STOCK MARKET RECOVERS BIG LOSSES

Claude Motley Named Head of Santa Day Celebration in City

MCCOLM NAMED HEAD OF VFW

L. L. McCollm was elected commander of the Pampa chapter, Veterans of Foreign Wars, last night. He will serve for a period of six months after which officers for the next fiscal year will be named.

The members voted to sponsor an old clothes drive, date to be set. A committee of J. G. Sturgeon, Jno. I. Bradley, George Taylor, Paul Blankenburg and R. W. Orr was named to make plans.

The post also will sponsor a bridge tournament on the night of October 28 in the south showroom of the Tom Rose company.

On next Tuesday night there will be a joint meeting of the auxiliary and veterans and their wives in the American Legion hall.

The auxiliary will conduct a business session at 7:30 o'clock with bingo and other games beginning at 8 o'clock. Refreshments will be served. Old and new officers will be honored during the evening.

PAMPA CAB COMPANIES ANNOUNCE FARE BOOST

Pampans were paying higher taxi fares this week as a result of an increase in fares of both Pampa taxicab firms, made effective Saturday night. The old rate was 15 cents for one passenger, within city limits.

The fare for one passenger within city limits, is now 25 cents, and for two passengers, 35 cents. The two-passenger fare quoted applies only when both are going to same destination.

When more than two ride, 10 cents for each additional passenger is charged, when all in the group are going to the same place. In case of different destination, the new single fare applies.

BOY IN JAIL, MOTHER FOUND DEAD ON FARM

MADISONVILLE, Ky., Oct. 20 (AP)—Mrs. H. T. Simmons, 50 whose son recently was sentenced to two years for killing another boy in a quarrel, was found dead in a pond on a farm last night. Relatives said Mrs. Simmons had been brooding over her son's fate.

I HEARD - - -

Roy McMillen remarking that reserve seat tickets for the last three Harvesters home games are going fast. General admission and reserve seats for the three games are \$2.75, good for the Clovis game here the afternoon of Nov. 5, the Amarillo game here Nov. 11 and the Borger game here Nov. 26.

COMMITTEE ORDERED TO REPORT TAX BILL

AUSTIN, Oct. 20 (AP)—The Senate today instructed its state affairs committee to report a tax bill not later than 10 a. m. tomorrow.

FULL LIFE? FULL OF WHAT?

Physicians say "the full urban life brings many troubles." How about making the full urban life a bit more urbane? It might help—London jewelers announce that women are wearing larger wedding rings than they did 30 years ago. Sure. Larger and more of 'em—A South American regiment calls itself "The Leather Noses." Well if they can beat our own Leathernecks, they must be tough hoppers. Which does not in any way lead to our subject. The Pampa Daily News Classified want ads. This one sailed unsmoothly: THREE ROOM unsmoothened house, garage, adults only. Inquire Owl Drug Store.

Youth Held As Car Yields Bodies

The weird odyssey of an 18-year-old boy who for more than two days drove through five eastern states with the bodies of two 64-year-old murder victims—in their own car—was told by Paul Dwyer, left, of Paris Hill, Me., after he killed the slayer at North Arlington, N. J. Police said he confessed that he killed Dr. James G. Littlefield during a medical examination, then, after luring Mrs. Littlefield from home on a pretext, strangled her because she suspected him. With the woman's body in the car and her husband's corpse stuffed into the trunk, right, Dwyer said he drove aimlessly until he fell asleep and was arrested on a roadside.

LOCAL LEGION WINS A BELL

Charlie Maisel has a gold-looking bell 10 or 12 inches high sitting on his desk at his place of business.

He got it last night at Childress where the Fox-Furr post was host to 200 members of the American Legion in the 18th district.

You ought to see that bell and hear Charlie tell how the Pampa Kerley-Crossman post won it at the state convention for getting the most members in August. But if you should ask local Legionnaires who won that bell they would say "Charlie Maisel!" at any rate, the local post got 42 new members last August and won the contest at the state convention held at San Angelo.

The state organization awarded it to Lou Roberts, district commander, who gave it to the Pampa post last night. There is also a gavel attached to it. The local post will keep the bell until some other post wins it.

Also to Childress last night went Commander Howard Buckingham, Earl Perkins, Guy McBride, T. O. Thompson, J. R. Shaw, Frank Hunt, Neal Sparks, Ben Robinson, Press Kromer and Mark Long.

The American Legion in Texas will strongly push two campaigns next year: the Legionnaires will conduct a drive against venereal diseases and will increase their child welfare activities. The national body will put emphasis on boys works such as Boy Scouts, Sons of the Legion, etc.

Conviction Of Four Peace Officers For Contempt Thrown Out

AUSTIN, Oct. 20 (AP)—The court of criminal appeals today reversed the conviction and discharged four officers given fines and suspended jail sentences for contempt of a Willacy county court in connection with the arrest of Louis La Madrid, investigator in the mysterious Blanton disappearance case.

The officers, Power Penner, former ranger, Morgan Miller, former game warden, Sheriff H. T. Cragg and Jailer Miller Brownfield were held by Willacy County Judge W. E. McCharen to have disregarded a writ of habeas corpus ordering the release of La Madrid, arrested on charges of illegal pistol carrying.

The appellate tribunal said none was guilty of contempt because the writ had never been served on them, thereby removing the question of contempt from the case.

That left only the question of whether they spirited La Madrid away to the Cameron county jail purposely to evade service, the opinion said.

The appellate court said there was no positive proof any of the officers knew the writ had been issued and although there were proven circumstances raising a suspicion Penner and Miller had knowledge of the writ it was not sufficient to authorize their conviction.

Cupid Knocks on Door and Routes Judge From Bed

Cupid routed Justice of the Peace E. F. Young from his sleep last night.

He got out of bed at 11 p. m. to answer a pounding on the front door of his residence at 629 E. Browning-ave.

At the door were T. R. Payne, 25, and Miss Modelle Pugh, 20, both of Stinnett. They wished to be married, they said.

The accommodating and pajama-clad Judge Young invited them into his living room and there performed the marriage ceremony in the presence of one witness, the bridegroom's brother.

Vet Improves Brain By Firing Bullet Into It

WASHINGTON, Oct. 20 (AP)—A medical publication related today a strange case of a man who improved his mental condition by firing a bullet into his brain.

Dr. George L. Johnson, manager of the veterans' administration facility at Tuscaloosa, Ala., who reported the case, did not recommend shooting as a general remedy for mental illness.

Writing in the Military Surgeon, Dr. Johnson said a 43-year old World War veteran permanently disabled because of a bone infection, has lived for five years with a bullet imbedded in the base of his brain near the pituitary gland—the master regulator of the body's gland secretions.

One day in 1932 this veteran, suffering constant mental depression and finding himself unable to work,

API CANCELS BID FOR NEXT SPRING MEET

The Panhandle will not be host to the spring convention of the Mid-Continent chapter of the American Petroleum Institute, it was voted at a meeting of the advisory council of the Panhandle chapter last night following the first fall meeting of the chapter in the city auditorium.

Amarillo was scheduled to be the host city if the Mid-Continent body accepted the Panhandle's invitation at its forthcoming meeting in Chicago. The Panhandle chapter issued an invitation to the Mid-Continent chapter at the Tulsa meeting. Acceptance was not made at the time but was deferred until a later date.

Action of the advisory council last night will automatically withdraw the Panhandle's bid for the convention and another place will be named.

The decision of the council was made only after it was agreed that the oil industry in the Panhandle field and that it would take the local chapter some time to become a smooth-functioning body capable of staging a convention of that size.

Last night's meeting, attended by more than 150 members, opened with amusing entertainment by Bill Karn of radio station KPND and Kenneth Bennett, school band director.

J. H. Baker of Tulsa, Okla., representative of the Merco-Nordstrom Valve Company, gave an interesting and educational illustrated lecture on valves. He presented six reels of pictures.

The boiler code of Texas was discussed at length by L. A. Cox of Amarillo, state boiler inspector, assisted by Ken Fry, boiler inspector for the Hartford Insurance company. A round table discussion followed which lasted more than a half hour. The code laws were changed recently and oil field men were particularly interested in the discussion.

C. E. Sturdevant, chairman, presided at the meeting.

McLEAN WILL INVADE PAMPA

Pampa will be visited tomorrow afternoon by the McLean high school band and pep squad and a large delegation of citizens who will invite local citizens to the crowning of their school queen and to the McLean-Wellington football game on Friday night.

The delegation will arrive at 3:45 and will be joined at the gymnasium by the Pampa high school band and pep squad. A parade through downtown Pampa will follow, ending in the 100 block on North Cuyler street where a 30-minute program will be broadcast over station KPND from its remote control point in front of the LaNera theater.

The McLean band will be under direction of C. H. Leeds, Macevester Smith and C. O. Green, president of the McLean Board of City Development will lead the visitors. Others to make the trip will be Dr. C. B. Batson, T. N. Holloway, Lee Wilson, C. S. Doelen, W. E. Bokan, Rev. Sumrall, W. W.

