

PAMPA-CHILDRESS ROAD DENIED

TEXAS COMMEMORATES HISTORIC SAN JACINTO BATTLE

NEW CROSS CONTINENT RECORD IS SET BY "WE" ON SUNDAY

COLONEL AND WIFE MODEST ABOUT FEAT

Time Over 3 Hours Faster Than Hawks

STOP MADE IN WICHITA, KANS.

High Altitudes Used in Most Part of Trip

BY F. B. HAILEY
Associated Press Staff Writer
NEW YORK, April 21. (AP)—"We have another record, a cross-continent flight faster than anybody else."

Taking off from Glendale, Calif., at Daybreak, Colonel and Mrs. Charles A. Lindbergh yesterday brought their new scarlet and black monoplane to a three-point landing on Roosevelt field, where the colonel took off for Paris three years ago this spring. The arrival was 48 minutes before the day was done.

The approximate distance flown was 2,500 miles, the flying time 14 hours, 23 minutes, 27 seconds, the average speed 172 miles an hour. A stop was made at Wichita, Kans., for 22 minutes and five seconds for fuel, but not food. Lunch was eaten in the air.

Although the colonel disclaimed any new record, the time of the flight was 3 hours, 15 minutes and 29 seconds faster than it ever had been flown before. Captain Frank Hawks, last June flew from Glendale to Roosevelt field in 17 hours, 38 minutes, and 56 seconds, non-stop. The fact that he and Mrs. Lindbergh made a stop, the Colonel pointed out, technically made their flight not one to compare with that of Captain Hawks. Captain Hawks himself, however, and probably everyone else except the colonel, accepted the flight as a new record.

They left Glendale at 8:26:30 a. m. (Eastern Standard time), landed at Wichita at 3:20:30 p. m., took off at 3:43:35 and landed at Roosevelt field at 11:11:52. Total elapsed time was 11 hours, 45 minutes and 32 seconds.

Colonel Lindbergh, who made the flight to test the possibility of commercial routes at high altitudes, believes that such flights will follow along the trail he blazed across the country.

"This is only one flight," he said, "and I hope to make others. I can say nothing at this time on the result of only one experiment. However, I believe transport flying in the future will go to higher levels first the air mail and later passenger planes."

He said they flew at from 10,000 to 15,000 feet altitude most of the way, except for the last stretch into New York.

The colonel gave Mrs. Lindbergh much credit for technical details of the flight. She did the navigating, he said, kept the charts, and occasionally handled the controls. Their plane is equipped with dual controls.

Both the colonel and his lady were smiling on arrival as they faced cameras and between 1,500 and 2,000 persons. His face was dirty and appeared drawn, but Mrs. Lindbergh looked fresh.

As the photographers signified they were through with him, the colonel clambered out of the forward cockpit aided mechanics in wheeling the plane into a hangar where room had been made for it. Their car was under one of the wings, and they drove to a hotel.

Because of the high altitude at which they flew, where they encountered temperatures of several degrees below zero, the Lindberghs wore heavy, fur-lined flying suits, boots and gloves. Both wore goggles.

Mrs. M. F. Sullivan was brought home Friday from Pampa hospital in a G. C. Malone ambulance. She is a rapidly recovering from a major operation.

Lindy and Anne Hold New Flight Record

This pictorial layout shows Colonel and Mrs. Charles A. Lindbergh and their specially designed plane in which they yesterday flew from Glendale, Calif., to Roosevelt field, New York, between the rising and setting sun. They set a new record in flying approximately 2,500 miles at an average speed of 172 miles an hour.

One-Act Play Team Winner of Second Place

Pampa high school's one-act play team, winner of the district meet at Canyon a few weeks ago, took second place with its presentation of "The Valiant" in a sectional contest at Abilene Saturday, competing with winners of nine other district meets. The Abilene high school cast won first place with "High Heart," and Crowell's team was third, with its comedy, "Two Crooks and a Lady."

Miss Velora Reed, coach of the Pampa cast, said the judge in the final contest complimented the local group on the choice of the play. Her own comment upon the individual players was to praise Dorothy Doucette's voice as the best she had heard in a high school girl.

The cast of "The Valiant" was as follows: Doyle Roundtree, as James Dyke, the Valiant; Dorothy Doucette, as the sister; Charles Barrett, as the warden; LeRoy Price, as the priest; Curtis Stark, as the jailer; and Wade Smith, as the attendant.

Five casts presented their plays Friday afternoon, and five others presented theirs Friday evening, before the same judges. Three casts, the Abilene, Pampa, and Crowell, were selected for the finals Saturday night.

Four such sectional meets were held in Texas each covering about five districts of approximately the same size. Winners of the four sectional contests will compete in the state interscholastic League meet at Austin.

Miss Noel Wins in Vocal Contest

Miss Audrey Noel, one of Central high school's best known students, is being congratulated on having won first place in the vocal contest for soprano at the Panhandle Music Festival. She is a senior at Central.

RALPH WATKINS IS SHOT TO DEATH HERE SUNDAY—GILBERT COX CHARGED WITH KILLING

A tragedy believed to have involved family trouble in which the victim represented the third part of the triangle was enacted here at 7:30 o'clock Sunday morning.

The 20-year-old husband is in the county jail charged with murder, while Ralph Watkins, also 20, lies at the G. C. Malone funeral home, pending arrival of his mother from California. The shooting took place in front of Cox' home.

Gilbert Cox, a husband of four months, this morning waived preliminary hearing before Justice of Peace C. E. Cary. The grand jury is investigating the case today. The first witnesses they called to the grand jury room in the new courthouse were J. N. Cox, the youth's father, his wife, sister, and father-in-law.

After the shooting, Cox drove to Boise City, Okla., where his father lives. An hour after he arrived at the Oklahoma town, he surrendered to the deputy sheriff there. He was brought back to Pampa yesterday afternoon by Deputies Weldon Wilson and Herbert Wachtendorf, and lodged in the county jail.

Watkins was shot three times with a .38 calibre pistol. One bullet entered the upper lip and lodged in the brain and another lodged in the groin, and a third in the stomach.

Officers learned that Cox married while Watkins was serving a prison sentence in California on a charge of holding up a drug store in that state. Watkins returned Saturday from prison. Before he left Pampa, he and Cox were close friends. Officers said Watkins had an argument with Cox while Watkins was in prison.

Watkins was under a charge of theft before going to California. He went to Kansas from Pampa. His father, Bill Watkins, was fatally shot last July 4 at a South Pampa filling station by Johnnie Bowman. Bowman, under life sentence in this case, escaped from the

Bands of Much Value in Events of Last Week-End

In the Forty and Eight parade Saturday, the American Legion band of the Curley-Crossman post appeared for the first time in new uniforms. The final purchase of these uniforms marked the end of a two-year campaign to get them.

Now the band will be entitled to play in Legion band contests. "Now that the boys have uniforms they have a greater incentive to appear in public and to develop into a better band," Dr. R. A. Webb who is in charge of purchasing the uniforms said.

Plans to buy the uniforms were announced at the March luncheon of the Chamber of Commerce. A number of members interviewed merchants and in two days the business men of the city had donated enough money to buy the garments. The uniforms are dark blue, cut in a military style.

McLean's fine municipal band, which as a visiting organization was given the leading place on the dedication program, contributed much to the success of the day.

