This is a week of what should be momentous decisions. The ballot box, kept inviolate, should be the repository of the best decisions of the people.

West Texans, balloting for associate justice of the Texas supreme court, do not have an easy task in deciding between Pierson, incumbent, and Hickman of Eastland.

Sterling is more easily managed than the Fergusonists and no real indictment of his personal service has been found even by his enemies.

Mud-slinging tactics of candidates might be curbed if voters believed all they are told and brought out independent candidates of known veracity.

West Texas editors brought out again a phrase often quoted in this column: "That government is best which governs least."

TWO HOUSES BURN SUNDAY WEST OF CITY

Frame Structures Owned by Lubbock Man—Blaze Spread Prevented.

Two frame houses on Naida street in the Talley addition were destroyed by fire early Sunday morning.

Both buildings were enveloped in flame when the fire department arrived with both trucks.

The fire department made another trip yesterday afternoon to control a grass fire on Faulkner street near the city water wells.

Clothing Asked For The Children Entering School

Because a child's parents are so poor they cannot supply him with suitable clothes is no reason why he should not attend school.

School starts here Sept. 5, and it will be impossible for many of several hundred such children to attend school unless they are supplied with suitable clothing.

RESCUE OF NIPPONESE FORMER OFFICER IS GOAL

SHANGHAI, Aug. 2. (AP)—Chinese from Peiping and other North China points today said the Japanese forces in Manchuria had launched a strong military thrust into Jehol, the province that borders on China proper.

The dispatches said fighting was going on along a "broad portion" of the Jehol eastern border.

Japanese bombing planes were reported as spreading terror among the border populace, which was streaming into the open country seeking safety.

Foreign dispatches from North China were more conservative and told of sporadic fighting along the Jehol eastern border.

One of the Peiping dispatches today said General Tang Yu-Ling, chairman (governor) of the Jehol province, had asked for military reinforcements, adding that he would "resist to the last man."

TOKYO, Aug. 22. (AP)—A statement attributed to official quarters today said it was only a question of time before strong action would be taken to make Jehol province unquestionably a part of the newly

Bob Long Will Talk for Sterling Here Tomorrow

The Sterling-for-Governor campaign will be brought to Pampa again tomorrow evening, it was announced late today.

Representative Bob Long of Wichita Falls will speak at 8 p. m. on the east side of the courthouse, summarizing the issues of the campaign and telling why Fergusonism should never be tolerated in Texas again.

Highway Outlet Will Be Talked

To bag two birds with one stone was the object of a trip being made this afternoon to north plains towns directly north of Pampa by C. Herbert Walker and George W. Briggs.

Mr. Walker as district governor of the Lions club will visit the cities in an official good will capacity, and will also team with Mr. Briggs in working up enthusiasm for a road to the north plains.

Pampa needs a highway outlet direct to the north plains, and the north highway department and the north plains towns know it.

WOMEN FLIERS IN NINTH DAY ALOFT

VALLEY STREAM, N. Y., Aug. 22. (AP)—With eight full days in the air as their immediate goal, Mrs. Frances Marsalis and Mrs. Louise Thaden flew on today, already far past the old endurance flight record for women.

ROOSEVELT READY FOR 8,000-MILE TOUR

The route chosen by Gov. Franklin D. Roosevelt (right) Democratic presidential candidate, for his forthcoming trans-continental speaking tour which will touch 21 states and represent approximately 8,000 miles of travel, is given on the above map, which shows cities in which he plans to speak.

Crop Production Loan Field Man Is Given 8 Additional Counties

C. L. Geesey may be busy pretty busy handling crop production loans in 15 counties of the Panhandle, but he admitted today that he would be even more "on the run" in the future.

He has received notice that his territory has been extended to include the upper tier of counties in the Panhandle. These are Dallam, Sherman, Hansford, Ochiltree, Lipscomb, Hutchinson, Moore, and Hartley.

With the Lions it is different. Most of the members who can play have been playing with the big softball.

Civic Clubs Train Seriously for Charity Game—Difficulties Seen

Pampa Rotarians, practicing for the Lions-Rotary benefit baseball game to be played Wednesday at Magnolia park at 4:30 p. m., plan to use every member who can catch a ball.

Red Cross Will Hold Election In Meeting Tonight

Welfare workers of the city have been requested to assemble at the city hall this evening at 8 o'clock for the annual election of officers of the Pampa Red Cross chapter.

Absentee Voting Is Brisk Today—Tomorrow Is Limit of Balloting

Tomorrow is the last day for casting absentee ballots, and voters who plan to be out of the county on Saturday, date of the second primary, seemed to be fully aware of this for they were lined up in County Clerk Charlie Thut's office this morning.

RETURN FROM EL PASO

MANILA, Aug. 22. (AP)—The name of Roosevelt, which is borne by the Democratic presidential nominee, also will be brought into the republican campaign in behalf of President Hoover.

FIRE AT GLADEWATER

GLADEWATER, Aug. 22. (AP)—Fire caused extensive damage to the White drug company store here last night. Much merchandise was spoiled by water. Cause of the blaze had not been determined.

LATE NEWS

NEW YORK, Aug. 22. (AP)—Another roaring bull market developed today, as the list threw off its reactionary tendencies of last week.

FEORIA, Ill., Aug. 22. (AP)—Mrs. Opl S. Hill, Kansas City, defending champion in the Western Women's Golf tournament, today became her interest in the title by leading the qualifying round with a record breaking 37-38-75.

LOS ANGELES, Aug. 22. (AP)—Zeppo Marx of the four Marx brothers of screen and stage reported to the sheriff's office today his Hollywood apartment had been burglarized of jewelry valued at \$37.60.

CLOVIS, N. M., Aug. 22. (AP)—A special grand jury session was called today to investigate the slaying of Elmer Egan, Plainview, Texas, peace officer, and the wounding of R. L. Hollis, a New Mexico deputy sheriff, in a pistol battle near Portales, N. M., Saturday with four bank robbery suspects.

WICHITA FALLS, Aug. 22. (AP)—Miss Elsie Annann of New Orleans, La., was instantly killed and two other persons were critically hurt in a head-on automobile collision 14 miles east of here about noon today.

Grandview Will Have Picnic For Pampa Citizens

Just look what's coming up Thursday afternoon at Grandview!

A picnic with eats, and a baseball game between Pampa business men and the Grandview community residents. The get-together will begin at 4 o'clock and will continue indefinitely.

Revival Called Great Success Following Close

A two-week revival meeting closed last night at the First Methodist church. The Rev. C. A. Long, pastor, described the evangelistic campaign as a "great meeting."

ANALYZE JIM'S CLAIM!

For 19 years now James E. Ferguson has been gallivanting over the state of Texas howling about his being "the poor man's friends and the poor man's candidate." Curiously he disports himself to typify the most of us. Smartly—and Old Jim is smart—he roars from the stump about "us plain people."

Well, let's take a look at the real Jim Ferguson. Upon what does he base his claim? Before he went into politics, Jim Ferguson was a banker. He continued to be a banker, as his impeachment proceedings will show, until a good long time after he became governor.

He is also a lawyer, a crafty, red-tape loving lawyer whose fees are higher—much higher—than the average respectable barrister.

He is a lobbyist before the legislature—the most powerful lobbyist in Texas—and for his lobbying activities his earnings run higher than those of many a business or professional man who is what we'd all call "well fixed." He asks and gets all the way from \$2,500 to \$5,000 for each bit of lobbying—for the use of his political influence against the best interests of the citizens of Texas.

