

'Lost Horizon,' One Of Year's Best To Open Today

TIBET SCENE OF LA NORA'S FAMED FILM

"Lost Horizon," another of those really first-class movies which producers classify as "one of the greatest pictures of all time," will open at the LaNora theater today.

This movie, one believes, is not to be spoken of in the same breath with those pictures which Hollywood dubs colossal, gigantic and stupendous, because to apply those stupid adjectives to it would insult it. "Lost Horizon" has a cast including Ronald Coleman, Jane Wyatt, Everett Horton. The plot of the story is outlined in another paragraph in these columns.

At the Rex, Clark Gable, William Powell and Myrna Loy will form the all-star cast of "Manhattan Melodrama." "Lost Horizon" has a cast including Ronald Coleman, Jane Wyatt, Everett Horton. The plot of the story is outlined in another paragraph in these columns.

lurid tales which she takes as gospel.

'BIG SHOT' GAMBLER.

New York's smart night world moves before the camera in a glamorous and dramatic parade in "Manhattan Melodrama," new Metro-Goldwyn-Mayer three-star feature which opens today at the Rex theater.

Clark Gable, William Powell and Myrna Loy share starring honors. Besides marking Gable's return to the screen after his recent triumphant personal appearance tour in the east, the picture is noteworthy because it is Powell's first appearance as a Metro-Goldwyn-Mayer star, and because it marks the elevation to stardom of Miss Loy.

It is the first time Gable and Powell have appeared together. The picture brings about the reunion of Gable and Miss Loy, who were halted as a new romantic team in "Men in White" their recent hit.

"Manhattan Melodrama" presents Gable as a powerful and dramatic figure of the demi-world of New York, a "big-shot" gambler who does not hesitate to use violence when he is crossed. He is in love with Miss Loy, who is the wife of William Powell, district attorney and Gable's life-long friend.

The situations that arise out of this unusual combination of characters make a story that moves swiftly and dramatically to an unexpected conclusion.

WESTERN STUFF.

Heroes ordinarily don't have much of an opportunity to show their stuff in Western movies, historically speaking, but it seems Anne Nagel's part opposite Dick Foran in Warner Bros. action flicker, "The Devil's Saddle Legion," breaks the jinx.

According to Director Bobby Connelly, it's the best feminine part in a Western she's ever encountered. Before this she has been leading lady in more sophisticated types of dramas. "The Devil's Saddle Legion" comes to the Rex next Friday.

CROWN

SAMOAN ROMANCE.

George Piltz, who plays Tono in "Paradise Isle," a Monogram production, now playing at the Crown theater,

is a former member of the Far Eastern Olympics swimming team.

Piltz established two records that are still unbroken, the one-hundred meter free style and the backstroke hundred meter. His swimming dexterity came in handy for scenes in this Monogram picture. In several of the sequences, George, who plays a Samoan boy in love with Myrita, the star of the picture, is seen gliding through the water demonstrating true Olympic ability.

A graduate of the University of Hawaii and a native of Honolulu, Piltz was a member of a Hawaiian string orchestra before his entry into motion pictures. Recent films in which he has played outstanding parts include "Island of Fury," "White Woman," and "Filtration Walk."

Co-starring Warren Hull and Myrita, "Paradise Isle" is a beautiful love story with the South Seas as the background. Actual exteriors seen in the picture were made on the island of Tutuila, Samoa, by the associate producer, Mrs. Dorothy Reid.

STATE

FAVORITE RETURNS.

Miriam Hopkins and Joel McCrea, one of the most successful and popular romantic teams in films, come back to the State theater on Wednesday when "Women Chases Man," the riotous Samuel Goldwyn comedy, begins an engagement there.

"Women Chases Man" marks the fifth production in which the stars have appeared together. The earlier films were "The Richest Girl in the World," "Barbary Coast," "Splendor" and "These Three."

Charles Winninger, Erik Rhodes, Ella Logan, Leona Maricle and Broderick Crawford are also prominently featured.

This hilarious story casts Miriam in a real comedy role as a girl architect who chased a wealthy young man (McCrea) to the ends of the earth—to make him sign a contract to finance a model village and finally managed to get his name on the dotted line of both the contract and a marriage license.

HORSES! GUNS!

"Two Pistled Law," the new Columbia Tim McCoy that will open Saturday at the State theater, packs a powerful dramatic wallop. It sends

thrills flying with a punch, smash and bang! It is one of those rarin' westerns that stirs up a whirlwind of excitement. Tim outsmarts, outflights, outrides his enemies in a story that is the last word in fast, surprise action. Seeking revenge, he wins love and a fortune; prospecting for silver, he finds gold. Thundering Tim tops the word thrills in this one!

It is all about a young rancher, Tim Clark, who is cheated out of home and fortune by the crooked tactics of another rancher, Bob Russell. How Tim recovers both, and corners Russell to boot, covers a period of two years and is packed to the hilt with daredevilry and excitement. A delightful romance between Tim McCoy, as Tim Clark, and Alice Day, as Betty Owen, plays an important part in the plot development.

MACON CRASH DEPICTED.

Movie fans who go Friday to the opening of the Cosmopolitan comedy-drama, "The Go Getter," at the State theater, are warned by critics to be prepared for a shock right at the beginning of the picture.

The episode that introduces the star, George Brent, is a reproduction of the tragic crash of the U. S. dirigible, Macon, into the Pacific ocean a few years ago. Brent is a member of the crew as she goes down. He escapes with his life, but

loses a leg, and therefore has to quit the navy and get a job in civil life.

In this manner he meets up with Peter B. Kyne's famous old fiction character, Cappy Ricks, played by Charles Winninger, whom everyone remembers as the Cap'n Andy of "Show Boat" both on the stage and the screen.

Brent also meets Cappy's daughter, Margaret, who is played by the ethereal blond star, Anita Louise. The movie deals with the various

tests through which old Cappy puts Brent, before giving his consent to a courtship—and how Brent successfully emerges from them.

The term "baker's dozen" dates back to early English days when tradesmen, fearing anti-fraud laws, often gave 13 articles to a dozen.

All students at the U. S. naval academy are designated as midshipmen.

LEGION ENTERS GOTHAM WITH MANY WHOOPS

NEW YORK, Sept. 18 (AP)—The doughboys took possession of New York tonight.

The roar of reunion rose louder and louder over the normal quiet of riving machines and elevated trains as the troops of the American Legion moved in for their annual meeting.

Drums rolled, bugles shrilled, bells chimed and cannon boomed out notes that the army again was here after twenty years.

There were no quiet streets. Legionnaires were on all the streets.

There were Legionnaires arriving in automobiles and trains. There were Legionnaires coming in on boats. There were Legionnaires coming in airplanes. One man came on roller skates.

The invasion began early this week, but the tumult and the shouting did not rise until Detroit's "40 and 8" crashed in from the New Jersey meadows last night.

Follemeers were everywhere, in twos and threes and sometimes sixes, trying to bring order out of the confused traffic.

American flags, Legion banners and bunting of red, white and blue fluttered from the facades of stores and office buildings.

Before Sunday dawn, Legion officials estimated 50,000 visitors would be cramming hotels and lodging places for the convention which ends Thursday. Before the official opening with Sunday night's memorial concert they expected another 350,000.

Units for the big parade on Tuesday were arriving hourly tonight to supplement leaders already on hand for committee meetings. Heavy debate was underway about the successor to national commander Harry W. Colmery of Topeka, Kas. There were five candidates: Milo Warner, Toledo, Ohio; Daniel J. Doherty, Boston, Mass.; Lynn Stambaugh, Fargo, N. D.; Ray Kelly, Detroit, Mich.; and Stephen A. Chadwick, Seattle, Wash.

King Makes Debut

Doherty supporters were credited by Legion politicians with nearly 500 pledged votes. His candidacy was backed by the Legion's mythical "kingmakers," a group supposed to have elected two out of each three of the Legion's past commanders.

Kelly was claimed to have 400 votes lined up for the first ballot. He is supported by the "anti-kingmakers" faction.

Around these two men, Legionnaires admitted, the election would revolve.

New York and Pennsylvania delegations were receiving the most attention in hotel caucus rooms. Neither delegation, New York with 95 votes, and Pennsylvania with 75 votes, had been pledged.

Observers said that should those two states cast in with either Doherty or Kelly the election would be over on the first ballot.

STATE TO BUILD GRADE CROSSING IN BORGER

AUSTIN, Sept. 18 (AP)—Almost simultaneously with the public safety department's report 178 people were killed in highway crashes in August, the Highway Department announced a two-year grade crossing program designed to eliminate hazards.

T. H. Webb, assistant state highway engineer, said the following projects would be among those submitted to the U. S. Bureau of Public Roads for approval:

The 1938 grade crossing program includes:

Hutchinson county, highway 117, in Borger; reconstruction of grading, separation and approaches at A. T. & S. P. Railroad.

ing. Copious rains fell last year, bringing grass to scanty ranges.

A mild winter enabled raisers to carry through with light feeding. Grass and weeds started in the spring, and Texas thereupon had more fat cattle and sheep ready for early market than in many years.

In Dust Bowl Capital! Ranchers in the Dalhart Cattle Country, Fort Worth sources said, have cattle worth \$1,000,000 ready to ship to markets in the next 90 days.

Twenty countries in the San Angelo area, had perhaps 600,000 head of cattle in shape for this fall's market. The estimate on the value of the crop was \$15,000,000. Few animals have moved to market because buyers and growers have held back waiting for a general rain. The resurgence of the cattle industry in that region was reflected in the increase of herds by 40 per cent and 20 per cent in quality since 1934. Prices have kept

day, and School Superintendent R. B. Fisher, vice president of the Salvation Army advisory board, predicted that all city schools would go over the top by Monday night.

