LEADING ACTORS IN ESPIONAGE TRIAL

A widespread and insidious spy ring is expected to be revealed as prosecution of the above accused "small fry" gets under way. High German government officials, also indicted, are beyond reach. Star government witness is Guenther Gustave Rummich, right, who confessed complicity as the trial opened in New York Federal Court. An army deserter, Rummich was caught trying fraudulently to obtain passport blanks for the use of associates. Erich Glaser, left, air corps private of German origin, is charged with stealing plans for an army plane. Otto Herman Voss, shielding his face, was a mechanic in the Seversky Airplane Factory.

Spy Relates How He Turned Secrets Over To Germany

By MARY ELIZABETH PLUMMER
NEW YORK, Oct. 18 (AP)—Guenther Gustave Rummich, 27-year-old confessed spy, told Federal Judge John C. Knox and a jury today the mysterious "Sanders" to whom he was supposed to turn over United States Army and Navy information was "very critical" of his progress.

Self-consciously avoiding the eyes of Fraulein Johanna Hofmann, Erich Glaser and Otto Voss, defendants in the government's biggest espionage trial since the World War, Rummich resumed the story of how he exchanged letters with Saunders, reputed to be an assistant to the chief of the Naval Intelligence Bureau at Bremen, Germany.

Rummich, Chicago born son of an Austrian father, was a U. S. Navy army sergeant until he deserted. He was indicted with the others but pleaded guilty at the start of the trial.

Sanders, he testified, asked him to send him two catalogues of the U. S. government, one a U. S. Navy with a list of all army and aviation regulations.

Received \$40 Week
"Sanders replied that I wasn't prompt enough in complying with his request," he said, "particularly in regard to the booklets he requested."

The booklets, Rummich explained, were confidential military publications.

The first letter he received from Sanders, he said, was postmarked Hamburg, Germany. The other was postmarked from the New York Metropolitan area and presumably were mailed after being carried here by someone other than Sanders.

Rummich said he moved from Brooklyn to the Bronx and received a letter from Sanders sometime later asking why he had not written.

"He said he was very anxious to contact me," the witness said. Up to that time, he said, he had received only \$40 for his work as a spy.

He wrote Sanders that he was "in strained circumstances and would have to have financial support," he testified. Sanders replied he would

Kingsmill Woman Reports Stolen Car

Mrs. R. A. Wilson of Kingsmill reported to city police officers at 6 o'clock yesterday evening that her 1935 Chevrolet coupe had been stolen from where it was parked on Cuyler street. Less than an hour before that time she had paid a fine for overtime parking.

The car was green and bore license number 459-301. No trace of it had been found by officers this afternoon.

Two cars stolen Sunday night were recovered less than an hour after the loss had been reported to officers.

Bear Bootlegger Admits His Status

AUSTIN, Oct. 18 (AP)—Liquor board inspectors at least admired the frankness of a man they arrested for hauling a truckload of beer into dry territory.

When stopped on the highway and asked if he had a manifest covering the beer he simply said: "No, I'm just a bootlegger."

Freezing Answer

WASHINGTON, Oct. 18 (AP)—The word "freeze" is a little harsh to a proud Californian.

Porter R. Taylor, chief of the AAA general crops section, was tracing recent crop history to the National Citrus conference.

"As a result of the freeze in California in January, 1937," he began.

C. M. Brown, Redlands, Calif., interrupted him. "I beg your pardons," he corrected. "You mean cold weather."

Former Golf Pro Dies In Omaha

Del Love, former professional at the Pampa Country club, died in an Omaha, Neb., hospital last night at 11:45 o'clock according to a telegram received here this morning by M. A. Graham, president of the club.

Mr. Love had been ill for more than a year with ulcers of the stomach and death was due to a hemorrhage.

The body will be taken to Ava, Mo., where funeral services and burial will be Thursday afternoon.

Surviving Mr. Love are his wife and one small son, Jimmie.

Mr. and Mrs. Love came to Pampa from Indian Hills Country Club in Amarillo nearly five years. He resigned as pro here less than three weeks ago and left for the north for his health. His successor is Pete Nossent of Colorado Springs.

Students Demand Arms In Budapest To Fight Czechs

BUDAPEST, Oct. 18. (AP)—Thousands of university students demonstrated on Budapest boulevards today demanding arms to enforce Hungary's territorial demands on Czechoslovakia.

The demonstrators asked "everything back" from the republic created out of the pre-war Austro-Hungarian empire.

Renewal of conversations between Czechoslovakia and Hungary—broken off last Thursday when negotiators were unable to reach agreement—was expected today because of pressure Hungarian sources indicated had been exerted by Rome and Berlin on Czechoslovakia.

Missing Girls Found In Corpus Christi

Clara Sargent and Marcine Berry, two 15-year-old school girls who left their homes here on the morning of Oct. 10, have been located in Corpus Christi and Captain Herman Lambrecht of the Salvation Army, who is also county truant officer here, will return the girls to their homes.

The girls left their homes for school on the morning of Oct. 10 but failed to report. An immediate search started but it was not until last Wednesday that a McLean citizen reported he saw girls answering the description pass through that city going east. Relatives of one of the girls, living in Corpus Christi, was contacted and a few days later the two reached Corpus Christi.

Benes Will Be Visiting Professor At Chicago U.

CHICAGO, Oct. 18 (AP)—Dr. Eduard Benes, who resigned as president of Czechoslovakia after the republic's Sudeten area was ceded to Germany, has accepted an invitation to become a visiting professor at the University of Chicago.

President Robert H. Hutchins announced yesterday he had received a cablegram of acceptance from Dr. Benes and that the Czech leader would deliver a series of lectures on Democratic institutions.

Merine 'Grand Canyon'

LA JOLLA, Calif. (AP)—A submarine canyon, comparable in size to the famous Grand Canyon of the Colorado, has been discovered in the Pacific near Monterey, Calif., say scientists of the Scripps Institution of Oceanography.

Man Claiming To Be Borgan Visits Judge

State Hunts Huey At Houston After Another Incident

HOUSTON, Oct. 18 (AP)—The search for Arthur Huey, former tax assessor-collector of Hutchinson county, about whom a strange game of hide-and-seek revolves, was shifted here today.

Two instances where a man represented himself as Huey were recorded in Houston.

A Texas ranger was seeking Huey to return him to the penitentiary where he was released on a writ by District Judge H. F. Kirby of Groesbeck. District Judge Curtis Douglass at Stinnett in turn had held in contempt penitentiary officers who released Huey on Judge Kirby's order.

Huey was convicted of embezzlement in Judge Douglass' court and sentenced to four years.

Last night a man who said he was Huey visited the home of District Judge Langston King and asked the judge to issue an injunction preventing the Governor of Texas and rangers from arresting him.

When Judge King told the man he was unable to issue such an injunction and informed the man he would be compelled to notify officers of his presence, the visitor left in a taxicab which had waited for him.

Judge King said the man, before leaving, told him he intended to remain in the Houston area and would protest any effort to arrest him but would not resist arrest.

Has Prison Discharge
"I have a discharge from the state prison and I have an injunction in my pocket prohibiting my arrest," the man said. "I think I'm in the clear. But if the courts finally decide against me, I will be available."

Earlier a man who gave the name of Arthur Huey telephoned the Houston Chronicle, stating he would not surrender but that he was not running away from officers. He added he would take up a permanent residence when Judge Kirby's order had been served on all officers.

At Huntsville, Mack Gates, Huey's attorney, said he had not seen the man since Saturday when Huey came there after obtaining from Judge Kirby at Groesbeck an injunction forbidding peace officers to arrest him.

Acting Governor Walter Woodul dispatched a state ranger to seek out Huey and arrest him despite Judge Kirby's injunction.

Field Executive Of Boy Scout Council Arrives

Robert A. Shaffer of Pittsburgh, Pa., arrived here yesterday to become field executive of the Adobe Walls Boy Scout council of which Fred Roberts is executive. The new official will have charge of outlying districts of the council which embraces 12 counties in the Texas Panhandle and three counties in the Oklahoma Panhandle.

Increased adult membership, new units, larger troop membership and leadership training courses is the council aim. Mr. Shaffer will spend most of his time in the field helping Executive Roberts to work Pampa and Borger districts more thoroughly and to give him more time in the office here.

The new field executive is a young man with nearly two years experience as assistant executive and training in the National Boy Scout office in New York. He spent nearly 1 1/2 years as assistant executive of the Boy Scout council at McKeesport, Pa., and was in the public relations department of the National council before coming to Pampa.

Temperatures In Pampa

From the psychology books and choosing colors that would soothe both the patients and the nerves of the operating staff. For walls of the rooms he offered light greens, light blues and blue-greens. These, he said, are "psychologically cool."

Chicago's blood bank reported to the surgeons its first full year's service today. This bank was the first in the world to take blood from living donors and "can" it for use in transfusions.

It was started in March last year. The report was made by three physicians, Karl A. Meyer, Leonard H. Weissman and J. Lester Wilky.

