# Public School Week To Be Observed

## School Plant Survey Made At Lazbuddie

A recent survey was made by representatives of the Texas education Agency concerning long range needs of the Lazbuddie School District.

This survey was made at the request of Lazbuddie Independent School District through its Superintendent Sam P. Barnes by J.A. Anderson, Assistant Director, Division of Administrative Services.

A school plant survey is an analysis of needs based on a sound-education philosophy the purpose is to collect and ana-

### around muleshoe

With The Journal Staff

Terry L. Obenhaus, Route 5, Muleshoe, has been named an honor student for the just-completed fall trimester at Oklahoma State Tech, Okmulgee.

Obenhaus earned a 3.4 grade point average on a 4.0 system in all subjects throughout the 16-week fall session. Most students attended 30 hours of classes per week.

Grade point averages are computed on the student's grade in his major area of study and his related general education subjects.

Tech, the residential, vo-tech branch of Oklahoma State University, is the largest vocational-technical college in the nation.

Obenhaus is enrolled in diesel mechanics.

When students at Sam Houston State University excel in their classwork, they are rewarded by having their names placed on the Dean's List of Academic Honors.

The list contains the names of all students who have attained a semester grade point average of at least 3.0 ("B") on a 4.0 ("A") scale in at least 12 hours of university classwork at SHSU.

Released from the Office of the Vice President for Academic Affairs, the fall semester, 1973 Dean's List named more than 2,300 SHSU students to the honor roll.

Following are the names and the semester grade point averages of students whose names appear on the Dean's List from Muleshoe: Michael W. Melton, junior, 4.0.

Miss Casandra Cargile, Cont. on Page 3, col. 5

lyze data in order to propose suggestions to assist a school district in planning for immediate and future needs. Surveying is a continuous process to help anticipate school plant needs and to inform the public of these needs. The school plant must support the instructional program if it is to justify the amount of money invested by the community.

All statements made in this survey which pertain to making changes in sites, schools buildings, the instructional program, equipment, finances, school organization, etc. shall be considered as directive or restrictive. This is an objective survey based on available data applicable at this time with emphasis on long-range planning.

In curriculum improvement, the district could proceed by a study of "Where are we? -- Where do we want to go? -- How will we get there?" This can be a do-it-yourself effort but assistance is available from (generally associated with state college), education service center, and the Texas Education Agency. Such an evaluation will necessarily involve immediate needs and those for the next few years.

A district has two basic approaches that it can use in meeting school facility needs. It can sit back and wait to see what is going to happen and then deal with each crisis as it occurs or it can begin making plans to meet needs before they become emergencies.

Three years is not too long to plan for the financing, construction and occupancy of a new school building.

### New Officers Assume Duties At Tri-County

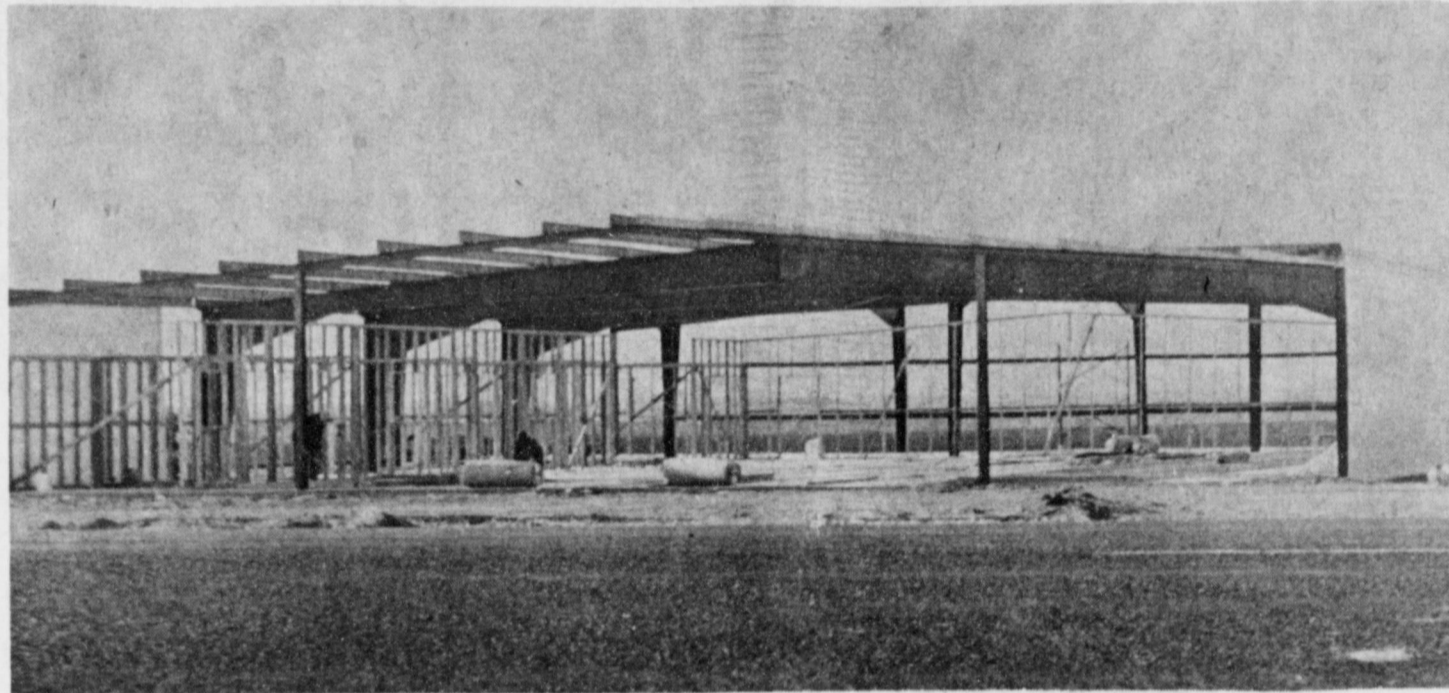

Two new employees have joined the staff of Tri-County Savings and Loan Association in Muleshoe recently as loan officers.

John Clark, a graduate of Texas Tech University, has lived in the Muleshoe area since 1969 where he has been engaged in farming.

Clark and his wife, Marilyn, have three children, D'Anne, 15; Amy, 13; and Carol, 7. He assumed duties at Tri-County on the first of December, 1973.

Andy Douglas, a former Mule-

Cont. on Page 3, col. 4

NEW INTERNATIONAL BUILDING . . . Wooley-Hurst of Muleshoe are building a new steel building west of Muleshoe on Highway 84. Bill Wooley reports that the building which will be about 18,000 square feet, is expected to be completed in about 45 days, and they will move into the building shortly thereafter. The new

building, expecting to cost around \$150,000, will house sales, shop and parts offices for the International-Harvester dealership. Wooley said he and the employees were looking forward to getting into their new building as they have been working for this since moving to Muleshoe.

## Blue Gold Banquet Held Here Monday

The annual Boy Scout Blue and Gold Banquet was held Monday, February 25, in the Mary DeShazo cafeteria. A buffet style dinner of barbecue chicken, potato salad, baked beans and coleslaw was served. Following the dinner was the highlight of the evening, the Pinewood Derby. The boys had made a homemade car from a square piece of pinewood. Each car was carved and painted with each boy's own personal touch.

There were a total of 33 cars entered from dens 1, 2, 3, 4, 5, and Webelos.

The three boys coming away with the honors and trophies were first place, Perry Flowers son of Mr. and Mrs. Tom Flowers; second place, Michael Isaac son of Mr. and Mrs. Charles Isaac; third place, Marlin Bynum, son of Mr. and Mrs. Hal Bynum. The races were enjoyed by 156 parents and follow scouts.

The trophies were presented to the winner by Scoutmaster Jim Shafer.

Other awards were presented by John Stevens, awards chair-

man, for Bobcat Pin to Jimmy Homes, Jose Ybarra, Joe Martinez, Sammy Gonzales, Jeff Combs, Jess Guana, Therman Coleman, Charles Leach.

Wolfe pins were presented to Terry Baker, Lowery Pearson, David Cooper, Benton Smith, Michael Isaac, Rudy Orozco, Nicki Howard, Sonny Bennett, Mike Pugh.

A Bear pin was presented to Danny Seals, and a Den Mother Pen was presented to Dorothy Free.

Gold Arrow Points were given to Sonny Bennett, David Cooper; Silver Arrow Points to David Cooper; Webelos, Raymond Cabrera; outdoorsman and citizenship, Marlin Bynum science, Bruce Herandez; citizenship, Damon Cooper; citizenship and sportsman

Denner bars went to Willie Coleman; assistant Denner to Jess Guana; Recruiter patches to Danny Selas, Willie Coleman Monty Hysinger, Lowery Pearson; boys transferred to Webelos were Jose Ybarra and Monty Hysinger.

A program titled "How Dance Came to the Indians" was pre-

seated by Den #1. Narrator for the program was Todd Holt and music accompanist was Terry Baker. Members of the skit were Sammie Gonzales, Jose Ybarra, Joe Martinez, Jimmy Holmes, Lowery Pearson, Den Mother for Den 1 is Mrs. Roy Baker and the assistant den mother, is Mrs. R.L. Pearson.

The stuffed dog traveling troupe. Special guest present were Mr. and Mrs. Jack Reynolds, Mr. and Mrs. Owen Jones and Rev. and Mrs. Walter Bartholf.

Scoutmaster Jim Shafer announced the next pack meeting will be Monday, March 11, at 7:30 in the Scout Hut. This will be charter registration meeting. Any boy interested in becoming a scout should be present with at least one parent.

Cont. on Page 3, col. 8

## City Water Sewer Ordinances Reviewed

City Manager Jim Rankin reports that the City of Muleshoe has recently reviewed the water, sewer and refuse collection ordinances in order to determine if the rates applied to various business and residential categories were in compliance.

In several instances, Rankin stated, it was clear that certain accounts were being erroneously billed. Those persons who have more than one residence served by a single water meter are required, by law, to pay for water consumed plus the minimum water, sewer and refuse charge for each and every additional residence served by the single meter.

While most residences being served by a single meter were paying the proper fees, it was found that several were not. By setting these rates in conformance with the law, those residences being served by a single meter will no longer be unfairly subsidizing utility service to those who were not being billed properly.

Rankin also reported that the City of Muleshoe is suffering annual losses of between \$300 to \$5000 due to the unauthorized tampering with water meters and meter boxes.

City personnel are available during the day to shut water service off or to turn water service on. Personnel are also available for emergency service at nights or on weekends.

