## GRAY COUNTY FREE FAIR AUTHORIZED BY LOCAL B.C.D. OPERATORS ROYALTY COMPANY BRINGS IN BIG MOORE GUSHER

### WILDCAT HAS INCREASED TO HEAVY FLOW

Forty Barrels Hourly Is Record of No. 1 Jones

### STORAGE WILL BE NECESSARY

No Pipelines Available in New Pool

Telephoning The News from Dumas this morning, Tom Doswell of the Operators Royalty company announced bringing in of a rank wildcat it Moore county last night for a flow of gusher proportions.

This well, Jones No. 1, section 165, previously had been making 75 barrels daily and 25 million cubic feet of gas. But last night it was deepened to 3,385 feet, and a flow of 40 to 50 barrels an hour started, tearing the covers off the separators. It also is making an estimated 40 million cubic feet of gas.

Being about 15 miles northwest of the Skelly pool, it is without pipeline facilities, and a number of 5,000 barrel tanks were being loaded out today to handle the fast production. The sensational strike was heralded as one of the most important in the Panhandle in many months. It was made under the supervision of Mr. Doswell, who brought in some of Gray county's largest gushers and developed oil properties worth millions in a career that is one of the petroleum romances of the Pampa district.

### Orchestra Will Broadcast Over KGRS Tonight

The radio program to be given over KGRS this evening, beginning at 6:30 will be by the Pampa high school orchestra under the direction of Thomas Fannell.

Orchestra members who will take part in the program follow: Violins, Gay Fager, LaVerne Twiford, Violet Schaffer, Bob Wallace, Eleanor Frey, LaVerne Vickers, Burdette Keim, Bonnie Nell Gordon, Dorothy May Meers, Ruth Wakeman, Barbara Camp, Grace Dwyer; alto saxophone Gene Fathere, Isabel Stokes, Joe Kahl, Howard Noel; trumpet, Curtis Stark, Carl Jamison; horns, Vernon Lawrence, John Schofield; clarinet, LeFors Doucette, James McKee, Richard Montgomery; bass, Albert Doucette; drums, Tom Braly; piano, Wanda Barnard.

### Carnival Spirit to Reign Friday at Central High

The spirit of carnival will reign tomorrow night at Central gymnasium-auditorium, where side shows, concessions, freaks, and stunts will furnish entertainment and flying confetti and serpentine, the proper atmosphere.

Each class and organization of Central high school will have its own booth or side show. The carnival is being held under the auspices of the staff of the Harvester, high school year-book, and funds will be used in publishing the 1930 edition. Festivities will begin at 8 o'clock, according to announcement from Miss VeLora Reed, faculty director.

## Brown Heads Club

### Elected

By Fred's Studio  
M. K. Brown has been elected president of the Pampa Country club and will have direction of an expansion program.

### Building Plans Are Carried Near Completion

With the election of M. K. Brown as president and the appointment of several committees, plans for erection of a clubhouse by the Pampa Country club are nearing completion this week.

Approval of final plans and selection of the site may be made today, Mr. Brown said this morning. H. Otto Studer, who as president has directed much of the development of the \$15,000 property and golf course east of the city, has been retained in an official capacity as vice-president. C. P. Buckler and P. B. Carlson have been made joint secretaries so that the details in connection with the building project and general activities may be divided.

No more stock is for sale at present, pending report of the finance committee on stock and associate membership arrangements. The finance committee is composed of J. M. Dodson, J. E. Murfee, and Mr. Brown. Directors of the club are Mr. Murfee, Mr. Dodson, Clyde Pather, W. H. Curry, Mr. Brown, Mr. Studer, Mr. Carlson, Mr. Buckler, and Lynn Boyd.

Situated on an eminence overlooking the rugged nine-hole golf course, the clubhouse will be ideally situated both with respect to location on the course and adjacency to the city. A picture of the plans drawn by Kaufman & Son, architects, appeared in The News recently.

Golfing interest has increased to the point where it is the most popular outdoor sport of adults. On next Sunday 25 or more Pampa players will go to Panhandle to play an inter-city tournament. Local arrangements are in charge of W. H. Curry.

### Retires

By Fred's Studio  
H. Otto Studer, retiring president of the Pampa Country club, has been given the vice-presidency in token of past services.

### BIG PRESS IN OPERATION AT DAILY NEWS

The Pampa Daily News is now printed on one of the biggest and best presses in West Texas. A factory expert has been here for ten days installing the big machine in the brick addition to the building owned by The News on West Foster avenue.

This press will be used for the afternoon paper, and shortly to print The Pampa Morning Post, which will be the morning edition of The News. The economies of printing both morning and evening editions in one plant will be passed on to the advertisers who make daily publication possible.

The growth of The News has paralleled that of the growth of Pampa. There is hardly a piece of type or machine in use now that belonged to the plant of three years ago. Recent addition of the Office Supply department met a local need, and that division is being doubled in size to permit enlarging of the stock.

The job printing department likewise is being re-arranged and equipped with additional power machinery.

WASHINGTON, April 10. (AP)—The treasury and postoffice appropriation bill carrying the annual allotment of \$15,000,000 for prohibition enforcement was passed today by the senate.

Only one story will be erected at present but it will be so built that another may be added, and it is the plan of Mr. Stephenson to add another story later. The new home will be modern in every detail and arranged in the most approved manner.

The Stephenson funeral home was opened last fall, and the necessity for expansion prompted the decision to erect the new building. E. B. Sorrels is director and embalmer of the establishment. Carl Smith, who was with the funeral home for several months, resigned last week and moved to Amarillo.

### MOODY INVITES KOHLER TO SEE TEXAS LANDS

AUSTIN, April 10. (AP)—A letter from Governor Dan Moody to Governor Walter Kohler of Wisconsin asking Kohler to visit Texas to investigate land conditions was in the mails today.

### WORK IS TO BE BEGUN ON PLANS SOON

Vocational Staff of School Will Assist

### BRIGGS TO HAVE MAIN CHARGE

Activities of County Clubs Will Be Stressed

Starting of plans for a Gray county free fair has been authorized by the Pampa Board of City Development and it is expected that the large basement of the new city hall will be ready in time for use as the integral unit.

Manager George Briggs will direct local plans along the line of the fair he developed at Eastland a few years ago. This plan uses downtown buildings, and show windows if necessary. The work of the high school vocational agriculture department, headed by Prof. J. L. Lester, and that of the county agents will be emphasized in exhibits, awards, and the like. The entire county will participate, and boys' and girls' clubs from neighboring counties may be invited.

Since the Pampa fair was discontinued several years ago, no such effort has been attempted, but increasing attention to agriculture now makes a fair advantageous.

The B. C. D. has also announced a vocational agriculture stock judging contest to take place here May 3 and to be open to schools of a wide radius. The Central high school department and Prof. J. L. Lester will cooperate in the contests.

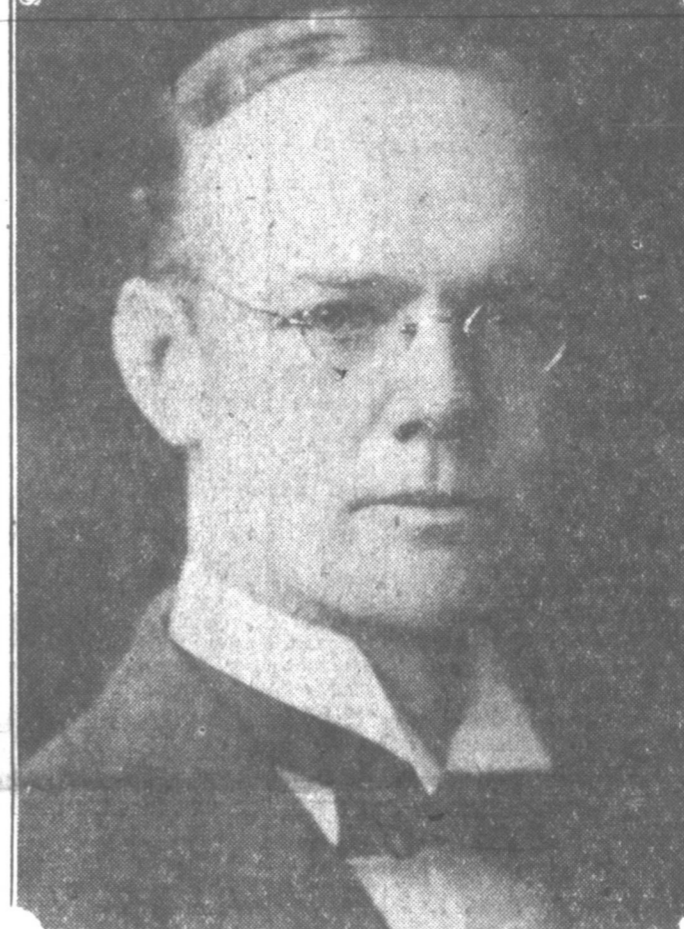

The judging will be in dairy, cattle and poultry. There will be both utility and American standard classes in poultry, and teams will be judged for work in both of these. The chickens will be taken to the B. C. D. auditorium in the morning, then at noon the boys and their instructors will be guests of the board at a luncheon. In the afternoon the group will go to a dairy farm for the rest of the judging. Jerseys and Holsteins will be used.

