## Governor Murray Hurries Troops to Keep Bridge Open

### ATTEMPT TO GET FEDERAL ACT DELAYED

Injunction Hearing to Be Held Week Later at Kansas City—Time Is Misunderstood.

### LAW NOT LIFTED

Sooner Executive Continues to Ignore Authority of Minor U. S. Courts—Speaks in Texas.

MUSKOGEE, Okla., Oct. 26. (AP)—A federal court hearing on an attempt to block the Red river free-bridge south of Durant was postponed today until Nov. 2, after Governor Murray had ordered troops to the span to enforce a state of martial law.

Federal court attaches said they had been advised by U. S. District Judge John C. Pollock, in a telephone conversation from Kansas City that the judge would hear the petition of the Red River Bridge company, owner of a parallel toll bridge, a week from today at Kansas City, Kans.

Judge Pollock was quoted as saying he had not understood the hearing was scheduled today.

Back to "War" ATOKA, Okla., Oct. 26. (AP)—Moving to render ineffective any action of the United States district court, Gov. William H. Murray today ordered National Guard troops to proceed again to the Durant front of the Red river bridge "war."

The order, directed to Col. John A. MacDonald of Durant, was issued by Oklahoma's martial-minded governor in a dimly lighted railroad station here at 3:30 a. m. immediately after his arrival from Dallas, where he spoke last night.

The order written on a telegraph blank, was wired to Colonel MacDonald.

It read: "You will take at once necessary troops of your company and patrol free bridge over the Red river covering the military zone. Do not allow any bridge or the roads leading to it. Take all orders direct from me and keep the free bridge open to traffic. Wire receipt of this order."

Near Texas End DENISON, Oct. 26. (AP)—Two Oklahoma militiamen took their posts near the Texas end of the Red river free bridge between Denison and Durant this morning, as Gov. W. H. Murray of Oklahoma moved to forestall any action by the federal court at Muskogee which might interfere with highway traffic over the structure.

The Oklahoma governor never has lifted martial law in the bridge area since controversy began several months ago with the Red River Bridge company, which sought to prevent opening of the free bridge until it could obtain relief for damages it claimed would result to its parallel toll structure.

Guardsmen under command of Col. John A. MacDonald arrived in trucks shortly after daybreak and pitched camp on a high hill near the Oklahoma approach road.

The toll bridge company application for an injunction closing the free bridge was set for hearing today before Federal Judge John C. Pollock at Muskogee.

Murray Spikes Booze as Issue DALLAS, Oct. 26. (AP)—Gov. William H. Murray of Oklahoma told veterans of the 36th division last night to turn aside from the prohibition issue to consider economic problems confronting the nation.

The Oklahoma executive was the principal speaker at the closing program of the two-day reunion of members of the 36th, the first since the war.

He asserted the cry should be "give us bread and butter, beans and bacon," rather than that of "give us beer."

"We have a thousand years," he said, "in which to discuss temperance, the proper method for baptism of infants, and the infallibility of the Pope."

### Ex-Actress Sued by Clergyman

Charging that she refused to marry him after inducing him to resign his pastorate, the Rev. Bartholomew J. Chudacek (below), former Johnson, N. Y., minister, has sued Betty Randolph (above), former musical comedy actress, in New York, for breach of promise. She denied his accusation at the trial of the suit.

### STATION HERE IS HIJACKED

#### Lone Bandit Gets Small Sum Saturday Night From Clyde DeLong.

A lone bandit held up Clyde DeLong at the Arrow filling station on the Amarillo highway late Saturday night and took \$38.50 from the cash drawer in the station.

The man drove into the station in a light blue 1931 Ford coupe with a California license and as he stepped out of his car ordered Mr. DeLong to throw up his hands and turn over the money in the cash drawer.

Mr. DeLong told officers the man was tall and very slender and was wearing a black hat and dark suit. After taking the small sum of money, the man drove towards Amarillo.

### Kiwanians Win Golf by Default

After issuing a challenge to the Kiwanis club for a golf tournament to be played over the Red Deer Golf course yesterday afternoon, the Pampa Lions club failed to appear in sufficient numbers to make play interesting and the Kiwanians won by default.

There were mighty few of the Kiwanis club on hand and as a result, charity suffered. Mark Heath, owner and manager of the Red Deer course, reserved the course for the tournament and offered to give half the proceeds to charity.

It was expected that at least 30 members from each club would enter the tournament, even though they were unfamiliar with the game.

At about 2:30 o'clock Dr. H. H. Hicks, Lion chief, and J. L. Nance, Kiwanian, arranged for two fore-somes. The rest of the Kiwanis club boys played by themselves.

### PROGRAM AT SCHOOL WILL DRAW MANY

Pupils, Teachers, and Parents to Participate Thursday Evening in Entertainment Before Big Game.

### MUSIC ARRANGED

"Faculty Radio Broadcast" to Include Take-Offs on Prominent Persons—Low Admission Prices.

Two thousand Pampans, according to an estimate of Principal L. L. Sone, are expected to gather in the high school auditorium Thursday evening at 7:30 o'clock to hear a peppy program presented by pupils of junior high school and senior high school, their teachers, and their parents.

An admission charge of 10 cents for children and 25 cents for adults will be made, the proceeds to be used for the installing of a cafeteria under the sponsorship of the Parent-Teacher associations of the two schools.

Coming, as it does, the second evening before the big football game with Lubbock, the program will feature the enthusiastic school spirit. The school band will play, and the uniformed pep squad, the Harvesters, and the Gorillas all will have special sections in which to sit.

Pyramid building and other stunts by the boys' physical education class will be an interesting feature under the direction of Harry Kelly.

Popular music will be furnished by Emmitt Smith, MRS. Mildred Holt, and Miss Loubene Conklin.

Clever Plays Planned His First Dress Suit, a humorous one-act play, will be presented under the sponsorship of the high school dramatics class. Miss Arless O'Keefe is directing the play.

Then, with R. A. Selby as Juliet and Emmitt Smith as Romeo, a part of Shakespeare's well-known play will be given in pantomime. W. B. Weatherhead will sing during this presentation.

Ed Burch, Joe Kahl, Wallace Bost, and Leo Fletcher, members of the high school boys' quartet, will entertain under the direction of Miss Iva June Wilds.