The city water ordinance specifically states that no one, other than city personnel, tamper with meters or meter boxes

### Primaries Scheduled For May 4

At least two primaries are scheduled in Muleshoe on May 4, 1974, the Democratic Primary and the LaRaza Unida Primary.

Running in the LaRaza Unida Primary will be Alberto G. Daniel, County Commissioner, Precinct 4; and Brian R. Craddock, Justice of the Peace, Precinct 4.

Candidates running in the Democratic Primary will be Nelda Merriott and Pauleta Crawford, District Clerk; Hazel Gilbreath, County Clerk; Judge Glen Williams, County Judge; Edith Wilt, County Treasurer; Loyd Stephens, County Commissioner, Precinct 2; Rudolph Moraw, Commissioner, Precinct 4; and Morris Nowlin, Justice of the Peace, Precinct 1.

Cont. on Page 3, col. 8

## Open House Set Tuesday, Thursday

Neal Dillman urges the public to visit the Muleshoe Schools during the annual observance of Texas Public Schools, Week, March 4-8.

On Monday, March 4, students will not attend classes but all the teachers will be involved in in-service activities. Since this is the end of the second quarter of school, teachers will be making reports posting grades and making plans

### Spelling Bee Scheduled For March 28

The Bailey County Spelling Bee, sponsored by the Bailey County and Muleshoe Journals, is scheduled for Thursday, March 28, in the Muleshoe High School auditorium.

Students from the Muleshoe schools, Three Way and Bula will be participating in the event.

Winner of the local bee will compete in the Regional Spelling Bee in Lubbock, sponsored by the Lubbock Avalanche-Journal. Prizes will also be given to runners-up in the event.

Spelling bees are being held at each school to determine the top spellers who will compete in the county bee.

for the new quarter. On Tuesday, March 5 from 6:30-8:30 p.m., Milton Oyler, principal of Richland Hills, encourages parents to visit school talk with teachers, and see the childrens work which will be on display.

Bill Taylor, principal of Mary DeShazo Elementary, said that Open House in his school will be Tuesday March 5 from 7:00 till 9:00 p.m. The emphasis will be on "Career Awareness" and children will display posters and projects related to this theme.

On Thursday, March 7, from 7:00-9:00 p.m., Open Houses will be held in both the Junior High and Senior High Schools, according to Wayland Ethridge and Fred Mardis, Junior High and Senior High Principals.

Ethridge said that the Junior High Science Fair will be held in the High School cafeteria from 7-9 p.m. on this same Thursday evening.

The Texas Public School System was founded 120 years ago on the premise that the more education the individual has, the more likely he is to become a good citizen.

Parents are not only encouraged to visit the schools, they are invited to have lunch with the children and to visit the classrooms.

## Joint Equalization Of Taxes Studied

Steps were begun Friday to set up joint equalization project between city, county and school.

Friday morning the County Commissioners and Judge Glenn Williams met with representatives of the Muleshoe Independent

Cub Scout Paper Drive Underway

Cubmaster John Harris informed the Journal that Pack 620 of the Cub Scouts have a paper drive underway in Muleshoe.

The Cub Scouts are gathering newspapers, magazines, paper sacks and cardboard.

The project is to make money for operating expenses for the pack and also for the conservation of American resources.

Cub Scouts participating can earn awards through Project SOAR (Save Our American Resources).

Fry & Cox is the drop point for the papers or if you want the paper picked up, call John

Cont. on Page 3, col. 6

## Easter Seal Appeal Opens Here March 1

The 1974 Easter Seal Appeal will open in Bailey County on Friday, March 1, 1974 according to Jimmie Crawford, who serves as Easter Seal Representative for the County.

Crawford said that Easter Seal Appeal letters would begin arriving at homes in the county about March 1.

As Easter Seal Representative, Crawford is the person to contact to request services from the Easter Seal Society for Crippled Children and Adults of Texas. These services include physical and occupational therapy, speech and hearing programs and special information services to help solve the many problems faced by the families of handicapped children and adults.

Last year, 20,570 handicapped people received help from the Texas Easter Seal Society. With the costs of providing expert professional care rising, more money than ever will be needed.

Funds help support 18 centers in Texas, where services are provided to those cripple children and adults who cannot provide for themselves and who do not qualify for help from any

other source. "The people of Texas have always responded generously to helping the handicapped, and I feel certain they will make it possible to increase Easter Seal services to crippled Texans throughout the coming year," Crawford said.

### Paul Rogers Will Speak At Meeting

Paul E. Rogers, Sr. will be speaking at a series of meetings, March 4-10, at the Muleshoe Church of Christ.

Weekday services will be held at 10 a.m. and 8 p.m. and Sunday services will be at 9:30 a.m., 10:20 a.m. and 6 p.m.

Paul Rogers was born in Colorado City, Texas and graduated from Abilene Christian College.

He preached for numerous congregations including Floydada, Merkel, Texas City, and Arlington.

He is presently minister of the church in Longmont, Colorado.

He has served as a missionary in Trieste, Italy and has done extensive work in radio

Compiled From Sources  
Of The Texas Department of Agriculture  
John C. White, Commissioner

Farm Parity at 94 Per Cent... Eight at or Above Parity... Texas Cattle Numbers Increase Again... Value Up, Too.

Farm Parity is inching again toward 100 per cent. The latest parity ratio from the Texas Crop and Livestock Reporting Service is now set at 94. In December, it was 89 per cent. Parity has been at 100 per cent during one brief period last year, the first time in almost 20 years.

So even though parity is going up, agriculture producers have a long way to go before reaching financial equality with the rest of the economy.

In Texas during December, eight commodities out of more than 200 which are produced in the state, were at or above parity. The all farm products index of prices received by Texas farmers as of January 15 was 10 per cent above the previous month and 50 per cent above a year earlier.

Only one category of livestock was above parity. That was sheep at \$19.50 per hundredweight, or \$6.20 above parity. Hogs at \$38.90 were \$1.40 under parity. Beef cattle at \$45.60 were \$1.90 under parity. Calves at \$53 were \$8.60 under parity. Lambs at \$38.30 were \$9.20 below parity.

Wheat at \$5.19 per bushel was \$1.50 above parity. Corn at \$2.74 per bushel was 29 cents above parity. Oats \$1.49 per bushel was 30 cents above parity. Grain Sorghum at \$4.15 was two cents under parity.

Cotton at 58 cents per pound was eight cents under parity. Mohair at \$2 per pound was 67 cents over parity. Wool at 90 cents per pound was 32 cents under parity.

Eggs at 66.2 cents per dozen were slightly above parity.

TEXAS cattle and calf numbers as of January 1 totaled 16,250,000 head. This is eight per cent above the previous level of 15,100,000.

Beef cow numbers at 6,470,000 is up four per cent from last year. Milk cow numbers at 350,000 is down three per cent.

The number of cattle on feed for January 1 was 2,205,000, down two per cent from last year's level.

Total inventory value of all cattle and calves on Texas farms and ranches as of January 1 totaled \$4.6 billion; this is 31 per cent higher than a year ago.

The 1973 calf crop in Texas is estimated at 5,900,000 head, 10 per cent above the previous level.

Nationwide, the number of cattle and calves is up five per cent from a year earlier. It's the highest on record and is the seventh year of consecutive increase.

The 1973 calf crop nationwide is estimated at a record high of 49,000,000, up three per cent from a year ago.

Texas, Missouri, Nebraska and Oklahoma rank in that order in the size of the 1973 calf crop among the 50 states. These four states accounted for more than a fourth of the total calves born in the nation.

RECEIPTS of all livestock at auction markets inspected by the Texas Animal Health Commission totaled 9,400,000 head in 1973, compared to 9,100,000 head a year earlier.

Cattle and calf receipts were seven per cent above 1972. Sheep and lamb receipts were down eight per cent. Hogs were down 17 per cent. Goats were down 16 per cent from 1972 levels.

The 1973 outshipments of Texas cattle and calves shipped to other states totaled 3,700,000 head, down 10 per cent from the 1972 annual number.

Sheep and lamb outshipments totaled 602,000 head. This is up 23 per cent from a year earlier.

## CONGRESSMAN Bob Price 18th Congressional District

The current fertilizer shortage is important not only to farmers, but also to consumers who want adequate food supplies. I recently hosted a meeting between Congressmen and representatives of the Cost of Living Council, the Department of Agriculture and the Department of Commerce in an effort to learn what can be done to alleviate the shortage as quickly as possible. My efforts in this area are continuing and it is my hope that the House Agriculture Subcommittee on Departmental Operations, of which I am ranking minority member, will agree to hold hearings on the fertilizer situation soon.

Most of the fertilizer producers, I am told, have agreed not to renew export contracts at mid-year when many contracts expire, and thus increase the domestic fertilizer supply. Fertilizer plants are running at full capacity and delivered domestic tonnage is at an all-time high.

Yet, farmers and distributors in Northwest Texas, and almost everywhere else in the

**Tax...**  
Cont. from Page 1  
The taxing bodies would continue to use the percentage tax that would produce only revenue deemed necessary by the elective governing bodies to operate their respective responsibilities.

Clarence Christian and Kenneth Henry, city councilmen, urged the county commissioners to make a decision and participate in an equalization program to be carried out by "one of the states oldest firms." Christian further stated that the city council realizing its obligation to the people, were ready to act. Upon being questioned by the Mayor Alex Williams, both commissioners, Dudley and Stevens, agreed they were aware that the present county tax structure was "illegal."

Dillman revealed that \$25,000 of expenses formerly provided by the state had been "passed on down" to become a local expense and a built in 10% teacher pay increase of \$140,000 would be problems facing his school board.

In answer to a question from Stevens pertaining to self-equalization Franklin Mann explained recent court decisions prohibited doing a partial equalization one year at a time.

The meeting ended with no decision being made however Judge Williams indicated that the commissioners would possibly like to meet with representatives of the firm selected to make the equalization prior to arriving at a decision.

### Charlie Taylor Services Held

Charlie Taylor, 78, of Irving, Texas, died Wednesday, February 27. He had been a resident of the Circle Back community for 30 years.

Funeral services were held Saturday in the Colonial Funeral Home in Irving. Survivors include his wife; one son, Guy Tyler of California; and two daughters, Edith Cox of Irving and Casmye McNabb of California.

## GOSPEL MEETING

Paul E. Rogers, Sr.

will present a series of meetings March 4 thru 10 at Muleshoe Church of Christ 2205 West American Boulevard Muleshoe, Texas

Schedule Of Services

Week Days-10:00 a.m. & 8:00 p.m. Sunday-9:30 a.m. & 6:00 Weekday Morning Services Begin On Tuesday Morning.

is even more vital.