Other 100 per cent contributors to the fund Saturday included post office employes, the Pampa Daily News, and all departments of the Magnolia Petroleum Co.

The money raised in the drive will be used to finance Salvation Army activities here for the coming year.

The expression "All is lost save honor" was first used by Frances the First of France after a military defeat.

Week Brings New KPDN Programs

By KAY FEDIENNE

Several interesting bits of news for KPDN listeners were collected by the radio reporter over the weekend which include a couple of new programs now clicking with popular favor.

Many favorable comments are being received from listeners on the organ program that comes daily at 11 a. m. from the First Methodist church where Howard Huff entertains with his "Melodies of Yesterday and Today," and is ably assisted by Bill Karn in poetic readings.

From 4:30 to 5 p. m. this afternoon, and regularly at that time each Sunday, a vesper program will be broadcast from the First Christian church with music by the church choir and Mr. Housie at the organ.

An addition to KPDN's service this week brought another daily newscast with Tex De Weese, editor of the Pampa Daily News, at the microphone. Mr. De Weese now is on the air twice daily, except Sunday, at 10:30 a. m. and 6:45 p. m. Both newscasts are presented by Pampa Century the dealers. Still another popular entertainment program will be the three-times-a-week appearance of Ken Bennett, lyric tenor, who recently came to Pampa from Wichita, Kas., where he was a regular member of the artists' staff of KANS.

WBC outlet. Mr. Bennett, band director at Horace Mann school in Pampa, sings "Songs in a Modern Manner" over KPDN at 5:15 p. m. on Mondays, Wednesday and Fridays.

"News For Women Only," being aired daily over the Pampa station at 8:50 a. m. by Gilbert's Ladies Shop, is winning many women listeners because of the exceptionally fine manner in which it is handled by the women's newscaster, Betty Dunbar. Miss Dunbar is Gilbert's women's new and style reporter. Her fashion news is supplied by Trans-radio Press writers who cull their

authentic information and style news from the smartest fashion centers of the world. The program is truly one for the women.

That contest to pick a name for the entertainers on the Montgomery Ward Monday program ended Saturday with Miss Margaret Huff, 708 N. Gray-st., as the winner. Miss Huff submitted the title "Sons of the Saddle" for the string band, and the judges, Claude Motley, Sid Patterson, and Tex De Weese, decided that out of the hundreds of entries it was one which best fitted the players of cowboy and popular melodies. The entertainment is broadcast daily at 12:30 from the third floor display rooms of the Montgomery Ward store.

SPAIN, RUSSIA ATTACK FASCIST GOVERNMENTS

GENEVA, Sept. 18 (AP)—The League of Nations assembly headed tonight toward a bitter division on charges of German and Italian "invasion" in Spain's civil war.

The Spanish government premier, Dr. Juan Negrin, set the stage for an open airing of the controversy, He termed Premier Mussolini and

JAYCEES ELECT AND PICK MEETING PLACE

WICHITA FALLS, Tex., Sept. 17 (AP)—The Texas Junior Chamber of Commerce today elected D. L. Liggett of Fort Worth president, selected Port Arthur for its convention in 1938 and named Wichita Falls permanent headquarters site for state officers.

Executive vice-presidents named were: Henry D. Mason, Wichita Falls; Herbert E. Wren, Jr., Texarkana; Emmet Bauknight, Austin; Bob James, Houston, and E. F. Nowotny, New Braunfels.

Past president J. Byron Saunders of Tyler recommended an executive secretary, higher state dues and permanent headquarters for the organization.

There Italy and Germany, although not represented themselves, will keep in touch with delegates sympathetic to insurgent Generalissimo Francisco Franco. Government Spain is certain of Soviet backing.

Soviet foreign Commissar Maxim Litvinoff, whose government has accused Italy of "piracy" in the Mediterranean, announced intention to speak on the issue.

New York city's tax collections exceeded \$600,000,000 a year.

Star Hods Spotlight as Pampa Beats Childress 25-6

Unleashing a surprisingly powerful ground attack, considering the size of the team, the Pampa Harvesters opened the 1937 football season in Childress Friday with a 25 to 6 victory over the heavier and more experienced Bobcats. On Friday night the Harvesters will face a more stubborn foe in the City of the West in a game with the 11 veterans on Harvester turf.

There wasn't an outstanding star in the Harvester lineup, substitutes included. Injuries and boils gave reserves their chance and they came through nicely. When the opening whistle blew, J. P. Mathews was missing and in his place was Little Bill Stiles. Mathews was not even in uniform because of a siege of boils. Stiles did a good job of filling Mathews' position.

Dunaway Comes Through

On the fourth play of the game another reserve got his big chance when Pete Dunaway replaced little Don Smith who received a sprained ankle and twisted knee when he was swarmed after taking a punt. Dunaway made many long gains on spinner and sneak plays, one good for 30 yards and a touchdown. He scored another six points and intercepted two passes for an evening that was marred only by two fumbles.

Claude Heiskell, not a starter, got his big chance when he relieved Wear who injured a knee. Heiskell carried the ball for long gains and did some nice defensive work. It was little J. W. Graham, half pint captain and quarterback, however, who kept the boys in the game every minute. He called a heady game, played excellently on defense, and carried the ball on several occasions, once for a touchdown. Because of a hip injury, Graham was ordered to lead the interference and only carry the ball at intervals. Late in the game, however, he went to town with the ball under his arm.

A newcomer to Harvester ranks, Bobby Karr went the distance in the fullback slot. Although light for the position, he displayed power with ability to sidestep.

Reynolds and McMahan opened at ends with both playing strong defensive games. Coshov and Brown started at the tackle slots with Solomon, despite boils on his neck, relieving Brown for half the game. Nelson and Stiles held down the guard assignments with Harding at center the entire game.

Seven substitutes saw service with little weakening of the team. Blocking was better than expected. Of course there were many glaring weaknesses which will have to be corrected. This week coaches will work on these misuses which cropped up Friday night as well as on smoothening down offense, pass defense and kickoffs and try for point after touchdowns.

Childress presented a powerhouse in Andrews, huge fullback, and Cordell, small quarterback. They dealt the Harvesters most of their misery. Swafford stood out in line play along with the Williams brothers.

Four plays after the kickoff, to Childress, each team lost a valuable ball toter when Smith of the Harvesters and Hale of the Bobcats had to have to be blocked from making a tackle on Smith.

The Harvesters took over on their own 27-yard line and started a march that ended on the Bobcat goal line. Wear picked up 6 yards and the little J. W. Graham failed back and threw a spiral pass to Tony Reynolds good for 23 yards. Reynolds dropped the ball and recovered. Dunaway worked a pair of spinners for 14 yards and followed with a dash through the right side of his own line out to the end line and dashed and outdistanced three Childress tacklers for a 30-yard jaunt and a touchdown. Brown failed to get the ball in the line of scrimmage on the try for extra point.

Cordell Shows Speed

Cordell, stocky little Childress signal barker, stanced a one-man offensive for a few minutes before the defense was established. Then Heiskell, who had replaced Wear, reeled off 30 yards before Dunaway, who released Smith, added 18 passes and Karr followed with 8 passes before Dunaway fumbled. Childress recovered on the 21-yard line. Cordell and Andrews, big Bobcat back, pushed the Harvesters back with line thrusts until McMahan took a hand on a couple of nice tackles which enforced a punt. Dunaway had picked up 11 yards when the quarter ended.

The first Harvester punt was made after the second quarter opened with Graham striking the ball down the 9-yard line. Brown's attempt to punt out was blocked by Coshov and Reynolds, but E. Goodson recovered on the 2-foot line. Andrews tried the second punt and got it on to the 29-yard line where it was kicked.

Blocking Shows Up

Heiskell, Graham and Cordell picked off a pair of first downs behind nine blocking to put the ball on the 9-yard line from where Bob Karr stepped and sidestepped his way across the goal line standing up. This time Graham failed to add the extra point play.

Both teams tightened their offense after the second touchdown. McMahan and Solomon, who released Brown, stopped one Bobcat drive and Stiles and Nelson combined to kill another threat. Booth, giant Bobcat end, pulled a prize when he broke through and stole the ball from Graham's hand as the midline. Harvester attempted to pass. Booth broke through the green and gold line but Graham overhauled him.

Childress started to pay dirt but Dunaway took a hand in the proceedings and intercepted one of Andrews' passes on his 20 yard strike and returned it to the 34. A minute later, however, he fumbled and Swafford recovered, at the half.

Childress Goes 18

After the half, the Harvesters started a march but it was stopped by a clipping penalty after Graham had punted 20 yards on a nice end run, and he had to punt for the second and last time, the ball being kicked on the Childress 23-yard line.

Then the Bobcats showed their best ball of the night. Andrews and Cordell took turns carrying the ball with Andrews flipping a couple of short passes over the line. The first play was a 15-yard pass, Andrews to Booth, which put the ball on the Pampa 5-yard line. A penalty on the Harvesters back on the 21-yard strip from where Cordell inlined through for a touchdown. Andrews failed to get the ball over for the extra point.

