ARMS POLICY OF U.S. IS OUTLINED

County Declares An Emergency and Takes Steps to Replace Bridge

Ralph Budd of Chicago, the president of the Burlington railroad system, who was here last week, believes the stability of American railroads has been strengthened much by the recent 10 per cent wage reduction agreed upon by labor and railroad officials.

Pertinent
That is pertinent in Pampa, a city which looks to railroads to help develop a territorial center. Railroads have been regulated to prevent excess profits, and now they find it necessary to take steps to prevent excessive losses. Organized labor ordinarily combats wage cuts to the bitter end, but in this case there was a common need—to stabilize the railroads.

Substantial Saving
The wage cut means a saving of \$4,500,000 annually to the Burlington system alone. That is a notable sacrifice on the part of labor, based upon the assumption that the railroad will keep as many men on duty as possible. Government regulation now has a new angle—the perpetuation of the railroads in the face of competition with agencies which require no such expenditures and public ownership. . . . The Pampa-Childress line is to cost four millions, or virtually the amount the wage cut will mean to the Burlington, or parent system.

Hurries Slowly
Uncle Sam, with a multiplicity of bureaus and red tape, makes haste slowly. He just recently cleared all angles to the local federal building site. There was necessary delay. But now that the next moves are in his hands, he moves in characteristic dignity. Jobless men wish he would cut some of the tape and rush the project through the routine. Private contractors could start the work more quickly, but there are few cases on record showing that Uncle Sam has ever been speeded up. Haste now would be very appropriate.

A Proposal
This rose planting time, those who expect to help beautify Pampa next summer should investigate winter planting. And this brings up the desirability of winter watering and the need for early lawn and gardening water rates. There are many indications that Pampa will be in full flower next summer. We hope so. . . . And while we are on the subject of planting, we'd like to solicit the cooperation of a few farmers in raising our favor-

THE WEATHER

WEST TEXAS: Partly cloudy to cloudy and probably scattered showers tonight and Wednesday. Colder in north portion Wednesday.
OKLAHOMA: Mostly cloudy, warmer tonight; Wednesday unsettled, probably showers, cooler in west portion.

—AND A SMILE
LONDON: For a woman to win Post Robert Burns' stamper of approval as a "good wife" she had to have the following qualities in 10 parts: Good nature, 4; good sense, 2; wit, 1; persona, charms, 1; and the rest in fortune, education, family blood, etc. All this was set forth in a letter written by Burns, now in possession of W. D. Fisher.

BIDS WILL BE TAKEN FEB 13 ON LONG SPAN

PLANS RECENTLY USED IN CONSTRUCTION AVAILABLE

CALAMITY POINTED OUT

INSURANCE WILL HELP REPLACE STRUCTURE ON NORTH FORK

Declaring that the destruction of the bridge across the North Fork of Red river near LeFors last week constituted a "public calamity" and that "an emergency exists," county commissioners yesterday afternoon voted to receive bids for the construction of a new bridge at 10 o'clock, Feb. 13.

The same plans and specifications, with necessary modifications, that were used in building the bridge that was burned, Thursday night, will be used. The county engineer, A. H. Doucette, was instructed to advertise for bids immediately.

The bridge was valued at \$21,000. It was damaged almost 100 per cent. It was thought at first that damage would be about 75 per cent. The county carried about \$13,000 insurance on the building.

Late Thursday night, Sheriff Lon L. Blansett arrested two incendiary suspects, who were placed in the county jail.

Kirby To Seek Office Held by Him Six Years

Thomas O. Kirby has authorized The NEWS to announce his candidacy for the office of commissioner of precinct 3. Mr. Kirby if elected will not be new to the office, having served in that capacity for six years, from 1924 to 1930. He was not a candidate for the office last year.

If anyone has asked me for that weeks ago I couldn't refuse them," Mr. Kirby informed The NEWS yesterday. "But since that time so many voters in the precinct have come to me and urged me to again run for that office that I couldn't refuse them."

Flu Is Thought To Be Receding

A belief that the peak of the influenza epidemic was reached during the week-end was expressed yesterday by local physicians and Supt. R. B. Fisher.

When school was resumed yesterday morning, approximately one-third of the children who were ill last Thursday reported for classes. High school students, over 100 in number, were recovering more slowly. Physicians said that dismissal of school Friday for the tournament served in a large measure to check the spread of the disease. Tournament officials and teachers cooperated in allowing no sick children to remain in the gymnasium.

BAND MEETS TONIGHT

The municipal band will meet tonight at 7:30 o'clock in the city hall for practice. All musicians over 16 years of age are requested to attend this rehearsal.

COUNTY SEAT IS ISSUE

PLAINVIEW, Feb. 9. (P)—An election will be held in Lamb county March 19 to determine whether the county seat shall be changed from Otton to Littlefield or Amherst.

FOUR SUSPECTS HELD

SAN ANGELO, Feb. 9. (P)—Four men were held in jail here this afternoon in connection with the hijacking of B. T. Williams, filling station operator, of \$650 early this morning.

CHINA DEPENDS ON THESE

If numbers counted, China would have a big edge on Japan in a long and widespread war. Lack of unity, equipment and experience in modern tactics would, however, handicap its forces. Nevertheless, China has some crack troops made up of soldiers like the one above. He's wearing the Chinese soldier's headgear and padded winter uniform. Below are Chinese riflemen ready for battle.

ATHEISM ACCUSATION AIMED AT TEXAS TECH PROFESSORS

Baptist Pastor's Charge To Be Investigated Soon by President P. W. Horn.

LUBBOCK, Feb. 9. (P)—A conference between Dr. Paul W. Horn, president of Texas Technological college here, and Rev. R. C. Campbell, First Baptist church pastor who charged from the pulpit that several faculty members were "poisoning the minds of students," loomed today.

Rev. R. Campbell today was attending a church meeting at Midland. Dr. Horn, who had declared a complete investigation of the accusation would be made, indicated he would confer with the minister Wednesday.

Twelve members of the Technological college faculty are members of Rev. Campbell's church, the largest in Lubbock, Doctor Horn said. "So far as I know, no school is working more to teach the highest and best ideals of manhood," the college president declared. Rev. Mr. Campbell will be expected to name the persons to whom he referred in the "blanket accusation," Doctor Horn indicated.

Rev. Mr. Campbell alleged unidentified professors were teaching "atheism and infidelity."

The theory of the virgin birth, a factor in the Baptist clergyman's charges, was a matter of particular church's view, Doctor Horn indicated as his opinion.

A. P. I. TO FORM CHAPTER HERE THIS EVENING

"A chapter of the American Petroleum Institute will be organized here tonight. H. M. Blakesley of Dallas will be present to outline the organization and its aims. Officers will be elected and a regular meeting will be held."

The organization meeting will be held in the auditorium of the city hall at 7:30 o'clock. The session will be open to everyone interested in the oil business.

Andy Andrews and his orchestra will furnish music for a half hour before the meeting.

BALLOTS WILL BE SEALED AS WORK CLOSES

BOARD OF JUDGES TO OPEN AND COUNT REPORTS

CANDIDATES VERY BUSY

WINNERS ARE TO BE KNOWN TOMORROW NIGHT LATE

Only about 29 hours remain in the NEWS' circulation campaign in which to win or lose. With the final hour tomorrow night, 10 o'clock firmly fixed in the minds of all candidates, there is a stirring battle for supremacy being fought.

Aroused to the unprecedented opportunity of winning two luxurious automobiles, a trip to California over the Trans-Continental Western Air—the opportunity of a lifetime—the candidates are showing increased energy. Everywhere they are in eager and anxious subscriptions that mean votes, and, in the end, victory.

During the coming hours the campaign will be under secret ballot. The campaign manager does not receive any more reports until the end of the campaign.

