WEATHER

Considerable cloudiness and chance of rain through Monday, warmer Monday. High today in mid-60s, low in low 50s. High Monday in mid-70s. 50 percent chance of rain today, 40 percent tonight.

Watergate Prosecutor Jaworski To Resign

WASHINGTON (UPI) — Watergate Prosecutor Leon Jaworski resigned Saturday, saying his decision had nothing to do with Richard Nixon's pardon and that to challenge it in court would amount to "unprofessional conduct."

His departure, planned for several weeks, will not affect the ongoing Watergate cover-up trial—the major prosecution under his leadership. The 69-year-old Texas lawyer, who took over the demanding job 11 months

ago following Nixon's firing of Archibald Cox, said his work was nearly completed and could be wrapped up by someone else. And he said he felt it would be "intellectually dishonest...tantamount to unprofessional conduct" for

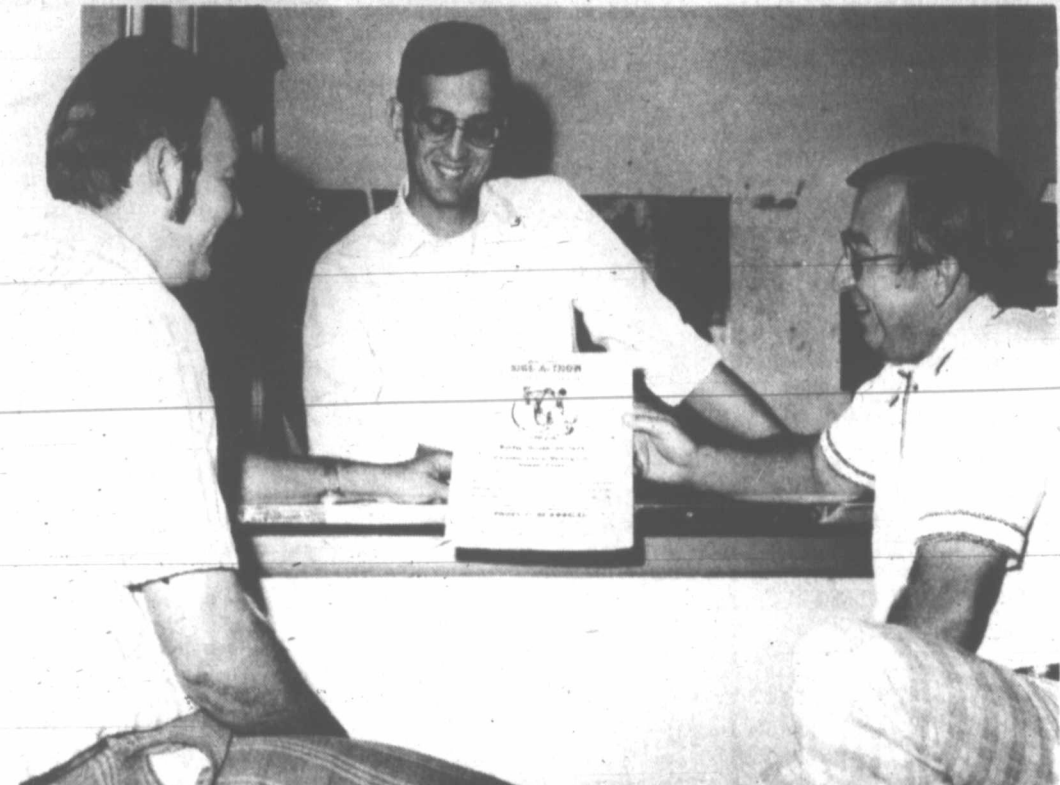

him to try to undo the unconditional pardon President Ford gave his predecessor, because he is convinced Ford had full legal authority to grant it. In a letter to Attorney General William B. Saxbe, Jaworski asked that his resignation be accepted effective Oct. 25 and suggested that Deputy Special Prosecutor Henry Ruth be named to succeed him.

Jaworski also thanked Saxbe for keeping his promise not to interfere with the work of the special prosecutor's office. He said he would remain available for "consultations" as the Watergate investigations are wrapped up and a final report is written.

"The bulk of the work entrusted to the care of this office having been discharged, I am confident that such of our responsibilities as remain unfulfilled can well be completed under the leadership of another special prosecutor," Jaworski wrote Saxbe.

In a separate letter, he rejected unspecified "suggestions" that he try to prosecute Nixon despite the pardon, saying the Constitution is clear that Ford had the power to do so and that the special prosecutor's charter does not supercede that right.

"For me now to contend otherwise would not only be contrary to the interpretations agreed upon in congressional hearings—it also would be, on my part, intellectually dishonest," Jaworski said.

"Thus, in light of these conclusions, for me to procure an indictment of Richard M. Nixon for the sole purpose of generating a purported court test on the legality of the pardon, would constitute a spurious proceeding in which I had no faith; in fact, it would be tantamount to unprofessional conduct and violative of my responsibility as prosecutor and an officer of the court."

He said he felt obliged to discuss his views on the pardon "to dispel any thought that there may be some relation between my resignation and that issue." His letters were delivered to Saxbe at midmorning and the White House was informed simultaneously. There was no immediate reaction.

Sources close to Jaworski, who was spending the long holiday weekend in New York, said he had decided "several weeks ago" to resign but waited until a jury was chosen and sequestered in the Watergate cover-up trial of five former Nixon aides to avoid further pretrial publicity.

A jury of nine women and three men plus six women alternates was picked Friday.

Leadens skies cast a pall over weekend activities as fog and mist covered the area and light rain fell in the Pampa vicinity as a fall cold front slid across the Texas Panhandle.

BIKE-A-THON — Pampa Jaycee members and Gray County Cancer Society representatives are completing plans for the annual Bike-A-Thon to raise funds for the fight against cancer. Discussing the upcoming event are, from left, Benny Horton, Jaycees president; John Triplehorn, Bike-A-Thon chairman, and Ted Everhart, president of the local Cancer Society. The event is tentatively scheduled for next Sunday, dependent upon weather status.

Grand Jurors Review Cases

Information on seven indictments handed down by Gray County grand jurors meeting in 31st District Court Friday is expected to be released by the jury early Monday, according to a court official.

Chilly Weather Covering Panhandle Regions Again

The system was expected to linger in the area through Monday, with considerable cloudiness and a good chance for more rain.

AND STAYS WITH WIFE Ford Studies Economy, Names New Vets Head

WASHINGTON (UPI) — With several major bills on his desk and a couple of controversial vetoes expected, President Ford worked on the economy Saturday and ushered in a new leader for the troubled Veterans Administration.

Rockefeller's Nomination Runs Into Bumpy Stretch

WASHINGTON (UPI) — What once seemed a smooth road to a vice presidential confirmation for Nelson A. Rockefeller has developed some bumps.

Chilly Weather Covering Panhandle Regions Again

Leadens skies cast a pall over weekend activities as fog and mist covered the area and light rain fell in the Pampa vicinity as a fall cold front slid across the Texas Panhandle.

Rockefeller's Nomination Runs Into Bumpy Stretch

WASHINGTON (UPI) — What once seemed a smooth road to a vice presidential confirmation for Nelson A. Rockefeller has developed some bumps.

These disclosures have brought criticism of Rockefeller from both the very liberal and the very conservative in Congress. Even many moderates now are asking the question: "Is Nelson A. Rockefeller too rich to be vice president?"

Conyers said he was considering voting against the Rockefeller nomination. "This (information) plus Attica raises very grave questions about his fitness to serve in the vice presidency," Conyers said in an interview.

Police reports state two agents of the Texas Alcoholic Beverage Commission, Elvis R. Davis and Eugene L. McNeely, both based at the Amarillo branch of the commission, were allegedly involved in the incident.

Chilly Weather Covering Panhandle Regions Again

Leadens skies cast a pall over weekend activities as fog and mist covered the area and light rain fell in the Pampa vicinity as a fall cold front slid across the Texas Panhandle.

Ford Studies Economy, Names New Vets Head

WASHINGTON (UPI) — With several major bills on his desk and a couple of controversial vetoes expected, President Ford worked on the economy Saturday and ushered in a new leader for the troubled Veterans Administration.

Working on a curtailed Saturday schedule to allow him more time with his wife, the President greeted a group of newspaper carriers visiting the White House on National Newspaper Carrier Day and hosted swearing-in ceremonies for the new veterans' administrator, Richard Roudebush.

Spokesmen for veterans organizations have said they would attempt to mass thousands of GIs in Washington for a protest rally should Ford veto the bill.

In the past week, Congressmen who formerly praised Rockefeller as a politician too rich to be bought have started asking whether the multi-millionaire Rockefeller has misused his own vast wealth.

The criticisms have come from such diverse sources as Southern conservative Sen. Jesse Helms, R-N.C., and Rep. John Conyers, D-Mich., one of the most liberal members of the House Judiciary Committee.

President Ford gave Rockefeller a boost on the question of gifts and loans, saying he saw nothing wrong in this generosity.

Evidence concerning investigation of four other cases involving 11 other persons was also heard.

Warmer temperatures are seen for Monday, with a high in the middle 70s, after a high today in the middle 60s. Overnight low is forecast for the low 50s.

At the White House ceremony, Ford told Roudebush he would "have an obligation to do a first class job on behalf of a good share of people in this country."

Another bill facing almost certain veto was legislation to provide carry-over funding for federal departments and agencies whose regular appropriations are still pending.

Officers on the street were armed with riot guns while police sharpshooters stood guard on neighboring rooftops. A helicopter belonging to the state troopers hovered over the scene.

The problems now confronting the former New York governor would have been hardly noticed two years ago. But in the age of post Watergate morality, many Senators and House members are taking a second look at the nomination.

Helms called for reopening of Rockefeller's Senate confirmation so the nominee can be quizzed carefully about how he used his money. Senate Rules Committee Chairman Howard Cannon said that decision would be made after the congressional recess when he receives a full report on the matter.

Rep. George Danielson, D-Calif., also a member of the Judiciary Committee, approached Rockefeller's use of his money another way.

Elsewhere across the state: Chilly weather rolled into Northwest Texas Saturday

Warmer temperatures are seen for Monday, with a high in the middle 70s, after a high today in the middle 60s. Overnight low is forecast for the low 50s.

The Panhandle fog followed an increase in the wind. Visibility dropped to zero in some place and motorists were urged to drive with caution.

Officers on the street were armed with riot guns while police sharpshooters stood guard on neighboring rooftops. A helicopter belonging to the state troopers hovered over the scene.

Officers on the street were armed with riot guns while police sharpshooters stood guard on neighboring rooftops. A helicopter belonging to the state troopers hovered over the scene.

Irritated at news leaks about his massive gift-giving based on tax information provided to Congress, Rockefeller disclosed publicly Friday night he had given cash gifts and loans totaling \$2.1 million to 21 political figures, aides and friends—including Henry A. Kissinger—between 1957 and 1974.

The Pampa Daily News A Watchful Newspaper EVER STRIVING FOR THE TOP O' TEXAS TO BE AN EVEN BETTER PLACE TO LIVE Our Capsule Policy

Trade Vs. Giveaway

A New York survey was conducted among businessmen to determine their attitude on trade legislation affecting the Soviet Union. The poll purported to show that of 236 top executives representing 220 companies, a total of 195 favor extension of the 'most favored nation' treatment to the USSR and other governments of the Red bloc.

The real issue in trade with the Soviet Union and other bloc members is whether the American taxpayer is willing to pay for both sides of the transaction.

