# Plains Oil Field Most Active In Two Months

## 8 Locations Now Drilling In This Area

Three days of near zero weather and a holiday failed to curtail activity in the Panhandle oil field last week as seven wells were tested and given an open flow of 3,656 barrels, two gas wells gauged for an output of 8,628,000 cubic feet and eight new locations staked.

The week was the most active in both completions and locations in nearly two months.

Hutchinson county produced a drilling flurry with seven of the eight locations being made in that county. The other was in Gray county. All new tests will be drilled in proven areas of the field. Three of the new locations were made by the Phillips Petroleum company, all in Hutchinson county.

Gray and Hutchinson counties tied in new wells with the three Gray county producers given an open flow potential of 903 barrels and the three Hutchinson county tests being good for 1,456 barrels. Carson county registered the other well.

Moore county reported the two new gas wells, one, the Texoma Natural Gas company's No. 14-P J. T. Sneed in section 2, block B-12, R&PR survey, being gauged at 70,638,000 cubic feet.

The Potter county wildcat, the

### BOBBY'S CHRISTMAS DREAM, A Thrilling Adventure With Peggy and Santa

## Drilling Of Water Wells To Start Here Tomorrow

Pampa's \$214,309.40 PWA water system improvement project will be started Monday when D. L. McDonald, Amarillo contractor, begins the drilling of the first of two test water wells on a 17-acre tract situated between West Brown street and the Santa Fe railroad tracks.

The well will have a 24-inch hole

and a small rig will be used. One of the wells will be located in the extreme northeast corner of the tract, while the other will be in a location north of the Bluebonnet club. The contract price for the drilling of the two wells is \$31,000.

At the same time that drilling of the water well is started, the Sherman Machine and Iron Works, Inc., of Oklahoma City is to start operations on their divisions of the project, which is the laying of lines, digging of ditches, construction of well and pump houses, and of underground storage tanks, installing fire hydrants, and replacing pavement torn up for the installation of water lines.

What part of this work would be started tomorrow was not definitely known Saturday to city officials, however one of the first jobs of the Oklahoma City firm will be the replacing of the present 8-inch line, from the booster pump at the waterworks tank at the first station, with a 12-inch line. At the present time water is being pumped through the 8-inch line against considerable friction.

Contractors will do their own hiring. No person will be employed through any city department. Each contractor will have his quota of key men, to supervise the job, and the other workers on the job will be picked by the contractors themselves, after men have been assigned from the local office of the Texas State Employment Service; City Manager W. T. Williamson said Saturday.

## Mother And Two Children Die Of Gas Asphyxiation

HOUSTON, Nov. 25 (AP)—Asphyxiation by gas killed Mrs. Lena Peral Dorsey, 35, and her two children, Calvin, 9, and Kathryn Anne, 3, Dr. J. Herbert Page, county health officer, said after he examined the bodies today.

The victims were found dead in their home when the husband and father, J. H. Dorsey, returned home from work.

Surviving, one year old Mary Edna Dorsey was found clasped in the arms of her dead mother.

Police homicide Captain George Peyton said gas, escaping unburned from the jets of a heater, had filled the upper air of the house but had not reached a level low enough to kill the baby.

Captain Peyton pointed out that a large heater in the dining room was burning full blast. He said there is usually a small amount of gas that escapes unburned when jets are turned on full.

## Middle-Aged Lover Kills Woman, Self

NEW YORK, Nov. 26 (AP)—A middle-aged chemist brought his unhappy pursuit of a pretty red-haired young woman to a tragic end today by killing her and himself with a pistol on the seventh floor of the Grand Central Terminal building in the heart of the midtown section. High above Saturday morning

commuters hurrying through Grand Central Terminal, John McNeill, 52, pleaded with Marion Wheeler, 39, of Yonkers, N. Y. She shook her head.

He had met her outside, had come up, in the elevator with her, police learned later, and had quarreled with her. Something apparently frightened her as they stepped out on the seventh floor.

She began to run, screaming as she heard McNeill following her. She ran toward the office of L. V. Porter, comptroller of the New York Central railroad, where she was employed.

William De Sears, a fellow employee, told Police Captain Patrick Kenny and detectives he stepped out when Miss Wheeler was only a few yards away.

He said McNeill fired three times at her back and shot himself thru the head.

# Duke's Victory Provides Day's Surprise

## Blue Devils Likely To Get Coveted Bid

NEW YORK, Nov. 26 (AP)—Duke's Blue Devils, the Horned Frogs of Texas Christian University and the gray-clad Cadets of the United States Military Academy waded through the snow and mud of the last big Saturday of the 1938 football season to greater gridiron fame today.

Duke completed an undefeated, untied and unscorched season with a rather surprising 7-0 conquest of Pittsburgh, one of the East's strongest teams, before a southern record crowd of 52,000 spectators. T. C. U. finished a perfect season in the fourth Southern conference by routing Southern Methodist, the only challenger for the conference title, 20 to 7.

The season's largest football crowd, 102,000, in the Philadelphia Municipal stadium, saw Army wipe out those two defeats that marred an ordinary season by whipping Navy 14 to 7 in the third quarter of the colorful service rivalry.

