## ROOSEVELT BIGGES REPEAL VOTE

### Freight Rates On Feed Are Reduced MATTERN MAY FINISH WORLD TRIP

#### ONE DISPATCH SAYS HIS SHIP WAS SMASHED

#### BELIEVE TEXAN WAS IN EXHAUSTED STATE WHEN FOUND

WASHINGTON, July 8 (AP)—Rescue of Jimmie Matern, round the world flier, from a little town in Siberia by the coast guard cutter Northland, was expected today after permission was given the commander of the cutter to go to the aviator's aid.

By The Associated Press  
POWERFUL land and sea forces became available yesterday to succor Jimmie Matern in the frozen fastnesses of North Siberia, but just which agency would be used for the rescue of the stranded around-the-world flier was as obscure as the details of his forced descent.

All sources agreed that Matern, who sent word of his safety from the tiny trading post of Anadyr, was uninjured. His plane was damaged or wrecked.

Two powerful arctic-type seaplanes were dispatched to Anadyr by the Soviet government. One stopped at Khabarovsk to take aboard mechanics to aid in repairing Matern's plane. The second was en route from another point.

The coast guard cutter Northland, which has been combing the Bering sea for traces of 28-year-old Texan since he was lost June 14, was authorized to proceed to the Siberian coast to pick up Matern.

William Alexander of New York, head of a searching expedition temporarily grounded in British Columbia, gave up the idea of flying his plane to Anadyr to bring Matern back to the United States.

If Matern is picked up by the cutter Northland, Alexander said, he would offer to fly him to New York from some point in Alaska or Canada.

Additional but meager messages relayed from Siberia reported Matern had no one hurt when his plane crashed or was forced down 80 miles west of isolated Anadyr.

A dispatch received by the cutter Northland said the plane was wrecked on June 14, the day Matern took off for Nome from Khabarovsk.

Report Engine Damaged  
Fragmentary advices received in Moscow by Tass (Russian news agency) said, however, the craft's engine was damaged and that after being supplied with a new motor, Matern would continue his world flight.

The coast guard translated a dispatch signed "radio, Anadyr" as follows: "Aviator Matern June fourteenth wrecked 80 miles west Anadyr. Plane smashed. Matern uninjured. Fifth of July Matern found, brought Anadyr, now here."

An official of Russian Trinity church in San Francisco said the phrase translated "brought to Anadyr" indicated the aviator had been in a state of exhaustion when he was discovered in the northern wastelands.

### Local Firms Adopt Federal Code In Business

PAMPA dry cleaners yesterday announced agreement on minimum prices which will form part of a trade practices code which is being drafted with the assistance of agents of the federal government.

At another meeting, hours of labor and wages will be considered, with shorter hours and somewhat higher wages proposed. Meetings to approve a uniform code demanded by the government are being held all over the state.

The local minimum price for cleaning and pressing suits and dresses will be 75 cents, with other prices in proportion. A board of arbitration will be set up to settle any disputes which may arise. Each party will name one arbiter and Ernie Voss, president of the cleaners association, will appoint the third arbiter.

Bakers likewise are working out a trade practices code and to conform with the processing tax on wheat, are raising the wholesale price of bread one cent.

SEVERELY BURNED  
Mrs. E. S. Smoot of Skellytown was admitted to Worley hospital Friday afternoon with severe burns about the face, arms and body. Mrs. Smoot was burned when she started to remove the lid from a pressure cooker that she was unaware of being over a fire.

### Banquet Reservations By Out-of-Town Residents Are Continuing Strong

TELEGRAM  
THANKS FOR TELEGRAM.  
REGRET DELEGATIONS AND  
PRESSING OFFICIAL MAT-  
TERS HAVE DELAYED ME.  
HOPE TO LEAVE HERE SOME  
TIME NEXT WEEK. WILL  
WIRE YOU AS SOON AS I  
KNOW DEFINITELY REGARDS.  
MARVIN JONES

THIS message from Marvin Jones indicates that the Panhandle-Wide Reception banquet for him at the Schneider hotel can be held in the latter part of this week. The date will be announced just as soon as Mr. Jones determines his date of departure.

The telegram was addressed to Gilmore N. Nunn, who is in charge of banquet arrangements for the sponsoring Junior chamber of commerce, and was received along with a large number of letters from out-of-town persons asking reservations.

The 220 available reservations are going fast as out-of-town folk take tickets in blocks of four or more. Many telephone calls are being received from Pampa people who will attend. Civic club members and citizens who have known Mr. Jones all his life will be among those present, in addition to the Jaycees, who number more than 50 in regular attendance. Many women will be in the audience.

The banquet will be held at the Schneider hotel, beginning at 8 o'clock, with tickets one dollar each. Mr. Jones will be principal speaker. His explanation of what the administration is doing to combat the depression will be eagerly awaited by the representative citizens of his home district, in which he is making his first appearance since the recent congress.

One hundred and thirty-three reservations had been made up to yesterday morning. The list follows:

Geo. Briggs 2, Charles Thomas 2, Jack Dunn 1, Bob Fuller 1, W. R. Campbell 1, O. K. Gaylor 1, C. T. Hunkepillar 1.

(See BANQUET, Page 3.)

### DOLLAR DAY'S VALUES TO BE HUGE MONDAY

Pampa's first DOLLAR DAY in nearly a year, which will be held tomorrow, will present values which will not likely be available again for many months or years.

With prices going irresistibly higher day by day, these dollar bargains picked from stocks bought at depression prices represent the best which merchants can give the public.

Summer goods is being cut even below normal prices of recent months to move the stocks as fall merchandise arrives. Yet hot weather in this section is here for three more months, if not longer, and DOLLAR DAY is very timely in its offerings.

Read the DOLLAR DAY ads in THE NEWS and profit by them TOMORROW.

### LOCAL GROUP SECURES HELP FOR RANGERS

DRY RANGES FORCING  
MANY TO ORDER  
OIL CAKE

THROUGH the efforts of the Board of City Development, THE NEWS, and interested citizens, Gray county has been added to the list of Panhandle counties given special low freight rates on feed stuffs.

The rates, granted by the Santa Fe and made effective yesterday, are expected to be 50 per cent of the normal tariff. Full information is to be furnished by the local Santa Fe officials this week-end. News of the new rate was furnished by T. B. Gallaher of Amarillo, general passenger agent of the Santa Fe.

Mr. Gallaher, in telegraphing the B. C. D., asked that the information be passed to John Roby, B. E. Finley, and Gilmore N. Nunn, who also had written him.

Dry ranges have been grazed in this vicinity until they can no longer support cattle, hence feeding of hay and cotton seed cake will be necessary soon. Because the grass is dead, each bite is the last taken by the cattle on any spot until substantial rainfall is received.

An appreciable saving will be made under the new rate. Mr. Roby told THE NEWS, in expressing his pleasure with the outcome of the effort to secure a freight rate reduction. The rate reduction is classed as drought relief by the Interstate Commerce Commission.

### Oklahoma Will Ballot Tuesday On Beer Issue

OKLAHOMA CITY, July 8 (AP)—Oklahoma fell in line for action on the question of repeal of the 18th amendment today when Governor W. H. Murray authorized the special legislative session to set up machinery for a repeal vote. Without delay a repeal measure was introduced in the house.

Only next Tuesday, in the first wet-dry test in "bone dry" Oklahoma in many years, between 500,000 and 600,000 voters are expected to turn out to vote on legalization of 32 beer. If the beer forces win, special trains loaded with the brew will cross the state line early Wednesday and purchases of bottled beer may start as soon as state licenses are obtained. The tax commission will be ready to issue these immediately.

Governor Murray, in his special message, made it clear he was not opening the way for a vote on the repeal of Oklahoma's bone-dry state constitutional law.

WINNERS ANNOUNCED  
Winners in a local airplane model building contest were announced by H. T. Wohlgenuth last night as follows: Gerald Chisum, first; Fred Gordon, second; and Smith Wise, third. There were 28 entries, all under 15 years of age. Judges were J. L. Lester, Lewis Tarpley, and Art Pavey.

