JAMES TELCHIK

BORDEN COUNTIAN MOVES UP LADDER IN FIRST NATIONAL BANK

James Telchik has been promoted to cashier of the First National Bank in Lamesa. He was appointed to the position earlier this year to fill the void when Elgin Davis retired. Telchik, a native of Borden County, has been with the First National Bank since April of 1983 and functioned as the auditor for nine months before his promotion to cashier.

He earned his bachelor of arts degree in accounting at Texas Tech, and has worked as a field auditor for the Internal Revenue Service.

Telchik is also the owner and operator of a farming operation

in northeast Dawson and Borden Counties, and is the director of the farmers Club of O'Donnell. He is presently the secretary of the Kiwanis Club.

The bank also has a new vice president in Bob Henderson, who comes to Lamesa from the First National Bank of Andrews. Henderson has served as president of that bank since 1982.

Another newcomer at the bank is Nancy Chaplin, who took on her duties as internal auditor early in September. She is a native of Lamesa and is the owner and operator of a computer billing service.

DISPLAY HIDE—John W. Mooar (left) and Josiah Wright Mooar display the hide of the white buffalo which J. Wright Mooar killed on Deep Creek near Snyder on Oct. 7, 1876. The hide is in the possession of Judy Hays, a granddaughter of J. Wright Mooar.

BORDEN COUNTY HOMECOMING IS BEING PLANNED FOR OCTOBER 26

The Borden County Coyotes will host the Highland Hornets on October 26 for the Borden County Homecoming Game. The Hornets are undefeated at this time and the Coyotes are 5-1-0.

The Booster Club is making plans for the annual Homecoming Supper, which will be served in the school cafeteria.

The traditional bonfire will be held to begin the activities for Homecoming 1984.

As usual the halftime activities will include the crowning of the Homecoming Queen, and presentations of the Band Sweetheart, Pep Squad Beau, Football Sweetheart.

The Class of 1974 will be honored during the evening with a reception following the game.

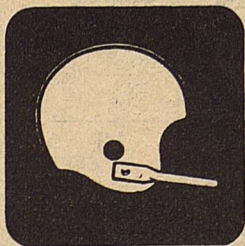

All exes are welcome to come enjoy the festivities as well as visitors, families and friends.

The Borden Coyote Marching Band will be performing. The band is coming along very well under direction of the new band

director, Mr. Richard Bouton. Twirlers, Rene Telchik and Christy Stone will be doing a special routine. Cheerleaders, Shawna Vaughn, Kim Turner, Ralynn Key and Kelli Williams

will once again be supporting the team with chants and special spirit chants for Homecoming.

EVERYONE Come Out and Enjoy The Fun!!!!

SNYDER TO CELEBRATE WHITE BUFFALO DAYS

This year's White Buffalo Days celebration in Snyder promises to be a gala celebration and a trip back in time to the colorful beginning of the history of the settlement of that city.

White Buffalo Days is an annual event full of fun for the whole family. It's held in and around the Scurry County Coliseum and it's grounds, and this years festivities will make full use of the large complex and surrounding buildings.

There will be lots of booths, sponsored by various civic and non-profit organizations from throughout the community, that offer a variety of excitement. You can test your skills for prizes, participate in a stickhorse rodeo, run a marathon race, toss a horseshoe or maybe even a buffalo chip or two! The food is delicious, ranging from zippy nachoes to buttery corn on the cob; and there will be entertainment all day long if you like to just sit and enjoy the music! The day will be topped off with "The Whirligig", a

musical spoof filled with singing, dancing and lots of laughter, and its all based on the actual killing of the sacred white buffalo by J. Wright Moare, one of the early settlers of the town. From the early settlers to the boom town days tells quite a story, and promises you an evening filled with fun you won't soon forget. "The Whirligig" will be followed by an auction, filled with collectors dreams, as well as contributions made by many of the leading businesses in the community.

It's all happening October 13th, beginning with a parade around the town square at 9:30 a.m. For a day filled with family entertainment and good old-fashioned fun, come celebrate "White Buffalo Days" with the citizens of Snyder, Texas. It will be a celebration you won't soon forget!

For further information, contact Donna Fowler at KSNY RADIO, Box 1008, Snyder, Texas 79549. Phone area 915-573-9322.

BORDEN SCHOOL NEWS

COYOTES TIE BOBCATS 42-42

The Borden County Coyotes had to hustle to tie the Rule Bobcats Friday night after leading 36-16 at halftime.

"I really don't know what happened that caused us to play so poorly the last two quarters," said Coach Frisbie.

The Coyotes dominated the game by rushing for 430 yards and 18 first downs to only 176 yards rushing and 15 first downs for Rule.

"The defense has never given up that much yardage rushing or allowed that many points," moaned Coach Frisbie.

Chris Cooley had five scores and Dennis Buchanan had one. Kirby Williams had 6 points in extra points.

The Coyotes travel to McCaulley for their first district game this Friday. Game time is 7:30 p.m.

