### TREASURY'S SECURITY ISSUE IS OVERSUBSCRIBED 3 TIMES; GOLD PRICE STAYS THE SAME

**BREVITORIES**  
Time has been called the best defense attorney. Time changes the most stubborn opinions. . . After sitting in dimly lit movie theaters, it is almost embarrassing to sit in the full light of a stage show before the curtain rises and the illumination is limited to the stage. Silence, too, is awkward. . . Backers of the legitimate stage would do well to prevent these uneasy, draggy moments insofar as possible without disturbing the continuity of the plays. . . No really good substitute has ever been invented for breakfast bacon and eggs. . . A big group photo of the Pampa girls' pep squad proves our feeling that it is the best looking crowd of faces seen this year. . . As an entertainment center of the Eastern Panhandle, Pampa has that collaborative idiosyncrasy known in individuals as "it."

**E. B. Fisher, local pedagogue, is considering filing a libel suit against the Amarillo Globe. The Globe on December 1 had this headline on page 1: "Pampa educator elected to office at state meet of demagogues."**

Webster says a demagogue is "one who plays an insincere role in public life for the sake of gaining political influence or office." Maybe the teachers should do things like that, but few do.

The Globe's error might appear deliberately pertinent if the headline writer had had Webster's main definition in mind: "One who panders to popular prejudice or seeks to inflame senseless passions in advancement of his personal interests." The headline referred to the meeting, however, not any certain teacher.

"Clip the Eagles' Wings" is a not-to-easily-understood by Panhandle residents. But a few newcomers have wondered whether we are trying to clip the NRA eagle's wings.

Pampa harvesters have another good reason for playing a great game Saturday, with every lad doing all expected of him. The game will be filmed and the movies shown at La Nora theater.

The NEWS is happy to note that the out-of-town readers of this paper feel a personal interest in and enthusiasm for the harvesters and other things local. . . Every man to his pickle, but don't give us fill.

Not all is well on the recovery front. No one expected perfection. Only the "right SYMPTOMS" wing conservatives "make out" as if the bad signs are the chief signs. Times are improving. Stocks on shelves in the

### SUCCESS IS SIGNIFICANT IN VIEW OF DIRE PREDICTION

BY WILLIAM L. BEALE, Associated Press Staff Writer.  
WASHINGTON, Dec. 8 (AP)—The treasury said today subscriptions on its \$950,000,000 one-year security issue exceeded that figure by nearly three times.  
In one day, offers for this 2 1/4 per cent issue were placed at \$2,174,000,000 in round numbers.  
Acting Secretary Morgenthau made public the amount of subscriptions obtained yesterday and was represented as highly pleased with the success of the borrowing.  
The RFC gold price today was held for the seventh successive business day at \$34.01 an ounce.  
It represented the longest duration of one figure since President Roosevelt's gold policy was established.  
Just before the high of \$34.01 was reached, the price of \$33.75 prevailed for six business days.  
Considered as the first major financing since the beginning of the gold program, success of the issue has special significance in view of a forecast by Dr. O. M. W. Sprague—who resigned recently as financial advisor to the treasury—that it might become necessary to resort to greenbacks to meet debt requirements.

VATICAN CITY, Dec. 8 (AP)—A 14-year-old French peasant girl whose visions of the Virgin were responsible for the world-famous Grotto of Lourdes was made a saint today by Pope Pius XI.

### Inspiration For Lourdes Grotto Is Made Saint

The solemn canonization ceremony was in St. Peter's in the presence of a score of cardinals and an estimated half-hundred thousand pilgrims. She became Saint Bernadette Soubirous.  
A tremendous cheer burst forth from the throng when the Pope decreed in Latin that Bernadette Soubirous "be inscribed in the catalogue of the saints and her memory be celebrated in the universal church every year with pious devotion."  
Simultaneously, six silver trumpets were sounded by Swiss guards in a balcony high over the main door of the cathedral. The Basilica took up the paeon of rejoicing and spread it to the bells of Rome's more than 400 churches. The cathedral choir, joined by the faithful within the church, chanted the "Te Deum."  
Thus the humble French girl, whose life was passed as a provincial nun, received the highest honor that can be conferred by the Roman Catholic church.

### Pep Rally Will Be Held Tonight

A big pep rally will be held in the high school gymnasium starting at 7:30 o'clock tonight. The high school band and pep squad will be present to take part in the rally. Fans of this section are invited to be present and join in the celebration. The band, under the direction of Roy Wallraabenstein, will play several selections and the pep squad will give yells. Several brief pep talks will be given.  
Mrs. R. A. Eaton and baby son were dismissed from Worley hospital yesterday.

### Junior High To Give Operetta To Aid Glee Clubs

What the "Prince of Peddlers" peddles will be revealed tonight at 8 o'clock when the Junior high school presents an operetta at the city hall.  
Entertainment for the whole family is promised by the sponsors of the program. Proceeds from the 25 cents admission will be used to buy music for the glee clubs and music department of the school.  
The public is invited, and students are selling tickets over the city today.  
J. F. York of LeFors was a business visitor here this morning.

### Government Plans Tax Of \$2.60 Gallon On Liquors

WASHINGTON, Dec. 8 (AP)—A triple program providing a tax of \$2.60 a gallon on distilled spirits, sharing of the revenues with states, and legislation to permit the administration better to negotiate reciprocal trade agreements on foreign liquor imports was recommended to congress today by the president's special interdepartmental committee.  
The recommendations contemplate annual revenue of approximately \$500,000,000 from liquor, including \$156,000,000 from beer.  
Committee members said the program also was intended to bring about reasonable prices to consumers, encourage the drinking of light wines and beer rather than hard liquor and the end of the bootlegger.  
Carrying voluminous studies by

the various departments of the government, the report was sent to the home ways and means committee by Henry Morgenthau Jr., acting secretary of the treasury.  
It is to be made public formally on Monday when the ways and means and the senate finance committees meet jointly to consider the new liquor tax bill to be prepared for early action by congress in January.

### SHORT ILLNESS FATAL TO AGED MINISTER HERE

McSkimming Funeral Will Be Held On Sunday

"When my Maker calls, I will be ready," the Rev. D. D. McSkimming often told friends in Pampa. Death claimed the pioneer minister at his home on East Frederick street early this morning after an illness of less than an hour. Rev. McSkimming would have been 72 years old in January.  
Rev. McSkimming was the youngest of 15 children, and was born Jan. 3, 1860, at Oneida, Ill. He attended high school in Oneida and then went to Tabor Congregational school in Ohio for two years. He later was graduated from Oberlin Theological seminary in Ohio. He spent 42 years of active ministry in Presbyterian churches in Ohio, Iowa, Kansas, Oklahoma, and Texas.  
Rev. McSkimming and family moved to Pampa five years ago, when he became pastor of the Presbyterian church at White Deer. He later became temporary pastor of the First Presbyterian church in Pampa, and four years ago was placed on the retired list. However, he continued to be active in church work, filling the pulpit as relief pastor and visiting homes and hospitals in Pampa.  
Active until his death, Rev. McSkimming was known by nearly everyone in Pampa. His cheery greeting was an inspiration to those who knew him intimately, and also to those who just knew him by sight. He was a lover of flowers and had one of the most beautiful flower gardens in the city. He worked for some time in his garden yesterday.  
Surviving Rev. McSkimming are his wife and five children, Mrs. C. C. Dodd and Mrs. H. C. Price of Pampa, Forrest and Hugh of Pampa, and Roland of Amarillo. Rev. McSkimming is also survived by one brother and one sister.  
Funeral services will be conducted at 3 o'clock Sunday afternoon in the First Presbyterian church, with the Rev. A. A. Hyde, pastor, officiating, assisted by the Rev. C. E. Lancaster and the Rev. Gaston Foote, pastor of the First Methodist church. Burial will follow in Fairview cemetery under the direction of the G. C. Malone Funeral home.  
Pallbearers will be V. E. Sinclair, J. S. Wynne, T. W. Sweetman, Dave Pope, P. C. Ledrick, and B. E. Finley.

### LATE NEWS

WASHINGTON, Dec. 8 (AP)—An estimated cotton production of 13,177,000 bales was announced today by the department of agriculture as this year's crop. That compares with 13,100,000 bales indicated month ago and 13,002,000 bales ginned from the 1932 crop.

WASHINGTON, Dec. 8 (AP)—The federal surplus relief corporation announced today that it is buying 6,950 hogs on various markets during the day. Harry L. Hopkins, president, said it has purchased 14,069 head during the last few days and will continue the purchases so long as the pork is needed for relief purposes.

