The last game has been played, but the football season of discussion won't be over until the district passes on Pampa's claim to next year's Pampa-Amarillo game on Thanksgiving.

The Panhandle wheat crop planting is reported one-quarter less than last year. And this, strangely enough, is something to mention on Thanksgiving.

Harassed coaches, who lost many pounds thinking up alibis for losses, will now regain their normal weight.

An Oklahoma farmer has three cows which brought twins in the last month. Statistics continue to point to economic improvement.

When president and president-elect get together so soon after an election, it surely indicates the triumph of civic ethics—or does it?

Sometimes we think it is a question as to which suffers most in hunting season—the hunters or the ducks.

Is the saloon coming back in Texas? And if so, by what route? In this connection, we quote our friend Judge E. I. Hill of Lynn county:

"In 1919 the people of Texas adopted an amendment to the state constitution prohibiting the manufacture, sale, barter, and exchange in the state of spirituous, vinous, or malt, liquors or medicated bitters capable of producing intoxication, or any other intoxicant whatever, and fixed the penalty for a violation of the same at 1 to 5 years in the penitentiary.

"Following adoption of this amendment, the legislature in the same year, and in pursuance of this amendment, passed what is known as the Dean law, which made it unlawful for any person, directly or indirectly, to manufacture, sell, barter, exchange, transport, export, receive, deliver . . . any spirituous, vinous, or malt liquors, or medicated bitters, or any potable liquor, mixture, or preparation containing in excess of 1 per cent of alcohol by volume. This law is still in force in Texas substantially as originally passed.

"Then in 1920, enough of the states ratified the prohibition amendment to the federal constitution known as the Eighteenth amendment, to put it into operation. In the same year, the Volstead act was passed by congress prohibiting the manufacture, sale, exchange, etc. of spirituous, vinous, and malt liquors containing in excess of one-half of 1 per cent of alcohol by volume.

"Before intoxicating liquor can be legally sold in the United States, the Eighteenth amendment must be re-submitted to the states by two-thirds majority vote in congress, and repealed. And even then, intoxicating liquors could not be legally sold in Texas unless and until the people of this state should repeal the prohibition amendment. Such repeal would likely take much time if it could be accomplished at all. . . . Both the Volstead act and the Dean law could be repealed, but this would be virtual and certainly illegal nullification of the federal and state constitutions. Both wets and dries are organizing

I HEARD--
That Dr. Archie Cole and Dr. W. Purviance, two of the best shots in the Pampa rifle club, had considerable difficulty getting their quota of deer last week. It seems that Dr. Purviance had to drive his through a small lake before he got it and that Dr. Cole had to have a cowboy head his off and send it back past him. Both were successful, however.

The Junior chamber of commerce members agree to pay 10 cents into a fund every time the word "DEPRESSION" was mentioned. The member making the break will have to donate. Also that the member calling another member "MR." will also contribute a similar amount.

IN REPLY TO YOUR WIRE BE DELIGHTED MAKE TRIP TO PAMPA DECEMBER 8 TO GREET MY LITTLE FRIENDS STOP GREATLY ENJOYED LAST YEAR'S VISIT STOP WILL MAKE IMMEDIATE PLANS FOR TRIP STOP TELL ALL CHILDREN OF YOUR TERRITORY MEET ME STOP (Signed) SANTA CLAUS.

Here's great news for the children of the Pampa territory—Santa Claus is going to make another pre-Christmas journey to Pampa under the auspices of the Junior chamber of commerce, and he last night accepted the suggested date of December 8, which is on Thursday.

In appealing to jolly Old Santa Claus for an early visit, President Jim Collins of the Junior chamber pointed out that many children are having a hard time of it during the depression and should have special attention this year. The early trip will give Santa Claus a chance to look over the situation and learn what the plains children need and wish.

No Depression There!

Santa Claus' factories have been busy all year turning out toys for "there is no depression in Santa Claus land. Samples are being sent to Pampa stores, where the children may inspect them so they will be able to tell old St. Nick—in person—what they want this year. Santa Claus made arrangements with the Pampa Daily News months ago for this newspaper to be his representative in telling the children about his toys and in receiving letters written to him by the little tots.

Second Group of Jobless To Begin Work Thursday

The second group of unemployed men to be given work through the Federal relief money received her last week, will work Thursday and Friday, according to Charlie Muller, foreman in charge. The men will be given employment by the city in cleaning up streets and lots, working on the park and other necessary undertakings.

Bill Ponder Is Freed on Bond

SAN ANTONIO, Nov. 22. (AP)—W. T. (Bill) Ponder, world war flying ace charged with smuggling alcohol into the United States from Mexico by plane, was released from the Bexar county jail today after friends and his father signed a \$4,000 bond.

Ponder was captured by flying customs officers several days ago after his plane had been chased from the border to a landing field near San Antonio, where he was forced to ground his ship. Customs officers said the ace's ship was loaded with contraband alcohol.

After his release from jail, Ponder left for Fort Worth with Tom Poyner, Fort Worth insurance dealer, and his brother, R. C. Ponder. Poyner was one of those who signed the bond.

KELLY SUFFERS NECK FRACTURE IN CAR MISHAP

Auto Overtakes 14 Miles South of Pampa

M. L. Kelly suffered a neck fracture when the car in which he was riding turned over on the Clarendon road about 14 miles south of Pampa last night. Mrs. Kelly was driving the car when it struck a soft shoulder of the road. She guided the car back into the road but it struck the shoulder on the opposite side and turned over.