STUDENTS AID POLICE IN SEARCH FOR LAUER

CHICAGO, Oct. 20 (AP)—Northwestern University students and faculty members joined police of Chicago and suburban Evanston today in attempts to locate professor Ernest Lauer.

The 51-year-old associate professor of history disappeared Monday morning after drawing \$25 from a bank. He attended a morning class but cut one in the afternoon and failed to keep a 4 p. m. appointment with his wife.

Mrs. Lauer voiced a theory he had become a victim of amnesia.

Activities of game body will be aired.

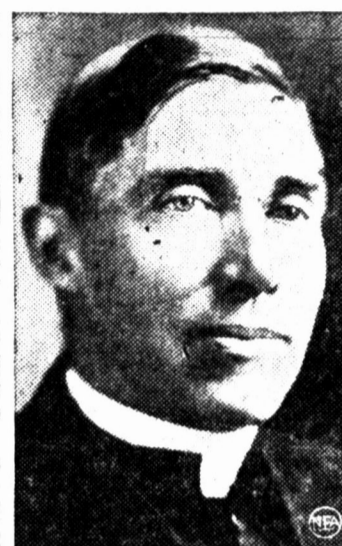

AUSTIN, Oct. 20 (AP)—The Senate today ordered an investigation of game department activities.

It adopted a resolution instructing its general investigating committee to inquire into charges of mismanagement, excessive expenditures and abuse of authority, an action openly invited by members of the game, fish and oyster commission.

Man 'Tunes in' On Bay Rum; Static Gets Him

On the way down with the stock market today was the price of getting inebriated in Pampa. Constable Otis Hendrix arrested a man last night for intoxication and took him to the county jail. The man was able to tell the constable that he got drunk on 20 cents worth of bay rum, bought in a ten-cent store.

Heads Church

Victorious in what was termed one of the most important elections in the church's history, the Rt. Rev. Henry St. George Tucker, bishop of Virginia, above, was chosen presiding bishop of the Protestant Episcopal Church at the 52nd triennial convention at Cincinnati.

TROOPS SENT TO OIL WELLS

ARDMORE, Okla., Oct. 20 (AP)—Three companies of Oklahoma National Guardsmen, called out suddenly by Governor E. W. Marland, patrolled ten leases of the Jones Oil Company near Healdton today where more than 200 CIO Union workers had shut in 60 stripper wells.

Under the temporary command of Capt. Raymond R. McCoy, approximately 75 khaki-clad guardsmen took positions on the highways bounding the leases opposite the CIO pickets; but deputy sheriff Bill Ruffin of Healdton said there was no trouble.

Governor Marland placed the strike-bound area under martial law after sheriff Floyd Randolph notified state officials "I can no longer handle the situation."

At Oklahoma City, Capt. Ross H. Reith guard adjutant said the coopers had orders "not to allow either the company or the union men on the leases."

A J. Shindler, Healdton CIO organizer, and four other CIO Union members appeared before District Judge John B. Ogden and asked for a jury trial on contempt citations charging they ignored a court order restricting picketing and cut the power at one least to halt resumption of operations.

Judge Ogden set 9 a. m. next Monday for trial.

GRANDVIEW CARNIVAL TO BE 'UP TO SNUFF'

"Going to the Grandview Carnival tomorrow night?" was a query heard on Pampa streets today for tomorrow night is the occasion of the new famous Grandview school carnival. The Pampa delegation will leave from the city hall at 7:30 o'clock.

So popular has the carnival staged by residents of the Grandview community become that the school building will not accommodate the visitors. There will be bingo, fish ponds, fortune telling and a host of games as well as "eats" and Grandview folks are famous for their cooking.

The trip will be made under direction of the goodwill committee of the chambers of commerce and Frank Culbertson and B. L. Parker want a large crowd from Pampa to make the trip.

SNIPERS ACTIVE NEAR CHURCH OF NATIVITY

JERUSALEM, Oct. 20 (AP)—Snipers' bullets splattered today a police station almost in the shadow of the church of the nativity of Bethlehem today.

Police returned the fire. The gun battle was the latest incident in persistent terrorism that has ringed the birthplace of the Prince of Peace in recent weeks.

TRAIN DECAPITATES TWO YOUNG WOMEN

BERKHAMSTED, Eng., Oct. 20 (AP)—Francis Hill, 20, and Marjorie Maydon, 15, lay side by side on a railway track and were decapitated today by a train. They left sealed letters to their parents.

BROAD BUYING SWEEPS MART AFTER DECLINE

NEW YORK, Oct. 20 (AP)—A broad buying movement swept the stock market today, as traders followed through on yesterday's late-hour whirlwind rally after a spectacular decline.

Many stocks of the country's leading companies were from \$1 to \$4 a share higher. Farm implement retail store, utility, most metal and aircraft issues were in the van, with some steels hesitant. The ticker tape dragged behind the market on the recovery, a sign to brokers that support was strong.

In many quarters the belief was expressed Wall Street's jitters which culminated yesterday in the heaviest sell-off in years before the late rally began, were about over.

As the second hour of trading wore on, prominent gainers included such a wide range as U. S. Rubber, Chrysler, Du Pont, J. E. Case, Sears Roebuck, Coca Cola, American Can, Kennecott Copper, Douglas Aircraft, Santa Fe, Phillips Petroleum, Westinghouse and Youngstown Sheet & Tube.

The corporate bond market, which took a beating yesterday, was stronger today, with gains ranging through most sectors. U. S. government loans recovered wide slices of yesterday's losses.

Investment trusts, which yesterday entered the market on the buying side, were said today to be picking up selected stocks which they considered undervalued. The buying from this source was not believed heavy, however.

SOVIETS EXECUTE 527 OVER 5-MONTH PERIOD

MOSCOW, Oct. 20 (AP)—Sixty-five executions for anti-soviet activities were reported from the provinces today, raising to 527 the known death toll for sabotage and espionage in five months.

I SAW - - -

Junior High P-TA To Have Program Thursday Afternoon

Parent-Teachers association of the Junior high school will meet in the high school auditorium Thursday afternoon at 2:45 for a program to be presented by the mothers and teachers of the organization.

Mrs. Roy McMillen will open the meeting with the devotional and the entire assembly will sing "Onward Parent-Teacher." Miss Winifred Wiseman will accompany Mrs. LeRoy West in a whistling solo.

A talk will be made by Mrs. J. M. Turner on "First Objectives of P-T-A." and Mrs. Frank Shotwell will speak on the "Texas Congress Birthday" and "The Endowment Fund." Following these numbers, Miss Ila Pool will lead a panel discussion on reading.

Novel Entertainers To Be Featured at School Carnival

Two novel features to be presented at the Horace Mann school carnival which is to be held Friday evening at the school are numbers by colored entertainers and the presentation of "Bluebirds."

L. H. Turner, a colored musician, will play several numbers and others who are to be on the program are a musical saw artist, shovellite wizard and a barrel and skillet freak.

Messes and Mmes. H. M. Conner and Earl Phillips will present their version of the well known story of Bluebird.

All who care to are asked to eat at the school as a complete meal will be served.

Thimblette Club Has Meeting on Monday Afternoon

Mrs. A. P. Stephens entertained the Thimblette club Monday afternoon in her home south of Pampa.

In a brief business session Mrs. W. B. Bettis was elected as a new member of the club.

Refreshments were served to Mmes. Frank Russell, W. B. Hoover, J. L. Burba, A. E. Shaw, Audie Swafford, Frank Carpenter, C. D. Tiffany, and one visitor, Mrs. J. P. Tiffany.

The next meeting of the club will be held Nov. 1 with Mrs. W. B. Hoover.

LeFors P-TA to Sponsor Carnival On Friday Evening

Another school which will have a Halloween carnival is the LeFors school. This fourth annual entertainment will be held Friday evening, Oct. 29, at 8 o'clock in the high school auditorium at LeFors.

Bingo, fortune telling, booths, fish pond, and many other amusements will be featured during the evening. Sandwiches, coffee, cake, and souvenirs will be sold by the Parent-Teacher association.

School to Present Carnival Oct. 29

SKELLYTOWN, Oct. 20.—Both parents and students are invited to attend the annual school carnival which is to be given at the school Friday evening, Oct. 29, at 7:30 o'clock.

Several features of the evening which already have been planned are doll rack, guessing weight, ring-around-the-roses, negro minstrel, bingo, portrait painting, fortune telling, fishing pond, cake walk, darts and horseshoes, dominoes, forty-two, checkers, and various other contests and stunts.

Candy, food, drinks and souvenirs will also be sold at this carnival where the crowning of a school king and queen will climax the evening.