A loving cup will be offered for the winning team in both dairy cattle and poultry judging.

### Former Mayor Held

TULSA, Okla., April 10. (AP)—Accused as the leader of a whiskey ring which marketed in Tulsa large quantities of liquor, from Latimer county moonshine plants, P. M. Paul, 40, former mayor of Wilburton, Latimer county, was arrested today by police and held for federal authorities. Four other men are held as members of the ring.

### Local Man Appointed to Judgeship

District Attorney Clifford Braly yesterday was appointed by Governor Dan Moody to become the first presiding judge of the newly created 114th district court. He will take up his new duties at once, and a successor will be appointed to the attorneyship he vacates.

### NEW CIVIL DISTRICT COURT IN EFFECT—MANY CASES WILL NEVER BE BROUGHT TO TRIAL

### Light Opera to Be Given Soon as Student Event

CANYON, April 1. (AP)—The music department of the West Texas State Teachers college will give as one of its spring attractions Gilbert and Sullivan's "Iolanthe."

"Iolanthe" is one of the most attractive of the Gilbert and Sullivan list of operas. The production will be under the direction of Wallace Clark, head of the music department, and choruses and orchestra will be used.

The date for the production has not yet been set, but it will come shortly after the middle of April.

The mahogany tree does not attain its full height until it is 300 years old.

The first case filed in the recently created 114th district court is a suit for divorce. It was filed yesterday by Willis, Studer and Studer, local attorneys.

In the suit, J. H. Jackson is plaintiff and Lotia Jackson is defendant. The new court was created especially for the civil cases, although it will have general jurisdiction. Clifford Braly was appointed judge of the new court yesterday.

There are now over 500 civil cases on the docket of the 31st district court here. Yesterday, Judge W. R. Ewing ventured the guess that not over 25 per cent of them will ever be brought to trial. Most of them will either be settled out of court or will be dismissed on the plea of the plaintiff, he said.

"There's a great deal of bluff in this promiscuous filing of suits. Many of the cases have no real merit and the attorneys know it. They file them with the hope of scaring or bullying the defendant into a settlement. And sometimes a settlement is effected just to release the property from litigation. Many of these cases will be dismissed when they come to trial upon plea of the attorneys because they know the suits have no real merit."

"The new court was needed to get them off the docket. As it has been, an injustice was worked on all parties concerned, especially the defendants."

### JURY DELIBERATES IN CASE OF MIDLAND MAN

STANTON, April 10. (AP)—Report of the jury was awaited today in the case of King Reed, former police chief of Midland, charged with murder in the death of J. C. Holcombe, killed last July in a pistol duel on the streets of Midland.

The jury was sent to bed at 9:30 p. m. yesterday after deliberating three and a half hours. Arguments were heard yesterday after completion of testimony Tuesday.

Reed pleaded self-defense.

### GRAY COUNTY OIL IS HIKED UP TO \$1.40

End of Efforts to Cut Production Is Seen

### STANDARD IS BEHIND MOVE

Gasoline Market Is Now in Better Condition

NEW YORK, April 10. (AP)—Advances in crude oil prices in the Texas and Mid-Continent fields were announced today by the Standard Oil companies of New Jersey and New York, marking an end to the price cutting war against over-production begun in January.

HOUSTON, April 10. (AP)—Humble Oil and Refining company, effective today, advanced the price for crude oil in Texas and New Mexico.

The new price for Ranger, North Texas, Mexia, Powell, Boggy Creek, Richland Wortham, Lytton Springs, Currie, Moran, and Nacona crudes 34 to 34.9 gravity is \$1.29, increasing three and one half cents a degree up to 44 and above, making the top price \$1.57, with differential below 34 gravity five cents a degree, making bottom price below 25 gravity 72 cents.

For Gray county crude the new price for 34 to 34.9 gravity is advanced from 99 cents to \$1.05 1-2, with five cents a degree differential below 34 gravity, making bottom price below 29 gravity 75 1-2 cents, observing a differential of 3 1-2 cents a degree of gravity from 34 to 44 and above, making the top price \$1.40 1-2.

For Carson and Hutchinson counties crude prices were advanced from 84 to 92 1-2 to 34 to 34.9 gravity with five cents differential below 34 gravity, making the bottom price below 32 gravity 77 1-2 cents and increasing 3 1-2 cents a degree from 34 to 44 and above, making the top price 44 and above \$1.27 1-2.

Postings for Wheeler county were discontinued.

"The advance posted is made possible by the improvement in the relationship between supplies of crude and refined products and the market demand therefore and by the improvement in the wholesale market for gasoline."

TULSA, Okla., April 10. (AP)—The Carter Oil company, subsidiary of the Standard Oil company of New Jersey, today announced an advance in the price of Oklahoma and Kansas crude oils. The increase averages 10 cents a barrel on higher grades and more on lower gravities.

The Carter company's new top price is \$1.57 a barrel for oil testing 44 degrees gravity and above, an increase of 13 cents a barrel. For each degree of gravity down to 32 degrees baume, quoted at \$1.15 a barrel, there is a 3 1-2 cents a barrel differential. Below 32 gravity the differential is five cents for each degree down to 25 gravity crude and below, which is priced at 80 cents a barrel.

THE DANGERS OF FANATICISM

To enunciate principles generally accepted is easy, but to adopt steps that will properly tend to advocate those principles is quite another thing.

Fanaticism cannot succeed by merely espousing a good cause. Illogical deductions, unproven claims, far-fetched conclusions cannot advance a cause, but tend to obstruct it.

The Amarillo News, after having been told of Pampa's attitude toward her activities, broke faith by printing this week an interview in which some more of her claims were made.

If the reader is in favor of donating the local reformer for an Amarillo "clean up", it is suggested that this editorial be clipped and sent to the Amarillo News.

SPRING CLEANING—AND FIRES

The aroma of burning grass, weeds, and trash is pleasing to the nostrils and to civic pride. However, the clean-up drives annually cause many costly fires, it is pointed out by J. W. DeWeese, state fire insurance commissioner, in a letter to The News.

Panhandle winds quickly uncover live coals poorly covered, and carry them to inflammable materials. Carelessness will result in many needless fire runs, if not much damage also.

The fire commissioner also states that there are many fires in vacant houses. These usually are hard to explain, and are usually referred to as incendiary.

Every person having an insurance policy helps to pay the loss sustained in every fire, for upon the fire are based the rate which he pays.

Talks To Parents

BY ALICE JUDSON FEALE

Patience is one of those old-fashioned virtues which, for parents at least, can never be out of model.

From the time children learn to crawl until they have passed the painful stage of adolescence their demands upon our patience never cease.

The model mother knows that patience in the nursery is more than an abstract, ethical duty; it is her contribution to her child's development.

Unless she is patient of his first awkward effort to pull on his shoes, to turn the water taps, to carry his chair, she knows that she is obstructing his growth and standing in the way of his learning.

Empire Area Now Has Five Tests

Rapid development of the Empire area in Carson county is now under way despite proration, talk and lack of storage facilities.

The two tests started by McIlroy brothers a short distance from the discovery well, are now drilling a round 2,500 feet in the lime. Standardization is scheduled to take place in the next few days.

The Empire today started drilling of an offset to one of the McIlroy wells. A well is being drilled by Phillips Petroleum company. Shamrock Oil and Gas company is drilling another well.

In all, six wells are being sunk as rapidly as possible. Their completion will necessitate the drilling of over a half-dozen offsets, providing, of course, that the wells now drilling turn out to be producers.

Record Number Are to Attend History Session

CANYON, April 10.—Two hundred and fifty people, according to officers of the Panhandle-Plains Historical society, are expected to be present at the annual dinner of the organization, which will be held the evening of April 11 at the West Texas State Teachers college.

Attendance at the other meetings of the day, including the opening meeting at 11 a. m., and the business meeting at 2:30 in the afternoon, is also expected to be large.

Interesting features of the dinner to be held Friday night are the table decorations, which will be objects from the Panhandle Plains Historical society museum, and the wood-block folders which enclose the program.

The people who will be drawn together for this occasion by their common interest in the history of this section, are coming from widely scattered points. Requests for reservations have already been received from Austin, Fort Worth, Claude, Amarillo, Pampa, Canadian, Hereford, Dimmitt, Romero, Plainview, Abilene, Midland, McLean, Groom, Channing, and Camargo, Okla.

Durant Dealer Opens Showroom and Office Here

The Hill Motor company, Durant dealers, are announcing today the opening of their showroom in Pampa. Both S. E. Hill, manager, and C. C. Robinson, sales manager, have had years of experience in selling automobiles and are enthusiastic about the new models of Durant which they are showing.

The company will be located in the Saunders building, corner of Ballard and Kingsmill, formerly occupied by the Saunders Motor company. A complete line of Durants will be shown, including both the three and four-speed cars. The new cars have been designed and built since the new executives took charge of the company last year.