HALIFAX, N. S., Dec. 8 (AP)—The Royal Canadian mounted police announced today that four members of the crew of the police cutter Stumble Inn, kidnapped aboard the Krombont, a suspected runaway, were landed safely last night at St. Pierre. The crew of the Krombont was jailed.

HASKELL, Dec. 8 (AP)—Herschel Melton, farmer of O'Brien, this county, was found to death last night in his home, and this morning, after all-night investigation, three O'Brien men were placed in jail here for questioning. Charges had not been filed at noon.

KANSAS CITY, Dec. 8 (AP)—Clarance Clegg today was convicted by a jury of participation in the kidnaping of Miss Mary McElroy, daughter of City Manager Henry W. McElroy, and was sentenced to eight years in the state penitentiary.

### Pinnell Suffers Sprained Ankle; Mackie Injured

The Harvester football team received two severe blows to its championship hopes yesterday afternoon when Roscoe Pinnell, center and candidate for all-state honors, received an ankle sprain during a scrimmage and Hazel Mackie, tackle, suffered a broken thumb. There was doubt this morning whether either would be able to play tomorrow.  
Coach Odus Mitchell would make no predictions this morning. If Pinnell is benched, it may be necessary to shift Orville Heiskell to center and put the crippled Miles Marbaugh at fullback. Mackie looked ready for backfield play during the scrimmage yesterday. He has been substitute tackle most of the season.

The Abilene Eagles arrived here by bus about noon and registered at the Schneider hotel. Coach Dewey Mayhew had "nothing to say." His boys looked larger than reported, some of them being of the tall-rangy type. Captain Cogdell, the biggest man in the little backfield, looks like the fast, shifty back he is boasted to be.  
Charles Herman of Borger was a visitor here yesterday.  
J. C. Brown of Skellytown was a visitor here last night.

### I SAW—

The Frank Foster family's yellow and white dog, which meets and dodges almost every car that passes in front of the Foster home on Smith, basking in the warm sunshine—apparently saving his strength for a big day tomorrow.  
Several letters from high school students to old Santa Claus . . . Now can you imagine a big footballer wanting a tricycle—as one wrote—and as for that matter wanting to ride it?

### WITNESS FOR STATE TALKS FOR DEFENSE

DALLAS, Dec. 8 (AP)—A lively tilt between opposing counsel over a hypothetical question concerning accidental discharge of a shot-gun interrupted testimony of defense witnesses today in the trial of Toy Woolley for the fatal wounding of his wife, Dorothy, 20, at their home here a month ago.  
The incident occurred after M. H. Gay, a store salesman, had been called to testify by the defense concerning sale of a shot-gun to the Wooleys Oct. 19. Gay quoted Dorothy as saying the gun was planned as a Christmas present for her husband but she had decided to give it to him when the duck season opened.  
Currie McCutcheon, defense attorney, led Gay through his testimony and then turned him over to Ted Monroe, special prosecutor, for cross-examination. At Monroe's request, Gay slammed the butt of the gun against the floor three times. The trigger did not snap.  
"A gun like that won't go off unless there is a pressure of from 4 1/2 to 5 pounds on the trigger, isn't that true?" Monroe asked.  
"Oh, I have seen them go off accidentally several. . . ."  
"But it is extremely. . . ." Monroe cut in.  
McCutcheon jumped to the floor and shouted to the court:  
"Now, you listen to me. I object. He won't let the witness answer. He asked the questions and cuts the witness off. I want him to answer."  
The judge commanded McCutcheon to sit down but the defense lawyer did not.  
"Now, you listen to me," he said again. "Such tactics are unfair and in the name of justice are you going to permit such procedure. I have been practicing law 25 years and I never yet have been fined by a judge for contempt but. . . ."  
"Well, then sit down if you don't want to get fined," the court said.  
When Monroe concluded his questioning, McCutcheon told the witness to tell the jury what he had started to say "when Mr. Monroe cut you off."  
"I meant to say," Gay replied, "that I have on several occasions seen a gun of this type discharged without the trigger being pulled."

### ARRANGEMENTS FOR OBTAINING CALICHE MADE

Crusher Being Moved To J. M. Saunders Land

A CALICHE-crushing machine was being moved to the pits on the J. M. Saunders land southeast of Pampa today, preparatory to launching of bigger operations on the Pampa-McLean highway project Monday.  
Arrangements have been made to buy caliche from Mr. Saunders at this end of the paving and from George W. Street of McLean on the south end. The price will average 3 cents a yard. From the Saunders pits, 44,000 yards of caliche will be taken, and from the Street pits 19,000 yards. Another source will be needed in the central part of the county to raise the total required to 132,000 yards. All this must be placed by February 15 on the huge project.  
Caliche will be taken by hand from the Street pit for a time, according to County Engineer A. H. Doucette. The trucks will be procured by the civil works administration.  
Grading of the damaged road-bed will require moving of about 15,000 yards of soil, but this is not as much as has been feared. The caliche will be 22 feet wide and from 8 to 10 inches deep, laid in two courses. It will be topped with asphalt net spring to provide the seal coat.  
County commissioners and Judge C. E. Cary met yesterday and purchased some small machinery to be used on the project, including a maintainer. The machinery was bought for precincts 1, 2, and 4.

### Brownsville To Become a Port

WASHINGTON, Dec. 8 (AP)—The long fight of Brownsville, Tex., interests for construction of a ship canal and turning basin ended successfully today.  
The public works administration announced a loan and grant totaling \$2,472,000 to the Brownsville navigation district to be used in dredging a channel 100 feet wide, 25 feet deep and about 15 miles long with a turning basin 1,000 feet by 1,300 feet with terminal facilities consisting of docks, sheds and railroad connections.  
Thirty per cent of the allotment was a grant and the remainder a loan to be secured by five and one-half per cent general obligation bonds payable from unlimited ad valorem taxes and also by a pledge of the net revenues from the project and by a first mortgage on the land and improvements.  
Mrs. R. M. Thacker was a shopper here Wednesday.

### Skellytown Man Is Electrocutted At Carbon Plant

A. H. Gilbert, employe of the Huber Carbon company at Skellytown, was electrocuted about 11 o'clock this morning when he came in contact with a live wire carrying 13,000 volts.  
No one apparently saw the accident, but it was believed Mr. Gilbert slipped and touched the wire with his hand. The Huber plant is located east of Skellytown. Mr. Gilbert had been a resident of Skellytown for more than a year. He is survived by his wife and one daughter.  
The body was taken to Borger. Funeral arrangements are pending.  
Mr. and Mrs. E. W. Jones of Shreveport, La., are spending a week with friends in Pampa.  
R. W. McKinney of Nacogdoches is visiting friends here for a few days.

### LINDYS FLYING NORTHWARD FOR MIAMI, FLORIDA

PARA, Brazil, Dec. 8 (AP)—Col. and Mrs. Charles A. Lindbergh, homeward bound for the Christmas holidays, landed here at 1:30 p. m. Eastern Standard Time, today after a flight from Natal, Brazil. When the Lindberghs landed here they had covered 1,094 miles from Natal. More than 3,000 miles still lies between them and Miami.

### Coldness of Colonel Leaves Brazilians Crest-Fallen

PARA, Brazil, Dec. 8 (AP)—Col. and Mrs. Charles A. Lindbergh hopped for Miami, Fla., in their big red monoplane today at 8:15 a. m. local time (6:15 a. m. E. S. T.). Their route, it was indicated, lay by way of Pama (Belem), Brazil, and thence northward along the south American coast.  
After 40 hours in Natal, to which they flew from Bathurst, West Africa, the famous American flying couple left an impression different from that of most other visiting aviators.  
The population, though enthusiastic in their acclaim, appeared unable to understand the colonel because he was unwilling to pose for photographs, submit to interviews or attend the many parties the people here would like to have showered upon him and his wife.  
Accompanied by the British consul, Mr. Scotchbrook, who with his wife was host to the Lindberghs during their stay here, the couple motored from the consulate to the docks.

### THREE OTHERS ARE GUARDED BY OFFICERS

Miles Jordan, county sheriff, said he had received telephone calls during the night indicating that another crowd might attempt to storm the jail in an attempt to reach the three prisoners.  
He expressed the opinion, however, that the spirit of mob violence had been dissipated by the violence inflicted on Gregory and indicated that he might release the negroes late today because he believed they were innocent.  
Jordan planned first to sound out sentiment in all parts of the county. One of the prisoners, believed to have known definitely Gregory's hiding place in a church belfry at Voith, caused Jordan the most concern and the officer indicated that he might tell that negro to "go up country" for a while.  
The mob, estimated at 400 persons, took Gregory's body from Jordan here after the sheriff had tried unsuccessfully to turn it over to an undertaker at Silsbee.

