

# THE BORDEN STAR

VOLUME XX

SEPTEMBER 11, 1991

Serving the Counties of Borden, Dawson, Garza, Howard, Lynn & Scurry

## ANNUAL BORDEN COUNTY COYOTES OPRY AND FAIR

The Borden County Jr. Livestock Association is sponsoring it's 4th Annual Coyote Opry and the county's 2nd Fair. This will be on Saturday, September 21, 1991, at the county show barn in Gail, Texas. This annual event serves as a major fundraiser to assist with the improvements of our county show barn and livestock facilities. This is an opportunity to enjoy some good music, food, and lots of visiting. Admission is by donation only.

Starting the days events at 10:00 a.m. will be a "B" Team Roping in the county arena. Entry fees will be 4 for \$24.00 and some ropers may be limited. Team ropers may contact John Anderson at (915)399-4425 for more information.

A concession stand will be available throughout the day serving red beans and cornbread.

From 11:00 a.m. - 12:00 noon, all fair participants are

requested to bring their exhibits to the county show barn. Categories being judged will include home canned preserves and jellies, quilts, embroidery, crochet, and textile painting. Also being judged is irrigated and dry land cotton stalks (tallest stalk & stalk with the most bolls). There will also be an art show for Borden County children from K-12 grade. All fair exhibits will be judged at 2:00 p.m. and will be available for viewing at 3:00 p.m.

From 3:00 p.m. to 6:00 p.m. there will be a fish fry. The price per plate will be \$5.75 for adults, \$3.50 for children under 12 years of age. Also included with the meal will be french fries, red beans, cornbread and tea.

The Coyote Opry will begin at 6:00 p.m. Featured will be local and area talent performing country and gospel music. Homemade pies, cakes, and cobblers will be auctioned periodically throughout the Opry.

## BORDEN COUNTY HEALTH FAIR

The Borden County EMS and the Borden County Extension Service would like to invite all interested persons to the Borden County Health Fair. It will be held at the Borden County High School on Friday, September 13, 1991, from 2:30 to 6:30 p.m.

Services to be offered will be donating blood, blood glucose and cholesterol checked, blood pressure checked, and heart monitoring. L & H Pharmacy of Lubbock will conduct the cholesterol check. They will charge \$4.00 for this service; however, they will donate \$1.00 from each cholesterol check to the Borden County EMS Association.

Beltone will be available for hearing tests. Also available for viewing will be a child safety belt exhibit and a water testing exhibit.

The Health Fair will be held prior to the home football game against Grady. Plan on coming out a little early to attend the Health Fair so that you can take advantage of these health services and support the Borden Coyotes!

## FORMER STUDENT RECEIVES RECOGNITION

Zane Curry is one of those teachers who has done more with his life than merely spend it in a classroom. In fact, he is using his teaching skills coupled with some mechanical ability to complete his doctoral dissertation.

His research centers on designing a special device which will allow paraplegic and other students with certain physical limitations to operate the commercial machines in Tech clothing and textiles labs.

## COYOTE FOOTBALL

### New Home Squeeks By The Coyotes

The New Home Leopards just barely squeaked by the Coyotes with a score of 39-37 on Friday, September 6 during the first game of the season. The Coyotes had to play "catch-up" the entire night. Plagued by seven turnovers, the Coyotes were their own worst

enemy. The Coyotes never gave up. They kept fighting and tied the score with 6:17 left in the game. However, a 2 point safety and another fumble kept the Coyotes out of the win column for the season opener.

The Leopards scored first, and the extra point failed. The Coyotes moved the ball into scoring position on their first possession with

goods runs by Kirk Jones and Brandon Adcock. The ball was fumbled on the Leopard's 3 yard line. Key tackles by Richard Buchanan, Juve Balaque and J.J. Kincheloe stopped New Home. A 44 yard pass from Clint Wills to Joe Acosta allowed Brandon Adcock to score from 2 yards out. The extra point failed. On New Home's next possession, Shannon Zant from New Home ran 55 yards to pay dirt and time in the quarter expired. The score was now 12-6, New Home. The clock showed 5:44 remaining in the second quarter. The Leopards scored again and converted a 1 point PAT to make the score 19 to 6. The Coyotes threw another interception on their next possession bringing the score to 25-6. John Paul Harris deflected the PAT and ran it all the way back making one point for the Coyotes. The score was 25-7. The Coyotes kept fighting to get back into the game. There were 50 seconds left in the