Farmers are being asked to meet new increased demands for produce both for export and domestic consumption, and this is creating new increased demands for fertilizer. We must take steps to increase fertilizer production even beyond today's capabilities.

Delivered domestic fertilizer tonnage was 4.6 million tons during the 5-month period July-November, 1973, compared with 3.6 million tons for the comparable period in 1972 -- an increase of 35%. In Texas, 1,017,000 tons were delivered during this same period of 1973, compared with 634,000 tons in 1972.

But, some 37 million new acres are being opened to production in 1972 through 1974 nationwide, creating a greatly increased demand. Also, some farmers who could not afford to fertilize crops when grain prices were low, can now af-

ford the fertilizer necessary to produce larger crops.

All fertilizer minerals worldwide are in demand and world competition is increasing.

In Northwest Texas, we have a particularly acute shortage because of the recent closing of the ammonia plant at Etter. That plant was using twice as much natural gas to produce ammonia as most plants use because the plant itself was old and inefficient. The energy crisis, which has made all our energy supplies short, including natural gas, made operation of the Etter plant very wasteful and costly.

Normally, it takes 35,000 to 40,000 cubic feet of natural gas to produce one ton of ammonia, but the old Etter plant was using some 80,000 to 90,000 cubic feet per ton.

This closure created a shortage in that local area of major proportions. I have asked Federal Energy Office direc-

tor Bill Simon if we could be assured of an adequate supply of natural gas if a new, efficient, plant were constructed in Northwest Texas, and I will be following up this matter this coming week.

That won't solve today's fertilizer shortage. I think we need more information as to what can be done to combat this shortage and I'd like to hear how the fertilizer industry can meet this need. That is why I hope the House Agriculture Subcommittee on Departmental Operations will be able to open hearings on this matter shortly.

FOR THE RECORD:  
(How I have voted on recent major issues in the Congress, since my last report)

--Supported bill to assist development and use of solar heating and cooling systems, passed by the House 253 to 2 and sent to the Senate.

### ONE MINUTE SPORTS QUIZ

1. Name the NFL Offensive and Defensive Player of the Year.
2. Bill Virdon is the new manager of what team?
3. Name the Offensive and Defensive Rookies of the Year in the NFL.
4. NFL Coach of the Year is whom?
5. Who was declared winner of the Bing Crosby National Pro-Am Golf Tournament?

### Answers To Sports Quiz

### School....

Cont. from Page 1  
It is important to keep the community informed of changes in the educational program, school finance, school facilities personnel, and long-range plans which may need to be revised every few years.

For the staff, there should be job descriptions -- duties, responsibilities, qualifications, and the relationships to other A per pupil valuation of from

P per pupil valuation of from \$15,000 to \$20,000 is the state average needed for a good fiscal base and a tax rate adequate to provide funds for budgeted needs. In Texas, the local district establishes the market value for property, sets the ratio of assessment, and determines the tax rate within the limits of state law.

#### SCHOOL POPULATION

The school population has been rather stable for the past several years.

#### FISCAL OPERATIONS

The Lazbuddie Independent School District has experienced a conservative fiscal operation. It seems that such funds as have been available have been wisely expended.

The 1970-71 cost of instruction was \$738.85 as compared to a statewide average cost of \$716.16 per pupil among the school district in which it is classified. The district has a valuation of \$7,756,645 and a bonded debt of \$287,000. The ratio of the bonded debt to the valuation is approximately four per cent.

#### SCHOOL COSTS

The factors of inflation are having an impact on school operation and construction costs. For example, school buildings in Texas have increased in cost more than 60 per cent that last 10 years.

It is important that each school district evaluate its fiscal status annually in order to insure that funds will be available to cover both operation and expansion needs.

Great Care should be exercised in attempting comparison of school costs. Raw figures do not reveal individual requirements, bidding conditions, quality of materials, type of soil and foundation, degree of equipping and other factors. Only visits to other schools and discussion with those responsible for the project's conception, design and execution can prepare the way for meaningful comparisons.

The contract date is of particular significance, both in establishing the specific bidding period and in providing a base for estimating future costs.

**MAINTENANCE AND CUSTODIAL CARE**  
Building deficiencies can be caused by inadequate maintenance and poor custodial care. Proper maintenance and cus-

todial care are desirable for three reasons. In the first place inadequate maintenance and poor-quality custodial services constitute false economy.

In the second place, maintenance and custodial care have an intricate and tangible influence on the teaching-learning environment. Well-kept buildings and grounds contribute to the pupil's pride in their school and help to teach good habits in the use and care of public property.

In the third place, poor maintenance and inferior custodial services constitute poor public relations. Many citizens form their opinions of the school program on the basis of what they see.

It would be well to allocate eight percent of the operating budget to plant operation and four per cent to maintenance, or 12 per cent of the operating budget for both items.

#### BRIEF DESCRIPTION OF SCHOOL CAMPUS

All facilities are housed on a small campus of some 15 acres. There are three main buildings and the gymnasium. The agriculture department is housed in a cement block building. The football field is located on the backside of the campus.

**OBSERVATIONS**  
Overall, the district has a traditional curriculum with proper emphasis, on the secondary level, on the three "R's" -- mathematics, English and Science.

Facilities are in a fair state of maintenance and the custodial program, with only two personnel, has been fair.

The district is in a financial position to provide any facilities or teaching aids that may be needed.

Due to the geographical location of the district and the difficulty in securing and keeping good teachers, the board of trustees has wisely provided housing for the staff as a fringe benefit.

This is a school-community

operation as evidenced by public use of the cafeteria, auditorium and gymnasium.

The district is fortunate to have a qualified staff working in areas in which they have been trained.

The pupil population makes a neat appearance and reflects good citizenship in the use and care of public property.

The district does not have a school-community library service.

The school is well organized for the population with grades K-8 having a principal and grades 9-12 having a principal.

Each unit has a library and apparently sufficient teaching aides and books.

**SUGGESTIONS**  
Determine facility needs in order of priority for the next five years and promote one bond issue to implement.

Employ an architect and financial advisor (bond company) on a contingent basis to help develop plans and cost estimates.

Construct a physical education facility for grades K-7. This could be a school-community facility for use by both the pupils and the adults, by adding other features.

Make additions to some of the teacher housing units. Place fill dirt on the campus back of the buildings to eliminate water.

Construct a two-bus garage and storage for all buses, surrounded by a fence.

Fence the football field; provide seating restrooms, and a press box on the west side for the home team and public restrooms on the east side, or, at the north or south end provide restrooms separated by a concession stand.

Some campus areas need to be hard surfaced -- the two streets serving the teacherages in particular.

Add industrial arts to the curriculum for 8-12 when a space to house is provided.

Visit other schools to observe both the subjects taught

and the facilities in which they are housed.

Provide additional funds for plant maintenance, custodial care and a third custodian who could be a woman.

Re-roof the elementary building and replace the gymnasium floor as part of the program for improvement.

### Officers...

Cont. from Page 1  
shoe resident and a graduate of Muleshoe High School, is another new loan officer at Tri-County. Prior to his employment here, he was manager of the SIC office in Brownfield.

He and his wife, Terri, have one son, Drew, who is three years old and they reside at 921 Avenue D in Muleshoe. Douglas assumed duties with Tri-County on February 27, 1974.

### Good Freezer Management

Good freezer management can produce pocketbook dividends. According to Mrs. Robin Taylor County Extension Agent. Rising food prices have caused more people to recognize a home freezer's benefits, but to fully realize these benefits, a homemaker must practice good management techniques. For example, she can take full advantage of store specials by purchasing in quantity and freezing them. However, make sure these "bargains" are worth the price and are foods the family likes, the agent added. Wise shoppers buy food on a planned basis. By purchasing meat in quantity, a consumer usually gets better quality at lower costs. Day-old baked goods offer additional good buys. Freezing then restores lost moisture. However, don't clutter a freezer with bulky, inexpensive items.

Turning to home-prepared foods, the agent advised homemakers to freeze fruits and vegetables at their peaks for the best quality and economy. For convenience, freeze foods in proportions usable at one time. When preparing a meal, make extra and freeze it for another day. Also, freeze leftovers for later use in home-made TV dinners. Remember, quality coming from a freezer can be no better than the quality put in. However, that quality can be lost without proper wrapping and storage. Proper wrapping is a "must" for foods to maintain quality, the agent emphasized. This includes using moisture-vapor-resistant wrapping material and making the package air-tight. Also, set up a system of dating packages -- then use them while contents are in top condition. To maintain food quality, keep freezer temperatures at zero degrees or below, she concluded.

## Wedding Vows Unite Miss Gallegos, Lozano

Miss Rebeca Gallegos became the bride of Gasalo Lozano Saturday, February 16, at 5:00 p.m. in the First Methodist Church, Rev. Steven Lara Officiated in the double ring ceremony. Parents of the couple are Mr. and Mrs. Aurelio Gallegos and Mr. and Mrs. Inez Lozano. The church was decorated in blue, yellow and red flowers. Olga Liday Los Caminantes presented "Three Vales."

Given in marriage by her father, the bride wore a formal length gown of white with bishop sleeves and stand up collar. Her bouquet was of white miniature roses. She carried out traditions by wearing hose as something old; her dress as something new; a hair braid as something borrowed and a garter as something blue.

Maid of honor was Miss Diana Arula. She wore a formal length gown of white trimmed in ruffles. She carried a bouquet of carnations and wore carnations in her hair. Bridesmaids were Mrs. Noe Anzaldua, Mrs. Frenck Hernandez, Mrs. Loy Dominquez, Mrs. Leopoldo Ortiz, Mrs. Benny Baca, Mrs. Israel Games, Mrs. Dorotes Barrion, Mrs. Javier Lopez and Mrs. Acencion Garcia. They wore red floor length dress and material flowers in their hair. Bridesmaids were Miss Vicky Posadas, Miss Gloria Acosta, Miss Elva Lozano, Miss Francis Baca, Miss Diana Luero and Miss Aantiaga Lozano. They wore blue floor length dress with material flowers in their four ladies who led the dance Mrs. Israel Reyna, Mrs. Manuel Montanes, Mrs. Marcos

MR. and MRS. GASALO LOZANO

Lopes and Mrs. Janaro Silgero, wore yellow dresses with material flowers in their hair. Flower girl was Elisivet Silgero and ring bearer was Juanita Lozano. Best man was Leonardo Gallegos and groomsmen were Noe Anzaldua, Loy Dominquez, Leopoldo Ortiz, Benny Baca, Israel Games, Frenck Hernandez, Dorotes Barrion, Javier Lopez and Acencion Garcia. A reception was held following the ceremony in the fellowship hall. Serving the guest were Mrs. Noe Anzaldua, Mrs. Aurelio Gallegos and Mrs. Inez Lozano. The serving table was centered with a flower arrangement and cake. Pink punch was served from a crystal bowl. For a wedding trip to Oklahoma the bride choose a white and black pantsuit and black accessories. The bridegroom is a 1973 graduate of Muleshoe High School. A rehearsal coffee hosted by the groom's parents, Mr. and Mrs. Inez Lozano, was held in the home of Mr. and Mrs. Aurelio Gallegos.

