LEGISLATION SERIOUS THREAT TO BORDEN COUNTY I.S.D.

The Texas Supreme Court recently came to a 9-0 decision that the present system of financing the state's public school system is unconstitutional. Last year state legislators passed Senate Bill 1 in an attempt to solve the school finance dilemma; however, the January 22, 1991 ruling of the Texas Supreme Court negated the previous effort of the legislature.

The Supreme Court has addressed the issue that all school districts throughout the state of Texas will have the same amount of money to spend per student regardless of their size, location, or any other individual factors. The state does not have enough money to meet the mandate of the court under the present system of public school finance; therefore, legislators are currently drafting legislation that will ultimately cause the elimination of the small schools of rural Texas. This movement will cause many commendable schools throughout the state to have to decrease their services and quality educational programs to a level of mediocrity that has not been evidenced for several decades. It will cause hundreds of

rural Texas communities to cease to exist. In addition, serious economic hardship for countless numbers of rural Texans will take place as a result of dramatic property tax increases and other economic hardships which will be directly related to the loss of the rural community school. All of this will take place while local school boards and their citizens are stripped of control of their respective community schools. In fact, some legislators would have this happen overnight if they have their way.

The general public is simply not aware of the serious ramifications of the legislation that is presently before us. Some legislators are making a serious effort to "white-wash" this situation by saying that they are not making any attempt whatsoever to close or consolidate school districts. However, the simple truth of the matter is that small school districts will be limited to the extent that they will ultimately have to consolidate or close their doors as a result of the inability to raise enough money to operate their school systems.

I will assure you that this situation

that we face at this time is definitely the most critical issue that has been addressed in the last several decades for the Borden County I.S.D. and the Borden County Community. I would like to sincerely encourage you to

attend a community meeting at 7:30 P.M. on Tuesday, February 19, 1991 in the auditorium of the Borden County Independent School District to discuss this situation with you and to discuss what we are going to

have to do to make a bonafide effort as a community to take a stand on this issue.

Your support will be greatly appreciated.
/s/ Jimmy Thomas
Superintendent,
Borden County I.S.D.

LONG TIME COUNTY RESIDENT DIES

Services for Oscar Telchik, 80, of Borden County were held at 3 P.M. Sunday, February 3, 1991 in the O'Donnell Church of Christ with Doyle Gilliam officiating. Burial was at the Gail Cemetery under the direction of Branon Funeral Home. Oscar died in his sleep at his home in the Plains Community on Friday, February 1, 1991. He was 80 years old.

Oscar was born on April 8, 1910 at New Beli in Colorado County, the fourth son of German immigrant Rudolf Telchik. In 1912 the family moved to Strawn in Palo Pinto County where he attended school and learned to farm.

In 1930, Oscar, along with his older brother Edger, moved to Borden County to farm land that Rudolf had recently purchased. When he moved to the Plains Community he met Beulah Wellborn whose family lived on

OSCAR TELCHIK

1910-1991

what is now the Jack McPhaul farm. They were married on Sept. 5, 1933. In 1934 they moved to Sudan to farm. Oscar built a dugout in which his family lived. In October 1934 Daphene was born in the home of one of Beulah's sisters. Nancy was born in January of 1939 in the dugout.

Twelve days later they moved back to Borden County.

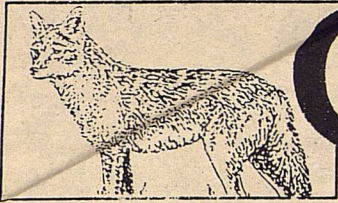

He always loved farming and his farm was easily recognized by the high quality of workmanship. Innovation in better farming techniques led him to

HAPPY BIRTHDAY, BORDEN COUNTY!

BORDEN COUNTY will be 100 years old sometime this year!

On February 10, 1891, the petition was granted by Howard County Officials for the organization of Borden County, giving the County the right to divide into 4 Commissioners' Precincts - 4 voting precincts and 4 Justices' Precincts.