### DEPUTY SHERIFF KILLS ATTACKER BEFORE MOB GETS HIM

DEPUTY SHERIFF RALPH CHANCE OF HARDIN COUNTY FIRED AT HIM WITH A SHOTGUN, THE CHARGE OF BUCKSHOT TEARING INTO HIS NECK AND FACE. THE WOUNDED NEGRO, UNCONSCIOUS, WAS TAKEN TO A HOSPITAL AT BEAUMONT. WHEN OFFICERS RECEIVED INFORMATION THAT A MOB OF FARMERS AND OTHERS WAS FORMING AT KOUNTZE AND STARTING TOWARD BEAUMONT, THEY TOOK THE NEGRO AWAY IN AN AUTOMOBILE, TRYING TO PROTECT HIM FROM MOB VIOLENCE.  
Without regaining consciousness or being able to make any statement as to his guilt or innocence, the negro succumbed to his wounds as the car bearing him sped toward Vidor, six miles east of Beaumont. The body was taken to Silsbee, another small town in the vicinity, by Sheriff Miles Jordan of Hardin county. On learning of these developments, the mob, slowly increasing in size, trailed the sheriff to Silsbee. After some hesitation, the mob took the body from the sheriff, tied it behind an automobile with chains, and dragged it for some 35 minutes through the negro section of Kountze.

### The STORY of Christmas

And all who heard that which was told by the shepherds concerning the child who was born to be Saviour of the world wondered at the tidings, but Mary kept all these things and pondered them in her heart.  
The mother was reported by a member of the Beaumont Enterprise staff to have told the men who had mangled her son's body.  
The mob dragged the body to the fire and threw it in.  
Mrs. Brockman started for Kountze alone in a light truck last Saturday afternoon and was found shot to death some time afterward beside her truck, which had been set afire. Flames had seared her body. She had intended going into Kountze to exchange a pair of baby shoes she had purchased.  
J. M. Hurley of Tulsa left Pampa recently after a business visit.  
A. W. Florence of LeFors was in the city last night.  
Paul Davis of Groom was a Pampa visitor Wednesday.

## THE FUTURE REMAINS UP TO INDUSTRY

It commonly is said these days that we are in the midst of a bloodless revolution in the United States. The statement is either pleasing or terrifying, depending on your mental attitude—and, perhaps on the number of high-powered securities you have in your safety deposit box. But it is not quite accurate. That there has been a revolution in the realm of ideas is too obvious to need comment. Both the boom-time psychology of the Coolidge era and the what's-the-use attitude of more recent years are gone for good. But whether we are to have an actual revolution in political and economic life—a full transfer of power from one class to another—still is a matter for the future to determine. We haven't had it yet. Whether we are to have it depends largely on how well the owners of the means of production, transportation, and distribution are willing to play ball under the new rules that have been devised.

Willis Thornton pointed out recently in a dispatch from Washington that there are two courses open to the NRA setup.

It can go ahead to a more or less complete socialization of industry, under full control of Uncle Sam; or it can become a referee in the competitive struggle, standing by to enforce the rules of fair play and to see that every contestant gets all the breaks that are coming to him.

That the capitalist would prefer the second alternative goes without saying. Whether the second alternative is what he gets depends almost entirely on him. If he plays ball, well and good; if not, he is likely to wake up some morning and find that this bloodless revolution which people are talking about already has taken place.

What does all this mean, in actual practice? Simply this: Industry must adapt itself to the new rules as they are drawn up in Washington. The industrialist who shuts down a plant rather than deal with strikers, who chisels at his NRA code, sabotages the New Deal and tries to continue in industrial relations the attitude of the steel baron of 1919 simply is persuading people that the evils of capitalism can't be abolished without abolition of capitalism as well. Given the present temper of the American people generally, it is certain that failure of the NRA will be followed by measures immeasurably more stringent. And success or failure of the NRA depends, in the last analysis, on the intelligence and good will of the rulers of industry.

(Continued from Page 1)

major cities are moving at an increasing speed. Foreign purchasing power is rising. Export sales in many lines are double last year. Construction is starting again. Carloadings are up 7 per cent over a year ago. The oil industry is setting the pace for self-regulation. Rivalry in the coal industry is at an end. Bank clearings are higher. Metal industries have bigger payrolls than for several years. Closed banks are being steadily opened or liquidated and dividends paid to depositors. Four million men are going to work on OWA projects. That is thunder on the left wing, which is the people's wing as compared with the desires of predatory big business.

What and where is "the Texas spirit?" Is there a spirit, common and peculiar to the Lone Star state, that is worth discovering, re-discovering, or preserving in the hearts and minds of young citizens? The people authorized an expenditure for holding a centennial celebration. Many now oppose such an appropriation. What is it worth to stress and preserve the Texas spirit, a spirit handed down by the men of Alamo and Goliad and San Jacinto? The American Legion appears to give the answer in the affirmative. It plans to finance a state museum. The plan is to coin 1,500,000 Texas centennial silver half dollars, to be sold for one dollar each. The \$750,000 profit would be used to build the museum, which also would house the Legion and Legion Auxiliary. The Connally-Patman bill passed by the last congress would make the project possible.

### CHRISTIAN SCIENCE SOCIETY

901 N. Frost St.  
"God the Preserver of Man" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, December 10.  
The Golden Text is: "The eternal God is thy refuge, and underneath are the everlasting arms" (Deuteronomy 33:27).  
Among the citations which comprise the Lesson-Sermon is the following from the Bible: "The Lord shall preserve thee from all evil: he shall preserve thy soul" (Psalm 121:7).  
The lesson sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "The prayer that reforms the sinner and heals the sick is an absolute faith that all things are possible to God, a spiritual understanding of Him, an unselfed love. . . . Prayer, watching, and working, combined with self-immolation, are God's gracious means for accomplishing whatever has been successfully done for the Christianization and health of mankind" (page 1).  
Sunday 11 a. m. Sunday School 9:30 a. m. Wednesday 8 p. m.

### Erwin Rudolph And Ponzi Tied In Cue Tourney

CHICAGO, Dec. 8 (AP)—A pair of veterans and one of the younger stars today were tied for first place in the world pocket billiards championship tournament and were certain of remaining there until tomorrow.

The shareholders were Andrew Ponzi of Philadelphia, and Erwin Rudolph of Cleveland, the veterans, and 23-year-old Jimmy Caras of Wilmington, Del. Each won his second straight match yesterday and had nothing to do on today's schedule.

Ponzi defeated Pasquade Natale of Chicago, 125 to 109, in eight innings, while Rudolph, winner of the 1930 tournament, polished off Charles Seaback of Astoria, N. Y., 125 to 65, in six innings and set a high run mark for the tournament to date of 80. The game also was the shortest of the competition.

Caras, runner-up to Ralph Greenleaf for the title last year, out-pointed Bennie Allen of Kansas City, another oldtimer, 125 to 71, in 14 innings.

George Kelly, Philadelphia, who handed Greenleaf his first defeat in 23 starts in Wednesday night's match, was matched with Seaback

CHILDREN WRITE LETTERS TO DAILY NEWS AFTER "OPEN HOUSE"

Children who went through the plant of the Pampa Daily News Wednesday at the "open house" event enjoyed the visit no less than the adults.

"I certainly enjoyed visiting your office this morning. And appreciate you giving us the opportunity to see the newspaper." "I was glad to know about the many interesting things in your office."

CCC Corps Are Ineligible For CWA Projects

Members of the Civilian Conservation Corps are ineligible for work under the Civil Works administration program, the Gray county board of welfare and relief was informed yesterday.

"The newly created Civil Works administration is designed to provide work for individuals who are at present unemployed. Since members of the C. C. C. do not fall in this class they are ineligible to be given employment in connection with the Civil Works program."

Battery Charge Will Be Filed Against Singer

PHILADELPHIA, Dec. 8. (AP)—Informed that Los Angeles authorities had decided to prefer charges of assault and battery against her as a sequel to the Grace Williams slapping incident, Mary McCormick of operatic fame, says "it's ridiculous and idiotic."

Miss McCormick motored here last night from Detroit, accompanied by Harry Gerguson, known to Broadway and immigration officials as Prince Michael Romanoff.

Channing Man Is Hurt in Accident

CANADIAN, Dec. 8.—Pat Stuman, employed by P. E. McMeans, and Frank Wright, of Channing, were seriously injured when their cars crashed together Wednesday night.

Mr. Wright suffered a broken shoulder and probably internal injuries. Pat Stuman, who received a very bad cut on the side of his face, was unconscious for quite a while after both men had been rushed to the local hospital.

Born to Mr. and Mrs. J. C. Rawlins at Worley hospital this morning, a daughter.

