

MAJOR BATTLE LOOMING

District Judge Holds New Texas Cotton Acreage Law Null and Void

IN WAR ZONE

Mrs. Edwin S. Cunningham, wife of the American consul at Shanghai, who, like her husband, has spent many years in the Far East. It is shown here in a late picture, taken while she was visiting in Los Angeles.

INJUNCTION IS DENIED WHEN TEST IS MADE

QUICK APPEAL TO BE MADE AS ALLRED APPROVES

PROPERTY RIGHT CITED

ATTORNEY SEEKING TO RESTRAIN FORMER UNDER LAW

FRANKLIN, Feb. 1. (P)—District Judge W. C. Davis today held that the Texas cotton acreage restriction law, passed by the 42nd legislature, is "unconstitutional, null and void." He denied an injunction sought by County Attorney T. L. Tyson of Robertson county to restrain Fred I. Smith of Calvert, farmer, from planting more cotton this year than the law would allow.

In his opinion the jurist declared that enforcement of the law would be "the essence of tyranny and destructive of the fundamental principles of free government, would violate sacred guarantees of our constitution and would make the bill of rights a nullity and a farce."

"The defendant being the owner and lessee of said lands, same being private property and having been devoted to public use or invested with the public interest, he would be entitled to the rents and revenues therefrom; and it appearing that he could not profitably grow, cultivate, and harvest any crop other than cotton on said lands, the enforcement of this statute would be to destroy 70 per cent of the revenues and rents derived from said lands; and there being no provision in said act providing for compensating him for said loss, same would be in direct conflict with article 1, section 17, of the constitution of the State of Texas and article 5 of the constitution of the United States.

The law would prohibit the planting in cotton this year more than 30 per cent of the total amount of land in cultivation in 1931. County Attorney Tyson said he would appeal the judgment immediately to the 10th court of civil appeals at Waco and it was expected the case would be carried finally to the state supreme court, if necessary, since Attorney General James V. Allred has indicated his willingness to make the present case a test of the law's constitutionality.

Poll Taxes Are Now Above 5,000 for Gray County

Mr. Average Voter has something up his sleeve this year. The superintendent of it was that before midnight of Saturday, about 5,000 of his kind paid poll taxes in Gray county.

This figure broke all existing records—even the poll tax record of 1928 when citizens figured as early as January that they would have to vote for or against Alfred Emmanuel Smith for president.

Pampa citizens especially seemed to be possessed of a voting conscience. Although no figures have been compiled by Tax Collector T. W. Barnes, it was estimated that approximately one-half of the poll taxes issued were handed to Pampans. Many oil field workers paid the tax this year.

It was believed early in the year that voters would be lethargic about paying the tax. But in the last week, they rushed to the courthouse in amazing numbers. Approximately 1,500 poll tax receipts were issued Saturday at Pampa and McLean. Scores sent money through the mail and will be mailed receipts.

Every teacher was present this morning at Horace Mann school.

Everyone now talks about the "war" in the orient. This writer, who has been flanked in university classes by both Japanese and Chinese students, is more than a little interested in developments. A former instructor spent 11 years in Tientsin; a former classmate and correspondent now is city editor of the China Press, English language newspaper in Shanghai.

Wicked City

Let's have a look at Shanghai. It is at the crossroads of the East, a city of three millions population. It is hard by the broad, sluggish, Whangpoo river, 20 miles upstream from where the mighty Yangtze, the parent stream, meets the sea. It is, quite properly perhaps, called the earth's wickedest city, where the worst elements of the world's commerce are blended. The American educated Chinese and students of the missionary schools mingle with the hundreds of thousands of tradition-bound natives. Shanghai has many well-developed western sins. Gangsters and kidnapers ply their trades and the rat-tat-tat of automatic small arms and machine guns is as familiar a sound as in Chicago.

Often Troublesome

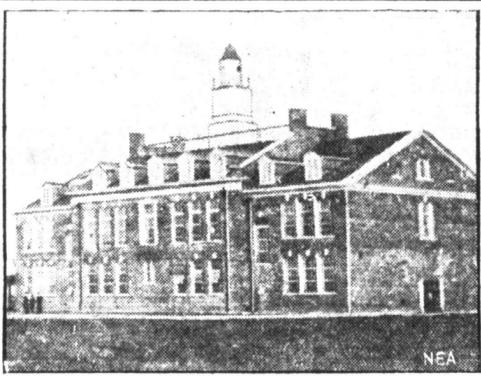

China could not keep out foreign traders, but she could insist on their being isolated in the foreign settlement, lying upon the Whangpoo. In that settlement the foreigners take refuge when internal disorders become threatening. Remember that as recently as 1927 as many as 46 men-of-war lay ominously upon the Whangpoo to protect the nationals of many foreign countries. The tread of British feet preceded that of present day Japan. There are about 50,000 aliens at Shanghai, including 4,000 Americans, residing in the locale of the Chapei encounter just outside the walled city of Shanghai.

"Arrives" Too Late

Before we try to fit American ideals of international politics to a complex oriental situation, let us remember that Japan has a good reason for adopting an Eastern Monroe doctrine. Shoved into the family of nations by American intervention in

(Continued on Page 4)

AMERICAN MISSION HIT

Here is the Young-Allen mission of the Southern Methodist Church which was reported damaged by a bomb dropped during fighting between Chinese and Japanese at Shanghai. None of the score of missionaries was injured.