### Auto Thief Is Chased Here

Paul Carmichael and Police In Hot Pursuit But Lose Out in 80 Mile Pace Set

TWO men stole Paul Carmichael's Ford V-8 car from the garage at the Stephenson Mortuary about 9:30 o'clock Friday night, and after hitting two cars in a mad flight through the streets of Pampa, they hijacked the Charles Burton filling station at the corner of South Cuyler and Brown streets, then started toward Clarendon at more than 80 miles an hour.

Mr. Carmichael heard the men leaving the garage in his car and immediately gave chase in one of the Stephenson ambulances. The car was driven without lights and Mr. Carmichael lost sight of it in the Cook addition. A few minutes later a Ford car driven without lights struck a car on West Browning avenue, but luckily it was a glancing blow. It was said the Ford was being driven wide open.

About 9:45 o'clock Carmichael's car was driven into the service station on South Cuyler street. As Gus Irvin emerged, a man dressed in overalls stepped from the car and pointed a 32 caliber automatic at the former, ordering him to open the cash register. The man scooped about \$10 in bills out of the till and jumped into the car. As it was driven from the filling station, it struck a car parked on the street.

### SCOUT LEADERS TALK COUNCIL GROWTH AND PLAN SUMMER CAMP

Substantial progress in all activities involving boys but continuing financial instability were shown in reports at a meeting of the Adobe Walls council of Boy Scouts here Friday evening.

President A. G. Post of the council, who presided, pointed out however that there were a number of uncollected pledges.

Rev. A. A. Hyde, chairman of the court of honor, reported that 14 courts had been held in the first half of 1933. In these, 128 boys were raised to second class rank, 49 to first class, 9 to life, 1 to eagle, and 3 to palm rank. Three hundred and nine merit badges were awarded.

A. W. Nelson of Borger, Scout commissary, said 131 new Scouts had been enrolled since January 1, giving a total registration of 836 boys in 44 troops, of whom 152 hold first class rank. Six troops meet regularly though not registered.

Mr. and Mrs. C. M. Hughes are the parents of a 6-pound son born last night at Worley hospital.

### Cotton Deadline Extended Until Next Wednesday

Roberts county has been attached to Gray for signing of contracts to retire cotton acreage, it was announced last night by Ralph Thomas, county agent. Applications should be made at the Pampa Board of City Development by farmers of this vicinity and Roberts county.

Because of a shortage of application forms most of last week, the deadline for signing of contracts has been fixed as midnight of Wednesday of this week. A few more days after that time will be allowed for making of inspections.

Contracts have been mailed on 648 acres, with estimated yields of 157 pounds of lint to the acre. Other contracts based on inspections yet to be made will raise this average to 2,000 acres, or about half the expected total. Signing in the Lake-ton community is just beginning.

### John Factor Is Reported Found In South Texas

ALICE, July 8 (AP)—A report, branded by state highway officials as a hoax in their opinion that John (Jake the Barber) Factor, kidnaped Chicago market plunger, had been found near here sent officers scurrying vainly through a wide area of South Texas tonight.

A check with officers at points in various towns in the southern part of the state showed the reports originated in an attempt to play a practical joke on two highway patrolmen.

Leon Johnson of Groom visited in Pampa yesterday.

### THREE STATES IN DEEP SOUTH SENT MESSAGE

STILL SUBSCRIBES TO  
DEMO PLATFORM  
100 PER CENT

WASHINGTON, July 8 (AP)—Three southern states were approaching votes on prohibition repeal as President Roosevelt today put his force behind the democratic campaign pledge to expunge the 18th amendment from the constitution.

Pointing out he had inquiries from Tennessee, Arkansas and Kentucky as well as Alabama, Mr. Roosevelt sent a telegram to Leon McCord, the democratic national committeeman for Alabama, repeating again his stand on repeal.

"I have made it clear ever since my nomination a year ago that I subscribe to the democratic platform 100 per cent."

Alabama, Arkansas and Tennessee vote this month on repeal.

This is one of the first utterances of Mr. Roosevelt on prohibition repeal since he took the oath of office. However, in proposing the new taxes to underwrite the national recovery program he recommended that these new levies become inoperative if and when prohibition is repealed and revenue is available from the sale of liquor.

In his acceptance speech at Chicago a year ago, he said he was wholeheartedly in favor of the democratic platform.

Postmaster General Farley has been leading the administration's drive for repeal and he is concentrating on the campaign in the south. He will address a gathering at Memphis, Tennessee, on July 15, five days before that state votes, and his speech will be transmitted to gatherings in Alabama and Arkansas, which ballot on July 18.

The sixteen states which so far have voted have favored repeal and, with the light swinging into the south, Alabama, Arkansas and Tennessee are regarded as the real battle ground. Farley and anti-prohibitionists believe that if these states vote wet the 18th amendment will be removed from the constitution by January 1.

Farley has twice urged Governor Laffoon of Kentucky to include provision for a repeal convention in the latter's projected call for a special session of the state legislature.

The message of the president reads:

"I have received your telegram of July 8 in reference to the repeal of the 18th amendment.

"I think I have made it abundantly clear that the platform of the democratic party out insofar as it lies in our power. The special session of the congress has already translated into law a great majority of the pledges made."

### Jobs Given To 208 Last Week

Members of the Gray county federal relief committee paid out \$795 to 193 men and 15 women at yesterday's weekly meeting.

The committee called in foremen and reiterated that every man given work is expected to obey orders and give good service.

### Heat-o-Graph

The maximum temperature in Pampa yesterday was 101 degrees. The forecast:

WEST TEXAS: Partly cloudy Sunday and Monday.

AMERICAN DROPS FIRST SET IN SIX YEARS SHE RULED AS WIMBLEDON QUEEN. BY HARRY ROMER. Associated Press Staff Writer. WIMBLEDON, England, July 8 (AP)—Wimbledon closed its annual tennis fortnight in a final blaze of British glory today as a little English girl, Dorothy Round, forced Helen Wills Moody to battle as she hasn't had to in years to win the women's single championship for the sixth time.

TEXAN BEATEN IN SEMI-FINALS OF NET TOURNAMENT

CHICAGO, July 8 (AP)—Two 17-year-old schoolboy wonders of the tennis world, Frankie Parker of Milwaukee and Gene Mako of Los Angeles, sailed into the finals of the national clay courts singles tennis championship on the tide of straight set victories today.

IN THE OIL FIELDS

The oil situation in the southwest today is its most critical stage in more than a year, it is believed locally. With several companies seemingly trying to hold the price of crude down after a high top for the year was posted last week, they are unable to determine what the outcome will be.

# TWO BASEBALL GAMES TO BE PLAYED TODAY

## SKELLY AND WHEELER COUNTY TEAMS ARE COMING

Two Pampa baseball teams will be in action on the home diamonds this afternoon. The Danziger Roadrunners will meet the fast Skellytown Oilers at the new Danziger park, now nearing completion. The Magnolia "Mags" will play the Magic City entry in the Cotton-Oil league the same afternoon. Both games will start at 3 o'clock and admission will be 25 cents.

The new park at the Danziger Refining company, a mile east of the city, will be completed with the exception of a fence by game time Sunday. The infield is already in excellent condition and clearing and leveling of the outfield has been in progress for several days. A fence, eight feet high, will be erected along the short left field in order to make leftfield hitters work harder. There will be no limit to the right field distance.

The Roadrunners lost a close game to Skellytown a few weeks ago, but it will be a stronger nine that will meet the Oilers this afternoon. Either Stewart or Godwin will take the mound with Leggett receiving. Both nines will take the field in their nearly new uniforms, the Roadrunners in gray and the Oilers in cream.

Manager Howard Buckingham is somewhat worried over his pitching prospects for the first game in the second half of the league race. Rayburn Burke has had enough pitching during the past week and unless Sam Rogers is ready, the "Mags" will be hard pressed. A stiff workout yesterday afternoon showed the rest of the team ready for the game.

Magic City has one of the best teams in the league. The Pampa entry had a hard time winning when the teams met in Magic City last month. Stewart will more than likely get the call to start the game here.

The Pampa entry is pointed to a win during the second half of the league race so that there will be no play-off necessary.