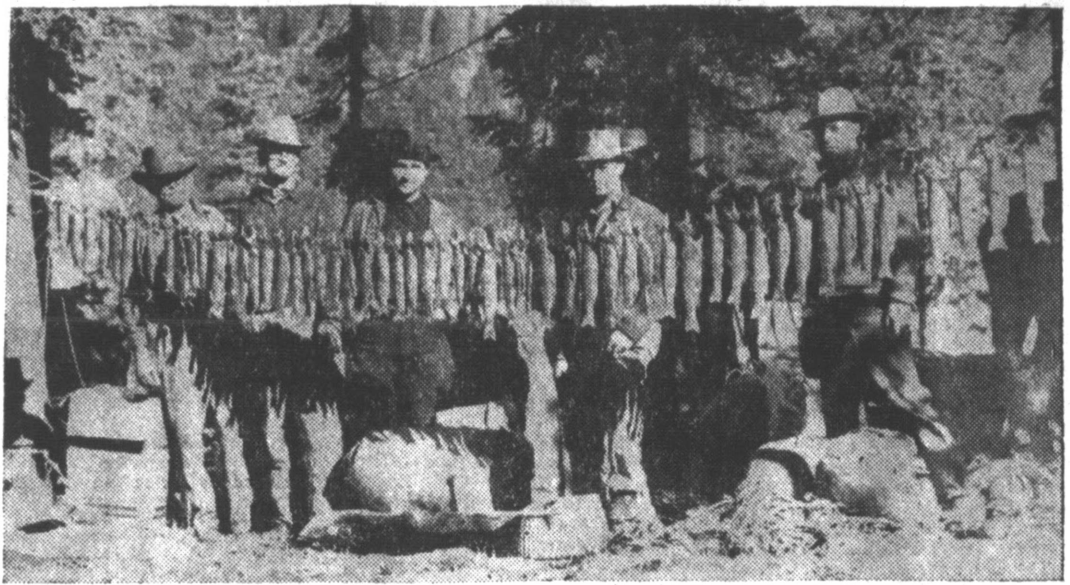

Pampa's Pete Dunaway was injured after the kickoff when he returned the ball 50 yards before big Booth caught him under the chin on a sweeping tackle after he had failed to connect with a shoulder block. Dunaway, however, returned later in the game, Kidwell taking his place. Heiskell and Graham reeled off 14 yards each and these Graham passed 20 yards to McMahan at the end of the

Pampa Fishermen Illustrate Story

Here is evidence that Pampa fishermen really catch some fish when they go on those angling expeditions into regions where the mountain trout play. This photograph was snapped by Mayor W.

A. Bratton recently from Flint Lake in the mountains of Colorado. Left to right: the party's guide, Frank Culberson, Clarence Kennedy, Claude Motley, all of Pampa, and Carl Benefiel, former Pampa, now of Enid, Okla. And in the front row are three-score trout to prove that the men really are fishermen.

FRANK BUCK URGES INDIA'S CHUKARS FOR WESTERN TEXAS

All District 1 Clubs But Two Win Grid Tilts

District 1 high school football teams had an advantage, a slight one in the win column following opening games Friday night and Saturday afternoon. The count was three victories against two defeats with the Pampa Harvesters, Lubbock Westerners and Amarillo Sandels turning in the victories.

The Harvesters showed up well in disposing of the Childress Bobcats, 25 to 6. Lubbock became the district favorite with an impressive victory over Cisco, 40 to 0. Although Cisco has a weaker team than usual, that kind of a victory over any Cisco team Westerners and Amarillo Sandels had little trouble walking over a highly-touted Clovis team, 19 to 7. Borger's Bulldogs, much weaker than predicted, lost to Electric, 12 to 7. Plainview's Bulldogs, doped the darkness of the district, dropped to Quannah, 27 to 0.

M'LEAN AND PANHANDLE BATTLE TO 6 TO 6 TIE

M'Lean, Sept. 18 (Special)—Despite a slipper field, the M'Lean Tigers and Panhandle Panthers staged one of their typical nip-and-tuck battles last night in Panhandle with the final score tied at 6-6.

M'Lean had a wide advantage in play registering 14 first downs to six for the Panthers and gaining a total of 218 yards to 83 for Panhandle.

D. Howe, halfpint Panhandle quarterback, slipped through for a touchdown in the second quarter. Watson evened the count for M'Lean in the third stanza after Bogan had made two long runs behind nice interference to place the ball in scoring position.

Rain before the game made the field slippery, stopping passing and harrying boys on end runs.

N. Sparks, Panhandle powerhouse brother of Connie Sparks, was not in the lineup because of injuries. Trotter Adams, little half, was a newcomer and one of the outstanding players of the game along with O'Keefe.

Humphries stopped a late Panhandle rally by intercepting a pass. Bogan and Watson also played stellar defensive games for M'Lean.

Population trends indicate that in 1960 there will be 14,274,000 persons in the United States over 65 years of age.

SANDIES BEAT CLOVIS EASILY

AMARILLO, Sept. 18—A little full-back named Thompson personally took charge of the Clovis Wildcats here this afternoon scoring three touchdowns as the Sandies easily downed the New Mexicans 19 to 7 in a game played under burning skies.

Despite the terrific heat, the first half of the game was played in 48 minutes. The last half dragged considerably as the heat affected the boys.

Thompson opened the scoring in the first quarter when he raced 36 yards to put the ball in scoring position before being run out of bounds. He carried it over two plays later. Thompson scored again near the half when he skirted end for five yards. He was stopped three times but squirmed loose. Thompson's other counter came in the third period when he side-stepped tacklers to score.

The lone Clovis touchdown came in the final period when Leland McIntyre, formerly of Shamrock, blocked an Amarillo punt and Kelley fell on the ball behind the goal line.

Amarillo took advantage of numerous breaks while Clovis was unable to capitalize on Sandie blunders.

Both teams looked ragged under the burning sun. They showed great possibilities, however. In Thompson, Amarillo has a real threat. McIntyre was Clovis' best man.

3 Championships To Be at Stake Thursday Night

NEW YORK, Sept. 18 (AP)—The next thing to a pugilistic "world war" since the Gay Nineties will be put on Thursday night at the polo grounds. Promoter Mike Jacobs will produce his "carnival of champions" as the climax event of the outdoor boxing season in New York.

Three world championships will be at stake on the same evening for the first time in fistic history. New Orleans furnished the nearest parallel, in 1892, when on successive nights Jack McCalliffe knocked out Billy Myer in defense of the lightweight title, and Jim Corbett knocked out John L. Sullivan in the first go-round for the heavyweight championship.

Two survivors of that famous carnival, Skelly and McAuliffe, will be ring-side guests at next week's all-star show to see Sixto Escobar, Lou Ambers and Barney Ross, respective holders of the world bantamweight, lightweight and welterweight crowns, meet the challenges of Harry Jeffra of Puerto Rico, and Ceferino Garcia of the Philippines.

A fourth major attraction involves Marcel Tihl of France, holder of the European middleweight crown and claimant of the world title, versus Fred Apostoli of San Francisco. By official edict, however, this has been stripped of title significance. The recognized world 160-pound titleholder in this country is Freddie Steele of Tacoma, Wash. All four bouts will be over the championship distance of 15 rounds, and are expected to draw a crowd of 50,000 and attract gross gate receipts of \$250,000.

The eight principals have been guaranteed close to \$200,000.

FREE RIDES FOR KIDS ON CITY LAKE OFFERED

Pampa kids will have a new thrill this afternoon if they are at city lake at Recreational park between 2 and 5 o'clock this afternoon. Between those hours they will be taken motor boat riding free of charge.

Sam Thomas and Fred Moss, two enthusiasts, are leading a move to take the lake for free rides. They will have eight or 10 boats on hand for pleasure rides.

While the pleasure rides are in progress, speed boats will be kept off the lake.

Rainey Certain He Can 'Get' Buck Lipscomb

RESURRECTION ON AT AUSTIN; TEXAS CALLED TEAM TO BEAT

By FELIX R. McKNIGHT

AUSTIN, Sept. 18 (AP)—Football's resurrection is on at the University of Texas—new faces, new methods and new spirit welded into the revival of a Longhorn six times buried in 1936.

Tag Texas, winner of only two games last year, as the team to beat in the southwest conference and you can't be far wrong.

Talent clutters the practice field and there to direct it is a coaching staff unaccustomed to losing football games—Dana G. Bible, head coach, Elmer Cherry, backfield coach, and Bully Gilstrap, line coach.

"Give us speed in the line and we'll do very well," said Bible. "Our backs are far above the average of any team in the country. But those linemen must hurry up on the offense. Their defensive play is excellent—but you know we must score also."

Eible has seven halfbacks as slick as his own bald pate. Three of them operate from the left half, or tailback position.

Two sophomores are likely starters in the Steer backfield and opposing coaches have to think of them being around for three seasons. B. F. (Beefus) Bryan and Charlie Haas, a couple of fleet youngsters who do everything have veteran Jud Atchison, senior ten-second man, worried over the left half position.

Haas' great kicking foot may win him the spot, but Bible likes to rate all three on a par.

Certain of a starting position is Lewis (Bullet) Gray, John Tarleton Junior College product who is 185 pounds of the smoothest fullback the Longhorns have owned in many seasons. To add to his running and defensive ability, Gray also is a sharp-shooting passer.

Long before these soph upstarts became varsity eligibles the Steer backfield boasted one of the nation's truly fine, big runners, Hugh Wolfe, now in his senior year. The burly fullback of last year, who drove thru the Minnesota Gopher powerhouse last year almost when he pleased, had been shifted to right half and may call signals.

Temporarily injured but expected to be ready for the opening game against Texas Tech on Sept. 25 is Henry Mittermayer, another steady veteran who will share signal calling chores with Wolfe. Other backfielders due for heavy duty are Clyde Prestwood, 215-pound soph fullback; Bill Forney, veteran reserve quarterback of last year; Wesley Boyer, Ray Howard and David Kaine.