Canadian Man Is Victim of Attack Of Heart Disease

CANADIAN, Dec. 8.—James S. Galloway, age 56, father of Mrs. Jim Poindexter and Mrs. B. F. Gordon of Canadian, died suddenly Sunday afternoon, about 4 o'clock while sitting in an automobile on the highway south of Canadian.

Mr. Calloway was born in Bell county, January 28, 1877, where he lived until he was 14, and then moved to Hamilton.

FARM PROBLEM SOLVED

DALLAS—George Murphy, whose new milch cow was accused by a neighbor of disturbing the early morning quiet by bawling, was explaining to the court how he planned to keep his milk supply quiet.

# BRIDAL PARTY APPEARS TO CLIMAX B. P. W. DINNER STYLE REVUE

## COSTUMES FOR HOLIDAY TIME ARE DISPLAYED

### MODELS ARE SEEN BY CROWD THAT FILLS DINING ROOM

APPEARANCE of Miss Allene Gregory as the bride in a wedding party ended a style revue presented by the Business and Professional Women's club yesterday evening to a crowd that filled the dining room of Schneider hotel.

The revue followed a turkey dinner, served at candle lighted tables in a room bright with pastel colored flowers.

Models were introduced by Mrs. H. E. Hicks as they entered in couples for a promenade around the room. They showed costumes for every hour of the day, featuring mid-winter and advance spring fashions.

**Solo Herald's Bride**  
The bridal party appeared as Mrs. H. Gerhard sang "I Love You Truly" and "O Promise Me," with piano accompaniment by Miss Eloise Lane. Miss Jackie Jones, who was at the piano for the entire parade of models, played the wedding march.

Miss Gregory's white satin gown was an original model by Lottie Lee, Hollywood couturiere from the Violett shop. Her lace cap and veil were from Mitchell's, and she carried a white satin suit. Mrs. Don Cooney, as maid of honor, wore a model of pearly crepe and dyed Spanish lace from Murree's.

Mrs. Julian Barrett and Miss Margaret Buckler, bridesmaids, wore satin frocks from the Violett shop. Mrs. Barrett's of pale green and Miss Buckler's of peach, and costume jewelry from the Diamond shop.

**Other Shops Represented**  
Other shops showing gowns were Barrett's, which featured evening gowns of a new gold-dotted taffeta, and Levine's, whose models presented costumes for an entire day.

Other models were Mesdames N. H. Helstead, John Studer, John Sturgeon, Arthur Swanson, Clyde Pathe, B. C. Low, Ivy Duncan, Howard Buckingham, Frank Hill, P. D. Sanders, A. M. Martini, Mel Davis, R. B. Lawrence, Jack Dunn, Misses Kathryn Vincent, Mabel Davis, Virginia Faulkner, Virginia Rose, Lorene McClintock, Mary Ellen Cook, Nell Moore.

Children who showed small frocks and suits from Mitchell's were Judy Smith, Betty Barrett, Kiki Lazarus, Bennett Hughes, Martha Lou McCullough, Carol Curry, Lucy Bell Lawright, Nelly Fraser.

## MRS. BRALY IS SECRETARY OF CLUB COUNCIL

### Election Is An Event Of The Monthly Meeting

Mrs. Clifford Braly was elected secretary of the Pampa Council of Women's Clubs yesterday to succeed Mrs. Paul Kasishke, who recently resigned. The council held its monthly business meeting in the city hall club rooms.

Mrs. Sherman Roberts was introduced as a new member, a representative from the Child Study club. That club is to be in charge of the checking committee for the club rooms during December.

Purchase of a new table and several needed kitchen utensils was reported by the furnishings committee. Announcement was made by Mrs. Alex Schneider for the Treble Clef club that a Christmas santata will be presented December 15 at First Christian church, and a representative of the Junior Twentieth Century club announced that arrangements are complete for a clinic to be maintained by her organization this year for children of needy families.

Each of the 12 clubs forming the council was represented.

## Horace Mann Float In Parade Depicts NRA's Open Road

Pupils at Horace Mann school who appeared on their float in the Santa day parade were Marcine McGleed, Jack Stroup, Buster Stapp, Chester Carpenter, Pat Patterson, Lawrence Dunaway, Bill Taylor, Harold Smith, Bobby Ward, Jennie Lynn Myatt, Billy Priest, Norman Clemmens, Delbert Mell, Leon Martin, Betty Lou Leonard.

Viri Ward supervised the decoration, assisted by a group of Parent-Teacher association members. Miss Frances McCue planned the float.

Its theme was "The Road Is Open Again," carried out with a wide road and an eagle with outspread wings above the NRA sign. Below the eagle stood Columbia and Uncle Sam, and Santa Claus, typifying the spirit of love. Industries, the home, school, agriculture, the oil industry, and benevolent societies under the protection of the NRA were represented by children.

Mrs. W. M. Walker of LeFors shopped in the city yesterday afternoon.

## JUNIOR HIGH WILL PRESENT GLEE CLUB IN OPERETTA AT CITY HALL THIS EVENING

### HUNDRED STUDENTS WILL APPEAR IN COMEDY

THE curtain will rise, at 8 p. m. this evening at city hall auditorium on "The Prince of Beddles," operetta to be presented by about 100 students from Junior high school.

Miss Helen Martin is director and Miss Doris Strader pianist for the production.

Principals in the cast include: Leona Hurst as the princess, Benjamin Horn as the peddler, Edwin McConnell as the prince, Sarah Ellen Will as the princess' maid, Bill Kretzinger as the major, Hugh Anderson as the detective, James Holroyd as the Jesuit, Colleen McMahon and Frances Coffey as girls of the court.

Other roles are those of court attendants and shepherdesses, who form the choruses. The comedy is set in Tinkletown, capital city of a mythical kingdom.

The Junior high glee club is presenting the entertainment and members have been selling tickets the past week.

## "Good Time Had" At Baker Supper

An old fashioned pie supper sponsored by the Parent-Teacher association at Baker school last evening was attended by a large number, and "a good time was had by all."

Old favorite games were played under the direction of Principal A. L. Patrick of Sam Houston school. W. A. Hurst won for the men in a contest of "second childhood" games against Mrs. Roy Holt.

Pies were auctioned by County Superintendent John B. Hessey, and coffee was served with them in the cafeteria by a committee including Mesdames J. M. Miller, W. C. Irving, J. M. Moore, and Jim Cox.

Bands from the entertainment will be used to buy chairs for the auditorium.

Emil D. Williams of White Deer transacted business here yesterday.

Lawrence Kurts returned to his home at Grocin from Pampa hospital this morning.

## HOOVER PUPILS ENTERTAIN FOR P-TA COUNCIL

### Thrift Room Needs And Services Told

Thrift room reports for the past month featured the business session of the city Parent-Teacher council yesterday afternoon. Hoover association members presented the program. Demands for clothing from the thrift room have increased with the coming of cold weather, and there is an especial need for girls' underclothing, members were told.

Mrs. Fleming of the Hoover parent-Teacher association directed the program, in which a number of Hoover pupils took part.

Mrs. J. M. Daugherty, president, spoke on "Personal Character," and Miss Lena Jane Butcher, teacher, on "Character Training." A piano solo, "Consolation," Mandelsohn, was played by Mrs. Daugherty, and Ruth Bond told a story. Sara Leigh and Junior Fleming sang a German folk song, "Culoo, Culoo."

Three songs, "Troise," "What Does Little Birdie Say?" and "Chants the Robin," were sung by

the following children: Bruce Daugherty, Fay Morehead, Robert Colvin, Ruth Bond, Manuel Alvarado, Junior Fleming, Frank Daugherty, Paul Bond, Edward Phillips, Sara Leigh Fleming, and Evelyn Morehead.

## Noon Tomorrow Is Sunday Deadline

Reporters for women's organizations are reminded that items for

the Sunday woman's page and social calendar must be in the hands of the society editor by noon Saturday to insure satisfactory placing. Similar items for week-day papers should be telephoned or sent to the office by 10 a. m. of the day of

publication. This applies also to school and church news. Mrs. O. Russell of Pampa had a Pampa visitor yesterday afternoon.

# NEW FORD V-8 for 1934

THE UNIVERSAL CAR

The New Ford V-8 for 1934 will be on display tomorrow at the showrooms of Ford dealers. Surpassing even the great Ford of 1933 in economy, beauty and comfort, it is truly the car of this modern age—the culmination of thirty years Ford progress. It combines the proved performance of the V-8 cylinder engine with two important new features—Dual Carburetion and perfected Clear-vision Ventilation. See it and drive it at the first opportunity.