### Bandits Finally Paid Small Sum of Ransom Money

OKLAHOMA CITY, April 10. (AP)—Details of the capture of J. E. Bristow, Oklahoma and Texas oil man, released for ransom paid his bandit captors Wednesday, were given for the first time in a copyrighted dispatch to the Oklahoma City Times today from its staff correspondent, Merle Blakely. The newspaperman's story, obtained soon after Bristow, son of the oil man, had greeted his father in an adobe house in Ahuacatlan, Nayarit, where messengers who made the ransom deal with Cruz Delgado, bandit chieftain, delivered the captive, follows in part:

"Bristow left Tepic on March 5 with an interpreter and three peons. He was clad in overalls, was shaven and well kept. He was in high spirits, with prospect of a fortune in zinc lying before him.

"The party penetrated into the Caracol mountains. On the fourth day they were accosted by two almost naked peons, armed and spitting out Mexican threats, and soon thereafter were captured by one of the large Viva La Christo groups of outlaws. He was told that he would be held for ransom, with death the penalty for default.

Bristow wrote the ransom message, and it was delivered to Tepic by Charles Fields, the American interpreter. Before Bristow left for the wilderness he had entered into a 'treaty' with the Christeros group. He was not to be molested provided he opened the zinc mine and gave employment for some of the Christeros. Apparently treaties with the Christeros are regarded as scraps of paper, especially if the benefits accrue to only one group of the far flung tribe.

"I felt on the second day out of Tepic that I couldn't depend on the Christeros, but I thought I could buy them off," Bristow told us.

"Several days passed after the capture and Bristow was not harmed. Eight of the bandits stayed constantly with him while four others spent most of the time away,

sometimes acting as outposts, and sometimes as foragers, riding into mountain towns for food. Meanwhile, the group pushed into the mountains, Bristow mounted on a donkey.

"There is a touch of comedy in the ransom bargaining. Delgado first demanded 30,000 pesos (615,000). When the soldiers pushed their pursuit, he raised the ante to 40,000 pesos. Obie had the money and was prepared to pay it, but his scouts were shrewder, apparently, than the bandit chieftain, and Delgado finally accepted 3,000 pesos and called it quits.

"After the money was paid, Bristow was turned over to Obie's ransom scouts. From the desolate sides of the volcano where he had been held captive, they led him in the dead of night into Ahuacatlan. They pounded on the door of the hotel where Obie and his two American comrades waited, but could not raise any one. There is a cowshed flush against the door of the hotel and all the hammering in the world apparently doesn't awaken those within.

"There were no bellhops, and we couldn't get in, but the place looked like heaven just the same," Bristow said when he told us the story.

"Falling at the hotel, the released captive wandered down the deserted street. He beat on the door of an adobe hut, and they let him in. Fortunately, the Mexican was friendly. Bristow slept there from 3 o'clock until 7, when they were awakened and went to get him.

"I shall never forget the picture of that reunion. Obie, captain of the University of Oklahoma football team in 1922, towered over the wasted form of his father like a giant over a dwarf. No words were spoken, but Obie's eyes said 'Father,' and Bristow's eyes said 'Son!'

## Noted Speakers Will Have Place at Federation Convention in City

### Fifty Members of Two Borger Lodges Entertained Here

Pampa lodges of the Loyal Order of Moose and Women of Mooseheart Legion entertained fifty members of the Borger lodges last evening. An initiation service for five candidates of the Pampa lodge of Loyal Order of Moose was held. In the meantime, the women of the party were entertained at the home of Mrs. E. B. Stephenson.

### Members of Junior Epworth Society To Attend Easter Party

An Easter party featuring an egg hunt, a ball game, and a variety of outdoor games and stunts will be given Saturday afternoon for all members of the Junior Epworth society of the First Methodist church at the country home of Mr. and Mrs. Chris Baer.

The party is to be the first of a series of monthly social events sponsored by the recreation director of the society, Mrs. J. G. Stroup. All boys and girls who are members of the organization are cordially invited to attend. They are to meet at the church at 2 o'clock. Transportation will be furnished from there to the Baer home.

Mrs. Stroup will be assisted in entertaining by Mrs. Thomas Brubham, Mrs. Joe Shelton, and Mrs. W. R. Campbell, who are directors of the several types of work done by the Junior Epworth society.

### Old-Fashioned Square Dance Is Feature of Barn Dance Wednesday

Pampa camp of Modern Woodmen entertained last evening with a barn dance at a barn on the Borger highway. An old-fashioned square dance, "called" and directed by Wm. Vandiver, was an interesting feature of the entertainment. Mr. Vandiver, E. W. Shannon, and Al Smith were sponsors of the dance. The string band of the lodge furnished music.

### Luncheon Given for Contest Winners of Methodist W. M. S.

Circle 3 of the Methodist Women's Missionary society was entertained yesterday at a 1 o'clock luncheon in the home of Mrs. W. Purviance, with the weekly program following, and other units of the W. M. S. held regular meetings for study.

Members of Circle 1 met at the home of Mrs. L. N. Maddox. Mrs. J. G. Stroup conducted the devotional, after which the final chapter of "What Next in Home Missions" was presented in a program directed by Mrs. George H. Wallace. Mrs. J. G. Noel and Mrs. Maddox assisted in presenting the topic.

Other members present were: Mrs. W. R. Presnell, Mrs. Henry Thut, Jr., Mrs. Wm. Castleberry, Mrs. L. M. Guyer, Mrs. Chris Baer, and Mrs. Baker.

"The New Crusade" was the subject of the program at a meeting of Circle 2. Mrs. M. A. Graham was leader, and her assistants were Mrs. T. L. Certain, Mrs. J. G. Burgess, Mrs. J. L. Van Pelt, and Mrs. Fred Cary. A prayer by Mrs. C. T. Nicholson opened the study.

The meeting was held at Mrs. Bourland's home, with the following members present: Mrs. Joe Hodge, Mrs. R. G. Harrell, Mrs. Edwin Vickers, Mrs. A. S. Beavers, Mrs. O. H. Booth, and those appearing on the program. Mrs. Floyd Senior and Mrs. Frank Murray were visitors.

Mrs. W. Purviance, president of the entire W. M. S., gave the luncheon at her home in compliment to the winners of a recent contest among the four circles. Easter baskets filled with mints and potted wax tulips were charming notes in luncheon table appointments, and further accent was lent by the pastel tinted papers which completed the decorations.

Mrs. Thomas Brabham and Mrs. Frank L. Elliott were special guests. Members of Circle 3 who attended were: Mrs. H. F. Barnhart, Mrs. O. W. Ferguson, Mrs. Lee Harrah, Mrs. R. W. Lane, Mrs. W. H. Peters, Mrs. Joe Shelton, Mrs. J. M. Turner, Mrs. Wohlgenuth, Mrs. W. R. Campbell, Mrs. W. R. Ewing, and Mrs. W. F. Campbell, the latter two being new members.

A program on "Getters and Spenders" was given during the afternoon, with Mrs. W. R. Campbell in charge. Mrs. R. W. Lane assisted in presenting the topic. Mrs. Lee Harrah gave a talk on "The Cost of Following Christ." A hymn "My Jesus I Love Thee," and a prayer by Mrs. Purviance completed the lesson.

Mrs. Roy Tinsley was director of the program at Circle Four's meeting at the church. Mrs. Thomas Brabham and Mrs. Albert Wood took part. Other members present were: Mrs. George Walstad, Mrs. P. Lee Hill, Mrs. C. C. Dodd, Mrs. Price, Mrs. Nels Walberg, Mrs. Smith, and Mrs. Carson.

TERRELL NURSERY CO. Corner Francis and Cuyler streets, will close out yard, Friday, April 11. Special prices on every thing Friday. 2-year roses, 6 for \$1. All other shrubbery in proportion. Fruit trees and shade trees at sacrifice prices. J. L. MARTIN.

## Pampa Branch of A. A. U. W. Represented by President at Biennial Sectional Meeting

Mrs. C. T. Hunkapillar, president of the Pampa branch of the American Association of University Women and the College club, is in Wichita, Kans., to represent the local branch at the biennial convention of the Southwest Central section of A. A. U. W., which opens today and continues through Saturday.

An inter-state meeting in which the interests of Texas, Oklahoma, Kansas, Arkansas, and Missouri, the sectional convention is next of importance to the national meeting. State and branch officers attend the biennial conference assured of being able to return to their organizations with an increased knowledge of the local, state, sectional, national, and international activities of the A. A. U. W., and with valuable ideas for furthering the service of their own groups in many lines. Mrs. Hunkapillar was chosen for the honor of representing her branch at the recent election of officers which marked the completion of her second successful term in the office of executive.

The Hotel Lassen is official headquarters for the convention. State and national officers and distinguished speakers are scheduled to appear on the three-day program. Among the topics to be discussed by speakers and in round-tables are educational legislation, the sectional and million dollar fellowship funds, educational programs, international relations, and such phases of local activity as publicity, ways and means, and membership.

State meetings and round-tables according to the size of the branches will be instructive features, according to the convention prospectus. A Texas breakfast, a luncheon each day, and dinners are among the social functions. The appearance of Thurlow Luceance, famous composer of Indian music, in a program of his own arrangement is to be the outstanding interest of the final luncheon.