A sealed ballot box has been arranged, and will be on display in the front office of The NEWS. Candidates will make their deposits in this box. These reports will be in envelopes sealed by the contestants with their names on the outside, and will not be opened until the candidates appear personally, before the board of judges after the campaign closes.

Opportunity still lies in these two final days. Candidates are too close to slacken their speed; however, some candidates will linger! And some candidates will lose. In fact, in life most people are waiting for their opportunity. Most people remain waiters.

Earnestly to ask the meaning of every opportunity, and then to see if it fits you, may be wisdom, but this method of waiting and delaying, this idea of not doing, will accomplish about as much as the average man accomplishes when he waits.

Feeding Livestock Will Be Topic In Farmers' School

The second meeting of farmers to discuss more and better dairy cattle, more and better poultry, and more and better hogs for Gray county will be at 8 o'clock tonight in the agricultural building at the high school.

Feeding dairy and beef cattle economically will be the subject discussed tonight. J. L. Lester, teacher of vocational agriculture, announced this morning.

Ralph R. Thomas, county agent, will be in charge of the discussion on feeding of beef cattle. The other speaker will be selected during the day.

The lectures and discussions are free to all farmers in this area.

INSANITY CLAIMED

WACO, Feb. 9. (P)—The defense continued its efforts today at the murder trial of William C. Beck, 19, accused slayer of O. L. Jones, Waco automobile salesman, to prove the defendant insane.

Several college students who had known him in the brief time he attended the University of Texas testified they considered him insane.

JAPANESE STILL FIGHT

AMBASSADOR TO JAPAN TO BE CHANGED SOON

GENEVA, Feb. 9. (P)—Ambassador Hugh S. Gibson, acting chief of the United States delegation to the world disarmament conference, and Chancellor Heinrich Brüning of Germany presented to the conference today the American and German proposals for limitation of armaments, both of which differed at many essential points from the proposal of France, presented last week by Andre Tardieu, French foreign minister.

The American proposal presented by Gibson, who was warmly applauded by the delegates as he addressed the rostrum, contained nine points.

These included prolongation of the Washington and London naval agreements, further reduction of naval armament, abolition of submarines and promotion of land armament by restricting tanks and mobile gun discharges, and prevention of bacteriological warfare, protection of civil populations against aerial bombing, limiting defensive forces to those necessary to maintain internal order and some contingents for defense against budgetary limitation of expenditures for war supplies when their direct limitation has been secured.

WANTED MAN HELD
WICHITA, Kans., Feb. 9. (P)—William DeVore, 36, alias Vera DeVore, wanted for questioning in connection with the \$2,000 robbery of the Higgins, Texas, State Bank Nov. 12, was arrested here last night. He told officers he had served a term in the state penitentiary for larceny from Bemo county and had served a term on a similar charge in Oklahoma.

Mrs. J. A. Hill of Canyon, above, president of the seventh district, Texas Federation of Women's clubs, arrived this afternoon to address Pampa club women this afternoon at 3:15 o'clock at the Methodist church. She also will speak at an open meeting of El Progreso club this evening in the T. D. Hobart home.

Death Verdict For Mrs. Judd Is To Be Reviewed

PHOENIX, Ariz., Feb. 9. (P)—Death on the gallows has been decreed for Mrs. Winnie Ruth Judd, 27-year-old daughter of a retired minister.

An all-male jury last night found her guilty of the murder of Mrs. Agnes Anne Lerol, her friend, and specified the death penalty. The jury deliberated three hours and 40 minutes. Six ballots were taken.

Mrs. Judd heard the verdict without show of emotion. She was immediately taken to her cell, where she walked in front of her mirror and viewed herself several seconds.

Sheriff J. R. McFadden ordered a day and night guard maintained in the cell, fearing Mrs. Judd might attempt to end her life.

Before the state may hang Mrs. Judd, an appeal is mandatory under Arizona law. The defense counsel said the appeal would be made soon after sentence is pronounced Feb. 23.

Mr. and Mrs. Benjamin S. Via are leaving today for a business trip to Chicago.

DAMAGE SUIT GOES TO JURY

Strong Arguments Made in Case Growing Out of Purported Accident.

A judgment of \$4,925 was returned by the jury for the plaintiff, Dan McIntosh, in his damage suit against August Gordon this afternoon. Of this amount, \$925 was for hospital bills. The plaintiff asked for \$4,000 damages. The jury was out two hours.

Heated arguments by attorneys were delivered this morning in 114th district court for three hours before the jury retired to deliberate upon a verdict in the damage suit of Dan McIntosh.

"Pretty Boy" Is Widely Sought in North Oklahoma

TULSA, Okla., Feb. 9. (AP)—All available officers in this vicinity searched today for Charles (Pretty Boy) Floyd who they believed responsible for the wounding of Detective Wilber Wilson in a gun fight last night.

They sought a bullet-riddled automobile in which the Oklahoma desperado and a companion were believed to have been riding when they were stopped by a Tulsa scout car last night. When last seen, the automobile was speeding north on a main highway to Kansas points.

Wilson apparently was struck by the first bullet of more than 50 reported fired at the officers; by two men with a machine gun.

pledged Germany, "with all emphasis," to the advocacy of general disarmament "of an unmistakable nature, such as the League of Nations covenant envisaged" but set out no formal program except to ask that the armaments of all nations be reduced to the same low relative status as Germany.

Remark Applauded

Ambassador Gibson's announcement that the United States would consent to budgetary or financial reduction as a complement to direct limitation of armaments drew special applause from the delegations.

This question has long been a stumbling block to preparatory disarmament work.

"A decrease in arms is an essential," Mr. Gibson said, "not alone for the recovery of the world, but also to the preservation of the whole fabric of peace."

Gibson's declaration of American policy, particularly as it applied to armament in general, appeared to make a favorable impression among the various delegations. Apparently its most valuable feature was an admission of the usefulness of the budgetary method for limiting armaments, which was flatly rejected by the United States delegation in the preparatory commission.

Great Britain Differs Sharply on French Plan to Prevent Wars

GENEVA, Feb. 8. (AP)—Great Britain and France clashed pointedly at the world disarmament conference today over two distinctly separate theories about abolishing war.

Sir John Simon presented Great Britain's plan for disarmament, including abolition of submarines and gas and chemical warfare, at the same time sharply criticizing the proposal of France for arming the League of Nations.

"That the peace of the world is to be secured by preparing for war," he said, "is no longer believed by anybody for recent history manifestly disproves it." Sir John also insisted that the scope of the proposals discussed be kept within the field of the disarmament convention, drawn up beforehand. He declared the British proposals remained within this field.

Andre Tardieu, French minister of war and head of the French delegation, who proposed the French armament plan last week, declared that until the League is armed there can be no peace in the world. He spoke immediately following Sir John. He denied a suggestion that the French plan was "merely a maneuver."

McIntosh against August Gordon. Defense attorneys, John Sturgeon and W. J. Smith, contended that Mrs. McIntosh was in poor health for several years preceding May of 1930, when she fell on the tile at the entrance of Gordon's store. The defense introduced evidence intended to show that Mrs. McIntosh fell on the tile after she wanted.

Plaintiff's attorney, W. M. Lewright, argued that as a result of the fall on the sidewalk, Mrs. McIntosh was forced to undergo a serious operation and that she was permanently injured. Plaintiff's witnesses testified that the tile entrance was slippery with water and that the defendant was negligent in leaving the water there. They also said that a mop and a bucket were seen near the entrance shortly after the plaintiff fell.

Defense witnesses, employes in Gordon's store, testified that the entrance was not mopped with water that day and that there was no water on the tile.

Oil Production In Sharp Drop

TULSA, Okla., Feb. 9. (AP)—Decreases in Oklahoma, California, Kansas and eastern pools more than overcame a slight gain in East Texas last week and total oil production of the United States dropped 20,690 barrels in the daily average to a total of 2,148,245 barrels daily, the Oil and Gas Journal estimates.

