Sunday the Week Days the

Worldwide Air Strike Threatened

LONDON (AP) — The International Federation of Airline Pilots Associations threatened Thursday night to ground most of the world's airlines for 24 hours June 19 unless the United Nations takes effective action against aerial hijacking.

The strike threat came a few hours after 10 Czechs hijacked a Czechoslovak airliner to West Germany, killing the pilot in the struggle to take over the plane. A West German prosecutor said he will try to put the Czechs on trial.

The U.S. Air Line Pilots Association has asked all union

workers to join in a boycott of the airlines of all nations that give refuge to skyjacks.

The international federation said it supported proposals to set up a special commission to recommend measures against nations that harbor or fail to prosecute hijackers, and warned: "If the United Nations fail to take effective action, then IFALPA has initiated plans to institute a worldwide stoppage of air services on June 19, 1972."

The statement added that "associations representing over half the pilot members of IFALPA have already agreed to

this course of action." The federation includes 64 associations with a total membership of 50,000 pilots.

The group said it was threatening a strike "in view of the failure and ineffectiveness of measures so far taken by the United Nations, the International Civil Aviation Organization, governments and other bodies and of the continued exposure of passengers, crew and aircraft to intolerable hazards." It called on the U.N. Security Council to discuss the situation no later than June 16.

The federation said it also expects the Algerian government to extradite or adequately punish the two Americans who hijacked a Western Airlines jet to Algiers last weekend after the pair extorted \$500,000 in ransom for the passengers.

The U.S. State Department said Thursday that the Algerian government had informed U.S. representatives it would return the money, but a State Department spokesman said the Algerians had not decided what to do with the hijackers, who asked for political asylum.

three Czech women who hijacked the airliner to West Germany also asked for political asylum. It seemed likely that this would be granted, but the chief prosecutor of Weiden, where they landed just inside the German border, said he would try to have charges placed against them.

The German police gave this account of the hijacking: The plane was in route from Marienbad to Prague with 14 passengers and three crewmen. Five minutes after takeoff, Lubomar Adamica, a 23-year-old student from Prague, forced

his way into the cockpit, put a pistol to the pilot's neck and ordered him to fly to Nuerberg.

A member of the crew struggled with the gunman, other hijackers came to his aid, the crew member was injured, the pilot's nose was broken, and during the fight the gun went off, killing the pilot.

The copilot took the controls and landed the plane 40 miles short of Nuerberg, Adamica and Jeromir Kerbl, 19, fled toward the woods nearby, but the police caught them. Neither was armed, but a pistol was

found nearby. The two injured crew members were treated at a hospital and released. The three passengers not involved in the hijacking and the crew members asked to be returned home.

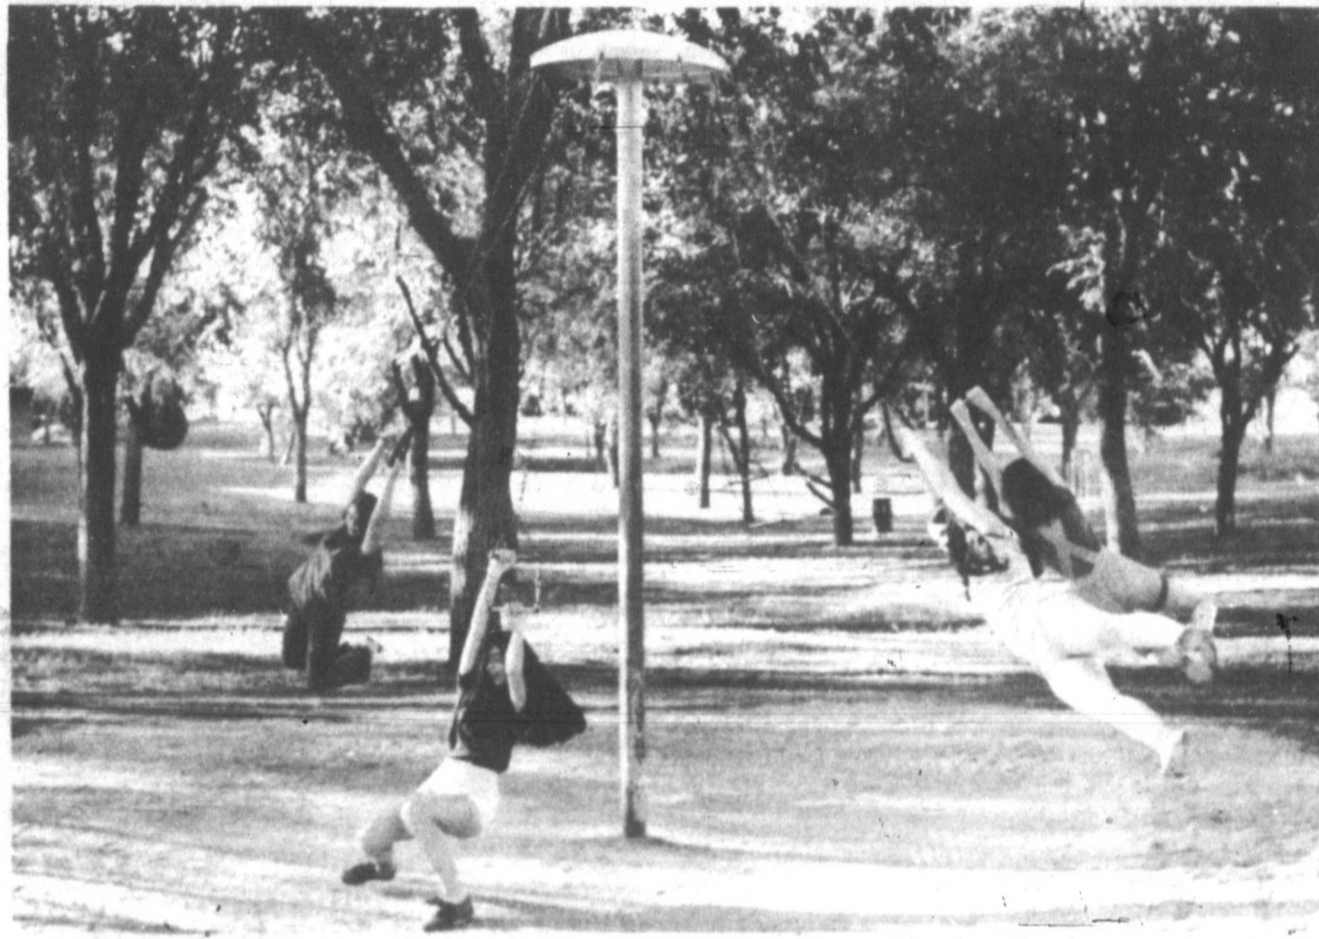

One of the women hijackers brought her baby with her. Chairman Secor D. Browne of the Civil Aeronautics Board today proposed creation of a special federal force for airport security.

Browne said the force should be the single federal authority responsible for measures against aircraft hijacking and

extortion. In a speech prepared for the Aero Club of New England, Browne said the United States must recognize that airport security is a national responsibility, and not one that can be left to the airlines or airports.

"The federal government must act before the sands run out...and we have a real catastrophe," Browne said.

He noted that the British government recently decided to assume full responsibility for anti-hijacking police measures, even for foreign airlines serving Britain.

A SWINGING TIME—With warm weather here, a number of persons have been spending more time at the various city parks. During a recent picnic, several high school girls took time out

from other activities to go on the pole swing. From left are Cassandra Mangold, Carolyn Hom, Lea Lunsford and Cheryl Jamison. (Staff photo by John Ebling)

U.S. Bombers Give Red Bases Hardest Pounding Since April

SAIGON (AP) — American fighter-bombers gave the Hanoi-Haiphong military complex on Thursday its hardest pounding since the resumption of full-scale bombing more than two months ago, U.S. military spokesmen announced today.

Pilots said they hit barracks, storage depots and vehicle maintenance facilities four and five miles west of Hanoi, left a fuel depot in flames a mile northwest of Haiphong, wrecked war materials at the Cat Bi airfield on the southeastern edge of the port city and dropped two railroad bridges within 25 miles of the Chinese border.

More than 200 strikes were flown over the North Thursday, considerably fewer than the total of more than 300 the day before. But spokesmen said more targets were hit in the Hanoi-Haiphong area than on any previous day.

While the fighter-bombers were hitting the northern end of the country Thursday, B52s were pounding the southern panhandle for the first time in nearly two months.

The targets today were supply depots scattered from inside the demilitarized zone to 31 miles north of the DMZ. One senior officer said he could find no evidence that American

bombing has deprived the North Vietnamese of supplies in South Vietnam's northern provinces. But he said it is "only a matter of time."

Radio Hanoi reported that an F4 Phantom was shot down Thursday over Vinh Linh, just north of the DMZ, and the pilot was captured. The broadcast did not give his name, nor did it say if he was injured or what happened to the second crewman. Earlier Hanoi claimed that three U.S. planes were downed Thursday.

The U.S. Command announced no losses in the North Thursday. But it said a Navy RA5 reconnaissance jet

crashed into the Tonkin Gulf 17 miles southeast of Haiphong Wednesday, and the two crewmen were rescued unhurt.

One U.S. Air Force Phantom flying a night mission in defense of besieged An Loc, 60 miles north of Saigon, accidentally dropped a bomb on South Vietnamese troops in the city and killed 10 of them, the U.S. Command said. Another 19 were reported wounded. It was the third accidental bombing in three days by U.S. or South Vietnamese planes.

Field reports said lead units of a relief column moving up Highway 13 were only 600 yards from An Loc but were moving very slowly. The highway was still cut by enemy artillery, rocket and mortar attacks, but the Saigon command said 192 North Vietnamese were killed in a series of clashes ranging from the northern outskirts of the city southward 10 miles along the highway. The command said at least 17 South Vietnamese troops were killed and 51 were wounded.

Also on the southern front, the North Vietnamese pulled out of Trang Bang, 28 miles northwest of Saigon, after three days of fighting, and the Phnom Penh-Saigon highway was reopened through the town.

Associated Press correspondent Richard Blystone reported from the northern front that resistance had stiffened against South Vietnamese marines driving north of the My Chanh River defense line.

Field reports said 76 North Vietnamese had been killed since more than 2,000 marines began the sweep Thursday. Two Marines were reported killed and 11 wounded.

Just below the northernmost defense line, South Vietnamese paratroopers reported killing 52 North Vietnamese in six hours of fighting three miles southwest of My Chanh. Field reports said eight paratroopers were wounded.

The South Vietnamese also claimed 93 North Vietnamese killed on the northern edges of Kontum, in the central highlands, and said one medium tank was captured.

\$21 Billion Education Bill Sent To President Nixon

WASHINGTON (AP) — Congress has sent a \$21.3-billion education bill to President Nixon and a message to the courts that it wants a halt in busing for school desegregation.

The big education bill with its antibusing rider was passed by the House Thursday, 218 to 180. It had passed the Senate on a 63-15 vote.

The bill combines funding authorization for a wide variety of educational programs with a provision that would prevent federal court desegregation orders from taking effect for 18 months unless all appeals have been exhausted.

By the end of the 18 months, supporters of the provision hope the Supreme Court will have fixed limits for busing for the purpose of school desegregation.

The White House has said Nixon is dissatisfied with the busing provision—he is said to want a stronger moratorium—but sponsors of the bill expect him to sign it.

Civil-rights liberals contended the busing provision signals a retreat from the nation's commitment to racial equality.

The educational provisions were all but overlooked in the strident debate over busing.

—Launch a new program of direct federal aid to colleges and universities that could provide them with as much as \$1 billion a year.

—Entitle every college student to a grant of \$1,400 a year, minus what his parents could afford to contribute toward his education.

—Authorize \$1 billion a year to help elementary and secondary schools desegregate.

—Establish a national institute of education to foster research into all aspects of the

learning process.

The money figures in the bill only set the ceilings for the program. The actual funds would have to be appropriated in separate legislation and could be considerably lower.

The busing-education package, which had to be accepted or rejected in its entirety, proved to be a prickly one for

most members, and the vote split both parties almost down the middle. A total of 130 Democrats and 88 Republicans voted for the bill, and 108 Democrats and 76 Republicans voted against it.

Joining in the opposition were civil-rights liberals and leading Southern foes of desegregation who found the busing provision

distasteful for opposite reasons.

The liberals blasted it as an unprecedented interference by Congress in the courts' authority to protect constitutional rights. The Southerners called it a retreat from stronger antibusing provisions passed earlier by the House but weakened in a compromise with the Senate.

