Sandies Eke Out 7-0 Decision Over Harvesters In Wild Upset

PAMPA SCORES BUT PLAY IS CALLED BACK

PASSING OF MARBAUGH IS BRILLIANT FEAT OF BATTLE

PASS NETS TOUCHDOWN

FIGHT IN SHADOW OF AMARILLO GOAL IN FIRST HALF

A magnificent eleven of Pampa Harvesters, coached and inspired to the heights but doped to lose by several touchdowns, carried the fight to the Amarillo Sandies for three quarters and lost by just 7 points on Butler field Saturday afternoon before a thrilled and admiring crowd of 9,000 Panhandle football fans.

The final score of 7 to 0, achieved on a pass from Dunaway to Sanders inside the Pampa 20-yard line, was absolutely no measure of the terrific, fighting, heady battle fought by the Harvesters every minute of the game.

Came the kickoff, and Amarillo's big team was primed for the expected slaughter. Came the plays, but Amarillo's plunges beat upon an impenetrable wall. Bang, bang, bang went the little Pampa backs, holding the ball then letting Kelley plant it far down the field. The first period ended 0 to 0 with Pampa having made the one first down on the records.

Came the second quarter, and those long straight passes from Marbaugh's lengthy left arm! Twenty-eight yards, 21 yards, 22 yards, 20 yards, 15 yards, were gains through the air. Unfortunately, between them were momentary halts which lost the ball twice in the shadow of the Amarillo goal.

And talk of ovals! The huge Pampa crowd cheered for many minutes as the Harvesters, their eyes glistening like light of battle, trotted from the field at the half.

Between halves, the Pampa and Amarillo girls' pep squads, assisted by prettily uniformed bands, performed with the Pampa girls having the better of the exhibition. Howe's band and pep squad, led by two dwarfs, got a big hand from the Amarillo side before which they paraded.

Harvesters Best Suspense built up in the initial half carried through a bitterly waged.

Fifteen-Year Term Given Pat Fisher

Pat Fisher, negro, charged with robbery, was given a 15-year penitentiary sentence after an hour's deliberation of a 31st district jury Saturday.

Fisher was indicted for the robbery of Hills McNeil, another negro, on the night of May 15. The incident followed the slaying of Clarence Wilson, also a negro, for whose murder Fisher is under indictment.

Fisher allegedly took \$22 from McNeil, stating he needed it in fleeing after the slaying. Fisher was represented by Judge S. D. Stennis.

WILKERSON FREED

An instructed verdict of acquittal was given Andy Wilkerson, charged with arson, in 31st district court Saturday. Wilkerson was represented by Will R. Sautgers. Judge W. Ewing held that corroborative testimony was insufficient.

MICHIGAN WINS

ANN ARBOR, Oct. 29. (AP)—Michigan, badly outplayed in the first two periods, hit the comeback trail during the second half of its gridiron battle with Princeton's Tigers here this afternoon and emerged with a 14 to 7 victory.

GERMANY MAY

BERLIN, Oct. 29. (AP)—Germany may consent to resume participation in the world disarmament conference at Geneva, government officials said today, as a result of the new French proposal for abolition of mercenary and standing armies in favor of militia forces.

PROSECUTORS

ARCHER FULLINGIM

GILMORE NUNN

Above are two newspapermen who turn into lawyers in "The Trial of Mary Dugan." They ought to be good because they've spent enough time listening to lawyers, good and bad ones. Mr. Fullingim as the district attorney, and Mr. Nunn the assistant district attorney. Mr. Nunn had much experience on the stage in college. Mr. Fullingim made his stage debut in "The Crisis" last season here, and got a "big hand." Bill Smith, local attorney, says that what he lacks in experience he makes up for in "unmitigated brass." The prosecutors' roles in the play call for withering brow-beating and devastating sarcasm.

Fuel Tank Explodes Filling Building With Flame

The Pampa Milling company on South Hobart street was gutted by fire which followed an explosion of a fuel tank while workmen were priming a motor. It was the third time the same motor had caused a fire, but little damage resulted from previous fires.

SIX PERSONS WOUNDED IN FEUD BETWEEN TWO KENTUCKY CLANS

PINEVILLE, Ky., Oct. 29. (AP)—Two Kentucky mountain families shot out their differences in front of the courthouse here today and sent several hundred persons scurrying for shelter in a fight in which six persons, three of them bystanders, were wounded.

PHYSICIAN DIES

COLORADO, Oct. 29. (AP)—Dr. P. C. Coleman, widely known West Texas physician and resident of Mitchell county for more than a century, died at his home here this afternoon. Dr. Coleman was 79 years of age. During his years of practice Dr. Coleman ushered more than 2,000 babies into the world in Colorado and vicinity. One of his patients was a woman with 11 children. Dr. Coleman officiated at her birth and of all her children.

GRAY OIL MEN WANT SESSION

DANCIGER IS DRAINING LEASES, OPERATORS DECLARE

AUSTIN, Oct. 29. (AP)—Determined to convene the Texas legislature in extraordinary session if necessary to insure orderly production in the East Texas oil field, Governor R. S. Sterling was hopeful the situation could be adjusted without that contingency.

Problems of a troubled oil industry, which led local producers yesterday to telegraph Governor Ross Sterling to call a special legislative session to amend the proration laws, were considered here Saturday in a hearing presided over by Col. Ernest O. Thompson, member of the railroad commission. Decisions of the commission will be announced later.

Big Decrease in Gray Production

Gray county's oil production decreased 6,587 barrels daily last week to help bring the Panhandle's production below the allowable posted recently. The field production slumped from 49,583 barrels to 44,142 barrels.

GEORGE LIMERICK

George Limerick is a young man, but he is old in the show business as far as experience is concerned. Mr. Limerick recommends "The Trial of Mary Dugan" to his customers. "If it were not a good show, I wouldn't permit it to be presented at the LaNora." There will be no matinee or night showing of any picture at the LaNora on Wednesday.

TICKET SALES FOR TRIAL AT THEATER BRISK

Big Cast Is Ready To Present Murder 'Case'

The Pampa Little Theater is ready to present "The Trial of Mary Dugan" at the LaNora theater Wednesday night, Miss Ariess O'Keefe, general manager, announced today.

The play will be different from any ever attempted by the organization. The LaNora stage will be transformed into a court room. There will be no curtain, and the audience will be the jury. The intermissions will last only a few minutes between the three acts. Moving of sets and scenery will not be a problem in the play because the scene of the three acts is the same.

Tickets are on sale at most drug stores in the city. Prices of admission will be 40c for adults and 25c for children.

The cast will include about 40 persons. Action of the play is based upon the fatal stabbing of Edgar Rice, New York millionaire, in the luxurious apartment of Mary Dugan, Follies star.

No cinema will be shown at the LaNora theater on Wednesday. Final dress rehearsal will be held in the afternoon. The play will begin promptly at 8:15 o'clock. It was decided to present the melodramas at the theater because of the seating capacity and the splendid acoustics.

A recent rehearsal developed that every word spoken by the actors can be heard from every seat in the house. Over 150 tickets have already been sold and a capacity house is expected.

Mr. and Mrs. R. B. Haynes of Miami visited here before attending the football game in Amarillo yesterday.

COURT OF HONOR TOMORROW NIGHT

The Boy Scout court of honor set for tomorrow night in the district courtroom in the courthouse will start at 6:30 o'clock instead of 8 o'clock as in past sessions. The starting hour was advanced so that the boys can get away early and have their Halloween fun.

Twenty boys will come before the court to receive advancement in rank and merit badges. Many of the badges will go to Boy Scouts of troop 18 at Hopkins. A large board of review was conducted Friday night at Scout headquarters in the city hall. Most of the boys passed their tests with high honors.

BANKER DEAD JURY FINDS

Mrs. Norwood Wins Suits To Collect \$100,000 From Insurance Company

PORT WORTH, Oct. 29. (AP)—Mrs. Emma R. Norwood, New York City, feels that her opinion of "when and under what circumstances my husband met his death" should be a closed book insofar as any utterance from her is concerned.

This afternoon, shortly after a district court jury had found that her husband, Sidney B. Norwood, is dead, she expressed great delight that the 12 men had found in her favor in the suit to collect on a \$100,000 insurance policy carried by her husband. He disappeared in Cleburne in October 1921, and the suit of Mrs. Norwood was based on the statute which says that man shall be presumed to be dead when he has been missing for seven years successively.

She has felt for years that her husband is dead, she said quietly this afternoon. She left late in the day for Dallas, where she will stay for a time with her mother, Mrs. George Randle. Then she probably will go back to New York, where her two children are now.

The defendant in the suit was the Southland Life Insurance company of Dallas. Attorneys for the company will fight for a new trial and if that is overruled will carry their appeal to the second court of appeals here.

Boy Painfully Burned at White Deer Grid Game

White Deer's Bucks and Vega's Outlaws, both night school teams, enjoyed a 15-minute recess during an arduous struggle on the White Deer gridiron Friday afternoon when they rushed from the field to rescue 12-year-old S. A. Phillips, Jr., who was dangling by the feet from a high-line wire.

Junior sought to view the football battle. To do this he climbed a post of the high line that skirts the field, and sat on the condenser until his person came into startling contact with a live wire. The shock set fire to the boy's clothing, burned out the automatic fuse at the end of the wire in Amarillo, and left the lad dangling from the wire by one foot.

White Deer's Bucks, then on Vega's 15-yard line, called time out and ran from the field to help rescue the lad. The spectators followed. After the recess, play was resumed and the boy taken to Worley hospital. He suffered serious second-degree burns on his legs and hips, but will recover, physicians said. The shock rendered him unconscious.

The football game ended in a 6-6 tie.