**OUTSTANDING IMPROVEMENTS IN THE NEW FORD V-8**

**BETTER PERFORMANCE.** Greater power, new speed, quicker acceleration, smoother performance, more miles per gallon especially at higher speeds, and quicker starting in cold weather—all these result from the new dual carburetor and dual intake manifold. New waterline thermostats enable the engine to warm up more quickly and to maintain an efficient operating temperature. Added engine refinements reduce oil consumption, further improve operating economy and reduce maintenance costs.

**NEW VENTILATION SYSTEM** permits clear vision, prevents drafts and provides desired amount of fresh air in any weather. Individual control for front and rear side windows. When ventilation is desired the window glass is raised to the top. Then the handle is given an additional half-turn. This slides the glass back horizontally to form a narrow slot, as illustrated.

Through this slot air is drawn out by the forward motion of the car. This simple ventilation system maintains draft-free circulation, insures passenger comfort, prevents fogging windshield in cold or stormy weather. Both windshield and cowl ventilator can be opened to supply additional air needed for comfortable warm-weather driving.

**DISTINCTIVE NEW APPEARANCE** enhanced by the newly designed chromium-plated radiator shell and grille, new hood louvers, new hub caps. Interiors are attractive, with new tufted upholstery, new mouldings, new convertible headlining, new instrument panel, new arm rests, new hardware. Swivel-type sun visors in De Luxe bodies prevent glare from front or side.

**FENDERS IN COLOR.** On De Luxe cars fenders are in color to harmonize with body colors—wheel colors optional. New enamel finish on all bodies and fenders has greater wearing quality and more enduring luster.

**GREATER RIDING COMFORT** results from increased spring flexibility. The spring leaves are newly designed for quieter and easier action. Shock absorbers are improved. Seat cushions are deeper, with new, softer springs. New type, individual bucket seats provide increased comfort for front-seat passengers in the Tudor Sedan. Adding to comfort is the new driving ease of the 13-to-1 steering gear ratio.

**PRICES REMAIN LOW**—Tudor Sedan, \$535, Coupe, \$575, Fordor Sedan, \$525, De Luxe Tudor, \$575, De Luxe Fordor, \$525, De Luxe Coupe (5 w. doors), \$535, De Luxe Roadster, \$525, De Luxe Phaeton, \$550, Cabriolet, \$590, Victoria, \$610. (All prices f. o. b. Detroit.)

PHILLIPS 66 MOTOR OIL

For fastest cold weather starting, get the gasoline with the highest gravity. (See figures at left which prove how high the test of Phillips 66 is.)

Even on days below freezing, you need step on the starter just once! That is enough for this super-volatile motor fuel to snap your icy motor into instant action.

You marvel at the lack of sputtering and coughing... at the smoothness of the engine so soon after starting. You get that feeling of flexible power, that zip and get-away, which have made Phillips 66 the most sensational success in the highly competitive oil industry.

Your first experience with a cold, balky motor will probably send you searching for a gas station which sells Phillips 66. But why wait until you actually have starting trouble? Remember: as the thermometer drops, up goes the gravity of Phillips 66. Week by week, its high test is adjusted to the weather wherever it is sold. That is how the Phillips method of CONTROLLED VOLATILITY protects you against loss of starting speed, against loss of power and mileage, as your weather grows colder.

Phillips extra high test does not cost a single cent extra, because Phillips is the world's largest producer of natural high gravity gasoline. Let the first Orange and Black shield, which you see, remind you to get a trial tankful of this greater gasoline.

**GIFTS EXCHANGED AT CHRISTMAS TREE YESTERDAY**

STARTING a season of Christmas parties scheduled by church organizations for the coming weeks, women of Wesley Friendship class, Methodist church, entertained with a luncheon at the church yesterday.

Eighty members and guests were present. A Christmas tree loaded with gifts was the central figure in colorful holiday decorations.

Mrs. John Hessey, class president, introduced the guests after an invocation by Mrs. W. Purviance. The musical program included carols by Mrs. C. C. Dodd and Miss Dorothy Dodd, accompanied by Mrs. Philip Wolfe at the piano, and a piano solo, "Holy Night," by Mrs. Irvin Cole.

Mrs. J. C. Goldston, chairman of group captains, introduced the captains and announced that a contest closing this week was won by Mrs. G. R. Roberts' division.

In a short business session members voted to meet for a similar luncheon at the close of each quarter.

Gifts from the tree were exchanged, and members revealed their "Pollyannas" of the past quarter.

**JOE NORMAN'S WILL PLAY AT PLA-MOR BALL**

Joe Norman will return to Pampa for another of his ever popular dances when he and his musicians play for a dance Saturday night at the Pla-Mor auditorium. Norman's popularity continues to increase at the dances he plays for in the Panhandle.

His own ability and that of his players is well known to people of Pampa and arrangements are being made to handle a large crowd at the Pla-Mor tomorrow night.

Norman's non-recording orchestra will provide a real treat for dance and music lovers. Admission will be 25 cents and 5 cents per dance. Make plans now to enjoy this dance Saturday night.

**Mrs. Ellis Gives Hi-Lo Club Party**

Mrs. N. B. Ellis entertained the Hi-Lo bridge club Wednesday afternoon. Table appointments and tallies in red and green heralded the approach of Christmas.

Refreshments were big bags of candy, nuts, and fruit for each guest.

Mrs. Tom Morris won high score and Mrs. Roy Dyson second high. Mrs. E. P. Hollingshead cut high and Mrs. Bill Dull low. Other members present were Mesdames R. A. Myers, W. M. McWright, J. G. Teeters, and Homer Lively.

**CANADIAN NEWS**

CANADIAN, Dec. 8.—Buna Beth Shaw, small daughter of Mr. and Mrs. Bill Shaw, was reported critically ill yesterday afternoon. She has been very ill for the past several days.

Mrs. Chas. M. Naylor is receiving medical attention at the local hospital.

Noian Clark left yesterday afternoon for the Santa Fe hospital at Mulvane, Kan., where he will receive treatment for a broken foot.

Debs Errington and Charles Newton were in Amarillo last Tuesday.

E. R. Cloyd is employed by Studer brothers at the Piggly Wiggly market.

The Canadian Christian Endeavor of the Christian church will assist in the program of the Christian Endeavor at Miami Sunday night.

Mrs. Coleman Jackson, Natalie Hutton, J. B. Reed, Bobby, Frank, and Bill Jackson were in Pampa Wednesday afternoon to see Santa Claus.

**First Aid Class Of Record Size**

Pampa has the largest first aid class west of the Mississippi river, according to C. Edway Palmer of St. Louis, field representative of the Red Cross.

The course, which meets Monday evening, is sponsored jointly by the Red Cross and Boy Scouts. Mr. Palmer was delighted to learn that a patrol system patterned after the Scout plan had been adopted to make possible instructing of 150 men. He will recommend the plan to other cities where similar courses are offered.

SOUTH BEND, Ind., Dec. 8. (AP)—Elmer Layden, one of the four horsemen, will replace Harkley "Hunk" Anderson as head football coach at Notre Dame next fall as the result of a drastic shakeup of the Notre Dame athletic staff. Jess Harper also will retire as director of athletics.

Harper's successor probably will be announced within the next two weeks. The most persistent report, however, was that Layden would hold both the athletic director's and coaching jobs. Layden is now coach at Duquesne but will leave his post in time to take charge of spring football in 1934.

**Methodist Young People To Be In New Room Sunday**

Young people of the Methodist church will meet Sunday in new quarters, and invite all former members to be present for a special dedicatory program. A. L. Patrick, department superintendent, announced today.

The department will occupy quarters on the second floor of the church, where there is room for assembly programs and classes.

### Balloon Flight To Stratosphere Shown in Reel

Unusual scenes at Akron, O., as Lieut. Commander T. G. W. Settle, U. S. N., and Major Chester L. Fordney, U. S. M. C., leave the Goodyear flying field in their giant balloon on a daring flight into the stratosphere are to be seen in the current issue of the Pampa Daily News-Universal Newsreel. Graham McNamee noted radio announcer and the screen's talking reporter, describes this and the other important news events in the reel at La Nora theater.

Commander Settle and Major Fordney are seen as they climb into the gondola, giving the signal for the takeoff. The giant bag rises slowly into the air to start the expedition into space, where the two scientists planned to augment the findings of Auguste Picard and the Russian scientists regarding the behavior, composition and possible use of the cosmic rays.

Other important events described by McNamee include scenes in New York as the Rangers and Detroit's Red Wings open the metropolitan hockey season in a game marked by a free-for-all fist fight; views in Washington as Maxm Litvinoff, expresses his pleasure at the success of his negotiations with President Roosevelt that led to the recognition of his country by the United States and views in Georgia as President Roosevelt is welcomed by huge crowds on his way to the Little White House at Warm Springs.

