'SOUTHERN CROSS' LANDS SAFELY

PAMPA
TOPICS OF OUR CITY
By G.E.H.

"That's gold in these here prairies."

Thought: Large or small, a city is usually known by the type of leaders it develops.

In these days of hot weather, when those who wish vacations but cannot take them are giving way to temperamental outbursts, the least of which are frowns, a real cheering summer smile is something of a rare "find." Or is it?

The Pampa is a staunch defender of Panhandle weather, and he believes that there are still smiles in Pampa—warm, contagious smiles and genuinely happy expressions. The question is, however, who has the happiest summer expression in Pampa business circles? Nominations are in order, and in the next few days reporters for The News are going to make mental notes and receive nominations for the distinction to be given some citizen for having the "happiest summer countenance."

So, folks of Pampa, pack up your troubles, throw them on the garbage wagon, and smile for The News. There is going to be a "smile diploma" and a \$5 prize for the person adjudged by investigators for The News to have the most inspiring, pleasing, and spontaneous summer smile. The judges' names will be kept secret, so that the nominees will not be self-conscious while they are being observed. Both men and women are eligible, providing they are part of the Pampa business circle. So get before a mirror and practice your best smile. Or, if you you cannot smile, call The News and enter a secret nomination for someone whose smile has pleased you. "There are smiles—"

Evidence of steady Gray county growth as well as sensational educational advancement in the oil zones, appear in school census figures. Common school districts of the county, according to records of John B. Hesse, county superintendent, had 501 scholastics in 1929 and 756 in 1930—an increase of 255, or 50.9 per cent.

Pampa schools had 2,028 scholastics in 1929 and 2,905 in 1930—an increase of 877, or 43.2 per cent. LeFors had only 273 pupils in 1929, but had jumped to 696 in 1930 for an increase of 423, or 155 per cent. McLean had 635 scholastics in 1929 and 620 in 1930, or a loss of 15 pupils and 2.4 per cent. Alameda decreased from 169 in 1929 to 156 in 1930, losing 13 pupils, or 8 per cent. The last two towns, however, are believed to have missed a number of pupils, and it is certain that fall enrollment will give them net increases. The entire county had 3,908 scholastics in 1929 and 5,133 in 1930, for an increase of 1,225, or 31.3 per cent—Wheeler county's claim of 18 per cent increase is thus laid in the shade.

TWINKLES

When you have surplus cotton you cannot eat it and styles forbid wearing much of it, but we can all of it the wheat we like, providing our calorie facilities permit.

The game warden says that fish are plentiful. Yeah, and will be now complete the record by taking a mosquito census. This word mosquito by the way, means "little fly" in Spanish, but the Spaniard who prefixed the "little" had never seen the Panhandle breed of insect.

Sure, we still wish to get letters and postcards from vacationers. We are not so enthusiastic, however, about the fellow who wired us a few days ago for a "ten-spot to get home on."

Underbush isn't so popular with the afternoon newspaper folk now. The man was born "for the morning."

Killed While Hunting
BROWNWOOD, June 25. (P)—T. R. Kennedy, 46, of Brownwood, was accidentally killed yesterday while hunting rabbits on his ranch near Gouldsburg, Coleman county. The gun evidently was discharged while Kennedy was climbing through a fence, the report said. His body was found by a son.

FEDERAL AGENT AMBUSHED BORGER VOTES NEW CHARTER

NEW REGIME WILL TAKE UP CIVIC DUTIES

Present Commission
Resigns After
Election

MILLER LIKELY TO BE MAYOR

Vote for Change Is
532 to 331 on
Tuesday

BORGER, June 25. (Special)—City officials appointed under the direction of Governor Moody's representatives during martial law were automatically removed from office yesterday when residents of this strife-torn city adopted a new charter by a vote of 532 to 331.

John R. Miller, first mayor of Borger, who resigned in 1927 after Rangers were sent here, was elected a member of the city commission. Other commissioners elected were A. C. Keith, Henry Knight, J. C. Carroll, and D. B. Doupbrate. A mayor was to be chosen by the new commissioners today, and it was believed that Miller would be named.

The vote for commissioners: A. C. Keith, 565; Henry Knight, 520; J. C. Carroll, 467; D. B. Doupbrate, 455; John R. Miller, 401; Dr. J. W. Head, 348; A. R. Avery, 273; Jack Barnett, 177.

Governor Moody's appointees were Mayor W. A. Henderson and Commissioners Dyke Cullum and Moe Steinberg. These men tendered their resignation today, and it was expected that the new commissioners would take office tonight. The name of Glen Pace, former mayor, was mentioned for city manager under the new form of government.

The campaign that preceded the voting was bitter. District Attorney Clem Calhoun Monday night in an open air political speech urged that "the old gang" not be placed back in office. Although it had been reported that Calhoun would say the town would again be placed under martial law if the new charter was adopted, he did not make the statement publicly during the campaign.

Calhoun, a candidate for district attorney in the 83rd judicial district he now serves, had intimated that he would stay in the race to which he was "drafted" should the charter be adopted.

Caterpillars of New Type Are Moving in 'Army'

TONOPAH, Nev., June 25. (P)—Destroying all vegetation as they go, green-bodied caterpillars with a saw-like tail today were advancing like an army between Luning and Mina, Nev. The tall tufts of greasewood and sagebrush, and locomotion is provided by fifteen legs on either side resembling the centipede.

Farm experts say they never heard of such a visitor before. One motorist who drove through the "army" asserted it stretched 75 miles and was advancing with incredible speed. Where the pest originated is a mystery.

New Gusher at Van
DALLAS, June 25. (P)—The sixty-eighth well in the Van field near Tyler came in yesterday at an estimated 60,000 barrels daily—the largest in the field. It is the R. V. White No. 1 Pure Oil company two and a half miles northeast of Van and the discovery well and came in at 2,850 feet.

JEFF MEADOWS OF WHITE DEER NOT EXPECTED TO SURVIVE BAD BURNS SUFFERED EARLY TUESDAY

Clothing Fired by Packfire of Engine Used
in Pumping Gasoline—Employed
by Pampa Firm

Badly burned yesterday when his gasoline saturated clothing became ignited through backfiring of an engine, Jeff Meadows of White Deer was not expected to survive, it was stated at St. Anthony's hospital today.

Mr. Meadows, 34 years old, was in charge of the White Deer Motor company and was pumping a carload of gasoline at the time of the accident yesterday morning. He entered the engine room and started the motor, which backfired, and sparks from the motor ignited his clothing. His belt and one shoe were entirely burned off. A box of aspirin in his pocket was burned to a crisp, and a \$1 bill was imprinted on the box of aspirin. He inhaled some of the flames.

JACK CARLTON DIES OF BURNS SUFFERED WHEN GASOLINE USED IN BATH IGNITED AT OIL CAMP

After a week of intense suffering in which he improved one day and grew worse the next, Jack Carlton, 30, died in McKean & Connor hospital yesterday afternoon of burns suffered in a gasoline fire at the Gulf Production company's No. 5 Jackson lease on June 17.