A rehearsal coffee hosted by the groom's parents, Mr. and Mrs. Inez Lozano, was held in the home of Mr. and Mrs. Aurelio Gallegos.

### Nursing Home News by Myrtle Guinn

Mrs. Ora Martin of Littlefield has been staying with her mother, Mrs. Perry, who is quiet ill. We hope she feels better soon. Mr. and Mrs. Junior Epperly and two children of Portales, N.M. came Sunday to see his grandmother, Mrs. Millie Epperly. Mrs. Sloan fell Sunday night and x-rays were taken but no broken bones were found. Mr. Murray Hall of Dimmitt came Sunday to visit his mother, Mrs. Hall. Mr. T.L. Glasscock came Monday to visit his brother-in-law, Mrs. Gilbreath. Mrs. Brown isn't very well and went to the doctor Monday. Her daughter, Mrs. Simpson, came and spent the day with her. Mr. and Mrs. Gordon Mur-

rah visited his sister, Miss Jerrene Murrah, on Monday. Mrs. Goodnaugh came to see her mother, Mrs. Choate Monday. Mrs. Ray also came to see her mother, Mrs. Duke on Monday as she does every day. I attended a tea hosted by the staff and employees of the Muleshoe Nursing Home and West Plains Hospital, honoring the Auxiliary and friends in the home of Mrs. John Clark. It was a very lovely party and I sincerely enjoyed being there. Several of the Auxiliary ladies came Tuesday to shampoo hair at the nursing home. I think they shampooed and set the hair of 13 or 14 people before noon lunch. Mrs. Lura Northcutt came to visit her sister, Mrs. Maggie Emmault, Tuesday.

Mrs. Boone and Mrs. Stuve visited Mrs. Whitford, their mother, recently. Mrs. Hardin's sons came to see her on Wednesday. Mrs. Mona Hawkins and Mrs. Arlene Fleming of Amarillo visited Mrs. Snow Davis and daughter, Mildred, over the weekend. The following little verse is worth remembering and applying our lives to do our very best daily for without friends I am sure we would be losing something precious to own, and to make our own life happier. "It isn't your years, but how you have spent them. It isn't the cares that life may bring, it is the joys and dreams and friendships. These are worth remembering." I have found this to be true daily in my own life and hope you will like it too.

### NEW ARRIVALS

Jeremy Russell Bush Mr. and Mrs. Dennis Bush of Muleshoe are the proud parents of a new baby boy born February 21 at 3:45 in the Littlefield Hospital and Clinic of Littlefield. The baby weighed seven pounds and was named Jeremy Russell. He is the couple's first child. Grandparents are Mr. and Mrs. Leland Jones of Muleshoe and Mr. and Mrs. Jim Robinson of Flagstaff, Arizona.

MISS PATRICIA CARPENTER

### Miss Carpenter To Be Summer Missionary

Miss Patricia Pearl Carpenter, daughter of Mr. and Mrs. Harold L. Carpenter of Bridgeport will spend ten weeks this summer on the Rio Grande as a summer Missionary.

Miss Carpenter spent her first nine years of school at Three Way in the Maple community before moving to Bridgeport with her parents. Her grandparents are Mrs. George W. Fine of Maple and Mr. and Mrs. M.L. Carpenter of the Stegall community.

Miss Carpenter's full duties are not yet known but she will be serving under the Baptist Student Union of the Baptist General Convention of Texas.

A freshman Bible major at Howard Payne College in Brownwood, Miss Carpenter is preparing to be a full time missionary upon graduation. She was recently awarded the W.M.U. Scholarship by the Wise County Baptist Association. Miss Carpenter is also serving as assistant music director at the Jones Chapel Baptist Church just outside of Brownwood and is active in the

Howard Payne B.S.U. Miss Carpenter is a 1973 graduate of Bridgeport High School, was a member of the High Honor Society and was nominated to Who's Who among High School Students.

While living in the Stegall community, she was a member of the Hicks Chapel Baptist Church.

### Open House To Be Held

Richland Hills will have open house on Tuesday March 5, from 6:30-8:30 p.m. Mary DeShazo will observe Open House the same night from 7:00-9:00 p.m. this will be in observance of Texas Public School Week and the P.T.A. encourages each parent to visit with your child at their respective school at this time. Come and let your child share with you his activities.

There will be no school Monday 4. Due to inservice training for teachers.

## Lubbock Hosts FHA Convention

"Impact, NOW" will be the theme for the Area 1 Future Homemakers of America annual convention when it convenes in Amarillo March 8 & 9, 1974.

Impact is a new in-depth involvement project of the National Association of FHA. Local chapters across the nation are carrying out in-depth projects in their communities. Area 1's emphasis this year has been on the impact youth can have on America, now!

The activities on Friday night March 8 will be at three different locations. Beginning at 7:30 p.m. a talent show will be held in the Civic Center Auditorium. Janet Walker, 4th Vice President from Sunray, will emcee a variety talent show presented by 18 FHA chapters.

Simultaneously at 7:30 at Amarillo high school the meeting of the voting delegates will assemble to transact business and to elect officers for 1974-75 school year. Following these two events, the students from the HERO-FHA chapters will participate in a program and banquet at the Quality Inn. Bonnie Sain, 6th Vice President from Muleshoe, will be in charge of the program. HERO members are from homemaking cooperative training programs. Keith Christie from Monterey high school in Lubbock and the Blue Grass Singers from McLean will provide entertainment.

The program for Saturday March 9 will be held in the Civic Center Auditorium beginning with a Choir presentation by the Sharon Singers, one of the Area 1 FHA choirs for junior and seniors from local chapters. Mrs. Peggy Bain, band and choir director at Kress high school, will be the conductor and Charlotte Carritte of Sunray will accompany her at the piano. Selections for the choir are: "Everything is Beautiful", "I Will Never Pass This Way Again", "Impossible Dream" and "He Ain't Heavy, He's My Brother."

Miss Cindy Green, Area President from Caprock high school in Amarillo, will preside during the morning. People to appear on the program during the first session will be R.R. Ashworth, Superintendent Amarillo Independent School District; R.G. Mills, Chamber of Commerce, Amarillo; Mrs. J.G.

Cannon, Area 1 Young Homemaker President, Hale Center; Walter Stubblefield, Area 1 FFA president, Happy.

Miss Annette Reznik, State FHA President of Friona, will be the principal speaker. Her topic will follow the theme. Her emphasis will be "How to Make and Impact". Miss Reznik has held workshops for homemaking teachers across the state on Impact - What it is and how to implement it.

Miss Mary Harris, 2nd Vice President, Estacado High School from Lubbock, assisted by Miss Kim Wallace, Littlefield and Miss Cindy Berner, Spearman, will present certificate of recognition to 30 FHA members that have completed three levels of Encounter growth.

Miss Cheryl Childers, 1st Vice President, Coronado high school, Lubbock, will be assisted by Miss Sandra Canon, Hale Center, Miss Mizzi Terrell, Lockney and Miss Donnie Sain, Muleshoe, will summarize the work of the Area Officers as they undertook a project "Impact Trail" by going to local chapters presenting Impact to the members.

During the noon hour the area officers will host a luncheon where each officer will recognize people that have assisted them closely during this school year. These people are superintendents, principals, vocational directors and homemaking teachers. Miss Cindy Green will be presiding.

Beginning the afternoon program, the Ima Dee Singers, the other Area 1 Choir for local freshman and sophomores, will present; "A Bird in Spring", "What the World Needs Now is Love", and "Day by Day" with Mrs. Bain directing. Special music for the day includes organ and piano duet by Mr. and Mrs. Michael Price of Amarillo; a duet, "If I Can Help Somebody" by Janet Walker, Sunray and Keith Christie, Monterey High School Lubbock; The Blue Grass Singers from McLean High School; "I Believe in America" by Darrauzett FHA; "The Americans" by Irene Hernandez from Sunray and special guitar and drum music by David Saxon, White Deer.

Honorary Membership will be bestowed upon Mr. R.L. Knox Principal Lockney High School.

Mr. and Mrs. A.L. Reznik, parents of Annette Reznik, Friona; Mr. Alton Farr, Superintendent of Schools, Friona; Mr. J.R. Cook, High School Principal, Friona and Mrs. Sarah Allman Homemaking Teacher, Estacado High School in Lubbock.

New officers will be installed by Miss Reznik insert A. The new president will close the convention after Janet Walker, Sunray, has sung "The Lords Prayer."

The 1975 convention will be held at the Lubbock Municipal Auditorium in March. This follows the practice of alternating lows the practice of alternating years with Lubbock and Amarillo.

Girls from Muleshoe running for an office are Miss Cindy Harvey, daughter of Mr. and Mrs. Charles K. Harvey; Miss Vickie Redwine, daughter of Mr. and Mrs. Homer Redwine and Miss Donita Dale daughter of Mr. and Mrs. Lewis Dale.