half when Clint Wills completed a 23 yard pass to Juve Balaque for a touchdown. Guy Zant and Richard Buchanan teamed up on the extra point to move the score to 25-15. With 5:49 left in the 3rd quarter, Brandon Adcock scored on a 15 yard run and the extra point by Richard Buchanan was good to make the score 23-25. Despite valiant efforts by senior safety Will Shafer and other Coyotes, the Leopards scored another 6 points making the score 31-23 with 1:07 left in the 3rd quarter. The Coyotes again fumbled the ball to the Leopards, and they again converted the loss to 6 more points making the score 37 - 23 with 9:09 left in the 3rd quarter. Brandon Adcock returned an onside kick for 50 yards for a touchdown to narrow the gap between the Coyotes and Leopards. Richard Buchanan's kick was good to make the score 37-31. with 8:59 left on the clock. The Coyotes

topped off an impressive drive with another Clint Wills to Juve Balaque pass for a 22 yard touchdown. The PAT failed this time leaving the score 37 - 37. The Coyotes made an impressive goal line stand led by a line of Monty Stone, Richard Buchanan, and J.J. Kincheloe to stop the Leopards just 4 yards from scoring. Seconds later Clint Wills was sacked in the end zone for a 2 point safety and with 1:43 left in the game, the Leopards led 39 - 37. The Coyotes had one last chance. The Coyotes held the Leopards without a first down. After using all three of the Coyote's time outs and with a great defensive effort, the Coyotes stopped the Leopards and received the ball about mid-field. Clint Wills connected with John Paul Harris for a 24 yard reception. The Coyotes fumbled the ball with 20 seconds left on the clock, and the drive was

JUNIOR VARSITY THURSDAY 7:00 AT GRADY

VARSITY vs. GRADY FRIDAY AT 7:30 HERE

## National Scholarship Program Enters Fourth Year

The Coca-Cola Scholars Foundation, Inc. is beginning its fourth annual scholarship competition, the largest business-supported college scholarship program in the country. Interested students should see their guidance counselors for scholarship applications and eligibility information. The postmark deadline for applications is October 31, 1991.

Southwest Coca-Cola Bottling Company, Inc., the sponsoring local Coca-Cola bottler, encourages graduating seniors to apply and compete for the 150 scholarships to be awarded in the spring. Fifty National scholarships worth \$5,000 annually and 100 Regional scholarships worth \$1,000 annually are awarded, and are renewable for up to four years of undergraduates study at any accredited U.S. college and university.

"This is an excellent program that provides education opportunities to outstanding students. We support the efforts of the Foundation to recognize deserving, future leaders," said Charles F. Stephenson, Executive Vice President and Chief Operat-

ing Officer of Southwest Coca-Cola Bottling Company, Inc.

The Coca-Cola Foundation rewards individuals on the basis of personal as well as scholastic merit. Consideration is given to a student's leadership potential, character, and intellectual ability in addition to their academic record.

"Last year, Rosina Martinez of Carlsbad, NM and Jesse Urteaga of Seminole, Texas represented our area as semifinalists. We are very proud of these fine young people and their accomplishments, and are looking forward to meeting more Coca-Cola Scholars in this year's competition," said Chris Mullen, Vice President of the bottling company's Odessa division. Finalists traveled to the National Competition in Atlanta, Georgia, with expenses paid by the Foundation, to compete for the titles of national or Regional Scholars.

Southwest Coca-Cola Bottling Company, Inc. is proud to be one of the Coca-Cola bottlers who helped establish the foundation in 1986 in commemoration of the Centennial Celebration of Coca-Cola.

## BOOSTER CLUB MEETING

MONDAY, SEPTEMBER 16th

7:00 P.M. IN CONFERENCE ROOM

PLANS FOR UPCOMING STEW SUPPER TO BE DISCUSSED.

PLEASE ATTEND THIS VERY IMPORTANT MEETING!

## HOMECOMING

Everyone is invited to the Homecoming Stew Supper, Friday, September 20th, from 5:00 to 7:00 p.m. in the School Cafeteria. We are asking the Booster Club members to help us out by bringing 2 desserts. Come join the fun and visit ol' class mates and cheer for the Coyotes.

## Wellman J.V. 24 Borden J.V. 0

The Wellman Wildcat Junior Varsity Team visited Gail last Thursday and the Wildcats scored 6 points in each quarter to defeat the Coyotes 24-0. The Coyotes playing Wellman were Stacy Perry, Seth Vestal, Cody Cox, Vigil Glaze, Kurt Hess, Doug Flanigan and Clint Miller.