## Shippers Spank Fort Worth 4-1

BEAUMONT, July 8 (AP)—The badly abused Exporters returned home to spank the Fort Worth Killers 4-1 here today. Lefty Joe Sullivan giving up but two hits and whiffing four as he opened the Shippers 13-day 15-game home stay in auspicious style. The Exporters shelled Lefty Chambers and Harry White for 12 safeties, all singles, chasing Chambers from the mound with a three-run flurry in the fifth inning.

Score by innings:  
Fort Worth ... 010 000 000—1 2 1  
Beaumont ... 010 030 00—4 12 1  
Chambers, White and Asbjornson; Sullivan and Susce.

SAN ANTONIO, July 8 (AP)—San Antonio and Tulsa held a track meet and slugfest here this afternoon, a seven-run rally in the seventh inning giving the locals a 15-9 victory.

Each club used three pitchers. San Antonio making 17 hits and four errors and Tulsa 14 hits and three errors.

Jeanes and Hooks produced most of the noise for Tulsa and Crossley, Bettencourt, and Bejma for San Antonio.

Score by innings:  
Tulsa ... 105 010 200—9 14 3  
San Antonio ... 400 301 705—15 17 4

# QUALIFYING FOR GOLF CLUB'S TOURNAMENT TO STAR

## Play To Be Over 54 Holes And Will Continue For A Week From Sunday

Qualifying play for the Gray handicap tournament is scheduled to get under way this morning over 18 holes. Qualifying will be allowed until dark Friday night when all scores must be in the hands of tournament officials, who will then set the individual handicap. Qualifying will be over 18 holes.

Play in the tournament will be over 54 holes and will start next Sunday morning, continuing thru July 23 when winners will be declared. The 54 holes may be played at any time during the eight days allowed. Play may be in twosomes, threesomes, or foursomes.

Several prizes will be awarded to the winner, runner-up, low score, high score, low qualifying score and for other marks. The prize list will be announced sometime during the week, it is expected. The entry fee will be only 50 cents and green fees for qualifying and tournament play will be reduced to 25 cents.

Buster Kaufman, professional at the club, has been working on the course for a week. The greens have been gone over and the fairways dragged. The course is 2924 yards with par 36. Several of the holes have been changed and the course is even more tricky than before.

SUSPECT IS MOVED  
LAREDO, July 8 (AP)—Albert W. Bishop arrested in a hotel here June 30 under the name of A. Morris, left today in custody of officers for New Orleans to answer accusations involving embezzlement of \$37,000 from the Whitney National bank at New Orleans in March.

Jimmie Russell of White Deer visited in Pampa last night.

J. F. Davis of Groom visited in Pampa last night.

HOUSTON, July 8 (AP)—Joe Vance came to the rescue of the wavering Spec Erickson tonight and squelched a Buff rally to give Manager Fred Brainard's much improved Dallas Steers first blood in a three-game series with the league leaders. The score was 5-4.

Erickson had a three-run lead as the eighth inning started but Gene Moore put Houston back in the ball game when he homered inside the park with Selph on base. With two out in the ninth Greer singled over second and Hock walked but Manager Brainard dinked Erickson for Vance and Selph on the second pitch forced Hock at second.

## Erick Leading M'Lean As Sand Interrupts Game

McLEAN, July 8.—Wind and sand stopped the ball game between McLean and Erick, Okla., in the fourth inning of a scheduled nine-inning game here Friday afternoon. The score was 4 to 2 in favor of Erick when the wind became so strong and the sand so thick that it was impossible to see across the diamond.

Erick won the game played on her home grounds last month. The Erick squad is in charge of "Big" Douglas, who is well known to Panhandle baseball fans.

# SHUTE DEFEATS WOOD IN ALL-AMERICAN FINALS FOR BRITISH OPEN TITLE

## WINS 10TH IN ROW FOR U. S. BY 5 STROKES

### WOOD FALLS FAR INTO REAR ON FIRST HOLE

BY FRANK H. KING, Associated Press Staff Writer. ST. ANDREWS, Scotland, July 8 (AP)—Slender "Denny" Shute, 28-year-old American golfing artist with steely wrists and a steady temperament, today whipped his long-driving countryman, Craig Wood, by five strokes in their 36-hole playoff for the British open golf championship.

Shute scored 75-74—149, Wood 78-76—154. The outcome was seldom if ever in doubt from the first hole, where Wood shed his shoes and socks, waded into the famous Swilcan burn with his niblick and experienced the first of a series of mishaps. A pair of sixes on the first two holes cost Wood a deficit of four strokes which he was never able to offset.

Shute thereafter always looked the winner. Although far behind Wood on almost every tee shot, sometimes by as much as sixty yards, Shute scored a well-deserved victory by the mastery of his irons and the consistency of his rusty old putter. Squatting oddly with feet apart, Shute rolled up shots over the wide-spreading St. Andrews greens and rarely gave Wood a chance to recover ground that the New Jersey blonder lost at the very outset.

Shute was three strokes in front after the first nine holes, still that much ahead at the eighteenth and jumped a six-stroke lead at the twenty-seventh, from which Wood's closing nine-hole drive in par was only good enough to put a single stroke from the new champion's margin. A six at the twenty-fifth hole, where Wood blasted out of one trap into another, was the final blow to his fleeting hopes.

Shute's victory, his first in any national championship, marked the tenth consecutive triumph for American golfing arms in the British open. He succeeds Gene Sarazen who lost out by a single stroke in the regulation 72-hole battle in which Shute and Wood tied at 292. "I just tried to keep ahead of Craig for a round," Shute told the Associated Press after he had a chance to escape the first onrush of well-wishers and congratulations. "I knew I had a three-stroke lead at the eighteenth. I knew I had something to spare, even when Craig picked up two on the last nine, but I had honestly forgotten I had doubled my advantage going out in the afternoon. I was concentrating so much, I guess that I couldn't keep the score straight."

## Two Pampans To Play In Finals Of Tournament

AMARILLO, July 8 (AP)—Seeking to overcome the lead held by Paul Gore, Amarillo Country club champion, at the end of 54 holes, eight golfers in the championship flight will play the final 18 holes of the Indian Hills open tournament here tomorrow. The final round was postponed Tuesday because of rain. Gore led with three sub par rounds for a 54-hole total of 211, five strokes below par.

## By the World FORGOT

A New Serial by Ruby M. Ayres

**SYNOPSIS:** While the guest of her mother and step-father in a great London hotel, George Bancroft meets Bernie Boyd, the film actress. George is interested because she knows Bernie's husband Nicholas, and because he has given her reason to believe that perhaps he cares for her. Bernie, marvelously gowned and surrounded by admirers, declares she is about to make a picture about an actor who lost his popularity—and George runs away weeping. For Nicholas is now in Germany trying to have removed the scar that has cost him his career in the films.

### Chapter 30

#### WORD FROM GERMANY

It was a day or two following her meeting with Bernie Boyd that George ran into Nelly Foster. There was a cold East wind blowing, and Nelly was hurrying along, the collar of her cheap coat held closely about her chin, and her nose a trifle blue.

She gave one glance at George and would have passed on, only George barred the way. "Nelly—don't you remember me?"

It was only a few weeks since they had met, but so much had happened that it seemed to George as if years must have passed since she had taken tea in Nelly's crowded little room.

"I thought perhaps you didn't want me to speak," Nelly said, and then, "My word, aren't you smart!"

"Am I?" George glanced down at her clothes; she supposed with faint satisfaction that they were rather nice.

Nelly said defensively, "I thought you'd do with me, putting me off that week-end as you did, and then not writing."

"Such a lot of things have happened," George said. "I'll tell you all about it. Come and have some coffee."

They were outside an expensive looking Bond Street tea shop and George had turned towards its door before Nelly said quickly:

"Not in there, thank you. I'm not dressed for places like that."

George felt rebuked; until recently she would not have dared to enter such a shop herself. She thought it was wonderful how quickly one grew acclimated to changed conditions.

"We'll find another, then," she said. Nelly went with her silently, her eyes on George's dainty clothes, and as soon as they were seated at one of the marble topped tables she broke out. "Has someone left you a fortune?"

"No, nobody," George said. "But I'm living with my mother now and she's well off."

"Oh, do you like it?" George sighed. "Sometimes I do, and sometimes . . . well, I suppose people always want the things they can't have."