JR. HIGH BETA CLUB-Back-Kristi Adcock, Rachel Romero, Christy Holmes, James Smith, David Buchanan. Second Row-Chad Williams, Cody Stone, Shane Hess, Amanda Anderson, Front-Shane Kemper, Eric Lush, and Bruce Harris. Not shown Jim Ridenour and Amy Lewis.

BORDEN JR. HIGH 33 GRADY 19

Again Chris Kilmer and Pat Duenes scored all the points, but credit should be given to James Smith, Alex Lemons., Randell Hollis, and Cody Cooley. These people play up front where the work is done all the backs do is avoid people.

Kilmer had four runs of 20 yards or more and Duenes run

was for 35 yards. Kilmer scored 26 points and Duenes has 7 points.

"This was a sweet victory because Grady had beaten us earlier in a non-district game," said Coach Frisbie. The young team is undefeated in district play and is looking forward to playing Ira on October 11th at 6:00 in Gail.

'Naysayers' against school reform draw sharp attack from White

By Mike Haily
American-Statesman Staff

Governor Mark White denounced coaches, administrators, and others who are critical of public education reforms approved this summer. He vowed to keep "Naysayers" from interfering with the changes.

"We've had some people that any change would have come as a shock to," said White, his face red and voice raised at his weekly press conference.

"This change in the seasons come as a shock to some people," White said. "I just

don't like people who resist favorable changes. Those are the type of people I want to see out of the way. They're an impediment to the progress of the educational achievement of our children."

White directed his remarks partly at unidentified members of the current elected state Board of Education, which will be replaced with an appointed board when the governor selects 15 members from a list of 45 candidates.

"I'm tired of this kind of

bad-mouthing we've got from some members of the current board," said White.

"I want a positive note put on this because we've had positive changes for the good."

White said he had selected about half the members of the new board and said he hoped to fill the remaining slots within several days. He said he had not decided on a chairman for the new board.

White said he is "appalled" by some superintendents who have questioned whether the reforms will improve education.

School districts seek to protect reform measures

By Terrence Stutz
Staff Writer of The News

Dallas and seven other urban school districts in Texas are trying to head off efforts to undo key parts of the sweeping school reform law passed by the Legislature this summer.

Representatives of the eight urban districts have drafted a resolution calling on legislative leaders to restrict the number of bills in the 1985 session that propose changes in the school reform law, the Educational OPORTUNITY Act of 1984.

"Our expectation is that lots of groups from across the state will be introducing bills to change House Bill 72 (the school reform law)," Dallas school administrator Robby Collins said

Tuesday.

"We believe the reforms need time to work. We are against any scater-gun approach to amending this act."

Collins said the statement, drafted for the Texas Council of Urban School Districts, asks Lt. Gov. Bill Hobby, House Speaker Givb Lewis, D-Fort Worth, and other leaders to consider only changes that have been approved by the new State Board of Education or the 10-member Legislative Education Board, on which Hobby and Lewis sit.

Besides Dallas, other districts belonging to the Council of Urban School Districts are Houston, Fort Worth, Austin, San Antonio, El Paso, Corpus Christi and Ysleta.

Dallas school board members expressed support for the statement at a committee

meeting Tuesday and are expected to formally approve the paper later this month.

During their Tuesday night meeting, school trustees:

-Approved design plans for the proposed \$35 million Townview Center magnet high school in North Oak Cliff. The school, scheduled to open to about 2,400 students in the fall of 1987, will combine several current high school magnet programs.

-Authorized leases with the YMCA and YWCA at three elementary schools, where the two organizations will begin pilot after-school child-care programs this year. The three schools are Blair, Cochran and Gill.

There is very little time for old-fashion visiting in the classroom any more, but these students take just a few seconds to talk before the bell rings.

"Knowledge comes, but wisdom lingers."
Alfred Tennyson

JAMES AARON IS HONORED BY BOARD OF OYMA

James H. Aaron III of Fluvanna has been named by the Board of Advisors for the Outstanding Young Men of America for inclusion in the 1984 edition of Outstanding Young Men Of America.

Aaron was selected from nominations received from Senators, Congressmen, Governors, Mayors, State Legislators, University and College Presidents and Deans as well as various civic groups, including the United States Jaycees which also endorses the Outstanding Young Men Of America program.

In every community there are young men working diligently to make their cities, as well as their country, better places in which to live. These men, having distinguished themselves in one or more fields of endeavor, are outstanding and deserve to be recognized for their achievements. The criteria for selection include a man's voluntary service to community, professional leadership, academic achievement, business advancement, cultural accomplishments and civic and

political participation. Aaron, along with fellow Outstanding Young Men throughout North America will be featured in this prestigious annual awards publication.