Long on the end is John Peterson, junior. The other ends open with Joe Roach, 20-pound squadman, a trifle ahead of Lewis Ford, 205-pound soph, and Ned McDonald, husky squadman.

Tackles will be manned from a veteran quartet of Ray Keeling, Nick Frankovic, Will Tullos and Bernie Eunas, Coach Bible has indicated.

Experienced are the guards, but again Bible could use speed in these spots. J. T. King, Howard Terry and Charles Naiser, all lettermen, have Jack Rhodes and Larry Rupel, sophomores, as their opposites.

Rugged Glenn Christie, 210-pound former Corpus Christi star, looks like the center but squadman Roy Baines, James Watson, Leon Upshaw, Dick Kent and Bob Hartenberg are scrapping for a post left open by graduation of Clint Small.

He's Popular

The capable looking gent pictured above is Bob Cummings, wrestler de luxe, who will meet Bill Cazzell of Amarillo in the semi-final of Cliff Chambers' wrestling card here tomorrow night. The card will be headed by Don Rainey and Buck Lipscomb.

ALANREED WINS OVER SAMNORWOOD 7 TO 0

McLEAN, Sept. 18—McLean football fans thoroughly enjoyed the game between Alanreed and Samnorwood Thursday night on Tiger field in McLean, won by Alanreed, 7 to 0.

The first quarter was decidedly in favor of Samnorwood who threatened but failed to score, despite several nice runs and a pass or two. The second quarter found Alanreed relieving to their colors of purple and white and with the aid of a 40 yard pass from Darnell to Buddy Hill and several short runs Chester Darnell went over for a touchdown and Reeves kicked for extra point. This was the only touchdown of the game.

The second half was divided. Alanreed playing the better game in the third quarter and Samnorwood coming back with some nice passes from Sanders to Simpson, but the scoring punch wasn't there and the game ended with Samnorwood near the goal line trying to pass or run across, but without success.

REDBIRDS TAKE FIFTH GAME IN PLAYOFF SERIES

MINNEAPOLIS, Sept. 18 (AP)—The champion Columbus Red Birds need only one more victory to clinch their playoff series with the Minneapolis Millers as they captured the fifth game here today, 5-0, behind the two-hit pitching of Max Macon, slender left-hander.

Columbus . . . 022 000 100-5 10 1
Minneapolis . . . 000 000 000-0 2 2
Macon and Crouch; Wagner, Baker (3) and Peacock.

Another night of horror is in store for wrestling fans Monday night when Buck Lipscomb returns for another battle, his last unless he changes his tactics somewhat. Lipscomb's opponent will be Don Rainey from Lake Worth, Fla.

Lipscomb has been warned for the last time by the wrestling commissioner for his assaults on officials and spectators. Rainey, however, doesn't mind the Lipscomb kind of grappling. He says he has met the roughneck type of wrestler in the past and tamed them one way or another.

Although Rainey stayed well within the rules last week when he gave a wonderful exhibition of grappling in a draw match with Bob Cummings, he can get rough and tough, he admits.

A lightning fast, clean semi-final is in store for fans with Bob Cummings meeting Bill Cazzell. Cummings made a real hit with fans last week when he held Rainey to a draw. Cazzell has been a favorite since his first return appearance a few weeks ago.

Opening the card at 8:30 o'clock at the Pampa Athletic arena will be John Nemanic, bad boy of the mat, and Able Freeman who made a hit with Pampa fans last week when he stood toe to toe with Mr. Lipscomb.

Shamrock Beats LeFors 12 to 7

A fighting band of LeFors Pirates came out of a first half stupor to give the Shamrock Irishmen a real ball game Friday night in LeFors. The Irishmen took advantage of the Tiger fright to whip across a pair of touchdowns while holding LeFors to one in the last half for a 12 to 7 victory.

The boys of Coach Francis Smith, led by a little back named Caruth, showed that they will be heard from this season. Brothers and Stubblefield were the Shamrock powerhouses.

Caruth scored for LeFors in the third quarter following a march down the field in which he was assisted by Jackson and Walk. Ellington and Williams played bang-up defensive games.

LeFors will entertain the Canyon Eagles on Friday night. The game was scheduled yesterday on an open date.

TEXAS TECH DEFEATS ARIZONA STATE 6-0

LUBBOCK, Sept. 18 (AP)—A blocked punt, a recovery and a 30-yard dash across the pay line was the difference between a 6 to 0 victory and a scoreless tie for Texas Tech's Red Raiders in their season debut with Arizona State of Flagstaff here this afternoon before 4,300 sizzling fans.

Otherwise, in a slow game during which the Arizonans had to take frequent times out to catch their breaths, the Techs found themselves battling away at a stubborn opposition that would "give" in midfield but suddenly tighten in deep water. Outplayed and outgained in every department, the Lumberjacks nevertheless proved too big a hurdle for straightforward touchdown plans, to the considerable surprise of the Red Raiders and their followers who had anticipated an easier time.

11 Oil, 3 Gas Wells Completed In Panhandle Area

HUTCHINSON AND GRAY TIE WITH 5 EACH

The Panhandle oilfield registered 11 completions for oil and three for gas during the past week. The 11 wells added 5,441 barrels of oil to the potential. The gas wells were good for a total open flow of 113,218,000 cubic feet.

Drilling activity remained at unusual high with 21 additional locations being staked. Gray county led the way with five, followed by Hutchinson with five. Moore and Carson with three each and Hartley with one.

Gray and Hutchinson counties tied in completions with five each. Gray county, however, registered the greater production with 2,535 barrels to Hutchinson's 2,254 barrels. The other well was in Carson county.

South central Gray county will get another oil test with announcement of the S. L. Ball Drilling company that they would drill for oil on a narrow strip of land owned by S. L. Ball. The particular piece of land is between section 4, block H, W. H. Walker's survey and section 16, block 2, C. O. S. P. survey, known as survey 28, block 6, S. E. 12655, and located about five miles northwest of Abilene.

The new location was staked a mile northwest of where the Purple Sage Oil company drilled a test several years ago. Oil was discovered but was not believed to be in paying quantity and the hole was plugged. Cities Service Oil company led in new activity with five locations, four in Gray and one in Carson county.

Completions by counties: Gray County, King Oil company, C-2, section 18, block 2, I&GN survey, gauged 431 barrels. Lime pay was from 2,247 to 3,288 feet.

Southern Petroleum company No. 8 Vaughn, section 13, block 3, I&GN survey, was gauged at 491 barrels with pay from 3,214 to 3,330 feet in lime.

Dawson & Tharp No. 4 Short, section 15, block 5, J. C. Short survey, tested 647 barrels from lime pay between 3,040 and 3,113 feet.

King Oil company No. 5 Allam, section 17, block 3, I&GN survey, was given a potential of 335 barrels. Lime pay was from 3,192 to 3,780 feet and followed by a shot of 420 quarts of nitroglycerine placed from 3,192 to 3,285 feet.

Kewanee Oil Co. No. 5 McKinney, section 17, block 3, I&GN survey, gauged 631 barrels. Lime pay was from 3,187 to 3,283 feet.

Hutchinson County, Phillips Petroleum company No. 1 Cary, section 26, block M-23, TCRR survey, tested 222 barrels with the lime pay from 3,212 to 3,245 feet. The H&C survey gauged 780 barrels. Pay was from 2,775 to 2,835 feet in lime.

Carson County, Shelly Oil company No. 87 Schafer ranch, section 187, block 3, I&GN survey, tested 197 barrels with the lime pay from 3,080 to 3,121 feet.

Gas wells given potentials were: Carson County, Texoma Natural Gas company No. 5-S Schafer, section 198, block 3, I&GN survey, tested 80,525,000 cubic feet.

Hutchinson County, Shell Petroleum Corporation No. 1 Lucas, section 6, block M-16, TCRR survey, gauged 24,035,000 cubic feet.

Moore County, Shell Sinclair No. 1 Munson, section 1, block L, Anglin survey, was gauged at 8,558,000 cubic feet.

Gray County, Shelly Oil company No. 87 Schafer ranch, section 187, block 3, I&GN survey, tested 197 barrels with the lime pay from 3,080 to 3,121 feet.

Gas wells given potentials were: Carson County, Texoma Natural Gas company No. 5-S Schafer, section 198, block 3, I&GN survey, tested 80,525,000 cubic feet.

Hutchinson County, Shell Petroleum Corporation No. 1 Lucas, section 6, block M-16, TCRR survey, gauged 24,035,000 cubic feet.

Moore County, Shell Sinclair No. 1 Munson, section 1, block L, Anglin survey, was gauged at 8,558,000 cubic feet.

Gray County, Shelly Oil company No. 87 Schafer ranch, section 187, block 3, I&GN survey, tested 197 barrels with the lime pay from 3,080 to 3,121 feet.

Moore County, Shell Sinclair No. 1 Munson, section 1, block L, Anglin survey, was gauged at 8,558,000 cubic feet.

Gray County, Shelly Oil company No. 87 Schafer ranch, section 187, block 3, I&GN survey, tested 197 barrels with the lime pay from 3,080 to 3,121 feet.

Gas wells given potentials were: Carson County, Texoma Natural Gas company No. 5-S Schafer, section 198, block 3, I&GN survey, tested 80,525,000 cubic feet.

Hutchinson County, Shell Petroleum Corporation No. 1 Lucas, section 6, block M-16, TCRR survey, gauged 24,035,000 cubic feet.