Those who are assisting the teachers in making the arrangements are Mmes. J. A. Arwood, Earl J. New, Chester Strickland, George L. Stanley, Ray Hawkins, J. C. Kennedy, V. G. Werth, C. W. Moot, and W. W. Hughes. The room mothers are also assisting.

HUSBAND AND WIFE DIE IN COLLISION AT EDEN

SAN ANGELO, Oct. 20.—Funeral arrangements were being made today for Mr. and Mrs. Dee Harris, who were killed last night in a collision near Eden while they were en route to Lockhart to attend the funeral of Mrs. Harris' sister. The sister, Mrs. T. E. Kelley, is to be buried today.

An 18-year-old daughter of the Harrises, Eva Dell, remained in a critical condition at Eden.

Harris was a prominent rancher of the O'Donnell section.

SATURDAY.
Trebble Cief club will meet in the city club rooms at 2:30 for a study hour and social.

Green pepper cases make a novel container for crab or other kinds of fish, meat or fowl salads. Cut large, well-shaped peppers in halves lengthwise. Discard the seeds and pulp. Chill the cases until serving, time and then roughly fill them with the salad.

DANCE

and enjoy the evening. Get aching corns off your mind. GREAT CHRISTOPHER Corn Remedy removes the corn, roots and all. It never fails. 35c at Cretney Drug Store.

Guests and members of the Amusu bridge club were complimented with a luncheon given by Mrs. W. M. Craven yesterday at the Schneider hotel.

A Halloween motif was stressed in the tallies, place cards, and the yellow chrysanthemums which centered the tables.

High score for guests was made by Mrs. R. B. Thompson, who received a corsage, and Mrs. J. H. Kelley won high score for club members.

Guests who played were Mmes. J. M. Saunders, Thompson, and S. L. Lewis. Members of the club who were present included Mmes. W. A. Bratton, C. P. Buckler, Ray Hagan, C. T. Hunkapillar, Kelley, J. B. Massa, L. N. McCullough, J. M. McDonald, Tom Rose, Alex Schneider, Charles Thut, Dick Walker, George Walstead, and the hostess.

McLEAN NEWS

The annual ceremony of the coronation of the football queen will be performed between halves of the Wellington-McLean football game on Tiger field Friday night.

The queen contest will close on Thursday at McLean high school. Candidates are Lavoy Donaldson, senior; Dorothy Sue Young, junior; Opal Thacker, sophomore; Yvonne Floyd, freshman.

Members of the junior class, with their sponsor, Orville Cunningham, had a party in the gymnasium, followed with a theater party, Monday evening.

Students home for the week-end were Hobby Appling, James Emmett Cooke, and Larry Cunningham, all Hardin-Simmons university students.

Applying is in the band, Cook and Cunningham are playing first year varsity football. Cook and Cunningham played in the W. T. H.-S. game last Friday night.

E. M. Gossett is McLean's representative at the National Future Farmers of America convention now being held in Kansas City. Other McLean boys attending are Jack Bogan and R. L. Floyd.

Glorifying Yourself

BY ALICIA HART.

In spite of all precautions, the chances are that you'll have at least one head cold this winter. And, like as not, there'll be an important party right while you are bowed down with sneezing, coughing and a reddish nose.

What to do! What to do! You ought to refuse the invitation and stay in bed, of course. Any doctor will tell you that. But if your desire to have a gay evening gets the better of your sensible judgment, here are a few suggestions for whipping your appearance into some kind of presentable form.

Take your warm bath (and don't follow it up with a coolish shower) at least two hours before you have to leave the house. If you can rest for an hour, fine. Whether you can or cannot take a nap, be sure to allow plenty of time to do away with the non-beautiful signs of the average cold. This is one time when you shouldn't hurry up your creaming and makeup routines.

Cover face and throat with a generous layer of your richest night cream and leave it on for ten minutes. Don't pat or massage. These only make your face more flushed looking than it is. Remove the cream ever so gently smooth (don't slap) on cold skin tonic. Use foundation lotion next. If your face is flushed and is likely to become more flushed as the evening wears on, omit rouge entirely. Otherwise, use it sparingly.

Wash eyes with slightly warm lotion. Keep them closed for five minutes. Better forget about mascara. Spray your nose and throat, press face powder on firmly. This is one time when an indelible lipstick comes in handy. If you do not have one, dry your lips before applying your regular lip rouge, let it set, then blot away the excess. This is not the night to smear lipstick on lavishly, striving for a glossy effect but in reality leaving lips pretty susceptible to smears.

Tuck a couple of extra handkerchiefs and a few cough drops into your purse. Use your nicest perfume and wear your warmest evening wrap. If you don't insist upon staying until the last guest leaves, this kind of careful preparation ought to keep you looking like a lady without benefit of flu germs practically all evening.

Faculties, Board Members Honored

Board members and teachers of the six schools in Pampa with their husbands and wives were entertained at a banquet given in the red school building last evening by the junior and senior high school faculties.

The rooms where the 125 guests played forty-two, bridge, checkers, and other games were attractively decorated in Halloween colors.

Committee chairmen who had charge of the arrangements were Miss Anna Louise Jones and Harry Kelley of the high school and Misses Madge Rusk and Yvonne Thomas from the junior high faculty.

This party is the first in a series of entertainments to be given for the teachers this year. The dates for the banquet to be sponsored by the Woodrow Wilson and Baker schools and the party to be given by Sam Houston and Horace Mann schools have not been set.

P-TA Organizes Singers Group

SKELLYTOWN, Oct. 20.—A "Mother Singers" club, sponsored by the P-T-A, was organized on Monday afternoon, when a group of ladies met at the school.

Mrs. Hazel Thurlow was elected president; Marshall Gordon, director; Mrs. John Beighle, pianist, and Mrs. J. C. Kennedy, secretary.

Principal Chester Strickland explained the purpose of the club, different songs were discussed, and a sing-song was enjoyed.

The meetings will be held each Monday at 3:45 in the music room at the school, and will be held for one hour. Those interested in singing are cordially invited to attend these meetings.

Those present were Mmes. Bob Clements, Jack Propst, Hazel Thurlow, E. J. Haslam, E. R. Austin, J. R. Wrinkle, A. E. Imel, J. W. Lee, J. C. Kennedy, E. L. Guerry, W. W. Hughes, Messrs. Marshall and Chester Strickland.

ADLERIKA

Party Honors Mrs. Coats

SKELLYTOWN, Oct. 20.—Mrs. E. R. Gower and Mrs. C. C. Harbor were co-hostesses at a lovely party and shower at the former's home honoring Mrs. J. K. Coats.

Games and contests were enjoyed through the afternoon, after which the many lovely and useful gifts were passed for inspection.

Refreshments of fruit jello, cake, and coffee were served to the following: the honoree and Mmes. Geo. Lowley, E. G. Black, G. N. Stovall, Walter Shair, Walter Hogue, L. C. Gommilion, Ora A. Wagner, W. M. Murphy, John Browning, L. C. Cunningham, M. O. Pickett, C. M. Wait, H. V. Mathews, W. I. Fowler, Orin Colvin, J. J. Broom, Stanley Kretzmeier and the hostesses.

WAKE UP YOUR LIVER BILE—

Without Colored—And You'll Jump Out of Bed in the Morning! It's So Good!

The liver should pour out two pounds of liquid bile into your bowels daily. If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas builds up your stomach. You get constipated. Your whole system is poisoned and you feel sour, stunk and the world looks pink.

Laxatives are only makeshifts. A mass bowel movement doesn't get at the cause. It takes those good, old Carter's Little Liver Pills to get those two pounds of bile flowing freely and make you "up and up." Harmless, gentle, yet amazing in making bile flow freely. Ask for Carter's Little Liver Pills by name. Stubbornly refuse anything else, etc.

5TH ANNIVERSARY

HIGHER TAXES PROTESTED BY OIL COMPANIES

AUSTIN, Oct. 20 (AP)—Representatives of Texas' vast oil fields today prepared to hurl facts and figures behind their protests to increased taxes on the state's greatest single industry.

A public hearing on a general tax bill, estimated to yield an additional \$4,500,000 annually, was slated for continuation before the Senate state affairs committee.

Petroleum interests were scheduled to conclude their pleas against a proposed one-fourth of 1 per cent boost in the production tax. They started their arguments last night.

A 70 per cent increase in levies over the past year was cited by D. H. Rubsam of Wichita Falls, representing the North Texas Oil and Gas Association. He claimed the state this year would collect \$16,362,000 from the oil industry, 108.94 per cent over \$7,830,682 he said was received in 1935.

"Besides," he said, "the item of labor has gone up 25 per cent; cleanout work, 33 1/3 per cent; materials and replacements, 20 per cent; gross production tax, three-fourths of 1 per cent, and the social security tax on payrolls added for 3 per cent."

Rubsam said it was "a well recognized fact the oil industry is already carrying more than its part of the burden. It is common knowledge that at present, 42 per cent of the state's revenues are derived for taxes on the oil industry and its properties."