Carlton and B. J. Swofford had become greasy and almost covered with oil while working on the well, and they were taking a gasoline bath in the bath house on the lease before an open hot water heater. Carlton had finished wiping gasoline off Swofford's body when heat or flames from the hot water ignited the gasoline. Carlton leaped out of the bath house, his body in flames, and started running toward a nearby tank but he realized he would probably burn to death before he reached the tank and he flung himself to the sandy ground he to his friends in the hospital, later. The flames were extinguished when he rolled in the sand.

Both Swofford and Carlton were rushed to McKean & Connor hospital. Swofford was not burned as badly as Carlton, and hospital attendants say that he will recover. Carlton improved until Monday. He had been working for the Gulf Production company here for the last year, chiefly as a roustabout.

The body will be sent to Hoyt, Okla., for burial today by G. C. Malone funeral home, which has charge of arrangements. Carlton had no surviving relatives here, but he was well-known and had many friends.

Carlton's body was badly charred and hospital attendants marveled at the tenacity with which he clung to life. He was never unconscious except just before he died, when he sank into a coma.

The No. 5 Jackson is in the Bowens pool.

OFFICER HIT BY BULLET IN BORDER FIGHT

Robert W. Kelsey Is
Not Expected to
Live

LIQUOR MOVE IS DISCOVERED

Assailant Is Believed
to Have Been
Wounded

LAREDO, June 25. (P)—Ambushed in chaparral brush within the city limits early today, Robert W. (Red) Kelsey, United States border patrolman, was critically wounded in the first feud between federal officers and smugglers here this year. Doctors said there was little chance for Kelsey to live.

A jagged trail of blood which led 20 feet to the Rio Grande gave evidence that Kelsey at least wounded the man in the battle. Fellow patrolmen believed Kelsey's assailant had tumbled into the river mortally wounded.

Though a steel jacket bullet from a .45-caliber revolver penetrated his left side puncturing his intestines five times, Kelsey battled the band of smugglers until it was dispersed. Near the scene, five sacks of Mexican liquor, a .45-caliber revolver that had been emptied, and a 25-caliber automatic were found.

Edward M. Brown, who was with Kelsey, escaped uninjured. Brown said the smugglers opened fire first and the first bullet hit Kelsey. Acting on a tip that a consignment of contraband would be placed on the American side of the river, Kelsey and Brown stationed themselves at the point.

Kelsey was climbing a small hill going toward the river when a man about 10 feet away raised his hand and opened fire.

The wounded man is one of the best-known of the senior border patrol, having been in the service five years. He came here from Gainesville.

DENTON, June 25. (P)—Robert W. Kelsey, critically wounded by gun runners at Laredo today, was well-known in this section as a baseball and football player. He played football and baseball with the Denton High school teams and later the Denton Teachers' college.

He was rated as one of the best half-backs either school ever had. After leaving school, he played semi-professional baseball for a time.

Kelsey's wounding was the second tragedy in the family in six months, his brother, E. E. Kelsey, and wife, having been found shot to death at Eastland last December 6.

His father, B. F. Kelsey, and brother, Fred Kelsey left for Laredo today.

Commended

—By Fred's Studio
Frank Thomas, Pampa Legionnaire, was commended officially yesterday at Amarillo in the Veterans of Foreign Wars convention for effective work in behalf of Texas veterans. Pampa made a hot race for the next convention, which was awarded to Houston.

Veto Now Expected
WASHINGTON, June 25. (P)—Without a record vote, the house today concurred in the senate amendments to the Johnson work for veterans relief bill. It now goes to President Hoover and an immediate veto is expected.

Wheat Average Better Than Predicted—Total of 404 Carloads Shipped from Pampa and Nearby Stations

A careful check of grain shipments, made by The News today, revealed that a total of 404 cars of wheat have been shipped out of the Pampa territory this season. This figure includes 156 cars from Pampa, 103 cars from Laketon, 70 cars from Hoover, and 75 cars from Kingsmill. Shipments from Heaton are included in the Pampa total. In the case of one elevator, Kingsmill shipments were also included in the Pampa total.

Wheat growers and grain dealers in all parts of the county today reported that the wheat crop is better than it was thought to be a week ago. The average yield in the Laketon community will be about 18 bushels per acre. Wheat in that section is producing 10 to 30 bushels per acre, while some fields are yielding 35 bushels to the acre. The wheat being brought to the elevators at Laketon is testing around 67 and

Science's New Mechanical Man

Here's Rastus, newest of mechanical men, exhibited by his co-inventors, Dr. Phillips Thomas, right, and S. M. Kitner, left, at the National Electric Light Association convention in San Francisco, who can do almost everything except shoot craps. Demonstrating the principle of light control of photo-electric cells, Rastus takes his commands from a flashlight beam and actually moves and talks. His vocabulary consists of six words.

SUPPORTERS OF CLINT SMALL TO BE ORGANIZED INTO CLUB— STRENGTH HERE CONCEDED

Judge Newton P. Willis was elected president of the Small-for-Governor club here this afternoon, and Mel Davis was elected secretary. Directors named were C. H. Walker, Jim Williams and W. A. Bratton.

Local political leaders were gathered in the district court room as The News went to press today, and organization of a Small-for-Governor club was to be carried out.

Judge Newton P. Willis was speaking to a small but enthusiastic group. Formation of the Small club here had been contemplated for several weeks, and it was expected that the club would enroll hundreds of members. While most of the candidates concede Senator Small's strength here by reason of his great service to residents of this county, it was desired that evidence of this approval shall be made demonstrable through a club.

Miss Pearl Wilson Gets Fine Radio

Miss Pearl Wilson, 314 North Ballard street, last night was awarded the fine Majestic radio by the Diamond Shop.

More than 1,000 persons attended the final event of the formal opening of the Diamond Shop, and raised the total who had seen the fine new store to many thousands.

Reds To Try Lights

CINCINNATI, June 25. (P)—The Cincinnati Reds will have the experience of playing night baseball. President Well will have a lighting system installed at Peoria, Ill., the Reds' farm, and the team will play an exhibition game there the night of July 30.

Fine Pottery to Be Exhibited and Sold by Library

An exhibit of fine pottery recently secured by the Pampa Library association for a showing in Pampa will be on display Friday and Saturday of this week, it was announced today by Mrs. George H. Wallace, chairman of the library's finance committee.

Wade Duncan has donated a show window of Wade's Variety store for the exhibit. With the exhibit at that central point and busy intersection, it is expected that hundreds will view it.

Plastic figures will be shown with the pottery. Local people who have seen the collection describe it as being of unusual beauty and interest.

As sponsor of the exhibit the library association will receive twenty per cent of the proceeds from the sales in Pampa on the two days of the exhibit and for several months to follow. The fund will be used, of course, in the maintenance of the public library.