His Ferguson Forum, which he calls a "newspaper" but which carries only political propaganda and advertising, has made him enough money in the past to put many a capitalist to shame.

Look up Jim Ferguson's record. See how much of a "poor man's candidate" he really is: try to find where Jim Ferguson's views upon life can possibly be the same as the views of the most of us, who have to be satisfied with an ordinary living and ordinary surroundings. Why heaven alive! His Bosque county ranch holdings alone comprise more wealth than most of us ever hope to own!

Two years ago he traveled the length and breadth of Texas talking about "big rich Ross Sterling, whose house has 29 bathtubs."

Now he's running around crying that the Governor is "broke" and that while he was too rich to be Governor two years ago, he's too poor to be Governor now! Old Jim, he's plenty smart.

He can throw out more smoke screens than a Big Bertha; he can side-step more issues than an acrobat. His stuff sounds great if you don't pause to think. But when you get to analyzing it, it won't hold water! Whether a man is rich or poor is not, as Jim would have us believe, the prime factor in weighing his worth.

Whether a man is rich or poor has nothing to do with his ability to be a good Governor. Jim Ferguson is a rich man—but if he were a poor man he wouldn't look any better to us as a gubernatorial prospect.

The fellow who votes for him on the basis of Jim's claim as "the poor man's candidate" is only being flim-flammed.—Lubbock Avalanche.

Petty Thefts Are Reported in Pampa

Crime was at a petty if not a low ebb in Pampa during the week-end, after a week which was featured by major robberies, since solved.

Saturday night a green Chevrolet coach owned by Ernest Gill, 421 Christine street, was stolen from where it was parked in front of the Harley Sadler show tent. It bore license No. 516-278.

Constable Bud Bickel of Fanchandle reported theft of 12 frying

the chickens and women's and children's clothing from the H. L. Powell home, four miles east of Panhandle about 9:30 Saturday night.

County officers arrested two for vagrancy, two on charges of drunkennes, and state highway officers arrested one person for driving without tail light. City police arrested two on charges of vagrancy and two on charges of intoxication.

OUT OUR WAY..... By WILLIAMS

STRIKE

(Continued from page 1)

At Merville, Ia., 200 farmers stopped a freight consisting of eleven cars bound for Sioux City packing houses. None of the stock was removed and, after a short delay, the train was permitted to proceed.

The other train was stopped at Jefferson, S. D., where 50 farmers put torpedoes on the tracks and waved red lanterns. The cars contained milk consigned to Sioux City. Baggage men closed the doors of the cars and no attempt was made by the farmers to open them. The train was delayed for only five minutes.

Flushed by their success in preventing truck shipments of produce and milk into Sioux City, the strikers claimed new impetus for their movement was gained yesterday when about 1,000 farmers and their families assembled at Dulap, Ia., and agreed to broaden their activities to take in both Omaha and Council Bluffs.

Clinon P. Savery of Logan, Ia., organizer of the Farmers' Holiday association for Iowa, told the Dulap meeting that as soon as the Iowa lines had been tightened attempts would be made to organize Negro farmers.

created independent state of Manchukuo.

This assertion came a few hours behind dispatches from Japanese correspondents at Chinchow, Manchuria, stating that a Japanese detachment stationed near Peipaiang Jehol had routed several hundred Red Chinese regulars after a sharp battle.

The war office, however, denied that the Japanese army had assumed the offensive in Jehol or camped at present a large scale invasion of that province that heretofore had divided China proper from Manchuria.

The clash described in the Chinchow dispatches was called a minor local affair but a spokesman for the foreign office intimated that favorable autumn weather probably will see a determined Japanese military action in Jehol.

The diet convened meanwhile for its third extraordinary session of the

year. It will get down to the main business at hand on Thursday with government statements from Premier Makoto Saito, Foreign Minister Yasu Uchida and Finance Minister Korekiyo Takahashi.

The foreign minister's address will be confined chiefly to a restatement of Japanese defense of her policies toward Manchuria and China. He probably will reply to the speech in New York August 8 of the American secretary of state, Henry L. Stimson.

Answers Treadway. Trimble in making public the report, following his decision last Thursday that he had no other choice under the law, took exception to a statement by Representative Treadway, of Massachusetts, a conferee on the relief bill, that his decision to make public the report was to gain favor with Speaker John N. Garner.

"Such a charge is ridiculous," Trimble said. "The law gives me no discretion in the matter. Speaker Garner has never attempted to influence me in the discharge of my duties. I have considered every objection raised to the publishing of the reports and no one has cited to me a single decision of the court to support such questions."

"My attorney, South Trimble Jr., cited supreme court decisions to support his opinion. If Mr. Treadway did not consider the opinions sound why did he not advise me of the defects instead of making charges through the republican committee?"

YOUNG LANDLUBBERS IN ADVENTUROUS CRUISE

GIBRALTAR, Aug. 22 (AP)—Five young landlubbers, all undergraduates of Princeton University, have conquered the Atlantic in a two-master in 49 days despite storm and calm.

The adventure began in New York July 2 and will end, for the time being, at least, in Marseilles.

The venturesome team lost five sails in a heavy blow and spent 14 days in various spots of dead calm. They are: William Drewery, New York; William L. Crow, New York; Standish Backus, Detroit; Ashley Hardy, Boston, and Robert Keidle, Baltimore.

Mrs. C. O. Thomas of Plainview returned Saturday after visiting her son, County Agent Ralph Thomas and Mrs. Thomas. She was among the special guests at the home demonstration club encampment at the Gething ranch Thursday and Friday. She was taken as far as Canyon by County Supt. John B. Hesse, who went to the Teachers college on business pertaining to the teachers institute.

The PEOPLES COLUMN

Editor, The NEWS: I am requesting space in your paper to carry a message to the more than seventy boys who plan to take vocational agriculture during 1932-33. I desire that this message be in the F. F. A. boys embrace two things:

1. The Pampa Achievement Day program, and
2. The Tri-State fair held in Amarillo each year.

I desire to tell these boys now that we will expect each boy to have some part in the Pampa Achievement exhibit to be held September 11.

These exhibits will be placed in show windows downtown and the exhibit or part of the exhibit must be produced by the boy making it. And keep in mind, boys, that an exhibit may consist in whole or in part of the produce of a boy's project enterprise. That is, an exhibit may consist of just one enterprise or parts of two, three, or more that a boy taking vocational agriculture may have.

Therefore, keep this idea in mind when saving material intended for exhibit. And bear in mind that an exhibit may be either plants or animals or part of these or that it may contain a combination of both plants and animals. Bear in mind also that these exhibits will have to be ready for placing in the windows on September 10 and that the actual placing of these will be made on this day, and not on the eleven.

Our department with all F. F. A. assisting will have an exhibit again this year at the Tri-State fair to be held from September 19 to 24, inclusive. Some of you boys will doubtless recall that we had a booth at the Tri-State fair for the first time last year. And that we won seventh among twelve entries.

You doubtless recall that the prizes of last year were much less than this year. Last year the prize money was donated by one individual and you may care to know that this year we are on the same schedule as the other agricultural exhibitors. Our prize list is a regular list and the prizes this year start at \$30 for the best, \$25 for second money, and five prizes of \$20 each with the poorest prize being \$17.50.

Now boys, we will have only seven competitors this year, so let's get busy and win first money. I have chosen this year to use these four divisions of the score card in making up our exhibit:

1. Grain sorghums (kafir corn, milo maize, Negar, fetericia, and dario). Five samples of ten heads shall constitute this division.

2. Small grains. Five samples of one gallon each of wheat, oats, barley, and rye shall compose this class, or the five samples may be selected from any one of these.

