'Hootie' Harrah Dies Suddenly While On Visit

FROM OTHER PAGES.

Sayings of our contemporaries: J. M. NOBLE in Canadian Record. Canadian has always showed true sportsmanship in any game it attempted. . . In return, Canadian expects to be met half-way. . . When a football game is scheduled, Canadian expects to play football and not enter a slugging match.

T. A. LANDERS in McLean News: Dr. J. A. Hill of the West Texas State Teachers college said there are only two kinds of church members: Those who are able to help the church financially and those who need financial help from the church. With statistics showing only 25 per cent of the church memberships contributing anything to budgets, it leaves a rather poor showing for the most of us.

DESKINS WELLS in Wellington: I don't know toward what form of government we are drifting, but it is evident that it is changing. As this change occurs there is one thing the people should guard with zealous care and that is the freedom of the press and platform. Madame Secretary Perkins recently took a government sub-official to task for trying to tell a newspaper in Virginia what it should publish about NRA.

R. B. HAYNES in Miami Chief: These beautiful autumn days are enough to make us glad we are living. Let's enjoy them to the fullest and not be grouching about what we know will be coming later on. . . The past cannot be remedied and our future troubles are imaginary, so why worry?

SAM BRASWELL in Glendon News: Nearly everyone wants to help in the movement for better times, and the only reason many do not help is that they fail to recognize any present means of so doing. Now there is an easy way for everybody to help bring back better times, and we urge everyone to do that very thing: PAY YOUR ACCOUNTS PROMPTLY and with a smile.

WILLIAM RUSSELL CLARK in Memphis Democrat: In our own humble estimation, the world is headed surely and certainly in the direction of another mighty conflict. The treaty of Versailles has never set well on the European stomach and the diet it has inflicted is alike distasteful to many of the Allies and the Central Powers of the world war. . . France wanted to split Germany apart so that it never again would be a unified nation. Thwarted in her ambition by the United States, France has sulked ever since.

J. C. ESTLACK in Donley County Leader: Farmers are protesting against the inefficiency of federal relief. It is their inherent right to protest. The attention of officials will be drawn directly to the cause of complaints. A remedy will be supplied. When a people assumes a complacent attitude regarding public interests and public questions, then our well-being is in most danger. That is one big reason why we are in this financial mess today.

HOMER STEEN in Floyd County Hesperian: Marvin Jones has made a good hand during his tenure of office, which is quite a spell. He has seen the opportunities presented and since March 4 has been his busiest in a busy lifetime. . . The folks at home have awakened to the fact that they have a celebrity in their midst.

Well-Known 'Rooter' Said He Was First White Boy Born in Gray County.

THE fog-horn voice of O. W. ("Hootie") Harrah of White Deer is still.

Mr. Harrah, who claimed to have been the first white child born in Gray county, succumbed in Ink, Ark., last night to a brief illness while visiting in that state.

He was born on Cantonment creek, southeastern Gray county, about 50 years ago. He was associated with his brother, Herbert, in the barber business in White Deer, Herbert and a sister, Mrs. T. J. McIntyre of White Deer, were with him when he died, together with Mrs. J. M. Gill of Miami, another sister. He also is survived by two other sisters, Mrs. Bertha Weckesser of Miami and Mrs. B. A. Huffman of Lincoln, Ark., and his wife, who was with him on the trip. There are no children. The funeral and burial were to be held at Ink this afternoon.

Mr. Harrah followed Pampa sports closely, especially baseball, and usually was seen and especially heard at important events. His keen knowledge of human nature enabled him to get "under the skin" of those unfortunate enough to be the subject of his satire. Never ruffled, he thrived on derision and actually was a factor in a number of Pampa baseball victories. It is said that the Fort Worth Cals heard him on a pre-season training tour and tried to persuade him to move to Fort Worth.

About two years ago he brought back a parcel of baseball bats, made from timber selected by him in Arkansas. He frequently stopped at The NEWS office to ask questions about Pampa sportsmen and to assure local people of his support.

Bell Officials Visit Holdings in Pampa Area

Samuel L. Lubell of New York, president of the Bell Oil & Gas company, large holders in the Panhandle oil field, and Albert Plinston of Tulsa, vice president and general manager of the company, spent part of last week in Pampa while visiting their holdings. They were accompanied by A. M. Martini, local representative.

The Bell Oil & Gas company will begin construction of a casinghead gasoline plant in Wheeler county within the next 10 days. The plant, to be erected on the Evans lease a half mile from the Gray county line, will have a capacity of 7,250,000 cubic feet daily. Gas will be supplied from Bell Oil & Gas company wells and by gas from Midcontinent wells in the area.

The company last week opened up the former Ranne and Sargeant gasoline plant near Skellytown. Bell Oil & Gas completed a nice well last week on its Webb lease in Gray county. The well appears good for more than 700 barrels daily. It is ready to be placed on test.

New Panhandle Oil Schedule Is Being Prepared

A new Panhandle oil schedule is being prepared at the local office of the railroad commission today. It is to comply with the reduction in the output announced by the commission Saturday. The Panhandle production is down from 44,500 to 42,000 barrels.

The percentage of proratable oil to be taken under the new schedule, which became effective at 7 o'clock this morning, is 10.57 per cent. The Panhandle potential according to the new figures is 149,758 barrels. Proratable oil is 126,499 barrels.

Gray county's potential at the present time is 104,489 barrels with 89,364 barrels of that amount being proratable oil. Gray county's allowable is only 24,571 barrels under the new order.

