NORRIS POWER BILL INTRODUCED

Officer Says He Found Children Rejoicing At Death Of Mother

TWINKLES
Just when beer is coming back, a local man declares that his doctor has ordered him on a milk diet.

Pampa needs much painting, but not in dusty weather like we have been having. A chocolate color isn't adapted to this section.

Instead of "viewing with alarm" various economic trends, some of the best local observers are turning their minds to sports and "forgetting it." What matters it if China buys American wheat on long term credit and sells it to Russia to buy arms to fight Japan?

And furthermore, what alarms some people gratifies others. Sometimes it looks like the survival of the griping-est factions.

Believe us, children, these winds will cease in ample time for you to plant your gardens and compete for a long list of prizes in this column's Children's Garden contest. Fill in and mail or bring the blank below to us at once.

Most everybody is boasting of having sampled 3.2 beer, but it's hard to see—hard to see.

FARM REFINANCING
No relief emanating from Washington is of more widespread interest and moment than that of proposed farm refinancing. Ultimately, general conditions and a fair economic "break" for the farmer can save him. But the refinancing of his indebtedness now is imperative if he is to survive his long-deepening depression. To be truly effective, the relief must be freed from much of the red tape and the "red-tape" administration which have made relief a misnomer in the past. Certain restrictions must of course be thrown around governmental agencies, but the farmer knows that the government has been much more hard-boiled with him than with "big business." At times men working for Federal land banks in the capacity of appraisers and agents have become imbued with the idea that they are "working for the government" and have forgotten that the people, and the government and the country, are the ones who are to be benefited. A reasonable amount of courtesy and genuine helpfulness for the farmer would go a long way toward giving him the relief he needs.

REDUCTION IN FACT
Demands of the public for economies in governmental operations have been heeded widely. Cities

JAPS PURSUE TROOPS INTO NORTH CHINA

WIDESPREAD PANICKY RETREAT FOLLOWED BY JAPANESE

LEAVE GUNS ON HILLS

CHINESE SO CONFUSED THEY ARE FIGHTING COMPATRIOTS

CHANGCHUN, Manchuria, April 11.—Japanese air scouts reported Chinese troops were in widespread panicky retreat throughout the Lwan river valley after being driven today from Lengchow, their last great wall stronghold on the south Jehol border.

Diving Towers Built at Pool

The diving tower at the municipal swimming pool, with boards at the 10 and 15-foot levels, was set in place yesterday. The tower is late in design and is drawing compliments of those who view it.

CHILD'S GARDEN CONTEST
Contest Editor:
I am a child under 15 years of age. My age is... I wish to enter the Children's garden prize contest and will plant and cultivate a small vegetable garden next summer. I will write you a letter telling of my success. I understand that my garden will be judged after I write my letter.

THREE GUESSES
FROM WHERE DO MAXMEN COME?
WHO WAS THE GRAY EAGLE?
WHAT STATE PRODUCES MOST ANTARCTIC COAL?
SEE ANSWERS ON PAGE 2

I HEARD--
That the cause of the breakdown of the elevator in the Rose building over the week-end was not from any defects but from a mouse getting into the control box and being electrocuted. Current could get to the elevator only at intervals and it was a long time before he cause was discovered.

WEATHER
WEST TEXAS: Fair, colder in southeast portion, not so cold in the Panhandle, frost in north portion tonight; Wednesday, fair, warmer in west and north portions.

GIRL RECANTS

RUBY BATES, long-missing witness in the Scottsboro case, is shown here on the witness stand as she recanted her previous testimony that helped convict nine negroes of assault on her and another Alabama woman. Miss Bates' testimony that she was not attacked was a sensation in the second trial of the case.

ONLY CASH TO GARNER VOTES FOR FAIR TRIP
Contestants Invited To Register Now With NEWS

FRIDRICHSHAFEN, Germany, April 11.—Dr. Hugo Eckener, master of the Graf Zeppelin, said today, he was of the opinion that the disaster to the U. S. army dirigible Akron was due to a break at the section where airplanes were stored in the interior.

Adult Course To Be Held Monday
The next training course lesson for Boy Scout adult leaders will be given at the gymnasium Monday, April 17, it was announced today.

HAD TO PULL KNEELING SON OFF HER BODY

MOTHER'S WRISTS HAD BEEN BOUND WITH CHAINS

INSANITY IS CLAIMED

RELIGIOUS CEREMONIES DESCRIBED BY WITNESSES

Associated Press Staff Writer. INEZ, Ky., April 11.—Testimony that John H. Mills struggled and fought when deputies pulled him from his kneeling position on the body of his mother, Mrs. Lucinda Mills, 67, was given today by B. J. (Boss) Wells, one of those deputized to go to the home of Tommie Boyd when officers heard of the slaying last February.

EGG MATINEE FOR CHILDREN TO BE TOMORROW

VIRTUALLY FREE WILL BE A MATINEE FOR CHILDREN UP TO 12 YEARS OF AGE AT LA NORA THEATER WEDNESDAY

—TOMORROW—FROM 4 TO 6 P. M.

THE PRICE OF admission will be two hard-boiled, fresh eggs, either dyed or undyed. The eggs will be used in the Daily NEWS-La Nora Easter egg hunt for children of the unemployed Saturday afternoon at 2 o'clock at Harvester park.

Sponsors of the matinee hope that hundreds of children will attend the show and bring their two cooked eggs. The feature picture will be George Arliss in "The King's Vacation," one of the best pictures of the year.

Don't forget the children's matinee tomorrow and don't forget to boil the eggs! The time is 4 to 6 p. m. at La Nora theater.

MEMBER OF THE ASSOCIATED PRESS—Full Leased Wire. The Associated Press is exclusively entitled to the use for publication of all news dispatches credited to or not otherwise credited in this paper and also the local news published herein.

NOTICE—It is not the intention of this newspaper to cast reflection upon the character of anyone knowingly and if through error it should, the management will appreciate having attention called to same, and will gladly and fully correct any erroneous statement made.

FUTURE OF DIRIGIBLES "There won't be any more big airships built," says Congressman Carl Vinson. "Those things never were safe and they never will be," says the man in the street.

Certainly there seems to be plenty of warrant for such a feeling.

The aviation records of the last decade are dotted with dirigible accidents. In this country we have seen the Shenandoah and the Akron crash; England still recalls the loss of the R-101; going back a little farther we can remember the destruction of the Roman, the ZR-2, and others.

Is the giant dirigible an invention which cannot, in the very nature of things, be made safe and reliable? Is this triumph of the inventor and the engineer a development which, having been experimented with at great cost in lives and money, must be abandoned?

Right now probably most of us would answer all of those question in the affirmative.

And yet, even now, we might be wise to delay rendering a final verdict. Herr Eckener and the Graf Zeppelin stand as cogent arguments on the other side of the case. Lieutenant Commander Wiley, fresh from the wreckage of the Akron, urges that development of the dirigible be continued.

Meanwhile, we can only sorrow over the loss of the men who died in the Akron. Their deaths, and not the destruction of the dirigible, constitute our greatest loss.

Jesse Isidor Straus, America's new ambassador to France, is head of the largest department store in the world that makes its customers pay cash.

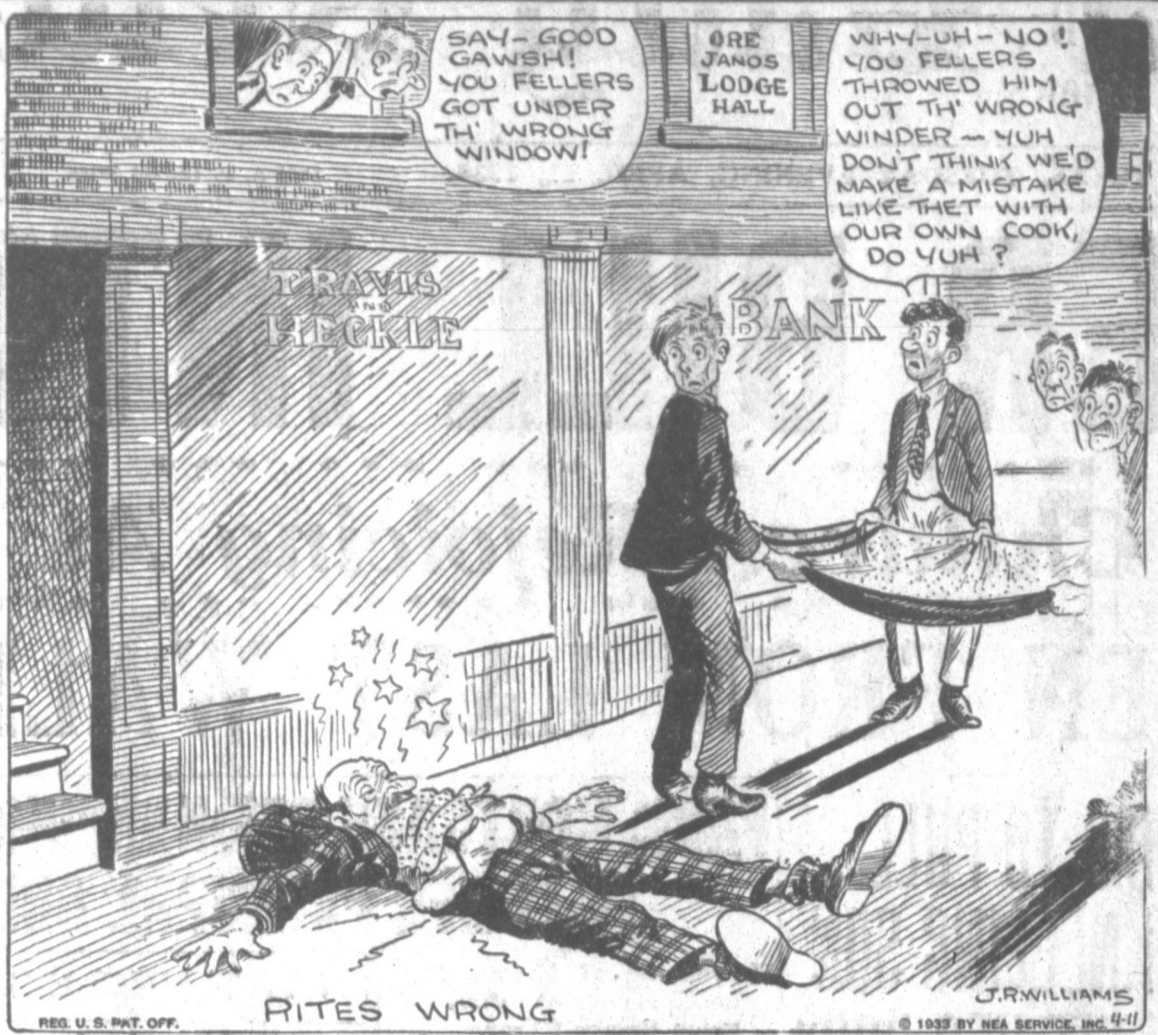

British story tells that a cuckoo flew from Berkshire, England, to West Africa. That reminds us that the trans-oceanic stunt-flying season is almost upon us.