Mr. Kelly did not appear to be seriously injured and was able to return to Pampa in the car after it had been righted by a passing truck. Stopping at a Garage, Mr. Kelly

Season of Early Shopping and Early Mailing Arrives—Here Is Valuable Information on Topic

Readers are reminded today that there are but 27 shopping days before Christmas eve. It is not too early to "shop early" and "mail early."

During holiday time, the volume of mail increased about 200 per cent. It is obviously impossible to handle this huge increase efficiently in a few days, hence the movements to encourage early shopping and early mailing to spread the load over a longer period.

SPEAKER SAYS HOUSE TO ACT IN APPROVAL

PRESIDENT DENIES HE SAID HE WOULD NOT VETO MEASURE

MORE TAXES ARE SEEN

GARNER FEELS BUDGET WILL BE BALANCED QUICKLY

WASHINGTON, Nov. 22. (AP)—Speaker Garner told newspapermen today that in his opinion "the house will pass a beer bill at the short session," but refrained from any forecast as to the probable time.

Garner said also that with a beer bill and reductions in government expenses it might be possible to secure a balanced budget without passing other forms of taxation.

Asked what percentage beer he favored, the democratic vice-president-elect, said "within the constitution."

"About 2.75 or 3 per cent?" he was asked.

"Somewhere around that," Garner replied.

The speaker has a "guess" that legalized beer for revenue would bring in \$250,000,000 to \$300,000,000 annually.

Meanwhile, at the White House aides to President Hoover said that President Hoover had declined to discuss beer and to accompany him to the White House yesterday with Representative Britten (R., Ill) and that he had neither affirmed nor denied that a veto would be given any beer bill that congress enacted.

After meeting with the president yesterday, Mr. Britten said he had taken up beer legislation with the president, and predicted Mr. Hoover would not veto a beer bill.

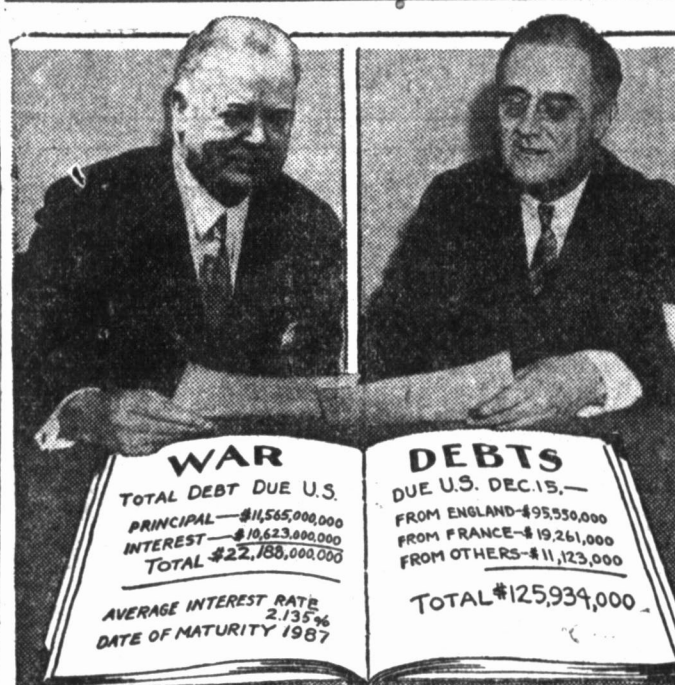

Garner said Governor Roosevelt had requested him to meet him before the debt conference with President Hoover and to accompany him to the White House.

"I'll do what Mr. Roosevelt has requested," Garner said.

Garner has opposed any cancellation or reduction of the war debts and opposed the Hoover moratorium last year.

Bids for Pampa's new federal building will be opened in Washington Monday afternoon, and it is believed locally that the contract will be let without delay. Applications for bids were published one month ago.

HOT CAMPAIGN IS FORGOTTEN?

CHIEF WARNS OWNERS TO KEEP CARS IN GARAGES IN ORDER TO PREVENT THEFTS FROM AUTOS

Citizens Blamed for Not Cooperating With Police

The city police department has been receiving several complaints about petty thefts from automobiles at night and getting the blame for not being on hand to stop the thieves.

It didn't take the chief long to find out that it was the car owners' fault and not the fault of the police in most instances.

"What good are garages if cars aren't put in them," the chief wondered this morning in discussing his findings with City Manager C. L. Sime.

The chief kept many names and addresses during his drive. He is wondering how long it will be before some of the persons go to the office and tell of the inefficiency of the police department in not protecting their property.

Mills Funeral to Be Held Tomorrow

Funeral services for Lewis H. Mills, 36, employee of the Cabot company who died in a local hospital Sunday afternoon, will be held tomorrow afternoon at 4 o'clock at the First Baptist church under the direction of G. C. Malone funeral home with the Rev. C. E. Lancaster in charge. Burial will be in Pampa cemetery.

A sister, Mrs. Nettie Sherrod of Marshall arrived in Pampa today. Mr. Mills had been a resident of this community for five years. He was a tinsmith at the Cabot shops near Kingsmill. He is survived by a brother Edgus, Mills of Kingsmill and two sisters, Mrs. Estelle Kirby and Mrs. Sherrod.

SAN ANTONIO, Nov. 22. (AP)—Tortured and brutally beaten by a man who entered her home early today to seek the hiding place of her savings, Mrs. Regina Wolfel, 74, survived an ordeal which left her unconscious in her bedroom for more than two hours after the invader had departed.