Four thousand four hundred transfusions have been done. Of these 80 per cent were beneficial, 7.6 per cent definitely saved lives and 17.5 per cent resulted in no change. In half of one per cent the transfusions were "injurious."

WHEN LIONS OF ENID, OKLAHOMA, VISITED PAMPA CLUB . . .

This group has just learned how a football game is played, for one of the 10 visiting Lions club members from Enid, Okla., has told them how "dessa guy watcha da football game," as the feature of a program presented by the Enid club at the Pampa club's luncheon Friday night at the First Methodist church. The visit of the Enid club was a return of the visit members of Pampa club made to the Oklahomans five months ago. A motor trip to the Combs-Worley ranch, a supper, and seeing the Port Arthur-Pampa football game here Friday night were courtesies extended the visitors during their stay here by Pampa Lions.

Cold Wave, Light Frost Due On Plains Tonight

(By The Associated Press)
Texans who have been wondering when the weather is going to turn cool may find their answer in today's government forecast.

A light frost in exposed places in the Panhandle is cooler weather over most of the state by tomorrow night. The wind was expected to shift to the west over North Texas tonight, then to the north.

The Dallas Weather Bureau reported rain at Palestine and Houston. Light showers in North Texas.

HELENA, Mont., Oct. 18 (AP)—Sub-freezing weather settled down today on Montana, placing high-ways in some of the snowswept areas of the state and intensifying the search for two hunters and a 66-year-old woman lost in the season's first snowstorm.

The three-day snowfall, which laid as much as two and a half feet of snow on some sections of Montana and extended into Idaho and Wyoming, abated early today as the mercury began to drop.

The coldest overnight temperature reported in the region was at Cody, Wyo., where thermometers dropped to 16 degrees above zero. Helena and Cutbank had the coldest reading in Montana, 22 above.

CHICAGO, Oct. 18 (AP)—Another day of unseasonably high temperatures were in store for the middle-west today but the weather forecast offered a chill warning of an impending cold wave.

Furnaces and top coats were forgotten as temperatures climbed to record-breaking heights yesterday in

many sections in the eastern half of the nation.

C. A. Donnell of the United States Weather Bureau here viewed the heat wave as summer's last fling and forecast the advent of cool weather tomorrow.

Beaches, parks and forest preserves in Chicago were crowded yesterday when the mercury reached 80 degrees. It was 87 in New York City, the warmest October 17 there in 30 years. Readings of 90 were recorded at the Newark, N. J., airport, and at Philadelphia.

PAIR REPORTS HIJACKING

Pampan Kill Elks In Colorado And Battle Snowstorm

Dr. R. M. Bellamy, Dr. W. R. Purviance, W. M. Castleberry and Charlie Burton have returned from successful hunting trips to points in Colorado. Dr. Bellamy and Burton went to the Black Mountains between Gunnison and Lake City while Dr. Purviance and Castleberry were in the Soap Creek basin.

Large elk were shot by Dr. Bellamy, Purviance and Castleberry while the best Burton could do was to bag a few snowshoe rabbits. Last year he brought back a huge elk.

The Purviance-Castleberry trip almost ended in disaster when their pack train bolted in a snowstorm, hurling the two men from their horses. Dr. Purviance suffered a badly bruised leg while Mr. Castleberry received head bruises when their horses were thrown against a ledge of rock by the packhorses in their mad flight.

Enough of the horses were found for the party of seven to continue its trip but it was not until late the following morning that guns, packs and the rest of the horses were found. The stampede occurred just after the party had battled a snowstorm and were on the edge of the snow area. The horses bolted down a creek bed. Some of them were found wedged between rocks and others living with packs under or over them, unable to move.

Heavy snow drove most of the elk from the high regions and hunting was tough.

Queen Mary Docks Under Own Power In New York

NEW YORK, Oct. 18 (AP)—The Queen Mary, largest British ship afloat, docked under her own power because of the tugboat strike.

The berth was completed in 34 minutes from the time she arrived off the end of her pier.

Legion Party Attended By 125 Persons

With a covered dish luncheon, singing, dancing, and games of bridge and Chinese checkers, the American Legion Auxiliary entertained Monday night at the American Legion hut for the members of the local Legion Post, their guests, and friends. In all, 125 persons attended the affair.

There were four past commanders of Kerley-Crossman Post, four past presidents of the local auxiliary, and three presidents, two past and one present, of the junior auxiliary who were present at the luncheon.

The past commanders, were Paul D. Hill, A. D. Monteth, Charlie Maisel and Howard Buckingham. Hill is chairman of the local post and grande amonier of the 40 & 8. Monteth is grande chef de train of the 40 & 8, and Maisel is the present district commander of the American Legion.

Past auxiliary presidents were Mrs. Katie Vincenzi, Mrs. Roy Sewell, Mrs. Paul Huebner, and Mrs. R. H. Kitchings. The junior

Borger Road Work To Open Thursday

Cutting of subgrade on the Pampa-Borger road will probably start Thursday morning, it was announced here today. The work is preparatory to the paving of the 20.37 mile strip.

Barricades will be erected at the Pampa end of the road, seven and one-half miles west of Pampa, and at Skellytown, and traffic between Skellytown and Pampa will be routed by way of Panhandle.

Construction will start on the Pampa end of the road by workers of Austin Construction Company of Dallas. Between 50 and 60 men are to be employed on the job.

Chicago 'Blood Bank' Has 4,400 Customers

By HOWARD W. BLAKESLEE, Associated Press Science Editor.
NEW YORK, Oct. 18 (AP)—Men in white are to become men in light green, light blue or pale purple.

This change from classic white for medical garb was explained to the American College of Surgeons today by William J. Engel, M. D., of the Cleveland clinic.

The reason—to get rid of glare. Surgeons, Dr. Engel, explained are pioneering the new style. Rapid increase in the candlepower of light available for their operations has brought cases of terrific eye strain.

The strain can be avoided by doing away with the snow-white walls, white gowns and uniforms and white "drapes," covers over the patient. A few surgeons already have begun to wear colored gowns. Purple was one of the first.

Dr. Engel suggested taking a leaf from the psychology books and choosing colors that would soothe both the patients and the nerves of the operating staff. For walls of the rooms he offered light greens, light blues and blue-greens. These, he said, are "psychologically cool."

Fire Damage Set At Half-Million

BIG SPRING, Oct. 18 (AP)—Damage estimated at a half million dollars resulted early today in a fire that destroyed the main warehouse and press of the Big Spring Compress Co.

Flames consumed an estimated 10,000 bales of cotton and the building, covering a city block, and press machinery to a mass of ruins.

Fire Marshal E. B. Bethell said loss of the plant was figured at \$900,000 and cotton at more than \$400,000. Approximately 80 per cent of the cotton was carryover in the government loan and a portion of it being shipped was destroyed in freight cars on an adjacent siding.

Insurgents Cease Fighting To Play European Politics

HENDAYE, France (At the Spanish Frontier) Oct. 18 (AP)—Insurgent preoccupation with international politics caused a virtual suspension of hostilities in the Spanish Civil War today.

The Spanish government's strategy recently has been to hold strong defense positions in the hope that Generalissimo Francisco Franco's troops would wear themselves out by repeated offensives.

Advices today, however, gave the impression the insurgents now were awaiting to learn effects of the withdrawal of some Italian troops on the diplomatic situation, and were expected to be granted belligerent rights because of the Italian departure.

I Saw . . .

Hecklers yelling "offside!" at Cliff Braly as he pitched horseshoes at the Presbyterian picnic last night. Other top-notch pitchers: Ray Hagan and "Deacon" James. The fascinating animal-bird-movie, "The Adventures of Chino," serves mention in this corner today.

Truck Driver Says Gunman Took Money

Claims Car Drove Up Beside Truck East Of Kingsmill

A man giving his name as Floy Girard of Dalhart reported to city police officers at 3:45 o'clock this morning that he and his companion, whose name was not learned, had been hijacked by two men a few minutes earlier about two miles east of Kingsmill. Officers failed to learn the amount of money taken from the men.

Girard, a truck driver, and his companion were enroute to Amarillo, he told officers, when a car drove up beside their truck. One of the two men in the car flashed a pistol and ordered Girard to stop and for he and his companion to get out.

At the point of the gun the hijackers robbed Girard and his companion. Still holding the gun on their victims, the men jumped into their car and drove toward Amarillo.

Girard told officers that one of the men was about 30 years old, about 5 feet 8 inches tall and wore a checked lumber jacket. The other man was slightly taller and probably a little older and wore a dark coat and light trousers. He had a small mustache. They were driving a silver or light tan Packard coupe, 1937 or 1938 model, Girard said.

Trial of the case of State of Texas vs. F. A. (Speck) Campbell, who had been charged with forgery and passing a forged instrument in a grand jury indictment on September 21, was placed on call in district court today, after the state had withdrawn its announcement of being ready.

The absence of one of the prosecution's witnesses was the cause of the withdrawal of the state's announcement. Petit jurors were dismissed until 9 o'clock Wednesday morning, after 23 had reported this morning and examining of jurors started.

Campbell had been on trial once before on the same indictment, but the jury that heard the case was reported "hung" on September 27. John F. Studer is representing the defendant and District Attorney Lewis M. Goddich is the state.