Glass manufacturers are foremost among those who hope for a revival of old drinking customs. Remember, they used to smash the glass after a solemn toast?

Red Sox team shaken up in a train wreck. Nothing to the wreck they usually meet up with along about the end of the season.

The gemsbock, a newspaper cartoonist informs a breathless world, can exist without drinking. Some talk of making the gemsbock the national mascot instead of the eagle.

OUT OUR WAY By WILLIAMS

Markets New York Stocks

NEW YORK, April 11. (AP)—The stock market's advance of the past six sessions was checked by profit-taking today, but the list resisted selling, and while a few issues were off a point or more at the close, most changes were fraction.

Table with columns for stock symbols (Am Can, Am T&T, Anac, etc.) and their corresponding prices and percentage changes.

CHICAGO GRAIN

CHICAGO, April 11. (AP)—A jump of 2 1/2 cents a bushel took place in wheat values today in the first moment of trading. Big buying resulted from the government crop report showing losses of winter wheat had much exceeded unofficial estimates.

GRAIN TABLE

Table showing grain prices for Wheat, May, July, and Sept. with high, low, and close values.

CHICAGO POULTRY

CHICAGO, April 11. (AP)—Poultry, steady; hens 12; leghorn hens 12; roosters 8 1/2; turkeys 12-14; old ducks 12; spring ducks 12-14; geese 11; leghorn broilers 17; rock broilers 19-20; colored broilers 19.

KANSAS CITY LIVESTOCK

KANSAS CITY, April 11. (AP)—U. S. Dept. Agr.—Hogs 4,500; strong to 10 higher; top \$3.50 on choice 180-240 lbs.; packing sows, 275-350 lbs., \$2.85-\$3.20; stock pigs, good and choice, 70-130 lbs., \$2.75-\$3.

NEW ORLEANS COTTON

NEW ORLEANS, April 11. (AP)—Cotton moved upward in a firmer and considerably more active opening today as cables came in much better than due. First trades here showed gains of 5 to 7 points and the market continued to improve after the start on fair trade buying and price fixing and also buying by ring scalpers.

BUTTER AND EGGS

CHICAGO, April 11. (AP)—Butter, 8,570, steady, prices unchanged. Eggs, 29,462, steady; extra firsts 12 1/2; fresh graded firsts 12 1/2; current receipts 11; storage packed firsts 13 1/2; storage packed extras 13 1/2.

Well Allowable In Effect Again

The Texas railroad commission's well allowable of March 1 for the Panhandle field has gone into effect again after the field was ordered wide open by the commission a few weeks ago.

After many companies had produced on open flow for a few days, it was found that there was no demand for the excess oil and the wells were closed to proration outlet voluntarily.

The maximum allowable for the field was raised to 44,000 barrels last week, but the additional 1,000 barrels has not been allotted.

Ben Kimbrough of Memphis visited friends here yesterday.

Business Women To Help Jaysees Promote Dance

Junior chamber of commerce members will have the cooperation of the Business and Professional Women's club in the Jaysee dance to be held Saturday night at the Wynne-Merion building.

The Jaysees in turn will help the B. & P. W. club with the latter's dance during the convention of Business and Professional Women here soon.

The Junior chamber members also will be well represented at the community banquet here April 20, when business men will meet for their annual banquet.

David Dallas, here to hold a "Miss Pampa" contest, told the Jaysees at their luncheon today how to stage a water carnival in connection with the opening of the municipal pool.

Burnham Briggs was able to leave Pampa hospital this morning following a critical operation two weeks ago.

Cure Claimed For Muscular Weakness

CINCINNATI, April 11. (AP)—How progressive muscular weakness in children and adults has been improved markedly when treated with creatine and glycerine was reported today by Dr. Alfred Chanutin, of the University of Virginia, to the federation of American societies of experimental biology.

This is the first time that creatine itself has been shown to be effective in the treatment of muscular diseases, Dr. Chanutin explained. He said his work is still in the experimental stage.

Dr. Chanutin told of the recovery of a Virginia farmer, 35 years of age, suffering with myasthenia gravis, a disease characterized by extreme muscular weakness. This man had not been able to work for several years. After treatment with creatine he was able to perform heavy manual labor without unusual fatigue.

The White Cockatoo by Mignon G. Eberhart

SYNOPSIS: James Sundeau, an engineer, has left apprehensive since writing of his love in a room in Southern France. His room is gloomy, and the howling north wind rattles every shutter on the house. He distrusts Lovachien, the proprietor, and when, at dinner, he catches the man looking through the dining room window at Miss Tully, an American girl, he has a feeling of foreboding. The other guests are a red-haired priest and Mrs. Felicia Hupp, of Omaha. Miss Sundeau wakes from a doze to hear a voice cry in terror: "Let me in!"

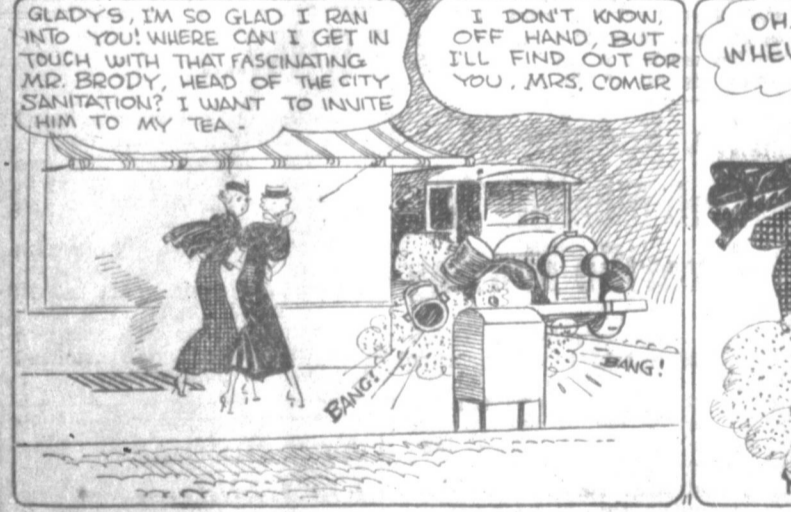

Chapter 4 GIRL IN TERROR HER fingers were scratching and fumbling at the door beside me. Then her face turned from looking over her shoulder and showed me whiteness and wide dark eyes and blowing hair, and she beat on the door with her fists and sobbed again: "Oh, do let me in!"

I got the door open, and she whirled in, and I closed it against the wind. She followed the light into my room like a child running from the dark, and when I followed her, she was kneeling before the fire, stretching out her beautiful hands toward it, and her silver-heeled slippers made spots of light against the carpet. Her eyes flared with terror and mine, and she said with a gasp: "Shut the door."

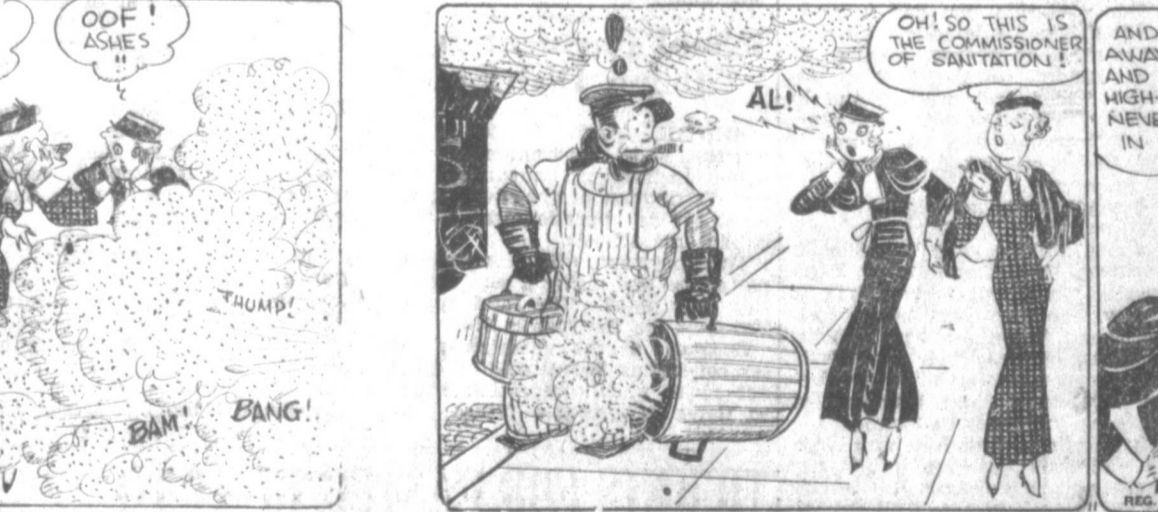

"Please don't look like that," she said. "As if I had cheated justice. I don't know how to explain all this to you. It must sound very lurid, thus far. But you must see that I can't involve you. And after all," she added unexpectedly, "one's abduction is one's own affair." "It's very fortunate that it turned out in a way that permits you to say that." "She looked at me quickly. "Don't think I'm flippant. I'm badly scared. Perhaps in a moment I can thank you properly. Just now I should like to get good and warm at your nice fire. Isn't it curious that just being cold can do things to your courage?" "She stopped abruptly, as if that were at the moment too dangerous a topic, and said quickly: "I am Sue Tully. I'm staying here, of course. I'm intruding ungratefully." "I wanted to tell her she was not intruding. I wanted to tell her she was feasting my starved eyes just watching her. I wanted to tell her she was a little fool not to let me go after the man myself or call the police." "I said my name was Jim Sundeau and would she have a cigarette." "She refused and watched me light one. Her small nose sniffed a little, and she said in a pleased way: "Why, that's an American cigarette!" "I nodded. "You wouldn't believe how difficult it's been for me to get them. Of course, here in France it's easy enough, if rather expensive, but in Russia it was practically impossible. At least, where I was." "You've just come from there?" "I had thought her face looked softer, less rigid and white with terror, as if talking of everyday matters were restoring her poise. "At that moment, however, there was a sudden loud clap, and her eyes leaped to mine, and she went white again. She looked helplessly about. (Copyright, 1933, Mignon G. Eberhart) Sundeau learns more, tomorrow, about his strange visitor.

