The ten survivors, themselves all wounded, and their ghostly tale of war on the high seas were brought here aboard the German liner Scharnhorst.

LEGISLATURE CONVENES IN SPECIAL TERM

AUSTIN, Sept. 27 (AP)—The forty-fifth legislature, meeting in extraordinary session at noon, began a search today for money to balance the state's budget.

A bitter conflict over where the revenue should come from impeded as Speaker Robert W. Calvert of Hillsboro, presiding in the house of representatives, and Lieut.-Gov. Walter F. Wood of Houston, on the senate's rostrum, banged gavels and started the session on a 30-day term.

Joint session of the houses was in order after preliminary organization to hear recommendations of Gov. James V. Allred on the condition of state finances and what sources of additional revenue should be tapped.

Rep. Alf Roark of Saratoga, chairman, said the house revenue and taxation committee would set dates for tax hearings at a meeting tomorrow. The senate cannot work on revenue-raising until the house passes a bill.

Rep. Frank Man of Houston introduced a resolution calling for immediate adjournment of the session. "We should terminate this meeting and the governor then should call us back to effect economies," he argued.

Another resolution proposing that the house investigate the status of Texas' finances quickly to reconcile conflicting reports from the auditor, the treasurer, the comptroller, the governor and others was ready for introduction by Rep. Albert L. Darden of Marlin.

After a brief prayer by the chaplain, the house started work with the reading of Governor Allred's proclamation for the session. The galleries were fairly well filled.

Three new members were administered the oath. They were P. L. Anderson of San Antonio, Henry G. Lehman, Giddings undertaker, and R. R. Donaghy, attorney of Vernon.

The first resolutions escaped controversy. They provided for appointment of committees to notify the governor and senate the house was ready to transact business.

The Cheyenne's master, Captain Alcock, wired the Associated Press he had contacted the Endeavor, missing since Sept. 13, and heard that all the crew were well.

The Endeavor was lost when she broke away from her convoy, the Viva II, during a storm 200 miles out in the Atlantic while en route from Newport, R. I., back to England.

Get a Good Start

In a horse race, a sea voyage or a trip across the street, a good start is helpful. If a horse is crowded out at the start of a race, he has a hard run against the other horses. If he is to win, if a ship springs a leak or bursts a boiler on the start across the ocean, the passengers' morale is badly affected, and things usually go wrong for the rest of the trip.

A Note for Dad

Supr. Edwin C. Broome proposed the following ten rules for fathers in an address before a fathers' meeting in Philadelphia. Supr. R. Fisher recommends that students take this list home to Dad:

1. Do not expect the teacher to control your child, if you have failed at home. Habits of obedience and respect for authority must be learned first at home.
2. Fathers, know your sons. Children who have been taught always to confide in their parents can be trusted anywhere.
3. Find some daily home duties or chores for your boy or girl to do, and they will come to appreciate in some degree the sacrifices you are making for them.
4. Don't give children much spending money. Let them earn it, otherwise an excellent opportunity to acquire the habit of thrift is lost.
5. Where children are far enough advanced to have home study, be sure that they regularly set aside time for it every day. Regularity is a good habit to acquire.
6. Do not believe every report your child brings home, all children have a strong imagination which tends to operate in their own favor, if they are glibly.
7. Do not take the part of your child against teachers before hearing both sides, and do not do it after. In nine times out of ten you will find to your embarrassment, that your child was wrong, and in the tenth case it is better to suffer a slight injustice to your child than to destroy the teacher's influence over him.
8. If you have a complaint to make, go first to the principal of the school, not to the superintendent or a board member.
9. Do not expect miracles. Not all children are equally apt. The school trains minds but does not furnish them.
10. Do not apply adult standards to the work of children; nor rebuke your boy because he cannot do sums as well as you can. Think how often you were stood up in the corner for worse blunders. Do not criticize the schools because they have changed so much since you were a boy. Consider where your business would be if you were to use the same method that was used when you were a boy.—Texas Parent-Teacher.

Noise Marches on

Cars crashing — sirens screech — telephones ringing — thud — clatter — bang — "noise!" All day it leaps at people, while they battle with it, struggle through it and scream above it. Then they drag themselves home at night exhausted. Yet, before their hats are off, they turn on the radio full force to the noisiest orchestra on the air. Even that isn't enough! The house is too still! Go out they go to a blaring night club! How could people live without the noise that almost drives them insane?

Programs To Be Sold at Games

Buy an emblem for your car and a program for your information! Programs for the football game Friday night were sold by girl members of the student council and regular member of senior high's pep squad. Sale of programs in Wednesday afternoon. Mrs. Frances Alexander. Emblems were on sale at the Pampa Drug Thursday and Friday. Everyone should have a program and emblem, states Mrs. Alexander.

Old King Solomon Used Slang, Says Student of Bible

Slang here! Slang there! Slang everywhere! Innumerable "oh yeahs" and "so what's" the student body learned Wednesday that slang was even used in the Bible. A speech delivered at the Wednesday assembly program enlightened the students on the fact that when King Solomon greeted the queen of Sheba he gave her wine and nectar.

"Red" seemed to enjoy being Katherine's campaign manager. Was it the job or the girl?

Clabelle Jones seems to be very interested in H.T.H. How about it, Clabelle?

Why does Owala Lawson always have to go to her locker between classes. Could there be a certain young man?

We wonder who the blond headed boy Peggy Stephens is making eyes at.

I saw Miss M. Jones dancing a jig to the junior music.

Students Tell of Soph And His Adventure

"Which way now?" asked the green sophomore "Just down the hall," answered the sophisticated senior not knowing for what the sophomore was looking. The sophomore after taking a dozen steps stopped at room 311, and asked if that room was the cafeteria; the teacher replied, "No," and told the sophomore where the cafeteria was located. The sophomore thanked the teacher and told her that one of the upper classmen had mentioned a traffic jam, and he thought that he would like to sample a new jam, because he wanted to change his diet. The teacher laughed at the newcomer, and because he had made such a dumb mistake she decided to test his knowledge farther. She asked if he knew anything about celluloid, and he remarked that he did not, but that probably Cell's brother, Harold Lloyd, could furnish her information. The teacher was by this time convinced that the newcomer was just one more of the green sophomores.