Wellman took the ball first and was stopped when Stacy Perry recovered a Wildcat fumble. Cody Cox ran 47 yards for a would be Coyote touchdown, but a clip brought the play back for a Coyote punt.

The game was plagued by a quiet steady

rain that made it difficult for the Coyotes to pass the ball. The Coyotes produced a total of 107 offensive yards. Cody Cox had 13 carries for 55 yards and Virgil Glaze had 11 carries for 53 yards.

The Coyotes played a good game. They moved the ball, but when it came time to put it in the end zone, they fell short. There are only 7 players on the J.V. team so fatigue was a small problem. Although they dropped their first game to Wellman, they enjoyed playing a tough one.

## Varsity Game

Cont. from pg. 2

over. The Leopards let the clock run out to end the game in their favor.

The Coyotes did a very good job of trying to stay in the game. They totaled 316 yards. The total yards rushing for the Coyotes was 1655, and the total yards passing for the Coyotes was 151. Sophomore, Brandon Adcock had 9 carries for 79 yards and two touchdowns from 2 yards and 13 yards. Brandon also ran a 59 yard kickoff return back for a touchdown. He also had 18 tackles, 13 assisted and 5 unassisted.

Junior running back, Clint Wills rushed 8 times and completed 6 of them for 150 yards. Two passes were complete to Juve Balaque for touchdowns of 23 yards and 22 yards. Clint also connected with Joe Acosta for a 44 yard big play. Clint also had 10 tackles from the middle linebacker position.

Junior end, John Paul Harris caught four passes for 62 yards. John Paul also made 21 tackles, 16 assisted and 5 unassisted.

Coach Avery and the team hopes to see everyone at the first home game on Friday, September 13, at 7:30 when they play Grady. They promise to make the game exciting.

the Carnival will be Walt Disney.

Booths were discussed and the deadline for making the decision on what booths your class will have, was set for September 19, 1991 at the next meeting.

The cleaning and decorating for the Carnival was discussed. It was suggested that we clean the barn on

Cont. from pg. 1

man of the industrial engineering department in the College of Engineering, Curry expects to complete his degree requirements in December.

Curry has taught courses in the interior design program at Tech for three years. He earned a master's degree in the area after graduating from North Texas State with a degree in fine arts. After college, he went to work for an interior design and construction company in Tahoka, where he remained for 15 years.

Among his jobs for the company, he most enjoyed drafting and space planning. Curry acted as the director and overall coordinator, supervising the actual layouts for the

designs. He also did much of the work with the studio aspects of the design business.

"I encourage all of my students, whether in the introductory courses or the computer-aided design class, to seek work while they are still in school," he said. "They need to find out what their true talents really are. Even if interior design is what interests a student, there are many other different areas in that field which one should consider."

In the final stages of his Ph.D. work, Curry has had time to consider what he wants to do after December. He maintains that at this time, he could not be doing anything else that pleases him more than teaching.

## BORDEN ISD

### EXES MEETING

President E.L. Franklin is asking exes to be present for a meeting to be held Tuesday, September 17 at 7:00 p.m. in the

Conference Room. He has received the information and photos to start work on the Memory Album.

## PARENTS CLUB MEETING

## TS&GRA FALL MEETING SET FOR FT. STOCKTON SEPT. 13-14

Charles Probandt of San Angelo, president of the Texas Sheep & Goat Raisers' Association, announced that the Fall Directors' Meeting will be held in Ft. Stockton September 13-14. Pecos County State Bank will host a reception Friday evening at 7 p.m. at the 5th Street House. 201 East 5th Street. Registration will begin at 8:30 a.m. Saturday at the High School, located at 1200 W. 17th Street. The six standing committees will meet at 9:00 a.m. to make plans for committee activities for the coming year. Lunch will be served in the cafeteria, and the general business session will follow. Registration will be \$10.00 per person.

Probandt stated that representatives from the Texas Department of Agriculture will be on hand to explain the procedure that must be followed in order to conduct a producer referendum. "Additional funds are needed for predator control work in Texas if we wish to continue raising sheep and goats," Probandt said. "In order to address this need, the directors of the Texas Sheep & Goat Raisers' Association will discuss the possibility of conducting a predator control referendum at the Fall Meeting."

The Pecos County Unit of the TS&GRA Auxiliary will host a coffee for

the ladies at the 5th Street House at 10:00 Saturday morning, September 14. The Auxiliary business meeting will be held immediately following the coffee at the 5th Street House.