The Pampa branch of A. A. U. W. and the College club have on display at the convention and exhibit representing the activities and the achievements of the organization in the last two years. Miss Roy Riley and Miss Wilms Chapman, local secretary, arranged the exhibit of reports and placards. Pampa, moreover, is represented on the sectional map by a gold star indicative of a donation to both the sectional and million dollar fellowships of the A. A. U. W.

Women's Auxiliary of Presbyterian Church Receives New Members

Mrs. George W. Briggs, Bible study leader of the Women's auxiliary of the Presbyterian church, presented an interesting lesson from the Book of Kings at an auxiliary session yesterday afternoon. Mrs. P. M. Foster's home.

Mrs. A. A. Hyde gave an excellent report on the recent annual sessions of the Amarillo Presbyterian at Tulsa, where Mrs. Hyde, Mrs. Jim White, Mrs. P. C. Ledrick, and Mrs. George W. Briggs represented the local organization.

Mrs. F. C. Workman was co-hostess. Visitors at the meeting were Mrs. T. J. Conditine of Amarillo, Mrs. M. Quinn, and Mrs. Preston Briggs. Mrs. I. E. Kullman and Mrs. F. G. Curtis were received into the membership.

Others present were: Mrs. W. W. Merlen, Mrs. J. E. Corcoran, Mrs. Charles Mullen, Mrs. T. M. Sweatman, Mrs. W. P. Vincent, Mrs. E. M. Butler, Mrs. J. M. McDonald, Mrs. Jim White, Mrs. Tom Clayton, Mrs. H. P. Lash, Mrs. T. D. Hoebart, Mrs. D. W. Canfield, Mrs. V. E. Fatheree, Mrs. Clifford Braly, Mrs. C. H. Todd, Mrs. G. J. Cotton, Mrs. Dave Pope, Mrs. A. A. Hyde, Mrs. George Briggs, and Mrs. P. C. Ledrick.

### Miss Erdine Dreyer Complimented With Two Informal Affairs

Miss Erdine Dreyer of Dallas and Chicago, who is visiting friends in the city, was the honoree of two of the week's most enjoyable social affairs. Mrs. Alex Schneider, Jr., honored her home guest Tuesday afternoon with a party in her suite at the Schneider hotel, and at noon yesterday, Mrs. Roy Tinsley entertained with a luncheon for eight at the Schneider, in compliment to Miss Dreyer.

Guests at Mrs. Schneider's informal party spent the afternoon hours in sewing. A buffet luncheon was served in the suite. The following attended: Mrs. C. C. Dodd, Mrs. M. A. Graham, Mrs. George Cill, Mrs. C. B. Barnard, Mrs. Charles Housen, Mrs. N. A. Helstead, Mrs. Roy Tinsley, Mrs. Nels Walberg, Mrs. A. Smith, Mrs. G. G. Rainpouard, Mrs. Lena Schneider, and the honoree.

Mrs. Tinsley's guests at luncheon were: Mrs. John V. Andrews, Mrs. C. C. Dodd, Mrs. M. A. Graham, Mrs. M. A. Graham, Mrs. B. E. Finley, Mrs. Nels Walberg, Mrs. Alex Schneider, Jr., and Miss Dreyer.

### HE'S ONLY 3 BUT HIS ARM IS ACCURATE

CHICAGO, April 10. (P)—Joe Birmingham is the champion three-year-old rock thrower of Chicago and points west.

Joe threw a rock through a window of Mrs. Louise Bolak's house. Mrs. Bolak didn't know Little Joe did it. She thought it was Big Joe, the father, and she had him arrested. When he told Judge John Lupton that his little three-year-old had done the throwing, Mrs. Bolak

said the baby couldn't even lift the stone, let alone heave it. "Bring in the offspring," said Judge Lupton, "and we shall see." The baby toddled in, walked over to the rock (which was Exhibit A), picked it up and hauled it to his ear. He was aiming at a particularly attractive window pane at the rear of the court room.

"Case dismissed," said the court hurriedly, "and somebody grab that rock!"

### Girl Student Accident Victim

DENTON, April 10. (P)—Miss Augusta Capps, 24, daughter of Mr. and Mrs. J. N. Capps of Celina and a student at the Teachers college here, died today of injuries suffered in an automobile accident on the Fort Worth highway near here yesterday.

Mrs. J. L. Watson of Denton, also a student at the college, received a fractured skull in the accident, caused by the car's skidding in loose gravel as the women were returning from Center Point, where they had served as practice teachers.

# GREAT TEXAS LEAGUE SEASON IS INDICATED BY OPENINGS

## CROWD SETS NEW RECORD IN CAT CITY

BY GAYLE TALBOT, JR. (Associated Press Sports Writer)

If opening day bouts were any indication as to what is to come, the Texas league is in for a fine, large campaign. There were at least one near fist fight, a record-smashing attendance in one city, and four lively skirmishes.

More than 16,000 fans, the greatest number ever to attend an opener in the circuit, packed LaGrave field at Fort Worth yesterday to watch Manager Jake Atz's Dallas Steers pound out a 7 to 5 verdict. Frank Snyder, catcher-manager of the Panthers, and Atz almost came to blows in the middle of the diamond in the eighth inning, the opening run in what promises to be a glorious feud between the two pilots.

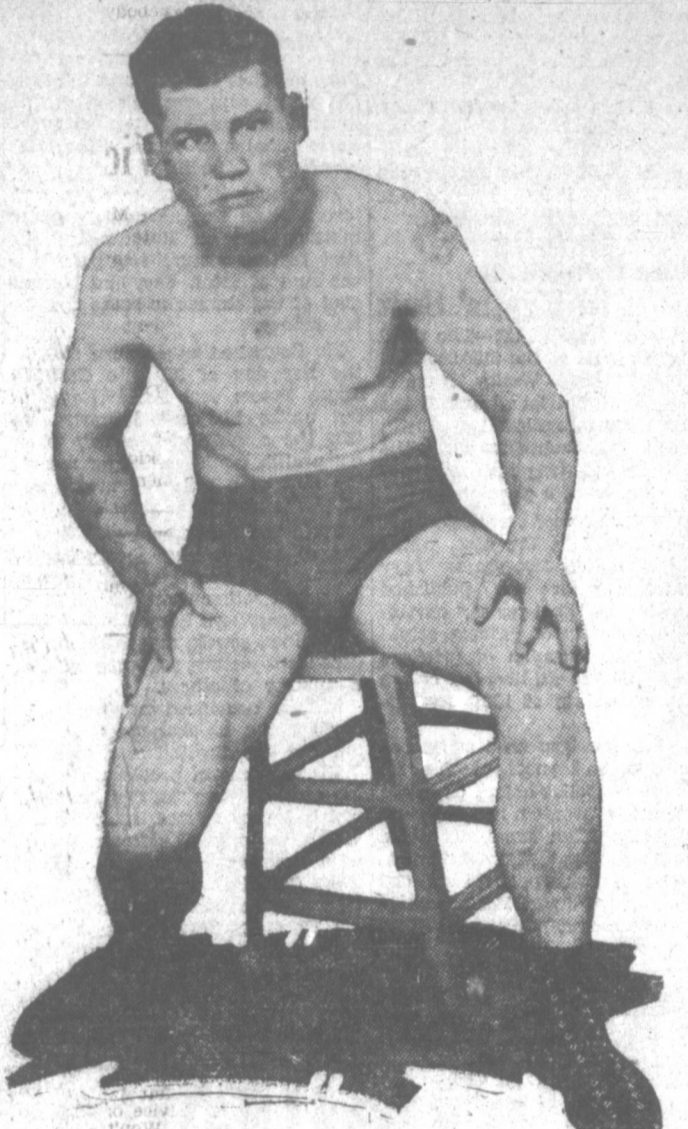

The Houston Buffs, ranked next to the Cats as favorite in the current race, lived up to expectations by trimming the San Antonio Indians, 7 to 4, in the Alamo city. Some 7,500 fans saw Floyd Rose, Buff righthander, set the Indians down with four hits.

The Wichita Falls Spudders generally regarded as a weak entry, sprang the greatest upset by thumping Shreveport, 12 to 4, at Wichita Falls. Hal Witte, veteran southpaw, had the visitors at his mercy, holding them to one blow until the ninth inning, when he weakened. Crouch, Spud catcher, gained the honor of clotting the season's first homer in the second inning. Williamson was his victim. The crowd was estimated at 7,000.

Del Baker began his managerial career in auspicious fashion as Beaumont nosed out the Waco Cubs 4 to 3, sending some 7,000 customers home happy. Moleworth, new Cub shortstop, poled a homer in the ninth to tie the score, but the Shippers came right back to sew it up on Billy Mullens' double, his second of the game. Old Joe Munson cracked three hits for Waco.

Of the inaugural tilts, that at Fort Worth easily was the thriller. Apparently hopelessly licked after the Steers had piled up a seven-run lead off four assorted sluggers, the Cats came back to score five times in the last three frames and drive Dave Danforth from the hill in the ninth. The tying and winning runs were on base when Lammox Cox, pinch hitter, bounded to the infield for the final out.