Lions Will Elect Officers Thursday

The annual election of officers will be held by the Lions club tomorrow. Nominations were made several weeks ago.

The club is changing its meeting place to the First Baptist church, where ladies of the church will serve the luncheons. Meetings have been held here for several months at the Methodist church basement, where meals were prepared by a local restaurant.

Attorneys Hope to Silence Radio

CORSICANA, June 25. (P)—Richard and A. P. Mays, Corsicana attorneys, today filed a petition to enjoin H. W. Taylor, radio dealer across the street from their office, from the "continuous running of radios."

The petition also asked for \$1,000 damages. The attorneys set out that they were unable to interview their clients properly because of the loud noise of speeches, music and the like from radios in Taylor's store.

BUT AIRMEN FAIL TO MAKE THEIR GOAL

Forced Down When
Fog Envelopes
Plane

HARBOR GRACE MADE AT LAST

Will Fly Tomorrow
to New York
Field

HARBOR GRACE, N. F., June 25. (P)—The airplane Southern Cross landed here early today after spanning the Atlantic ocean from Ireland and the fliers immediately made plans for flying to New York, then to San Francisco. Such a flight would virtually complete an around the world flight for the Southern Cross, which previously had been flown from San Francisco to Australia and England.

The plane will leave at daybreak tomorrow for New York.

The fliers experienced almost perfect weather until they approached the Newfoundland coast, when the trip almost came to an unfortunate end as fog enveloped the plane. For more than an hour during the night the aviators flew blindly and but for radio stations providing them with directions they might have been lost.

The fliers, Captain Charles Kingsford-Smith, Evert Van Dyk, J. Patrick Saul, and John W. Stannage, were in good condition and excellent spirits when they landed here at 5:57 a. m. (EST). They talked briefly of the dangers they had encountered and then all sought sleep.

A beam wireless proved of great assistance to the fliers. Van Dyk, co-pilot with Kingsford-Smith, Navigator, Saul and Radio Operator Stannage all said that but for the beam wireless at Belle Isle the plane would never have been able to reach Harbor Grace. The broadcasts from the Cape Race station provided the fliers with the necessary bearings when it seemed almost hopeless for them to find their way in the fog.

The beam from the Belle Isle station guided them safely toward Harbor Grace and directions from the Cape Race station which was almost in constant communication with them enabled the fliers to locate the landing field here.

It was evident that during their passage over the Atlantic or before hopping off from Ireland the men had talked of future plans, plans which depended on a safe landing on this side of the ocean.

MELBOURNE, Australia, June 25. (P)—Captain Charles Kingsford-Smith's pretty fiancée, Mary Powell, was the happiest girl in Australia today. She had faced bravely the difficult task of waiting for news of the safe arrival in America in the Southern Cross of her adventurous husband-to-be.

"Isn't it wonderful," she exclaimed. "My mother insisted that I spend last evening playing bridge to keep me from worrying," she said with real British cheerfulness. "Oh, but what terrible things I did at bridge."

THE WEATHER

Texas and Louisiana: Generally fair tonight and Thursday, not much change in temperature. Light to moderate winds on the coast, mostly southerly.

—AND A FROWN

BEDFORD, Pa. (P)—Because of the civil war, Russell Leberger, 18, is minus one hand. A bomb made for the war was used as a door stop at his home. It was supposed to be harmless. Russell started chiseling dirt out of it. An explosion shattered his left hand.

Mrs. Frank Keim and sons, Paul and Burdette, together with Mrs. Dan Grifflon and the latter's daughter, Mary Margaret, will leave tomorrow for Wichita Falls, where they will spend the week-end visiting friends.

THE PAMPA DAILY NEWS

NOTICE TO THE PUBLIC

Any erroneous reflection upon the character, standing, or reputation of any individual, firm, concern or corporation that may appear in the columns of the Pampa Daily News will be gladly corrected when called to the attention of the editor. It is not the intention of this newspaper to injure any individual, firm or corporation, and corrections will be made, when warranted, as prominently as was the wrongfully published reference or article.

SMALL LOOKS AT HIGHER EDUCATION

One of the reasons why Senator Clint Small should be the next governor of Texas is that he has safe and progressive attitudes toward all questions before the state.

An example is his stand for higher education, including better support of these institutions. Speaking at Denton, he declared that presidents of state colleges should not have to "beg" for funds from the legislature.

"Long drawn-out special sessions of the legislature are wrong, and it is also wrong to compel presidents of colleges, such as this (North Texas Teachers), to beg money to run their institutions," Senator Small said. "The legislature should appropriate enough for the immediate needs of all state schools and the government at once. Then if there is money left for further appropriations apportion it to the various institutions for building and other expansion."

This policy would be in distinct contrast to the plan followed in previous administrations. For instance, college presidents made feverish trips to Austin during the recent numerous special sessions of the legislature, and not until the last minute did they know whether they would be able to offer summer terms this season.

Securing funds for West Texas educational institutions has long been difficult, and sectionalism has played a large part. While Senator Small is not a sectional candidate, his general attitude toward education serves to assure West Texans that Canyon Teachers college and Texas Technological college will be treated fairly when the appropriations are made.

With the Panhandle's population growing sensationally, expansion of the institutions of higher education is a vital matter. Clint Small's candidacy squares with the best interests of Texas education.

CHILD IS CRUSHED

TYLER, June 25. (AP)—An automobile, parked on an incline near the W. F. Hester home at the Dean community near here yesterday, rolled down the incline and crushed Doris May Hester, 6, to death against her parents home. The child died instantly.

OKLAHOMAN BEATEN

BROADMOOR COUNTRY CLUB, Colorado Spring, Colo., June 25. (AP)—Doctor Lawrence D. Bromfield, of Denver, the trans-mississippi medalist, eliminated Robert Conliffe, Jr., of Oklahoma City, five and 4, in the first round of match play today.

Maniac Thought Found

NEW YORK, June 25. (AP)—A youth wearing a religious medal around his neck and whose pockets contained a code with the legend "3x" purported signature of the maniac murderer of two men in Queens, was arrested today in Riverside park. He said he was Clarence James Pratt, 21, of Chicago, lately a resident of Brooklyn.

GIANTS BUY ROSENBERG

NEW YORK, June 25. (AP)—The New York Giants today announced the purchase of Harry Rosenberg, star outfielder, from the Mission club of the Pacific Coast league, in a \$40,000 deal.

OKLAHOMA BANK HOBBERED

GUTHRIE, Okla., June 25. (AP)—Two roughly dressed men today robbed the First State bank at Lowell, 20 miles west of here, of \$184 and escaped in a small motor car, leaving a much larger sum untouched at the bank.

INDIANS TO STAMFORD

STAMFORD, June 25. (AP)—Fifty Comanche Indians arrived today to participate in Stamford's big Texas cowboy's reunion, which opens tomorrow. Arrangements were completed to entertain at least 10,000 persons each of three days to be devoted to the reunion. A parade will open the program. The rodeo will be held in a natural amphitheatre.