This band, one of the few Panhandle musical organizations supported by taxation, is achieving a wide reputation for its excellence. McLean has a salaried director, who is also permitted to have private pupils.

A daughter was born Friday, April 19 to Mr. and Mrs. B. Woods at the hospital. Mrs. Woods was brought to the hospital in a G. C. Malone funeral home ambulance.

Amarillo jail while the case was on appeal, and is now a fugitive. The sheriff's department today is trying to locate Watkins' mother, who is reported to be living near San Diego, Calif.

BIRTHDAY OF FAMED FIGHT CELEBRATED

First Governor Will Re-Buried Today in Austin

SAN ANTONIO HAVING FIESTA

Many Cities to Have Ceremonies This Sacred Day

By the Associated Press
Renewing its ties with a heritage of heroism from its patriot founders, Texas halted its tasks today to commemorate the 94th anniversary of the battle of San Jacinto, which freed it from Mexican rule.

On the sacred Texas day, Texas will be prepared to receive the state's first governor, with the reburial in the state cemetery in Austin of the body of James Pinckney Henderson.

The body was brought from the congressional cemetery at Washington, where it had rested since Henderson died on March 4, 1858, while serving as United States senator from Texas.

Services were planned in the state senate chamber of the capitol, with Judge O. S. Lattimore of the Court of Criminal Appeals delivering the oration. Henderson served as attorney general and as ambassador from the Republic of Texas to England.

All state departments of the capitol were closed for the day. At the battlefield of San Jacinto, near Houston, thousands of Texans gathered on their annual pilgrimage to lay wreaths on the graves of the fallen heroes.

Relation of the story of how the 800 Texans under General Sam Houston, with cries of "remember the Alamo and Goliad,"—where Texas patriots had been massacred—surprised General Santa Anna and his soldiers at their sista hour with sudden victory—was on the

(See SAN JACINTO, page 6.)

Drilling Activity Is Growing Brisk

The number of drilling wells in Gray county has increased by about ten a week for the last month. Last week the number of locations rose to 13. Drilling activity is stronger now in the county than it has been for almost a year.

Locations made last week follow: The Clayton-Kay Oil company No. 2 Key, sections 1 and 1, B&B survey; Dunlop No. 4 Morse, section 2, block 26; Dunlop No. 5 Morse, section 2, block 26; Dunlop No. 4 Morse section 2, block 26; Empire Gas and Fuel company No. 2 Hexter section 235, block B-2; Humble Oil and Refining company No. 3 Coombs Worley, section 36, block 3; Magnolia Petroleum company No. 8 Wright, section 13, block B-2; Saultsbury et al No. 1 Sheridan section 184, block B-2; Southern Petroleum company No. 1 Vaught, section 138, block 3; Texas company No. 7 Coombs-Worley, section 36, block 3.

BOY IS LOST

A search for Donald B. Foster, 11-year-old son of Mr. and Mrs. F. M. Foster, is being made this afternoon by officers, his parents and friends. The boy left his home early this morning to look for a pony in the west end of Pampa. He has not returned in a couple of hours, his parents became uneasy and asked officers to assist in the search. American Legion members are also assisting.

The lad had not been found when The News went to press at 3 o'clock this afternoon. The boy has light, long hair and blue eyes. When he left home, he was wearing blue ducking trousers, light shirt, black shoes and light cap.

NEWLY CREATED COURT OPENS HERE FIRST TIME—ENGLEDOW, 31ST ATTORNEY, IS DELAYED

After a prayer for divine guidance by the Rev. D. D. McSkimming, Judge Clifford Braly opened the first session of the 114th district court in Gray county this morning. Members of the Pampa bar and citizens packed the district court room.

With one exception, local attorneys voted to transfer the entire civil docket of the 31st district court to the 114th district docket, and Judge W. R. Ewing of the 31st district ordered the immediate transfer.

Just before the 31st district court adjourned and Judge Braly took the bench, W. M. Lewright, local attorney, informed Judge Ewing that he had just talked by telephone with C. G. Engledow at McKinney, Texas, and that because of an automobile accident Mr. Engledow said he could not return to Pampa before next week.

Mrs. Engledow suffered painful injuries and her husband sustained injuries on his leg when their car overturned near McKinney yesterday. Their little girl, who was riding with them, was injured. Mr. Lewright said, Mrs. Engledow is now in the hospital at McKinney.

"I now have a telegram on my desk from Governor Moody stating that he had appointed Mr. Engledow as district attorney," Mr. Lewright said.

Judge Ewing then appointed Ben Allred to serve as district attorney pro tem until Mr. Engledow returns. Mr. Allred asked Judge Ewing to postpone the case of Jake Yale, who is charged with murder in connection with the fatal shooting of Jack McKee, until tomorrow morning.

Trial of the case was scheduled to begin this morning. The defense was ready, according to Mr. Yale's attorneys. Mr. Allred said he would be ready by tomorrow morning.

While the 114th district court is in session, the 31st district court will be held in the county courtroom on the second floor of the courthouse. The first problem to be determined in the new court is the setting of the cases. Most of the attorneys favor setting them for trial in chronological order. Charles C. Cook and Mr. Lewright spoke in favor of this plan. Judge Newton P. Willis, voicing his opinion upon the request of Judge Braly, said that there are three types of civil cases on the docket: (1) dormant cases, (2) cases in which one side is ready and the other is not, and (3) cases in which both sides are ready. He favored trial of the third class of cases first. This plan was opposed by Mr. Cook, Mr. Lewright, and others.

Action on the matter was deferred until this afternoon or later.

(See COURT, page 6.)

Banquet Held at Conclusion of Big Convention

With Frank Thomas as toastmaster and more than four hundred persons seated around the banquet tables in the Pla-Mor auditorium yesterday noon, the last event of the unofficial Forty and Eight convention was brought to a conclusion.

The first program number was a well executed reading, "In Flanders Fields," by little Bobbie Burns. The welcome address was by Paul D. Hill, local commander, and the response by E. C. Nelson of Amarillo.

Brief talks were made by J. A. Pearson of Pampa, grand chief de gare of the Texas Forty and Eight; Mrs. Carl Marks of Los Angeles, chaplain national of the Forty and Eight; and Mrs. F. H. Carpenter of Sour Lake, Texas department president of the Auxiliary. Mrs. Marks stated that she had just completed a tour in behalf of child welfare activities. She reiterated that Los

(See BANQUET, page 6.)

John W. Eller Pioneer Resident Dies Last Night

As it must to all men, Death came last night to John W. Eller, 81, who for 27 years was a resident of this community. He had lived in Pampa for 22 years.

Funeral services will be held tomorrow afternoon at 3 o'clock at the Church of Christ. Arrangements are in charge of G. C. Malone funeral home.

Mr. Eller is survived by his widow, five sons, H. B. Eller of Lawton, Okla., W. T. Eller, Pampa; Wade Eller, Texline; Jake Eller, White Deer; Tom Eller, Pampa; and a daughter, Mrs. G. H. Brown, Pampa. He is also survived by a number of grand-children.

Mr. Eller had been confined to his bed for six weeks. He suffered a severe case of influenza and never recovered from the effects. The immediate cause of his death was Bright's disease.

Mr. Eller came to this community in 1903 and moved to Pampa in 1908. He was well-known throughout Gray and Carson counties and left many friends here to mourn his death.