WELL PUMPER SHOOTS STATE OIL INSPECTOR

FILE CHARGE ASSAULT TO MURDER AFTER ENCOUNTER

INVESTIGATING CLARE

EMPLOYE OF RAILROAD COMMISSION HURT BY DISCHARGE

HENDERSON, Tex., Oct. 29. (AP)—District Attorney Vernon McDavid said a charge of assault to murder was filed here tonight against George Clifton, pumper on a lease of the Magnolia Petroleum company near Kilgore, for allegedly shooting at Otis Ramsey inspector for the Texas railroad commission, last night. McDavid said Clifton had not been arrested.

He said Clifton lived on the lease. The investigation was conducted by military authorities in charge in the field under a martial law decree, and the case was not brought to him until tonight, although the shooting occurred last night.

Col. L. S. Davidson said railroad commission employees had been involved in a disagreement with Clifton previously. He was inclined to minimize the seriousness of the incident, saying Ramsey was not hurt seriously when he was inspecting a separator at an oil well on a Magnolia lease near Kilgore.

The report sent to Pierson by Ramsey related that he and two companions, F. Buford, railroad commission employee, and Private Peterson of the 124th cavalry, Texas National Guard, arrived at a Magnolia tank battery on the Dick Wells lease in the H. Dobson survey at 11:35 p. m. last night to investigate a waste gas flare which was burning "rather high."

It continued that Buford and Private Peterson then got out of the car and the man fired again. Ramsey and Buford called to him to stop shooting and "told him that we were representatives of the railroad commission," the report declared.

"He then fired upon us again with a shot gun and then with either a rifle or a pistol," the report stated. "At this point, Private Peterson fired three shots in the direction of the gun flashes while (the man) was still firing on us." (The man) then stopped shooting.

EACH FOURSOME TO RECEIVE GOLF BALL

A 75 cent golf ball will be given to each foursome playing over the Red Deer golf course today. The ball will go to the pair winning in match play and the players will decide which player will get the ball before the foursome sets off. There will be no entry fee.

The course is in excellent condition. The greens have been newly worked and they are fast and sure. The winning two can match for the ball, take low medal score or low match score, or any way they decide. Mr. Heath plans to have a Scotch tournament soon.

SPECIAL VENIRES SUMMONED FOR BIG TRIALS THIS WEEK

Two special venires have been summoned for duty in capital cases in 31st district court this week—one for the Bill Mann murder trial and the other for the trial of J. W. Hawkins, alias Doc Holly, charged with robbery with firearms. Mann is charged with the slaying of John Clugey in South Pampa last September 9. Hawkins' indictment grew out of the robbery of the Danciger refinery a few weeks ago. The specific charge is robbing John Love, refinery employee, at pistol point. Mann's trial is set for Monday, Hawkins' Thursday. The special venire in the Mann case with address, follows: E. H. F. Brooks, White Deer; R. W. Coleman, McLean; A. L. Hill,

THE HERO

REED CRITES

This is the young man who turns everything topsy-turvy in "The Trial of Mary Dugan." He plays the role of Jimmy Reed, an employee of the Phillips Petroleum company, looks and acts his role. He attended the University of Kansas, before he came to Pampa. While there he acquired an enunciation and a grasp of dramatic roles that caused the casting committee to exult, "there's our man!" before he had said a dozen lines when he was trying out. Reed pitched baseball for the Phillips playground ball team and later for the Jaycees.

CONVICT 4 IN ASSASSINATION PLOT AT DONNA

Find Men Conspired To Kill 'Regular Democrats'

RIO GRANDE CITY, Oct. 29. (AP)—A jury today convicted four Donna, Texas, residents of an unsuccessful conspiracy to have assassinated three "regular democratic" leaders whose faction for years has been invincible at the polls.

Each of them, E. J. Farnsworth, L. E. Schultz, W. H. McClelland, and A. F. Dargel, widely-known in the Donna community, was sentenced to two years' imprisonment, the minimum penalty provided under the law for conspiracy to murder.

A defense motion for a new trial, presented this afternoon on grounds the prosecution evidence had been insufficient, was denied by Judge Hood Boone and Major H. B. Galbraith, of defense counsel, announced the case would be appealed to the court of criminal appeals.

The state's testimony came chiefly from Stokes Cheney, Luther Lephay and George Ruthven, originally under indictment in the alleged conspiracy but recipients of immunity for testifying for the prosecution.

Walter Van Allen, among the eight men originally accused of participation, had been granted an instructed verdict of acquittal, Judge Boone holding that the prosecution had in no way connected him with the conspiracy.

The state, largely through Lephay, Cheney and Ruthven, who were held accomplices in the eyes of the law, undertook to show that \$500 had been raised by enemies of the "regular democratic" administration of the Donna, Hidalgo county, irrigation district to hire the assassinations of Walter Weaver, attorney for the district; Harry Ridgeway, business manager, and T. W. Hooks, political and business associate of Weaver, because the opposition concluded they could be ousted in no other manner from places of influence.

BEER DRIVE STARTS WASHINGTON, Oct. 29. (AP)—Matthew Woll, chairman of Labor's national committee for modification of the Volstead act, today announced a drive to change prohibitory state laws to permit the sale of beer immediately, if and when congress modifies the Volstead law.

SHOOT'S WIFE, SELF

EL PASO, Oct. 29. (AP)—Mrs. Mildred E. Martin, 40, was shot to death here tonight and her husband, James E. Martin, 47, is in a critical condition with a bullet wound in his head. Martin told officers he shot his wife and then turned his pistol on himself because she refused to return to live with him and had filed divorce proceedings against him. He is not expected to live, doctors said.

RELATIVES SAY HE WAS SHOT THEN ROBBED

DIAMOND RING WORTH \$1,500 IS MISSING FROM FINGER

INVESTIGATION WANTED

BANKER DID NOT OWN GUN THAT TOOK HIS LIFE

CANADIAN, Oct. 29. (AP)—Relief of relatives and friends that William A. Johnson, 52, local banker and cattleman, who died of gunshot wounds in a Kansas City hotel Thursday afternoon, was murdered and robbed and did not take his own life, was strengthened when the body arrived here today.

H. S. Wilbur, cashier of the Southwest National bank of Canadian, of which Johnson had been president for the last six years, said an investigation would be launched. A \$1,500 diamond ring, worn by Johnson for years, was missing.

Johnson was shot with a .25 caliber pistol, which relatives declared he did not own. Johnson's own gun, a western type revolver, had been left at home.

Johnson was shot behind the left ear. He was right handed. The gun with which he was shot contained fragments of a certain brand of cigarette tobacco in the mechanism. Johnson smoked ready-made cigarettes.

Scratches on the hands indicate force was used to remove the diamond ring, which relatives say was tight on his finger.

Funeral services will be held here tomorrow.

Buffalo Cheers Smith's Speech For Roosevelt

MUSIC HALL, BUFFALO, Oct. 29. (AP)—Alfred E. Smith brought thunderous cheers from a crowd estimated by police at 6,000 as he wound up a campaign speech for the democratic state ticket by declaring that he had found "a nearly united opinion that the hope of this country for relief... lies absolutely in the election of Frank Roosevelt."

He made this observation, he explained, on the basis of his campaign for the nomination of his old political ally, Governor Roosevelt—the man whom he had opposed at Chicago for the presidential nomination.

"I talked to men who had their hands on the pulse," he said, "and I found out the people in the east as well as every other section, agree that the present republican administration is a dismal failure."

"Four years ago they promised us the earth—and they agreed to put a white fence around it for good measure."

"The republican best minds are not competent... they are not there today."

Weather forecast for West Texas: Partly cloudy, warmer in north portion Sunday; Monday partly cloudy to cloudy and unsettled.

RIGHTOUSNESS BRINGS REJOICING—When the righteous are in authority, the people rejoice; but when the wicked beareth rule, the people mourn.

Interested in Stars
Science students of Pampa high school have taken a sudden and intense interest in the planets. The point is this: Who has a powerful telescope which he is willing to lend to the class for a time? Anyone having a telescope of 3-inch diameter or larger is asked to call Supt. Fisher's office.

Historic Fact
Time magazine is authority for the statement that normally there are seven millions more republicans than democrats in this country.

If this be true, we democrats must hope for abnormality as a basis for chances. This, of all years, is the one in which to capitalize on a national grudge. And, we may add, to hope that the depression will turn a lot of republicans into democrats.

Education Week
National, state, city, rural, church, and private education will be analyzed and stressed during the week of November 7-13. It is not too early to open the discussion. Democracy cannot exist among educated men. Economic troubles, inevitably and closely linked with democratic government, threaten this type of government. Obviously, better brains must direct the financial destinies of this country if personal liberty, opportunity, and equality are to be achieved under modern complex conditions.

Aside from economic problems, we have that of crime. Crime is surprisingly associated with faulty education. Not all learning is conducive to good citizenship, but education in general is a deterrent to offenses against society. The National Education association has provided some startling statistics on the subject.

It costs \$300 a year to keep a man in prison, but only \$100 a year to keep a child in school. The nation spends about a billion and a half a year on 500,000 prisoners; only two and one-half billions to school 26,000,000 pupils and students. Those who make school budgets would do well to keep this fact in mind. And it should not be overlooked that the nation is giving another billion involuntarily to the criminals who are not in prisons. The courts require a third huge sum, together with the crime detection and prevention agencies.

Education is an investment in good citizenship. Educated persons do not normally find their way into our prisons. We are not unaware that there are exceptions, but any policeman, social worker, or prison warden can tell you that most of the offenders he meets have not gone through high school, much less through colleges and universities. It is not merely study which makes for law abiding qualities, but also the environment, the expansion of mind, the contact with teachers of strong, wholesome personalities.

The great recruiting ground for the underworld is the place where youngsters break off their schooling before they have had enough of it to profit by it.

That, of course, is only another way of saying that the public school system is about as good a crime preventative as we have. And it is an amazingly cheap one, all things considered. It is, at any rate, infinitely cheaper than our prison system, which is no preventative at all.