Body-Strewn Street After Air Raid On International Settlement

In front of the famous Great World Amusement resort, war flyers left hundreds of these maimed, shell-torn bodies as the planes rained bombs on the International Settlement in Shanghai. At the city's busiest corner, Avenue Edward VII and Tibet Road, 582 bodies were removed from the streets. Rescue crews can be seen in the background loading the mangled, twisted forms into a truck. The Great World, just behind the gray stone columns at the top left, was left a shambles.

Railroad Commission Regulation Aided All Texans, Says Terrell

(The following statement is given out by C. V. Terrell, chairman of the Railroad Commission of Texas, picturing the vital effects of regulation upon lives of Texans and world economy.)

AUSTIN, Sept. 18.—The State and people of Texas have gained \$1,000,000,000 in the last few years due to the stabilization, regulation and orderly conduct of various enormous enterprises under supervision of the Railroad Commission of Texas, an economic accomplishment certainly without parallel in this State and probably unequalled in any other state or nation; a safe and sane program which has succeeded in making the six million people of Texas more contented, more secure and better protected, with economic effects touching the world.

The facts and figures carry a dramatic story, not before told in its entirety, but one simple to realize. By act of the Legislature, the Railroad Commission has the job of regulating all oil production in nearly 400 different fields, gas in 300 fields, 17,000 miles of railroads and their rates, 20,000 miles of bus and 60,000 miles of truck operations and the vital department of the Gas Utilities. This comprises the biggest of all jobs in the State governmental galaxy. Many kingdoms over the world have less governmental responsibility and work to perform than the Texas Railroad Commission.

75,000 Wells Operating Texas now has about 75,000 operating oil wells located on 2,330,000 acres of land, but had it not been for the diligent work of the Commission day and night for years so as to prevent overproduction and save the market, thereby conserving the oil, there would not be even one-fourth of this number. Because of this program of conservation, about 1,000,000 people, directly and indirectly, benefited in payrolls and purchasing power, and this purchasing power in turn helped merchants selling all commodities. Oil investments in Texas totaled at least \$500,000,000 due to proration and stabilization, for otherwise there would have been no investment. The stabilization of the other gigantic industries, all of which now operate profitably, meant another \$500,000,000 to Texas.

CONSUMER AFFECTED When the Texas Railroad Commission regulates the freight rate on commodities, the interests of every household in Texas is affected, for everyone is a consumer and the Commission has directed its efforts to help the consumer. Because of the stabilization of certain major industries by the Commission, all other industries became more normal, a development that has gone on steadily, but which has almost escaped notice, and whose elements, taken together, make an absorbing picture.

There are 15,657 miles of oil-gathering lines, representing an investment of \$500,000,000. Stabilization of oil yielded to the University of Texas and A. M. College \$25,000,000. It yielded to the Public School System about \$13,000,000. Daily production of oil in Texas is now 1,441,000 barrels daily, which is 40 per cent of the entire United States supply. The Commission has under its regulation 120 railroad companies,

WANDENBERG TRIES TO ANSWER FOR VOLLEY

BAY CITY, Mich., Sept. 18 (AP)—Senator Arthur H. Vandenberg (R-Mich.) here to address a Republican rally, replied in an interview tonight to some phases of President Roosevelt's Constitution Day speech, delivered last night.

Referring to the president's plea for a "layman's" constitution" instead of a "lawyer's contract," Senator Vandenberg said: "This administration's method of making lump sum appropriations available almost exclusively to presidential whims may satisfy the eternal verities of the constitution as interpreted by a lawyer, but it absolutely violates the spirit of the constitution because in net effect it delivers the purse to the president."

"He already has the sword, and when he has both the sword and the purse it simply isn't democracy." Of the president's assertion that it is required 20 years to amend the constitution and his example of the failure of the state to ratify the child labor amendment, Senator Vandenberg said the fault was in "craftsmanship, rather than mechanics."

"Many believe this amendment opens the door not only to regulation of children in industry, but of children in religion, children in education, and even children in the home," said Michigan's senior senator.

Miss Mary Adams is leaving today for Canyon where she will enroll in the speech department at West Texas State Teachers College. Miss Adams, who has been employed at the Daily News for the past five months, won the Samuel French acting award for 1936.

Miss Hazel Long has returned from a six weeks vacation spent in touring New Mexico and visiting in Lubbock and Dallas.

Joseph Hodge has gone to Albuquerque, N. M., where he enrolled in the University of New Mexico.

Miss Frances Hodre is spending the week-end in Pampa.

A. W. Nichols is closing his business dealings in Oklahoma City before moving to Pampa, where he will make his home.

J. M. McDonald and L. T. Hill of Oklahoma City have been transacting business here in the interest of the L. T. Hill Company. Mr. Hill has already returned to his home, but Mr. McDonald will remain in Pampa until Tuesday.

Walter E. Rogers, formerly associated with John F. Sturgeon in the practice of law here, Saturday announced the opening of his own office located on the fourth floor of the Comps-Worley building. Mr. Rogers, a graduate of Texas University, has been practicing law here since 1935.

Edward Bissett, Jr., and Max Kirby left Friday for Fort Worth where they were to attend the Casa Mana before going to College Station where they will enroll at Texas A. & M. college.

30 soldiers were slain plus 400 Kingbirds have returned from a vacation trip to California, Utah and Nevada. They were accompanied home by Mr. Cooper's sister, Miss Alice Cooper, who will visit with them.

Mrs. Harry E. Hoare, Mrs. Louis Behrends, Mrs. Omond Behrends and their guest, Mrs. Roscoe Digger and Mrs. W. A. Decker of Bristol, Col., spent Friday in Amarillo.

Mr. and Mrs. W. C. Blackburn are the parents of a daughter, born Saturday at Worley hospital.

The area of the Canal Zone, including land and water, is 552.8 square miles.

Approximately 110,000 American soldiers and sailors died in the World war.

HOUSTON COPS TAKE PICTURES OF ACCIDENTS

DALLAS, Sept. 18 (AP)—While amateur candid-camera devotees are lying on the floor, bending over backwards and otherwise contorting themselves to get unusual shots on their photographic subjects, police and deputy sheriffs in four Texas cities are putting their picture talents to more practical use.

The current fever for taking pictures seems to have hit hardest in the Houston police department, which has organized a crash squad to exaggerate the unusual shots on their photographic subjects, police and deputy sheriffs in four Texas cities are putting their picture talents to more practical use.

Members of the squad, when they reach the scene of a bad crash, whip out their cameras and snap shots from all angles. The indelible evidence of the films helps determine who was to blame and puts a halter on court witnesses inclined to exaggerate or discount what actually happened.

To make a thorough job of it, the Houston police include a brake-testing apparatus in their equipment.

Dallas is not far behind in the use of police cameras. At every major accident a camera in the hands of a commercial photographer to snap the scene of a wreck, just in case a principal shows signs of disputing the obvious evidence.

Austin police and deputy sheriffs also use cameras in serious road crashes.

MRS. SHERMAN PRICHARD FUNERAL TO BE TODAY

Mrs. Sherman Prichard, 29, died yesterday afternoon in a local hospital. Brief funeral services will be conducted at 1 o'clock this afternoon in the chapel at Pampa Mortuary by the Rev. John Mullen, pastor of First Christian church.

The body will be sent to Hereford on the 2:09 p. m. Santa Fe passenger. Burial will be in Hereford Monday following services conducted by Rev. Mullen.

The Prichard's have resided in Pampa more than four years. Mr. Prichard is local American Railway Express agent.

Surviving Mrs. Prichard are her husband, a daughter, Alta Jane, and a son, James Parker. Other survivors are her father, M. R. Corbett of Hereford, a sister, Mrs. Earl Phillips, Hereford, and a brother, Paul Corbett Plainview.

WAGO POLICE COME TO AID OF DISTRESSED HEN

WAGO, Sept. 18 (AP)—Loud squawks from his hen house sent a Wagon to the telephone to call police. Patrolmen found trouble in the henhouse, but no thief. A chicken had caught her foot in a crack.

TWO-FLIER MAN GOES ON A BIG FENCE JAG COLORADO SPRINGS, (AP)— If it were still the day of open range feuds, authorities could understand it but now that cattle battles are history they can't decide why someone made 1,000 cuts in the N. L. Powers ranch fence. The wire-cutting entusiast tackled a three strand barbed wire fence and cut every strand between all the posts in a stretch of fence a mile long.

"RAIN, REDUCE LOAN" WRITES CANYON GIRL

CANYON, Sept. 18 (AP)—Rain is money in these parts. Recently a West Texas State Teacher's college student applied for a \$75 loan to help pay her expenses. Then it rained and she wrote: "If I can get a loan of \$18.75, I will not need the larger one." She got it.

ORDINANCE NO. 181. AN ORDINANCE prohibiting and regulating the solicitation of money and gifts for relief or for any other charitable purposes by any person or persons, institution or organization or so-called "tag day" solicitation requiring the registration of such solicitation without a permit, and providing penalties for the violation of this ordinance.

BE IT ORDAINED by the City of Pampa, Texas, that:

Section 1. It shall be unlawful for any person or persons, firm or association, to solicit or obtain alms or gifts in money or merchandise, directly or indirectly, by the misrepresentation of names, occupation, financial condition, physical condition, social condition or residence.