The first Commissioners' Court Minutes read, "Be it remembered that on Tuesday the 7th day of April, A.D. 1891, there was begun and holden a called Term of the Honorable Commissioners' cont. to pg.6

COYOTE NEWS

BOYS CLOSE SEASON WITH BIG WIN

The Coyote varsity boys basketball season ended last Friday night with a 67 to 43 victory over Klondike.

The Coyotes needed to win the game to keep their hopes for the playoff spot. O'Donnell would have had to lose to Grady, but that did not happen. O'Donnell defeated Grady and won 2nd in the district.

The Coyotes did their part Friday by keeping a 20 point

lead on the Cougars throughout the second half. The Coyotes jumped to a 7 point lead at the end of the first quarter 17-10. They scored 16 points in the second quarter to only 8 points for Klondike. The score at half was 46 to 18. The Coyotes did a good job defensively keeping the Cougars' score low. Klondike made only 4 goals in the first half, two field goals in the 3rd quarter, and 7 field goals in the fourth

quarter. Fifteen of Klondike's 43 points came from the free throw line. The Coyotes fouled 31 times, and 2 starters fouled out of the game.

The Coyotes shot 46% from the floor, making 24 out of 60 attempts and they hit 16 of 30 free throws.

There were only 2 Coyotes scoring double figures, but the scoring was spread out pretty even. Almost everyone was able to contribute.

Leading the Coyotes in scoring was Jimmy Rios who opened the game with a 3 pointer. Jimmy scored 4 field

Cont. to pg. 3

LADY COYOTES LOSE THRILLER

Girls basketball is a long season. They start bouncing the ball in late August and do not stop until February. Sometimes, the season can come down to just a few seconds as it did last Friday night in the Coyote gym.

The Lady Coyotes had battled District Champs Klondike on even terms, coming from a 4-0 deficit to lead by as many as 7 points. The last quarter of the game was a see-saw affair, with the lead changing hands several times.

With under 20 seconds to go in the game, the Lady Coyotes held a 47-46 lead, but the Lady Cougars would have one last chance to score.

They worked the ball down the court, with two passes almost stolen by the Lady Coyotes. Finally, with 5 seconds on the clock, freshman Cherri Franklin threw up a desperation shot from the right baseline that banked in, giving Klondike a perfect 8-0 season and ending the

BOYS CLOSE SEASON

Cont. from pg. 2

goals and was 3 of 4 from the free throw line.

Shane Kemper scored 12 points for the Coyotes which consisted of 4 field goals and was 4 of 6 from the line.

Will Shafer scored 9 points which included 2-three point goals, 1-two point goal and was 1 for 2 free throws.

Cole Vestal scored 7 points. He hit two field goals and was 3 for 4 at the free throw line. He also had 11 rebounds.

Juve Balaque made 7 points which included 3-two point goals, and was 1 of 2 from the line.

Paul Sturdivant scored 6 points which consisted of 3 field

goals. Paul pulled down 11 rebounds.

John Paul Harris and Chad Conner scored 4 points a piece.

Also playing for the Coyotes was Rod Jeter.

This victory placed the Coyotes with a 9 and 10 record for the season. More importantly, the Coyotes finished district with a 4-4 record, which tied them with O'Donnell for second. O'Donnell gave the Coyotes 2 of their four losses, so O'Donnell will represent the district in the playoffs.

The Coyotes had a good season, and finished on a good note by defeating Klondike.

COYOTE J.V LOSE A CLOSE ONE

The Coyotes JV team lost to Klondike Friday night 37 to 36.

The results of the game came down to the wire. The Coyotes were two points behind with 2 seconds left in the game when they got the ball under their own goal. The ball, which was in-bounded to Richard Buchanan for the shot, did not go in the hoop, but Richard was fouled on the missed basket and went to the charity line with one second left on the clock. He made the first free throw but the second one bounced around and out. Seth Vestal rebounded the ball but to no avail as the buzzer went off ending the game.