3. Eggs. This division will be

made up of five samples of one dozen each of either white or brown shelled eggs.

4. Pork. In this division we will use two cured hams and two cured sides of bacon.

5. If we choose to do so, we may substitute an exhibit of butter for one of the above divisions. An exhibit of butter consists of four 3-pound samples of butter or cottage cheese.

Thanking you in advance for giving publicity to this, I am, very sincerely your friend,
J. L. LESTER.

RACING PLANES LAND SAFELY AFTER FIRST DAY'S FLYING

CLEVELAND, Aug. 22. (P)—Two fleets of racing airplanes, one from the Atlantic, the other from the Pacific, nearly a hundred in all, today entered the second lap of the Ford cup-transcontinental air derby.

Their spectacular 2,369-mile contest will end at the Cleveland airport Saturday as one of the main events of the national air races. Forty-eight men and eight women fliers in the Pacific group started their first lap yesterday at Los Angeles and all landed safely within a few hours at Yuma, Ariz., where they spent the night.

The Atlantic group took off from Washington, D. C., and ended their first lap at Winston-Salem, N. C., but with one of their 28 entries, Cecil Coffrin, Brooklyn, New York, forced out by engine trouble. He was reported down at Fredericksburg, Virginia.

Flourishing ratings on a point-and-handicap basis, judges announced Art Carnahan, Bloomington, Ill., as winner of the Los Angeles-Yuma lap; Roy Hunt of Norman, Okla., second, and Mrs. Gladys O'Donnell, Long Beach, Calif., who won first place in the 1930 women's air derby and second in 1929, third.

The Atlantic flight was led by Fred Dorset of Augusta, Ga.

Only one of the western planes was known to have been forced down and its pilot, Al Lary of Los Angeles, later brought it to Yuma safely. Lary, taking his fiancée, Yolanda Spirito of Pasadena, Calif., with him, landed in the desert 10 miles from Yuma out of gas. He obtained fuel, however, from a roadside station and finished the lap in 52nd place.

History Will Be Told by Review

CANYON, Aug. 22. (Sp.)—Announcement was made today by Professor L. F. Sheffy, field secretary of the Panhandle-Plains Historical society that the 1932 issue of the Panhandle-Plains Historical Review will be off the press within the week. This is the fifth issue of the publication.

The cover page is a sketch of the old Bugbee ranch, Panhandle home of Thomas S. Bugbee and birthplace of Mrs. W. H. Patrick of Clarendon. A short sketch of the life of Colonel Bugbee appears in the book. The experiences of T. D. Hobart of Pampa, when he was a surveyor in the Panhandle more than 45 years ago have been reprinted from the "Vermonteer."

W. S. Mabry, now of Selma, Ala., the man who surveyed the location on which old Fort Elliot was built, has written an article telling of his experiences.

Early days in Carson county by Judge J. G. Paul is a most interesting article according to Editor Sheffy and in it are mentioned the names of many early settlers of the Panhandle and particularly of Carson county.

Dr. W. C. Holden of Lubbock has contributed the "Spur Ranch and Its Neighbors."

Lee Gilmore, a graduate student of the West Texas State Teachers college, has written a brief history of the Mill-Iron ranch of Hall and Childress counties.

J. Everts Haley former field secretary of the society, now of Austin, has edited for the Review the diary of Ely Moore.

The publication also contains a complete list of the donors of the Panhandle-Plains Historical society museum fund.

Professor Sheffy has spent much time editing the Review.

Awards of Merit For Yard Winners Are Ready Now

Handsome engraved awards of merit for winners in the yard and garden contest are waiting at the office of County Agent Ralph R. Thomas for the owners.

The certificates, about the size of an ordinary college diploma, were issued by the Yard and Garden Contest association America which is sponsored by a group of nationally yard and garden enthusiasts, including W. M. Jardine, Governor Harry Flood Byrd of Virginia, Mrs. Henry Ford, Dr. Stratton D. Brooks, formerly president of the University of Missouri. Names of the sponsors appear on the awards.

Names of the winners in the local contest were written with many a flourish by County Superintendent John B. Hesse in his magnificent copper-plate script on the awards. First places in the two classes were won by George E. Dull and Mrs. Inez Carter.

Mollison Eager To Return Home

NEW YORK, Aug. 22. (P)—Sandy-haired Capt. James A. Mollison, the only person ever to fly alone from Europe to New York, cocked an anxious eye at the sky over Manhattan's towers today and hoped the weather man would let him start his hop home to England in two or three days.

"I've just been married, you know," he explained with a grin. When he finished his precedent-shattering jaunt from Europe, at 3:33 p. m. (E. S. T.) yesterday, Mollison, who is the husband of Amy Johnson, England's most famous woman flier, said:

"Amy and I have made a pact to make no more extremely long or hazardous trips, once this flight is concluded." Mollison was in the air 36 hours and one minute between port Marsee, Ireland, and New York, which showed in his face when he brought his tiny plane, "Heart's Content," down before 2,000 cheering fans yesterday at Roosevelt field. He had made the leg from St. John, N. B., in 5 hours, 12 minutes.