Section 2. It shall be unlawful to solicit or accept alms or gifts, in money or merchandise, directly or indirectly, for or in behalf of any person or charitable, patriotic, social or philanthropic organization; to promote or participate in any entertainment, benefit dance, fair or picnic or philanthropy; or to solicit or accept gifts of any nature or kind whatever, except by such organization on its own premises, or from members from such churches or religious organizations while acting under and in accordance with the authority of the proper church officials without first obtaining a permit to solicit funds in the City of Pampa, said permit to be issued by the city manager.

Section 3. No solicitation or contribution as provided herein shall be asked, demanded or received by any person, or the representatives of any person, firm, institution, organization or association, until the provisions herein are fully complied with and until permit therefor as herein provided, shall be issued by the city manager authorizing such solicitation in the City of Pampa. Nothing in this ordinance shall be deemed to grant a right to solicit or beg upon the streets or in public places in the City of Pampa, or operate a "tag day" without first securing from the city manager a permit specifically for the purpose after due application for same in the manner above prescribed has been made to the city manager and such application has been granted.

Section 12. Any person violating any of the provisions of this ordinance shall be guilty of a misdemeanor and upon conviction shall be subject to a penalty of not to exceed \$200 for each offense, and each sale solicitation, acceptance, receipt and/or obtaining of such alms, gifts, money, merchandise, or other property of value as herein prohibited and regulated which constitute.

Section 13. This ordinance shall be cumulative of all other ordinances of the City of Pampa, relative to the same subject matter where there is an irreconcilable conflict between this ordinance and any ordinance heretofore passed, then in that event the former ordinance shall be repealed to the extent of the conflict.

Passed and approved on first reading this August 23, 1937; and passed and approved on second reading August 30, 1937; and passed and approved on third and final reading September 6, 1937.

W. A. BRATTON, Mayor, City of Pampa.

ATTEST: W. M. CRAVEN, City Secretary. (Daly Sept. 9 to Sept. 19.)

Market Briefs

NEW YORK, Sept. 18 (AP)—Stocks tumbled through support levels in today's brief market, many crashing to new post-depression bottoms for losses of 1 to 4 points generally.

Few issues escaped the selling that at one time put the ticker tape a minute or so behind floor transactions.

Steels were notably weak, along with coppers, farm implements and specialties. Railroads showed some come-back near the close and utilities, on the whole, were only fractionally in arrears.

Opinion was mixed in the financial sector as to how much of the downturn was inspired by the President's Constitution Day speech.

It was pointed out by some, however, that the chief executive's remarks were hardly new or startling.

Most brokers thought the renewal of the downswing was due mainly to other influences, including business doubts, foreign war clouds and indications that post-war stockholders have been getting "out from under" during the past several months.

The Associated Press average of 60 stocks fell 1.5 points to 57.7, equalling the low mark for this index since April 29, last year. Transfers were 768,870 shares compared with 1,404,120 last Saturday which was the largest two-hour volume since March 6.

Helping to depress steels were dwindling backlogs for this industry and signs that mill operations are due for a recession soon if new orders do not appear.

CHICAGO GRAIN
Sept. 18 (AP)—The "squeeze" in September corn collapsed today, threats of a "corner" evaporated, and the price fell precipitously far as it could go in one session—3 cents a bushel.

The break came in the last 15 minutes when the price tumbled to \$1.04 1/2, exactly 12 cents below the high reached yesterday.

Breaking of the deadlock between owners of corn, or "corner" speculators, and the price fell precipitously far as it could go in one session—3 cents a bushel.

The break came in the last 15 minutes when the price tumbled to \$1.04 1/2, exactly 12 cents below the high reached yesterday.

Breaking of the deadlock between owners of corn, or "corner" speculators, and the price fell precipitously far as it could go in one session—3 cents a bushel.

NEW ORLEANS COTTON
Sept. 18 (AP)—Trading in cotton was limited to weekend evening up today and at the close prices were steady net 1 point higher to 3 lower.

Weather conditions were favorable and mostly dry except for the central Gulf region. The tropical storm off the Louisiana coast caused some anxiety and discouraged short selling while the continued war-like atmosphere in Europe kept investment buyers on the sidelines.

The weekly summary of the Texas crop by the Dallas News said dry, hot conditions speeded up the opening of new fields which may contribute to the top crop should early frosts hold off. Weevil reports were reported to be taking most new fruit but leaving the more mature bolls undamaged.

The first sale in October, 1938, was made on the big board here today at 9.23.

Oct closed at 8.83-84, Dec at 8.84-85, Jan at 8.89, March at 8.96, May at 9.06, July at 9.12 and Oct (1938) at 8.24 bid. Spots were steady and unchanged with middling at 8.85. Sales totalled 18,004 bales.

AMERICAN BATTLESHIP MENAGED BY SHELLS

SHANGHAI, Sept. 19 (Sunday)—(AP)—Japanese anti-aircraft shells, fired at Chinese bombers, endangered the United States flagship Augusta and other foreign warships on Shanghai's waterfront during repeated Chinese air raids last night and early today.

A shrapnel burst over the international settlement, bringing new terror to Americans and other foreigners. Four Chinese were killed and fourteen wounded.

One anti-aircraft shell pierced the French concession residence of F. B. Lynch, American adviser to the Chinese finance ministry, but failed to explode.

Lynch and his wife, asleep in an adjoining bedroom, escaped injury. The 42-millimeter projectile apparently came from the Japanese war fleet three miles away.

Casualties thus far were few in comparison to those during other raids.

Chinese combs started raging fires among foreign warehouses in the Yangtze district of the settlement.

The new outbreak started when four Chinese planes dropped bombs on Japanese positions in the Yangtze district and Japanese warships in the Whangpoo river.

Japanese anti-aircraft shells fell dangerously close to the Augusta, and shell fragments struck some of the foreign men of war.

JACK CULP TO BUILD HOUSE ON MARY ELLEN

Building permits amounting to \$5,600 were issued by City Inspector Sam Thomas last week, bringing the amount for the year to \$218,230.

Jack Culp took out a permit for \$3,000 for a residence on Mary Ellen street with A. P. Stark the contractor. A permit for \$1,500 was issued to Gen Garber for construction of a house in the West end addition, Oscar Langley, the contractor. Other permits were for repairs.

KILLED IN CRASH
COAHOMA, Sept. 18 (AP)—Donald Grisham, Westbrook oil field worker, was killed late today when his automobile overturned six miles east of Coahoma. His neck was broken. Witnesses said the machine rolled over five times, tumbling sidewise. Investigators believed the brakes had locked.

P-T-A SCHOOL OF INSTRUCTION TO BE CONDUCTED THURSDAY

Miss McCallister Honored by Group

Another in a series of pre-nuptial showers honoring Miss Clotilde McCallister, bride-elect of Fred Thompson, was given Friday afternoon and evening by Mmes. Joe Gordon, Mark Fahle, Jack Goldston, Roy Kay, Bob Klinger, Misses Lorene Nicholson, Minnie Olive Montgomery, and Johnnie Hodge in the home of Mrs. J. B. Massa.

A round-the-world motif was carried out in the gifts representing Italy, Japan, Russia, England, China, Scotland, Ireland, Germany, Philippines, Switzerland and Belgium which were presented to the honoree. Tall white tapers in silver holders and a miniature bride, standing on a mirrored base, surrounded with a lot of white carnations, chrysanthemums, and plumose fern, centered the table. Over the tiny bride's head, small silver bells were hanging from a white arch. Fall flowers decorated the rooms in which the gifts were displayed.

Miss Ernestine Holmes entertained the group with accordion and piano selections, and Misses Walden McCallister and Josephine Lane also played several piano numbers.

After the gifts were inspected, the guests visited the home in which the couple will live. Approximately 100 guests registered in the bride's book.

Fall Gardening Hints Given by Pampa Members

While many flowers can readily be grown from seed, there are others which it is desirable to propagate by means of cuttings or "slips." A named geranium or heliotrope, for instance, must be propagated by means of cuttings if the gardener wants to make sure of getting exactly the same flower in his new plants.

Often, among plants grown from the seed, such as petunias or verbenas, there may be a specimen of a color which particularly appeals to the grower. The only way he can be certain of reproducing it another season is to "slip" the plant. Some plants require much more time to grow from seeds than from cuttings. Privet, forsythia, many roses and a large number of flowering shrubs can be grown readily and quickly from cuttings. The same holds true for a good percentage of hardy perennials.

Cuttings of several woody plants, such as geraniums and verbenas, are made from new growths that have "ripened" sufficiently to be brittle, but which have not become hard.

The program in the afternoon will be the regular meeting of the Pampa Garden Club to which the public is cordially invited.

Horace Mann P-T-A To Give Ice Cream Supper on Tuesday

An ice cream supper to be sponsored by the Horace Mann Parent-Teachers association will be given Tuesday afternoon starting at 2:30 and continuing until 8:30.

The program which will be directed by Kenneth Bennett, Misses Seay and Addison, will include numbers by a string quartet composed of Mary Dean Wilkerson, Clarence Simmons, Russell Roff, and Martin May; readings by Gene Bruce, Charles Rignin, Jo Ann Nix; a tap dance by Wanda Shelton; and an accordion solo by Vada Lee Alden.

Proceeds received will be used in buying library equipment, more chairs, playground and other school equipment. Some of the funds will be used in the beautification program.

Teacher who Was Visitor Here Weds

Announcement has been made of the marriage of Miss Lucille Roundtree of Wichita Falls and Carter Devey of St. Paul, Minnesota, which was solemnized Thursday evening in the First Baptist church at Wichita Falls.

The bride wore her mother's princess wedding dress and a short veil. She attended high school and junior college in Wichita Falls where she has taught in the schools for the past eight years.

