Upper Colorado SWCD Windbreak Tree Program

by Mark Sides, Rangeland Mgt. Specialist

Colder weather and West Texas winds will be here before you know it. It's time to be thinking about purchasing windbreak trees.

The Upper Colorado Soil and Water Conservation District is ready to take orders for the 1998-99 windbreak program.

A properly installed and maintained windbreak goes a long way toward lowering utility bills, and making life easier on both people and animals. Don't be fooled by the name, these trees do more than block the wind. Properly sited and spaced, they work well as sound barriers and/or privacy screens. Wildlife benefit from food and cover provided by windbreaks. Studies have shown that by softening rainfall, blocking high winds, and holding soil in place windbreak plantings reduce erosion by as much as 25%.

Evergreen and hardwood varieties are offered again this year, along with four wildlife packets. Evergreen species again include Afghanistan Pine, Austrian Pine, Eastern Redcedar, and Pinyon Pine. Ponderosa Pine is offered, for the first time, this year.

Evergreen seedlings are shipped in tar paper tubes and are priced at \$2.00 each. Larger containerized trees may be available later on in the season.

The regular hardwood selection again includes: Catalpa, Desert Willow, Green Ash, Shumard Oak (Red Oak), Hackberry, Little Walnut, Russian Olive, Lacebark Elm, and Aromatic Sumac. New additions this year are:

Sandy Cherry, Fourwing Saltbush, Flameleaf Sumac, Nanking cherry, Sand (Native) Plum, and Amur Honeysuckle. Hardwoods are bare-root seedlings and are \$1.00 each. Amur Honeysuckle is in very short supply, so if you are interested, please place your order soon.

Wildlife packets contain a total of 100 bare-rooted hardwood seedlings (25 each of 4 varieties) individually tailored for quail/pheasant, deer, turkey and squirrel. Wildlife packets are \$67.00 each.

Visitor from far away enjoys the all the activities and sights in the area

Mickey and Shirley McMeans had a visitor last week end, Ana Offer from Bad Urach, Germany. Ana was an exchange student in Juneau, Alaska when their son, Ken McMeans lived there and became friends with the McMeans family.

The McMeans enjoyed showing Ana around the area while she was here. She had never seen a football game until last Friday when she saw the Coyotes defeat Balmorhea. She really enjoyed it and all the excitement.

Saturday they attended the Ranching Heritage

Center in Lubbock for the special activities there. On Sunday they went to Post Founders Day Community Church Services in the school auditorium. She got a full week-end of Texas life of today as well as yesterday.

Ana works in a home for retarded adults. This was the third time Ana had visited the McMeans and they were able to visit her home in 1985 when they went to Germany. She enjoys learning about our culture and she loves to teach others about hers.

Here's looking Ah-choo! It's time for your flu shot

Now is the time to get your flu shot, especially if you're older than 65. The ideal time to get the inoculation is from October through November to give your body time to build up antibodies to the virus which usually strikes Texas around Christmas and lasts until February.

Preliminary reports say that this season's outbreak is expected to be more severe than in previous years, according to the Center for Disease Control in Atlanta, Ga.

"The shots may help prevent you from getting influenza, or at least may minimize your symptoms if you do catch it. In other words, you can still get

the flu, but typically, it will be a milder case," said John Carpenter, M.D., Scott & White physician specializing in treating infectious diseases.

"If you wait until the end of December to get our flu shot, it may be too late. The vaccine needs about two to three weeks to take effect," Dr. Carpenter said. "The month of October is the best time because it allows your body time to build antibodies (natural defenses) to the virus before you are exposed. The shot helps prevent influenza in 70 to 80 percent of the population and minimizes

Coyotes Sneak Away with A "W"

The Borden County Coyotes went on the road to Whitharral last Friday and sneaked out of town with a win. The Coyotes held off a second half comeback by the Panthers and squeaked out a victory with only a three point margin, 36 to 33.