Smith Wise and Clarence Arnold, popular young entertainers, will present a dialogue, How Travel Broadens One. This feature is under the direction of Mrs. M. S. Wise.

Sturgeon To Sing John Sturgeon, lawyer and musician, will favor the crowd with popular vocal selections. He will play his own accompaniment.

Chimaging the event will be the faculty radio program, which will include "Take-Offs" on members of the faculty, members of the school board, and old "Tack."

A dish towel shower also will be given for the cafeteria at the same time, although the bringing of this item will not be required for admission.

### Lubbock Men Are Confident of Westerner Win

John E. Roach, Lubbock city commissioner, and John Graham, city electrical superintendent, were callers at the NEWS office this morning en route back to Lubbock after spending the week-end at Canadian and points north.

The two men said they would return to Pampa Saturday and the special train to see that the Lubbock Westerners did a good job of defeating the Pampa Harvesters in their football classic.

Mr. Roach declared that Lubbock was going to get revenge for the setback of defeat handed the Westerners by Pampa last year. "We wouldn't think of coming back if we didn't know the Westerners were going to beat the Harvesters," Mr. Roach said displaying some tickets for the game.

Lubbock will run a special train to Pampa, Mr. Roach was informed by the NEWS force that Lubbock fans would be treated with the same courtesy afforded Amarilloans. They will be met at the train and taken to the football field in courtesy cars. Their football team will be well trimmed and the fans will then be placed in cars, and brought back to their train and given a great send-off.

### Griffin Funeral Will Be Tuesday

Henry Griffin, 50, who died in a local hospital Oct. 19 following a cerebral hemorrhage will be buried at Fairview cemetery tomorrow afternoon. Funeral services will be held in the C. C. Malone Funeral chapel at 2 o'clock. The Rev. James Todd Jr. will officiate.

Mr. Griffin was part owner of a filling station on the Mobette road. He was stricken soon after eating his supper and died two hours later. The Malone Funeral home has been unable to locate any relatives.

### Here's How Akron and Los Angeles Compare

There's a whole hangar full of lighter-than-air ships at the Lakehurst, N. J., Naval Air Station now. And in this picture you see how the giant dirigible Akron, greatest of the world's flying crafts, looks in its berth beside the smaller, veteran Los Angeles. The Akron, seen here at the end of its first long flight from its factory at Akron, Ohio, fills one side of the hangar to within fifteen feet of the end. The new mobile mooring mast, shown in the foreground, was reported to have functioned perfectly in landing the air Goliath.

### Walker Nips Jail Break

#### Local Man Jerks Down Rope Lowered to Take Gun From Accomplice.

There would have been a wholesale jail break at Stinnett this morning had C. H. Walker, owner of the Pampa Office Supply store here, not gone for a walk about 3:30 o'clock yesterday morning. Mr. Walker was tending with Judge Clifford Braly at a courthouse apartment in Stinnett during the judge's serious illness.

As Mr. Walker was leaving the courthouse by the east door, he saw a rope slowly dropping to the sidewalk. Not thinking that anything was wrong, Mr. Walker stepped outside, took hold of the rope and gave it a light pull. As he let the rope loose it was pulled upward.

Mr. Walker then grabbed the rope as it went past his head, jerked it, and the rope fell at his feet.

It was made by plating strips of sheets. The end of the rope was a towel soaked in disinfectant, which made it heavy enough to be hauled through a window. Mr. Walker couldn't figure how a man could slide down the thin rope. However, he didn't stop to consider but called the warden for a patrol.

Mr. Walker then informed him that the rope had been lowered so that an accomplice on the outside could tie a gun to it.

The deputy said that they had been warned that guns were to be passed up to prisoners in the jail and that they had guards on the inside. The cells in the jail were searched but nothing was located. It is believed the improvised rope was hung lowered for the first time when Mr. Walker was leaving the building.

### Major Doolittle Is Flying Back Home

MEXICO CITY, Oct. 26. (AP)—Maj. James Doolittle, who flew here last week from Ottawa in record time, hopped off for St. Louis, Mo., at 5:45 a. m. CST.

BROWNSVILLE, Oct. 26. (AP)—Maj. James Doolittle landed at the Brownsville airport at 9 a. m. today CST, en route from Mexico City to St. Louis in his racing plane. He paused for gasoline and oil and then took off at 9:30 a. m. for Shreveport, La., his next refueling stop. He said he took off from Mexico City at 6:47 a. m.

### Gunshot Wounds Prove Fatal to Eight Texans Killed on Week-end

By the Associated Press. Eight of 15 persons who met violent deaths in Texas during the week-end died from gunshot wounds.

Five others died in automobile crashes. Two were injured fatally in falls.

The dead: John Halmer, 48, of Fort Worth; Alfred Cernik, 12, of Houston; Athel Allen, 18, of Justin; James H. Murphy, 22, of Houston; Armour Sumerley, 35, of Rogers; Ed T. Busch, about 48, of Houston; A. H. Kerr, 58, of Corsicana; W. J. Robinson, 40, of Hollivar; Jack Kerns, 55, of Humble; C. W. Williams, 49, of Sweetwater; Brownfield; J. W. Dickson, 50, of Dallas; Mrs. Adele Anderson, of San Antonio; Ervin Yarbrough, 14, of Italy; and Tiff Northcutt, 17, of Kingsville.

The Cernik youth, Busch, Kerr, Robinson, Kerns, Copeland, Dickson, and Mrs. Anderson were shot. Homicide charges were filed in connection with the deaths of Kerns and Robinson.

### HOUSE ENTERED AND MONEY TAKEN

While Mr. and Mrs. L. M. Barnett of 231 East Albert street were attending church last night, their house was entered and \$19 in cash was stolen.

The money taken was a \$10 bill and nine one-dollar bills. It was in a purse in the living room of the home, Mr. Barnett told officers, who are investigating the burglary.

The robber entered the home through a rear window which had been left unlocked. The Barnetts returned home immediately after church.

Officers believe the robber or robbers watched Mr. and Mrs. Barnett leave their home.

### Local Men Say Deer Hunting Is Very Hazardous

Sheriff Lon L. Blansett, Herbert Blaisdell and District Attorney Raymond Alford returned to Pampa yesterday afternoon without having fired a single shot while on their proposed hunting trip in New Mexico. The Pampa party returned because the prairies of New Mexico are over-run with hunters and hunting is extremely dangerous.