Noted Educator Dies at Abilene

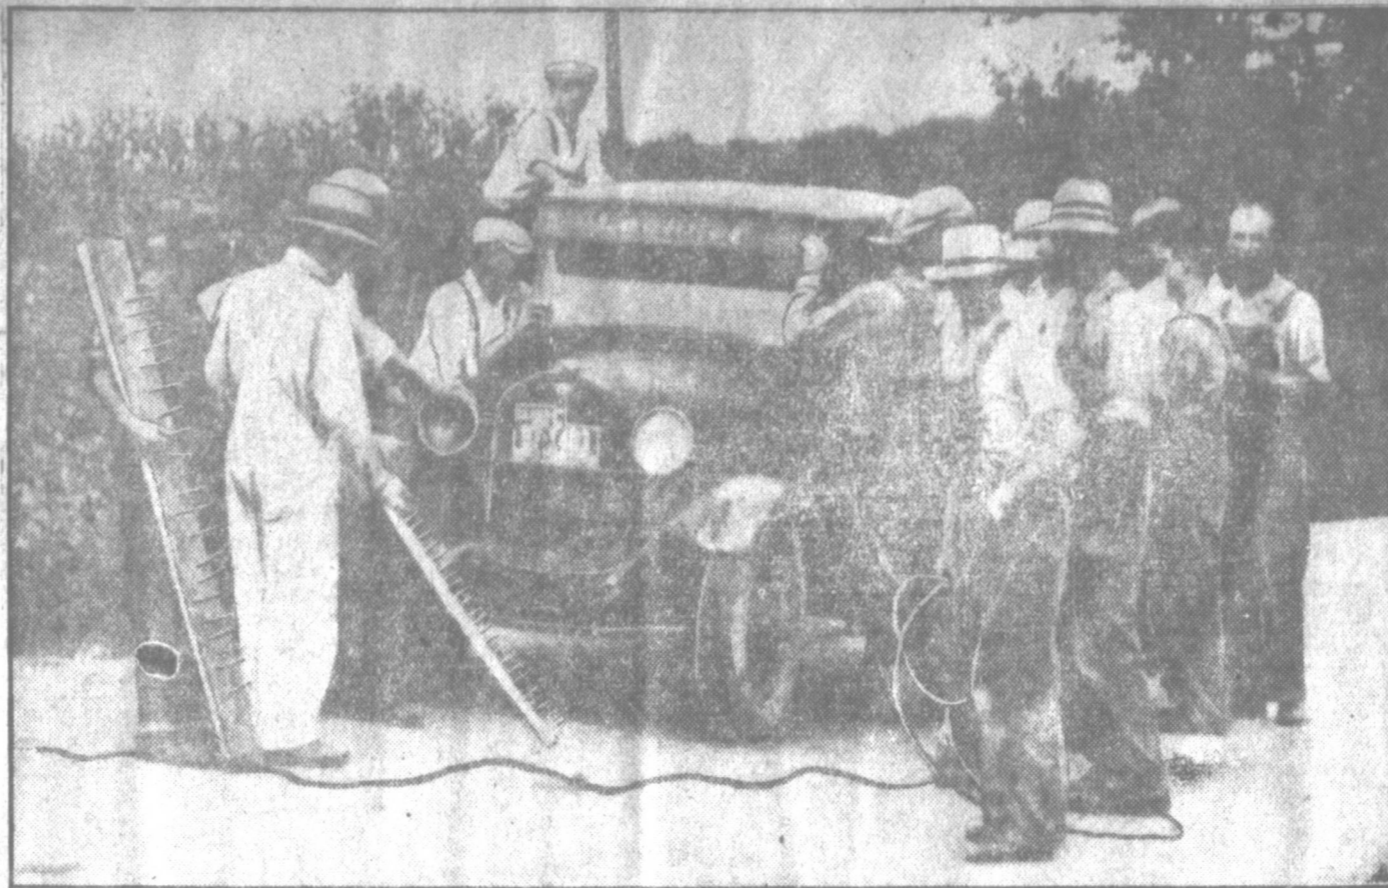

ABILENE, Aug. 22. (P)—Dr. Oscar Henry Cooper, 79, one of the outstanding educators of the Southwest, former superintendent of public instruction and former president of Baylor university and Simmons university, died at his home here shortly after 10 o'clock this morning.

Native of Carthage, Texas, where he was born November 22, 1852, Dr. Cooper received his A. B. degree at Yale in 1872. He was a graduate student at the University of Berlin, Germany, he tutored at Yale from 1881 to 1884 and served as state superintendent from 1886 to 1890. The following six years were spent as superintendent of the Galveston schools, and from 1899 to 1902 he was president of Baylor.

By growing and canning food on prison farms, Texas will feed 1,000 more convicts next year with a reduced budget.

STRIKING IOWA FARMERS HALT TRUCKS ON HIGHWAYS

This picture, from the heart of the midwest "farm strike" zone, shows farmers near Sioux City, Iowa, halting a milk truck en route to market in the course of their blockade which is designed to force an increase in the prices they receive. Observe the nail-studded boards that are laid across roads to puncture tires of trucks trying to run the blockade, and the cable that the men are holding. A deadlock ensued when the farmers asked \$2.17 per 100 pounds for their milk, as against the \$1.70 offered by the distributors. Leaders in the "farm strike" movement from several states, attending a meeting of the National Farmers' Holiday association at Des Moines, declared the movement is spreading.

New Jersey Has Wave of Violence

NEWARK, N. J., Aug. 22. (P)—A week-end wave of murder by ice picks and bullets left five men dead in New Jersey today but police found the unaccountable slaying of a 25-year-old girl, daughter of a prominent family, the most mysterious.

Miss Evelyn Higgins, whose father is Major William Higgins of the staff of Governor A. Harry Moore, was seriously wounded early yesterday as she crossed a vacant lot in

Jersey City after an auto ride. No weapon was found, Miss Higgins was in too serious a condition to be questioned, and there was no indication as to whether it was an attempted murder or a strange accident.

Andrew Fadrizino, 26, and Vincent Boccia, whom the police call Brooklyn racketeers, were victims of an unusual execution instrument—the ice pick. Their slayers stabbed them countless times, wrapped them in burlap bags and left them in a backyard at Harrison. The gruesome bundles were found yesterday.

Hunter Urges All Citizens To Vote

FORT DAVIS, Aug. 22. (P)—Tom F. Hunter of Wichita Falls, who ran third in the governor's race at the first democratic primary, issued a statement here yesterday asking all qualified voters to cast their ballots in the run-off primary Saturday.

He declined to endorse any candidate.

The statement said, in part:

"Next Saturday democratic Texas is to nominate our governor for the next two years. Every qualified

voter of this state who is eligible to vote should vote.

"The financial structure of our state is threatened. The cost of our government is appalling. Taxes on real estate are unbearable; taxes are not equally distributed.

"Every voter in Texas realizing our dilemma, should, after reflection and in conference with himself, vote what he believes to be the best interest of the great masses of Texans. We should all think and act independently."

Mr. and Mrs. John B. Hesse had has as their guest during last week Mr. Hesse's mother of McLean.

Commendation Is Given Roosevelt

ALBANY, N. Y., Aug. 22. (P)—Returning yesterday to the executive mansion after delivering the first stump speech of his presidential campaign at Columbus, Ohio, Saturday, Governor Roosevelt was manifestly gratified by the sight of a great pile of commendatory telegrams received from all sections of the country.

Some of the messages, however, were not of a flattering nature, Mr. Roosevelt said.

Further public reaction to the Columbus speech is expected during the next few days.

Dynamited Well Is Under Control

LONGVIEW, Aug. 22. (P)—The Humble No. 3 Killingsworth, which had been bombed with nitroglycerin, was brought under control last night.

The well was bombed Saturday night after an attempt apparently had been made to set it on fire. The explosion blew out the fire as men who saw the flames started toward the well. The Christmas tree and connections were blown off. Unidentified persons opened connections at three other wells, causing waste of oil.

Grover Carver and L. R. Pranks of the Ramsdell community were in the city today on business.

FERRELL SETS RECORD FOR WINS IN FIRST 4 YEARS

SENATORS ARE DEFEATED FOR 20TH TRIUMPH

YANKEES TAKE GAME FROM BROWNS ON THREE HITS

By HERBERT W. BARKER, Associated Press Staff Writer. Wesley Ferrell, tall, husky North Carolinian, has chalked up his 20th victory of the season, the first pitcher in major league history to win 20 or more games in each of his first four full seasons in the big leagues.

The Cleveland right-hander won 21 games and lost 13 in his first full season with the Indians in 1929; won 25 and lost 13 in 1930, and 22 and 12 last year.

His 20th triumph of 1932 was gained yesterday over the Washington Senators, 11-1, in a loosely played game in which 15 passes were given. Ferrell went the route although he was walked for 11 hits and gave six walks.

The New York Yankees stretched their American league lead to 10½ games over the idle Philadelphia Athletics by beating the St. Louis Browns, 3-1. Each team made only three hits but the Yankees bunched all of theirs in the third inning for two runs.

Detroit and Boston split a double-bill. Bob Weiland gave the Tigers only four hits in the opener which the Red Sox won, 3-1. Vic Sorrell limited the Red Sox to seven blows in the second battle and won, 4-2.

Chicago's Cubs strengthened their hold on the National league lead, beating the Phillies, 2-0, while their closest rivals, the Brooklyn Dodgers and Pittsburgh Pirates, both were beaten.

The Cubs had the benefit of four-hit pitching from the sensational rookie, Len Warneke, who hung up his 18th victory of the season. A single by Warneke, doubles by Herman and Cuyler and a long fly by Jurgens gave the Cubs both of their runs in the fifth.

Three Dodgers pitchers were pounded for 17 hits as the New York Giants whipped Max Carey's penman hopefuls, 9-3. Eppa Rixey, 41-year-old left-hander of the Cincinnati Reds, tamed the Pirates for the fourth time this season, scattering eight hits in a 2-0 victory.