LEGION POST IS THANKED

BY SLATON ORGANIZATION. The local American Legion post has received a letter of thanks for valuable assistance rendered at the recent convention in Slaton.

The Slaton Luther Powers post and Auxiliary have extended an invitation to local Legionnaires to visit the Slaton organizations. The Slaton post meets on the second and fourth Friday nights in each month at its clubhouse, and the Auxiliary convenes at the same time and place.

BARON CLIMB IN SOUTHERN MORE RAPID

ATLANTA, June 25. (AP)—The champion Birmingham Barons took a step upward in the Southern association yesterday when they went into third place by virtue of their triumph over Mobile 10 to 2, while Nashville lost to Little Rock 4 to 3.

Plus granted only five hits to the Bears while the Barons felled their counterparts on 11 safeties. Five of the Barons' runs were made in the ninth frame, Sturdy accounting for three of them with a homer.

One run in the 7th knotted the count between the Vols and the Travelers, then the Vols added another in the final, but the Travelers made two in their half of the frame with none out to get the victory. A home run by Carter gave the Vols their ninth inning score.

While Memphis and Chattanooga were unable to play on account of rain, New Orleans trounced Atlanta 9 to 1. The Crackers bungled 5 plays on the field and were limited to five safe blows by Barnhardt, while Dumovitch and Howard gave up 13. The win cut the gap between the leading Chicks and the Pels to two and a half games.

Twins to Fight On Same Card

NEW YORK, June 25. (AP)—The Perlick twins from Kalamazoo, Mich., a fighting pair of lightweights make their second metropolitan appearance within a month at Ebbets field tonight.

Herman Perlick, who recently lost a close decision to Jack (Kid) Berg, tackles Bruce Flowers, New Rochelle N. Y. negro, in the ten-round feature bout while Brother Henry takes on Ralph Lenny of Jersey City, in the opening ten-rounder.

Hundreds Will Fight for Titles

WICHITA, Kans., June 25. (AP)—Two hundred and fifty amateur boxers representing seven states today awaited the going that will send them into ring battle tonight for titles in the various weight classes in the A. A. U. Inter-sectional boxing tournament.

The tourney will be held tonight and tomorrow night in the Forum here.

Boxers from Kansas, Oklahoma, Iowa, Nebraska, Texas, Arkansas, and Missouri will compete.

Mr. and Mrs. Dick Walker have as their guests Mrs. Walker's parents, Mr. and Mrs. J. F. Luther of Fort Worth, who are to spend the remainder of the summer here.

By Taylor

NINE CREWS WILL RACE IN BIG CLASSIC

POUGHKEEPSIE, N. Y., June 25. (AP)—Nine of the most evenly matched varsity crews in the 35-year history of the Inter-Collegiate Rowing association regatta were primed today for the biggest sporting spectacle of the college year.

On the broad expanses of the Hudson tomorrow, the picked young heavyweight manhood of the two far western universities, one from Middle West and six from the East will fight it out in the four-mile feature battle of a regatta that brings into action a record-breaking total of 27 eight-oared crews.

With the big event just one day away, the assembled experts, and even the coaches whose business it is to know, were certain of nothing except that the struggle would not end up in a foul. When asked to pick the probable winner most of them started off by naming Washington, made a couple of false starts and then mentioned Columbia, "Navy and California, winding up with the emphatic statement that Syracuse, Cornell, M. I. T., Wisconsin, and Pennsylvania cannot be figured out of the running, which makes it just about unanimous.

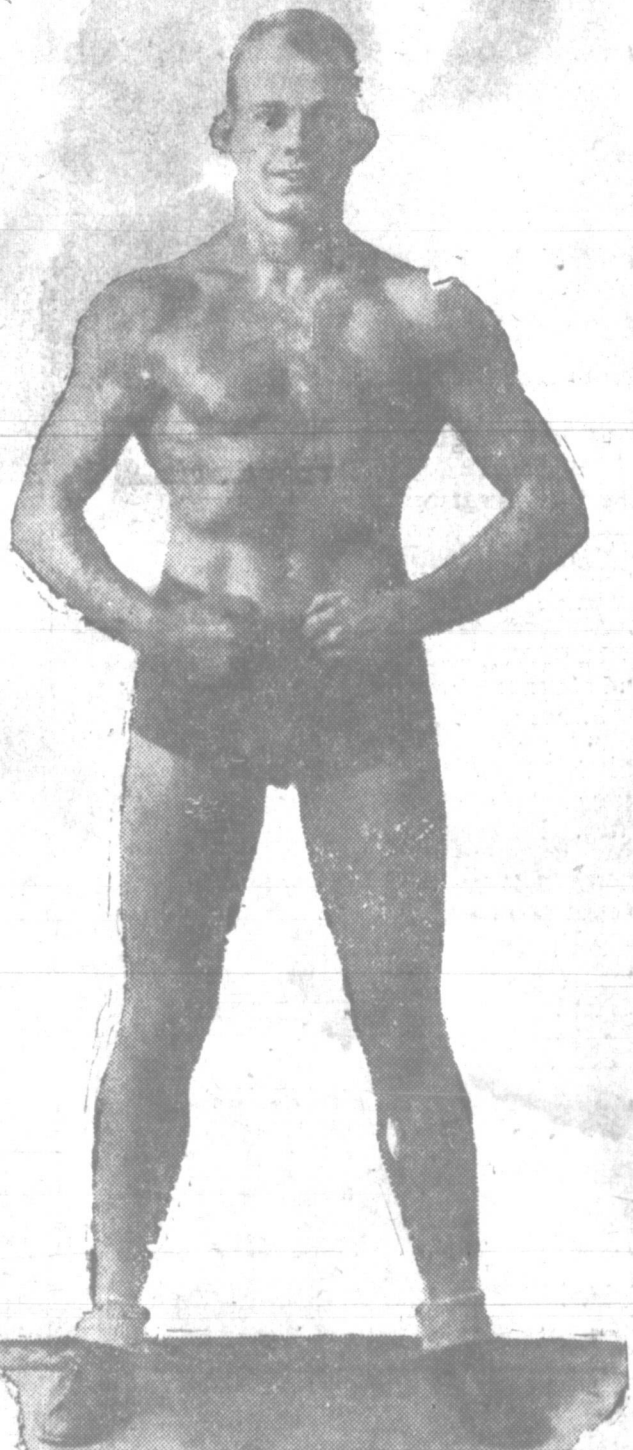

If there is a favorite it is undoubtedly not the defending champions, Columbia, but the lowering eight from the University of Washington which has come up to this climactic event with two victories and no defeats on its record.