Walker Visits Lions Officers In Many Cities

C. H. Walker, district governor of Texas Lions, returned last night from an extensive trip on which he was accompanied by Sam Braswell of Clarendon, international director.

The two officials held conferences with Lions club officers at Lubbock, Monahans, Lamesa, Big Spring, Midland, Peccs, McCamey, Rotan, Hamlin, Anson, Colorado, and Breckenridge. They chartered a new club at Monahans, where there

RANCHER'S SON KILLED
'Deaf and Dumb' G. B. S. Scorns New York Press

By MORRIS WATSON.
NEW YORK, April 11. (AP)—Geo. Bernard Shaw, who recently characterized the American people as deaf and dumb, today placed himself in the same classification "for the moment."

"I may be regarded as deaf and dumb for the moment," he said in a note declining to be interviewed as he arrived to make a speech at the Metropolitan opera house tonight. Some sixty or seventy persons,

'Deaf and Dumb' G. B. S. Scorns New York Press

comprising magazine writers, motion picture photographers, newspaper photographers and plain ship news reporters formed a reception committee which met the S. S. Empress of Britain at quarantine, out in New York's bay.

The Irish wit and playwright refused to see them, thus taking to himself the distinction of being the first celebrity to evade New York's customary to mass interview.

Life Insurance Company Owner Of Oil Field

The Southland Life Insurance company today informed its local representative, A. L. Burge, that his company is the first in America to own a complete oil field.

The property on which the field is situated was acquired several years ago and is three miles southeast of Weleetka, Okla. The field recently was given far more potential value when an old well was drilled deeper into pay sand. There are now seven wells, five of which

MONTGOMERY WARD & CO.

PROMINENT AMARILLO WOMAN SPEAKS TO PAMPA GROUP Banquet To Usher In Passover Is Held By B'Nai Israel Congregation

BOOK SHOWER HELD BY 20TH CENTURY CLUB

POPULAR TRIPLE TRIO TAKES PART ON PROGRAM

Mrs. Ruth Delzell, for many years prominent in club and literary activities of Amarillo, was principal speaker when members of the Twentieth Century club and their guests attended an annual book shower for the public library yesterday afternoon in the club rooms of the city hall.

Mrs. Paul Kasishke, program leader, led in reading the club litany and Mrs. Raymond W. Harrah, president, gave the address of welcome.

Triple Trio Sings.

The Triple Trio, directed by Miss Loma Groom, with Mrs. May P. Carr at the piano, sang two selections, "Howdy Do My Springtime" (David Guion) and "Through the Year" (J. W. Marsh). The following took part: First sopranos, Mesdames W. R. Chaffin, W. A. Bratton, A. N. Dilley Jr., second sopranos, Mesdames A. H. Doucette, Lynn Boyd, J. M. Dodson; altos, Mesdames Raymond W. Harrah, Charlie Thut, Tom E. Rose.

Accompanied by Mrs. Phillip Wolfe, Mrs. R. W. Harrah gave two musical readings, one being a sentimental negro dialect by David Guion and the other being "Retribution" (De Loss Smith).

Publications Decrease.

Mrs. Kasishke introduced Mrs. Delzell, who pointed out that in recent years there had been a 12 1/2 per cent decrease in all publications except religious works. The decrease in the publication of children's books has been especially large, she declared, but said the books published during the last year for children had been unusually good. She stated further that more books on science and technology had exceeded all other types except general fiction in number during the last year. The speaker said the book business "is coming back."

Books reviewed briefly by Mrs. Delzell were Ann Vickers (Sinclair Lewis), "Adventures of a Black Girl in Quest of God" (Bernard Shaw), "Lost Laughter" (Matia Howe Farm), Jennie Wren (Emily Hilder, Young).

(See BOOK SHOWER, Page 5.)

MRS. RAINEY FETES GIRLS

PROBABLY WITHOUT PRECEDENT, but apparently highly enjoyable was the tea which Mrs. Henry T. Rainey, wife of the Speaker of the House, gave in the Capitol for Representatives' relatives. Being served by Mrs. Rainey (center) are Lelle Brennan (left) and Mrs. Mary S. Thomas.

WHAT IS HOME WITHOUT A GARDEN?

By MRS. JOHN F. DIXON

As viewed from the street, the planting should form a perfect accompaniment to the house.

One should bear in mind that trees, shrubs and evergreens should have that year-around effect as much as possible. Low spreading and horizontal effects are preferable over the more stiff upright trees and shrubs. The Lombardy poplar, or columnar juniper should be balanced by a strong horizontal line. A formal entrance of compact arbor-vitae, or similar planting, accents and gives the entrance dignity. There are three classes of trees: bushy growth, lowly and prostrate. The bushy elm, ash and poplar are excellent trees for framing the house and for shade.

If a certain degree of privacy is desired on the large lot, medium ball shrubs are used across the front of the house or a hedge of privet or spirea after the English manner of planting. But a small lot needs only the foundation planting. Crepe myrtle tamarac, lilac butterfly bush, almond, mock orange, bridal wreath, give one a good color harmony in delicate blossoms for the foundation planting. Many hardy bulbs and herbaceous plants are appropriate for foundation and garden planting. Many of these plants make ideal combinations with the taller shrubs back of them, for we need shorter plants for bordering.

The columbine, larkspur, delphinium and daisy are beautiful in many combinations in a flower garden with the violet as a border. There are many varieties of grasses which may be used in the Spanish garden.

Rock gardens are very popular today and one finds a wide variety of plants suitable, of which some common plants are: phlox, pinks, iris, lilies sweet williams, larkspur, grasses, ferns. The purpose of building a rock garden is not the display of rocks but to try to duplicate the native home of the plants and flowers we wish to grow. The rock garden may or may not have a pool and we find many water plants suitable for the pool. Lilies of many varieties, floating heart,

LOCAL PERSONS HEAR CONCERTS

LUBBOCK EVENTS HOLD INTEREST FOR PAMPANS

THREE concerts held in connection with the Tri-State Music Festival in Lubbock were attended by Mrs. P. P. McKimling, Mrs. Rufe B. Thompson, and Frances Thompson.

The first event was on Friday evening when a piano ensemble program. From 4 to 14 pianos were in use throughout the program, with pupils as young as 6 years participating. The program was through the courtesy of the South Plains Music Teachers association, with Miss Jeanette Ramsey as director and Wallace R. Clark as guest conductor.

On Saturday afternoon the three attended a band concert, and on Saturday evening in the high school gymnasium they heard the Tri-State orchestra, composed of the various orchestras entering the contests. Miss Beulah Dunn was director, and John Victor, guest conductor.

Before returning home on Sunday, the group attended the Presbyterian church.

umbrella sedge, variegated sweet flat, water poppy, water hyacinth, water fern, primrose-willow, water lettuce and submerged oxygenating plants may be used in nearly any kind of pool.

Vines seem to be necessary to a lattice, trellis pergola, wall and many places to be screened. The rose is always in keeping with a well-designed trellis. A wild grape vine is practical on a lattice or pergola in the private area. The rose, clematis and wisteria have a profusion of blossoms which add to any home while the wintercreeper is a hardy evergreen vine invaluable for covering low walls or house foundations where a climber is desired.

Local Club Women Going to Memphis

Mrs. E. L. Fowler, district magazine chairman, is to make an official visit at the joint meeting of the Clarendon and Memphis Business and Professional Women's clubs at Memphis this evening. She will be accompanied by Mrs. Chas. Wooley of the publicity committee, who will extend greetings from the Pampa club and invite all members to attend the fifth annual District conference of the Texas Federation of Business and Professional Women's clubs which will be held in Pampa April 22 and 23.

Teams Participate In Tournament At Amarillo Saturday

Local Latin teams, accompanied by the Latin teacher, Miss Mary Idelle Cox, attended the Latin tournament at Amarillo Saturday. Flora Dean Finley and Helen Marie ones were the first year team, and Willie Reece Taylor and John Moyar were the second year team. John Moyar went instead of Harriet Hunkapillar, who was ill last week.

Saturday night the Latin banquet was held in the Herring hotel. Guests were seated according to schools. Berger, Floydada, White Deer, Pampa, Lubbock, Canyon, Perryton, Quanah, Midland, Amarillo high school, St. Mary's Academy of Amarillo, and Amarillo Junior high.

The program and decorations were in keeping with the occasion. Willie Reece Taylor gave the response to the address of welcome.

Awards were given at the end of the program. Helen Marie Jones received a gold pin as an award for her essay submitted about a month ago. She also ranked third in the first-year examination Saturday. The first year team from Pampa ranked second. The Lubbock team was awarded the first year loving cup and the Midland team, the second year cup.

Mrs. Glen A. Smith of Stinnett was admitted at Worley hospital this morning.

THIRTY-FIVE AT SCHNEIDER HOTEL EVENT

S. C. CLAYMAN OF THIS CITY IN CHARGE OF SERVICES

USHERING in festivities of the 8-day Passover period, thirty-five persons attended a banquet last evening at the Schneider hotel, several of them being from other cities.

The banquet was given by the B'Nai Israel congregation with members of the Sisterhood in general charge. S. C. Clayman, president of the congregation, conducted the services.

An elaborate meal was served to the group.

Jews the world over attended similar functions marking the beginning of the Passover and celebrating the freeing of bondage of the Jews.

Place For Negro Revival Changed

The Negro revival meeting which has been conducted in the dance hall on Maple street has been moved to the Holiness church on South Gray street. White people as well as negroes are invited to attend the services, conducted each evening by Elder J. W. S. Heads of Knoxville, Tenn.

Banquet Held For Fathers and Sons

MIAMI, April 11. (SP)—The boys in C. E. Bairfield's agriculture class entertained their fathers and the school board Friday evening with a banquet at the home economics rooms. The home economics girls prepared and served the delicious dinner under the supervision of Mrs. Horace Smith, home economic director at the high school.