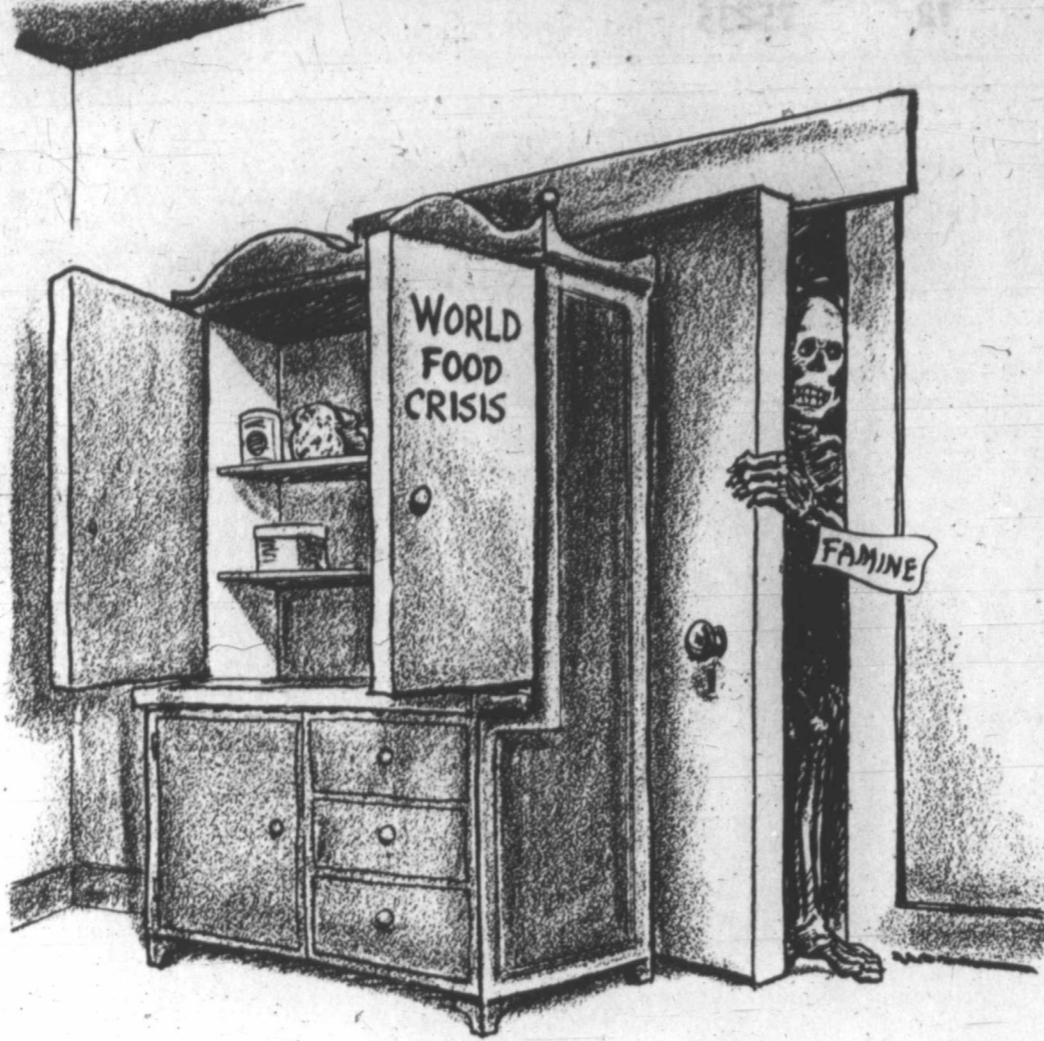

Space Shot For What?

Space shots are a dime a dozen not price-wise, but interest-wise. The news value was exhausted long ago. A new flight would make the front page, but the headline probably would come down near the center fold.

INSIDE LABOR Revolutionists Set For Trouble

By VICTOR RIESEL WASHINGTON — In a score of cities violently written leaflets cascade like pre-season snow.

But for American businessmen to encourage the U.S. government to lend tax money to Communist governments would be to enable those governments to survive without improving the treatment of their subject peoples.

Prospect of any gain, therefore, is limited to the headlines. The American people will have a chance to become impressed with an event symbolic of detente.

Attorney General Saxbe is a ragtime singer. His current favorite is "I'll be singing you."

Today, the Workers Action Movement convention call says stridently. "Let's use WAM and go back into our unions and other workers' organizations and weld the kind of unity behind a fighting program that will rock the bosses back on their heels."

H. L. Hunt Writes

ANOTHER ELECTION A summer of crisis has passed and Republic USA stands with its head high in the family of nations.

It would not be accurate to say that we have solved all our problems but there is evidence that we are working on them.

The national state and local elections give us a voice in many facets of government, including the manner in which the problem of inflation is tackled.

Balancing budgets should get a lot of voter attention, also, and that includes state and county as well as federal.

Potomac Fever

By JACK POSNER Economic advisor Greenspan said stock brokers have suffered most from the economy. They've turned from a bull to a bear to a chicken.

Martha Mitchell refused to be searched in London's airport—Parliament's worried because her last frisking caused an administration to fall.

They've been underground five years. It's almost impossible to apprehend them. They're bomb-oriented. They're violence-prone—and dedicated.

Dear Abby

By Abigail Van Buren

DEAR ABBY: I've never seen a problem like mine in your column, but here goes. First off, I'm a girl. I've always lived out in the country.

DEAR ABBY: I sure get a lot of laughs out of your column. It brightens my day. But something bothers me. Why is there so much jealousy in marriage?

DEAR EDNA: Thanks for a wonderful letter. You've brightened MY day.

DEAR PUZZLED: Are YOU kidding? Certainly not. You weren't consulted about the plans or the cost, so forget it.

Rearview Mirror

By TEX DEWEESE Editor Of The News

THE CITY Hall Cat was in error here last week when he stated city employees wouldn't know how much their increased salaries will be until they get their pay checks next Tuesday.

What he meant to say was that they wouldn't know how much anybody else's pay increase amounts to unless they get real news and go to the horse's mouth with a demand to know who is paid how much.

The Cat informs us that sometimes employees, with what they think are comparable jobs, get a bit ruffled when they discover the pay is not the same and that the guy or gal on the 'comparable' job is drawing ten bucks more a week.

If you get into a thing there that leads into various duties of the two employees—is one job more hazardous than the other and which one takes the greater chance with his life in performing his duties?

WE STILL think President Ford's proposal for a 5 percent income tax surcharge is for the birds.

Another tax hike for middle-income citizens would take away more of the earnings they need to help meet ever-increasing costs of food, clothing and everything else.

What the Wonderful Wizards of Washington need to do is cut government spending, eliminate government interference with private business and start living within the budget like the rest of us back here in the boonocks.

Your Horoscope

By Jeane Dixon

SUNDAY, OCTOBER 13

Your birthday today: This year you can convert intangibles into ready cash with varying success, as you cast about for more profitable methods of increasing personal skills. Near year's end, a good advance is probable. Today's natives are intense, inclined to turn their vocation into a religious campaign or vice versa.

Aries [March 21-April 19]: Cater to your own and others; urges to relax and take it easy today. Amusement seems to fall short of its advance publicity.

Taurus [April 20-May 20]: Make your appearance early, then take yourself off on personal pursuits. Shared pastimes with pleasant companions round out an enjoyable day.

Gemini [May 21-June 20]: Go along with the normal drift of what should be a quiet Sunday. Don't force issues. Young people claim much of your attention.

Cancer [June 21-July 22]: A good day for intervals of rest and prayer. Getting in touch with friends in faraway places bring interesting tidbits. Extra travel, however, is disappointing.

Leo [July 23-Aug. 22]: Take today's events as they come. Think of the future as you do your bit now. Skip heavy exertion, and beware the temptation to fall off your diet.

Virgo [Aug. 23-Sept. 22]: You are your own worst critic and harshest taskmaster on what should be a peaceful day. Take up a new hobby or a fresh angle or an old one.

Libra [Sept. 23-Oct. 22]: See how a nicely balanced day is feasible, if you let it. Do something on all important enterprises, but nothing out of the ordinary is expected.

Scorpio [Oct. 23-Nov. 21]: Gather a group of friends for lighthearted festivities. No great excitement simply the exhilarating celebration of being alive and growing.

Sagittarius [Nov. 22-Dec. 21]: There's little call for extra effort, no great response to social action. You can do some serious planning and get a head start on next week.

Capricorn [Dec. 22-Jan. 19]: A lack of energy is balanced by the fact that you really aren't asked to make any contribution. Use the opportunity to plan and study.

Aquarius [Jan. 20-Feb. 18]: Do what is expected of you in the way of customs. Reflect, catch up personal accountings, organize future business moves.

Pisces [Feb. 19-March 20]: You will find that it adds to your happiness to encourage other people to enjoy themselves. Take a brief vacation like outing yourself early.

Monday, October 14
Your birthday today: You set off on a symbolic voyage of spiritual discovery this year, rich with intuitive insights, memorable triumphs in personal enterprises. Relationships thrive. Today's natives are candid, charming, fond of sports and travel.

Aries [March 21-April 19]: The only revisions that ought to be investigated are those that are long overdue. Older people concern you. Seek family cooperation, share personal responsibility.

Taurus [April 20-May 20]:

Fellow workers are more interested in fun and games than anything else. Provides inspiration rather than add to or join in the action.

Gemini [May 21-June 20]: Romance thrives, and almost everything you do now has a sentimental overtone. Take time off from job, but be conscious of the expense.

Cancer [June 21-July 22]: You've got cooperation in small but important ventures. Be satisfied with what has been achieved so far. Scan your belongings; throw out what is useless.

Leo [July 23-Aug. 22]: Consider your own welfare, and drop projects and activities which don't contribute to it. Listen to well-intended advice on food and diet. Caution in travel is advised.

Virgo [Aug. 23-Sept. 22]: Once asked for, your opinion can be of great help to friends and loved ones. It's time to put a little zing in your life, even if it's only a change of style in clothes.

Libra [Sept. 23-Oct. 22]: Business deals seem slow and sticky, or problems of older people hinder you. Nothing works better than persistence. In later hours another mood, romantic interests prevail.

Scorpio [Oct. 23-Nov. 21]: Whatever was secret or clandestine emerges into public view all this week. Past events, people in distant places have potential effects on your recent prosperity.

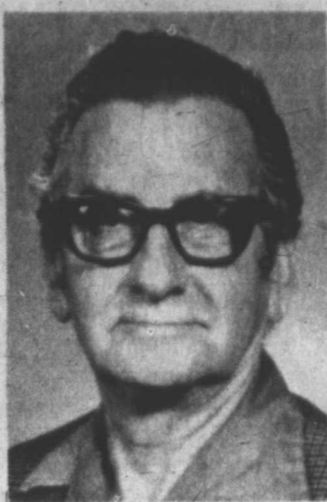

Sagittarius [Nov. 22-Dec. 21]: Very inviting prospects appear on all sides. Enjoy social contacts, group activities, but leave your resources intact, investments in sound, conservative forms.

Capricorn [Dec. 22-Jan. 19]: Stop and pick up the pieces, so to speak. Complete unfinished business in both professional and personal affairs before you move on to more ambitious projects.

Aquarius [Jan. 20-Feb. 18]: Care with details is needed. Take an easier pace, less burdensome chores. People met for the first time provoke or catalyze interesting experience for you.

Pisces [Feb. 19-March 20]: Priority goes to the affairs of young people. Long-term questions require answers very soon. Check back, using records instead of memory, to have information when needed.

Unlike other cats, the cheetah is unable to retract its claws, which are blunt like those of a dog.

WILLIAM J.B. KING

Exxon Retires Former Pampan

A former resident of Pampa has retired from Exxon Pipeline Co. at Houston after 38 years service with the company.

He is William J.B. King, now of 4502 Elser St., Houston. He retired as Wire Chief, Technical Services Department.

During his long career he served also at Borger, San Angelo, Winkler, Ector, and Kemper.

King and his wife, the former Ouida McKay of Tatum, Texas, plan to continue to reside in Houston.

Area Students Listed By FPC

SKELLYTOWN - Nine students from Skellytown are attending the fall semester at Frank Phillips College adding to the 775 students enrolled there.

These students are: Teresa Gayle Campbell, daughter of Mr. and Mrs. W. J. Campbell, who is a Freshman and is majoring business; Wesley Kent Dyson, son of Mr. and Mrs. R. H. Dyson, who is a Freshman and is majoring drafting; Laura Ann Harvey who is a Sophomore and is majoring in general education; David Lee Purcell who is also a Sophomore and is majoring in mid-management; Leroy Rutherford who is a Freshman and is majoring business administration; Margie Sangster, daughter of Mr. and Mrs. P. B. Sangster, who is a Freshman and is majoring in nursing; Maria Fay Snodgrass, daughter of Mr. and Mrs. Leroy Snodgrass, who is a Freshman and is majoring in elementary education; Jerry Cleo Steed who is a Freshman and is majoring in physical education; and Samuel Lynn Woods who is a Freshman and is majoring in general education.

Frank Phillips College is a fully accredited two year community college offering liberal arts, pre-professional, and vocational-technical education. Located on 61 acres on the west side of Borger, the eight building campus overlooks the city and surrounding area.

Gray County, Area Cities Receive Revenue Shares

Gray County and the city governments of Pampa, McLean and Lefors received a total of \$92,064 in the last federal revenue sharing fund disbursement Oct. 4, according to a report issued from Congressman Bob Price's Washington office.