CENTER OF WAR CRISIS

The city of Shanghai, now a cosmopolitan armed camp, is shown in this map of the international settlement and adjoining native quarters. Western, northern, central and eastern districts, as well as the French quarter, comprise the international section. With the outbreak of Japanese and Chinese fighting in the native district of Chapei, American marines are guarding the boundary marked "A." British troops are protecting the western district. The old native city, center is walled and has been further fortified against a Japanese invasion. In the Whangpoo river, where the docks are located, are more than two dozen Japanese war vessels. From Shanghai the river flows eastward to the sea, and at its mouth is the Woosung fort, where Chinese batteries were silenced by Japanese gunboats. Minor Chinese fortifications also extend along the west bank of the Whangpoo in the vicinity of the native city. Just above the boundary of the northern district is North Station, where Chinese troop and armored trains were reported arriving for the defense of the Chapei district.

MOTIVELESS MURDER

CHICAGO, Feb. 1. (P)—Another apparently motiveless murder—the fourth since Jan. 1—puzzled police today. The fourth victim, Earl Davis, 22, was beaten to death yesterday with a hammer in the garage where he was employed as a watchman, meeting death in the same manner as the other three.

SPECIAL BONUS OFFER TO CLOSE TOMORROW EVENING

Contestants Pile Up Many Votes as Campaign Is Moving Toward Close. Tomorrow night will mark the close of the special offer by Levine's store in connection with the Daily News' circulation campaign. The campaign is growing shorter and shorter every day. Contestants are piling up votes, huge winning votes, hourly that will mean the Buick, purchased from and displayed at the Tom Rose Buick company, the new beautiful Chevrolet, purchased from and displayed at the Culbertson-Smalling Chevrolet agency, or the trip over the Transcontinental Western Air to California. Murray Freundlich, the popular manager of Levine's store, is planning the "outfit" for the NEWS contestant who is fortunate enough to be the winner of this generous offer from one of Pampa's most popular stores. Mr. Freundlich says, "I know these Pampa people, and I know what it takes to please them." Now every contestant should certainly double her efforts and double results to clinch this extra special offer. Second payments meaning renewal subscriptions taken through the candidates court for large additional votes. Candidates should take warning and go after these second payments. Up to now, very few yearly subscriptions have been received by the campaign department, but lots of three-month and six-month subs which should be extended to one year or longer. All candidates should realize that now is no time to temporize, no time to alibi or depend on promises. Action, hard work and results are all that count. Work! Work! Work!

DR JUDD SAYS WIFE BELIEVED SHE HAD BABY

PHYSICAL CONDITION PREVENTED THIS EVENT

DREAM STATE IS CITED

WOMAN IS TAKEN INTO COURT AGAINST HER WILL

PHOENIX, Ariz., Feb. 1. (P)—Winnie Ruth Judd was pictured from the witness stand by her husband, Dr. W. C. Judd, as a frustrated woman, "who from the first day of our marriage dwelt upon thoughts of a child."

The trial of the slender, bobbed-haired woman for the murder of Agnes Lerol was resumed today over her protest when County Physician J. D. Mauldin reported to the court she was not too ill to appear. The physician yesterday had treated her for a severe cold and said she had been threatened with influenza.

Dr. Judd, first witness of the day to be called by the defense, told of his wife's plans, while they lived in Mexico, for a child which she never had and her arguments over whether it should be named, "Moses, Caesar or Napoleon."

No Child Born. Was there ever a child born? asked Herring Lewkowitz of defense counsel.

He testified that during their residence in a mining camp in the state of San Luis, Mexico, in 1925, Mrs. Judd at times, appeared to believe she had a child.

"Believed It." "She spoke a number of times of the 'baby,'" he said. "Once she told of it getting out of its crib, and pulling the dog's ear. I thought then she was just kidding me. I didn't at first realize she really believed it."

"She sometimes would hide in a closet," he continued. "I would be able to get her out of these spells by walking her about. She would say 'I know I am dreaming.' Dr. Judd said when he and Mrs. Judd were married at LaPayette, Ind., in April, 1924, Mrs. Judd's health was 'very bad—she was a tubercular.'"

Nanking Shelled By Japanese To 'Cover' Landing

Thirty Thousand Chinese Troops Prepared Offer Resistance—Shanghai Now Quieted by Martial Law

TOKYO, Feb. 1.—(AP)—Concerted action by the United States, Great Britain and France in protesting use of the Shanghai international settlement as a base for Japanese operations seemed today only to have stiffened the Japanese attitude against China.

A foreign office spokesman expressed the government's attitude in a nutshell when he said he could see no cause for any change in Japan's policy.

NANKING, Feb. 2.—(AP)—(Tuesday) Thousands of terrified Chinese were thrown into a panic early this morning by the roar of guns from Japanese warships firing on the Lion Hill forts five miles from the city.

WAR BRIEFS

WASHINGTON, Feb. 1. (P)—A threatened imminent clash between Chinese and Japanese at Swatow, 500 miles down the coast from Shanghai, was reported to the state department today by the American consulate at that city.

MUKDEN, Manchuria, Feb. 1. (P)—(Tuesday)—General Honjo, the Japanese high commander in Manchuria, sent word today to Tientsin, the Chinese leader in the Harbin sector, that it would be best for him to withdraw, for Japanese troops are determined to occupy Harbin to safeguard foreign lives and property.

GENEVA, Switzerland, Feb. 1. (P)—Lo Wen-Kan, China's foreign minister, informed the League of Nations by cable today that there is no foundation for reports abroad that China is preparing to declare war on Japan.