The reduction followed an order from Secretary Jones of the federal board who ordered the state allowable cut 82,555 barrels.

STOCK PRICES INCREASE BUT LOSE PROFITS

FRANCE AND ENGLAND JOIN TO PURCHASE DOLLARS, CLAIM

NEW YORK, Oct. 30 (AP)—Share and staple markets received but momentary stimulation today from the announcement that the R. F. C. would extend its gold buying to foreign centers as a major step in the administration's determined campaign to control the value of the dollar.

Lacking details as to the manner in which the new plan will be administered, financial quarters were hesitant, for it was felt that any aggressive depreciation of the dollar, or a large drain upon the gold supplies in London or Paris, might lead to disturbing retaliatory steps abroad.

The stock market bulged up about \$1 to \$3 a share in leading issues in the first few minutes of trading, then slid back, with virtually all of the advance having been lost by midday save in the mining issues. The market turned very dull.

The wheat market at Chicago pushed up as much as 2 cents a bushel, then lost roughly half its gain, while other grains, save rye, dipped a little under Saturday's final prices. Cotton futures at New York registered an advance of around 75 cents a bale, then likewise approximately halved its advance.

The dollar showed a drop of more than 10 cents in relation to the British pound in London, opening at \$4.90 in comparison with Saturday's last price of \$4.71 1-4. The rate then went for a time at \$4.82.

The London Herald expressed the belief that foreign interests were taking means to oppose the American president's monetary plan, hinting that the Bank of England and the Bank of France had joined to buy dollars, thus countering any sharp drop of the American currency abroad.

French financial interests foresaw danger to the gold supply of the Bank of France.

Financial interests at Amsterdam believed means to oppose the American president's monetary plan, hinting that the Bank of England and the Bank of France had joined to buy dollars, thus countering any sharp drop of the American currency abroad.

The name of the baby, born Saturday to the son of the former president and the daughter of a former Connecticut governor, was chosen to retain the initials "C. C." of the Coolidge family. If a son had been born, young Coolidge said, he would have been named Calvin Coolidge.

Prizes will be given after unmasking at 11 o'clock. There will be prizes for the best couple, for the most unique couple, and for the most beautiful costume, men's and women's.

SEND 'KICKS' TO DALLAS IS LOCAL ADVICE

Non-Compliance Complaints Should Be Sent to Avery Says C. P. Buckler.

COMPLAINTS of non-compliance with an approved code of fair competition should be sent to Sherwood H. Avery, compliance director of North Texas and Oklahoma, whose offices are at Dallas, it was announced today by C. P. Buckler, chairman of the Pampa NRA compliance board.

Special forms for filing complaints against violators of permanent codes have been furnished postmasters and local NRA committees, Mr. Buckler said. The use of these special forms was urged in order to assure prompt attention to the complaints.

Because of the increase of the number of approved permanent codes, it was necessary that a regional code compliance system be established. Functions of the local compliance board will not be altered by Mr. Avery's appointment, Mr. Buckler said, since the boards will continue to handle compliance under the president's re-employment agreement, and the director deals with compliance under the permanent codes.

Compliance boards have no authority to approve or enforce local codes or agreements fixing prices or regulating closing and opening hours, according to instructions received from Washington to compliance board chairman.

Mr. Buckler requested that citizens put a stop to false rumors and report to the board complaints of violation of the president's re-employment agreement so that the proper action might be taken. "We are ready to investigate such complaints if people will report them to us. It is harmful to an honest and sincere employer who may be misinformed as to his duties, to have such rumors continue."

Cynthia Is Name Of Coolidge Girl

NEW HAVEN, Conn., Oct. 30 (AP)—Cynthia was chosen today by John and Florence Trumbull Coolidge as the name for their two-day old daughter.

Little Cynthia Coolidge was named after an aunt of Mrs. Calvin Coolidge, widow of the former president.

The name of the baby, born Saturday to the son of the former president and the daughter of a former Connecticut governor, was chosen to retain the initials "C. C." of the Coolidge family. If a son had been born, young Coolidge said, he would have been named Calvin Coolidge.

FIVE HUNDRED RESERVED SEATS FOR AMARILLO-PAMPA FOOTBALL GAME SOLD IN FIRST 2 HOURS

Tickets For Game of Games Go On Sale Here Today

HEAVY sales of reserved seat tickets for the Pampa-Amarillo football game of November 11 today at the office of Joe Smith in the court house illustrated the intense interest in the annual "game of games."

More than 500 tickets were sold in the first two hours after they were placed on sale this morning. Many prominent citizens were in the line of fans. Supt. R. B. Fisher took his turn in waiting to be served. Long before noon, the west grandstand had been sold from the center back to each 20-yard line.

Two-thirds of the east grandstand tickets have been sent to Amarillo and the other third is being held back to await developments on the demand in the Potter city.

Travis Shaw, secretary of Canyon Teachers college, is sending a block of tickets here to Mr. Smith for the game next Saturday night at 8 o'clock. They had not arrived this morning.

Grandview Trip On Friday Night Is Planned Here

Tentatively scheduled for Friday evening is a trip by Pampa business and professional men to the Grandview community.

The school there is planning a carnival for the evening, promising entertainment and refreshments for all who attend.

The Kid band of Woodrow Wilson school has consented to make the trip and furnish the major part of the program.