Of that total, Gray County received \$42,739. City of Pampa, \$47,123; McLean, \$1,488, and Lefors, \$714.

Since the initial revenue sharing payment in December of 1972, the four governments in Gray County have received a total of \$1,077,707.

The congressman reported that the 35 counties

in his 13th Congressional District have received \$22,401,260 in federal revenue sharing payments in addition to direct grants in aid for other specific projects.

Gray County ranked third in the district among counties receiving largest amounts of the federal revenue sharing windfall behind Potter County with a grand total of \$6,020,355 and Wichita County, \$5,765,721.

Price also reported that revenue sharing funds flowing into the government of the State of Texas or directly to local governments throughout the state now total more than \$745 million

Fire Damages Local Laundry

A fire of undetermined origin was responsible for an undetermined, but extensive damage to the structure and contents of Your Laundry and Dry Cleaners, 301 E. Francis, early Saturday.

A fire department official said Saturday the call came into Central Station at 12:05 a.m. A pumper and booster truck remained at the scene until 5 a.m.

Cause of the blaze which resulted in heavy damage to the receiving area and heavy smoke and heat damage to the remainder of the business had not been determined Saturday.

Owners of the business, are Benny Wilson and Joe Cree, Pampa.

SWIM LESSONS — Mothers, the Youth Center teaches swim lessons to children and also adults the year round. At present during our school schedule the swim lessons are given from 4-5 and 5-6 p.m.

Classes meet on Monday, Wednesday, Thursday and Fridays for 10 meeting dates. This gives each child 10 hours of instruction.

Periodically during the year we teach all of the classes offered by the American Red Cross. These are beginners, advanced beginners, intermediates, swimmers, and junior and senior lifesaving.

All classes are taught by our very qualified water safety instructor, Ruth Carter. Lessons are free to Youth Center members and \$5 to non-members. Memberships are always available for purchase.

Cattlemen's Group Delaying Calf Kill

SULPHUR SPRINGS, Tex. (UPI) — Financially distressed cattlemen in two areas of Texas delayed projected calf kills Saturday pending talks with agriculture officials but another group plans Tuesday to kill 2,000 head no matter what happens.

Cattlemen postponed plans to kill thousands of calves Wednesday in Stephenville and Nacogdoches pending talks with U.S. Agriculture Secretary Phillip Campbell and House Agriculture Committee Chairman Bob Poage, D-Tex.

But Bruce Matthews said in Sulphur Springs that he and about 100 other Hopkins dairy and beef cattle raisers are determined to kill 2,000 calves in a huge pit Tuesday, partly to protest government inaction but mainly to prevent financial troubles in the future.

A representative of the Hopkins County Dairy and Beef Producers Association, which staged a protest rally several weeks ago, said the association did not sanction the calf kill.

"This is a small minority (planning the kill) and I doubt they will have that many head," the representative said. "Some of the calves would be killed anyway."

"They (Campbell and Poage) say they want to get from us in black and white not what we want—but what we need to survive," cattlemen John Farmer said.

"We want guarantees the price of feed will be stabilized. The dairymen want a guaranteed \$3.50 spread between the cost of feed and the price of milk and if they don't get it, the Holsteins are going to be slaughtered, too."

Obituaries

OLENE DAVIS
McLEAN — Funeral services for Olen E. Davis, 72, longtime Wheeler County stock farmer, will be at 3 p.m. today in McLean First Baptist Church.

The Rev. Herman Bell, pastor, will officiate. Burial will be in Hillcrest Cemetery by Lamb Funeral Directors.

Mr. Davis died Friday morning in Shamrock General Hospital.

A native of Foard County, he moved to the McLean area from Clarendon in the early 1920's.

He was a member of the First Baptist Church.

Survivors include a son, Kenneth Davis, Borger; a daughter, Mrs. Sue Simmons, McLean; and seven grandchildren and one great-grandchild.

On The Record

Congratulations

Mr. and Mrs. Damon R. Dewitt of 1120 Duncan on the birth of a baby girl at 10:24 a.m. weighing 6 pounds and 12 ounces.

Mr. and Mrs. Roy Taylor of Rt. 2, Pampa, on the birth of a baby boy at 2:39 p.m. weighing 7 pounds, and 3 ounces.

Two Arrested For Intoxication

Two Pampa men, Donald Wayne Johnson and Curtis Michael Archibald, were booked into city jail on charges of intoxication early Saturday.

Charges of possession of marijuana are pending results of lab tests on small amounts of marijuana found on both suspects, according to Pampa law officers.

Police reports indicate the investigating officer was on routine patrol when a car with no lights was observed parked in the intersection of Love and Wilkes Sts. at 2 a.m., Saturday.

The officer reported the two were apparently passed out in the front seat of the car. The officer said several attempts were made to awaken the pair, before they were transported to the police station.

Sleeping Pills Caused Tina's Death?

PARIS (UPI) — City coroners who performed an autopsy Saturday on the body of millionaire socialite Tina Niarchos said she died of a lung swelling or

Police File Drug Charge

Craig Duane Nokes, Pampa, was turned over to county authorities Friday after Justice of the Peace E.L. Anderson levied a \$2500 bond stemming from a felony charge of possession of a controlled substance.

Freedom Chain Acquires Paper

Freedom Newspapers, Inc., owner of the Pampa News, has purchased the Journal - Review, a 11,400 circulation afternoon daily in Crawfordville, Ind.

C.H. Holles, chairman of the board of Freedom Newspapers, announced the purchase Friday. The Journal - Review becomes the 24th newspaper in the Freedom group.

Crawfordville, in Montgomery County, is a city of 15,000 about 45 miles northwest of Indianapolis in a highly productive agricultural area.

The newspaper was purchased from the W. Addington Vance family. Vance will remain as consultant and a new publisher will be named, Holles said.

Freedom newspapers, with headquarters in Santa Ana, owns and operates six daily papers in California. It has five newspapers in Texas, three in North Carolina, three in Florida, two each in Ohio and New Mexico, Colorado, Nebraska and one other in Indiana.

With the circulation of the Journal - Review, combined daily circulation of Freedom Newspapers will exceed 628,000.

congestion but could not pinpoint its origin.

The condition, known as an edema, commonly results from a heart attack, but doctors said an overdose of sleeping pills is also a possible cause. It was an overdose of sleeping pills that killed Tina's sister Eugenia, who like Tina was married to Greek shipping magnate Savros Niarchos at the time of her death in 1970.

Coroners said it could take weeks of toxicological studies before the exact cause of death is known.

Tina Niarchos, 45, ex-wife of her husband's arch-competitor Aristotle Onassis, died Thursday of what appeared to be a heart attack. The autopsy was requested by Christina Onassis, 24-year-old daughter of Tina and Onassis.

After Eugenia's death, a Greek prosecutor asked that Niarchos be charged with manslaughter in the case. A judicial council ruling cleared him after a police investigation.

Woman Injured In Wreck

CLARENDON — Mrs. Virginia Holton, Childress was in critical condition at Northwest-Texas Hospital in Amarillo Saturday suffering injuries received in a pickup-truck wreck in Clarendon which claimed the life of her father, E.C. Blevins, 71, Friday morning.

The accident, the first traffic fatality in the city limits of Clarendon this year, occurred at the west edge of the city when the pickup, driven by Mr. Blevins, reportedly plowed into the rear of the parked semi-rig.

The driver of the truck, David Grider, Irving, said

he was asleep in the cab and was unaware of the accident until he had left the scene and was stopped by officers about a mile away.

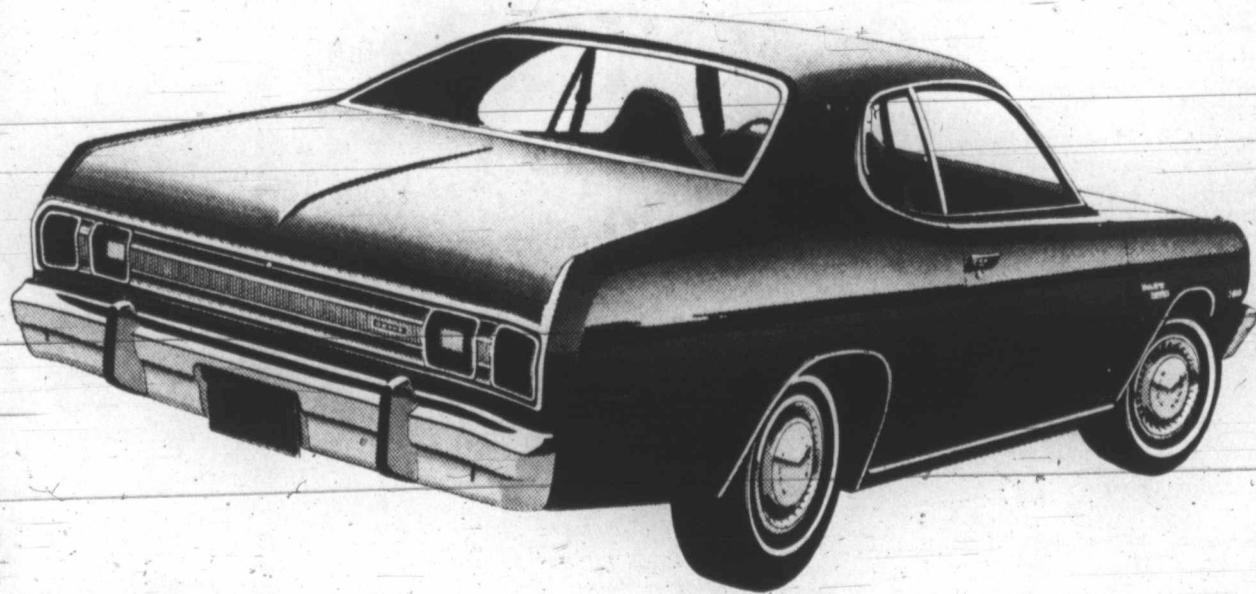

Funeral services for Mr. Blevins were set for 2:30 p.m. today in the gymnasium of the Quail School. Burial will be in Quail Cemetery by Kelso Funeral Home of Wellington.

Survivors include his wife, Lucille; a daughter, one son, nine grandchildren and four great-grandchildren.

Law Enforcement Officers Often Ignore Reports About Rapes

AUSTIN, Tex. (UPI) — Too many law enforcement officers believe there is no such crime as rape, the director of the Austin Rape Crisis Center told state legislators today.

"The fact that anyone can be raped is not a widely held belief among many of our

law enforcement agents," Lee Donaldson said. "The law makes no mention of hitch hikers, women in bars or women visiting men's apartments, nor does it indicate that the presence of one of these circumstances would automatically demonstrate her consent to

sexual intercourse." Ms. Donaldson said Travis County sheriff's deputies have refused to even do the paperwork to report rapes of women hitch hikers, saying it would just be a waste of time. In one such case the victim could even identify the rapist, she

said. "We need to have our law enforcement agencies follow the law, not let their personal prejudices and moral convictions govern their reactions to any set of circumstances in a rape case, and not try to second guess the district attorneys

office and the prosecutability of the case." "Quite often family members or friends or even law enforcement agents encourage the victim to forget the whole thing. This perpetuates the feelings of guilt and humiliation," Ms. Donaldson said rape

statutes need to either be abolished or enforced as aggressively as other statutes. "Every rape is a potential murder," she said. "In most of the cases we find the victim is threatened with some weapon—a knife or a gun or something. If the

rapist has the weapon you have to assume he's thought about using it." Ms. Donaldson said the major problem with getting rape laws enforced is the public attitude toward victims—the widespread notion that rape victims somehow must have incited

their attackers to overwhelming passion. "The real culprit is the community. If they're not going to convict a guy the district attorney's office is not going to prosecute." The battle of the Alamo lasted 12 days

Western Performers Featured In Exhibit

BARBARA STANWYCK

AMANDA BLAKE

JOHN WAYNE

A portrait collection of Great Western motion picture performers from the National Cowboy Hall of Fame in Oklahoma City will be on display at the Chamber of Commerce Banquet in the M.K. Brown Memorial Auditorium Oct 17.

The exhibit from the nationally famous shrine founded by the 17 Western states to preserve the history and traditions of the old west is on loan for the annual Pampa Chamber of Commerce banquet and festivities.

Dean Krakel, managing director of the Cowboy Hall, stated, "Rarely are paintings of this stature on loan. But because of the great work of board of director member Mrs. D.D. Payne and friends in Pampa, an exception was made."

