WASHINGTON (UPI) - The United States and the Soviet Union announced Saturday they will begin talks in Helsinki, Finland, Nov. 17, which officials here regard as the most ambitious attempt to curb the arms race since the nuclear age began in 1945.

The long-delayed negotiations are intended to arrange a limitation and possible eventual reduction in the two nuclear superpowers' entire range of strategic offensive and defensive weapons. The implications for world relations could be enormous.

Soviet Ambassador Anatoly F. Debrynin proposed the date and site of the preliminary discussions at a very brief, 3 p.m. EDT meeting last Monday with President Nixon at the White House. The President accepted, and on his advice, Dobrynin discussed details at another secret meeting Wednesday with Secretary of State William P. Rogers.

At an unusual 10:30 a.m. briefing Saturday, White House Press Secretary Ronald Ziegler Pampans Can issued the following joint Turn Back

# Polish Sausage Recipe Well-K ept Secret

### By DORIS E. WILSON News' Staff Writer

WHITE DEER - There are two keys to the continued success of the Polish Sausage Festival held nearly every year since 1939 in White Deer's Sacred Heart Church. One key is obvious. The other is a closely-guarded secret

Right now, the small Polish community consisting of about 55 families, is making preparations for the affair that will attract thousands of Polish-sausage fanciers from all over the Panhandle area.

The festival date this year is, Sunday, Nov. 2. When that date around 5:30 and again continue rolls around, the obvious suc- intil they run out of food cess key will be apparent. It's or people to feed.

# Harvesters Strike Down Caprock, 24-15 Twice in the drive Partipa

### By RON CROSS Sports Editor

AMARILLO - "The Harvesters Came to Amarillo, Tra-La, Tra-La," and Caprock's visions of grandeur turned into another nightmare for the Horns, the seventh time this season they've had bad dreams.

Pampa overcame several first half mistakes to win their second north zone game, 24-15, before a small, but brave crowd at Dick Bivins Stadium, here Friday night.

The Harvesters upped their season record to 2-5 and zone mark to 1-2. Caprock is now 0-7 for the season and, 0-2 in zone battle.

Pampa was unable to breathe easy until senior Randy Cantrell booted home a 25-yard field goal with 1:08 left to play. He had one other attempt go astray just before halftime when center Moss Hampton and holder Ross Holman failed to make contact. Pampa trailed at halftime, 9-7. Scotty King returned to fulltime duty and what a break for the Harvesters. King scored three touchdowns, led his team

in rushing with 62 yards and was outstanding on defense. Coach Swede Lee used both

Holman and sophomore Dale Ammons as quarterbacks replacing injured senior John Jenkins. Ammons didn't see any offensive action until the second half and both he and Holman turned in outstanding per-

formances. Holman found out what pass protection really is and completed five of 11 tosses for 105 yards, including a 21-yard touchdown strike to King. The senior also carried the ball seven times for 14 yards.

Ammons was used on 19 offensive plays the final two periods and hit on one of three

passes and ran for 34 more yards on six carries. He also intercepted a pass and broke up three others from his defensive safety position. Pampa put on a defensive show in the second half as they intercepted four Caprock passes

and recovered a Horn fumble. Besides Ammons, Steve Scarbrough, Tommy Hawkins and tackle Mark Watkins picked off stray Caprock aerials and Johnny Clark recovered a fumble. Casey Cameron got back a Pampa fumble following Watkins interception. The Pampa defense, com-

posed of Larry Kotara, Cameron, Ammons, Hawkins, Scarbrough, Watkins, Clark, Jay Roth, Dan Hood, King, DeWayne Glover, Paul Johnson, Roddy Porter, Ricky Harris, Cantrell, Ray Tindall, Steve Scott and Mike Brister, who broke his nose for the second

time, limited the Horns to just 24 yards on the ground in the second half. Harris and King put the

stopper on Caprock quarterback Mike Lozano and halfback Clois Burgess in the final two periods. Burgess led his team in rushing with 77 yards on 27 carries and Lozano connected on 11 of 29 passes for 158 yards. Pampa fumbled away two other scoring opportunities. One came near the end of the first half after Holman had passed 52 yards to Scott to the Caprock six-yard line. Two plays later Woods fumbled and the Horns. recovered. In the second quar-

ter also Holman had connected with Scott on a 16-yard pass play and the senior end fumbled and the Horns recovered again at their own 22.

Scott led Pampa receivers with four catches for 84 yards and came within a hand of breaking one for a touchdown. Woods also had the crowd on its feet when he rambled 87 yards on a kickoff to setup Pampa's third touchdown in the fourth quarter.

The Harvester offensive line played probably its best game of the season with the Horns forcing four Pampa punts.

Moss Hampton, Roth, Micky Sims, Kotara, Lanehart, Bert Tollison and Scott opened big holes throughout the game.

But on the first play from scrimmage Woods was tackled in the end zone and with 5:42 left in the period it was, 2-0, Caprock. The Horns got another break and scored the next time they had the ball. Punter Wyatt Earp kicked one

off the side of his shoe and the ball went for a minus one yard punt. The Horns went 20 yards in two plays with Burgess

galloping the last 18 to score. Marty Blacklock kicked the conversion and it was 9-0 with 3:03 left.

Pampa stopped a Caprock drive following a fumble at their own 39 and then marched 35 yards in 10 plays, nine of them on the ground, with King carrying over from the one. Cantrell kicked the point to make it, 9-7 just 5:50 from halftime.

Ever hear of a talking watch?

Neither have we. But If this Girard Perregaux could talk, it would never keep quiet. There are so many things it can tell you. At a glance it tells the day and the date a whole month at a time. For this month. Or last month. Or next month. It just goes on forever. It can remind you of appointments ... time left in a parking meter or when to take a pill. It remembers to wind itself as you wear it. It's water and shock-resistant, too. And, of course, it tells the time with unfailing accuracy. Because, it's a Girard Perregaux.