Mr. and Mrs. Jerry Puckett are in charge of local meeting arrangements. Margaret Woodward, president of the Pecos County Unit of the Auxiliary, and her committee are in charge of Auxiliary arrangements.

"We have many challenges facing us in the coming year," stated Probandt. "I believe by working together we can bring them to satisfactory conclusion." He urged all interested sheep and goat producers to attend this meeting and become active in the work of the Association.

## spotlight on health

Polio, a crippling, life-threatening disease, claimed more than 20,000 victims in a year at its height. But now, thanks largely to polio vaccines, there are only about ten cases per year.

Although most children receive a series of live, oral polio vaccines, the U.S. Public Health Service's Immunization Practices Advisory Committee (ACIP) recommends that some children receive an inactivated (killed) polio vaccine because they or a family member are immunocompromised and at greater risk of developing polio when exposed to the live poliovirus.

The Food and Drug Administration recently licensed a new enhanced potency, inactivated polio vaccine called IPOL™ (Poliovirus Vaccine Inactivated), manufactured by Pasteur Mérieux Sérums et Vaccins, S.A. of Lyon, France and distributed by Connaught Laboratories, Inc. of Swiftwater, Pennsylvania. It is recommended for infants and children who have a deficient or immunocompromised immune system and for those who live with immunocompromised family members. These would include people diagnosed with leukemia or other cancers, who are undergoing radiation or chemotherapy for cancer, those who have tuberculosis or AIDS, those who are HIV-positive or those who have infections due to immunity problems. Adults who have not previously been vaccinated should also receive the enhanced, inactivated polio vaccine.

Vaccination is the best prevention against polio, according to medical experts. The American Academy of Pediatrics recommends a three-dose series of either the inactivated or live polio vaccine given at ages 2, 4, and 15-18 months, and a booster between 4 and 6 years of age.

Parents should discuss the risks and benefits of each vaccine with their child's physician to make an informed choice as to which option is best for their child.

SEEDS FROM THE SOWER®

Michael A. Guido Metter, Georgia

A gunman in Cincinnati waited for a bartender as he locked up to go home. He grabbed the bag he was carrying and ran down the street. Coming to a dark corner he opened the bag and found

- garbage. What a disappointment.

But every act of sin has its own built-in disappointment. You imagine that your sin will make you happy, wise, or rich. But it doesn't. The end is always disappointment, despair, and, ultimately death. For the Bible says, "Sin, when it is finished, brings forth death."

Want life? The satisfying, overcoming, never-ending life? Try the Lord.

**MEASUREMENT SERVICE**

Aerial slides for our county have not been completed due to the recent cloudy weather conditions. We should be receiving them before to long though. Be prepared to certify measured acres some time in September.

**ACR**

Here is another REMINDER for producers to check their ACR (set-aside) land to make sure any weeds are under control and the land is protected from wind and water erosion.

Producers who paid \$10.00 to have peas on ACR need to plow up the peas while they are still green. Allowing these peas to mature on ACR is not authorized.

**LATE REPORTS**

Some producers have not filed a crop report this year. The deadline to report 1991 planted acres was July 15, 1991, unless you have a measurement service request filed. Late-filed crop and land use reports will be accepted as long as the producer pays the cost of verifying the acreage report and there is physical evidence of the crop or land's use. Program participants must report their crops to receive 1991 benefits. Farmers who do not submit a crop report will be credited with zero plantings for their future crop acreage base.

**ADVANCE PAYMENTS**

Because ASCS officer were not notified timely that 1991 advance payments must be requested by the end of the signup period, a decision has been made to extend the deadline to request 1991 advance payments. Interested producers must make their request for advance payment by SEPTEMBER 16, 1991.

**NEW WOOL PROVISIONS**

New filing provisions require that wool and mohair sales documents for marketing years:

1988 shall be filed December 31, 1991

1989, 1990 & 1991 shall be filed by March 2, 1992

1992 and subsequent marketing years shall be filed within 60 calendar days after the end of the marketing year, which ends December 31.

Wool and mohair producers must file CCC-502 for payment limitation within 15 calendar days after the first CCC-1155 is filed for a marketing year. They shall also certify on AD-1026 their conservation provisions.