The jury in the case of W. H. Ivey vs. The Texas Company et al had not returned a verdict up to noon today. The case went to the jury late Monday afternoon. They were in session for an hour, were then dismissed for the night, and returned to court this morning.

Home Maker's H. D. Organization Has Achievement Day

PANHANDLE, Oct. 18.—One of the most outstanding meetings of the year for the Home Makers' Home Demonstration club was held last week when Mrs. John Gathery, yard demonstrator, was hostess for the achievement day program.

Mrs. Jerry Cavanaugh, president, presided during the business session. Roll call was answered with some phase of yard improvement. Mrs. Reed Wigham, council chairman, reported that Miss Jane Allen, stylist, will give a lecture on "Styles for Stout Women," at the municipal auditorium in Amarillo in connection with a style show, Oct. 22.

The rally day program will be the evening of Nov. 18 at the high school auditorium. A one-act comedy with a cast of 10 women will be presented by the Home Makers' and Panhandle clubs. The public is invited.

Mrs. M. D. Eagle reported on the game tournament to be given at the Panhandle Inn Tuesday evening, Oct. 18. Each member was asked to bring a quartet table and one game, either cards, dominoes, or checkers.

The members voted to have a Hallowe'en party at the home of Mrs. W. A. Sherwood Monday evening, Oct. 31.

After the business session, the guests inspected the yard. Of special interest was the rock garden which was on a large mound covered with many different kinds of rock and cacti and covered with small shrubs and native cedars. The fenced-in back yard was very attractive with grass, grape vines, willow, hackberry, black walnut, cherry, and cedar trees, all of which had been put out this spring. Mrs. Cathey told of plans for a hedge, rock garden, and lily pond for the back yard.

After the yard inspection, outdoor games and contests were played on the green lawn. Following the games refreshments of gingerbread with whipped cream and coffee were served to Messrs. Bill Johnson, Jerry Cavanaugh, C. L. Sterling, Pat Carhart, M. D. Eagle, E. H. Fondren, Alf Pendergrass, Herman Mowery, Olene Spain, O. Z. Light, Sam Goodner, Reed Wigham; Frank Berres, Houston Bell, Harvey Dellis, O. C. Weakley, Miss Bernice Westbrook, home demonstration agent, and the hostess.

Mrs. Sharpe Gives Party For Daughter On Eighth Birthday

PHILLIPS, Oct. 18.—Mrs. F. E. Sharpe honored her daughter, Betty Sue, with a party complementing her eighth birthday Thursday afternoon in the Phillips play.

A variety of popular games were played throughout the afternoon, and Hallowe'en suckers and horns were given as favors.

Betty Sue received many gifts and refreshments were served to Billie Savage, Jerry Glenn, J. W. Franklin, Wanda Joyce Waldry, Anna Marie Copper, Bonita and Roy Jack Holmes, Paul Ross Dennings, Twilla Mae and Jimmie Smith, Bobby Gray, Betty Braden, Norma Jean Primmer, Lucille Smith, Wilma Jean and Georgia Fay Hoover, Sue Ann Hensley, Margaret Kathryn and Renda Jean Sharpe and the honoree.

Marilyn Keck Feted At Birthday Party In Home Of Parents

Complimenting Marilyn Keck on her eleventh birthday, Mrs. L. E. Keck entertained with a party at her home on Sunday afternoon.

The house was attractively decorated with cut flowers and centering the refreshment table was the birthday cake in the shape of a lamp surrounded with candles.

Bob Morris assisted the group with the games and favors of whistles, balloons and candy were presented to each guest.

After the gifts were opened by the honoree, banana splits and cake were served to Marjorie Gaylor, Betty Lou Clifford, Anna Barnett, Ernestine Holmes, Dorothy King, Shirley Taylor, Jean Barber, Bobby Parkinson, Jerry Barber, Troy Hopkins, and the honoree.

Assisting the hostess were Misses L. A. Barber, Luther Holmes, and R. D. Berryman.

Beta Sigma Phi Has Program On Novels Monday

Miss Lois Martin was hostess to the members and pledges of the Beta Sigma Phi sorority last evening at the home of Mrs. Charles Vaught, 1024 East Francis.

In the business session which preceded the program, a nominating committee was appointed to fill the vacancies in the offices, and plans were made for the dance which will be given November 4. A Corrigan Capers luncheon to be given Friday was announced.

Included on the program were Mrs. W. Postma, leader for the evening, who gave a brief discussion on prose and Miss Cleora Stanard who reviewed "The Necklace" by De Maupassant. Guest speaker for the program was Mrs. W. M. Pearce, who spoke on "The Novel as an Art Form." Mrs. Pearce mentioned several of the latest novels of today in discussing the various types of novels.

Refreshments of hot chocolate, cookies, and nuts were served to Misses Charles Vaught, Roy Kay, R. M. Klinger, Fred Thompson, W. G. Gaskins, Bob Curry, W. Postma, W. M. Pearce, D. C. Hartman; Misses Ann Johnson, Johnnie Davis, Veld Richards, Cleora Stanard, Johnnie Lodge, Josephine Lane, Burton Tolbert, and Minnie Olive Montgomery.

---better mouse-traps

Every one knows the story of the man who built the better mouse-trap. He lived in the middle of a forest, but, because his mouse-traps were better, the world discovered him and made a beaten path to his door.

Today, men make better mouse-traps, better automobiles, better furniture. But when you want them, you don't have to travel to a distant forest to find them. They are described and displayed for you in your own home—in the advertisements in this paper.

The advertising section is the most valuable part of the paper to you as a buyer. Reading it will pay you dividends every day.

Out of the Tank and Into the Saddle

They're in the movies now, are Marion, mounted, and Virginia Hopkins, pretty twin sisters who are two of Uncle Sam's best bets in the 1940 Olympic swimming events. Instead of taking swimming parts, however, they will be cast as cowgirls to protect their amateur standing. They are shown getting a little technique in their horsemanship at Arrowhead Springs, Calif., before starting on their first western. Virginia has broken the world's 50 and 100-meter freestyle marks, and Marion has bettered the world mark in the 50-yard backstroke.

Germany's Reserves Being Dismissed

BERLIN, Oct. 18 (AP)—The foreign office spokesman today said Germany's army reserves, marshalled by the hundreds of thousands six weeks before the Czechoslovak crisis broke Europe to the verge of war, now were being dismissed daily.

Thus Germany moved gradually to reduce the more than 1,000,000 men she was estimated to have had under arms in the tense days before the four-power Munich agreement Sept. 30 to dismember Czechoslovakia.

The spokesman declared no exact figures on the number of reserves would be made public by the war

Amarillo Horse Wins 2nd In K. C. American Royal

KANSAS CITY, Oct. 18 (AP)—Amarillo, Tyler and Orange entries were among the winners at the American Royal Horse show last night.

In Jumpers, open all day, Lady Joy, exhibited by Mrs. Aleck R. Anderson of Amarillo, placed second.

In five-gaited horses for stallion, mare or gelding four year olds or under, Golden Genius from Pine Acre farm, Tyler, was eighth.

In harness ponies, ladies class, Gallywood Successful, exhibited by E. W. Brown, Jr., of Orange, was third.

Sales Meeting Held By Maytag Employees

Climaxing the arrival of a fifth carload of Maytag washers, 27 salesmen of the Plains Maytag Company held a sales meeting here Monday and Monday night.

Sales technique for 1939 was explained to the group by Jack Adams, sales director of the company, and another talk was made by W. R. Brower, regional manager.

Those attending were: R. W. Scott, manager of the Plains Maytag Company; W. R. Brower, regional manager; Bland Broughton, Samuel Hergatt, Raymond Bowen, from Perryton; Charles Brown and A. Guy, Booker; J. E. Gilbert, Canaan.

Paul Stringer, Maurice Hutchin-

son, Bill Barnett, Harold McMurray, Taylor Swafford, William Owen, O. L. Burns, James Monroe and Glenda Williams, salesmen, all of Pampa. Wade Williamson, George Graham of Miami, and William Reed of Wheeler were other salesmen attending. The head and salesmen of the Keith Appliance Company of Borger were present at the Monday afternoon meeting.

2,000,000 Refugees Try To Flee Canton

CANTON, Oct. 18 (AP)—Detachments of Chinese troops arrived in junks from neighboring Kwangsi province today to aid in the defense of Canton as invading Japanese forces drew relentlessly nearer.

Military observers were convinced the Chinese resistance was not strong, but admitted the possibility an effective defense still might be organized.

Japanese warplanes continued devastating raids on all towns between Shikung, 50 miles east of Canton, and Pkio, 30 miles further east, without opposition from anti-

aircraft units which apparently had moved further inland.

Canton was a scene of great confusion and activity. Towboats were crowded with women and children trying to get away. Department stores packed up their wares in attempts to save the merchandise. An estimated 2,000,000 refugees swarmed westward and northward before the invaders.

Mrs. Racy Morse Entertains Group At Social Event

DENWORTH, Oct. 18.—Mrs. Racy Morse entertained a group of friends at her home Friday afternoon honoring Mrs. Cecil Back with a pink and blue shower.