That oil contributed 60 per cent of the total state taxes was the assertion of Dudley B. Foy of the Wichita Falls Chamber of Commerce. Representatives of other oil producing sections of the state reported figures on their fields.

Earlier, gas and sulphur representatives pointed arguments at the asserted fact the consumer eventually pays all levies on products which are charged to corporations to operating expenses and reflected in sales prices.

"The bill would levy 3 1/4 per cent of value tax on natural gas, compared to the current 3 per cent, and raise the sulphur impost from \$1.03 to \$1.10 per ton.

Warren Collins of the Lone Star Gas Company said the legislature raised the tax 50 per cent last year.

"In 1936," he said, "our company paid \$2,500,000 in all forms of taxes and that alone cost the consumer 11 cents on each 1,000 cubic feet." He estimated the average consumer paid \$8.56 yearly taxes on gas.

Charles Keeffir of the Canadian River Gas Company pointed out the industry was subject to ad valorem, production, transportation, gross receipts and franchise taxes.

Sulphur company representatives declared theirs was the heaviest-taxed industry. Louis Mimms of the Freeport company said the present levy was larger than the per ton price paid the landowner. He pleaded a uniform rate for all minerals.

The committee agreed informally it would strike from the bill before it was reported to the Senate a provision authorizing the comptroller to require metering of pipe lines.

Opponents of the requirement gave the comptroller regulatory powers already vested in the Railroad Commission.

After having produced chocolate from coal tar, German industry now is making candy from wood.

Marimbistas To Be Heard on KPDN

Local music lovers are to have an opportunity to hear the world's four greatest marimbistas over Station KPDN, according to Sid Patterson, manager of the station. Comprising the complete marimba section of the sensational "Orchestra Tipica de Policia" of the City of Mexico, the four great Mexican artists have won the universal acclaim of critics throughout the United States. Now on a triumphal tour of North America, the orchestra is sponsored by the Mexican government and President Lazaro Cardenas. Its director is Miguel Lerdo Tejada, internationally known composer of Mexican music.

The marimbistas are all members of the Mexico City Police department, from whose ranks have been recruited many of the orchestra personnel. Released by the C. P. MacGregor studios of Hollywood, with whom the local station has a contract for fine program material, their marimba selections will be broadcast exclusively in this area by KPDN.

In the above picture, reading from right to left, the marimbistas are Enoch Espinosa, Baldomero Roque, Gabriel Gallagos and Jose Guzman. The marimbaphone shown in the picture is the largest in the United States, having a total of 73 notes. Its front, or "apron," is inlaid beautifully with mother of pearl and gold.

19 BODIES OF AIR TRAGEDY GATHERED UP

SALT LAKE CITY, Oct. 20 (AP)—The 19 victims of the most disastrous airplane crash in American aviation history were tentatively identified at Evanston, Wyo., early today, Bob Johnson, United Airlines press representative, said.

First body reported identified was that of Earl Woodger, Denver pilot of the United Airline "mainliner" which crashed into a mountain peak 30 miles east of here during a terrific storm Sunday night.

Woodger's body was the last removed from the wrecked transcontinental transport. The mangled bodies were cradled in Evanston in wagons over crude mountain roads late yesterday.

None of the bodies has yet been viewed by relatives and friends of the persons traveling in the ill-fated luxury liner, Johnson said.

Relatives of the ill-fated sky liner's passengers were arriving at Evanston today to claim their dead many of whom were so badly mangled that identification is not expected to be complete until tonight. Searchers reached the plane yesterday. Except for the rear fin, the 21-passenger luxury liner was demolished.

Bodies lay grotesquely in the snow. Searchers, already weary from climbing to almost inaccessible 10,000 foot-high Gumply ridge, had difficulty removing bodies of the 16 passengers and three crew members. The bodies were moved slowly down slippery mountainsides by pack trains four miles to a deeply rutted road leading to Knight, Wyo., 26 miles north of the crash. From Knight the bodies were taken over the highway seven miles to Evanston.

impulsive quarter-backing . . . is far more dangerous than the same tendencies in dealing with domestic affairs. . . How far does he intend to go? The President's recent international affairs statement mentioning quarantine for aggressors and expressing doubt of peaceful American escape in a world at war "sounds just like what we were told in 1917."

PAMPANS MAY BE ELIGIBLE FOR PAYMENTS

Applications for account numbers for employees and employers under the social security act still continue to drift into the Pampa post office, although it has been several months since a social security office was handling the business here. The forms can be obtained here, then mailed by applicant to Amarillo.

Until the district office was established in Amarillo two months ago, it was necessary for those wishing to obtain their numbers to mail their applications from the local post office to the social security office in Dallas.

Devey I. Reed, field office manager in 46 Panhandle and West Texas counties, recently announced that there are several persons in the region eligible for lump sum payments under the social security act.

Eligible would be those who worked under social security provisions, have reached 65. They are eligible for an amount that would be 3 1/2 per cent of the salary earned between December 31, 1936, and the time they became 65 years old.

Also eligible for the lump sum payments would be families of social security "covered" workmen who have died. Payments due such

MAUDE ADAMS GIVES HER FIRST INTERVIEW

COLUMBIA, Mo., Oct. 20 (AP)—Maude Adams, the Peter Pan of yesteryear, drew from an old French book on acting today to tell how she feels at 64 about the theater.

"It is the mission of all art," she said, "to refine and cultivate the instincts and emotions."

That, the veteran actress explained in the first newspaper interview of her long career, is the challenge she accepted when she came here to teach dramatics at Stephens College for girls—a challenge to instill in her proteges "something which will relate the theater and acting with the emotions of every day life."

"We should know more about our emotions and have a greater respect for them," Miss Adams continued. "They are the finest things we have."

She broke a retirement of 19 years at the behest of Dr. James M. Wood, president of Stephens.

It was not simply to train actresses that Miss Adams came here. She is attempting "to integrate the cultural with the professional"—to leave with her students something that will make their lives fuller even though they never step on a stage after leaving school.

LANDON STYLES SELF LEADER OF HIS PARTY

TOPEKA, Kas., Oct. 20 (AP)—All M. Landon reassured himself as an active, as well as titular, leader of the Republican party last night in a blunt indictment of the Roosevelt administration as greedy for power and a "failure" in the exercise of "too much power" already granted.

The opening sentences of his radio address set up his position with respect to party affairs:

"I have called a meeting (the radio audience) of the seventeen million men and women who voted for the Republican ticket last fall. . . Because I hold the honor of being the standard bearer of the cause for which your votes were cast, I wish to suggest ways and means by which the minority party can be of outstanding service to our country."

The 1936 Republican presidential nominee addressed himself also to the "millions of others who are now opposed to the policies of the national administration." He said he had been silent a year because "good taste and good government demand" that an elected official be given opportunity to establish the policies which he promised the voters.

"But now the time has come to act," he said.

Waiting clenched fists for emphasis as he delivered the speech from his office here, Landon used short, unequivocal words in his criticism of administration policies.

Of Mr. Roosevelt himself Landon said he is "not the man who was elected in 1932. It was appar-

ent that Mr. Roosevelt is going through the same process that transpired in the life of every man in history who was given too much power. Power, fed on power—today, just as it did in the days of Julius Caesar."

Kansas's Criticism

The Kansan made these criticisms:

Social progress—"I agree with Mr. Roosevelt that progress lags. . . The real reason why progress has lagged in America during the last four and one-half years is the failure of the President of the United States to follow our constitutional method of government and his failure as an administrator."

Legislation in general—"drafted by 'college sophomores.'"

Proposed NRA substitutes—"The same mistake over and over again."

Social security—"Errors will be corrected 'when it is dealt with intelligently.'"

Relief—"A political football. We are morally worse off than we were. . . When do we go back to work?"

Taxes—"Not just the amount, but the confusion."

The Constitution—"Works when you give it a chance to work."

Wagner labor relations act—"An unworkable, messed-up piece of legislation that will have to be done all over again," but "a step in the right direction" requiring "modification so that the justice and equities of all rights, including that of the public, will be recognized."

Labor—"Dealings 'not only unsatisfactory' to 'dangerous.'"

When trouble came Roosevelt "again failed to follow the constitution. . . men were shot and clubbed. And, according to press reports the President shrugged his shoulders. He said it was a local affair. He said, 'a plague on both their houses' and went on another vacation."

The Hugo Black Supreme Court appointment—"Tradition holds that 'when a man is to be appointed to an important, non-elective office he shall be submitted to the scrutiny and white light of public hearings.'"

World peace—"The President's

All set? listen: HERE'S THE ENGINEERING MUST STORY OF THE YEAR!

Featuring the **DYNAFLASH ENGINE and TORQUE-FREE SPRINGING** —in the Most Modern Chassis in the World

YOU won't drive a hundred yards behind the DYNAFLASH engine without sensing that something marvelously new and different is happening here.