The sophomores are certainly having their troubles this year (as usual). Just as English was progressing nicely, along came a library course that carried it into the dim future. As the sophs marched disparagingly into the library, they found themselves in a wilderness of books. While they sat wondering how they would ever find a book they wanted in such a wilderness, the librarian prepared her self to be an information bureau. How could she ever tell these sophs anything? She donned the shining apron, and rapidly well chosen phrases. Next came the sword with which she hoped to pierce the minds of the sophomores of thirty-seven.

Now, that the library lessons are finished, they are wondering if it is worse to stare in the face so many books or to worry about the 40 complicated spelling words the English teacher has so faithfully promised.

Honor Society To Be Explained

Dorothy Jackson, president, presided at the meeting of the National Honor society held Thursday, September 23, at four o'clock. The meeting was held to make plans for the discussion of the National Honor society in the honor rooms this week.

There is to be a National Honor society day observed sometime this week in all home rooms. This being done in order to explain to the sophomores the principles and the goals of the National Honor society and to remind again the seniors and juniors that they have a chance to make the society this year.

Those on the committee, regarding National Honor society day are: Katherine Barrett, Betty Shryock, Jim Brown and Dorothy Jackson. Clela Mae Harrison is the chairman of the poster committee.

Science Department Receives Queen of The Night Flower

Charles Burton, local filling station owner, has presented the science department a flower known as the flower of the night. The plant blooms at night and wilts at dawn. Miss Alice Short, science instructor, and the science classes, wish to express their appreciation for the unusual plant.

P. T. A. to Give Social Affair

The senior high school's P.T.A. have its first social function of the year when it entertains the high school faculty with a "get-acquainted" tea in the high school cafeteria to-morrow night, September 29, at 7:30.

Senior High school's P.T.A., under the presidency of Mrs. C. H. Schulkey, hopes to be larger and more successful this year than ever before.

L. L. Sone and Mrs. Schulkey, as well as the teachers, have asked that the students urge their parents with Turner substituting. The guarding position is being contested by Nelson, Matthews and Stiles.

WHAT ROOTERS CAN DO!

Students Tell of Soph And His Adventure

"Which way now?" asked the green sophomore "Just down the hall," answered the sophisticated senior not knowing for what the sophomore was looking. The sophomore after taking a dozen steps stopped at room 311, and asked if that room was the cafeteria; the teacher replied, "No," and told the sophomore where the cafeteria was located. The sophomore thanked the teacher and told her that one of the upper classmen had mentioned a traffic jam, and he thought that he would like to sample a new jam, because he wanted to change his diet. The teacher laughed at the newcomer, and because he had made such a dumb mistake she decided to test his knowledge farther. She asked if he knew anything about celluloid, and he remarked that he did not, but that probably Cell's brother, Harold Lloyd, could furnish her information. The teacher was by this time convinced that the newcomer was just one more of the green sophomores.

Guerrillas Open Season October First at Groom

The Guerrillas hope to start off their season with a bang October 1 when they journey to Groom. Coach Bob Curry says he has about 30 boys who are small, inexperienced, but full of fight and spirit.

They have been working hard for the past two weeks and should be in good form for the Groom game. Coach Curry has not yet named the starting lineup. He did, however, name the most promising boys:

Oct. 15—open
Oct. 22—Blairred—There
Oct. 28—Plainview—There
Nov. 4—Alamogordo—Here
Nov. 10—Plainview—Here

The Guerrillas deserve the backing of the whole student body because they are the future Harvesters.

Flag Presented to Senior High by Legion Post

An educational assembly program was enjoyed by Senior High school students last Wednesday. Fern L. L. Some opened the program by introducing Charlie Maissel who, in turn, introduced Frank Culberson. This speaker gave data on the flag to be presented and also on the constitutional anniversary celebration.

During the singing of the Star Spangled Banner the flag was moved on the stage escorted by two Legionnaires. Mr. Culberson presented the flag with a short speech. Mr. Some accepted accordingly.

The entire student body remained standing while Paul Hill of the American Legion played.

The program progressed with numerous popular pieces on the piano by Gene Finkbeiner which were very enthusiastically received by all.

The American Legion members participating in the flag ceremonial were introduced; also other members of the Legion.

After the flag presentation Captain Herman Lambrecht, Envoys Fred Lang and Major W. G. Gilks spoke of the Salvation Army. Major Gilks spoke on the Salvation Army inserting humorous remarks to which his listeners immediately responded.

The program closed with the introduction of candidates and campaign managers for the presidency of the senior high student council.

Band Performs at Amarillo

The Pampa high school band started their year off right by making a very good showing at Amarillo Fair last Wednesday. They arrived at the fair grounds at approximately 10:40 A.M. The band was honored and congratulated throughout the day by many people who love and appreciate music.

They began the day by playing a concert in the center of the merchant's building there. They played at numerous spots on the grounds including the rodeo and broadcast over K.G.N.C.

The students were the guests of the Griffith Amusement Company in the afternoon at the Paramount.

The group left Amarillo early in the afternoon in order to be able to practice their marching plans for last Friday.

Art Classes Will Help to Advise School Functions

According to Mr. Webster's book, "Art" is a "branch of learning included in academic study," but according to Harry Kelly's art class, "art" is some messy pans of water color to be spilled on one's clean clothes. But lately members of the class have changed their minds. Now they are getting the "knack" attached to artistic endeavor and are enjoying their work.

The art students' outlines of work for the year, although as changeable as their artistic imaginations, will include clay modeling, water color work, class exhibits and other branches of the study.

During the coming months, students of the class will paint posters to advertise school functions, Mr. Kelly says. They will also represent the school in art contests near the end of the year.

Harvesters to Clash Panthers

The battle continues. The Pampa Harvesters will clash with the Panther Panthers here at 8 o'clock next Friday evening.

Odus Mitchell, head coach, reports that Cox, who has not played in the first two games because of injuries received last year, may appear on the gridiron. No definite line-up has been announced. However, Coxing, Solomon and Brown are fighting it out at tackles while Graham, Dunaway, Smith, Karr, Kidwell, Williams, Freeman and Kemp are fighting it out in the backfield.