Games and contests were played throughout the afternoon. A treasure hunt climaxed the afternoon's fun when Mrs. Back found the treasure, which was a large pink box of gifts.

After the honors opened the gifts, refreshments of devil food cake and punch were served to Meses. Clyde Steph, Ernest Dowell, Cleo Edwards, Leon Fobes, Milton Carpenter, Forrest Hupp, E. T. Eastace, H. D. Hale, Kenneth Meyers, Lenwood Copeland, Sam Turner, Charles Ivey, R. L. Marshall, Bud Back, W. R. James, Mrs. M. R. Ayers and daughter, Lema, of Alameda, Mrs. Sherman Crockett and Mrs. A. C. D'Soain of Kellerville, the honoree and hostess.

Those sending gifts were Meses Lawrence Watson, W. O. Day, Cleo Stonecipher, T. M. Wilkins, Jesse Roberts Otto Gross, O. O. Ingram, Jack Farris, John Cooper, Raymond Glass, Jim Back, and Miss Lucille Scott of McLean.

Mind Your Manners

Test your knowledge of correct social usage by answering the following questions, then checking against the authoritative answers below:

- If there is a "No Visitors" sign on the door of a hospital room, is it all right to ignore it if you know the person intimately?
- When calling on a person who is ill, should you lower your voice when talking to another person in the room?
- Should you make a long call on a person who is ill?
- Is it good form to send a cheery printed card to an invalid?
- Should you stand in a hospital corridor to chat and laugh with other visitors?

What would you do if—

A member of your family is in the hospital, yet well enough to have a few visitors. You realize that the last visitors makes one too many. Would you—

- Wait for the patient to say he is too weary to talk more?
- Request the nurse to ask him to leave?

(c) Say "I believe that we had better leave, for it is time for Mary to rest?"

Answers.

- Not unless invited by one of the family.
- No. The invalid invariably thinks he is being talked about.
- No.
- Yes, especially if you add a personal note.
- No.

Best "What Would You Do" solution—(c).

Sharing the Comforts Of Life

By R. C. Hoiles MORE QUESTIONS FOR PROF. PATTERSON ON MINIMUM WAGES

In another column on this page, appears the answer of Professor Patterson to questions I asked him regarding his statement that "certain minimum wages and maximum hours have been established and should be maintained."

Mr. Patterson is president of the American Academy of Political and Social Science and is professor of Economics at the University of Pennsylvania and is employed by the Manufacturers Association for the purpose of attempting to get the people to understand sound economics.

Mr. Patterson's answer to a former question, "Should a man be paid more than he produces," raises the following questions:

(a) Should an efficient employer pay more per unit of production than an inefficient employer? (b) If so, by what rule will he select the workers who are to be paid more than other workers receive?

(c) If the efficient employer is obliged to pay more than an inefficient employer, then will it not retard his growth so that less customers can be benefited and also compel more workers to continue to work for the inefficient employer at lower wages?

(d) Would this not be to the disadvantage of potential customers and of the employees who were not privileged to work for the efficient employer? (e) Would this not result in injustice?

(f) What is a reasonable profit on an open market? (g) What is a reasonable loss? Mr. Patterson's answers to question 3, "What minimum wage should be established?", raise the following questions:

(a) How will the experts be selected to determine the minimum wages? (b) Does it not take an expert to recognize an expert? (c) If the worker and consumer are not able to determine what their wages and prices should be, is it reasonable to assume that they can select the experts from the politicians who will wisely do it for them?

(d) Should there be a different minimum for different locations and different kinds of work? (e) To Mr. Patterson's answers to question 5, "Can wages be increased by law," the following questions naturally arise:

Well, I went. And now I know what the matter with all the peace pacts that seem to crumble every time they bump into an argument. The trouble is they don't have a vital clause—a clause that would require contending parties, diplomats and generals and multicolor shirts alike, to sit through a series of Walt Disney shorts before they proceeded with their bombing parties.

YOU AND YOUR Nation's Affairs

WHY MINIMUM WAGES? BY EARNEST MINOR PATTERSON

President American Academy of Political and Social Science The Pampa Daily News has directed attention to the law which limits the answer to Yes. Laws, if can best be answered by taking them in order:

1. Should a man be paid more than he produces? It is not feasible to ask employers on any large scale to pay workers more than they produce. This was one of the defects in the attempt to restore prosperity to the United States by arbitrarily raising wages.

2. Are there not some men who are worth less than others? Yes, there are. They cannot be employed except at a loss. The answer here is training in those cases where training will make a difference in the value of the man.

3. Should these men be paid minimum wages? This has been answered. Private employers cannot afford to pay workers who are worth less than nothing nor can they afford on an important scale to pay workers more than they produce.

Bingo 'Arena' Will Feature Lions Frolic

Bingo fans will have the choice "arena" for the ace of carnival sports when the Lions club stages its carnival here on Oct. 27, 28, and 29 for the benefit of the club's fund for underprivileged children. John B. Hessey, chairman of the bingo stand committee, said today the stand would be located in the center of the 80 x 120-foot tent, that will be put up on the Santa Fe right-of-way on West Atchison. The bingo stand will be the largest of any of the 15 stands at the carnival. It will accommodate a hundred players at one time. Taking no chances of having the results confused, Mr. Hessey will have a public address system installed to call the results promptly to all the players. At first it had planned to have two bingo stands, but the committee decided it would be better to have one large stand, centrally located. All equipment for the stand has been received, Mr. Hessey said, and he and his committee are all set to show the committees of the other stands how to attract the greatest number of patrons. Members of the bingo stand committee are John Hessey, chairman, Mack Harmon, Chiek Hickman, L. H. Johnson, Aaron Meek, L. L. McCole, H. L. Wilder, S. C. Evans, and Sherman White.

Germany's Trade Scout in Turkey

European experts are predicting that a triumphant Hitler will press his drive eastward via the trade-agreement route rather than by armed conquest. Forerunner of such a program is Germany's Economics Minister Walther Funk, above, who is in the Turkish capital of Ankara trying to arrange an improved trade agreement with the Ottoman government.

Dr. Schulkey Tells Trip Thru Europe

Taking his listeners across the Atlantic and through the hot spots of Europe, Dr. C. H. Schulkey, Pampa dentist surgeon, talked of his recent trip abroad at the weekly luncheon of the Junior Chamber of Commerce in Hotel Schneider Tuesday afternoon. Touching briefly on the wonders of France, Italy, Germany, Hungary, Switzerland, England, and Ireland, the Pampa dentist wound up his address by expressing a deep appreciation for his American citizenship and his profound joy in being at home once more.

Hunters Barred From Catskill Park Woods

ALBANY, N. Y., Oct. 18 (AP)—Gov. Lehman signed today a proclamation closing the woods to hunters in four counties of the Catskill mountain park because of fire hazards. A ban was placed on hunting in 14 counties in the Adirondacks yesterday. The affected Catskill area counties are Ulster, Greene, Delaware and Sullivan. Gibbs said the only reason the area was not closed yesterday was because of fewer hunters in those woods. The deer season opens in the Catskills Dec. 1. One serious blaze now is raging out of control in Sullivan county.

Western Coyotes Migrate To Western Pennsylvania

RIDGWAY, Pa., Oct. 18 (AP)—The howling of wild coyotes can be heard most any night resounding through the Allegheny National Forest. Game wardens said the animals were of the type that roam the western plains and were unknown in this section of the country. How they got into the park is a mystery.

Colorado Battling Over Pension Law

DENVER, Oct. 18 (AP)—While they talk about some pretty fancy old-age pension plans around the nation, Colorado is having a rousing battle over the highest pension law now in effect. After residents of a remote mountain town, Craig, rotten-egged a campaigning slogan of the Federation for Workable Old-Age Pensions, sponsors of a proposal to rescind the \$45 pension amendment voted two years ago, the Federation asked officers for protection.

United States Senator Alva B. Adams (D-Colo.) in a formal statement declared leaders of the National Annuity League, backer of the \$45 plan, were "political racketeers . . . who do not actually represent the old age pensioners."

League officials declared Adams was misled because they endorsed Archibald A. Lee, his Republican opponent in the general election. The league asked re-election of Gov. Teller Ammons, Democrat, who favors the \$45 plan.

Two years ago voters amended the constitution to provide monthly pensions of \$45 to qualified persons over 60 years old. In the November election they will vote on a proposal to return control of pensions to the legislature.

Czechs, Hungarians To Resume Parley

PRAGUE, Oct. 18 (AP)—The Czechoslovak press today forecast immediate resumption—possibly today—of Slovak-Hungarian negotiations for settlement of Hungary's territorial demands. Censored dispatches said there were two possible locations for a new conference to take up issues involved in negotiations that were broken off Oct. 13. Sites under consideration were some Hungarian city, since previous unsuccessful negotiations were held in the Czechoslovak portion of Komarom; and Bratislava, Czechoslovak city on the Danube, adjacent to both Austrian Germany and Hungary. The government, which has imposed martial law in districts near the Hungarian frontier, speeded work today on another problem—freeing communications tied up through loss of Germany of railroads, telephone and telegraph lines connecting some sections of the republic.

