In a recent issue, we quoted the negative effect of character of over-assistance by the government.

Inasmuch as we are doing more legislation by far than this country ever thought possible when the Constitution was written and, inasmuch as we now have ten million people out of work, we continue the quotation on this subject.

KPDN TO BROADCAST LAMESA-HARVESTER GAME TONIGHT

PAMPA TEAM SPENDS NIGHT AT LUBBOCK

Football fans who will be unable to follow the Harvesters to Lamesa for their first conference tilt tonight will be brought the game by direct wire from the field by radio station KPDN, beginning at 9:30 o'clock.

Coches Ouis Mitchell and J. C. Prejan and 30 boys left yesterday and stayed last night in Lubbock, going on to Lamesa this morning. The trip was made in a chartered 40-passenger bus. The boys will stay tonight in Lubbock, returning to Pampa tomorrow morning.

Before leaving coaches announced that their starting lineup would be the same as in other games but that yearly changes would be in order to test out a new combination. Principal change will be the sending of Jack Hesse to a tackle position and the switching of R. G. Candler to guard in an effort to put more weight in the line. Hesse tips the scales at 210 pounds with Candler only eight pounds lighter.

The Lamesa starting lineup has not been received here but it is the same one that started against Plainview the two teams will stack up about the same weight. Vaughn and Crawley are the ace ball toers, passers and punters of the tornado backfield, running free from close formation.

Other games in the district tonight are:

- Classen of Oklahoma City at Amarillo.
- Holls, Okla., at Plainview.
- Lubbock at Capitol Hill of Oklahoma City.

Crackers Beat Beaumont Second Game In Series

ATLANTA, Sept. 30 (AP)—The Atlanta Crackers packed a two-game lead in their battle to win and join the Beaumont Exporters in a trek to Texas, where they will resume the Dixie series Saturday on the Exporters' home grounds.

Rain washed out Beaumont's hope of evening the series here last night, a downpour stopped the game in the midst of a ninth frame rally, leaving Atlanta with a 3 to 0 victory.

The Crackers pounded Schooby Rows for three markers in a beginning second inning. The Schooby boys making a comeback to the Detroit Tigers from the Beaumont farm where he was sent with a sore arm, was tapped for 10 hits in eight innings. After the second he tightened to hurl a fast-breaking curve that whiffed five Crackers.

Tom Sunkel held the Exporters to three hits, struck out eight.

The Exporters had plenty of room to defy Atlanta's 'am hospitality. They lost the series opener 7-3, in a crizzle. Last night the rain caught them with two runs across the plate and a potential tying score on the base. Calling of the game wiped the inning off the record.

Jitter-Bucs Face Vicious Reds In Last Four Games

By DREW MIDDLETON, Associated Press Sports Writer.

Everyone is sounding off about the Cincinnati Reds being the team to beat next year, but it looks as though they'll have plenty to say in the National league race these next four days.

As everyone knows, the Pirates lost another to the Cubs yesterday, a 10 to 1 beating that set them a game and a half behind the league leading Cubs. The jitter-Bucs now go into a four-game series with the Reds at Cincinnati, a series that holds their last chance of winning the pennant.

The Cubs will be playing three games at St. Louis. If the Cubs win all three, the Pirates can't catch up. If Chicago drops one and Pittsburgh wins all four of its starts, including today's doubleheader, the Pirates will win by a single percentage point.

How the Pirates must be wishing these were the peaceful Reds of other years. Instead, it's a club that has climbed from eighth to fourth in one season.