These times demand strict economy in government. No city or state can afford any unnecessary expenditures. But this money we spend on our schools is not an unnecessary expenditure, nor is it an expenditure which is unduly high. Compared with that other little item—the cost of taking care of criminals—it is very low indeed.

The school budget, in short, is just about the last place to wield the blue pencil. One hundred dollars a year per child, invested now, can save us \$300 a year per criminal a little later.

Great Educator
Of the notable Texas educators who have succumbed during the last year, and who will be honored during Education week, none was more revered than the late Robert Bartow Cousins. Born July 21, 1861 in Fayetteville, Ga., he died March 3, 1932, at Kingsville, Texas. Between these two dates he packed a wealth of worthwhile living.

Dr. Cousins was the first president of the West Texas Teachers college at Canyon. While there he endeared himself to thousands of students and to the people of this section. His rugged honesty of intellect, high idealism, yet practical application of educational methods to good citizenship made him a man marked for high callings.

He finished his life as president of the Texas College of Arts and Industries. He formerly was a state superintendent of public instruction. He was superintendent of city schools at Houston, and before that at Mineola.

REVIEWS and NEWS OF CURRENT BOOKS

To use a colloquial but apt expression, Ernest Hemingway "popped out" in his most recent book, "DEATH IN THE AFTERNOON," as far as many former ardent admirers of his "THE SUN ALSO RISES" are concerned. One had rather be a bull-fighter than read 180 pages about that Spanish sport—and according to Mr. Hemingway it takes all of one's youth to be a bullfighter and then one might not be any good at it. If he's a coward, he's hooded at, and if he's a brave one he ends up by getting gored.

Mr. Hemingway's book has probably been derided by the bullfighters themselves, because all he knows about the sport is based on what he has seen and heard, and the book is a bore to the those who never saw a bull fight. Why he wrote the book is hard to understand.

Mr. Hemingway thinks a lot of himself and his opinions, and he takes occasion to ridicule the literary ideals of both Puritan and realist in the book. He huris condemnation at both the Whitman and the New England school of writers.

Mr. Hemingway's book is a lot of himself and his opinions, and he takes occasion to ridicule the literary ideals of both Puritan and realist in the book. He huris condemnation at both the Whitman and the New England school of writers.

There are several imaginary conversations between the author and an "Old Lady" at the end of several chapters, but he "cuts her out" as he says before the middle of the book. It was a good thing he did it too, because these conversations were packed with unmentionable words—words that most people never say, let alone write.

There was a bright spot in the weekly reading. It was Will's Cather's "Three Women." Those young people who have been devotees of Hemingway and Cather at the same time, may have lost their ground in Hemingway, but Cather still stands at the top of the list of women novelists in America. Mr. Hemingway's success in the diverting novel "The Sun Also Rises" and "Farewell to Arms" was unwarranted. No one read him but the young people, many of whom were parlor bolsheviks. It is predicted that they will now seek a new admirer—after those 450 pages about bulls and their killers.

There is much talk about a man named William Faulkner who attained great popularity in "Sanctuary." He is the likely successor of Mr. Hemingway among the young, and among those who like sordidity and naturalism. Because of the dirty digs he took at everything that has been or is in America—except himself—those former admirers will likely forget they ever read "The Sun Also Rises."

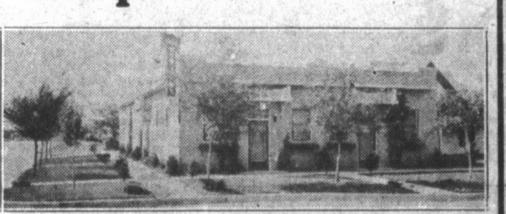

Now Miss Cather's "Three Women" is in the penetrating, understanding Cather style. The three are a pampered beautiful daughter, a daughter who manages to keep up a "front" despite her poverty and too many children, her mother, a quiet, slavish woman who never complains and who is glad to be a galley slave for her daughter; and a neighbor-woman who sees all and understands, and who is the means of affording the old mother what little happiness she derives from life. In the end the old mother

"Emma Goldman was a hair-dresser, I believe, and a Marxian Socialist," remarks Mary Austin in her autobiography, "Earth Horizon." "About this time she was living in Greenwich Village with a group of anarchists. I liked Emma. She was a peasant, but she was perfectly sound; she knew where she was going and who was going with her. I couldn't go along with her for Emma, modern history began with Marx; modern literature began with the revolt of labor; archeology had just begun at all, and she thought that I just didn't know, but nevertheless, I liked her." "Earth Horizon," which is to be published by Houghton Mifflin company, is the November selection of the Literary Guild.

"THE CONFESSION OF THE POWER TRUST" by Carl D. Thompson, October 29th.

Carl D. Thompson's "CONFESSIONS OF THE POWER TRUST" was released for publication by E. P. Dutton and company, yesterday.

Prof. Paul H. Douglas, one of the foremost economists of the country, has the following to say on it: "Carl Thompson has performed an invaluable service in digesting the voluminous material on the public utilities which has been unearthed by the Federal trade commission. The Insull collapse has begun to open the eyes of the public to what has really been happening in the past decade and Mr. Thompson's book will serve admirably to MORE ON GALLEY TWO . . . help complete their education. I cannot endorse his book too strongly."

CHARLES EDWARD RUSSELL who read the book in manuscript, adds his tribute to Thompson's achievement. He says:

"It is a tremendous document. So far as I know, nothing published in these times approaches it in its startling revelation of the peril that confronts our form of government. The wealth and the measureless arrogance of power appears the true danger to the republic. We have piled Italy and other countries under dictators. We should look with the utmost concern upon our own house. 'CONFESSIONS OF THE POWER TRUST' foreshadows a dictatorship worse than any in Europe."

Saturday, October 29th is the date of publication.

CANNING ACHIEVEMENTS OF GRAY COUNTY WOMEN WILL BE SHOWN IN DISPLAY

MANY VISITORS ARE TO ATTEND EIGHT EVENTS

AGENT FOR ROBERTS COUNTY TO JUDGE ALL PANTRIES

Gray county women will display their recent food canning accomplishments in a series of achievement days to be held by the various clubs during the coming week. Those wishing to attend any of these events may do so without charge.

Two homes will be visited each afternoon. At each place there will be a gift table, including suggestions for Christmas; a menu table with canned foods arranged to form balanced meals; week's supply table, which will impress the advisability of bringing from the pantry or cellar enough food to last one week; an emergency shelf, which will contain balanced meals which can be prepared by father or children when the mother is away from home; a pantry, which fill include articles canned by the 4-H pantry demonstrator. Posters pertaining to the work will be placed on the walls.

Following is the schedule for the events:

Tuesday, 12 o'clock, Priscilla club in the home of Mrs. Marvin Daugherty of Hoover; 3-5 o'clock, Mrs. E. C. Murrell of Laketon.

Wednesday, 1-3 o'clock, Mrs. Joe Looper, Grandview; 3-5 o'clock, Mrs. M. N. Parker of Boydston, Bluebonnet club.

Thursday, 2-5 o'clock, Mrs. J. H. Smith, Meriten.

Friday, 1-3 o'clock, Mrs. L. S. Brock, Alarwood; 3-5 o'clock, Mrs. Sam McClellan, McLean.

Mrs. Bessie Seitz, Roberts county home demonstration agent, will score the pantries on Saturday, and on Tuesday, Nov. 8, all wishing to view the three winning pantries may do so. The crowd will leave the courthouse at 9:30 o'clock and in addition to visiting the pantries will view the lovely lawn at the home of Mrs. E. A. Shackleton. In one of the homes, the group will be served chile, crackers, coffee, and apples.

The NEWS and some of the local stores will have representatives at each gathering. Scores of visitors are expected to attend each event.

Friends of Janice Purviance Guests For Spooky Party

Twenty-four girls, all gaily costumed, called at the W. Purviance home last evening when a Halloween party was given by Mrs. Purviance for her daughter, Janice. Guests were met in the basement by ghosts, who escorted them through a series of spooky experiences. The house was decorated in keeping with Halloween. Games were played, and at the close of the party a salad plate was passed with punch.

Following is the guest list: Jeanette Cole, Leona Hurst, Pattie and Sarah Hill, Albertina Schulke, Lois Hens Foster, Flora Dean Finley, Mary Price, Ann Sweetman, Lillian Rice, Betty Jo Townsend, Beryl Tignor, Marjorie Tignor, Rose La Nell Williams, Dorothy Davis, Elizabeth Woods, Edith Shearer, Elizabeth Mullinax, Mary Elizabeth Seeds, Ruth Clay, Martha Lee Clay, Margaret Carr, Pauline Gregory, and Pauline Stapp.

Program Is Heard By City Council

The city council of Parent-Teacher association met at the high school building Thursday evening with the president, Mrs. J. B. Townsend, in charge. About 30 persons were present.

Claudine Lawrence Honored at Party

Mr. and Mrs. C. W. Lawrence, assisted by Mrs. H. H. Heiskell and Mrs. J. W. Woodworth, entertained Claudine Lawrence with a Halloween party Thursday evening.

The Lawrence home was decorated throughout in keeping with Halloween, and guests were admitted by jumping over the broom stick.

Games and ghostly stunts were played during the evening, and fortunes were told by the spook, Mrs. Heiskell. Refreshments were served at a late hour.

Boys attending were Bill Hawkins, Wayne Hutchins, James King, Stanley Beck, Dennis Powell, Max Aker, Sam Keith, Harold Bray, Ben Wohlgenuth, and Charles Compton. The girls were Lorena Turman, Frances Talley, Hester Lester, Mary Ellen Cary, Maudine Woodworth, Pauline Windsor, Willie Keith, Mary Lee Records, Arline Herrins, Thelma Sartin, and Fay Compton.