Harding will be center with Turner substituting. The guarding position is being contested by Nelson, Matthews and Stiles.

Who's Who On the Squad

J. W. Graham, blonde and handsome young captain of the Pampa Harvesters, has a great responsibility on his shoulders that doesn't keep him from leading a very interesting life.

J. W. is short in stature; however, his lack of height is offset by his broad shoulders and powerful legs. With his blue eyes and handsome blonde features he practically charms all of the girls and most of the lady school teachers, but that isn't the reason he's always tops in his class. His is quite studious sort of a boy but really jovial when you get to know him.

J. W., like any other boy, has likes and dislikes. When it comes to eating, he likes just plain old "fried chicken," his favorite movie actor is Robert Taylor—most of his girl friends like him too—his favorite actress is Myrna Loy.

Now, his hobby is of course, football as it math, his favorite subject since his going to be an engineer in Oregon someday, since that is his ideal place to live.

Most of the books he reads are fiction. He prefers that his girl friends wear roses because they are prettier. One other thing about his likes and dislikes, he would like to go to the U. S. Naval Academy when he finishes school, which won't be until next year when his eligibility ends.

J. W. is the answer to a coach's prayer as a football player. Being a hard worker and very smart, he is always capable to take advantage of the game. Although he is only sixteen and weighs only 140 lbs, he is all man. Last year J. W. was one of the Coach Mitchell's most dependable little backs. This year he not only calls signals from right half, but also does most of the kicking and passing. J. W., great things are expected of you this year and still better next year.

Those elected are: Kathryn Barrett, who made the National Honor society and also won first place in the district declamation contest last year; Betty Rains, who had a part in the one-act play which won first place at Austin last year; Edwina Gilbert, who has been an active member in the pep squad for the last three years; and Tommy Close, who was a leader of the Junior High school pep squad year before last and also was an active member of the Senior High squad last year.

Girls' Pep Squad Chooses Leaders

Pep squad leaders for this season have been elected. The four girls who were elected were chosen because of their ability as leaders and because they pass all their work.

Snapshots Wanted For 1938 Annual

Click! and another candid camera is on the job. He is out for some real pictures for the snapshot section of the annual. That is the way pictures should be taken. Natural! In the past years, they have called for pictures in the spring and they were generally snapshots that were taken on some Sunday outing or a picnic. We want, quotes Mrs. Wagner, some shots of the students in their natural surroundings, or shall we say unnatural? (How about Alberten at a typewriter? When the pictures are called for in the spring, the school year is nearly over, so get your snapshots in now so we can have some snapshot pages printed now.

The election of the annual staff members will be held immediately after the presidency of the Student Council has been made, quotes Mrs. Wagner and Margaret Jones. Information received from Mrs. Wagner: We hope to have the class pictures completed by Thanksgiving.

Pampa Employs Sixteen Drivers For School Buses

Rumble! Rumble! Here comes the big orange school bus. Coming to a stop in front of some farm house. The bus driver makes room for another rider. As the bus moves from one house to another, the number of students grows larger and larger. The big bus looks like a busy bee going from one flower to another. Now, after an hour or so of rumbling from one house to another, the bus halts at the north side of the high school building. About 250 Senior High students and many times that many more ward and Junior High school students rush out of the buses like ants.

Pampa Independent school district operates 16 buses, employing 16 drivers and transporting about 846 students.

More buses are needed to relieve the crowded conditions now existing, according to Joe Shelton, bus superintendent.

Cafeteria Improvements

The school has made several improvements in the cafeteria. In the kitchen a new sink and drain board has been installed, with cabinets built underneath. In the dining room new shades cover the windows. A new steam table has been installed in addition to the old one making it possible to serve the customers much quicker. All table legs have been cut off to make them more comfortable. One hundred and four new fiber trays have been added to the old ones.

SIX ARE NAMED ON BALLOT FOR COUNCIL OFFICE

TIPPY REYNOLDS

The nominating election for the president of the student council of Pampa high school was held Tuesday, September 21, during the home room period. The candidates nominated were Jimmy Moseley, Katherine Barrett, Noble Lane, Burton "Tippy" Reynolds, Gene Finkbeiner and Grover "Speedy" Foster.

Katherine Barrett is a senior. She is pep squad leader this year and vice-president of the National Honor society. She went to state last year in senior declamation; received a National Honor rating in music and assisted assistant principal, E. N. Denard, in his office.

Jimmy Moseley is classified as a junior. He was a member of the student council last year and went to Dallas with the student council delegation. He is an office assistant this year. Last year he was also on the annual staff.

Noble Lane is a senior, who is very outstanding in band work. He was on the all-state band last year and is considered one of the best drummers in this part of the country.

"Tippy" Reynolds is a very popular senior. He was president of the junior class last year and the class candidate for "most popular boy." He is very capable as a basketball and football player.

Gene Finkbeiner is one of the most outstanding senior students in Pampa High school. He was on the state one act play cast last year and he was also in the senior play. He is an accomplished musician and dancer.

Grover "Speedy" Foster is a senior who has so far made his mark in journalism. He is very well known down at the Pampa Daily News office and is pretty nearly indispensable. He is outstanding in Boy Scout work.

The run-off was held Friday and the final election will be held Monday. Home-room presidents will be elected Tuesday.

Red Skins Lose Their Scalps

The fact that they were outweighed 15 pounds to a man did not seem to faze the Red Skins. They were defeated by the Pampa fans, but themselves as well.

The big boys were in there to win that ball game but behind the stellar blocking of the entire line the backs were able to slip through the big bruisers for anywhere from 4 to 24 yard gains.

The most consistent ball carrier for the Harvesters was little Don Smith who placed the ball in possible scoring position twice. J. W. Graham then proceeded to run the ball over. Bob Karr, fullback, for the Harvesters made one of the nicest end runs that has ever been made at Harvesters park when he side-stepped, dodged and out run about 5 of the Redskins.

Arthur Harding at center played a game that the bow and arrow shooters found hard to cope with. John Henry Nelson played a bang up game at tackle.

Before the game had ended every Harvesters had been in against those medicine men who were not as tough as they looked.

One of the finest bands ever to be presented in Pampa was brought here by Oklahoma City. That swing music played by them was the rave of all people that heard it.