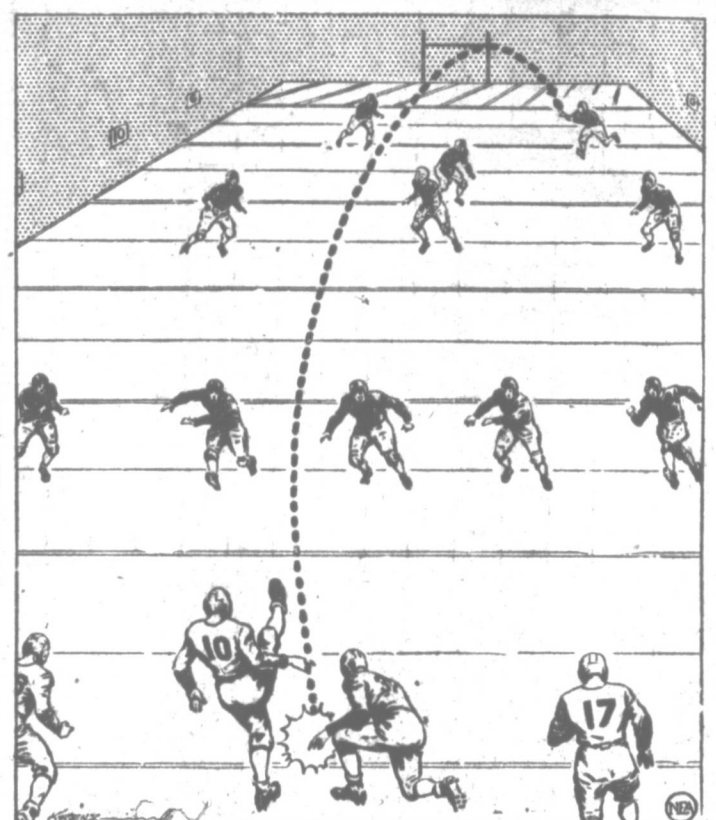

The Reds got into shape for the Pirates yesterday by beating the Cardinals, 7-4. Johnny Vandermer chucked up his fourteenth win of the year as Ernie Lombardi collected a double and a single to regain the league batting lead.

The Bees' Danny MacFayden gave the Dodgers nine hits and won the first game of a double bill, 2-1, but the Brooklyn team had an eight-run second inning and took the nightcap, 8-6. The Gian's, starting to hit again, punted out 13 hits and beat the Phillies, 9-2.

The American league drew closer to the end of the season as the Yankees slapped the Athletics around, 7-4, in the first game and then tied the second, 1-1. Bob Johnson of the A's knocked two homers in the first game to boost his total to 30.

The rampant Red Sox continued to knock the cover off the ball, beating the Senators, 13-5. The Tigers downed the Browns, 6-2, with Hank Greenberg held to single, and the Cleveland Indians slugged the White Sox, 9-8, on Roy Weather's six-inning homer.

How To See Football

By JERRY BRONFELD, NEA Service Sports Writer.

An electrical thrill goes through a football crowd with the opening whistle that isn't matched at any other time.

Being able to instantly size up the deployment and movements of the athletes at the kickoff makes it all the more interesting and exciting for the spectator.

The defending team kicks from its own 40-yard line.

The fastest man usually has the ball for the kicker. He must be a good safety man... a sure tackler... because he is the last man between the ball carrier and goal line in the event that the carrier breaks through the entire team.

Usually the ball is returned up the right side of the field because it is easier for most backs to run to their right. The defense therefore places five men to the left of the kicker and four to the right... facing toward the kicker to be certain of remaining on side.

The receiving team usually lines up with its two finest ball carriers on the 10-yard line, because that is where the ball is most likely to be taken. The fourth back takes a position midway between the ends on approximately the 25-yard stripe.

The tackles, guards and center are spread across the field on the 45.

Watch Interference Form.

When the ball is taken at the kickoff, the spectator should take his eyes off the receiver for a second or two. With the booming of the ball, the tackles, guards, and center wheel back to pick up the man who caught it.

The ball kickoff carries the ball over the goal line, although not many can kick that distance. This gives the receiving team no chance to run the ball back. The ball is simply put in play on the 30-yard line.

If the ball is kicked out of bounds, the opponents have the option of putting it in play anywhere on their 35-yard line, or at a point 15 yards

CUBS TO MOW DOWN CARDS, SAYS GABBY

By CHARLES DUNKLEY.

CHICAGO, Sept. 30 (AP)—Charles Leo Hartnett, making baseball history with the Chicago Cubs, today had his rampaging players fired with the spirit of stretching their winning streak to 13 games in a row by taking the remaining three games of the season from the St. Louis Cardinals, starting down yonder this afternoon.

The Cubs are convinced that the National league championship is theirs.

Beating Pittsburgh 10 to 1 yesterday to achieve their tenth straight victory and their twentieth in the last 22 games put the Cubs in the lead and a half behind the Pirates who came to Chicago in first place just four days ago.