The Boston Braves belted 14 innings to achieve a 7-5 victory over the St. Louis Cardinals, and then darkness halted the second game of a doubleheader with the score tied at 2-2 in the sixth. Dizzy Dean relieved Hallahan in the ninth inning of the opener and struck out 10 men in six innings only to lose in the 14th on a walk to Maranville, a triple and a single by Jordan.

PAMPA-L'FORS TEAM BEATEN BY PHILLIPS

LOONEY'S CAFE VICTOR OVER DUMAS AT BORGER

Borger's Phillips 66 outfit opened up with an unbeatable barrage of hits yesterday at The HERALD tournament to defeat the Pampa-Lefors entry, 17 to 7.

The fourth inning brought the disaster in the form of 10 runs. A ninth inning rally far short but netted four runs.

The scoring: Pampa-Lefors . . . 000 210 004—7 12; Phillips 66 . . . 020 10-02-12x—17 20 3; Meeks, Boston, Clemons, Kirkpatrick and Bozeman; Haddock and Francis.

In the other game of the day, Looney's Cafe defeated Dumas 15 to 8. Looney's outfit won over Pampa-Lefors Saturday by the close score of 6 to 5 in the best game of the first day.

The Pampa-Lefors entry still can take two losses before leaving the tourney. This afternoon's program was to bring together Panhandle and Dumas.

Manager R. R. Kirkpatrick left here with fifteen players, most of them well known here. He strengthened the club Friday before cutting in his roster by signing Boston of Geary, Okla., who won three straight games in the Oklahoma City tournament just completed, and Moore, a real utility man from the same team.

He also uncovered Blue, former Coltex star for the shortstop position, switching Jimmie Marshall to second base. Fowler of Skellytown will probably play first while Freshour is pitching.

Money to send the team to the tournament was received through subscriptions by sport fans in Pampa and the field.

The Pampa 66 roster as turned in was as follows: Baldwin, 2b; Blue, ss; Newsome, cf; Warren, lf; Bozeman, c; Fowler, 1b; Shriver, rf; Cahill, 3b; Freshour, p; Meek, p; Clements, p; Boston; Moore, utility; Romane, utility; Coburn, utility; Kirkpatrick, utility and manager.

DON MOE HAS SMART ARRAY OF GOLF FOES

Portland Youth To Face 200 Players For Western Amateur Trophy

By PAUL MICHELSON, ROCKFORD, Ill., Aug. 22. (AP)—Young Don Moe of Portland, Ore., felt the sword of Damocles dangling over his head today as a record crowd of 200 golfers opened assault in his prized western amateur crown over the Rockford Country club battleground.

It was by far, the largest and probably the smartest western field in 32 years of play. Three former champions, two Walker cup team members and a host of rising young stars from all sections of the nation were grouped in the championship field.

Moe was sure of one thing—a place among the 32 qualifiers who will fight it out all week over the match play route. As champion, he automatically qualified. His rivals must play 36 holes, 18 today and as many tomorrow, to join him.

One could pick his most dangerous rivals almost at random from the bugging list of entries, but several stood out. Among them were Gus Moreland of Dallas, Trans-Mississippi champ; Johnny Lehman of Chicago, 1930 western titleholder; Kevie Carter of Oklahoma City, 1925 champ; and 19-year-old Rodney Bliss of Omaha, who beat the better known Johnny Goodman for the Nebraska state amateur title last week by clipping six shots from par.

Charlie Seaver of Los Angeles yesterday equalled the competitive record for the course, shooting a 33-33-66. His putting was deadly and his long game indicated he will be one of Moe's toughest foemen.

Because of the large field, the starting time for the two 18-hole qualifying rounds was set at 7 a. m. After qualifying tests, the championship drive will proceed on the basis of the first two rounds at 18 holes each on Wednesday, followed by single rounds of 36 holes each on through the finals Saturday.

The championship course was considered comparatively easy, 6,219 yards long with par 35-35-71.

FORT WORTH IS HELPFUL TO DALLAS TEAM

STEERS TAKE ONE FULL GAME LEAD ON SUNDAY

By BILL PARKER, Associated Press Sports Writer

Fort Worth, for many years Dallas' arch enemy in annual Texas league pennant marathons, turned a powerful favor for the Steers yesterday. The Cats defeated Beaumont in a doubleheader, 12 to 3 and 4 to 2 to knock the Exporters loose from the league pinnacle and allow Dallas to take a fully game lead for the second half championship. Dallas made hay under Beaumont's cloud by trimming Galveston, 8 to 2.

The initial game was a set-up for Fort Worth. Dick Whitworth out-pitched Izzy Goldstein in the second game. It was Goldstein's first defeat since the joined Beaumont several weeks ago after spending the greater part of this season with Detroit.

George King Murray, ace right-hander, featured Dallas' victory by checking in with his twenty-first victory this season. Murray had his sharp breaking curve hugging the corners of the plate and although he allowed nine hits, he was never in danger. Sam Langford iced the game for Dallas in the eighth inning when he hit a home run with the bases loaded.

It was Dallas' twenty-fourth victory in the last twenty-six home games.

Manager Hank Severid gave a story-book ending to the Longview and Houston game. In the fifteenth inning the Longview manager cracked a home run with two on to give his club a 7 to 4 victory.

Medwick, Houston outfielder and the league's leading hitter, saved the game three times for his nates by remarkable running catches but he had no chance in the fifteenth when Severid's mighty clout cleared the level field to break up a magnificent hurling duel between Wilse of Longview and Heusser of Houston.

Tyler's wee small voice from the Texas league cellar was heard when the Sports defeated San Antonio in a double header, 4 to 0 and 13 to 12.

RADIO REACHES MECCA MECCA, Aug. 22. (AP)—Pilgrims to this holy city of Arabia hereafter will be entertained by radio, a station having just been finished. The Moslem law barring infidels from the holy places held up the work until King Ibn Saud found a radio engineer in Egypt who was a Mohammedan.

The St. Louis Art museum possesses what is rated as one of the finest collections of Chinese art in this country.

ROB ROY AND STRATTON TO MEET AT NEXT RING BOUT

Ladies To Be Admitted Free To See "Beautiful" Man Of Strong-Arm Fame.

It will be ladies' night at the Plamor wrestling event on Wednesday of this week. Ladies will be admitted free to see a "beautiful" man. This Adonis of the squared circle will be Walter Stratton of Latonia, Ohio, a famous strong man who holds a number of weight-lifting records. He weighs 173 pounds and is perfectly developed. His opponent will be Roy Welch, who almost defeated Rob Roy in the main event last week. The Welch-Stratton bout will be the semi-final this week.

The main go will be between Rob Roy and Sammy George. George, a qualified roughing Belcher last week, will have his desired chance at the Pampa champion. George will be out-weighted 150 to 107 pounds, but he intends to let his hard fist make up for the difference.

The scoreboard was taken to Clearendon for the official tabulations, and the standing of the Caprock league will not be known for several days.

QUEEN HELEN NUMBER 2 IS NET CHAMPION

WITH MRS. MOODY IN EUROPE, JACOBS TRIUMPHS

By GAYLE TALBOT

FOREST HILLS, N. Y. (AP)—Helen Jacobs, the comely Californian who has answered to "Queen Helen," almost since she can remember, today occupied the women's tennis throne relinquished by Mrs. Helen Wills Moody.

With her long-time nemesis safely in Europe completing her art studies, Miss Jacobs crashed through to the title yesterday with a 6-2, 6-0, 6-1 victory over Little Carolyn Babcock of Los Angeles in the final of the national event.