VISIT ROBERT LEE

Slick and Bonnie Sneed traveled to Robert Lee last Thursday night to see their Grandson, Doug Talmage play football and to see their 4 year old granddaughter, Kimberly Yeager perform at halftime. Kimberly is mascot for the Water Valley Wildcats drill team and Cheerleaders. Doug is a freshman at Water Valley and plays Junior Varsity. At 14 years of age, he is 6'2" and weighs 150 pounds. Since he is asthmatic, this is his first year to participate in sports. Their Mother, Kay Yeager is a teacher at Water Valley and Sponsor for the Drill team and Cheerleaders. Last week, Kay also became a bus driver, and must have set some record among West Texas bus drivers by getting stuck twice in one week.

Water Valley Principal, Burt Jammison spoke in Kay's defense by saying Water Valley had 3 inches of rain the night before Kay made her first trip.

OBITUARY R. M. Lackey

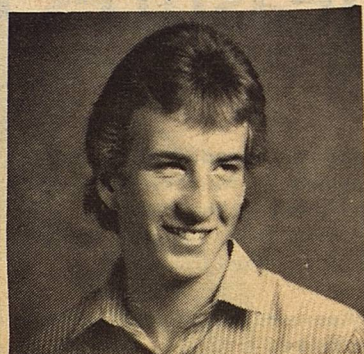

R. M. Lackey, brother of Jeff Lackey of Gail, passed away last week in the Lutheran Nursing Home in Midland. Lackey has a long history of heart trouble.

He was buried at 11:00 Friday, October 5 in a Midland Cemetery.

Besides Jeff, JR. M. has a brother, Gene of Midland, a sister, Vivian of Midland; a daughter in Graham, 3 grandchildren and 4 great-grandchildren.

Fluvanna 4-H Garage Sale & Bake Sale

The Fluvanna 4-H Club is having a garage sale and bake sale on Saturday, October 20, 1984 from 9:00 a.m. until 2:00 p.m. in downtown Fluvanna. Come join the fun.

In the early days of baseball, between 1840 and 1850, a fielder put a runner out by hitting him with the ball.

Everyone Invited to Homecoming Party

The Borden County 4-H is sponsoring a party for everyone after the Homecoming Game October 26th in the Exhibit Building.

Music and refreshments will be provided.

All ages are urged to come join in the fun.

Community Rummage Sale

Interested in turning your extra's into cash? Come to Gail Saturday, October 20 and set up your wares. We will set up individually around the courthouse parking lot from 9:00 a.m. to 5:00 p.m. The sale will be advertised in the area newspapers and radio stations. In the event of bad weather we will move to the County Barn. For more information call Connie Voss 915-856-4361.

PARENTS CLUB MEETING

1411 Gregg

Big Spring, Texas

Member F.D.I.C.

ENGAGEMENT ANNOUNCED

Mr. and Mrs. Babe Underwood of Fluvanna would like to announce the engagement and approaching marriage of their

daughter, Kathy Sue to David Olan Goodman of Snyder. The couple plan to be married October 27, 1984.

CHILD SAFETY SEAT CAN BE PURCHASED FOR \$33.50

Pollard Chevrolet and Shroyer Motor Company of Big Spring will offering at cost a federally-approved child safety seat that will protect young car passengers from birth through 4 years.

The community service program, planned for Oct. 15-20, is being held in conjunction with Passenger Safety Month and prior to the Oct. 31 effective date of a new state law requiring that automobile passengers younger than 2 years ride in a safety seat and children 2-4 years old be in a safety seat or restrained by a seat belt.

The seats will be available during regular business hours the week of the program. Those wanting the seats need only go to a participating dealership and buy a seat.

The child safety seat, which often retails for \$45-60, will fit most cars and does not require any modifications.

"Some parents think their child is safe if the parent is holding the youngster. But that

is a deadly misconception,"

someone wearing a seat belt becomes a 300 pound missile slamming against the windshield in an accident of only 10 mph.

"A child sitting in the lap of any unrestrained adult will be crushed against the dash by the parent whose body takes on a force many times greater than the persons weight," Fondren said. "Many parents don't know this and we hope our program will eliminate some of these myths."

He said the \$33.50 charge includes the shipping costs and the wholesale price of the seat. Fondren added that the price of a car seat is considerably less than the pain and suffering a parent experiences when a child is injured or killed in what could have been a survivable accident.

"The cost of a car seat is much less than one visit to a hospital emergency room or two tanks of gasoline," Fondren said.

In ancient Greece, a boxing match began with two boxers standing face to face, their noses touching.

The average wind velocity in the Adelie Land region of Antarctica is 50 miles an hour.

BULLDOG AWARD GOES TO STENHOLM

Washington, D. C., ...Congressman Charles W. Stenholm was presented with the Golden Bulldog Award by the Watchdogs of the Treasury, Inc., for his voting efforts to keep federal spending down and thus avoid waste and burdensome deficits, the Watchdogs announced today. The Bulldog award was Stenholm's fourth award from

the group. The award is presented annually to those members of Congress who vote for fiscal responsibility in government at least 75 percent of the time. The Watchdogs base their figures on a compilation of selected votes on economic and fiscal issues published in the 'Economy Voting Record.' Stenholm's rating was 100

percent. Golden Bulldog trophies were presented to 175 Members of Congress, 139 in the House of Representatives and 36 in the Senate. The percentage of total recipients, 33 percent, was the same as last year's total. Watchdogs of the Treasury is a nonpartisan organization whose award for fiscal integrity in government is presented on an annual basis.