CLEVELAND, Nov. 22. (AP)—Two persons were shot to death and the alleged slayer, Abraham Auerbach, "master mind" of a nationally notorious alcohol conspiracy, was wounded here last night in a mysterious fight in a speakeasy. Three other persons were wounded, two killed were Mr. and Mrs. Sam Grossman, who owned the place, police said.

PHOENIX, Ariz., Nov. 22. (AP)—Winnie Ruth Judd, convicted Arizona "trunk" murderer, has made her last fight to escape the gallows, but due to a crowded court calendar, the Arizona state supreme court will be unable to act for at least two weeks on her final appeal.

WASHINGTON, Nov. 22. (AP)—The cotton spinning industry was reported today by the census bureau to have operated during October at 97.9 per cent of capacity, on a single shift basis, compared with 94.6 per cent for September this year and 85.1 per cent for October last year.

Brotherhood Class Eat Turkey Tonight

A turkey dinner with Thanksgiving trimmings is in store for members of the Men's Brotherhood of the Presbyterian church this evening.

Jack Dever will be in charge of the program, which will include the Thanksgiving theme. The dinner will start at 7 p. m. in the church annex.

J. W. Agee of Alameda is here attending court.

Turkey Dinner for Family of 5, With All Trimmings, Can Now Be Bought for as Little as \$4.17

Food is cheaper this year, hence holders of Pampa purse-strings can buy all that is necessary for a family-of-five's feast for as little as \$4.17, assuming that the Thanksgiving dinner will be prepared and served in oldtime splendor.

For many, this will of course be impossible, but others ordinarily frugal will make this meal the largest of the year. To some will be given the specially prepared dinners furnished by individuals and welfare organizations. To all there is thankfulness that the essential turkey day foods, including the royal bird himself, are cheaper this year. The \$4.17 in 1930 would have been short by more than \$2 in purchasing the foods for the menu.

Attorneys Argue Main Issues in McWright Trial

Lengthy arguments in the damage suit of Lemuel McWright against the Panhandle & Santa Fe railroad were to start in 31st district court this afternoon. Each side was to have 1 1/2 hours or more for the argument.

Testimony was closed and the judge's charge prepared after 11 p. m. yesterday. Today the attorneys were studying about fifty interrelated issues which the jury must answer if it gets that far in its deliberations. One of the main issues is whether an ordinarily prudent man would have attempted to cross the Santa Fe railroad here at the time of the accident. Another issue concerns whether there was a flagman present. Many issues concern allegations of negligence on the part of the defendant and the plaintiff.

On account of the illness or absence of attorneys, other civil cases set for this week will not go to trial, and the jury panel has been dismissed by Judge W. R. Ewing.

Three jurors present for duty in county court today included J. W. Agee, Alameda; H. W. Beall, Pampa; W. H. Blakney, Alameda; W. J. Carruth, Pampa, Pampa; S. C. Barrow, Pampa; R. L. Brauseum, Pampa; W. W. Bostwick, Pampa; Allen Hoyt, Pampa; T. D. Alford, Pampa; L. L. Allan, Pampa; Tom Bell, Pampa; H. B. Barker, Pampa.

JOY IN THE JOB!

It would be hard to think of a more laborious job than the one Rex Brasher finished not long ago. Brasher set out, more than 40 years ago, to compile an exhaustive reference work on American birds.

After an incredible amount of travel and hard work, he did what he set out to do, and completed a 12-volume set containing paintings of more than 1,200 birds.

An even passable reproduction of the 12 volumes, he was told, would cost around half a million dollars; and even then it would not be really satisfactory.

When you stop to figure out the amount of sheer drudgery involved in painting 1200 pictures of birds and then multiply that by 100, you can begin to get a faint idea of the nature of the task this man set himself.

Well, he finished it a month or so ago; and you would imagine that he drew a great breath of relief to get this tedious 40-year job off his hands. But he didn't. Instead, he felt that the actual completion of his work was the most tragic thing that ever happened to him.

You would have to hunt a long time to find a better illustration of the way native enthusiasm can turn hard work into fun.

That is a secret most of us never discover. We feel sorry for ourselves because we are over-worked—and forget that whether we are over-worked depends entirely on how much we like our jobs.

Conservation of game birds has everyone's approval, but from the way the states are lining up behind the 20th amendment, 'lame ducks' are out of luck.

It's not only the stew that staggers. Jig-saw puzzles will get you that way.

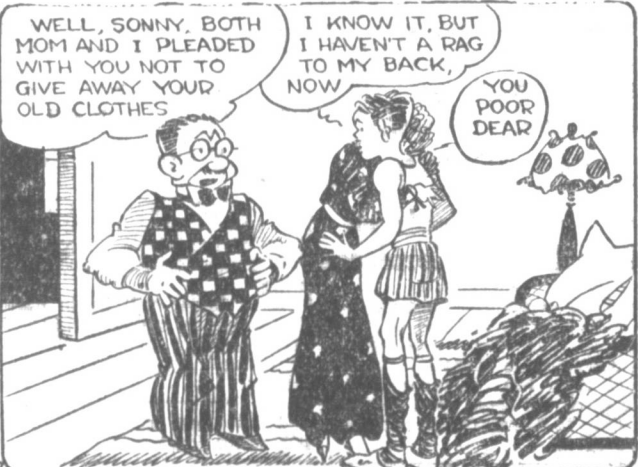

With liens levied on his personal effects, maybe Jimmy Walker, New York's former mayor, will make some inquiries into Gandhi's budget for food and raiment while he's in India.

Filling stations took a lot of the corners when the saloons went out. And, of one sort or another, they'll have still more of them if the case is cancelled on the 18th amendmnet.