Muskie Expected To Announce Decision Supporting McGovern

WASHINGTON (AP) — Sen. Edmund S. Muskie scheduled a major announcement today amid reports he will provide the endorsement Sen. George McGovern needs to lock up the Democratic presidential nomination.

Muskie, who said Thursday he is still a candidate and has not decided to release his 166 delegates, planned to address the National Press Club today. He met with McGovern for what was described as a "friendly and neighborly" sounding-out session.

McGovern holds at least 907 of the 1,509 delegate votes he needs to secure the nomination. He said Muskie asked for more time to consider his campaign role.

—There was no pressure from me to get him to withdraw or to release his delegates," McGovern said.

Asked if he expected an immediate endorsement from Muskie or the release of delegates pledged to the Maine senator, McGovern said "no."

There was something of a family reunion air during a photo session where the two men were joined by McGovern's chief rival for the nomination Sen. Hubert H. Humphrey, D-Minn.

"So this is what I have to do to get back on the front pages," Muskie remarked with a rueful grin as he posed between the two active candidates.

McGovern, who has said his chief role now is to conciliate party chiefs uneasy about his winning the nomination, also plans a private meeting with Humphrey.

In a copyright story today, the New York Daily News said Muskie's name has been raised by McGovern as a possible running mate.

In an exclusive interview with the News, as he flew back from his California primary victory, McGovern heaped praise on his former rival, and said he would add strength to the Democratic ticket—where strength is needed, in the populous Northeast and among Catholics, ethnics, party regulars and organized labor," the newspaper reported.

Elsewhere Thursday, Bob Hurwitz, Humphrey's campaign manager in Florida, said he was disenchanted by the Minnesota Democrat's announcement that he might, under certain circumstances, accept Alabama Gov. George C. Wallace as a running mate.

Hurwitz said he is ready to "desert the ship and ask others to do the same."

In Atlanta, Gov. Jimmy Carter is moving toward a position more acceptable to the South and to Wallace supporters.

Carter said while he does not yet concede McGovern the nomination, the candidate's re-

statement of his views on prisoners of war, amnesty for draft evaders and equal treatment under law for all states are important steps to reassure the South.

In another meeting of candidates, meanwhile, Rep. Shirley Chisholm said she and Wallace might have more in common than was suspected.

Still confined to Holy Cross Hospital in Silver Spring, Md., where he is recovering from wounds suffered in an attempted assassination May 15, Wallace was visited Thursday by Mrs. Chisholm.

"We both in our way fight for what we believe," she said, adding she and Wallace have similar concern over the power of large corporations, unfair taxes, and the "unresponsiveness of the government."

She said she couldn't work with Wallace because of his views on school integration. But

if he moderated his stand, she said, "maybe he might be acceptable" as the Democratic party's vice-presidential candidate.

In other political developments, McGovern supporters were reported to have formed a fundraising unit known as "The Woonsocket Club" and limited to donors of \$25,000 or more. Woonsocket, S.D., is the home of McGovern's wife, Eleanor.

—Bob Moretti, speaker of the California State Assembly and Muskie's California campaign chairman, endorsed McGovern as did Sen. Alan Cranston, D-Calif.

—The conservative Young Americans for Freedom announced that a national poll of its state and chapter leaders indicate a majority will vote for President Nixon—but not work for him.

Officers Step Up Probe Of Millionaire's Death

CORPUS CHRISTI, Tex. (AP) — A shotgun blast into the office of two men charged with defrauding slain millionaire Randy Farenthold caused police today to step up their investigation into the case.

A terse note left at the Smith Construction Co. offices Wednesday night was punctuated by a shotgun blast which shattered a plate glass window and pockmarked the paneled office and reception area.

The note read: "You have 30 days. Enjoy it." The sinister note and shooting followed by a mere two days the discovery of Farenthold's body on the shore north of Corpus Christi Bay.

Farenthold, the stepson of state Rep. Frances Farenthold, was apparently killed gangland style, his hands tied behind him and his body anchored by a 25-pound block chained around his neck.

The note was apparently addressed to Bruce L. Bass III and Tharel Smith, both named in government indictments charging them with a scheme to defraud Farenthold, 32, of \$100,000. Two Kentucky men are also named in the federal indictments.

A medical examiner said it appeared Farenthold had been knocked on the head, his unconscious body weighed down by the block, and dumped into the bay.

Smith and Bass owners of the construction company, appeared to be shaken up by the note and shotgun blast into the unoccupied office Wednesday night.

Both said they feel they would have been cleared of the "ridiculous" charges against them even if Farenthold had lived to testify.

Kleindienst Wins Senate Okay As Atty. Gen. After Long Fight

WASHINGTON (AP) — A "humbled and flattered" Richard G. Kleindienst has become the nation's top law-enforcement officer after a four-month controversy which could set the tone for the upcoming presidential campaign.

The 64-19 Senate vote Thursday approving Kleindienst, a 48-year-old Phoenix, Ariz., lawyer, as attorney general ended the longest confirmation fight for a presidential nominee in memory.

Throughout the 24 days of hearings on the nomination of Kleindienst to succeed John N. Mitchell, liberal Democrats centered their attack on the administration's ties with big business, a theme they are likely to repeat during the fall's presidential campaign.

Specifically, they attempted to discredit Kleindienst's denial that he played a role in settlement of three antitrust suits against International Telephone & Telegraph Corp., the nation's ninth-largest business.

Settlement of the antitrust suits was linked by columnist Jack Anderson with ITT's commitment of up to \$400,000 to San Diego to help the city obtain this summer's Republican National Convention, later moved to Miami Beach.

Despite grumblings that he

was too conservative and had helped formulate hard-nosed Justice Department policies for dealing with demonstrators and dissenters, Kleindienst won the Senate Judiciary Committee's unanimous approval the first time around.

Then, on the day his nomination was to be taken up by the full Senate, Anderson published an interview with ITT lobbyist Dita Beard and a memo purportedly written by her which connected the antitrust suit settlement with the ITT commitment to San Diego.

Kleindienst immediately asked that the hearings be reopened in an effort to remove the cloud over his head. The committee agreed.

The liberal Democrats on the panel set off on a wide-ranging inquiry that took them to a Denver hospital to question Mrs. Beard and led them finally to the portals of the White House.

On Thursday, despite 24 days of hearings and more than 2,000 pages of testimony and exhibits, the Democrats attempted to have the Senate send the nomination back to the committee for another week of testimony. Their proposal failed, 63 to 20.

As soon as the two votes reached Kleindienst, he told waiting newsmen in a state-

ment: "The only thing I can say is that I'm glad it's over. If I had to do it over again, I would hopefully do it the same way I did."

In the final vote, no Republicans voted against Kleindienst's confirmation, while the Democrats lined up 26 for the nomination and 19 against.

United Fund Drive Board Holds Meet

Board members of the United Fund Drive met yesterday at 4:30 p.m. in the Pampa Chamber of Commerce office to discuss plans for the upcoming drive.

The fund drive will begin in September, but no dates have been set as yet, David Fatheree, drive chairman, said.

Board members approved the budget for the participating agencies after a report from George Newberry, chairman of the budget committee.

The board accepted the resignation of Pete Blanda as a director. Hal Lilla was approved as a director to replace Blanda.

E.L. Green, Jr., president, presided at the meeting.

Physicians Report Fatal Form Of Arthritis Being Controlled

DALLAS (AP) — A usually fatal form of arthritis which develops in 50,000 new patients a year is being successfully controlled by doctors using doses of drugs designed to suppress the body's ability to fight infection, according to reports issued Thursday.

Two groups of physicians reported at a convention here that they have kept patients with systemic lupus erythematosus alive through the use of powerful drugs and a careful program of examination and laboratory tests.

Systemic lupus erythematosus (SLE) is a rheumatic disease which usually kills 80 per cent of its victims within five years. An estimated 500,000 Americans have the disease.

Dr. W. V. Epstein of San Francisco and Dr. E. M. Caperton Jr. of the University of Minnesota reported to the Arthritis Foundation that in independent programs of treatment they had increased the survival rate among groups of SLE patients to 80 per cent or higher.

Both doctors said they use "aggressive" drug treatment to suppress the disease and then follow up with periodic laboratory tests that can detect the very early signs of the disease's resurgence. When such signs are found, the physicians said they counter with more tests and increased drug doses.

Caperton said he is using prednisone and, when indicated, the more powerful azathioprine. Both drugs are commonly used to suppress the immune mechanism of the body in transplant patients.

"We used the same therapy used in transplantation cases and found that it worked," said Caperton. "Other doctors routinely use the drugs against SLE, but they stop following the progress of their patients afterward."

Epstein said he and a team of colleagues use the drugs prednisone and chlorambucil, but he believes the close monitoring of patients during periods when they appear to be healthy is the most important part of the treatment program.

Epstein said after the disease appears to be under control the patients are put on a continuing routine of tests which can detect early stages of a return of the disease.

"The tests allow us to learn that the disease is going to flare while the patient is still feeling good," said Epstein. "We then administer the drugs to control the disease's return."

Tests used are simple urine and blood laboratory examinations, he said.

Young women of child-bearing age are the most frequent victims of SLE. The symptoms include a high fever, chest pain, rash and hair loss. The most

serious effect of the disease, however, is damage to the kidneys. Victims usually die of renal failure. Cause of the disease is unknown.

Caperton said the most heartening part of the careful therapy is that the patients are improved enough to lead fairly normal lives.

"Many of these patients are now capable working people," said Caperton. "If we hadn't done this treatment program, 75 per cent of them would be dead by now."

The doctor said he observed other SLE patients, who were not on the treatment program, and most of them have died.

Pampa Man Arraigned On Charge

AMARILLO—Edgar Lee Andrews, 32, Pampa, was arraigned here yesterday on a charge alleging he illegally entered an Amarillo home.

According to the official report a son of J. T. Clement, 1801 Spring St., discovered Andrews in the house and voiced an alarm. Andrews headed for the door where he was tackled by Clement, a 220-pound ex-deputy sheriff.

Potter County Justice of the Peace Bonita Potter set bond at \$25,000.

United Texas Presbyterians Conclude Synod

SAN ANTONIO, Tex. (AP) — Meeting as presently organized for the last time, United Texas Presbyterians concluded their annual Synod Thursday with a woman minister preaching the closing communion service for the first time in the group's history.

Elizabeth Johnson, associate pastor of the First Presbyterian Church in Fort Worth and the outgoing vice-moderator, delivered the sermon to nearly 300 delegates attending the Synod of Texas of the Presbyterian Church, USA.

The Synod's final business included adoption of a resolution presented by a Dallas youth delegate, Dan Woska, calling for a task force to study present Texas laws on drug abuse and make recommendations for possible change.

"The resolution and others adopted by the Synod will be forwarded to a new regional Synod that will include Texas, Louisiana, Arkansas and Oklahoma. The new group's organizational meeting will be held in Dallas Oct. 23-25."

Formation of the regional Synod means the three-day meeting this week was the last for the Texas Synod, which has been convening here annually for years at Trinity University. Its delegates currently represent 5,400 Presbyterians in Texas and part of Louisiana.

Miss Johnson delivered the closing sermon due to the illness of Synod Moderator Rudolph Guerrero of San Antonio.

Local Explorers Post Slates Motocross Race

Members of a local Explorers Post have scheduled a Motocross race Sunday afternoon at the Pampa Rifle Range west of Pampa.

All standard classes of motorcycles will be run, plus two special classes—175 cc class and a maxi-man class, for all men over 35 years of age.

The race is sponsored by the Top O' Texas Scramblers, Explorers Post 202.

The races will begin at 2 p.m. and continue until about 6 p.m. The gates will be open earlier, Carson said.

Admission will be \$1.50 for adults, with all children under 12 admitted free.

Entry fee is \$3. Riders can enter as many classes as they wish for one entry fee.

Trophies for the wide-open

Alleged Victim Testifies In Trial Of Two Athletes

EDINBURG, Tex. (AP) — A Pan American University coed from Laredo testified Thursday she did not immediately report that she was raped by at least six persons, including two basketball players, because she was "scared and ashamed."

Testimony from Stella Kramer, 19, came in the rape trial of Reese Stovall, 21, of San Antonio, and Leo Tolin, 22, of Detroit, Mich. The two men, the leading scorers on the Pan American University basketball team, are accused of raping the coed in a dormitory room Jan. 17, 1972.