4-H THEME BASED ON STRONG FOUNDATION
The old saying that a building is only as good as its foundation has a lot of merit when it comes to the 4-H program.

4-H is built on a good foundation and thus continues to be an excellent program for youth between the ages of 9 and 19.

The program's foundation is the basis for this year's theme "4-H; Building on Experience." The theme will receive special emphasis during National 4-H Week, October 7-13.

Just what does the theme, "4-H: Building on Experience," mean?

Below are some interpretations:

--4-H centers on the "learning by doing" process which enables each member to build a foundation for a life as a productive and contributing member of society.

--4-H is based on solid educational experience: professional expertise of the state land-grant university and the U.S. Department of Agriculture, skilled volunteer

leaders whose guidance paves the way to individual growth and accomplishment, active involvement of family members who share in 4-H activities, and support from business and government leaders who provide human and financial resources.

--4-H'ers build on their own experiences as well as on those of others in acquiring practical skills, using good health habits, developing respect for themselves and others, exploring career and leisure time opportunities, sharing responsibility for preserving the environment, developing leadership skills, and becoming involved as citizens in their community, nation and world.

4-H has a solid foundation and a proud heritage on which to build for a bright future.

Some of this heritage of 4-H will be featured at several special events planned during National 4-H Week. The Borden County 4-H Achievement Banquet is scheduled for October 13, 1984 at 7:00 p.m. in the school cafeteria.

White Buffalo Day

Saturday, October 13th
A Celebration of the History of Scurry County

PROGRAM BUILDING COMMITTEE MEETING MEETING

Borden County 4-H Leadership Committee Members met on Tuesday, September 2nd in the Exhibit Building. Special guests were Mr. and Mrs. Billy Gunter. Mr. Jim Burkett, Chairman headed the meeting after a delicious meeting of fish, fries and hush puppies.

Each Committee Chairman gave a report as follows:

Range and Livestock

The Range and Livestock Committee has met twice in 1984. Plans were made in April for implementing educational activities. These activities included the recently conducted Range and Livestock Tour held September 13. Eighty-five Borden County and area producers and media representatives came to see the drought conditions. Two Extension range specialists and one livestock specialist were present to discuss major topics which were seen at each stop.

The topics of interest on the tour included prescribed burning and its affect on prickly pear, tree cactus and forage value; chemical control of fenceline brush; chemical control of mesquite on rangeland; and nutritional needs of livestock during and following a drought.

Due to this year's severe drought, some of the plans we had for a palpation clinic and demonstration work were cancelled.

Two new long term demonstration plots were started in 1984. These include mesquite control with 3 new herbicides on the Frank beaver Ranch and tarbrush control with Grazon on the Clayton Ranch north of Gail.

Executive

The Executive Committee began 1984 off with a meeting and training session in early January. This training session dealt with the use of computers and taught committee members how to use a computer. The session began by teaching how to turn on the computer and advanced to simple programming. Seventeen members attended this training session.

The committee sponsored a Rabies Vaccination Clinic on April 11. Dr. Charles Church came and vaccinated 42 dogs and cats against rabies. This is an annual clinic provided solely for the benefit of the community.

Plans for the annual meeting and for an estate planning seminar were discussed at the recent committee meeting held in late August.

Early November will be the time for the Estate Planning Seminar which will target small estate groups as well as those with large estates. Concurrent sessions will be held, dividing the two groups up. Lawyers from Lubbock will be used as the speakers so that detailed information on estate planning can be presented.

Field and Crops

The Borden County Field Crops Committee has planned and implemented several major educational events during 1984.

During February, producers were invited to attend the Annual Cotton Production Meeting sponsored by this committee and the Plains Cotton Growers. Dr. James Supak and Dr. Kirby Huffman, cotton and grain sorghum specialists from Lubbock, were at the meeting to discuss current topics of interest. Twenty-one producers attended the meeting.

August 2 was the date on which the Tri-County Cotton Insect Management Clinic was held in O'Donnell.

Twenty-seven Borden, Lynn and Dawson County producers attended this timely meeting which dealt primarily with bollworm and egg identification and their control.

Just recently, the annual farm tour was held in the Plains Community. Twenty-four producers representing most of the county attended the tour. Cotton variety demonstrations were toured and the producers in attendance were treated to a barbecue dinner. Dr. Kirby Huffman was on hand to discuss wheat varieties for this area and weed control in field crops.

Twelve cotton variety demonstrations and one cotton fertilization demonstration were planted in Borden County by cooperating producers. Due to this year's drought, only 6 of these demonstrations survived and have enough cotton to harvest for data.

The committee has met twice this year. These meetings were primarily planning meetings and were held during April and September.