The Coyotes scored 17 points the first half to the Cougars' 14 points. The Coyotes scored 10 in the 3rd and 9 points in the 4th quarter. The Cougars out scored the Coyotes in the second half with 10 points

in the 3rd quarter and 13 points in the 4th.

Leading scorer for the Coyotes was Richard Buchanan with 13 points, hitting 6 of 8 field goals and 1 for 2 from the free throw line.

Brandon Adcock scored 7 points along with Justin Jenkins including 1-three pointer.

LOSE THRILLER

Cont. from pg. 2

Borden County playoff hopes. The shot was typical of a district race that saw the Lady Coyotes lose 4 district games by a total of 5 points.

Borden County led 12-10 after one quarter 22-19 at the half and 30-27 after the third quarter. In the end, however, Klondike's greater depth wore the Lady Coyotes down and they won the last quarter 21-17, which resulted in the 48-47 final score. Klondike lost Jody Barton and Channa Cope to fouls late in the game, but they were still able to pull out the win.

Borden County, who ended the season at 11-12 and 4-4 in district was led in scoring by Shayne Hess with 15, Amanda Anderson with 10 and Jeana Jones, who closed out her high school career with 10 points. Melody Harrison tallied 8 and Kristin Monger added 4. Kelly Jo Ogden and Heather

Clint Anderson put in 6 points. Guy Will Zant scored 2 points, and J.J. Kincheloe had 1.

Armstrong failed to score. The Lady Cougars were paced by Franklin's 17 points, Barton with 14 and Cope with 10.

The district race was probably closer that it has been in years, with 4 teams contending for the playoffs. Many games were decided by 1 or 2 points, as was in the case of all 4 of the Lady Coyotes losses. Grady claimed the second playoff spot by beating O'Donnell. Both playoff representatives from this district should do well in the playoffs.

COACH'S COMMENT:

by Chuck Jones

Our team is very disappointed about not making the playoffs, but they fought very hard and have nothing to be ashamed of. They have a year to reflect on this past season and to think about next season, when they should come back stronger.

Also playing were Cody Cox and Kirk Jones.

The JV team finished the season with a 4-6 record.

OBITUARY

OSCAR TELCHIK

cont. from pg. 1
 be one of the first to put in irrigation wells. He also sold and installed irrigation wells for other farmers in the community. He terraced his land and led the way in developing hinged tool bars in order to do a better of plowing the terraces. Oscar farmed in Borden County from 1939 until he retired in 1972. Since that time he continued to be active in family farm activities, and was known for his generous garden.

He will be missed by many. He is survived by: his wife, Beulah, two daughters; Daphne Minter of Lubbock and Nancy Edwards of Borden County; three grandchildren, LaRhea Pepper, Jackie Minter and Jana Emerson; seven great-grandchildren; one twin sister, Lillie Holub of Strawn and two brothers, Edgar Telchik of Lubbock and Adolph Telchik of Borden County, as well as numerous neices and nephews.

Buckle Up!

Courthouse are describe which was to be constructed with the bonds that had been issued in April. Also on the 12th day of May, 1891, the Court minutes read, "It is further ordered by the Court that a temporary Clerk's Office be erected in Gail for the care and preservation of the Records of Borden County and that said office shall be 10x12 ft. 'square' with two windows and one door.

It was August 10, 1891 that the two story Courthouse was accepted from the contractor.

Thus begin the official records of Borden County.

If you think we should have some kind of a celebration in this our Centinial year, please tell the members of the Historical Committee, or you may tell any official of Borden County.

BIRTHDAY

cont. from pg. 1

Court of Borden County, at a house designated as the place for holding said Court, in the Town of Gail, in said County. When the following proceedings were held, to-wit...

There being no regular Court House in and for the County of Borden, it is ordered by the Court that the School House in the Town of Gail be and the same is hereby declared the Court House of said County in which all Courts of said County shall be held until further Ordered by this Court."