"VIRGINIA"

The guiding spirit in the production of the current Little Theater play is Mrs. Julian Barrett, known to members of that organization and to her friends as Virginia. Her office, chairman of the play-reading and casting committee, is perhaps the most important in the Little Theater. Mrs. Barrett has never missed a rehearsal of "The Trial of Mary Dugan." The director, Miss Arless O'Keefe, found in Mrs. Barrett an indispensable adviser and assistant. Pampanians will remember that she took the honor in "The Crisis" which was produced by the Little Theater last year.

HOME COMING TO BE NOVEMBER 5

Students Are to See Cornerstone Laid For Museum

CANYON, Oct. 29.—November 5, the annual fall home-coming day at the West Texas State Teachers college will be a full day for the hundreds of visitors who are expected for the ex-student festivities and the laying of the cornerstone of the Panhandle-Plains Historical Society museum.

Beginning with a giant assembly at 10:30 a. m. presided over by Superintendent Irby Carruth of Canyon, and ending with an informal reception following the evening program, every moment is taken.

The faculty of the college and Canyon business men have made possible a great barbecue, under the expert preparation of John Snider of Amarillo. Admission will be by cards which will be issued to ex-students and their families, members of and donors to the Panhandle-Plains Historical society museum and especially invited guests.

At 11:30 the ex-students will join hundreds of old timers who will gather for the laying of the cornerstone of the \$50,000 museum building. This program has been arranged by Professor L. F. Shugert, T. D. Hobart of Pampa, Sam Isaacs of Canadian, W. H. Patrick of Canyon and Oscar Gano of Canyon will be in charge of the Masonic ceremony. Dr. J. A. Hill of Canyon and J. O. Guleke will be the principal speakers.

Dr. Albert Barnett is chairman of the faculty committee. Miss Anna I. Hibbs heads the alumni committee, T. M. Moore has charge of the barbecue and Professor C. W. Batchelder is planning the evening program.

Miss Arless O'Keefe of Pampa will respond for the ex-students to the address of welcome.

MANY EVENTS PLANNED FOR COMING WEEK

EVERY DAY IS TO BE CROWDED WITH MEETINGS

The coming week will be an unusually busy one for Pampa women, each day having been filled with meetings of various kinds.

Following is the calendar:

MONDAY

Fidelis Matrons class, First Baptist church, will have a Halloween party.

Horace Mann Parent-Teacher association will give a Halloween party at 8 o'clock at the school. All patrons of the school are invited.

First Baptist W. M. S. will observe visitation day.

Executive board and room mothers of Woodrow Wilson Parent-Teacher association will meet at 4 o'clock at the school.

Achievement day will be observed. (See MANY EVENTS, Page 5.)

LEADING LADY

The titular role in "The Trial of Mary Dugan" which will be presented by the Little Theater at the La Nora theater Wednesday night will be interpreted by Miss Lucille Ewing, daughter of Judge and Mrs. W. R. Ewing of Pampa. She has appeared in several stage productions in New York and toured the country with a stock company in "The Student Prince."

NEW OFFICERS ARE SELECTED

Mrs. Guy Saunders Is Chosen Oracle On Thursday

Mrs. Guy Saunders was elected oracle of the Royal Neighbors at a meeting held Thursday evening in the lodge's hall on West Francis.

The following other officers were elected and installed: Vice oracle, Mrs. Ed. Mazey; past oracle, Mrs. Tom Anderson; recorder, Mrs. Ralph Rittenhouse; receiver, Mrs. John Weeks; chancellor, Mrs. Carl Dunlap; marshal, Mrs. George Alden; manager, Mrs. Bert Moore; camp physician, Dr. W. B. Wild; inner sentinel, Mrs. Gunzaullus; outer sentinel, Mrs. W. N. Rigger.

Special guests at the meeting were Mrs. Eva Huskey of Denison, state deputy; Mrs. Arilla Nelson of Borger, district deputy; Mrs. Emma Brannon of Denison, district deputy; Mrs. Self of Borger, oracle; Mrs. Eaton of Borger, marshal.

Pie and coffee were served at the close of the meeting.

Twenty-four Pampa members of the Royal Neighbors of America attended a district meeting in Claude last Tuesday. Their part in the meeting included giving the initiatory degree and presenting a fancy drill. Also Mrs. Ethel Pauley and Mrs. Ed. Mazey gave a vocal solo.

Pampa had the honor of having more candidates than any other camp in the district.

Borger, Whittenburg, Pampa, and Claude were represented.

It was voted to hold the next meeting in Pampa.

Lecture on Bulbs To Be Given With Slides on Tuesday

All persons interested in bulb culture are invited to attend a lecture by Mrs. H. H. Hicks, illustrated with colored slides, Tuesday morning at 9 o'clock at La Nora theater. The slides and lecture are sponsored by the Pampa Garden club, and no admission charge will be made.

Thirty-Six Attend Luncheon Meeting Of Bethany Class

Thirty-six persons attended the monthly luncheon and business meeting held by the Bethany class, First Baptist church, Friday at the church.

Talks on future work were made by the Rev. C. E. Lancaster, Charlie Barrett, Mrs. G. C. Malone, and Mrs. Lancaster, and a reading, "The Angels," was given by Mrs. T. F. Morton.

The following attended: Rev. Lancaster, Mrs. Barrett, Geneva Groom, and Mesdames C. E. Lancaster, Robert Seeds, L. R. Taylor, L. A. Baxter, L. L. Ladd, Blaine Robinson, A. N. Thorne, Glen Stockton, Lewis E. Davis, A. A. Neal, J. J. Long, T. B. Rogers, Alma Turman, Hiram J. Collins, Cyril Hamilton, F. E. Hoffman, Norman Zahn, G. C. Malone, O. C. Williams, A. J. McKee, J. B. Pafford, H. M. Stokes, T. L. Anderson, W. E. Towe, A. A. Steel, J. B. Chisum, Lou Conklin, T. P. Morton, W. L. Davis, O. A. Davis, G. C. Durham, F. M. Baker, and Clyde Ford.

Steklytown school children gave a Halloween carnival Friday evening.

BURIED TANK USED AS POOL FOR SWIMMING

GREENHOUSE ALSO IS UNIQUE FEATURE UNDER GROUND

A trip to the country home of Mr. and Mrs. E. A. Shackleton east of Pampa—and many have made such visits lately—is a revelation in what can be done in yard beautification at small expense.

Aside from the greenery and flowers which please the eye, a rock garden with water trickling over it and running into a lily pool is a most striking feature. Lilies float on the little pond, in which gold fish swim about among the cat-tails and ferns. Rock from many states is stacked about, some being of volcanic origin from New Mexico and several specimens being petrified.

Nearby is a small buried tank which the Shackletons grandsons use for a swimming pool. Tiny boats float on the surface and the edges are lined with rocks. Rock plants help to complete the picture of rustic splendor.

Not a bit less interesting is an underground greenhouse. It cost the astonishingly small sum of \$4.40. It was made by sinking a rusty old water tank 6 feet into the ground, cutting a door in one side and building steps, and covering the open top with glass windows. Inside are shelves on which rest dozens of house plants, safe from wind and frozees. A lantern burning inside in winter keeps the plants safe. Ingenuity indeed!

There are many cacti round about, and willows which grew from a sprout left by an Indiana man 40 years ago on the old Shackleton place near Laketon. The front yard is more town-like, with Bermuda grass, chrysanthemums, an almond tree, and summer flowers of many colors. Hardy by is an orchard, a strawberry patch, a wheat field.

Mrs. Shackleton won first place in the non-club yard improvement contest sponsored last year by the home demonstration program. She describes her experiences in the report below:

By MRS. E. A. SHACKLETON

Back in the dark ages when they were making human beings out of clay, the bits of left-over clay were tossed over in a corner. One autumn day old Mother Stark suggested a house cleaning. In picking up this and moving that, she came to the pile of left-over clay.

And then the motherly soul, not to be wasteful, said "Let's make a baby out of this. Just a bit of clay for arms, and legs and a ball of clay for a head."

"Well, said the master maker," I find here a dab of brains, and here is a piece of "do and dare." And here is a big chunk of "sense of humor." She will need it too, for you'd better drop her on the doorstep of some frontier farm woman. That is the last of my clay and a queer combination you've got to get rid of too. It was my suggestion that this be made of left-overs.

This new era of civilization has caused such keen competition that I can't compete with them any more. So I'll just retire and go over and sit by old Father Time and watch for current events. So goodbye and good luck."

How many of you know that weeds can grow thicker, higher, and

GOOD WITNESS FOR STATE

Mrs. Raymond W. Harrah

It's not at all hard to believe that the beautiful lady above could be Mae Harris, star of New York's Scandals, and that's just what she is in "The Trial of Mary Dugan." Mae testifies she heard Mary Dugan hand at Edgar Rice, very good friend of Mary, with a knife in her hand, shouting "I'll kill you." She makes a good witness for the state until the defense witness, Mr. West, played by Paul M. LeBeuf, gets her story tangled up in a manner most embarrassing to the state but not to Miss Harris who is at ease when the light is thrown on her fabricated stories as when she told them. Her testimony, told in a sophisticated manner, provides many good laughs.

NEEDY PAMPANS AIDED GREATLY BY SEWING DONE ALMOST DAILY

Workers for Coming Week Announced By Chairman

Women have been unusually diligent in sewing for the needy during the last week, according to Mrs. W. B. Henry, general chairman. The women now are well organized for the purpose of making garments of all kinds from the Red Cross material purchased with government cotton.

The following garments have been made so far: 73 shirts, 102 pairs of bloomers, 18 slips, 25 dozen diapers, and 154 dresses.

Beginning next week, the workers will meet at 2 o'clock instead of at 1:30. Following are the organizations and chairmen who will serve:

Oct. 31—Baker Parent-Teacher association, Mrs. A. L. Lard.
Nov. 1—Rebekahs, Mrs. C. F. Claussen.
Nov. 2—American Legion Auxiliary, Mrs. Al Lawson.
Nov. 3—Sam Houston Parent-Teacher association, Mrs. Rufe Thompson.

