isaac. An enjoyable evening was spent by all present. At a late hour fruit, cake and cocoa were served.

Miss Rosie Baggerman entertained the school children with a candy pull las: Wednesday evening.

Mr. and Mrs. C. S. Jones and children, Mr. and Mrs. Jess Ritter, Mr. and Mrs. Jack Stephens and children, Mr. and Mrs. George Benton and children were visitors in Pampa last Saturday.

T. D. Moore withdrew from school Friday. He will make his home in Pampa and attend Pampa high school.

Miss Bertha Baggerman visited in Grandview school Friday.

Mr. and Mrs. G. C. Carver spent Thanksgiving day in Clarendon.

**Murder Charges Filed**  
SAN ANTONIO, Dec. 3. (AP)—Mary Jackson, 40, today was charged with the murder of R. W. Hall, whose body was found back of her home Sunday night. Grady Nichols, Fort Sam Houston soldier, was held in jail without bond on a like charge.

**Missouri Bank Closed**  
JEFFERSON CITY, Mo., Dec. 3.—The bank of Asbury, at Asbury, in Jasper county, with total resources of \$77,000, was closed today by its board of directors. U. P. Moody, state bank examiner, has been directed to take charge.

## SOMETHING TO REMEMBER THE NEXT TIME YOU START YOUR CAR . . . . .

After standing for hours or even days in a freezing cold garage, with CONOCO Germ-Processed Motor Oil your motor is lubricated before you start . . . . .

### PENETRATION IS THE ANSWER

**DID YOU KNOW** that every motor oil save one, requires from 5 to 10 minutes and often much longer to reach all moving parts of your motor?

The only oil that gives you immediate lubrication from the very first motor revolution is CONOCO Germ-Processed Motor Oil. The reason is simple.

It is already there.

This remarkable lubricant actually penetrates and indefinitely remains in the pores of metal surfaces—combines with the metal itself forming a film that is always present regardless of temperatures, stress or strain.

In addition to this remarkable quality, CONOCO Germ-Processed Motor Oil is refined from only select paraffin base crude and will always flow freely at sub-zero temperatures.

Remember, the next time you start your motor cold that hundreds of moving parts are demanding lubrication and that failure to get it may mean serious damage to them. Remember that CONOCO Germ-Processed Motor Oil always provides lubrication under all conditions.

Don't take chances. Drive in at the sign of the CONOCO Red Triangle, have your crank case drained and begin now to use this safe and economical lubricant.