### Mrs. Johnson TOPS Queen

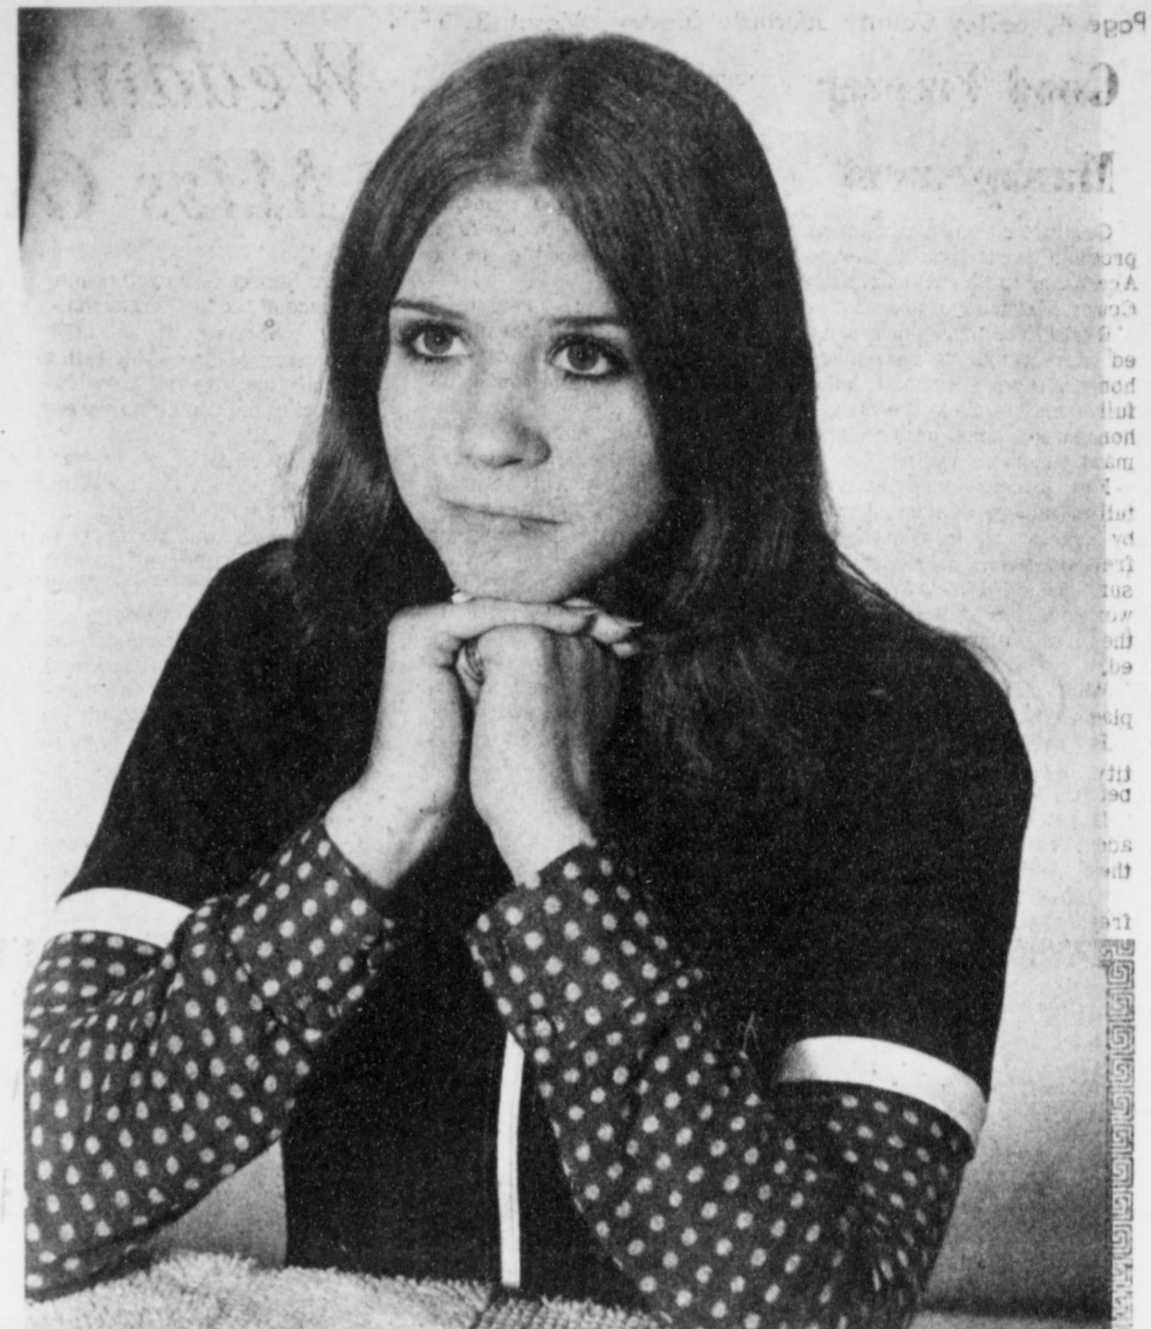

TOPS Chapter No. 34 met Thursday evening, February 28 at 6:30 p.m. in the meeting room of Bailey County Electric with 28 members weighing in.

Mrs. Mary Johnson was named weekly queen. First runner up was Mrs. Joe Baker and Mrs. Don Martin was second runner up.

One renewal member was present, Mrs. Aurora and one visitor was present, Mrs. Judy Ellis.

Those receiving a gift from the birthday box were Mrs. Bobby Newman, Mrs. Joe Baker and Mrs. J.J. McDonald.

All members are urged to attend next weeks meeting because of elections and awards will be presented.

MARRIAGE ANNOUNCED . . . . . Mr. and Mrs. Richard Puckett wish to announce the marriage of their daughter, Cynthia Beth to Kenny Harold Brock, son of Mr. and Mrs. Bennie Silhan of Pep. The couple were married February 27, 1974 in Clovis, New Mexico. The bride is employed at Muleshoe Publishing Company and the groom is employed at Anthony's. The couple will reside at 121 Avenue J in Muleshoe.

# FIRST NATIONAL BANK

Where All Your Banking Needs are Provided

MEMBER OF F.D.I.C.

# Texas Farm Bureau Says Wage, Price Controls Have Failed

The Texas Farm Bureau told Texas Congressmen and Senators that wage and price controls have failed and should not be extended beyond April 30.

In a letter to all members of the Texas delegation, TFB President J.T. (Red) Woodson said controls "have failed completely" and to extend them would be a "serious mistake." He said that inflation was caused by federal deficits and urged the

Texas lawmakers to work for economy in government.

"The price freeze caused a number of distortions in our national economy," said the head of the 152,000-member farm organization. "The dollar has been devalued in world markets. Shortages of manufacturing supplies and consumer goods have developed. The energy crisis has been made worse by price controls."

Woodson said agriculture has

suffered in many ways.

"Fertilizer is in short supply," he said, "and baling and fencing wire is almost nonexistent. Other farm production items—essential to feeding the Nation—are difficult to obtain. The brief attempt to control beef prices in 1973 brought chaos to the industry—and shortages to the meat counter."

In citing "failure" of controls, Woodson said that the

Consumer Price Index has risen 13 percent since the freeze was begun in August, 1971, and that wholesale prices had increased more than 20 percent in that period.

"Wage and price controls failed because they sought to curb inflation by treating the symptoms rather than the root causes," he said. "Deficit spending by the federal government is the real cause of inflation. It creates more purchasing power without any increase in the amount of goods to be bought." He added that price controls are "self-defeating" since they lead to shortages, which, in turn, add to inflationary pressures.

# Energy Management Is Stressed Here

Farmers and ranchers must become more "energy conscious," says Spencer Tanksley, county agent for the Texas Agricultural Extension Service.

He urged all those engaged in agricultural production to key on "energy management" during these times of fuel shortages. Every gallon of fuel saved is another gallon available to use to increase production.

Tanksley suggests 10 key ways farmers and ranchers can save energy:

Tune up engines to save fuel and increase power.

Reduce tillage to save up to two gallons of fuel per acre.

Combine field operations to save another two gallons of fuel per acre.

Shift up—throttle down—save even more fuel.

Shut off engines—idling wastes fuel.

Use wheel weights for heavy jobs—remove them for light work.

Keep plowshares and cutting tools sharp and correctly adjusted.

Keep proper air pressure in tires for maximum efficiency.

Check operator's manual—

when in doubt, consult your dealer.

Check with the county Extension office for other ways to improve your "energy management."

Energy conservation is everyone's business, points out Tanksley. We must all work together as responsible citizens.

**ISRAEL'S PRICE FREEZE**

JERUSALEM—The Israeli government has decided to impose a 90-day price freeze to combat inflation. The cost of living in Israel has risen 11 per cent since January 1.

zens to conserve not only fuel supplies but all our resources as well if we are to continue as a prosperous nation.

# Rep. Bill Clayton Reports On Black Market And Constitution

At the conclusion of an active week in Austin, Rep. Bill Clayton (D-Springlake), reported that the Constitutional Convention had passed the half-way point in its original 90 day schedule and that an inquiry date has been set for investigation into the fertilizer and chemical shortage.

it had passed, very few items of importance or controversy had been acted on by the entire convention. Because of this fact, Clayton predicted that the delegates would either have to constantly meet into the late evening in order to finish on time or would have to extend the convention past its original 90 days to cover such issues as right-to-work, branch banking, county home rule and other areas of controversy.

Rep. Clayton also reported that he had established an inquiry board, consisting of himself, the office of the Governor, the Lt. Governor, the Attorney General, and the Secretary of Agriculture to investigate and take testimony on the current shortage in agricultural fertilizers and chemicals. The inquiry board was created after Rep. Clayton found evidence of black market dealings on these products in the

West Texas area. All persons interested or having information to give the board are urged to attend. The board will meet Friday, March 1, at 2 p.m. in the Texas Supreme Court Bldg. in Austin.

**JET SALES**  
Secretary of State William Rogers has announced that President Nixon has authorized the sale of F-5E supersonic jet fighter planes to Chile and four other South American countries.

**LIMITS PAYMENTS**  
The Senate approved a farm bill that would impose a \$20,000 ceiling on subsidy payments that could be paid to any one farm. The present ceiling is \$165,000.

# Lottery Numbers Will Be Drawn March 20

Young men born in 1955 will have their Selective Service lottery numbers drawn on March 20, even though there is no draft or plans to resume call-ups for involuntary military service. Col. Melvin N. Glantz, State Director of Selective Service for Texas announced today. The sixth annual Selective Service lottery drawing for the nation's young men who become 19 years of age during 1974 will be held in Washington, D.C. on that date.

peace, it is generally recognized that there is the need to maintain a strong defense capability in order to insure continued peace," Col. Glantz said. "The present 'standby' Selective Service System, which continues to register and classify young men, is a vital part of our defense preparedness program." Texas has approximately 110,000 19-year-olds who will have their lottery numbers established by this drawing, according to Glantz.

The Military Selective Service Act requires all young men to register with the System at the time of their 18th birthday. They are assigned their Random Sequence Number through the lottery which is held during the year in which they become 19 years of age. They are potentially vulnerable to induction throughout the calendar year of their 20th birthday; thereafter each year, they are placed in a lower priority selection group.

The President's induction authority would have to be restored by the Congress before these young men could be inducted. The Defense Department has issued no calls for draftees since December 1972. In reminding Texas' young men that penalties for failing

to register can range, to as much as five years' imprisonment or a fine of \$10,000, or both, Col. Glantz said that Selective Service has provided ways which enable men to register with minimum inconvenience.