"I shouldn't have thought there was much you couldn't have," Nelly said shyly. She was feeling a little sore; life had dealt her many unkind knocks, but somehow she had expected George to be different from other people, and apparently she was just the same.

George seemed to read her thoughts, for she said with sudden earnestness: "I've never forgotten you; do I think that? But it's been so difficult to do as I want to do. I suppose people never can when they've got a mother to consider," she added quaintly.

"I don't see what difference it makes," Nelly said; she was stirring her coffee rather viciously. "I see your Nicholas Boyd has had an operation," she said.

GEORGIE'S eyes flared open wide. "Where did you see it?" she asked breathlessly.

"Oh, in the paper, just a tiny paragraph about him. I suppose you knew though," she added maliciously.

"Which paper?" George asked. Nelly fumbled in the pocket of her coat and produced a crumpled newspaper.

"It's somewhere there," she said. She watched interestedly while George searched every column. "Has he thrown you over?" she asked suddenly. George shook her head. Nelly gave a short laugh. "And you wouldn't admit it anyway if he did," she said.

Benge also allowed only four hits up to the eighth. Then Martin, Frisch and Orsatti connected for singles to send Martin in with the only run.

Cubs Humble Giants CHICAGO, July 8 (AP)—Guy Bush shaded Hal Schumacher in a fine mound duel today and the Cubs made it two in a row over the league leading Giants by a 2 to 1 count. The defeat reduced the Giants' lead over the victorious St. Louis Cardinals to 4½ games.

Schumacher allowed the Cubs only four hits, all singles, in the seven innings he worked.

## Amelia Earhart Putnam Lowers Her Own Record

NEWARK, N. J., July 8 (AP)—Amelia Earhart Putnam landed her red monoplane at the Newark airport at 8:19½ p. m. (Eastern Daylight Time) tonight, having lowered her own trans-continental record by flying from Los Angeles in 17 hours, 17 hours, 7½ minutes.

A small crowd, gathered at the airport, watched her swoop down to the field, where she was greeted by her husband, George Palmer Putnam. Her old record was 19 hours and 4 minutes.

SUPERVISOR FREED LUFKIN, July 8 (AP)—Judge W. D. Barge today dismissed the case of B. Campbell, district supervisor in tick eradication work in 18 East Texas counties, who had been charged with accepting a bribe.

Philadelphia Athletics and the Chicago White Sox divided a double header today, the Mackmen winning the first game, 10-4, but dropping the second one 11-6.

The Athletics drove out sixteen hits in the first game. In the fourth inning, they blasted Ted Lyons and Urban Faber to the showers and scored eight runs.

Chicago put a quietus on the season second game by hammering out six runs in the eighth inning.

Red Sox Generous BOSTON, July 8 (AP)—The Boston Red Sox were in a charitable mood today and handed the St. Louis Browns a 4-1 victory through the medium of three errors.

The first three tallies by the Browns were unearned. Errors by Hodapp, Cooke and Warstler being converted into scores by the invaders. The fourth run and the Sox lone score were earned.

Tigers Beat Yankees NEW YORK, July 8 (AP)—The Detroit Tigers made their hits off Johnny Allen count today and piled up an early lead to defeat the Yankees 5-2.

Fred (Pip) Marberry, although relieved by Vic Sorrell when the heat affected him in the sixth, pitched good ball to win his 11th victory of the season.

## Young Hal Smith today pitched the Pittsburgh Pirates to a 3 to 0 victory in the second game of a double header after the Phillies had staged a last-inning four-run rally to capture the first fray, 8 to 7.

Smith held the Phils to seven hits. Arky Vaughan cinched the win. Lindstrom slammed his first homer of the year in the opener.

Braves Hit and Win CINCINNATI, July 8 (AP)—Rallying lustily in the ninth, the Boston Braves drove Bennie Frey from the mound today to break a 3-3 tie and defeat the Cincinnati Reds 6-3.

Singles by Maranville, Urbanski and Berger, a triple by Jordan, Brandt's sacrifice, a walk and an error by Lombardi virtually ended the game before showers began to fall.

## Judge Declines To Allow Sale Of Flour Mill

LUBBOCK, July 8 (AP)—Approval of the sale of the property of the Harvest Queen Mill and Elevator at Plainview for \$161,500 to Standard-Tilton Milling company of St. Louis and Dallas, was denied by Judge James C. Wilson in United States district court late Saturday. Decision came at the close of a hard fought trial of the case on the report of the receiver, H. G. Stinnett Jr., Amarillo.

Judge Wilson gave the bidder until July 12 to increase the offer so that unsecured creditors of the mill would receive 85 per cent of their claims, amounting to approximately \$245,000. Secured claims amount to approximately \$141,000.

In a lengthy decision delivered from the bench, Judge Wilson reviewed the testimony offered by those who favored the sale and also by those who opposed because they

## Unlicensed Radio Station Managers To Face Charges

VICTORIA, July 8 (AP)—The government swung into action Friday to suppress assertedly unlicensed radio stations in Texas, which is said to have 60 of the 80 stations of this type in the entire nation.

Radio Inspector Louis L. McCabe of Galveston arrested the operators of two alleged unlicensed stations here, C. C. Vaughan and E. Lichnosky of station "COB", and W. K. Howitsky and Lawrence N. Elder of station "CVO" were charged with violating sections 1 and 20 of the United States radio act of 1927.

These charges pertain to the interference of unlicensed stations with stations duly licensed by the Federal Radio commission, as well as with government radio signals. The maximum penalty for conviction in such cases is a fine of \$5,000 or five years in the penitentiary, or both.

felt the offer was too low. He pointed out that the preponderance of the testimony favored the application to the sale.

## MAROONED ON BEACH DURING LAST 3 DAYS

### SUFFER FROM LACK OF FOOD, WATER AND FROM EXPOSURE

BROWNSVILLE, July 8 (AP)—Three men composing the crew of the schooner Ellen which had been lost since Wednesday night were brought to Brownsville today on a rescue plane after having been marooned on the Mexican beach 75 miles south of Brownsville since Thursday.

The men, O. B. McNeil and Morris Green of Corpus Christi and C. E. Clice of Brownsville had suffered from lack of food and water and from exposure. They said that the Ellen was wrecked Thursday morning, going down about 14 miles from shore and that they floated to the shore on the life preservers.

The Ellen, they said, was unable to enter the Laguna Madre through Brazos Pass because of high seas which preceded the tropical storm, which struck the coast south of Brownsville, and the crew decided to run for it. They headed south in the belief that the storm would hit north of the pass.

Meanwhile, the schooner Audrey, missing since Thursday, arrived at Aransas Pass. With a sister ship, the Mary Jane, the Audrey was engaged in salvaging operations when the storm struck. The Mary Jane was driven ashore and will have to be floated. The Audrey rode the storm out to sea.

Heavy rains swept the lower Rio Grande valley in the wake of the storm. Storm sewers were unable to take care of the deluge at Harlingen and the water flowed across streets. Heavy clouds hung low all day.

## HULL RALLIES STATESMEN TO ATTACK ISSUES

### APPEAL ATTEMPTS TO REGAIN HELP OF FRANCE

BY F. G. VOSBURGH, Associated Press Staff Writer.

LONDON, July 8 (AP)—Cordell Hull, American secretary of state, sought tonight to rally the forces of the world economic conference, sorely divided over the monetary issue, by issuing a challenge to statesmanship and pointing to various major problems which he said the nations might yet attack.

In an appeal which was interpreted as aimed primarily at regaining the cooperation of France and other members of the gold bloc, the leader of the American delegation urged the summoning of "fresh resolutions to surmount immediate obstacles" and called for better understanding of opposing viewpoints.

Armed with fresh amplifications of President Roosevelt's policies, received by cable during the day, Secretary Hull endeavored to enlist as many nations as possible in a price raising program on an international scale similar to that under way in the United States.

Playing his cards carefully, Mr. Hull also engaged in quiet conversations with spokesmen for various countries friendly to American policy with a view to drawing up a program in which many delegations will have a hand, and which will not bear the specific American labels.

The foremost goal would be raising of the world price level. In this connection it was noted that Secretary Hull mentioned the price level at the head of the list of topics which he said could be discussed despite refusal of the French and their continental allies to talk monetary matters.