## Will He Throw Kopecky Tonight?

Otis Clingman (above) will try to snatch the junior middleweight belt from Joe Kopecky tonight at 8:30 o'clock at the Pla-Mor auditorium. Fans are expecting the best and perhaps the roughest match of the season. In the semi-final event, Dutch Betke and Rob Roy will maul each other for 30 minutes.

## Kopecky Wants New Referee and Wants Sheriff Off Front Seats

Joe Kopecky, wily grappler from the "sticks" has picked up a lot of acumen in his tours over the American countryside.

For instance he has deduced that Otis Clingman is by all odds the most popular local favorite Pampa ever had. And he has surmised that when there is rough stuff, such as he likes to employ, the referee is prone to interfere in behalf of the favorite. The fans, too, like their wrestling scientific.

Joe has heard a lot about the match of last week, and he very much dislikes the idea of the fans and the sheriff assisting the referee. He said so today. He suggested that unless there was a change of referee there would be no match.

He added that he would prefer that the sheriff not occupy the front row. That would make him nervous, he thinks. Joe is known as an orator, but it is not believed that he is bluffing this time. Clingman, his opponent, said that the match would be held. He said he needed no local assistance, although he appreciated the rooting. The third man in the ring may not be known until the match opens, since Joe will have to pass on the arbiter in person.

## Baseball Chief Wanted in Albany

ALBANY, Ga., April 10. (P)—W. H. McGoldrick, president of the Georgia Independent Baseball league, was held in jail here today for authorities of Beaumont, Texas, who advised they held a felony warrant for him.

Taken into custody with McGoldrick was Beatrice Blankenship, who, police said, had been living with him as his wife in an Albany hotel. The couple was married yesterday after being arrested.

A telegram received by Chief of Police C. Ray, of Albany, from Sheriff W. W. Coving, of Jefferson county, Texas, did not reveal the nature of the charges against McGoldrick.

McGoldrick came here about a month ago supposedly from Montgomery, Ala., and organized a baseball league of eight clubs, including teams from Albany, Americus, Cuthbert, Dawson, Sylvester, Moultrie, Tifton and Blakely.

McGoldrick said he would waive extradition to Texas.

## Supply House Is Damaged by Fire Yesterday

Damage done by fire to cable pipe, the platform and the rear of the Hercules company on South Cuyler yesterday afternoon was estimated at \$2,000 this morning by officials of the company.

A high wind rapidly fanned flames from a trash can to the platform, which was blazing when the fire department arrived. Steel cable and pipe on the platform were damaged. The cause of the fire has not yet been determined but it is believed that it started from a can of trash at the rear of the building.

The flames were quickly extinguished by the fire department. It was the first fire of any consequence that has occurred here this year.

## Hot Winds Are Damaging Crops

KANSAS CITY, April 10. (P)—Mid summer temperatures, accompanied by hot dry winds, have combined with an unusually dry spring to menace seriously farm crops of the southwest.

General forecasts of possible showers and cooler weather today, however, offered some relief to agriculturists of Kansas, Missouri, Oklahoma and Texas. Unless moisture is received soon considerable crop damage is certain to result.

Yesterday the thermometers registered 95 degrees at Salina, Kans., Tulsa and Oklahoma city reported maximum readings of 90 degrees and Dallas, 88 degrees.

## Van Well Gushes

TYLER, April 10. (P)—The twenty-first producer in the Van oil field came in today for an estimated daily flow of 10,000 barrels from a depth of 2,860 feet. The well was drilled by the Pure Oil company near the center of the town. The producer shot oil over a 90-foot derrick, after it was swabbed three times.

## BASEBALL IS BETTER THAN SINCE WAR

CHICAGO, April 10. (P)—Major league baseball, slightly groggy since the world war depleted its ranks and interrupted its annual supply of young talent, has recovered from its shock and will boom louder than ever during the next five years, President Ernest Barnard of the American League predicted today.

"I'll frankly admit that the class of major league baseball since the world war hasn't been equal to that displayed in the years between 1905 and 1918," President Barnard said. "But we have caught up now, and, despite the attractions of golf links and football fields, sports lovers will again realize that baseball is the great national game."

"So disastrous was the war and its after effects that major or minor league clubs had difficulty obtaining high class players at any price. The war took young men's minds off the game, and we lost at least 100 finished players. But that's all past now. We are getting faster and better players; the game has been speeded up to its former class, and we are destined to have tighter pennant races from now on. Baseball will come into its own once more."

President Barnard is optimistic over the prospects of a tight flag race in the American league this year and expects the loop to draw over 5,000,000 spectators for the first time since 1925.

## Latin Contest Will Be Held at Texas Tech

LUBBOCK, April 10. (P)—Seventy-five contestants from twelve schools will take part in the Latin tournament of the Northwest Texas district which will be held at the Lubbock high school April 11. Ten prizes will be offered, including one for the best essay for each year in high school.

Registration for the contest will be held at the entrance of the senior high school building Friday morning, April 11, from 9 until 10 o'clock, followed by a general assembly in the auditorium. Latin teachers are to meet from 10:30 until 11:30 and the contests will begin at 1. They will continue until 4.

A Roman banquet will be given at 7:30 o'clock at a local hotel by the Latin club of Texas Technological college. Dr. Paul W. Horn, president of the college, will be the principal speaker on the program. The subject of his address will be "Sidelights on Virgil." Dean J. M. Gordon will speak on "What the Study of Virgil Means to the College Student."

## HERE'S PROOF

THIS is to certify that I was diagnosed as having cancer of the stomach by three up-to-the-minute physicians, before I was brought to a chiropractors office by Uncle Frank and Aunt Mary Cope. I was hardly able to sit up at that time, and had lost 47 pounds. I had a Radiologic analysis which verified the diagnosis of the other doctors.

With the Copes' aid I purchased a card of Radiologic Vibrations—that being Armistic Day, 1929. Today—March 15, 1930—I have gained 32 pounds, can work hard every day, and feel good all the time. I was too sore to be adjusted for the first few weeks, so I just took the Radiologic alone for the first three weeks. I was dismissed today—and I can do a man's work and feel good all the time.

I can highly recommend the Radiologic and Chiropractic.

## Stonewall, Okla. Bank Held Up

STONEWALL, Okla., April 10. (P)—Three men robbed the First State bank here of about \$1,500 today and escaped after shutting two bank employees in the safe.

It was the second time in two years the bank had been robbed. The last time the robbers got \$3,300, and never were captured.

F. L. Gibson, cashier, and E. L. Salle, assistant cashier, were alone when the robbers entered.

"We didn't know what was up until they had pistols in our ribs," Salle said. "They scooped up the money and pushed us into the safe. We stayed there just a few seconds, but when we got out, they were speeding southward."

The robbers were described as about 25 years old. All wore overalls.

## Dedication of Flag Is Observed

Dedication of the American flag given by the American Legion auxiliary to West Ward school took place Tuesday afternoon on the campus of West Ward.

Mrs. Willard E. Taylor, president of the auxiliary, was in charge of the dedicatory service. The colors were presented by W. A. Crawford, representative of the Kerley-Crossman post of the American Legion.

A silent prayer of thirty seconds was said in tribute to America's heroic dead. Mrs. W. P. Vincent, auxiliary chaplain, offered a prayer. "The Star Spangled Banner" and "America" were sung by the assembly. Supt. R. B. Fisher made the address of the occasion.

Miss Josephine Thomas, principal of West Ward, today expressed the

## Texas Net Man Will Enter Big Time Tourneys

AUSTIN, April 10. (P)—Berkeley Bell, tennis star of the University of Texas and national intercollegiate champion, will leave Austin tomorrow for Pinehurst, N. C., and White Sulphur Springs, West Virginia, to participate in the Davis Cup eliminations at the request of the Davis Cup committee.

Regarded last year as one of the finest court stars ever produced in collegiate competition, Bell has improved his game this season and has consistently won all his matches, recently defeating Johnny van Rye of Princeton.

If Bell is successful in the elimination, he will leave school in order to be in constant practice with the Davis Cup team.

Wilder Allison of Austin, former University of Texas star, also is a candidate for a position on the Davis Cup team and is ranked as one of the leading contenders.

## Grimes Comes to Terms With Boston Braves

BOSTON, April 10. (P)—Burling Grimes, right-handed ace of the Pirates' pitching staff for two years, today was a member of the Boston Braves. Percy Lee Jones and a "large cash consideration" were given by Boston in exchange.

Grimes, one of the few remaining spitball pitchers in the big leagues, came to terms with President Emil Fuchs after he had been a Pirate holdout all spring. His demands for a \$20,000 salary and a two-year contract were not met by the Pittsburgh club officials.

Fuchs said the payment was the second largest ever given by the Braves for a ballplayer. Two years ago he declared he gave the New York Giants \$100,000 for Rogers Hornsby, whom he later traded to the Chicago Cubs.

## Newly Married Man Is Victim of Insane Men

SAN ANTONIO, April 10. (P)—With the abdomen ripped open and filled with rocks to weight it down, the body of J. W. Bradshaw, bridegroom of a month, was found in the Guadalupe river near Waring, 40 miles from San Antonio, today. One eye had been shot out.