In Texas, registration places have been established in every county. In addition to Selective Service System Area Offices, there are more than 1,200 uncompensated registrars operating in County Courthouses, Schools, National Guard Armories, and in other public places. Broad publicity has given notice to young men having responsibilities under the law to register, that registrars are available to them.

ROSE KING AND QUEEN. . . . Mike Hunt and Jana Garrett were selected as 1974 King and Queen for FHA.

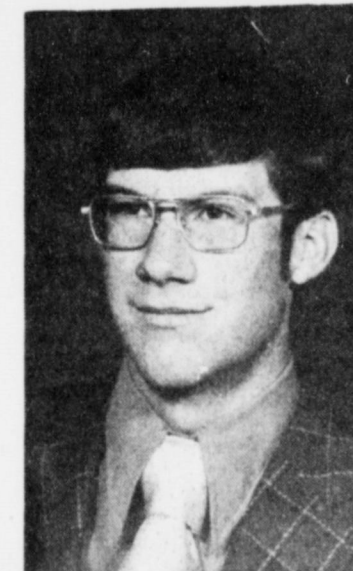

ROSE BLOSSOM DUKE AND DUCHESS. . . . Larry Parker and Cynthia Ramm were selected as 1974 Duke and Duchess for FHA.

ROSEBUD PRINCE AND PRINCESS. . . . Nicky Bamert and Cynthia Isaac were selected as Prince and Princess for FHA.

FRED LOCKER

PERRY STOCKARD

DON LONG

### Three Chosen For All-District

The 1-AAA All District team was announced Monday with three Mules garnering positions in the elite of 1-AAA. The honors went as follows: Fred Locker, first team; Perry Stockard, second team; and Don Long, honorable mention.

For the season Fred Locker hit 146 FGA's for a 38% average. He also hauled down 156 rebounds during the season. In District, Locker hit 48 of 127 FGA's for a 41% season average. He hauled down 244 rebounds. In District, Stockard hit 39 of 96 for a 41% average and had 73 of 253 FGA's for the season and 26 of 67 of FGA's in district play. Locker averaged 12.3 point per game for the season. Stockard averaged 11.5, and Long had a 7 point per game average.

Congratulations to these players for a fine season and for being chosen as among the best in District 1-AAA.

### Royalty Named At Annual FHA Banquet

The two FHA Chapters held their annual Sweetheart Banquet on February 16 in the High School Cafeteria, and the girls brought their sweethearts.

The cafeteria was decorated with red and white cloth flow-

### Texas Tech Has Speech Tournament

Texas Tech held their annual Invitational Speech Tournament last weekend, Muleshoe High's Speech Department entered twentyfive students in the twelve event meet.

In overall competition, Muleshoe won third place toward the sweepstakes championship. Mildred Lee won first with 237 points as compared to Muleshoe's 195 points. Thirty-nine schools entered eight hundred contestants in the tournament.

Steve Block and Richard Meyers won second in debate; Johnny Dean and Clifton Meyers won third in debate; Jana Oylar won second in persuasive speaking; Ronnie Bullock won second in informative speaking; and Danny Vela won third in informative speaking.

The last invitational tournament will be at West Texas State, March 14-15.

Thus far in competition as a team, the Speech Department has won five sweepstakes Championships, a second place, and a third place.

ers in cloth-covered pots. The traditional colors of red and white were carried throughout the banquet.

Mistress of Ceremonies was Cindy Chandler. The Invocation was given by Sherrell Rasco, the welcome by Nancy Ramm; and special guest were introduced by Prisca Young. Alta Ramm made the special presentations. Donita Dale introduced the entertainment, which was the "HardTravelers" from LCC. The meal prepared by the cafeteria ladies was enjoyed by the FHA members and their guests.

After the Entertainment, the Coronation of Royalty was held. Janet Hopper presented the candidates and announced the winners.

The Prince and Princess from the Rosebud Chapter were Cynthia Isaac and Nicky Bamert.

The Duke and Duchess from the Sophomore Rose Chapter were Alta Ramm and Larry Parker.

The Queen and King from the Junior and Senior Rose Chapter were Jana Garrett and Mike Hunt.

Flowers, crowns, and gifts, were presented by Shelly and Tim Sain.

The Benediction was given by George Washington.

Amnesty group to hold meetings around U.S.

1973 set records in art investing.

### Mullettes Named To All-District Teams

This past year the Mullettes have had a very hard time during the basketball season. There is one girl on the team that means a lot to her team mates and this is Brenda St. Clair. Brenda was the only senior on the team, and she worked very hard and faithfully throughout the season. Brenda had a very good attitude, and the Mullettes would like to thank Brenda and let her know how much they have appreciated her

this year and how much they are going to miss her next year.

Recently the following girls made the all-District Basketball teams 1-AAA: 1st team guard-Belinda Throckmorton, 2nd team guard-Brenda St. Clair second team guard-Diane Dale, 2nd team forward Sarah Patterson, 2nd team forward-Jan Harlin.

Congratulations go to these girls for their hard work and team sportsmanship.

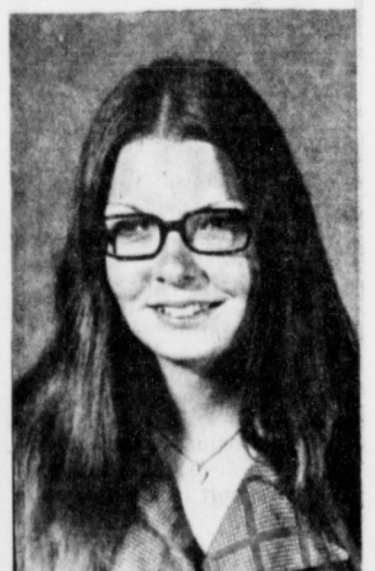

BRENDA ST. CLAIR

BELINDA THROCKMORTEN

DIANE DALE

SARAH PATTERSON

### FTA Yearbook Places At Convention

The 25th Annual Texas Future Teachers of America Convention was held February 22-23 in Dallas. Muleshoe delegates from the Blackburn-Moore FTA Chapter left Lubbock on a chartered bus which they shared with other area schools and arrived in Dallas late Thursday.

The opening session was held Friday afternoon. The scheduled guest speaker, Dan Kubiak, could not be present, so a member of the Education Committee spoke on the TFTA theme "Carrying Our Commitment to the Future". The first session was followed by district meetings.

The delegates spent Saturday morning attending workshops. Debbie Dunbar, voting delegate, took part in the election of new state officers that afternoon. Saturday night brought the awards assembly, the highlight of the convention. The Blackburn-Moore Chapter Yearbook placed second in the Commercial Class. Congratulations to the Yearbook Committee.

The group arrived home Sunday afternoon. Attending from Muleshoe were Kelly St. Clair, Jana Oylar, Dicky Hanks, Debbie Dunbar, Danny Brown, Sherrell Rasco, Lawren Hall and sponsor, Kerry Moore.

G.O.P. says Democrats got more dairy money.

### FTA Plans Volleyball Tournament

FTA met Wednesday, February 27, in Room 14. After pictures of state delegates were

### FHA Rose Chapter Has Meeting

The Rose and Rosebud Chapters of FHA met at orientation on Tuesday, February 26, to discuss several business items.

Diane Vinson urged everyone to sign up to work on the Chapter's Impact project of cleaning and painting the girl's restrooms. Members may work on Monday, Tuesday, Thursday, and Friday from 5-7:30 p.m.

The secret grandmother's party was postponed until May 3 in order to give the girls more time to do nice things for their secret grandmothers.

A money-making project was also discussed. The Rose Chapter voted to sell vanilla and pepper and the Rose Buds will sell Tupperware.

### Steve Block Named Best Of MHS

This week congratulations are in store for Steve Block. Steve has been chosen by Thespians Troupe 714 as Best of M.H.S.

Steve is the 17 year old son of Mr. and Mrs. Burel Block, who reside at 915 West Ave. D. He is reigning as Student Council President of MHS and our Council is President of District V Association of Student Councils. Steve is also a member of Thespians, Junior Classical League, German Club, and National Honor Society.

"Congratulations Steve!"

Soviet, too, urging energy conservation.

## STATE CAPITAL Highlights AND Sidelights

by Bill Boykin  
TEXAS PRESS ASSOCIATION

AUSTIN, Tex. — Home insurance rates are going up for most Texans.

New rates to be effective June 1 or July 1 will take into consideration expected rising costs of replacing and repairing damaged buildings.

The rates were adjusted a year ago (Jan. 1, 1973), with reductions in most lines.

### Six Accidents Investigated In Country

The Texas Highway Patrol investigated six accidents on rural highways in Bailey County during the month of January, 1974, according to Sergeant Thurman Keffer, Highway Patrol supervisor of this area. These crashes resulted in no persons killed and one person injured.

The rural traffic accident summary for this county during the month of January of 1974 shows a total of six accidents resulting in no persons killed and one person injured.

The rural traffic accident summary for the 60 counties of the Lubbock Department of Public Safety Region for January, 1974, shows a total of 553 accidents resulting in 16 persons killed and 302 persons injured as compared to January, 1973, with 572 accidents resulting in 16 persons killed and 207 persons injured. This was 19 less accidents, and 95 more injured in 1974 at the same period of time.

The 16 traffic deaths for the month of January, 1974, occurred in the following counties: three in Parker; two in Lubbock, Potter; and one each in Crosby, Haskell, Lamb, Lynn, Montague, Palo Pinto, Young, Brisco, and Ochiltree.

Indications are fire coverage for homes will go up this year, but commercial building protection will cost less.

Multi-purpose homeowners policies will increase in price for Seacoast and North-Northwest territories. Although the low record of the last decade indicates a 5.5 per cent reduction for the Central Inland area, G. L. Jones, State Insurance Board chief property actuary, said inflation may negate the saving.

All three territories are due for an increase on extended coverage, including windstorm and vandalism coverage.

State Board statistics hold promise of a saving on commercial building coverage for the Central Inland territory.

Following past board practices of figuring inflation on price increases over the last six years, an industry representative said the statewide boost for all lines of building insurance would be more than 20 per cent.

However, Texas Insurance Advisory Association suggested a revised inflation factor projected to save \$43.7 million.

### Craig Kirby Wins Houston Calf Scramble

Craig Kirby of Maple was one of 15 lucky boys to be a winner in the calf scramble at the February 23 matinee performance of the Houston Live-Stock Show and Rodeo.

Kirby received a \$225 certificate from Mr. and Mrs. Jackson to be used toward the purchase of a registered calf of his own choosing. Under the supervision of Spencer Tanksley Bailey County Extension Agent, he will feed, raise, and care for the calf until next year's show, when he will return it for judging in the calf scramble division, and the junior breeding division.