The Cadets staged a remarkable comeback to score their winning touchdown on an uninterrupted 81-yard march in the third quarter after Navy had pushed them all over the frozen field to tie the score at 7-7 in the first. A 73-yard rumbuck of a punt by Charles (Huey) Long, brought the first Army score.

Duke's Eric (The Red) Tipton virtually kicked Pitt into defeat with booming punts that set the Panthers back toward their goal line, but it was Willard Perdue who finished the job of making it a perfect season. He blocked a punt and recovered it for the only touchdown that made the Blue Devils likely candidates for an invitation to play in the Rose Bowl New Year's Day.

Texas Christian also got into the bowl bid by overpowering S. M. U. Connie Sparks blasted the Mustang line and Davey O'Brien tossed troublesome passes behind the big Horned Frog line and it was all over before the Methodists could score on a blocked kick in the last quarter.

Tech Whips Alfrquette. One other team, Texas Tech, concluded an undefeated and untied campaign by whipping Marquette, 21 to 2. Oklahoma's Sooners, who have one more game to play, rang up their thirteenth straight victory and their ninth this season by beating Oklahoma A. and M., 19-0. Boston College, twice tied, met its first defeat of the season when Holy Cross, paced by Bullet Bill Osmanski and Ronnie Cahill, smashed it way to a 29-7 victory in a renewal of one of the nation's fiercest rivalries.

Fordham's Rams picked up a little glory by whipping their Bronx rival, New York University, 25-0. Mississippi earned a chance to claim some of Tennessee's honors in the Southeastern conference by trimming Mississippi State, 19-6. Ole Miss plays Tennessee next week and could earn approximately equal status by upsetting the unbeaten Vols. Tulane's Greenies moved up just behind Mississippi and even with Alabama in the conference standing by trimming Louisiana State, 14-0.

Florida's Gators brought about one of the big upsets of the conference campaign when they stood off Auburn's attack and finally beat the Plainsmen 9-7, on a blocked punt in the last quarter. Georgia and Georgia Tech played a scoreless tie in the other Southeastern game.

Stanford's Indians, who had a miserable season in the Pacific coast conference, pulled off the day's outstanding "upset" when they beat Dartmouth, a power in the East, 23 to 13. The Indians finally got their scoring plays to work and after maintaining a one-point margin through three periods, drove 70 yards for a final tally and added a safety when a Dartmouth pass was incomplete behind the goal line. The scoring in the first three quarters was done mostly through the air.

Oregon State crashed through in the last period to beat Oregon 14-0 while Washington trounced Washington State 26-0 in Pacific Coast conference tussles.

## Stanford Stuns Dartmouth 23-13

PALO ALTO, Calif., Nov. 26 (AP)—Stanford's Red Indians, one of the doormats of the Coast conference this year, beaten six times and expected to take another licking, provided a stunning climax to an otherwise dull football season with a 23 to 13 victory over the green-jerseyed warriors of Dartmouth.

For three periods Stanford led by a one-point lead. In the last quarter, the game switched from a close, airtight encounter, to a rout, with Stanford pounding and passing to the nine more points and a convincing decision over the runner-ups for the Ivy League championship.

Stanford's first touchdown came on a lateral to Byron West, tackle, on the 20 from Halfback Pete Fay, who had just snared a pass. West scored unopposed.

In the second Dartmouth scored on a 68-yard drive, but Stanford came back in the third on passes to put the ball on the three, and Quarterback Standlee scored.

## Tex Pitches Hissey When Joe Predicts He'll Win

Figuratively speaking, Joe Banaski is going to let down his hair against eye-gouging, choking, hair-pulling, puss-socking Tex Watkins, tomorrow night at Cliff Chambers' athletic arena. The first match begins at 8 o'clock.

He'd better. If he doesn't, Tex is likely to make Banaski look like a double bowline knot. Local wrestling experts feel certain that Joe has practically eliminate Tex, solely through scientific wrestling. That's why they think Joe is going to shoot the works tomorrow night.

The match will be unprecedented. It will be one of the few times in the history of wrestling in Pampa when two grunt-and-grainers have battled in the main event on two consecutive Monday nights. The fans howled so loudly last Monday for another chance to see the two grapplers that Cliff was forced to match the pair again. Therefore, one of the biggest crowds of the season is expected to see the match.

Everybody knows that Tex is going to get rough right away. In fact, he expects to win by rough stuff, but ringsiders think that Banaski can write "finis" on Tex by manipulating several of the holds which have been so effective that the big boys in wrestling are considering yielding to his yells that he be given a match with Darryl McShane.

So the bragging Banaski better come through with a victory Monday night or else—however there's Tex who gets so mad he slobbers when anyone hints that Joe might take him. Tex says he'll win that match Monday night if he has to make Banaski's "puss look like the map of Czechoslovakia after Germany got through it." However, Tex just called in Czechoslovakia.

Now the Banaski-Watkins brawl will be preceded by semi-final matches Monday night. The first will be a tussle between Russ Joly and Lynch Russ Joly. Joly is trying to make a comeback and he wants to do it the rough way. Scotty Williams and Gust Johnson will do the preliminary attraction.