The Coyotes were up by as much as 30 to 7 just before the half and were in control of the game. The Panthers scored again just before the half to close the gap 30 to 14. The only score in the third period was the Coyotes only score of the second half, increasing the margin only 6 points, 36 to 14. The fourth period belonged to the Panthers, as they scored three times for an unanswered 19 points.

With just 1:27 left in the game, the Coyotes had a chance to increase the

margin, as Fernando Baeza out-raced the Panthers to the 13 yard line. The Coyote had time to run two plays before time ran out.

Baeza carried the ball 16 times for 138 yards and two touchdowns. He caught 6 McCook passes for 124 yards and a touchdown.

Colt McCook completed 12 passes of 24 attempts for 188 yards. He threw for 3 touchdowns and two interceptions.

Colt Miller caught 3 passes for 27 yards. Kevin Pinkerton caught 2 passes for 22 yards and Ryan Grant caught one pass for 15 yards.

Colt Miller led the defense with 14 tackles and one fumble recovery. Baeza had 11 tackles, Grant had 9 tackles, a QB sack, and a fumble recovery. Pinkerton had 8

tackles, McCook had 7 tackles and an interception. Ed Rodriguez had 6 tackles. Ramon Griffin had 4 tackles, and Preston Sharp and Justin Lawrence had 2 tackles each.

Also seeing action in the game were John Harding, Lee Pepper, and

Nick Flanigan.

COACHES COMMENTS; by Coach Avery

The Coyotes finish the first 5 non-district games still undefeated: 5-0. The next 5 are the games that really count. We need to get the ball rolling and do

Mistakes Key in Coyote Loss to Whitharral

The Coyote JV played host to the Whitharral Panthers Thursday and proved to be a little too gracious as they turned the ball over 4 times in a disheartening 20-14 loss.

The Coyotes looked to take the opening kick-off back for a touchdown as Dale Grant rambled 70 yards for the apparent TD. A penalty brought the play back. The Coyotes were then unable to regroup on the drive.

The Coyotes got the ball back and scored 2 plays into the 2nd quarter on a nice run to Cody Nowlain 1 yard TD pass.

Javier Galvan kicked the Coyotes to a 8-0 lead.

The Panthers put together a good drive of their own that was capped by a 4 yard run to cut the lead to 8-6. On the kickoff, the Coyotes failed to recover the ball, and the Panthers took over at the Coyote twenty-five. The Panthers scored on a 4th down play that covered 25 yards to take a 12-8 lead to the locker door at half-time.

The Coyotes stopped the Panthers on their first possession of the 2nd half. Then marched 55 yards to regain the lead at 14-12 on

a 8 yard Philip Abalos run.

The Panthers controlled the ball for the majority of the 4th quarter as they

marched down to the Coyote 4. A fantastic defensive play by Tom Griffin and Dale Grant held a 4th down reverse

what it takes to lead the district. Everyone of these guys will be out to get us. Let's hope we just dodged the closest bullet, and we can take care of business to roll to a district championship. Our first district opponent is Westbrook. We all know what can happen when we go over there. We will need to fill their stands as we did last week and let our voices be heard. By the way, last week the fans were great. When Whitharral had the momentum and we could not get anything going offensively, I heard cheering from the stands that did my heart good. I know it means a lot to this team. It was not at all negative. It was all very positive cheers. This backing helps keep the Coyotes fighting and their heads up. Thanks to everyone for their support when times are not so good; as well as when times are great. We know that even in the event of a defeat, we sill still be your team.

play short of the end zone. This gave the Coyotes the ball at their own 2 yard line with 3:30 left. On the 3rd down play, that looked really to bust for a possible 74 yard TD. The pitch was dropped and forced the Coyotes to punt out of their own end zone. The Panthers took over at the Coyotes 25. The Coyote defense seemed to have the Panthers stopped but on a 4th and 15 play the Panthers QB side stepped the rush that appeared to have him sacked and completed along pass for a 1stdown inside the 10 Three plays later the Panthers had a 20-14 lead with only 45 seconds left.