Family Living

The Family Living Committee has met twice in 1984. The first meeting was to plan the wardrobe update and fashion forecast seminar held in early February. The second time was to plan for the educational activities remaining for 1984 and to begin plans for 1985. The committee was trained on responsibilities of the committee members at the first meeting.

Upcoming educational activities include a microwave and holiday foods workshop on October 19 and a personal grooming seminar on November 17.

The committee also discussed organizing Extension Homemakers Clubs in Gail and the Plains Community.

Major programs planned for 1985 include a recycling workshop, an accessories seminar and a positive image seminar.

4-H and Youth Committee

The 4-H and Youth Committee has met once this year. The new structure of organizing the 4-H Club program in the county was discussed. Because of the new laws and rules governing the school systems in Texas, it was necessary to move the 4-H Club out of the school. Three clubs have been organized in the county and are already functioning. The clubs are in

Fluvanna, Gail and the Plains Community.

The present group of projects being offered in the county was looked over and discussed. Susan Stephens would like to add a grass identification project and is willing to be the leader. A photography project was also discussed as being of interest.

The committee made recommendations for new members for the committee. They also received training on what the purpose of the committee was.

The 4-H program has seen enrolled in the various livestock projects throughout the year. They showed animals in all of the major shows as well as the Borden County Junior Livestock Show.

In the Clothing project, 10 4-H'ers participated with 6 competing on the district level. Two of those 6 won their categories.

Four 4-H'ers attended South Plains Leadership Camp as participants and 2 4-H'ers served on the staff. Six 4-H'ers attended 4-H Electric Camp in New Mexico and 3 4-H'ers attended summer camp at the Texas 4-H Center.

Fifteen 4-H'ers participated in the horse project this year by attending horse nights each

week and the county horse show in August. One 4-H'er participated in the district horse show.

Several 4-H'ers participated in the shooting sports project.

They attended several district shoots and the state 4-H trap and skeet shoot in San Antonio.

At the present time, 25 4-H'ers are participating in the foods and nutrition project. The county food show is scheduled for November 17 and the district food show will be December 1.

The 4-H Achievement Banquet is scheduled for October 13, 1984 at 7:00 p.m.

A homecoming party is scheduled for October 26 and the Cake Walk at the Halloween Carnival is October 27. Craft Day for all 4-H'ers is scheduled for the afternoon of November 17 and the Christmas Bazaar is scheduled for December 11. A county-wide Christmas activity is scheduled for December 20.

JOIN 4-H

Public Notice

Southwestern Bell Telephone Company hereby gives notice that a Private Coin Service tariff has been filed with the Public Utility Commission of Texas.

Under the proposed tariff, Private Coin Service would be offered for use with a customer-provided instrument-implemented coin telephone at the request of the customer.

Interim approval of the tariff has been requested by Southwestern Bell Telephone Co. and a hearing has been set for Oct. 15. Unless the tariff is approved on an interim basis, the new service is scheduled to become effective on March 7, 1985. The matter has been assigned to Docket 5905.

Persons who wish to intervene or otherwise participate in these proceedings should notify the Commission as soon as possible. A request to intervene, participate or further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N Austin, Texas 78757.

Further information may also be obtained by calling the Public Utility Commission Consumer Affairs Division at (512) 458-0223 or (512) 458-0227, or (512) 458-0221 teletypewriter for the deaf.

Aviso Público

Por medio del presente aviso, Southwestern Bell Telephone Company anuncia que ha registrado una tarifa referente al Servicio Telefónico Privado a Monedas ante la Comisión de Servicios Públicos de Texas.

De acuerdo con la tarifa propuesta, el Servicio Privado a Monedas podría utilizarse, previa solicitud del usuario, con un aparato telefónico a monedas provisto por el usuario.

Southwestern Bell Telephone Company ha solicitado la aprobación interina de esta nueva tarifa y ha sido fijada una audiencia para el día 15 de octubre. A menos que la tarifa reciba aprobación interina, el nuevo servicio entrará en vigencia a partir del 7 de marzo de 1985. La tarifa se ha registrada bajo el Docket 5905.

Toda persona que desee intervenir o participar en el proceso debe notificar a la Comisión lo antes posible. Las solicitudes de intervención, participación o información deben dirigirse a: Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757.

Para obtener mayor información debe llamar a Public Utility Commission Consumer Affairs Division, al (512) 458-0223, al (512) 458-0227, o al (512) 458-0221 si requiere teletipo para personas con impedimentos de audición.

ASCS NEWS

by Jerry Stone

1985 PROGRAM

Provisions of the 1985 wheat, feed grain, and upland cotton programs and are listed below.

Acreage reduction

Wheat	20%
Feed Grain	10%
Cotton	20%

Cash Land Diversion

Wheat 10 percent
Feed Grain ---
Cotton 10 percent

Advance Diversion Payment Rate

Wheat \$ 1.35 BU
Feed Grain ---
Cotton \$.15 a lb.

Advance Deficiency

Wheat \$.54 BU
Feed Grain \$.23 BU
Cotton \$.099 a lb.