**COLLEGES GIVEN RATING**  
NASHVILLE, Tenn., Dec. 8 (AP)—The Southern Association of Colleges and Secondary Schools today adopted the report of its executive committee recommending the following institutions for membership: Senior colleges—Texas College of Arts and Industries, Kingsville, Tex.; junior colleges—Amarillo college, Amarillo, Texas.

**CALLED TO CHICKASHA**  
Mr. and Mrs. S. G. Barrow were called to Chickasha, Okla., Wednesday by the death of Mrs. Barrow's father, Frank Routh, city commissioner there. He died at 4 p. m. Wednesday.

John Turcott of near Miami visited in Pampa Thursday morning.

### LOCAL FIRMS MAKE POSSIBLE TAKING OF MOVIES SATURDAY

#### The PEOPLES COLUMN

The La Nora theater has completed arrangements for motion pictures to be made of the highlights of the Pampa-Abilene bi-district championship football game Saturday.

Two or three hundred feet of film, taken of the best scenes of the game, are to be developed and brought back to run on the theater screen starting Wednesday, December 13.

The following local business firms are sponsoring the taking of the motion picture films: The Diamond Shop, Cal Farley Tire shop, Miller Lybrand Motor company, Southwestern Public Service company, Pampa Daily News, First National Bank, and the La Nora theater.

These business firms have agreed to present the films to Coach Odus Mitchell of the Harvesters to be used in the future for training purposes. Members of the team in play can see themselves in action on the screen, thus enabling them to correct their faults or weak points by seeing themselves as others see them. By this method of training, the players can get new angles of the game and perhaps lead to the betterment of themselves.

### Temperance Plea Made By Poling At Church Meet

WASHINGTON, Dec. 8 (AP)—A call to all citizens to "unite for temperance education and for better liquor control," was made today by Dr. Daniel E. Poling, president of the United Society of Christian Endeavor.

Dr. Poling, opening a discussion on the relation of the churches to the liquor problem, spoke at the twenty-fifth anniversary meeting of the Federal Council of Churches of Christ in America.

"Let it frankly be stated that prohibition was not the achievement of the dries," said Dr. Poling. "It was what the liquor traffic was that wrote the eighteenth amendment in the constitution.

"Repeat up or repeal down, liquor is a peculiar problem. It is a problem that, however dealt with locally, is also national and must be re-

Editor, the NEWS:— We wish to express through this paper a word of thanks to Ralph E. Thomas for his untiring efforts and leadership in our what control campaign. We feel that without his service and cooperation it would have been impossible for us to have received an increase in our allotment figures.

We also wish to extend to James Jackson our able and efficient secretary a word of thanks and appreciation for his work. We know he will make good as county agent of Hall county.

To our members and community committeemen we wish to thank them for their cooperation to make this wheat control campaign a success. With all due respect to our neighboring counties, we think we have the best county agent in the best county of the Panhandle.

**AFTER ALL THESE YEARS PHILADELPHIA (AP)**—When prohibition went into effect back in 1920, the last man to get a drink at the bar of Green's hotel was Robert B. Stevenson.

Last night the hotel resumed serving liquor and the first man to be served a drink was the same Robert B. Stevenson.

**MOTHER TO THE RESCUE SAN FRANCISCO**—Miss Jewel Hannigan's mother came along just as a holdup man was ordering her daughter, a theater cashier, to "hand over the dough." Mrs. Hannigan protested loudly that her daughter was not in the habit of being talked to that way and sent up a cry for the manager. The holdup man fled.

garded accordingly.

"Speaking for myself and for others who may be of the same opinion, we do not recognize in the repeal of the eighteenth amendment the defeat of our cause. Dry victories may be expected in local communities, in counties and in states throughout the country. There is still 'natural' dry territory and other territory

# HARVESTERS TO BATTLE EAGLES FOR FIRST BI-DISTRICT TITLE TOMORROW

## HARVESTERS FACE HARDEST TEST IN GRID DUEL

### CREW OF PLUCKY EAGLES ARRIVE FOR WORKOUT

Abilene's tackling will have to be as hard and true if the Eagles hope to on the Harvester running attack tomorrow afternoon at 3 o'clock in the bi-district game. The Harvester will be wearing new-fitting uniforms with no black for gripping hands to clasp.

The new uniforms, with jersey sleeves with gold letters, and trunks with gold canvass fronts and green combination backs, require two washings to "pour" the boys into them. The suits have plenty of give, however, and do not hinder movements of the wearer. The uniforms, which were expected to arrive this afternoon or tomorrow morning.

Another light scrimmage was held yesterday afternoon following stiff workouts Tuesday and Wednesday forenoon. The boys had no scrimmage in more than a week, and hence looked ragged on their first two appearances. Bill Dunaway and Miles Marbaugh were in uniform yesterday. Neither will take the game, but will be available at any time.

Abilene's Eagles worked out at Harvester field yesterday afternoon and then came to Pampa today for another light workout at Harvester park this afternoon. The Eagles appeared light but fast, with tricky formations, spectators reported this morning.

## LITTLE DIFFERENCE IN PAMPA AND ABILENE, SAYS DOPESTER

### Despite Records, Two Clubs Are About Equal, Writes Melton of Fort Worth.

Sixteen district interscholastic League champions, headed by the Pampa Harvesters in District 1, will go into the bi-district play-offs tomorrow, and of these every one has been either beaten or tied this season.

The games Saturday are as follows: Abilene at Pampa, San Angelo at El Paso, Highland Park at Wichita Falls, Central of Fort Worth at Dallas Tech. Tyler at Greenville, Corsicana at San Antonio today, Port Arthur at Houston, and Brownsville at Corpus Christi tonight.

Amos Melton of the Star-Telegram has doped out the state race as follows: "Using their season records as a basis of comparison, it will be readily seen that almost all of the battles are due to be close. For instance, there appears little difference between Pampa and Abilene, the District 1 and 2 champions. Both played Gisco, Pampa winning 27-0, and Abilene, 20-0. Pampa lost four games, 7-5 to Capital Hill of Oklahoma City, 7-0 to Shawnee, Okla., 7-6 to the West Texas Teachers Fresh and 9-6 to Amarillo. The Harvesters also were tied by the strong Class B McLean team, 6-all.

Abilene lost three games, 19-0, to Sweetwater, 6-9 to Lubbock and 7-6 to Ranger. Pampa downed Lubbock handsily, 26-0. Too, Pampa held Amarillo 9-6 while the Sandies ran over Sweetwater, 41-0. Sweetwater in turn beat Abilene by three touchdowns. So the dope favors Pampa slightly, especially since the Harvesters will be playing on their own field.

San Angelo's Bobcats, District 3 titlists, rule a slight favorite over Bowie of El Paso, but the game may be closer than expected. Bowie, playing on its own field, will have the advantage of familiar surroundings. The El Paso team has a fine record, having lost only one game, a 6-2 battle to the New Mexico Aggie frosh. However, their competition has been much weaker than that met by the Bobcats.

San Angelo lost only one game this year, 20-12, to Abilene, and was tied by Big Springs, 0-0. Austin of El Paso held Big Spring to a 13-13 tie and Bowie beat Austin, 28-13. This line of reasoning gives Bowie an edge over the Bobcats but will not take into consideration the improvement in Harry Taylor's team in the last month of the race.

Compare Scores

There is only one line of "comparative score" doping on Wichita Falls and Highland Park. North

### NEW YORK, Dec. 8 (AP)—Jim Tierney, secretary of the New York Giants, never will get his bag packed for the trip to Chicago next week if the rumor boys don't give him a breathing spell.

Reagan of Houston, 15-6, but beat Highland Park 18-0, and Tyler, 14-0. The loss to Temple was the only one for Brackenridge. Port Arthur and San Jacinto of Houston appear well matched. Port Arthur tied Reagan, 6-5, while San Jacinto beat the same team with a safety, 2-0. San Jacinto lost to Beaumont, 6-0, while Port Arthur downed the Royal Purple, 18-0. This information can be used for what it's worth.

Corpus Christi is almost sure to beat Brownsville. Neither team has been impressive and the winner can't hope to get far. Brownsville lost to San Benito, 26-6, and to Donna, 19-0, both Class B teams. Corpus beat Thomas Jefferson of San Antonio and held both San Houston and Brackenridge to fairly close scores. Corpus beat Harlingen, 32-6, while Brownsville had a hard time beating the same team, 13-6.

## LE BON TEMPS HAS TURKEY LUNCHEON

A turkey luncheon was served to Le Bon Temps club members at the Gourthouse cafe Wednesday, when Mrs. K. S. Boehm was hostess.

After lunch, the two tables of players went to Mrs. Boehm's home to enjoy five games of contract. Mrs. H. C. Berry made high score, and Mrs. John Weeks second high.