Easter Egg Hunt In Miami Planned

MIAMI, April 11. (SP)—C. P. Puresly will give the Miami children a treat Saturday afternoon in the form of an Easter egg hunt. "Doc" has made this an annual affair for the kiddies. Prize eggs will be hidden and all children under 12 years of age will be welcome.

DIRECTOR

DAVID DALLAS, above, managing director of "Queen of the West" revue, Roswell, N. M., is in Pampa making preliminary arrangements for the La Nora theater's annual Fashion Parade and Bathing Beauty pageant which will be staged at the La Nora April 20 and 21. Dallas has had charge of the local revues for the last four seasons. The young ladies will model this year in the very latest 1933 fashions of swimming suits as well as colorful street wear. The winner will be named "Miss Pampa" and will be given a free trip to the Roswell pageant. A number of models who are not competing in the contest will depict the styles of yesterday, one of the features will be "Miss America of 1864."

PUBLIC BRIDGE PARTY PLANNED

OTHER GAMES ALSO TO BE PLAYED ON FRIDAY

BRIDGE, forty-two, anagrams, and jig-saw—those are some of the games which may be played by those who attend the bridge tournament to be sponsored in Hopkins community Friday evening by the Hopkins Parent-Teacher association. In addition to playing games, the guests will hear a "broadcast" program pertaining to various business concerns.

Mrs. Charles O'Connor is president of the Parent-Teacher association and Mrs. W. O. Christian is general chairman of the tournament.

Carnival Nets \$55 On Saturday Night

MIAMI, April 11. (SP)—The home demonstration clubs realized a net profit of \$55 Saturday night from the carnival which they sponsored. Only a small admission fee was charged but much was made from the club booths and the many other attractions. It was the largest crowd Saturday night that has been assembled in Miami for some time. This will enable the club women retain Miss Bess Sikes, home demonstration agent, until July, a month longer than previously arranged.

Mr. and Mrs. Clifford Whitmore have moved back to Pampa from Longview. Mr. Whitmore formerly was Miss Fannie Florence Sims, local high school instructor.

PAMPA BOY TO GIVE RECITAL IN OKLAHOMA

CHARLES THOMAS WILL APPEAR WITH MISS HELEN CLINE

ENID, April 11. (SP)—Charles Thomas, son of Mr. and Mrs. C. L. Thomas, Pampa, who has been a student in the School of Dramatic Art, Phillips university, at Enid, Okla., during the past three years, will be presented in certificate recital by Prof. Earl W. Oberg, director of the school, Friday night, April 14, in the university auditorium.

Together with Helen Cline, also a candidate for a certificate, he will present various plays, readings and novelty numbers, directed and prepared by himself and Miss Cline. Elaborate costumes, lighting effects and stage settings will be in evidence. The complete program follows:

A drama of the French revolution, "Red Sunset," Mr. Thomas, Miss Cline.

A reading from Oscar Wilde, "The Nightingale and the Rose," Miss Cline, reader; Mr. Thomas, organ accompanist.

Soliloquy from Shakespeare's "Richard Third," Mr. Thomas (in costume).

A one act comedy, "The Newlyweds," Mr. Thomas, Miss Cline.

Musical reading, "The Organ Builder," Mr. Thomas (accompanying himself on the organ).

The murder scene from "Macbeth," Mr. Thomas, Miss Cline.

Bid-a-Bit Bridge Club Entertained

SKELLYTOWN, April 11. (SP)—The Bid-a-Bit Bridge club gathered in the home of Mrs. S. Bowers Thursday afternoon at 2 o'clock for a bridge party.

At the close of the games, in which high score went to Mrs. Griswold and low to Mrs. Canady, refreshments of cookies and punch were served to the following: Mesdames Alice Canady, Agnes Groff, B. Griswold, Vera Mae Hicks, T. B. Parker, J. Randall, W. Searle, M. N. Osborne, Roy Lillie, and the hostess, Mrs. Canady will be hostess at the next meeting.

Mr. and Mrs. G. L. (Nat) Lunsford and Mrs. M. M. Walker motored to Huntsville last Tuesday to visit Fred Walker, who is in the Sam Houston hospital for an operation. Mr. Walker is the brother of Mrs. Lunsford and is formerly of Pampa. He is a senior in Sam Houston State Teachers college. The Pampans also visited Miss Maye Perkins.

Parent-Teacher Cards Available

Members of Sam Houston Parent-Teacher association who wish their membership cards may secure them from Principal A. L. Patrick. Delegates will not be privileged to vote at the district Parent-Teacher conference in Amarillo unless they have their cards.

PLAYS WELL

"EXCELLENT" was the rating given Virginia Lee Bechtelheimer, above, when she entered the piano division of the Tri-State Music Festival in Lubbock the latter part of last week. She is the pupil of Miss Madeline Tarpley. (Wirsching Photo).

BANQUET WILL BE SERVED ON FRIDAY NIGHT

JUDGE HAMLIN TO BE CHIEF ORATOR OF OCCASION

CANYON, April 11.—The meeting of the Panhandle Plains Historical society April 14, becomes a more interesting prospect every day. A real chuck wagon lunch served from the famous Sweetwater Chuck Wagon which once did regular duty on the 122 ranch, will be the noon hour feature. John M. Hendricks will be the Wrangler, with Horace Wade as cook. Everybody who has "two bits" may answer the call to chuck.

The chuck wagon is decorated with many old time brands and more will be added when it visits Canyon.

The banquet of the Historical society is always the crowning event of the day's session, and this year reservations have been made several weeks ahead. Prof. L. F. Shetty, and the officers in arranging the day's programs, decided to have the address dedicating the museum as a part of the banquet program, and Judge J. D. Hamlin is the orator of the occasion.

J. Everts Hale of Texas university, who received his first field training in the employ of the Panhandle Plains Historical society, will give a short address on the dinner program with "The Lure of the Soil" as his subject. Hale has a reputation as a pungent and humorous speaker. Herman Pipkin, of Amarillo, will be toastmaster. He will be introduced by T. D. Hobart, of Pampa, for five years the society's president.

Wallace R. Clark will sing cowboy songs, and Herschel Coffee, popular violinist, will play.

Only 205 people can be accommodated at the banquet and every seat will be filled.

Museum in Order. It has been a tremendous undertaking to get the museum in proper order for the meeting date, but it will be done, though there are not enough crews available at this time to allow the best arrangements of the materials. Upon entering, the attention of visitors will be attracted immediately to the two handsome buffalo heads which are mounted above the entrance; they were donated in the museum by Colonel Charles Goodnight and Mr. Ector of Spearman.

On the walls are many photographs and paintings, conspicuous among them those of John George Adair, part owner of the original JA ranch, Robert Moody, pioneer builder of Canadian, and Colonel Charles Goodnight, called "Father of the Panhandle."

Sportmen, interested in firearms of other days, will find the collection of arms most attractive.

The building will be open to visitors from 10 a. m. to 10 p. m. Friday, and the Buffalo Band under direction of C. E. Strain will play during the evening hours.

The sessions will begin at 10 a. m., the business session which is open to the general public following lunch at 2:30 and the banquet is set for 6:30 p. m.

Mrs. J. Powell Wehrung is ill.

Mrs. Roosevelt Avoids 13—Not Superstitious

By BESS FURMAN

WASHINGTON, April 11. (AP)—A bit breathless, Mrs. Franklin D. Roosevelt received the press in riding habit today, explaining she had been delayed on returning from her ride through Rock Creek park by getting her car brakes wet in a ford across the stream.

After she got through the ford, her brakes wouldn't work at all and she thought it would be better to go home slowly without accident than to meet appointments on time. It was necessary for her to rush through the questions in order to change her clothes and catch an afternoon plane for New York, where she will attend a consumers league conference on how to cope with the "sweatshop dress problem."

She took time, however, to tell several humorous stories of the rushed and informal life now going on at the White House.

One came in response to a question as to whether she plans to entertain Prime Minister Ramsay MacDonald, and his daughter Isabel at Camp Rapidan, as the Hoovers did.

She answered that all she knew about it was that her husband had suggested if she had house guests a week from Sunday, maybe she'd better write and tell them that, perhaps they couldn't come.

She said that when she asked why, his reply was that they might be entertaining a group of ministers a week from Sunday.

Mrs. Roosevelt had answered that no body had told her about that.

Another story concerned a lunch hour when she hurriedly sent an invitation over to the executive offices for anybody who hadn't lunch-ed to come quickly because a last

STANDARD FOOD MARKET HAS GREATLY ENLARGED QUARTERS

Standard Food Markets are receiving congratulations of patrons on the enlargement and improvement of the No. 1 store at 110 S. Cuyler.

The store has been widened to take in the space formerly occupied by Levine's, and this expansion has made possible a large number of re-arrangements which make it attractive to shoppers.

The aisles are wide and the merchandise logically arranged to make shopping easy for customers. An even larger stock also is possible despite the changes in arrangement and increasing of aisle space. Better displays are especially noticeable.

The meat department was doubled under the new plan.

Allen and Price Will Read Papers At A.P.I. Meeting

Important talks on the carbon black industry will be made in Borger this evening when the regular monthly meeting of the Panhandle chapter of the American Petroleum Institute will be held. The meeting will open at 7:30 o'clock in the Legion hut.

Speakers will be R. G. Allen of the Cabot companies, Pampa, and H. W. Price of the Huber company, Borger. Sales, uses and manufacture of carbon black will be stressed in papers and the discussion which will follow. As carbon black manufacturing is one of the chief industries of the Panhandle, many citizens of both Pampa and Borger are expected to attend the meeting.

An interesting musical program has been arranged and numbers will be presented before the addresses and during intermission between reading of the papers. Many Pampans plan to make the trip to Borger.

A minute visitor of her son, Franklin, Jr., had just made thirteen at the table.

"Steve" Early, the president's press secretary, became the fourteenth. Mrs. Roosevelt explained she was not superstitious, but she thought perhaps some of her guests might be and she wanted to be sure nobody felt uncomfortable.

She answered that all she knew about it was that her husband had suggested if she had house guests a week from Sunday, maybe she'd better write and tell them that, perhaps they couldn't come.

Another story concerned a lunch hour when she hurriedly sent an invitation over to the executive offices for anybody who hadn't lunch-ed to come quickly because a last

Ritter Funeral To Be Held Today

The funeral service for R. Frank Ritter, who died of gunshot wounds received Saturday morning, will be held in the G. C. Mahone funeral parlor this afternoon at 2 o'clock. Rev. C. E. Lancaster will be in charge.