Thomas Fannell Will Go Soon to Guthrie—Work in Music Praised

Thomas Fannell, director of music in connection with Central high school, has signed a contract to take up similar work in Guthrie, Okla.

He will have executive charge of all high school music activities there, and Mrs. Fannell will do credit work in private instruction of the pupils. He said that had such an attractive offer that he considered it to his best interest to accept it. He had been re-elected for next year by the Pampa board.

Mr. Fannell is in charge of the Central high school glee clubs, girls' quartet, senior orchestra, and the women's community chorus, and the Lions' octet. He has given nearly all of his time, day and evening, to developing the musical interests and abilities of the pupils, and has been ably assisted by Mrs. Fannell.

More than 150 pupils took part in the Amarillo music contest, and many high marks were made and honor won.

Mr. and Mrs. Fannell came here two years ago from Chicago.

ROCK ISLAND GIVEN RIGHT FOR HER LINE

Consolidation Plan Is Outlined by I. C. C.

HEATON BRANCH IS AUTHORIZED

No Necessity Is Seen for Extension to This City

WASHINGTON, April 21. (AP)—Plans of the St. Louis San Francisco railroad and the Chicago, Rock Island & Pacific railway to open a through route between Northern Texas and Southwestern Oklahoma to Fort Worth and Dallas were approved today by the Interstate Commerce Commission.

The Rock Island was permitted to construct a line from Shamrock five miles to a connection with the Frisco at Quannah and from there 100 miles to a connection with the proposed Vernon-Seymour line of the Frisco at Beaver Creek. It also was given authorization operate under trackage rights over the Frisco between Quannah and the point of connection with the proposed line 5 miles north. Over the proposed Vernon-Seymour line of the Frisco, the Rock Island will use trackage rights between Beaver Creek and Seymour and over the line of the Gulf, Texas and Western between Seymour and Jacksboro, approximately 76 miles, it will also have trackage rights.

In authorizing the new route through the commission modified its general plan for consolidation of railroads by allocating Gulf, Texas & Western to the Rock Island-Frisco system, instead of to the Atchison, Topeka and Santa Fe system.

The St. Louis, San Francisco & Texas railway, the Texas operating company of the Frisco, will construct from a connection with its line at Vernon to a connection with the Gulf, Texas & Western at Seymour, approximately 42 miles, and will operate under trackage rights over the Rock Island 71 miles between Jacksboro and Fort Worth.

Requests of the railroads to retain excess earnings from the proposed construction were denied.

In connection with the new route, the Clinton-Oklahoma Western railroad of Texas will construct a branch line extending from Heaton eight miles southeast to a point in Gray county, near the North Fork of the Red river.

The commission denied, however, on the grounds that public necessity had not been shown, the application of the Fort Worth & Denver Northern railway for permission to construct approximately 110 miles of line from a connection with its tracks at Childress to Pampa. Changing its consolidation plan, the commission authorized the Frisco to purchase the capital stock of the Gulf, Texas & Western to acquire control and the St. Louis, San Francisco & Texas to lease the road.

BURIAL IN OKLAHOMA
The body of Mrs. T. M. Fisher was sent to Shawnee, Okla., yesterday for burial by G. C. Malone funeral home. Mrs. Fisher died last Wednesday after drinking a solution of sodium fluoride which she thought was salt. She was visiting her daughter, Mrs. ... at ... at the time she took the poison.

Sixteen Catholic Missionaries In China Threatened

SHANGHAI, April 21. (AP)—A letter received here from one of sixteen American Catholic missionaries, who for weeks have been held prisoners in the Kiangsi province city of Kanchow, said that Communist and bandit besiegers had threatened "when Kanchow falls, to kill every foreigner within the walls for robbing us of our prize."

Although the walls continued to halt them, the Reds, according to the letter, dated April 4, had notified Kanchow authorities to capture the city. Defense of Kanchow, the missionary said, continued unchanged with no immediate danger of its capture.

Meanwhile the Reds have withdrawn part of their forces from the siege and "while awaiting Kanchow's fall are plundering the surrounding country."

Chekiang province advices said 20,000 bandits had overrun Chekiang-Anhui provincial borders, killing hundreds and exacting thousands of dollars tribute from the inhabitants.

4-H Club Girls Tell Chamber of Their Activity

Girls of the Hopkins No. 2 school 4-H club sang songs and told of their work to members of the Chamber of Commerce at today's luncheon at the Methodist church basement auditorium. They showed caps and aprons of their own making.

They were presented by Miss Myrtle Miller, county home demonstration agent. In her discussion, Miss Miller said that extension work was started in Texas 27 years ago. Today there are 40,000 girls and boys in 4-H club work in this state, and 750,000 in the nation. Texas has 180 county agents and 116 home demonstration agents. There are forty persons on the A. & M. extension staff.

Mrs. Tom Clayton, president of the Wayside demonstration club, said that one hundred women, organized in six clubs, are active in well planned programs. The work was inaugurated in February. Miss Margie Lyon, Carson county home demonstration agent, was a visitor at the luncheon.

An instructive talk was made by E. N. Holmgren, of the A. & M. extension service. Speaking on poultry raising, he said that the business is paying Texans fifty millions a year and yielding a gross income of one and one-half billions in the nation. He said the purpose of the extension service is to demonstrate how farmers can make money with chickens, other than to instruct in various methods of handling the fowls.

Speaking briefly, Manager George Briggs said that Pampa must have more good roads, must develop as the best trading point in this territory, and must have more farmers.

President T. F. Smalling introduced the subject of radio broadcasting, and said that the Chamber had been asked to take over the post office launched by J. A. King and Walter Hardin. Mr. Hardin explained details of the project, which the B. C. D. has under advisement.

Texline Making Booster Tours

TEXLINE, April 21. (AP)—Setting a new pace for the city and so far as known for this entire section, more than two score Texline businessmen and their wives made a good will tour to every farm home in a new community 20 miles south of here Wednesday morning.

The motorcade left the city at 9 o'clock headed by Mayor W. E. Hough and B. W. Baer, president of the Chamber of Commerce. Stop were made at every farm home. The newcomers, many of them only two weeks in this section, were welcomed and made to know their work in developing the north plains coun-

Kellogg's RICE KRISPIES

Easter Service Is Climax to Revival Meeting

Easter Sunday was a high day of rejoicing at the First Christian church. Thirty-seven new members were added to the membership during the day, making sixty-three additions for the special meetings. Since the present pastor, F. W. O'Malley, came to work, just before Christmas, there have been one hundred and thirty-six additions to the membership.

The church is aroused spiritually to a high degree and is eager to go forward to greater victories. The Bible school reached its highest mark, two hundred and seventy-nine. A vigorous effort will be made to bring it well above three hundred soon.

The church is uniting with the other Christian churches throughout the world in a great campaign running from Easter to Pentecost (June 8). All members reading a chapter of the New Testament every day are expected to read entirely through the gospel according to Luke, and the book of Acts of Apostles. The prayer life is to be emphasized, in personal life, in the home, and in all departments of the church. A united effort will be made to have every member of the church at the communion service every Lord's Day, and especially on Pentecost not less than five million members throughout the world are expected to be at the holy memorial table celebrating the death of Jesus Christ for our redemption.