The Soviet professes to have more jobs than workers. One of them seems to be getting Uncle Sam's recognition.

The trouble isn't that small boys have no mark to shoot at these days, but the snow won't always pack.

Vol. 2. PAMPA HIGH SCHOOL, NOVEMBER 22, 1932. NO. 8

Program on Book Week Furnished By Library Club

In observance of National Book Week, the library club furnished the program for the high school P. T. A. last Thursday afternoon. New books recently received and posters illustrating books were on exhibit in the library during the meeting.

Miss Ruth Siddons, sponsor of the library club, made a talk on the development of children's literature and then turned the program over to the president, Harry Rockwell, who welcomed the school patrons and teachers before announcing the speakers. Josephine Lane gave a talk on the history of printing. Edmund Whittenburg spoke on the value of good literature. Jim Stone talked on tests for judging books.

After the meeting members of the club explained the exhibits to the patrons.

Gerhart Addresses School Students

"Carrying Joseph's Bones" was the subject of a talk by the Rev. Mr. W. P. Gerhart at chapel last Wednesday, and Coach Mitchell declared that "Broken Bones" might also be a fitting subject—after the Lubbock game.

Coach Mitchell, Supt. Fisher, and Mr. Stone all expressed their admiration of the boys for the fight they put up against Lubbock, and announcement were made concerning the game with Quanah.

The orchestra, seated on the stage, played several numbers. "Pop" Frazier offered a reward of ten dollars for the return of two clarinets recently taken from the band room, and Mr. Fisher made similar offers for the return of two desk-pen sets taken from his office.

On account of six-weeks examinations now in progress, no chapel will be held tomorrow.

FRAZIER NEEDS TROMBONE AND CLARINET PLAYERS—NOT 'SAX' BLOWERS—FOR ORCHESTRA-BAND

The band and orchestra have been working hard since the football season is over, and are now studying overtures and classical music, including "Gala Night" and "Royal Highway." Several additions have been made to each of these organizations, making the band membership 40 and the orchestra 20.

R. E. "Pop" Frazier, director of the band and orchestra, teaches every band and orchestra instrument except the violin. To students furnishing their own instrument "Pop" will give lessons free. To quote "Pop": "Any parents wishing to give their children band or orchestra instruments for Christmas, please give them a trombone or clarinet, not a saxophone. My supply of saxophone players is ample enough to last the next four years."

An Orchestra and Band Mothers club is to be organized after Christmas. This club will be composed of the mothers of students in the band and orchestra and will meet once a month.

Gorillas Plan Cage Conquests

After a smashing win in football of 26-7 over Groom, the Gorillas checked in their suits Monday and turned toward the battling tactics of the basketball court.

Throughout this year the Gorillas have been defeated three times and have won four games. With a tie game in the balance, the team truly deserves the name the "Fighting Gorillas."

A Gorilla squad, probably under Coach "Knute Rockne" Moore will, as in football, play some of the teams in this district of lesser importance, yet ranking in class B tournaments.

Albert Lane has been out of school with a broken ankle.

Class Sponsors Are Chosen by Advisory Board

Sponsors of the various classes were announced yesterday morning by Mr. Stone. Class sponsors were selected by an advisory board consisting of the heads of the departments. A chairman and two or more assistants were named for each class.

Miss Fannie May was chosen as chairman of the senior sponsors, with Mr. Workman, and Miss Z. McFarlin as associates. For the junior class, Miss Louise Durrenberger was selected chairman with Mr. Gordon and Mr. Mitchell assistants. Mr. McDonald was made chairman for the sophomore class, and Miss Latimer and Miss Siddons assistants. Mr. Moore will be assisted in sponsoring the freshman class by Miss Perry, Miss Rice, Miss Brannon, and Mr. Lester.

Sponsors will work with the class officers in planning and directing class activities. It is urged that each class present to the advisory board a calendar of the year's activities and gain its approval before any class affairs are held. Class meetings will probably be held early next week so that class activities can get under way immediately.

DID YOU KNOW—

AMARILLO MYSTERY CLEARED
AMARILLO, Nov. 22. (AP)—Receipt of a report here that Jack Jones had been killed in a car accident near Glimmer cleared up records in Judge Henry S. Bishop's criminal district court, where Jones had been summoned as a witness. When the court called the case of Hollis Paton, charged with driving while intoxicated, one attorney accused another with "running Jones out of the state." Judge Bishop reprimanded both, and fined Jones \$60 for his absence. The case was continued.

Chesterfields are Milder

Chesterfields Taste Better

As smokers become more experienced, they demand milder cigarettes. *Chesterfields are milder.* Their mildness is just as much a feature as the beauty of their package.

The tobaccos are mild to begin with. Patient ageing and curing make them milder still. And Chesterfields contain just the right amount of Turkish—not too much—carefully blended and cross-blended with ripe, sweet Domestic tobaccos.

Chesterfields are milder. They taste better. That's why "They Satisfy."

THIS CURIOUS WORLD

THERE ARE NO BONES IN SHARKS

CARTILAGE TAKES THE PLACE OF BONE IN ALL MEMBERS OF THE SHARK FAMILY.

A NATURAL CORN COB PIPE, GROWN BY JOHN BELCHER, RAYMORE, MO.

ONE SIXTH OF ALL OUR LUMBER GOES TO MAKE BOXES AND CRATES.

ALTHOUGH the shark is a true fish, it seems more nearly related to mammals in some respects. It has more love for its young than is generally found among the fish tribe. The shark family is a large one, there being many forms, the largest reaching a length of 45 feet. Contrary to common belief, only a few of the many species are dangerous to man. The white shark is, perhaps, the most dangerous, while the large basking shark is absolutely harmless.