Black haired Carolyn, who had proved a sensation by eliminating Mrs. L. A. Harper and Joan Ridley of successive days, collapsed almost completely in the final and offered the weakest kind of opposition.

By way of making her long-awaited success complete, Miss Jacobs paired with Sarah Falfrey of Sharon, Mass., to win the doubles championship from Alice Marble of San Francisco and Mrs. Marjorie Morrill Painter of Dedham, a.m.s., 8-6, 6-1. Again it was Helen's flashing racket that made the victory possible.

"PAMPA'S FINEST"

Sterilizing Of Fittest Deplored

NEW YORK, Aug. 22.—Two notorious feeble-minded American families whose relief ultimately cost the government \$2,000,000 annually could have been sterilized at the beginning for \$150.

Thus Theodore Russell Robie, M. D., of the Essex County Mental Hygiene Clinic, pointed out an American problem today to the third annual International Congress of Eugenics. "There are 1,000,000 to 2,000,000 mentally deficient in the United States," he said, "and 14,000,000 mentally below average intelligence. The seemingly insignificant two per cent mental defectives will multiply three and one-half times while superior population goes backward in reproduction.

"The female intelligentsia marrying have only one-third as many children as other classes and thus we are figuratively sterilizing the fittest."

Wisconsin Given Three Millions

WASHINGTON, Aug. 22. (P)—The Reconstruction Finance corporation today loaned Wisconsin \$3,000,000 and at the same time the Interstate Commerce Commission authorized the Baltimore & Ohio railroad to borrow \$31,625,000 more from the relief agency.

The Wisconsin loan was granted for destination relief in a number of counties. Governor LaFollette informed the corporation that 57 of the state's 71 counties needed federal funds to supplement local efforts. He had asked for \$6,414,865 to bolster state relief funds from Sept 1 to Dec. 1.

Private relief agencies were described as having done good work in the state.

"It is argued," the corporation board said, "that such private efforts and contributions be maintained and emphasis laid upon the fact that any federal relief funds made available under the emergency relief are not in lieu of but merely supplementary not only to local and state funds but to private contributions as well."

Commissioners To Equalize Values

County commissioners will begin sitting tomorrow as a board of equalization to fix valuations of petroleum properties in Gray County. Notices have been mailed to all oil companies to appear before the board this week. It appeared likely today that the hearing would continue all week.

Tom Cain, representative of the Thos. Y. Pickett company of Dallas, which fixes oil valuations in the county, arrived in Pampa last night, and will assist the Pampa Independent School district's board in an oil valuation hearing today. The school body has fixed valuations on most oil properties in the district, and expects to finish the evaluation work today.

The valuation of oil property in Gray county last year was approximately \$22,000,000. A decrease is expected this year.

NOTICE OF SHERIFF'S SALE

The State of Texas, County of Gray.

By virtue of an order of sale issued out of the 114th District Court of Gray County, Texas, on a judgment rendered in said court on the 25th day of July, 1932, in favor of Stuckey Construction Company, a Corporation, and against Robert T. Grigg, Mrs. Robert T. Grigg, Mrs. George Wellington Moore, D. E. Holt, and Ernest Grigg, in the case of Stuckey Construction Company vs. Robert T. Grigg, et al, No. 3136 in such Court, I did on the 15th day of August, 1932, at eleven o'clock A. M., levy upon the following described tract and parcel of land situated in the County of Gray, State of Texas, the property of said Robert T. Grigg, et al, to-wit:

All that tract, piece or parcel of land lying and being situated in the town of Pampa, Gray County, Texas, more particularly described as being all of Lots Six (6) and Seven (7) of Block Two (2) of the Cherokee Addition to the City of Pampa, Gray County, Texas; and on the 6th day of September, 1932, being the First Tuesday of said month, between the hours of ten o'clock A. M. and four o'clock P. M. on said day, at the Court House door of said County, I will offer for sale and sell at Public Auction, for cash, all the right, title and interest of the said Robert T. Grigg, Mrs. Robert T. Grigg, Mrs. George Wellington Moore, D. E. Holt, and Ernest Grigg in and to said property above described.

DATED at Pampa, Texas, this 15th day of August, A. D. 1932, LON L. BLANSCET, Sheriff of Gray County, Texas. Aug. 15-22-29.

NOTICE OF SHERIFF'S SALE

The State of Texas, County of Gray.

WHEREAS, by virtue of an Order of Sale issued out of the Honorable District Court of Potter County, Texas, in and for the 108 Judicial District of Texas, on August 2, 1932, by the clerk thereof, in the case of International Supply Company v. Oil Securities Company, Ltd., et al, No. 9373, to me as sheriff of said Gray County, Texas, directed and delivered, I will proceed to sell, at public auction as under prescription, within the hours prescribed by law for sheriff's sales, on the First Tuesday in September, 1932, it being September 6, 1932, at the places hereinafter designated, the following described personal and real property, levied on by me this 6 day of August, 1932, as the property of Oil Securities Company, Ltd., and Mutual Consolidated Petroleum Corporation, to satisfy certain judgments rendered in said cause, as hereinafter mentioned, said property being as follows, to-wit:

The oil and gas leasehold estate, and all rights thereunder, covering the East Half

(E-1/2) of the Northeast Quarter (NE-1/4) of Section 1, Block B-2, H&CN Ry. Co. Survey, located in Gray County, Texas, together with the oil and gas wells thereon, and all buildings, appurtenances and other personal property of whatsoever kind and character, located thereon and used in connection with the development and operation of said leasehold estate, and the oil and gas wells thereon, including, specifically, Two (2) 500 Barrel Low API Steel Tanks, with Two (2) sets of 2 inch Steam

Coils, and One (1) 500 Barrel Storage Tank, located upon said leasehold estate. The sale of the above described property and premises will be made by me as follows: First, the two 500 barrel Low API Steel Tanks, together with Two sets of 2 inch Steam Coils, will be sold at the location thereof, on the land above described; Second, the 500 Barrel Storage Tank, above mentioned, will be next sold at the location thereof on said land above described;

Third, the oil and gas leasehold estate, and all rights thereunder, covering the above described tract of land, the oil and gas wells thereon and all buildings, appurtenances and other property and equipment situated thereon and used in connection with the operation of said oil and gas wells, except said tanks above mentioned, will be next sold at the court house door of said county, at Pampa, Texas. The proceeds received from the sale of said above described property will be disbursed as follows:

First, to the payment of all costs attending such sale; Second, to the payment of all court costs; Third, the amount received from the sale of said two 500 barrel tanks, with two sets of 2 inch steam coils, above described, after deducting its share of all costs, shall be paid to the Cypress Tank Company, Inc., in satisfaction of said judgment rendered in favor of said Cypress Tank Company, Inc., in said cause, in the sum of Fourteen Hundred Thirty-five (1435.00) Dollars.

Fourth, the proceeds received from the sale of the 500 barrel storage tank, above described, after deducting therefrom his proportionate part of the costs, shall be paid to Rex Stegall, in satisfaction of the judgment rendered in his favor in said cause, in the sum of Twenty-one Hundred Seventy-five (\$2175.00) Dollars. Fifth, The proceeds received from the sale of said oil and gas leasehold estate, the oil and gas wells thereon and all other property above mentioned and described,

shall, after deducting their proportionate part of the costs, be paid, prorata, to the International Supply Company, L. W. Winkler and I. B. McQueen, and Pickering Lumber Sales Company, in satisfaction of their respective judgments rendered in said cause, in the sum of Nine Thousand Six Hundred Ninety-two and 78/100 (\$9,692.78) Dollars, in favor of said International Supply Company; Six Thousand Two Hundred Fifty (\$6,250.00) Dollars, in favor of L. W. Winkler and I. B. McQueen, and Three Thousand

four hundred twenty-five (\$3,425.00) Dollars, in favor of Pickering Lumber Sales Company. Any balance remaining after the payment of said judgments above mentioned, together with all costs, shall be paid to the Oil Securities Company, Ltd., and Mutual Consolidated Petroleum Corporation. WITNESSES: my hand, this 6 day of August, A. D. 1932. LON L. BLANSCET, Sheriff, Of Gray County, Texas. By J. F. ARCHER, Deputy. Aug. 8-15-22.