Maximum Permitted (percent of base)

Wheat 70 percent
Feed Grain 90 percent
Cotton 70 percent

1985 Acreage bases will be the average of the planted and considered planted for 1983 and 1984.

Non grazing period on 1985 ACR will be a five month period between March 1 and November 1, 1985 as established by the County Committee. The signup period is October 15, 1984 through March 1, 1985.

Advance payments can be requested at signup.

1984 ACR

Spotchecks of ACR maintenance are continuing. Most ACR in the county looks good but a few places have weeds that need your attention. We will continue to send out "Friendly Reminders" to those who we feel could be getting a problem with their side. Necessary measures control weeds on ACR must be taken throughout the calendar year.

Another concern is wind and water erosion on ACR. ACR must be devoted to practices that will protect the acreage from erosion throughout the calendar year ending December 31, 1984.

YIELDS AND BASES

Wheat and Feed Grain Yields and bases will be mailed early in October. Producers who wish to appeal either must file a written request within 15 days of the date of the notice (ASCS-476).

Do not confuse this with proven yields which may be filed no later than March 1, 1985, along with all production records for the last 5 years.

CHANGES

Address- New Operator- please inform the county office so our records can be kept current.

EMERGENCY FEED ASSISTANCE PROGRAM

The EFAP program was recently extended and will not cease as of September 30th. Applications for foundation herd stock are still being accepted.

DIVERTICULAR DISEASE MORE COMMON IN ELDERLY

As we grow older, the body becomes more susceptible to certain medical disorders. Two related diseases for which this is true are diverticulosis and the more serious diverticulitis.

Diverticulosis is a condition in which small sac-like swellings, called diverticula, form in the wall of the large intestine. If these pouches become infected, then the condition is diverticulitis. Diverticulosis often causes no symptoms, and in these cases no treatment is necessary. More than half of all people over 60 have diverticulosis. Only a small number of these ever develop diverticulitis.

These diseases seem to be connected with the Western diet, which is low in fiber. Serious cases rarely occur in Africa and Asia, where more fiber is consumed.

Although diverticulosis may have no symptoms, those that can occur include cramping pains and tenderness in the left side of the abdomen. Passing agas or a bowel movement may bring relief.

Bowel movements are often small and hard, but diarrhea may occur occasionally. If the diverticula bleed, bright red blood will turn up in bowel movements.

With diverticulitis, severe abdominal pain usually comes and goes at first and then becomes more constant. Touching the spot on the lower left side of the abdomen brings more pain. In some people, the

symptoms may be mild for several days before becoming serious. In others, diverticulitis flares up and causes severe pain within a few hours. This disorder requires medical attention.

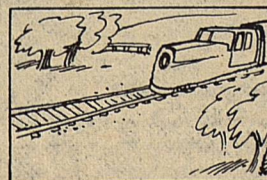

Treating diverticulitis usually involves bed rest and antibiotics. Sometimes antispasm drugs and pain relievers are prescribed to relieve symptoms. During flareups, most patients are restricted to a diet of clear liquids. Surgery is necessary for only a small number of cases.

Once the sac-like swellings have formed, many doctors advise their patients to drink lots of liquids and to eat a high-fiber diet. Fruits, leafy green vegetables, whole-grain breads, and cereals are all high in fiber.

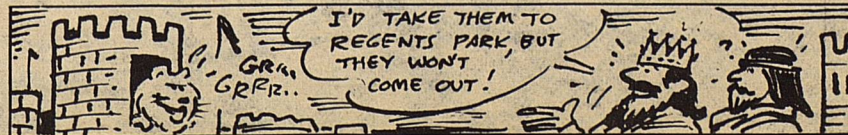

Doctors also recommend that people with this condition avoid gas-producing foods like beans, cabbage, cauliflower, and brussels sprouts, as well as carbonated drinks.

William Howard Taft was the only president of the United States to serve as a Chief Justice of the Supreme Court. His term ran from 1921 to 1930.

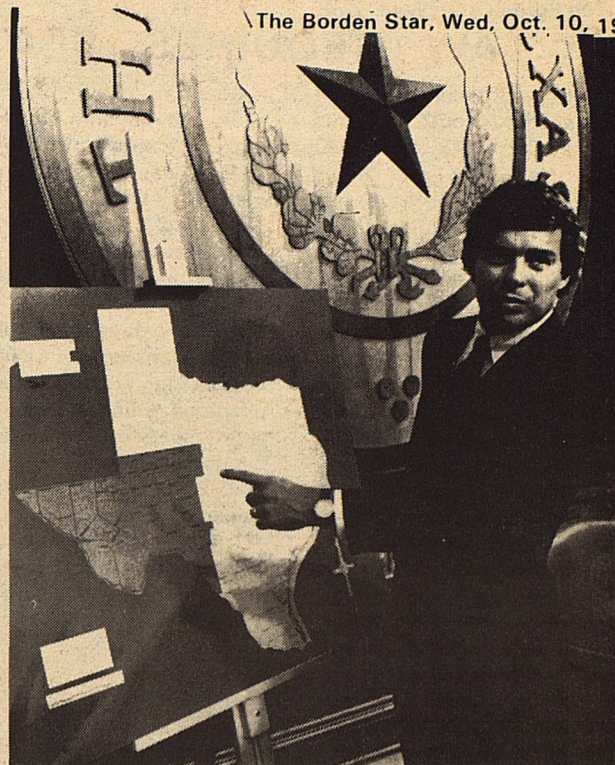

There is one mile of railroad track in Belgium for every one and a half square miles of land.