Speeding from the carburetor through the intake manifold, the fuel charge hurries into the cylinder at something like 250 miles an hour.

Leaping to meet it is the piston, with a unique device called a Turbulator built into its face.

Then occurs something more than high-compression—literally cyclompression—as this swirling gale of gasoline vapor is compacted around the spark plug.

The fat spark leaps, a fiery, fist-size hurricane lets go, and gasoline vapor gives up more performance than it has ever given up before in a commercial engine.

This might seem enough for inspired engineering science to lavish on a car in a single season.

But matching DYNAFLASH power in importance is Buick's new TORQUE-FREE SPRINGING, and the arrolite ride it provides.

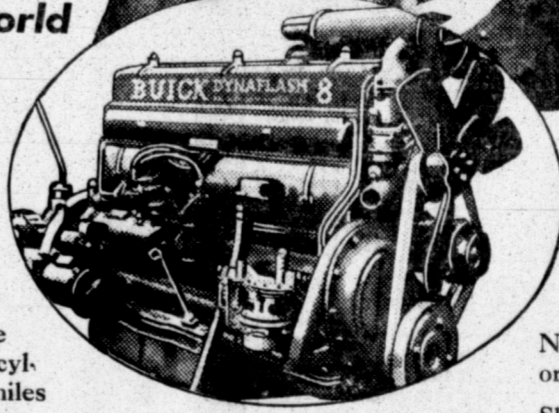

Take a Buick over a railroad crossing or search out a bumpy road—wheels may dance but the body rides level!

If it's power you're after, you'll choose Buick this year for its amazing DYNAFLASH engine.

If it's matchless comfort, you'll want the TORQUE-FREE SPRINGING ride.

With either you get the other—plus half a score important features.

You can learn about them all from the nearest Buick dealer, now waiting to show you this modern engineering marvel.

For in place of old-type leaf springs, each wheel has a soft, shock-smothering cushion of stout coiled steel.

No shackles, no spring covers, no grease points to watch. Nothing to go wrong, wear out, or clog with dirt, rust, grease.

Skid risks are blessedly reduced. You save money. Rear tires last longer. The whole eager car handles more surely and easily.

And summer or winter, with 50 or 50,000 miles behind you, you have the same soft cushioning unaltered by either wear or weather!

"Better buy Buick!"

READY TO BRING YOU RELIEF IN MINUTES

THE REASON BAYER ASPIRIN WORKS SO FAST

Drop a Bayer Aspirin tablet into a tumbler of water.

By the time it hits the bottom of the glass it's dissolving.

This speed of disintegration enables genuine BAYER Aspirin tablets to start "taking hold" of headaches and similar pain a few minutes after taking.

YOU can pay as high as you want for remedies claimed to relieve the pain of Headache, Rheumatism, Neuritis, Sciatica, etc. But the medicine so many doctors generally approve of—the one used by thousands of families daily—is Bayer Aspirin—15¢ a dozen tablets—about 1¢ apiece.

Simply take 2 Bayer Aspirin tablets with a half glass of water. Repeat, if necessary, according to directions.

Usually this will ease such pain in a remarkably short time.

For quick relief from such pain which exhausts you and keeps you awake at night—ask for genuine Bayer Aspirin.

BUYER ADMITS RISING PRICES

MADISON, Wis., Oct. 20 (AP)—A buyer's testimony that he and two other company officials had recommended prices for a gasoline buying program in the mid-continent field was in the record today of the federal government's gasoline price fixing conspiracy case.

Walter Paul Jacobi, Tulsa, Okla., buyer for two oil companies said yesterday he and officials of two other companies had recommended prices for a buying program of 13 major oil firms.

He testified before a federal court jury trying 23 oil companies, three trade publications and 46 executives on charges they conspired to fix gasoline prices.

Jacobi, who said he purchased gasoline for the Socony-Vacuum Oil Company and its subsidiary, Wadhams Oil Company, testified he had served on a sub-committee named by a group of major company representatives after a meeting in St. Louis to contact small independent refineries.

Representatives at the meeting decided upon the buying of "distress" gasoline of independents, named to a sub-committee along with O. J. Tuttle, sales manager of the Empire Oil and Refining Company, and Robert McDowell, vice president of Mid-Continent Petroleum Corporation.

SUIT ASKS INDUSTRIAL RULING BE SET ASIDE

One new suit was filed in 31st district court yesterday. National Industrial Underwriters of America vs. Ed. J. McCarty, M. A. McCarty, Mr. and Mrs. O. J. Madden, John McCarty, and Mrs. J. F. Ryan.

Plaintiff asks to have set aside an Industrial Accident board ruling of September 24, 1937, when the board decided that compensation be paid Mrs. J. P. Ryan amounting to \$641.95 for accrued and advanced compensation payments, and \$20 a week for 322 consecutive weeks from September 27, 1937.

2 MORE INDICTMENTS RETURNED BY JURORS

The grand jury of the 31st district court met again this morning with the expectation of completing its work for the week today.

Two indictments were made by the grand jury yesterday. George Scarborough was charged with forgery. He is in county jail. Bond has not been set.

Drunken driving was the charge in the other indictment. Monday afternoon, two persons indicted earlier during this term were sentenced. Carl Blom, indicted on a charge of forgery and passing a forged instrument was sentenced to five years imprisonment.

A 30-day jail sentence and a suspension of driving rights for six months, was assessed against Harry Davidson, who had been charged a public highway while intoxicated.

The following week, Tuesday Nov. 2, a Panhandle delegation, headed by Ralph Randle, will be guests of the organization. Mr. Randle will be the principal speaker.

LOSE YOUR SPURS? WELL, CONSTABLE FOUND THEM

Some Panhandle cowhand probably will be glad to learn that the things he lost have been found. While walking across a downtown parking lot yesterday evening, Constable Otis Hendrix found, lying on the ground, a set of shop-made spurs, a riding quilt and a martingale.

REV. ASHBURN DIES. FORT WORTH, Oct. 20 (AP)—Rev. S. A. Ashburn, 75, Methodist pastor in Texas for 53 years and father of the late Sam A. Ashburn Jr., San Angelo newspaperman, died at his home here early today.

ATTORNEY DIES. SAN FRANCISCO, Oct. 20 (AP)—Charles M. Fickert, 64, who as San Francisco district attorney sent Thomas J. Mooney and Warren K. Billings to prison for the 1916 San Francisco preparedness day bombing, died last night of pneumonia.

Mainly About People

Charles I. Hughes, Pampa justice of the peace, will leave tomorrow for Las Vegas, N. M., where he plans to spend two or three days.

Mr. and Mrs. Roy Parish are the parents of a son, born yesterday at Worley hospital.

Mrs. John Mead was admitted to Pampa-Jarratt hospital last night.

Mrs. E. N. Franklin was admitted to Pampa-Jarratt hospital yesterday.

Mrs. M. K. McKeel and baby were taken to their home from Pampa-Jarratt hospital.

Police Chief Art Hurst attended district court in Stinnett yesterday.

Three marriage licenses were issued Tuesday: C. L. Hall and Max-

line Archer! J. B. Kincannon and Mrs. Virginia Ruth McClure; Marshall Goodwin and Miss Eva Bell Wilkinson.

CORPUS MARBLE TABLE COMPLAINTS DISMISSED

KINGSVILLE, Oct. 20 (AP)—Justice of the peace F. J. Bertman today had entered orders of dismissal in charges against E. A. Hodges, one of six men named in felony complaints in connection with operation of marble tables.

LONDON, Oct. 20 (AP)—Italy unexpectedly recommended to the non-intervention committee today that an independent commission be sent to Spain to effect withdrawal of foreign troops from both sides of the Spanish war.

TWO PAMPANS ARRESTED IN ARK. IN FARMER SLAYING. Two Pampa men, arrested in Fort Smith, Ark., Saturday in connection with the killing of a Portales, N. M., farmer, Ed Hargus, are en route to Portales in custody of Sheriff R. L. Hollis, Pampa officers have learned.

The suspects are Ray Jackson, 17, and Marvin McEntire, 22. Jackson had resided in Pampa for nearly 10 years. McEntire had lived here about a year.

Hargus was shot through the head with a shotgun, robbed of between \$30 and \$40 and his watch, and his body dragged nearly a mile and buried in a shallow grave. The shooting took place on the night of July 28. The body was discovered the next day.

LATE NEWS

NEW YORK, Oct. 20 (AP)—Felix M. Warburg, member of the powerful banking family of two continents and noted philanthropist, died here today shortly before 1 p. m. He was 66 years old. He was president of Kuhn, Loeb and Company.

LONDON, Oct. 20 (AP)—Italy unexpectedly recommended to the non-intervention committee today that an independent commission be sent to Spain to effect withdrawal of foreign troops from both sides of the Spanish war.