Oklahoma production, was 395,610 barrels daily, as compared with a previous daily total of 412,335 barrels.

California wells flowed only 499,000 barrels, while the previous week their output averaged 503,500 daily.

Kansas production was 97,815 barrels daily a drop from 98,145.

Eastern wells produced 118,000 barrels daily, while the preceding week they flowed 121,000 daily.

In Texas the increase was from 860,572 to 865,119 barrels daily; East Texas fields produced 349,080 barrels daily, in comparison with a previous flow of 345,350. Most of this increase was due to new completions.

Rocky Mountain production was 80,906 as compared with a previous average of 79,896 daily.

LONG BEACH, N. Y., Feb. 9. (AP) The body of an expensively dressed woman apparently in her early thirties was found in the surf today not far from the place where Starr Faithful's body was discovered last year. In her pocketbook was a membership card to the Bronxville Woman's club made out to Mrs. Adelaide Stetok, Bronxville.

Third Pugilist Is Victim Of Punches

INDIANAPOLIS, Feb. 9. (AP)—Boxing in Indiana claimed its third victim within a week last night with the death of Kokomo of Wilbur Russell, an amateur. The other two who died were professionals.

Russell fell just before the end of the first round of his scheduled three-round bout with George Scott at Kokomo last Wednesday. He walked to his corner but was unable to continue. A coroner's report attributed death to oedema of the brain.

The other deaths in hoosier ring circles were those of Bud Hughes, 17, of Rockport, Ind., who died soon after he collapsed during a fight at Evansville last Tuesday night, and Johnny Page, 22, of Clinton, Ind., who died at Indianapolis Thursday night after a bout here last Tuesday.

"Fashion will play a dashing role this spring," H. D. Keys, manager of the J. C. Penney store here, said upon his return from the Penney company convention at Dallas. "The crisp vigor of masculine influence is commencing to reappear in the styles of the new season. This is good news to American women who are always at their best in swank tailored clothes giving that well-groomed look."

"Texture of materials is of outstanding importance this year in all clothes, even to hats," Mr. Keys said. "Manshine lines will embellish feminine apparel for 1932. Scores of new fabric interpretations have evolved. In recognition of the masculine influence the smartest prints favor stripes, plaids, and neat tie-die design. Sleeves and necklines show a more determined cut in keeping with the masculine spirit in daytime clothes. Wide shoulders add considerably to this masculine note. Jackets are shorter-than-short and are especially chic when made on fitted bell-hop lines.

"Corduroy, pique, in fact everything this is ribbed is ultra smart. Cottons will be even better than last year for advanced spring and summer wear."

Ecuador Is Off Gold Standard

GUAYAQUIL, Ecuador, Feb. 9. (AP)—Ecuador abandoned the gold standard today.

Ecuador has been having financial difficulties for some time and last year Prof. Edwin Kemmerer of Princeton university was called in to confer with the bankers about the country's finances.

Last May the Bank of Ecuador was suspended pending investigation of its accounts. The order precipitated a run but all depositors were paid. Subsequently the superintendent of the bank resigned and the treasury was requested to proceed with liquidation of the bank.

NEW YORK, Feb. 9. (AP)—Will Rogers, who wise-cracked his way around the world, arrived today from Europe on the liner Europa "to get in on this dough everybody is going to dig out of their sock."

"I hear they are making a drive against hoarding," he said, "and I don't want to be away under the circumstances."

In Europe, he said, when you're introduced to somebody they say, "glad to meet you, cancel the debts."

FEMININE FANCIES

By Hildyee Sellers Hinkle

Nothing in the way of entertaining would be more appropriate between now and next week than a Valentine tea, and few types of entertainments offer more possibilities for interesting refreshments.

Here is a menu that guests will enjoy: Heart sandwiches, nut bread rings, olives, celery, sweet pickles, Valentine cakes, coffee, and salted nuts served in heart cases.

For heart sandwiches, try this recipe:

- 24 slices white bread.
- 4 tablespoons soft butter.
- 2-3 cup white cream cheese.
- 1-4 cup chopped pimento, stuffed olives.
- 1-3 cup chopped pecans.
- 1-4 cup chopped celery.
- 1-4 teaspoon salt.
- 3 tablespoons mayonnaise.

Arrange bread slices in pairs. Mix rest of ingredients with fork. Spread on bread. Arrange sandwich fashion. Press and cut out with paper heart pattern or a heart cutter.

Nut bread rings:
2 cups Graham flour,
2 cups flour,
1 teaspoon soda,
2 teaspoons baking powder,
1 teaspoon salt,
1 cup sugar,
1 cup nuts, chopped,
2 cups milk (scald),
2 tablespoons fat, melted,
4 tablespoons molasses.

Mix ingredients and pour into 2 small loaf pans which have been well greased. Let rise 15 minutes. Bake 50 minutes in slow oven. The bread should be 24 hours old before it is used. To make rings, make very thin sandwiches spread with butter. Cut out rings with doughnut cutter. The little circles left can be arranged on the tray.

Valentine cakes:
2-3 cup butter,
2 cups sugar,
1 cup milk,
1 teaspoon vanilla,
1-2 teaspoon rose extract,
1-4 teaspoon salt,
3 cups pastry flour,
3 teaspoons baking powder,
4 egg whites, beaten.
Cream butter and sugar. Add milk, extracts, salt, flour, and baking powder and beat 3 minutes. Fold in egg whites. Pour into shallow pan fitted with waxed paper. Bake 15 minutes in oven. Cut into squares when cooled. Frost top and sides with any desired white frosting.

Open-toed sandals are seen everywhere, daytime and evening, in Palm Beach, according to Betsy Schuyler, fashion writer. She says: "The Princess Anna Ilynski, wife of Prince Dimitri, wears them both daytime and evening, but it is only at the beach that you see her lacquered toenails. Smartly dressed women are wearing hosiery for evenings."

Miniature Park Is Shown Group

A miniature park typical of those seen in Japan held interest for Central Baptist Sunbeams when they heard a program on Japan yesterday afternoon. Their leaders are Mrs. Ben Siebold and Mrs. M. S. Benge, and Mrs. S. C. Harrell was a visitor.

The following children attended: Don, Maxine, and Billie Bob Harrell, Lillian and Dixie Brown, Bobbie Davis, Mary Maud, Rutherford, Freddie Nell Beckham, Raymond Earl McAlister, Carolyn Darnell, Doris Benge, Ila Faye Hardcastle, Sarah Ellen Seibold and Vaughn Keeling Darnell.

Treble Clef Club Holds Rehearsal

KOREA STUDIED AT GATHERINGS OF METHODISTS

MANY ATTEND CIRCLE MEETINGS IN HOMES

Korea furnished the basis of an interesting study held by the Methodist Women's Missionary circles in the homes of various members yesterday afternoon. Devotional by Mrs. W. Purviance opened a meeting of Circle 1 in the home of Mrs. F. M. Culbertson, and Miss Dorothy Dodd, accompanied at the piano by Mrs. Therman Harris, entertained with a vocal solo.

The following discussions were made: Discussion of James Dale van Buskirk, Mrs. Purviance; "Gathering Clouds," Mrs. Lewis Robinson and Mrs. H. O. Roberts; "What Is Old in Korea," Mrs. S. C. Evans; "Influence of China," Mrs. Roy Tinsley; "The Old Kingdom Passes," Mrs. Luther Pierson.

Cake and coffee were served to Mesdames Lewis Robinson, H. O. Roberts, R. Culbertson, Tom Cook, Fannie Hardin, William Castleberry, W. H. Peters, J. G. Noel, W. Purviance, Roy Tinsley, Luther Pierson, T. Harris, J. H. Marshall, S. C. Evans, and the hostess.