CLEVELAND IN COME-BACK—POOR START

BY HUGH S. FULLERTON, JR., Associated Press Sports Writer
The Cleveland Indians may or may not finish the pennant race in the money, but they already have had the satisfaction of thrilling their home fans with one of the year's most exciting exhibitions of the ups and downs of baseball. And in doing it they have shown the ability to go up again later.
Cleveland, off to a bad start, put on a great winning streak during its recent home stand against the American league's eastern clubs and rose to the top of the standing. Then the Indians collided with the New York Yankees before they left home and continued losing when they opened in the East against the Philadelphia Athletics. They dropped seven games before they returned home for a Sunday game and a victory over the Athletics.
"Since that game they have dropped three more in a row to the Washington Senators and retired to fourth place, 3½ games behind the New York Yankees.

By The Associated Press
New York—Tony Canzoneri, New York, "outpointed" Tommy Orogan, Omaha, (10). Mel Tarleton, England, stopped Frankie Marchese, New York, (7).
Indianapolis—Spug Myers, Pocatello, Idaho, and Tommy Cello, Los Angeles, drew, (10).

Deaf Mute Wrestler Coming

The story of Silent Rattan, deaf mute who wrestles Otis Clingman here tomorrow night, reads like a romance. An account of his struggle to develop into a top-notch wrestler may be read elsewhere in this issue.

SLATTERY TO RISK TITLE IN BOUT TONIGHT

BUFFALO, N. Y., June 25. (AP)—Jimmy Slattery, Buffalo speedster, holder of the light heavyweight championship so far as the New York State athletic commission is concerned, battles Maxie Rosenbloom of Harlem in a 15-round titular battle in Bison's park here tonight.
Rosenbloom, whose bewildering style of milling has made him the despair of the light heavyweights, rules a slight favorite to lift the crown from Slattery's head. Slattery is a fast and clever workman but the experts doubt whether he can cope with Rosenbloom, whose sole plan of battle consists of throwing punches from any angle from the minute he enters the ring until he leaves for the evening.

Prairie to Play Magnolia Team This Afternoon

The Prairie Oilers will play the Magnolias at the Magnolia camp at the end of East Kingsmill at 5 o'clock this afternoon.
Practically the same men that Magnolia used Sunday to bury the Amarillo Smelters 24 to 4 will be used against the Oilers this afternoon. Varnell is scheduled to pitch the game but Blankenship will be kept available for an emergency.
Magnolia's new first baseman, Kaselski, will also be in the game. Whitey Baccus of Estelline is a new Magnolia recruit. He will be run in this afternoon. Baccus was a member of the crack basketball team of Estelline.

SILENT RATTAN HAS VERY INTERESTING LIFE STORY OF TYPICAL ALGER KIND

Silent Rattan, deaf welterweight wrestler of Dallas who gets a crack at Otis Clingman in a three-fall finish match on the Pla-Mor's special program Thursday night, has a most peculiar life story. In fact it is so interesting and heart-breaking it gives an entirely new light on this popular youngster who is one of the cleverest and most brilliant of the 145-pounds, besides being the most popular wrestler in Dallas.

Rattan is an intelligent fellow and at first one pities him, but on knowing him and seeing his bright smile one changes his mind, and wonders about the youngster. Here are the facts about Rattan. He has had a difficult life but has battled his own way in the world and is now making a name for himself, despite the fact that he has been in the pro ranks only two years.

Rattan's first name is Everett. When four years of age he had spinal meningitis and he became deaf. That was the handicap with which he had to start. As a small boy, he was sickly but attended a day school in Kansas City. At 9, he went to a state school for deaf at Fulton, Mo., but his poor health continued, one after the other, he had the flu, chicken-pox, hay-fever, and other diseases. He turned into a sickly, hollow-chested boy and stayed in this condition until he was 16 years old.

At that time he met a deaf wrestler by the name of Silent Olsen. The next summer he joined an athletic club in St. Louis under the management of Max Leach Cohn. Cohn became interested in the poor sickly-looking kid and started building his body by teaching him to wrestle. All the top-notch wrestlers who worked out at the gym took an interest in the deaf and dumb lad and taught him many holds.

The deaf boy then entered amateur wrestling ranks, and as he became stronger and got recognition he was entered in a city tournament and won the St. Louis amateur lightweight title, without losing a fall. His parents did not want him to wrestle but he insisted that the sport was building him into a strong man and persisted in following wrestling. This was in 1924. Later he went East and entered amateur meets, winning all of them at 135 pounds. He then returned to Missouri state school for the deaf, and made good in football and track, also, continuing to wrestle. While playing football in 1926, he broke his collarbone and had to take a lay-off. After recovering he suffered rheumatism from tonsillitis and was in bed three months, losing 15 pounds.

After recovering, he started again. Doctors told him he would not be able to wrestle again but he paid no attention to their remarks about a heart leakage. He soon had his 135 pounds back. He chopped wood on a farm, worked in the open air and soon weighed nearly 150 pounds. Then he returned home, was graduated from school in 1927 and spent one year at college. He decided to try for the Olympics. He won all his matches without losing a fall.

On May 1, 1929 Rattan met Dave Adkins for the Missouri amateur title and Rattan's father attended the match. He collapsed after the boy had wrestled three minutes and the match was stopped. The father lay in a hospital for 20 days. Rattan went back 44 his postponed match and beat Adkins. He was with his father when he died at the hospital.

Rattan then decided to turn professional. He won 100 matches without losing a fall. He recently won the right to tackle Jack Reynolds, welterweight champion.

Tilden Defeats Van Ryn Easily at Wimbledon

WIMBLEDON, England, June 25. (AP)—Big Bill Tilden, veteran ace of the American tennis forces, scored a decisive victory over his youthful countryman, Johnny Van Ryn, 7-5, 6-4, 6-1, today in the feature match of the British championships.
Henri Cochet of France, the defending champion in the men's singles, was forced to five exciting sets to defeat an American rival, Berkeley Bell of Austin, Texas. The scores were 6-2, 6-2, 5-7, 4-6, 6-1.

WIMBLEDON, Eng., June 25. (AP)—Continuing her sweeping advance in quest of a fourth successive Wimbledon crown, Helen Wills Moody easily disposed of Miss Elsie Goldworth, Lancashire player, at 6-1, 6-2, in the second round of women's single competition. The American holder of world's tennis honors was not extended at any stage of the match.
George Martin Lott, J., of Chicago continued his brilliant advance in the British tennis championships by defeating Harry O. Hopman of round of the men's singles.
Australia, 7-5, 6-4, 6-3, in the third round.
Gregory Mangin, youthful player from Newark, N. J., opened play with a decisive victory over the

Youth Spends Night Locked in Athletic Club

Police Sergeant Charlie Pipes bore a closer resemblance to a good Samaritan than any person 18-year old Oliver Lovell had ever seen this morning when Charlie rescued the youth from the Pampa Gymnasium and Athletic club where he had spent a hot, sleepless night against his own will.

When Sam Carlton closed the place last night he did not notice Oliver sleeping, deeply and noiselessly, in an obscure place, and he locked the windows and doors and went home. Oliver awakened about

Japanese R. Miki, 6-4, 6-3, 6-2.
H. W. Austin, one of the British favorites, came through unsuccessfully against Pierre Landry, of France, 6-0, 6-3, 6-2.