Defense lawyer Craig Washington began cross examination of Miss Kramer late Thursday afternoon and will resume today.

Dist. Court Judge Darrell Hester denied a motion for a change of venue before starting the trial Thursday. Washington had claimed in his motion that Stovall and Tolin could not get a fair trial in Hidalgo County because "unprecedented publicity" surrounding the case had prejudiced potential jurors.

Miss Kramer, a chubby brunette, testified that she could not identify the others who raped her because mascara from her eye lashes melted onto her contact lenses, obscuring her vision. But she said all her attackers were "black people."

The alleged victim testified that she was lured into Stovall's dormitory room on the pretext that he would teach her to play pool on a miniature pool

Obituaries

VARDEMAN SMITH
 Funeral services will be at 2 p.m. Saturday in the First Christian Church for Vardeman Smith, 66, of 2216 Chestnut, who died at 6:45 a.m. Thursday in Highland General Hospital.

Rev. Ralph Palmer will officiate, and burial will be in Memory Gardens under the direction of Carmichael-Whately Funeral Directors.

Graveside services will be by Masonic Lodge No. 966, AF&M. Masons are requested to meet at the Lodge Hall at 1 p.m.

Born March 30, 1906, in Bell County, he was married to Lillian Biggerstaff Nov. 14, 1926, at Silverton. He moved to Pampa in 1942, retiring from Humble Oil Company in 1963, after 36 years of service.

He was a member of the First Christian Church; Pampa Masonic Lodge 966, AF&M; Council 361; Commandry 97; Shrine Khiva Temple. He was past worthy patron of Chapter No. 65, Order of the Eastern Star and was the recipient of the Grand Cross of Color of the Rainbow.

Surviving are his wife; one son, Vard Smith of Spokane, Wash.; two brothers, Doyal Smith of Arlington and W.E. Smith of Myrtle Creek, Ore.; and two grandchildren.

Hutchison Deputy Charged

A Borger woman filed charges of aggravated assault with the Gray County Attorney yesterday against Calvin Carol Carpenter, also of Borger.

The legal action grew out of an incident May 14 at a Pampa lounge. According to the Pampa police report of the incident, the investigating officer arrived to find Carpenter standing over one woman ready to strike another. At the time Carpenter identified himself as a deputy sheriff from Borger.

He is under investigation by a Hutchison County grand jury probing the alleged shooting of a suspect in a disorderly conduct incident.

According to the county attorney's office, owners of the lounge where the alleged beating incident occurred would testify in the woman's behalf.

Fellowship Hall To Be Dedicated

Dedication ceremonies will be held Sunday for the new Fellowship Hall and remodeling of the auditorium at Mary Ellen and Harvester Church of Christ.

Construction of the new \$60,000 Fellowship Hall and the auditorium remodeling, for a total of \$80,000, was completed recently.

Members of the church and guests are invited to attend with morning worship services Sunday morning.

A covered dish luncheon and the dedication ceremony will begin at 11:30 a.m. in the Fellowship Hall.

Elders of the congregation will be in charge of the ceremony.

The male fiddler crab has one very large claw which is used to signal females.

Fire Brings Alleged Altercation

A Pampa man has stated his intent to press charges in an incident connected with a residence fire early this morning, according to the police report.

At 2:25 a.m. firefighters were called to 835 Campbell where heavy fire damage occurred in the living room of the house with heavy smoke damage throughout the other rooms.

A relative of the owner was passing and stopped to help the residents fight the blaze, according to the official report, when a disagreement broke out between him and the renter. He alleges the renter struck him.

Officers reported that upon their arrival on the scene, he was running around with a bump on his head and cursing loudly. He told officers he intended to file charges today.

Phooey to skin and bone beauties

By Abigail Van Buren

DEAR ABBY: Why do those televised exercise and diet programs always have well-built muscular men, and beautifully shaped women doing the exercises?

We fat women would probably get up and do the exercises right along with them if they were fat and out-of-shape like we are.

We are sure those beautiful people were never fat, so what is the point? It's a lot easier to stay THIN when you've been that way for 25 years.

I would like to see a woman who is 30 pounds overweight like I am doing those exercises! It would give me hope. And if she talked about dieting, I'd diet with her. And if after a month I could see some improvement in her, I would be inspired to follow her example.

Phooey on these skin and bone beauties! I don't even turn on the TV to watch them anymore!

FAT AND DISGUSTED

DEAR FAT: I get your message. Now if some sharp-eyed advertising agency would pick up the cue! [P. S. It would be a short-lived TV career. They'd be looking for a new "Fatso" every year.]

DEAR ABBY: I recently had a very upsetting experience. I failed to recognize an important businessman who occasionally visits our office. As a result, my boss, who has a vile temper, reprimanded me harshly. Anyway, that episode caused me to spend the entire weekend in bed with a migraine headache.

Perhaps I should have recognized the man, but he wasn't dressed as he usually is.

Now I live in absolute terror that it will happen again. Abby, why can't men realize that we receptionists see many people during the day and we don't really "see" anyone.

Also, if these egomaniacs would tell us their names instead of saying, "Please tell your boss that I am here," it would save a lot of frayed nerves.

So how do I tactfully ask a man what his name is without shattering his colossal male ego?

RECEPTIONIST

DEAR RECEPTIONIST: Forget the male ego and use a little moxie. When a man comes into the office, smile your brightest smile and routinely ask, "—and whom shall I say is calling, sir?" [He'll probably think you're kidding, but it's ten to one he will pompously tell you his name.] P. S. If you are "living in absolute terror" of repeating such a minor offense, maybe you ought to look for a new boss or another line of work.

DEAR ABBY: I read something in your column that made me laugh out loud. Then I suddenly realized that it was the answer to my problem.

You said, "If you pick a lemon, make a lemonade." For years I hung on to a husband who wanted a divorce, but I wouldn't give it to him. [He fell in love with someone who worked for him.] I kept hoping things would change. Now I realize things will never change, so I am letting him go.

If ever a woman picked a lemon, I did. And before I waste any more precious time on my lemon I am going to take your advice and make a great big lemonade. And I shall drink a toast to you and your wise advice.

Early Tan

A good way to get an early start on a good summer tan (and not a burn) is to sunbathe in the backyard or on the terrace in the spring so that you build up a base tan. The sun is less strong in spring than in summer and so is less potentially damaging to your delicate skin.

Your Horoscope

By Jeanne Dixon

SATURDAY, JUNE 10

Your birthday today: You must come to terms with your inner conflicts, unconscious reservations, particularly as they apply to the balance between spiritual and material values. You must meet this growth-challenge. Today's natives are generally both positive and persistent, capable of drastic action, sudden bursts of temper after long frustration.

[March 21-April 19]: Long-standing plans must be updated if any great results are to be achieved. Older people present special demands, perhaps a bit inconceivable.

Taurus [April 20-May 20]: Long-term benefits arise from people you meet today, in terms of experience and capability of recognizing special problems before getting involved.

Gemini [May 21-June 20]: In coping with emotionally charged activities remember that not all of the reasons are visible; there may be another side to the story.

Cancer [June 21-July 21]: The friend you confide in may not realize the need for discretion. You possibly have to deal with a question you had thought settled long ago.

Leo [July 22-Aug. 22]: Any area in which you have over-extended will cause some concern. Try to get at the basic causes rather than

deal with physical symptoms.

Virgo [Aug. 23-Sept. 22]: Much of what happens depends on your realization that any situation is complex, involves more people than those you can see.

Libra [Sept. 23-Oct. 22]: You creativity is the better channel for bypassing today's contradictions. Family affairs near an impasse—doing nothing may be the only solution.

Scorpio [Oct. 23-Nov. 21]: Along with older concerns, a bright new idea needs thorough checking before you act on it, and somebody is apt to be in a hurry.

Sagittarius [Nov. 22-Dec. 21]: Get out of your usual groove, share creative pursuits and diversions with others. Going over a remote question does no good.

Capricorn [Dec. 22-Jan. 19]: Protect your personal resources by light schedules. The day is good for calm trouble-shooting, rather than frantic moves.

Aquarius [Jan. 20-Feb. 18]: You are reminded of the need to keep yourself fit. Friends, loved ones require some tangible expression of your feelings.

Pisces [Feb. 19-March 20]: Letting well enough alone may be difficult, as some matters are important and cannot be left to chance or guess. Do what you can.

Robbie Adamson Weds Marion Francis Carter

Vows were exchanged at 4 p.m. Saturday, June 3, by Robbie Rae Adamson and Marion Francis Carter, both of Davenport, Ia., in the home of the bride's sister, Mrs. Ralph W. Hayes, 2136 Coffee, Pampa. Rev. Nat Lunsford officiated for the double-ring service.

Given in marriage by her brother-in-law, Ralph Hayes, the bride wore a dress of pink chiffon over pink taffeta and carried a bouquet of white feathered carnations.

Mrs. Shelia Adamson, daughter-in-law of the bride, was matron of honor. She was attired in a two-piece dress of beige lace and carried a bouquet of pink feathered carnations.

Ray Adamson, son of the bride, served as best man. For the reception that followed the ceremony, the serving table was covered with a lace cloth and centered with an arrangement of blue snapdragons, flanked by blue tapers in matching candleholders.

The two-tiered wedding cake, decorated with blue

forget-me-nots, was topped with white bells.

Mrs. Ralph Hayes, sister of the bride, presided at the punch bowl, and Mrs. Jim Robertson served the cake.

Others attending were Mr. and Mrs. C.H. Jenkins, Mr. and Mrs. O.R. McCain, Mrs. Billy Hayes and Tommie, Mrs. Jim Robertson, Miss Eva Whiteley, and Eddie Adamson.

The couple will be at home at 2036 Zenith, Davenport, Ia. The bride is employed by Brammer Manufacturing in Davenport, and the bridegroom is employed by Bendix Aviation, Davenport.

Out-of-town guests included Mr. and Mrs. Roger Mize of Snyder, and Miss Michelle Carter of Davenport, Ia.

BANFF FESTIVAL SET BANFF, Alta. (AP)—Canadian works will form a major part of the program at the second Banff Festival of the Arts August 13-19, says Dr. David Leighton, director of the Banff Centre.

DANISH MUSTARD

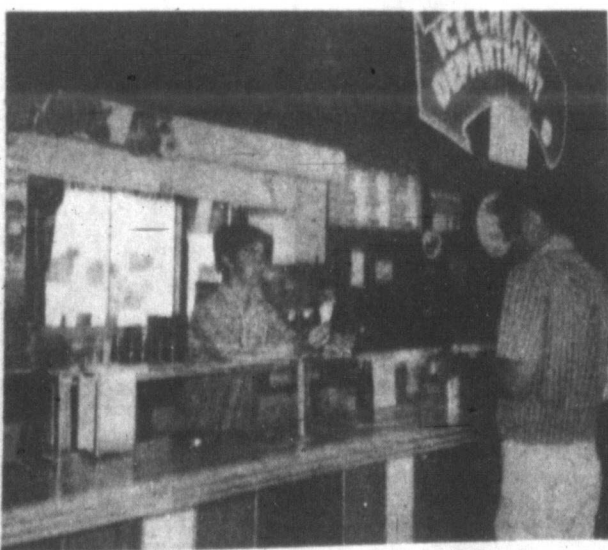

A new version of a treasured recipe.
 1 box (2 ounces) dry mustard (about 2/3 cup)
 1/3 cup firmly packed dark brown sugar
 Pinch of salt
 1/4 cup cider vinegar
 1/4 cup salad oil
 1 teaspoon Worcestershire sauce
 1 teaspoon lemon juice

In a small mixing bowl with a wooden spoon or a whisk beat together all the ingredients until smooth. Turn into a screwtop jar; cover tightly. Refrigerate for a couple of days before using to allow flavors to blend. Makes a sweet hot mustard—a little over 3/4 cup.

Senior Center Corner

By LALAR WILKERSON

Elmer Melton feels very fortunate in being with us today, as he had quite a tumble with his pickup this week. The pickup needed to go to the hospital (auto repair shop) while Mr. Melton only needed a few band-aids and liniment to put him back in condition.

A beautiful floral arrangement by Mrs. Ann Kay centered the refreshment table for the 62 senior citizens who attended the June birthday party June 1. Those having birthdays in June were Mmes. Stella Henderson, Dave Kendrick, Genia Nolan, May Hatcher and Lillie Noylett. Each were presented a gift.