Meet at Church
Mrs. Ralph Chisum led the devotional and Mrs. C. A. Long outlined the new study book to be taken up by Circle 1. Other talks included "Map of Korea," Mrs. Chisum; "Age of Korea as Compared With United States," Mrs. H. F. Barnhart; "Relations of Korea to China and the United States," Mrs. W. E. Hamilton; "Religion of Korea," Mrs. Paul Jensen.

Those present were Mesdames Ralph Chisum, C. A. Long, A. D. Lawson, Z. H. Mundy, Clara Selby, H. F. Barnhart, Sarah Burke, H. L. Wilder, A. B. Goldston, C. E. Ward, W. B. Hamilton, Paul Jensen, Chris Baer, Horace McBee, C. C. Dodd, J. W. Murphy, one new member, Mrs. Roy Kretzmeier, and three visitors, Mrs. M. M. Coolbaugh, Mrs. Bill Saier, and Mrs. E. L. Morris.

In Purvis Home
Mrs. Mary Purvis was hostess in her home to Circle 4. Devotional was led by Mrs. H. B. Carson, and the lesson was conducted by Mrs. A. A. Hurst.

"Gathering Clouds," a playlet, was enjoyed. It was presented by Mesdames F. Bryan, S. C. Oden, T. L. Certain, Joe Gordon, S. A. Hurst, J. M. Fitzgerald, and W. R. Campbell. The history of Korea was discussed by Mrs. R. B. Fisher, and churches of Korea were discussed by Mrs. Albert Wood.

Coffee and cake were served to Mesdames E. B. Carson, A. Hurst, T. L. Certain, Joe Gordon, Albert Wood, Frank Bryan, A. L. Purvis and the following visitors: Mesdames L. W. Klein, C. E. Smith, T. J. Worrell, Lloyd Purvis, and J. G. Burgess of Perryton.

Social Meeting Held
A combined study and social meeting was held by Circle 2 in the home of Mrs. J. M. Saunders. Mrs. F. L. Hill was co-hostess.

Mrs. Horace McBee led the devotional, and during the study period discussions based on Korea were given by Mrs. Hill, Mrs. Sherman White, Mrs. Charles C. Clark, Mrs. A. W. Babione, Mrs. H. L. Wallace, and Mrs. R. A. Myers.

The Rev. C. A. Long led in prayer. During the social hour, a quartet composed of Mrs. R. B. Jones, Mrs. Philip Wolfe, Mrs. A. W. Mann, and Mrs. C. C. Dodd sang "The Rosary" and "One Fleeting Hour." They were accompanied by Mrs. F. L. Elliott. A reading was given by Mrs. R. F. Dicken, and another by Mrs. H. L. Wallace. Mrs. Elliott played several piano selections. Mocha cake topped with whipped cream was served with heart-shaped jello, coffee, and mints.

Members attending were Mesdames Carl Erashewark, Shterman White, F. L. Hill, R. A. Myers, C. E. McHenry, Clyde Price, E. D. Zimmerman, H. T. Wohlgenuth, A. W. Babione, C. T. Nicholson, C. E. Waller, Hoyt Allen, Charles Clark, A. J. Taylor, H. L. Wallace, and J. M. Saunders.

NEEDLEWORK IS DONE TO HELP NEEDY OF CITY

BAPTIST WOMEN MAKE NUMEROUS SMALL GARMENTS

Considerable aid to Pampa's needy children is being given through days spent in needlework by members of the First Baptist Woman's Missionary society.

At a meeting yesterday in the home of Mrs. J. B. Chisum, members of Circle 1 made plans for an all-day meeting for the purpose of sewing on Feb. 22. The gathering will be held in the home of Mrs. A. C. Shaw, and a covered-dish luncheon will be served.

Those at yesterday's meeting were Mesdames L. H. Greene, C. L. Stephens, R. L. Young, A. C. Shaw, J. B. Chisum, and one visitor, Mrs. Reed.

Boys' Shirts Made
Shirts for boys, made from material donated by Mrs. Tom Henry, held the attention of Circle 2, which met in the home of Mrs. F. Ewing Leech. A covered dish luncheon was served at noon. Those attending were Mesdames W. D. Benton, Mary Blinford, Pearl Erwin, A. L. Dodd, R. E. Gatlin, Joe R. Foster, E. F. Brake, C. M. Cash, Clyde H. Garner, Roy Conner, R. L. Champion, the hostess, and Miss Leila Dale Gibson.

Group Makes Dresses
Eight dresses and a pair of bloomers were made by Circle 3 at an all-day meeting held at the church, and a covered dish luncheon was served. Material was donated by Mrs. Tom Henry, and four machines for use during the day were furnished by Singer Sewing Machine company. The garments will be given to children of Baker school.

The following attended: Mesdames R. W. Tucker, E. L. Ander, on, Robert Lee Banks, H. M. Lister, Wilson Hatcher, Ernest Fletcher, C. C. Matheny, G. J. Epps, and W. A. Keeney.

Lesson Is Taught
Devotional by Mrs. Lewis Davis opened a meeting of Circle 4, held in the home of Mrs. Baker Henry. Mrs. C. E. Lancaster then taught a lesson on "Today's Supreme Challenge to America."

The following attended: Mesdames J. C. Barnard, W. B. Murphy, R. S. Walker, T. B. Solomon, Preston P. Briggs, Will Brown, Lewis Davis, J. E. Hamilton, C. E. Lancaster, and Baker Henry.

Many Trees To Be Planted At C. I. A.
DENTON, Jan. 9. (AP)—A 10-year program for the planting of 500 trees on the campus of Texas State College for Women (CIA) was recently inaugurated as part of the Washington bicentennial celebration at the college.

The program plans for the planting of 50 live oak trees each year among the post oaks on the campus in the natural way in which they would grow.

Reception Held At White House For Army, Navy

WASHINGTON, Feb. 9. (AP)—In sparkling uniforms, the army and the navy last night paid respects to President and Mrs. Hoover at the last reception of the White House winter season. Mrs. Hoover, who at a reception last week appeared in a cotton gown cut after a model of 1870, appeared this time in a strictly 1932, very formal affair of dark velvet with a long train.

Distinguished soldiers and sailors headed the line which filed by the Hoovers' 4,000 strong. General Pershing came too, but he was late, getting his hands among captains and lieutenants instead of generals and admirals.

LENTEN SEASON TO OFFICIALLY OPEN IN PAMPA

SERVICES TO BE HELD TOMORROW BY CATHOLICS

Tomorrow morning the Lenten season will be opened officially at Holy Spirit's church with the distribution of the faithful with the ashes of the palms which remain from the previous Palm Sunday distribution. In conjunction with the ceremony, the admonition is given to each one in turn: "Remember, man, that thou art dust, and into dust thou shalt return." words spoken by Almighty God to Adam and Eve when He drove them from the garden of Paradise, following their act of disobedience.

Before the morning services, there will be Lenten devotions in the evening at 7:30. These will consist of the Way of the Cross followed by the benediction. After this, the ashes again will be distributed for the benefit of those unable to attend the morning services.

Here's the Way to Control Those Miserable Colds So Prevalent Here Now

WITH scattered cases of flu breaking out in this locality, don't take chances with colds NOW—it's too dangerous! Unless checked quickly, colds tend to pull down the body resistance and may pave the way for an attack of flu with all its serious complications. Your safest protection is in the Vick Plan for better "Control-of-Colds."