The side-attraction will of course be Ray (Big Train) Clements, who was socked all over the ring last week. The Big Train expects to get in the first lick Monday night.

All in all, the gents and gals who like sound and fury, gnashing of teeth, sick socking, surprising but excruciating holds should be on hand tomorrow night.

Lubbock called the toss of the coin and lost.

## New Mexico Invited To Sun Bowl Game

ALBUQUERQUE, N. M., Nov. 26 (AP)—The University of New Mexico was invited today to play the New Year's Sun Bowl football classic at El Paso, Texas—an invitation expected to be accepted at a meeting of the athletic council Monday.

With one team virtually decided, speculation centered upon Western Reserve University of Cleveland and Georgetown University of Washington, D. C., as favored candidates for the opposition. Both have undefeated records.

## MEETS BANASKI AGAIN MONDAY

He's just as mean as he looks, is Sailor Tex Watkins, above, who will meet Joe Banaski, the Oklahoma cowboy, in a return main event at Promoter Cliff Chambers' wrestling show next Monday night at the Pampa Athletic arena. Watkins won a freak decision from Banaski last week and the return match has been scheduled. The semi-final will bring Russ Riley to Pampa for the first time in a match with John Neumann, former referee, who is mean, too. Opening the card at 8 o'clock, Scotty Williams will meet Gust Johnson. The card is expected to draw the largest crowd of the season because the main event is a natural since Banaski announced that he is going to get Watkins and sink his ship.

## Army Defeats Navy 14 To 7 Before 102,000 Spectators

PHILADELPHIA, Nov. 26 (AP)—Army, off to a lead in the first period when Charley (Huey) Long of Chevy Chase, Md., raced back a punt for 79 yards and the first touchdown, was beaten and sore when the big break came. Navy had outplayed the Cadets so badly that their backs only ran one play from scrimmage in the second period as the Middies climaxed a 50-yard drive by land and air to score and then came back to shove the Pointers back to their 17-yard line for a first down.

Wood was a bit too anxious as he grabbed the leather and prepared to hit the line. The ball squirted out of his numbed hands and Stella pounced on it on the Army 19. Ten

plays later and the Army backs, reinforced by Sydney Martin of Gilmer, Texas, who made 46 yards on the first two plays, rode over the Middle line for the final, winning touchdown.

Behind a line that stiffened suddenly, the Cadet backs slashed the entry wall and swept the ends almost at will. Long Art Frontczak of Dowagiac, Mich., and Woodrow Wilson of El Paso, assisting in the winning drive. It was Wilson who lugged it over from the one-foot line where the last of three cranes by Frontczak, good for 9 of the 81 yards, missed going through.

Hero of the Cadets in the chill and gloom was Long. It was he who set them off for the first score on the most brilliant run of the day. It was Long who kicked the two extra points and it was Long who kicked several beautiful punts and several times split up the Middle defense with some of the few passes Army attempted.

## Frogs Would Prefer Rose Bowl Invite

DALLAS, Nov. 26 (AP)—Over ten tough hurdles and with the South-west conference title in their pockets, Texas Christian's mighty Horned Frogs tonight started thinking about a New Year's Day game.

No official comment was forthcoming, but from authoritative sources came the word that the Christians—should they receive invitations—would vote in this order: 1. Rose Bowl. 2. Sugar Bowl. 3. Cotton Bowl.

Immediately after the triumph over Southern Methodist University today, 20-7, the Christians streamed into the dressing room and in a quick vote assured Coach Leo (Dutch) Meyer they wanted to play in Pasadena's Rose Bowl if the opportunity came their way.

"Would we go to the Rose Bowl? Boy we'd go right now if they'd have us," said Davey O'Brien, the team's All-America candidate.

And he might as well have been speaking for the whole band of Christians. The boys made no bones about their Rose Bowl inclinations.

Even Coach Meyer spoke out, for the first time this year: "We definitely want that Rose Bowl assignment and hope it comes our way." Whatever thoughts he had about the Cotton Bowl, Dallas' own New Year's spectacle, he kept to himself.

J. Curtis Sanford, director general of Dallas' Cotton Bowl Athletic association, tendered a written invitation to the Christians to play in the Cotton Bowl. His reply was given and indications were it would be withheld for several days.

## Stanford Routs Dartmouth

PALO ALTO, Calif., Nov. 26 (AP)—Stanford's greatly-improved football team completed its season in a blaze of glory today by knocking over powerful Dartmouth, 23 to 13, in an inter-sectional battle before a crowd of 20,000.

## Duke Smashes Pitt 7-0 To Keep Perfect Record

DURHAM, N. C., Nov. 26 (AP)—Stocky Willard Perdue of Duke smashed through the weary Pittsburgh line and into football immortality today.

The Duke, end alternate blocking back a year ago, banged into one of John Chickernoe's frequent punts from the snow-covered end zone, grabbed it on the bounce and scored the touchdown that defeated mighty Pitt for the Blue Devils, 7 to 0, and ended the most remarkable season in the history of football.

The touchdown, scored on the fifth play of the fourth quarter, was enough to send the 52,000 spectators into transports of joy and maintain the Blue Devils' position as the nation's only major undefeated, untied, unscorched on eleven. As the crowd, largest in southern gridiron history, filed out through the snow storm that had swirled into the stadium since morning, there was talk of the Rose Bowl, the Sugar Bowl and almost every post-season fixture.