**PRODUCER REMINDER**

If you have bought, leased, rented, cropshared or are thinking about buying, leasing, renting or cropsharing a farm or ranch, you need to immediately check with SCS (Soil Conservation Service) about the Conservation Plan on the farm or ranch in question. This is important because the Conservation Plan was formulated with the previous operator and stays with the land regardless of the status of the subsequent operator.

**BORDEN COUNTY INDEPENDENT SCHOOL DISTRICT  
BID REQUESTS**

The Superintendent's Office, on behalf of the Board of Trustees of the Borden County Independent School District will receive bids on the lease-purchase of two school buses, the purchase of one 15-passenger van, the purchase of one 1-ton pickup, and the purchase of playground equipment on September 20, 1991.

Proposals shall be addressed to Jimmy Thomas; Borden County Independent School District; Box 95; Gail, Texas 79738 and shall be delivered in a sealed envelope marked appropriately as follows: "Bus Bid", "Van Bid", "Pickup Bid", "Playground Equipment Bid". Proposals will be received up to but no later than 2:00 P.M. on September 23, 1991. Bids received after that date will not be considered.

The right is reserved by the Borden County Independent School District to accept or reject any or all bids and to waiver all formalities.

Please contact Jimmy Thomas by writing the above address or calling the following number for specifications and further information. (806-756-4313)

# CHARLIE AND CINDY STENHOLM'S ANNUAL FUNDAY

# HOMECOMING DANCE

Budget Committee Chairman Leon Panetta (California), Martin Sabo (Minnesota), Jill Long (Indiana), and Bob Clement (Tennessee) will join Charlie and Cindy Stenholm for their annual FUNDAY in Stamford on Saturday, September 21st. They have been invited to visit part of the 17th Congressional District to better understand the interests of this area.

Stenholm serves with Sabo and Panetta on the Budget Committee which is responsible for overall spending and revenue guidelines for the trillion dollar federal budget each year. Sabo is also a member of the Appropriations Committee which writes the specific annual funding bills for most spending

Jill Long owns her own farm in Indiana. Stenholm serves with her on the House Agriculture Committee. She is a member of the Conservative Democratic Forum (CDF) which Stenholm coordinates. They are both members of the Rural Health Care Coalition which Stenholm serves as chairman.

Bob Clement is co-sponsor of Stenholm's Balanced Budget Amendment and also is a member of the Rural Health Care Coalition.

"Cindy and I are honored to have these leaders to come to our FUNDAY," said Stenholm. "Not only will they be sharing their friendship with us, they will have an opportunity to meet my constituents and hear of our interests and concerns."

Everyone is invited to the picnic on Saturday, September 21, in the Ericksdahl community, east of Stamford. The food line opens at 4:30 p.m. The meal will be topped off with Comanche County watermelons and Blue Bell ice cream.

Individual tickets are \$10. Those who sell or buy ten tickets (\$100) will be invited to the Congressional Reception on Friday evening as well.

Anyone selling or buying 30 tickets (\$300) for FUNDAY will be listed as a host

Borden County 4-H Adult Leaders Association will sponsor a Homecoming Dance on September 20, 1991. All youth and adults of Borden County are invited to attend this event. The dance will be held at the show barn in Gail. Immediately following the homecoming reception at the High School. Concessions will be available.

for both the picnic and the reception.

More details can be obtained by calling the Stenholm campaign office in Stamford at (915) 773-5521.

**PUBLIC NOTICE**  
**BRIEF EXPLANATORY STATEMENTS**  
**OF PROPOSED**  
**CONSTITUTIONAL AMENDMENTS**  
**SPECIAL ELECTION**  
**NOVEMBER 5, 1991**

**PROPOSITION NO. 1**  
**ON THE BALLOT**

House Joint Resolution 114 proposes a constitutional amendment that would authorize home rule cities having a population of 5,000 or fewer inhabitants to amend their city charters by a majority vote of a city's qualified voters at an election held for that purpose. The amendment makes clear that home rule cities that have declined in population below the population required to initially adopt a charter may nevertheless continue to amend their charters.

The proposed amendment will be described on the ballot as follows: "The constitutional amendment allowing home-rule cities with a population of 5,000 or less to amend their charters by popular vote."

**PROPOSITION NO. 2**  
**ON THE BALLOT**

House Joint Resolution 10 proposes a constitutional amendment that would allow the legislature to authorize the Texas Department of Transportation to expend money, from any source available, for the costs of the turnpikes, toll roads, or toll bridges of the Texas Turnpike Authority, provided that any monies expended from the state highway fund shall be repaid to the fund from tolls or other turnpike revenue.