Other guests were Mesdames J. C. Carroll, Archie Ralsky, Otto Goppert, J. C. Colter, and G. L. Greene. Mrs. Colter is to be the next hostess.

A model of Boulder dam weighing two tons has been exhibited by Las Vegas civic authorities at state and county fairs.

## GIANT OFFICIAL DENIES STARS TO BE TRADED OFF

### NEW YORK, Dec. 8 (AP)—Jim Tierney, secretary of the New York Giants, never will get his bag packed for the trip to Chicago next week if the rumor boys don't give him a breathing spell.

Tierney's preparations for attending the major league meetings have met with serious delays while he has been busily engaged in denying that either Francis Xavier O'Doul or Travis (Stone) Jackson would be traded, or that outfielder Joe Moore's health was so precarious as to make it doubtful he would be able to take his place in left field for the world champions next year.

Jackson, troubled for several years with injuries to both knees but a brilliant performer for the Giants in the world series, has been mentioned as a possible candidate for the management of the Cincinnati Reds.

O'Doul's name has been linked with various trade rumors but Jim says the Giants have never even considered trading or asking waivers on the veteran outfielder whose pinch hit won the second game of the world series with the Washington Senators.

Mrs. Rosella Carpenter of LeFors was a visitor in the city Wednesday.

### RECORD EATER

CHICAGO—Police Sergeant Joseph Starshak is as his wife and it's the penchant of a certain mouse has for yellow paper that got him that way. Already, he said, the mouse had eaten paper containing the first names of persons listed as missing in the records of the missing persons bureau, carrying its appetite all the way from the "smiths" to the "2's." Putting a mouse trap with yellow got exactly nothing in the way of results.

# CHIEF PARRIS WINS DECISION IN MAIN FIGHT

## WHITLOW OUTBOXED BY INDIAN FROM OKLAHOMA

A little Cherokee Indian stole into Pampa Wednesday afternoon and left this morning with Allen Whitlow's scalp dangling at his belt. He was Chief Eugene Parris, 134, of Oklahoma City, who won a 10-round decision from Allen Whitlow, 133, Phoenix, Ariz., last night at the Pla-Mor for Whitlow's first defeat in a local ring.

Whitlow in his six fights here. He missed repeatedly and took more from the Indian than had been handed him in some time. Parris was guilty of illegal holding and hitting on several occasions and resorted to wrestling once or twice to whirl Whitlow to the canvas. Mikey Dunvan, 162, of Springfield, Mo., won the judges' decision the 9-round semi-final over Dick Hedgespeth, 162, of Perryton, in a bloody affair which saw heads playing an important part. Dunvan, the newcomer to a Pampa ring, outboxed Hedgespeth all the way, making him miss most of his swings and hitting and jabbing often. However, the Illinois boy failed to carry any steam in his punches and Hedgespeth covered most of the time. The Perryton man bled freely from the mouth and forehead but cut Dunvan's eye when they connected heads in a wild melee. Hedgespeth led the in-fighting and had the advantage in head hitting. Eddie Zillis, 141, Collinsville, Ill., kayced Murrell Reams, 145, Fort

Worth, in the second round of their scheduled 4-round bout. Zillis tapped Reams on the button with a left and the Fort Worth boy took the count half way through the round. The first round was slow with both boys hitting and clinching. The referee warned them in the second round before Zillis connected. Kid Stamper, 148, Macon, Ga., and Dick Whittington, 146, Wellington, drew in the opening bout. It was a weird leather-slugging affair with neither fighter able to hit hard enough to hurt the other. The air was filled with flying gloves and the bout was among the best on the card. Whitlow opened the first round of the main event in his usual style of springing in close and letting a left and right fly to the Indian's head. The Indian solved the attack in the second round and hit Whitlow often as the little fellow bore in. Parris held Whitlow's arm in the third and pounded him before the referee broke the fighters. Whitlow came back in the fourth to pound the Oklahoman about the head and

body. Both fighters slowed down in the fifth round, but Parris staged a come-back in the sixth to pound Whitlow about the ring with chops to the head and a body attack in the clinches. Whitlow opened fast in the next round, but failed as the Indian took the offensive for the last part of the round. Round eight saw the most action of the fight with honors about even. Parris led the last rounds to take the decision, pounding Whitlow about the head. An effort is being made to match Howard Scott of San Angelo and Chief Parris for next week.

# KLEIN LEADS 1933 HITTERS IN NATIONAL

## MELL OTT OF GIANTS DRAWS 75 WALKS TO TOP LIST

NEW YORK, Dec. 8. (AP)—For the third successive year, Chuck Klein topped the National league in slugging during 1933 and also led all hitters in batting effectiveness, a department compiled for the first time, by hitting into only three double plays. The Phillies' outfield ace, traded to the Chicago Cubs during the off-season, compiled a slugging average of .602, the league's official "miscellaneous records," made public today, revealed. Holder of the league batting championship, Klein compiled his winning slugging percentage with 365 total bases in 566 times at bat. He drove in 190 runs to lead in another department, drew 56 walks and struck out 36 times. Mell Ott of the New York Giants drew the most walks, 75, to top that list for the second year in a row, while Johnny Frederick of Brooklyn fanned only 14 times in 147 games, for the best record in that respect. The Cubs were by far the best home club but the Giants topped them all on the road. Trailing Klein in batting effectiveness was Ralph Boyle of Brooklyn who hit into only two double plays in 338 times at bat although several players who took part in the requisite number of 50 games but made comparatively few trips to the plate were not caught this way at all. In contrast, big Ernie Lombardi of Cincinnati batted into 26 double-killings. Wally Berger of Boston held two second places in the slugging aver-

age with a slugging percentage of .566 and 106 runs batted in. He also was the leader in strikeouts, whiffing 77 times. George Watkins of St. Louis was hit 12 times by pitched balls. As a club, the Pittsburgh Pirates were the leading sluggers with a .383 mark while the league as a whole compiled a .362 average. The Cubs, in their own park, won 56 games and lost only 23 for a .709 average but on foreign fields their average dropped to .460 from 30 victories and 45 defeats. The Giants stood third in the at-home ranking with 48 games won and 27 lost for .640 but on the road they were far ahead with 43 victories and 34 defeats for .558. The Giants also shone in the slugging records, winning 23 games by this route and losing eleven. They blanked Cincinnati six times and Chicago and St. Louis four each. The Pirates suffered the fewest shutouts, eight, while handing out twice that number. A total of 16 players served two clubs and most of them made better records with the new ones than with the old. Notable among this group was Paul Derringer, who lost more games than any other pitcher. With St. Louis he lost two games and allowed an average of 4.34 earned runs each nine innings. In 33 games with Cincinnati, although he was only seven and lost 25, he reduced the earned run average to 3.23. Others were Sparky Adams, whose batting average rose from .167 to .362 with the shift from St. Louis to Cincinnati, Leo Durocher, who reversed the course, lifted his mark from .216 to .358, Frank O'Doul whose mark rose from .252 to .306 with the shift from Brooklyn to New York, and Wes Schulmerich, who hit .247 for Boston and .394 for Philadelphia.

# NEW 1934 FORD MODELS WILL BE DISPLAYED HERE TOMORROW - VENTILATION PLAN PROVIDED

## Meeting Called To Reduce Grain Sorghum Acreage

DALHART, Dec. 8.—To work out plans for a reduction in grain sorghum acreage, with a view to boosting the price for these products, and also to develop a feasible plan for control of wind erosion, the North Panhandle Agricultural and Livestock association has called a meeting for next Saturday afternoon, Dec. 9, at 2 o'clock in the county court house here. The association was organized at a session here recently with the express purpose of protecting the interest of farmers and livestock men in the livestock and grain producing counties in the Panhandle of Texas, Oklahoma, eastern New Mexico, eastern Colorado, and western Kansas. A. M. (Andy) James, well known Panhandle livestock man, Dalhart, is president. Invitations to the meeting here Saturday have been sent to the county agents or chambers of commerce in the territory embraced by the association.