Included in the unique display will be portraits of John Wayne and Walter Brennan by the famous artist Norman Rockwell. Bittina Steinke, outstanding artist from Santa Fe, N.M., has done likenesses of Amanda Blake, Barbara Stanwyck, Frances Dee McCrea and Joel McCrea.

Rounding out the collection are portraits of Gene Autry and Robert Taylor done by Robert Rishell of Oakland, Calif.

All of these famous motion picture stars have been inducted into the Hall of Great Western Performers during the Western Heritage Awards ceremony held annually at the Cowboy Hall of Fame.

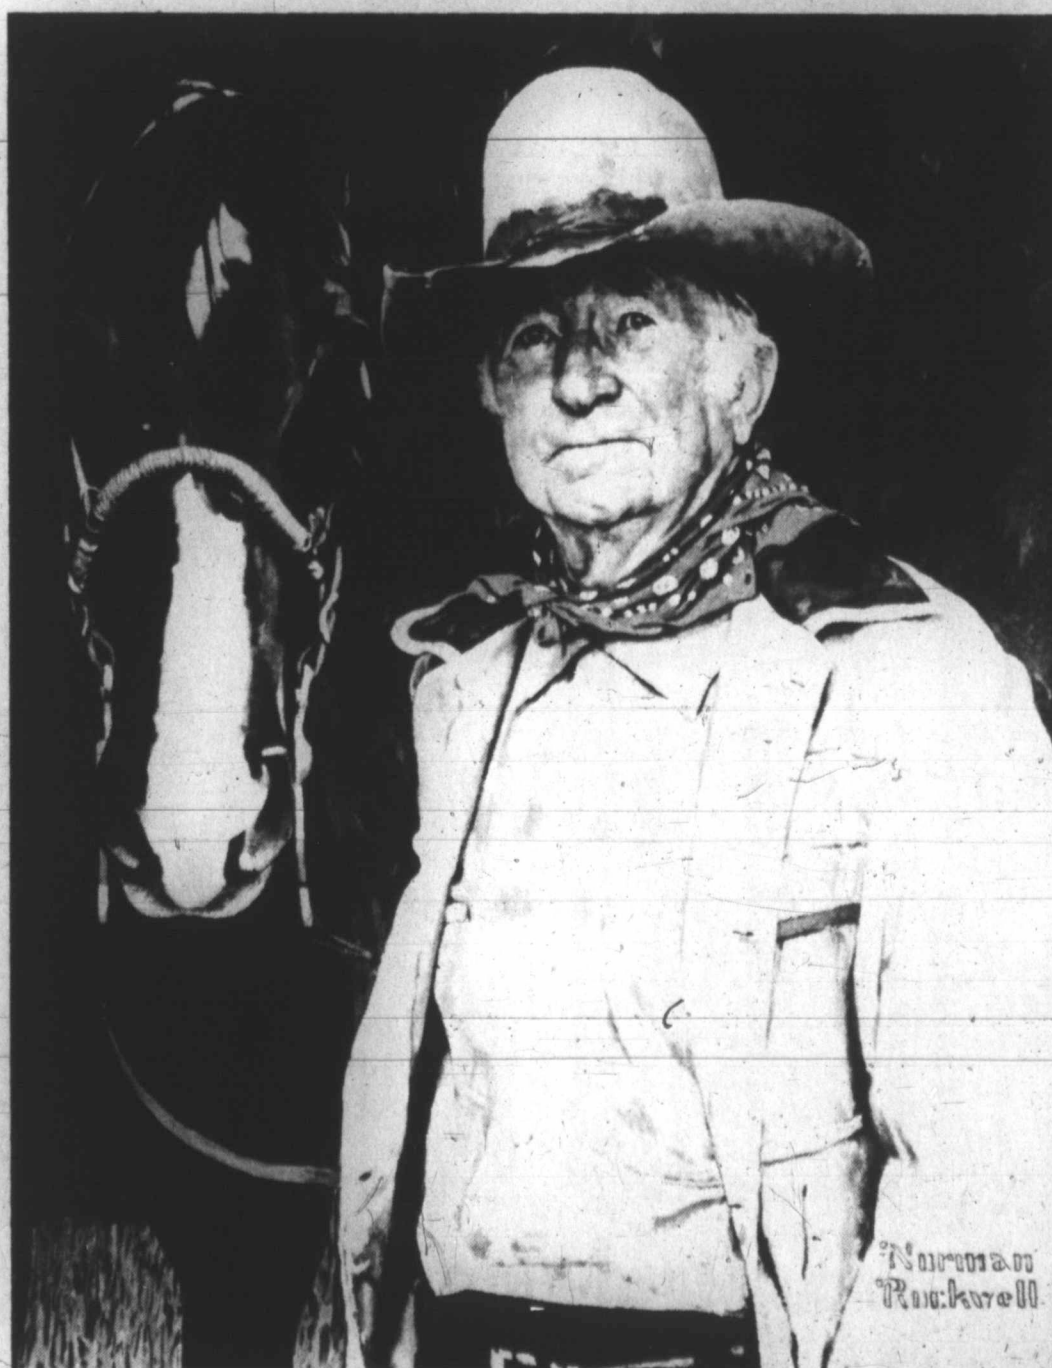

Portraits presently being completed are those of James Stewart, Gary Cooper and Buck Jones. Others that have been inducted and to have paintings done are Tom Mix and Col. Tim McCoy.

MRS. D. D. PAYNE

Delegates Will Attend Convention In Corpus

Pampa City Council PTA met at Carver Center Tuesday with Mrs. Tommy Hill presiding.

Mrs. Frances Walls gave the spiritual thought, "Teach Them Gently - If You Can."

Mrs. Robert Walker gave a report on the recent

THE COMFORT GAME - Rosebud-printed sweater dress of purple, body-conscious pure cotton knit from Garland. T-shirt silhouette is highlighted by contrast banding at scooped neckline and short puffed sleeves.

The United Society of Believers in Christ's Second Appearance, more commonly known as Shakers, had its roots in 18th Century England. The sect believed Christ was about to appear again - as a woman.

district seminar held in Pampa, with special guest speaker, Senator Max Sherman from Amarillo. There were 103 members attending.

Mrs. Willie Cook reported on the upcoming convention to be held in Corpus Christi, Nov. 13-15. Those attending can either ride the bus or fly. The bus will leave on Nov. 11 at 10 p.m. and will arrive at Corpus Christi Nov. 12 at mid-afternoon. The cost will be \$32. Those wishing to fly will leave on Braniff Nov. 12 at 9:45 a.m. and will arrive in Corpus at 2 p.m. If at least 10 people fly, the cost will be \$90.99. If less the cost will be \$117.

Deadline for bus reservations is Nov. 4 and for Braniff reservations the deadline is Nov. 1. Rooms have been reserved at the Downtowner Hotel. Deadline for reservations is Oct. 23.

Mrs. Tommy Hill was elected representative from Pampa City Council to the convention.

Paul Payne, Pampa High School principal, presented the program "New Programs and Curriculum at Pampa High School."

Payne said there are many new courses available to high school students. Courses have been added in business, arts and crafts, drafting, foreign languages, vocational courses, homemaking, and several other fields.

Payne told that there has been a change in student absenteeism.

City Council served as hosts and the next meeting will be Nov. 5.

HD Agent Gives Fashion Program

President Mrs. E.A. Revard opened the meeting with club prayer at the regular meeting of the Progressive Home Demonstration Club. Mrs. W.T. Lytton was hostess.

Roll call was answered with, "The best party I ever attended," also "My first recipe that made a hit."

County Extension Agent, Mrs. Elaine Houston, presented a program on "Fall Fashion Trends" and slides were shown of the latest fashions. Mrs. Houston named Mmes. G.B.

Hogan as being dressed in the latest fashion.

Members present were Mmes. E.C. Golden, J.A. King, Grady Grant, G.B. Hogan, J.T. King, E.P. Templin, E.A. Revard, D.A. Rife and the hostess.

Guests were Mmes. Lee Jackson and Mrs. Houston.

Prizes were won by Mmes. E.P. Templin, J.T. King and Grady Grant.

Refreshments of chocolate pie, cheese cake, tea and coffee were served.

The next meeting is scheduled for Oct. 17.

ARTS FESTIVAL ITEMS - Working on Art objects for the Arts and Crafts Festival, which will continue from 12 to 5 p.m. today, at the Heritage Room, M.K. Brown Memorial Auditorium, are students of the School of Development, Mrs. Jack Reeve, center, is one of many volunteer workers of the school held in the

First Presbyterian Church, daily. Items to be sold were handmade by students throughout the year. Mrs. Ruth Harmon is instructor for the group. The public is cordially invited to the annual event, sponsored by the Pampa Fine Arts Association.

(Photo by Jim Williams)

Progress in Medicine Is Topic For Forum Study Club Program

Twentieth Century Forum Study Club, hosted by Mrs. Frank Kelley, 1715 Christine, met recently.

Mrs. Richard Van Kluyve and Mrs. Joe Franklin presented the program, "Progress in Medicine."

Mrs. Van Kluyve reported that from conception till death, the human body

grows, develops, and deteriorates according to nutrients flowing in its blood stream. These nutrients have a positive or negative value. As long as we maintain an intake of positive nutrient value that exceeds negative nutrient value we are able to keep an attachment between body and soul.

This does not, however, imply good health, she continued. Dr. Weston Price conducted a research over a period of almost thirty years, finding Americans particularly, but people of the world in general, are becoming undernourished. Americans are about the best example of people being overfed and undernourished.

Mrs. Franklin told the group from the common cold to cancer to aging, the most successful scientific effort in prevention and control involves stimulating the body's own natural defenses. Immunology, the study of this defense system, has aptly been called "The Science of

Self." This refers to the ability of the immune system to recognize "self" and "non-self" - to distinguish between its own cells and cells that are foreign or different and to destroy or eliminate the potentially harmful substance whether it be a measles virus, a tapeworm parasite, or a cancer cell.

Members attending the meeting were Mmes. John Warner, Richard Steele, M. McDaniel, Homer Johnson, Jack Ward, Aubrey Steele, Steve Hall, Robert Finney, Larry Cross, Carl Brugger, Robert Williams, Holt Barber, Jerry Wilson, R.M. Melancon, Victor Raymond, Joe Franklin and Richard Van Kluyve.

JANE LONG CLUB
The Jane Long Home Demonstration Club met Tuesday Oct. 8, in the Court House Annex.

Club President, Mrs. Glenn Knight, presided and the meeting was opened with Club Prayer. Roll Call was answered with "My first recipe that made a hit." Mrs. Rusty Williams won the door prize. Club members elected Mrs. Marion Hunter as their new vice president.

Elaine Houston, County Extension Agent, gave the program on Fall Fashion Trends.

Members present were Mmes. Bill Gillis, Paul Graham, George Collingsworth, Neil Fulton, Larry Holmes, Glenn Knight, Lawrence Johnson, Rusty Williams, Marion Hunter, and Willard Taylor.

A Show and Tell program will be held Oct. 21 at the Courthouse Annex from 10 a.m. to 3 p.m. for all Home Demonstration Clubs. There will also be a covered dish luncheon.

Our next meeting will be Nov. 12, with Mrs. George Collingsworth as hostess. The program will be on Double Knit Scraps.

ALTRUSA CLUB
Geneva Tidwell, president, presided at the covered dish dinner recently held at the Courthouse Annex by Altrusa Club of Pampa.

The program "Elaine's Kitchen" was presented by Mrs. Elaine Houston, Gray County Extension Agent. She also showed slides on

nutrition. Twenty-six members were in attendance.

GOP Women Report On Recent Events

The Top O' Texas Republican Women's Club met recently at the Republican Headquarters to help work.

A short business meeting was held with the President, Mrs. Jones Seitz, presiding. A nominating committee will be appointed by the president, Mrs. Teresa Reed, treasurer gave the financial report.

Mrs. William B. Mitchell reported that her son had attended a surprise birthday party in Washington, D.C. honoring Congressman Bob Price, and that he was also here to attend the Bob Price barbecue with Governor Ronald Reagan of California as speaker.

Mrs. Scott Nisbet reported the style show luncheon, which the Amarillo Republican Women's Club sponsored, was very successful.

Forty-eight women from Pampa attended, including a large delegation of the Pampa Republican

Women's Club. Mrs. Nisbet, Mrs. Julian Key and Mrs. Bob Price were models from Pampa. Other republican Candidates attended and several of their wives modeled also.