The body was brought to the surface with grappling hooks used by a searching party headed by Sheriffs Alfonso Newton of Bexar county and Ed Bierschwale of Kendall county.

Homier Edwards and Ernest Young escaped patients from the state hospital, were held in the Kendall county jail at Boern where they were taken following their arrest here. Although they were charged with the crime, their insanity status will preclude prosecution for murder. Both were adjudged insane having been convicted of robbery and theft.

Bradshaw's body, nude and horribly mutilated, was found in shallow water on the Infall farm about two miles from Waring.

Sheriff Bierschwale and his deputy, Otto Karger, who were leading the searching party, first found Bradshaw's clothing, rolled up in a small clump of bushes. Several yards distant, Karger came upon a blood-smeared piece of tin.

Peering into the clear waters of the stream, he and Bierschwale saw the body. Bradshaw had been shot over the left eye. The abdomen had been slit, apparently with a piece of tin, and had been stuffed with large rocks to keep it from floating.

Edwards and Young stared unemotionally as the body was dragged from the water and denied they committed the crime.

Finding of the body resulted from a statement to police by Mrs. Bradshaw that she and her husband had been taken to the Infall farm about midnight by the two men. They had forced her to wait in the car while they took her husband toward the river. When they returned, they told her they had given her husband a beating.

## Rowing Races Tomorrow

SEATTLE, Wash., April 10. (P)—The annual battle for Pacific Coast rowing supremacy will be waged on Lake Washington here tomorrow between California and Washington with bitterly contested races predicted in all three events—varsity, junior-varsity and freshman.

Perfect rowing weather—sunshine and gentle breeze—was forecast by the weather bureau.

**A Real Submarine Wedding**

"Happy the bride that the sun shines on", says the old adage—but what chance has the sun when the wedding is performed under water? That's what happened at the Los Angeles National Boat Show, when Katie Wilson and J. F. Gutrick were married 10 feet under water, with the Rev. Sheldon Shepard officiating. Bride, groom and minister were diving helmets equipped with microphones, as shown in this picture, taken by a submarine cameraman. However, as the inset indicates, they had to come to the surface and remove their helmets to get in a satisfactory wedding kiss.

**Wickersham Is Criticized Upon Church Position**

WASHINGTON, April 10. (AP)—The connection of George W. Wickersham, chairman of the Hoover law enforcement commission, with international banking affairs while head of the foreign policy committee of the federal council of churches was termed an "indefensible position" today by Chairman Caraway of the senate lobby committee.  
 Senator Blaine, Republican, Wisconsin, after Caraway's sharp comment on the law enforcement chairman, asked how Wickersham qualified as an officer of the council of churches.  
 "I suppose because he is active in international business," Tinkham answered.  
 He added that he understood Wickersham had quit his post with the council some months ago.  
 The Massachusetts representative had testified the council, "largely through propaganda," had attempted to influence both foreign and domestic policies of the government. He said it interested itself in the naval building programs, the League of Nations, war debts, compulsory military training in high schools and colleges, United States and Japanese relations extraterritorially in China and a number of other foreign affairs.

**Body of Man Is Found in Channel**

CORPUS CHRISTI, April 10. (AP)—Officers today investigated the death of a man whose body was taken from the ship channel near the turning basin last night. He was partially identified as Charles Ateley of San Antonio.  
 Physicians who examined the body said marks indicated the man might have been dead when he struck the water. The possibility the man took his own life because of despondency was considered.  
 A man seen with the victim a short time before the body was found was sought for questioning.

**Griffin Asks Rehearing**

AUSTIN, April 10. (AP)—Gordon Griffin, contesting the election of Judge J. E. Leslie to the district judgeship of Hidalgo county, filed a motion for a rehearing in the supreme court today, the court having dismissed the suit brought by Griffin to enjoin Mrs. Jane Y. McCullum, secretary of state, from canvassing returns of the election.  
 Griffin's rehearing motion requested that the case be withdrawn from the commission of appeals, to whom it was referred by the supreme court.

**Liverpool Wheat Higher**  
 CHICAGO, April 10. (AP)—Big trading and higher prices in wheat were the rule today. Bullish aspects of the government crop report, upturns at Liverpool and continued drought over domestic wheat territory were incentives to buyers, who, however, encountered heavy selling on indications of showers southwest.  
 Opening 5-8 to 2 1-4 up, wheat fluctuated nervously within the initial range. Corn and oats also had an upward trend, with corn holding around 1-2 to 1 up. Provisions declined.

**Virginia Students Are Much Excited**

CHARLOTTESVILLE, Va., April 10. (AP)—University of Virginia students today were in a state of high excitement following a riot last night in protest at increased admission prices at two theatres.  
 Two students were in the university hospital, dozens of others were nursing head wounds inflicted by police night sticks, and at least one policeman was suffering from manhandling. Nearly a thousand students participated in the disturbances.  
 Although the actual riot was dispersed with a plea for arbitration by President Edwin A. Alderman, of the university, hundreds of students continued to mill about the town long after midnight.

**Television With Telephone Shown**

NEW YORK, April 10. (AP)—Application of television to the telephone making it possible for the persons engaged in conversation to see each other was a demonstrated fact today.  
 Apparatus developed in the laboratories of the American Telephone and Telegraph company was used yesterday in a series of experiments over a two and one-half mile telephone circuit between 195 Broadway on Lower Manhattan and the Bell laboratories on West street, in Greenwich village.  
 The engineers explained that distance was not a determining factor in the use of the equipment and that it was applicable to radio as well as wire circuits.  
 The device was housed in a small compartment resembling a telephone booth. The speaker seated himself in a chair before a small glass screen. The television equipment was hidden from view, and there was no sign of the ordinary telephone instrument.  
 A beam of mild blue light played on the face of the speaker. As the voice of the person at the other end of the line was heard, his image, about a foot square, appeared on the glass screen, showing sharp and clear.  
 In place of a telephone instrument the television equipment employed a microphone and a small loud speaker similar to those used in radio transmission, so that the speaker's face was in full view.  
 The beam of blue light was reflected from the face to the photoelectric cell, or "radio eyes." Improvement in the apparatus since the first experiments with television three years ago made the use of strong light unnecessary. One of the improvements was increased sensitivity of the photoelectric cells.  
 Officials of the A. T. and T. said they saw little immediate prospect of commercial use for television in electrical communication.

 The Duchess came here yesterday from Croydon, having previously arrived by light airplane from her home in Bedfordshire.  
 Two men are accompanying her, a pilot, Captain Barnard, and a co-pilot, Robert Little. They will share the controls with her during the flight of 18,500 miles. The plane is her own monoplane, "The Spider."

**Little Progress in Evans' Suit**

DALLAS, April 10. (AP)—The third day of the trial of the \$150,000 libel suit of Dr. Hiram Wesley Evans of Washington, imperial wizard of the Ku Klux Klan, against the Austin American, approached its end without any move having been made toward selection of a jury.  
 Lawyers continued seemingly endless arguments in the case, which has been pending five years. They discussed whether the published statement was "libel per se," obviating the necessity of proving actual damages, the question of privilege and whether the old libel law or the liberalized statute of 1927 was applicable.  
 The suit was based on a statement included in the keynote speech of M. M. Crane of Dallas before the state Democratic convention in 1924, when the Ku Klux Klan was a vital issue in Texas politics. Mrs. Miriam A. Ferguson, bitter opponent of the Klan, defeated Judge Felix Robertson for the nomination and later was elected.

**Movie Pioneer in Crescent Picture**

A real pioneer of motion pictures, Irving Cummings, directed "Cameo Kirby," Fox Movietone romantic musical drama, which will be the Saturday attraction at the Crescent theatre.  
 Cummings made his first debut before a camera at the age of 21, just 21 years ago in New York. He appeared in the first half-reel picture, the first one-reel and the first five-reeler, and was starred in the longest and probably the most famous serial ever made, "The Diamond From the Sky."  
 He "doubled" between stage and screen for a time, being a popular matinee idol on Broadway. His first feature picture role paid him the sum of \$10 a day, and he was glad of the chance to make the extra money.  
 He flourished as a screen star in the hey day of Maurice Costello, House Peters and King Baggott, but unlike his contemporaries, he saw the coming of the day when his profile would no longer resent. He made that of a collar-and model and sought a chance to direct.  
 Producers refused to give him a chance with a megaphone, insisting that his place was in front of a camera rather than behind it. So he mortgaged his home, hecked Mrs. Cummings's jewels, and made an independent picture, following up with a number of others.  
 Having convinced producers he could direct, he abandoned producing and has directed ever since.  
 His best known previous all-talking pictures were "In Old Arizona," which he completed after Raoul Walsh, the original director, suffered a serious accident, and "Behind That Curtain," both of which attracted widespread attention.

**Coolidge Won't Run**  
 WASHINGTON, April 10. (AP)—Former president Calvin Coolidge, in a copyrighted article in the May issue of Hearst's International and Cosmopolitan, writes that he has no intention of returning to public life on prohibiting a House vote on the tariff. The former president gives his views on prohibition, the tariff, playing the market, the suggestion that he run for senator, the talk of another term and "minding one's own business."  
 "When I left Washington, I left public office," Mr. Coolidge says. "It is an incomprehensible relief, and I have no intention of returning to it."