Mr. and Mrs. H.G. Lawrence spent last weekend visiting Mrs. Lawrence's son, Frank Yates, and family in Cheyenne, Wyo. R.W. Tucker is still in Highland Hospital. He would appreciate letters and cards from his friends.

Amelia Schwoppe has been with her son and family, Charles Schwoppe, in Oklahoma City, for the past five weeks, returning to her home Monday.

Mrs. Genia Nolan spent this weekend with her sister, Mrs. Rudell Lightfoot, Amarillo. She attended the graduation ceremony of her nephew at Tascosa High School. Mrs.

Noland attended the wedding of Valeria Moran and Eugene Gray May 20, at Lubbock View Christian Church.

Rev. and Mrs. A.L. Patrick are celebrating their golden wedding anniversary this month with an open house, being given by their children.

The grandson of Ennis Jones has been contributing regularly to the Senior Citizens Fund, to be used exclusively for the seniors. Mr. Jones was one of our more faithful members during his lifetime. The gift is much appreciated by everyone.

Mr. and Mrs. B.A. Tucker visited Mrs. Daisy Brunson last week. The Tuckers also visited in San Angelo and Houston, leaving for California Tuesday.

A thank-you note was received from Mrs. Martha H. White. Mrs. White was hospitalized recently but is now able to be with us again. We welcome her back to the organization.

Alltrusa Club members present were Mmes. Louise Sewell, Lalar Wilkerson, Mary Wilson, Lora Dunn, Olive Hills, Gertrude Barber, Gene Scott, Evelyn Mason, Lena Pearl Hobbs and Lillian Snow.

Over 11,000 students attend the University of Northern Colorado.

Rev. and Mrs. Milton Thompson and son, Bryan, spent the Memorial Day weekend in Portales, N.M. where they visited their son, Rev. Michael Lynn Thompson.

Mr. and Mrs. Paul Matthews and daughter, Denise, have been visiting in their home, his mother, Mrs. Ella Matthews of Commerce, Okla.

Mr. and Mrs. Adolph Novotny have returned from a two-week vacation. They visited Mr. and Mrs. Morris Smith, Garber, Okla., Mrs. Ethel Smith, Eureka, Kans., Mr. and Mrs. Ed Novotny, Moorehead, Kans., Mrs. Ida Smith, Oswatomi, Kans., Mr. and Mrs. Charley Hejny and Mrs. Emma Eulich, Great Bend, Kans.

Mr. and Mrs. Clifford Coleman had as Sunday guests, Mr. and Mrs. Garvin Clower and children, Duncan, Okla.

Mr. and Mrs. Dan Holloway had as recent guests in their home, their two daughters and their families, Mrs. Daryl Jones, Alamogordo, N.M., and Mrs. Bob Thompson, Sayre, Okla.

Mr. and Mrs. Jack Baker have returned after a visit to Palestine, Tex., where they were with her mother, Mrs. J.A. Quick who is in the hospital.

Mr. and Mrs. Howard Moore had as weekend guests their daughter, Yae and children, of Lubbock and son, Charles, stationed with the U.S. Army in Arizona. Mr. and Mrs. Moore moved this week to Duncan, Okla.

Mr. and Mrs. Carl McAdams and sons, Farris, Okla., spent

the Memorial Day weekend with her parents, Mr. and Mrs. J.M. Grange and his mother, Mrs. J. McAdams, a patient in the Highland General Hospital.

Mr. and Mrs. Frank Hewitt returned Tuesday from a week of camping at Foss Lake in Oklahoma.

Mr. and Mrs. Jimmy Weatherly and sons spent the weekend with her parents, Mr. and Mrs. Marion Ford, Panhandle, Tex.

Mr. and Mrs. Earl Looper and daughter, Debra, spent Friday at their mobile home at Lake Greenbelt.

Mrs. Bill Houghton and sons and Tommy Wall spent Sunday and Monday at Snyder, Okla., where they visited Mr. and Mrs. John Fairbatter. Other guests were Mr. and Mrs. Wayne Barrikman and son of Spokane, Mo.

Mr. and Mrs. Clyde Horner accompanied by their son, Jim, his wife, Karen, and son Keith, Amarillo, returned Wednesday from Lamar, Ark., where they visited Mr. and Mrs. John Horner and Mr. and Mrs. Doc Horner and family.

Mr. and Mrs. Bert Woods had as weekend guests in their home, Mrs. Woods' parents, Mr. and Mrs. George Mashburn, Berger.

NOTICE TO BIDDERS
The City Commission of the City of Pampa, Texas, will receive sealed bids in the City Commission Room, City Hall, Pampa, Texas until 4:30 A.M. CDST, Monday June 27, 1972 for the furnishing of all necessary materials, machinery, equipment, superintendence and labor for construction of Street Paving and Drainage Structure (Summer Street). Bids shall be delivered to S.M. Chittenden, City Secretary, City Hall, Pampa, Texas.

Bidders must submit Cashier's Check or Certified Check issued by a bank satisfactory to the owner, or a Bidder's Bond from a reliable Surety Company payable without recourse to the order of Milo Carlson, Mayor, in an amount not less than five per cent per cent of the largest possible bid submitted as a guarantee that Bidder will enter into a contract and execute bond and guaranty in the forms provided within ten (10) days after notice of award of contract to him. Bids without required check or Proposal Bond will not be considered.

The successful Bidder must furnish performance bond and payment bond in the amount of 100 per cent of the total contract price from a Surety Company holding a permit from the State of Texas to act as Surety or other Sureties or Sureties acceptable to the owner.

All lump sum and unit prices must be stated in both script and figures. The owner reserves the right to reject any or all bids and to waive formalities in case of ambiguity or lack of clearness in stating prices in the bid. The owner reserves the right to consider the most advantageous construction therefor or to reject the bid if unreasonable or "unbalanced" unit prices will authorize the owner to reject the bid.

Bidders are expected to inspect the site of the work and to inform themselves regarding all local conditions under which the work is to be done. Attention is called to the provisions of the Acts of the 43rd Legislature of the State of Texas concerning the wage scale and payment of prevailing wages established by the owner. Said scale of prevailing minimum rates of wages is set forth in the Specifications.

Information for Bidders' Proposal Forms, Specifications and Plans are on file at the City Engineer's Office, City Hall, Pampa, Texas, and copies may be secured at the office of Merriman & Barber, Consulting Engineers, Inc., 117 North Frost Street, Pampa, Texas.

Taxpayers Ask IRS

This column of questions and answers on federal tax matters is provided by the local office of the U.S. Internal Revenue Service and is published as a public service to taxpayers. The column answers questions most frequently asked by taxpayers.

Q) Someone broke into my home and stole \$200. Can I deduct this amount as a theft loss?

A) A personal theft or casualty loss is deductible only to the extent that it exceeds \$100 for each loss. Therefore, your deduction would be \$100, your actual loss of \$200 less the \$100 limitation. The loss would also be reduced by any insurance proceeds.

For more information on deducting casualty and theft losses, see IRS Publication 547, Tax Information on Disasters, Casualty Losses and Thefts. It's available by dropping a postcard to your IR district office.

Q) I waited until April 17 to file my return. How long will it take me to get my refund?

A) If there are no mistakes on your return that might delay processing, it normally takes about six weeks after a return is filed. It might take a little longer to get your re-

fund, however, due to the large volume of returns filed in April.

Q) I am an alien working in the United States. I plan to return to my home soon. I am told I must get a "sailing permit." What is that?

A) A Certificate of Compliance, popularly known as a "sailing permit," must be obtained by most aliens before their departure from the United States. Generally, you must file a Form 1040C or 2063 to get a "sailing permit."

The permit should be obtained from the District Director of Internal Revenue for the district in which you are located at least two weeks but not earlier than 30 days before your departure.

Thank You!

I want to thank each of you for your support in the recent Democratic Primary and Run-Off Elections.

When I take office next year I shall fulfill my duties conscientiously and impartially.

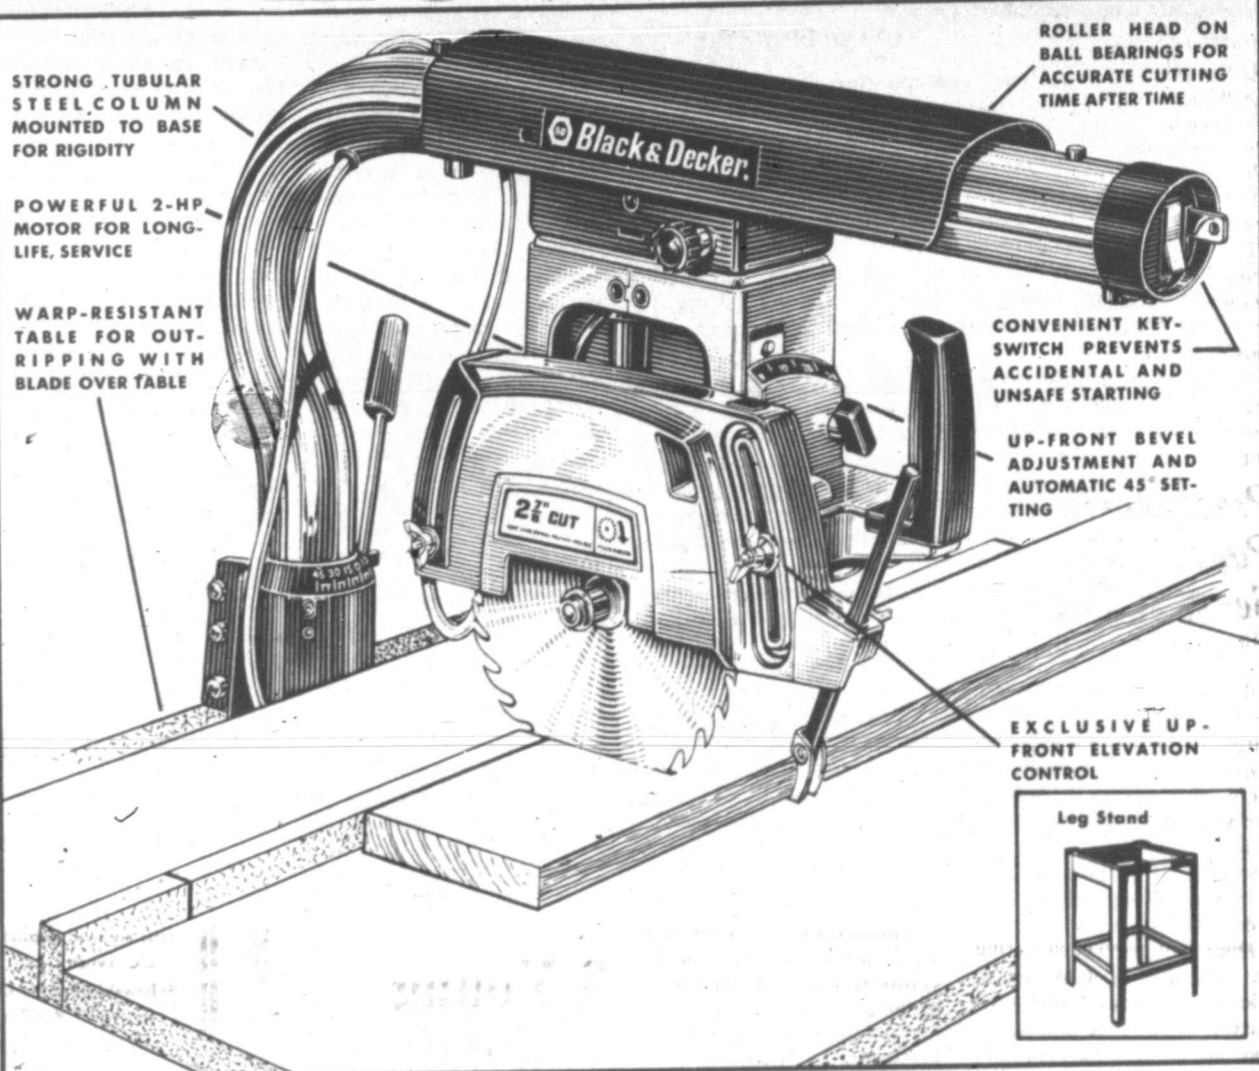

R. R. (Bob) Watson

Pd. Pol. Adv.

First Baptist Services

Dr. C. Gordon Bayless, pastor, First Baptist Church, will be in the pulpit for both worship services Sunday. His 11 a.m. sermon subject is "The Voice That Wakes the Dead," and his 7 p.m. topic is "A Drink of Water."