LATE NEWS

DETROIT, Oct. 30 (AP)—Massed forces of police this afternoon overtook rioters numbered by officials at 2,500 and arrested six men after the mob had raided seven shops where a tool and die-makers' strike is in progress, smashing windows, overturning automobiles and burning blueprints and drawings.

JACKSON, Miss., Oct. 30 (AP)—Ten Mississippi short term convicts, who a month ago volunteered to undergo tests to determine whether mosquitoes are carriers of encephalitis, dread sleeping sickness disease, today were rewarded by Governor Sennett Connor, who extended executive clemency to the entire group.

EDINBURG, Oct. 30 (AP)—Officers said today that one of four men charged with murder in the slaying of Claude E. Kelley four years ago as he slept in the home of Ed Conch, prominent Hidalgo county political leader, had confessed.

Purse Containing \$30 Stolen Today

A purse containing more than \$30 in cash and a check was stolen from Mrs. Letha Campbell's car this morning about 9:30 o'clock while it was parked for a few minutes on West Buckler avenue. The purse was a black zipper type.

In the purse were a \$20. 55 and four \$1 bills and some change. Also a check for \$1.50 was in the purse. A water bill had Mrs. Campbell's name on it as the only identification of the owner.

The loss was reported to city officers who are making an investigation. Mrs. Campbell resides at 531 South Russell street.

INSPECTOR OF POLICE HURT BY MISSILES

MOB DISBANDS BEFORE MASSED POSSE CAN MAKE ARRESTS

DETROIT, Oct. 30 (AP)—Rioters, said by police to number 2,500, riding in nearly 300 automobiles, today raided five plants where tool and die makers are on strike, smashed hundreds of windows, burned blueprints, overturned automobiles and eluded the city's massed police by striking quickly, then dispersing before arrests could be made.

Shots were fired by the manager of one of the raided plants, but no one was wounded. One man, unidentified, was reported to have received injuries when he was struck by a brick, and Police Inspector William Black was cut and bruised when stones hurled at a building struck him.

Two men were arrested as reserve officers arrived, but they reported the strikers took the two from them and drove rapidly away. Orders went out at once for the police to use their highsticks on the demonstrators if there was another clash. Two of the plants raided, the Koestlin and Colman factories, are on the city's west side, while the other two were on the east side. Driving rapidly in their automobiles, however, the demonstrators were able to move from one plant to the other before hastily summoned police reserves could catch up with them.

Mosquito Bites To Give Liberty To Ten Convicts

JACKSON, Miss., Oct. 30 (AP)—Gov. Sennett Connor's official action was all that was awaited today for ten convicts at the Parchman state prison farm to go free.

These selected hulkers, volunteers in tests to determine whether mosquitoes, or sleeping sickness, is transmitted by the mosquito pest, bore physical proof that the theory is wrong.

The 30-day tests were completed yesterday and Dr. W. T. Harrison, surgeon of the United States public health service, said: "None of the prisoners has shown any symptoms that could be associated with encephalitis. Although heavily exposed to infected mosquitoes, they have remained perfectly healthy throughout and are looking forward to pardons."

A full pardon was their promise of reward. All are short term young convicts.

Mosquitoes supposedly infected with encephalitis virus in St. Louis where the malady took a heavy toll recently were taken to Parchman farm and permitted to attack convicts while the victims were isolated in a screened ward.

COUPLE WILL BE AT HOME IN SHAMROCK

CEREMONY IS READ YESTERDAY AT MIAMI

ROBERT F. EWING of Shamrock, son of Judge and Mrs. W. R. Ewing of Pampa, and Miss Jeanie Merle West of Canadian were united in marriage yesterday at Miami.

The Rev. E. B. Meador, Methodist minister, read the ceremony at the home of Mr. and Mrs. Dan Kivlehen in the presence of a few intimate friends.

Following the ceremony, the wedding party went to the home of the groom's parents where the wedding breakfast was served and where they received congratulations and good wishes of friends.

Later in the day they went to their new home in Shamrock.

The bride is the daughter of Mr. and Mrs. E. S. West of Canadian, and has lived there a number of years. She was graduated from Canadian schools as a popular young student. Showers and other courtesies were extended her during the nuptial week.

Mr. Ewing, member of a prominent pioneer family, was born and reared in this section. He received his college training at Texas Tech, Lubbock, and Oklahoma A. & M. He has been at home with his parents until he recently assumed the wholesale agency for the Phillips company at Shamrock.

McLEAN QUEEN IS CROWNED ON FIELD AT GAME

Hallowe'en Program To Be Presented Tonight

McLEAN, Oct. 30.—Preceded by the band and followed by the pep squad, Avlee Back, senior, was borne to the field in a black and gold car and crowned football queen Friday afternoon at a spectacular prelude to the Memphis-McLean game.

In the car were Mr. and Mrs. S. D. Shelbourn, Miss Elizabeth Kennedy, senior sponsor, Sherman Crockett, ex-captain, and the queen, Princesses Charlie Marie Beck, junior; Gertrude Rouse, sophomore; and Eula Faye Foster, freshman.

To the center of the field, ex-Captain Crockett escorted Queen Avlee, where Dr. C. P. Batson crowned her with appropriate ceremonies.

After the pep squad girls had adjusted the helmets of the football players and tied black and gold ribbons on their arms, Queen Avlee sent the ball whirling down the field from the toe of her trim black boot. She was escorted from the field amid cheers, by the new co-captain, Buell Ellison, and the captain of the Memphis team.

Presbyterian Ladies Meet.