Elizabeth Ryan, American resident of England, defeated Miss V. H. Montgomery, England, 6-2, 6-4.
Mary Greef of Kansas City, Mo., won a hard fought match from Miss L. E. Messurier of Australia, 6-2, 2-6, 7-5.

Western Supply Is Building New Shop on Tyng

Construction was begun Tuesday by the fabricating department of the Cabot company of a pipe and machine shop, steel building and cranes, for the new shop of the Western Supply company, located on the east end of Tyng, on the land adjoining the Santa Fe tracks and the Continental Oil company's

bulk station.
Cost of the new plant will be \$3,600. The building will measure 64 feet long by 30 feet wide. Walls will be 12 feet in height, with roof of the arch-type. Four cranes will be installed; 2 of one-fourth ton capacity, 1 of one-half ton and 1 of one ton. These will each extend 102 feet on the east side of the building.
It is expected that the structure will be completed within the next two weeks. Material will be moved from the old pipe shop, located near the Case Flaming mill on West Tyng, to the new plant.
Jase Reed will be in charge of the new plant.

Boy Accidentally Killed
SAN ANGELO, June 25. (AP)—Funeral rites were set for today at Big Lake, Reagan county, for Bryant Glasscock, who was killed yesterday, his nineteenth birthday, when the car in which he was riding overturned on the highway near Big Lake.

Needle Work and Lawn Games Occupy Junior W. M. S.

Needle work, outdoor contests, a croquet tournament, and other lawn games were enjoyed by members of the Junior Missionary society of the First Methodist church, who met Monday afternoon at the home of Mrs. C. T. Hunkapillar.

Thirty-three little girls, including members of the society and visitors, were present. Mrs. W. R. Campbell, sponsor of the Junior organization, and Mrs. Hunkapillar directed the entertainment.

Lawn Party Given for Sunday School Class Is Delightful Event

Mrs. Harry E. Marbaugh gave a lawn party at her home last evening for members of the class she teaches at the First Christian Sunday school. Games were played with enjoyment until 8 o'clock, when dinner was served at small tables on the lawn.

The following were guests: Ina Mae Dean, Blanche McMillen, Lois Todd, Helen Fuller, Fay Berryhill, June and Fannie Sue Bynum, Rosmary Hinkle, Maage Temann, Fern Brumley, Frances Metcalf, Mary Lou Betty, Robert Talley, Billy Bratton, and Leon Braly.

Primary Methodist Church Entertained Tuesday Afternoon

A delightful party, featured by a children's program was given yesterday afternoon in the parlors of the Methodist church for members of the newly formed Primary church and their mothers, sponsored by Mrs. N. F. Maddux and Mrs. J. D. Sackett, director of the children's church.

The program was as follows: Hymn—"Praise Him," by the Primary church.

Reading—"Too Young to Know," by Vera Evelyn Sackett.

Names of the fourteen books of the Old Testament, repeated by J.

D. Sackett, Jr. Prayer in song—by Primary church.

Reading and song—"Sleepy Time for Dolly," by Zelda Mae Hurst.

Piano solo, by Edwin McConnell.

Reading—"Sleepy Train," by Mary Sue Murray.

Song—"Jesus Loves Me," by Primary church.

The opening of mite boxes followed the program. After each child had received a new mite box for the new period, the youngsters were dismissed for games on the lawn at the rear of the church. Miss Louise Walfad entertained and assisted in serving brick ice cream and wafers.

Mrs. Sackett spoke to the group of 12 mothers who attended the party, explaining the purpose of the friendship treasure chest, in which the Primary church is to send pencils, writing materials, and toys to the children in Philippines. The purpose of the mite boxes was presented by Mrs. Lewis Robinson.

Mrs. Frank D. Keim Is Hostess Tuesday to Small Bridge Club

Mrs. Frank D. Keim entertained yesterday for her Tuesday afternoon bridge club, arranging two tables for the game. Her guests were: Mrs. Charles Thut, Mrs. Henry Thut, Jr., Mrs. M. F. Roche, Mrs. Mel Davis, Mrs. W. A. Willson, Mrs. T. R. Marlin, Mrs. Clifford Braly, and Mrs. H. G. Myers.

Mrs. Willson played high, and Mrs. Roche made top cut. Each received an attractive favor. A refreshing ice was served at the conclusion of the playing.

J. E. Carrol of Skellytown was here Tuesday.

H. C. Crossan of LeFors was here yesterday.

J. M. McDonald made a business trip to Shamrock Tuesday.

George Knox and Oscar Wise returned today from a trip to Oklahoma City.

St. Paul Visitors Complimented by Mr. and Mrs. Paul F. Faw

Mr. and Mrs. Paul F. Faw entertained with bridge last evening, honoring Mrs. Faw's aunt, Mrs. Richard Cavanaugh and the latter's son, Stewart Cavanaugh, both of St. Paul.

At the three tables arranged for the game, the following were players: Mr. and Mrs. E. W. Faw of Amarillo, Mr. and Mrs. Len Cheshire of Amarillo, Mr. and Mrs. T. F. Smalling, Miss Susie Belle Smalling, Miss Margaret Sue Shanklin of Wichita Falls, and Leslie Welsh of Amarillo.

Appointments for the game, the packages in which favors were presented, and a dainty ice course took their color scheme from the lavender garden flowers and greenery which were attractively combined as decoration for the house. Mrs. E. W. Faw and Mr. Cheshire made the high scores. Mr. Smalling was fortunate in the general cut.

E. M. Conley made a business trip to Lubbock yesterday.

THE VALUE of SOUND DESIGN

New Ford engine gives outstanding acceleration, speed and power without sacrificing reliability or economy

THE GOOD PERFORMANCE of the Ford car, so apparent on every highway, is due largely to the sound mechanical design of the engine.

It has outstanding acceleration, speed and power, yet that is only part of its value to you. Greater still is the fact that it brings you all these features without sacrificing either reliability or economy.

That is the reason the Ford car has given such satisfactory service to millions of motorists all over the world and has been chosen by so

many large companies that keep accurate cost figures. In every detail of construction it has been carefully planned and made for the work it has to do.