WASHINGTON, Feb. 1. (P)—The administration was assailed today in the House by Representative Blanton, (Democrat, Texas) for sending American warship and troops to China "to protect a few Chinese merchants."

TOKYO, Feb. 1. (P)—United States Ambassador W. Cameron Forbes filed a formal protest with the Japanese government tonight against the use of the international settlement at Shanghai as a base of operations against the Chinese.

WASHINGTON, Feb. 1. (P)—The British government asked the American government again today if it did not consider renewed protests to Japan to be in order.

SHANGHAI, Feb. 1. (P)—Bullets cracked into the Shanghai plant of the American Texaco Oil company today when a Japanese destroyer steaming down the Whangpoo river raked the short with machine gun fire.

-SO WE HEAR

Athletics in fast growing schools will be curtailed . . . The one year resident rule . . . in debate so long . . . finally passed . . . R. B. FISHER, superintendent of the Pampa schools, voted against it . . . "I voted against the move—because it will work a hardship on both boys and athletics in cities that grow like Pampa," the superintendent said this morning. "There are people moving to Pampa all the time . . . and their sons will lose one year of athletics by the new rule . . . Stationary towns will not be affected by the new ruling."

And are we going to have a basketball tournament? . . . Friday and Saturday will be big days in Pampa. Coaches ODUS MITCHELL, ARGUS FOX, and HARRY KELLIEY are all excited . . . more teams are coming than they expected . . . and they don't know how the games will be forced into two days of play . . . And will there be some snappy uniforms? . . . Among the snappy ladies at least . . . The Pampa girls will be all decked out—in their new green and gold uniforms . . . We hear that Tell also has some snappy uniforms . . . and a fast team.

JACK "HARD ROCK" STEWART is telling . . . a hot one on old JOE KAHL . . . Ask him about it one of these days. H. E. H.

Freak Accident Cause of Wounds for Three Men

In a freakish automobile accident on the north Miami road yesterday afternoon, W. H. Lytle, J. K. Redman and another man, whose name was not learned suffered painful lacerations on the face and bruises on the body. Two automobiles in which Lytle and Redman were riding were badly wrecked when they overturned and rolled into ditches. Both men were brought to Pampa for medical treatment in Malone ambulances.

When the queer accident occurred, Redman, driving his car, was towing the car in which Lytle and another man, the driver, were riding. As they were going down a long hill about 6 miles north of Pampa, the driver of the Lytle car, fearing that his machine would overtake Redman's and crash into it, applied the brakes.

The front brakes jammed and the rear ones did not hold. The tow rope tightened and the impact threw the Lytle car on end. It overturned and went into a ditch and threw the Redman car into the ditch on the opposite side of the road.

Lytle suffered a four-inch cut on his forehead, beginning at his nose and extending an inch into the hairline. Redman suffered scratches and cuts on the face. The driver of the Lytle car was also badly cut on the face.

STORY DISAPPOINTED NEW YORK, Feb. 1. (P)—President W. B. Storey of the Atchison-Topeka & Santa Fe railway said today January earnings were disappointing with carloadings showing about the same amount of decline as in December.

WOMAN ON TRIAL SANDERSON, Feb. 1. (P)—The case of Mrs. Bessie Sharp, accused slayer of her husband, was called for trial today in district court at Sanderson.

Mrs. G. Taylor Cole of LeFlore visited friends here Saturday.

CYR FILES SUIT LAKE CHARLES, La., Feb. 1. (P)—Paul N. Cyr, governor-claimant of Louisiana, through his counsel, Charles T. Worham, today filed suit in district court here against Alvin O. King, seeking to oust King from the governor's chair.

Mrs. C. L. Nichols of White Deer was a visitor here last week.

COMMANDER

Rear Admiral Montgomery Meigs Taylor is commander-in-chief of the U. S. Asiatic fleet.

NANKING CHIEF

The crisis in Shanghai was the problem that confronted Wang Chen-wei (above) within a few hours after he had been appointed to head the Nanking government of China as President of the Executive Yuan—a post corresponding to Premier.

THE WEATHER

WEST TEXAS: Cloudy, local rain, warmer in north and east portions tonight; Tuesday partly cloudy, cooler in west portion. OKLAHOMA: Cloudy, probably rain tonight and Tuesday; warmer tonight.

—AND A SMILE HUNTINGTON, W. Va. (P)—It may be concluded that white ants are loyally to education. They have just finished consuming a two year supply of high school diplomas stored at the department of education.

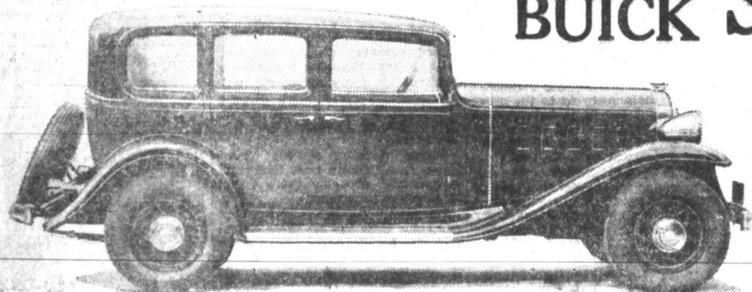

Clouds Hindering Search For Plane

LOS ANGELES, Feb. 1. (P)—Ugly clouds, swirling sun and rain and freezing cold in their path, whirled over the lonely Tehachapi mountain range today, concealing the fate of five men and three women who flew into a storm Friday aboard an airliner and vanished.