Employees of the Phillips Petroleum company, with whom Ritter formerly worked, will be pall bearers.

Burial will be in Fairview cemetery. Ritter's relatives in West Virginia telegraphed that they could not afford to make a trip here. His wife survives him here.

Supreme Court Holds Against Bishop Cannon

WASHINGTON, April 11. (AP)—Bishop James Cannon, Jr., and his secretary Miss Ada L. Burroughs, lost in the supreme court Monday their fight against an indictment charging them with violation of federal election laws in connection with the 1928 presidential campaign against Alfred E. Smith.

They were charged with failure to report contributions received to aid them in their campaign against Smith in Virginia.

The court, in an opinion by Justice Roberts, sustained the contention of the government that the appeal from the action of the District of Columbia supreme court holding the indictment defective, was properly taken to the district court of appeals.

Bishop Cannon insisted that the appeal should have been taken direct from the trial court to the United States supreme court.

The court of appeals now will pass on the indictment itself. Should it be sustained, the churchman and Miss Burroughs would be forced to stand trial on the charges.

Mrs. H. C. Pritchett will leave this evening for her home in Lodi, Cal., after visiting Mrs. W. R. Chaffin.

Henry Van Dyke, Famed Essayist And Poet Dies

PRINCETON, N. J., April 11. (AP)—Dr. Henry Van Dyke, internationally known critic, minister, poet and essayist, and former diplomatic minister to the Netherlands died Monday at his home "Avalon." He was 80 years old.

Although Dr. Van Dyke had been ill for more than a year, his death was unexpected.

An intimate friend of Woodrow Wilson, when the latter was president of Princeton university, Dr. Van Dyke received his appointment as minister to the Netherlands, after his friend became president of the United States.

A man of great versatility, Dr. Van Dyke was the author of many books of prose and verse, an excellent preacher, a diplomat, and a lover of humanity.

PIGEON VISITS WELL. SAN ANGELO, April 11. (AP)—Drillers at a well in Crockett county had a visitor when a carrier pigeon stopped and spent the night with them. It refused overtures of friendship and food and flew away the next morning. It did allow inspection of the numbers on its legs, however. On the right leg of the bird was the number 4339; on the left AU 32R7552.

Mrs. A. L. Muney of Mobeetie was a shopper here this morning.

F. L. Thompson of Mobeetie visited in Pampa yesterday.

Jesse H. Lowe of Clarendon visited in the city last night.

Got Rid of Pains In Her Back and Sides

"I was not only weak and run-down, but I was nervous," writes Mrs. Ira Prince, of North Little Rock, Ark. "I suffered from pain in my back and sides. I did not rest well at night and would get up in the morning feeling miserable. My mother had taken Cardui with good results and advised me to try it. The first bottle helped me, so I continued taking it until I had taken four bottles. It certainly helped me. My back and sides quit hurting and I rested so much better." Cardui is sold at drug stores here.

Educator Gets Railroad Pass After 52 Years

SAN ANGELO, April 11. (AP)—A railroad pass which should have been received in 1881 by Dr. W. D. Powell, field secretary of the Baptist church, reached him recently through Judge P. C. Crane of Sweetwater, president of the West Texas Historical society.

The only man who has ever received passes on all railroads in Mexico and Texas, Dr. Powell was sent the card through Dr. W. C. Crane, who was president of the Baptist General convention and of Baylor university in the eighties. Dr. Crane misplaced it and decades later found it, turning it over to his son.

The pass was from the Texas & St. Louis railway company.

Tom Braly is expected home from the University of Oklahoma Thursday night to spend the Easter holidays with his parents, Mr. and Mrs. Clifford Braly.

Ed Zmotony of the Forest E. Gilmore plant was in the city last night.

Mrs. Corinne Bell of Wheeler was among the shoppers here yesterday.

It's Fun to be Fooled..

TODAY'S SHOW MYSTERIOUS BALL ROLLS UPHILL

1. I SAW A MAGICIAN MAKE A BALL ROLL UPHILL LAST NIGHT... WITHOUT TOUCHING IT. HE WAS SIMPLY WONDERFUL.

2. WHAT SHE SAW— THE PERFORMER MAKES A BALL DEFY GRAVITY AND ROLL UP AN INCLINE AT HIS BIDDING. IT PAUSES... ROLLS DOWN... ROLLS UP AGAIN... OBEYING EVERY ORDER OF THE MAGICIAN.

3. DID HE DO IT BY RADIO REMOTE CONTROL OR THOUGHT WAVES? THAT'S THE BUNK GRACE HERE'S THE REAL LOW-DOWN...

4. THE MAGICIAN DIDN'T HAVE ANYTHING TO DO WITH MAKING THE BALL PERFORM. THERE WAS A CONTORTIONIST INSIDE IT. BY SHIFTING HIS WEIGHT IN THE BALL, HE MADE IT GO.

5. MY GOODNESS BUT YOU'RE SMART, JOE. WONT YOU HAVE A CIGARETTE?

6. EXCUSE ME. I DON'T LIKE YOUR BRAND.

7. BUT ISN'T THIS THE MILDST KIND?

8. THAT'S ANOTHER ILLUSION. DON'T YOU KNOW THAT IT'S THE TOBACCO THAT COUNTS? HERE, HAVE ONE OF MY CAMELS.

9. IT'S MORE FUN TO KNOW ISN'T IT?

CAMELS are made from finer, MORE EXPENSIVE tobaccos than any other popular brand. They are mild... easy on the throat. They give you more pleasure. Try Camels.

No tricks—just costlier tobaccos in Camels

SIXTEEN CLUBS OPEN MAJOR LEAGUE SEASON TOMORROW

KNOCKOUT IS AMBITION OF TWO FIGHTERS

WHITLOW AND GRUBBS WILL BE READY TOMORROW

Both Alvin Whitlow and Pug Grubbs are preparing for knockouts when they meet in the main event of the American Legion's Athletic show in the Pla-Mor auditorium tomorrow night. Whitlow showed marvelous speed and some terrific punching yesterday afternoon in a 1/4g workout. He boxed several rounds at top speed, skipped the rope, punched the bag, and shadow boxed before calling it a day.

Grubbs has been working hard in his Borger gymnasium and reports come from that city that Grubbs is apt to lead the fighting tomorrow night. Pampas are doubtful because Grubbs is a counter fighter, and one of the best in the country. He also has been working on a knockout punch and the outcome of the return engagement is doubtful.

The two boys met here two weeks ago and after 10 rounds of furious fighting, two judges gave the decision to Grubbs. It was given the Bronx cheer by most of the fans and a return bout was demanded. Matchmaker Andy Andrews succeeded in getting the boys together and the outcome will be known after tomorrow night.

Eddie Brock will come from Amarillo to meet Doyle Owensby of Borger in the 8-round semi-final. Brock will weigh 174 pounds and Owensby 180 pounds. Both are the rugged type of slugger that hits hard and often. The dopesters see a knockout before the match goes very far.

Two youngsters who weigh 128 pounds will meet in a 6-round bout that should be a real main event. Fans already know how Grier Bowers of Borger fights and he will meet a Tartar in Lewis Ramirez of Perryton in a 6-round special event.

Hates Saltzman, local slugger, will tangle with Joe Ivey of Borger in six rounds. It should be a real slugfest. Ray Young, Borger, and Eddie Daniels, Stinnett, will be in the ring for four rounds.

EXHIBITION BASEBALL

By The Associated Press.
Yesterday's results:
Brooklyn (N) 7; Philadelphia (A) 11 innings.
St. Paul (AA) 7; Cincinnati (N) 6.
Pittsburgh (N) 3; Louisville (A) 2.
Detroit (A) 9; Army 0.
Washington (A) 5; Baltimore (IL) 4.
Philadelphia (N) 5; Montreal (EL) 1.
Boston (A) 9; Boston college 2.
New York (N) 7; Fordham University 0.
Jersey City (IL) 9; New York university 1.
Today's schedule:
New York (A) vs. Yale at New Haven.

FIGHTS LAST NIGHT

By The Associated Press.
MANCHESTER, Eng.—Jock McAvoy outpointed Len Harvey (14), won Great Britain middleweight championship.
Louisville, Ky.—Ray Trumble, Rockford, Ill., knocked out Bill Thomas, Louisville, (5).
Dallas — Art Dula, Brownwood, outpointed Joe Dundee, New York, (10).
Midlet Mexico, Mexico City, outpointed Pee Wee Terry, St. Louis, (6).
Pittsburgh—Ted Yarosz, Monaca, Pa., stopped Andy Di Vodi, New York, (5).
Joe Marcus, Braddock, Pa., outpointed Edourado Duarty, Erie, Pa., (8).

Bowlers Invited To Meet Amarillo

A team of Pampa bowlers has been invited to Amarillo tomorrow night to roll on the new Amarillo alleys. Manager Joe Landry of the Pampa Bowling alley is trying to secure a five to make the trip. The challenge was issued by Dyke Culum, former Pampa man.

The Amarillo alleys were opened last week. A league is being formed in the city and the teams are eager for games before the season opens.

MIGHTY STARS WILL NOT BE ABLE TO PLAY

BABE RUTH LISTED AS DOUBTFUL STARTER; ALSO FOXX

By HERBERT W. BARKER, Associated Press Sports Writer.
NEW YORK, April 11. (AP)—An unprecedented number of the mightiest players in the game will be on the sidelines when 16 clubs, baseball's upper-crust, open the major league season tomorrow in eight cities.

Through injury, illness, or some other cause, such famous figures as Kiki Cuyler of the Chicago Cubs, Travis Jackson of the New York Giants, Del Bissonette of the Brooklyn Dodgers, Don Hurst of the Phillies, Rogers Hornsby of the St. Louis Cardinals, and Dick Goffman of the St. Louis Browns will be conspicuous by their absence when the firing begins.

And four others, Glenn Wright of the Dodgers, Pinky Whitney of the Phillies, Jimmie Foxx of the Philadelphia Athletics and even the great Babe Ruth himself were listed as doubtful starters.

But despite the impressive toll the injury list already has taken, every club in the National and American leagues faces the new campaign with optimism and hope—and a few with real confidence.

The greatest shuffle of player talent in the history of the game has left both leagues with apparently justified prospects of the closest pennant fights in years.