Several 1934 Ford models will be on display at the showroom of the Miller-Lybrand Motor company, local agents, at 3 o'clock tomorrow. It was announced today by J. M. Lybrand, with C. J. Montgomery, sales manager, and E. L. Snyder, T. D. Balthorpe, and Jack Gerish, salesman, returned last night from Oklahoma City, where they saw the new models and liked them immensely. Deliveries of the 1934 cars will be possible immediately, it was stated. DEROOT, Dec. 8.—The new Ford V-8 for 1934 is to be put on display tomorrow in more than 7,000 Ford dealerships throughout the United States, Edsel B. Ford, president of the Ford Motor company announced today. As revealed here by Henry Ford and his son to several severe newspaper correspondents, special writers and photographers, the new Ford has greater power, more speed, quicker acceleration, smoother performance, more miles per gallon, especially at higher speeds, and quicker starting in cold weather, plus refined lines and a new built-in system of clear-vision body ventilation. The improvements in engine performance are the result of the use of a new dual down-draft carburetor and dual intake manifold which increase the engine's power approximately 12 per cent and provide a remarkable improvement in pickup. "The new car is the best car the Ford Motor company ever built," the Ford president said. "Basically it is the same car as the hundreds of thousands of other Ford V-8s now on the road. It simply incorporates numerous improvements in engine and chassis design, the new body ventilation system and refinements in body styling and appointments which have been brought to a proper stage of development during the past year in our engineering research."

The new Ford ventilation system, which is built into the body, permits clear vision, prevents drafts and provides the desired amount of fresh air in any weather. Individual control is provided for both front and rear side windows. When ventilation is desired the window glass is raised to the top. Then the handle is given an additional half turn. This slides the glass back horizontally to form a narrow slot between the glass and the frame. Through this slot air is drawn out by the forward motion of the car. This simple ventilation system maintains a draft-free circulation of air and prevents fogging windshield and windows in cold or stormy weather. Both windshield and cowl ventilator can be opened to supply additional air for warm weather driving. The distinctive lines of the Ford V-8 have been refined in the 1934 car by a newly-designed radiator shell, grille and other features. Interiors reveal new upholstered and garnish moldings, a cove-type head lining, new instrument panel, arm rests, door pulls and hardware. Sun visors are provided in all closed cars, those in the de luxe cars being of swivel type to prevent glare both from the front and sides.

RAILROAD WRECKS MARRIAGE INDEPENDENCE, Kan.—W. T. Brown, 72, complained in a divorce petition life has been just one train ride after another since he married Fay Brown, 23, of Vilonia, Ark. Brown said he wished to settle down; she wished to use Brown's railroad pass, and, as a result, in their three months of married life, they visited the Century of Progress exposition at Chicago, went to the Pacific coast and made numerous trips to Kansas City, St. Louis, and in Arkansas.

FORGOTTEN GUN FAIRMONT, W. Va.—A hunting Frank Costello would go, and so off he went in his best hunting togs and with his hunting dogs. Five miles out on the Grafton highway, a falling station-man waved him down, and told him he was wanted on the phone. It was Mrs. Costello, saying: "If you want to shoot anything you'd better come home and get your gun. You left it in the hallway." P. S.: He didn't get a deer.

### International Sunday School Lesson

BY DR. J. E. NUNN

General topic: Paul a Prisoner in Caesarea.

Scripture lesson: Acts 24:10-23. 10. And when the governor had beckoned unto him to speak, Paul answered forasmuch as I know that thou hast been of many years a judge unto this nation, I cheerfully make my defense.

11. Seeing that thou canst take knowledge that it is not more than twelve days since I went up to worship at Jerusalem.

12. And neither in the temple did they find me disputing with any man or stirring up a crowd, nor in the synagogues, nor in the city.

13. Neither can they prove to thee the things whereof they now accuse me.

14. But this I confess unto thee, that after the way which they call a sect, so serve I the God of our fathers, believing all things which are according to the law, and which are written in the prophets;

15. Having hope toward God, which these also themselves look for, that there shall be a resurrection both of the just and unjust.

16. Herein I also exercise myself to have a conscience void of offense toward God and men always.

17. Now after some years I came to bring alms to my nation, and offerings.

18. Amidst which they found me purified in the temple, with no crowd, nor yet with tumult; but there were certain Jews from Asia;

19. Who ought to have been here before thee, and to make accusation, if they had ought against me.

20. Or else let these men themselves say what wrong-doing they found when I stood before the council.

21. Except it be for this one voice then I cried standing among them, Touching the resurrection of the dead I am called in question before you this day.

22. But Felix, having more exact knowledge concerning the Way, deferred them, saying, when Lysias the chief captain shall come down, I will determine your matter.

23. And he gave order to the centurion that he should be kept in charge, and should have indulgence and to forbid any of his friends to minister unto him.

ways.—Acts 24:16.

Time: Paul's two years in prison, A. D. 58, 59. Paul's appeal to Caesar (the Emperor Nero) A. D. 59.

Place: Caesarea, Jerusalem.

Introduction "Felix stands before us as a warning that a man may be convinced of his sin, and yet not converted to God."

Paul Before Felix Paul's defense is marked by courtesy without flattery. He declared himself fortunate in being brought before a judge who was familiar with Jewish affairs.

He flatly denied the charges. He refers to the fact that this visit of his to Jerusalem had been occasioned by his bringing relief to the poor of Judea.

From mixed motives Felix defers the case; ordering that the prisoner, meanwhile, should be well trained (ver. 22, 23). This Roman procurator has been called one of the "regrettable characters" of history.

The bad in him smothered his stirrings toward the good.

"A Convenient Season" 24:25 "Felix, trembled, and answered, Go thy way for this time; when I have a convenient season, I will call for thee."

Felix is for us a distinguished type of the "putter-off" of the procrastinator. Of bushels of sermons on procrastination he has been made the text.

"Paul was as fearless in his preaching to the governor and his wife as Savonarola before Lorenzo de Medici. Righteousness, self control and disregard for the judgment of God were three subjects that well might terrify them. Yet Felix was interested in Paul's message; wanted to hear it again and again; it strongly appealed to his better nature.

We must believe that Paul's burning words not only terrified, but almost persuaded Felix. Almost, but not."

Paul and Festus, Acts 25 How did Paul pass those two years of detention at Caesarea? It may be taken for granted that he was constantly preaching the gospel, in one way or another, as later when he was a prisoner at Rome. It is significant that Caesarea was for five centuries after this a prominent center of Christianity. Porcius

Paul Brought Down to Caesarea, Acts 25:23-35 Claudius Lysias, commandant of the Roman military forces at Jerusalem, impressed by Paul's claim of Roman citizenship, had rescued him from the Jewish mob and forestalled the conspiracy to assassinate him by sending him down to the governor, Antonius Felix, the official residence being at Caesarea, on the sea.

Of this Felix the Roman historian Tacitus says: "He exercised the prerogative of a king, with all cruelty and lust, in the spirit of a slave."—He had been born a slave.—His wife Drusilla was a daughter of Herod Agrippa I. Five days after his arrival in Caesarea Paul was brought before the governor, to answer the double charge of sedition and temple desecration, presented by the high priest Ananias, through a Roman lawyer, Tertullus (24:5, 6).

Paul's Journey to Jerusalem, Acts 21:1-17 Paul's journey from Miletus to Jerusalem is fascinating reading, being full of mention of classic places, each with its wonderful lore. The journey was saddened, however, by the presage of coming sorrow and trial which weighed down the spirit of Paul at Miletus when he prophesied to his Ephesian relatives that they should see his face no more. At Tyre, for instance, where the apostle remained a week with the disciples, they urged him that he should not set foot in hostile Jerusalem. At Caesarea, where he was entertained in the hope of Philip the evangelist, one of the seven original deacons, there was present the prophet Agabus, who had foretold the terrible famine in the reign of the Emperor Claudius. Using the symbolic method common in the Old Testament, he took Paul's girdle and with it bound his own feet and his own hands, declaring that thus the owner of the girdle would be bound to Jerusalem; whereupon all the Christians begged the apostle not to continue his journey. "I am ready," Paul stoutly asserted, "not to be bound only, but also to die at Jerusalem for the name of the Lord Jesus."

Festus, who succeeded Felix as governor, probably in the year 59, was a better, more honorable man. Paul's case, which had been handed down to him, he found to be a problematical one. He insisted that Paul's accusers should come down from Jerusalem to Caesarea and again state their charges (25:4, 5). Paul falls back upon the privilege of his Roman citizenship to appeal to the supreme tribunal at Rome. "I appeal to Caesar."

So earnestly did he appeal that Agrippa told him he almost persuaded him (Agrippa) to become a Christian. Remember the group to whom he was talking and catch the courtesy and the sincerity of Paul's last words, "I would to God that not only thou but also all that hear me this day were both almost, and altogether such as I am, except these bonds." At the close of this masterful address, the officials agreed that Paul had done nothing worthy of death or bonds.

In fact, Agrippa told Festus that there was no reason why the prisoner should not be released, except that he had appealed to Caesar. Paul was going to Rome; we shall meet him there next Sunday."

GIVEN BOOK PRIZE PARIS, Dec. 7. (AP)—Andre Malraux, young French author, today was awarded the Prix Goncourt for the book called "Human Conditions." The book sets forth present day conditions in China in fiction form, and probably will be presented to the American public in the spring of 1934.