TAMPA BASKETBALL TOURNEY WILL BE HUGE AFFAIR

PLAY HERE TO BE INITIATED ON THURSDAY

DRAWING FOR PLACES WILL BE TUESDAY EVENING

The Pampa high school invitation basketball tournament Friday and Saturday promises to be the biggest ever held here. Local school officials believe that 30 or 32 teams will participate. This morning the girls entries equalled the boys.

Because of the large entry list drawing for places will be tomorrow night. It may be necessary to start the tournament Thursday afternoon. Boys' teams will be unable to attend, since the Carson county tournament will be in progress.

There will be two brackets in each division. The games will be divided so that boys' and girls' games will alternate. Some of the strongest teams in this section of the county have already entered. More entries are expected before tomorrow night. Neither the Amarillo Sandies or the Canyon Eagles have sent in answers, but they were expected today. Borger, Memphis Wheeler, Pampa, and Turkey are recognized as strong contenders while Floydada is worth watching. Memphis won the Amarillo tournament.

The girls' division is the strongest ever entered. Perryton, winner of the Canadian tournament last week end, and Tall, runner-up, will be here, as also will the famous Goodnight, Shamrock and Borger sextets.

There will probably be 30 games and a season ticket for adults will cost only \$1.00. Tickets will be placed on sale tomorrow. Students will be admitted for 50 cents. The season tickets will admit the bearer to see every game but the finals Saturday night.

Boys' teams already entered include Lela Lake, Turkey, Canadian Floydada, Shamrock, Memphis, LeFors, Wheeler, Miami, Borger, Hopkins, Pampa Harvesters and Pampa Gorillas.

Girls' teams entered are Canadian, Miami, Panhandle, LeFors, Tell, Perryton, Mobeetie, Borger, Spearman, Goodnight, Groom, Shamrock, and Pampa.

Wellington And Claude Boys Win

The boys' judging team of Wellington won the dairy cattle judging contest held Saturday at the Bar LO ranch near McLean, according to County Agent Ralph R. Thomas, superintendent of the contest.

The poultry judging contest was won by the Claude team.

Scores of the winning teams were as follows:

Dairy Judging: Wellington, 930; Tulla, 829; White Deer, 817; Claude, 771; Wheeler, 711; individual winners, John Williams, 320; Curtis Clement 309, Kenneth Stinson, 301, all of Wellington; Bertrand, White Deer, 290; Saddler, Tulla, 289.

Poultry Judging: Claude, 1414; White Deer, 1329; Silvertown, 1275; Panhandle, 1189; individual winners, Leon Davis, Claude, 460; Ewing Mills, Silvertown, 469; Paul Daur White Deer, 460; Hubert Duke Claude, 456; Thomas Bird, Panhandle, 452.

The McLean teams judged in both contests but did not compete for prizes. In a farm shop contest, the Silvertown team was the only entry. The Bar LO ranch is owned by the Sitter family, famed breeders of Hereford cattle.

Junior Chamber Directors To Meet

Directors of the Pampa Junior chamber of commerce will meet at 7:30 o'clock tonight in the chamber of commerce rooms.

Members of the activities committee will report the business transacted at a meeting of that committee with a similar committee of the Board of City Development.

The directors also will discuss current activities, such as billeting players here for the basketball tournament this week-end and the trip to the dedication of the Hansford county court house at Spearman. President Bob Brashears will preside.

ROSE WITH PENNEY'S

Bob Rose, well known young business man and civic worker, is now an employe at the J. C. Penney store. Mr. Rose is in charge of the men's clothing department. He assumed his new duties this morning. During the last five and one-half years, Mr. Rose was employed at a men's clothing store. He is an active member of the Junior chamber of commerce.

Miss Nell Crain visited at her home in Goodnight yesterday. Charlie Austin of White Deer visited friends here yesterday.

A. W. Pierce of Amarillo, transacted business here yesterday.

MISSOURI TO MEET SOONER CAGE OUTFIT

Leadership of Big Six to Be Decided When Two Teams Clash.

KANSAS CITY, Feb. 1. (AP)—Missouri and Oklahoma tangle this week-end at Columbia to decide which shall have sole claim to first place in the Big Six basketball race. Each has three conference victories. Oklahoma has lost to Kansas State and Missouri bowed to Iowa State.

Missouri returned to a tie for first place last Saturday night by defeating Kansas at Columbia, 26 to 22, with a brilliant execution of a stratagem evolved by Coach Geo. R. Edwards.

Playing without two regular guards in their lineup, the Jayhawkers chose to put up a tight defense. The Tigers countered with a refusal to mix until the Kansas spread out away from Tiger offensive territory.

Finally, with the score 16 to 8 against them, the Jayhawkers opened up and passed their opponents, only to lose in the closing minutes.

BATTLE FLEET WILL 'CAPTURE' HAWAII SOON

NAVAL BASE, SAN PEDRO, Cal., Feb. 1. (AP)—The United States battle fleet weighed anchor today and slipped out in the Pacific, westward bound, fully equipped for any emergency.

Decks were cleared for action, battle orders in the hands of all units radios silenced, and the 65 ships and their crews ready, together with an army expeditionary force conveyed by the fleet, to "recapture the Hawaiian Islands."

Colonial Tea Is To Be Interesting

One of the first and most beautiful of events planned for the Washington bicentennial celebration will be the colonial tea to be given by the woman's auxiliary, Episcopal church, from 3 to 5 o'clock tomorrow afternoon in the home of Mrs. C. P. Buckler. The public is invited to attend. A silver offering is to be taken and the money placed in the church building fund.