Bonuses To Those Having Children Of Merit Urged

By HOWARD BLAKESLEE.

NEW YORK, Aug. 22. (AP)—State paid bonuses for having children of good heredity were accepted at the third International Congress of Eugenics, which opened here today.

Failure of contraceptives to limit births of inferior children was asserted. Protection against immigrant genes even more dangerous to a nation than disease germs was suggested through laws permitting deportation of first generation children of newcomers in any country.

"Equivalence" of women instead of "equality" with men, clothing better suited to motherhood, a tendency in Europe for higher classes to have more children and sterilization of the unfit were mentioned.

The keynote of what the geneticists are fighting was struck in a statement by Theodore Russell Robie, M. D., that the "greatest single cause of mental degeneracy (50 to 65 per cent) is poor heredity."

State payment of \$50 monthly to parents of good heredity when their third child reaches its fifth birthday and \$10 more for each child in addition was advocated by Dr. Renato Kehl of Rio de Janeiro.

Deaths of children would be paid. He favored also high inheritance taxes for families with few children, with reductions for large families.

Income tax rebates to cover substantial portions of a child's education were suggested by Dr. J. Sanderson of Rotterdam.

These state allowances, however desirable, would almost certainly be too small to encourage the really gifted to have more children, said Bernard Mallet of London.

"The serious fall in the birth rate due undoubtedly to the spread of the knowledge of contraceptive devices," he said, is perhaps the most momentous social and biological phenomenon of our time; and it is impossible to imagine a world without alarm the effect of its probable development on the future of the race.

"Whatever objection may be felt to birth control on religious and social grounds, it cannot but be deplored that, from the nature of the case, the classes in which the use of contraceptive methods would be eminently desirable (the mentally unfit) are incapable of applying any means yet devised.

The insidious human genes sown by immigration were described by Dr. D. F. Ramos of Havana. Genes are living particles which would be eminently desirable (the mentally unfit) are incapable of applying any means yet devised.

Sister MARY'S KITCHEN

By SISTER MARY NEA-Service Writer

Since tomatoes are not only one of the easiest and most satisfactory vegetables to can, but also are the most valuable from the viewpoint of nutrition, every home-maker will find it an economy to can them in quantity.

Nutrition specialists at the South Dakota State College advise the serving of tomatoes four times a week. When fresh fruits and a variety of vegetables are lacking, canned tomatoes may be depended upon to supply vitamin C, so necessary for growth and health.

An insulated oven with temperature control provides equipment for the coolest method of canning tomatoes. A water-bath canner, pressure cooker, steamer or a waterless cooker, are all suitable for the canning of tomatoes and fruits.

To can tomatoes for general use, scald them by placing in a large pan and pouring sufficient boiling water over them to completely cover them. Let stand one minute and drain off water. Cover with cold water and slip skins. Cut out stem and hard core. Pack at once into hot, sterilized jars and add one teaspoon salt to each quart.

Four over boiling water or boiling tomato juice to cover, half seal and process in hot water for 25 minutes, over at 275 degrees F. for 45 minutes and steam pressure cooker at fifteen pounds pressure for ten minutes.

To can tomatoes whole, choose rather small, uniform, round ones. Use poorly shaped tomatoes to make juice. Scald tomatoes carefully if they are allowed to stand in scalding water too long they will be soft.

Cut whole tomatoes carefully in sterilized jars. Cut other tomatoes in small pieces and simmer about 20 minutes. Steam and pour hot over tomatoes in cans, filling cans perfectly full. Half seal and process in oven at 275 degrees F. for 45 minutes. It's a good idea to place the cans in a large dripping pan of hot water. Do not let cans touch each other.

Tomato juice fills an important place in many menus these days. Even babies are given tomato juice, and when economy must be practiced tomato juice can take the place of orange juice.

Scald tomatoes as usual and cut in pieces. Put in preserving kettle, cover and bring quickly to the boiling point. Crush with a wooden potato masher and cook ten minutes. Strain through fine wire sieve or put through a colander and then strain through a cheesecloth bag. Pour into sterilized jars, adding one-half teaspoon salt to each quart, half seal and process for 45 minutes in oven heated to 275 degrees F. or 25 minutes in hot water bath.

To can tomatoes for soup, scald and cut in pieces as in preceding rule. To each quart of cut tomatoes add 1-4 cup chopped onion and one-fourth cup chopped celery tops. Simmer 20 minutes and rub through a coarse sieve. Put into sterilized jars, adding 1-2 teaspoon salt to each pint, half seal and process for 45 minutes in oven at 275 degrees F. or hot water bath for 25 minutes.

Remember that details count amazingly in canning. Be sure that jars and covers are smooth and free from bubble holes and cracks. The covers must make a perfect seal and irregularities in either the rim of the cover or the top of the jar will prevent this.

My Beauty Hint

By HELEN VINSON

Lovely hands are a perfect index to good breeding, character, and careful grooming. They can't be kept lovely if there is the slightest tendency of the nails to split or crack.

I soak by fingertips nightly in hot oil—preferably, olive oil as hot as my skin will stand. I hold my fingers in it ten minutes or longer.

Then, drying the hands on a soft towel without washing off the oil, I find the cuticle soft, the nail less brittle.

HOW'S your HEALTH

Edited by the New York Academy of Medicine

DIET AND PSORIASIS Psoriasis, which affects the skin, giving rise to chronic scaly patches, has been an enigma to the medical profession.

There is no definite knowledge as to its cause nor yet any established method for curing it. There are many remedies available for the treatment of psoriasis, which will cause the scaling to diminish and the condition to become quiescent, but these are merely remedies, not cures.

Recently Professor Schamberg of the University of Pennsylvania brought forth renewed arguments in favor of a low protein diet in the treatment of psoriasis. Professor Schamberg does not claim this treatment to be a cure, but he does maintain that his own clinical experiences and the experiences of others who have applied his method have demonstrated its worth.

The reasoning upon which he bases his treatment is somewhat as follows: In psoriasis, the skin cells multiply rapidly. For this growth the cells require building material. The building material required by these cells is protein.

A diet rich in protein is therefore prone to stimulate the skin cells which appear to be affected by a powerful growth impulse. On the other hand, by keeping the patient on a low protein diet a condition is brought about in which no protein can be supplied to the rapidly multiplying cells of the skin.

The low protein diet which Professor Schamberg recommends is not safe for common application. The patient must be under the care of a physician and preferably in a hospital.

The protein content of the foods which the patient consumes must be measured carefully. In so stubborn a disease as psoriasis any promising method of treatment might be justly followed and its worth tried; hence Professor Schamberg's proposal will undoubtedly be tested further.

Roosevelt Has Drawn Criticism

WASHINGTON, Aug. 22. (AP)—A barrage of criticism from political foes descended today upon Franklin D. Roosevelt today for utterances in his campaign of last Saturday at Columbus.

Prominent republican spokesmen were joined by Norman Thomas, the socialist presidential candidate, in pressing upon Roosevelt inquiries as to why, as governor of New York, he had not already instituted the reforms in stock exchange and bank regulation which he espoused at Columbus.