Some of the Candidates attending were Congressman and Mrs. Bob Price, Pampa; Doctor and Mrs. Dan Loving, Dumas; Mr. and Mrs. Bob Close, Perryton; Mr. and Mrs. Robert Holt, Amarillo; Mr. and Mrs. Jim Grandberry, Lubbock; and Mr. and Mrs. Zack Fischer Memphis.

Mrs. Nisbet reported on the State Republican Convention which was held recently in Houston, with George Bush as keynote speaker. He was introduced by Senator John Tower.

Joe Curtis of Pampa was elected as Republican Committee Man for the State.

Next meeting will be held at the Republican Headquarters Oct. 24.

The Woman's View

BY GAY PAULEY
UPI Women's Editor
NEW YORK (UPI) — Margaret Wunderlich, nearing 82, has spent a lifetime helping to develop the nation's interest in one of its great heritages—its artists.

"We were slow to get to American art," said Mrs. Wunderlich, "because our early wealthy were busy building French castles on Fifth Avenue or German castles on the Hudson (River)." Their money was also going into collecting European art.

"We felt we were down-to-earth laborers and wanted something aristocratic. And we were still a new country pioneering to the West."

Mrs. Wunderlich is executive vice-president of the Kennedy Galleries, now celebrating its 100th birthday.

Art scholars generally credit the Kennedy with being one of the most important galleries anywhere specializing in American historical art.

Mrs. Wunderlich said the gallery, a family business for three generations, specialized in American art, including prints (it was among the first to show Currier & Ives and Audubon prints as art) from its founding. "It's just the same as the doctor who specializes and becomes an authority in one area," she said.

She recalled that the late Thomas Gilcrease, of the Tulsa Museum, once told her, "You wait. You'll see the day when American art will go as high in price as modern French."

He was right. Kennedy recently sold a Charles Wilson Peale portrait for a record-breaking \$600,000 and a William Copley portrait for \$500,000.

Mrs. Wunderlich would rather not talk so much about the prices American art and sculpture bring now, as the early historical works become scarcer, but about the way interest in both knowing about and collecting art is sweeping the country.

It started immediately before and during World War II with a new emphasis on art education from elementary to college level,

she said. "Now the whole country is full of museums," she continued. "Look at all the museum exhibits, the support foundations give art, the traveling exhibitions, the exhibits for children."

"All to the good. There is a need in our society for something spiritual. The need for us to express ourselves is much deeper than we think. The housewife shows it even when she presses a design into a pie crust."

Mrs. Wunderlich is not an artist herself—"some of us are born to appreciate what others give," she said. "I would wish that everyone could have as much enrichment as my close association with art has given my life."

The gallery executive has been surrounded by art since her marriage to Hermann Wunderlich, Jr., son of the founder. The Wunderlich name disappeared from the firm when her father-in-law died at the age of 52 and it was run for a while by Edward G. Kennedy. Then her husband took over. But, she said, by that time the Kennedy Galleries was so well established there was no reason to change back.

Now her son, Rudolf, is president. Lawrence A. Fleischman is director, and another Wunderlich soon will make it a fourth generation operation. One of her grandchildren, Gerald, now in college, plans to come into the gallery.

Mrs. Wunderlich will be 82 in December but she is active daily at the gallery. She is younger looking and spry than most persons her age but if there is any special reason for her vigor, she laughs it away with the comment, "It's because I never get a chance to sit down."

NEW HOTEL
RIO DE JANEIRO, Brazil (UPI) — Rio de Janeiro has another deluxe hotel, the 500 room Inter Continental Rio on Gavea Beach. Facilities include a pool, a discotheque, lighted tennis courts, Turkish baths, shops, bars and a bank.

Garrett-Smith

Mr. and Mrs. A.G. 'Salty' Garrett, Duncan, Okla., announce the engagement of their daughter, Pat Elaine to Gary Wayne Smith, son of Mr. and Mrs. L.A. Baker of Amarillo. Miss Garrett, a former Pampa resident, is a 1973 graduate of Borger High School. She attended Frank Phillips Jr. College and is currently employed with an Amarillo law firm as a legal secretary. The prospective bridegroom is a Vietnam veteran and a senior student at West Texas State University. He is presently employed with the American National Bank of Amarillo. Plans are being made for a Nov. 29 wedding at 7:30 p.m. in Amarillo Friendship Baptist Church.

Upsilon Has Final Rush Party

Members of Upsilon Chapter of Peta Sigm Phi held their final fall rush party, with "Ye Olde English Pub" theme, at the home of Mr. and Mrs. Danny Hoggatt, 1812 N. Well.

Members brought a variety of cheeses, which were served buffet style with seasoned crackers, pretzels, and sokes or tap-beer. Hostesses for the evening

were Mmes. John Fields and John Radcliff.

The purpose of the party was to allow Upsilon members and their husbands to get better acquainted with perspective members and their husbands. Entertainment was provided with group singing of folk songs, both English and American, with guitar accompaniment by Mr. and Mrs. Harold Tayler.

Guests attending were Mssrs. and Mmes. Ron Whisler, David Smith, John H. Anderson, G.M. Walls, Jr., E.R. Barnett, and Dick Maxey.

Upsilon members attending were Mssrs. and Mmes. Perry Moose, Stephen Dewey, Calvin Lacy, John Radcliff, Danny Hoggatt, Harold Taylor, Wilbur Walls, and Dwight Chase.

'S. America Travelogue' Is Las Pampas Program

Mrs. Vera Huckaby and Miss Ruth Huff were hostesses recently to members of Las Pampas Chapter Daughters of the American Revolution in the Hospitality Room of the Citizens Bank and Trust.

Mrs. J.B. White, regent, presided and Mrs. John Skelly gave the devotional in which she gave thanks for the men whose faith in God made them great in the history of our country and for those at the head of affairs in our Nation today.

Vice-regent, Mrs. P.R. Britton, introduced Miss Pearl Spough who presented a "Travelogue of South America." Miss Spough accompanied a group of people on a pre-convention tour which was held this summer by the World Council of the Churches of Christ. Dan Joyce, president of the Council, directed the tour.

Miss Spough showed slides of the people and

places she had seen. Among them were slides of magnificent mountains and the ruins of past civilizations high in the Andes of Peru.

Cuzco which was once the capital of the Inca Empire is the site of many remains of Inca times including the famous Inca Temple of the Sun and parts of the wall which once entirely surrounded the city. Numerous doorways and arches and the walls of the city display an architecture and engineering skill which amazes visitors. The empire of the Incas was founded in the 11th Century.

The people of that region, Miss Spough told, were Indians but do not have quite the characteristics of the North American Indian. They seem to be more like the Polynesians. These people depend greatly on the llamas, which are beasts of burden and which provide food and wool. Her

travelogue included scenes from other South American countries.

Mrs. White told of the death of Honorary President General Eleanor Washington Spicer, in McLean, Va. She was a descendant of a sister of George Washington, who served three years as president general of the National Society DAR.

She also reported that death had claimed Mrs. Walter Gresham Dick of Alleyton, Tex. who was a past regent of the Texas Society DAR. Las Pampas Chapter was organized during her regime.

She ended with a prayer that our goal be that freedom and liberty always be ours.

Miss Pearl Spough and Mary Britton were guests.

To plump raisins, soak two to five minutes in very hot tap water. Longer soaking leads to flavor loss.

ST. VINCENT'S CARNIVAL — Recent plans were finalized and St. Vincent's Home and School Association has set Saturday, Oct. 26 as the date for their annual Halloween Carnival, to be held at the school, 2300 N. Hobart, from 5 to 10 p.m. Students, receiving instructions from Mrs. I.A. Hungerford, are from left Charlotte Phillips, Michele Eakin, Brian Kotara and Ken Marak. Everyone is invited for an evening of fine food, fun and games.

(Photo by Jim Williams)

20th Century Members View Texas Film

The Twentieth Century Club met Tuesday Oct. 8 in the parlor of the First Methodist Church. Mrs. W.R. Campbell called the meeting to order, and introduced two new members, Mrs. Jerry Carlson and Mrs. Lloyd Harvey.

Mrs. John Rankin led the group in the Club Collect. Mrs. Campbell introduced Morris Kille who presented the program for the day, the Texas heritage, a film titled "Missions of Texas" from the Texas Highway Department.

Following the program, Mrs. Rex Rose called the roll and read the minutes of the previous meeting. Mrs. Campbell reported that the Friends of the Library are now accepting donations of books at the Library for the Library Book Sale next spring.

Mrs. Rankin reported on the recent style show. Scholarship fund is reported in good condition for this year, and the date for next year's show was set for September 27.

Members present were Mrs. Carlson, Harvey, Campbell, Braswell, Culberson, Harbaugh, McGahey, Neslage, Rankin, Rose and Sanford.

St. Vincent's Makes Carnival Plans Oct. 26

St. Vincent Home and School Association, ways and means committee, and room mothers, met recently to discuss plans for their Halloween Carnival, Oct. 26 was set as the date for the annual affair.

Room mothers from kindergarten through sixth grade will be in charge of the various booths, games and the cafeteria. Plans were finalized to have 12 games ranging from the fish pond to cake walk and bingo.

Also there will be a spook house, country store, concession, costume contest and serving of a variety of foods in the cafeteria. Something was planned for all age groups, from toddlers to grandparents.

The students of St. Vincent are accepting donations for a raffle and the winning ticket holder may choose a side of beef or

\$250 cash as a prize. Members of the upper grades are making carnival posters which will be displayed in windows of business establishments throughout the city.

Everyone is invited for an evening of food, fun, and games at St. Vincent's School, 2300 N. Hobart, from 5 to 10 p.m.

SOARING BIRTHRATE

JERUSALEM (UPI) — Twenty-nine women gave birth at Shaare Zedek Hospital during the Yom Kippur holiday, establishing a record for one day in an Israeli hospital and filling three wards and the corridor between them with new mothers and their children, a hospital spokesman said today.

The average daily birthrate at the hospital is nine, he said.

Heart Film Program Highlights ABWA Meet

The Pampa Chapter of the American Business Women's Association met Tuesday, Oct. 8 in the Starlight Room at the Coronado Inn. The

program, was presented to members and their guests by Mrs. George Newberry and Mrs. Jean Johnson. The topic was "Cardiopulmonary Resuscitation" (In Basic Life Support).

Mrs. Newberry and Mrs. Johnson told the audience what TO DO and WHAT NOT TO DO in early warning signs of heart attack. After showing how to proceed on actual demonstration by the use of a dummy members of the audience volunteered to go through the procedure and slides were shown on this same procedure. Also, a film was shown where actual cases were described by doctors.

Following the program, and after the regular business meeting, Mrs. Forrest Cloyd was installed into the chapter. Mrs. John King, president thanked the members and guests for their participation in the program.

Nineteen members and six guests attended the dinner and program.

Xi Beta Chi Has Mexican Rush Party

Guests and members of Xi Beta Chi met in the home of Mr. and Mrs. Robert Benyshek recently for a Mexican Dinner and an evening of fun playing "Bunko." This was Xi Beta Chi's second Fall Rush Party.

Guests attending were Messrs. and Mmes. A.D. Leonard, Robert Daniel, Max Louvier, Jerry Carlson and Jeff Nash. Members attending were Messrs. and Mmes. Bill Baten, Robert Benyshek, Robert Brogdon, Dwaine Blakemore, Ted Erickson, Sonny Golden, Tommy Hill, James Lee, James Schaffer, Price Smith and Junior Warden.

Xi Beta Chi will have their next meeting Oct. 14 which will be "Guest Night."

Iowa ranks seventh in the nation in turkey production with 7.5 million head.

PREPARING INVITATIONS — Five Junior Service League members, left to right, Mmes. David Stockstill, John Eschle, Robert Sailor, Ronnie Gill and Gene Barrett, prepare invitations to be mailed for the Charity Ball to be held in the Pampa Country Club Nov. 23. The

theme for this year's event is "Pampa, Portrait of the Past," and decorations will include a nostalgic glimpse into Pampa's past. Proceeds will finance charitable community projects and the Speech, Hearing and Vision Clinic. (Photo by Jim Williams)

Charity Ball Scheduled By Pampa Junior Service League

"Pampa, Portrait of the Past" is the theme chosen for this year's Junior Service League Charity Ball scheduled for Nov. 23.

As in past years the annual ball will be held at the Country Club, according to league president, Mrs. Rodney DeFever.