To encourage and further educate 4-H and FFA boys in the raising, feeding, and breeding of high quality Texas cattle, the calf scramble was started in 1942. Since its beginning, the calf scramble has paid boys well over \$1 million to buy more than 7,000 calves to feed and develop. Only half of the 388 boys taking part in this year's scramble will win in the contest.

**Muleshoe Texas**

lion for Texas property owners this year below the board estimates.

**LAW "DISCOVERED"** — The Texas Board of Pardons and Paroles only last November discovered a law requiring it to recommend to the governor whether prisoners should have full citizenship rights restored on completion of sentence.

"Until our present board membership was made aware of this provision very recently, it has been ignored," said Charles G. Shandera, a member of the Board, in a letter to Sen. A. R. Schwartz of Galveston. Schwartz is chairman of the Constitutional Convention Rights and Suffrage Committee.

Shandera said he does not think the oversight has worked any great hardship on ex-convicts deprived of civil rights, because they can make requests for full pardon.

Rights include voting, running for public office, jury service, entry into licensed professions and eligibility for bonding.

Plenty of action for the May 4 Democratic primary developed just before last week's filing deadline.

Mrs. Frances "Sissy" Farenthold got into the governor's race against Gov. Dolph Briscoe, and promptly filed a \$3 million lawsuit, alleging he accepted illegal campaign contributions.

Houston lawyer Donald B. Yarbrough filed against State Treasurer Jesse James. Herbert "Peanut" Schroeder of Columbus challenged Agriculture Commissioner John C. White, and C. A. Kelly of San Antonio took on Railroad Commissioner Mack Wallace.

A three-way Democratic race of comptroller was on schedule long before the filing deadline, with Bob Bullock and Howard Edburg of Austin and Buddy F. Kirk of Houston the candidates. Comptroller Robert S. Calvert is retiring.

Lt. Gov. Bill Hobby, Attorney General John Hill, Land Commissioner Bob Armstrong, Railroad Commission Chairman Jim C. Langdon and top appellate judges escaped Democratic opposition. But all incumbent statewide officials (except the judges) will get Republican opposition in November.

Republicans have contests for governor: Hank Grover of Houston, Jim Granberry of Lubbock and Odell McBrayer of Fort Worth; for lieutenant governor: Gaylor Marshall of Dallas and Troy Skates of Austin; and for railroad commissioner: Dale W. Steffes of Houston and John Hall of Weatherford.

Other Republican statewide candidates include Tom Cole

of Houston for attorney general; Nicholas Rowe of McAllen for comptroller; Mrs. Mary Lou Grier of Boerne for land commissioner; Robert G. Holt of Amarillo for treasurer; Zack Fisher of Memphis for agriculture commissioner and Joe Cain of Houston for railroad commissioner against Langdon.

Raza Unida Party fielded Ramsey Muniz for governor and Fred Garza for Railroad Commissioner.

**CONVENTION MOVES ON** — Constitutional Convention delegates are making major decisions in committees as their work product nears the floor voting stage.

One of the big votes in the Education Committee was for retention of the \$680 million permanent University Fund for use of the University of Texas and Texas A&M University.

Voting rights (postponed due to a last-minute committee hangup) and education proposals are expected to be considered by the full

convention late this week.

Presiding Officer Price Daniel Jr. said the convention probably will be voting every day next week, and committees which have not finished their work will have to hold night sessions.

**TRUCKERS IRATE** — Unhappy Texas truck drivers called on Governor Briscoe for aid in getting diesel fuel prices rolled back.

In an effort to end their strike, Briscoe dispatched an aide to Washington to confer with Federal Energy Administrator William Simon on the situation.

The governor's aide, James Rose, said his mission was "simply to convey (the truckers') position to federal agencies and congressmen."

Texas truckers also demanded an increase in the speed limit between 10 p.m. and 6 a.m.

**COURTS SPEAK** — The State Supreme Court affirmed a trial court verdict that the City of San Antonio does not owe hotel operators damages because a parking garage hampered access to their hotel.

Former House Speaker Gus Mutscher's appeal from a bribery conspiracy sentence (five

years probated) will be heard by Texas Court of Criminal Appeals April 10 or 17.

The Supreme Court threw out a 150-day sentence for contempt of court assessed Jody Martin Parr, wife of Duval County Judge Archer Parr, because the punishment was increased without hearing.

Testimony about a previous assault led to a Dallas man's winning retrial on rape charges.

**AID URGED** — Federal Aid has been urged for 10 South-east Texas counties hit by rain, winds and flooding last month.

Governor Briscoe called on President Nixon for assistance through Small Business Administration, Farmers Home Administration and the Corps of Engineers.

Counties are Angelina, Hardin, Jasper, Liberty, Nacogdoches, Newton, Orange, San Augustine, San Jacinto and Shelby.

**VEGETABLE SEASON DISAPPOINTING** — Agriculture Commissioner John C. White said a winter freeze, strong competition and fall rains lowered prices on winter vegetables in South Texas.

The growers' loss is the consumer's gain, however,

White said.

Spinach is an exception, Cabbage growers, said White, have been hit unusually hard — with prices dropping to seven cents a pound.

The truckers' strike threatens further complications, according to White, and shipments are not being accepted for delivery east of the Mississippi River due to trucking problems.

**COLLEGE TAX SNAGGED** — A proposed constitutional change to allow an increase in the property tax for broadened support of 21 public colleges and universities appears to be losing ground.

Constitutional Convention Education Committee Chairman Rep. Dan Kubiak of Rockdale indicated a new proposal will call for legislative appropriation to the institutions equal to revenue to The University of Texas and A&M University from the Constitutionally-dedicated Permanent University.

**LOBBY BILL CHALLENGED** — Austin District Attorney Robert O. Smith has called on Attorney General Hill for a ruling on constitutionality of the 1973 lobby control act.

Smith said the act may require lobbyists to incriminate themselves by reporting expenditures which could be held as bribery under a new statute effective January. The bribery law outlaws holding out "any benefit" to an official to influence his decision.

### SHORT SNORTS

Texas Court of Criminal Appeals still has the largest

case load of any state appellate court in the nation.

Attorney General Hill held the Texas Air Control board may not enforce federal environmental protection agency regulations not within its statutory jurisdiction and not adopted by the agency itself.

President Nixon's budget includes funds for veterans out-patient clinic at Beaumont and air conditioning modernization at the VA hospital in Kerrville.

# Farmers, Ranchers Should Conserve Fuel

Clarification of procedures for farmers and ranchers to use in filing forms for fuel allocations were issued today by Delbert M. Fowler of Dallas, Regional Administrator for the Southwest Region of the Federal Energy Office (FEO). "First of all I want to emphasize that the farmer should

make every effort to solve his problem through his individual supplier," Fowler said. "The farmer or rancher is entitled to 100 percent of his current requirements, and his supplier should see to it that his fuel is delivered," Fowler continued. "But I also want to empha-

size this does not exempt the farmer or rancher from using conservation measures like everyone else," Fowler noted, adding the warning, "This status can be taken away just as easily as it was given if the privilege is abused."

There are two instances where a person involved in agricultural production would apply directly to the FEO regional office, using FEO Form 17:

1. If he qualifies as a wholesale purchaser (he buys 20,000 gallons or more annually), and none of the suppliers he

has contacted are willing to accept him as a new customer as they are obligated to do under the regulations, he has the desired supplier fill out block 12 on the FEO Form 17 and sends the Form 17 application to the Dallas or other appropriate regional FEO office asking that he be assigned to a supplier.

2. If he qualifies as a wholesale purchaser, and he and his supplier cannot agree on the base period allocation volumes to be provided, he has his supplier indicate the disagreement in block 12 on the Form 17

and sends the Form 17 application to the Dallas or other appropriate regional FEO office for resolution. There are two instances when a person involved in agricultural production would apply directly to his state allocation office. If he encounters either of the two situations described above, but is an end-user who does not qualify as a wholesale purchaser, he would apply to the state officer on FEO Form 20 for assignment or adjustment, rather than to the regional office.

All of these situations relate to longer term actions. If in the short term, the farmer or rancher is out of fuel and is a hardship case, he contacts his state allocation office and makes application on FEO Form 20. It is not necessary for the farmer or rancher who does

not qualify as a wholesale purchaser to submit any form unless he finds himself in one of the situations described above. If his retailer or supplier asks for certification of this requirement, an ordinary letter should suffice. The address of the regional FEO office is:

Federal Energy Office  
P.O. Box 2263  
Dallas, Texas 75221  
The address of the state allocation office is:  
State Allocation Office  
P.O. Box 12577  
Capital Station  
Austin, Texas 78711

**We Regret**  
"The great poets are born," remarked the sentiment person. "Yes, and they are also dead," replied the editor.

## Bula News By Mrs. John Blackman

Saturday March 9, there will be a joint 4-H food show at the Bula School lunchroom, 4-Hers from Cochran and Bailey counties will be preparing food for this show.

March 9, is day set for the Cochran County Livestock Show, Jack Birdwell and his FFA boys will be on hand with the live stock projects for all the FFA boys.

Our sympathy is extended to Effie Austin and her family in the loss of her mother Mrs. Willie Moore of Clovis. Mrs. Moore passed away Saturday following a stroke on Tuesday. Funeral services were conducted Monday afternoon at 2:00 p.m. in the Para mount Baptist Church at Clovis. Friends attending from Bula were Mr. and Mrs. P.R. Pierce and Mr. and Mrs. Clyde Hogue.

WMU met Tuesday at the church with Mrs. Williams having charge of the bible study taken from the 5 & 6 chapters of Matthew. Mrs. Richardson read the call to prayer calendar and Mrs. Battles offered the opening prayer with Mrs. Pierce giving the benediction.

Attending were Mrs. Rowena Richardson, Mrs. E.O. Battles, Mrs. P.R. Pierce Mrs. C.A. Williams and Miss Vina Tugman.

The past week Mrs. Pearl Walden accompanied by Mr. and Mrs. Lowell Walden of Earth spent most of the week in Carlsbad visiting with Mrs. Walden's daughter Mrs. Marie Aaron and other relatives.

Mr. and Mrs. Tom Bogard visited from Friday until Monday with relatives in Clarendon and McLean. At Clarendon they visited with Mr. and Mrs. Roy Blackman and also with his sister Mrs. Blanche Smith at the Clarendon Nursing home. At McLean they visited with Neal Bogard, resident in an Amarillo nursing home.

Attending the Pastors and Laymen's conference at Wayland Monday and Tuesday were Rev and Mrs. Eddie Riley, Tues-

day Mr. P.R. Pierce attended. Mr. L.E. Pollard has been a patient in the Littlefield Hospital for several days.