Manager Hartnett, his Irish face tomato red with excitement, was as happy as a school kid as he entered the Cubs clubhouse after yesterday's victory, the third straight over the Pirates.

"Nice going everybody," he belted. "We'll tear into the Cardinals with the same spirit and mow them down, too."

Hartnett was grinning from ear to ear, even though the towel he had wrapped around the torn third finger on his right hand was a reeked with blood.

Because of Gabby's injury—suffered on a foul tip in the ninth inning, the players, at first, were a bit downcast but Hartnett laughed it out of two games.

Bill Lee, who turned in an "iron man" performance by pitching for the fourth consecutive day, made no effort to hide the fact he was a weary pitcher.

Gloom as thick as pea soup engulfed the Pirates' dressing room after Hartnett's steam-roller had finished his job. Three of the four Pirates pitchers, Russ Bauers, Cy Blanton, and Ed Brandt, didn't even wait for the finish of the game. They dressed and departed in the seventh inning, each shaking his head in a manner that plainly spoke of a school kid who had just spoken the last word against Kansas last week that almost pulled a hopeless defeat out of the fire, D. X. Bible's University of Texas Longhorns will lean on Wallace Lawson, Beattie Bryan and Bullet Gray for more chunking outbursts in their inter-sectional bout with Louisiana state at Austin. The Steers gained 241 yards on 28 completed throws against the Longhorns fans have seen in years.

L. S. U. Favor.

The Louisiana fans, however, have their own certain star in Young Busby, a Texas, who has looper some notable throws in a wild one, with L. S. U. scoring a six-point win in their last five touchdown scramble.

Two wide-open style ball clubs, Southern Methodist and Arizona, tangled at Dallas, and the hunch is of the Mustangs by a point in a four touchdown game. Sophomores came through for Coach Mattie Bell against North Texas Teachers last week, but again he will start his veterans and hold such skippers as Gerald Geise, Will Multnewen, Ray Malouff and Roy Holbrook, his all-star soph backfield, in reserve. Arizona is crippled, but still owns its best squad in years.

Baylor opens festivities Friday night at Wichita Falls, and the rugged line that halted Southwestern last week, promises to stomp Oklahoma A. & M. Bill Patterson's passes, plus that iron wall, figure to make Baylor a three touchdown favorite.

YANK HURLERS HAVE EDGE IN SERIES TILTS

By GAYLE TALBOT.

NEW YORK, Sept. 30 (AP)—The New York Yankees, seeking to break all precedent by winning their third straight World Series, will go into action against either the Chicago Cubs or Pittsburgh Pirates next Wednesday firing the same double-barrelled shotgun that has moved down the Giants in the last two Autumn arguments.

First, Manager Joe McCarthy will explode Vernon (Lefty) Gomez at the National League batters, and then he will pull the other trigger, Rufus (Red) Ruffing. If the speedy survives after a wild one, with L. S. U. scoring a six-point win in their last five touchdown scramble.

Masonic Home Beats Riverside

(By The Associated Press)

Fifty games were scheduled tonight and tomorrow in the Texas schoolboy football after scattering skirmishes last night sent three teams on their way with conference victories.

Tyler's 52-3 rout of Athens in district 9 featured the opening of the week-end of play. Tyler, beating victory drums in a district which carries the state defending champion Longview Lobos, was impressive in smothering the Hornets.

Also impressive was Brackenridge's 74-0 victory over Harlandale in the San Antonio district. It further accentuated Brackenridge as the title favorite.

Masonic Home started its drive in district 7 with a 20-7 win over Riverside. The Masons appear chief threats to North Side in the Fort Worth district scrap.

Interdistrict games last night had Wichita Falls downing Breckenridge 21-13 and Denison trimming Denton 28-0. Olney defeated Class B Newcastle 13-6. Brownwood won over Class B Santa Anna 46-0 and Mercedes downed La Paris 19-0.

Headlighting tonight's play are the Longview-Port Arthur game at Longview, the Temple-Corpus Christi clash at Corpus Christi and the Lufkin-Marshall tilt at Marshall. Seven conference games are also scheduled tonight and tomorrow.