The proposed amendment will be described on the ballot as follows: "The constitutional amendment mandating the repayment to the Department of Transportation of monies expended to assist the Texas Turnpike Authority in the construction, maintenance, and operation of turnpikes, toll roads and toll bridges."

**PROPOSITION NO. 3**  
**ON THE BALLOT**

Senate Joint Resolution 26 proposes a constitutional amendment that would authorize the Veterans' Land Board to invest, as authorized by law, moneys of the Veterans' Land Fund which are not immediately committed to the payment of principal and interest on bonds issued by the Veterans' Land Board, the purchase of lands, or the payment of expenses. Investment of such moneys would no longer be restricted to investments in bonds or obligations of the United States. The proposed amendment would also authorize the Veterans' Land Board to invest, as authorized by law, moneys of the Veterans' Housing Assistance Fund which are not immediately committed to the payment of principal and interest on general obligation bonds issued by the Veterans' Land Board for the benefit of the Veterans' Housing Assistance Fund, the making of home mortgage loans, or the payment of expenses. Investment of such moneys would no longer be restricted to investments in bonds or obligations of the United States. The proposed amendment gives the legislature power to implement the amendment and to delegate such duties and authority to the Veterans' Land Board as it deems necessary.

The proposed amendment will be described on the ballot as follows: "The constitutional amendment to further implement and enhance the administration of the veterans' housing assistance and land programs and to expand the investment authority of the Veterans' Land Board."

**PROPOSITION NO. 4**  
**ON THE BALLOT**

Senate Joint Resolution 4 proposes a constitutional amendment that would allow the legislature to authorize the issuance of a maximum of \$1.1 billion in general obligation bonds. The proceeds of the bonds are to be used to acquire, construct, or equip new prisons and substance abuse felony punishment facilities, mental health and mental retarda-

tion institutions, and youth corrections institutions, to repair and renovate existing facilities of those institutions and to acquire, repair, or renovate other facilities for use as state prisons or substance abuse felony punishment facilities. The \$1.1 billion is in addition to the \$900 million currently authorized by the constitution to be expended on bond issues for facilities of correctional and mental health and mental retardation institutions. The bonds would constitute a general obligation of the state. The bonds and interest on the bonds would be paid from the first money coming into the state treasury that is not otherwise appropriated by the constitution, less any amount in a sinking fund at the end of the preceding fiscal year that is pledged to payment of the bonds or interest.

The proposed amendment will be described on the ballot as follows: "The constitutional amendment authorizing the issuance of up to \$1.1 billion in general obligation bonds for acquiring, constructing, or equipping new prisons or other punishment facilities to confine criminals, mental health and mental retardation institutions, and youth corrections institutions, for major repair or renovation of existing facilities of those institutions, and for the acquisition of, major repair to, or renovation of other facilities for use as state prisons or other punishment facilities."

**PROPOSITION NO. 5**  
**ON THE BALLOT**

Senate Joint Resolution 39 proposes a constitutional amendment that would allow a county, junior college district, or municipality to exempt tangible personal property from ad valorem taxation if: (1) the property is acquired or brought into the state in an enterprise zone to be forwarded outside the state, (2) the property is assembled, stored, repaired, maintained, manufactured, processed, or fabricated in the enterprise zone, (3) the property is transported outside the state not later than 175 days after being acquired or brought into an enterprise zone, and (4) the person who acquired or brought the property into an enterprise zone is a qualified business. A county, junior college district, or municipality may exempt such property by entering into a written agreement with a qualified business that states the duration of the exemption and the terms on which the exemption is granted. Any action to exempt property must be taken before April 1 of the first year in which the property would otherwise be taxed. The term "enterprise zone" means an area that (1) has been designated as such by a state agency responsible for economic development, and (2) has pervasive poverty, unemployment, and economic distress. The term "qualified business" means a business that meets the qualification established by general law, and requires that the qualified business is actively engaged in a new business in the enterprise zone or is expanding a business that is already active in the enterprise zone. An enterprise zone is created to foster economic development in an area of pervasive poverty and unemployment.

The proposed amendment will be described on the ballot as follows: "The constitutional amendment authorizing the exemption for ad valorem taxes of certain property in an enterprise zone."