But if Perdue's touchdown won the game, the trusty right foot of Eric (The Red) Tipton saved it. The senior tailback on Wallace Wade's twentieth and greatest eleven kept the Blue Devils in and the Panthers out of the ball game with 20 punts that averaged 39.4 yards from scrimmage and which held the weary Pittsburgh backs pinned in their own territory in the last quarter.

By then Jack Sutherland's eleven, which played through with only six substitutions, was dog tired. Twice in the first half it had bid terrifically hard for touchdowns, with the great Marshall Goldberg leading the attacks with reckless running and deadly blocking.

Each time the surge fell short. The solid, seaworthy Duke line halted the first savage charge on the 12. The second failed when Larry Pace, replacement for the injured Goldberg, fumbled on the 19. Goldberg was the spearhead of each drive.

## Battle Follows Tulane Victory Over Louisiana

BATON ROUGE La., Nov. 26 (AP)—Tulane's fast football team trounced Louisiana State today, 14 to 0, before 40,000 fans in a rough game dimmed by general fighting among fans and players.

The Tigers could do nothing to stop Tulane's shifty halfbacks, Bob Kellog and Fred Cassbury, who scored a touchdown apiece.

The game was one of the fiercest. Bronco Brunner, Tulane's brilliant back, and Jack Staples, Tiger fullback, were carried from the field with injuries.

In the fourth quarter, officials ousted James Stell, Tiger halfback, and Tom O'Boyle, Tulane guard, for swapping punches. The Tigers were penalized for clipping, unnecessary roughness and slugging.

Bruce Hedric, L. S. U. field general, was put out on the slugging charge.

Then the players cut lose with wallops. Fans streamed out of the stands, some with sections of stands used as clubs.

Coaches quited the fighting, a few more plays were run, the last whistle blew, some Tulane admirers ripped up the Tiger goalposts, and the battling started all over again. It went on till darkness put an end to it.

# TCU Routs SMU 20-7 And Awaits Bowl Bids

## Frogs Crush Mustangs On Ground Plays

By FELIX R. McKNIGHT, DALLAS, Nov. 26 (AP)—Unbridled Texas Christian nailed up its regular season today with a sledgehammer lick that felled Southern Methodist, 20-7, won the Southwest conference title and lifted the hook for phone calls from Pasadena.

Tenth victim of the Southwest's finest team of history, the Methodists, as expected, were the toughest on the list and gave up only after sending 24,000 rumbled fans into a dither in the closing period.

Little David O'Brien, operating behind seven Goliaths up in the line, brought out his passing wizardry only occasionally in the bristling wind but he personally led a ground game that netted two touchdowns and 231 yards.

Once the little fellow warmed up his passing arm and heaved 25 yards to Johnny Hall, halfback, who went ten more for a touchdown in a half-foot. But for the main, he stuck to the ground and with sophomore Connie Sparks, and Halfbacks Hall and Clark, rode rousing excursions through the Mustang wall.

Immediately after the game the Cotton Bowl Athletic Association, sponsors of the annual New Year's Day post-season classic at Dallas, issued an invitation to the Christians but a reply was not expected for several days.

The hustle that made Southern Methodist, undefeated in Southwest conference play until today, a dangerous outfit, brought in their only touchdown.

Only 13 minutes remained and they trailed, 20-0, when a swarm of Methodists led by Jack Sanders, big tackle, poured in on Connie

Sparks as he attempted to kick from his own 32 into the gate. The kick was blocked and Bob Collins, reserve end, caught it on the house and plunged on 18 yards for the touchdown.

Three times the Christians drove deep into Methodist ground for what seemed more touchdowns, but the Methodist line stiffened and held them on the six seven and seventeen stripes.

On the first scrimmage play of the game, S. M. U.'s Captain Charlie Sprague playing his last game, at end, went out with a severe leg injury after he had tackled O'Brien on a line play.

Ten minutes after the kickoff the Christians fell in behind O'Brien and marched 36 yards on 14 plays for the first touchdown. Using, incidentally, only one of their famed passes.

The Methodists resisted on the three-yard line, holding Sparks twice before he finally plowed over. O'Brien kicked the point.

Randy Don Looney, great Christian left end, threw in a rowdy tackle that set up the second Christian score.

He hammered Mallouf on the Methodist 36 after he had bagged Sparks' long kick and the Methodist dropped everything, including the ball.

Ki Aldrich, as usual, was there to recover or the Christians.

On the first play, O'Brien shot a 25-yard pass that Mallouf stabbed for and Hall snagged on the 10, poking across for the score. O'Brien kicked another point cross. It seemed as if Mallouf had intercepted O'Brien's shaft, but it whistled right on through his hands.

The Christians tallied their third

touchdown early in the third period. First they tossed Mallouf for a 14-yard loss on an attempted pass, then they kicked, and then started from the Methodist 28 after O'Brien had squirmed back 18 yards with a punt return.

Sparks belted over tackle for 14 and Clark came back with the same play for 15 more. Sparks punched through for five. O'Brien added four more for the one and Epke's carried over his tenth touchdown of the season.