Evangelism will be stressed at all times; the winning of souls is the first and most important duty of the church; no congregation has a right to the name Christian that is not diligently seeking and saving those whom Christ came to save.

There has been a fine cooperation of the officers, the singers, the leaders among young people, the Sunday school workers, and on the outside, the newspapers gave most cordial and valuable support.

No sensationalism nor other objectionable methods were used in the meetings, so that there will be no ill effects to be corrected afterwards. The impression on the city generally had been most wholesome, for Christ and his church were exalted at all times and men and women heard only earnest appeals for the higher things of life.

The pastor attributes much of the success of the meetings to the direct blessings of God, in answer to the prayers of the good women who met in the homes in sincere spiritual devotion and then went out in consecrated earnestness to do personal work.

Bass Clay Well Will Be Plugged

Denying a petition of C. M. Lyon to issue \$2,000 to further develop what is known as the W. B. Saults-bury well on the E. Bass Clay land, Judge W. R. Ewing this morning ordered that the well be plugged and remain in the hands of the receiver, Mr. Lyon, until further instructions from the court.

In a hearing on the petition, on April 11, Mr. Lyon reported to the court that if the water were plugged off, he believed he could develop a paying well. He said he thought he could make it produce 40 barrels of oil per day. Mr. Lyon has been receiver since last fall.

More than a score of individuals and companies are involved in the suit.

TUESDAY: El Progresso club will meet at 2:30 o'clock in Mrs. Carson Loftus' home. The Bible Gleaners class of the First Baptist Sunday school will have a party at the home of Mrs. John Brown, 711 North Banks street at 2:30 o'clock. Mrs. G. L. Stephens will be hostess.

Junior Twentieth Century club will convene at the home of Mrs. Robert Chafin at 2:30 o'clock.

WEDNESDAY: The Pythian Sisters temple will convene at the I. O. O. F. hall at 7:30 o'clock for the purpose of organizing a degree staff. All members are urged to be present, and visiting sisters are welcome.

FRIDAY: The Study club of the Order of the Eastern Star is to meet at 8 o'clock.

Ernest Barrett Is Honored with Dinner Party Saturday Night

Mr. and Mrs. Val Smith entertained at dinner Saturday evening, honoring Ernest Barrett. Their guests were: Mr. and Mrs. Cecil Brandt, Mr. and Mrs. J. D. Gill and family, Mr. and Mrs. Ben Seldford and daughter, Mr. and Mrs. John Brown and son, Mr. and Mrs. Ernest Barrett and family.

Games furnished entertainment during the evening. Guests at the pleasant affair joined the host and hostess in presenting a shower of gifts to the honored guest.

A Chinese lad was heartbroken when he was denied punishment for passing a worthless check.

"WHO IS IT" FEATURE ABOUT PAMPA FIRMS POPULAR WITH PAMPA DAILY NEWS READERS

Probably you had the idea that most anybody would be able to decipher the business houses of Pampa as described in the issue of Monday, April 14. However, such is not the case.

Not one of the answers sent in have been absolutely correct, and there have been a large number. This illustrates the contention that few people really know their own home town. Many folks think they do. Pampa business firms, who appreciate the service they have to offer each of you, realize that in a growing community such as this, with numerous additions and changes, that it is profitable to you and to them that you should be attracted in a fashion that would impress.

For that reason the "Who Is It" in Pampa feature is used to create curiosity that would lead to a better knowledge of these firms which were included in this knowledge competition of local institutions.

Couzens Measure To Stop Railroad Mergers Approved

WASHINGTON, April 21. (AP)—Unqualified approval of the Couzens resolution proposing to suspend all railroad consolidations until congress enacts additional legislation covering them was announced today by Chairman McNamara of the Interstate Commerce Commission, before the senate interstate commerce committee.

Saying the Couzens proposal in its present form "is in line with what the commission has recommended for some five years," the commission chairman dissented from the position of the majority of the commission.

Ten of the eleven members of the commission have declared themselves favorable to legislation to regulate railroad holding companies, but unwilling to endorse suspension of direct consolidations, as suggested by the transportation act of 1920.

HERE'S PROOF

THIS is to certify that I was diagnosed as having cancer of the stomach by three up-to-the-minute physicians, before I was brought to a chiropractors office by Uncle Frank and Aunt Mary Cope. I was hardly able to sit up at that time, and had lost 47 pounds. I had a Radionic analysis which verified the diagnosis of the other doctors.

With the Copes' aid I purchased a card of Radionic Vibrations—that being Armistic Day, 1929. Today—March 15, 1930—I have gained 35 pounds, can work hard every day, and feel good all the time. I was too sore to be adjusted for the first few weeks, so I just took the Radionic alone for the first three weeks. I was dismissed today—and I can do a man's work and feel good all the time.

I can highly recommend the Radionic and Chiropractic.

Second Plugging Is Successful In Van Field Well

VAN, April 21. (AP)—Successful in second "plugging" operation drillers in the Van oil field have brought in the Freeman No. 1 well in the so-called "soldiers field" as a producer, estimated making 2,500 barrels of oil.

Threatened with water when the drill was sent too deep, the well was saved by setting a lead plug, which caused off the water. A similar operation was successful in the Peters well, brought in last Friday.

The Tunnel No. 1, on the five-acre townsite tract, was brought in Sunday as a 10,000-barrel producer. The E. L. Fowler No. 3, a quarter of a mile east of the Jarman discovery well, was completed Saturday for a flow of from 8,000 to 10,000 barrels of oil.

Ernest Barrett Is Honored with Dinner Party Saturday Night

Mr. and Mrs. Val Smith entertained at dinner Saturday evening, honoring Ernest Barrett. Their guests were: Mr. and Mrs. Cecil Brandt, Mr. and Mrs. J. D. Gill and family, Mr. and Mrs. Ben Seldford and daughter, Mr. and Mrs. John Brown and son, Mr. and Mrs. Ernest Barrett and family.

Who Is It? Feature About Pampa Firms Popular With Pampa Daily News Readers

Probably you had the idea that most anybody would be able to decipher the business houses of Pampa as described in the issue of Monday, April 14. However, such is not the case.

Not one of the answers sent in have been absolutely correct, and there have been a large number. This illustrates the contention that few people really know their own home town. Many folks think they do. Pampa business firms, who appreciate the service they have to offer each of you, realize that in a growing community such as this, with numerous additions and changes, that it is profitable to you and to them that you should be attracted in a fashion that would impress.

For that reason the "Who Is It" in Pampa feature is used to create curiosity that would lead to a better knowledge of these firms which were included in this knowledge competition of local institutions.

THREE CLUBS ARE TIED IN TEXAS LOOP

BY GAYLE TALBOT, JR.
Associated Press Sports Writer

Results of week-end hostilities contrived to throw three clubs, Shreveport, Wichita Falls, and Beaumont, into a deadlock for the Texas league pinnacle, each with seven wins and four losses.

The Sports, by sweeping both games of their series at Wichita, pulled the spiders down to their level. The Exporters joined the select group by splitting two bouts with Houston. It was the first series the Oilers had dropped.

Oscar Tuero, ancient Cuban spitballer, turned in a five-hit game to give the Sports yesterday's verdict, 10 to 1. His mates hopped all over three Spud hurlers, including the prize youngster, Lester White. Included in their 14 hits was a homer by Hulson and doubles by Holman and parks.