England's first zoo was founded by Henry I (1100-1135) in Oxfordshire. It was moved to the Tower of London where it remained until 1834 when the animals were taken to Regent's Park, the home of the present London Zoo.

The Borden Star, Wed, Oct. 10, 1984...7

Texas Land Commissioner Garry Mauro announced this week that the General Land Office has selected Tahal, an Israeli engineering firm with water resource projects in more than 80 countries, to conduct a pilot study on irrigation in the Trans-Pecos area. The firm will choose sites for a study aimed at improving water resource management and agriculture production on arid state land in West Texas. The project is the first under the Texas Israeli Exchange, created by Agriculture Commissioner Jim Hightower.

MAURO ANNOUNCES BOND SALE TO FUND TEXAS VETERANS HOUSING ASSISTANCE PROGRAM

Austin--Texas Land Commissioner Garry Mauro announced today that the Veterans Land Board authorized the sale of \$125-250 million in State of Texas general obligation bonds for the continued funding of the Texas Veterans Housing Assistance Program. The bond sale will be conducted October 17 and the high bid awarded October 18.

The Veterans Housing Assistance Program (VHAP) loans eligible Texas veterans up to \$20,000 on a 30-year low-interest loan to apply toward the purchase of a home. Since the program began making loans in January, 1984, more than 9,200 Texas veterans have participated.

The VHAP bonds are the highest rated general obligation bonds in the U.S. Backed by the credit of the state of Texas, they have consistently received a AAA rating.

If the bond market is favorable and the sale reaches the projected \$250 million level, Mauro said it would be "The largest sale of general obligation

bonds in state history."

"These bonds have proven to be extremely popular with Texas investors. I want to encourage buyers looking for a sound investment to "Buy Texas" and invest in this excellent issue," Mauro said.

"The Veterans Housing Assistance Program is one government program that works," Mauro said. "It is a perfect combination of cooperation between the public and the private sector that benefits both Texas veterans and the Texas economy."

Mauro said the number of approved lenders in the housing program is now over 148 with more than 509 locations across the state where veterans can apply for loans.

"Based on the overwhelming acceptance of this program by Texas veterans, real estate agents, and the financial community, I feel confident in saying that the Texas Veterans Housing Assistance Program is far and away the most attractive home loan program in the country," Mauro said.

LAW REQUIRES SEAT BELTS FOR CHILDREN BEGINNING OCT 31

Seventy-eight children ages 4 and under died in auto accidents in Texas in 1983. Another 6,603 were injured, many seriously.

Although these figures led the nation, the Texas Medical Association says there could be a substantial decrease in these categories beginning Oct. 31, 1984, when a new state law takes effect.

As of that day, a driver must buckle up a child passenger under age 4 with a safety seat or seat belt or face a fine of \$25 to \$50. The fine will be dismissed if the person acquires a child safety seat within 10 days of the offense and provides proof to the court.

Statistics show that nine of every 10 children involved in auto accidents could have been spared death or injury had restraints been used. TMA supported the new law, which was passed during the Texas Legislatures special session in June.

The law does not apply to a person transporting a child in a vehicle in which all seating positions equipped with child safety seats or safety belts are occupied. Also exempt are bus or cab drivers and others hired to transport passengers.

The law, which applies to cars and light trucks, requires that a child under 2 must be buckled into a safety seat that meets

federal standards set by the National Highway Traffic Safety Administration. Children over 2 but under 4 must be restrained by a safety seat or seat belt.

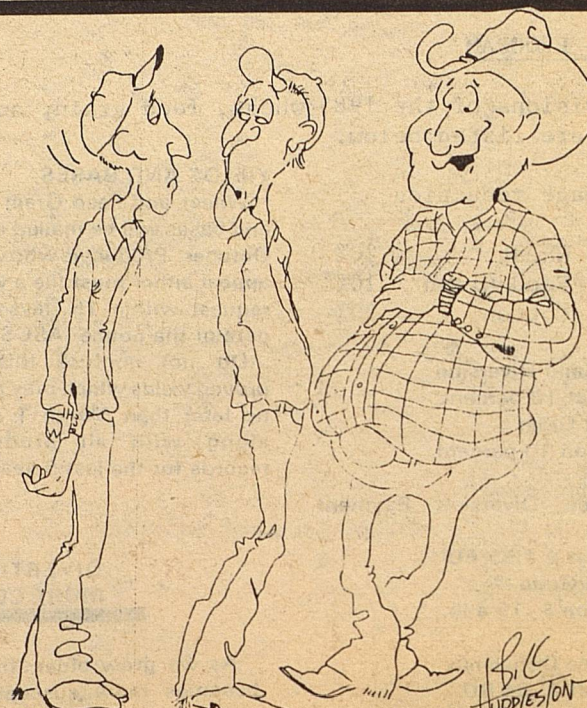

Failure by a driver to use the child passenger safety seat could not be admitted into evidence during a civil trial, according to the law.