### Sooners Take To Air To Win Game

STILLWATER, Okla., Nov. 26 (AP)—Oklahoma's Sooners, unbeaten champions of the Big Six, traveled the air lanes today to a 19 to 0 victory over the Oklahoma Aggies before 9,000 shivering fans.

lank and lean kid, Billy Patterson, should get his degree in football at Baylor University Monday because he rounded out his required three years of varsity football today by passing, kicking and running Rice Institute ragged and leading his team to a 21-6 victory.

Patterson and Sam Boyd, end, had Rice so befuddled when the game was in the last quarter that Ernie Lain, Rice's great passer, was passing to Ken Whitlow, Rice center, and twice Rice lost the ball because Whitlow was ineligible to receive passes.

Patterson set up the first Baylor touchdown in the first quarter by a series of forward passes that carried to the Rice three-yard stripe. Smith Merka, Baylor fullback, smothered over for the score.

In the third period Rice was penalized half the distance to its goal line, giving Baylor the ball and a first down on the Rice 19.

Butt, Bill and Fred Graham hacked at the Rice line, pulling up with a first down on the Rice line. Patterson, on fourth down passed to Hoyd for Baylor's second touchdown.

In the last period Rice got the ball on their own 35 and Lain passed to Walter Williams, end, who was downed on the Rice 49.

Patterson on the next play intercepted Lain's pass on the Baylor 18 and kicked to E. Y. Steakley on the Rice 20.

Lain, rushed, passed to center Whitlow, who ran and then lateralized to another Rice man deep in Baylor territory. The referee caught sight of the rule violation and called the play back and gave Baylor the ball on the Rice 30. Because of the ineligible receiver.

Patterson passed to Hoyd on the Rice 18, then shot one to Malcolm Linder, sub Baylor back, who was standing on the Rice eight and sped over the goal.

Robert Nelson kicked the extra point, just as he had the two previous ones.

Later the Baylor line rushed Lain and pined his ears back on the Baylor 30.

That was the crowning blow. Lain threw another pass to Whitlow this time on the Baylor 28 yard line. Baylor again was given the ball.

Hartman Scores  
Rice scored its touchdown in the second period, when Big Moose Hartman, Rice lineman, intercepted a lateral on the Baylor 46 and ran the score. Hartman missed the try from placement.

### Bits About Bowling

Tuesday night bowlers will swing into action at 7 o'clock, and by 7 o'clock is meant 7 o'clock and not 7:30 o'clock. Several teams have been guilty of reporting late for opening games and as a result have been a great inconvenience to the late bowlers. Now a team will be given until 7:15 o'clock to be on the alleys rolling opening balls.

The schedule for Tuesday night follows: 7 p. m.—alleys 1 and 2, American Legion vs. Schneider 26; alleys 3 and 4, Diamond Shop vs. General Atlas. 9 p. m.—alleys 1 and 2, Nehi vs. Dr. Pepper; alleys 3 and 4, Cabot vs. Thompson Hardware.

The Weir Barber Shop team will go to Amarillo this afternoon for a game with the Santa Fe Barbers in Louie's alleys at 3 o'clock.

### 'Blue Streaks' Whip 'Scarlet Fever' Elevens

Future Slingin' Sam Baugh had their preliminary taste of gridiron glory at Harvester park Saturday afternoon when teams composed of Pampa boys between the ages of 13 and 18 had Pampa boys up to the age of 13 had football games with other teams in their respective age divisions.

Woodrow Woodriddle led his "Blue Streaks" to 13-12 win over the "Scarlet Fever" eleven captained by Geo. Flaherty, in the senior boys game, while the "Blue Streaks" (junior) walloped the "Scarlet Fever" (junior) 14 to 0.

Both divisions of the "Blue Streaks" are composed of boys living in the south part of Pampa, while the "Scarlet Fever" eleven hail from the western part of town.

A crowd of 50 juveniles were at the park for the games. The football games are a part of Pampa's WPA recreation project.

### O'Brien Proved Better Than Baugh

DALLAS, Nov. 26 (AP)—Wee David O'Brien, Texas Christian's 160-pound candidate for All-America honors, finished his forward passing chores today—and figures prove him better than Slingin' Sammy Baugh, his predecessor.

The little man hurled 167 passes in ten games—and only four of them were intercepted.

He completed 83 of them for 1,500 yards and 19 touchdowns, or a neat percentage of .557. It took Baugh 13 games in 1936 to hurl 13 scoring passes.

## Tech Batters Marquette In 21-2 Assault

LIBBBOCK, Nov. 26 (AP)—Texas Tech's smearing Red Raiders struck with unconquerable ground and aerial power in the first and third periods here today to smash Marquette University, 21 to 2.

The victory gave the Raiders their tenth consecutive win and allowed them to remain untied and undefeated with only Centenary college remaining on their schedule.

Marquette, much larger than the Raiders, made several brilliant bids for touchdowns, but each time the stout-hearted Raider line would swallow, bear down a little harder and drive the Golden Avalanche attack back.