"I gather from comments in the newspapers that what is desired is a recital of some of the questions which are capable of consideration under existing conditions," the statement issued in his capacity as chief of the American delegation said.

"I would list for example: price levels, credit policy, numeraire prohibitions and restrictions strangling mutually profitable trade transactions, retaliation and countervailing other war breeding trade practices and methods."

## Seven Persons Reported Dead In Cloudbursts

DENVER, July 8 (AP)—Seven persons were listed as dead—with three bodies recovered—and property loss estimated at around \$1,000,000 as a check-up progressed today after cloudbursts in five sections of Colorado.

The first bodies recovered in Bear Creek canon, where a 20-foot wall of water roaring down the narrow gorge inundated Morrison and Idle-dale, mountain resorts, were those of Mrs. Sylvia Soderman of Denver; an unidentified man about 50 years old, and Raymond Conde, 12, of Denver.

Missing, and regarded as virtually certain to have perished are Leonard Conde, 14, brother of Raymond; Eunice Soderman, 4, a daughter of the dead woman; Jack Burton of Morrison, formerly of Los Angeles, and Marietta McIntyre, 20, of Denver.

Scores of survivors told of narrow escapes in the canon. Capt. and Mrs. Livingston Swetzel of New York and Mrs. Elizabeth Phillips of Omaha, a guest of their summer camp, left for Denver a short time before the storm broke. When they returned today their camp was a pile of debris.

\$80,000 addition procured to complete reorganization.

Mr. and Mrs. Forrest McSkimming have returned from a vacation trip to Kansas. They were accompanied home by Mr. McSkimming's brother, Robert Cliff.

**NEW FLOOD**  
DENVER, July 8 (AP)—A new flood swept down Bear Creek canyon late today and sent 200 searchers for bodies of victims of similar high

water yesterday scurrying to mountainsides and safety.

These colorful teams were so evenly matched that they shared the 12 first places and, for the second time in history, counted the second places to decide the victory.

The better balanced American team gained nine second places to three for the invaders, a more decisive margin than the one that broke the 1925 deadlock, when the Americans won six first places to six and 7½ second to 4½.

## Warmer Weather Coming

No this is not the official weather forecast but more warm weather is coming and every one knows it. Those families who own electric refrigerators will tell you that their machines did much toward keeping them comfortable during the hot spell.

Two facts should be kept in mind.

- 1.—More warm weather is coming this summer.
- 2.—Electric refrigerator prices are going up.

Why delay. Economy and comfort tell you to buy now.

### Oil And Money Are Taken From Local Stations

City officers are investigating two daring thefts, one reported Friday morning and the other Friday afternoon. They have several clues on which they are working, and arrests are expected soon.

The Phillips Wholesale company in southwest Pampa was entered sometime Thursday night or early Friday morning and 13 barrels of high grade motor oil was stolen. Marks were found Friday where a truck had been backed to the door. The padlock had been twisted off to gain entrance.

Friday afternoon employees at the Gulf filling station on West Foster avenue reported the loss of between \$65 and \$75 in cash. The money was taken between 11 a. m. and 2:30 p. m. Friday. The loss was not discovered until time to make a deposit.

The theft must have been during a busy time near noon when the station attendants were busy with car service. Most of the money was in silver.

Mrs. H. F. Barnhart has had as guests this week-end Mr. and Mrs. S. D. Park and Mr. and Mrs. Horace Park of Kilgore, also her daughter, Mrs. Kenneth E. Kurtz, and Mr. Kurtz, of Borger.

### GOLD BLOC OF EUROPE FORMS GIGANTIC FUND

#### SIX NATIONS WILL TRY TO MAINTAIN GOLD STANDARD

PARIS, July 8 (AP)—A huge pool of gold for defense of their currencies was forced today by six chiefs of central banks of gold countries who threw down the gage battle to the world.

The national banks of Italy, Belgium, Poland, Holland, and Switzerland joined the Bank of France in the formation of this gigantic fund to maintain their respective currencies on the gold standard.

The agreement for this concerted action was proclaimed as solely for self-protection and in no wise directed against the dollar or the pound. The fund will be operated as a vigorous attack against speculators.

Distinctly technical arrangements were worked out by the gold bloc bankers at their meeting in the Bank of France including a common fund to maintain their monies at parity.

The workings of this plan were kept secret on the ground that its efficacy might be destroyed if it were published.

Experts at the close of the conference frankly recognized that their battle was a fight against time and they admitted that if it continued for several months some of the weaker countries still on gold would probably drop out, although the "Big Six" themselves are sure that they can hold out.

It was learned authoritatively that there will be no embargo on gold exportations by the countries involved.

It was expected that Germany, Czechoslovakia, and the free city of Danzig will join the agreement shortly.

The gold situation will be reviewed at the next meeting of the bank for international settlements directors July 17.

### Two Revivals In City Will Open

Revivals will begin in two Pampa churches this morning, in each case in charge of visiting evangelists. Dr. C. E. L. Vawter and his evangelistic party will open a series of services at First Christian church, and a revival to be conducted by the Rev. Guy Shields of Amarillo will start at the Assembly of God.

Both preachers are well known to Texas members of their denominations, and local members of the two churches invite the public to hear them.

Dr. Vawter will be assisted by John S. Mullen, minister here, and by Mrs. Vawter, soloist; Billy Reaves, song leader; and Howard House, pianist.

The Rev. Mr. Shields will have his secretary, the Rev. Kenneth Baker, and members of the Pampa congregation as assistants.

NEWS Praised For Boosting Of Kelvinator Sales

"I want to take this opportunity to thank your newspaper for the part it has played in Kelvinator's most successful year," writes V. C. Woodcock, advertising director, to THE NEWS.

"Kelvinator's selection of newspapers to get its story to the attention of buyers has been more than justified by the record business this season when newspapers were used extensively.

"June, customarily a 'tapering off' month this year, ran very close to the all-time record set in May and saw the sale of more than 40,000 units as compared with approximately 17,000 in June, 1932. Largely through the help of your newspaper, sales in your city showed proportionate increase."

Mr. and Mrs. Jack Gregory and daughter, Miss Alene, left last night on a two-week trip to Breckenridge and other points to visit relatives.

Miss Pearl Gaston of White Deer was a Pampa shopper yesterday.

### President Asked To Ban Illegal Oil Shipments

AUSTIN, July 8 (AP)—The Texas railroad commission today telegraphed President Roosevelt suggesting that he prohibit the transportation of illegally produced oil in interstate and foreign commerce.

"In order that full cooperative effect can be given to oil control measures, may we suggest that your enforcement of oil proration orders could be made more effective if you could at this time prohibit the shipment of illegally produced oil in interstate and foreign commerce," the telegram stated.

The commission informed the president it had called a hearing for July 31 to determine the amount of oil that will be permitted to be stored in Texas. Ernest O. Thompson, commissioner, said it was the commission's intention to prohibit the storage of oil in excess of the current operating needs of refiners and current exports.

### Blazing Fence Is Extinguished By Fire Department

The fire department made a run to the home of Mrs. Emma Jackson, 602 East Kingsmill avenue, yesterday afternoon about 3 o'clock to extinguish a portion of burning fence in the back yard. The fence had caught fire from some burning trash nearby. No damage resulted, water from the booster tank putting out the blaze before it had gained much headway.

The call was the third received this month. Total loss of the three calls was not more than \$25, it is estimated. Citizens are urged to use all precaution possible in burning trash.

Mr. and Mrs. W. M. Lewis are the parents of an 8½-pound son born at the family residence, 1103 East Francis avenue. The boy has been named Jean Wesley.

Mr. and Mrs. Clyde Brown of Los Angeles have visited Mr. and Mrs. J. C. Lewis the past week. They will visit in Oklahoma and Washington before returning to Los Angeles, where Mr. Brown is a contractor.

### ALEX FRASHIER, FIFTEEN YEAR RESIDENT OF COUNTY, IS DEAD

Alex Frasier, 83, died at his home 615 North Frost street yesterday afternoon after an illness of several weeks. He had been a resident of this county for 15 years and a resident of Pampa for six years.

Mr. Frasier was born in Arkansas. When he first moved to Gray county he settled on a farm north of Kingsmill. He resided at that one place until moving to Pampa. Mrs. Frasier died May 28, 1932.