**Agree On Rates**  
 WASHINGTON, April 10. (AP)—With only a few exceptions the congressional tariff bill conferees today agreed to the higher senate rates on farm products.  
 Reserving decision on the controversial Cuban raw sugar and tobacco levies, the senate and house groups adjusted the tariff differences completing action on about half of the agricultural schedule.  
 A compromise rate of \$2.50 a ton on cane was agreed upon. The present rate of \$1 had been raised by the house to \$3 and by the senate to \$2.

Murder. Backstairs

BEGIN HERE TODAY

DORIS Matthews, lady's maid, is murdered Friday night after 11:30 in a summerhouse on the Berkeley estate, by a blow with a heavy perfume flask, presented to MRS. BERKELEY by SEYMOUR CROSBY. The body, rock-weighted and tied with CLORINDA BERKELEY'S scarf, is taken from the lake Saturday morning by DETECTIVE BONNIE DUNDEE, who summons CAPTAIN STRAWN.

MEMBERS OF HOUSEHOLD: (all under suspicion) Mr. and Mrs. George Berkeley, who have quarreled late Friday night over Clorinda's engagement to Crosby, close friend of the social secretary, MRS. LAMBERT; GIGI BERKELEY, who sprinkled all persons in drawing room Friday night with perfume from the murder flask, later placed in Mrs. Berkeley's bathroom by WICKETT; butler; DICK BERKELEY, who after having been missing all night turns up while his mother is accusing EUGENE ARNOLD, chauffeur, engaged to Doris, of having murdered Doris and Dick out of jealousy.

Mrs. Berkeley is forced to admit she slapped Doris while the maid was dressing her for dinner because Doris said she used too much perfume; admits also she instructed Doris to wait up for her but says Doris was not in her rooms when she (Mrs. Berkeley) went up to bed at 11:40. Roused print of Doris's mouth on bathroom mirror proves girl was there and that a struggle took place.

Clorinda Berkeley admits seeing Doris just before 11; says Doris wore no rings then; says Doris did not tell her she had an appointment to meet Dick Berkeley; is finally forced to admit she did not go to bed but stole out of the house for a walk about the grounds about 11. Strawn asks if she was alone on the walk.

NOW GO ON WITH THE STORY CHAPTER XXI

"Certainly I was alone!" Clorinda Berkeley answered emphatically. Gigi's convulsive grip on Dundee's left hand loosened slightly. "You didn't take advantage of the opportunity to enjoy a lovers' stroll with your future husband, Mr. Seymour Crosby?" Strawn suggested. "I have told you I was alone, but allow me to correct you. Mr. Crosby is not my future husband!" "Whoops, dearie!" Gigi shouted gleefully. "I was betting you would."

"Haven't you ever read any detective stories? They always accuse everybody, whether they think they're guilty or not."

Dundee's knees again. Strawn and Dundee exchanged glances before the chief resumed.

"How near to the summerhouse did you pass, Miss Clorinda, on your way to the house?"

"Quite near. Within 20 feet of it, I should say," she answered coolly. "I walked across the grass almost to the back door, since that was a shorter route than to go clear to the summerhouse and strike the cement walk there."

"Did you see or hear anything happening in the summerhouse?"

"Nothing!"

"You heard no scream, at any time during your walk?"

"No! Nothing, I tell you!"

"No splash of anything being dumped into the water?" Strawn persisted.

"I tell you I heard nothing!" Clorinda retorted angrily.

"But did you smell something when you got near to the summerhouse?"

"I presume you mean the perfume," Clorinda said coldly. "You seem to know so much, I am sure you are already aware that my sister sprinkled Fleur d'Amour upon every person who was in the drawing room last night. Since dry dress is reeking with the stuff, of course I smelled it. I did not notice a stronger odor near the summerhouse, if that is what you mean."

"Why did you splash that perfume around, young woman?" Captain Strawn turned sternly to Gigi.

"You may call me Gigi. Everyone does," she grinned engagingly. "I don't like this 'young woman' stuff as much as I thought I would. —But you have asked me an embarrassing question. Guess you'll have to get out your old handcuffs, because—I'm not going to tell you!"

"Gigi did that foolish stunt for the same reason she does almost everything else," Clorinda enlightened them coldly. "She adores being noticed, and her chief sport is to annoy mother."

"And I thought I was making the plot so thick it would curdle," Gigi murmured, but Dundee saw the smile she had flashed at her sister, and he knew there was gratitude in it—

"Is there any way you could fix the time you returned to the house, Miss Clorinda?" Strawn persisted.

"I don't think so—No, wait! I remember winding my watch when I was undressing for bed. At that time it was 10 minutes after 12. I had then been in the house about five or six minutes, I think."

"Did you see your scarf when you let yourself in by the back door?"

"No, but I had forgotten all about the back hall, however, as there is in the front hall, and I feel sure that I should have seen it if it had been there."

"Did you, on your way out or on your return, observe a letter or note lying on the back hall table?" Strawn asked suddenly.

"A note?—No. I don't think I even glanced toward the table."

"Now, Miss Clorinda, when you returned to your room, which stairs did you take?"

"The back stairs. When I reached the second floor landing I listened, heard nothing, and then tiptoed to my room."

"Why did you tiptoe?"

"I was afraid mother might have discovered my absence, and that she was listening for my return. On

my way out, I heard her voice from the library, and knew she and father were having another session over my engagement to Mr. Crosby. That was one reason I took the walk. I knew they would be quarreling about it again, and I was in no mood for another scene. I stayed out till I felt fairly sure mother would be asleep, unless she had discovered my absence and was watching for me."

"And did you see your mother after your return?"

"No. I saw no one, and heard not the faintest sound. I thought I was safe," she said wearily.

"You thought you had committed your murder and got away with it, eh?" Strawn asked softly.

"I? You're being absurd!" she cried angrily. "Why should I, of all people, kill Doris Matthews, the most lovable, faithful, inoffensive—"

"Tears choked her voice for the first time during the grueling interview.

"Darling Clorinda!" Gigi sprang to her sister's side and dropped on her knees, cuddling the slim, white hands against her tanned cheeks. "Haven't you ever read any detective stories, precious? They always accuse everybody, whether they think they are guilty or not. Don't mind, sweet! Gigi won't let them bother you any more!"

"Says you?" Strawn grinned.

"Yeah, says I?" Gigi blustered, shaking her fist at him.

"Nevertheless, and notwithstanding, Miss Clorinda, I am going to ask you to take us to your room now."

"Why?" Clorinda gasped, snatching her hand from Gigi's, and dabbing furiously at her eyes.

"Oh, just for a look around," Strawn assured her amiably.

"I'm coming, too!" Gigi cried passionately, springing to her feet and drawing Clorinda from the couch.

And go she did, flying ahead of the others on the stairs. When they caught up with her she was standing in the opened door of her sister's room, which was on the east side of the house, next to Mrs. Berkeley's sitting room. She backed in, to make way for the two detectives and her sister.

"Well?" Clorinda was almost calm again, and very haughty over the invasion of her beautiful, tastefully furnished bedroom.

"Your shoes, first," Strawn suggested amiably. "The ones you wore on your walk last night. Also the cape and the dress."

Clorinda jerked open the door to an immense closet-dressing room, snatched up the things he wanted and flung them at the chief of the homicide squad.

He caught one of the little gold slippers and held the sole of it to his nose, while his eyes watched the blood drain from Clorinda Berkeley's beautiful face.

MACK THINKS GROVE WILL HAVE ANOTHER FINE YEAR RUTH NOW HAS LEG MAN

NEW YORK, April 10. (AP)—Robert Moses Grove, the Athletics' left-handed speed merchant, is due for a big season this year, in the opinion of Manager Mack. He declares Lefty's fastball is faster than ever.

"Why, it gives me a sore arm just to see him shoot that fast ball," Mack said, as his ace warmed up for a bout with the Phillies in the Philadelphia city series.

"One of the biggest satisfactions of my baseball life is that I bought Grove for the Athletics. We certainly would be up against it if he was with an opposing team."

The Yankees are putting into practice John Heydler's 10-man plan, but not in the way the National league president had intended. Instead of a batter taking the place of the pitcher at the plate, the Yanks are sending in a runner for the mighty Babe Ruth. The "home run king," his right leg still heavily bandaged with tape, appeared in the New York line-up yesterday, hobbling around in the outfield and facing the Nashville pitcher five times. He walked three times and scored two runs that Bill Karlen, a rookie, carried over the plate.

The Detroit Tigers and the Toronto International league club today made Terre Haute, Ind., their last stop on their barnstorming journey to the home park at Detroit where the Tigers will conclude their one-season play with games tomorrow and Sunday. The Tigers made a post showing against Toronto at Evanston yesterday, going down 6 to 10 in the first game lost this spring by the two recent 1-1-1ers, Herrick and Wyatt.