The next day the Court ordered that the School House door would be considered the Court House door for posting official notices or other purposes. Also on this date it was ordered that correspondance be had with the Comptroller to ascertain the amount of taxes due Borden County and draw same. Further orders on this date include instructions for the County Clerk to proceed to Big Spring, the same being the County Seat of Howard County to which this County has heretofore been attached and procure

of said Clerk of Howard County all records belonging to Borden County.

On May 8th an election was had for voting on and locating the County Seat of Borden County. Section 36, Block 31, Township 5 North was duly elected the County Seat of Borden County, Texas, which is the present location.

In the Court Minutes of May 11, 1891, specifications for the

PUBLIC NOTICE

This notice is to advise of an increase in Texas intrastate Directory Assistance rates by AT&T Communications of the Southwest, Inc. Effective March 2, 1991, AT&T will increase its Directory Assistance rates from \$0.40 to \$0.50 per call. In addition, AT&T will no longer provide free Directory Assistance calls. Currently AT&T provides two free Directory Assistance calls if the customer places at least two AT&T intrastate long distance calls during the same billing period.

Handicapped customers who qualify for exemption from local Directory Assistance charges under Local Exchange Company Tariff(s), or in the absence of a local Directory Assistance charge plan, receive special rates on other Local Exchange Company Services, are exempted and will continue to be exempted from AT&T's intrastate Directory Assistance charge. This exemption applies only to calls to Directory Assistance which are billed to the handicapped customer's residence telephone number.

BY DENNIS POOLE

STOCKSHOW RESULTS

Borden County 4-Hers traveled to Fort Worth and El Paso January 28 thru February 5, 1991.

These 4-Hers exhibited 16 steers and 5 lambs at these two stock shows.

Exhibiting animals at Fort Worth were Carrie Hart, Amanda Anderson, Shayne & Kurt Hess, Kaci Poole, Grant Key, John & Sandy Brummett and Guy Will Zant.

Placings were as follows:

- Shayne Hess-1st MW Angus & Reserve Angus
 - Carrie Hart-4th HW American Cross
 - Guy Will Zant-5th LW Angus
 - Kurt Hess-6th MW American Cross
 - Shayne Hess-7th Class 6 European Cross
 - Kaci Poole-8th LW American
 - John Brummett-16th MW Medium Wool Lamb
- Also exhibiting were

Amanda Anderson, Sandy Brummett and Grant Kay.

Parents and leaders attending were Steve Hess, Sid & Connie Hart, Aubrey Lankford, Butch & Dolores Gass, Roland Key, Audrey & Debbie Brummett and Guy & Patricia Zant.

Amanda Anderson exhibited 3 steers at the El Paso Stock Show for 2nd place LW Hereford, 7th Class II & 7th III European Crosses.

Attending that show were Butch & Dolores Gass, Aubrey Lankford and Dennis Poole, CEA.

All these 4-Hers did a real good job and appreciation is extended to all who assisted in hauling animals and transporting children to these shows.

Borden County 4-H and Gail FFA traveled to San Antonio February 10-16 with 6 steers, 18 lambs and 38 barrows.

Spouses are encouraged to attend.

Dr. Carl Anderson, Extension Economist-Cotton Marketing specialist from College Station and Dr. Jackie Smith, Extension Economist from Lubbock will be teaching the workshop. This workshop is sponsored by the Extension Service in Hale and Swisher Counties but is open to any interested area producers.

Many area grain producers are trying to decide if they should plant a part of their grain bases to cotton as permitted under the new farm bill. Shifting acreage among crops will likely lead to greater price variation than in the past.

The cotton that is planted on grain flex acres is eligible only for loan and does not have target price protection, as no deficiency payments will be made on any of the acres flexed to another crop. Anyone planting cotton without deficiency payments will be making that decision based on expected market prices.

A year-round marketing plan has suddenly become essential to reach top income. The economic incentive to price ahead using forward contracts, futures and cotton options is strong. The uncertain market environment strongly suggests a flexible plan to take advantage of favorable prices yet cover downside market risk.