The body will be at rest at the family residence until 2 o'clock this afternoon, when services will be conducted in the First Christian church, with the Rev. James Todd Jr. presiding, assisted by the Rev. John Mullen, pastor of the church. Burial will follow at Fairview cemetery in charge of the G. C. Malone Funeral Home.

Mr. Frasier is survived by three daughters, Mrs. Fred Pendrick, Pampa; Mrs. C. Downs, Spokane, Wash.; and Mrs. Docia Reed, address unknown, and four sons, G. G. O. N., and E. G. Frasier, all of Gray county, and N. W. L. Frasier, living in the state of Washington.

Pallbearers will be Albie Byrum, J. S. Botkins, W. R. Campbell, Lee Harrah, R. S. McConnell, and J. G. McConnell.

Honorary pallbearers will be J. L. Noel, F. C. Ledrick, J. W. Gordon, A. C. Mathews, W. C. Archer, J. G. Gantz, H. R. Kees, C. L. Thomas, L. R. Taylor, B. E. Finley, Dr. A. Cole, C. S. Barrett, D. C. Moore, Lee Ledrick, A. B. Keahy, and T. W.

Northland on several points. Engine trouble, it said, forced Mattern down about 50 miles west of Andry, 30 miles closer than the other dispatch indicated.

Soviet frontier guards, it reported, gave the flier prompt aid, but it did not elaborate on whether it was meant they found him or merely rendered assistance after he possibly had struggled for days thru the desolate area.

Mattern had taken with him equipment for use in just such a contingency. He carried netting to protect himself from the swarms of mosquitos which infest the northern rim of the Pacific at this time of year. Fishing tackle was placed in the plane for use if he should be stranded along the coast without food.

When he was forced down, he had flown 1,800 miles from Khabarovsk, and was within 700 miles of the western tip of Alaska.

### Lions En Route To St. Louis Meeting

Five Pampa Lions were to leave early this morning for St. Louis, where they will attend the annual convention of Lions International.

The convention will open Monday afternoon and last four days. The party is composed of Clyde Fatheree, Roy Bourland, District Governor C. H. Walker, B. W. Rose, and Arthur Teed. They are traveling in Mr. Rose's car. They are expected to return next Sunday.

From the coast guard message it was surmised the first dispatch Friday telling of Mattern's safety had been sent as soon as he reached Andry. It was time 11 p. m. Wednesday and had taken two days to reach Moscow.

Like the coast guard dispatch, it apparently had been sent from a Soviet radio station at or near the trading post.

The information received by Tass from Khabarovsk differed from that intercepted by the cutter

## Two Recent Brides Are Honored With Showers

### BOTH PARTIES ARE GIVEN AT END OF WEEK

#### MRS. HARRIS AND MRS. LOGAN HONORED BY FRIENDS

SHOWERS complimenting two brides of recent weeks, Mrs. Nolan Harris and Mrs. Roy Logan, were given by friends as week-end events.

Members of the Young Women's Auxiliary of First Baptist church, of which she has been president, honored Mrs. Harris Friday afternoon. The bride was Miss Myrtle Ethel Seeds before her marriage last Sunday.

An outdoor party was given for Mr. and Mrs. Harris. The group drove to Hoover late Friday afternoon for a watermelon supper and gifts were presented there.

In attendance were Mr. and Mrs. Harris, Mr. and Mrs. R. E. Gatlin, Misses Lela Scaife, Bernice Casteel, Eloise Lane, Claudine Haynes, Doris Price, Marjory Tucker, Ruth Henry, Lillian Keahy, Mildred Overall, Geneva Groom.

Shower at Church.  
Mrs. Logan, June bride who was Miss Cornelia Barrett, was complimented with a shower given in the basement parlor of First Baptist church Thursday afternoon. The primary department of the Sunday school, in which she is a teacher, sponsored the shower.

Mrs. W. Hatcher, department superintendent, and Mrs. Vera Whalton acted as hostesses, welcoming guests to the room which had been decorated in pink and green.

Gifts to the bride were presented in a pink and green basket. The ice cream served after a number of games stressed the same colors. A bride's cake decorated in pink and green, made by Mrs. Ernest Barrett, was served with the ices.

Guests were the honoree and Misses Geneva Groom, Kate Anderson, Clara Bryant, Marjorie Tucker, Mesdames Paul Crossman, C. E. Lancaster, J. A. Meek, A. A. Neel, J. S. Carter, Harvey Haynes, G. H. Covington, F. O. Anderson, Ollie White, G. D. Holme, Floyna Young, A. L. Prignone, Ewing Leech, R. W. Tucker, E. C. Barrett, Wilson Hatcher.

Unable to attend, Misses Minnie Vernon Haynes, Claudine Haynes, Loma Groom, Florence Bolay, Mesdames J. S. Wynne, DeLoa Vicars, and P. L. Anderson sent lovely gifts.

## Visitors Honored At Party Series During Last Week

Completing a series of parties given for Mrs. Morris Rauch and Mrs. B. Leader of Houston, who have been house guests of their sister and daughter, Mrs. Sam Penberg, a breakfast and a theater party were given Friday.

Mrs. Joe Lazarus and Mrs. W. Diamond were hostesses at the breakfast, which was served at quartet tables. Games of bridge and hearts were enjoyed later, with Mrs. Dave Finkelstein making high score and Mrs. Harry Lipse second high at bridge, and Mrs. M. Stein high at hearts.

Lovely gifts were presented the honorees, who were again complimented with a theater party by Mrs. L. A. Freeman Friday evening.

After attending the movie, the party returned to the Schneider hotel for a buffet supper, where favors were presented Mrs. Rauch and Mrs. Leader.

Mrs. Finkelstein was hostess earlier in the week with a bridge party at which the two visitors were honored.

## Class Holds Its Monthly Meeting In Picnic Form

Taking their monthly business meeting out of doors, women of the First Baptist Bethany class enjoyed a picnic at the country home of Mr. and Mrs. John McKamey Friday evening.

Assisting hostesses for the social meeting and wicker roast were Mesdames L. E. Taylor, W. E. Minnards, L. L. Ledford, W. S. O. Williams, and J. F. Reynolds, the teacher.

Reports of class work for the past month showed that 154 visits were made, 20 cards and letters sent, 55 persons telephoned and 8 trays sent. Two new members were added, and four substitute teachers furnished.

Those present included Mesdames O. J. McKee, Charles Kentling, T. W. Jamison, J. B. Solomon, A. A. Neel, Scott Rataudsi, C. E. Lancaster, Cyril Hamilton, Ritzenhouse, J. H. Ayres, Mary Davenport, J. B. Pafford, T. L. Anderson, Oscar Reynolds, L. H. Green, Misses Lucile Kentling, Rowena Wasson, Mary McKamey, Ina Johnson, and Sarah Pafford.

Miss Bertha Lee Hicks had as her guests this week-end her parents, from Lubbock.

## Presented At Britain's Court

MISS HENRIETTA WORTH BINGHAM of Louisville, Ky., daughter of the American ambassador to London, is shown here in the gown in which she was presented at the last royal court of the season in Buckingham Palace. The gown is in rich rose petal crinkled satin, cut on graceful lines to the figure.

## STUDY OF SIX POINTS IN SCHOOL BUDGET CUT URGED FOR PARENTS

By MRS. J. M. CRAIN, Claude State Publicity Director Texas Congress of Parents and Teachers

Before that school budget is cut, six steps which the people of any community should carefully consider are suggested by the joint commission on the emergency in education appointed by the National Education Association and its department of superintendence.

First, make sure that the public revenue is secured in conformity with accepted principles of fair taxation. In Texas, as well as many other states several sources of revenue escape paying their equitable share to the support of government. Before the conclusion is reached that the total tax load is too heavy, make sure that everyone is carrying his fair share of the cost of public services from which all profit.

Eliminate Non-Essentials.  
Second, eliminate most of the non-essential public activities. In some states and cities school revenues have been greatly reduced while funds for other purposes have not been altered at all. Such a policy as this threatens the future welfare of this country. Good schools in a democracy are necessary but not a luxury. If economy must be considered on governmental affairs, begin with the less essential services. On such a basis, schools would not be the first to suffer.