WHAT A NECK AND A CHEST!

Kopeccky's Opponent Wears 20-inch Collar and Has 46-inch Chest.

A strong man is seldom a good wrestler, but that cannot be said about Ted Travis of Los Angeles, present holder of the Pacific coast light heavyweight belt, who will meet Joe Kopeccky at the Pla-Mor Auditorium tomorrow night. Both Dutch Mantell and Rob Roy declare that Travis ranks with the top-notchers.

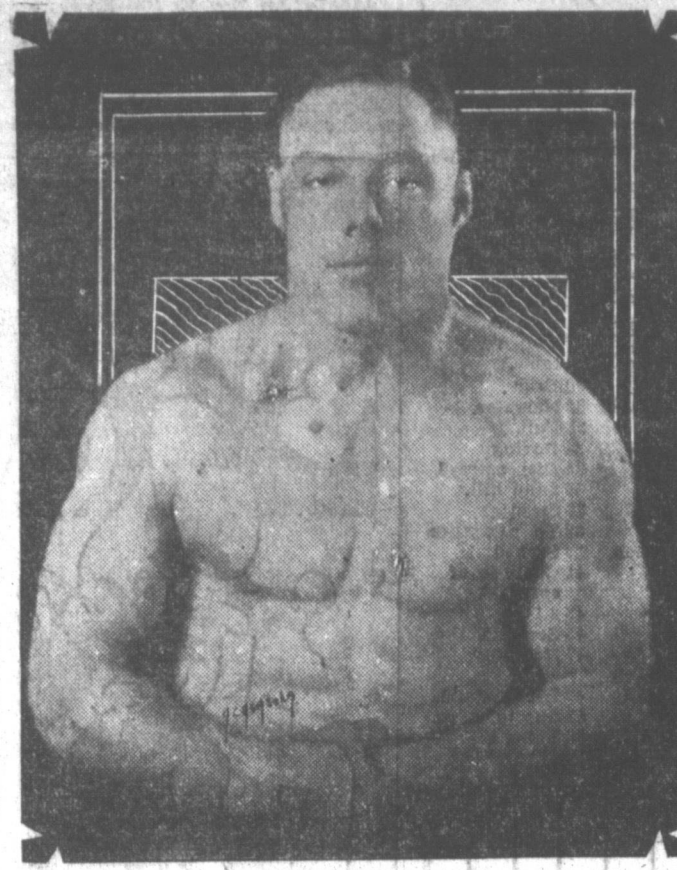

He is one of the biggest little men in the game. He is only 5 feet 7 inches tall, but boasts a neck that takes a 20-inch collar. His chest, normal, measures 46 inches, while his waistline is only 30 inches. He is fast and tough, advance reports say. Tomorrow night will be his first appearance in the Pampa-Amarillo fight.

Str Joseph of the house of Kopeccky will come to Pampa with blood in his eye. He tried to get around meeting the Californian but was reminded that he made a public statement that he would meet all comers this fall if he could get another chance at Otis Clingman, local boy, who stepped out of his class to throw the great Kopeccky before leaving for Ohio for a number of engagements.

The semi-final may bring Dick Stallworth, Amarillo's boy marvel, and another good lad together. Stallworth is one of the greatest young wrestlers in the country. He is fast, strong and knows as many holds as a veteran. He is a find of Rob Roy and Dutch Mantell.

Other good numbers will also be on the big card. Tickets are going fast at the City Drug Store.

KOPECKY'S NEXT OPPONENT

TED TRAVIS

Ted Travis of Los Angeles will be Joe Kopeccky's opponent at the Pla-Mor Auditorium tomorrow night. Travis is one of the best built men in the wrestling game. He has massive shoulders and a small waist that should be able to stand Kopeccky's body scissors. His legs will be short enough to thwart Joe's drop toe holds, fans believe. Good preliminaries will open the big card.

Sandie-Westerner Seats Going Fast

Reserve seats for the Amarillo-Lubbock football game on Saturday field, Amarillo, are going fast at the office of Joe Smith in the court house. The tickets are \$1 and are on the east side of the field, with the Lubbock crowd.

The winner of the important game will be declared district I champion and will meet the winner of another district next week for bi-district honors. Lubbock won the coveted title last year by winning a three-way tie which resulted during the regular schedule.

Amarillo is hoped as the winner of Thursday's big game, but the hope has been useless in most instances this year. The game is scheduled to start at 2:30 o'clock. The same officials who were on the field for the Pampa-Amarillo tilt will handle the game Thursday. Sweeney will be referee, Sears headlinesman, and Kimbrough umpire.

Buffaloes Tied For Third Place In T. I. A. A.

A new schedule of games was made today in the Texas Intercollegiate Athletic association. Instead of Sul Ross and the Texas A. and I. teams clashing Thursday at Alpine, the Texas A. and I. Javelinas will play McMurry college Saturday at Corpus Christi. Sul Ross called off Thursday's scheduled game with Texas A. and I.

The game with McMurry will enable Texas A. and I. to make a closing bid for the association championship. The Javelinas are leading the race with three victories and no defeats or ties, however they were in danger of losing their chance at the title because of an unrepresentative schedule when Sul Ross cancelled. The last minute game with McMurry provides Texas A. and I. with the required fourth championship game. This will be the final 1932 T. I. A. A. game.