Hiriam J. Collins was expected to be here from Ada, Okla., to spend the week-end. He will be accompanied home by Mrs. Collins, who has been visiting her parents, Mr. and Mrs. J. J. Long.

Dr. and Mrs. A. B. Goldston are expected to return tomorrow from Houston, where they have been visiting Dr. Goldston's brother and mother during the week-end.

MRS. CLAYTON WINS FIRST PLACE IN FLOWER SHOW; INTERESTING ANTIQUES SHOWN FRIDAY

Visitors at the Presbyterian flower show Friday marveled that so many varieties of flowers should be blooming in Pampa at this time of year. There were gorgeous chrysanthemums and dahlias, lovely roses, dainty bluebonnets, and dozens of other flowers, some rare and others typical of this section.

The exhibit of antiques and curios also drew much interest. Judging was done by Mrs. F. Ewing Leech, Mrs. Nels Walberg, and Mrs. Charlie Thut. Mrs. Charles Todd was general chairman of the show and Mrs. Tom Clayton was her assistant. Mrs. V. E. Fathere, assisted by Mrs. P. C. Ledrick and Mrs. Jim White, was in charge of the splendid antique and curio division.

Mrs. Tom Clayton, with a bouquet of huge bronze chrysanthemums, took the grand prize, and the second award went to Mrs. A. A. Hyde for her bouquet of snapdragons of various colors. Mrs. Henry Thut took first place among the mixed bouquets, her entry including 38 varieties of flowers. Mrs. J. M. Saunders took second place in the same division.

First and second place winners in other divisions were as follows: Roses—Mrs. Tom Clayton, Mrs. Clyde Fathere.
Dahlias—Mrs. A. R. Sawyer, Mrs. C. B. Barnard.

Cosmos—Mrs. Chas. Millen, Mrs. A. A. Hyde.
Snapdragons—Mrs. A. A. Hyde, first and second.
Chrysanthemums, grand prizes—Mrs. Tom Clayton, Mrs. C. B. Barnard.
Yellow chrysanthemums—Mrs. Guy Farrington, Mrs. P. F. McKimmick.
White chrysanthemums—Mrs. P. F. McKimmick, Mrs. B. C. Priest.
Rose-colored chrysanthemums—Mrs. J. M. McDonald, Mrs. C. P. Buckler.
Chrysanthemums of other colors—Mrs. Jess Noel, Mrs. W. R. Campbell.
Mixed bouquet of chrysanthemums—Mrs. T. D. Hobart, Mrs. Clyde Fathere.
Caledonias—Mrs. A. A. Hyde, Mrs. E. A. Shackleton.
Marigolds—Mrs. Robert Seeds, Tom Clayton.

Approximately 150 persons attended the waffle supper sponsored by Baker Parent-Teacher association Friday evening at the school. Between the hours of 5 and 9 p. m., waffles, striped with bacon, were served with coffee, Halloween colors were stressed in decorations.

The association expressed appreciation to the following merchants for donations: Taylor Farm dairy, Cox Brothers grocery, Bairns and Hastings grocery, Gray County Creamery, Help-Sell, M. System, Oil Belt Grocery, Grob's grocery, Standard Food market, and Pampa Fruit and Vegetable market, as well as all mothers who assisted with donations and

Hundred Fifty Persons Attend Waffle Supper

Pythias Knights And Sisters Are Guests at Party

Knight of Pythias and the Pythian Sisters attended a lively Halloween party recently in the Knights' hall. Games were played and J. E. King entertained with music on his guitar.

Pumpkin pie, topped with whipped cream, was served with coffee at the close of the evening.

The following attended: Mr. and Mrs. R. L. Edmondson and son, R. E. Jr., Ray Barnard, Mr. and Mrs. Guy Saunders, Mr. and Mrs. W. R. Ewing and daughter, J. E. Klander, Mr. and Mrs. C. C. Donations Made To School Cafeteria

Horace Mann Parent-Teacher association has announced the following recent donations to the school cafeteria: Mrs. V. E. Fathere, \$5; Mrs. H. C. Schofield, \$1; Pampa Fruit and Vegetable market, one pumpkin and one bushel of sweet potatoes; City Fruit and Vegetable, one bushel of apples; Mrs. C. C. Matheny, one quart of apple jelly.

Music by Mrs. May F. Carr Announced

Mrs. May Foreman Carr, organist at the First Methodist church, will play the following selections today: Morning—Raindrop Prelude (Chopin); Pastorale (Yon); Adeste Fidelis.
Evening—Song of the Basket Weaver (Russell); Chant Sans Parole (Frydinger); Recessional (Frydinger).
The program will be sung by the choir this morning.

Episcopal Group Will Aid Needy

The Episcopal auxiliary voted at its last meeting to care for a needy family during the winter months. Members also made plans for the auxiliary dinner of Nov. 9 and for the waffle supper to be served the first week in December. A study of Indian missions in the United States was continued under leadership of Mrs. Louie P. Clarke. During the social hour the hostess, Mrs. M. K. Brown, served tea and delicious tea dainties to the following members: Members H. D. Keys, S. G. Surratt, C. P. Buckler, S. F. Thornton, J. H. Moyer, Julian Barrett, Henry Thut Sr., Clyde Gold, Henry Charles, Jack Cunningham, Earle Scheig, George

THE COP

TOM HEROD
The role of the self-sufficient police inspector in the current Little Theater production is played by Mr. Herod. He is the "cop" who salvaged the blood-stained night-dress worn by Mary Dugan when she was arrested, the knife which carried her fingerprints. Mr. Herod is a member of the faculty of Junior high school.

BURIED

faster in a back yard than any other place on a farm? And tin cans, sticks, and rubbish can accumulate in piles all over the place. Then too, our chickens seemed to think our back door-step such a nice resting place. So it seemed our first improvement must be a yard fence. This was built from odds and ends, of left-overs. Then our club had a birthday shower for each member. One of members gave me a Chinese elm tree. At Christmas a friend gave me three water-lilies, which I put in an old wagon wheel-tank used 30 years ago. We also were given some money to buy trees and shrubs.

When spring came my yard looked much better, but the weather man had to have his last fling, the mercury dropping to 3 degrees above zero in March. The freeze killed my shrubs, rose bushes, and perennials. Some of these came out later but seemed slow to grow.

And had it not been for my good friends who believe in doing their "good deal daily," my yard would have indeed looked like Old Mother Hubbard's cupboard. In June and July we had three big hail storms, each time left only scared stalks standing. This sorely tried my patience and vexed my soul.

Then I thought of the rocks I'd been collecting for the last few years from friends and in travels. The wind and weather could not ruin them. It would take something "as solid as a rock" to show that I was a yard demonstrator. In collecting materials on rock gardens, I learned to make them "look natural." But what I'd like to know is how can you make rocks gathered from the four corners of the earth look natural on these bald plains.

So I didn't even try to make them look "natural" but changed them about to show their best advantage, who, or what, isn't improved by changes, such as rearrange or paint? Last year, after carefully spending my \$5.65 I won in prizes at the Pampa fair, I had 15 cents left and was undecided how to spend it until I found a rubber plant at Woolworth's. It grew so nicely I began to collect house plants again from friends until I had a room full and no place to put them. It was up to the good man of the house to keep a fire at night to keep them from freezing, or to build a greenhouse.

The hail got our wheat and it looked like depression sure enough. Then came the old adage, "Use your left-overs." We began to look around and found an old wornout water storage tank. We cut the top off and put it in the ground to make the grandsons a wading pool. They and their little friends spent many happy hours wading in it. The boys learned to swim and dive under the water like ducks.

Then we took the other part of the tank and made an underground greenhouse. The dirt from the excavation was used to fill in the back yard for grass to be planted in the spring. All the framework of the greenhouse is 2-inch lumber, some of which we had for 25 years. The glass for the top was picked up at bargain prices. The white-wash was made from carbide given us at a Pampa welding shop. The total we spent was \$4.40 for the greenhouse, \$2 on the tank, and \$1.75 for shrubs and seed.

JUDGE

JULIAN BARRETT

Mr. Barrett looks rather serious in this picture, but not as serious as he looks in "The Trial of Mary Dugan" in which he will be Judge Nash. It is his function in that play to pound the gavel for order, to see that the defendant is tried honestly and fairly, to over-rule and sustain the frequent objections hurled by defense and state attorneys. In the beginning of the first act, it is his duty to sentence a woman to death—a wailing Italian woman, Miss Josephine Carrier, who has been found guilty of murdering her lover.

Pampa Team Outplays Amarillo in First 3 Quarters

RAMBLER HERD GOES DOWN IN LAST QUARTER

AMAZING VICTORY ONE OF GREAT UPSETS IN FOOTBALL

By EDWARD J. NEIL, Associated Press Sports Writer
PITTSBURGH, Oct. 29 (AP)—The Panther, regal jungle cat, proved dangerous when wounded, cornered, and forced to bare his fangs today to a mighty Notre Dame eleven, hailed the greatest in the land. Battered and groggy, the Panther lashed out in a dying fourth quarter effort that stunned the green Gremlins from South Bend, sent them down to a 12 to 0 defeat, and chalked up one of the greatest upsets of all times.

Driven like sheep before the charge of eleven shepherds, the Panthers reeled through three periods of a struggle that held a mammoth crowd of 65,000 breathless with fear for the homeboys. Three times, once in each scoreless quarter, the Panthers staggered back under the drive of a team they say in the mid-west is the best that ever came out of the Indiana University where Knute Rockne founded the greatest of modern football dynasties.

Within a single minute deep in the final quarter, the Panthers scored two touchdowns. The cocky green raiders fell apart like an expensive toy dropped from considerable height with the mainspring tightly wound. Within seconds, the remnants of what had been a great team were scattered all over the historical premises.

One halfback blocked out Paul Host, raider end and captain. Sebastian sped for the far sideline. Quickly he cut back, stepping out of the arms of three headlong tacklers, and his battered mates had time to get in front of them. With precision, they cut down the Notre Dame secondary and Sebastian dashed across the goal without a hand having been laid upon him.