To postpone the education of a child is impossible. As long as he is growing he is getting an education—either good or bad. The years of childhood are too brief for proper preparation for modern life which is so complicated. Men are children but once, and during that period their right to full opportunity for mental and physical growth should not be abridged in any respect. So as the third step it is suggested to postpone all expenditures that can be postponed. There are many activities which can be delayed.

Consider Results.  
Before a policy of drastic reduction of educational funds is accepted, consider fourthly the results of such curtailments. It is easy to draw a blue pencil through certain columns of figures in all school expenditures. But what does that blue pencil strike out of the lives of the school boys and girls of the community? Does it mean closing kindergartens to the younger children? Does it mean denying special educational opportunities for crippled and other underprivileged children? Does it mean closing the doors of evening schools to the unemployed young people who are honestly trying to fit themselves for greater usefulness when better times return? Does it mean the closing of playgrounds and other community activities and centers? Does it mean harassed and overburdened teachers with overcrowded classrooms? Before the school budget in any community is reduced, its patrons should determine what such a reduction would mean to them and their children.

Advice From Experts.  
Fifth, if when all the above steps have been taken, retrenchments in education seem inevitable, make them where they will do the least damage. The difficult job of fitting a school system to a curtailed budget demands the best professional

service from which all profit.

## GARDEN CLUB TO MAKE YARD TOUR OF CITY

A tour of beautiful yards in Pampa and nearby is being mapped out by a committee from the Garden club, to be followed by members Friday morning.

They will meet at their usual hour, 9:30, in the city club rooms, and leave for visits to the chosen gardens. The tour will end at noon, when a picnic lunch will be spread in the last yard visited.

Each member will make a contribution to the lunch, and some groups are arranging to pack their lunches together for the event.

## CLUBS TO SEND H. D. WOMEN TO SHORT COURSE

#### Program Promises To Feature Action

ACTION will be featured in the program of the 23rd annual short course for farm men and women at A. & M. college during the week of July 24. Gray county residents who plan to attend have been informed.

More action and less sitting still, more demonstrations and fewer lectures, more initiation into the tricks of rural trades and less theory, however practical that theory has been in the past, is promised.

Several women of county Home Demonstration clubs and girls of 4-H clubs will go to the short course from here, accompanied by Miss Ruby M. Adams, county agent.

To Enter Contests  
Mrs. C. A. Tignor of the Priscilla club will enter the state wardrobe contest in class two, and Mrs. Clyde Carruth of the same club in class one. Mrs. Tignor placed second in the state contest last year.

The Bell club plans to send Mrs. Hubert Keahy as its delegate; the Busy Bee club Mrs. W. D. Champ and the Merten club Mrs. J. C. Browning. The Kingsmill club has not yet named its representative.

Miss Opal Pinnell of Hopkins will represent the county in girls' bedroom work, while the county club council hopes to send Misses Valmore Stallings and Margaret Skibinski, winners in girls' wardrobe contests.

Program changes for this year include condensed morning chapel programs that will begin at 8 and last one hour, morning talks similar to the former afternoon programs, and afternoons devoted to demonstrations on a variety of subjects designed to appeal to members of each short course division. Evenings will be given over to recreation.

More intensive work will be offered to those who wish to go into details in several lines of interest to both men and women. The entire program is designed to appeal more to men as well as to women, boys, and girls.

## Class Has Business Meet For Officers

A business meeting was followed by a watermelon feast for officers of the Fidelity class of First Baptist church in their monthly session Thursday evening. They met at the home of the teacher, Mrs. C. E. Lancaster.

Reports of activities for the month were made by officers and committee heads. Work of the coming month was planned, then watermelons were served.

Those present were Misses Ruth Henry, Leora Kinard, Donnie Lee Stroup, Evelyn McDonald, Clara Bryant, and Mrs. Lancaster.

Auxiliary units in all parts of the country are giving cooperation and leadership to "Renovize" and "Buy Now" campaigns, and similar organized efforts to improve economic conditions.

## Cottons And Linens In Forefront

(From BONWIT TELLER, New York.)

COTTONS and linens come out onto the front porch this summer to make leisure hours a pleasure. Very gay indeed is this crisp linen frock (left) in modernistic printed design. It has that new high neckline, gathered up by a drawstring of white pique which ties in Ascot fashion.

The sailor collar is just in again, and it has the dashing quality that youth demands in this white pique coat (right). It completes an ensemble when topped a corded cotton frock that has a skirt of red with white stripes and which then goes into reverse to have its sleeveless top of white with red stripes.

## CONTESTS ARE PLANNED FOR RANCH OUTING

#### FUNDS RAISED WILL SEND CLUB GIRLS TO SHORT COURSE

CITY and rural residents of Gray county will play together in an outdoor frolic sponsored by Home Demonstration club women of the county tomorrow evening at the Mel Davis ranch south of LeFors.

Contests, and stunts are being arranged by a committee from the county Home Demonstration Council and by entertainment chairmen of various Pampa service clubs. The frolic is to be given to raise funds for sending three 4-H club girls of the county to the annual A. & M. short course this month.

Everyone Invited.  
Club women will sell ice cream and cake to provide this fund. All residents of the county are invited to attend the frolic, which will be free except for the refreshments.

Special invitations were extended members of men's luncheon clubs. Each was asked to send a team of horseshoe pitchers and washer pitchers to compete with teams from the women's clubs for prizes. The women are practicing, and expect to take off honors in the contests.

Miss Ruby M. Adams, county agent, reports.

Committee at Work.  
Mrs. Charles D. Talley, council president, has named a committee headed by Mrs. C. F. Bradbury and including Mrs. W. D. Benton and Mrs. W. B. Champion to make all arrangements for the entertainment.

Women will meet at the picnic grounds at 5 o'clock tomorrow evening to prepare for their visitors, who are expected throughout the evening beginning at 7 o'clock.

Girls who will benefit from the frolic are Valmore Stallings and Opal Pinnell, winner of the bedroom contest. A large part of Miss Peinell's trip will be paid for by the Business and Professional Women's club here, and the entertainment Monday is expected to provide other funds needed for the trip.

## McLean Baptists Choose Officers For Coming Year

McLEAN, July 8.—At the annual business meeting of the First Baptist church Wednesday evening, Rev. Cecil G. Goff was re-elected pastor for the coming year.

Other officers elected were: Church clerk, Eunice Stratton; treasurer, T. N. Holloway; chorister, Mrs. Cecil G. Goff; assistant chorister, W. H. Floyd; pianist, Miss Dorothy Jean St. Clair; assistant pianist, Mrs. W. H. Floyd; board member, S. A. Cobb; Sunday school superintendent, Reep Landers; assistant superintendent, Ralph Caldwell; Sunday school secretary, Myrl Grigsby; assistant secretary, Ralph Caldwell; secretary, B. Y. P. U. Sybil Young; assistant secretary, Marie Landers; B. Y. P. U. chorister, W. C. Carpenter Jr.; B. Y. P. U. pianist, Willie Luella Cobb; Sunday school chorister, M. D. Bentley; pianist, Mrs. O. E. Locheridge.

The church will begin a revival the fourth Sunday in this month with Rev. A. S. Johnson, pastor of the First Baptist church at Borger, doing the preaching.

Methodist School Continued.  
Interest is growing in the daily vacation Bible school now in progress at the Methodist church. Friday morning Mrs. W. E. Bogan served the children each a glass of ice cold lemonade, and Ed Dishman sent each of them a banana.

Memory work in the beautified, the first, twenty-third, and hundredth psalms is being stressed in the junior department. The primary and pre-school children are enjoying Bible stories and drills.

Lee Harlan has returned from Stamford where he attended the cowboys' reunion. Lee entered the calf roping contest and managed to stay in the run for two days, but failed to qualify for the finals.

Miss Elizabeth Wilkerson, clerk at the Caldwell bakery, has gone to Dalhart to work in the Caldwell bakery at that place. Miss Irene Caldwell is filling the vacancy here in Miss Wilkerson's absence. Miss Caldwell formerly lived here. She finished high school here and has many friends who welcome her return.