County Teachers Given Buffet Supper

The Junior Chamber of Commerce, in conjunction with the businessmen of Pampa, arranged a buffet supper for the teachers of Gray County Thursday at seven-thirty in the cafeteria in the old Red Brick building. This is an annual affair sponsored by the Junior Chamber of Commerce in behalf of the business men, and the third of these entertainments.

John Osborne was toastmaster. Walter Rogers welcomed teachers with Supt. Mize of Lefors giving the response. Later Mr. Findley of the Lefors school entertained and a skit by the Jaycubs proved very humorous.

Following the supper dancing and free movies were provided.

Sophs Receive Library Lessons

For the past week library lessons have been taught to those students who are in Senior High for the first time. Miss Inez Fern Latimer, librarian, is teaching these students so they may learn how to use the library at a better advantage to both themselves and the librarians.

La Wanda Johnson spent last week end with relatives in Oklahoma.

Leah George and Juanita Allen spent the day together at the fair September 22.

JAPAN OPENS OWN CUSTOMS IN SHANGHAI

By JAMES A. MILLS.

SHANGHAI, Sept. 27 (AP)—American business men declared today Japan had established its own customs houses in the Shanghai area in what appeared to be an attempt to throttle American and other foreign commerce in the International Settlement and French concession.

Japanese reinforcements were rushed to the battle front northwest of Shanghai to halt a determined Chinese counter attack as Japanese warplanes bombed the crowded cities on the eastern coast.

At Canton in the south, the crowded terminus of the Canton to Hankow railroad was fired by the bombs of the air raiders and there were heavy civilian casualties.

The environs of Nanking, the capital, down the Yangtze river, were bombed but Chinese pursuit planes turned back the attackers from the city proper.

A series of heavy explosions rocked Shanghai as Japanese warships and land batteries opened a heavy fire on the north station border of the International Settlement.

American importers bringing goods into Shanghai on Japanese boats declared the Japanese had established customs depots in the Japanese occupied Yangtze and Hong-Kow areas of the International Settlement and were collecting duty on all imports.

American business men asserted that if the Japanese retain control of the settlement and Chinese waterfront territory through establishment of a puppet government after hostilities are over, they will be able to divert American goods destined for inland distribution to their own areas.

Such a condition, the Americans said, would eventually mean the end of many American and foreign-owned businesses in the settlement while it would form the nucleus for the creation of a large Japanese-controlled metropolis along the Shanghai waterfront.

ROAD WORK ADVANCED TO EAST OF LAKETON

Laying of caliche on the Pampa-Laketon-Mobeetic strip of highway 152 has advanced to one and one-half miles east of Laketon. Two courses are being laid.

The strip has a total length of 11.7 miles, of which 3 miles remain to be worked, J. C. Dingwall, state highway department engineer, in charge of the project for the state, said.

Employed on the job are 80 laborers of the Works Progress administration, working in two shifts of 40 each.

No other road construction is being done in the county by the State Highway department at this time. Mr. Dingwall said that no definite information had come from Austin as to when work on the Pampa-Borger road would be started, but he thought the project might be started this winter.

had an old .38 revolver and an automatic pistol."

Kilpatrick said he brought the revolver to Waters' room.

"He took the revolver and placed the muzzle against his head," Kilpatrick told Chief Pollock. "I still thought it was a joke and I stood in the center of the floor with my fingers in my ears, making faces, but when he held the revolver to his head I felt the joke had gone far enough."

Kilpatrick said he told Waters, "put the gun down. It might go off."

Then, Kilpatrick said, while he turned his head a moment he heard the report of the gun and ran from the room shouting, "Waters shot himself!"

Friends of the youths expressed belief Waters had intended only to frighten Kilpatrick and that the shooting was accidental.

Light up tonight!

PROTECT PRECIOUS EYESIGHT!

Young eyes need plenty of good light to see safely without danger of being strained. For eyestrain, so often caused by poor lighting is largely responsible for the fact that out of 1000 pairs of baby eyes only 600 will have normal vision at college age. Protect precious eyesight with plenty of good light. Get rid of all burned-out or blackened bulbs with bright new bulbs that bear the trademark of a reputable manufacturer.

USE I. E. S. BETTER SIGHT LAMPS for style and safe seeing in your home. See the wide variety of floor and table models. Be sure the lamps you buy have the I. E. S. Emblem shown above.

Mrs. McDonald says: Much time and trouble is saved today, not only in the kitchen but in other departments of the modern home. . . . and there is no greater asset to the home today than the modern washer and the new Maytag which has continually led the field in its improvements—a wiser selection could not be heard.

A new Maytag to be given away at the Wednesday Session.

reported on the Soviet side of the border while Japanese and Russian interests have clashed repeatedly in the last few months.

To meet the Soviet threat, picked Manchoukuo troops were said to be massing on the opposite side of the frontier in the hill country north of the Korean peninsula.

Russia was reported in the dispatches to have placed particularly large numbers of warplanes at strategic points along the border.

Tokyo newspapers devoted columns of space to reports of a secret military alliance between Russia and China.

The foreign office spokesman said he had "much information" about the reported pact but was "in no position to discuss it now."

Tokyo newspapers were unanimous in charging indignantly that the Soviet was responsible for the stiff resistance of the Chinese army and for the delaying tactics adopted on both the North China and the Shanghai fronts.

The women of Pampa and vicinity who so enthusiastically formed today's audience on the opening day are telling their friends, and all indications point to still larger crowds, so again the warning is given for visitors to be at the theater early tomorrow.

has brought the tropics to the Pampa. But back to the dahlias, after all her major passion, Mrs. Redman does not grow them for profit, and the cost of growing them is infinitely more than the sums she receives for bulbs and blossoms.

She would grow dahlias even though she knew she would not sell a blossom or a bud. The dahlias stalks, most of them from five to five and one-half feet tall, are planted in "checked" rows. There are more than 150 dahlias stalks representing from 50 to 75 varieties. Some of the bulbs cost \$10 each, some \$20, some \$5, \$1.

Climax in 10 Days Right now there are hundreds of bulbs most of which Mrs. Redman says will be in full bloom in about ten days. Although there were several score of huge blooms on the plants yesterday, they bloom loveliest in the fall when the weather is cool. Already she has picked about twenty dozen blossoms out of her garden. Mrs. Redman does all the work connected with growing her show flowers of luxury.