TWO PAMPANS ARRESTED IN ARK. IN FARMER SLAYING. Two Pampa men, arrested in Fort Smith, Ark., Saturday in connection with the killing of a Portales, N. M., farmer, Ed Hargus, are en route to Portales in custody of Sheriff R. L. Hollis, Pampa officers have learned.

Hargus was shot through the head with a shotgun, robbed of between \$30 and \$40 and his watch, and his body dragged nearly a mile and buried in a shallow grave. The shooting took place on the night of July 28. The body was discovered the next day.

IT'S NO LONGER NECESSARY TO WRITE 'STOP' IN TELEGRAMS

Pampans who have been accustomed to insert the word "stop" in telegrams to indicate a period will find it more economical to now use punctuation marks under an order made effective Oct. 15 by the Western Union Telegraph company.

A similar rule is expected to apply to the Postal Telegraph Company, but no instructions had been yet received by the local office.

The rule will be that punctuation marks when employed by a sender in the text of a telegram will be transmitted as written by the sender but not charged for.

These marks are the ones for period, comma, semi-colon, colon, parenthesis, question, and apostrophe. If the words stop, comma, period, paragraph, are used, they will be charged for.

Telegrams written in paragraphs will be transmitted in paragraphs but the paragraph signal will not be charged for or counted.

However, in groups of figures, periods, commas, dashes, are not counted as punctuation marks, and will be charged for. Five figures counts as a word, and each mark

ALL FANS ASKED TO STAY AWAY FROM PLAYING FIELD DURING PRACTICE

TEAM DRILLS SECRETLY FOR LUBBOCK TILT

It is seldom that a football coach makes requests of fans but a couple of times each year it is necessary to ask the followers of the game to remain away from the practice field as the home team prepares for a crucial game. That time has arrived in Pampa as the Harvesters get ready to invade Lubbock on October 29 and Coach Odus Mitchell and J. C. Prejan are asking the public to remain away from Harvesters field until after the game.

All entrances to the park will be closed and locked, beginning this afternoon, and the Harvesters will learn new plays, brush up on offense and defense, and practice against Lubbock plays from now until next Thursday when they go to Lubbock for the big game on Friday afternoon, October 29, at 2:30 o'clock at Texas Tech field.

"We are asking everyone to stay away from the field until after the Lubbock game," Coach Mitchell said yesterday. "By everyone, we mean everyone, including our friends and friends of the boys. We believe we can accomplish more by working behind closed gates. Lubbock will be tough and the boys will have to be ready in every department."

The game was originally set for October 30 but was changed by agreement to the previous day. A special train, sponsored by the Pampa schools, will be run to Lubbock. Tickets will be \$2.65, round trip, with the team leaving Pampa at about 8:30 a. m.

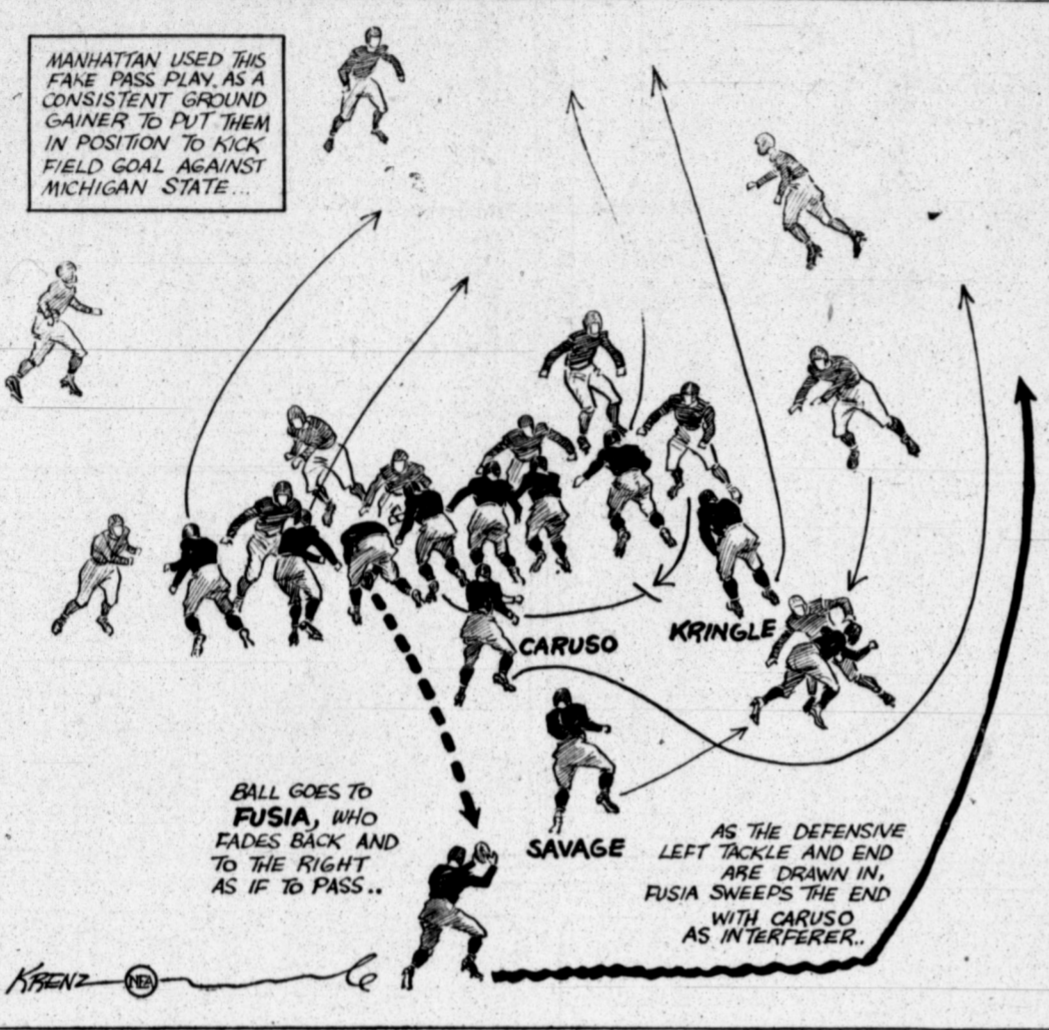

Two other changes in games have been announced. Instead of playing at night, the game with the Clovis Wildcats will be played on the afternoon of November 5 here. The game with the Borger Bulldogs, also here, has been changed from Thanksgiving Day to the following afternoon. Amarillo and Lubbock play in Amarillo Thanksgiving Day.

Winning Plays of 1937

By ART KRENZ, NEA Service Sports Writer
A FAKE pass play, diagramed above, was used effectively by Manhattan College's eleven in its surprise 3-0 victory over Michigan State.

The ball is snapped to Vic Fusia in the tailback position, Fusia fading back and to the right as the two ends and wingback go downfield as decoys.

The No. 2 and 3 backs go out with Fusia, and the running guard pulls out.

When the defensive left tackle and end have been sufficiently drawn in the guard and No. 3 back smear the three decoys have sucked the secondary deep and with the assistance of the shortside guard provide downfield blocking.

THREE FIRST YEAR COACHES AVOID DEFEAT

By BILL BONI
NEW YORK, Oct. 20 (AP)—Attracted by lucrative offers or given an opening when their own superiors went elsewhere, some 30 college football coaches began the current season with brand-new jobs as "head men."

Today, with some already past the halfway mark of their first campaign and others just approaching it, only three of the 30-odd starters have survived in the elect-and select—set of those whose teams are unbeaten and untied. Reading Mylin's coaching and a lone freshman team of two years ago that's just hitting its stride has made the Leopards change their spots and knock them off their rivals.

Syracuse, quick to absorb the Solem Minnesota system, and new Hampshire, taking to the tactics taught by Sauer, former Nebraska ace, will be favorites against Maryland and Vermont, respectively this week.

On their records, these three are the standouts of the "new coach" group. But right on their heels are four others with one tie each to mar their records. Heading the quartet is Navy, coached by L. H. J. Hardwick, deadlocked last Saturday by Harvard and scheduled for a clash with Notre Dame. Then come Nebraska, under Bill Jones; Albright, coached by Lone Star Dietz and Miami (Fla.), with Jack Harding at the helm.

The other 23, including such noted institutions as Oklahoma, North Carolina State, Bucknell, Iowa, Texas, Carnegie Tech, Marquette, San Francisco and Iowa State, have lost somewhere from one game (Oklahoma, N. C. State and Bucknell are in that group) to four.

Yet if they all haven't succeeded in keeping their score-sheets clean, quite a few have helped keep the season's excitement at a proper pitch.

Immediate success hasn't followed all of the mentors from the old job to the new. Frank Murray, moving from Marquette to Virginia, has seen his Cavaliers come out on top only once in four starts, just as Dana Bible's Texas Longhorns have beaten only Texas Tech, while losing to Louisiana State and Arkansas and tying Oklahoma.

But they do say Virginia has a whale of a freshman squad, and of course Bible has a ten-year lease on his Texas job. So perhaps both are working on the old, and reliable, policy of "make haste slowly."