Tuero's great performance was a timely one for the crafty veteran, assuring him a place on the Sport staff. He reported for spring training this year of his own volition, after he had handed his unconditional release and had failed to catch on with another club. He held the first five men in the Wichita batting order hitless.

The combination of Muleshoe Vaughn's steady hurling and a record crop of errors by the Houston Buffs enabled the Exporters to make their final, 7 to 4. Vaughn, turning in his second straight triumph, held the Bisons to six blows. The Buffs compiled eight miscues behind Floyd Rose. Three runs in the eighth clinched matters for the Shippers.

Jacky Ata's hamstrung Dallas Steers ran their losing streak to five straight when the Fort Worth Cats took them again, 7 to 3, at Fort Worth. As a result, the two clubs have an even claim on the cellar.

Paul Wachtel, who helped pitch the Panthers to a string of pennants started against his old mates and was nicked for three runs in the opening frame, after which Tauscher took up the burden. Jimmy Walkup, meanwhile, southpawed the Herd to a whisper, holding them to five hits and a single run until the ninth.

The San Antonio Indians gained an even break with the Waco Cubs and reclaimed fifth place by winning another slugging bee, 9 to 7. Although clouded hard, Mousty stayed in to get credit for the victory. The Tribe raked Harris and Stein for 14 safeties.

A change of scenery today found Wichita Falls at Dallas, Shreveport at Fort Worth, Beaumont at Waco and San Antonio at Houston for three games.

EUGENE ROY IS CHOICE IN HAITI FOR PRESIDENT

PORT AU PRINCE, Haiti, April 21. (AP)—Eugene Roy was unanimously elected temporary president of Haiti by the council of state today.

President-Elect Roy is to assume office next month when the term of President Borno will expire. He will hold office until regular elections can be held for the presidency.

Mr. Roy's election was in accordance with recommendations of the Hoover commission which suggested him after virtually all of the political elements in Haiti had approved him as a nonpartisan candidate.

Quanah Man Is Killed; Drives His Car Into Train

QUANAH, April 21. (AP)—Leo H. Smith, 33, was killed and R. L. Hooker, 26, was injured seriously yesterday when Smith drove his automobile into a moving Orient freight train at a grade crossing near here.

Smith, for 15 years chemist of the Quanah cotton oil mill, and Hooker, employee of the mill, were en route to Wichita Falls to attend a church mass.

Crew of the train, northward bound from Chillicothe, Texas, did not learn of the tragedy until it reached Altus, Okla. Inspection of the train showed Smith's automobile struck the twelfth car back from the engine.

Mrs. A. Stevens, wife of a Chillicothe garage man, was waiting in her automobile on the other side of the track when the accident occurred. She went to Chillicothe for aid.

Hostesses Announced

In publicity sent from Pampa to daily papers elsewhere, the name of Mrs. Robert Montgomery was accidentally omitted from the list of official hostesses at the Oriental tea to be given, Wednesday afternoon as a courtesy to the club women attending the annual convention of the Seventh district Federation of Women's clubs.

Mrs. Montgomery, Mrs. Edd Cobb, and Mrs. T. R. Martin will act as assistant hostesses with Mrs. O. T. Humkappilar, at a tea in Mrs. I. B. Hughey's home.

PUNCHLESS WONDERS!

THE GREENBRIER MILITARY SCHOOL OF LEWISBURG, W.VA., PLAYED EIGHT FOOTBALL GAMES IN 1927 AND LOST NONE—YET SCORED ONLY THREE POINTS (A DROPKICK) THROUGHOUT THE SEASON.

SEVEN OF THE GAMES WERE SCORELESS TIES, THE EIGHTH RESULTING, 3 TO 0.

SUGGESTED BY THE PAMPA DAILY NEWS, APRIL 21, 1930.

FOUGHT 13 YEARS AND ENGAGED IN OVER 400 FIGHTS BEFORE HE WON A CHAMPIONSHIP.

JIM JEFFRIES WON THE HEAVYWEIGHT TITLE IN HIS ELEVENTH FIGHT.

MANY BELIEVE HARVESTERS ARE DISTRICT CHAMPIONS—JUDGES CONFUSED IN RACE

Belief that the Pampa Harvesters won the district 1 track meet at Canyon Saturday, and lost it through confusion of the judges was expressed here today.

Dozens of persons around the 440 yard finish line declared that Albert Lard, Pampa sprint star, broke the tape. The judges failed to "catch" their men, and a long discussion ensued. Lard eventually was given third place. Coach Davis Hill of Amarillo later said it was his belief that Lard won the 440-yard dash, and thereby Pampa really won the meet. Without the first place, however, Pampa was given second place with 24 points to 26 for Amarillo high.

Jim Ayres, high point man of the meet, was the shining star from Pampa. Jim won the low hurdles, placed second in the broad jump, and third in the high hurdles. He also ran a lap of the relay.

The Pampa squad performed above the former shown previously in season, and gave stiff competition in the final events.

Summary of the meet:

High hurdles—Ppham, Panhandle, first; Martindale, Pampa, second; J. Ayres, Pampa, third; Alexander, Amarillo, fourth. Time 16.9.

100-Yard Dash—Russell, Hereford, first; Van Noy, Amarillo, second; Townsend, Groom, third; Howard, Amarillo, fourth. Time 10.1.

880-Yard Dash—Graham, Quitaque, first; Reynolds, Dalhart, second Davis, Claude, third; Bowie, Happy, fourth. Time 2-8.8.

220-Yard Low Hurdles—J. Ayres, Pampa, first; Weaver, Panhandle, second; Hutton, Friona, third; Doucette, Pampa fourth. Time 27.5.

440-Yard Dash—Buckin, Aramillio, first; Caldwell, Oklahoma Lane, second; Lard, Pampa, third; Tucker Canyon, fourth. Time 53.2 (new record).

220-Yard Dash—Russell, Hereford, first; Townsend, Groom, second; Van Noy, Amarillo, third; Britain, Quitaque, fourth. Time 23.6.

Mile run—Dickerson, Silveston, first; James, Pampa, second; Graham, Farwell, third; Coppage, Kress, fourth. Time 4-56.

Mile Relay—Groom, first; Amarillo, second; Follette, third; Pampa fourth. Time 3-35 (new record).

Javelin—Kriegen, Groom, first; Warren, Amarillo, second; Wilson, Groom, third; Weaver, Panhandle, fourth. Distance 157 feet 7 inches.

High Jump—Martindale, Pampa, first; Wisdom, Spearman, second; Wilson, Groom, Fortenberry, Happy, and Alexander, Amarillo tied for third. Height 5 feet 11 1/2 inches.

Broad Jump—Howard, Amarillo, first; J. Ayres, Pampa, second; Van Noy, Amarillo, third; Dyer, Farwell, fourth. Distance 20 feet 2 1/2 inches.

Discus—Walker, Spearman, first; Krizan, Groom, second; Gotcher, Panhandle, third; Orr, Hereford, fourth. Distance 102 feet 4 inches.

Shot Put (12 pounds)—Dyer, Farwell, first; Gotcher, Panhandle, second; Krizan, Groom, third; Fortenberry, Happy, fourth. Distance 45 feet 2 7/8 inches (new record).