To help people obtain child safety seats, numerous groups, including the Texas Medical Association Auxiliary, have programs that loan the seats at no charge. For information on loaner programs in your area, call 1-800-252-8255, a toll-free number operated by the Texas Department of Health.

TMA also supports mandatory

use of safety belts for all other ages because of their proven record in reducing deaths and injuries. Tragically, about 98

percent of automobile occupants killed in Texas during 1983 had seat belts available yet failed to use them.

"BOYS, IT'S THREE O'CLOCK, WE HAVE TO PAINT THE FENCE, HANG 6 GATES, PLOW, AN COME UP WITH 40 GOOD ROPING CALVES BY 7:30 TONIGHT."

Taken from the book WHOA by Fred Ridenour and Bill Huddleston. For copies write WHOA, Box 137, Gail, Texas. Cost is \$4.00.

"Y'know, when I came back from Vietnam in '69, the future looked pretty rosy. I rented some land and bought a piece on contract from Dad, and things went pretty well for a few years. And, of course, '73 was tremendous—I paid Dad off and bought a new tractor and a new car all in one year. Paid cash! . . . And about that time I remember 'em telling us to get big or get out . . . plant fence row to fence row and they'd sell everything we could grow. Sure, I went for it—I wanted to build something up for my family . . . hmm! . . .

And they did export a lot more for awhile, but I didn't seem to make much off it. . . . We just can't seem to get a price—prices today don't come close to covering my costs. And I can't even pay the interest on my notes! It's bad. . . . My boy wants to farm, but I don't see any way. Shoot, I can only hang on a couple more years max, the way things are going. Don't know what I'd do. . . . The way I figure it, this '85 Farm Bill's my only hope. . . ."

The President and Congress we elect this year will write the critical 1985 Farm Bill. Find out where the candidates stand and then make your vote count on November 6th. The farm you save may be your own.

The SAVE the FAMILY FARM Committee

A joint non-partisan voter registration and education project of the Center for Rural Studies (Minneapolis, Minnesota) and the Texas Farmers Union (Austin, Texas).

Public Notice

Southwestern Bell Telephone Company, in accordance with an order from the Public Utility Commission of Texas, hereby gives notice it has filed a tariff to reduce the monthly rates for the Switched Access portion of the company's intraLATA Foreign Exchange (FX) Service offering that was implemented starting June 1, 1984. Simultaneously, the LATA-wide toll-free calling scope, also started June 1, would be discontinued and the calling scope would return to that in effect prior to June 1. The Commission has assigned this matter Docket Number 5891.

The net effect of the tariff will be a monthly decrease in total billing of approximately \$700,000 until November 1, 1984. After that time the net effect on the company's revenue is estimated to be negligible.

Persons who wish to intervene or otherwise participate in these proceedings should notify the Commission as soon as possible. A request to intervene, participate or for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757. Further information may also be obtained by calling the Public Utility Commission Consumer Affairs Division at (512) 458-0223 or (512) 458-0227, or (512) 458-0221 teletypewriter for the deaf.

Aviso Público

En conformidad con una orden de la Comisión de Servicios Públicos de Texas, se anuncia mediante el presente aviso público que Southwestern Bell Telephone ha presentado una tarifa con el objeto de reducir las cuotas mensuales que se han cobrado desde el 1 de junio de 1984, por la porción de la tarifa para acceso a la red central necesaria con el uso del Servicio de Zona Exterior (Foreign Exchange (FX) Service).

Simultáneamente, el servicio de llamadas de larga distancia sin cobro dentro del área de servicio que también se efectuó el 1 de junio de 1984, se discontinuará; y el campo de llamadas será al igual que antes del 1 de junio de 1984. Se ha registrado la nueva tarifa bajo el Docket 5891.

El efecto real de la nueva tarifa se verá en la reducción del costo total de facturas de aproximadamente \$700,000 hasta el 1 de noviembre de 1984. Se calcula que despues de esta fecha el efecto real para nuestra empresa será despreciable.

Los usuarios de Southwestern Bell Telephone Company que estén interesados en participar en esta reunión, o que requieran mayor información, deben dirigirse por escrito a: Public Utility Commission of Texas, 7800 Shoal Creek Blvd., Suite 400N, Austin, Texas 78757. También se puede obtener información adicional llamando a Public Utility Commission Consumer Affairs Division al 512/458-0223, al 512/458-0227, o al 512/458-0221 si requiere teletipo (aparato para personas con impedimentos de audición).