The Presbyterian Ladies Aid met Tuesday with Mrs. T. A. Massey. A very interesting program was given with Mrs. Evan Sitter as leader. Mrs. W. A. Erwin led in prayer. The scripture reading was given by Mrs. C. A. Watkins.

The subject for the afternoon was Alaska and India. Mrs. Donald Beall discussed Alaska and its people. The work of the church in Alaska was explained by Mrs. Ed Dishman. Mrs. J. R. Glass spoke on Alaska of today.

Mrs. Chas. E. Cooke gave a vivid description of India and its people. Mrs. S. D. Shelbourn, Mrs. Arthur Erwin, and Mrs. J. B. Hembree also talked on different phases of India.

Delicious refreshments were served by Mrs. Massey and Mrs. Lizzie Miller, who assisted Mrs. Massey in entertaining. Others present who were not on the program were Mesdames R. B. Stout, Vina Strandberg, Wood Hindman, Edward Gething, and Mrs. Wilson Beedy of Wichita Falls.

Bobby Beall Has Party.

Mrs. Donald Beall entertained Saturday afternoon with a party, honoring her little son, Bobby, on his fourth birthday.

Various games were played and refreshments were served to the following: Francis Sitter, Bruce Rogers, Ruth Stangberg, Anna Beall Bogan, Shirley and Jack Glass, Martha Ann and Jerry Hamilton, Harriold Sullivan, Betty Jo, Arleen, and Jack Gregory, Billy and Joe Cooke, Jimmy Batson, Claud Gene Doolin, Marie and Eddie Stewart, Doris Wilson, John Kirby, Erey Glenn and Erma Ruth Fulbright, and the honoree.

Mr. and Mrs. T. A. Massey have as their guests their daughter, Mrs. Wilson Beedy of Wichita Falls.

Juniors Have Cake Walk.

So much interest has been manifested in the high school's football queen contest that each class resorted to all kinds of methods and made use of every idea to raise money for its queen.

Tuesday evening the junior class invited friends to the gymnasium where all enjoyed a social hour and "cake walk." Cakes were placed in the middle of rings, around which those who paid their fee were allowed to walk. At a given signal all stopped. Those standing on the lucky numbers were given the cakes.

Mr. and Mrs. L. V. Lonsdale have returned from Los Angeles, Calif., with their children and will make their home in McLean.

Classes to Have Program.

The expression class of the ward school, taught by Miss Zonette Brooks, and the music class, under the direction of Mrs. Willie Boyett will give a Hallowe'en program at the high school auditorium Monday evening, beginning at 8 o'clock. Admission is free.

Baptists Sew For Home.

Ladies of the Baptist church met in circles Wednesday to sew for Buckner's orphan home. Circle No. 1 met with Mrs. Reep Landers; Mrs. F. E. Stewart was hostess to members of No. 2; Mrs. Hugh Kunkel entertained circle No. 3, while circle No. 4 met with Mrs. Norman Johnstone for an all-day meeting and enjoyed a pot-luck dinner at noon.

Club Paper Gives Panhandle Facts

One of the interesting club papers of the past week was that read by Miss Mabel Davis at a meeting of the Twentieth Century Culture club, regarding development of Panhandle resources.

It was part of a program concerning growth of the Panhandle from pioneer days, and gave interesting statistics. Excerpts follow:

From a section of the Great American desert that our grandfathers read about in their geography of 50 years ago, to a vast agricultural and industrial empire, supplying the world with food and feed is the story of the 26 north-west Texas counties known as the Texas Panhandle.

This section, dotted with huge ranches containing from 100,000 to 500,000 or more acres of the 70's and 80's, is today a section of approximately 25,000 farms. An agricultural empire of about 40,000 square miles or 20,500,000 acres is 90 per cent tillable, giving 18,000,000 acres of tillable land.

The present area under cultivation is approximately 5,400,000 acres. The altitude ranges from 3,000 to 4,000 feet giving us a dry bracing atmosphere.

Wheat and cotton are the staple crops. The northern portion of the Panhandle has developed into one of the largest wheat producing districts in the U. S. A., sowing about 1,750,000 acres per year with an average yield of 40,000,000 bushels.

Farmers are discovering possibilities of diversification of this land that was one time thought to be incapable of growing anything but grass, and are now raising corn and small grains of feeding value. Dairy cattle raising has had an increase of 50 per cent in the past six years.

Livestock raising is still one of our greatest industries. We have more registered Hereford cattle than in any equal area in the world. The annual increase of beef cattle amounts to \$25,000,000.

In recent years they have discovered in the Panhandle the largest oil and gas reservoir both in area and reserve in the world. Wildcat development started in northern Potter county in 1918 which resulted in a 5,000,000 foot gas well, but it was not until the Gulf Production company completed No. 1 Burnett in Carson county in 1921 that any oil was discovered, however, development was not active until May, 1925, when the Dixon Creek Oil company drilled in its No. 1 Smith in what is now the Horger pool.

With this discovery, a real boom in what is now the Horger pool. With this discovery, a real boom was started and by October 1, 1926,

800 wells had been completed.

In July of the same year the Shamrock Oil & Gas company completed its No. 1 Worley for an initial production of 12,000 barrels, which led to a peak production of 100,000 barrels in Gray county in 1929.

There are at this time 1,974 producing oil wells, 850 gas wells, 47 gasoline plants, 7 oil refineries, 5 oil pipe lines and 11 gas pipe lines with a total length of almost 6,000 miles, serving one-fourth of the U. S. A. The government is now manufacturing helium in their plant at Amarillo for 10 cents per cubic foot. Until the discovery of the Panhandle gas field the navy department was paying \$1,700 per cubic foot.