They declared that Indians, Mexicans, and everyone else in the country are hunting deer for food. Authorities in the Black Mountain area declares that there is one hunter to every 35 acres and that each hunter carries a rifle that will shoot more than a mile.

Three men have been killed in that section since the first of the month.

"We met some hunters who had good luck but they got in early and took terrible chances," Sheriff Lon Blansett declared. "They said it was not safe to conceal themselves but had to hunt in the open so that they would not be mistaken for deer by other hunters," the sheriff declared.

"We decided to let the deer go rather than to endanger our lives," District Attorney Alford said.

### Premier Laval Is to Embark Tonight

NEW YORK, Oct. 26. (AP)—A smiling premier of France and the happy accented man of the hour, Pierre Laval, who is his daughter, will sail for home at midnight aboard the Ile de France.

He will only after a day and evening of sight-seeing in Manhattan. Laval is expected to arrive in New York at 11:30 p. m. on Monday.

There were shouts from mechanics of "Cut it off! Cut it off!" But before Miss Nichols could cut off the engine she had to leap. The flames threatened to reach the main gas tank any moment, but despite that a group of attendants rushed up with fire extinguishers.

Another railroad construction crew is ready to begin work on the Fort Worth & Denver railroad in this vicinity as the remaining strips of right-of-way are acquired.

A construction crew has been laying the grade south of the McKnight camp for the last month. Mr. McKnight will use the maximum number of men until the line is completed.

### Farm Conference Opens in Lubbock

LUBBOCK, Oct. 26. (AP)—Bankers, county agricultural agents, chamber of commerce officials and home demonstration agents representing the South Plains area of West Texas met here today to consider ways and means of obtaining closer cooperation in the support of agriculture.

The conference, which will extend through tomorrow and Wednesday, also plans for the dispersion of technical data regarding classification of poultry and meats.

Tonight Paul A. Curyans, poultry expert, will conduct a turkey grading school. Ralph Snyder, meat specialist, will discuss meats.

The bankers will discuss plans for aiding agriculture. Formulation of county agricultural committees, each with a banker, a business man, at least two farmers, a demonstration agent, a county agricultural agent and agriculture teachers serving on the board, was being considered.

### JEFFERS' TENT BURNS

JONESBORO, Ark., Oct. 26. (AP)—The Rev. Joe Jeffers, Baptist evangelist, charged enemies of his revival with the burning early today of his tent tabernacle in which he started services which led to national guardsmen being called out to prevent bloodshed in a bitter church controversy a few weeks ago.

Incendiarism also was suspected by officers who began an investigation.

### TRUCK DRIVER KILLED

GALVESTON, Oct. 26. (AP)—Ivan Dea, 30, a bakery truck driver, was killed today in a collision with a health department truck.

### CHANCE FOR HIS RECOVERY NOT AS GOOD

Jurist Is Brought to His Home Here Sunday to Gratify His Wish to Be in Pampa.

### PICK GAMEWELL

Attorneys Choose Canyon Man as Temporary Judge at Panhandle—Substituted at Post in Summer.

His wish to be brought home yesterday fulfilled, Judge Clifford Braly of 114th district court remained in a critical condition today and he was, according to physicians, somewhat weaker at noon.

Other than being weaker, his condition was practically unchanged. His chance to recover was regarded as small, unless there should be a marked improvement soon. No one could see him today.

The judge was brought from Stinnett Sunday in a Draper-Clutter ambulance. He suffered a heart attack last week while in his suite of rooms at the Hutchinson county courthouse. His condition was serious from the start, but he rallied at times only to have relapses. High blood pressure and complications forced him to leave the bench for several months last summer.

Two months ago he returned here from the Gulf coast. His health improved, he resumed his work as presiding judge of 114th district court.

Judge W. I. Gamewell, Canyon attorney, replaced Judge Braly today at Panhandle as a 114th district court session opened. He was selected temporary judge by vote of the attorneys participating in the cases to be called.

It is well known here, having substituted for Judge Braly during the latter's illness last summer.

The Canyon judge immediately began calling the docket at Panhandle, according to William Holmes, court reporter.

### Federal Prisoners Escape in Laredo

LAREDO, Oct. 26. (AP)—Eight federal prisoners escaped from the Webb county jail last night after sawing the bars of their cell.

The prisoners were from a third-story cell block by a rope ascended from blanket strips. Officers believed they crossed the border into Mexico.

Sheriff Joe Condren arrested the wife of Raul Villareal, one of the fugitives. Condren said the woman admitted smuggling two hack-saw blades to Villareal yesterday.

### Bond for Capone Is Being Opposed

CHICAGO, Oct. 26. (AP)—Alphonse Capone's departure for prison was deferred another day by the United States circuit court of appeals today.

Three appellate judges, sitting en banc, heard the convicted gang lord's attorneys move for a supersedeas bond to allow him liberty while his income tax case was reviewed. The court then ordered "Scarface Al" held another night in the county jail and promised a ruling at 2 p. m. Tuesday.

### BIG FIRE AT ARP

ARP, Oct. 26. (AP)—Fire which swept a block in Arp's business district early yesterday causing estimated damage of \$100,000.

One woman was trampled under foot and injured by the crowd. Ten other persons were injured slightly. Fire departments from Henderson and Troup aided in quelling the flames.

## THE PURITAN STRAIN

The Puritanism of colonial New England has come in for its full share of criticism in the last few years. Lowbrows have jabbed at it for its fondness for restrictive rules of conduct; highbrows have attacked it for its intellectual and artistic barrenness.

But the strain is still strong in American life; and now and then we discover that it possesses all of its old vitality, turned into new and more productive channels.

There died in Cleveland a short time ago Samuel Mather, a direct descendant of the famous Puritan Mathers of colonial Massachusetts.

Those early Mathers are familiar to every school-boy. What school history book fails to record the piety of Cotton Mather and Increase Mather, back in the days when the Massachusetts Bay settlement was young?

Now the Puritanism of this family, through succeeding generations, died out—or, rather, changed its form. This Samuel Mather was not a theologian, like his predecessors. He was one of the greatest of the nation's industrialists.