After a nice Dale Grant return, the Coyotes had a huge hole to run through on a sweep play, but

OFF AND RUNNING

Cross Country News
By Trent Pepper

Results from Lubbock

The Borden County cross country teams faced a huge field of runners and a very hilly course at the Lubbock Invitational Cross Country Meet on Saturday.

The Lady Coyotes had runners competing in both the JV and the varsity A-AAA division, while the Coyotes had runners competing in only the varsity A-AAA division.

Trent Pepper was the lone medalist for the Coyotes, placing seventh among the several hundred runners in 16:37, his fastest time of the year. Robert Stamper also had his best performance, as he covered the three mile course in 19:22. T.C. Stipe was not far behind with a time of 21:09

Holly Thomas led the Varsity Lady Coyotes, completing the two mile course in 13:45. She was followed by Lindsey Smith in 13:57, Bekah Hensley in 14:50, Julie Mayes in 14:56, Valerie Wootan in 15:00, and Crystal Dye in 15:11. Although none of the varsity girls medaled, Holly, Lindsey, and Crystal all ran their quickest times of the year.

Hailey Adcock led the JV Lady Coyotes with her completion of the two mile

course in 15:16. Shaina Isaacs and Kaci Poole both finished in 16:44, followed by Ky Merrit in 17:33, Jessica Ellision in 18:41, Amanda Watts and Adriana Baeza in 20:21, and Rika Copeland in 23:59. Running their best times of the season were Hailey, Kaci, Ky, and Adrianna.

The next meet for the Coyotes will be the Altura Oil Patch Cross Country Meet in Sundown on Saturday, October 10.

Coyote Pups Snare Cardinals

The Borden County Coyote Pup football team hosted the Hermleigh Cardinals last Thursday and defeated them 42 to 16. The win moves the Coyote Pups to 3 wins and 0 losses on the season.

The Pup's defense held the Cards on their first possession, and after two offensive plays of their own, the Pups were in the end zone. T.J. Sharp carried the ball on both plays. The first play he went 42 yards to the Cards' two yard line. On the next play he followed the blocks of Kyle Pinkerton and Tanner Poole to carry the ball over for the touchdown. The PAT failed, and the score was 6-0

The Cards were having trouble moving the ball against the Pup's defense. On third down they took to the air, and Trevor Nuckols stepped in front of the ball for the interception to return it 15 yards for a touchdown. The PAT kick was missed, and the score at the end of the first period was 12-0.

The Cards were again stopped by the mighty Pup defense. On fourth down Talin Pepper blocked a punt attempt. The punter picked up the ball and completed a pass, but the Cards were still short of the first down. On the next series of downs T.J. Sharp terminated a four play drive by running 15 yards to pay dirt. T.J. kicked the PAT good and the score was now 20-0.

The Cardinal running back had a good play running the ball to the Pup's 4 yard line. A great goal line stand, and a big fourth down tackle by Dwain Wright denied the Cards the score. On the Coyotes' first play of this drive Talin Pepper carried the ball on an end around producing a 20 yard gain. Two plays later Brionne

Coyotes Blits the Bulldogs

The Coyote JV traveled to Loraine on Thursday, Sept. 24th in hopes of getting back to their winning ways following their last Thursday tie against Westbrook. The Coyotes lost little time against the hopeless Bulldogs as Dale Grant connected on a 58 yard pass play to Tom Griffin.

The Coyotes then held the Bulldogs to a 3 and out and then looked poised to up their lead, But the turnover bug that the Coyotes have had trouble with cost the Coyotes a scoring opportunity.

Dale Grant made amends as he stripped the ball from a Bulldog runner and scampered 75 yards to pay dirt. Javier Galvan's kick gave the Coyotes as 14-0 lead on the last play of the 1st quarter.