The design of the compression chamber is an important factor in the efficiency of the Ford engine. It

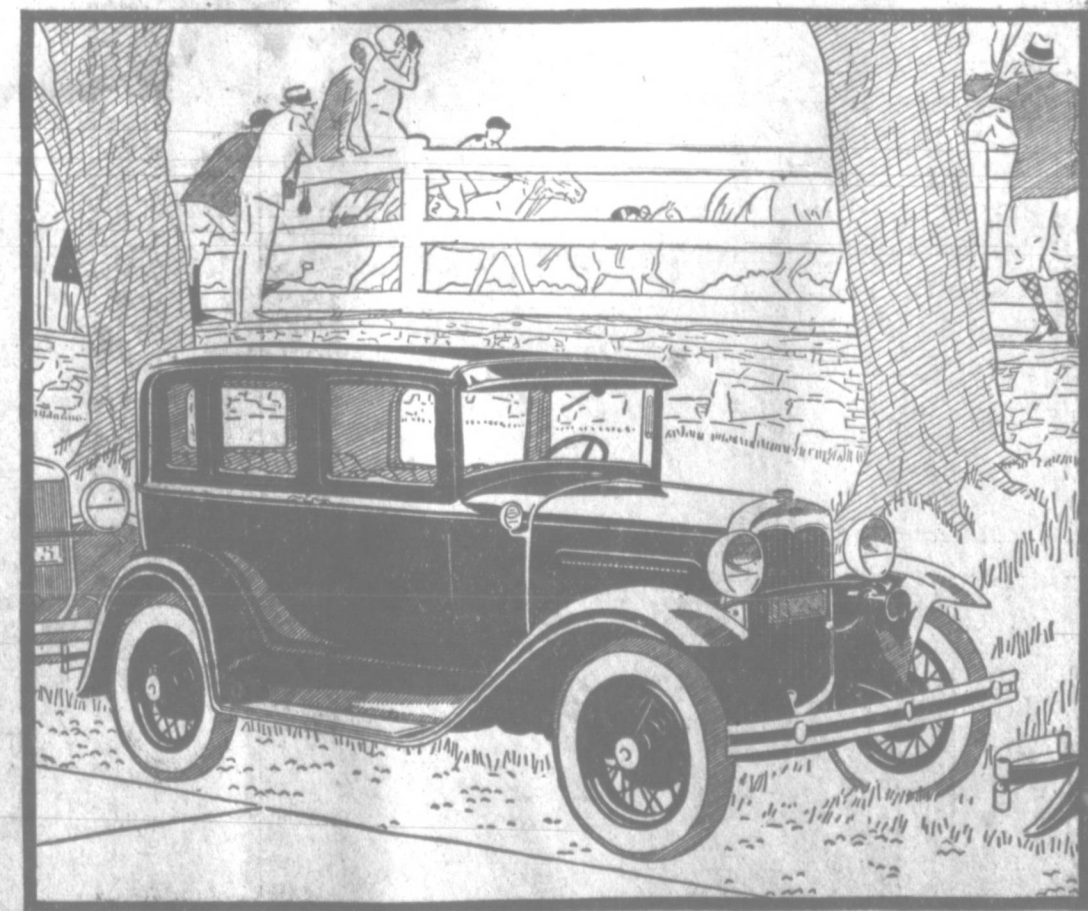

is built to allow free passage of gases through the valves and to thoroughly mix the fuel by producing turbulence within the cylinders during compression. The spark thus flashes quickly through the whole fuel charge, resulting in quieter and more effective engine performance.

Other factors are the direct gravity gasoline feed, the specially designed carburetor, the new hot-spot manifold, aluminum pistons, chrome silicon alloy valves of larger diameter, statically and dynamically balanced crankshaft and flywheel, simplicity of the electrical, cooling, lubrication, and fuel systems and accuracy in manufacturing.

SOCIETY NEWS

Mrs. W. R. Campbell went to Channing yesterday to spend a few days with relatives.

Miss Fern Hughey, daughter of Mr. and Mrs. I. B. Hughey, arrived last night from Chicago, where she attended Northwestern university and studied interior decoration at the Chicago Academy of Fine Arts. She was graduated from Central high school in 1929.

Kenneth Fink and Rufus White of Clarendon were visitors in Pampa this morning.

Miss Wilma Perkins of Bogota left Monday for her home, after an extended visit with her brother, Tom A. Perkins, and Mrs. Perkins. She was accompanied to Amarillo by Mrs. S. A. Hurst and Mrs. Perkins.

Mrs. Richard Cavanagh and her son, Stewart Cavanagh, both of St. Paul, are guests at the home of the former's niece, Mrs. Paul F. Paw.

Fred Connolly of Amarillo was a business visitor in Pampa today.

Miss Helen Converse of the Farmington community has as guests this week Miss Elaine Babb of Amarillo and Miss Betty James of Pampa.

Mrs. Carruth and son, Ralph, of LeFors have returned home after visiting relatives and friends in Dallas.

“Wonderful Is Konjola”, Says Grateful Lady

Freed of Neuritis And Stomach Trouble—All Else Tried Failed Utterly.