Miss Roundtree is the granddaughter of R. H. Joyce who has visited in Pampa several times. Both are well known here.

Garden Club to Sponsor Annual Fall Flower Show

Pampa Garden Club will sponsor the annual fall flower show at the Presbyterian church annex on Friday, Oct. 8. Exhibits may be brought as early as 8 a. m. the morning of the show, but they must be in the church by 11 a. m. as the public is invited to attend between 12 noon and 9:30 p. m.

Committees, serving for the flower show are as follows: Arrangements and exhibit: chairman, Mrs. W. H. McDonald; Mmes. L. L. Sone, H. C. Schofield, Sherman White, Frank Harris and Arthur Teed.

FIRST METHODIST CHURCH, 9:45 a. m. Sunday school

This hour in the adult assembly. S. H. Condon, director of adult work in the Northwest Texas conference, will be guest speaker. Mr. Condon, who is from Canyon, will also speak to the congregation at 11 o'clock.

Bertha Seitz and E. H. Hill To Be Married October 5

WHITE DEER, Sept. 16.—Mr. and Mrs. Joe Seitz announces the approaching marriage of his sister, Miss Bertha Mae Durnell, of White Deer, to E. H. Hill, of Amarillo, on October 5.

Miss Durnell is the daughter of the Rev. and Mrs. W. R. Durnell of Amarillo, Texas, but has made her home with Mr. and Mrs. Seitz for the past two years.

The Social CALENDAR

MONDAY. Woodrow Wilson Parent-Teacher association will give a shower at 2:30 for the school cafeteria.

TUESDAY. Methodist church members will attend a rally at McLean.

WEDNESDAY. Formal dance at the Country club, beginning at 8 o'clock.

THURSDAY. Rebekah lodge will meet in a regular session at 8 o'clock.

FRIDAY. Treble Clef club will meet at 2:30 in the city club rooms.

SATURDAY. Junior High P-T-A Discusses Aims of School This Year

Members of the executive board of the Junior High Parent-Teacher association met Thursday afternoon in Principal R. A. Selby's office with Mrs. Claude Lard, president, presiding.

Duties of the committee chairman for the coming year were outlined, and October 15 was set as the date for the school carnival.

FUR IN COATS, JACKETS, CAPES, AND IN DRESS AND COAT TRIMMING

Fur is an outstanding feature this year in coats, jackets, capes, and in dress and coat trimming. Fur colors on coats are much smaller than previously.

FLAPPER FANNY By Sylvia

Engagement Announced

Pictured above is Miss Virginia Jeffries whose engagement to Murray Body has been announced. Miss Jeffries, daughter of Mr. and Mrs. C. M. Jeffries, is a graduate of Stephens university, where she is a sorority sister of the Beta Phi Gamma sorority.

Pampa Couple To Be Married Soon

Mr. and Mrs. C. M. Jeffries announce the engagement of their daughter, Virginia, to Murray E. Body. The date of the wedding has not yet been set but it will be announced in the near future.

Miss Jeffries is a graduate of Pampa high school and Stephens college where she was a sorority sister of the Beta Phi Gamma sorority.

Mr. Body, who is the son of Mr. and Mrs. J. E. Body of Dallas, is a graduate of the University of Texas where he received his degree in geology and petroleum engineering. He is employed as district engineer for the Magnolia Petroleum Pipe Line company.

Both Miss Jeffries and Mr. Body are well known in the younger set here.

P. T. A. NEWS

The full meeting of the board of managers for Eighth District Parent-Teacher association has been called for Saturday morning, September 25, at ten o'clock at the Amarillo hotel in Amarillo.

Wheeler county school of instruction was held in Shamrock at the Methodist church on September 18. J. P. Short was in charge of the school with Mrs. J. M. Bruton of Magic City, president of the county council, presiding.

Pampa city council instruction school for officers is scheduled for September 25 in the high school auditorium at 1:30. Mrs. Roy Holt, president of the city council, will preside.

District Speaker E. J. Picketts was principal speaker at a recent entertainment given by the Panhandle Parent-Teacher group for old and new faculty members on the lawn of the high school.

Canadian Parent-Teacher association entertained faculty members of the Canadian school system on Monday, Sept. 13.

Unusual Styles Shown In Fall Fashion Parade

Local shop owners have sent out warnings that Indian Summer is quickly bursting into autumn and that a fall dress parade is already forming.

This fall fashions have gone gay and enchanting with a flair for the unusual. It is a season of exciting, dramatic, and colorful dresses, shoes, hats and accessories.

Fur is an outstanding feature this year in coats, jackets, capes, and in dress and coat trimming. Fur colors on coats are much smaller than previously.

LOCAL UNITS WILL DISCUSS HELPFUL TOPICS

The Pampa City Council of Parent-Teachers announces its annual school of instruction which will be conducted Thursday afternoon in the high school auditorium, beginning at 1:30 o'clock.

Each speaker will have a limited time in which to speak, and Mrs. Emmett Gee will be time keeper.

The program for the day includes the invocation, Mrs. T. F. Morton; group singing to be led by Superintendent R. E. Fisher; "The Place of the Superintendent, Principal, and Teacher in Parent-Teacher Work," by Miss Josephine Thomas, and a general discussion for conducting a local unit meeting will be given by A. L. Patrick.

Chairmen of the conference groups are Mmes. J. M. Turner, presidents and vice-presidents; S. G. Surrah, secretaries; Joe Shelton, treasurer; L. J. McCarty, membership; Cliff Vincent, LeFors, program; Mrs. Claude Lard and Mr. Eugene Mann, publicity; Mmes. L. L. McCall, room representatives; A. L. Bunge, goals; P. M. Culberson, summer round-up; Frank Shotwell, publications and model bookshelf demonstration; Mr. Aaron Meek, welfare; L. H. Anderson, hospitality, and T. R. Henry, study groups.

Each conference group will make a brief report to the whole group, and Mrs. C. T. Hunkapillar will speak to them on the "Goals of the National, State and District P. T. A."

MIND your MANNERS

Test your knowledge of correct social usage by answering the following questions, then checking against the authoritative answers below:

- 1. If grapefruit is being served for breakfast, where is the spoon for it placed?
- 2. How late may a meal be served and still be called breakfast?
- 3. Is a breakfast menu served after eleven o'clock more like that of a breakfast or luncheon?
- 4. Would formal invitations be used for a late breakfast party?
- 5. Might breakfast be served buffet style for a number of guests?
- 6. You are a hostess serving coffee at the breakfast table—

- (a) Put the cream and sugar in first?
- (b) Pour the coffee and then add cream and sugar?
- (c) Pour coffee and pass the cream and sugar?

- Answers
- 1. Either on table at extreme right or on plate with grapefruit.
 - 2. Until 12:30.
 - 3. Luncheon; although there are seldom more than four courses.
 - 4. No.
 - 5. Yes.
 - 6. Best "What Would You Do?" solution (a).

Room Mothers at Woodrow Wilson Appointed by P-T-A

At the last meeting of the Woodrow Wilson Parent-Teacher association the following room mothers were selected:

Miss Slater's room, Mmes. Owen Johnson and Ted White. Mrs. Lester, Mmes. W. A. Robinson and Don Blair.

Miss Egerton, Mmes. P. D. Hill and C. P. McNaughton. Miss Messenge, Mmes. R. L. Allison and C. E. Blakeley.

Mr. Ruckman, Mmes. J. H. Bruce and Shelby Canz. Mrs. Stover, Mmes. R. H. Thompson and Charles C. Clark. Miss Priest, Mmes. T. E. Darby and Harry Kelley.

Miss Barton, Mmes. S. M. Bain and Tom Eshard. Mrs. Klugh, Mmes. Wilson Fletcher and Tom Duval. Miss Sus Mackie, Mmes. L. E. Keck and L. A. Barber.

SEWING ROOMS WILL EXHIBIT AT AMARILLO

Gray county's three WPA sewing rooms will enter a joint exhibit at the Amarillo Tri-State Fair this week. It was announced Saturday night by Mrs. Buena Birchfield, supervisor.

Modern Menus

Some cooks insist that the addition of prepared pectin decreases the firmness and stiffens the consistency of their jams and jellies. But an equal number of good cooks insist that the guarantee of success that results from using pectin offsets any minor change in consistency or flavor.

Tomorrow's Debutantes Take Bows at Gay Society Gatherings

NEW YORK—Sweet, smiling little youngsters tag along to garden hose, charity fairs and horse parties in the wake of fashionably clad mamas and wealthy papas

Or, consider Mrs. H. G. Fell's demurely pretty offspring, Sarah Gibbs Fell (right). For a fashion conscious miss, look at Mrs. T. Partridge Will's little Eleanor

(left), caught in a serious pose right on mother's lap. Here is a Tyroleean peasant costume such as today's debutantes like.

CERTAIN ONES FEAR TO TALK OF MYSTERY

RAYMONDVILLE, Sept. 18 (AP)—The Balton case, Texas' non-stop mystery, is ten months old today—and still unsolved.

Cowboy Evangelist to Open Revival Here

The Rev. B. B. Crimm will conduct a three or four week's city-wide revival here, starting Monday, Sept. 27. The cowboy evangelist will direct the services both morning and evening in a tent which he brings with him.

PLAN COLLEGE BUILDING ERA

CANYON, Sept. 18 (AP)—A ten-year expansion program envisioned for West Texas State Teachers college by its authorities and the Texas Teachers College Board of Regents was revealed here today by John E. Hill of Amarillo, a member of the board, and Dr. J. A. Hill, president of the college.