Legion Band Will Practice Monday

The American Legion band will hold its regular practice at 7:30 o'clock this evening in the Legion hut, West Foster avenue.

Officers of the municipal band will hold a meeting during the week to decide on a practice night that will not conflict with practices of other musical organizations in the city.

The municipal band is composed of musicians from all other organizations. Its formation does not mean that other bands will be abandoned, but that a larger band will be available for large functions.

Oklahoma Pool To Operate Here

The Oklahoma Wheat Pool elevator here has become a part of the Farmers National Grain corporation with head offices at Chicago. M. L. Kelly will be in charge of the Pampa office.

He will also be in charge of operations in this section of the Panhandle, the Pampa office being one of the four key centers in the state. Plans are being completed for the installation of short wave receiving and sending sets in each corporation office, Mr. Kelly says. The radio will be used to receive and send prices, buy and sell grain, and for inter-office communications. Mr. Kelly has not received definite word when the sets will be installed in the Pampa office.

The Pampa elevator was formerly owned by L. C. McMurtry.

BUS HEARING SET

Hearing on the applications of Odos Carroway and Wheeler and Paris to operate a bus line between Pampa and Clarendon will be held in Lubbock next Monday before a representative of the Texas Railway Commission. None of the men could be reached this morning regarding plans should one of them be given the permit.

R. D. Lewis of Shamrock is operating the line under a temporary permit.

Td Dunigan, Jimmie Dunigan, and Mike Roache are transacting business in East Texas this week.

BAYLOR WILL RISK STANDING THIS EVENING

TEXAS A. & M. WILL TRY TO END PERFECT PERCENTAGE

By The Associated Press
The Baylor Bears risk their perfect percentage in the southwest conference basketball race against the Texas Aggies at Waco tonight. It is the only game scheduled in the circuit until Friday night, when the Bears play the first of two games with Arkansas.

The Aggies were expected to be in better condition than when they were first beaten by Baylor's season. Merka, giant center, has just become eligible for competition and Veltman, star guard, is in better physical condition. A defeat would leave Baylor tied with Arkansas for the conference leadership. A defeat would leave Aggie where they are now—still without a conference victory.

Considerable changes in the present standing of the teams are possible at the week-end. Baylor's one contest with A. and M. and the two with Arkansas—rated just about the equal of the Bears—might greatly alter the present status of affairs.

There are two teams in the conference which have not yet won a game, but there can be no more than one in this humiliating situation after Saturday night, when the Aggies go to Dallas to play Southern Methodist. Texas Christian, which missed the Longhorn five at Austin recently, will attempt to repeat the performance when Texas goes to Fort Worth Saturday. Rice Institute has no game scheduled this week-end.

Standings: W. L. Pct
Baylor 3 0 1.000
Arkansas 3 1 .750
Texas Christian 2 1 .667
Rice 3 2 .600
Texas 2 3 .400
Texas A. and M. 0 2 .000
Southern Methodist 0 4 .000

M. P. Downs has moved his insurance offices from the fourth floor of the Combs-Worley building to the fifth floor.

Mr. and Mrs. Ralph R. Thomas and two children visited in the home of Mr. Thomas' brother, E. W. Thomas, at Memphis yesterday.

Mr. and Mrs. H. G. Gull of Alarced were guests in the home of Mr. and Mrs. John B. Hessey yesterday. Ray Hawkins of Roxana drove to the city this morning on business.

S. J. Meadows of Miami was shopping here this morning.

Lee Long of Mobeetie was looking after interests here Saturday.

Miss Ruby Williams of Skellytown was shopping in Pampa Saturday.

Mrs. Bert Walsh of LeFors was a Pampa business visitor Saturday.

Miss Rachel Ream and Miss Marie Browning of Alarced were shopping in Pampa Saturday.

Little Lucy Belle Lewright, daughter of Mr. and Mrs. W. M. Lewright was admitted to Worley hospital for treatment this morning.

R. G. Walker of LeFors made a business trip to the city Saturday.

A. C. Thurmond of LeFors was shopping in Pampa Saturday.

Floyd McLaughlin of Laketon was a courthouse visitor Saturday.

R. T. Jinks of Kingsmill made a business trip to Pampa Saturday.

Mrs. Minnie Jackson of Farrington was looking after interests here Saturday.

H. P. Sharp of Amarillo spent several hours in Pampa Saturday.

SKATING TEAM IS BEST EVER USED BY U. S.

Norway and Sweden Are to Offer Unusual Opposition to American Fliers.

By WILLIAM TAYLOR
Coach of the United States Olympic Skating Team.

LAKE PLACID, N. Y., Feb. 1. (AP)—The United States has the best speed skating team it has ever been able to enter in the winter Olympic games.

For that reason, I believe, and the boys are confident, that we will win more than our share of the prizes. I do not want to discuss the ability of one boy above another because each will give everything he has. We can't ask more.

Previously the United States has failed to win an Olympic speed skating championship, although Irving Jaffee had the 10,000-meter title in his grasp at St. Moritz in 1923 when soft ice forced cancellation of the race.

Inability to get the proper training abroad for the 1928 games helped spoil our chances. This year we have had six weeks of intensive drill. The boys are ready.

I believe too that we are bound to benefit from the use of our own style of racing in the coming games, abroad they skate against time and in lanes. Here we skate in heats man against man. We cannot deny that the invading athletes will be handicapped.

Our chief competition, I believe will come from the same nations we tried to beat in 1928, Norway and Sweden.