Crude Production Shows Increase

TULSA, Okla., Oct. 18 (AP)—Production of crude oil in the United States increased 35,103 barrels during the week ending Oct. 15, bringing the daily average to 3,275,128 barrels. The Oil and Gas Journal reported today. In Oklahoma the output rose 6,850 barrels daily to 457,050. East Texas had an increase of 449 barrels daily to a total of 369,749 and the total state of Texas was up 6,553 barrels daily to 1,248,695. Louisiana had a decrease of 2,319 barrels daily and an average of 268,351 for the week. California's production was up 18,759 barrels daily to 682,500 and Kansas had an increase of 575 barrels daily to 155,275.

North Dakota Hopes To Trip Firebugs

BISMARCK, N. D. (AP)—Within five minutes after receiving a report of a fire the state fire marshal's office can tell whether the owner or tenant of the damaged property had a fire anywhere in North Dakota during the last 20 years. Deputy Fire Marshal Charles Schwartz says the system was perfected to help authorities to trace arsonists.

Quarier Million For World Fairs Asked

FORT WORTH, Oct. 18 (AP)—Texans will be asked to contribute a quarter of a million dollars to place exhibits from this state in the New York and San Francisco world fairs next year. At a meeting of the Texas World Fairs commission here yesterday, it was decided to launch a campaign soon for this amount. Walter Woodul, lieutenant governor, and Karl Hohitzelle of Dallas were named as a committee to work out details of the campaign. The commissioners subscribed about \$3,000 to defray preliminary expenses.

Former Captain Of Texas Rangers Dies

AUSTIN, Oct. 18 (AP)—Public Safety Department headquarters received news today of the death after a long illness of Albert Mace, a veteran Texas Ranger, in Mexico. Mace, 62, one of the most colorful of Rangers, joined the force in 1903 under the famous Capt. John "Border Boss" Hughes and served at intervals until his death. He was former chief of police of Mexia and Corpus Christi and sheriff of Lampasas county. He was a former Ranger captain and began his last tenure of service in October, 1935.

Ranger Charged With Third Degree Method

AUSTIN, Oct. 18 (AP)—The Public Safety Commission continued until its next meeting a hearing on complaints a Texas ranger beat a Robstown youth in order to obtain a confession. Homer Garrison Jr., director of the Department of Public Safety, said about 20 witnesses were heard by the commission yesterday but testimony was not completed.

"I doubt if there is any problem in the world today," the President wrote—"social, political or economic—that would not find happy solution if approached in the spirit of the sermon on the mount."

Cardinal Mundelein also spoke briefly at the reception.

"When this congress is over," he said, "I shall return to His Holiness and tell him what I have seen—of your great demonstration of faith and devotion to the most blessed Eucharist."

Hamilton Charges AAA Farm Program Has Now Collapsed

MONTPELIER, Ohio, Oct. 18 (AP)—John D. Hamilton, chairman of the Republican National committee, declared today the administration's farm program has "collapsed."

"A glance at the current prices of wheat, corn, cotton and other farm products is evidence of the fact," Hamilton asserted in an address prepared for a tri-state party rally here.

"What an incongruous situation we now have," he added, "with the New Deal and Mr. Wallace, on the one hand, demanding that farmers from growing even enough grain to feed their livestock, and the New Deal and Mr. Hull, on the other, lowering our tariff so that foreign producers may ship their grain and their meats into this country."

"An economy of scarcity and the American farmer—a free market here for the world—that is what the conflicting New Deal policies total. It is like trying to ride at the same time two horses going in opposite directions. We are bound to fall to the ground."

Central Baptist Study Course Begins

The Central Baptist study course on "What Baptist Believe" started at the church Monday evening with 48 persons attending the first meeting. The Rev. John O. Scott, pastor of the church, is teaching the book.

All teachers and officers have been asked to attend the remaining four nights of the course. Laymen of the church will meet at the church this evening at 8 o'clock and go to a district laymen's meeting at the First Baptist church in Amarillo. Transportation will be provided for those who do not have autos.

Pilot Drops Plan To Fly Old Plane

LAS VEGAS, Nev., Oct. 18 (AP)—Jack Knight's attempt to fly a 20-year-old plane from Burbank, Calif., to New York—in the manner of two decades ago—was called off today.

The veteran airline pilot, who planned to demonstrate the improvement in aerial transportation since the early days of flying the mail, started Sunday morning and landed here six hours later. He went no further.

"While flying was romantic in the old days," he explained, "it is entirely impractical compared to present methods."

Market Briefs

NEW YORK, Oct. 18 (AP)—A late rally in motors, together with persistent strength of aircraft and several specialties, revived a sinking stock market today and converted early losses into gains of fractions to around 3 points for selected issues.

The upward reversal followed a statement by Chairman Sloan of General Motors announcing reemployment of 35,000 workers during the next two weeks and restoration of pay reductions of office workers instituted last February. Sloan also expressed optimism over the sales outlook for new cars.

Previous to much-needed stimulation, the list reflected the Monday's decline by as much as 2 or more points in fairly active dealings. In the last minute buying rush the steepest tape was behind 3 minutes. Transfers approximated 2,400,000 shares.

Japanese Threaten U. S. Trade In China

WASHINGTON, Oct. 18 (AP)—Japan's advances into South China is threatening extensive American trade and investments.

Federal officials, watching the new turn the Sino-Japanese war has taken, are prepared to assert American rights to equal opportunity for trade, residence and missionary activity.

American exports sent to the British port of Hongkong, almost all for forwarding to South China, have more than tripled in the last year and a half.

For the first eight months of 1938 they totaled \$15,714,000. In August they were \$1,871,000, which contrasted with an average of \$609,000 in the first three months of 1937.

American products have been flowing to Hongkong because the war in North and Central China cut off trade in those regions.

Now the war in South China may deflect them again, possibly through French Indo-China or Burma, India.

Although experts here estimate American business investments in South China do not aggregate more than \$5,000,000, there is a much larger percentage of American mission property in the area.

Rockford, Ill. (AP)—Attempting to strike one's wife during a pinocle game does not constitute grounds for divorce in the opinion of Judge Arthur E. Fisher.

Judge Fisher refused to grant a woman a divorce on her charge that her husband tried to hit her during a pinocle argument.

Japanese Threaten U. S. Trade In China

WASHINGTON, Oct. 18 (AP)—Japan's advances into South China is threatening extensive American trade and investments.

Federal officials, watching the new turn the Sino-Japanese war has taken, are prepared to assert American rights to equal opportunity for trade, residence and missionary activity.

American exports sent to the British port of Hongkong, almost all for forwarding to South China, have more than tripled in the last year and a half.

For the first eight months of 1938 they totaled \$15,714,000. In August they were \$1,871,000, which contrasted with an average of \$609,000 in the first three months of 1937.

American products have been flowing to Hongkong because the war in North and Central China cut off trade in those regions.

Now the war in South China may deflect them again, possibly through French Indo-China or Burma, India.

Although experts here estimate American business investments in South China do not aggregate more than \$5,000,000, there is a much larger percentage of American mission property in the area.

Wheel Chair Tourist Does 30 A Day

PALESTINE, Tex. (AP)—Jim Britton, 54, is gaining a reputation as the "wheel chair tourist."

Recently he made a trip from Palestine to Houston and return, a distance of 600 miles. He averaged 30 miles a day and his best day's "run" was 40 miles.

Britton paid the trip's cost by selling small articles along the way.

ADRIAN, Mich. (AP)—Bob Treat, Adrian college sophomore, hitchhiked to Fort Wayne, Ind., a distance of 100 miles, preached a Sunday sermon, mounted a bicycle at 2:30 p. m. and arrived back in Adrian at 11 p. m.

Those arrested, Nazis said, were suspected of organizing a demonstration before Saint Stephen's Catholic church Oct. 7 during which Catholic youths chanted, after the Nazi fashion, "we want to see our bishop," using the word "bisshop" instead of the customary "fuhrer."

They also were believed to be suspected of having a hand in the distribution of leaflets setting forth

Bucks And Tigers To Play At McLean Friday

Both Elevens Outstanding This Season

With the Pampa Harvesters out of action this week-end, Pampa football fans are turning their eyes toward the Class B classic of the season to date, the meeting of the McLean Tigers and the White Deer Bucks on Tiger field in McLean Friday night at 8 o'clock.

The game was arranged at a meeting of the two coaches last night after it was learned that Mobeetie had forfeited a conference game to McLean and that Hereford had cancelled a game with White Deer.

White Deer, coached by Gene McCollum, is undefeated this season, having scored 193 points to the opponents' 13 in five games.

The Tigers feature a powerful running attack led by Bond, 190-pound fullback and a former Pampa youth.

Both clubs have featured a wide open offensive this year but reports from the rival camps are to the effect that coaches are paying considerable attention to defense this week.

Minnesota Voted Nation's No. 1 Football Team

NEW YORK, Oct. 18 (AP)—Until information to the contrary is received, Pittsburgh remains the nation's No. 1 football team.