We are now producing 43,000 barrels of oil daily; 775,000,000 cubic feet of casinghead gas are daily marketed to gasoline plants; 265,000,000 cubic feet of dry gas is daily sold through gas pipe lines. Gray, Wheeler, Carson, and Hutchinson counties make 75 per cent of the world's carbon supply.

FIRST BAPTIST REVIVAL OPENS SECOND WEEK

CHURCHES REPORT ON SERVICES OF SUNDAY

ATTENDANCE at every service at First Baptist church yesterday reached new high levels, as the second week of a revival started. The Rev. Charles S. Pierce of Dallas is conducting the revival, with J. W. Work of Abilene directing the music.

Sunday school yesterday was attended by 852, and training services by 208. Ten additions to the church were reported. Crowds filled the auditorium at both morning and evening services.

No morning service was conducted today, but daily services will begin at 7:30 this evening and continue with morning meetings at 10 a. m. through the week. The Rev. C. E. Lancaster, pastor, invites the public to attend.

Attendance Gain.

A gain in Sunday school attendance was reported from First Christian church, with 470 present. A goal of 600 in Sunday school by Dec. 10 has been set by this church, and the increase each Sunday has been ahead of the quota.

Preparations for ending a conference year next Sunday are being made by First Methodist church. Attendance at Sunday school yesterday totaled 558.

Central Baptist church had 161 in Sunday school, the Presbyterian church 127, Church of Christ 160, with three additions to the church reported.

G. O. McCrohan of White Deer was in the city this morning.

YOUNGSTERS FILL HALLOWE'EN WEEK-END WITH NUMEROUS AND VARIED TYPES OF ENTERTAINMENT

HORACE MANN BAND BENEFIT TO BE GIVEN

Hallowe'en party Friday evening by Dorothy Burton and Edwina Gilbert, at the home of Mr. and Mrs. C. A. Burton.

They were received in the house, then started a snake dance that led to the garage where Hallowe'en colors and symbols made a gay party setting. Each shook hands with the ghost, joined in the games, and received a fortune telling favor.

Miss Ina Johnson, Mrs. W. M. Lane and Mrs. J. E. Gilbert directed the games and served refreshments. After the refreshment course, marshmallows were roasted on a bonfire in the back yard.

Guests were Betty Ann McTaggart, Sarah Pafford, Hazel Bath, Clea Mae Harrison, Frances Coffey, Helen Draper, Pauline Barrett, Jessie Marie Gilbert, Virginia Long, Leona Hurst, Eula Taylor, Betty Bell, Wanda Lee Dunlap, Mattie Velma Brown, Norma Lee Lane, Dorothy Jo Moore, Charlotte Rhea Malone.

Doyle and Maxine Lane, Velma and Doris Shackelford, Keith and Alice Jean Robinson, Charles Boyles, James Kenneth Gilbert, Jimmy McTaggart, Jerry Moore, and Margaret Ellen Burton.

Rita Holmes Hostess.

Hallowe'en decorations were used at the home of Rita Holmes Friday evening when a number of junior high and high school students were entertained.

They spent the evening playing games suited to the holiday. Pumpkin pie and whipped cream were served.

Miss Opal Cox was a special guest. Others present were Bill Seeds, Dorothy Stuart, Rose Mary Hinkle, Harold Wisely, Sybil Davis, Tabor Alford, Bernice McDaniel, C. V. West, Fay Dyer, J. B. Colwell, Juanita Thorn, Delvin Busby, Jessie Ellis, Charles Pliman, Carl Camp, Margaret Campbell, Melvin Harsh, Floyd Stevens, Avanel Mathis.

Friends Entertained.

Miss Kathleen Kuhel entertained a group of friends at her home, 111 N. Warren, Friday evening in rooms decorated for Hallowe'en.

Pumpkin pie was served after an hour of games to Clyde Wayne and Kenneth New, Harriet Ann Robb, Elgin, Claudine, and L. D. Frazier, Ralph Bayrum, Hattie Margaret Harwell, Hilda Mae Sublett, Alma Lamolin, and Tenny Hill, Mattie and Francis Reed, Beulah Lee Robertson, Pauline Stapp, Luella Saunders, Erma Tackell, Vernell Stevens, Ivan

Kennedy, Elmer Balch, Junior Stricklin, Bob Bailey, Homer Widener, Bob Gilchrist, Una Mae Bentley, Floyd Wear, Velma and Albert Ayer, Hazel Jo Elder, James Foster, and the hostess.

Mrs. Bill Murry, Mr. and Mrs. Earl Rabb, Mr. and Mrs. August Kuhel assisted in the entertaining.

EACH DAY HAS SPECIAL GOAL AND PROGRAM

MEETING YESTERDAY STARTED WEEK'S OBSERVANCE

A PROGRAM for the observance of national Girl Scout week was announced today by Miss Opal Cox, captain, for girls of Pampa troops. The week started yesterday with the Scouts' Own meeting in their club room, and attendance at religious services.

Each day will have a special aim and a program to emphasize it. About 100 girls are enrolled in the organization here, and are joining in the week of celebration.

Aim of Week

The aim for the entire week is to do as many good deeds as possible, in keeping with the Scout slogan, "Do a good turn daily."

Today all Scouts are practicing and encouraging cheerfulness and good health rules. Scouts of junior high school met in the Scout room at 12:30.