Beginning his business career in the years immediately following the Civil War, Samuel Mather helped to build up the enormous industrial kingdom that stretches from Cleveland to Pittsburgh. Great fleets of steamers appeared on the lakes because of his enterprise. The iron regions of Minnesota and upper Michigan were developed by him and his associates.

All in all, the man was one of the most useful industrialists the nation has produced.

But the interesting thing about him, just now, is the fact that he was the modern representative of one of the most famous of the old Puritan families.

Colonial Puritanism may have been hard, narrow and sterile. But it was possessed of tremendous energy, and it has transmitted that energy to its descendants. In its early career it gave a growing nation its intellectual and religious key; in later years, losing its dour austerity, it provided some of the country's most notable business leaders.

## Charles Comiskey, White Sox Owner, Dies Early Today

EAGLE RIVER, Wis., Oct. 26. (AP)—Baseball's Old Roman is dead. Charles A. Comiskey, 73-year-old owner of the Chicago White Sox of the American league, died early today at his Camp Refuge here.

He had been in falling health several months. He rallied, however, when his club won the city series with the Chicago Cubs of the National League shortly afterward, however, he began slowly sinking toward death.

The colorful old warrior whose life story was synonymous of the rise of professional baseball in America had taken refuge during his declining days in the quiet fastness of his forest tract here. His home stood out in its spacious beauty against acres of untouched wilderness.

Comiskey's body will be forwarded to Chicago where the "Old Roman" wrought his achievements.

Comiskey, who "fought for every point because through bitter experience I early learned that one lost decision may mean the loss of a pennant," began life on the sand-

lots of Milwaukee. His father, a politician, wanted to make a plumber out of him; but Charles Albert insisted on sneaking off to the ill-provised diamonds to play third base at \$68 a month.

# FEMININE FANCIES

By Hollyce Sellers Hinkle

We can think of no more worthwhile way to aid the needy of Pampa than to buy meal tickets for under-privileged children. The combination high school and junior high school cafeteria will probably be opened the latter part of this week, and meals will be served at surprisingly low prices. By aiding in this way, one may be sure that his money is being spent for the nourishment of children, and not for adults who may or may not be worthy of the help. "We will guarantee," said Prin. L. L. Sone, "that such donations go only to the needy and worthy."

Romeo and Juliet—what romance the very name of the play suggests. Who can imagine R. A. Selby, principal of junior high school as Juliet, and Emmitt Smith, instructor in high school as Romeo? Such a combination will be seen in a humorous pantomime to be included in the program arranged for Thursday evening in the high school auditorium. Teachers, parents, and students are cooperating to make this event an outstanding success—much more than anyone could hope to get elsewhere for only 10 cents for children and 25 cents for adults. Proceeds will be used for installing the cafeteria on central campus.

When Lubbock is mentioned among Pampa women is sure to be in one of two connections—the big football game Saturday, or the equally important state convention of the Texas Federation of Women's clubs to be held there in November.

Federated study clubs will hold regular meetings tomorrow afternoon in various Pampa homes, and it is expected that practically all of them will elect delegates to the state convention at that time.

Panhandle women are fortunate in having the state meeting so close to home this year. No Pampa club woman should fail to attend, whether or not she happens to be an elected delegate.

Among scores of interesting features at the Lubbock gathering will be an address on "The Adolescent Girl" by Dr. Jessie Louise Herrick for the last 13 years the resident physician at Texas State College for Women, Denton. Last year she was invited by President Hoover to attend the child welfare league at the White House. Before coming to Texas, she was connected with the medical department of the University of Vienna, and was house physician for the Women's and Children's hospital, Detroit, Mich.

## COLDS THAT DEVELOP INTO PNEUMONIA

Persistent coughs and colds lead to serious trouble. You can stop them now with Creomulsion, an emulsified croceote that is pleasant to take. Creomulsion is a new medical discovery with two-fold action: it soothes and heals the inflamed membranes and inhibits germ growth. Of all known drugs, croceote is recognized by high medical authorities as one of the greatest healing agencies for persistent coughs and colds and other forms of throat troubles. Creomulsion contains, in addition to croceote, other healing elements which soothe and heal the infected membranes and stop the irritation and inflammation, while the croceote goes on to the stomach, is absorbed into the blood, attacks the seat of the trouble and checks the growth of the germs. Creomulsion is guaranteed satisfactory in the treatment of persistent coughs and colds, bronchial asthma, bronchitis and other forms of respiratory diseases, and is excellent for building up the system after colds or flu. Money refunded if any cough or cold, no matter of how long standing, is not relieved after taking according to directions. Ask your druggist. (adv.)

# EDUCATORS FAVOR COUNTY HEALTH ACTIVITIES

## TALKS MADE AT COUNTY COUNCIL MEET SATURDAY

Members of the Gray county council of Parent-Teacher associations, pledged themselves here Saturday afternoon to support some type of county health program. Talks favoring such a program were made by Supt. R. B. Fisher of Pampa, Principal R. A. Selby, of Pampa, Mrs. V. E. Fatheree of Pampa, Supt. G. C. Rossell of McLean, and Supt. E. G. Sanders of LeFors.

It was pointed out that Gray county is eligible to \$5,000 the first year from the Rockefeller foundation provided it puts in a \$10,000 health unit. The contribution decreases the second and still more the third year, until the project is finally to be supported entirely by the county.

The Rockefeller foundation plan provides for a physician, a nurse, and a stenographer. The physician is to be responsible not only for health conditions in the schools, but for health and sanitation conditions in the entire county. The nurse is to give most of her time to the schools and is to perform in the entire county duties similar to those performed in Pampa alone last year by Miss Bess Killough. The stenographer is to be among her duties. The stenographer is to make reports, to answer inquiries while the doctor and the nurse or on duty in various parts of the county, and to generally assist in the health work.

A committee is at work making further plans for either the Rockefeller or some other health program. Luncheon Served

Council members from various parts of the county gathered at the high school at 12:30 o'clock Saturday for luncheon, which was sponsored by six of the Parent-Teacher association units of the local school system. Serving was done by home economics students under the direction of Mrs. J. B. Massa and Miss Angela Strand. Clever decorations, with the Halloween theme predominating, were used in the dining room, and the colors black and yellow were noted throughout the menu.