The first nation-wide Associated Press poll of sports writers today served merely to confirm that fact.

The Golden Panthers were on top at the end of the 1937 campaign and today they were rated so far ahead of the field the others were hardly worth mention.

Pitt, undefeated since 1936, was first choice of 83 of the 94 experts who contributed to the ballot.

First ten—	Pts.
Pittsburgh (83)	926
Minnesota (6)	571
California (1)	517
Dartmouth (1)	517
Notre Dame	500
Santa Clara	496
Texas Christian (3)	453
Tennessee	419
Duke	128
Syracuse	82

Second ten: Fordham 77, Michigan 48, Carnegie Tech 45, Oklahoma 44, Alabama 34, Vanderbilt 32, Baylor 31, Northwestern 23, North Carolina 18, Villanova 9.

Pie Traynor Given Increase In Salary

PITTSBURGH, Oct. 18 (AP)—Although the Pirates missed out on the gold and glory of this year's National League pennant, Manager Pie Traynor has signed a new one-year contract at an increase in salary, the Pittsburgh club announced today.

Traynor mailed in the contract from his Brookville, Ind., home just before he left on a hunting trip in Wisconsin's forests where presumably he could find solace from the sinking of his craft in the last two days of the season.

President William E. Benswanger, in announcing the hiring of Traynor for his fifth full season, said: "We feel, and other baseball men of the country also feel, that Pie did a good job in 1938. It was only an unfortunate break that prevented him from winning the pennant."

Just how much of a stipend the gangling former Pirate third base star will receive was not disclosed because of the club's policy of secretiveness about all salary matters. However, informed observers said it probably would be around \$17,000 or \$18,000.

Sheik Pulls, Gouges And Chokes But Gust Johnson Wins Match

Gust Johnson remained at the top of the local wrestling heap last night but not until after taking two falls out of three in a hectic battle with Sheik MarAllah, rough and tough Persian. Joe Kopecky and Walter Stratton went to a draw in the semi-final and Jack Hagen lost the preliminary to Blacksmith Pedigo through disqualification.

Keeping his word, MarAllah went after Johnson with everything but the corner post in the opening of their main event battle.

The Swede came back for the second fall with a gleam in his eye that put MarAllah on the defense. Johnson used holds with lightning rapidity and when MarAllah started

to rough Johnson used a beautiful elbow to jaw, a legal hold in wrestling, until he got MarAllah in a leg breaker forcing him to pat the mat in 12 minutes.

Johnson kept MarAllah on the run in the final fall but almost lost when MarAllah got an inside toe hold. Johnson, however, used cunning to break the hold and come up with another leg breaker for the fall and match in nine minutes.

Although Kopecky did everything the wrong way according to wrestling rules, Walter Stratton stayed the limit with him. Stratton gave a marvelous exhibition of intestinal fortitude when he stayed in one of Kopecky's famous drop toe holds nearly 40 minutes before the final lock after pounding Johnson in the ropes with his fist.

Jack Hagen, cruel Louisiana, lost on a foul to Blacksmith Pedigo in 18 minutes after Hagen refused to quit choking.

Idaho May Get Rose Bowl Bid If Vandals Continue Winning Drive

LOS ANGELES, Oct. 18 (AP)—President Hugh C. Willett of the Pacific Coast Conference said today he was getting a little weary trying to explain that the University of Idaho will be given full consideration as the conference's representative in the annual Rose Bowl game New Year's day if the Vandals continue their winning football campaign.

Idaho, said the affable professor, may be known informally as a conference "half brother" because it is not included in the Round-Robin grid schedule participated in by California, U. C. L. A., Washington, Washington State, Stanford, Oregon and Oregon State.

But Idaho does hold full membership in the conference, and as such is a candidate for the Rose Bowl selection just as much as California, U. S. C. and the rest of the Round-Robiners.

Rattlers Defeat Ouachita 29-14

SAN ANTONIO, Oct. 18 (AP)—The St. Mary's Rattlers came from behind here last night to defeat Ouachita college of Arkadelphia, Ark. 29-14.

Ouachita scored all its points in the first quarter, the initial touchdown passes from Frank Reed to Basil Myrick and the second on a 65-yard punt return by Leo Westbrook. Reed and Westbrook added the extra points.

Hamp Potts crashed over from the seven-yard mark and kicked the point for St. Mary's first score. Brown hit tackle for 30 yards and the next touchdown with Potts again kicking the point. Rene Mouton kicked a field goal in the fourth quarter. Curtis Sanzig raced 46 yards for a touchdown and Brown plunged over from the half-yard line for the final counter.

The football fans around her appear slightly bored, but blind and deaf Helen Keller, left above, is a picture of animation as she "watches" the Minnesota-Purdue game at Minneapolis through the fingers of her companion, Polly Thompson. Both Rockets And Shamrock Undefeated

WHEELER, Oct. 18.—(Special)—Two teams lost games, four elevens won and two football teams battled to a 6-6 deadlock while the remaining squads were idle in district 3B last week-end.

Wheeler and Lakeview dropped conference games, Wellington drubbed Lakeview, in the southern half of the conference, 73-6, while Shamrock ran roughshod over the Wheeler Mustangs, 19-6, in the only conference tilt played in the northern half. Memphis and Clarendon tied 6-6 in a dedication game played in Memphis' new \$10,000 stadium.

This leaves Shamrock and McLean undefeated in the northern half of the conference with the Wheeler Mustangs running a close second with last Friday's defeat the only one that may have record.

Rice Freshman Coach Praises Former Harvester

Bill Wallace, freshman football coach at Rice Institute, believes J. P. Matthews, former Pampa Harvester lineman, is one of the best guards he has ever seen.

The statement was made to Gene Green in Houston last week after the Freshmen had defeated the College of Marshall 20 to 0 with Matthews playing an important part in the win by blocking a punt for the first touchdown and after the freshmen had held the varsity to a scoreless tie in a full-length scrimmage.

Matthews, according to Wallace, played most of the time in the varsity backfield, spilling Linn, Cordill and company for many losses. Finley Coach Jimmy Kitts put two hands on the Pampa player but failed to hold him in check all the time.

J. R. Green, Bill Haner, Moose Hartman and Stokes Green are playing important parts on the Rice team. J. R. Green and Haner are starters. Stokes Green nearly put Rice back in the running against Tulane Saturday when he took a lateral and raced 30 yards in the closing minutes of the game.

Some time ago Chinch Barrett told Wallace about Matthews but the coach thought he would be too small to be effective. Last week he told Matthews in the "book it all back an" to send some more like Matthews.

SMU Band Needs \$4,200 For COD

DALLAS, Oct. 18 (AP)—Like the football team it will accompany to Pittsburg, Pa., for a game with mighty Pitt next Saturday, Southern Methodist University's band is on the spot.

Razorbacks En Route To Play Unbeaten Broncos

(By The Associated Press)

How to See Football

THE BLOCKING BACK BY JERRY BRONFIELD, NEA Service Sports Writer

Few were the cheers for men like Earl Britton, Ernie Pinckert, and Marty Brill. They were the blocking backs—the boys who seldom lug the ball themselves but who in one respect may be considered the most valuable man in any team's backfield.

This is the day of guards and tackles pulling out of the line to lead interference, but because of his greater speed the blocking back is the one who forms the closest protection in conveying a ball carrier around end or downfield.

Although the formation varies, the blocking back usually will be the one closest to the line of scrimmage, exclusive of the wingback, when the backs take their shift.

Once past the line of scrimmage the blocking back is much more effective than the running guard or tackle because he takes the ball-carrier goal-ward at full speed. Until he is past all poten-

tial tacklers the ball carrier must stay behind his interference as closely as possible, and most line men would slow up his progress.

Many good blocking backs also are very efficient on line bucks from close up, or on weak side reverses, which adds to their effectiveness. And most coaches feel it is easier to make a ball-carrier out of a good blocker than a blocker out of a star ball-carrier.

Harvesters To Work Behind Locked Gates For 2 Weeks

The gates at Harvester field will remain closed and locked from now until after Oct. 29, the day they go to Amarillo for their annual tussle with the Amarillo Sandies.

"Only once or twice a year we ask fans to stay away from Harvester field and now is one of them," Coach Odus Mitchell said yesterday. "We appreciate fan interest and usually like to have fans on hand for practice sessions but with the important game with Amarillo less than two weeks off, we feel that the boys might do better work if they are alone."

Coaches Mitchell and J. C. Prejean will spend at least two hours every afternoon from now until a week from Friday making strong medicine that they hope will subdue Amarillo's Golden Sandstorm. Their principal job will be whipping a green line into shape to withstand the charges of the giant Sandie forwards and the bull-like rushes of Bullet Bill Thompson.

Strenuous practice will be the order of business this week with next week devoted to smoothing of offense and defense. Welby Parish reported yesterday with a knee injury but it will not keep him out of practice sessions more than a couple of days. Other members of the squad are in fair to excellent condition.