Tuesday will be safety day. At 4 p. m. the girls will be given a Hallowe'en party and winner' roast sponsored by the Kiwanis club committee and the troop committees.

Wednesday is education day, and Scouts will have a part on school chapel programs.

Thursday and Friday are training days, and many girls are working to complete tests by Friday evening, ready for advancement to higher rank.

Saturday will be home day. Girl Scouts will do all the chores about their homes as nearly as possible.

BIRTHDAY PARTY

Bill Alexander and Miss Jean Longan entertained Miss Longan's sister, Miss Opal Lassiter, with a birthday party Saturday night.

MICHIGAN AND ARMY LOOMING AS STRONGEST

FORDHAM TO ENGAGE ST. MARY'S NEXT SATURDAY

By HERBERT W. BARKER Associated Press Sports Writer NEW YORK, Oct. 30. (AP)—Sectional football championships still were far from final solution today as major elevens slid toward the first-November appointments but the contenders had been cut to more reasonable numbers.

On the basis of records, leading contenders for major crowns lined up about as follows: Big Ten—Michigan, the favorite, trailed by Illinois, Purdue and Minnesota. East—No definite ratings possible in an unwieldy group but Fordham, Army, Princeton, Holy Cross and Rutgers look best.

Pacific Coast—Oregon, Southern California and Oregon State the only remaining contenders. Southeastern—Still a wide open fight among Georgia, Kentucky, Alabama, Mississippi, Vanderbilt and Louisiana State.

Southwestern—Duke and South Carolina threatened only by Washington & Lee and North Carolina. Southwest—Arkansas and Texas alone survive. Big Six—Nebraska stands alone. Rocky Mountain—Utah still the team in best, with Denver and the Colorado Aggies the sole challengers.

Missouri Valley—Oklahoma A and M, alone blocks Drake's path to the title. These contenders will be further reduced this week in a program which will provide these salient points:

East: Among the undefeated and untied teams, Fordham, stacking up against St. Mary's Husky Gables, Princeton, facing Brown; Duquesne, encountering Washington & Jefferson, and Holy Cross, traveling west to play Detroit, all run into some danger. Army rests up after its smashing triumph over Yale by playing a "breather" against undefeated Coe college of Iowa.

Three of the four major eastern elevens who have been tied but not beaten will meet strong inter-sectional rivals, George Washington School against Tennessee, Carnegie Tech against Purdue in Lafayette, Ind., and Colgate against Tulane at New York, Dartmouth, tied by Harvard, plays an old line Yale. The Notre Dame-Navy, Pitt-Centre, Temple-Drake, and West Virginia-Marquette games complete the inter-sectional slate.

Big Ten: Michigan and Illinois clash in the biggest game from a championship standpoint. Minnesota's title hopes will be tested by Northwestern, while Ohio State plays Indiana. Iowa meets Iowa State.

Big Six: Nebraska looks for its fourth conference victory at Missouri's expense with Oklahoma playing Kansas. All of the leaders have an open date except Oregon, which faces Utah of the Rocky Mountain group. U. C. L. A. and California meet in the only conference game.

South: Alabama and Kentucky seek to eliminate each other from the Southeastern conference, race with Georgia favored over Florida and Vanderbilt threatened by Georgia Tech.

Southwest: With Arkansas idle, Texas hopes to pull closer to the leader by whipping Southern Methodist, Texas Christian and Baylor lock in the only other conference game.

Rocky Mountain: Denver's clash with Brigham Young and the Colorado Aggies' tussle with Colorado Mines, head the conference slate.

'Big Three' Are Again Leading In District One

'DOWN UNDER' CHAMPION IS COMING HERE

The "Big Three" of the district football race will likely fight it out for district honors again. Pampa, Lubbock and Amarillo have yet to play each other and one of the three will probably be the finalist.

Last week saw the "big three" win with Pampa nosing out Plainview 6 to 0 in the only conference game in the district. There will be no conference games played next week but the following week, Nov. 11, the Amarillo Sandies will come to Pampa for a game.

Results Last Week. At Canyon: Amarillo 25, West Texas Frosh 19. At Pampa: Plainview 0, Pampa 6.

At Borger: Canyon 0, Borger 27. At Lubbock: Austin (El Paso) 6, Lubbock 18.

Full Season Standing. Team W L T Pct. Amarillo 6 0 0 1.000. Lubbock 5 1 0 .833. Pampa 3 2 1 .750. Plainview 4 2 0 .667. Borger 4 2 0 .667.

Schedule This Week. Saturday, Nov. 3. At Amarillo: Central of Oklahoma City vs. Amarillo. At Canyon: W. T. Freshment vs. Pampa (night game). Friday, Nov. 3. At Hereford: Plainview vs. Hereford. At Borger: Clarendon vs. Borger (night game).

Conference Standing. Amarillo 0 1 0 0.000. Lubbock 0 1 0 0.000. Pampa 1 0 0 1.000. Plainview 1 2 0 .667. Borger 0 2 0 0.000.