Prof. Otto Schick entertained the group during the luncheon with several violin selections. He was accompanied by Miss Green. Thy welcome address was made by Supt. R. B. Fisher, and Mrs. Ralph Ogden of LeFors, council president, gave the response.

A song, "Faith of Our Fathers," led by Supt. Fisher, opened the afternoon meeting held at the Methodist church. During the business session, resignation of Mrs. Tom Brely as treasurer was accepted, her successor to be named later. Roll call followed.

It was voted to hold the next meeting in LeFors the last Saturday in January. Invocation was led by the Rev. L. A. Roll of LeFors, after which members of the local high school girls' quartet entertained. The girls include Edith Gatlin, Marjorie Buckler, Dorothy Dodd and Dorothy Doucette.

The girls' glee club of Pampa sang two selections, "Apple Blossoms" and "Nursery Song." A vocal solo, "Song of India," by Malcolm Carr followed. Miss Ila Mae Hastings of LeFors, in a talk on Parent-Teacher association work, stressed the need for the teachers and parents to be acquainted with one another and with the pupils.

John Harding of McLean entertained with several old time selections on his accordion. Speaks on Conference

## The Diary of a Deb

In the midst of calls, bridge parties and dances, Jean Woodson, capital debutante, finds time to take notes and write her impressions of capital society life. She is wearing a tea dance gown of wine-colored velvet with hat of shirred velvet to match. Her gloves are egg-shell-tinted, and her bag is of brown silk.

(EDITOR'S NOTE: This is the seventh of a series of eight articles written by Jean Woodson, Washington debutante, describing capital society life.)

### By JEAN WOODSON 7-CAPITAL SOCIETY

WASHINGTON—I've just had my first glimpse of the White House. It wasn't a deb party, just an informal affair that I attended with mother. But to see that stately splendor with Mrs. Hoover, gracious and charming as hostess, was enough.

I was all eyes, never missing a trick—the gold eagle in the floor of the reception room, the rose garden which is Mrs. Hoover's special pride, the scarlet—coated marine band—and as the line moved toward the First Lady, I was certainly thrilled.

I wonder if the marine band ever plays jazz like Sidney's Mayflower orchestra. All the debbs like that. They say last year when Allan Hoover gave his party every one was standing around rather uncertain-like and he stepped up to the orchestra, those in especially for the occasion, and said to the leader, "Make it snappy, Sidney!"

Maybe you think that didn't make a hit with every one. The debbs this year are a grand lot of girls, cordial and unaffected. Some of them of course have more

United States president to call such a conference, he said, and pointed out that there are 3,500 persons on committees to report to the conference. The conference stresses, he said, those things which best fill the needs of the child for real situations in life. Mrs. V. E. Fatheree, in speaking of the value of the county council to the local Parent-Teacher associations, pointed out that an important goal of Parent-Teacher work is parental education.

## EMPLOYMENT IN CONSTRUCTION TO GO TO MANY

DALLAS, Oct. 26.—The signing of papers here Saturday to finance the headquarters building of the Texas Federation of Women's clubs in Austin, culminates the project begun two years ago by Mrs. R. P. Lindsay of Mount Pleasant when she was elected president of the federation. Ground will be broken for the building Nov. 2, one week before the state convention at which she will retire as head of the federation. She has left no stone unturned to further the arrangements which will be completed when the documents signed here Saturday are signed by the building committee at a special meeting in Houston on Wednesday.

To Help Unemployed  
Convinced that now is the opportunity time to build as well as to give employment to many people, Mrs. Lindsay and the committee forged forward against adverse conditions to the signing of papers Saturday by Mrs. Lindsay with the Erector-Life Insurance company, represented by T. W. Davidson.

Henry Coke Knight, the architect for the building, will take the papers to Houston for the signatures of Mrs. James F. Welder of Victoria, the building chairman, Mrs. Sam Cox, of Austin, and the seven district presidents, the above mentioned composing the building committee.

Cost Now Lowest  
The building, which is in five units, co-ordinated in a colonial design, will cost \$162,000, exclusive of the lot which has been purchased for \$20,000. The financing arrangements provide that the federation may repay in 10 years. The president and committee members have looked forward to the needs of the federation for half a century, emulating the late founder of the federation, Mrs. Edward Rotan of

LOCAL OFFICE SOUTHWESTERN PUBLIC SERVICE CO.