McLean Pep Squad Entertains Teams

McLEAN, Oct. 18.—The high school pep squad with sponsor, Miss Julia Slough, was hosted to the Dumas and McLean football boys, Coaches Brooks and Christian, and the every-body else who saw Saturday's game reception Friday night in the ward school gymnasium after the Dumas-McLean football game.

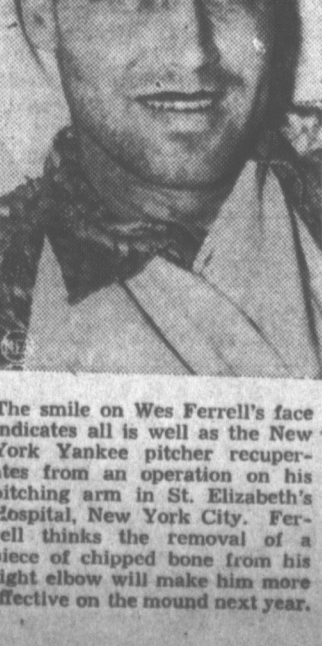

In the receiving line were: Naomi Gunn, Velma Mann, leaders; Opal Thacker, president; Georgia Coleback, vice-president, and Mabel Back, secretary.

Here's Why H-S Will Play Kentucky Teachers

ABILENE, Oct. 18 (AP)—There's a reason why Hardin-Simmons is going to Paducah, Ky., to play Murray State Teachers Saturday.

Roy Stewart, Murray coach, and Frank Kimbro, of the Cowboys were high school teammates at Haskell, Tex. Each played halfback at football, in the infield on the baseball team, were dash men in

Taking It Easy

The smile on Wes Ferrell's face indicates all is well as the New York Yankee pitcher recuperates from an operation on his pitching arm in St. Elizabeth's Hospital, New York City. Ferrell thinks the removal of a piece of chipped bone from his right elbow will make him more effective on the mound next year.

The "Arkansas Traveler," carrying the Arkansas University Razorbacks to an important intersectional football game, rolled toward Thomsen today while Coach Fred Thomsen and his men of the Ozarks brewed bad medicine for unbeaten Santa Clara.

It was the first of three excursions on the schedule of Southwest conference teams this week but the Razorbacks departed a couple of days ahead of the others in their special train. They met the Broncos at San Francisco Saturday.

Texas Christian University's Horned Frogs, basking in the spotlight of greatness after their smashing victory over the Texas Aggies, pull out Wednesday night for Milwaukee where they play Marquette, and the Southern Methodist University Mustangs "depart that afternoon to tackle the mighty Pitt Panther at Pittsburgh.

Meanwhile the Baylor Bears and Texas Aggies dug in with a vim for their traditional battle at Waco Saturday and the University of Texas and Rice Institute checked their strength for their game at Houston.

Arkansas scheduled workouts en route at Abilene, Tucson, and Los Angeles. Kay Eakin, triple-threat back who missed the Texas game last week when the Razorbacks smashed over the Longhorns in a way that augured no good for Santa Clara, was on the train. He had been one of the line-up because of a shoulder injury.

Haner in Shape Again. Coach Dutch Meyer found his rugged Horned Frogs in tip-top shape. Southern Methodist's squad was also in good condition.

Baylor counted several injuries with Sherman Barnes, veteran end, and Jack Black, letterman tackle, affected.

Coach Dana S. Bible announced Charles Nelsner, senior guard from El Campo, would captain Texas against Rice.

Crash Jimmie Kitts was cheered at Rice when he found Seat Sullivan, Don Hager, Earl Glasco and Bill Haner would be off the injury list and ready to go against Texas.

However, Dick Brannon got a twisted knee against Tulane last week and will not see service. Kitts is also missing the services of Red Vestal, line-backing and blocking quarterback, who was hurt before last season started.

The Aggies went through their practice session amid a downpour of rain yesterday. The Cadets came out of the game with Texas Christian without serious injury and drove hard in scrimmages against the freshmen. A change drill of Baylor plays brought back by Aggie scouts followed.

Joey Archibald Whips Belloise

NEW YORK, Oct. 18 (AP)—Joey Archibald, a youngster from Pawtucket, R. I., who never had a case of sunburn, took a large piece of that title last night when he pounded out a decisive and rather unexpected 15-round victory over New York's Mike Belloise at St. Nicholas Palace and now he's in a position to do the dictating about further title awards.

Archibald's victory over Belloise, whom he had whipped once before for Mike's only defeat in 13 bouts, earned him recognition as champion by the New York State Athletic Commission. The National Boxing Association failed to concur, but Joey promptly announced his plans for picking a successor to Armstrong.

SERIAL STORY MURDER TO MUSIC BY NARD JONES

CAST OF CHARACTERS MYRNA DOMBEY—heroine. Wife of the sensational...

CHAPTER XIV THE "skeleton" which Bob Tait had in mind when he left...

The moment he returned to Feeley's office he thumbed through Dombey's papers until he found...

"So am I, Mr. Montgomery. And you're wrong. I'm not calling for more money. I'm calling to find out if you're a good sport."

and cautious. "What do you mean—a break?" "Give me a chance to get the unsold records in, and turned over to you."

"That's all right, Torchy. See you then." And, true to his word, Torchy had them packed into his diminutive apartment when Tait got there at a minute before five.

"I've got a good description of George Weeks, and a picture. And I've got another lead. Just wanted to tell you I'm going to follow it along without picking you up at the station. Don't be carrying off any of those Dombey papers."

WHEN Feeley had hung up, Tait called Stephens' hotel. The musician answered sleepily, and Tait said: "Listen, Torchy—how soon could you get the band together?"

don't mind saying it was at my request." Tentatively Tait added: "Any objections?" "None at all, Mr. Manager. Harris Rogers never was a guy I'd pick up to go on a fishing trip."

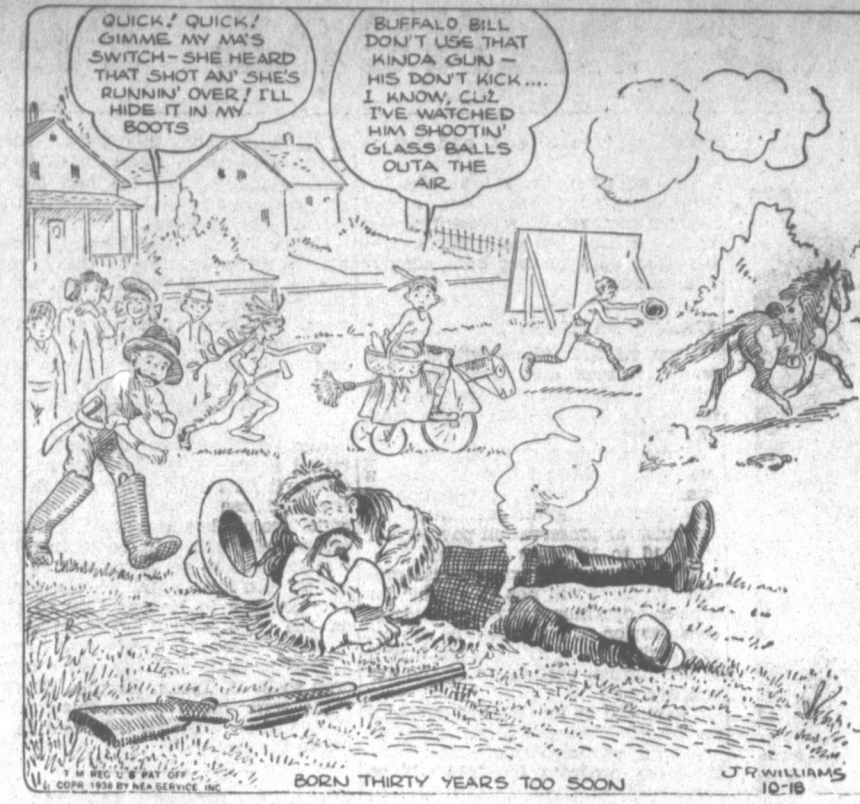

"Good going, Torchy. See you then." And, true to his word, Torchy had them packed into his diminutive apartment when Tait got there at a minute before five.

BOB TAIT laughed. "No you didn't. I think we can still pay them—providing we work together. The Swingateers is still a hot band. You fellows all thought a lot of Dombey. Well, before he was killed he made Myrna Dombey a partner in the corporation."

"That's swell. Because if Myrna Dombey gets messed up in the killing of Lud, our chances of keeping The Swingateers intact isn't so good."

ALANREED'S SECOND ANNUAL FAIR TO OPEN FRIDAY

Band Concert, Lunch, Rodeo On Schedule

Farm Exhibits To Be Better Grade Than Last Year's

ALANREED, Oct. 18.—A band concert, judging of agricultural exhibits, lunch, and a rodeo are on the program of the second annual fair of Alanreed, to be held here Friday. In the agricultural exhibits products are expected to be of a better grade than last year, with the exception of fruit. Most of the fruit in this section was killed by cold weather last spring.

There are five general rules for the fair: exhibits must be in place by 9 o'clock Friday morning; ribbon awards will be made for first and second places in each division; all judges will be chosen by the executive committee; the fair committee will not be responsible for any accident to contestants, or exhibits, while in the fair; no professional may show or enter any event.