We were sorry to hear of Mrs. May Berryhill of Littlefield having the misfortune of falling and breaking her hip and is a patient in the Medical Arts Hospital. Mr. and Mrs. Berryhill lived in the Bula community for several years before moving to Littlefield.

Rev Carelton Thomason, District Superintendent from Plainview spoke Sunday morning at the Bula Methodist Church.

Leo Holt is a patient in the Methodist hospital, following a one vehicle accident in his pickup Thursday afternoon late. Some mechanism about the pickup failed to work was cause for the wreck. He has showed improvement, but complains with neck injury.

Rev. Eddie Riely took his RAs to Littlefield Saturday for a track meet with RAs from the First Baptist Church.

Jerry Cox, cub Master for a group of Scouts in the Bula-Enoch area also his son Jamie Chuck Pickard and Eric Wright attended the George White, District Appreciation Dinner held Saturday Feb. 16, in the Community Center.

Mr. and Mrs. J.D. Rowland are in Abilene this week to be with his father Mr. J.F. Rowland, who is quite ill in an Abilene hospital.

Mr. and Mrs. Bennie Clauch and children Keith and Sherri along with Mr. and Mrs. Spencer Tankley of Muleshoe are in Houston this week for the Houston Live Stock Show and Rodeo.

Mr. F.L. Simmons was admitted to the Medical Arts Hospital Tuesday to receive treatment for a good case of the flu.

Mr. and Mrs. Cecil Jones returned Wednesday afternoon from a visit of several days with their daughter and family the Murry Alexanders of Fort Worth. They drove on to Waco for a visit with one of his elderly uncles for a short while.

Upward, Ho!  
Sure, there are splinters on the ladder of success, but you'll never notice them unless you are sliding down.

Whiter than Snow...

"Purge me with hyssop, and I shall be clean; wash me, and I shall be whiter than snow." The Psalmist desired to be pure and white as snow, and knew that this could come only from God. Complete joy, and gladness of a pure heart can be yours too, when you walk close with the Lord.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

## Community Forum To Benefit Muleshoe

The steering committee of the Bailey County Unit of the West Texas Chapter of the Arthritis Foundation met last week to

complete plans for the Arthritis Drive March 19. To benefit the community a forum will be presented by a rheumatologist, a physiotherapist, and an orthopedic surgeon. This will be free to the public and will be held March 14 at 7:30 p.m. in the First United Methodist Fellowship Hall.

**Henry Block has 17 reasons why you should come to us for income tax help.**

Reason 14. We're human, and once in a great while we make a mistake. But if our error means you must pay additional tax, you pay only the tax. We pay any interest or penalty. We stand behind our work.

### ASCS Briefs

The following farm news is from the Bailey County ASC Committee:

The number of bales and net weight of cotton produced on each farm in 1973 must be reported to the ASC office by March 1, using the post card (ASCS-503) that was mailed last fall. This production must be reported even though you may not be operating the farm in 1974. The ASC office needs this production to compute the 1974 payment yields. In case of a disaster there could be some payments made on the 1974 operation.

**FUEL SITUATION:** If farmers feel their fuel allocation based upon 1972 usage will be insufficient for 1974 needs, they should estimate their fuel needs by months for 1974 and report this information to the supplier who in turn will use this information to request an increase in fuel from his supplier. This would be fuels gas, diesel, propane, etc. Each type of fuel would need to be reported separately. The figure reported to the supplier will need to be the best estimate as the farmer will probably be asked to certify that the fuel is needed and will be used for agricultural purposes. This would also apply if farmers have switched from one type fuel to another.

Full details of the disaster provision of the 1974 feed grain, wheat and cotton programs are not known at this time, however, it looks as if a person would have to suffer a major disaster whereby there would be little or no income from the farm before a person would be eligible for any payments. If a person becomes eligible for any payments, they would be based on his basic allotments. Any cotton allotments leased would not be eligible for payments.

When a person makes less than two-thirds of a normal

crop there would be a possibility of being eligible for a so-called deficiency payment and as our regulations now read, any cotton allotment you may have purchased or leased would be eligible for payment.

COUNTY JUDGE & EX-OFFICIO COUNTY SCHOOL SUPERINTENDENT  
**GLEN WILLIAMS** (Re-election)  
COMMISSIONER, Precinct No. 2  
**LOYD STEPHENS** (Re-election)  
COMMISSIONER, Precinct No. 4  
**RUDOLPH MORAW** (Re-election)

- PARMER COUNTY**  
COMMISSIONER, Precinct No. 4  
**JIMMY BRIGGS** REBUBLICAN  
**PETE JESKO**  
FOR TEXAS HOUSE OF REPRESENTATIVES  
74th DISTRICT  
**HARVEY FLOYD** DEMOCRAT

spent Sunday in Lubbock visiting their daughter and family the James Gillentines.

The community received a little snow the past week.

Mr. and Mrs. S.G. Long were

called to Amarillo Friday on the sudden death of a brother-in-law who was buried Saturday.

Mr. and Mrs. Mike Duwarte Jr. are the parents of a baby girl born January 27 at the

West Plains Hospital in Muleshoe. Grandparents are Mr. and Mrs. Mike Duwarte of Three Way and Mr. and Mrs. Cepso Lucero of Portales, N.M.

Mr. and Mrs. D.S. Fowler visited Mr. and Mrs. Cook in Morton Friday night.

## 15 Promises You Can Hold Us To

- Before you buy MF Farm Equipment.**
1. We will help you compare machine value by providing information on every model in the MF line.
  2. We will help you select a machine that is properly sized and equipped to best meet your needs.
  3. We will offer a sound financial counseling service for your machinery needs and will provide you with the facts an figures to help you decide whether it's to your advantage to buy, rent or lease your equipment.
  4. We are eager to help. We will service all of your MF equipment.
- When you buy MF Farm Equipment.**
5. We will correctly assemble, lubricate and adjust every new machine before we deliver it.
  6. We will instruct you in proper operation and maintenance procedures when we deliver your new machine and provide you with an Owner's Manual that includes maintenance and adjustment information.
  7. We will explain the terms of the warranty covering new machines.
- After you buy MF Farm Equipment.**
8. When you buy our reconditioned used equipment, we will back it up.
  9. We will maintain a parts supply at all times and will use all our resources to secure a needed part if we do not have it on hand.
  10. We will periodically conduct MF machinery clinics to pass along the latest operation and maintenance procedures to help you get the most out of your machinery investment.
  11. We will provide on-the-farm service whenever possible — to cut your downtime to a minimum.
  12. We will tell you when we can schedule a repair job and give you our honest estimate as to how long it will take and how much it will cost.
  13. We will check your equipment for safety and general condition any time it is in our shop — and discuss our findings with you.
  14. Repair of your equipment will be supervised by our MF trained personnel, men who have the "know-how."
  15. We will listen to you. We invite your suggestions for serving you better.

## BALANCED SAVINGS

Here's a better idea for better money management:  
Put part of your savings into a certificate of deposit at a minimum of \$1000 for four years; earn 7 1/2 per cent. (Federal law requires penalty for early withdrawal)

Put another portion of your savings money into a 5 1/4 per cent passbook saving account. This keeps your money readily available...but you still draw interest.

Everything balances out...with the help of the home-town folks: Tri-County Savings and Loan.

**Tri-County SAVINGS AND LOAN ASSOCIATION**  
MULESHOE, TEXAS

## Julia Gammons Services Held

Julia Anice Gammons, 2228 Lockwood, Carrollton, died at 1:40 February 13, in Collin Memorial Hospital in McKinney, Texas.

She was born September 10, 1879 in Greenville, Tenn., the daughter of the late George Washington and Mary Catherine Toby Cooper. She was a member of the Assembly of God Church. She married Charlie Arch Gammons on October 15, 1899 in Kaufman County. He preceded her in death April 11, 1954.

Survivors include three sons, Hubert Gammons of Muleshoe, Rudolph Gammons of Big Springs, Jack Gammons of Carrollton; four daughters, Grace Quisenberry of Plainview, Dovie Vaughn of Mena, Ark., Velma Gammons of Wichita Falls,

Audrey Vaughn of McKinney; one sister, Susie Cunningham of Garden Grove, Calif.; 15 grandchildren; 29 great-grandchildren; and seven great-great-grandchildren.

Funeral services were held Thursday, February 14, in Horn - Harris - Crouch chapel with Don Bourland officiating. Interment was in Pecan Grove.

## Col. H.D. Smith Succumbs

Colonel H.D. Smith, retired officer of the United States Air Force, 65, died February 26, in the Lackland Hospital after a short illness.

He was the son of Mr. and Mrs. Henry D. Smith and a brother to Leon Smith of Ft. 1, Friona.

Col. Smith is survived by his wife, Joan, and one daughter, Patricia.

## VACF Will Have Meeting On March 7

The Vietnamese American Childrens Fund, Inc. is a non-profit, not political publicly funded, international grass roots organization to aid the children orphaned, abandoned and injured in the Vietnamese War. A sponsoring committee, Mrs. Leon Smith, the official Chairperson, has arranged for the community room at the Muleshoe State Bank for Thursday evening, March 7, at 8 p.m. for the purpose of organizing a sponsoring chapter.

The Vietnamese American Childrens Fund, Inc., like the Pearl S. Buck Foundation, has arrangements with the Vietnamese Government to secure the lives and education of children that Pearl Buck called the

Amerasian children. They are a new race fathered by the American servicemen. The Pearl S. Buck Foundation is now caring for 800 children in Vietnam and for thousands of such children in Korea.

The VACF now has two homes, Hope I and Hope II filled to capacity. The 1974 goal is the opening of three new homes. Everyone is urged to attend this meeting.

## Fourteen Students From Area On Dean's Roll

Fourteen students from the Muleshoe area have been named to the Dean's Honor Roll at South Plains College for the fall of 1973.

The announcement was recently made by Nathan Tubb, academic dean at SPC.

A total of 232 students at South Plains made the honor roll last semester, with 54 students earning a grade point average of 4.00 or all A's, Dean Tubb noted.

In order to be listed on the honor roll, students must earn

a grade point average of 3.25 and be carrying an academic load of 12 or more hours, he added.

Students from Muleshoe are Cassandra Cargile, Marilyn Clark, Jessie Posey and Jean Seiber.

Sudan is represented by Cecilia Bandy, Tany Chester, Cynthia King, Eugene Lopez, Deanna Phillips, Evelyn William and Barbara Campbell. Students from Earth are Jan Britton, Jesse Castillo and R. Daniel.