The conference standing:
 Team W L T Pct.
 Texas A. & I. 3 0 0 1.000
 Sul Ross 2 0 1 .875
 W. T. S. T. C. 3 0 1 .875
 McMurry 2 2 0 .500
 A. C. C. 0 4 0 .000
 Daniel Baker 0 4 0 .000

This week's conference games:
 Thursday at Abilene—Daniel Baker vs. Abilene Christian.
 Saturday at Corpus Christi—McMurry vs. Texas A. and I.

Lone Star Loop Leaders To End In Death Fight

The Lone Star conference's first football campaign was within a few hours of the finish line today. Two of the remaining hours probably will contain more action-packed minutes than any other cross section of the conference championship race.

The Bobcats of San Marcos Teachers college and the Eagles of North Texas Teachers college ring down the curtain on the conference championship chase today at Denton. Both are undefeated and untied in conference competition. Out of their battle tomorrow will come the 1932 Lone Star conference champions.

San Marcos embarked Monday for Denton. The Bobcats spent the night at Fort Worth and invaded Denton early this morning. Both clubs are in fine physical shape for the championship battle which will start at 2:30 o'clock. If North Texas holds an advantage, it is in the forward wall, and on'y in spots there. San Marcos has not defeated a Denton team since 1927, or since Jack Sisco went to the Denton school as coach.

RECORD NUMBER REPORT FOR BOYS AND GIRLS CAGE TEAMS

Volley Ball Girls Start March For District Championships.

The high school gymnasium will be a beehive of industry for the next few months. Basketball and volleyball practices have begun in full swing and will last through February and maybe part of March. The boys' team practiced yesterday afternoon for the first time.

Twenty-three uniforms were issued to prospective Harvesters before the supply was exhausted. An effort is being made to buy more locally today, and they will be issued this afternoon if available. The girls will report for duty Monday afternoon and will work with the Harvesters for a week, then the squads will be divided. Coaches Odus Mitchell and Argus Fox keep 12 or 15 boys for the first string.

Coach Warren Moore will have charge of the girls this year. Because of the large number intending to report for practice, an assistant coach will be selected to help Coach Moore with his boys.

The girls, under the direction of Coach Harry Keeley, have been practicing for the last two weeks. The number has dwindled from 60 to 35 and more meeting will follow. Coach J. L. Lester has started volleyball practice with prospects for a third championship team. The Pampa team has won the district championship for the last two years. The Harvesters threw the ball around for nearly two hours yesterday afternoon following a blackboard talk on the new system to be used this year. Because of several changes in the rules, a new system of play will be used by the Harvesters. A full letterman team will be available this season.

The basketball and volleyball schedule follows:
Harvesters
 Monday, Tuesday and Wednesday—3 to 5 p. m.
 Thursday—6:30 to 8:30 p. m.
Girls
 Monday, Tuesday and Wednesday—5 to 6:30 p. m.
 Wednesday—6:30 to 8 p. m.
Volley Ball
 Wednesday—3 to 9:30 p. m.
 Friday—4:30 to 6:30 p. m.

stretched out on the turf. A dash of water soon revived him, but he wobbled so pitifully that "Butt" with a suspicious sigh, sent a linesman to replace him. As three spectators dashed out to help the weary player off the field, the razzing became louder and louder. Pop bottles joined the jeers and the remarks directed at "Dutch" became less and less complimentary.

Like a giant's roar the noise increased—yet high above the din one voice could be heard clearly—yelling—"Say, what are you taking him out for? He's still breathing."

Barthelmess Plantation Film Is Selected for Thanksgiving Show

On Wednesday night at 11:30 o'clock the La Nora theater will offer to the theater going public a special Thanksgiving eve preview.

Richard Barthelmess in "Cabin in the Cotton" is the special Thanksgiving program selected.

"The Cabin in the Cotton," Barthelmess' latest starring vehicle for First National, attempts in epic style to tell the story of what happened to the great American inland empire known familiarly as "The South," after it was "born."

America, in spite of democracy, does have "classes," as this picture shows. Planters and "share-croppers," ruling class and negroes, are all shown here as they are today, a heterogeneous mass of mixed humanity all working out their individual destinies against the background of the new and fast-awakening south, though retaining much of the romantic sweetness of the "old" South.

It is not, however, a "problem" play. Vivid drama vies with light-hearted comedy, and stark tragedy with the gaiety of the colored, flows throughout the movie. In it is the passion of the hot-headed planters, the aristocratic "poor whites," the deep suffering of the "poor whites," the happiness and revelry of the negro, are so expertly blended that the story is told without the slightest preachment.

Could Your Car Pass a "Cold Test" like this?

Through deep snow drifts that blanketed Wolf Creek Pass, 10,800 feet above sea level in Colorado's Rockies, a great V-type snow plow doggedly pushed its way. A whirling rotary plow spouted clouds of snow, clearing the roadway. And soon, despite temperatures daily below zero, workers of Liberty Truck & Parts Co., of Denver, had opened the 15-mile road.

"We used Conoco Germ Processed Motor Oil and Conoco Gasoline exclusively in our Cletrac Tractors with wonderful results," wrote a Liberty official. "We had no difficulty starting our motors in the mornings."

There's a "cold test" to guide you in buying motor oil!
 Conoco Germ Processed Motor Oil is thoroughly dewaxed and circulates freely below zero. It makes Winter-starting easier. More important still, it saves your motor from terrific punishment during the starting period, when half of all motor wear occurs! Other oils drain away overnight. A "Hidden Quart" of Conoco Germ Processed Oil stays up in your motor and lubricates before your motor starts.