Yankees Not So Hot, Says Zeke

NEW ORLEANS, Oct. 20 (AP)—Those brawny New York Yankees won't maul the American League next summer as easily as they did the past two seasons if big Zeke Bonura knows what he's talking about.

"No sir," said Zeke, who does considerable first-basing for Chicago's White Sox, "you can look for Detroit, Chicago and Cleveland to give the Yankees a tough fight next season."

"The Tigers have plenty of power with York, Greenberg, and Gehring. If they get the pitching they'll be tough for everybody. I look for Rowe to be back and they also have Bridges, Lawson, and Auker.

"The Yankee pitchers weren't so hot. We beat them three out of four in one series.

"No sir, those Yankees won't." Excuse us, Zeke, this is where we came in.

ENGLISH BET 50 MILLIONS A YEAR ON GREYHOUND RACING

NEW YORK, Oct. 20 (AP)—"You think the people in this country gamble? Haw! Haw!"

The man who leaned back in his fifty-foot suite in the Ritzsuperba and laughed the way down deep was General A. C. Critchley, the millionaire czar of England's greyhound racing industry.

"Why," he said, controlling his mirth, "do you know how much will be bet on the Totalizator (parimutuel) alone at my eight tracks this year? About ten million pounds."

(Editor's note—Jumping cats! That's \$50,000,000.)

"And what, General, do you get out of that?" he was asked.

"Oh, we take only six percent," he said airily, "but of course we charge an admission price too, about 60 cents a head, and the average attendance for 104 nights at White City, my biggest track this season was a little over 20,000."

So you get an idea why the

General, who came out of the army to introduce hound racing to England in 1926, feels like laughing most of the time.

"It's a great thing for the people," he observed with a twinkle. "The English people are crazier about gambling than any in the world. Everybody's got to bet on something every day. The dogs give them a splendid outlet. Why, if it wasn't for the dogs they might be gambling on the stock market, and America knows what a bad thing that is."

Sports Roundup

By EDDIE BREITZ

NEW YORK, Oct. 20 (AP)—An afternoon along Broadway: Redcaps scrambling to tote Joe DiMaggio's bag as he takes off for dear old Frisco... Al Schacht, the baseball clown (who has just emerged from a one armed lunch room) picking his molars in front of the tavern... H'ya Al... Mark Hellinger the columnist, and one of the shrewdest pickers of fight winners in town, visiting his lawyers before leaving for Hollywood to become a movie extra... A famous world's boxing champion and his manager teeing off for Philadelphia in the smoker of a day coach... Such going ons would have shocked Gene Tunney.

Old boss players trying to dope out the Empire City winners in front of Lindy's Broadway spot... Also, the gent in front of the brass rail on Seventh avenue hawking (sotto voce) football pool cards... You smack down a buck... If you pick ten winners out of ten, you collect 100 berries... Nine out of nine, 90 cart wheels, and so on... Try to beat it, just once... Football writers streaming out of the Lincoln after their weekly luncheon... Lou Little, Columbia, and Chick Meehan, Manhattan, all but stop traffic as Little diagrams a honey of a play on the back of an old envelope.

The guy who peddles "your home town newspaper" at Times Square says: "I still am in love because I picked the Jernis."

PUNTS AND PASSES

(By The Associated Press)
SHREVEPORT, La.—If you figure it's and "upset" when Centenary, a member of the "minor league" Southern Intercollegiate Athletic Association, who's rival from the strong Southwest Conference, take a look at this record. Over 13 seasons the Gentlemen have won 24 games, lost 17 and tied five in competition with teams from that loop. Baylor, the team that licked Centenary last Saturday, has been the Gent's particular cousin, winning only three games out of ten.

NOTRE DAME, Ind.—If Navy and Notre Dame make any serious mistakes in their game Saturday, their future opponents should be well informed about them. Bernie Bierman, whose Minnesota Gophers have a day off before meeting the Irish, is due to scout Notre Dame personally from a seat in the press box. Army will have six scouts on hand to watch both teams, two in the stands behind the goal posts and four in the press box.

FAYETTEVILLE, Ark.—A glance at Southwest Conference records seems to explain why Arkansas isn't making much headway in its effort to retain the football championship. Since 1915 no champion ever has repeated although Texas A. and M. won in 1917 and 1919 and there was no title awarded in the intervening year. The Aggies also lead the entire list with five championships. Arkansas won for the first time last year.

Wellington Fans Will Ride Train To McLean

McLEAN, Oct. 20 (Special)—The McLean Tigers, working behind locked gates, are preparing potent skyrockets here on Friday night at 8 o'clock. A special train carrying Wellington fans will steam into McLean to swell the crowd to an expected overflow of Tiger field.

Both teams will take the field undefeated with McLean having an advantage on defense and Wellington on the offensive power, according to previous games.

The Tigers received a few injuries in the Memphis game but all seem to be improving fast and will all be able to start against the skyrockets excepting Ray Humphries, star fullback, who will not be able to start the game due to an injury received two weeks ago and rehurt Friday at Memphis. He will probably see service before the game is over.

The Tigers will spend most of the week on their plays. They have not used over 10 plays in any ball game, but will use probably 2 or 3 times that many this week.

Fleet Skyrocket Backs
R. V. Estes and Don Austin, have caused much comment around the country due to their speed versatility. These are two of the fastest backs in high school football and Coach Allen of the Tigers will have to spend much time on a defense for these Wellington boys.

The Tigers rely on power, featuring the Double wing back formation and using a few single wing and punt formation plays. The Tigers will average 164 pounds, the largest team McLean has ever had. In the four games played, the Tigers have allowed their opponents only 1 first down on running plays. However the Tigers have only scored 93 points to opponents 18, they have used 30 players in doing this and 23 of the boys will return for the 1938 team.

The district standing to date follows:

Last Week's Results
Wellington 47, Paducah 0.
McLean 21, Memphis 6.
Shamrock 43, Mobeetie 6.
Lakewood 18, Wheeler 12.
LeFors 47, Clarendon 0.

| Season Standing | | | | |
|-----------------|----|----|----|----|
| | G. | W. | L. | T. |
| Wellington | 5 | 5 | 0 | 0 |
| Shamrock | 4 | 4 | 0 | 0 |
| McLean | 3 | 3 | 0 | 0 |

Sport Sparks

By FELIX R. McKNIGHT.
DALLAS, Oct. 20 (AP)—Quick kicks from the Southwest grid fronts: Add insult-to-injury department: The Texas Aggies used one of Coach Leo Meyer's own-pet plays to get that trying touchdown against his Horned Frogs in their mud battle...

As if that wasn't enough, the lad who curled his wet hands around that touchdown pass was Herb Smith, a youngster they shoed away from T. C. U. two years ago because he was too small.

The homefolk are taking tickets on Texas Christian against Fordham at New York Saturday... Figure little Davey O'Brien's sniping will be too much for a team accustomed to booting heads in power play... Southern Methodist pushed the Fordhams all over the lot with an overhead game last season...

Coach Ray Morrison's Vandy Commodores look no pity on his son, Jack, S. M. U. pass expert, in their game last week-end... They roughed him plenty—but he took it and gave his dad spasms with one brief passing flurry.

Hats off to the Hardin-Simmons cowboys... They're undefeated and unscored on in four starts... Dynamo of this potent attack is Ed Cherry, the big fullback who has scored 42 points and averaged better than 10 yards on his gallops... The Cowboys haven't been licked since Texas A. and M. took them 12 games ago, 3-0... Thirty points a game is their average.

Notes on the Baylor-Aggie top-notch billed for Saturday at College Station: Ticket sales indicate a crowd of 20,000, quite a gathering for a place 90 miles from the nearest metropolitan city, Houston... Dick Todd, who limped out of the T. C. U. game, will be ready... The remainder of the Aggies are in playing condition... So are the Baylor...

PRINGE ALBERT THE NATIONAL JOY SMOKE

Pewees, McLean To Play Today

Coach W. E. Leggett and his Junior High Pee Wees will swing into action at 3 o'clock this afternoon against the McLean youngsters. The game will be played at Harvesters field.

The little fellows played sparkling ball against Panhandle and LeFors. They block, run interference and tackle like little giants. The youngsters use Harvesters plays with precision.

Fans are invited to see the future Harvesters in action.

One of the seven kings of Rome was an ex-slave. Servius Tullius, who ruled at 578 B. C.

Archbishop Usher's chronology puts the date of the creation of the world at 4004 B. C.

Nebraska Player Doesn't Remember Playing in Game

LINCOLN, Neb., Oct. 20 (AP)—Eldon McClravy, University of Nebraska football player injured critically in the game with Minnesota last Oct. 2, is a youth that has to be shown. Suffering from a temporary lapse of memory, he told Major "Biff" Jones, Husker coach, he didn't remember playing in the Minnesota game. But he was convinced when Jones produced a picture showing him tacking a Gopher ball-carrier.