The Plainview workshop will provide introductory training in the futures market as well as discussions of market information and price prediction tools that can provide

FUTURES AND OPTIONS WORKSHOP IN PLAINVIEW FOR COTTON FARMERS

Uncertainties in the cotton market have created substantial price risk for producers. With target prices frozen and the new planting flexibility in the 1990 Farm Bill, the cotton farmer's income and financial survival is highly market dependent. To help farmers become better marketers and deal with the new market-oriented farm program, the Texas

Agricultural Extension Service will hold a 2-day, in-depth futures and options workshop February 19-20 at the Ollie Linder Center in Plainview. It will include 12 hours of training and will run from 9 a.m. to 4 p.m. each day. The registration fee is \$50, which covers the workshop materials and 2 meals. All area county agents have registration forms.

ASICS NEWS BY Jerry Stone

1991 FARM PROGRAM

We have received some of the details of the 1991 Farm Program that you have been needing. We do not have all of the information at this time and will not be able to answer all of your questions. However, this should help you in making preliminary planting plans.

Sign-up has been set for early March. The exact dates will be announced.

1991 Farm yields will be the same as they were in 1990.

1991 Crop Acreage Bases (CAB) will be computed using the previous 5 year average of Planted and Considered Planted (P & CP) for wheat and feed grains. Cotton bases will be computed using the previous 3 year P & CP average if the farm had participated in the cotton program in the last 2 years. A different method will be used for cotton bases if the farm was non participating in 1989 and 1990.

The maximum payment limitation of \$50,000.00 is unchanged from 1990.

Cross and off setting compliance rules are not in effect for 1991.

Paid land diversion is not in effect for 1991.

The following table gives general information for specific crops:

	COTTON	WHEAT	SORGHUM	OATS
ACREAGE REDUCTION	5%	15%	7.5%	0%
TARGET PRICE	.729/lb	4.00/bu	2.61/bu	1.45/bu
LOAN RATE	.5077/lb	2.04/bu	1.44/bu	.83/bu
PROJECTED DEFICIENCY	.10/lb	*	.56/bu	.15/bu
ADVANCE RATE	.04/lb	*	.224/bu	.06/bu

* Wheat has two options, one with an estimated payment rate of \$1.40 and the other with a \$1.47 rate. More details later.

Acreage Conservation Reserve (ACR) is the acreage that must be "set aside" in order to participate in the program. The ACR acres for a crop will be the required reduction percent times the CAB, regardless of how much of the crop is planted. This is different from the past when we used a percentage of planted acreage to determine the ACR.

Permitted Acreage for a participating crop is calculated using the CAB minus the required ACR.

Normal Flex Acreage (NFA) is 15% of each CAB. This acreage may be planted to any crop, except fruits and vegetables; however, no deficiency payments will be made on program crops planted on this acreage.

Optional Flex Acreage (OFA) is an additional 10% of the CAB which can be "flexed" to another crop. Planting provisions of the NFA also apply to the OFA.

Maximum Payment Acreage (MPA) is the most acreage on which you can receive deficiency payments, MPA is defined as, the CAB times 85% minus the required ACR.

FARM RECORD CHANGES

Please let us know of any changes in your operations such as a new lease, dropped lease, purchase, or sale. We need to get our records in order for 1991.

ACP SIGN-UP

We have received our 1991 allocation for the annual Agricultural Conservation Program. The County Committee will review and approve requests at their March 5, meeting. Top priority will be given to practices such as terraces, water ways, and diversions. The committee will consider requests filed after March 5, 1991, during the April meeting. If interested come in and make an application. Remember, any practices started prior to approval will be ineligible for cost share assistance.

LTA SIGN-UP

A sign-up for Long Term Agreements (LTA) is currently underway and will last thru March 1, 1990. An LTA is designed to provide cost share assistance for severe erosion problems which take more than one year to solve. Contracts from 3 to 5 years will be considered. More information can be obtained thru this office.