The Raiders started their scoring quickly after an exchange of punts. Colledge fumbled on Marquette's five and Prince Scott, brilliant Tech wingman, pounced on the ball. On the third down, Gene Barnett swept end and went over the goal line and Jodie Marek kicked conversion.

Late in the first period, Tech scored its second touchdown when Barnett shot a five-yard pass to Elmer Tarbox who weaved through a broken field for 50 yards and a touchdown. Marek kicked conversion.

The Golden Avalanche completed a pass over the goal line in the last period but it was called back because Marquette was caught holding.

## Local Bowling Team To Play Amarilloans

The Diamond Shop bowling team will meet the Amarillo All-Stars in a match at the Berry Bowling alleys here at 7:30 o'clock Monday night.

It will be a return match. Last Monday night in Amarillo the All-Stars beat the local two out of three.

All-Star bowlers in the match here Monday night will be Rieger, Hankinson, Johnson, Jackson, and McMinn, with the Diamond Shop team consisting of Hap Baxter, F. A. Peck, John Peake, Fred Fischer, and Sam Fenberg.

### Scores Favor Wellington To Beat Panhandle In Finals

With the exception of a new contender from District 4-B, the bi-district playoff of Region One's Class B football warfare shapes up almost with the same cast as that of 1937.

Lockney displaced Spur, as the 4-B power and will battle the brilliant Wellington Skyrocks Friday, Dec. 2, in Wellington for the laurels of District three and four.

Tulla's Hornets nose out the Canyon Eagles 7 to 6 Tuesday afternoon in a traditionally spirited conflict at Canyon for right to meet Panhandle's Panthers, twice regional champions.

The Panthers and Hornets will clash Friday afternoon at 2:30 o'clock in Tulla. The game was played at Panhandle last year when the Panthers met and vanquished Tulla 27 to 6 in a non-conference game October 7, and are favored to advance to the final over the Hornets when they meet for the championship of Districts one and two.

More fuel for the deposters may be found in the fact that McLean, runner-up to Wellington for the District 3-B championship, squeezed past Panhandle 7 to 6 early in the season. Wellington beat McLean 28 to 14 for the 3-B title a little more than a week ago. A week after the McLean-Panhandle game, the Panthers invaded Wellington for a non-conference game and were blanked 13 to 0 by the Skyrocks.

Coach Leo Cooper, himself a former Longhorn, is drilling the team on plays and building weak spots. The Longhorns are planning a massed attack on Wellington's line, but if that fails, they have found an aerial attack from Hill to Gentry successful in former games. Brotherton has completed passes from Hill, and Harris, with his feet, 4 inches, can stretch a long distance toward bringing them in.

Lockney's record for the year: Lockney 13, Happy 7. Lockney 19, Friona 0. Lockney 33, Silvertown 2. Lockney 45, Turkey O. Lockney 32, Silvertown 0. Lockney 26, Tulla 0. Lockney 32, Floydada 14. Lockney 13, Flomot 13. Lockney 13, Spur 0.

## Smith And Sparling On Undefeated Team

The Cameron Aggie football team of Lawton, Okla., is one of the few undefeated elevens in the nation and two good reasons why they have that ranking are Carl Smith and Deinel Sparling, former Harvester stars.

When the Aggies rung up their eighth straight win, over Eastern Oklahoma Junior College 13 to 0, Smith and Sparling led the necessary late blocking that cleared the way for both touchdowns, according to the Lawton paper received here.

Smith plays left guard and Sparling center for the Aggies. Besides being effective on the offense, Smith and Sparling had a big hand in throwing the opposing ball carriers for 64 yards in losses.

Market Briefs NEW YORK, Nov. 26 (AP)—Apparently tired of waiting for a rally that refused to materialize, traders unloaded stocks today and the market suffered its worst setback of the week with leaders down fractions to more than 2 points. Until the final half-hour of the brief proceedings, the list duplicated its losing tactics of recent sessions. The beat-down selling wave, centering on steel and motors, modest recoveries were in evidence at the sound of the final gong. Brokers, generally, attributed the reversal partly to more insistent adjustments for income tax returns and to some apprehension over foreign affairs. The Associated Press average of 60 stocks was off 5 1/2 points at 60.8, and was down 7 1/2 net on the week. Transfers for the two hours amounting to 87,029 shares against 437,090 last Saturday. Principal losers included U. S. Steel, Bethlehem, General Motors, Chrysler, U. S. Rubber, Douglas Aircraft, Anaconda, Allied Chemical, Johns-Manville, Santa Fe, Dunhill and Philip Morris. CHICAGO GRAIN CHICAGO, Nov. 26 (AP)—Orderly selling by traders not wishing to take wheat on December contracts which became deliverable next week caused price to dip 1/2 cent today to 61, lowest since 1935, but purchasing of options kept the middle of 1939 steady in the market. Wheat closed 1/4 cent higher compared with Friday's finish, Dec. 61 1/2. May 64 1/2-65; corn was unchanged to 1/2 higher, Dec. 47 3/4, May 51 1/4-1/2; oats 1/4 up; rye unchanged to 1/2 off and lard 5 to 10 cents down. NEW ORLEANS COTTON NEW ORLEANS, Nov. 26 (AP)—Covering and trade buying steadied cotton prices here today following an early period of easiness, and the market closed very steady, not 1 point higher to 2 lower. Firmness in the dollar supported foreign markets which were better than expected and attracted some near month demand in early dealing. Dec. closed at 5.70, Jan. at 5.61-bid, March at 5.56, May at 5.36, July at 5.14, October at 7.90-91, Dec. (new) at 7.58-bid and March (1940) at 7.58-bid. Spot cotton was quiet and middling closed unchanged at 8.65 on sales of 550 bales.