This Plan has been developed by the makers of Vicks VapoRub, the modern way of "treating" colds. It is made possible with Vicks Nose & Throat Drops, based on a new idea for "preventing" colds. These two aid and supplement each other in the Vick Plan for better "Control-of-Colds," which follows:

- BEFORE A COLD STARTS**—Watch yourself whenever you have been exposed to anything that your own experience tells you is apt to give you a cold, such as contact with others having fresh colds—stuffy ill-ventilated rooms, crowded public places—sudden changes in temperature, wet or cold.
- Then—if you feel that stuffy, sneezy irritation of the nasal passages, Nature's usual signal that a cold is coming on—use Vicks Nose Drops at once. Just a few drops up each nostril. Repeat every hour or so if needed.**
- These simple precautions will prevent many colds by checking them before they get beyond the nose and throat—where most colds start.**
- AFTER A COLD STARTS**—If a cold slips by these precautions, do not neglect it. Rest as much as possible, preferably in bed. Take a mild laxative. Eat lightly. Drink lots of water.
- At night, massage the throat and chest well with Vicks VapoRub. (If there is much congestion, first, redden the skin with hot, wet, towels.) Spread on thick and cover with warm flannel. Leave bed-clothing loose around the neck so that the medicated vapors arising may be inhaled freely all night long.**
- If the air-passages are clogged with mucus or there is much coughing, melt a teaspoonful of VapoRub in a bowl of hot water and inhale the steaming vapors for several minutes. (If the throat is dry and "tickling," or irritated from coughing, use Vicks Cough Drop—medicated with Vicks VapoRub.)**
- During the day—any time, any place—use the convenient Vicks Nose Drops every few hours as needed. This gives you full 24-hour treatment to reduce the severity and duration of the cold.**

DON'T TAKE CHANCES WITH COLDS NOW!

SAN ANTONIO INDIANS ARE TO HAVE MUCH INEXPERIENCE

PITCHERS ARE MOST NEEDED NEXT SEASON

YOUNGSTERS EXPECTED TO GIVE CLUB PUNCH

Associated Press Sports Writer
SAN ANTONIO, Feb. 9. (AP)—When the San Antonio Indians start spring training there will be more than 22 players in camp but that's the exact number on today's roster.

Like many other teams, the Indians are cutting down on inexperienced material. Some deals for experienced players are now pending which will add several players.

H. H. Hammond, president, and Claude Roberts, manager, wouldn't mind some one sending them a couple of southpaw pitchers. The roster lists eight hurlers. All are right handed.

Of the players listed, only eight are 1931 holdovers. The majority of newcomers are young—with only a few years experience.

Plenty of Catchers
Starting with the catchers, Robertson believes Oscar Schimer from Quincy of the Three-I league, and Jack Heath, holdover, will be able to carry on behind the plate. In a pinch, Robertson himself can step in and catch but he plans little active work for himself.

Seimer, a former Texas leaguer with Dallas, returns to his former league after batting .255 and fielding .975 last year for Quincy. He has a fine throwing arm, has hustle and is being groomed for first string duty. Heath, a youngster with several years Texas league experience, was first string catcher last year. He batted .321. It wasn't enough to create nightmares for Texas league pitchers.

Heading the pitchers is the veteran spitball thrower, Tom Estell. Other holdovers include Fabian Kowalik, Euell Moore, George Mueller, and Cy Smith. As a 1931 combination, these five pitchers won 32 and lost 42 games. Estell was the best with 14 victories and 20 defeats.

Must Replace Carson
Finding a pitcher to replace Hobo Carson who won 19 and lost 17 is one of the jobs facing Hammond and Robertson.

Three new hurlers have been obtained: Eddie Abers from Lafia of the Rio Grande Valley league; Robert House from Kansas City of the American association, and Jerry Mallet, who was with Beaumont and Dallas part of last season. Mallet also can play the outfield. He is a hard hitter.

Of these three, House looks best. John Zaeffel, a consistent slugger who usually ends his seasons with a .300 or better batting average, is regarded as a fixture at first base. Zaeffel was purchased this winter from Omaha of the Western league.

For several years Ray Flaskamper has been an outstanding Texas league shortstop. He divided his time between shortstop and second base last season. This year, Robertson plans to keep Flaskamper at shortstop providing the veteran's arm proves strong enough.

Thorpe Hamilton, who played second, shortstop and third last year for the Indians, looks as a sure shot for the second base job. He is a consistent fielder and a fair hitter.

Buy Third-Base
Robertson believes he ended his third base worries by purchasing Clarence Francis Crossley from Quincy of the Three-I circuit. He played 112 games, batted .313 and fielded .926.

Zaeffel, Hamilton, Flaskamper, Crossley probably will be San Antonio's starting infield. It promises to be a good offensive one with Zaeffel and Crossley due to furnish most of the offensive punch.

Ed Nall, purchased from Oklahoma City of the Western league, and Leo Najo, from Omaha of the same league, are being counted on as regular outfielders. Nall batted .293 in 130 games last season. Najo has always been a .300 or better hitter and a great ball hawk. He finished last season with San Antonio, hitting .266 in 39 games.

Other outfielders include Lewis Peterson from Harlingen of the Valley league; Joe Rendon, San Antonio semi-pro; Frank Denson from McAllen of the Valley league; Vern Blenckson and Nick Borelli from Springfield of the Three-I.

Like all managers, Robertson believes that with the addition of one or two winning left hand pitchers, another hard hitting outfielder, and a utility infielder who can hit in a pinch, he will have a club capable of finishing up there with the first, second and third place teams.

YOUNG WOMAN KILLED
SAN ANGELO, Feb. 9. (AP)—Miss Laura Green, 21, of Rankin was killed late Monday afternoon in a car accident near Fort Stockton when the small coupe in which she was riding, with Mrs. Jack Stearnman overturned after colliding with another car at a dip. None of the others was hurt. Miss Green was employed in a Fort Stockton cafe.

George Maul of Kingsmill made a business trip to Pampa on Monday.

FRANK WYKOFF GOES SLOWLY OVER CAMPUS

But When He Lines Up for Race His Legs Snap Into Action

By PAUL ZIMMERMAN
Associated Press Sports Writer
LOS ANGELES, Feb. 9. (AP)—Pick out the slowest moving youth you can find shuffling along at the University of Southern California campus these days and the chances are good he will be Frank Wykoff, candidate for the world's sprint record of 9.4 seconds for 100 yards.

The legs which move at a listless gait off the track have made him a world record-breaker and probably the nation's best hope in the 1932 Olympic sprint races.

Wykoff in his third year at the Trojan institution, is seeking the kind of an education which will enable him to become a physical education instructor after graduation.

He attends Sunday school and Christian Endeavor meetings at the First Christian church, Glendale, and enjoys a church social as much as a fraternity party.

Airplane speed interests Wykoff. He likes to take over the controls, banking and guiding the plane through the skies. He attempts no landings or takeoffs and is not ambitious for a pilot's license.

Since he first flashed across the sport pages by winning the tryouts for the 1928 Olympic team, Wykoff has submerged a strong desire to play football. When he returns to school next fall to complete his coaching courses, he proposes to satisfy this highest hope at times.

Wykoff is somewhat of a fatalist. He keeps his fingers crossed before a big race. After making the 1928 Olympic team he strained a leg tendon and never recovered top form although he did reach the 100-meter final at Amsterdam.

Wykoff doesn't claim to be an honor student. His chief interest is in his coaching classes but he also has fair marks in his other studies.

Because injuries and illness have blocked his highest hopes at times, Wykoff is somewhat of a fatalist. He keeps his fingers crossed before a big race. After making the 1928 Olympic team he strained a leg tendon and never recovered top form although he did reach the 100-meter final at Amsterdam.

Kahl and Pool To Lead Team in Football Season

Joe Kahl and Jim Pool will pilot the Harvester football ship this year. They were elected by a unanimous vote yesterday afternoon.

Kahl is a backfield man, while Pool looks after an end position or can be shifted to center.

Both boys have worn the green and gold uniform of Pampa high school for the last three years. They will succeed Ray Chastain and Ralph Poe. Kahl is one of the best broken field runners in this district. He can also hit the line like a ton of bricks despite the fact that he weighs only 145 pounds. By fall he should add another 10 pounds and it will be too bad for the player that tries to stop the flash. Kahl plays quarterback and the wingback position. He is a great safety and his ability to run back punts is uncanny. He received many votes for a halfback position on the mythical all-conference team and got two votes for all state halfback.