"Our theme spotlighting Pampa's past is in keeping with the recent gift from League to the White Deer Land Museum. It also ties in with the continuing program

of community awareness," states Mrs. DeFever.

In the past, Charity Ball proceeds have financed Speech, Hearing and Vision Clinics for pre-school children; a monthly commitment to Genesis House; a donation for the renovation of the lodge at Quivira Girl Scout Council's Camp Cibola; and numerous other charitable projects.

Decorations for the Ball will include a nostalgic

glimpse into Pampa's past. "A new approach in the ticket sales has been announced by ticket chairman, Mrs. Doyle Smith. "This year we are mailing invitations for the

Ball," she said. "Our supporters and patrons over the years will receive a letter about the Ball, an invitation to the Ball and an informational sheet on League projects," she told

About Those Working Wives

NEW YORK (UPI) — To determine the effects of inflation on American households, an employment agency has just completed a national random survey.

The report on the survey by Staff Builders Inc. includes these highlights: —Three out of four or 75 per cent of the nation's housewives are working wives.

—74 per cent of these working wives say they could not maintain their current standard of living if they stopped working.

—57 per cent said their

salaries pay for necessities only; 19 per cent said they pay for luxuries only; 24 per cent said salaries pay for both.

—47 per cent became two income families in the past two years; 40 per cent in the past year.

—44 per cent of working wives responding to the survey have fulltime jobs; 56 per cent hold temporary or part-time jobs.

From the looks of the survey it appears the battle against inflation is a big reason many wives work.

By MRS. ELAINE HOUSTON
County Extension Agent

By ELAINE HOUSTON
County Extension Agent
The Top of Texas Home Demonstration Club meets at night to accommodate working women who are interested in Home Demonstration Club work. They are having a membership drive. Their next program will be a demonstration on liquid embroidery. If you're interested in having a good time and learning something, join a Home Demonstration Club. If you are interested in the evening club call Mrs. Bob Muncy at 665-4433.

The 4-H Adult Leader Association will hold its regular business meeting Monday at 7:30 p.m. in the Courthouse Annex meeting room. All parents of 4-H Club members are urged to attend this meeting. Don Morrison, chairman of the District 4-H Adult Leader Association, will give the program on how the District Association relates to the

County Association. "WHAT KIND OF FOOD SHOPPER ARE YOU?" Do you fight your way through the store, having a miserable time (prices today are enough to make us miserable) — or do you look forward to the shopping trip?

Good planning is the key to making food shopping a pleasant experience rather than a chore.

The shopper who thinks of it as a chore is usually the one who spends the longest time in the store and the most money on unneeded items. The best aid to efficient grocery shopping is to make a list before you go. With today's food prices you need to plan menus to utilize plentiful food lists. If you need to cut down in grocery buying, cut down on the non-food items — you can live without things such as candy, cokes, ready-baked pastry items, potato chips, and other snack foods.

The Pampa High School Drama Department has begun rehearsals for their fall production "The Curious Savage," a popular comedy by John Patrick, best known as the author of "The Teahouse of the August Moon."

Becky Barrett is cast in the role of Mrs. Ethel Savage, an eccentric widow who has been left 10 million dollars by her husband and wants to make the best use of it, but is stopped by her three greedy stepchildren.

Heading this group is the Honorable Senator Titus Savage, played by Jimmie Killie. His sister Lily Belle, an oft-married socialite, is played by Marquette Wampler, and in the part of Judge Samuel Savage is George Hendrick. These three send Mrs. Savage to a "sanatorium" for wealthy patients, hoping to bring their stepmother to her senses.

At the "Cloisters" she meets five delightful guests with warmth and dignity, who despite their personality and emotional problems, are genuine human beings who care for each other, as contrasted with insensitive, bickering, Savage offspring.

Among the guests are the fragile Fairy May, played by Sharon Hubbard; the refined Florence, portrayed by Brandy Pope; Jeffrey, a sensitive young concert pianist who refuses to play the piano, played by Freddie Ladd; Hannibal, a former statistician who aspires to playing the violin, portrayed by Robert Schroeder; and Mrs. Paddy, who for 20 years has refused to talk except to recite lists of

FALL PRODUCTION — A four-foot teddy bear and ten million dollars might not have much in common unless they both belong to "The Curious Savage," who is really Mrs. Ethel P. Savage, a wealthy widow who wants to give away her fortune to people desiring to do "foolish" things they've always wanted to do. Shown from left in photo are Becky Barrett, Sharon Farmer, Freddie Ladd, Brandy Pope, Sharon Hubbard, seated, and Robert Schroeder. The production will be staged by Pampa High School Drama Department Oct. 28-29 at Pampa High School Auditorium. (Photo By Jim Williams)

Mrs. Wyatt Named Upsilon Sweetheart

Upsilon chapter of Beta Sigma Phi met recently for a business meeting and cultural program at the home of Mrs. Norman Stone, 1116 Terrace.

Among the major items of business presented by President, Vickie Moose, was the election of Andrea Wyatt as the chapter sweetheart.

Mrs. Wyatt's portrait will be sent to "The Torch," the magazine of Beta Sigma Phi, to compete with entrants nationwide for sweetheart, queen and princesses in the February issue.

Judge for this year's contest will be a famous movie star. The 1974 judge was John Wayne.

Members also voted on acceptance of prospective members who had been entertained during the fall rush parties.

Publicity chairman, Rochelle Lacy, announced that a photograph and a short news release about Upsilon's Christmas Bazaar was sent to "The Torch" for inclusion in a future issue.

Sue Hoggatt, ways and means chairman, reported income of \$115 from the chapter's recent garage sale.

Service chairman, Melody Heuston, reported that a yellow rose had been sent to Mrs. Dennis Wyatt to honor the birth of her son on Oct. 5. An ivy plant was to be sent to the Danny Strawn

family following the death of Mr. Strawn's brother in Lubbock.

The cultural program on "Jewelry" was given by Roger Hoskins, a junior at Pampa High School, who discussed the "lost wax process" of jewelry-making, and showed jewelry he has made. Hoskins is a student of Mrs. Willotta Olds, PHS crafts instructor. Program chairman, Janette Martin, introduced the speaker.

Hostesses for the meeting were Judy Walls and Robbie Stone. Decorations featured a fall theme with a centerpiece of fall flowers encircling a brown candle. Refreshments of iced rail road bread, orange cake, and orange sherbert punch were served.

Members attending were Janice Snider, Melody Heuston, Judy Fields, Sue Hoggatt, Robbie Stone, Janette Martin, Judy Walls, Jane Radcliff, Vickie Moose, Rochelle Lacy and Cile Taylor.

The Oct. 21 meeting will be held at 7:30 p.m. at the White Deer Land Museum and will include a discussion of the clothing on display and the Pampa pioneers who wore them. It will be a model meeting with new pledges attending. The social afterwards will be at the home of Mr. and Mrs. Perry Moose.

Travis PTA Sponsors Get-Acquainted Night

Travis PTA met recently in the school auditorium with Janet Hutto, president, presiding. Phyllis O'Dell, membership chairman, enrolled parents for the unit.

Den 2, Pack 98 presented the flag ceremony and Eugene Hamilton gave the invocation.

Cameron Marsh, school principal, introduced and welcomed new and old teachers. Jimma Crossman gave the program outline for the year and announced

plans for the upcoming school carnival.

Margie Greer read the budget for 1974 - 75 and Cameron Marsh presented a report.

The door prize was won by Mrs. James Raley, and the room count was won by Mrs. Allread's afternoon kindergarten class and Mrs. Laffin's first grade.

Meeting was adjourned for refreshments in the school cafeteria.

Mrs. Harrah Speaks To Varietas Members

Mrs. Lee Harrah presented a patriotic program for the meeting of Varietas Study Club in the home of Mrs. Otis Nace on Tuesday afternoon. Mrs. Aubrey Sprawls, club president, presided at the business meeting. Mrs. J.E. Kirchman read appropriate scripture.

Mrs. J.E. Gibson, program chairman, introduced Mrs. Harrah, who opened the program with group singing of "America The Beautiful," followed by the reading of "The American Creed" and

the flag salute.

Mrs. Harrah then spoke on "Unity or Disunity — Americanism," concentrating on the fact that the blessings of America far outweigh the problems.

She said, "We are living in a critical time. Inflation, energy shortage, uneasy world peace, and other current troubles tend to cause national disunity. But our country needs the visible and loyal support of all its citizens. If a nation has no patriotism, its extinction could follow. And patriotism means the placing of the country's well-being above oneself."

She continued, "America has been greatly blessed. We have the freedom to vote, to own property, to receive uncensored mail, to worship as we desire, and to promote law and order as we see fit. Our standard of living is the highest in the world. Our assets are the largest of any nation. Savings accounts are greater than ever before. We have a good supply of food even though prices are high. We should think less of our problems — and more of our need for appreciation of our nation. We must work toward the common goal of the betterment of all people. We must do all we can to achieve national unity."

Present at the meeting were Miss Anna Pierce and Mmes. W.A. Bohot, W.H. Burden, F.A. Cary, H. Price Dosier, S.C. Evans, J.E. Gibson, Lee Harrah, Rue Hestand, J.E. Kirchman, R.W. Lane, Raymond Morrison, Otis Nace, L.B. Penick, Aubrey Sprawls, Ralph Thomas, Sherman White, and Abel Wood.

ON JOB TRAINING

RICHMOND, Va. (UPI) — In the past eight years, 41,000 Virginians have been trained for skilled jobs in 270 companies in the state, by the Special Training Division of the Virginia Department of Community Colleges.

There is no charge to the trainees and almost none to the company that hires them (provided it hires a minimum of 18). The state picks up most of the tab, according to the Virginia Division of Industrial Development.

things she hates, played by Sharon Farmer.

In the roles of the understanding staff members at the "Cloisters" are Gradene Underwood as Miss Wilhemina, and Stephanie Hills as Dr. Emmett.

Director Designer for the show is Mrs. Calvin Lacy. Technical crews include Kenneth Hopson, Jazel Kenyon, Beverly Johnson, John Thaxton, Ben Wilson, Debbie Herring, Ricky Martin, Jimmie Kille, George Hendrick, and Sharon Baumgardner.

The backdrop will be painted by PHS graduate, Sara Walker Burrell, assisted by her student Mike Hood.

Dates for the public performances are Monday, Oct. 28 and Tuesday, Oct. 29 7:30 p.m. in the Pampa High

School Auditorium. Tickets are now available from Drama students or may be purchased at the door. Prices are \$1.25 for adults, 75 cents for students in grades seven - 12 and 50 cents for elementary students.

Mrs. Lacy emphasized that this is a comedy which can be enjoyed by the entire family, and children and adults alike will be amused by Mrs. Savage's giant teddy bear, who has an important role in the events of the story.

TO YOUR GOOD HEALTH

Breast Examinations Are Needed

By G. C. THOSTESON, M.D.
Dear Dr. Thosteson: We women are told by doctors to self-examine our breasts for any lumps or changes and report to the doctor, in case it might be cancer.
I am 50. My uterus was removed at age 43, and I have now been taking hormone shots for a year and a half.
For the past month when I press the nipple of my breast I have noticed that a couple of tiny openings in the left breast emit a drop of blood every time I press, as well as a drop or two of yellowish discharge from different openings in the same breast. The right breast emits a bit of yellowish discharge when pressed but no blood.
I called by gynecologist and he told me it was a varicose vein and not to press the nipple. I have never heard of this. Is it common? I have noticed this breast being a little more sensitive than the right one.
My doctor has not examined my breasts for

about eight years. I am concerned.
—R.G.
You should be concerned by not alarmed. Fairly often a secretion can be expressed from the nipple in women who have borne children and also those taking hormones.
Non-cancerous changes in the milk ducts can cause vari-colored discharges, although secretions that have to be pressed out are not likely to be due to malignancy. But since a bloody discharge can be a sign of cancer, it is imperative that you be examined and not just rely on a phone call.
You say your breasts have not been examined for eight years. I'd say that you should make an appointment for an examination—not just ask for a remote-control opinion.
Vital part of the examination should be a Pap test on the secretions.
While self-examination to detect lumps or signs is important, it need be done no more than once a month. I get the impression that you are squeezing the nipples oftener than this, and I join your gynecologist in saying don't.
At first we thought it was fatigue from too much reading—he was studying a lot at the time. However now it continues to bother him. Can you suggest where he might obtain help or advice?
—R.R.
I certainly can. He should go at once to an ophthalmologist (eye specialist), especially since the condition has continued so long.
Diplopia (double vision) can result from a wide variety of causes. The problem could be in the eye itself, such as being a symptom of an imbalance in the muscles of the eyes.
But it could also result from a neurological disorder of one kind or another, such as multiple sclerosis. I don't mean to worry you, but I do want to impress upon you (and him) the necessity of being examined right away.
—W.A.W.
No. The medication will relieve the symptoms of allergy but will not prevent formation of polyps or get rid of them.
Dear Dr. Thosteson: I would like to know something about double vision. This happened to my brother about a year ago.
"Bad Breath Can Be Corrected" is the title of Dr. Thosteson's booklet explaining the causes and cure of bad breath.