Pole Vault—Windom, Spearman, first; Warren, Amarillo, second; Morgan, Happy; Shaw, Lella Lake and Below, Bovina, tied for third; height 11 feet, 6 inches. (ties record).

As the result of his conviction that Lard won the 440-Yard event, Coach Mitchell will take the youth to the state meet at Austin. Other Harvesters to make the trip will be J. Ayres, Martindale and James.

SENATORS IN GREAT FORM FOR SEASON

BY HUGH S. FULLERTON, JR.
Associated Press Sports Writer

The Washington Senators have taken a place in the front rank of the major league teams which have started the year by upsetting the dope. Once good reason for their good showing so far is found in Lloyd Brown, left handed pitcher.

Brown is the only major league hurler to pitch two full games this year and to win them both. He held the Boston Red Sox to three hits last Tuesday and yesterday scored his second triumph by downing the New York Yankees, 6 to 3. The triumph put the Senators in a tie for second place in the American league instead of in the second division where the dope says they belong.

Eight pitchers appeared on the mound for the second time at the start of yesterday's six games, and only Brown and Harry Selbold of the Boston Braves, remained to the end. Selbold won his game from Brooklyn, 7 to 2, as two Brooklyn errors and a home run with loaded bases provided six runs in the seventh inning.

Young Willis Hudlin of Cleveland and old George Uhle of Detroit both won nine innings in a duel, and Cleveland nosed out a 2 to 0 victory. Hudlin made the nearest approach to Brown's record, for he hurled the greater part of a losing ten inning duel with Chicago on his first appearance. A pinch double with the bases full by Burnett gave him yesterday's game.

In the third American league game, the Philadelphia Athletics scored their third successive victory of the year by bunting five hits off Dan Mac Fadden in one inning and downing the Boston Red Sox, 5 to 3.

The New York and Philadelphia National league clubs, which have started out as if to revive the title of "hitless wonders," staged another close duel yesterday, the Giants winning 2 to 1. Carl Hubbell held the Phillies to four hits, while the Giants reached Alexander for the greater part of ten, but still it took a home run by Mel Ott to win the game.

A similar battle between the Chicago Cubs and Cincinnati Reds marked the remaining national league struggle. The Cubs won, 4 to 3, after Cincinnati had scored three runs in one inning off Fred Blake.

Veteran Runner Still Is Master

BOSTON, April 19. (AP)—The shuffling feet of Clarence Demar, veteran Melrose runner, today were strong enough to carry him to his seventh Boston marathon victory in 19 years. He ran a field of 180 starters deep into the ground and was in command of the tortuous race from start to finish.

Capone Wishes to Get Quiet Rest

MIAMI, Fla., April 21. (AP)—Having arrived quietly under protection of a federal injunction, Alphonse Capone, Chicago racketeer, was back at his Palm Island estate today for a rest which he thinks he deserves. He came by train from Chicago, took a speedboat ride on Biscayne bay and then returned to his residence.

An injunction granted by United States Judge Halsted L. Ritter cleared a path through Florida for Capone's approach to Miami by restraining sheriffs of 20 counties from molesting him without a warrant. Governor Carlton previously had issued instructions to all sheriffs to arrest Capone and escort him to the state line should he appear in Florida.

At the present time the American Merchant Marine consists of about 1400 sea-going merchant vessels, all of which have a gross tonnage capacity of 7,800,000.

An Old Japanese Custom

This picture shows Loti Shima, Japanese wrestler and jui-jitsu artist who will wrestle Otis Clingman here Thursday night, in the act of throwing an opponent into the ratters, his favorite stunt. It's not likely that he'll hurl Otis against the ceiling because the match will be a catch-as-catch can and neither will wear kimonos, which are almost necessary for the flip to the ratters. Although it is expected that Shima will be strong on the jui-jitsu tricks.

Rob Roy and Young Sampson are scheduled for a 30-minute fall in the semi-final event of the same card.

SPORT SLANTS
Alan J. Gould

Left to themselves, the heavy-weight cauliflowerers may conduct their own campaign of elimination or extermination.

Take the case of Gerald Ambrose Griffith, the tough one from Sioux City, Iowa. It wasn't so many moons ago that Tuffy gave Johnny Risko a very artistic pasting in Madison Square Garden.

The boys who can beat Risko usually get somewhere. Gene Tunney did and Max Schmeling may. Therefore, Griffith was rated one of the coming young men of the division, so much so that there was a good deal of agitation for matching him, instead of Phil Scott, with Jack Sharkey at Miami. Sharkey enhanced the Griffith reputation by refusing a match with the hard-punching Mid-westerner. At Miami, Johnny Buckley, Sharkey's manager, remarked: "We hope to match Sharkey with Griffith in Chicago, where the bout would draw more than anywhere else, possibly \$250,000.

Meanwhile Young Mr. Griffith has been bounced right out of the show. He had a tough time beating Al Friedman in Boston and was knocked out by Jark Gagnon in Philadelphia.

Nowadays the young heavyweights seem to hit the toboggan in one way or another just at the age they should be making an upgrade impression. Griffith is only 23. He may not be through but he is at least well checked for the time being. Willie Stirling, 26, is going

GULF'S GUNS WIN CONTEST AT AMARILLO

The Amarillo Cats did not mean anything in the life of the Pampa Gulf Guns yesterday afternoon at Metro Park, Amarillo, where the Guns developed into big berthas, shot the Cats full of holes and won a ball game, 9 to 0.

At the end of the seventh inning, the score stood 2 to 0, the Guns having completed the circuit in the first inning. In the eighth the Gulfers opened up their long range guns and ran five scores. They clinched the decisive victory by scoring two more runs in the ninth.

The Gulf battery, Edelen held the Cat hitters to six blows. His good right hand twirled a beautiful ball and never showed signs of cracking.

The scores were run as follows: Morgan lf, 1; Munn 3b, 1; Hickey ss, 1; Swain rf, 1; Sullivan c, 0; Hays 2b, 1; Davis lb, 1; Pope cf, 2; Edelen p, 1; Bullock x.

Great Britain's drink bill for last year was \$1,440,000,000.

NOTICE TO THE PUBLIC

Any erroneous reflection upon the character, standing, or reputation of any individual, firm, concern or corporation that may appear in the columns of the Pampa Daily News will be gladly corrected when called to the attention of the editor. It is not the intention of this newspaper to injure any individual, firm or corporation, and corrections will be made, when warranted, as prominently as was the wrongfully published reference or article.

BUILD PAMPA, NOT OTHER CITIES

Build Pampa. Let us not build Amarillo, Wichita, Fort Worth, Dallas, and Oklahoma City. Every dollar that Pampa people spend in the larger cities that could be spent here is tearing down this city.

Pampa has a wonderful group of merchants and their stocks are getting better every month. The more Pampa merchants are patronized, the larger and better will their stocks of merchandise become.

The News has been told by a few persons that Pampa stores do not have a proper variety and that prices are too high in some lines. That is sheer bunk in our opinion. The News knows that no one can drive 60 miles to Amarillo or several hundred miles to other cities and purchase an order of merchandise cheaper than it can be bought in Pampa. Adding the cost of traveling, a \$50 order probably would cost 10 to 15 per cent more.