Big Jim Pool is a dynamo of power. His charging is one of his big assets on the end of the line, and in few plays was he taken out last year on the defensive. He can snare passes and carry the ball on end-around plays. Besides his ability as an end, Pool played center two years ago. He also has played fullback. Poe tips the scales at 180 pounds and is fast for his size.

CHICAGOAN IN FINE VICTORY WITH HIS CUE

AUGIE KIECKHEFER TO GET BIG SALARY AND AWARDS

CHICAGO, Feb. 9. (AP)—Augie Kieckhefer of Chicago, a southpaw shooter by necessity, was king of the three-cushion billiard world for the tenth time today.

The diminutive Chicagoan, who was forced to change into a southpaw years ago when he lost the sight of his left eye, ascended to the throne with a convincing display of mastery last night by routing his old rival, Otto Reisel of Philadelphia, 50 to 27 in 40 innings.

Striking along with his best artistry and judging the pace of his shots with uncanny accuracy, Kieckhefer gave Reisel a fine billiard lesson in his rush to the top. He took the lead, saved off a threat in the early innings with fine defensive play and then dashed off to a long lead that simply shattered his rivals technique and billiard morale.

His victory sent him into a tie as champion of champions of the three-cushion domain with Johnny Yaton, the Sedalia, Mo., red head.

Those magic cue also has captured the crown ten times. But the victory won by Kieckhefer was probably the most valuable of them all as it gave him an annual salary of \$6,000, \$1,200 in cash, 16 per cent of the net gate receipts from the long tournament and a diamond emblem, emblematic of the title, worth another \$1,000.

Two play-off matches remained on the schedule today, one involving Reisel and Arthur Thurnblad of Chicago, the dethroned champion, for second place, and a match between Layton and Frank Seoville of Buffalo for fourth place.

Forty Boys Get Football Uniforms For New Training

Forty last year Gorillas and new boys who have never played football or who transferred last September to Chicago, will represent Gray for spring training. Coach Odus Mitchell and Captain Joe Kahl have the boys out at Harvester park this afternoon for the first practice of the season.

Several more boys were on hand early this afternoon for uniforms. Before the week is over, Coach Mitchell expects to have more than 50 boys in uniform. The Harvesters will be called out in two weeks to round off the training schedule.

Coach Mitchell was well pleased when he looked over the material on hand when uniforms were being distributed yesterday afternoon. Nearly every Gorilla from the 1931 squad was on hand for uniforms. However, Hoot Fullingim, Miles Marbaugh, and Reginald Brown, three of the most promising of the newcomers to the ranks of the Harvesters were tied up with basketball and will not be able to start spring training for two weeks.

Weather permitting, the call for track and field men will be made this week, coaches said yesterday.

HARVESTER CAPTAINS FOR 1932

JIM POOL

JOE KAHL

Jim Pool and Joe Kahl were unanimously elected captains of the 1932 Harvester football squad at a meeting yesterday afternoon. They are two of the most popular boys on the squad and their selection is pleasing to fans and players alike. Kahl will assist in spring training practice which starts this afternoon. Pool will continue basketball.

HARVESTERS TO PLAY IN LEFORS SATURDAY NIGHT

Amarillo Sandies Are To Be Foes in Return Tilt One Night Earlier

The Pampa Harvester basketball team will play two games this week, but both of them will be away from home. On Friday night the Harvesters go to Amarillo for a return game with the Amarillo Sandies. The Amarillo boys defeated the Harvesters here last month.

Saturday night the Harvesters will play LeFors in the opening game of the county play-off series. The game will be played in the LeFors gymnasium. Should the Harvesters win the game, they will play the winner of the McLean-Alanreed-Hopkins loop at LeFors Monday night. The team winning the county tournament will represent Gray at the District I meet in Canyon Feb. 18, 19, and 20.

The last home games of the season will be against the Canyon Eagles Wednesday night of this week. Three games will be played that night. The "B" boys will open the series at 6:45 o'clock. The girls' squad will play at 7:45 o'clock and the Pampa-Eagle tilt will follow. The girls and the B teams won their games in Canyon, but the Harvesters lost by two points. The teams are pointing to three games to close the home season.

Admission to the games will be 25 and 35 cents.

Dempsey Knocks Over Two Boxers

MILWAUKEE, Wis., Feb. 9. (AP)—Jack Dempsey, former world's heavyweight champion, easily outpointed two opponents in four rounds of exhibition boxing here last night but the cheering of some 8,000 fans was tinged with misgiving.

With the left hook that won him fame in his heyday, Dempsey knocked out Buck Everett of Gary, Ind., and Jack Roper, Los Angeles, Calif., all over the ring. His popularity at the box office netted him approximately \$6,000.

Everett and Roper each hit the canvas under the blow of the former champion. Everett was the former champion. Everett was down three times for the count of nine. Roper fared somewhat better, falling only once under a short left hook.

SNOWSTORMS DETRIMENT TO BOB SLEDDING

AMERICA IS SURPRISING WORLD IN SPEED SKATING

By EDWARD J. NEIL
Associated Press Sports Writer
LAKE PLACID, N. Y., Feb. 9. (AP)—Still exulting in victory such as the United States never before had known in speed skating, the throngs bulging the little village of Lake Placid turned again to the Bob run slide on hazardous Mt. Van Hoevenberg and the problem of the queer quirks of weather that have played the 1932 winter Olympics.

Again a blizzard was sweeping the village, piling snow in the flag-draped streets, driving all but the natives indoors with its zero temperature. This was in contrast to the spring-time breezes, warmth and rain only two weeks ago which denuded the Adirondack mountainsides of snow and ice.

In a snowstorm that followed a mid-day thaw, Irving Jaffe, ace of American distance skaters, sped to his second Olympic championship in the 10,000 meters final yesterday, giving the United States its first clean sweep in the history of the Olympic competition.

Facing as bad, if not worse conditions than yesterday, the 15 two-man Bob teams of Austria, Belgium, Switzerland, Germany, France, Rumania, Italy, and the United States were ready again to dare the steep slopes of Mt. Van Hoevenberg.

Apparently a new Olympic champion is in the process of being crowned. Karl Schaefer, world champion from Austria, is taking the play away from Gillis Grafstrom, of Sweden, Olympic figure skating champion since inauguration of the winter games in 1924.

The women champions of seven nations joined competition today, but they were considered more of a background than threat to the rule of Sonja Henie, brilliant Norwegian miss.

The women speed skaters of Canada and the United States faced the second of their exhibition series, a 1,000 meters event today.

Canada and the United States pulled farther away from the hockey opposition of Poland and Germany last night and seemed certain to battle for the Olympic championship Saturday, and the final day of the games.

BIG SUM HAS BEEN RAISED FOR VICTIMS

Germans Who Crashed on Mountainside To Receive Financial Assistance

LAKE PLACID, N. Y., Feb. 9. (AP)—A nice gesture of sportsmanship of the kind that has nothing to do with blaring bands and the like has come out of the winter Olympics, but not through the admission of any of those who had a part in it.

A few days ago the second of two German Bob sleds to crash on Mt. Van Hoevenberg sent four German riders to the hospital, two of them desperately injured and certain to be there for months to come. It is one of the rules of the Olympics that injured athletes must take care of their own hospital bills, if accidents befall them.

A group of American sportsmen, officials of the Olympic games, learned that the Germans, who paid their own expenses to come here and compete in the Olympics, would have trouble meeting the bills of costly treatments. Quietly a meeting was called.

Today there is \$5,000 available for their treatment, if that sum should be needed.

THE GASOLINE RACKETEER IS ROBBING YOU As Well As Your State

An enormous new racket has grown up in the past few years—the bootlegging of gasoline to escape payment of the state tax. Now an alarming amount of gasoline is being sold without payment of lawful tax.