The Coyote defense limited the Bulldogs to only 36 yards of offense and on 1st down held again. Philip Abalos added to the Coyote lead as he rambled 20 yards to a 20-0 lead.

After another good

defensive stand, the Coyotes looked ready to blow the game wide open before half but yet another Coyote fumble cost them. The score would remain at 20-0 at half-time.

In the 3rd quarter, neither team could mount much offense at all. But the 4th quarter saw the Coyotes explode for 24 unanswered points.

A Grant to Abalos pass covering 38 yards was the 1st score. Then David Wright got his 1st score of the season on a 2 yard run. Grant capped the scoring on a 20 yard TD run. Javier Galvan kicked all 3 extra points out of the hold of Jacob Zant. This gave the Coyotes a 3-0-1 on a 44-0 final.

Chiropractic is a philosophy, science and art of things natural. It is a system of adjusting the articulations of the spine by hand for the elimination of the physical representatives of the cause of disease. Chiropractic was discovered a little over 100 years ago by D. D. Palmer. It was a new concept in the art of healing based on the mechanical and physical approach to disease. This discovery brought about untold change in treating of ailments of both mind and body. In the time of just a little over one century it has become the second largest healing profession in the world. The chiropractor with the use of x-ray can find and adjust spinal substations in order that those trunk nerves may be free from pressure. Chiropractic has today many thousands of doctors treating millions of people. The benefits to patients of chiropractic have definitely established the merits of their profession. **Hanks Chiropractic Center** is located at 4203 College Ave. in Snyder. Scott McLaughlin and Governor George W. Bush will work to protect conservative West Texas values.

Scott McLAUGHLIN

Dear Fellow West Texan:

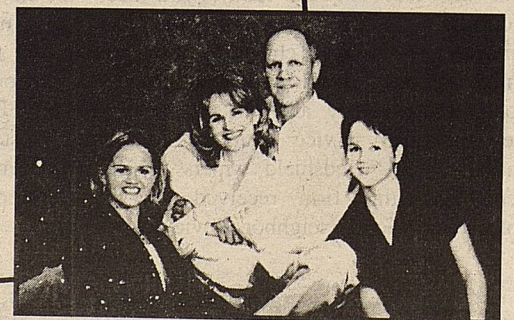

As I have walked the neighborhoods of West Texas and District 70, I'm more confident than ever that we can solve most of our problems if we rely on the resourcefulness of our communities rather than on government bureaucracies in Austin or Washington D.C. As Governor Bush has shown, that means less interference from government, allowing working people to keep more of their hard earned dollars, and returning power and resources to local communities.

I believe that families are still the basic building of society and that we can do much more to restore the fundamental values of our nation by electing principled leaders to office - leaders who represent communities, not special interests.

More than anything else, we need elected officials who will truly take the time to listen and respond to your concerns. More than likely, I've been to your home and listened if you had an issue to discuss. If I missed you, I hope we'll meet in the near future. I look forward to hearing from you and working with you to build a better Texas.

Sincerely,

Scott

It time for your flu shot

Cont. from pg. 1

its symptoms and duration in others."

The immunity lasts from six months to a year. Influenza strains change each year, which is why most people need annual shots. This year, the vaccine will have antigens for three influenza strains - A/Sydney, A/Beijing. Last year, type A accounted for 99.5 percent of the influenza isolates reported by the World Health Organization, according to statistics released by the Centers for Disease Control.

Unlike colds, which can occur at any time during the year, influenza is usually a winter ailment. Symptoms include rapid onset of high fever (102 to 104 degrees), chills, mild shortness of breath, severe muscle aches, fatigue, and severe headache.

chest congestion, discomfort, dry cough and sore throat.

Medical researchers have found no antibiotic that will cure the flu although medical researchers have developed medicines that can shorten the duration of Type A flu and decrease the severity of symptoms. High-risk persons with chances for prolonged exposure may even be candidates for the medicine as a preventive measure once the flu season begins. These people should talk to their physicians about this medicine.