**PROPOSITION NO. 6**  
**ON THE BALLOT**

Senate Joint Resolution 8 proposes a constitutional amendment that would establish a Texas Ethics Commission with the powers and duties provided by law. The commission would consist of eight appointed members selected as follows: two members of different political parties appointed by the governor from a list of at least ten names submitted by the members of the house of representatives from each major political party; two

members of different political parties appointed by the governor from a list of at least ten names submitted by the members of the senate from each major political party; two members of different political parties appointed by the speaker of the house of representatives from a list of at least ten names submitted by the members of the house from each major political party; and two members of different political parties appointed by the lieutenant governor from a list of at least ten names submitted by the members of the senate from each major political party. A major political party is a political party required by law to hold a primary. With the exception of the initial appointees, commission members would serve for four-year terms. A member who has served for one term and any part of a second term would not be eligible for reappointment. The commission would be authorized to recommend the salary of the members of the legislature and may recommend that the salary of the speaker of the house of representatives and the lieutenant governor be set at an amount higher than that of other members. If the commission recommends a change in salary, the voters would be authorized to accept or reject the salary change at the next general election for state and county officers. If the voters approve the recommended salary, that salary would take effect January 1 of the next odd-numbered year; if the voters reject the recommended salary, no change in salary would occur. The commission would set the per diem of the members of the legislature and of the lieutenant governor. The per diem could be raised or lowered biennially as necessary to pay members' costs, but could not exceed the amount allowed as of January 1 that year as a federal income tax deduction for living expenses incurred in a legislative day in connection with a member's business as a legislator, disregarding any federal income tax exception for legislators residing near the Capitol. The commission would have other powers and duties provided by the commission's enabling act (Senate Bill 1, 72nd Legislature, Regular Session). The amendment would also provide that an increase in the emoluments of the office of Lieutenant Governor would not make a legislator ineligible to serve in the office of Lieutenant Governor.

The proposed amendment will be described on the ballot as follows: "The constitutional amendment creating the Texas Ethics Commission and authorizing the commission to recommend the salary for members of the legislature and the lieutenant governor, subject to voter approval, and to set the per diem for those officials, subject to a limit."

**PROPOSITION NO. 7**  
**ON THE BALLOT**

Senate Joint Resolution 6 proposes a constitutional amendment that would allow the board of trustees of each statewide public retirement system to invest the funds of the system in such manner as the board considers prudent. The board would no longer be limited to investing the funds of the system in securities.

The proposed amendment will be described on the ballot as follows: "The constitutional amendment to allow the board of trustees of a statewide public retirement system to invest the funds of the system in a manner that the board considers prudent."

**PROPOSITION NO. 8**  
**ON THE BALLOT**

Senate Joint Resolution 21 proposes a constitutional amendment that would permit the legislature to create debt by or on behalf of the state if the legislature submitted the debt question to the voters of the state in the form of a proposition and a majority of those voting approved the proposition. The legislature may call the election, by joint resolution approved by at least two-thirds of the members of each house, during any regular session or during any special session if the subject of the proposition is included in the Governor's proclamation for that special session. A proposition must clearly describe the amount and purpose for which debt is to be created and must describe the source of payment for the debt. The amount of debt stated in the proposition may

not be exceeded and may not be renewed unless the right to exceed or renew is stated in the proposition. The legislature may enact laws necessary to implement the authority granted by a proposition. A law enacted in anticipation of the election on a proposition is valid if, by its terms, it is enacted subject to approval of the related proposition. State debt that is created following voter approval of a proposition and that is approved by the Attorney General is incontestable for any reason.

The proposed amendment will be described on the ballot as follows:

"The constitutional amendment authorizing the voters of this state to consider state debt questions in the form of ballot propositions that must clearly describe the amounts, purposes, and sources of payment of the debt only after approval of the propositions by a two-thirds vote of each house of the legislature."

**PROPOSITION NO. 9**  
**ON THE BALLOT**

Senate Joint Resolution 11 proposes a constitutional amendment that would authorize the commissioner of the General Land Office to issue patents for certain public free school fund land for which there is not a valid transfer of title from either the State or the Republic of Texas to a private party. A patent is a document of title issued by the state. On application to the School Land Board, a person is entitled to receive a patent if: (1) the land is surveyed public free school fund land, (2) the land was not patentable under the law before the adoption of this proposed amendment, (3) the person acquired the land without knowledge of the title defect of the State of Texas or the Republic of Texas and held the land under color of title, the chain of which dates from at least January 1, 1941, (4) the person has a recorded deed on file in the county courthouse and, in conjunction with his predecessor in interest, has claimed the land for at least fifty years as of January 1, 1991, and (5) the person, in conjunction with his predecessor in interest, for at least 50 years has paid taxes on the land together with all interest and penalties associated with any delinquency. If the applicant is denied a patent, the applicant may file suit against the School Land Board in a district court in the county where the land is located within 60 days from the date of denial. The proposed amendment does not apply to beach land, submerged land, or islands, and may not be used to resolve a boundary dispute. The proposed amendment also does not apply to land found by a court to be state-owned or to land on which the state has given a mineral lease that is in effect when a patent is sought. A patent under this proposed amendment for land within five miles of mineral production shall reserve minerals to the state in the manner provided by law for reservations of minerals in sales to claimants of unsurveyed school land within five miles of production. An application for a patent under this proposed amendment must be filed with the School Land Board before January 1, 1993.