Judging of agricultural exhibits and band concert will be held from 9 o'clock to noon on Friday; lunch from noon to 1 o'clock and rodeo from 1:30 to 4 o'clock. Calf roping, steer riding, bronc riding, are events of the rodeo, of which Roy Hill and Jewel Snyder are managers.

Bonnie Bell, Fannie Johnston and Mary Lee Garland are in charge of the division of school exhibits. Only grade and high school departments may enter in this competition.

Animal Husbandry Classes

E. R. Sherrod is superintendent in charge of the animal husbandry section. Farm exhibit officials are F. B. Stubbs, superintendent. Mrs. L. I. Reimer, Lawrence Prock, L. L. Palmer, Mrs. T. E. Crisp, O. L. Tibbits. Class 1, in the farm exhibits is head or ear corn: kaffir, milo, feterita, hegaria, broomcorn, corn, and popcorn. All samples are to be 10 heads or ears.

Class 2, grains and seed: peanuts, field peas, sweet sorghum, dry beans; class 3, sheaf forage, 3 to 5-inch diameter, millet, alfalfa, sweet clover, sorghum, sudan grass, field pea, hegaria, kaffir; class 4, cotton, best 20 open bolls, any variety.

Class 5, vegetables, Irish potatoes, one gallon, sweet potatoes, one gallon, onions, six, turnips, five, string beans 1/2 gallon, dry peas, one gallon, beets, five, tomatoes, five, green corn, six, black-eyed peas one gallon, squash, one, pumpkin, one, watermelon, one, cantaloupe, three, pepper, any variety, six, okra, six, cucumbers, green, three, syrup, one pint jar, sorghum can, six pie pumpkin.

Class 6 fruits, apples, pears, peaches, apricots, plums.

Grouped By Communities

To promote community interest, all agricultural exhibits are to be placed in the community exhibit of the community in which the products were produced. Each community may show as many exhibits under each classification as it wishes, however, each exhibitor shall show only one exhibit under each classification. All articles must be in place and booths decorated by 9 o'clock Friday morning.

Booths will be scored as follows: general appearance, 100 points, products 900 points. At least 15 products must be shown to be judged. There will be a special class for milo, kaffir, hegaria and cotton, in which 4-H Club boys may compete.

Homemaking Division

Officials in charge of the homemaking division are Mrs. Frank Crisp, Mrs. J. P. Elms, Mrs. Reece Green, Mrs. F. B. Stubbs, and Mrs. Sherrod.

Divisions are: Class 1, arts, paintings and wood carving; class 2, domestic science, all types of canning; class 3, textiles, embroidery, knitting and crocheting, quilts made before 1930, quilts made after 1930, rugs, novelties, sewing, infant department. Class 4, cooking, baking, non-butter and butter cakes, pies, two crust and meringue, cookies, candy, and bread, rolls, loaf, muffins and biscuits.

There will also be a division of curios, and anyone wishing to enter curios will be allowed to do so. The same rule will apply to flowers. If there is a sufficient quantity of flowers entered, a flower booth will be opened.

Tourists Pass Through Alanreed At Rate Of 1 Car Every 2 Minutes

ALANREED, Oct. 18.—Although summer vacations are over and most people are home, travel is immense over the Will Rogers highway. During the month of January, 1938, two local boys were employed by the Texas Highway department to count the cars that travel through Alanreed from 7:00 a. m. to 7:00 p. m. The count averaged about one car every two minutes, the travel being about as great in one direction as the other.

The traffic is at least one fourth

greater now as at the time the count was taken. During the summer months travel going west seems a little greater, but there is only a slight difference the remaining part of the year. Every state in the union is represented on the Will Rogers highway, but Oklahoma and California seem to have the greater representation aside from Texas. Some Alaska, Canadian, and Mexican cars are also seen on the "Main Street of America."

The Farm Chronicle

BY NORBERT MURRAY

ANSWER CRITICS OF AAA. Replying to Corn Belt Liberty League charges that the new Farm Act fails to consider adequately individual farm crop rotation, AAA officials, in a forceful statement issued exclusively through the Farm News Exchange, explain workings of the act in this respect.

AAA officials, who said they spoke without having consulted Secretary Wallace or Administrator Tolley, said: "Crop rotation practices of each farmer are determining factors in acreage allotments which are apportioned to individual farms on the basis of tillable acres, crop rotation

practices, type of soil, and topography. "In addition to the acreage of crops planted in the past, a soil management report, representing the best practices for each farm, was made in apportioning corn acreage allotments.

WHEAT PAYMENTS.

Farmers who plant within their wheat acreage allotments this fall will be eligible for two types of payments on the 1939 crop, the AAA announces.

These will be a price-adjustment payment of from 10 to 12 cents a bushel on the normal production of the acreage allotment and an agricultural conservation payment of from 16 to 18 cents a bushel. The farmer who exceeds his acreage allotment will not be eligible for a price-adjustment payment and his conservation payment will be subject to a deduction of 50 cents per bushel of the normal production of the excess acreage.

There will be no "parity" payment on the 1938 acreage allotment. Farmers who participated in the conservation program for 1938 will receive only the payments provided in that program.

FARM PRICES DROP.

Prices of farm products dropped three points in August, the U. S. Bureau of Agricultural Economics reports.

This decrease represented a loss of the 3-point gain made in July and put prices back to the level prevailing in May and June.

August prices of nearly all crops were lower, influenced in large part by above-average production prospects. Prices of dairy and poultry products, veal calves, and wool were slightly above the July figures but most meat animal prices declined.

FARM PROSPECTS BRIGHT

Developments in the past month point to a substantial increase in demand for farm products, the U. S. Bureau of Agricultural Economics asserts.

Pickup in industrial activity and consequent gain in consumer income is indicated by many barometers of business conditions.

Once an upswing is definitely under way, its cumulative effects tend to bring further improvement, the bureau says.

In the present recovery, as in others, demand for farm products is lagging behind the improvement in industrial production, but this disparity should be leveled as consumer income catches up.

TURKEY CROP LARGER

The turkey crop this year will be about 3.7 per cent larger than last year, the U. S. Bureau of Agricultural Economics says. Abundant supplies of grain, and plenty of green feed in most sections, have favored rapid growth and good condition of the birds which are expected to be somewhat heavier than last year.

Earlier marketings are planned in most sections, and many early-hatched birds have already been sold.

Last Of LeForse

Yearlings Shipped

HIGGINS, Oct. 18.—Emil LeForse, Amarillo, delivered the last of his yearling steers sold to John Crane

Eyes Examined Glasses Fitted DR. A. J. BLACK Optometrist Offices, Suite 322 Rose Bldg. For Appointment Ph. 382

of Kansas City, this week. Mr. Crane sent these steers to eastern feed lots. Mr. LeForse had summered them on the Jones and Jones ranch west of here.

Evans Jones, Lebo, Kas., is here directing the weaning of the calves on the Anchor T ranch which borders Higgins on the north, south and west. Mr. Jones is having each calf vaccinated again for hemorrhagic septicemia and blackleg. He is expecting about 500 calves in about the first of November to be wintered here.

Alex Laubhan, local merchant, received around 450 steer and heifer calves from Harry King and Scott Bros. These were good quality whiteface cattle and weighed around 460 pounds each. Mr. Laubhan sold five carloads to go to Indiana to be put on for a year. He also sent two carloads to Kansas City to go on the open market. The balance of these calves will be wintered here. Troy L. Cabe sold his entire calf crop to R. B. Tyson, Higgins. These calves were delivered here this week. They will be wintered here and full fed in the spring.

Speech, Music Pupils Give McLean Program

McLEAN, Oct. 18.—Assembly programs of interest held Friday in the high school auditorium were sponsored by the speech and music departments.

Robert Wilson was master of ceremonies. C. E. Leeds led the invocation. Jack Young read a scripture reading from Exodus. Rev. W. B. Swin gave an instructive talk on "What is That in Thine Hand?" A quintet of Willie Louelle Cobb, Ruth Bond, Violet Moore, Juanita Hancock, Frances Sitter, with Evonne Floyd at the piano, from Dale Smith's music club, sang "Invocation." Wilson introduced the president of each class to the students and visitors. They were: Vester Lee Smith, senior; James Fulbright, junior; Evonne Floyd, sophomore; Joe Cooke, freshman.

Members of Julia Slough's speech department gave a burlesque of the high school faculty. Glenda Landers introduced the following students who impersonated the teachers: Marvin Jones, Supt. C. A. Cryer; Ran'y Mantocho, Principal W. M. Bralley; Marie Hornsby, Jewel Cousins; Willie Louelle Cobb, Betty Farley; Julia Mae Morris, Betty Smith; Iona Hale, Ima Nell Still; Glenn Ray Stedman, Henry Hall; Robert Wilson, C. H. Leeds; Donovan D'Spain, Orville Cunningham; Leonard Glass, Coach Christian; Jack Young, Clyde Magee; Mary Jo Blair, Lorraine Hodges, office girl. Rev. Swin led the devotion after a short pep rally.