J. E. CUNNINGHAM IS HELPING BUILD A "BETTER PAMPA"

## Southwestern Public Service Company Established In 1925

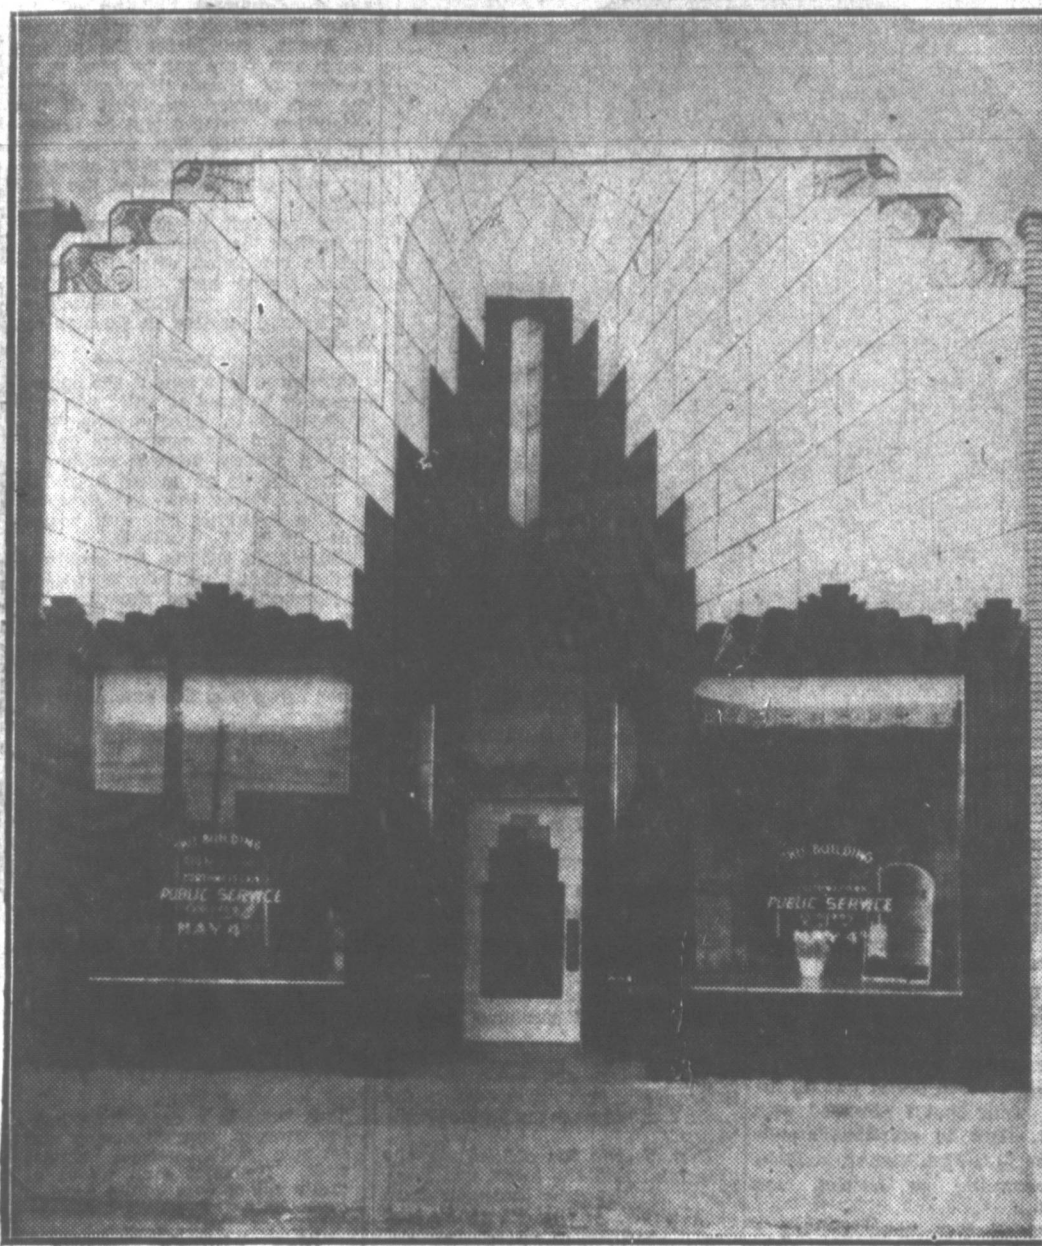

Electric service, a few years ago regarded as a luxury, has become an everyday necessity. Not only is electricity a great comfort and convenience in the home but it also turns the wheels of industry, lights streets, and protects life and property.

The Southwestern Public Service Company feels that its responsibility does not cease with supplying the daily demand for electric light and power at Pampa. Lines and other apparatus must be continually enlarged so that capacity to serve will always be ahead of the demand. The operation of the company is conducted in the most efficient manner possible, in order to justify the numerous reductions in rates that have been made. By this mean large savings in expenses are being passed on to our customers.

Since acquiring the electric light and power system in 1925 this company has reduced rates on six occasions, "and the average amount received by the company per KWH for all electrical energy sold is less than one-third of the amount per KWH received in 1925." The top rate to residential consumers has been reduced from twenty cents in 1925 to ten cents in 1931, however, the average rate paid by residential customers is much less than one-half of that prevailing in 1925. These reductions were made possible by strict economy on the part of the company even during prosperous times, and the kindly whole-hearted cooperation of those charged with the responsibility of protecting the interests of Pampa citizens, who at all times have displayed a helpful, business-like attitude.

While rates have been reduced the electric system has been built up. Pampa has been provided with a large emergency power plant which is capable of providing the city with light and power even if every other source of power is cut off.

This company is interested in every movement or matter which affects the progress of Pampa in any way. The Public Service Company is trying to live up to its name by providing dependable electrical service to Pampa at low rates.

# HARVESTER-WESTERNER GAME WILL BE STATE ATTRACTION

## DISTRICT ONE TITLE TO BE PAMPA GOAL

### Lubbock Looked Strong in Beating Odessa by 71 to 0 Saturday.

Fully aware of the fact that they probably will face their most dangerous opponent of the season next Saturday, the Pampa Harvesters will get down to the serious business today of preparing to defeat Lubbock's Westerners before another huge crowd.

Having disposed of Brownwood Lions Friday by the top-heavy score of 71 to 0, the locals will be in fine fettle for the district championship contest. With the exception of Joe Freeman, linesman who is carrying a knee injury, the squad is in good condition for the big test. Freeman is improving and may be able to start.

Coch Odus Mitchell and a number of his boys saw Lubbock smash Odessa Saturday, hence there is expected to be no over-confidence at Harvester field this week.

Lubbock reports a keen demand for the 750 tickets sent there a few days ago. All of these tickets not sold will be returned here Friday. Most of the good seats on the west grandstand have been sold, but there are still 30-yard seats left on the east side, where Lubbock has section B reserved.

**Broadcast in Doubt**  
No arrangements for broadcasting Saturday have been made. Amarillo Sandies are slated to play Plainview at Amarillo Saturday, and efforts are being made to change the date to Friday to permit fans and players to journey here.

Lubbock's Westerners proved so powerful in defeating Odessa Saturday that they did not punt even once. They ran up a 71-point total, which ironically was the same the Harvesters chalked against Brownwood Friday.

With Barnett throwing bullet passes to Dalton Biagg, Cecil Merrill, and Bill Davidson, the Lubbock team looked formidable via the air. Three passes were hurled into waiting hands behind the Odessa safety man. This means that Durwood Martindale, or whoever Coach Odus Mitchell uses as safety next Saturday, will virtually hold the game in his hands. Expected to be a close score, the importance of stopping Lubbock's potent passing cannot be over-estimated.

**Odessa Was Weak**  
Lubbock had not previously shown

## FOOTBALL TO BE SIZZLING ON WEEK-END

### Texas and S. M. U. to Have Important Battle as Southwest Feature.

NEW YORK, Oct. 26. (AP)—Another heavy state for inter-sectional games overshadows purely domestic

so much skill in passing, but Saturday's exhibition gave the visiting Pampa coach and players an eye-full of what may be expected. Odessa was so weak defensively, however, that her offense never functioned at all and the game was not an accurate criterion of what the Westerners could do when pressed. That Lubbock's reserves are unexpected strong was shown with nine substitutes in the game. Odessa had the ball only two times, excepting at kick-offs and plays following.