She knows the name of every dahlia, and nearly every other dahlia has a different name. In the fall she digs up all the bulbs, makes piles out of them, each pile of bulbs representing one variety. Then she tags them and puts them in underground storage under the garage. During the winter she reads seed catalogs, dahlia catalogs and dahlia magazines. About the first of May she plants her bulbs. But even before that, she has prepared the yard for planting with much digging, fertilizing and watering.

Rose Garden Also Large Every inch of the Redman back and front yards blooms during the summer. Morning glory blossoms hide the fence. A rose garden is on the south side of the house, and she probably has the biggest rose garden in town.

GOTTON-PICKERS ARE NEEDED AT HEDLEY

There are plenty of jobs open for cotton pickers in the Hedley community, particularly families, according to a resident of that community who visited in Pampa yesterday.

He called at the police department

and talked with Police Chief Art Hurst, asking him if he knew of any families desiring work. Persons in Hedley, Pampa desiring to pick cotton should get in touch with Jake Masterson at Hedley.

He advanced the same argument with reference to assistance for the blind, for dependent children and for the teachers' retirement program.

Throughout his message rang the thought that the people had approved the social security program, it was the duty of the legislature to provide money to carry it out and unless there was action Texas' old folks were going to suffer.

FORT WORTH PANTHERS WIN SHAUGHNESSY PLAYOFF IN TEXAS LEAGUE

LITTLE ROCK MAY BE NEXT SERIES ENEMY

FORT WORTH, Sept. 27 (AP)—The Fort Worth Panthers, two weeks ago struggling to hold third place in the Texas league, brought this pennant hungry city the league championship and a baseball renaissance today.

A seven year famine was ended last night when they chased over a run in the twelfth inning to defeat Oklahoma City's Indians 2 to 1, and win the Shaughnessy playoff, four games to two.

An excited fandom cocked an ear toward the Southern Association's playoff between Little Rock and Atlanta which was deciding the Dixie Series entrant against Fort Worth. Little Rock was leading 3 to 1 today.

The Cats, who won so many pennants in the '20s the fans called it a one-team league, last won a championship in 1930.

Of that team, only pitcher Dick Whitworth and infielder Les Mallon are on the Fort Worth roster now.

Manager Homer Peel scampered home on Jerry Moore's double into the left center field bleachers in the final inning after Lefty Jack Brillheart had been replaced by Ash Hillin for the Indians.

The one run was enough.

It was three up and three down in the Indians' half of the final.

Tulsa won the honors in 1936 and finished second this year, 11 1-2 games behind the Indians.

Of the five years the Shaughnessy plan has been in effect in the league, only twice has the team which led over the regular route also taken the championship.

Galveston turned the trick in 1934, and Oklahoma City in 1935. The first year, 1933, Houston led the way, but San Antonio, a fourth place team, won the playoff. Last year Dallas finished on top, but Tulsa, another fourth place team, took the title.

Yesterday's thriller was played under protest from the eighth when umpire Frank Cox reversed a decision at third base in favor of the Cats. Result of the protest, made by manager Jim Keesey of the Indians, will not be known until President Alvin Gardner of the league makes a formal ruling.

Still Chance Bees Will Keep Giants From Title

(By The Associated Press)

To all intents and purposes, the Giants have the National League pennant tucked away in their vest pocket, but there's still the bare chance that those big bad Bees from Boston will crown them over the head and take the title right away from them.

In fact, the last hope for the Cubs, who now trail Bill Terry's Terriers by four games, lies in the ability of the baffling Bees to continue their jinx over the galloping Giants in two doubleheaders at the Polo grounds today and tomorrow.

As matters now stand, any combination of six-six wins for the Giants, six losses for the Cubs, or a sum making up that total—clinches the pennant for the New Yorkers. They have 11 games to play, to the Cubs' seven.

It's strictly up to the Bees now. They've already whipped the Giants ten times in 18 starts this year. After they leave the Polo grounds the Giants rout out their schedule against the soft touches, the Phillies and Brooklyn Dodgers, who are no longer troublesome.

The Dodgers, once the Giants' best-loved enemies, showed how easy they were over the week-end by losing a two-game series to the New Yorkers. After bowing on Saturday, they put on a game enough fight yesterday, until Lou Chiozza, a reformed Philly, and newest "white-haired" of the Terry troupe, wallowed a homer in the ninth inning to break up the game with a 4-3 Giant win. Cliff Melton, the southpaw rookie with the rubber arm, saved the day with a 1-1-3 inning hitless relief trick.

Meantime, the Cubs managed only an even break in their double-header with the Cardinals. Bill Lee led

ed in the ninth inning and the Cards took the opener 6-5 with a four run sixth inning spurge. A six-run spree in the sixth inning brought an 8-5 victory in the nightcap.

Jack Wilson's speedball slants brought the Yankees no end, and the Boston Red Sox socked the American league champions 7-2, while holding them to six hits. The Cleveland Indians, given classy fireball flinging by undefeated Johnny Allen and Bob Feller, downed Detroit twice, 9-3 and 4-3. The opener was Allen's 14th straight triumph.

The Pirates took the Cincinnati Reds twice, 5-4 and 2-1. The Bees, warming up for the Giants' series, slaughtered the Phillies 17-3, with Tony Cuccinello hitting two homers and rookie pitcher Mill Shoffner one.

The White Sox trounced the St. Louis Browns twice, 4-3 and 4-0. The Athletics rallied to an 11-inning, 7-1 tie with the Senators.

REAPERS WIN 13-0 VICTORY OVER BORGANS

A pass and a 70-yard punt return gave the Pampa Junior high Reapers a 13 to 0 victory over the Berger Bull Pups in their first conference game here Friday afternoon. On next Friday they go to Amarillo for a game with Central Junior high.

The Junior high conference was organized last spring with Pampa, Berger and the three Junior high schools in Amarillo as members. Because Berger has no junior high school, the Bull Pups were given permission to use players up to the ninth grade.

It was a larger and older team of Bull Pups that fell before the scrapping Reapers of Coach W. C. Huckleba. Berger showed power in mid-field but the Reapers stiffened to protect their goal line.