Most motorists who buy bootleg gasoline buy it unknowingly. But know it or not, they are being robbed by the gasoline racketeers every time they buy from them!

The gasoline tax you pay belongs to you, and you should get it back from your state in the form of good roads. When you buy bootleg gasoline, you pay all or a part of the tax, too—but the racketeer pockets the money. You never get it back! And remember—if your state received all the money paid as a gasoline tax, it could well afford to lower the gasoline tax!

Knowing this, you naturally don't want to buy any bootleg gasoline. To be sure the money you pay as tax goes to your state, buy only gasolines sold under dependable, familiar brand names, backed up by reliable companies who make sure the state gets the tax. By sticking to familiar, reliable brands, you'll help banish racketeers.

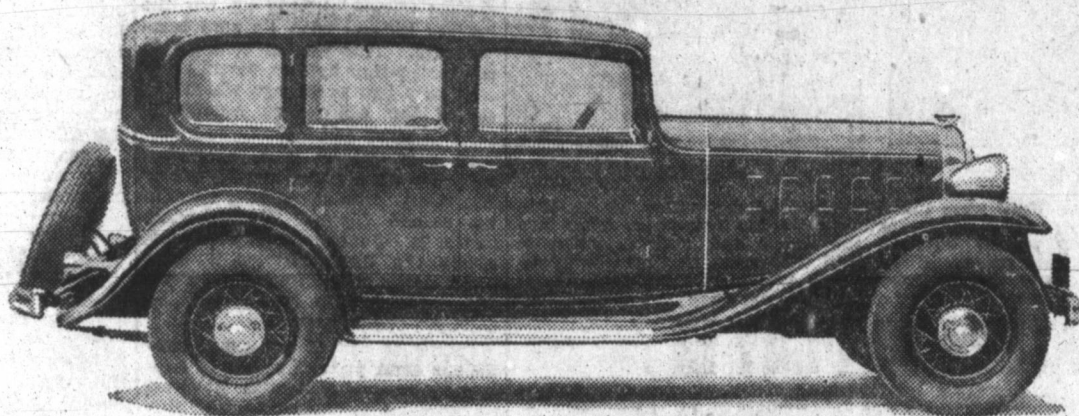

CONOCO Gasoline is a branded gasoline you can buy with safety at the sign of the CONOCO Red Triangle.

RULES AND REGULATIONS GOVERNING THE CLOSE

As a matter of caution and to guard against the possibility of loss to candidates, through misunderstanding during these last days of the campaign, final instructions are herewith appended, which should be observed. All candidates, especially those who live in the outside districts, should read and weigh every line carefully.

1.—Examine your vote ballots carefully and see that the correct number of votes have been issued on same. If there are any corrections, notify the Campaign Manager in person or in writing and return the ballots for proper correction. The Campaign Department will not be responsible for clerical errors unless notification is given, after which correction will be made.

2.—Under no condition will votes be transferred from one candidate to another. This is an absolute rule and will be strictly enforced.

3.—No personal checks will be accepted in payment for subscriptions. All remittances sent into the Campaign Office after today must be either postal money order, express money order, certified checks or cash. If you have any checks given to you by subscribers they should be taken to your local bank for certification before sending them to the Campaign Office.

4.—Only bona fide subscriptions will be accepted. No sums of money will be accepted, the names of subscribers to be supplied later. Every subscription must be accompanied by the usual stub properly filled out with the full amount.

5.—The Campaign closes promptly at 10 o'clock. All contestants must be present to appear before the advisory board meeting immediately after the close of the Campaign, and all prize winners should be announced before 11 P. M.

6.—The Contestants winning first, second and third prizes will be awarded these prizes immediately after checking up their commission payments. All prizes will be awarded strictly according to votes, rules and regulations governing the opening and closing of contest.

Border Will Be Plugged Against Both Countries

WASHINGTON, Feb. 9. (AP)—Federal customs guards will plug up holes in the American-Mexican boundary through which persons have been crawling after border entry ports have been closed.

In the wake of a decision by Attorney General Mitchell that customs agents have authority to arrest them, Assistant Secretary Lowman of the treasury today said new regulations were being prepared for customs collectors at all border points.

Meanwhile, Representative Swing (Rep., Calif.) hailed the Mitchell decision as a "complete victory" in his campaign to put "restrictions upon visits to the gambling houses and vice resorts of Tia Juana and Mexicali."

Mitchell held that customs authorities have power under the 1930 tariff act to prescribe regulations forbidding entry into the United States by pedestrians after the closing hours at ports of entry.

The question was brought up by persons wishing to return to the United States from Mexicali and Tia Juana, Mexico, after the ports of entry were closed on the American side.

It was maintained under previous laws that pedestrians without dutiable goods could enter at any time they chose and under this contention persons coming from Mexico after the gates were closed crawled through the holes in the barbed wire fence asserting officers had no right to detain them.

This contention was upheld by a court decision some years ago that such persons were not subject to arrest.

PUBLIC FORUM

Editor, THE NEWS:

Numerous articles have appeared in your paper for the past several weeks, the reaction of which have been distinctly unfavorable to the reputation of this company. I refer to those concerning our so-called recent price cut in Gray county, Texas, and the willingness of certain other pipeline companies to spring to the defense of producers penalized by this reduction in price.

Inasmuch as the reputation of this company has been jealously guarded, sometimes at considerable financial sacrifice to it, for the fifteen years of its business history, we think it only fair that the true facts be published.

These are the facts: The Bell Oil & Gas company operates a pipeline system throughout Gray county, Texas. This system gathers some oil from individual producers, but gathers principally the production of the Danciger Oil & Refining company. Its only customer is the Petroleum Refractionating corporation at Pampa, Texas, which is owned entirely by the Danciger Oil & Refining company, of Fort Worth, Texas. It receives a "piñage" for transporting the oil from the various leases to the above said refinery. Therefore, its posted price is in fact, only a nominal one since it must govern its price by that which the Danciger Oil and Refining interests are willing to pay for the oil.

At the time this cut was announced, the Danciger Oil & Refining company refused to pay more than the 25 cents under the previous price posted by the Bell Oil & Gas company, so that no alternative was left it other than to post the lower price. It might be well to mention, that the cut-in fact, affected very few individual producers, since the bulk of the oil used by this refinery is produced by the Danciger companies. The effect of it was purely local, and should have had no bearing on the general crude oil situation, nor was it of sufficient importance to warrant the widespread publicity which was given it.

We trust that you will publish this article so that your readers may be acquainted with the whys and wherefores of this reduction in price, which penalized this company, probably more than any other single producer on the line with the exception of Danciger, since we ourselves produce and sell oil to the refinery.

With best wishes, we are Yours very truly,
BELL OIL AND GAS COMPANY.
By ALBERT FINSTON.

Club Women In Conference Here

Four officials of the seventh district, Texas Federation of Women's clubs, arrived in Pampa shortly after 1 o'clock this afternoon. They are: Mrs. J. A. Hill of Canyon, president; Mrs. Clyde W. Warwick of Canyon, secretary; Mrs. J. W. Sanders of Amarillo, fine arts chairman; Mrs. I. D. Cole of Amarillo, state chairman of community music.

While in Pampa, Mrs. Hill will be a guest of Mrs. Odus Mitchell. Mrs. Warwick will be a guest of Mrs. J. M. Lybrand, and Mrs. Sanders and Mrs. Cole will be entertained in the home of Mrs. Tom E. Rose.