The world champion New York Yankees, with their "varsity" unchanged and their reserve power bolstered by such promising players as Brennan, Van Alta, Werber, and Walker, remain the club to beat for the American league hunting, but Washington, the Athletics and Cleveland's Indians are prepared to give the title-holders much greater competition than they got a year ago. Washington, led by the youthful shortstop, Joe Cronin, bargained cleverly with reckless abandon during the off season and emerged with what may be the best balanced club in the loop.

The A's, though they traded Simmons, Haas, and Dykes to the Chicago White Sox, have discovered hard-hitting replacements and still can depend on the great pitching duo of Grove and Earnshaw.

Cleveland, if the Indians fail to finish in the first three, should be able to salvage the last first-division berth although Detroit and the White Sox may have a few pertinent remarks to make in rebuttal. The St. Louis Browns and Boston Red Sox seem slated for the last two positions.

A free-for-all involving perhaps as many as six clubs looms in the National league where the champion Cubs, despite the injury to Cuyler, meet the Pittsburgh Pirates, strengthened by the addition of Freddy Lindstrom, seem best.

SHOPPERS TO PLAY JUNGLE

Fenberg To Have Drain On Mound; Jungle Has Signed McNally.

The Jitney Jungle and Diamond Shopper teams will play another game on the South Pampa diamond tomorrow afternoon. Both teams have been strengthened by the signing of new pitchers and the game should be a classic.

Sam Fenberg of the Shoppers has secured Harry Drain, speedball hurler, while the Woodwards and Kolb team has secured McNally to do their hurling. The game will start at 5 o'clock.

Last week the Shoppers won an 8 to 3 game that was much closer than the score indicated. Both teams played nearly errorless ball and extra base hits were at a premium.

The Diamond Shoppers are trying to match a game with the fast Phillips "66" team of Borger last Sunday afternoon here. The Borger boys have a fast ball hurler, Shewning who has been anxious to tangle with Drain.

PAMPA LEAGUE IS ORGANIZED WITH 8 CLUBS

FINAL ACTION WILL BE TAKEN ON PLANS MONDAY

At least eight teams will compose the playground ball league being organized here, it was apparent when team managers met in the chamber of commerce rooms last night. A nominating committee composed of Sam Fenberg, Jim Kolb, and Harry Hoare was appointed, and officers will be elected at a meeting next Monday night at the same place.

League formation, rules, and equipment were discussed from all angles last night, but no definite action was taken on any of the questions. The nominating committee was empowered to contact firms regarding the installation of lights and secure a suitable location, secure temporary diamonds until it is warm enough to play night ball, decide the number of players, each team may sign, and other matters brought before the meeting.

Seven teams announced "in" and the other team will be selected from the two probable entrants. Teams formally entered are the Jitney Jungle, Diamond Shoppers, Lane Brothers, Rose Building or Lions club, Danciger, Phillips, and Skellytown. The Kiwanis club and post-office are debating about organization teams and it may be that the Faculty will decide to get together instead of disbanding.

Several of the team have already been in action and prospects of a strong league is promising. Skellytown has an excellent lighting system and the games there draw large crowds.

A team entry fee will be made and the money will go into the league treasury along with a percentage of the gate receipts and at the end of the season the money

Midland Man Is Boosted As Lion To Head District

Two Games in Oklahoma And One in Texas on Loop's Schedule Today.

By BILL PARKER, Associated Press Sports Writer.
The 154-game schedule of the Texas league's 1933 pennant campaign had its inaugural Tuesday with Dallas playing at Oklahoma City, Beaumont at San Antonio, Fort Worth at Tulsa, and Houston at Galveston.

As club owners, players and managers faced the long marathon, each expressed confidence in the future of baseball and J. Alvin Gardner, league president, was sure this season would prove one of the best of several years in the Texas league.

In a composite selection of Texas sports writers, the Fort Worth Cats were picked to win the pennant, but it was apparent fans favored Houston or Dallas over the Cats. Beaumont, last year pennant winner, was favored for sixth place.

For the first time, the Texas league will operate on the Shaughnessy pennant plan, which calls for a round-robin playoff at the termination of the regular season between the four first division teams. The winner of the playoff will represent the league in the annual Dixie series with the Southern league champions. The team that finishes in front on a straight through race will be awarded a one thousand dollar bonus.

The Oklahoma City Indians and Tulsa Oilers, last year members of the Western league, made their bow as Texas league entrants. Both cities planned huge crowds in competition for the trophy that will be awarded to the city with the largest opening day attendance.

Library Receives Many New Books

A new section of shelving will be placed in the Pampa public library to accommodate new books which are being bought each month.

Eighty-nine new volumes were recently ordered, and most of them have arrived. Some, however, were not kept in stock by the jobbers and were re-ordered from publishers.

The library's patronage is so great that it is averaging a complete turnover of books each month. Board members who met yesterday were Mrs. C. P. Buckler, president; Mrs. F. E. Leech, A. M. Teed, and Olin E. Hinkle.

League umpires will be selected before the opening of the season and they will have to be approved by the officers and managers.

Illinois Ousts Pro Wrestling

CHICAGO, April 11. (AP)—Professional wrestling was an exile from Illinois today.

After an exhaustive investigation into the match at the Chicago stadium last Friday night, which resulted in a disputed one-fall victory for Jumping Joe Savoldi over Jim London, the Illinois State Athletic commission banned professional wrestling indefinitely in the state. A card, offering Jim Brown and Ed "Strangler" Lewis at the Chicago Coliseum tonight, was ordered cancelled.

Savoldi, whose victory over London was an upset comparable to the victory of the late Wayne "Big" Mann of Nebraska over Lewis several years ago, was awarded the fall by the commission, which upheld the decision of Referee Bob Managoff.

St. Louis Browns Will Be Conspicuous by Their Absence

Through Injury, Illness, or Some Other Cause

The greatest shuffle of player talent in the history of the game has left both leagues with apparently justified prospects of the closest pennant fights in years.

The world champion New York Yankees, with their "varsity" unchanged and their reserve power bolstered by such promising players as Brennan, Van Alta, Werber, and Walker, remain the club to beat for the American league hunting, but Washington, the Athletics and Cleveland's Indians are prepared to give the title-holders much greater competition than they got a year ago. Washington, led by the youthful shortstop, Joe Cronin, bargained cleverly with reckless abandon during the off season and emerged with what may be the best balanced club in the loop.

The A's, though they traded Simmons, Haas, and Dykes to the Chicago White Sox, have discovered hard-hitting replacements and still can depend on the great pitching duo of Grove and Earnshaw.

Cleveland, if the Indians fail to finish in the first three, should be able to salvage the last first-division berth although Detroit and the White Sox may have a few pertinent remarks to make in rebuttal. The St. Louis Browns and Boston Red Sox seem slated for the last two positions.

A free-for-all involving perhaps as many as six clubs looms in the National league where the champion Cubs, despite the injury to Cuyler, meet the Pittsburgh Pirates, strengthened by the addition of Freddy Lindstrom, seem best.

Stevenson to Speak at College Station

COKE R. STEVENSON, of Junction, speaker of the house of representatives in the state legislature, will be the speaker at the faculty-former student luncheon, Sunday, April 16, during the annual meeting here of the association of former students of Texas A. & M. college. About 400 former students of the college are expected to attend the annual gathering. E. E. McQuillan, secretary of the association, has announced.

Mrs. Ted Hoover of Amarillo as Pampa Visitor

Mrs. J. B. Reeves left Worley hospital yesterday following a minor operation.

WHAT WOULD HAPPEN IF WE HAD A BLOW-OUT HERE?

THOUSANDS ARE MAINTAINED BY BLOW-OUTS EVERY YEAR!

PUT BLOW-OUT PROTECTION ON YOUR CAR!

NO EXTRA COST

WHEN the speedometer reads 40, 50, and 60—miles after mile—terrible heat is generated inside the tire. Rubber and fabric begin to separate. A blister starts... and grows bigger and bigger—until BANG! A blow-out! A terrible drag sets in—you can't steer. And then CRASH!

New Invention Prevents Blow-outs

To protect you from blow-outs, every new Goodrich Safety Silvertown has the amazing new Life-Saver Golden Ply. This new invention resists heat. Rubber and fabric don't separate. Thus blisters don't form, and blow-outs are prevented before they start.

At grueling speeds on the world's fastest track, the new Goodrich Safety Silvertown, with the Life-Saver Golden Ply, lasted three times as long as first quality tires that did not have this feature. These SILVERTOWNS never blow. They were run till the tread was gone—but the Life-Saver Golden Ply refused to give.

Safest Anti-Skid Tread

Moreover, road tests with leading makers of tires show that Goodrich Safety Silvertowns have the most skid-resisting tread. This tread gives your car extra road-grip... reduces danger of skidding to a minimum.

With all these extra values, Goodrich Safety Silvertowns cost no more than other standard tires. Why not put them on your car? Come in today!

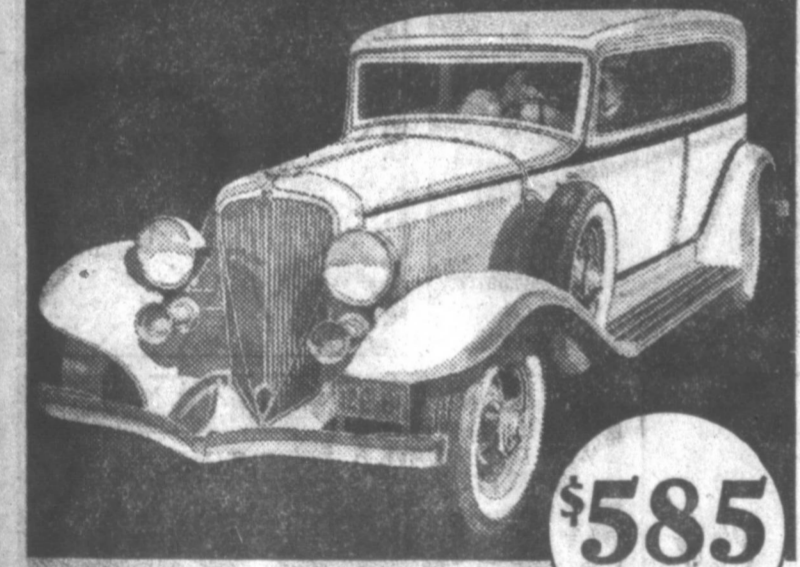

Goodrich Safety Silvertown

STATIONS AND DEALERS IN TEXAS, OKLAHOMA, ARKANSAS, LOUISIANA AND NEW MEXICO

1898 When automobiles looked like this, and only a handful of them were in existence, the founders of the Magnolia Petroleum Company started the first refinery in the Southwest at Corsicana, Texas. The picture below was reproduced from an actual photograph of this first refinery.