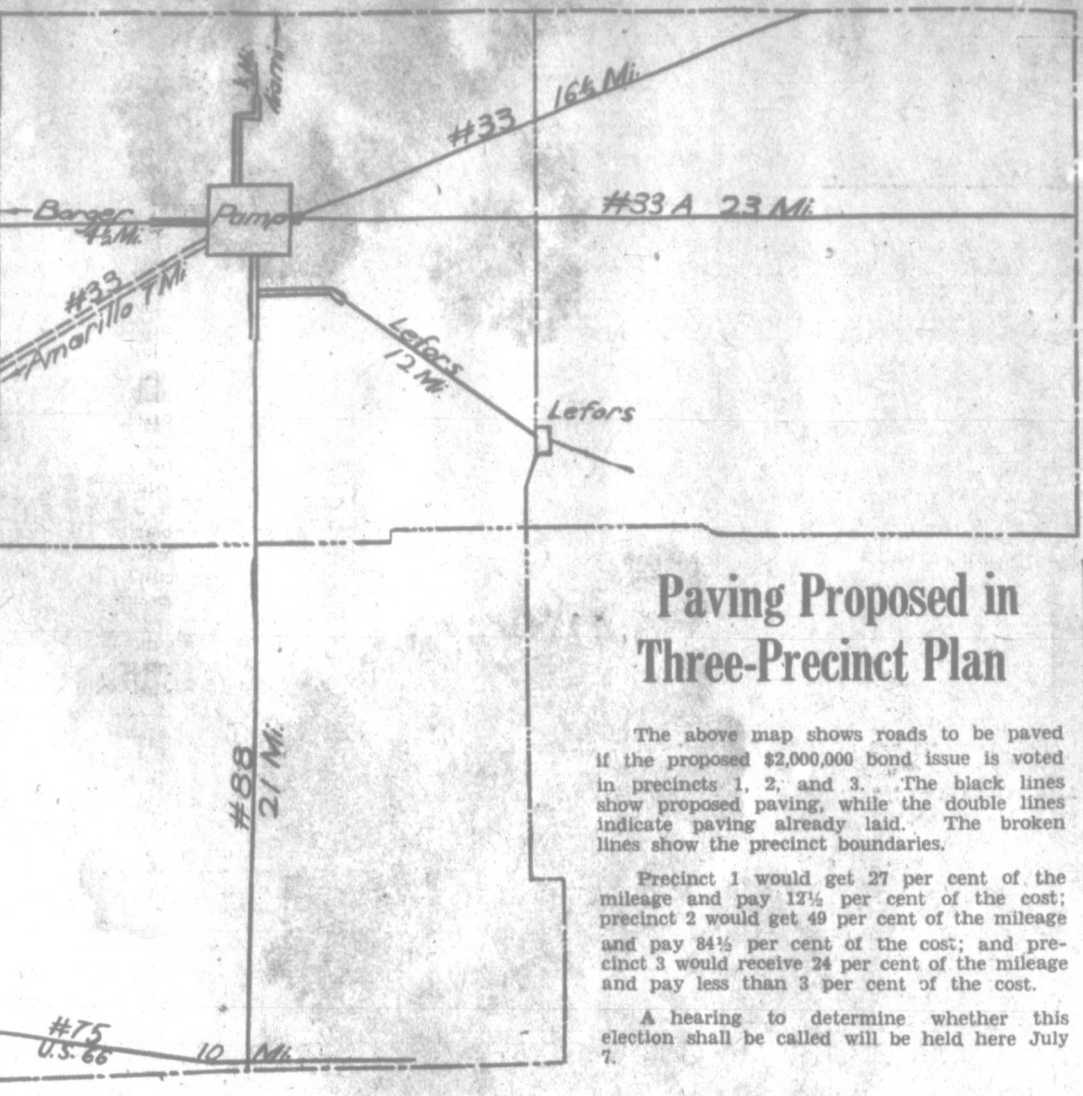

MRS. HEZEKIAH MAYNARD

“For several years I was troubled with a disordered stomach, neuritis and constipation,” said Mrs. Hezekiah Maynard, 513 East Twelfth St., Amarillo. “My stomach was in such condition that I could hardly eat any food. When I did eat I bloated with gas and my stomach became sore. I had to take strong laxatives, was rapidly losing weight, and the pains of neuritis were terrible.

“I was certainly surprised the way Konjola went to work. After the first few doses I noticed it was helping me. My appetite increased and food digested better. The terrible gas pains were eliminated. Now, after taking Konjola but a few weeks, I notice that the aches and pain of neuritis are leaving. I am gaining in weight and feel better than for a long time. I surely recommend Konjola to everyone who is suffering.”

Konjola is a systematic treatment taken after meals. Quickly it goes to the source of the ailments and, if taken with regularity, it brings new, glorious and abundant health.

Konjola is sold in Pampa at the City Drug store, and by all the best druggists in all towns throughout this entire section.—Adv.

Paving Proposed in Three-Precinct Plan

The above map shows roads to be paved if the proposed \$2,000,000 bond issue is voted in precincts 1, 2, and 3. The black lines show proposed paving, while the double lines indicate paving already laid. The broken lines show the precinct boundaries.

Precinct 1 would get 27 per cent of the mileage and pay 17 1/2 per cent of the cost; precinct 2 would get 49 per cent of the mileage and pay 34 1/2 per cent of the cost; and precinct 3 would receive 24 per cent of the mileage and pay less than 3 per cent of the cost.

A hearing to determine whether this election shall be called will be held here July 7.

Appeals Court

AUSTIN, June 25. (AP)—Proceedings in the Court of Criminal Appeals today:

Affirmed:

Mrs. A. S. Milburn from Oldham; Josh Thomas from Walker; H. K. Harper from Childress; Moise Guildry from Jefferson; Clifford Miller from Potter; Jimmie Arnold from Harris; Milan Garland from Grayson; L. C. Cantrell from Tarrant; Cecil Davis and Allen Bizell from Childress; R. F. Vaughan from Ward; E. L. Walker from Gregg; D. B. McCall from San Saba; John Stripling from Tarrant; Booker Cummings from Bowie.

Reversed and remanded:

John Ainsworth from Eastland; Ed Pryor from Wichita; Loys Wilson from Smith; Paul Horis from Wise; Charlie Hinds from Mason; Leah Bailey from Midland; H. E. Fulgham and Lanny Skovoy from Colkin; L. G. Zahn from Anderson; Roy Timmons from Erath.

Appeal reinstated:

Nicholas Diaz from Fisher.

Appeal dismissed:

Dewey Smart from Hardin; Dock McKee from Titus.

Appeal dismissed at request of appellant:

Joe Janak from Harris.

Appellant's second motion for rehearing overruled:

Houston Davis from Brown.

Appeal reinstated; reversed and remanded:

Mae Johns, et al, from Parker.

Appellant's motion for rehearing overruled:

Jake Ross from Hill; M. W. Kerr from Lubbock; H. L. Webb from Hockley; A. L. Nash from Kaufman; Ernest Hamilton from Palo Pinto; Rube Frazier from Falls; Cleve Griffin from Ellis; Gordon Black from Brown.

Mr. and Mrs. J. H. Holland, who have been associated with the local Jarret's fashion shop several months, and with Jarret's in Amarillo for the last several years, are to go to Liberal, Kans., in the near future, to take charge of the Servey store of that city.

Beauty Shoppe to Be Opened Tonight

Pampa's newest beauty culture establishment, Dorothy's Shoppe, 115 North Frost street, is being formally opened today by its owner and manager, Mrs. Dorothy Wilson. The public is invited to visit the shop at any time this afternoon or this evening to meet the owner and her assistant, Miss Margaret Garrett, and to inspect the equipment.

The shop is arranged with a lobby, a corridor, and six separate booths, each of the latter being hung with chintz drapes for privacy. One booth is equipped for permanent waving; another with a lounge for facials and still another, for shampoo and finger waving.

The fixtures for waving, scalp treatment, massages, and hair drying are electric, and all are new. Lavender and deep ivory were combined in the attractive interior. Ronald McSkimming was the decorator. Both Mrs. Wilson and Miss Garrett came here from Oklahoma City.

“City of Chicago” Nears New Record

CHICAGO, June 25. (AP)—Nearing the end of its second week in the air, the refueling endurance flight plane, “City of Chicago,” has been aloft 326 hours at 6:40 a. m. (CDT) today.

In notes dropped at Sky Harbor airport, over which the plane is cruising, John and Kenneth Hunt, brother-pilots, expressed confidence they would be able to better the record of 420 hours plus set by Forest O’Brine and Dale Jackson last year in the “St. Louis Robin.”

If successful in setting a new record, the “City of Chicago” must remain aloft until some time after a minute half past 5 a. m. (CDT) next Sunday morning.

Among yesterday's visitors in Pampa was Robert Thompson of Skellytown.

W. A. Elliott of Augusta, Kans., was in Pampa Tuesday.

An Amazing Opportunity

to own the combination **Thor WASHER and Speed Iron**

WHY go on using laborious washing and ironing methods each week, when a down payment puts the great Thor Combination Washer and Speed Iron in your home?

The Thor is a beautiful machine. It's baked enamel, outside and in. Can't chip or scratch, because it's harder than steel. Soft ripple-green. Rubber-guarded lid. Everything you want in a washer, plus the Thor iron!

The speed iron alone will save you hours and dollars each month. Presses skirts and trousers. Irons everything. Has the ironing surface of 10 flatiron! Think how fast you can put through flat work!