Al Eckert, southpaw hurler from Peoria, Ill., is going to have another opportunity to show his wares before Dan Howley, manager of Cincinnati decides what to do with him. Howley plans to start him against Cleveland at Cincinnati in one of two games scheduled there Saturday and Sunday.

Percy Jones, southpaw pitcher obtained by Pittsburgh from the Boston Braves in exchange for Burleigh Grimes, spitball holdout, and a bundle of cash, will report to Manager Jewel Ems at New Orleans today.

### Moody's Pencil Falls Heavily on Money Measures

AUSTIN, April 10. (AP)—Governor Moody today had cleared his desk of bills left by the fifth called session of the 41st legislature. He made a clean sweep of those pending, paring the emergency appropriation bill by \$200,000, reducing its total to a little more than \$1,000,000 and vetoing outright four other bills. The time limit fixed by the constitution for the chief executive to act on bills left by the special session expired last night at midnight.

The governor disapproved of the bills levying a tax of two cents per bale on cotton to pay salaries of scale inspectors to be supervised by the agricultural department, amendments to the law levying occupation taxes on itinerant peddlers and circuses; increasing salaries of district judges in Bexar, Tarrant, Dallas, and Harris counties, and reorganizing the 51st and 35th judicial districts and creating the 115th judicial district to be composed of the counties of Coleman, Runnels, Tom Green, Coke and Concho.

Among the items undisturbed in the emergency appropriation was the \$150,000 to be used in purchasing business property adjacent to the Alamo in San Antonio, where Davy Crockett and his men perished in the stand against Santa Anna and his army.

He disapproved of the appropriation of unexpended funds created by the levy of a tax against the oil industry to meet expenses of the oil and gas division of the railroad commission for the purpose of paying the cost of enforcing the new pipeline regulatory law passed by the legislature on request of independent oil operators.

The governor left intact allotments to the colleges and schools for summer schools and contingencies.

### Export Debenture Plan Is Urged by Senator Borah

WASHINGTON, April 10. (AP)—Senator Borah of Idaho is ready to go on the "stump" in behalf of the export debenture principle of farm relief which the senate coalition has placed in the tariff bill over the protest of President Hoover.

The Idahoan, whose oratorical power was unleashed in the 1923 campaign in behalf of Mr. Hoover, will speak tomorrow night at Martinsburg, West Virginia, at a meeting of the fruit exchange in one of the first public addresses he has delivered since the presidential campaign.

The export debenture plan of farm relief over which he and the president broke in the early days of the Hoover administration will be the theme of his address. This provision is now a part of the tariff bill, which is in the hands of the senate and house.

Asked if he intended going to the country in behalf of this farm relief principle, Senator Borah replied, "I certainly will discuss it in my speeches hereafter if it is not kept in the tariff measure."

### "Jake" Scare Cuts "Drunks" to New Minimum

Where are the drunks of yesterday? Yes, where are they? That's what Chief J. I. Downs and the sheriff's department want to know. In the last month they have declined to a minimum.

In February and in preceding months of the last year, county and city officers arrested on an average of six per day. During the first ten days of April the county and city averaged arresting only one and one-half drunks per day; and the city has arrested 10 and the county five.

Deputy Herman Wachtendorf has a most logical explanation. Says he: "They are scared of 'jake leg.' They don't drink any more so they don't drink anything."

Chief Downs said, "Herman's right. They're scared of 'jake leg,' and since five out of six persons we arrest for intoxication get drunk on 'jake,' you can see why there aren't many drunks any more. When they won't drink 'jake,' they have to go without their liquor because they can't buy whiskey."

### Radio Listeners Will Be Asked Ideas on Programs

DALLAS, April 10. (AP)—Radio inspectors in Texas planned today to begin a survey among radio listeners in the state as a part of the federal radio commission's effort to learn what listeners think of the country's broadcasting stations.

Theodore G. Deller, inspector for South Texas and Louisiana, L. J. Dutrieu, inspector for West Texas, New Mexico and Oklahoma, announced yesterday the census would seek opinions of listeners as to whether they favor regional stations whether they rely on cleared channels and whether they wish the number of cleared channels increased.

The survey also will seek data on which stations are heard best in daytime and at night, distances served by day and night and comparative efficiency of radio stations in summer and winter, as well as data on the popularity of high power stations and the attitude toward chain programs and radio advertising.

### Gulf Gunners Take 15-7 Win Over Machinists

The Gulf Guns turned into cannons yesterday afternoon and shot out a 15 to 7 victory over the Jones-Everett Machinists on the Gulf Diamond.

The Gunners insist that it was a ragged game, daubed with countless amateur errors. Hickey, Gun shortstop made the only feature play of the game.

The Gulf boys batted around in first and second inning. Pope, Gun centerfielder, hit the only home run of the game. Dillon for Gulf

### Eight Convicts Still at Large

HUNTSVILLE, April 10. (AP)—Eight convicts who escaped from the Eastham prison farm, near here, by prying boards from the flooring, remained at liberty today. They had been held in solitary confinement. Three posers with bloodhounds pursued them after their escape was discovered yesterday.

The men were: William Graham, four years for burglary from Cameron county; Ralph Fuitts, two years for burglary and theft from Dallas county; Earl Stears, 10 years for robbery from Hemphill county; Bert Green, six years for burglary from Uvalde county; Milton Wilson, four years for theft; from Kaufman county; Pagan Knight, 10 years for burglary and theft from Collin county, and Sam Bees, seven years from Harris county for robbery with firearms.

### Revival Interest Is Well Sustained at Local Church

At the Christian church last night another fine audience heard a most interesting and soundly scriptural sermon showing why everybody should be a Christian. Evangelist O'Malley makes no compromise of the gospel nor does he try to fit his message to the whims of people, but faithfully he "preaches the truth, in love" as the Bible requires.

His message last night presented many most urgent considerations for intelligent persons everywhere turning to Christ. The certainty that we are all going somewhere; that we cannot abide here; that we must spend the eternal ages at home with God, or out from heaven's blessings and joys; the further thought that life here is very uncertain; that time is fleeting, and that we know not the day nor the hour when death shall call, should appeal for decision of every soul to get right with God by faith in Christ and obedience to His gospel.

Again the preacher emphasized that because of influence upon others each should become a Christian, there is no time to lose; everyone should surrender himself to the Lord and then win others. Gratitude and appreciation of what God has done for us demands our love and loyal service to Him. There is only one fair answer when God calls us, and that is to give ourselves to Him to be used by Him as instruments to work out His will for the world.

Everybody should become a Christian, for thereby he is assured of forgiveness of sins. No other religion can give such assurance; to be without Christ is to be without hope. There is no hymn of hope in any book of praise or worship that can give comfort to one who has not accepted Christ. Nor is there a text in the Bible that

give comfort and sustaining grace to the soul that has not by heart faith and true repentance and confession and obedience come under the saving blood of Christ. "The Salvation Is in Christ Jesus," says the true word of God. "There is no other name under heaven given among men wherein we must be saved." Acts 4:12. "To as many as received Him, to them gave He the right to become sons of God." John 1:12.

The religion of Christ prepares men for death, gives standing before the throne of God, and gives promise of eternal life and joy upon the other shore.

An earnest appeal was made for persons to become Christians now, without delay, so as to make sure of the great salvation in Christ.

The sermon subject tonight at 8 o'clock is "The Successful Failure," giving the case of a man who was a success at everything, but the one great, eternally important thing, Hear it.—Contributed.

### Fisherman Is Missing

DALLAS, April 10. (AP)—Searchers continued today their efforts to locate the body of George Murray, 60, whose fishing boat was found yesterday anchored in White Rock Lake. His automobile was parked on the shore nearby. Lights of the car were focused on the boat. Searchers worked until late last night in motor boats on the lake, grappling for the body without success.

### Lieut. Maitland Is Badly Hurt

SAN ANTONIO, April 10. (AP)—First Lieut. Lester J. Maitland, who commanded the first airplane to fly from the Pacific coast to Hawaii, today was in an army hospital here suffering from a crushed chest and cuts on the face, the result of an accident in which his automobile was struck by a bus.

The accident occurred yesterday a few hours after his wife, Mrs. Ruth Thurston Maitland, was granted a divorce at Las Vegas, Nevada. She charged nagging and other mental cruelties. The Maitlands have one child, five years old. Maitland was driving near Kelly field, where the aviator has been stationed since December, 1929.

He gained fame in 1928 when he flew to Hawaii in an army plane, accompanied by Lieut. Albert Hegeberger. Before the flight across the Pacific ocean the aviator was stationed at McCook field, Dayton, Ohio. He is 32 years old.

### Mrs. Armstrong Is Golf Favorite

EL PASO, April 10. (AP)—Mrs. O. R. Armstrong was a strong favorite today to win the women's Southwestern association golf championship.

Yesterday she broke the El Paso Country club course record, which she previously established at 79, by shooting a 78. She defeated Mrs. F. B. Townsend, Phoenix, Ariz., 6 to 5 in her first round match.

Mrs. J. M. Williams, Phoenix, was back on her game and shot 81 to defeat Mrs. Barry Goldwater, Phoenix, 3 to 1, although she turned in 90 in the qualifying round Tuesday.