GERMAN ACES HURT IN CRASH AT BAD CURVE

LAKE PLACID, N. Y., Feb. 1. (AP)—Once more the men who made a dangerous international sport of the younger's pastime of sliding down a hill have stolen the show from a couple hundred serious minded competitors in half a dozen winter Olympic fields.

A breath-taking smash on the most dangerous curve in all Bob Sleightdom—a smash that sent Captain Werner Zahn, Dr. Hans Mehlhorn, Heinrich Rosner and Charles Devine to hospital cots with broken bones, cuts and bruises—rocketed the bob sleighers back into the spotlight with the first real proof of the dangers of the sport.

Zahn, ace of German bob sled drivers, is definitely out of the games, starting Thursday, with a fractured left arm. Dr. Mehlhorn his brakeman, suffered a broken bone in his left hand. Rosner's back was badly wrenched and Devine, a Lake Placid boy borrowed for the moment, suffered from shock. All were cut and bruised about the head and body.

Zahn and his companions were hurt when their 500-pound bob sleigh, traveling a mile a minute, smashed over the top of Ziz-Zag curve, most dangerous on the mile and a half run on Mt. Van Hoevenberg, and sailed 100 feet through the air before it crashed into a tree, shattering the bob and flinging riders into the brush and rocks of the rugged mountainside.

Harry Homburger, pilot of the Lake Saranac Red Devils, and Hupilot, both made full runs down the pilot, but hmade full runs down the treacherous course before authorities called a halt over the violent objections of foreign teams. They insisted their necks were their own to break as that wanted.

CONTRACTS LET

AUSTIN, Feb. 1. (AP)—Construction work on nine University of Texas buildings costing \$3,413,736 will start as soon as contractors can assemble men and materials. Contracts were awarded by the board of regents yesterday after nearly three days deliberation. The aggregate contract figure includes equipment for four of the buildings and book stacks for the library.

Miss Margie Thompson visited in the home of Miss Jo Ann Brown Saturday and Sunday.

Mr. and Mrs. J. S. Bland were Saturday night visitors here.

JUDGE LANDIS TO PRESIDE IN WINTER MEET

BUT LITTLE BUSINESS REMAINS TO BE DONE

NEW YORK, Feb. 1. (AP)—Major league club owners and other dignitaries of the national pastime were clustered here today for the final get-together before the opening of the 1932 campaign.

The occasion was the annual mid-winter schedule meetings, the American league today and the National tomorrow. Commissioner Kenesaw Mountain Landis was on hand to preside.

There was very little business to be transacted in either league. Technically, the purpose of the meetings was to approve the schedules drawn up by President John P. Heydler of the National league and William Harridge of the American last month.

Actually, the conferees do little more than provide a fine opportunity for the boys to get together on any last-minute trades and, in several instances, permit club managers to get acquainted with new players.

Tony Lazzeri, veteran Yankee infielder, was understood to be on the auction block. The Chicago White Sox admittedly were interested in Tony.

Weldon Stewart and Otis Kirby of Kingsmill were in the city Saturday afternoon.

Mrs. A. N. Koschinski of LeFors was in the city Saturday on business.

Mrs. Tom Jackson, Mrs. Clara Johnson, and Mrs. R. S. Walker visited in Clarendon Friday night.

KNIVES SHARPENED FREE!

Bring your knives and shears to our store and we will be glad to sharpen them for you without charge.

PAMPA HARDWARE & IMPLEMENT CO.

Yes Ma'm and Yes Sir

Bob and I Certainly Thank You

For the Wonderful Business You Gave Us During the Year of 1931

DO YOU KNOW ?

There were twice as many General Electric Refrigerators sold in Pampa and community as all other makes of electric refrigerators combined?

WE ARE MIGHTY PROUD

Of this representative number of users of General Electric refrigerators.

ASK THEM WHY

They selected General Electric after comparison with other makes of electric refrigerators.

THEY WILL TELL YOU

That General Electric pledges a long life of care-free service. Quiet, dependable. It requires no service . . . Not even oiling.

Thompson Hardware Co.
GENERAL ELECTRIC DEALER

Earl Woods
Manager Refrigeration

AGAIN WE THANK YOU AND WANT YOU TO CALL AT OUR STORE AND SEE THE ALL-STEEL MODELS WITH SLIDING SHELVES AND MANY OTHER FEATURES NOT TO BE FOUND IN ANY OTHER MAKE OF ELECTRIC REFRIGERATORS

GENERAL ELECTRIC FEATURES

All mechanism hermetically sealed in the steel Monitor Top
Accessible fast-freezing control
Three definite zones of cold
All-Steel cabinet—porcelain-lined
Broom-high legs for easy sweeping
Maximum food storage space
Low operating cost
Quiet operation, all mechanism bushed in on

"Friday" Is More Definite About His Predictions

The blizzard that A. G. (Friday) Brandin predicted would take charge of this community "along in February" will come between Feb. 9 and Feb. 15, the courthouse weather prophet and old timer said Saturday.

That "Friday" had given out in a month—since he predicted on Dec. 31 that there would be no major storms in January.

Soon after "Friday" had made his prediction, officials of the Stuckey Construction company said they hoped to finish paving the two and one-half mile stretch on the North Miami road before the blizzard arrives. Earl Stuckey said he could finish the job in 12 working days.

Oklahoma Highway Official Is Coming

Sam Hawks, chairman of the Oklahoma State Highway Commission, will visit Pampa some time this week, he told P. P. Reid and George W. Briggs Saturday when they visited Clinton with a delegation of men from Wheeler county and Roger Mills county, Okla., in the interest of a road to connect with highway 152 at Mobeetie. Mr. Hawks said he planned to make a tour of highway 41 and the proposed new road, and that he wanted to visit Pampa.