LEGAL NOTICE TO THE SHERIFF OF GRAY COUNTY—GREETING: You are hereby commanded to summon Alice Guthridge, the heirs and legal representatives of Alice Guthridge and the unknown owners of the lands hereinafter described, by making publication of this Citation as required by law, to appear at the next regular term of the District Court, 31st Judicial District, of Gray County, Texas, to be held at the Courthouse hereof, in the City of Pampa, on the 1st day of January, A. D. 1934, then and there to answer a petition filed in said Court on the 28th day of October, A. D. 1933, in a suit, numbered on the docket of said Court No. 3598 wherein the State of Texas is plaintiff and Alice Guthridge and the unknown owners of the lands hereinafter described are defendants, and a brief statement of plaintiff's cause of action being as follows:

A suit for taxes due to the State of Texas and Gray County and 69-100 Dollars assessed and rendered delinquent for the years 1917, 1918, 1919, 1920, 1922, 1927, 1928, 1929, 1930, 1931, and 1932, due and payable on Lot Number Four, in Block 31, 1/2 the Original Town of Pampa, in Gray County, Texas; that said taxes constitute a lien on said tract or lot.

Plaintiff prays for the foreclosure of its said lien, for an order of sale, a writ of possession and costs of suit and for general and special relief, as appears from plaintiff's original petition filed in this office.

HEREIN FAIL NOT to have before said Court, at its next regular term, this writ with your return thereon, showing how you have executed the same.

Given under my hand and seal of said Court, at office in Pampa, Texas, on this 28th day of October, A. D. 1933.

FRANK HILL, Clerk District Court, Gray County, Texas. Oct. 30—Nov. 6, 1933.

Champion of Australia Coming

MUSTANGS AND TEXAS BATTLE IN BIG GAME

Jack Kilbourne, Australian middleweight champion and contender for the world's crown, will box Duke Trammel, Fort Worth boy, at the Fin-Mor auditorium on Wednesday night in 10 rounds in the best boxing card of the year. It is the bout Panhandle fans have been waiting for, and Promoter B. W. Kelly has had to put up a big guarantee to get the two well-known boxers to come here.

It is the promoter's aim to give Panhandle fight fans the best entertainment available in the southwest. For his 8-round semi-final, Promoter Kelly has matched Frankie Santa Fe, N. M., and Frankie Cruz, 120, of Enid, Okla. The two fighters have never met, but both have defeated the same fighters.

Duke Trammel will need no introduction to a Pampa fight audience. He has been seen in Pampa several times, winning from some of the best men in his class. That was back in 1928 and 1929 with Fred Whittington, Varnie Smith, and Walter Varner. He was a youngster then but now is classed as a veteran.

He did not box for more than a year but made a sensational comeback after his rest. He has been making a sensational record lately. Kilbourne returned Friday from the East, where he became recognized as a contender for the middleweight crown. He met and defeated several of the strongest middleweights in the East. He will return East next spring for a try at the title. He won the championship of Australia in 1931 and later defended his throne successfully. He returned to America to win a decision from Dave Shande after losing one before his trip.

Cantu, little Mexican, has won 29 of his last 30 fights his loss was anything but popular. The crowd and newspapers gave him the decision, but the referee ruled differently. He fought Chito Laredo, Mexican bantamweight champion, to a draw in a fight six months ago. Cruz has been making a name for himself in Oklahoma and Colorado, where he is being acclaimed as the coming champion.

Good preliminaries will open the card at 8:30 o'clock.

FIGHT FANS of the Panhandle will see a real champion in action Wednesday night at the Fin-Mor auditorium when Promoter B. W. Kelly presents his second boxing card under the new state law. Kelly is bringing Jack Kilbourne, middleweight champion of Australia, and a contender for the world middleweight crown, here to box Duke Trammel, the Fort Worth sensation. They will meet in the main event, 10 rounds. A great supporting card is being arranged.

NOTRE DAME STRUGGLING TO FIND BEARINGS AND LEADER Anderson Under Increasing Fire; Is Victim of Reaction to Rockne Loss.

NOTE—One of the leading football questions of the day is: "What's the matter with Notre Dame?" To gain some clues to the answer and get the background first-hand, Alan Gould, general sports editor of The Associated Press, visited South Bend, Ind., Oct. 30.

There is no crepe on the golden dome of Notre Dame. The leaves have been falling, the football team has lost two straight games without so much as scoring a point, and Notre Dame's gridiron fortunes for the time being are at the lowest ebb they have known in many a harvest moon, but truth compels the observation that the effects appear less serious to those within than to a host of others outside the university.

Whatever may be done about it, after the conclusion of the 1933 season, Notre Dame still has its head up on the gridiron and the campus, its loyalty to the team undiminished by the shock of a losing streak and the feeling that something yet may be pulled out of the current wreck.

What's wrong with this picture? What's happened since the tragic death of Knute Rockne in an airplane disaster at Bazaar, Kansas, in 1931 left Notre Dame struggling to find its bearings and a new leader?

In brief, the answer to that is nothing is fundamentally wrong with the picture as a whole, that there was only one Rockne, and that Notre Dame, in due appropriate time, not only will readjust its organization but, quite likely, regain a pre-eminent spot in the football world it dominated for the better part of two decades.

"Notre Dame has a background and tradition that extends over 90 years," remarks Father John S. O'Hara, C. S. C., acting president and the man to whom new leadership is looked for in the next few years.

"There is not the slightest chance of our losing a sense of balance and proportion, merely because we lose a few football games. We have lost them before, then as now, in good spirit."

The two-year head coaching regime of Hearty (Hunk) Anderson has been under increasing fire, nevertheless. Probably it was inevitable that any man succeeding Rockne would be subjected to criticism and become, in a sense the victim of reaction.

Anderson offers no alibis, nor does Jesse Harper, the director of athletics now. Harper is the man who first put Notre Dame on the football map.