Only Conoco Germ Processed Motor Oil can offer you this vital protection, for it is the only oil that penetrates and combines with metal surfaces. Let it protect your motor this Winter. . . .

 Coach Arthur J. "Dutch" Bergman sat on the visitors' bench, hunched his shoulders a little higher and prepared to ride out the storm. Before him on the gridiron his Catholic University team from Washington, D. C., was battling bravely but futilely against a superior Boston College eleven.

Besides him on the bench sat his substitutes—all eight of them—while overhead a sweltering sun shone down on his tiring players. Faced with the knowledge he must substitute sparingly if he was to end the game with a full team on the field, Coach Bergman was

BUSINESS AND PROFESSIONAL WOMEN'S CLUB GIVES EVENT AT SCHNEIDER HOTEL MONDAY

ELABORATE MENU SERVED AT FESTIVE TABLES; GROUP SINGING AND PROGRAM NUMBERS HOLD INTEREST

Cares of the work-a-day world were suspended by a large group of business men and women last evening when the Business and Professional Women's club gave its first annual "bosses dinner" at the Schneider hotel.

Autumn leaves adorned the long tables, which were lighted with green candles in bronze candelabra. Each place was marked with a combined program and place card made of orange-colored paper and adorned with the club emblem. Nut cups added to the attractive appearance.

The elaborate menu included fruit cocktail, turkey, dressing, cranberry sauce, celery, lettuce and tomato salad, creamed Irish potatoes, English peas, French beans, and chocolate cake with whipped cream.

Creating their employers, all club members joined in singing a song of welcome, after which the club collect was given. Lively songs throughout the evening were led by Mrs. Jack Dunn, who was toastmistress for the occasion, with Mrs. Frank Koehn at the piano.

Miss Clara Lee Shewmaker, president, made an address of welcome, and Principal L. L. Sone gave a clever response. Mrs. M. P. Downs introduced the club members, telling jokes on them. Mrs. M. P. Downs introduced their employers.

Miss Kathryn Vincent entertained with a reading, and Joyce Smith, accompanied at the piano by Mrs. Koehn, delighted the group with a dance.

Following is the list of club members and guests who attended: Miss Clara Lee Shewmaker, Charles Woolley; Mrs. Jack Dunn, Joyce Smith; Miss Louise Durrenberger, L. L. Sone; Mrs. M. P. Downs, E. G. Sanders of LeFors; Mrs. John Beverly, Mr. Beverly; Mrs. Bertie Arnold, Mr. Bethel; Mrs. Gladys Pool, Mr. Pool; Mrs. E. M. Nutt, Dr. T. R. "KNOW YOUR TURKEY" GIVEN AS ADVICE TO WOMEN; TASTY RECIPES ALSO ARE SUGGESTED

Knowledge of a few simple facts before a turkey is chosen may result in much added delectability during the Thanksgiving dinner hour. Helpful hints regarding the selecting of the turkey and the preparing of a Thanksgiving dinner are given below.

CHESTNUT STUFFING IS ONLY MINUTE NEEDED SUGGESTED FOR TURKEY

By MRS. ALEXANDER GEORGE. Oyster Cocktail, Serving 5. One pint small oysters, one cup finely chopped celery, eight thin slices lemon, one-half cup chili sauce, three tablespoons catsup, two tablespoons horseradish, one-half teaspoon salt, one-fourth teaspoon pepper.

Two cups mashed cooked chestnuts, 4 cups crumbled white bread, one-half cup butter melted, one teaspoon salt, one teaspoon poultry seasoning, one egg, one-fourth teaspoon pepper, three tablespoons chopped parsley, three tablespoons chopped celery, two tablespoons hot milk.

Lightly mix ingredients with fork. Stuff fowl.

To prepare chestnuts, cover with water and boil gently until shells are soft. Remove shells and mash chestnuts. If preferred, chestnuts can be sprinkled on shallow pan and heated in moderate oven until shells burst. The shells then can be easily removed with a small knife and nuts mashed.

Candied Sweet Potatoes. Eight peeled sweet potatoes, one-half cup dark brown sugar, one-fourth teaspoon cinnamon, one-half teaspoon salt, three-fourths teaspoon pepper, one cup water, four tablespoons butter.

Place potatoes in shallow pan. Add rest of ingredients. Bake one hour in moderate oven. Turn potatoes to allow even cooking.

Four cups berries, two cups water, two cups sugar.

Mix berries and water. Boil five minutes. Press through sieve and add sugar. Boil four minutes. Pour into molds and chill until stiff. Unmold and serve.

Grapefruit Salad. Two cups grapefruit, one-half cup diced pineapple, one-half cup French dressing.

Mix and chill ingredients. Serve on crisp lettuce leaves.

accompanied with place cards in keeping with the Thanksgiving season made by the pupils.

The courses are open to all persons interested. Meetings will be held once each month.

BASKETS WILL BE FILLED BY ALL OF GROUPS

SEASONABLE CARDS TO BE SENT STUDENTS IN COLLEGES

Thanksgiving day will be made brighter for many persons this year as the result of plans made by the First Baptist W. M. S. circles yesterday afternoon. Each circle will fill two Thanksgiving baskets for families whose dinner Thursday might otherwise be scanty. It was decided also to send Thanksgiving greeting cards to all members of the church who are away at college.

At 12:30 o'clock a covered dish luncheon was served in the home of Mrs. J. F. Reynolds for Circle 1, this group having met at 10 o'clock to sew for the needy. Seven garments were made.