McLean visitors to Pampa for Thursday and Friday were Mr. King, Ross Cunningham, M. M. Newman, Oscar Sullivan, and Joe Rogers.

Business trips were made to Amarillo Thursday and Friday by Ruel Smith, Charlie Back and Bill Smith.

At a meeting Thursday evening of the fire boys, it was decided to have a picnic next Tuesday afternoon, their wives and other friends being the honor guests.

McLean boys who are privileged to make the trip to Carlsbad, Tex., given by the Pampa Daily News this week-end are Paul Scott and Loyd Erwin.

Mrs. V. Haiduk of White Deer was a Pampa shopper yesterday.

PAMPA TOPICS OF OUR CITY

Slightly Embarrassing: During and after the world war, the United States was very necessary to the rest of the world, which needed our money and our products. It is disconcerting to learn that today the world could get along fairly well without us.

Perhaps our falling exports have something to do with President Roosevelt's negotiations with Russia, pointing toward partial recognition and greater trade exchanges. At any rate, we must send much of our cotton and wheat abroad—not to mention thousands of other products—to protect our industries, farmers, and laborers.

The Associated Press reassures us, however, with the statement that other nations have cut their buying from us to as low an ebb as is likely to be beneficial to them. The U. S. department of commerce figures show that for every 77 vessels with cargoes leaving our shores in 190, we now have but 15 en route abroad with our goods.

How the tariff walls tend to discourage trade exchanges is shown by the tariff on lard in Germany, formerly one of our best customers. We can't sell Germany lard but the people can't afford to pay the domestic prices and are using many substitutes.

Mr. Roosevelt's devaluation of the dollar and revoking of the gold clause in payments has tended to make American goods cheaper in terms of world currency, hence increased business is anticipated.

Ability of the other nations to buy our goods depends much upon what we buy from them. For instance, between 1921 and 1925 we imported these goods and paid for them as follows in millions of dollars: Coffee 205, sugar 295, silk 348, newsprint 91, rubber 193, tin 56, hides and skins 93, tea 25, flax 44, fine cotton 46, sugar 104; total \$1,565,000,000.

The point of it all is that our exports are due for an increase and perhaps a large one if reciprocal agreement are drafted. Russia is a good potential customer if she accepts our demands to assume payment of her post-war debts to us and stops her propaganda against our form of government.

Texarkana just ahead and—Texas! The sun beats on the dry earth, but along the river beds crops and blue bonnets are waving and there is a refreshing element in the air which makes the midsummer heat less oppressive than on a New York pavement with the thermometer down 15 or 20 points.

Along the peninsula there are a million head of steers grazing, oil well derricks are thick as fence pickets, endless rice fields shimmer in the sun and a coastal ship canal runs for hundreds of miles through Port Arthur and on to Beaumont.

The Young People's class of the Pampa Church of Christ will have charge of a program at the LeFors Church of Christ Sunday evening at 7 o'clock.

Oil Production Shows Big Gain In Last Month

WASHINGTON, July 8.—Production of domestic crude petroleum during May was reported today by the bureau of mines as 84,747,000 barrels, as compared with 78,523,000 in the corresponding month of last year and 65,313,000 in April.

The daily average for May was 2,734,000 barrels, an increase of 557,000 over the daily average of April. It was the highest daily output since October, 1929.

The bureau of mines said the gain resulted primarily from a large increase in the East Texas field where operations were suspended during most of April.

The daily average production for this field in May was 800,000 barrels compared with 246,000 in April. A number of other fields also reported increased production in May, the most important being Conroe, in Texas, where the daily average rose from 43,000 barrels in April to 78,000 in May and the Oklahoma City field which rose from 104,000 to 135,000.

Table of New York Stock market data including various stock indices and prices.

TRADING ACTIVE

NEW YORK, July 8. (AP)—Stocks did considerable trading in today's market, although bulls brought up fresh candidates for the advance.

Many traders appeared to be somewhat wary and were content to accept profits. The market has reached a point which, in the opinion of some, calls for caution.

Trade reports at the week-end were encouraging. Freight loadings last week increased 29,406 cars over the previous week and 145,793 over a year ago.

CHICAGO GRAIN

CHICAGO, July 8. (AP)—Spurred by predictions of new torrid temperatures northwest, threatening increased damage to spring wheat, especially in Canada, wheat values made brisk upturns late today.

of 1933 wheat yields. Only scattered rains fell in the northwest, and the forecast was for higher temperatures both sides of the Canadian border.

Wheat closed strong at almost the day's top figures, 1 1/2-2% cents above the yesterday's finish, corn 3/4 off to 3/8 cup, oats 1/4 advanced, and provisions showing 12 to 30 cents gain.

Despite downturns of hog values, the provision market was responsive to rallying power shown by cereals.

Closing indemnities: Wheat Sept. 99 1/4-1/2, 105 1/2-106; Dec. 101 1/4-1/2, 108; May 105 1/4-106, 112-112 1/2. Corn Sept. 61 1/4, 66 1/4-3/4; Dec. 66 1/2-66, 70 1/2-71.

Considerable activity developed in the fat lamb market and closing quotations are from 50-25 higher than a week ago.

NEW ORLEANS COTTON

NEW ORLEANS, July 8. (AP)—The cotton market was very active today for a short session rendered shorter than usual by closing 10 minutes earlier in advance of the government acreage report.

The government's estimate of acreage in cultivation July 1 showed 40,798,000 acres or an increase of 11.6 per cent, which was larger than the average estimate of the private authorities.

Port receipts 7,948, for season 8-715,315, last season 10,025,724, exports 36,209, for season 7,912,845, last season 8,313,326.

Nearing Objective

Gilmore Nunn, vice president of the council, said the Pampa district had attained 17.7 per cent of its objective of enrolling 25 per cent of the 12-year-old boys in the movement in the first half-year.

The swimming and life saving institute to be held here July 14 and 15 at the municipal pool was explained by Harry Kelley, instructor.

Scouts In Civic Work

Rev. James Todd Jr., told of two adult leader training courses and presented certificates to several of those present.

The council will now give its attention to the approaching camp. Boys are eager to obtain work to earn the \$10 for camp registration.

CHASE

(Continued from Page 1)

Mr. Burton recognized the car as belonging to Mr. Carmichael. He called the police, who were already searching, and they immediately started after the car.

Police in every city in this area were notified but no trace had been reported yesterday. The car license number was 444-411.

It is believed by officers that a third man was implicated. J. M. Lybrand and L. R. Miller saw an old Ford coupe, without license numbers, driven past their used car lot several times earlier in the evening.

Henry Ford Dearborn, Mich. advertisement. Text: 'To people who want something for nothing'. 'There are some things we refuse to do to sell a car. We like sales, but fair-dealing and the confidence of our customers are desirable, too. For one thing, we refuse to poison anyone's mind against another make of car. We know what our car is and what it will do, and we are ready to tell you about that. But to imply defects in another car is not our business. We have done our utmost to encourage intelligent buying of motor cars by showing purchasers how to protect their own interests. All that a good producer asks is a customer who knows quality when he sees it. An intelligent purchaser will speedily conclude that only a bad product requires bad sales methods. We refuse, also, to adopt the role of tricky trader—that is, pretending to offer you a larger trade-in allowance, and taking it away from you in some other way. Ford trade-in values are high, but we do not make fictitious allowances in order to get a sale which may be otherwise disadvantageous to the buyer. Our dealers take used cars upon a system of values, not by haggling or barter. In this world no one gets something for nothing, although there are many ways of making people think that they do. The sure way to get value for value is, first, by being yourself willing to deal on that basis, and second, by dealing with a concern that has no other policy. We refuse to keep dinning in your ears that the Ford V-8 is the best, most economical, lowest-priced car. That is claimed for several cars. Obviously it cannot be true of all. There comes a point where claims and adjectives and all advertising hysteria disappears in its own fog. Personally, I prefer facts. We say the new Ford V-8 is the best car we have made. We say that our 8-cylinder car is as economical to operate as any lower number of cylinders. We say that we have always been known as the makers of good cars and that the many good, well-balanced qualities of our present car places it at the head of our line to date. Anyone wishing to do business with us on these principles will find our word and the quality of our product to be A-1. What we say about economy, operation and durability will stand good anywhere.'