Hoyle Phillips will be in charge of the music and the sanctuary choir will fill the choir loft for both services. "There's a Wideness in God's Mercy" (arr. Dean) is the anthem for morning worship, and the evening special music will be announced by Phillips. Miss Eloise Lane, organist, has chosen "Guide Me, O Thou Great Jehovah" by Smith for the morning offertory and "Just a Closer Walk with Thee" (by London) for the evening offertory.

Vacation Bible School continues under the direction of George Warren, minister of education. Parents Night will be June 14, at 6:15. All parents are cordially invited to attend the commencement service in the auditorium and then view their children's work in the department rooms.

Teen College for Christ has enjoyed great success, and it will continue through June 14. The joint-service of Vacation Bible School is televised on Channel 13, at 8:45 each morning.

The regular Fellowship Supper will be at 5:30 Wednesday evening, followed by Parents Night and then choir rehearsal at 8 p.m.

The deacons will have their regular monthly meeting Monday evening at 6:30 in the church dining hall.

Presbyterian Pastor Sets Sermon Topics

Rev. Martin Hager, First Presbyterian Church pastor, will use "What Shall We Do?" as the topic for his sermon Sunday at the 10:00 a.m. worship hour. The morning scripture readings will be 1 Samuel 17:41-47 and Matthew 10:3-15.

Serving as pulpit assistant will be Ruling Elder Jim Holcomb.

There will be no choir during the summer months. Guest soloist this Sunday will be Rick Harris. He will sing "I will sing you songs" by Dvorak. Organist is Donnie Jones.

The Summer Youth Program is directed by Rev. Dennis Povey. Sunday at 7 p.m. the Senior Highs will meet at Central Park for a party. Monday, 9-11 a.m. the 1-6 grades will meet at First Presbyterian Church educational Building. The Session of the church will meet June 14, 8 p.m. in the West Room. Sunday School begins at 9:00 a.m. and worship Service begins at 10:00 a.m.

TO HOLD PARK MEETING—Elders David Powell, left, and Hal Clarke, missionaries for the Church of Jesus Christ of Latter-day Saints (Mormon), will hold a Mormon "Summer exposition" in Central Park June 17. Various displays and exhibits will be set up from 2-5 p.m. for the public to drop by and view.

Watchtower Society Plans Amarillo Meet

The Watchtower Bible and Tract Society of New York has finalized plans for 50 district conventions of Jehovah's Witnesses for 1972 in the United States. Convention officials revealed in New York that the Civic Center in Amarillo has been selected as one of the sites, July 13-16.

D. Lawrence Pillars of Albuquerque, convention manager, said 6,500 delegates are expected from the Golden Spread area.

Lyman Binard, supervisor of the congregation in Pampa said the four-day convention will stress the importance of spirituality in an age of materialism.

"The world is under great stress," he said. "Daily the He noted local delegates will represent Pampa at the

Healing Dedication Is Science Emphasis

"Christian Healing: The Demand on Everyone" was the theme of a meeting in Boston attended by Christian Scientists from around the world.

In a special message to the annual meeting of the mother church, The First Church of Christ, Scientist, in Boston, Mass., on June 5, Arthur P. Wuth, the new Chairman of The Christian Science Board of Directors, called on the members to dedicate themselves anew to the practice of Christian healing.

"Each one heal one is the imperative of today," Mr. Wuth declared, specifically noting the "great need of healing" drug addiction and disease, poverty and materialism.

Firsthand evidence of the immense practicality of Christian healing is presented at Wednesday evening testimony meetings held on the first Wednesday of each month at Christian Science Society, and other branches of The Mother Church, in the Panhandle area, according to the assistant committee on publication for Pampa.

Fulfillment of the Church's purpose depends upon nothing less than Christian healing, enlightenment and regeneration, Mr. Wuth told the gathering.

"We urge each branch church and each church member to measure their progress in the light of their increased devotion to the healing ministry," he declared.

The first love of our Church is spelled out in its Manual described purpose—"To organize a church to commemorate the word and works of our Master, which should reinstate primitive Christianity and its lost element of healing."

Relating this to the new Christian Science Center, he described its purpose in terms of preparing "for the second century of Christian Science healing by unifying our headquarters, by providing much needed room, and by symbolizing the spiritual building that's taking place in the hearts and minds of all members."

It was announced at the meeting that the 28-story Church Administration building and the 5-story Church Colonnade with its film and broadcasting studios, would be completed late this year.

The new Chairman of the denomination's top administrative body is a native of Denver, Colorado. He has served the Christian Science movement in many capacities including Committee on

Publication for Colorado, Christian Science lecturer, First Reader of The Mother Church, and trustee of The Christian Science Publishing society. Since 1964 he has been a member of The Christian Science Board of Directors. A Christian Science teacher, he now resides in Boston.

Mormons Plan Park Meeting

Two missionaries of the Church of Jesus Christ of Latter-day Saints (Mormon) will hold a meeting in Central Park on June 17 to discuss aspects of their denomination.

Elder Hal Clarke, of Arlington, Va., and Elder David Powell, of Payson, Utah, will speak and be on hand to answer questions during the Mormon "summer exposition."

The session will be held from 2 to 5 p.m. with various displays, exhibits, and pamphlets and other literature set up in the park.

The public, without regard to any denomination, is invited to attend the park session anytime from 2 to 5 p.m.

Elder Clarke and Elder Powell, both 20, are serving in Pampa as part of their volunteer two-year mission during their mission, they spend time visiting with people to explain the tenets of their religion and to discuss the Book of Mormon.

Elder Clarke, who has been in the mission field for 17 months, came to Pampa from Greenville, Texas. Elder Powell, who has been in the field for 20 months, came to Pampa from Alpine.

Elder Powell is one of the Spanish-speaking missionaries in the Texas North Mission.

Free punch and cookies will be provided during the session.

3 Young Vandals Arrested

CANTON, Tex. (AP)—Three Canton boys—8, 9 and 10 years old—who roamed this East Texas town "with nothing to do," as they said, were under arrest today for the vandalism of a church and destruction of a historical pipe organ.

An antique Tracker pipe organ, valued at \$30,000 by officials at First United Methodist Church, was destroyed by vandals early Friday. The organ was one of the first of its kind in Texas and was listed as an "historical organ" by the Texas State Historical Society.

Approximately \$45,000 in vandalism has been linked to the three boys—two brothers and a close friend—D.W. Ward, Van Zandt County sheriff, said.

Don Reed, Van Zandt County juvenile officer, said, "The matter is complicated by the fact that only one of the boys—the 10-year-old—is accountable under the state's juvenile laws."

Reed said a hearing will be held in juvenile court.

"They have admitted to breaking out windows at the city's water purification plant, breaking soft bottles and damaging buses at the high school, and breaking into the Methodist Church earlier in the week," Ward said.

The sheriff said the boys admitted breaking into the church twice last week. On Wednesday they broke light fixtures. Then they damaged the organ Friday.

The church was never closed, but the Rev. D.R. Box, the pastor, said that policy now must be changed.

Pipes from the organ were removed and smashed across pews. The organ keyboard, described as a beautiful one, was destroyed beyond repair.

Gospel Singers Here Saturday

Calvary Assembly of God Church will present the Mid-Western Gospel Singers Saturday night in a sacred songfest. The quartet, working from headquarters at Enid, Okla., have gained fame wherever gospel singing is heard. The program will begin at 7:30 p.m. Calvary Assembly of God Church is located at 1030 Love St.

The Weekly Message of Inspiration

Progressive Baptist Church

L.B. DAVIS, PASTOR The Teaching Of The Spirit Man needs not only a Divine Savior but also a Divine teacher. The Holy Spirit has come to teach us. (Christians) Just as real as the Lord Jesus

then, that man in his natural state is totally incapable of himself to know God, or the things of God, he must have a teacher: for no man can know God except he is taught of God, and this the Holy Ghost alone can do.

2. Infallible. 1. Cor. 2:10. Isa. 40:13. Isa. 59:21. The Spirit searcheth all things, yea, the deep things of God. 1. Cor. 2:10. Who hath directed the Spirit, or hath taught Him? Isa. 40:13. If we despise this Teacher, or will not be taught of Him, in vain we seek for spiritual wisdom. We never repent of nor even forget what we have learned of Him. My Spirit is upon thee, and My words shall not depart out of thy mouth. Isa. 59:21.

3. All-Sufficient. 1. John 2:27. St. John: 14:26. St. John 16:13. The anointing abideth in you, and ye need not that any man teach you. 1. John 2:27. The Lord hath ordained pastors and teachers for the perfecting of the saints, and we esteem them highly for their work's sake. Although such teachers are abundantly needed in these days, still ye need not that man teach you. He shall teach you all things. John 14:26. He will guide you into all truth. John 16:13. Who is better able to explain a book than the one who wrote it?

4. Unassuming. John 16:13. He shall not speak of Himself. John 16:13. He hides Himself that He might all the more glorify Christ. In this He is an example to all teachers. If the Great Teacher Himself is so unassuming an example to all teachers, if the Great Teacher Himself is so unassuming, how should the scholar appear?

The Pampa Daily News

A Watchful Newspaper
EVER STRIVING FOR THE TOP OF TEXAS
TO BE AN EVEN BETTER PLACE TO LIVE
Our Capsule Policy

The Pampa News is dedicated to furnishing information to our readers so that they can better promote and preserve their own freedom and encourage others to see others to see its blessing. Only when man is free to control himself and all he produces can he develop to his utmost capability.

The News believes each and every person would get more satisfaction in the long run if he were permitted to spend what he earns on a volunteer basis rather than having part of it distributed involuntarily.

The People's Lobby

Common Cause, the "people's lobby," led all other lobbies in terms of spending, according to financial reports published in the Congressional Record covering the last three months of 1971.

As required by law, Common Cause, which is supported by donations from individuals around the country, reported spending slightly over \$123,000 in the period in its efforts to influence legislation.

Other big spenders included the Veterans of World War I of the U.S.A.—\$96,590; the American Postal Workers Union—\$73,726, and the American Farm Bureau Federation—\$41,385.

It may be that Common Cause is simply more honest than some other organizations, which reported only minimal expenditures or none at all. One of its goals, in fact, is reform of the much-criticized, loophole-ridden laws governing lobbying activities.

But if money talks, the voice of the little people, which Common Cause claims to represent, is coming through loud and clear.

Lumps In The Gravy

According to the Tax Foundation, a nonprofit research organization that keeps tabs on government spending, more money was collected in federal taxes in 21 states in the last fiscal year than was returned to them in the form of federal grants.

In a typical county in Ohio, for instance, every dollar that came from Washington for welfare, education, health, housing, highways, urban renewal, etc. actually cost the local taxpayers \$1.55.

At the same time, of course, 29 other states received more in federal aid than they paid in federal taxes. In other words, money from the wealthier states is distributed to the less wealthy, which is only right. This is, after all, one country.

But would it not possibly make more sense if that Ohio county were permitted to keep its dollar and send only the 55 cents to Washington? Likewise all other counties in the same taxes-vs.-benefits situation?

Think of the dollar loss due to "friction" as money is shuttled back and forth between the states and the federal government.

Ah, but think of all the federal jobs that would be lost if things were simplified, and start dreaming about something else.

People Caged, Animals..?

A drive-through wildlife preserve scheduled to open this summer in West Milford, N.J., is representative of a new trend in zoos.

Called Jungle Habitat, the preserve is the first of its kind in the northeastern United States and is said to give the more than 1,500 animals and birds living there the freedom to roam at will in a natural environment. The 1,000-acre site consists of land features similar to those found in the wilds of Africa, the native homeland of many of the species.

By using only natural and hidden barriers to contain the preserve's wildlife and separate predators from their prey, what we've really created here is a "non-zoo," says R. Brian Hunt, president of the venture.

As in other such facilities visitors will be asked to remain within the safety of their automobiles in the extensive drive-through areas of the preserve. One of the main attractions will be the excitement of not knowing what animal will be waiting around the next curve on the trail. Eyeball-to-eyeball confrontations with lions, tigers and other beasts will not be uncommon.

People in cages and animals left free to roam. Animal lovers will agree that that's the way a zoo ought to be.