The first Nobel peace prize winners were Henri Dunant, Swiss, and Frederic Passy, French, in 1901.

The most distant planet is Neptune, calculated to be between 2,500 and 3,000 millions of miles from Earth.

OIL ACTIVITY SLACKENS IN ALL BRANCHES

By ALFRED WALL.

TULSA, Oct. 20 (AP)—A slackening of activity in all departments of the petroleum industry with the approach of colder weather was apparent today.

Most executives, already setting their sights for 1938 business, considered the tenor of present business entirely in keeping with the season, and in general, better than a year ago.

An increase during the past week of 23,100 barrels daily in the national output of crude oil, bringing the output to 3,692,150 daily, according to the American Petroleum Institute, was construed today as a clinching argument for lower state allowances for November.

Predictions were for lower nominations at the Texas allowable meeting today and more of the same at the Kansas and Oklahoma meetings Oct. 27 and Oct. 28, respectively. Mid-continent crude oil producers were heartened by the apparent ability of the market to absorb the effects of two crude price cuts in Pennsylvania within about a month.

If hopes for a crude price advance had been banished in trade circles, so, too, was talk of a crude price cut. Although demand was good, considering the season, motor fuels were slipping under the influence of a reduction by Standard of New Jersey of a quarter of a cent in the tank car price of U. S. motor fuel at all refineries and terminals.

Field work sped right along, new wells chalking up pools and extensions of pools in all active drilling sections. The Oil and Gas Journal's computation showed 646 completions in the past week, 15 more than the week before and the year's total had advanced to 24,839 as against 20,533 the same time in 1936.

CONSTITUTIONALITY OF FARM BILL QUESTIONED

WASHINGTON, Oct. 20 (AP)—Tucked away in the administration's proposed new farm program is a constitutional question that may arouse considerable debate in next month's special session of Congress.

Secretary Wallace has said that some of the features of the "ever-normal granary" system he is advocating were picked up from the old "triple-A" law invalidated by the Supreme Court early in 1936. The granary system provides for storing surplus crops for use in lean years.

In the AAA decision, the court majority said growing of crops was a local matter outside the bounds of federal action, disapproved of federal benefit payments to farmers and ruled supporting taxes illegal.

Action on a crop control bill will be Congress' first item of business. Chairman Jones (D., Texas) of the House agriculture committee, said last night at Amarillo that he had called his committee to meet in Washington Oct. 27 to draft a bill. The 25 members of the committee have been conferring with farmers since the August adjournment of Congress.

Six Witnesses Testify in San Pertita Mystery

SAN PERLITA, Oct. 20 (AP)—Five more were to testify today in a secret court of inquiry into the disappearance of Luther and John Blanton. Six witnesses were heard yesterday before Justice of the Peace John Heath, who refused to give their names or the nature of their testimony because he wanted to "give all witnesses every protection possible."

At Raymondville, County Judge W. E. McCharen set Oct. 26 as the date for the trial of Morgan Miller, charged with carrying a pistol and impersonating an officer. Justice Heath filed the complaint. A similar complaint, previously filed, had been dismissed.

CIVIL SERVICE EXAMINATIONS ANNOUNCED

The United States Civil Service Commission has announced open competitive examinations as follows:

Associate refuge manager, \$3,200 a year; assistant refuge manager, \$2,600 a year; junior refuge manager, \$2,000 a year; Bureau of Biological Survey. Assistant in home economics information, \$2,600 a year, Bureau of Home Economics. Full information may be obtained from the commission.

AUTHOR OF WILL ROGERS BOOK VISITS FRANK EWING'S RANCH

The brother of a Pampa citizen was the best source in the Panhandle for material on the "Boys' Life of Will Rogers," which is being published this month by Thomas Y. Crowell company, New York.

From Frank Ewing of Higgins, brother of W. R. Ewing of Pampa, who is judge of the 31st district court, Harold Keith gathered much of the information contained in the book.

Back in 1897, 17-year-old Will Rogers ran away from Kemper Military school, Booneville, Mo., to Higgins, where he lived off and on for four years at the Perry Ewing ranch.

There he found Frank Ewing, about the same age as Will Rogers, and of the same disposition. They became close friends.

Keith spent several days at Higgins last summer writing down Mr. Ewing's story. The author was escorted over much of the ranch by Frank Ewing so Keith might get the background first hand.

The biography will contain one chapter about Will's life on the Ewing ranch, and another about Will's and Frank's participation in a cattle drive from Higgins to Medicine Lodge, Kas. in the spring of 1898.

Other Panhandle citizens who aided Mr. Keith in his work included Mrs. Light Knight of Plainview, whose husband owned an outfit Rogers joined for a short time. O. K. Gaylor, Secretary of the U. S. Civil Service Board of Examiners, at the post office or customhouse in this city.

time as a cowboy; Wesley Knorrp, Clarendon banker, who attended Scarritt college, Neosho, Mo., with Rogers in 1895 and 1896; and the mother of the late Billy Johnston, at Canadian. It was Billy Johnston who was at Kemper with Rogers in 1896-97 and advised him to go to the Ewing ranch on Little Robe creek near Higgins, when Johnston saw Rogers was tired of school and determined to run off somewhere.

Judge Ewing says he remembers Rogers being at the ranch, although his association with the boy who was to become world famous was slight, as the judge was away from home most of the time Rogers was at the ranch.

B&PW CLUB FILES SUIT AGAINST DALLAS FETE

DALLAS, Oct. 20 (AP)—The Corsicana Business and Professional Women's club was plaintiff in a suit on file here today in 116th district court against the Greater Texas and Pan-American Exposition and an agent of the exposition, Frank Youree.

The club asked \$564.40 damages in connection with a contract to sell 1,000 exposition coupon books. The petition set forth it was agreed that unsold books could be returned. The club sold 641 books at \$2.20 each and because, plaintiffs stated, they were not permitted to return the remainder, they were sold at 15 cents, netting \$53.85.

90TH DIVISION REUNION WILL BE IN TULSA

Members of the 90th (Texas-Oklahoma) Division association, will have a reunion this year in Tulsa on Nov. 5-6-7. It will be the 19th reunion of the association, which was formed in Berncastle, Germany, in 1919.

A local Legionnaire estimated that there are 100 Pampans who served in the famous division, originally composed of men from Texas and Oklahoma.

The 90th was organized as a unit of the national army in 1917. In the autumn of that year, great numbers of Texans and Oklahomans were transferred out of the division into other units.

They were replaced by men from Camp Dodge, Ia. These replacements came from Iowa, Minnesota, Indiana, Illinois, and other mid-western states.

There is a total of 50,000 men who at one time or another served in the 90th. It is estimated that more than half of these are still living, of whom 10,000 reside in Texas and 7,000 in Oklahoma.

At this year's reunion, both the men and their wives are to attend. This is the first time this has been done.

Major General Charles H. Martin, now governor of Oregon, who commanded the division in Germany, will be the guest of honor.

OUT OF TOUCH.—Congressman touring Europe probably heard of President Roosevelt's call for a special session before Senator Edwin C. Johnson, who was right in his home state.

Johnson didn't get the news because a blizzard cut communications while he was on an eight-day hunting trip.

The cost of operating the United States navy last year was \$518,652,222.

Flashes of LIFE

(By The Associated Press)

BOGGED.

BALTIMORE, Md.—Policeman Otto Leyhe went to the aid of nearly 20 trucks, mired in a street torn up for repairs.

Policeman Leyhe's car bogged down. So did Policeman Leyhe when he stepped from his car into mud up to his knees. A tow car came to help. It stuck.

Two other tow cars, maneuvering gingerly on the paving, rescued the fleet.

Policeman Leyhe scraped the mud from his trousers and put up detour signs.

NATURAL GET-TOGETHER.

WEST CHESTER, Pa.—Names made the news in a harmless automobile collision here.

One car's driver was Donald Dill, at the wheel of the other was James Pickle.

PEEVE.

PITTSBURGH, Pa.—Duquesne university co-eds ridiculed as "perfectly horrid" a suggestion that they share the expenses of dates.

Said Co-Ed Rita Kennedy: "My pet peeves are boys who flash a quarter and expect your eyes to glitter. None of us expect to be feted like Queen Marie or to be embarrassed by splitting the cost of a hamburger."

Retorted Gilbert Helwig, editor of the Duquesne monthly: "After corsages, etc., etc., we're lucky if we have the price of a hamburger."

INNOCENT BY-WALKER.

BROADWATER, Neb.—Mrs. Otto Payton, out strolling, got the worst of it when little Mary West fell out of a tree. Mary struck her and knocked her unconscious. Mrs. Payton went to bed to recover from shock and bruises, but Mary was unhurt.

Approximately 6,000,000 state hunting licenses are issued each year in the United States.

Group insurance in the United States last year was estimated to total \$1,303,000,000.