SEALS WIN GAME

SACRAMENTO, Calif., Sept. 30 (AP)—The San Francisco Seals belted three Sacramento pitchers for 17 hits here last night as they carried off the second game of the Coast league playoff series with a 9 to 4 victory. The playoff series now is tied at one all.

Frogs and Arkansas To Open Conference Battle

By FELIX H. MCKNIGHT, Associated Press Sports Writer.

Ponderous Ernie Lain hoists the Rice Owls on his bull shoulders again tomorrow and lumbers into the football arena—a belated, dramatic entrance that tops a weekend of six Southwest games.

Only by a shade, however, does Rice's Baptism against the University of Oklahoma at Houston outrank one conference and four inter-sectional games.

Last year Lain's absence cost Rice the first three games of the season. The big, 230-pounder, out with leg hurts, wasn't around for the 6-0 licking Rice absorbed from Oklahoma. But he's ready with his pass and line slashes now. So is Olie Cordill, a great kicker, runner and pass snagger.

It looks like Rice by two touchdowns over an Oklahoma team also playing its first game—and may be not as strong as last year.

For the sixth consecutive season Texas Christian and Arkansas blow off the conference schedule over at Fort Worth. Coach Leo Meyer was not too pleased with his mammoth Christians in their 13-0 beating of Centenary last week and has been devising means of advancing the ball other than by little Davey O'Brien's passes. The Frogs drilled long on running plays this week—this one Tued will be functioning as the key man of the farmers' fancy "double-shuffle" offensive shift, a weird formation that befuddled Texas A. & I. last week.

The Aggies should score three times, Tulsa, once.

Suddenly air-minded after their classic last-half scare against Kansas last week that almost pulled a hopeless defeat out of the fire, D. X. Bible's University of Texas Longhorns will lean on Wallace Lawson, Beattie Bryan and Bullet Gray for more chunking outbursts in their inter-sectional bout with Louisiana state at Austin. The Steers gained 241 yards on 28 completed throws against the Longhorns fans have seen in years.

Hands Off!

Here's how the driver of the demonstration car during the Goodyear LifeGuard highway safety show to be staged at 5:15 o'clock Monday afternoon by Gunn-Hinerman Tire Company on West Foster, will look when he takes his hands off the wheel as tires are blown out at high speed. LifeGuards eliminate the danger of accident following a blowout, allows drivers to come to a safe stop with the car under complete control.

And if Tom Meany won't mind, you might think about how much those old American leaguers, like Tony Lazzeri, Carl Reynolds and Jack Russell, have had to do with the Cub drive in the minor league's pennant race. ... BARKER PICKS HORNED FROGS, RICE, AGGIES

By HERBERT W. BARKER.

NEW YORK, Sept. 30 (AP)—With one foot in the water bucket and the other ready to follow in the same general direction on an instant's notice, this football guessing corner surveys the week's program, takes one deep breath, and whispers hoarsely. ... Minnesota-Nebraska: The speed and resourcefulness Minnesota uncovered against Washington a week ago seems to entitle Bernie Bierman's Gophers to the nod here. ... Rice-Oklahoma: The champions of the Southwest Conference take the "blunters-off" big Ernie Lain. That would appear to be Oklahoma's headache. ... Texas-Louisiana State: Two losers last week get together. It may be sheer stubbornness but this ballot goes to L. S. U. ... Texas Christian-Arkansas: When better lines are built it looks like T. C. U.'s horned Frogs will build them. That may be decisive in this game, Texas Christian. ... Texas A. & M.-Tulsa: Take the bombproof shelters, men. A feeble vote for the Aggies. ... Skipping over the chalklines otherwise: Texas Tech over Duquesne; Baylor over Oklahoma A. & M.

Bucks Roll Over Phillips 37 to 7

The White Deer Bucks of Coach Gene McCollum last night ran and passed their way to a 37 to 7 win over the highly touted Phillips Blackhaws of Coach D. D. Newman.

The offensive-minded Bucks made 16 first downs to five for Phillips and rolled up more than 300 yards from scrimmage to less than 100 by the Hawks.

Phillips, Seltz, Hawkins and Russell tore up and down the field until they were tired and had the large crowd dizzy watching them.