It was an amazing shock to Notre Dame and the great throng as well. There was more to come, swifter, almost than it takes to tell. Passing desperately, as soon as he got his hands on the next kickoff, Al McGuff, a substitute halfback, hurled his second effort straight into the arms of Ted Dalley, one of Pitt's two mighty ends.

Dalley took the ball on a dead run as he came up from Notre Dame's 35 yard line, and in a flash was over the goal.

Never before has a Notre Dame

L'FORS NOSES OUT WARRIORS IN 3-0 FIGHT

MIAMI'S LAST-MINUTE RALLY ALMOST NETS COUNTER

By HARRY E. HOARE.
Football that has not been produced by class A teams this season was played at LeFors Friday afternoon when the LeFors Pirates took a strange hold on the district Class B championship by defeating the Miami Warriors 3 to 0. They defeated Wheeler last week 35 to 0.

Stewart, Pirate backfield ace, placed the ball in scoring position late in the last quarter when he broke through the line and ran 45 yards unassisted to place the ball on the 15-yard line before being run out of bounds. Carter and Stewart gained 8 yards on 3 downs with Carter carrying the ball to the center of the field, 7 yards from the goal line. The teams lined up and Carter carefully placed the ball between the uprights for the winning three points.

With Curly Owens doing all the work, the Warriors started a march up the field with two minutes to go and with passes and backs, the ball was placed on the LeFors 10-yard line at the final whistle. Owens had not been his old charging self until the last few minutes. If he had had any pass receivers the Warriors would have come out on top. Owens had the ball in his men's arms with no one near and they dropped the pigskin three times.

The Warriors failed to register a first down until three minutes to go in the last quarter and they made three in a row. LeFors made six first downs, three coming in the first quarter.

Stewart and Carter were the big ground gainers for the Pirates while big Owens was the only carrier for the Warriors. His line smashing in the last quarter was a revelation. The game got rough at times but Referee W. O. Workman handed Miami two 15-yard penalties in succession and had the game well in hand.

The work of Bagwell of LeFors in returning punts was good but he

GORILLAS WIN FROM CLAUDE

Strong Class B Team Handled 12 to 0 Defeat By Hard-Fighting Boys.

The high school Gorilla team upset the old dope bucket Friday afternoon by taking a 12 to 0 game from the fast Claude Mustangs at Harvester park. Tenare, fleet little Gorilla halfback, made the first touchdown while Reynolds took a pass to cross the line with the winning counter. Lewter, Claude substitute and former Pampa Gorilla, scored for the Mustangs at the whistle.

Pampa's two touchdowns were scored on the prettiest plays seen at Harvester field this year. The fleet-footed Tenare took the ball on his own ten-yard line close to the right side of the field, skirted the left end of his line, outmaneuvered the left sideline, and outran the entire Claude team in a 90-yard race across the goal line. The other Harvester touchdown followed closely when Reynolds caught a 20-yard pass from Gregory while surrounded by Claude players, and squirmed across the line. The try for extra point failed.

Claude pushed the ball across the Gorilla 6-inch line with one minute to play and the Gorillas held the three downs. The whistle blew time as the ball was received by Lewter and he went across when the Gorillas believed the game over.

The Gorillas showed a world of improvement over their last appearance. The youngsters have had a successful season holding wins over Claude and Groom and a tie with Canadian. They bowed to the big Panhandle Panthers and White Deer Bucks. Coach Warren Moore has worked wonders with the team. He started out with 36 green and inexperienced boys and has developed a winning combination in a little more than a month.

There should be some valuable material for next year's green and gold team in this year's Gorillas.

The starting line-ups:
PAMPA—Williams, le; Hollenbeck, lt; Nolan, lg; Noblett, c; Pittman, rg; Carr, rt; Reynolds, re; Evans, qb; Tenare, lb; Gregory, rb; McAtley, fb.
CLAUDE—McClure, le; Holman, lt; Burton, lg; Norman, c; Walker, rg; Smotherman, rt; Bagwell, re; W. Bagwell, qb; Goodger, lb; Campbell, fb.
Substitutes—Pampa, Haier, Frasier, Brown, and Holmes. Claude, Lewter.

Rice Annihilates Creighton 41-7

HOUSTON, Oct. 29 (AP)—Rice Institute's running attack clicked in most convincing fashion here this afternoon and Coach Jack Meagher's Owls handed Arthur Stark's Creighton Blue Jays from Omaha, Neb., a 41 to 7 licking.

"Jap" Thrasher, a fine running halfback, was the spark plug in the Owl attack; scoring the first three touchdowns on some nifty broken field running that saw the Houston boy at his best. Pat Wallace, "Doc" Metzler and Mike Hale chipped in with the other markers.

The Bluejays really made the Owls come to life in the first half as they gained a 7 to 0 lead. But in the final two chapters, Jack Meagher's young men began hitting on all high and their drive coupled with the heat was too much for the Missouri Valley gridmen, who were worn down to a frazzle by the last period, and the locals scored almost at will.

Mrs. H. E. Scott and baby have returned to their home at the Skelly Shafer plant.

Dr. and Mrs. A. B. Goldston are visiting relatives in Houston for a few days.

Charles I. Hughes came from El Paso to attend the Amarillo-Pampa football game and spend the weekend at his home here.

SANDIE BACKS STOPPED DEAD DURING MELEE

LINEMEN THROW STARS FOR REPEATED LOSSES

(Continued from page 1.)
ed third quarter, when each team made one first down and gained almost equal yardage. Only Amarillo's big fourth period enabled her Sandies to close the game with victory and a claim to having a formidable contender for district honors. And only an arching pass to Sanders allowed the Amarillo score, which Mann converted. The Sandies made 6 first downs, augmented by reserve strength hurled at the Pampa cripples, while the locals were making 2 first downs.

The Harvesters started in every department, their line roundly surpassing the Sandie wall for most of the game and their nifty little backs matching plunger for plunger with the huge and highly touted Amarillo speedsters. And in the air the Harvesters surprised even their coach with their prowess. It was inspired play of the sort which left their previous efforts this season as just a rehearsal. The fans had asked only for a fighting exhibition from boys of a fighting town. The performance so far passed this expectation that there were no regrets.

First Quarter:
Ledrick took the Sandies kickoff on his goal line and returned to his 30 near the west sideline. Kelley was forced to punt to Enochs after two line plays failed to gain. Enochs returned 10 yards for roughing. Pooler made a first down at the whistle. Kelley shoe-strung Cazell for a 5 yard loss in the prettiest tackle of the day. He was injured but remained in the game. Sullins gained 7 yards after the ball went over on downs. Rufus Walker was injured after playing a great game. He was replaced by Johnson. Pooler made a first down at the whistle.

Second Quarter:
Marbaugh replaced Turner at right half. Dunaway got back Killian's loss. Byrd punted to the Harvesters' 90 yard line. Mann got Marbaugh from behind for a 5-yard loss. Marbaugh left-handed a long heave to Sullins, who was stopped by the play. Sandies' 27 near the east sideline. An out-of-bounds play gained nothing. Kirby stopped Sullins for no gain. Marbaugh passed to Patton 20 yards to Sandies' 30-yard line. Pooler hit the right side for two yards, but Pampa drew a 5-yard penalty on the play. Pool hit a wall at center, picking up one yard. Sullins passed to Kelley over the goal line, but Kelley caught it outside the end zone.

Enochs made 12 yards off right tackle after the touchback, but Amarillo drew a five-yarder on the play. Dunaway made four at center. Pooler and Schmidt stopped Enochs after he had made three yards. Byrd kicked out of bounds on Amarillo's 40.

Pooler fumbled and recovered without gain. Killian knocked Marbaugh's pass into Sullins's hands. He made 26 yards on the play. Sandies replaced Carter for Amarillo. Pooler ran the ball out of bounds, losing two yards. Sullins plowed for 5 yards.

Marbaugh passed to Patton on the Sandie 5 yard line. Copeland replaced Thomas for the Sandies. Pooler failed to gain at center. Again Pooler hit center, picking up a yard. Byrd stopped Pooler at center. Killian knocked down Marbaugh's pass to Sullins over the goal line.

Enochs and Killian picked up a first down on four plays but Dunaway passed to Sanders for 13 yards and another down. Owens went in for Marbaugh. Enochs, Killian and Dunaway started down the field with a series of backs that netted three downs but the threat was halted by a pass over the line. Dunaway intercepted Pooler's pass at the whistle.

Plan to Organize Basketball League

High school superintendents and coaches of schools in this section of the Panhandle will meet Nov. 12 in Amarillo to organize a basketball league. Thirty-two superintendents met in Amarillo yesterday morning and discussed plans for the formation of the league.

Two plans were discussed yesterday. One plan was to organize a league and divide it into sections. The other plan was to have a Class A and Class B league divided somewhat similar to the football league and play off for the championship. The Class B schools could have a similar league.

Pooler was stopped in the last exchange and then Kelley passed over the line into Patton's hands but it slipped through.

Fourth Quarter:
Pooler was stopped in the last exchange and then Kelley passed over the line into Patton's hands but it slipped through.

Enochs picked up a first down and then received a pass on Pampa's 21-yard line. Byrd gained four but was penalized. Dunaway then made a surprise pass to Sanders over Hamilton's head and Sanders raced 10 yards for the touchdown. Mann added the extra point from placement.

Turner returned the kickoff 29 yards. Kelley passed to Pooler for 27 yards in the middle of a swarm of Sandies. The Amarillo pass defense team was sent into the air by Hamilton's head and Sanders raced 10 yards for roughing. Pooler was injured but stayed in the game.

PIGSKIN DOINGS

By H. E. H.

TODAY'S HARVESTER.