Parenthood Costly

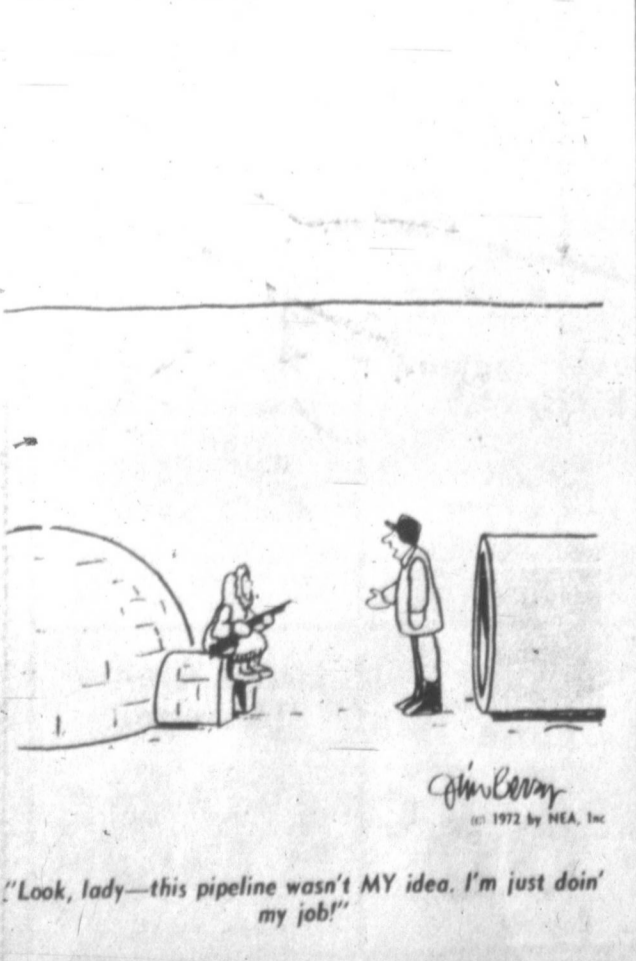

It costs the average family about \$40,000 to raise a child from birth through college, according to a study made by the federal commission on Population Growth and the American Future.

Even worse, the family "loses" between \$40,000 and \$120,000 in potential income if the wife stays home until the child is 14 years old, depending upon the wife's level of education. The cost of each additional child, including two more years of the wife's "lost" income, is another \$49,000, says the study.

The moral for future American husbands: If you don't believe wives or mothers should work, marry a dingbat. It's cheaper.

There is always one man to state the case for freedom. That's all we need, one—Clarence Darrow, American jurist.

BERRY'S WORLD

'New War' Stories Are Misleading

By RAY CROMLEY
WASHINGTON (NEA)—There is much nonsense being written on both sides about what the bombing of North Vietnam and the mining of its harbors and rivers will or will not accomplish.

One group asserts this strategy will have no significant effect, that Hanoi and its allies will find some way to get the arms and petroleum to the South. They note supplies did get through in the Johnson administration despite heavy U.S. raids.

Others claim the bombing and mining have slowed supplies to a trickle and that this will continue to be so, checkmating at some point North Vietnam's ability to mount attacks.

Both of these scenarios are simplistic—and misleading.

For one, there is no similarity between 1965-1968 and today. In those years the North Vietnamese were fighting guerrilla war. In such a conflict, the exact timing of attacks is usually of minor concern. If heavy bombings slow down deliveries, no matter. More will be put into the pipeline and attacks delayed until the required arms and supplies have arrived and been positioned for battle. The overall yearly requirements are small.

The present invasion is conventional with vigorous use of armor, artillery, trucks, petroleum and material. If the South Vietnamese fight aggressively, and continually force the invaders to use up great amounts of artillery shells, petroleum, and other key armor and supplies month in and month out, and if the bombing of North Vietnam continues unabated with bridges and oil line pumping stations knocked out as rapidly as they are repaired, then this anvil and hammer action will inevitably bring a shortage of supplies, a shortage so significant that heavy, sustained conventional battles will temporarily be impossible for the North Vietnamese.

This could take say four to seven months, depending on the intensity of the fighting.

But for this plan to be successful, the South Vietnamese must go on the offensive whenever the North Vietnamese regroup and wait for supplies. In a slowpaced action the North Vietnamese may well be able to get what they need, slowly but surely, despite the bombing and the mining.

If the South Vietnamese slack off, if the bombing halts or if the mines are deactivated, the North Vietnamese, quickly or after an interval, should be able to begin again.

Notice that the bombing and the mining, in any event, would not be sufficient to prevent Hanoi from returning to sustained vigorous guerrilla-type operations and carrying on such lower-key war for years to come.

But note this: If the South Vietnamese do fight a hard, tough action whenever the North Vietnamese attack conventionally in the months to come, this will force Hanoi's troops to mass their forces in ways highly susceptible to U.S. bombing strikes.

Now it may be true as some experts say that Hanoi is able to take these very heavy losses in men. However, one thing is clear. When casualties are as great as those Hanoi has been sustaining in this invasion, the price must be heavy in experienced sergeants, lieutenants, captains and majors.

These are the backbone of North Vietnam's main forces. If they are destroyed in sizable number, then this invasion could be the same disaster for the North that Tet-1968 was—in that at Tet the cream of the Viet Cong junior leadership was destroyed.

In summary, President Nixon in his bombing and mining decision is gambling the South Vietnamese armies will in the end carry on aggressive warfare.

Note that for this strategy to succeed, it is not necessary that the South Vietnamese troops win these battles. It will be sufficient that they fight strongly even if retreating.

GLOBAL VIEW

Summit Crucial To Brezhnev Aims

By RAY CROMLEY
WASHINGTON (NEA)—Information trickling here from Moscow indicates President Nixon's visit was crucial to Leonid Brezhnev's drive for absolute power within the Politburo of the Communist party and the government of the Soviet Union.

This was apparently one major reason that Brezhnev would not let anything—the mining of Haiphong harbor or pressures within the Communist world—prevent the Nixon meetings from taking place.

The Nixon summit session and its preliminaries have already enabled Brezhnev to goad P. V. Shelest, one of his four principal rivals, into an opposition so strong and so unacceptable by Politburo standards that Brezhnev was able to oust him as First Secretary of the Ukrainian Communist party, one of the most powerful posts in the U.S.S.R. and to put in his own man, V. V. Scherbitsky. Thus Shelest's power base is gone, weakening seriously the anti-Brezhnev group.

The demotion of Shelest was step three in Brezhnev's four-stage program for pulling the fangs of the four men most likely to block his movement: one-man rule or to attempt a takeover on their own.

Brezhnev already had been successful in removing G. I. Voronov, as head of the Russian Republic and Aleksander Shelepin as a Communist party secretary, leaving only Nikolai Podgorny, president of the U.S.S.R., with dangerous strength. While these rivals remain as members of the Politburo, Voronov, Shelepin and now Shelest have each lost his primary source of strength.

At last report, Shelepin had been moved from seventh to 11th place in the 15-man Politburo, Voronov down from fifth to 10th place.

Podgorny held firmly to the number two spot, up actually from a few years back.

Where Shelest now ranks is not yet clear, but he is undoubtedly close to the bottom of the Politburo ranking.

The U.S. economic aid and trade concessions, if they come through as anticipated, will enable Brezhnev to move in with more solid power over the economic ministries. These operations in theory should be in the hands of Aleksei Kosygin, as head of the government.

But Brezhnev had previously taken steps to increase the power of the party men directly in industry and agriculture. The increase in party direct management, of course, gave more power to Brezhnev, as First Secretary of the Communist party of the U.S.S.R.

The economic deals, when they come through, should also enable Brezhnev to avoid the economic crises which led to Khrushchev's fall.

The prestige given Brezhnev by his arms deal, by West German recognition of crucial East European borders and the rising prospect for some American withdrawals in Europe, coupled with the demotion of Shelest and the others, will enable Brezhnev to expand considerably the careful party purge he has been carrying on—removing the protégés of his rivals down the ladder and putting in his own men in critical areas.

What this growing Brezhnev power will mean for the United States is not clear. With less rivalry, the theory is that he could have more strength to move toward settling outstanding issues with the West. Or he could make bold moves not at all to our liking. Only time will tell.

Your Health

Is Meat Needed For Good Diet?
By Dr. Lawrence Lamb, M.D.

Dear Dr. Lamb—My teenage sister and her friends don't like the idea of eating meat because it is a dead animal. I told her that your body needs the protein to rebuild itself. Is it possible to get enough protein from other foods to eliminate meat from the diet?

Dear Reader—Yes, it is. Strict vegetarians are living proof of this. Not only that, many vegetarians are in exceptionally good health. One reason for their good health is that eating a strictly non-animal product diet usually tends to eliminate a lot of calories, particularly those that come from animal fats. In general, individuals who avoid eating excess numbers of calories and excess amounts of fat in their diet are healthier than most of the rest of the general population, if they don't overdo it.

It is true that the body needs a variety of sources for protein. Studies have been done, however, that show that the body can get by on proteins from gelatin (which is an animal product) and the protein from wheat. It is usually better for the health to be sure that the body gets a variety of types of proteins. Some non-meat sources include the dairy products (and if you need to restrict the saturated fat intake, you would want to use non-fat and low-fat dairy products such as fortified skim milk and increased cottage cheese). The whites of eggs are a particularly good source of protein. The mature seeds of the bean family usually contain a lot of protein. Soy beans are a principal source of proteins in the vegetarian diet. They are relatively rich in protein. People who don't eat meat, fish, or chicken need to know a lot more about diet than some young people following harmful fads do.

Dear Dr. Lamb—I would like to know if bleeding from the rectum can be the symptom of something more serious than just a very bad case of hemorrhoids. I don't mean just a showing of blood; he really bleeds, especially after a bowel movement. If he has had anything to drink, the bleeding is more.

Dear Reader—There are constant numbers of letters to this column concerning this problem. It is exceptionally important that everyone recognize that bleeding from the rectum can represent serious disease. In some instances, it is the first sign of cancer of the rectum, although there are many other causes for it including hemorrhoids. No case of bleeding from hemorrhoids, however, should be ignored. Each one deserves a medical examination because what is thought to be hemorrhoids may even turn out to be cancer. There is only one recommendation that I can possibly make to people with this problem: seek a medical examination as soon as possible. There is no other reasonable alternative.

H. L. Hunt Writes

SKILLFUL ENEMIES ARE ADROIT
The enemies of Freedom and Truth are skillful and well-organized in their opposition to Liberty and to our Republic. Many citizens may show a tendency to feel sympathetic to the enemy after reading or hearing his message and will decide, "This person is all mixed up," failing to recognize his skill, training and know-how.

When Freedom enthusiasts become better organized and more skillful, the tide can be turned against crime and communism. We should trade ideas with friends to get them to be aware and to beware of the skill of the enemy. Fatal apathy becomes a great foe of Freedom and Truth. The enemies know how to assist each other in influencing people to tolerate the enemies and thereby work against Freedom and Truth.

LAW-AID is becoming a movement which every good citizen can easily and joyfully support and can be decisive in turning the tide against communists and other criminals. Communism is the worst crime of all, since the communists seek to destroy the freedom of the individual and of the press.

We, the non-communists, are not outnumbered; we are simply out-organized and out-managed. It is late, and it is too late not to get started. It is not too late to popularize and win for Freedom and Truth and to preserve our beloved Republic. All that good people need do is to get started and then do a better job than the enemy. Freedom and Truth deserve the victory. The decision is in our hands to win or lose.

Official Logic

When an election pleases a politician, he claims a mandate. When an election displeases a politician, he claims he "doesn't know how to interpret" the vote.

In either case, elections seldom have much effect on slowing down political spending. Usually politicians sincerely think they know what's best for an area, regardless of what their constituency thinks. That's the nature of politics.

STRAIGHT TALK

TOM ANDERSON

Norton Creek, Rt. 2, Gatlinburg, Tenn. 37738

When Lee Harvey Oswald (or whoever) was firing on John Kennedy, Jackie tried to climb out of the car. When Arthur Bremer fired on George Wallace, Mrs. Wallace threw herself across his body.

Helping the Enemy
Mr. Nixon and Mr. Brezhnev have made extensive commitments to each other involving mutual cooperation and collaboration in space, cancer research, trade and nuclear disarmament among other things. The main trouble with this is that both Mr. Nixon and Mr. Brezhnev proved long ago that their "word" is no good. (And, in Nixon's case, such commitments, bypassing Congress, are unconstitutional.)

I hate to say such a thing about the President of the United States. The only reason I do it is because it is the truth. ("Am I become your enemy because I tell you the truth?") It is a sad fact that the President of the U.S. has earned the sobriquet, "Tricky Dick."