A 15-yard pass from Morris to Matheus, who ran an additional 15 yards, gave the Reapers a touchdown in the first quarter. A plunge for extra point lacked inches of putting the ball across.

The other Berger counter came late in the third period when little L. B. Allison, quarterback and safety, took a Berger punt on his own 30-yard line and raced 70 yards for a touchdown. He was aided in his long run by Matheus and Clements who did some nice blocking.

Robinson, a big fullback, and Taylor half, gave the Reapers several scares with their line plunging.

Despite lack of experience, the Reaper line played good ball. Coach Huckleba has been devoting most of his time to teaching the youngsters fundamentals and they showed that they have a good teacher by their exhibition.

Starting lineups were:

PAMPA—Carr and Mullings, ends; an Houton and Thompson, tackles; Phillips and Southworth; guards; Giles, center; Allison, quarter; Matheus and Morris, halves; Clements, full.

BORGER—Woods and Shipley, ends; Belz and Parker, tackles; Connelly and Drake, guards; Wirt center; Crowley, quarter; Olsen and Taylor, halves; Robinson, full.

Substitutes: Pampa—Anderson, Murphy, Kyle, Termin, Carr, Hamlin.

Sandies Beat Bobcats More Than Pampanns Did

Comparison of the strength of the Pampa Harvesters and Amarillo Sandies was placed on the ledger Saturday afternoon when Amarillo defeated the Childress Bobcats 25 to 0, one week after the Harvesters had downed the Bobcats 25 to 6 in an opening game of the season.

Stock of the Lubbock Westerners dropped slightly Friday night with a 15 to 0 victory over Class B Slaton. At the same time the Plainview Bulldogs sent their stock up by swamping Class B Floydada 28 to 6 in a three-period game which wound up in a near-riot when Floydada fans swarmed on the field and assaulted officials. Berger, despite a 28 to 6 beating from Polytechnic of Fort Worth, showed up much better than last week, holding their huge opponents through the first half before fading.

Pampa's little Harvesters showed exceptional power in downing the huge Capitol Hill Indians of Oklahoma City 19 to 6. A smooth-functioning offensive and deadly

tackling kept the Harvesters out in front all the way.

Thompson Stars.

Amarillo's powerhouse, Thompson, carried the Sandies to victory over the Childress Bobcats. It was not until late in the first quarter that the Sandies were able to get thru for a touchdown and it was not until the second half that the Sandie parade began.

Martin was in the Amarillo lineup following an injury which kept him out of action last week. The big fellow showed promise of being a help-mate to Thompson in the ball carrying department.

Borger outplayed the big Poly Parrots in yards gained in the first half but faded late in the game. Allen, 129-pound Berger quarterback, carried the ball across from the 11-yard line for the only touchdown. The Bulldogs stopped a Poly drive on their 15-yard line late in the game.

Lubbock's power was partially stopped by a scrapping Slaton eleven which refused to give away. Webster was the Lubbock speedster and powerhouse, working behind a big, hard-charging line.

Riot at Floydada.

Vaughn, Crisam and James led the Plainview Bulldogs to victory over Floydada. The Bulldogs showed new power and deception after an opening game flop. The near-riot began after a Floydada player had been ejected from the game for roughing. Henry Milby was struck on the mouth by Floydada fans who ran on the field. The Floydada coach then took his team from the field.

The district 1 lineup for next week follows:

At Pampa—Panhandle Panthers vs. Harvesters (Friday night).

At Oklahoma City—Amarillo Sandies vs. Classen (Thursday night).

At Oklahoma City—Lubbock Westerners vs. Capitol Hill (Saturday night).

At Childress—Berger Bulldogs vs. Bobcats (Friday night).

At Olney—Plainview Bulldogs vs. Olney (Friday afternoon).

Roughest Brawl of This Season Looms Tonight

The good old days when Danny McShain and Rod Penton used to meet on the wrestling mat will return to Pampa tonight when Roughhouse Buck Lipscomb, the Hooster Hotshot, tangles with John Nemanic, Colorado Lobo, in the main event of Cliff Chambers wrestling show.

Opening the card at 8:30 should be a clean, scientific battle between Don Rainey, of Lake Worth, Fla., and Bill Cassell of Amarillo.

Next in line, the semi-final, will be a half and half battle with Sallor or Moran providing the rough stuff and Bob Cummings the wrestling, unless Cummings turns on the big Sallor.

Then will come the main event, rough all the way. Neither battler needs an introduction to Pampa fans. Lipscomb has battered all opposition into submission since his first preliminary appearance on the local mat. Nemanic came to town a little gentleman but stayed to turn lobo wolf. He took a couple of drubbings from roughsters and decided that the Panhandle was no place for a gentleman wrestler. So, Mr. Nemanic went wolf.

The request made to Promoter Chambers that two or no referees be placed in the ring for the main event is being considered by that gentleman. He absolutely refused to let the battlers go without a third man in the ring because that is against the laws of the state. He didn't know whether an extra referee was allowed under state laws but was checking up on the situation.

Jim Hatfield was the low score artist with a 37 on the nine holes.

Results of the matches:

Marvin Harris and Mrs. R. N. Wright defeated E. W. Voss and Mrs. Mark Heath, 6 points.

Floyd Ward and Mrs. E. W. Voss drew with Mark Heath and Mrs. Marvin Harris.

Dan McGrew and Mrs. Wm. Miskimins defeated Jack Goldston and Mrs. H. H. Hicks, 1 point.

Wm. Miskimins and Mrs. George French defeated Dr. Calvin Jones and Mrs. A. Beagle, 13 points.

George French and Mrs. Jack Goldston won from R. N. Wright and Mrs. R. J. Hagan, 5 points.

Guests at the luncheon included Mr. and Mrs. Carl Leuders, Mrs. Calvin Jones, Mrs. Del Love and A. Beagle.

Nolan Sparks, cousin of the famous Connie Crawford, his running mate at the halfback position, little D. Howe, 125 pounds of dynamite, O'Keefe and a host more stars.

Harvesters this week will be taught new plays, pass defense, etc.

Boy Scouts of Troop 4 will be guests of Promoter Chambers at tonight's card, providing they attended Scout meeting last week.