A substitute lineman who has had his big chance and is making good is Edgar Johnson, son of Mr. and Mrs. J. W. Johnson. Edgar had been understudy for Rufus Walker at left tackle early in the season but when Rufus suffered an injured angle Edgar stepped into the vacancy and filled the gap. Edgar is 19 years old and a senior. He is playing his first year of football and has made good with a vengeance. He weighs only 155 pounds, but is a hard charger.

Football is a funny game. One of the strangest plays in several years comes to us from San Antonio by the ASSOCIATED PRESS:
Tech high kicked off to Carnahan of Jefferson high last night and he ran 80 yards for a touchdown. Jefferson kicked off to Farrar of Tech and he ran the ball back 82 yards for a touchdown, the two scoring plays requiring only 31 seconds by the timer's watch.
The final score was Jefferson 27; Tech 7.

Oklahoma City is next. The Harvesters are due to get a big surprise when they invade Bill Murray's home town. The Capital Hill boys have been going like a streak this season and the score should not be like the 26 to 0 one hung up by the Harvesters last year. The boys will see the Oklahoma-Missouri game Saturday afternoon at Norman as the guests of the athletic associations. Frank Carideo of Notre Dame fame is at the head of the Missouri squad, but he has not had much luck this year. Re-

FROGS SHOW CHAMP FORM

Baylor Buried Under 27 to 0 Scoring Spree of Fleet Backs.

By BILL PARKER, Associated Press Sports Writer.
FORT WORTH, Oct. 29 (AP)—Behind a powerful line that ripped gaping holes in Baylor's defense, Blanford Spearman, Hubert Dennis, Buster Brannon and Joe Wallace galloped for touchdowns today to give the Texas Christian University Horned Frogs a 27 to 0 victory over a game but not strong enough Baylor University.

It was the Frogs' third Southwest conference victory and in it they scored their 21st point of the present season and clicked with their sixth victory in seven starts, having played a 3-all non-conference game against Louisiana state.

About the only satisfaction the green-clad Baylor huskies received was the fact they prevented Richard "Red" Oliver, Texas Christian halfback and the conference leading scorer, from crossing the goal line. Otherwise the game belonged to the senior Christians from period to period. Because of an injury to Kitchen, sophomore fullback, Coach Francis Schmidt started eleven seniors against the Bears, and from Pruitt and Salkeld at the wings, on through the line and into the secondary, the seniors played as if it was the last game of their careers.

A. P. I. Meeting Tuesday Night

The next regular meeting of the Panhandle chapter of the American Petroleum Institute will be in the city hall auditorium at 7:30 o'clock Tuesday night, instead of the following Tuesday. The change was deemed advisable because the regular meeting night would fall on the same date as the national election.

The subjects to be discussed will deal with accident prevention in its application to the petroleum industry, the public, and the individual. The subject should be of vital importance to everyone and the public is urged to attend.

A first aid demonstration will be given by Otto Rice, Skeet Wise, Melvin Qualls, Edward Scott, John Martin, and Ben Horn, local Boy Scouts. Talks will be made by H. N. Blakeslee of the A. P. I. division of accident prevention, Dallas, C. L. Lightower of the Texas & Pacific Coal and Oil company, Thurber, and J. L. Bisinger of the Magnolia Petroleum company, Dallas.

MUSTANG JINX BROKEN; TEXAS WINS 14 TO 6

PONIES STUBBORN FOE FOR LONGHORNS ALL TIME

By CHARLES E. SIMONS,
Associated Press Staff Writer.
AUSTIN, Oct. 29. (AP)—The
thundering herd of the University
of Texas broke the Southern
Methodist jinx here today
and drove its way to a 14 to
6 victory over a stubborn Mustang
eleven.

By defeating the Pony aerialists,
Texas kept its Southwest conference
slate clean and proved to Coach
Ray Morrison of Southern Metho-
dism that he was slightly in error
in predicting his boys would take
the Longhorns into camp.

True to prediction, the Mustangs
filled the air with passes throughout
the game. But they ran into tough
luck with several of them, and the
ball often found its way into the
hands of Texas men. One of the
intercepted passes was converted im-
mediately into a touchdown when
Harrison Stafford, rated as one of
the best backs in the Southwest,
snagged one on his five-yard line
and galloped 85 yards to a score.

The Ponies took advantage of a
break early in the game to score
their lone touchdown. Hodges,
Texas fullback, fumbled on his own
39-yard line and Mills recovered
for S. M. U. A pass, Bacucus to
Mills, put the ball on the Texas
22-yard mark and Bacucus passed
to Fugua to place it on the 9-yard
strip. A short pass, Bacucus to
Fugua, was complete for 4 yards
and Fugua struggled over the line
with two Steers hanging on him.
Baxter's place kick hit the bar and
bounced back into the field.

The Mustang lead was short lived

Girl Scouts Are Formed at Junior High Here Friday

Friday afternoon at 3:30 o'clock a
Girl Scout troop from Junior high
school was organized with the fol-
lowing girls present, Betty Joe
Thurman, Doris Gee, Margaret Huff,
Betty Cruik, Dorothy Jo Moore,
Juanita Cockerill, Theda Cox, Betty
Jane Blythe, Martha Ann Martin,
Neil Reeves, Ruth Sullins, Pauline
Keith Lillian Rice, Geraldine New-
ke, Bonnie Marie Shannon, Jewel
May White, Margaret Campbell,
Jean Hildreth, Ava Clyde Smart,
Georgie Stephens, Clara Colvin,
Christine Warren, Rosamary Mil-
ler, Geraldine Boydston, Juanita
Moore, Alta Ruth Ford, Josephine
McQuerry, Mozelle Prayton, Noma
Lee Hood, Mildred Durham, Pearl
Blyvis, Opal Ruth Jones, Ella Faye
Young, Dorothy L. Davis, Margie
Hampton, Elizabeth Barnes, Beryl
Tignor, Elizabeth Wood, and Dor-
othy Stuart.

Among others present were the
Rev. A. A. Hyde, Boy Scout leader;
Mrs. John I. Bradley, director of
Girl Scout work in Pampa, and Miss
Opal Cox, sponsor.

Rev. Hyde gave a talk on Boy
Scouts and their work, while Mrs.
Bradley gave information on Girl
Scouting. The girls will meet every
Friday.

and was offset a few minutes later
by Stafford's long run. With the
ball on Texas' 17-yard line, as the
recruit of another Texas fumble,
Bacus shot a hard pass toward
Fugua. Stafford leaped high in
the air, stopped the ball with his
finger tips, juggled it a second and
was off for the goal line. Not a
single Mustang touched him and he
ran straight down the sideline.
Blanton's place kick was good.

In the third period, Bohn Hilliard,
star Texas sophomore, skipped and
twisted around his own right end
from the Pony 26-yard line for a
touchdown, after a sustained Texas
drive had brought the ball from its
own 30-yard line. Burr place kicked
for the extra point.

Southern Methodist lost three
good chances to score.

BRUINS TRIP WARNER 13-6

Stanford Overcome Again; This Time By U. C. L. A. For First Time

OLYMPIC STADIUM, Los Angeles, Oct. 29. (AP)—An active young
Bruin football team from the
University of California at Los
Angeles stuck an impudent paw in
Stanford's gridiron pie here today
by winning a wild contest from the
Indians 13 to 6 before 55,000 spec-
tators.

Two blocked punts by Verdi Boyer,
sophomore guard, were the weapons
of offense which turned Coach
Glenn (Pop) Warner's crew back
for its second consecutive treading
at the hands of a team from the
southern section of the state. Uni-
versity of Southern California turned
the trick a week ago 13 to 6.

It was the first time since U. C. L.
A. first tackled Stanford seven
years ago that it was able to break
through for a victory. The score was
a far cry from the 82 to 0
triumph Stanford collected in that
opening game back in 1925.

The Indians marched through the
puzzled plans for a touchdown
shortly after the game opened and
were stopped 8 yards short of a
touchdown as the final gun cracked.
Jack Hillman, big hard-driving
fullback, and Bill Sim, drove to
the 9-yard line in three plays and
Sim cut through left guard to
score for Stanford at the outset.

HIGHLIGHTS

Eleven Harvesters battled for 60
minutes on the turf at Butler field
yesterday afternoon and to find a
lad not a star would have required
work with a fine tooth comb. The
boys fought an uphill game from
the first and outplayed the Sandies
nearly all the way. They went in-
to the fray as underdogs but
showed thousands of fans from all
over the Panhandle that the bottom
fellow can fight.

Great in the backfield were little
Sammy Turner and big Miles Mar-
baugh. Turner's returning of punts
has seldom been equaled in high
school football. The midget squirmed
through big Sandie tacklers for
many yards when he appeared to
be "mothered." Marbaugh's pass-
ing was accurate and hard. The
Harvesters completed six out of the
first eight passes attempted.

The line was a stone wall and no
player was superior to another. The
work of Clovis Green, Wayne Kelley,
Rufus Walker, and Hoot Fullingim
was sparkling. Schmidt, Nelson, and
Patton held their own with the
others. Philip Fowell, despite his
injured knee, went into the game
and held his part of the line sen-
sationally. Poole and Sullins were
ground gainers practically every
time they carried the ball. Sullins
made the longer gains but it was
Poole who led the interference.
H. L. Ledrick called one of the
hottest games witnessed in this
section in some time. He chose
his plays well.

Lloyd Hamilton cannot be blamed
for the touchdown made over him.
The quarterback was playing a new
position, which is entirely different
from what he usually plays. On
pass defense in his old position he
lets one receiver go through and
covers the second man. He forgot
momentarily that the first man
through was his at right half and
before he could catch up with him
the ball had been received. Lloyd
called a heady game while in the
lineup.

And did Fullingim, Schmidt, and
Kelley smear that Enoch's gentle-
man. Hoot and Gerdis took turns
throwing him for losses on three
straight plays. Amos, who were the
fans that said Green would never
make a center? Green not only
played a wonderful defensive game
at tackle, but his passing from
center was accurate and at a perfect
speed.