### Review Of "This Proud Heart" Given For Week

THIS PROUD HEART, by Pearl Buck, publishers, Reynal and Hitchcock.  
 By MRS. JAMES TODD, JR., City Librarian

Pearl Buck, who just received the Nobel Prize award based on the book, "The Good Earth" has in her latest book, "This Proud Heart," turned from China and is writing about American characters and scenes.

"When 'Good Earth' was first hailed as a unique interpretation of the life of China, she said, 'My chief pleasure and interest has always been people and since I live among the Chinese, then Chinese people. I dislike all those writings about Chinese which makes them strange and outlandish and my greatest ambition is to make the people in my books as real as they are to me if I can.'

In this spirit Pearl Buck now begins to write about Americans. In "This Proud Heart" she tells the story of a woman with a creative impulse, who is able to do everything and to do it more quickly and better than those around her. Susan Gaylord must have love, a home, and children, and work besides.

The novel is of the conflict to which her talents bring her with everyone whom she knows and loves. But in the character of Susan Gaylord in spite of her unique genius, we find once again as in O-lan the universal qualities of womanhood. The style of the book is fast moving and rapid, the story keeps al-

### RED TOUCHES UP BLACK

PARIS (AP)—Mrs. Joseph P. Kennedy, wife of the American Ambassador to Great Britain, has ordered a model in black touched up with red. The coat is black velvet trimmed with black otter, and the dress is black marocain crepe with lines of red defining a pattern through the bodice. Red is seen again, facing a cluster of pleats let in at the side of skirt. Paquin designed this.

### MODERN MENUS

By Mrs. GAYNOR MADDOX

Doughnuts make the world go 'round.

The temperature of the fat you fry them in should be between 360 and 370 degrees F., and the cooking time no more than 3 minutes. A different recipe helps to keep things rolling merrily, too.

This Women's Assembly of Pilgrim Church in Duluth, Minn., gives this recipe in their church cook book.

**Duluth Doughnuts**  
(About 2 dozen)

One cup hot mashed potatoes, 1 tablespoon butter, 1 cup sugar, 1-2 cup milk, 2 eggs beaten separately, salt, 3 cups flour, 3 teaspoons baking powder, nutmeg or grated orange rind.

Sift together flour, salt, spice, and baking powder. Beat yolks and whites separately. Beat sugar into beaten yolks. Cream butter. Combine yolks

and sugar, whites and butter, and beat in mashed potatoes.

Add dry ingredients alternately with milk, stirring until all ingredients are thoroughly mixed. Turn out on floured board, shape, roll 1-4 inch thick and cut with floured doughnut cutter. Fry in deep fat for about 3 minutes until lightly browned, turning when they rise to top. Drain on absorbent paper.

**Nut Doughnuts**  
(About 2 Dozen)

Three and one-half cups sifted flour, 4 teaspoons baking powder, 1 teaspoon salt, 1-4 teaspoon nutmeg, 1-4 teaspoon cinnamon, 1 cup sugar, 2 eggs well beaten, 2 tablespoons melted shortening, 1 cup milk, 3-4 cup sliced Brazil or hazel nuts.

Sift together flour, baking powder, salt and spices. Add sliced nuts and set aside until needed. Gradually add sugar to eggs, beating until light. Add shortening, Add sifted dry ingredients alternately with milk, stirring lightly until ingredients are combined.

Turn on lightly floured board and shape. Roll and cut. Fry in hot, deep fat. Note: This is a very soft dough and needs careful handling

### MYRA NORTH, SPECIAL NURSE

### GLORIFYING YOURSELF

By ALICIA HART,  
NEA Service Staff Writer.

News of the hour is makeup to wear with black. And the girl who, although well equipped with purple and red dresses and cosmetics which harmonize with them, knows perfectly well that she'll be back to black before very long will be interested in this news.

One should, of course, appreciate the fact that black (or navy) throws the natural coloring into relief. That is, must therefore stand on its own and be alive looking with no outside help—such as it might get from the lights reflected from a red or purple dress.

Once you have realized that you look either just plain dull or quite sophisticatedly glamorous whenever you wear black, you'll stop applying whatever makeup happens to be handy those mornings when you reach for a black dress instead of one of the red-ish numbers you bought earlier in the season. You'll wear rouge and lipstick which make your lips and cheeks glow attractively instead of seeming dull or grayish or, worse yet, sallow. And your powder will dramatize and emphasize the natural highlights of your skin tones.

The new makeup to wear with black is divided into three groups. The first is for the fair-skinned (regardless of the shade of hair). Light rosy powder, blue-gray eyeshadow, scarlet rouge and lipstick with subtle blue undertones are advocated.