The new road would start at Strong City, Okla., and be a continuation of Oklahoma highway 33. The Oklahoma representatives announced that they would comply with state highway specifications regarding the road. Wheeler county commissioners said they would widen the road through their county as far as Mobeetie and make it an all-weather road.

Akers Believes In An Old Adage

More than ever C. B. (Brownie) Akers believes the old adage that misery loves company.

Sunday morning about 4 o'clock Mr. Akers, manager of the La Nora theater, answered his telephone that had rung insistently for a couple of minutes.

"Are you asleep?" a feminine voice inquired.

"No," answered "Brownie."

"Well, I just wanted to know—I'm not either . . . after that Frankenstein."

SHERIFF'S SALE STATE OF TEXAS COUNTY OF GRAY

By virtue of an execution issued out of the Honorable County Court of Gray County, on the 19th day of January, A. D. 1932, by the Clerk thereof, in the case of General Motors Acceptance Corporation versus A. Ledbetter, W. L. Haynes and A. T. Young, Number 511, and to me, as Sheriff of Gray County, directed and delivered, I will proceed to sell, within the hours prescribed by law for Sheriff's Sales, on the FIRST TUESDAY in March, A. D. 1932, at being the 1st day of said month before the Court House door of said Gray County, in the City of Pampa, Texas, the following described property, to-wit:

East Half (E½) of the Southwest Quarter (SW¼) of Section Twenty Six (26), Block Twenty Five (25), Gray County, Texas. Levied on this 19th day of January, A. D. 1932, as the property of W. L. Haynes to satisfy a Judgment amounting to \$286.50, in favor of General Motors Acceptance Corporation and cost of suit.

GIVEN UNDER MY HAND, This 22nd day of January, A. D. 1932.

LON L. BLANSCOET,
Sheriff of Gray County, Texas.
By J. F. Archer, deputy.

GRAINS ADVANCE

CHICAGO, Feb. 1. (AP)—Helped by upturns in securities, grain prices scored an early advance today. The grain market also was stimulated by indications that the Far East crisis was becoming more serious and by apparent likelihood that damage had been done to domestic winter wheat. Opening ¼-½ higher, wheat afterward showed additional gains. Corn started unchanged to ¼ higher and then reacted a little.

LeFors Paving to Be Opened Today

The last half mile of the LeFors road paving will be opened to traffic late this afternoon, County Engineer A. H. Doucette said today. The opening of the paving will mean an all-weather road between Pampa and LeFors. The paving extends approximately five miles from the city limits or below the plains. From the end of the paving the road is sand or caliche.

The two miles just completed was the worst between the two places during wet weather. At times the stretch was impassable.

Paving of two and one-half miles on the Miami road is progressing slowly because of bad weather and lack of water. It has been found necessary to connect the water lines with the city system. Approximately one-half mile has been paved.

CHICAGO GRAIN

CHICAGO, Feb. 1. (AP)—Wheat: No. 2 red 59¼; No. 3 red 59¼; No. 2 hard 59¼; No. 3 northern spring 65¼; No. 1 mixed 61; No. 3 mixed 58¼ to 59.

Corn: No. 2 yellow (old) 40 to 40¼; No. 3 mixed 37 to 37¼; No. 2 yellow 39¼; No. 3 yellow 35 to 38; No. 3 white 37¼ to 38¼.

Oats: No. 2 white 24¼ to 27¼; No. 3 white 24¼ to 26¼.

Wheat closed unsettled, ¼-1¼ above Saturday's finish, corn ¼-½ up, oats ¼-½ advanced and provisions unchanged to a rise of 10 cents.

COTTON FIRM

NEW ORLEANS, Feb. 1. (AP)—The cotton market today experienced a steady opening with only moderate trading. Liverpool cables were better than due and private advices from that market reported that Japanese were buying considerable cotton there.

First trades showed gain of 2 to 3 points. As the stock market opened firmer, owing to the satisfactory settlement of the railroad wage question, the market here continued to improve after the start. March trading up to 6.75, May to 6.92 and July to 7.07, or 5 to 6 points above Saturday's close.

Mrs. P. J. Landry and infant son were discharged from Worley hospital Saturday.

M. K. Brown transacted business in White Deer Friday.

JAPANESE—

(Continued from Page 1)

new restrictions permit civilians in the streets. The arrangement is to continue indefinitely.

Four American destroyers steamed into the harbor during the forenoon and a fleet of six more United States warships was reported to have sailed from Manila. The British cruiser Berwick, with 800 troops and one gun battery aboard, left Hong-Kong for Shanghai at 3 p. m.

French authorities mounted machine guns at important street intersections and closed many streets with barbed wire. Chinese newspapers said they refused to let Japanese troops enter the French section to guard Tungwen college, Japanese institution on the western border. A small force of Italian marines was added to the forces patrolling the boundary lines of the international settlement.

E. Koe-hin, French consul general at Tientsin, announced today that a battalion of French infantry had been ordered to Shanghai. The French cruiser Waldeck Rousseau also is due from the south. This will increase the French defense force to 5,000.

An inspection of the Hongkong area showed the Japanese forces were continuing their strict patrols while many sections showed the results of heavy machine-gun fire.

Sunday was a bloody day. There were outbreaks of rifle fire in the downtown area of Hongkong and in the French concession with a loss of many Chinese lives and fewer Japanese. Japanese forces were reported to have caught 28 Chinese in the yard of the Chinese Christian church in Hongkong and to have executed 20 of them.