In addition, the state department accused him of insinuating the department has "assisted the bankers in the past" by passing on or approving foreign loans. It again denied this activity and said "it would be interesting to know whether Mr. Roosevelt intends to revive this long since discredited story."

Roosevelt's speech had promised that if he were elected it would no longer be possible for international bankers to sell foreign securities in this country "on the implied understanding" that they had been passed upon at Washington.

MRS. HILL MAY REPEAT PEORIA, Ill., Aug. 22. (AP)—Mrs. Opal Hill of Kansas City started out after a second consecutive women's golf association championship today, leading the qualifying field away in company with James Well-ler of Chicago on the Peoria Country club course.

Mrs. Hill yesterday sharpened up for the test by shooting an 83 over the par 79 course. Against the Kansas City star were arrayed more than 100 players, including Mary K. Browne of Cleveland, a tennis great of other days.

Forty-eight per cent of the total United States output of standard typewriters, according to commerce department figures, was shipped to foreign markets in 1931.

PICKEREL IS SOLD TO PHILLIES NINE PHILADELPHIA, Aug. 22. (AP)—Purchase of Pitcher Clarence Pickerel from the Fort Worth club of the Texas league for delivery next spring was announced last night by Gerald P. Nugent, business manager of the Philadelphia Nationals.

Pickerel is 21 and a right-hander and until injured recently he had won six of eleven starts. Nugent said that the Phillies gave the Fort Worth club the contracts of two players sent there earlier in the season and additional cash for the new pitcher.

Louisville Youth Has National Title

LOUISVILLE, Ky., Aug. 22. (AP)—On the youthful brow of Arnold Simons of Louisville the National Public Parks tennis crown rested today.

The 23-year-old Kentuckian, playing his third year in the tournament, gave 34-year-old Ted Drees of St. Louis, four-time champion, a lesson in tennis yesterday in the finals of the men's singles at Shawnee park here. The score was 2-6, 6-4, 6-2.

Other winners in the tenth annual tournament were Men's doubles, Gordon Braudt and Carl Irenaus of Chicago; women's singles, Helen Germain of New York; women's doubles, Mrs. Virginia Dueker and Mrs. Ann Lindemann of St. Louis.

Former Champion Extremely Sick

NEW YORK, Aug. 22. (AP)—A heart condition has sent 60-year-old Joe Walcott, former world's heavyweight champion, to Bellevue hospital.

The "Barbados demon" of 30 years ago collapsed on the street yesterday and was taken to the hospital where the diagnosis was "arterio sclerosis and senile psychosis."

But the aged negro, called by many experts the greatest fighter of his weight in boxing history, is not worrying overmuch. "I've had these attacks before," he said. "Maybe I'll be all right in a couple of days."

Walcott has been living for some time in the unlighted basement of a building on West 37th street, maintaining himself on the small sums he could pick up as a referee or an instructor to Harlem's ring aspirants.

At the peak of his form, Joe took on lightweights to heavyweights indiscriminately although he tipped the beam at no more than 137 pounds.

Six Nations Are After Net Titles

NEW YORK, Aug. 22. (AP)—Tennis stars of six nations will seek the national singles tennis crown, now held by Ellsworth Vines, at the West Side club September 3 to 10, inclusive.

For France the burden will be carried by Henri Cochet and Alfred Bernard with the former seeking the title for the second time. He won last in 1928. The British threat will be furnished by H. W. Austin, Fred Perry, J. S. Oliff, and E. R. Avory.

Japan will be represented by T. Kuwabara and Jiro Satoh; Italy by Giorgio de Stanti, and Canada by Marcel Rainville and Gilbert Nunn, among others. Cochet, Austin, de Stanti and Kuwabara are the No. 1 ranking players of their countries.

Vines heads an American defense which includes Frank Shields, John Van Ryn, Wilmer Allison, George Lott, Cliff Sutter, Sidney Wood, Gregory Mangin, Berkeley Bell, Frankie Parker.

Amos Alonzo Stagg, 70-year-old University of Chicago football coach, never plays tennis on Sunday, though he is an ardent enthusiast.

King Tut, Minneapolis welterweight, started his sport career as a circus wrestler. His real name is Henry Tuttle.

Luke Appling, Chicago White Sox shortstop, had a concurrent hit-and-error streak in which he hit safely in 23 out of 26 games and made errors in nine out of 15.

Doubles Crown Again In Jeopardy

BROOKLINE, Mass., Aug. 22. (AP)—It was Johnny Van Ryn and Wilmer Allison against the field today as the top-notch tennis campaigners for four nations opened the canningballings for the national doubles championship at Longwood.

Allison and Van Ryn, who hold the national crown along with most all the brighter garlands of doubles competition, top the American seeded team and the foreign list is headed by Henri Cochet and Marcel Bernard.

Ellsworth Vines and Keith Gledhill, who two days ago took the measure of the 1931 champs in the Newport Casino doubles final, were back on the firing line along with Gregory Mangin and Berkeley Bell and the Frank Shields-George Lott combination.

Dr. Clarence Spears, now football coach at Wisconsin, has announced that he will make no cuts from the varsity squad. Any player may remain on the squad as long as he wishes.

Hollywood Sights

By HOBBS COONS

HOLLYWOOD—By all rights the most thoroughly frightened young lady in Hollywood should be Fay Wray.

That she isn't is due perhaps to the excellent reasoning that the thrills and terrors to which she has been subjected lately are all synthetic—a fact that we a k-hearted movie patrons would do well to keep in mind as they brave the macabre celluloid of "Doctor X."

Fay Wray, who won her first movie break because she burst into tears when Erich von Stroheim told her she wasn't good enough to act in his "The Wedding March," in all three of these new films plays the girl beset by terrifying dangers.

They are roles which, casually, one might dismiss as requiring no acting ability. But when you consider how easily such a part might be over-acted, how one screams too loud or too shrill might spoil a scene, you'll give Fay a laurel for unusual restraint.

Suspense And Terror "The Most Dangerous Game"—adapted from Richard Connell's famous short story and directed by the jungle king, Ernest Schoedsack—easily tops all previous screen horror pictures for suspense and terror, and is technically a beautiful job.

But that being true the next question is: Who's going to carry the audience out? That may be solved, perhaps, by pointing out that the man-hunt scenes are simply another version of the old reliable "chase" used since the early days of pictures, that Mack Bennett founded his comedy reputation on it, and that well it's just a moon-pie after all. But will that make it any less nerve-racking?

No Work—No Worry Allan Vincent, young stage actor, temporarily "between pictures," was philosophical about it the other day when we saw him.

"I may not be working today," he said, "but I've got two horses from my ranch each drawing \$15 a day from Universal."

Quality:— There is plenty of demand for good merchandise—fabrics that will wear—merchandise that will stand up—that will be worth the price you pay for it. The intelligent customer is fed up on cheap goods, cheap prices, the so-called bargain "Ballyhoo" minus the quality they expect. MURFEE'S INC. have steadfastly refused to be drawn into the whirlwind of cheap merchandise at a cheap price. No store ever progressed and grew with "Price" its only objective, no matter what the quality. Careful intelligent buying on our part enables us to offer you Quality Merchandise at the price you want to pay, and quite often for less than so-called bargain prices. We are not building for today nor tomorrow, but for... 1933—1934—1935 and the years to follow. Respectfully, H. L. POLLEY, Sec'y and Mgr. MURFEE'S Inc. "PAMPA'S QUALITY DEPARTMENT STORE"