The speed of the Lubbock team was illustrated when Odessa failed to return a single punt for gains. Lubbock's returns were not exceptional, averaging 17 yards. The Westerners completed half of 14 passes for a total of 198 yards.

Saturday's game here will be one of the highlights of the state card. It will be Lubbock's first real test. A win for Pampa would clinch the district title and mark the Harvesters for tremendous statewide publicity.

arguments on this week's football card. And once more the east gets more than its share of inter-sectional combat with games involving seven major teams.

Notre Dame, after its smashing 25-12 victory over Pittsburgh, comes east for a tussle with Carnegie Tech at Pittsburgh and a Rambler victory seems a foregone conclusion.

Other invaders of the east include Michigan of the Big Ten, Oregon of the Pacific Coast conference, Colorado college from the Rocky Mountain conference, Virginia from the Southern conference, Kansas State from the Big Six, and Mississippi college from the Southern Intercollegiate A. A.

**Mid-West Interesting**  
The mid-west boasts all the other outstanding inter-sectional games of the week-end with Syracuse traveling to East Lansing for a game with Michigan State and George Washington playing Iowa at Iowa City. On Friday night, the University of Mississippi tackles Marquette at Milwaukee, Loyola of New Orleans plays Detroit at Detroit and the Haskell Indians meet Creighton at Omaha.

As for the "big time" conference, here's the way their championship races line up at present:  
Southern conference: Georgia, Tulane, and Tennessee still lead the parade and apparently no other outfit possibly can win the title. Georgia plays Florida in the outstanding game this week while Tulane and Tennessee should win fairly easily from the Mississippi Aggies and Duke respectively.

Pacific Coast: Southern California, with four successive conference wins, is idle this week. Washington State meets Oregon State and

Stanford clashes with University of California at Los Angeles.

**Mustangs vs. Longhorns**  
Southwest: The most important contest brings together Southern Methodist and Texas. Southern Methodist is the leader with two wins and no losses. Texas, defending champion, lost its only conference start to Rice. Texas Christian, with one victory and no defeats, should add another against Arkansas. Texas Aggies play Centenary.

Big Six: Nebraska, with two victories, should go into a tie with Kansas State by beating Missouri. Oklahoma and Iowa State hook up in another conference duel. Kansas battles Oklahoma A. and M.

Rocky Mountain: The champion Utah eleven clashes with Colorado Aggies, conquerors of Colorado university, in the outstanding game. Brigham Young and Colorado Denver and Western State and Denver are matched in other conference games. Montana State meets Montana.

Big Ten: Northwestern, the favorite, should win from Illinois easily and Purdue looks much stronger than Chicago. Wisconsin, Minnesota and Ohio State-Indiana games, however, should furnish closer competition.

East: Traditional battles between Dartmouth and Yale; Cornell and Columbia; Pitt and Penn State, and Brown and Holy Cross.

### Wildcats Lead Conference With Two Victories—Sam Houston Strong.

DALLAS, Oct. 26. (AP)—Three Texas Intercollegiate Athletic association football teams were undefeated today as the 1931 grid campaign moved into its fifth week.

Sam Houston Teachers, 1931 champions, Abilene Christian college, leader in the western division, and Texas A. & I., pacing the eastern division, were undefeated, but were faced by crucial contests this week-end.

Abilene's Wildcats and West Texas Teachers college, runner-up in 1930 were booked for an engagement in Abilene Friday night. Sam Houston was scheduled to return to San Marcos for a game with Southwest Texas Teachers.

The Javelinas meet the Sul Ross Lobes in Corpus Christi in a non-conference contest. Sul Ross gave the T. I. A. A. something to think

about last week when it defeated Daniel Baker 12 to 0.

North Texas Teachers college, recognized as a power of the T. I. A. A., will open its 1931 conference campaign against the Stephen F. Austin Teachers college in Nacogdoches Saturday. The Eagles scored a 8 to 0 victory over the Abilene Christian college in a non-conference flash last week.

Two other T. I. A. A. teams triumphed in non-conference play last week. The San Marcos Teachers handed their arch-rivals, the Southwestern university Pirates, a 16 to 7 drubbing, and the West Texas Teachers scored a 6 to 0 victory over Phillips university of Enid, Okla.

Sam Houston's 6 to 0 triumph over the luckless East Texas Lions last

week showed the Bearkats not so strong as they were in 1930.

by HAZEL ROSS HAILEY

**BEGIN HERE TODAY**  
Old Mrs. Jupiter, wife of the millionaire automobile manufacturer, gives an engagement dinner and dance for her secretary and protégé, MARY BARKNESS, who is to marry DIRK RUBY-THEL, son of a blue-blooded family.

Mary receives a telephone call from her senescent brother, EDDIE, saying he is in trouble and must see her. The house is strictly guarded against "gate-crashers" because Mrs. Jupiter is wearing the famous Jupiter rubies.

Mary arranges for Eddie to be admitted secretly. When she goes upstairs to meet him she hears screams and then shots in Mrs. Jupiter's room.

**CHAPTER II**  
FEARFULLY, as if drawn by a magnet, Mary moved slowly forward. Outside the closed door of Mrs. Jupiter's sitting room she stopped and called sharply, expertly, "Eddie!" Then more loudly, "Eddie!" There was no reply.

It seemed hours before Spence came down, and when he did he seemed to have forgotten that she lived. He seemed surprised that she was still standing in the same spot where he had left her.

Could it be Eddie in there? What would he be doing in Mrs. Jupiter's room? He had no business there unless the servants had directed him there in error, or had gone in there by mistake.

"Well! What are you standing there for?" he barked as if she had been one of the servants. "Find the Master! Quick! And Barclay!" He snapped his fingers, and the second man came trotting post-haste.

He hadn't said anything about bringing someone with him, though, and some other person was in there—the person he had been quarreling with. Suddenly she remembered, and the realization stunned her. Mrs. Jupiter was in that room. Hadn't she gone upstairs to take her shoes off? It had been Mrs. Jupiter's voice she heard. Then whose—oh, dear God—whose hand had fired those shots?