1933 Just thirty-five years later, there are over twenty-six million motor vehicles in the United States; petroleum is the fifth largest industry in the country, topped only by agriculture in the Southwest. The photograph below shows the present Magnolia Refinery at Beaumont, Texas.

1898 When automobiles looked like this, and only a handful of them were in existence, the founders of the Magnolia Petroleum Company started the first refinery in the Southwest at Corsicana, Texas. The picture below was reproduced from an actual photograph of this first refinery.

1933 Just thirty-five years later, there are over twenty-six million motor vehicles in the United States; petroleum is the fifth largest industry in the country, topped only by agriculture in the Southwest. The photograph below shows the present Magnolia Refinery at Beaumont, Texas.

Magnolia and the Automobile . . . They've grown together for thirty-five years!

WHHEELS, as a rolling device, had been in use for more than four thousand years before the invention of the automobile. From available records, the first application of mechanical power to vehicles seems to have been a carriage propelled by springs, built in Nuremberg, Holland, by Johann Haus-tach in the sixteenth century.

To Charles E. Duryea, a bicycle manufacturer, who first experimented with steam and later made his first gas engine studies at the Ohio State Fair in 1886, goes credit for the first gasoline engine automobile built in the United States. In 1892, Duryea built a make-shift, under-powered affair of one cylinder. The most that can be said for it was that it did achieve the amazing speed of seven miles per hour.

Perhaps it was coincidence, but, at about the same time the automobile began its meteoric rise, the Southwest came into the picture as a producer of petroleum. By accident, oil was discovered at Corsicana in 1896. Two years later, on Christmas Day, 1898, the founders of the Magnolia Petroleum Company fired the skills in the first refinery in the Southwest.

Without the Southwestern production of petroleum to supply popular priced fuel and lubrication, it is doubtful whether the automobile could have come into such widespread use in so short a time.

As pioneer refiners of the Southwest, the Magnolia Petroleum Company has seen the automobile industry grow from a clumsy, lumbering infant into the world's largest industry.

Just as the founders of this Company were the pacemakers of Southwestern petroleum production, so has Magnolia set the pace for better gasolines, motor oil and greases. Many people living today remember when they chugged over Southwestern roads in their rambling, horseless carriages . . . fueled and lubricated by Magnolia Products! Today these same people may speed over broad paved highways . . . using Mobilgas, Mobilgas Ethyl and Mobiloil, fitted to the needs of their modern motors. Drive in and enjoy these up-to-the-minute petroleum products.

MAGNOLIA Petroleum Company

The Little Harvester

Vol. 2. PAMPA HIGH SCHOOL, APRIL 11, 1933. NO. 27

GEORGE KEAHEY NAMED SENIOR CLASS VALEDICTORIAN; MYRTLE FAYE GILBERT, SALUTATORIAN

George Keahey and Myrtle Faye Gilbert were officially announced yesterday to be the valedictorian and salutatorian of the senior class, having maintained throughout their four years in high school the highest scholastic records. George's average for the four years is 95.4 and Myrtle Faye's is 94.7.

Plans are well underway for the closing activities. The commencement program will be entirely in charge of students, and the valedictorian and salutatorian will make original talks on subjects pertaining to modern education. Other programs will include the observance of class day at assembly on May 9 and the senior vesper service on the evening of May 14.

Girls Of Senior Class Guests of A. A. U. W. Body

College life in its various phases was discussed informally by college women of Pampa in a program sponsored by the A. A. U. W. yesterday for senior girls. Mrs. E. C. Will, president of the organization, presided. The program was planned by Miss Alma Schulkey, the A. A. U. W. faculty adviser to senior girls. Mrs. C. T. Hunkapillar reviewed briefly the history of woman's place in education. Various phases of college life were then discussed. Mrs. Ewing Leach spoke on the religious side of college life, and Miss Fannie May on the social side. Mrs. Harry Marbaugh discussed the practical financial side of the question, and Mrs. J. B. Massa spoke on side-lights.

Mrs. Will explained the basis on which the annual A. A. U. W. scholarship will be awarded—scholarship, leadership, service to school, character, and personality. This year's winner will be announced at the tea for senior girls to be held in the woman's club rooms of the city hall on May 16. Previous winners of this scholarship are Evelyn Carter, Ruth Wakeman, and Eloise Lane.

Hi-Y Will Attend Revival Tonight

Plans for the Hi-Y program tonight are to meet at the library at 7 and later to attend services at the Methodist church, where a revival meeting is being held. This is a request meeting and attendance will be voluntary on the part of each boy.

TEMPERAMENTAL TYPISTS

At the commercial tournament in Quanah Miss McFarlin and her contestants were lunching with the group from Vernon. The coaches were bluffing each other by sadly underlining the speed of their typing students. "We do from 10 words a minute up," said the Vernon teacher. "Well, we type between 5 and 75," replied Miss McFarlin.

Notable Nothings Of P. H. S.

By The Nimble Nit-Wits.

There was once a man named McFuzzle. Who worked on a big jig-saw puzzle. It was only a fad, but it drove him mad; And now he's wearing a muzzle.

The seniors have been unusually quiet in the halls this last week. We suspect several of them had too much "sneak" day.

Elden Brazell claims that the sun "sure got hot" on his back while he played baseball in his undershirt.

Leon Robinson walked so far in that one day that he couldn't run in track for nearly a week.

Wilks Chapman, Bertou Doucette, and Jim Stone walked down the canyon "too far."

Being seniors, the Nimble Nit-Wits failed to see how the underclassmen enjoyed our "vacation," but we suspect they didn't.

If all the "pops" stolen were laid end to end, they would equal one stomach ache.

Back to school row and ready to go down the "home stretch."

The senior class wishes to issue a vote of thanks to the person who brought the portable to the "sneak."

Jack Mann says that reporting on some books is like taking a dose of Easter egg. It tastes bad, but it does the job.

Frank Baer's broken rib is getting along fine and will continue to do so if he leaves the girls alone.

The snooper snooper urges all seniors please to attend the junior play. He wants to eat if it is beans.

A little spark, a little coil, A little gas, a little oil, A piece of tin, a little board, Put them together and you'll own Wiley's Ford.

At the commercial tournament, Quannah didn't give any cups to the winners, but we bet the cafes miss the butter dishes and cream pitchers that walked off as souvenirs!

Kelley's Classes Enjoy an Outing

Sixty-five boys in Harry Kelley's gym and mechanical drawing classes enjoyed an over night outing this week-end at Gething's ranch, 29 miles southeast of the city. A miniature track meet Saturday afternoon was the chief feature. Baseball and other games, an exhibition by the tumbling squad, and a hike to an old fort were other pastimes. Among the eats were three cases of pop donated by Woody. The boys returned Saturday evening.

Tech Will Open Season Against S. M. U. Mustangs

LUBBOCK, April 11. (P)—The Texas Tech Matadors will open the fall gridiron season at home on September 30, in a game with Southern Methodist University Mustangs. Coach Pete Cawthon has announced that his schedule is complete except for October 7. On October 14 the Matadors will play the University of Arizona, at Tucson. The remainder of the schedule will include Louisiana Polytechnic at Lubbock, October 20; the School of Mines of El Paso, Oct. 28; Haskell Institute at Lubbock, Nov. 4; Simmons University at Lubbock, Nov. 11, and Kansas Aggies at Lubbock, Thanksgiving day.

DID YOU KNOW?

The junior class has charge of assembly this week, and the faculty are trembling in their boots, we hear, remembering the sophomore take-off.

The home economics II B girls are trying hard to finish their new frocks in time for Easter.

Pampa high again won the commercial tournament. It looks mighty like that big cup in the office will be permanent property.

Mr. Kelley's boys on their overnight camp scared a rabbit out of some bushes and took turns chasing him until they ran him down.

School Golfers Lose Matches at Plainview Meet

Pampa, Amarillo, Sweetwater, and Lubbock were invited to a golf tournament at Plainview last Saturday; however, only Amarillo and Pampa attended. The Pampa boys lost to Plainview in 3-1 matches and to Amarillo in 3-1 matches.

Those who made the trip were Grover Austin, Robert Talley, Elmer Irving, and Harry Rockwell, Jr. In preparation for the Canyon golf tournament next week, Buck Talley and Grover Austin stopped in Canyon on the way back and played 36 holes.

made from a large group of pictures of Tech girl students. Miss Cawthon's picture will head the "Lae Bonitas" section of the college yearbook.

Junior Class' Play Will Be Given April 18

"A man's a man for a' that," Robert Burns.

An invalid girl, twins, and crossed positions are all reason for the above, for the junior play, changed to April 18, has plenty of tangles, excitement, and humorous situations.

The play, containing some of the best dramatic material in school from the junior class, is centered about the antics of an invalid girl (so says the papa) who while spending the summer on a New England farm completely changes farm life. A rich man, a poor man, and twins (?) compose a love affair without equal. Odell Walker has taken the place of Jess (Broken Jaw) Patton and

is getting the part toward perfection. A skit will be presented in chapel Wednesday as a part of the annual junior class program.

COYOTE RUN DOWN
SAN ANGELO, April 11. (P)—Harve Faught, who works on the Arch Benge ranch north of San Angelo, ran a coyote to death recently. The animal was caught on the highway between the wire fences. Faught drove his car up and down the road until the animal fell exhausted. A gun was obtained from a ranch house and the coyote killed.

Your choice of colors in these lovely spreads. Add brightness to your bedrooms with these while you can get your choice for 79c. Tomorrow only!

Britain Charges Soviet Used Third Degree To Get Confession

CHANGE IN CHESS TOURNAMENT PLANS ADDS ZEST TO SPORT— GROUP PLAY ALREADY STARTED

The Pampa Daily NEWS chess tournament is well under way this week with group captains arranging the schedules for the four groups.

For two weeks, each man in every group will play every other man. The two men in each group having the highest scores will enter the quarter finals of the top section. Only two games will be played by each man in the quarter finals unless there is a draw, in which case a third game will be played. Three games will be played in the semi-finals, if necessary, the winner being the best in two out of three games. Five games will be played in the finals, if necessary, with three games necessary for the championship.