SOONER 'FALLS' FOR PAMPANS' 'HIDDEN BALL'

Evidence of the type of football played by the Pampa Harvesters Friday night in their 19 to 6 victory over the Capitol Hill Redskins of Oklahoma City was expressed professionally by Tom McNamara, former big time coach, who broadcast the game for radio station K'OC, Oklahoma City.

McNamara, in a letter of appreciation to Sid Patterson and members of the Pampa Station, KPDM, for their courtesy and assistance, wanted to know how the opposing team could do anything when they didn't know who had the ball.

Declared the former nationally famous coach, "What a difficult task it was for me to follow those Pampa boys. I have coached and scouted hidden ball 'stuff' since 1919 and let me tell you and the Pampa coaches that the boys did everything but collapse the ball and take it with them. Honest, didn't those guys take in an extra ball once or twice?"

McNamara learned his football under that famous coach, A. A. Scindine of Carlisle. Later McNamara scouted Penn State while at University of Pennsylvania. It was then that Besekovsky Pennsylvania a sample of hidden ball play. Some time later McNamara joined Lou Little at Georgetown where he coached what is known as the highest scoring backfield in the East.

McNamara became so excited that he forgot to "mike" back to his station at the close of the game which is considered a "major crime" among radio men.

MIAMI, WHITE DEER, LEFORS, PHILLIPS, PANHANDLE WIN

A bad case of "fumble-itis" swept Class B football games over the Panhandle Friday afternoon. All games played were marred by fumbles but despite the miscues, interesting battles were presented, and all games were won by shutouts.

Results of reported games follow:

Miami 13, Groom 0.

White Deer 13, Spearman 0.

Panhandle 6, Hereford 0.

Phillips 47, Canadian 0.

Lefors 44, Mobeetie 0.

Miami presented a strong offensive club to down the Groom Tigers in a conference battle. Tricky running plays mixed with a functioning aerial display put the Warriors in front.

After a first half of fumbles, with White Deer getting the breaks for their touchdowns, the game developed into a midfield battle in the first half. Russell scored both White Deer touchdowns on line busts.

A long pass from Crawford to Adams over the goal line with three minutes left to play the game had been played largely between the 30-yard lines with fumbles galore killing marches. Crawford and Sterling played outstanding games for the Panthers.

Sam Jackson, 195-pound fullback, tore the Spearman line to pieces to score almost at will for the Phillips Blackhaws.

LOS ANGELES, Sept. 27 (AP)—J. Donald Budge and Alice Marble, fresh from their singles victories in the Pacific Southwest tournament here, turned to San Francisco today with a host of other players to renew the tennis wars in the Pacific coast championships.

Miss Marble defeated Gracy Wheeler yesterday, 6-1, 6-0.

Budge captured the men's singles title Saturday by beating Baron Gottfried von Cramm, 2-6, 7-5, 6-4, 7-5.

Horton, Bailey, Gregory Return

Pampa's three professional baseball players—Tank Horton, Bob Bailey and Harold Gregory—are back home for the winter. All played on teams that participated in Shaughnessy playoffs.

Tank Horton returned yesterday from Pensacola, Fla., where he worked the full season behind the plate. His team lost the seventh and last game of the playoff series to Mobile.

Bob Bailey came in last week from Wink, where he played first base for the Texas-New Mexico league champions. Wink lost an abbreviated series with Albuquerque in a bi-league playoff. The series was to have gone seven games but ended when the third had been played.

Chapter XI

Mr. Crowell was unusually solicitous when Cilly explained the tragic affair to him.

"Don't worry about the office, Miss Pierce," he ordered, gently. "I'm sorry about the Harvey case, because I particularly wanted you to handle it. But this is a terrible situation. Don't try to come in for the balance of the week. And if you feel in need of any legal backing, remember that we'll stand behind you. Don't let the police frighten you."

Leaving his office, Cilly felt stronger than she had in the past 12 hours. With the backing of a law firm as capable and as respected as Crowell and Burns, she lost some of the first dread she had of the circumstantial evidence which was closing in around Jim.

"Telephone, Miss Pierce," the operator called, as Cilly passed the switchboard.

"Who is it, Betty?"

"Mr. Hutchins."

"All right. Put him on."

In her own office, she took up the phone. Harry's voice, loud and strident, came over the wire.

"I've been trying to get you at home, Priscilla," he said. "I'm just about broken up by the news. Can I help in any way—with the funeral, perhaps?"

"Thank you, Harry," Cilly replied quietly. "There's really nothing more to be done. Funeral services will be tomorrow at 2 . . . at the Greenwood Funeral Home in Flatbush."

"I'll be there, of course. In the meantime, there are some things I'd like to talk over with you. Will you have dinner with me tonight?"

"Cilly didn't feel equal to dining with Harry Hutchins.

"I'd rather not go out to dinner tonight," she told him. "But I'll be home about 8, if you care to drop in for a few minutes."

"Fine. I'll be out shortly after 5."

Cilly was home only a few minutes when Harry Hutchins arrived. He had obviously stopped at the florist's, for he carried an enormous bouquet—a gay colorful array of flowers.

"I just stopped to see about a wreath," he said by way of explanation, "and I thought I might just as well bring these along to you. They'll cheer the place up a bit."

Cilly thanked him, she appreciated his thoughtfulness, nevertheless she resented his flowers. No matter how fine Harry Hutchins tried to be, she thought, she would not like them.

"Had a nice visit from the police this afternoon," Harry offered. He settled himself in a comfortable chair and took out a cigarette.

Watching him, Cilly was forced to admire him, in spite of herself. He was undeniably handsome, his features were even and perfect, as if they had been molded to some special order. His face lacked the rugged charm, the wrinkled friendliness of Jim's, but it was attractive, nevertheless.

With exaggerated nonchalance he lit the cigaret and blew out the match.

"You know that fellow Dolan's all wet," he said. A smile of faintly amused boredom hovered on his lips. "I told him so, too."

"Did you really?"

He did not catch the irony in Cilly's words. "I certainly did," he admitted, self-satisfied.

"Turning an affair like this into a deep, baffling mystery so they can get a few weeks' newspaper publicity while they're trying to solve it . . . it's ridiculous."