All through the lower section of the Lauzez river valley a way of apprehension spread. Reports from various river ports as far west as Hankow, 650 miles away, told of feverish preparations by the Japanese communities against possible Chinese attacks.

Penney Manager At Spring Meeting

H. D. Keys, manager of the local J. C. Penney company store left here yesterday for Dallas to attend the annual spring convention of the organization he represents.

The meetings will be held at the Baker hotel and managers from approximately 200 stores covering this section of the country will be present.

George Mitchell of the personnel department will preside over the convention and other general executives of the company who will conduct sessions will include Earl C. Sams, president, J. C. Penney, chairman of the board, L. A. Martin, of the sales department, as well as representatives of the various buying departments.

The series of conventions totals eight which will cover the entire country.

Before leaving, Mr. Keys said, "Two very important subjects will be thoroughly discussed at the meetings this year, first will be the matter of merchandising of products at the new low price levels which have been established during the two years, made possible by the increasing co-operation between manufacturing and distributing organizations."

"The other will be the matter of our relations with the public which should result in a better understanding between the buying public and the retail stores which they patronize."

Mr. and Mrs. Cecil Clausen and Mrs. Essie Young were in Clarendon Friday night.

Hillery Hekerate was a visitor in the W. J. Brown home Sunday.

Miss Myrtle Brown, Miss Margie Thompson and Miss Jo Ann Brown visited in the home of Mr. and Mrs. R. C. King Saturday.

Mrs. Robinson Is Club Hostess

Mrs. Blain Robinson stressed the Valentine theme in decorations and refreshments when she entertained the Dutch Bridge club last week.

Mrs. L. M. Williams was favored for high score and Mrs. Frank C. Allison for second high. Members present were Mesdames John Haggard, E. T. Broughton, L. R. Hartell, Frank Robinson, Ben Reno and the hostess.

The club will be entertained next Thursday by Mrs. Williams.

CHRISTIAN SCIENCE CHURCH

"Love" was the subject of the lesson-sermon in all Churches of Christ, Scientist, Sunday, Jan. 31.

The golden text was from II Corinthians 13:11. "Be perfect, be of good comfort, be of one mind, live in peace; and the God of love and peace shall be with you."

Passages from the Scriptures included the following from Romans 13:10: "Love worketh no ill to his neighbor; therefore love is the fulfilling of the law."

Included in the service was also the following from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy (p. 57):

"Love enriches the nature, enlarging, purifying, and elevating it. The wintry blasts of earth may uproot the flowers of affection, and scatter them to the winds; but this severance of earthly ties serves to unite thought more closely to God, for Love supports the struggling heart until it ceases to sigh over the world and begins to unfold its wings for heaven."

Party Given for Group on Friday

Mary Elizabeth Nees, Hattie Margaret Harwell, Ina Mae Dean, and Rosalie O'Grady entertained with a party Friday evening in the home of Mr. and Mrs. Lee O'Grady.

Sandwiches and soft drinks were served at the close of the evening to the following guests: Vernel Stevens, Norvell Stevens, Harry Barnett, Wayne Larsh, Warren Finley, Tom Rose, Skeet Wise, Tony Boyington, Russell Turner, Wolford Bevins, Roy Webb, Bill Mack Parks, Davis Whittenburg, Clinton Evans, Frankie Baer, Hershel Long, Walter Moss, Marie Tinsley, Jap Berryhill, Nina Fisher, Jeanette Ricketts, Pauline Noel, and the hostess.

A. N. Burleson was a business visitor here Saturday.

NOTICE OF SALE

Pursuant to an order of sale issued out of the One Hundred Fourth District Court, and under the authority invested in me by deed of assignment from Eunice Innis and Benneta Overlie, I will sell at public auction the stock and fixtures of the Pampa Style Shop located at 111 West Foster Street, Pampa, Texas, and apply the proceeds of such sale to the payment of such creditors as will accept under the aforesaid assignment, said sale to be held at 111 West Foster Street, at 2 p. m., February 11th, 1932. The store will be open during the morning for inspection of the stock and fixtures. The undersigned reserves the right to reject any and all bids, if he so desires.

There's one Right Size for Cigarettes

● Examine various cigarettes, and you'll find they are not all alike in size. Yet our scientists say their tests and research fix one definite size standard as the best. For a given length, our experts say, there is one right diameter . . . to make the draft right . . . to make the cigarette burn right.

Not only that, when the size is right, the cigarette lasts longer, and smokes cooler. And that "right" size is exactly the standard Chesterfield size.

A detail? Of course—but a mighty important one, figured in extra coolness and comfort. It's by constant attention to just such details that Chesterfield sets cigarette standards.

Notice how round and full each Chesterfield is—how firmly packed. There are two "electric detectives" on every packing machine, to check this detail also!

The right size . . . and the right quality. Chesterfield never changes either one. Measure them any way you want—with ruler, microscope, or test-tube.

Or measure them in the surest way of all—by milder and better taste. And you'll find—They Satisfy! Good, they've got to be good!

● Chesterfield's Radio Program is way above standard too! Let Nat Shilkret's Orchestra and Alex Gray, popular soloist, entertain you tonight . . . while you lean back and enjoy a mild, pure Chesterfield. Remember the hour . . . 10:30 E. S. T. . . . over the entire Columbia Network . . . from coast to coast.

● WRAPPED IN DU PONT NO. 300 MOISTURE-PROOF CELLOPHANE . . . THE BEST AND MOST EXPENSIVE MADE