By the two low men in each original group will enter the quarter-finals of section C. The three tournament sections will continue publicly and simultaneously if possible. The championship will, of course, rest with the winner of section A.

There is no time limit on moves in group games. A 3-minute limit will be set in the semi-finals and finals. Announcement of the place for the public stages will be announced by Gilmore N. Nunn, manager of the tournament, who also will arrange inter-city matches.

Ross Cornelius of Canadian visited in the city yesterday afternoon.

C. M. Carpenter of McLean was a Pampa visitor yesterday.

Mrs. J. S. McLaughlin of Miami was a Pampa visitor this morning.

Mrs. G. C. Gallaher of LeFors shopped here yesterday afternoon.

Miss Vera Fulfur of Miami was a shopper here this morning.

WOMAN USED TO SET TRAP FOR PRISONER

SIX BRITONS TO GO ON TRIAL IN MOSCOW TOMORROW

LONDON, April 11. (P)—The British government has made public information intended to show the Russian secret police used virtual "third degree methods in attempting to obtain confessions from six British engineers who are going on trial tomorrow in Moscow.

The six defendants are charged with espionage, embezzlement and bribery. Officials here have stressed that the death penalty may be invoked in event of conviction.

A second white paper on the case, issued last night, related that the Russian police directed a woman to set a trap for one of the men.

One communication from British thronometric officials in Moscow said John Sushny, one of the prisoners, was offered \$250 a month to do work without the knowledge of his company, the Metropolitan-Vickers Electrical Equipment company, of Manchester, England, but that he refused.

"A Russian woman was sent for by the authorities and instructed to induce Monkhouse and persuade him to do this work. She refused," the telegram said. Alan Monkhouse was head of the Metropolitan-Vickers staff in Pavia. He faces trial with five of his British associates.

The white paper disclosed that apparent "voluntary confessions" were obtained from one of the men, C. Thornton. Monkhouse was quoted as saying he broke down and made false confessions because of "treacherous exposure relations between himself and Mme. Kotsusova, a 40-year-old secretary of the company."

Sartain Suffers Scrambled Ankle In Grid Practice

Ledie Sartain, high school boy and one of the stars of the 1933 football squad, suffered a severely sprained ankle yesterday afternoon during practice for the game this afternoon at 4 o'clock at Harvester park between the graduates and the 1933 prospects.

The accident occurred during passing practice when one of the players charged into Sartain when he was looking in another direction. An x-ray of the injured member was made this morning. No bones were found broken.

Coach Odu Mitchell said this morning that he had nothing to do

COURT RECORD

J. H. White, charged with possession of intoxicating liquor for purpose of sale, was given a 2-year suspended sentence in a non-jury hearing in 31st district court yesterday.

A quick verdict of not guilty was returned in the case of W. A. Wilson, charged with embezzlement. He testified that he made deposits and mailed deposit slips to the Phillips company in a controverted account.

Today the case of the State against Tom Lyon, charged with receiving and concealing stolen property, was called. The jury selected was composed of H. E. Scuders, H. B. Taylor, M. A. Graham, H. H. Ingram, A. C. Allen, Chris Baer, J. B. Barrett, M. E. Harper, James H. Baldwin, John C. Haynes, W. L. Hinton, Leslie Jones.

The rest of the jury panel was excused until 9 a. m. tomorrow.

MORTGAGE

(Continued from Page 1)

Farm Value Away Off.

In many cases his farm had virtually no sale value, whatever its appraised worth might be. The insurance company did not wish to foreclose, probably could not sell the farm for the face of the mortgage if it did. The huge investment of the insurance company and other lenders in farm real estate was frozen.

Now an unfreshing prospect is proposed to help both sides of the mortgage agreement. First, the government proposes to restrict farm production to raise prices; secondly, to have federal land banks take over Smith's farm mortgage and to give the insurance company bonds in exchange.

Smith, the insurance company, and the federal land bank will set together. The federal land bank may propose to give the insurance company an \$8,000 bond, paying 4 per cent, for the \$8,500 mortgage. The government will guarantee payment of the interest. The bank will take over the mortgage, lower the interest rate to not more than 4 1/2 per cent and agree not to press Smith.

This in effect, and simply illustrated, is what the mortgage provision of the farm bill proposes. The debt is reduced to manageable proportions; the insurance company has a liquid instrument in place of the frozen mortgage; foreclosure of farmer's homes is stopped.

The total farm mortgage debt is about \$8,500,000. Some of this would be scaled down both as to principal and interest, as above described; other portions of it would be used to purchase first mortgages outright on the same scaling down principle.

The larger effect of the plan will be to unfreeze billions in credits, now yielding no interest and having no market value.

with coaching the graduates. They are playing the game this afternoon on their "own hook." All he is interested in is seeing the 1933 prospects in action.

POWER

(Continued from Page 1)

"An army of men" would be needed, Norris said, to clear away timber and otherwise prepare the area for construction of the dam and these could be put to work almost immediately.

The \$2,000,000 farm mortgage bill was taken up by the house, with debate and amendments limited and a vote expected tomorrow. In the senate, where this measure has been combined with the farm price-raising bill, the legislation was laid aside temporarily to begin the impeachment trial of Federal Judge Harold Louderback of California. Once started, however, this proceeding was to be postponed until pressing legislation had been passed.

Accompanying the farm mortgage bill in the house was a minority report from the agriculture committee, advocating currency inflation. The same issue is to be faced by the senate before the farm legislation is out of the way.

Herbert Davis Injured When Car Overtakes

Herbert Davis, 15-year-old son of Mr. and Mrs. W. H. Davis suffered severe bruises and possible internal injuries when his Chevrolet car turned over end for end near Lake-ton about 10 o'clock last night.

He was taken to Pampa hospital by Park Brunley and George Ingram, who were near in another car at the time of the accident. With Young Davis was Dick Sullins and Miss Ella Harmon, neither of whom was hurt. The young folk were out riding, and the accident occurred when another car forced their own car upon a soft shoulder of the road on a curve.

The car was badly damaged, and the three occupants crawled out through the top after it stopped rolling.

George Limerick underwent an operation for appendicitis at Pampa hospital yesterday afternoon. He was doing nicely this morning.

(Continued from Page 1)

everywhere have cut expenses from 25 per cent to 50 per cent, depending on the scale of expenditures from which they could retreat. Counties have shown the least retrenchment, largely because they are so bound up in state law that the officials can merely cite legal stipulations and stand immune from forced economies. The days are not far off, however, when you will find fewer officials and smaller operating costs. It is not fair for one or two county officials to voluntarily cut their salaries if others do not do so and if no state move is made. Moreover, as long as we have the elective system in county government, we suppose we will continue to force office seekers to spend large sums to court our favor.

STATE EXPENSES CUT

Without much difficulty, state expenditures in most instances have been reduced from 25 to 40 per cent. Higher education has taken a sharp reduction instead of being curtailed as to number of institutions. The remaining issue is whether the public school system shall be cut also. A bigger problem is how to maintain the per capita apportionment high enough to prevent damaging shortening of terms. The strongest support of all is behind the public schools, but since they require enormous appropriations, the debate over new tax sources to provide necessary revenues is waging hot. The schools must go on; young lives cannot be re-lived.

NINE-LIVED PROPOSAL

Like the proverbial cat, the Ferguson-sponsored sales tax bobs up when it is believed dead. It was the major suggestion for raising funds, but until neighboring states pass a similar tax it will be fought because of the trade it would drive out of the state along Texas' great boundary lines. The old plan of proposing to divide the proceeds between the counties and public schools has been urged for the sales tax. Many of the new taxes of recent years have been successfully sponsored. It is no longer possible to add a tax, however, under the plea of dividing it with some popular institution.

MOSTLY CHECKS

Every time the house passes a so-called dangerous bill, many people thank heaven that they have the share of blame when its conservatism and more experienced members sit a house measure which was "wonderful." As long as we send hundreds of "representatives"—all too representative of the average, inexperienced citizen—to the legislature every two years it will be necessary to "give two houses." It would be vastly more economical and more truly representative to have one house of about the size of the senate, composed of capable legislators who could be persuaded to sever their business connections long enough to really study the lawmakers' business, and give the state the benefit of their studies. The results of our haphazard democracy are just about what we have the right to expect.

NEWS

(Continued from Page 1)

Here are the particulars: To compete for the trip contestants must be fifteen years or older, and not a member of the immediate family of any merchant or employee of a merchant participating in the contest.

Contestants to compete must register with the contest manager at the Pampa Daily NEWS office. No entrance fee will be charged. No contestant will be allowed to tell the amount of votes possessed to anyone during the campaign.

No contestant will be allowed to give, sell, buy, trade, or barter votes at any time during the contest. Votes will be given by all participating merchants at the rate of one vote for each one cent purchased, except on two days each month, when each merchant will be allowed to give two-for-one votes on advertised articles selected by himself. The same issue is to be faced by the Pampa Daily NEWS.

Contestants will trade their votes of small denomination for votes of larger denominations at the office of the Pampa Daily NEWS, thus avoiding delay in counting votes.

The contestant receiving the most bonafide votes will be declared the winner of the free trip to the world's fair in Chicago, Ill., including transportation, by train with pullman berth, hotel, and meals, and \$8 per day for other expenses in Chicago.

Any contestant found guilty of violating any of the above rules may contest manager and any three of the participating merchants. Each contestant hereby agrees that the decision will be final.

The ballot box will be located at

actual cash transaction occurs. Contestants receiving the most votes will be determined by three competent judges selected by the participating merchants at the close of the contest, who will count or have counted all votes. The contestants receiving the most bona fide votes will be the winner.

Only votes in the ballot box with name legibly inscribed thereon will be counted.

The ballot box will be located at

the Pampa Daily NEWS, locked and sealed at the beginning of the contest and remain unopened until the contest closes at 6 p. m., June 30, 1933.

University Interested.

Because of the widespread interest among faculty and students in a Century of Progress, which opens officially on June 1, Northwestern university will close for the season on May 31.

Announcement of this effect was made by President Walter Dill Scott. "Sentiment on the part of members of the faculty was practically unanimous that all university work be cleared out of the way before the official opening of the exposition," President Scott said.

"Many of our students and faculty are intensively interested in the exposition, and we were desirous of cooperating with them and with the world's fair. An additional reason was the fact that school bands from all parts of the nation will take part in a contest in Evanston, to determine which will participate in ceremonies connected with the opening of the exposition."