The Capital Jigsaw

AUSTIN, Sept. 16 (AP)—A story of famous Capt. Bill McDonald of the Texas Rangers, now dead, is told by W. D. Hornaday, veteran newspaper man and director of publicity at the University of Texas.

OUT OF THE NIGHT

BY MARION WHITE

Copyright, 1937, NEA Service, Inc.

CHAPTER III

How long she knelt there on the cold ground beside Amy's body, Cilly did not know. She did not hear the innumerable cries and questions of her neighbors; she did not see the crowd of half-awakened men and women in all stages of midnight unrest. It seemed as if the world had suddenly begun to spin in a crazy, fast-motion kaleidoscope, and she would soon awaken to sanity.

Endless seconds passed into three short minutes, and a radio police car drove up to the door. Two officers stepped out. Half a dozen people in the crowd spoke at once, each eager to tell his own version of the accident. "She fell from the roof, officer. She felt herself going and screamed." "She didn't fall. She jumped. She screamed first, and then jumped. I saw it." "No, she didn't. She fell out of a window. I saw her."

The officers bent over the body. They looked at each other and nodded in solemn significance. The officer of the two lifted Cilly to her feet.

"Take this young lady inside, Halleran," he instructed his partner, "and phone the medical examiner. Dolan, too. I'll get a report out here."

Dolly Cilly walked into the house with Officer Halleran. The door of her apartment was still unlocked—still waiting for Amy who would never walk through it again.

"The girl was a relative of yours?" Halleran asked.

"No. Just a friend. We shared the apartment together."

Halleran hesitated. "I'm afraid," he said quietly, "that she's dead."

Cilly nodded.

"She couldn't have fallen all that distance and lived."

The officer looked about for a phone. "Mind if I use your phone?" he asked. "We'll have to get the medical examiner here before she can be moved."

Cilly indicated the phone on her desk.

"You'll want to notify her relatives," Halleran suggested. "Do you know where to reach them?"

Cilly remembered one. An aunt Harriet, in New Hampshire. Amy had never mentioned anyone else.

"There's only her aunt," Cilly told the officer. "Miss Harriet Kerr in Interlaken, N. H. Amy hadn't seen her in a long time. I suppose I could send a night letter."

Halleran nodded. "Guess there's nothing she could do tonight. She'll probably wire you instructions for the funeral."

Cilly wanted to phone Jim and tell him, but Jim lived in uptown Manhattan. It would take him an hour to get home. Perhaps she ought to tell Harry Hutchins, too, but she didn't feel equal to talking to him. He'd make a great deal of noise with his sympathy and probably not care a bit.

Soon another officer arrived. Halleran introduced him. "Sergeant Dolan, Miss piece. He'll handle everything." Halleran left them alone.

He'll handle everything. He'll ask me a million questions. Cilly thought and what will I tell him? She tried to organize her own thoughts about Amy's death—but it was all so unreal.

"The young lady was a relative of yours?" Sergeant Dolan asked. She'd already answered that, but of course he didn't know.

"No. A friend. We've been working together in the Cannon Building for about six months. Two months ago, Miss Kerr decided to share my apartment with me. It seems now as if I know very little about her."

"Do you know of any reason why she might have committed suicide?"

Cilly started. "No! Oh, no, she didn't commit suicide! Immediately she regretted speaking so definitely."

"Why do you say that?" Sergeant Dolan asked.

He'll ask me a million questions. Cilly thought, and what will I tell him? She tried to organize her own thoughts about Amy's death—but it was all so unreal.

Dolan asked. "What else could it be?"

Cilly dropped her eyes wearily. "Oh, I'm sure I don't know. But there was no reason in the world for Amy to—to do that."

Was there? After all, what did she know of Amy Kerr's life before a few months ago? Was there some shadow from the past that frightened her? Amy hadn't acted frightened or unhappy today, and surely not this evening.

Sergeant Dolan sensed her uncertainty.

"I've been all over the roof," he said. "There's no place in the front of the house where a person could accidentally fall over. In the rear, yes. A person could easily trip in the darkness back there where the ledge is low. But the body wouldn't fall in front of the house, right under your window. Tell me about this evening—did anything happen to disturb the young lady? Was she in good spirits?"

"I was never any happier, not since I have known her," Cilly stated. She was happy to meet Jim, she thought, but she didn't say it. "A friend of hers, Mr. Hutchins, and a friend of mine, Mr. Kerrigan, spent the evening with us. We played bridge, and Amy seemed to have a very good time. The boys left at 11:30. She did not add that Jim stayed about 15 minutes longer. Amy went up on the roof to air a dress that had come from the cleaner's smelling too much of benzine after they had gone."

Sergeant Dolan was making notes in a little black book.

"What did you say the names of these young men were?" he asked.

Cilly told him, giving the addresses of their hotels.

"What about money?" Dolan asked. "Did she have any financial problems. Was she employed?"

"She had a very nice position

ing for her. But she'd never be back to tell what happened up there in the darkness.

A terrible trembling seized Cilly. She began to cry. She reached into her pajama pocket for her handkerchief. She touched the piece of newspaper that had fallen from Amy's hand.

Curiously, she smoothed it out and examined it. A Utah newspaper clipping. Bluefields, Utah. What was Amy doing with that? It was part of the "town gossip" column. Mr. and Mrs. John Blair announce the birth of a son. . . . Miss Margaret Seldon spending the week in Denver. . . . Joe Barlow, hermit of Blue Peak, failed to appear in Bluefields for his semi-annual "staring up." A delegation from town discovered his shack in the mountains unoccupied, and it is feared that Joe wandered too far during one of last winter's blizzards and froze to death. . . .

Small town news events. What did it mean to Amy? How could the birth of the Blairs' son, or Margaret Seldon's vacation, or the disappearance of a hermit in Bluefields, Utah, concern Amy Kerr, of New York and New Hampshire?

Cilly crumpled the clipping and dropped it into a vase, turned toward the bedroom. Suddenly she stopped. . . .

In the stillness of the apartment she heard the dumbwaiter going slowly down the shaft. It passed the level of her kitchen. She started, at first. Queer time of night for people to be running the dumbwaiter. Or was it time so soon for the milkman?

But what did it matter? She was suddenly quite drowsy. She put out the light and went inside to bed.

Black Silent on Klan Charges

Associate Justice Hugo L. Black of the United States Supreme Court was in a contemplative mood as this picture was made during his European vacation, while in this country charges that he is a life member of the Ku Klux Klan were being published and former senatorial colleagues were demanding his resignation. Justice Black refused to comment on the charges, as did President Roosevelt, who recently appointed Black to the nation's highest bench.

Hitler Piles Honors On His Field Marshal

By NEA Service.
BERLIN, Sept. 18.—B-r-r-r-rum, went the roll of the sharp German drums. Tarrah-lanta-rah went the notes of the trumpets. Thud-thud-thud went the goose-stepping feet of a crack regiment.

All this took place recently in a little Hanoverian garrison town when Werner Edward Fritz von Blomberg, minister of war in the Nazi state, took the salute of the regiment of which he had been made Colonel-in-chief. This Colonelcy was just another honor Adolf Hitler, boss of the new Germany, had conferred on the German General who had done so much to align the regular German army solidly on the side of the Nazi regime. Forty years ago von Blomberg joined the 73rd Regiment of Fusiliers as a young lieutenant. To celebrate that anniversary Hitler made von Blomberg the head of the regiment which has taken the place of the old 73rd.

The man thus honored is no climber to the heights from humble beginnings as is the case with Hitler himself. He was born with a "von" in front of his family name. He is a typical Prussian Junker. He belongs to what is known as "Schwertadel"—Sword Nobility. They were not only Junkers, they were not only owners of landed estates in East Prussia, but traditionally in their family the men served as army officers.

Von Blomberg was born 58 years ago. By the time the World War broke out, he had risen in the army hierarchy to such a point that he was a general staff officer in the

FEAR-MADDENED COOLIES WORST MENACE IN SHANGHAI, DECLARES CARL CROW, 25-YEAR RESIDENT

By NEA Service. SEATTLE, Sept. 18.—Japan is riding for a fall in her war with China, for the simple reason that the Chinese can wear out anybody if they set their minds to it. This is according to Carl Crow, American advertising man who spent some 25 years in Shanghai and who learned at first hand just how wearing Chinese resistance can be. He summed up his acquisition of that knowledge in the recent best-seller, "Four Hundred Million Customers." Arriving in Seattle on the liner President McKinley with other American war refugees, Crow re-

Carl Crow

transport and bad terrain, would be at a disadvantage. Chinese leaders believe China can fight an effective defensive war for years. The whole Shanghai attack looks to Crow like a costly blunder on Japan's part. Like other Americans in China, he believes it was largely due to Japanese naval officers' jealousy of the Japanese army's successes in north China. Nobody in Shanghai took the new invasion seriously, he remarked, until Chinese aviators tried to bomb the Japanese warship, Idzumo. "The bombs burst within 100 yards of my office in Jimkee road," he said. "Then we knew it was real war, although the night before nobody in Shanghai would have predicted it. In a few days I began to see that it would do me no good to stay. The war ruined my business and everyone was endangered by the falling shrapnel from anti-aircraft guns. I came away from Shanghai with the clothes I was wearing, one

marked that the Chinese have been tremendously heartened by their success in holding Japan's highly mechanized army at bay for so long at Shanghai. Before long, he believes, the Chinese armies will fall back some 60 miles to Soochow and the Tai Hu lake region. A Costly Blunder. There are Japanese, robbed of the support of their naval guns and forced to deal with problems of