This proposed constitutional amendment is similar to the version of article VII, section 4A, that was in effect between 1981 and 1990. The main difference is that under the earlier version the applicant for a patent to land had to have a chain of title that dated back to at least as early as January 1, 1932.

The proposed amendment will be described on the ballot as follows:

"The constitutional amendment authorizing the commissioner of the General Land Office to issue patents for certain public free school fund land held in good faith under color of title for at least 50 years."

**PROPOSITION NO. 10**  
**ON THE BALLOT**

Senate Joint Resolution 15 proposes a constitutional amendment that would allow the legislature to pass general laws to exempt property owned by a nonprofit corporation organized to supply water or provide wastewater service from ad valorem taxation. A nonprofit corporation would be eligible for the exemption if its bylaws provide that

on dissolution, the assets remaining after the discharge of the corporation's indebtedness will be transferred to an entity providing water supply or wastewater service, or both, which is exempt from ad valorem taxation. The transferred assets must be property that is reasonably necessary for and used for water supply and wastewater services.

The proposed amendment will be described on the ballot as follows: "The constitutional amendment authorizing the legislature to exempt from ad valorem taxes certain property of a nonprofit corporation that supplies water or provides wastewater service."

**PROPOSITION NO. 11**  
**ON THE BALLOT**

House Joint Resolution 8 proposes a constitutional amendment that would allow the legislature to pass laws to authorize the State of Texas to operate lotteries and to enter into a contract with one or more legal entities that will operate lotteries on behalf of the State of Texas.

The proposed amendment will be described on the ballot as follows: "The constitutional amendment authorizing a state lottery."

**PROPOSITION NO. 12**  
**ON THE BALLOT**

Senate Joint Resolution 34 proposes a constitutional amendment that would increase the total amount of bonds that may be issued by the Texas Water Development Board to provide wholesale and retail water and wastewater facilities to economically distressed areas of the state. The proposed amendment increases the maximum principal amount of the bonds from 20 percent to 50 percent of the \$500 million amount authorized by article III, section 49-d-7, of the Texas Constitution. The proposed amendment would increase the maximum aggregate dollar amount of bonds that the Texas Water Development Board could issue from \$100 million to \$250 million.

The proposed amendment will be described on the ballot as follows: "The constitutional amendment to increase from 20 percent to 50 percent the percentage of Texas water development bonds previously authorized by Texas voters that may be issued for economically distressed areas."

**PROPOSITION NO. 13**  
**ON THE BALLOT**

Senate Joint Resolution 2 proposes a constitutional amendment that would allow the legislature to pass general laws authorizing Texas Higher Education Coordinating Board or its successor to issue and sell up to \$300 million of general obligation bonds to finance education loans to students. The maximum net effective interest rate to be borne by the bonds would be set by law. The amendment would also authorize the legislature to provide for the investment of bond proceeds and to establish an interest and sinking fund to pay the bonds and provide for the investment of such fund. Bonds authorized under this amendment would be paid from the first money coming into the treasury in each fiscal year that is not otherwise appropriated by the constitution, less any amount in an interest and sinking fund established at the end of the preceding year that is pledged to the payment of the bonds or interests.

The proposed amendment will be described on the ballot as follows:

"The constitutional amendment providing for the issuance of general obligation bonds not to exceed \$300,000,000 to continue existing programs to provide educational loans to students, with repayments of student loans applied toward retirement of the bonds."

*Estos son los informes explicatorios sobre las enmiendas propuestas a la constitución que aparecerán en la boleta el día 5 de noviembre de 1991. Si usted no ha recibido una copia de los informes en español, podrá obtener una gratis por llamar al 1/800/858/8683 o por escribir al Secretario de Estado, P.O. Box 12060, Austin, Texas 78711.*