Mustangs and Texas Battle in Big Game

Longhorns to Join S. M. U. on Next Saturday

By BILL PARKER Associated Press Sports Writer Approximately fifteen thousand persons are preparing to see Saturday's Southwest conference gridiron battle between the University of Texas Longhorns and the Southern Methodist Mustangs. The one which has a pre-game promise reaching the zenith in line with and aerial raids, will be played at Dallas.

Playing second fiddle in popularity will be the affair at San Antonio between the versatile Texas Christian Frogs and the green clad Longhorns. Bears.

Southwest non-conference games will pit Texas A. and M. and Centenary at Shreveport, and Institute against Santa Clara at San Francisco. The University of Arkansas Razorbacks, who are fighting a rapid championship race with victories over Christian, Baylor and Southern Methodist, will remain idle week-end. The Razorbacks only Rice and the University of Texas left on their schedule. Many are the critics who have already moved the championship flag from the Texas campus to the Arkansas straits.

Victorious over Rice but defeated by Arkansas, Southern Methodist will be fighting Saturday to complete elimination from the chase. The Longhorns opened conference campaign Saturday an impressive 18 to 0 victory over Rice, and Saturday the Longhorns will be battling not only to win their unmarred conference but to continue in the race for Arkansas.

Baylor's 7 to 14 loss to Texas and Saturday at College Station erased the Bears as 1933 conference contenders. It means the Longhorns will have to win the game to lose when they tie the Christian Frogs. The Frogs have outside chance with one conference win and one defeat. They are an inspired game Saturday to Centenary to a scoreless tie non-conference affair.

If the Texas Aggies can trim Centenary-Gentiana they have accomplished something conference team has in two years. Rice doesn't know what to do at San Francisco against Santa Clara, but is prepared for a game.

Dr. H. H. Hicks is back in his office today after several days' absence. He left Worley hospital yesterday.

President's Picture Placed in Schools As Gift of Malone

President Roosevelt's likeness is facing pupils in all Pampa classrooms, as the result of a gift from G. C. Malone. He presented large tinted pictures of the president to each school in the system.

Appreciation for the gift was expressed today by Supt. R. B. Fisher for the pupils, teachers, and school board members.

CHARGE 4 MEN IN SLAYING OF MAN IN 1929

COUNTY CLERK NAMED IN KILLING OF JUDGE'S KIN

EDINBURG, Oct. 30. (P)—Officers investigating the hatchet slaying of Claude E. Kelley have charged four men with murder and two of them with conspiracy to murder. Kelley, 31, was hacked to death as he slept at the home of Ed Couch, prominent Hidalgo county political leader, the night of March 18, 1929.

It was alleged that Kelley was killed by mistake, and that the slayers had intended to kill Couch, now county judge.

Those charged with murder were Cam Hill, former Hidalgo county clerk, at present an El Paso drug-gist; George C. Beck, peddler, formerly of Edinburg, whose present home is in Dallas; Julian Ybarra, 54, Edinburg street sweeper; and Matto Cuellar, 33.

Sheriff T. C. Gill and Deputy Sheriff E. F. Copeland, who filed the complaints, accused Hill and Beck with conspiring to kill Couch.

Investigations showed that Kelley, Couch's son-in-law, was killed as he slept in a room usually occupied by Couch. Kelley had been handling certain business interests of Couch. Beck was arrested last Thursday in Dallas and brought here, later being released under \$2,000 bond. Ybarra and Cuellar were held in jail without bond. Ybarra and Beck have made statements to officers, it was said. Ybarra went to Mexico in 1929, after Kelley's death, return-

ing in May of this year. Informed he had been charged at Edinburg, Hill called Sheriff Chris P. Fox of El Paso and offered to surrender. The sheriff, however, had not yet received a warrant for Hill and declined to act until he received one. Hill left El Paso late last night for Edinburg with the intention of arranging bond. "This is the first I have heard of this case since the death of Kelley," said Hill. "It is a frameup and

part of a scheme of my old political enemies in Hidalgo county to get me." Hill said political enemies in Hidalgo county had been after him because he remained loyal to office holders after the death of A. Y. Baker, millionaire sheriff of Hidalgo county. The killing of Kelley was investigated by state rangers in 1931. At that time they questioned Ybarra, but released him. Sheriff T. C. Gill

reopened the investigation three weeks ago.

NOTED PAINTER DIES
NEW YORK, Oct. 30. (P)—A heart attack has ended the career of Geo. B. Luks, noted painter. He was found dead in a doorway yesterday. The attack came upon him while he was observing the effect of the dawn for a picture of an elevated structure. He was 66 years old.

NAMED ATTORNEY
AUSTIN, Oct. 30. (P)—W. C. Filzhugh today was appointed a special assistant attorney general to represent the state in the appeal of the Lone Star gas company from an order of the Texas railroad commission reducing its rates at the gates of approximately 250 cities and towns from 40 to 32 cents per 1,000 cubic feet.

ASTROLOGIST HERE
Numerous residents, many of whom have asked about the Amarillo-Pampa football game, have conferred with Madame Fanning, astrologist, at the Schneider hotel during the last week. "It's a battle of psychology," she said. "I'm going to help Pampa win." She has been giving "readings" off and on for several years here and other Panhandle towns. She will be here this week.

A MATTER OF INCHES
WASHINGTON — Maybe traffic policemen will take to carrying yardsticks. Charles Prevost, a taxi driver, was arrested for being more than five feet from his cab. Having a ruler with him, he measured and proved in court that it was only four feet, three inches. "Case dismissed," said the judge.