For the dark skin, rich, dark red rouge and lipstick also with unobtrusive blue-purple undertones, deep rosy powder and fuchsia eyeshadow are right.

One whose skin is medium will pick rouge and lipstick in a shade of red which is a happy medium between the two groups. Powder will be light rosy beige, eyeshadow blue-green.

Attending from Shamrock were Miss Martha Jernigan, area sponsor of the Future Home Makers, Miss Pauline Benson, Mrs. J. C. ### Marriage Of Miss Lemons and W. A. Wells Announced

**PANHANDLE, Nov. 26**—In a simple but impressive ceremony, Miss Helen Lemons became the bride of W. W. Wells Saturday morning, November 19. The nuptial vows were spoken at the home of the Rev. J. Howard Williams, pastor of the First Baptist church in Amarillo.

Miss Lemons wore a dress of teal blue with matching accessories. Her corsage was of Joe Hill roses and her only jewelry was an old gold bracelet worn by her mother on her wedding day.

The bride's only attendant was her sister, Miss Rosalie Lemons, who was accompanied by Dave Brown.

Mrs. Wells is the daughter of Mr. and Mrs. Chas. Lemons of Panhandle and for the past five years has been employed in the Magnolia Petroleum offices in Amarillo.

Mr. Wells, who is the son of Mr. and Mrs. C. Wells of Sudan, is employed by the Ponca Wholesale company of Amarillo.

After a short trip to scenic parts of New Mexico Mr. and Mrs. Wells will be at home at 912 Alabama St. in Amarillo.

Miss Lemons has been complimented with many social affairs. On Thursday evening, November 9, Mrs. H. O. Lemons announced the approaching marriage in a cleverly arranged "New Deal" party. The announcement was presented in the heart of a "Bobby Mum" corsage on the refreshment plate.

The guest list included Mesdames Huffines, Powell, Scoggins, Hedrick, Hargraves, Calhoun, and the Misses Dena Hill, Lena Harris Oshea Hart, Lydia Walker, Ruth Cathey, Beryldine Broadbuss, Thelma Matthews and Rosalie Lemons of Amarillo. Mrs. Chas. Lemons, Mrs. Ollie Lemons, Mrs. George Crossman and Mrs. Belle Beavers of Panhandle, Mrs. C. M. Hoylman of Sinks Grove, West Virginia, and the honoree and the hostess.

On Thursday, November 17, Mrs. Johnie Huffines, Miss Lena Harris, Oshea Hart, Dena Hill, Ruth Cathey, and Lydia Mae Walker were joint hostesses at a miscellaneous shower for Miss Lemons in parlor A of the Amarillo hotel in Amarillo.

Forty guests enjoyed a musical program of accordion numbers by Miss Carolin Thomas and piano numbers by Miss Lydia Walker, Miss Donna Pursley and Mrs. Johnie Huffines.

The gifts which were concealed in an old-fashioned well, were drawn out by the honoree as Miss Walker played appropriate numbers on the piano.

Lovely refreshments of flower pots of ice cream topped with a yellow Mum, cake and coffee were served.

JUDY ALCOFF—admiral's daughter. She faced a choice between two navy sailors.

accommodations underneath. It was curious, she thought, how infrequently she had been on board Jack's ship.

JUDY wished that Jack was given to talking of his work as Ward had been. Perhaps that would make her feel closer to him.

CHAPTER XVIII
JUDY never knew how she got off that ship. Marvel, following her out of Dwight's room, was admirably self-composed after her passionate outburst.

When she went to bed, she couldn't sleep. She lay wide-eyed, through the still, dark hours. She kept remembering that Jack was out at sea. Navy wings. But he wouldn't be flying now, at night.

At moments like this, alone in her dark room, Judy wondered how wide was the margin that separated the trust and faith she had in Jack from love.

Riding home, Jack Hanley noticed her quietness, the way her fingers picked at the bag in her lap. But he said nothing. Maybe he thought it was seeing Dwight again that had unnerved her.

The Enterprise was a mother eagle, sending aloft her eaglets. They roamed the sky, they flew miles into the blue, ahead of the slow-moving ships of the line, and then they came back. Really, she knew little of the flying branch of the service.

Once a curious thought struck her. If Ward could know—Ward who had died gallantly with his ship in the dark waters of the Atlantic—wouldn't he have wanted Jack to take his place? Jack Hanley had been his closest friend.

She clung to his steady hands. "Call me as soon as you get back, Jack." Her smile was tremulous. "And happy landings!"

Lakehurst was a more familiar world. Lying there awake, she would remember achingly how she and Ward had entered the dimness of the huge hangar.

One night as she was lying in bed, and these things were churning in her mind, the telephone rang. Judy had no extension in her room, and she waited, suddenly wide-awake, for her mother to answer from her own room.

The Enterprise was steaming miles off the coast somewhere, she knew. As always, when it was out there, she tried to picture the great gray waves, the long deck with its white-painted lines, sectioning off the squadrons.

Jack Hanley, flying over the ocean in the darkness, might never have a chance again to hook his plane into the belly of an airship.

She heard her father pick up the phone at his bedside. "Admiral Alcott speaking." Then she heard the silence. The awful, menacing stillness, which must mean that something dreadful was coming over the wire to his ear.