Pampa products and Pampa merchants deserve the first consideration of every loyal resident. Buy Pampa automobiles right along with your other merchandise. It is not fair to live in Pampa, drive over our streets and then give dealers in other cities the profits when you are ready to purchase automobiles.

The News believes that the trade of Pampa could be increased 15 per cent within a month, if the people would go out of their way to be loyal to Pampa business institutions.

Think it over. Do you want to build Pampa with greater stores, business buildings, schools and churches, or do you want other cities to build at the expense of Pampa?

WHEREIN YE EDITOR ELUCIDATES

The conductor of this column has returned from the Memphis convention of the Panhandle Press association. He was royally entertained in the City of Prosperity, even if his bachelor status was unmercifully panned throughout the meeting, to the extent that the fathers of certain eligible daughters are reputed to have placed the family bulldogs out in full view during his stay in that city. . . . Memphis hospitality was wonderful. The editor down there heard I was going to respond to the welcome address, so he wrote my speech and printed it in advance. What better service could be asked in any convention city? If the Memphis Democrat had stopped at this stage, it would have been perfect, but it printed some other things about the Pampa representative that were more disquieting. I understand the preachers down there often discuss the newspaper, so I made it a point to interview most of the clergy and to turn over to them the task of 'patching up my reputation where I have certain interests. . . . Really, it was almost (pardon our ego, Memphis) as enjoyable an occasion as the association held in Pampa one year ago. We recommend Memphis to any body or individual who wishes to have a good meeting and associate with fine people. I'd suggest that the Rev. Shaw be given the job of making melodies or getting them out of the delegates. The Misses Shaw, however, are quite essential to the full appreciation of the Rev. Shaw, and the P. K. (preacher's kids) trio is very adequate in every respect. . . . It is hard for the resident of the wheat-green plains to appreciate the cotton fields that are not yet cottoning. Especially is this true if a pre-Easter sandstorm is moving the fields about without due regard for the automobile traffic which likes the soil under the tires primarily. Next to Pampa, of course we like Memphis, but we must admit that the wheat is our idea of topographical and agricultural beauty at this time of year. . . . This writer of course must say much about the official song-bird of the Panhandle Press association—Miss Mary Helen Hardin of Childress. He must be careful, however, for the other bachelor of the association—Lyman Robbins of Memphis—is extremely jealous. It must be said, however, that the songbird (or sweetheart, as the married editors are bold enough to call her is extraordinarily musical as well as ornamental, and promises soon to take up where Marion Talley left off. The scribes believe, however, that once the nation has heard her sing, she will never be inclined to take up farming (as Miss Talley has done) or even newspapering. She has made the scribes forget that State Press of the Dallas News has been neglecting them in recent years. . . . Next year's meeting goes to Plainview, where the writer hopes the newspaper will permit him the privilege of making his own speeches and building his reputation without benefit of columnists. This is fair warning to Messrs. Hilburn, Perry, Miller, and associates. . . . Permit the final observation that no set of men, or any profession, are more 'wrapped up' in their work and in their desire to better their communities and the Panhandle and state in general than the newspaper folk. Without exception they are typical Lions Rotarians, Chamber of Commerce presidents and directors, church officials, responsible business men—town builders. Coupled with the tireless service of giving publicity and support to every constructive project in addition to providing the usual good merchandising service as business men, can any profession boast more service and claim more credit? And can any, with the possible exception of the small town doctors, claim to be doing as much for their communities for as little direct return? Every reader has the privilege of believing he could put out a better newspaper, but few indeed would do so, or even stay on the job, after learning of the long hours of work and sacrifice involved. Selah.

Lee's Funeral Draws Notables

CISCO, April 21. (AP)—Citizens of Cisco and Texas, as well as members of congress, gathered here today to pay last tribute to Congressman R. Q. Lee, at funeral services set for 2 p. m.

When mayor of Cleveland, Ohio, Newton D. Baker, who later became secretary of war, kept a little black stand and a brush in his office, shined his own shoes each day, and didn't care who saw him do it.

Rotarians Will Meet in Temple

Pampa Rotarians who are planning to attend the 41st district convention of Rotary in Temple, Wednesday and Thursday are: L. N. McCullough, newly elected president; M. K. Brown, Tom E. Rose, Baker Saulsbury, Lynn Boyd, C. T. Hunkapillar and J. E. Murree. They expect to leave tomorrow night.

SAN JACINTO—

(Continued from page 1)

program arranged by Sons and Daughters of the Republic of Texas. Speakers on the program included Clarence R. Wharton, relative of John A. Wharton, one of the heroes of San Jacinto; and W. E. Kendall, grandson of General Sidney Sherman, who commanded the left wing of the Texan troops in the victory. Half of the Mexican army of 1,600 was killed and the others captured, among them General Santa Anna himself.

Chimes in the tower of the main building at the University of Texas, in Austin, were attuned to the strains of "Come to the Bower," the song which according to tradition, Texas soldiers sang before going into the battle of San Jacinto.

Fiesta in Progress
San Antonio's annual fiesta de San Jacinto occupied attention there, with the historic Battle of Flowers at noon, after which Governor Dan Moody was on the program for an address at a luncheon. In the afternoon, the annual pilgrimage to the Alamo was planned.

Patriotic, civic and fraternal organizations joined in preparing the ceremony of laying wreaths there honoring heroes who died in the Alamo's defense.

Beaumont's celebration took the form of a fiesta opening the Evaldale bridge, replacing ferry service which had been in use on the Neches river between Texas and Louisiana since the days of the Texas Republic.

Several thousand visitors were expected for the event, the program including addresses by W. F. Hobby, former governor; John Henry Kirby, General Jacob F. Wolters and officials of Beaumont and Houston.

T. W. Davidson, former lieutenant governor, was called to speak on "Texas Independence" at the celebration in Dallas, an open-air picnic.

Edinburg, in the Rio Grande valley, planned a valley-wide celebration, including an address by J. Frank Doble, University of Texas instructor, authority on early Texas life and author of books on Texas as cowboy folklore.

The Austin Reserve Officers' association scheduled an all-day camp at Camp Mabry, and at Barton Springs, a celebration was arranged to commemorate the surrender of General Santa Anna and his army to General Sam Houston.

Largest Elephants in the World

The Christy Bros., five ring wild animal circus which will be here next Wednesday for two performances has on its list of attractions Miss Jumbo, the largest elephant in all the world, who is pictured with Clara, another gigantic mastodon, and are leading the five herds of elephants in parade.

Miss Jumbo is exactly 112 years of age, and still a star, and is the oldest and most famous of all animal actors. Miss Dorothy Walker the famous animal trainer avers with solemn mien that elephants are just folks and that they can understand every word she utters and what gives a seeming air of plausibility to this contention is the instant obedience of these mighty beasts to her every spoken command.

The Christy Bros., circus is the only circus of its magnitude in all the world that still retains the parade feature of circus day with a two mile long gorgeously and brilliantly spectacular street parade that will leave the show grounds promptly at noon.

Performances are scheduled for two performances, two for the afternoon and eight for the night show. Doors will open an hour earlier so that all may pay a leisurely visit to the menagerie.

Parker Reported Unfavorably by Senate Group

WASHINGTON, April 21. (AP)—Led by six Republicans, the senate judiciary committee today voted an unfavorable report to the senate on President Hoover's nomination of Judge John J. Parker of North

Carolina, to be an associate justice of the supreme court.