Dodgers Win First, 3-2

ANOTHER TIME — Los Angeles Dodgers third baseman Ron Cey, left, and bullpen catcher Mark Cress, right, had good cause to be ecstatic as they doused Dodger vice president Red Patterson with water after LA clinched the

National League title Wednesday with a win over Pittsburgh. Saturday, however, there was no levity in the Dodger locker room as the team from the "City of Angels" lost the opening game of the 1974 World Series to Oakland, 3-2. (UPI Photo)

LOS ANGELES (UPI) — The Oakland A's like to keep reminding people that they leave their well-publicized bickering in the clubhouse, and Saturday they proved it the best way possible.

Rollie Fingers and Catfish Hunter, the two pitchers who were subjects of the latest Oakland controversies just a day earlier, teamed up as relief pitchers to beat the Los Angeles Dodgers 3-2 in the opening game of the World Series.

For Hunter, whose agent announced on Friday he would become a free agent following the Series because of a contract dispute with owner Charlie Finley, it was the first appearance in relief since he won the final game of the '72 Series that way.

But he needed just five pitches to nail down the victory, striking out the only batter he faced: Joe Ferguson, to end the game.

Fingers, who had to have six stitches in his scalp as the result of a clubhouse fight with teammate John Odum on Friday, was the winning pitcher. He had set down Los Angeles on two singles for 4 1-3 innings before Jim Wynn powered a

two-out homer barely over the leftfield fence in the ninth.

When Steve Garvey followed that with a single to right, the Dodgers' 11th hit of the game, Oakland Manager Alvin Dark brought on Hunter.

The A's 25-game winner and likely Cy Young Award recipient in the American League had won the pennant clincher on Wednesday and wasn't scheduled to start again until Tuesday night's third game at Oakland.

His first two pitches to Ferguson were balls, but then the hard-throwing righthander threw three straight strikes, saving the game to the accompaniment of groans from the record Dodger Stadium crowd of 55,974.

As a result, the A's took a 1-0 lead in this first-ever all-West Coast World Series, and if they can win three more games they'll join the

New York Yankees as the only teams ever to win the Series three years in a row.

But even with this in prospect, the A's complain they can never get the proper recognition because their brilliance frequently is obscured by the off-field antics and the players' mutual dislike for owner Charles O. Finley.

"I think we're the greatest team to come along since the great Yankee teams," said Reggie Jackson, the limping superstar. "No matter what else happens, the story of the Oakland A's is that we win all the time."

Not necessarily all the time, but they did this time. The A's used a strange combination of plays to score their three runs—getting one on a homer by Jackson, another on a two-strike squeeze bunt by Bert Campaneris, and the third on an error.

They also got offensive

help from an unlikely spot-starting pitcher Ken Holtzman. Holtzman failed in his effort to become the first pitcher to win three consecutive Series openers, but for the second year in a row he did contribute a vital double to the A's opening-game attack.

A man who did not get to bat at all during the regular season because of the American League's designated hitter rule, Holtzman slapped his double just inside the bag at third in the fifth inning.

The score at the time was 1-0, the A's ahead on Jackson's 400-foot blast into the left centerfield seats in the second, but it shortly became 2-0. Holtzman was wild pitched to third by loser Andy Messersmith and then Campaneris put down the perfect squeeze on a 2-2 pitch to score him.

Ags Blast Red Raiders At College Station, 28-7

COLLEGE STATION, Tex. (UPI) — Junior running back Skip Walker ran for three touchdowns in the second quarter Saturday leading a devastating Texas A&M "T-bone" rushing attack which blasted No. 7 ranked Texas Tech 28-7. Tech 28-7.

Walker scored on runs of one, three, and 23 yards and an Aggie defense led by linebacker Ed Simonini completely shut down the high-powered Tech offense before 50,620 fans.

Aggie quarterback David Walker threw 16 yards to split end Carl Roaches causing a 58-yard drive in the third quarter for an insurance touchdown before Tech quarterback Tommy Duniven got loose with less than four minutes to play on a 58-yard scoring run.

The victory in the Aggies' Southwest Conference opener came two weeks after Tech belted Texas. The loss established A&M as the team to beat with the conference preseason favorite Red Raiders and Texas Longhorns with one loss each.

With five minutes left in a scoreless first quarter, A&M mounted its first scoring drive behind the option quarterbacking of sophomore David Walker. He moved the Aggies 77 yards in 16 plays in a drive needing two fourth down plays. On fourth and goal from the one, Skip Walker dove through left tackle for his first touchdown.

Placekicker Randy

Haddox booted his first of four extra points.

The Aggies stunned Tech on the Red Raiders' first play following the touchdown as Simonini intercepted Duniven's pass intended for Lawrence Williams and returned it 10 yards to the Tech 22.

From there, it took A&M four plays—the big one Bubba Bean's 13-yard run—to score. Skip Walker again crashed through the right side of the Tech defensive line for the touchdown.

After the ensuing Aggie kickoff, Tech showed signs of coming to life offensively, getting its first first down five minutes into the second quarter. But A&M stopped Tech one yard short of another first down, and David Kuykendall's short punt of 29 yards set the Aggies up at their own 32-yard line.

Quarterback Walker called on halfback Walker and the unrelated pair carried the Aggies 68 yards on another ground control drive culminating in A&M's loss each.

With five minutes left in a scoreless first quarter, A&M mounted its first scoring drive behind the option quarterbacking of sophomore David Walker. He moved the Aggies 77 yards in 16 plays in a drive needing two fourth down plays. On fourth and goal from the one, Skip Walker dove through left tackle for his first touchdown.

Placekicker Randy

third touchdown. Skip carried six times in the drive including a 23-yard scoring run aided by Bucky Sams' block on Tommy Cones.

North Texas Beaten, 24-10

DENTON, Tex. (UPI) — Louisville capitalized on three North Texas fumbles and an intercepted pass in the third quarter and ignited by the passing of quarterback Len DeToala to defeat the Eagles 24-10 Saturday.

DeToala threw a pair of touchdowns passes, Wilbur Summers kicked a field goal and cornerback A.J. Jacobs carried an intercepted pass for a touchdown, down 10-0 at the half, scored 24 points in eight minutes and 11 seconds of the third quarter.

Early in the third quarter a 63-yard punt by Summers put North Texas back on its own two yard line.

The Mean Green's Mack Cumby fumbled at the 10 and Louisville recovered. Three plays later, Summers kicked a 27-yard field goal to make 85-10-3.

North Texas fumbled on its first play from scrimmage and again Louisville recovered—this time, at the 20. DeToala passed seven yards to tight end Tony Smith to tie the score at 10-10.

On the next series, North Texas fumbled and Louisville recovered again. DeToala hit Smith again with a 26-yard scoring pass to make it 17-10.

On North Texas' next series, a deflected pass was picked off by cornerback Jacobs who returned it 36 yards for the final Louisville touchdown.

North Texas' only touchdown came on a 14-yard pass from quarterback Ken Washington to halfback George Cecil in the second quarter.

SPORTS

The Pampa Daily News 13
Pampa, Texas 68th Year Sunday, Oct. 13, 1974

Inspired Bears Whip Hogs At Home, 21-17

FAYETTEVILLE, Ark. (UPI) — The inspired Baylor Bears, behind the running of bowling ball tailback Steve Beard and the quarterbacking of unheralded Mark Jackson, stormed from behind with only seconds to play and whipped the Arkansas Razorbacks, 21-17, in a rugged Southwest Conference game Saturday.

Phillip Kent, senior wingback from Houston, scored Baylor's first two touchdowns on a 25-yard touchdown reverse and on a 16-yard pass from Jackson, a redshirt sophomore who had played only sparingly in Baylor's first four games.

Arkansas, plagued by penalties the first half, struck back on a 41-yard pass from quarterback Mark Miller, a 45-yard field goal by Steve Little and a three-yard run by halfback Barnabas White.

Ahead 17-14 with 7:42 to play, Baylor took the kickoff after Arkansas' second touchdown and marched to the Arkansas 31 before the Razorbacks stiffened and took over on downs. With 3:41 to play, Arkansas appeared ready to run out the clock, but Miller fumbled and tackle Wharton Foster recovered for Baylor at the Arkansas 36 with 1:38 to play.

Eight plays later, Beard bulled over from the one to

Auburn Victorious

AUBURN, Ala. (UPI) — Tailback Mitzi Jackson scored on runs of one and four yards Saturday as the sixth-ranked Auburn Tigers defeated Southeastern Conference rival Kentucky 31-13.

The unbeaten Tigers jumped ahead 7-0 early in the first quarter when Sedrick McIntyre capped an 80-yard drive with a two-yard scoring plunge.

gave the Bears their first victory over Arkansas since 1966. Beard's scoring plunge came with 1:08 left in the game.

Arkansas took the kickoff and attempted to pass its way in from its own 40, but Baylor snuffed out the Razorbacks' last minute attempt and the game ended with Arkansas on its own 45.

Baylor now is 1-0 in conference play and 3-2 for the season. Arkansas is 1-1 in the conference and 3-2 in the season.

It was Jackson who did the early damage against Arkansas. He had come on when starting quarterback Neal Jeffrey suffered a nose injury on Baylor's first series and directed the Bears to their first two scores with the poise of a senior. He hit three of six passes for one touchdown in the first half.

Baylor rolled up 335 yards in total offense to 297 for the Razorbacks. The Bears banged out 207 on the ground and connected on 11-16 passes for 128 yards. Beard was the leading rusher for Baylor, carrying 20 times for 80 yards. Halfback Lee Forte led Arkansas with 100 yards on 18 carries.

Notre Dame Turns Back Upstart Rice Owls, 10-3

SOUTH BEND, Ind. (UPI) — Fullback Wayne Bullock wrapped up an 80-yard scoring drive with a two-yard touchdown plunge with 3:08 to play Saturday to pull heavily favored Notre Dame a 10-3 win over underdog Rice.

The Owls, seeking their first win in four games this season, had the early lead on the strength of a 36-yard field goal by Alan Pringle. And they were no worse than tied after Notre Dame's Dave Reeve kicked a 45-yard field goal with 1:03 to play in the first half.

Thereafter, the Irish made the only sustained drive of the game, starting from the Notre Dame 20 and requiring 20 plays before Bullock wound up the march with the deciding touchdown.

Rival quarterbacks Tom Clements of the Irish and Claude Reed of Rice sparked despite the low scoring.

Reed hit his first seven passes and wound up with 11 completions in 17 tries for 95 yards. Clements completed 15 of 26 attempts for 174 yards, hitting his prize wide-receiver Pete Demmerle on six of them for 85 yards.

The Irish defensive unit, though, bothered Reed far more than the Owls could oppress to Clements. The Rice quarterback was spilled five times attempting to pass for 42 yards lost while Clements was nailed only once for a 12-yard loss.

It was the fourth win in five games for the No. 8-ranked Irish, beaten only by Purdue, while Rice played its third loss in four games. Rice previously tied LSU 10-10.

Notre Dame had its chances to win earlier but twice was taken out of the threatening zone by penalties.

Rice's Gary Ferguson fumbled on the first play from scrimmage by the Owls and Notre Dame's

Michigan Rambles Past Home State Rival, 21-7

ANN ARBOR, Mich. (UPI) — Defensive end Dan Jilek recovered a botched punt in the end zone and Dennis Franklin hit Jim Smith with a 44-yard touchdown pass Saturday in a 21-7 victory for third-ranked Michigan over cross-state Big Ten rival Michigan State.

The second largest crowd in college football history, 104,682, saw the Wolverines capitalize on four Spartan fumbles and two interceptions to extend their unbeaten streak to 16 games.

Michigan, 5-0 over all and 2-0 in the Big Ten, held a 7-0 lead when freshman punter Tom Birney got a bad snap from center and Jilek ploughed into him as he tried to pick it up. The ball popped out of Birney's hands as he tried to run and

squirted into the end zone, where the junior defensive end fell on it for a touchdown.