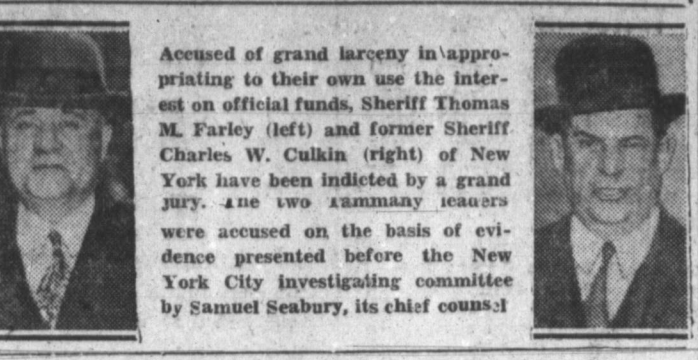

Mrs. Hill was to make an address before Pampa club women this afternoon at 3:15 o'clock at the First Methodist church. She will speak this evening at an open meeting to be held at 8 o'clock in the home of Mrs. T. D. Hobart.

TAMMANY CHIEFS INDICTED

Accused of grand larceny in appropriating to their own use the interest on official funds, Sheriff Thomas M. Farley (left) and former Sheriff Charles W. The two Tammany leaders were accused on the basis of evidence presented before the New York City investigating committee by Samuel Seabury, its chief counsel.

ROCKEFELLER IS ENCOURAGED BY BUSINESS OUTLOOK OF COUNTRY

ORMOND, Fla., Feb. 9. (AP)—John D. Rockefeller Sr. told the Associated Press today indications are business conditions throughout the country are showing improvement and that he is greatly encouraged.

The 93-year-old philanthropist directed his remarks concerning business to a correspondent while posing for photographs in his garden for the first time since he was taken slightly ill with a cold two weeks ago.

"From talks I have had with prominent men of the county, and reports reaching me from other sources," Mr. Rockefeller said, "indications are that business conditions are improving. For this, I am greatly encouraged."

Mr. Rockefeller showed not the slightest effects from recent confinement because of the cold, as he walked out of his home overlooking the broad Halifax river and strolled about his tropical gardens. He was the picture of perfect health for a man of his age.

In fact, he was so delighted to be out in the warm sunshine again that once he stopped and sang a hymn as he gazed with twinkling eyes at the myriad of brilliant flowers and shrubs that surround his estate, the Casements.

"Does that feel like the grip of a sick man?" the genial philanthropist asked with a chuckle as he shook hands firmly with the correspondent.

Then he explained he had contracted a slight cold and, rather than take chances of it lingering, had decided to stay indoors until it broke up.

MIAMI, Feb. 9. (Special)—The Rev. J. I. Gregory, pastor of the First Baptist church, was Miami's most useful citizen in 1931, according to a vote taken by the Miami CHIEF. Rev. Gregory was active in every kind of work for the good of Miami. He was not a booster, but a worker.

C. F. "Doc" Pursley, proprietor of Pursley's Market and Bakery, took second place in the vote. Several hundred votes were cast during the campaign.

GAIN IN PRISONERS
AUSTIN, Feb. 9. (AP)—There were 5,407 Texas state convicts at the close of January said a report of the prison system submitted to Gov. R. S. Sterling today. Behind the walls at Huntsville were 259 and 4,416 were distributed on the state farms. Thirty-two were inmates of the prison insane asylum. One hundred and six of the prisoners were women.

The report showed that 263 new prisoners were received during the month and 188 discharged as having served their terms. Three escaped, one from Huntsville and two from the Ramsay farm. Four died. Forty-six general paroles were issued and 24 furloughs granted.

and said, "Tag, you're it." And it's your next move. Perhaps you have taken it for granted that the weeks gone by produced all that was in your power to produce.

Perhaps disappointment brought on a laxity of effort. In this world of ours there is no merit where there is no trial; there can be no proof of ability where there is no struggle.

Earnestness Counts
Trials are but stimulus to real men and women. We preserve in a thing in proportion to our pride and earnestness.

And now the procession is going on. It's getting faster and faster. The end is in sight. The goal! WORK is the only method that will reveal to us what we can do. Inability and indifference set but a chance for the other fellow, but enterprise and determination will discover an opportunity for YOU.

Will you be among those present? Read the final instructions carefully in today's advertisement.

Fisherman Adrift As Ice Breaks

BAY CITY, Mich., Feb. 9. (AP)—Five fishermen were set adrift on an ice floe in Saginaw bay this afternoon by the breaking up of the ice through which they were fishing near Quanicasse, a village several miles east of here.

State Conservation Officers A. J. Neering and Arthur Asman of Bay City and two state policemen headed parties which set out in search of the men. Asman and Neering put out in a boat in the direction of

NEW RECORD SET

LAKE PLACID, N. Y., Feb. 9. (AP)—Lela Brooks Potter of Canada set a new world's record for women skaters today in winning the first heat of the 1,000 meter exhibition race, a feature of the third winter Olympics.

Fish point, toward which the floe was reported drifting.

Five other fishermen who were near the party set adrift narrowly missed a similar experience. Alvin Ashbaker, one of the party, leaped to solid ice when the break came, walked to shore, obtained a boat and returned to take the other four of his party ashore.

New Clubs Are Formed in County

During January, two new home demonstration clubs were organized in Gray county. The Bill girls' club was formed with eight members, and the Merten women's club with 14 members.

Mrs. T. D. Alford was elected president of the Merten club, Mrs. J. H. Smith, vice president; Mrs. J. C. Browning, secretary and Mrs. W. D. Champion, council representative. Interest in home demonstration work doubled during January, club

SETS BOB SLED MARK

LAKE PLACID, N. Y., Feb. 9. (AP)—J. Hubert Stevens of Lake Placid, driver of the first American team in the two-man bob sled race of the winter Olympics, set a new record for the Mt. Van Hoevenberg bob sled run today when he covered the course in 2:04.27.

Stevens bettered the mark made earlier in the day by Reto Capadreit, driver of the Switzerland second team, who broke Stevens' previous record of 2:09, made last year.

Leaders report: There have been many new members at all of the clubs. During the month there were 13 meetings with 112 present.

Indemnity + Prevention = Insurance

When "insurance" means INSURANCE

INSURANCE—as written by stock companies—brings to you not only dependable indemnity but the pledge of many services which prevent those losses for which money cannot pay.

Leadership in fire prevention—better building standards—the testing of materials and devices—the improvement of waterworks systems and fire departments—the prevention and punishment of arson; all these mean insurance to the last degree.

STOCK FIRE INSURANCE

actually insures you the advantages of these activities.

Hawaii "Bombed" By Enemy Planes Pampans To Attend Highway Session In Wheeler Tomorrow

HONOLULU, Feb. 9. (AP)—Army pilots with the "Black" force defending Hawaii in the annual army-navy joint maneuvers were "on the line" today, awaiting arrival of navy planes of the "Blue" force, whose appearance would be the signal for a battle in the air over Honolulu.

When a hundred "Blue" fighters swept down out of the sky upon this island of Oahu Sunday and bombed the "Black" defenders in the first real engagement of the "war," the island fliers were kept on the ground because the attacking air force was overwhelmingly superior.

But today it was different, because 12 army attack planes climbed into the sunlit Hawaiian sky at noon yesterday and breasted a stiff wind toward the island of Hawaii, a flight of nearly 200 miles. When they roared over Honolulu again at sunset on the return flight they had theoretically put out of commission 32 "enemy" sea planes found unmanned in the harbor of Hilo, a "Blue" base.

The army planes swooped down and attacked the seaplanes with bombs and machine guns—in theory of course.

Hoover Has Plan To Stop Hoarding

WASHINGTON, Feb. 9. (AP)—To back up the big anti-hoarding campaign now beginning President Hoover is working out a specific plan of action for drawing hidden dollars back into circulation.

Colonel Frank Knox of Chicago, national leader of the anti-hoarding organization, revealed existence of the presidential project but said nothing could be told about it until it was "copper-riveted and complete."

Knox is planning a rapid campaign through country-wide organized units to drive home the idea that "each community must get behind itself."

"We must convince each individual that for his own selfish interest he must have confidence in his own institutions and that the effect of withdrawing money from them results in economic strangulation," was the way he put the objective.

Iva Lee Overstreet of White Deer made a tri to Pampa Monday.