Chairman Norris, of the committee, one of the opponents to Parker, announced the unfavorable report would be laid immediately before the senate and taken up in regular order at the next executive session.

Wheat closed irregular at 3-4c net decline to 1-4c advance, oats 1-8 to 1-2c down, and provisions unchanged to 7c off.

Markets

WHEAT IS LOWER
CHICAGO, April 21. (AP)—Material setbacks in wheat resulted from increased selling based chiefly on reports of beneficial rains in sections of the southwest and west. Opening unchanged to 3-4 lower, wheat afterward underwent a general downturn. Corn, oats and provisions were likewise easy, with corn starting unchanged to 1-8 up, but subsequently receding.

SPOT COTTON
NEW ORLEANS, April 21. (AP)—Spot cotton closed quiet, 19 points down. Sales 412; low middling 13.83; middling 15.33; good middling 15.98; receipts 2219; stock 417,275.

CHICAGO, April 21. (AP)—Cotton futures closed: May 15.33; July 15.71; Oct. 15.01.

NOTICE OF DISSOLUTION OF PARTNERSHIP

Notice is hereby given that the partnership of R. E. Johnson and J. O. Pearson, operating as the Plains Construction company, has been dissolved and neither party will be responsible for actions of the other after this date, March 29, 1930.

(Signed) R. T. JOHNSON,
J. O. PEARSON.

COURT—

(Continued from page 1)

The rules of the 31st district court were adopted for the 114th court by the members of the Pampa bar, with one exception. It was agreed by the two judges that the petit jury not be dismissed as long as both courts were in session.

In opening the new court, Judge Braly said that he intended to try cases and to deliver judgments in the courtroom and not on "the street corners" or to individuals, attorneys, or litigants.

Petit jurors for this week follow: J. O. Burgess, R. E. Adams, Jack Back, T. H. Barnard, Jim White, E. T. Broke, C. K. Brumley, C. G. Hill, Charles Gull, Lawrence Watson, M. T. Wilkinson, Melton Carpenter, E. C. Stinson, Carl Pettiford, A. T. Case, G. P. Callahan, J. P. Davis, D. C. Carpenter, C. M. Gattin, Tom Schaffner, Joe Bidwell, L. J. Selz, W. E. Ginn, R. A. Rose, S. T. Kuykendall, C. W. Thompson, W. P. Mackie, J. M. Thompson, J. P.

Dobbs, A. L. Gribby, George Rainard, J. L. Davis, G. G. Crocker, Lester Davis, W. L. Davis, M. W. Clayman, C. E. Skelton, E. S. Creighton, R. J. Bohr, Sammie Cubine.

BANQUET—

(Continued from page 1)
Angeles wishes to be the next general, convention city.

Department Commander Ernest C. Cox made the principal address, in which his usual good humor and earnestness prevailed. He commended the Pampa post for its excellent handling of the convention, and for exceeding its quota. He stressed that while the Legion was not a political organization and would endorse no tickets and candidates, it could nevertheless have a large influence in community affairs. He asserted that the department was working for a state child welfare bureau on the one hand and the universal draft act as a national piece of legislation. He urged Legionnaires to work for both projects.

"Wrong handling of underprivileged children of Texas is making criminals instead of citizens," he declared. During the meeting especial praise was given Mr. Thomas for his successful arranging of the convention, and to W. C. de Cordova for publishing the best magazine in

the Southwest, if not in the nation, for Legion purposes. Dr. R. A. Webb, another prominent local Legionnaire, was lauded for his general work and for striving to help posts of the district reach their membership quotas.

Mrs. Cordova, Eight and Forty president, and Mrs. W. E. Taylor, auxiliary president, also were introduced and commended.

The big audience included many men and women from other cities of the plains.

Legionnaire Robert Lee Bobbitt, attorney general of Texas, made the address of the morning at the Methodist church yesterday. He took as his subject, "The True Soldier of Peace—a Good Citizen." Mrs. R. A. Webb sang a solo, and Mrs. W. E. Taylor introduced lady visitors of note. Legionnaire notables were introduced by Paul D. Hill, commander of the Kerley-Crossman post.

The "unofficial" convention was declared to have been as interesting and successful as are most official occasions.

Short Course for Demonstration Agents Provided

Seventy-five Gray county woman and girls plan to be present tomorrow for the first home demonstration short course to be held at the West Texas State Teachers college

at Canyon, according to Miss Myrtle Miller, county home demonstration agent.

The largest club delegation planning to go is the Alarred home demonstration group. Other women's clubs to attend are the Bluebonnet, the Grandview, the McLean, the Laketon Helping Hands, and the Wayside.

Girls 4-H clubs to be represented are: Back Eldridge, Laketon, Hopkins No. 1, Hopkins No. 2, Grandview and Alanreed.

The short course is to be sponsored by the extension department of A. & M. college and West Texas State Teachers college, jointly, and is planned as an annual event for the Panhandle women and girls. The initial gathering will be for the most part, a good will inspirational meeting.

President J. A. Hill of the teachers college will welcome the visitors

to the college, and the faculty and student body of the home economics department will act as official hostesses.

Speakers will include Miss Mildred Horton, state home demonstration agent, and Frank Phillips, head of the agricultural department of W. T. S. T. C. The dramatic club of the college will give a play for the entertainment of the club women and girls.

Just an Error

Some practical joker has handed out the news that we are going out of business, that our building is for rent and our machinery and tools are for sale, and one that was meant to hurt—but it won't.

We are very much in business, and have no intentions of quitting. We are in here with a boom, and our customers will tell you that we do our business in a way that is pleasing. We have the tools and the men that know how to use them to the best advantage.

We are not trying to fool the people. We didn't name our business after some big body manufacturer. The name the business bears is none other than my own, and I'm not ashamed of it, and all the work in my shop has my personal guarantee behind it, and that is the job must be right and the customer satisfied or we don't want your money.

I am right now starting on my third year in Pampa in the body business, and in that time I have grown from a one-man shop to our present standing, that of having the most complete Auto Body Works in North Texas. The names of some large body manufacturer didn't play any part in our growth, just an honest "treat you like I want you to treat me" policy, with high class workmanship.

In our large shop we build commercial bodies for deliveries, light or heavy, tool racks for oil field trade, and rebuild any kind of wrecked motor car, and guarantee it to be just as good as before the wreck.

We also have a complete upholstery shop, where we can re-upholster or make seat covers or anything that comes up in that line. And everything is right up to the minute.

In our paint shop we feature the latest color schemes to match the latest cars, and use only standard brands of paint, such as DePonte DUCO, Sherwin-Williams OPEX. In charge of that line we have Mr. R. C. Miller, formerly of Dallas and Amarillo, and I personally know him in that business for twelve years and know there is none better.

Mr. Miller will paint your car anyway you want it, any color you may want, at most any price you want, but he specializes in the better class of DUCO refinishing, which would have to be seen to be appreciated. Estimates are free, and cheerfully given.

We also carry in stock a large assortment of auto glass and are equipped to cut, grind and fit into your car any door or windshield glass.

Further we do welding and frame work, washing and greasing.

COME TO SEE US THE NEXT TIME YOU HAVE ANYTHING IN OUR LINE. VISITORS ARE ALWAYS WELCOME.

Respectfully