Most other medications - either by prescription or over-the-counter - attack only the symptoms associated with the flu. cough medicine and decongestants are frequently

used by patients to manage the symptoms. "Thus, the best treatment is prevention by getting a flu shot," Dr. Carpenter added.

Flu can also lead to such complications as pneumonia, sinus infection and other related conditions, he said. "A common cold, on the other hand, occurs year round, is less severe and develops more slowly than does influenza," Dr. Carpenter added.

"Some patients should not receive the vaccine," he added. "These include people who are severely allergic to eggs and those with a current illness that produces fever. Women who are pregnant or who think they may be pregnant should consult with their doctors before getting the shot."

The flu shot usually produces minimal side-effects, such as soreness at the injection site. Some people who receive the shot may experience mild flu-like symptoms such as slight fever and muscle aches from six to 24 hours after getting the vaccination, but these symptoms fade away. "It is certainly easier to put up with that than being sick with the flu for a week or more," Dr. Carpenter said.

Coyote Pups Snare Cardinals

Cont. from pg. 3

completed a one point conversion from T.J. to Trevor to make the score 27-0 with just 12 seconds left in the first half.

On the last play of the first half the Cards scored on a long pass play. Their PAT kick was good to make the score at the half 27 to 8.

The Pups took the ball first in the second half, and in just 3 carries by Sharp the Pups were in the end zone again. T.J. kicked the PAT good and the score was 35 to 8.

The Cards scored on their first drive of the second half as they completed a well executed drive into the end zone.

Their PAT kick was good, and the score was 35 to 16.

The Pups quickly answered as Sharp carried the ball on a sweep for 43 yards and a touchdown. The one point PAT was converted with a pass from Sharp to Nuckols again. The score was now 42 to 16.

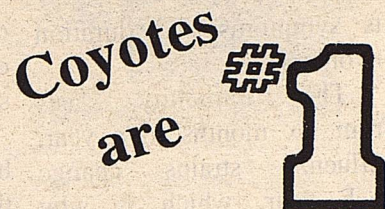

On the next Pup possession, Andy Lozano picked up 5 yards on an end around. On third down Andy caught a pass from John Stamper, and fell just short of the first down. On the next play the ball went over on downs.

The Pup defense again held the Cards. On their drive Andy Lozano caught another John Stamper pass

for a first down. Charles Grant caught a pass from Garrett Chapman for a 5 yard gain, and John Wilson had a good carry.

Also playing in the game were Adam Carter,

Cameron Boydson, Tyler Wallace, Billy Roper, Clay John Anderson, Derek Rodriguez, James Pigford and Dustin Gwinn.

JV Mistakes

Cont. from pg. 2

another fumble pitch turned the ball over and gave the Coyotes a very disappointing 20-14 loss.

COACHES COMMENTS: by Coach Richey

This was a very tough lose. It just goes to show that you can not make mistakes against a good team. The guys showed a lot of heart, but we just didn't execute. we will improve in this area. Keep your head up and let's get Blackwell this Thursday.

Parents Club Collecting Your Favorite Recipe for Cookbook

The Parents Club has decided to compile a cookbook for a fund-raiser this year. If you would please send 3 to 4 recipes by October 9th. to help with this project it will be greatly appreciated. The more recipes received will help this project be a success. and make the cookbook that much better.

A free Cookie Cookbook with recipes from every state capital will be sent to every person who submits a recipe. A recipe collection

form is available for anyone who would need one, or you can just write them on a plain piece of paper. Please be sure to put a title on your recipe and your name. Not all recipes may be used but we will try our best to get everyone in the cookbook.

Everyone in the community is welcome to submit a recipe.

Mail your recipe to Tracy Cooley, P.O. Box 101, Gail, Texas 79738. For more information contact Tracy at 456-4493.