Kelley's booting was all that
could be asked for. He booted
nine times for an average of 33
yards and most of his punts were
against the wind.

It was regrettable that the refer-
ence blew his whistle as Patton
caught the pass that seemed a
touchdown but which was not al-
lowed. The official believed that
Patton had stopped, but he was
only pivoting away from a tackler.
The officials were capable.

Pampans generally are pleased
and satisfied with the showing made
by the Harvesters. They were play-
ing on a jinx field and Coach Mit-
chell fostered three kittens on his
dreaded yesterday morning. Sev-
eral fans had premonitions. Pam-
pans took plenty of money out of
Amarillo on the points given, which
totaled as high as 25.

Other services of the week will be
as follows: W. M. S., Wednesday
at 2 o'clock; prayer meeting, Wed-
nesday at 7:30; teachers' meeting,
Thursday at 7 o'clock; Boy Scouts,
Friday.

L'FORS—

(Continued from Page 6)

made a few errors of judgment.
Neither team had a booter that was
effective. Both lines were strong,
especially in danger territory. Re-
peatedly linemen broke through to
smear plays behind the line. Tackling
on both sides was high and
vicious.

The Pirates invade Canadian next
Friday for the last conference game.
A win will give them the cham-
pionship. Both Wheeler and Miami
have defeated Canadian, and the
Pirates are hoped to come through
although Miami put up a much
stronger fight than expected.

Miami could only attempt plunges
and punts during the first quarter
while L'Fors was gaining plenty of
ground but showing no scoring
punch. Things were more even in
the second quarter with both teams
attempting passes. There was only
one first down and it went to L-
Fors.

Owens returned the kickoff after
the 22 yards gain of one of
smothered plays of the day. Both
teams tried the line, ends and air
without success but penalties helped
the Pirates. The only penalty or
offside was in the third quarter.

The fourth quarter was full of
action from the first whistle. L-
Fors started down the field but was
held and punned. Miami returned
and then Stewart made his long
run. Miami held and Carter won
the game. Owens and company
then went up the field but failed to
register before the final whistle.

A large crowd from Pampa wit-
nessed the game.

Starting lineup:
L'FORS—Bonner, le; Wood, lt;
Cox, lg; Brown, c; Combs, rg; Mc-
Donald, rt; Berg, re; Stewart, qb;
Carter, lb; Bagwell, rh; Edward, rb.
MIAMI—Adington, re; S. Bow-
er, rt; Wilson, rg; Weckesser, c;
P. Bowers, rg; Bennett, rh; Burrows,
re; Morrison, qb; Carr, lb; Paris,
rh; Owens, fb.

There were no substitutes used.

Duck Season Not To Begin Before Tuesday at Noon

Hunters, be warned that the time
for hunting ducks and geese does
not start until noon Tuesday. Pre-
vious the hour has been sunrise,
but this year the change is until
noon.

The season will be two months
this year instead of the one month
predicted. Nimrods are anxious to
get started, but they will have to
go long distances to get their fun,
it is believed. There are few if any
ducks or geese in this section, owing
to lack of water. A few ducks, al-
most tame, have been found on or
near watering troughs in farm yards
but otherwise the flights have mis-
sed the Pampa area.

Lakes are dry and prospects of
rain slim. It would take a six-inch
rain to fill the lakes, local hunters
declare.

Pampans generally are pleased
and satisfied with the showing made
by the Harvesters. They were play-
ing on a jinx field and Coach Mit-
chell fostered three kittens on his

eral fans had premonitions. Pam-

CHICAGO GRAIN

CHICAGO, Oct. 29. (AP)—In a dramatic last minute flurry, wheat fell today to the lowest price ever recorded for future deliveries in Chicago.

The collapse followed a cable flash that the 1932 harvest of southern hemisphere wheat had begun in Australia, and that offerings from below equator were pressing at Liverpool, foreshadowing fierce world competition. Accompanying were price breaks at Winnipeg showing that Canada was paralleling the downward course of United States quotations.

Almost unprecedented dearth of immediate available buying demand for wheat, rather than unusual ur-

gency of sellers here, distinguished the overthrow of values.

Wheat closed prostrate at nearly the bottommost point reached, 1-4 to 1-2 cents lower than yesterday's finish, corn 3-8 to 3-4 down, oats unchanged to 1-4 off, and provisions unchanged to 5 cents down.

KANSAS CITY LIVESTOCK

KANSAS CITY, Oct. 29. (AP)—(U. S. D. A.)—Cattle trade during the week under review was marked by considerable unevenness with some markets reporting moderate upturns on most killing classes, while at other centers prices continued to work lower. The stimulating influence of lighter receipts was offset by a sluggish and lower eastern dressed beef trade. Prime heavy steers in Chicago reached 9.85, but offerings selling above the 9.00 mark are in the specialty class and their sale is no criterion of the general market. Majority of fed steers are selling under 8.00 with bulk of the medium and good grades going at 5.00-7.25 and some of the warmed-up grassers dropping downward to 4.00. Country demand for replacement stock was slow at values unevenly steady to 25 lower, quotations at most markets as low or lower than any time this season. Aggregate receipts at eleven markets totaled around 212,400, as compared with 229,183 last week and 263,577 the corresponding period a year ago.

Another decline of 25-40 was enforced during the week on hogs with Chicago and St. Louis reporting a closing top of 3.35. Total offerings were around 368,400, an increase of 13,500 over last week and 163,000 short of a year ago.

NEW ORLEANS COTTON

NEW ORLEANS, Oct. 29. (AP)—Trading was fairly active in cotton today and prices developed a downward trend due mainly to persistent hedge selling, with but moderate trade buying, coupled with easier stocks. The close was barely steady and practically at the bottom, showing net declines for the day of 14 to 17 points.

The market opened fairly active and a shade easier, despite the fact that Liverpool cables came in about as due. Private cables said there had been hedging and scattered liquidation offset only by fair trade calling. Manchester cabled both

New Laws Asked

In an effort to effect a constructive legal remedy, bolstering pro-life laws, the producers passed a resolution asking for the legislature to amend the laws to include economic waste and market demand. Similar action had been taken by East Texas producers. The resolution was drawn by Judge Germain, E. V. Dunigan, and J. E. Wilson.

A move by many small producers to limit allowables of big wells to 100 barrels, with resulting larger allowables for other wells of the Panhandle field, was resisted by the Skelly company, which has a number of large wells in central Gray county.

Humble Big Buyer

It was brought out that Humble is taking 60 per cent of the allowable, and that less than one-third of the other 40 per cent is being stored. Bar-Tex is taking 90 per cent. Regarding storage problems, Commissioner Thompson said another hearing would be held in Austin November 10. Col. Thompson added that oil thefts in the East Texas field had been virtually eliminated through efforts of the commission.

Study of a plan under which wells making 80 per cent water would be exempt from proration and others making down to 20 per cent would be given a sealed allowable will continue here under direction of the proration office.

At the meeting of landowners, royalty owners, and operators in the Panhandle district where there were about 150 present, the following resolution was unanimously adopted and sent Governor Sterling:

"Whereas it has come to the notice of the land owners, royalty owners, and oil producers in the Panhandle district of Texas that the Federal Court in the East Texas case in effect held that under the present conservation statutes of Texas the Railroad Commission cannot enter or enforce any order which will adequately protect the natural oil resources of this state from physical waste and which will protect the property rights of land owners, royalty owners, and operators from serious injury. Now, therefore, be it resolved that it is our opinion that the law must be amended or revised in such a way as to remove therefrom the existing restrictions on the Commission prohibiting it from preventing economic waste and from limiting production to market demand, and that we believe that the only way in which adequate conservation can be obtained and property rights adequately protected is for the Commission to have power to place such limitations on production as will permit a fair and equitable ratable production that will prevent physical waste of any type, and also a prevention of unreasonable discrimination as between oil pools in the state before proper conservation can be had and property rights properly protected, and also that unless this is done the state itself will suffer untold losses in its tax revenues arising out of oil production in this state.

And, therefore, that it is necessary to reconvene the legislature immediately so that proper amendment of the law can be immediately had. Be it further resolved that it is our opinion that the chaotic condition destructive of the welfare of Texas and ruinous to the landowners in the state and seriously detrimental to the conservation of the oil and gas resources of the state is immediately and will take place if this is not done. Be it further resolved that His Excellency, the Governor of this State, is, therefore, urgently requested to immediately convene the legislature for said purpose.

The PEOPLES COLUMN

Editor THE NEWS:

I notice in the Pampa NEWS under date of October 25th, where the city commission and city manager in conjunction with O. J. Walker, chairman of the Federal relief fund committee, will break ground soon and begin the building of a municipal swimming pool, the federal government to pay the labor cost and the city of Pampa to pay the material and equipment cost.

Now, I have figured on the cost of this swimming pool as per plan outlined in the Pampa NEWS, and I believe that it will cost the city of Pampa anywhere from two to four thousand dollars to furnish its part of the cost. I am against any such expenditure on any such project and will give my reasons why:

First, I know that the taxpayers of Pampa are loaded down with taxation and cannot afford to expend more of this size on a project that is so unessential and unnecessary.

My second objection is the mode of dress and carrying on at a swimming pool is more or less degrading to the morals and modesty of society and good citizenship.

And for the above reasons I give notice to the mayor and city commission that I will fight this swimming pool project to a finish and I believe I can get plenty of good help.

Now, if Mr. Walker and his committee succeed in getting right into the federal money, and the city commission wishes to join in and help spend it without much cost to the citizens and taxpayers of Pampa, I will suggest that the city buy about two hundred dollars worth of wheelbarrows, picks, and shovels, and grade highway No. 88 by hard from Pampa to the Donkey county line, or as far as the federal money will go.

By this plan the town will be able to give the jobless a job, including day laborers, lawyers, doctors, real estate men, clerks, and busted merchants.