The same President who ordered the mining of the Haiphong Harbor has ordered a long-term commitment to sell (or maybe give) the Soviets tremendous amounts of our "surplus grains and soybeans." Our main Vietnam enemy, Soviet Russia, badly needs this help at this time. Plagued by agricultural shortages and inefficiency for many years, the Soviet Union has been buying massive amounts of wheat from Canada and Australia. And now our leaders have arranged to "sell" \$135 million worth of feed grains to the Soviet Union. Forecasts are that our grain sales to the Number One Enemy will run to \$200 million annually in the future.

And how will the enemy pay? (1) They will let President Nixinger come visit them again. (2) They will pay us, not with dollars (after all, our printing presses are already turning out too many dollars), but with "in-kind" payments of natural gas and oil. But to do this, the Soviet enemy needs our help in building pipelines to carry oil and gas into Eastern and Central Europe. This will help the Soviets strengthen their stranglehold on the slave nations we helped them incarcerate in World War II.

Our leaders, Big Businessmen, and even the "conservative" Farm Bureau call the above, "Trade." I call it Treason.

Graham Crackers
In a recent column, Billy Graham was asked: "What do you think of Jesus Christ, Super Star?"

Part of his answer, admittedly out of context,

was: "I like some of the music. The scenes where Jesus is with a prostitute and has grave doubts about His mission in life, in my opinion, are almost blasphemous. It expresses the doubts of the authors about Jesus' deity, and this has been done more expertly in the past by others, in my opinion."

"One thing for sure: Jesus is always controversial. He was when upon earth, and He is now. And when He is presented, rightly or wrongly, He still arrests the attention of millions."

"In this sense 'Superstar' has done good. It has helped arouse a new interest in Jesus—especially among youth."

Well, what more could you expect from a man who is a dear friend of Lyndon Johnson, Richard Nixon, and various Communist leaders and the National Council of Churches?

The music is vulgar and the play is obscene and blasphemous—not "almost blasphemous." It is wrong to do some good to accomplish some "right." "Jesus freaks" are not Christians. There is only one Christ, the Christ of the Bible. And there is only one Billy Graham, thank goodness.

Billy Graham has never been "anti-Communist," although they are even now, torturing and punishing hundreds of thousands of people merely because they refuse to renounce Jesus Christ as their Savior.

If one is for Christ, can one refuse to oppose Christ's enemies? — Copyright 1972, The American Way Features

Quick Quiz

Q—Has the bust of any American been placed in the Poet's Corner of Westminster Abbey?
A—Henry Wadsworth Longfellow is the only American so honored.

Q—Why is it difficult for a layman to know when a snake is sleeping?
A—The reptile's eyes remain open whether it is awake or asleep.

Q—Which planets cannot be seen with the naked eye?
A—Neptune and Pluto. The naked eye can barely see the planet Uranus.

Q—What man was only 24 when he became prime minister of Great Britain?
A—William Pitt in 1783.

Q—What South American country is named because of its geographical location?
A—Ecuador, Spanish for equator, on which the country lies.

Q—What American city has the only rink equipped for Olympic speed skating?
A—Northbrook, a suburb of Chicago.

AWARD OF EXCELLENCE—The Marie Foundations factory at McLean has received Sears-Robucks and Company's symbol of excellence award. Displaying the award are, from left, Dale Greenhouse, division manager for Marie Foundations; Jack Swallow, executive vice president; Carl Clark, Sears-Robuck representative from New York who presented the award; Cal Fraser, president of Form-O-Youth from California; and Boyd Mendor.

Area Marie Foundations Plant Receives Award Of Excellence

McLEAN—The Marie Foundations factory at McLean has received Sears-Robuck and Company's excellence award.

With over 20,000 manufacturers in the firm, only 394 were selected for the award this year.

Accepting the award on behalf of Marie Foundations were Mrs. Geneva Kingston and Mrs. Geneva Mann, senior employees of the McLean factory since its opening in 1957.

The award was presented

during a noon luncheon Tuesday for all employees of the McLean factory.

Judging criteria for the award include the general excellence of the factory's performance and the shipping of top quality merchandise on schedule or as needed.

The award was presented to the McLean factory in recognition of the outstanding performance of its management and employees in manufacturing superior quality products for Sears during the past year.

The net cooling effect of a young and healthy tree is equivalent to 10 room-size air conditioners, says the American Forest Institute.

Miss Perryton Contest Set For July 22

PERRYTON—Fifteen of the first entrants in the Miss Perryton Contest and their sponsors have been announced here.

The Miss Perryton Contest will be July 22.

Sponsored contestants already named are Roxie Holt, Serendipity Club; Susan Haines, Perrytons Lions Club; Kay Waide, Perryton National Bank; Shirley Combs, Saeds Mens Wear; Melinda Wallace, Perryton Jaycees; Pam Wren, Ednas Flowers; Jelaine Beall, Corner Drug; Paula Armstrong, Sal-A-Mar; Pam Hill, Guys and Gals; Irene Lesperance, Boxwell Brothers; Delania Allen, First National Bank; Becky Riley, KEYE; Sharon Shafer, Wheatheart Feeders and Denise Pulliam, Perryton Kiwanis Club. Entry deadline is June 18.

Revaluation Suit Moved

PERRYTON—A suit by which a number of Ochiltree County landowners will seek to set aside that part of county revaluation applying to farm and ranch land, will be tried at Dumas some time this month.

Robert H. Bean, Lubbock, a retired district judge, will hear the case. Papers in the case were transferred to Dumas last month.

The Perryton Independent School District will be the defendant against the plaintiff landowners.

WTSU Approves Move To Abolish Curfew System

CANYON—Upperclasswomen at West Texas State University will no longer be required to keep dormitory hours if their parents agree.

A student-advanced proposal that the present curfew system be abolished was approved Wednesday by the university Board of Regents.

The proposal was made by the Women's Residence Hall Council after 92 per cent of the 566 coeds responding to a poll favored self-determined hours.

The new hours would affect only sophomore and junior students who have written parental permission to keep self-determined hours. Seniors and 21-year-old residents do not need this permission.

Dormitory hours for upperclasswomen now in force are 11:30 p.m. Sunday through Thursday and 1:30 a.m. Friday and Saturday. Freshmen women would continue to have restricted hours.

Under the proposal, a security officer would be hired to admit students to their dormitories after midnight upon presentation of proper identification.

Male students living on campus are not required to keep hours.

VA Announces Reduction On SGLI Premium Rate

The Veterans Administration today announced a 15 per cent reduction in premium rates on Servicemen's Group Life Insurance (SGLI) which means savings of \$12 million annually for servicemen.

Administrator of Veterans Affairs Donald E. Johnson said nearly 2.9 million servicemen, who are insured for \$42.5 billion, will participate in the savings, effective July 1.

Johnson noted the reduction, the first since the SGLI program was established in 1965, became feasible because of continuing favorable mortality experience. Servicemen need not contact VA to take advantage of the reduced rates.

Before the reduction, servicemen paid one dollar a month for each \$5,000 of coverage. Thus, the maximum coverage of \$15,000 costs \$3.00 per month under the present rate.

Effective July 1, the new rate for the full \$15,000 coverage will be \$2.55, for \$10,000, \$1.70, and for \$5,000 \$0.85 monthly.

All members of the Armed Forces are automatically insured under SGLI, and premiums are deducted from their pay unless they decline in writing to be insured. The maximum amount was raised from \$10,000 to \$15,000 in June 1970.

WT To Add 5 New Degrees

CANYON—West Texas State University received initial approval Wednesday to add five new degrees in the School of Fine Arts and the School of Business.

The Board of Regents authorized President James P. Cornette to submit to the Coordinating Board, Texas College and University System requests for the following degrees:

Bachelor of Music in Music Therapy, Bachelor of Business Education, Master of Music, Master of Professional Accounting and Master of Business Education.

Approval of the Coordinating Board is required before new degrees can be established.

In addition, the regents directed the university to proceed with the Coordinating Board toward establishment of a Department of Allied Health Sciences in the College of Arts and Sciences and with changing the names of Department of Government to Department of Political Science and Department of Speech to Department of Political Science and Department of Speech to Department of Speech and Theatre.

The name-change request was made because the new designations more accurately reflect the subject matter offered in the departments.

First Patriotic Song
What is considered America's first patriotic song probably is "The Liberty Song," which appeared in the Boston Gazette of July 18, 1768.

Baseball Roundup

By Associated Press

The Pittsburgh Pirates and Los Angeles Dodgers, picked by most experts to win the National League division races, warmed up for their weekend confrontation in their respective time-honored fashions Thursday night.

The heavy-hitting Pirates crashed three home runs among their 15 hits and buried San Diego 11-2 while the speed-conscious Dodgers scored the winning run without a hit—Billy Grabarkewitz racing all the way home from second base on a wild pitch—to nip the Chicago Cubs 2-1.

Combined with Cincinnati's 5-3 triumph over New York, the Dodgers remained one-half game ahead of the Reds in the NL West while the world champion Pirates climbed to within 1 1/2 games of the Mets in the East.

Elsewhere Atlanta nipped Montreal 3-2, Philadelphia tripped Houston 7-2 and St. Louis shaded San Francisco 6-4.

In the only American League games, Texas trimmed the New York Yankees 6-2 and Milwaukee took Kansas City 4-3.

Tommy John of the Dodgers and Juan Pizarro of the Cubs were locked in a 1-1 struggle—Jose Cardenal singled home Chicago's run in the fourth and Steve Garvey homered for Los Angeles in the seventh—when Manager Walter Alton made his move in the eighth and sent the little-used Grabarkewitz up to bat for John.

Grabarkewitz walked and Bobby Valentine sacrificed him to second. Pizarro then uncorked a wild pitch and catcher Randy Hundley was unable to pick the ball up when he slipped and fell at the box seat railing, allowing Grabarkewitz to score.

In the dressing room, the

Dodgers' self-styled Kangaroo Court gave Grabby the Winged Foot Award for the baserunning error of the night—sliding into the plate head first although no throw was forthcoming.

The Pirates, on the other hand, are more used to trotting than running. Willie Stargell, Richie Hebner and Jackie Hernandez all produced their home run trots in a 15-hit attack that routed the Padres. In addition, Al Oliver drove in four runs with a pair of singles and Vic Davalillo lashed two run-scoring doubles.

Cincinnati jumped on Mets' ace Tom Seaver for four runs in the first inning on singles by Pete Rose and Joe Morgan. Johnny Bench's sacrifice fly a single by Tony Perez and Joe Hague's two-run homer. Perez homered off Danny Frisella in the eighth.

No Golfer Equals Par In LPGA First Round

SUTTON, Mass. (AP) — Maybe it was the rain, maybe it was the course, maybe it was the tension caused by the appearance of plaintiff Jamie Blalock.

Whatever it was, the net result was the same in the opening round of the \$50,000 Eve LPGA championship Thursday at the Pleasant Valley Country Club.

Not a single player in the field of 82, largest in LPGA history, managed to equal par 73 on the 6,130-yard course, a rough start in the 72-hole tournament.

"I was amazed to come off the course with a 75 and find myself just one stroke behind," defending champion Kathy Whitworth said. "I can't recall the last time any of the girls failed to shoot at least par in a round. It certainly hasn't happened this year. I thought I'd be about five strokes behind."

A one-over-par 74 was good for a share of the lead. And Miss

Blalock had a piece of it with seven others—Japan's Sayuki Yamazaki, Pam Barnett, Betty Burfeindt, Barbara Romack, Carole Jo Skala, Sandra Palmer and Sharon Miller.

Miss Whitworth, favored at one of her cousin's courses, conceded that some players may have felt extra pressure because of the entry of Miss Blalock, the former New England champion from Portsmouth, N.H. and this year's leading money winner.

Miss Blalock filed a \$5 million suit and obtained a temporary injunction in federal court last week after the LPGA suspended her for one year for alleged "unethical practices."

"I was so nervous I could barely see the ball on the first tee," Miss Blalock said after attracting most of the gallery of 3,665.

Miss Barnett, a seven-year pro from Charlotte, N.C., had a mental lapse when caught in the downpour on the 14th hole. She

put her tee shot to within 20 feet of the pin, then picked up her ball without marking it. That caused a two-stroke penalty. Unnerved and angry at herself, she then three-putted for a triple bogey six.