"Go right across the street and fetch Dr. Jordan, and take him up to the mistress's room as fast as you can."

The silence began to tear at her nerves. Gasping with excitement, she reached out suddenly and jerked open the door. The room was brightly lighted, but empty. She looked about, dumbfounded, almost ready to believe that her senses had tricked her.

"I know something is the matter," Mary told him—she was sure he was lying—"but I'm his sister. He called me about half an hour ago. It's very important. Don't you know where he is?"

It was quite hopeless. The boys were as worried as she was. Eddie seemed to have disappeared.

The figure of Teddy Doulton lurched into the hallway. Teddy always pretended to be drunker than he was.

# SIMMONS TO FACE PIRATES ON SATURDAY

### Southwestern and Cowboys Fought to Tie Last Season, 13-13.

DALLAS, Oct. 26. (AP)—Texas conference football leaders today were nearing a crucial spot in their 1931 grid campaigns.

The three leading eleven, Southwestern university, Simmons university, and Austin college, will be called on to defend their positions Friday.

For Southwestern and Simmons Friday is fraught with dangers. The

Pirates and the Cowboys drew last season, 13-13. Both climbed to the top at the expense of the St. Edwards university saints.

Austin college defeated Howard Payne to gain the top. The Austin eleven has a game with St. Edwards Friday.

Southwestern and Simmons lost last week. The Pirates were beaten 16 to 7 by the San Marcos teachers while the Horned Frogs of Texas Christian university eked out a 6 to 0 victory over the Cowboys.

Howard Payne, supreme in the Texas conference for three seasons, and whose continuity of victories was shattered recently by Austin college, will meet Trinity university in Brownwood Friday. Trinity tied St. Edwards last week.

Texas conference standing:

	W	L
Simmons	10	1000
Southwestern	10	1000
Austin College	10	1000
Trinity	1-2	1-2 500
St. Edwards	1-2	1-2 167
Howard Payne	0	1 000

# Davis and Elkins Stay Undefeated

By the Associated Press

Davis and Elkins college of Elkins, W. Va., leads the national list of undefeated football teams with six straight victories to her credit and an imposing point total of 253, far more than any rival.

The West Virginians also share with four others, the honor of having an uncrossed goal line. Others in this class are Tennessee, Tulane, Southern of Florida, and Bowling Green of Ohio.

There are 43 teams in the country still unbeaten although 17 of these have been tied at least once.

Southern Methodist ranks thirteenth in the national list, although the Mustangs were tied with 15 other teams at 5 games won and none lost. S. M. U. has scored 122 points against 18 by opponents.

# Man Is Peppered With Bird Shot

ST. PAUL, Oct. 26. (AP)—Physicians at a hospital here yesterday extracted 81 shot from the back of Chris Skaar of St. Paul, injected anti-tetanus serum and Mr. Skaar went home. His condition was not serious.

Said Mr. Skaar: "I was hunting and I guess somebody mistook me for a pheasant. I'm glad whoever fired was far enough away so that the charge had lost most of its force when it struck me."

# Mustangs Proud of Season's Record

DALLAS, Oct. 26. (AP)—Proud of their five consecutive victories, two of them Southwest conference games, and prouder still that they are one of the few undefeated eleven in the country, and that T. J. Oliver, halfback, is one of the conference leading scorers, Southern Methodist is ready for the game of games next Saturday against the University of Texas at Dallas.

En route from Cambridge and a 35 to 7 licking by Harvard, the University of Texas Longhorns were scheduled to arrive at Austin Tuesday. There they will prepare to invade Dallas to avenge for their loss of football prestige.

Southern Methodist, playing reserves in all but the first and fourth periods, whipped Centenary Saturday, 19 to 0. T. J. Oliver and Weldon Mason scored Southern Methodist's three touchdowns from running plays. The Mustangs were scheduled to go through the air but it was not necessary.

Building construction in Hong Kong, China, is breaking all high records.

# GRAINS TURN DOWN

CHICAGO, Oct. 26. (AP)—Grain prices turned downward early today, influenced by Liverpool wheat quotations relatively unresponsive to recent advances on this side of the Atlantic. Notice also was taken of Paris official disclaimers of reports of large purchases of United States government sponsored wheat. Opening 1-8 to 1 cent lower, wheat continued to sag. Corn started 1-8 to 5-8 cent off and subsequently receded further.

# Football Stars of Saturday Games

By the Associated Press

Vernon Smith, California, snatched pass over goal line, kicked the point, forced a Vanderbilt safety to account for all his team's nine points.

Bud Parker, Yale, grabbed kick-off and ran 88 yards for a touchdown to tie Army, 6-6.

Earl Sparling, Southern California, scored only touchdown of game with California on ancient end-around play.

Pug Rentner and Ollie Olson, Northwestern, former ran 49 yards for touchdown and latted kicked field goal to beat Ohio State, 10-0.

Marchmont Schwartz and Mike Koken, Notre Dame, their accurate passing beat Pittsburgh, 25-12.

Jack Crikard, Harvard, scored three touchdowns against Texas.

Let's talk Straight from the Shoulder

operating under the strictest sanitary standards—rush them fresh to you.

Good... they've got to be good. Because they're made that way. And most important of all... you can taste this goodness in the cigarette. You can tell it in the smoke.

Light up, Mister! Try Chesterfield. Let the cigarette do its own talking. You'll get the whole thrilling story, in just two words... "They Satisfy!"

**WHAT** you want in a cigarette is taste. You want mildness... smoothness... and satisfying pleasure when you smoke. All right then... get this straight.

**CHESTERFIELD** pays top prices... yes, and a premium for the ripest, mellowest, sweetest-tasting leaf that grows.

The curing and conditioning is done by specialists... men carefully trained in handling these fine tobaccos.

**IN BLENDING**, also, Chesterfields are different.

Instead of merely mixing the tobaccos together... we cross-blend them. It's like making a new and better-tasting kind of tobacco. That's how we get that *Chesterfield* flavor. Milder... and a more pleasing aroma.

Cigarette paper? Only the purest that's made is good enough for Chesterfield.

**PICK UP** a package. Note its clean appearance... free from heavy inks. It's moisture-proof, too.

And three big factories at Richmond, Durham and San Francisco—

*"Yes Sir - Mild yet they Satisfy"*