The following attended: Mesdames P. O. Anderson, K. T. May, T. W. Jamison, A. L. Lee, O. B. Robinson, H. M. Stokes, J. B. Chisum, Sam McCullough, W. W. Martin, G. C. Malone, C. A. Barnes, J. McFarlin, C. L. Stephens, M. H. Ellis, and the hostess.

Circle 2 did not meet because of sickness in the group.

Lesson Is Studied. A lesson from the book of "Prayer and Missions" as taught by Mrs. O. L. Beatty at a meeting of Circle 3.

Those attending were Mesdames Buster Bailey, H. T. Cox, V. L. Dickinson, G. D. Stockton, Cyril Hamilton, H. M. Lister, E. L. Billingsley, R. F. Hodges, O. L. Beatty, and E. L. Anderson.

Much Sewing Done. Circle 4, which had a 1 o'clock luncheon at the church yesterday, quilted a quilt and did considerable sewing. Eighteen gowns were cut for the Red Cross, and 8 of these gowns were completed.

Machines were furnished by the Singer Sewing Machine company, Mrs. C. E. Lancaster, Mrs. T. L. Anderson, and Mrs. Eugene Johnson.

The meeting was attended by Mesdames H. C. Wilkie, R. C. Wood, J. E. Carlson, J. A. Ladd, T. L.

She is shown in the cockpit of her plane shortly before starting from London.

Visiting Pupils To Give Program At Sam Houston

A number of pupils of Horace Mann school will be guests at the 9 o'clock chapel service at Sam Houston school tomorrow morning and will assist in presenting a Thanksgiving program. Pupils of Miss Frances McCue's room will give a little play, "America Is Thankful," and pupils of Miss Loma Groom's room will present a colonial dance.

The Rev. Newton C. Smith will make the opening address, after which Betty Ann Culbertson will play a piano solo and Martha Frances Pierson will give a reading, a playlet, "The Friendly Indians," will be given by Miss Lillian Mullinax's room before the numbers by the visiting pupils.

All persons interested are invited to attend.

EASTERN STAR PARTY HELD IN MITCHELL HOME

LARGE GROUP ATTENDS EVENT ON MONDAY EVENING

A large group of Eastern Stars gathered in the home of Dr. and Mrs. W. C. Mitchell for a lively party last evening at 8 o'clock.

Refreshments of coffee and pumpkin pie were served at the close of a series of games.

for a long fight in Texas.

It is an unfortunate "break" for liberal democracy that many of the important posts in congress must go to northern and eastern members of the party.

A PATH TO PARADISE

SYNOPSIS: Day after day Clive goes through the heart-breaking routine of job hunting, returning as usual to a luxurious apartment and delicate food—all paid for by his wife.

Chapter 29

A JEALOUS SANTA

NEXT morning when Clive tendered her his own gift, his mood was humble. Dicky had made unfair competition for him.

"You ordered me not to spend too much. You may care for it." As she lifted the vase from its wrappings, her face glowed.

"You've disobeyed me, old extravagant. How you spoil me!" She was delighted as a child.

He longed to beg her forgiveness. Drifting apart. Going out of his way to wound her. His day was made miserable by the recollection.

"I bought two tickets for a new musical comedy. If you'd prefer to scrap them—"

"Stay at home! I should say not. You are a darling."

Shortly after the curtain had risen, Santa clutched his hand. There was no tense moment—there rarely are in musical shows—to account for her emotion.

"What's troubling you?" he whispered.

"Who's Lou-Lou?" "You remember at St. Jean Dicky's temptress."

"Where's Lou-Lou?" "Who's Lou-Lou?" "You remember at St. Jean Dicky's temptress."

terests whom the republicans tried to secure with the word "radical" have little to fear.

Congratulations are due Roberts county for having seen concrete laid across her area from east to west.

Roberts folk were courageous in voting bonds, and they are in luck with the state taking over the bulk of the cost.

Hungry children must eat.

Principal J. A. Meek of Baker school reports the following gifts from the Presbyterian Auxiliary:

TURKEY--

(Continued from Page 5)

the housewife will always need to know how to pick a good one as well as how to cook it.

"A poorly fleshed or crooked breasted bird gives a much lower percentage of edible meat than a fat, plump, trim bird, and therefore costs as much and often more per pound of actual meat than a good one."

Look Under Feathers. "It takes only a minute of handling and looking underneath the outer feathers to tell whether a turkey is a good dinner bet, and that minute may save a quarter and a dinner.

Note Color. "A good Thanksgiving turkey should be fat. The natural color of turkey meat is dark, approaching blue, but a well fattened bird will have a thin covering of fat over this dark flesh which leaves little of the blue in evidence.

Stylish in turkeys are changing. The smaller bird, short of leg, long of thigh, plump, fat and stocky is the one the consuming public is favoring now for the good reason that it gives the most for the money.

other side and all were addressed to "Dear Mother," "Dear Dad," "Dear Hazel" or some other first name, and all were signed with a first name.

Three of the cards had the name and town of the person it was to go to, but no state, and in each case there were several states with the same city name.

The same trouble is noticed with letters and sometimes parcels. Post-office officials urge Pampanos to be careful and see that a full address is on each letter, parcel or card, especially during the Christmas season.

NEW ORLEANS COTTON NEW ORLEANS, Nov. 22. (P)—Cotton was somewhat more active at the start today. Liverpool cables were slightly better than due, but prices here opened two to three points down and eased off a little further after the start, December breaking through the 6-cent line to 85.99, or 4 points under yesterday's close.

Although the market became quieter as the morning advanced, prices improved considerably owing to trade buying and a farmer stock market, which was regarded by traders here as indicating favorable advices from Washington.