Palmer, Nicklaus Take Look

PEBBLE BEACH, Calif. (AP) — Two of golf's biggest pros—Jack Nicklaus and Arnold Palmer—are taking a look at the course they will play on during next week's U.S. Open. Nicklaus, who arrived here Wednesday, and Palmer, who has not played the Pebble Beach course in a year and a half, joined tourists and bank executives Thursday in playing practice rounds on the Pebble Beach Golf course above Carmel Bay.

PLANS FINALIZED—Representatives of the Pampa Country Club, the Pampa Chamber of Commerce and the Tri-State Golf Association met yesterday to finalize plans for the association's tournament July 24-28. Discussing some of the plans prior to the luncheon at the club are, from left, Tom Price, president of the Pampa Country Club; J.R. Brown, of Amarillo, executive secretary of the association; Mrs. Fletcher Kennedy, vice chairman of the tournament committee, representing Mrs. Mark Heath, chairman; and Art Aftergut, chairman of the sports committee of the Chamber.

(Staff Photo by John Ebling)

Brewer And Jamieson Lead IVB Golf Classic

PHILADELPHIA (AP) — A couple of guys who keep a doctor handy were deadlocked one stroke ahead of the field after one round of the \$150,000 IVB Philadelphia Golf Classic.

Forty-year-old Gay Brewer, who gulps milk and antacid to calm a healing ulcer, and 29-year-old Jim Jamieson, who never knows when a shot may trigger a chronic back condition, each shot five under par 67s Thursday at Whitemarsh Valley Country Club Thursday.

Grouped at four under par 68s as the field of 144 started the second round of the 72-hole tournament over the 6,708-yard par 72 course were stout Bob Murphy, Hubie Green and Don Iverson. Don Hendrickson and Jerry Heard were at three under par 69.

Brewer, who has been on the tour for 16 years, was stricken with a bleeding ulcer the day before the Masters at Augusta, Ga., last April. He almost fainted and said that if his wife hadn't been with him and sum-

moned a doctor he might have died.

Despite the tournaments he missed this year, Brewer has won \$20,085. His best finish was a tie for sixth in the Atlanta Classic two weeks ago. In Thursday's round he had six birdies, an eagle and three bogeys.

The chunky Jamieson, who describes himself as a cherub or awesome, dropped from the tour for several weeks this year with muscle spasms of the lower back. He said the condition comes and goes, usually lasting two or three days. The last attack, however, kept him idle three weeks.

Jamieson, a former Illinois State champion and member of Oklahoma State's 1963 NCAA champions, scored an eagle with a 35-foot putt at the 485-yard par five 17th hole, and three birdies. He hit 14 greens in regulation and took only 29 putts as he played a bogey-free round.

Lee Trevino, who defends the U.S. Open title at Pebble Beach, Calif., shot 38-36-74, while Gary Player was one of three at 71. Defending champion Tom

Weiskopf posted 3639-75. Dave Hill, who beat Brewer here in a playoff in 1969, was in a group of six at two-under-par 70.

Little League Scores

Rotary beat Haralson Oil 13-7 in the American Little League's first game last night. Murphy got the win. Higgins has a home run for Rotary.

In the AL second game Harvester Barbecue blasted Gibson's 15-4 with Adair on the mound.

VFW beat Holmes Gift Shop 9-1 on only one hit in the NL's opener. Greg Chambliss was the winning pitcher.

Cabot got four hits to one for Fatherree Insurance and also got the win, 11-2, in the second game. Kerry Bradock was on the mound for Cabot.

Kevin Cree was two for three at the plate for Cabot, one of the hits being a grand slam home run in the third inning. Dusey Hudson was two for four.

In farm league play Behrman's beat Chase Oil 12-3. Melvin Trotter was two for two and Kevin Andis was three for three for Behrman's. Steve Kotara was the winning pitcher.

In other farm league action Thompson's Patriots beat UCT 7-1. Jeff Sharp got the win.

Malcolm Hinkle edged Fischer Insurance 8-7 with Paul Royce on the mound and Citizen's Bank got by Pioneer Natural Gas 12-8 with Larry Anicker getting the win.

Babe Ruth Scores

Johnson's Inc. slipped by Grant Supply 4-3 in the Babe Ruth opener last night. Chuck Quarles was the winning pitcher. Quarles got a hit to aid his cause and Dwight Dalrymple also got two hits for Johnson's.

For Grant Supply Mike Coulter and Kerry Ammons each went two for three. David Farrell and Gary Steele each collected a hit.

Lions Club blanked Ideal 12-0 in the second game. Roy Morris got the win. Morris went two for three at the plate for the Lions Club while Paul Skoog, Sammy Hipp and Jessie Skinner each got one hit.

For Ideal Brain Bailey, Phil Sealey and Brain Bailey, Phil each.

Pampa Rebels Open Season

Pampa's American Legion team opens its season tonight in Perryton at 7:30. Jeff Hogan is the probable starting pitcher for the Rebels.

Pampa finished in third place in District 18 last year behind Borgos and Dumas. The bulk of this year's team comes off the Harvester squad that was just beginning to get the range with its bats at the end of District 3-AAAA play.

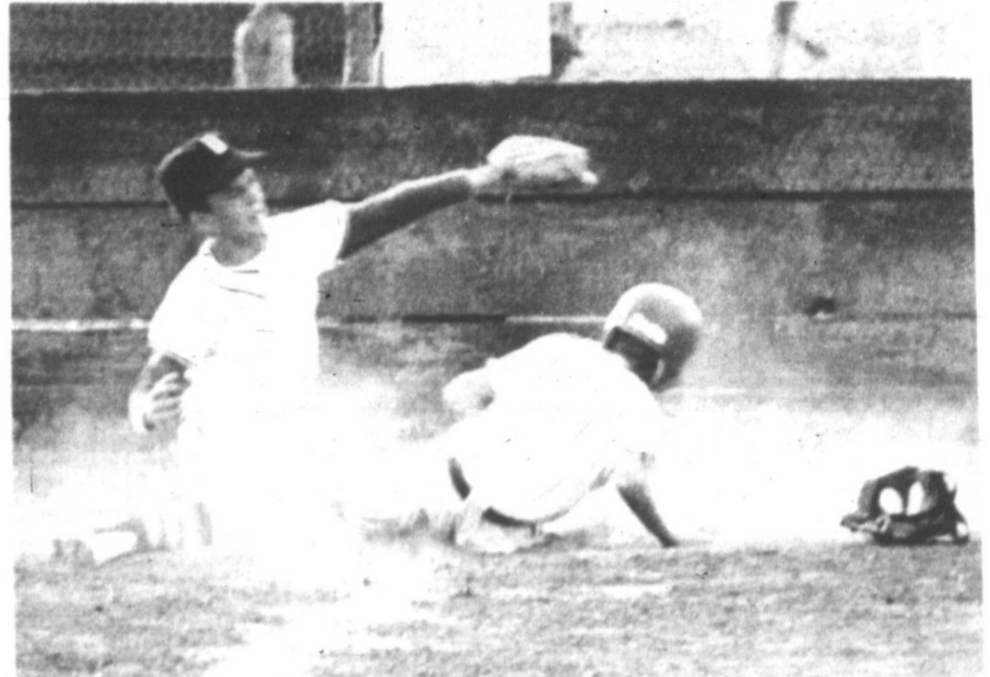

If the Rebels are able to hit the ball into the open places they should have a very successful season.

The Legion's home opener is next Wednesday against Dumas. The game will be played at 7:30 in Optimist Park.

Monterey In Finals

AUSTIN — Lubbock's Monterey Plainsmen beat Corpus Christi Carroll 6-1 last night to move into the finals of the state AAAA baseball tournament.

Donnie Moore threw a two-hitter and the Plainsmen got four runs in the fifth inning to gain the win.

HOME SAFE—In National Little League action this week Jimmy Jeffrey of Dixie Parts slides into home as David Sadler of Duncan Insurance waits for the throw in from the outfield. Duncan came on to win the game 11-10.

Pampa Leads PWGA Tourney

PHILLIPS — Jan Elston of Pampa shared top individual honors with Jan Hupp of Clarendon to lead Pampa maintain its lead through the third round of the Panhandle Women's Golf Association tournament.

Mrs. Elston had a low net of 58 while Mrs. Hupp had a 78 to capture the low gross honors.

Pampa has a 15 stroke lead over the second-place team. Ross Rogers of Pampa has amassed 832 strokes to RH's 847. The next round will be July 11 at the Tascosa Country Club in Amarillo.

Key To The Mint Is Belmont Favorite

NEW YORK (AP) — Key To The Mint will be backed by one of the great winning Belmont Stakes teams—trainer Elliott Burch, jockey Braulio Baeza and owner Paul Mellon—when he goes after the final jewel of the Triple Crown Saturday.

Key To The Mint, Kentucky Derby winner Riva Ridge and Jersey Derby winner Smiling Jack were expected to oppose seven or eight other 3-year-olds but not Preakness winner Bee Bee Bee who is skipping the 1 1/2-mile Belmont.

SHAVING STROKES

by Frank Beard

47—Putting Bumpy Greens

On bumpy greens, the ball will not roll as well. Here is an adjustment I make that can help you.

Play the ball farther back in your stance and hit it more of a descending blow. That gives it topspin. It will roll better.

Why not putt this way all the time?

Your stroke isn't as smooth, and your direction not as accurate. But on bumpy greens you don't expect great results—you just want to do the best you can.

Even the finest greens get bumpy as the day wears on.

Be ready for them. (NEWSPAPER ENTERPRISE ASSN.)

SET FOR MUSIC HALL
NEW YORK (AP) — There is nothing like planning ahead. The film "3776," a Jack L. Warner production for Columbia Pictures, will have its world premiere as the 1972 Thanksgiving-Christmas attraction at the Radio City Music Hall.

The opening coincides with the 40th anniversary celebration of the Music Hall.

A crew of 150 worked more than two months to construct the set for the film.

Worry Clinic

By George W. Crane
Ph. D., M.D.

Marcia is a smart coed who realizes certain deficiencies in the usual "Marriage Course" at college. It takes a smart wife to keep her marriage from joining the 30 per cent now ending in divorce. Psychology is more vital than sex!

CASE: 3-565. Marcia M., age 20, is soon to be married.

"Dr. Crane," she began, "although I took a course on Marriage Problems here at the university, I still am very ignorant of what you call 'boudoir cheesecake'."

For our teacher was an unmarried person who avoided the specifics of the bedroom.

"And most of us coeds were too timid to ask pertinent questions."

So can you PLEASE give me a quick briefing so I can make sure our marriage will remain happy through our Golden Wedding Day?

FAITHFUL WIVES

Note Marcia's sincere desire to make a success of her marriage.

That is a commendable trait of most young brides.

Yet about 30 per cent of them now end in divorce, though they never wanted such a disaster to occur.

So why do so many originally happy couples conclude their marriages on a sour note?

Then shuttle their innocent kiddies back and forth between leading parents?

Lack of specific facts?

Oh, they may get generalities in college courses or form reading books.

But they want to know in advance the specifics. So here are some:

(1) Wives, true love and sexual hunger are not synonymous with men!

So don't push your mate away till you've had a prolonged romantic date, as of dinner and the theater, which work up your slower erotic appetite!

When a young man is hungry, either for gastric as well as erotic calories, he grows irritable at delay.

Older men, as after the age of 40, may submit to or even require a lengthier romantic prelude. But not young males.

(2) Beware lest you unwittingly create the "Medical Specimen" complex when you become pregnant.

For the very desirable modern custom of regular visits to your physician for pre-marital check-ups may also resurrect in your husband the notion that you are a medical case!

Subconsciously, he may then experience some vague nausea from his childhood tonsillectomy, where he may have vomited and grown very squeamish at the medicinal odors of the hospital.

Many young husbands thus become platonic with their wives during pregnancy.

Lighting Exemption For Farm Trailers Urged By Ag Unit

AUSTIN (AP) — Spokesmen for agriculture associations told a House interim committee Thursday that farm trailers should be exempted from certain lighting and braking requirements of a law passed in 1971.

Sen. Bill Patman of Ganado told a newsman the requirements are so burdensome that farmers are violating the law.

He read a letter from the South Texas Fertilizer & Chemical Co. of El Campo saying, "There is no way that these (liquid fertilizer and anhydrous ammonia) tanks could be equipped with lights or brakes that will fit all the farmers' pickups."

Vagrants in Russia prior to 1945 were branded on the cheek with the letter B for brodyaga meaning tramp.