"Doesn't it seem rather mysterious to you why anyone should want to murder Amy?"

Harry waved his cigaret deprecatingly.

"Amy wasn't murdered. It was an obvious suicide. Amy was the perfect type—mild, obedient, dependent."

"That's absurd!" Cilly flared. "My Kerr was as happy and intelligent a girl as I ever knew!"

Harry shrugged. "That's the impression she gave you, no doubt. But a man can always get to know a girl better than even her closest friend. Amy wasn't happy. I know. Some love affair, perhaps. She often told me about some man . . ."

"Amy wasn't fool enough to kill herself over any man!" Cilly corrected him with decision.

"I'm sorry, Priscilla. Heaven knows I don't mean to speak lightly of

any Kerr. She was too fine a girl, too splendid . . ." His voice trailed off, and he smiled with worldly tolerance before he spoke again. "Of course, you know, there was nothing serious between us . . . absolutely nothing."

"I understood your relationship perfectly," Cilly said icily. "Of course Amy was not serious. She had other interests . . . a great many other interests . . ."

Harry leaned forward in his chair. "That's exactly what I've been trying to say, Priscilla. There was someone else. Someone who hurt her a great deal."

Cilly did not want to believe him. She did not want to pay attention to any remarks from Harry Hutchins. Nevertheless, there had been something in Amy's past. Something serious and threatening. She could deny that. Perhaps Amy had confided in Harry Hutchins to a certain extent.

"I think it would be a good idea," he was saying, "if you went over her personal things—her letters, or keep-sakes, for example. Get rid of anything—well, anything out of the past. You know how the police pounce upon such things, and what the newspapers do with them. Amy was too fine to be made ridiculous after she's gone."

Suddenly Cilly understood Harry's solicitous interest. It wasn't Amy's past that he was concerned about—it was saying, "if you went over her personal things—her letters, or keep-sakes, for example. Get rid of anything—well, anything out of the past. You know how the police pounce upon such things, and what the newspapers do with them. Amy was too fine to be made ridiculous after she's gone."

"The police have already done that," she stated maliciously, deliberately overpainting the picture. Sergeant Dolan's brief examination of Amy's personal effects had not been very thorough. She wanted to an-

noy Harry Hutchins. Apparently she succeeded.

He sat up attentively. "Have they found anything?" he asked with unfeigned concern.

Cilly only shrugged.

Let him worry, she thought. He probably wrote some warm letters to Amy before he met Gloria Harmon, and now he's afraid they'll find their way into the newspapers, for the glamorous Gloria to read and misinterpret. That would be just too bad; his promising future might be threatened.

Nevertheless, Cilly determined to go through Amy's belongings more thoroughly that evening. If there was, as Harry Hutchins intimated, something in the past, the fact would not be cheap fodder for the tabloids—not if she could help it.

The first thing she did, however, after Harry Hutchins left, was to throw his garish bouquet down the incinerator.

Garden Club Will Present Exhibit

Members of the Pampa Garden club will present their annual flower show in the Presbyterian church annex October 8.

These flower shows are given not only for their beauty, but to instruct and promote the love of growing flowers.

As the flowers for the exhibit must be carefully chosen, the following rules have been given:

All classes are for amateurs. An amateur is one whose revenue from his garden does not equal his expense.

All exhibits must positively be left in place until 9:30 p. m. Nothing so quickly breaks up a show as for exhibitors to remove their entries too soon.

Exhibitors will not be allowed in the room while exhibits are being judged, and are hereby asked to retire, to allow the judges as much time as possible.

The show will be open to members and the public from noon until 9:30 p. m.

Vases and containers must be furnished by exhibitors, with name pasted on bottom with adhesive tape.

Flowers picked the night before the show and placed in water up to their heads will have a fresher effect, and nothing adds more to the show than the freshness of the flowers.

All dead flowers and yellow leaves should be removed.

A specimen is one flower and must be named by the exhibitor. Specimen flowers must be shown, one in a vase. The vase must be heavy enough not to tip over.

A display is a group of many arrangements. Displays made in buckets or cans should be wrapped in crepe paper or cheese cloth, or in any way that adds to the beauty of the show.

An arrangement is a group of flowers or foliage.

Not more than one entry may be placed in each class by an exhibitor, except Class 13.

Awards will not be made in classes where there are less than three entries.

The various points considered in judging the flowers are given here:

FOREST ARMY APPLICATION BLANKS HERE

Blanks for making application for enrollment in the Civilian Conservation Corps have been received at the local office of the Texas Relief Commission, Mrs. Willie Bains, county social worker, said today.

All youths who have already registered for enlistment, as well as those who have not yet applied, should call at once at the office and fill out the application blanks.

No information has been received here as to when the deadline on applications will be, nor has a quota been assigned this county. Applicants are supposed to report to examination centers about October 1. The district quota is 800. Applicants over the district to date total 121.

Registered at the local TRC office to date are names of 22 Gray county youths. Due to the lack of forms, the boys, while registered, could make no application. As filling out the application blanks is essential, youths who have previously registered should not have the impression that they have made an application.

MYSTERIOUS POISON KILLS MOUNTAIN CATTLE. RAYMOND, Calif. (AP)—An unknown plant poison is believed by authorities to be the cause of numerous deaths among cattle in the mountain ranges near this town. A number of poisonous plants grow in the region but as a rule instinct guides cattle away from them.

WPA PROJECTS WILL BENEFIT CHILDREN

WASHINGTON, Sept. 27 (AP)—Works Progress Administration relief workers set out today to feed penniless school children, watch over the health of the under-nourished, and even to give a housewife touch to homes where the mother is sick.

Administrator Harry L. Hopkins said hundreds of thousands of needy children would benefit from work performed on WPA projects.

School lunches will supplement meager meals. WPA dieticians will arrange school-lunch menus.

In South Carolina, WPA gardening and canning projects furnish lunches for the children.

WPA nurses and doctors have made more than 9,000,000 health examinations.

To employ women who have no trade, WPA has turned to assisting in housework and child care in needy families.

Officials said this type of project has kept under-privileged families together, and thus saved communities the expense of institution care.

Books have been carried to many places which have no free public library service.

The average enlisted strength of the United States navy is 88,000.