Michigan State fell to 2-3 this season and 1-1 in the conference when with five seconds left in the first half, Franklin fumbled back from the Spartan 44 and found his sophomore split end behind a "prevent" defense for a touchdown.

The Spartans recovered a Michigan fumble on the Wolverines 31 in the fourth quarter and one first down later, quarterback Charlie Baggett hit tight end Mike Cobb on fourth down for a 15-yard scoring pass.

The Spartans fumbled six times in the game and lost four of them. Two of Baggett's passes were picked off while Michigan played its usual relatively mistake-free game.

Oklahoma Edges Texas On Last Quarter Goal

DALLAS (UPI) — Tony DiRienzo, succeeding where other Oklahoma kickers have failed, booted a 37-yard field goal with 5:25 left Saturday that gave the Sooners a 16-13 comeback victory over the surprising Texas Longhorns.

Texas, a three touchdown underdog, opened up a 13-7 lead early in the final quarter but the Sooners rallied to tie the score on a 40-yard end around run by Billy Brooks.

The extra point attempt that would have put Oklahoma in front, however, was missed by John Carroll which left the game tied.

But after the Longhorns had gambled and failed on a fourth down attempt at midfield Oklahoma

marched to the Texas 20 to set up the game winning kick.

The Sooners' other score came on a 22-yard run by quarterback Steve Davis in the second period that gave Oklahoma a 7-0 lead.

Texas then took control of the game, scoring on field goals of 41 and 38 yards by Billy Schott and a 12-yard run by freshman fullback Earl Campbell.

Campbell's touchdown was set up by a punt that traveled only 13 yards to the Oklahoma 3.

It was the fourth straight Oklahoma victory in the 69-year-old series, played once again before a sellout crowd at the Cotton Bowl.

It was the fourth victory of the year for the Sooners without a loss and extended Oklahoma's undefeated streak to 22 games. Texas is 3-2 for the season.

Texas not only had stunned the Sooners by going in front but the Longhorns had held Oklahoma time and again.

But on a third down and seven situation at the Texas 40, Brooks, who had come into the game for Sooner flanker Tinker Owens, took a pitch from Davis and dashed unopposed down the sidelines for the score.

Last Second Field Goal Salvages Bama Streak

TUSCALOOSA, Ala. (UPI) — Bucky Berrey kicked a 36-yard field goal with 33 seconds remaining Saturday to enable second-ranked and unbeaten Alabama to edge winless Florida State 8-7 after the Seminoles had gambled by giving the Crimson Tide a deliberate safety.

Florida State, which lost its 17th consecutive game, longest losing streak in major college football, led 7-3 and had a fourth down on its own five with 1:27 when the Seminoles decided to send punter Joe Downey out of the back of the end zone rather than risk a punt.

That play narrowed the margin to 7-5. After Florida State's free kick from its own 20, the Tide took over on the Seminole 48. Jack O'Rear hit Ozzie Newsome for a 32-yard pass to the Seminole 16. The next three plays lost Alabama three yards, creating a fourth-and-13 situation on the 19.

Berrey, a 6-1, 200-pound sophomore from Montgomery, then booted the field goal, giving Alabama its 32nd straight victory at Denny Stadium, where 58,394 fans watched the non-conference game in 80-degree heat.

Florida State's Ahmet Askin, a soccer-style kicker, missed three field goal attempts. In the first half, a 26-yard attempt went wide, and a 33-yard try was blocked. Early in the fourth period, a 19-yard attempt by Askin went wide.

Rockets Beat Wheeler, 14-6

WHEELER — Wellington beat host Wheeler Friday night 14-6 behind touchdowns by Skyrocks Nall and Tarver.

The Mustangs scored first in the game on a 2-yard touchdown burst by Kent Ware. The point after attempt was no good and Wheeler led 6-0.

Wellington came back with 9:41 left in the second quarter with a 1-yard run by Nall. A pass from quarterback Brewer to Nall was good for the extra points and Wellington went into the lead 8-6.

The Skyrocks' second score came with only 42 seconds left in the final quarter on a 65-yard pass interception return by Tarver. The PAT attempt was no good and the final score read 14-6.

Ware was the leading rusher for Wheeler with 102 yards on the ground. David Massick carried only three times but picked up 67 yards. Quarterback Don Brown completed three of 10 passes and had two interceptions.

The Mustangs play next against Shamrock in Wheeler Friday night.

From The Channel

A new bowling ball is many things to many people. To a pro it could be the key to a big money win. To an aspiring pro it could be the tool to show he has what it takes. To a high average league bowler it could mean those few hard to find extra average points. To an average bowler, a new ball could well be the dawning of a new era, a 10 or more point increase in average. And to some bowlers it's simply a way to solve the problem of not being able to secure the same ball each week.

The reason doesn't matter much, for whatever the reason, the purchase of a new bowling ball is important. Though this is the time of year when most bowlers think about getting a new ball for the upcoming season, any time of the year is an ideal time to buy a new ball.

Buying a bowling ball isn't as simple as it used to be. Years ago the places to buy balls were limited, and so was the range of weight, colors and ideas concerning the drilling of a ball. Today's bowling ball is a well-researched, tool and manufactured piece of sports equipment, one that can rival equipment in any field. It comes in rubber or polyester, in more colors than a rainbow and in a great variety of weights and prices.

Next week we will discuss cost and other informative facts concerning the bowling ball.

Now here are some scores rolled the past week.

Cornhuskers Upset By Missouri, 21-10

LINCOLN, Neb. (UPI) — Missouri's opportunistic Tigers came from behind in the closing minutes Saturday, wiped out a 10-0 Nebraska lead, and upset the fourth-ranked Cornhuskers 21-10 in a four and a half minute scoring burst.

Missouri, a decided underdog, was pushed all over the field through much of the first three quarters of the opening Big Eight conference game for both teams.

On the next series of plays, Nebraska's Gary Higgs fumbled a Terry Luck pitchout which Missouri recovered on the Nebraska 25. Five plays later, reserve quarterback Steve Pisarkiewicz connected on a nine-yard pass to Mark Miller to put the Tigers ahead 14-10.

The Tigers were still not finished. With less than three minutes remaining, Steve Yount intercepted a Luck pass deep in Nebraska territory and ran it back to the five. On the next play, Galbreath carried the ball in to put the game out of reach of the luckless Cornhuskers.

Miami Wins First; Hits Eagles, 30-13

By KAREN McNAIR
GOODWELL, Okla. — Don Ed Howard scored two touchdowns to lead the Miami Warriors to a 30-13 victory over the Goodwell Eagles Friday night. It was Miami's first win of the year.

Miami's first touchdown came on a 1-yard plunge by Kirk Flowers in the second quarter. The point after attempt was no good and the Warriors had a 6-0 lead.

Goodwell's Keith King came back in the same period to score on a 6-yard run. The kick was good and the Oklahoma team led, 7-6.

The next score came on a 12-yard field goal by Goodwell's Ette Ette, a student from Nairobi, Kenya.

Trailing 10-6 late in the second period, Miami's Danny Gilliland scored from 20 yards and the Warriors went ahead in the game 12-10. A bootleg around end by Flowers for the extra points was successful and Miami went to the locker room with a 14-10 Miami next score in the third period when Howard raced in from seven yards. The two point conversion was good and the Warriors were ahead 22-10.

Ette Ette kicked a 30-yard field goal in the same period to draw Goodwell closer, 22-13.

The Warriors' final score also came in the third quarter when Howard tallied from 20 yards out. The run for the points was again good and the final score read 30-13.

Flowers, the leading rusher in the game with 153 yards, ran over all of Miami's two point conversions. Other leading rushers for Miami were Howard with 68 yards and Gilliland with 55.

King Leads Broncos Over Tigers, 54-3

MCLEAN — Clarendon's Kenneth King ran for four touchdowns and kicked a 36-yard field goal Friday night to lead the Broncos to a 54-3 victory over the host McLean Tigers.

King's first two scores came in the first quarter on runs of 50 and six yards. His point after attempts were good to give the visitors a 14-0 lead.

Clarendon led at the end of the first period, 21-0, after Alan Hamilton pushed in from one yard out and King's PAT was again through the uprights.

Lynn Floyd scored next for the Broncos in the second quarter and after that touchdown, Barry Schaefer kicked the extra points to put Clarendon out front, 28-0.

Clarendon's next score came in that same period when Steve King (no relation to Kenneth) took a 60-yard pass from Randy Crossin across the goal line and Kenneth King again kicked the PAT.

In the third period, Clarendon scored on a 60-yard run by Kenneth King

Monterey Victory Ends Harvester Win Streak

LUBBOCK — Monterey of Lubbock did something Friday night no other team the Pampa Harvesters had faced this year could do. They scored on Pampa's defensive unit enroute to a 15-0 triumph.

Despite being scored on twice, once on a 15-yard drive after a Pampa fumble and again from 31 after Monterey's Lowrey stole the ball from a Pampa ball carrier, the Harvester defense held the Plainsmen to 77 net yards total offense.

Offensively, the loss of quarterback Chuck Quarles and halfback Rick Leverich was very noticeable, as Pampa gained only 43 net yards total offense itself.

Pampa's defense was backed up to near its own goal line much of the night and was able to keep Monterey from scoring or making any yardage to speak of on most occasions.

The Plainsmen scored first with 2:34 left in the opening quarter on a three-yard run by fullback Joel Acosta. That scoring opportunity was set up when Pampa's Willis Price fumbled a punt and Monterey recovered at the Harvester 15-yard line. It took four plays to cross the goal line and, from the pressbox, it appeared Acosta fumbled the ball into the end zone after being stopped at the two.

After a bobbed snap from center on the extra point try, holder Brad Harrelson picked the ball up and took it in around the left side for two points to give Monterey the lead, 8-0.

With 5:51 left in the second quarter, the Plainsmen scored their second touchdown on a one yard run by quarterback Scott Gardner, a 6' 6" junior. Mike Anderson, who also handled the kick-off chores for Monterey, kicked the extra point and the scoring in the game was ended with the Lubbock school on top, 15-0.

Pampa High Golfers Win Tourney Friday

The Pampa Harvester golf team won its own Fall Invitational Tournament Friday at the Pampa Country Club. Senior Randy Watson led the Harvesters as he captured medalist honors in the tournament with an even par 71.

Pampa had a 13-over 297 to defeat second place Amarillo by five strokes. Following the Sandies' 302 were Plainview, 314, Berger, 322, Hereford, 326, Pampa "B" team, and Tascosa, 329, Caprock, 332, and Palo Duro, 342.

Watson shot 35-36 for his 71. He was followed by Mickey Lowe, 34-39-73, Wiley McIntire, 39-37-75, Curt Beck, 36-41-77, and Scott White, 41-42-83. Only the top four scores were tallied for the total.

Joel Hickey and Danny Kohler at 79, Hank Jordan, 83, and Richard Norwood and Bruce Hungerford at 88.

The tournament victory was the second for Pampa for the fall season. The Harvesters won the first nine team tournament they entered at Hereford with a

Disappointed Cowpokes Trying To Head Cards

ST LOUIS (UPI) — The Dallas Cowboys, who showed signs of life in the fourth quarter of a yet another disappointing loss last week, assume the task of heading off the momentum-laden St. Louis Cardinals Sunday.

Dallas will be a slight favorite although St. Louis has yet to lose this season and has allowed an average of only seven points a game.

"When a team gets hot it is tough to beat," Cowboy coach Tom Landry said of the Cardinals. "They've got momentum and we don't have a whole lot of it. We've got a tough job ahead of us."

The Cardinals are really hustling. They've got a great attitude. Everybody's swarming over everybody.

They're just playing great team football.

Dallas is three games behind St. Louis in the NFC East after losing three straight games for the first time since 1965. But in the fourth quarter against Minnesota last week the Cowboy offense was able to move the ball consistently for the first time since an opening week win against Atlanta.

The reappearance of Calvin Hill in the lineup had a lot to do with it.

"Any time you get your 1,000-yard runner back in there," said Landry, "he can pick up the offensive team. This is nothing against Robert Newhouse (Hill's replacement), but it takes years to develop the

confidence Hill has."

The Cowboys go into the Cardinal game relatively healthy, while St. Louis will be playing without running back Ken Willard, who is suffering from a knee injury.

St. Louis' defense has been one of the surprises of the National Football League this year, but the Cardinals' offense has been carrying its share of the load as well.

Terry Metcalf and Mel Gray have been spectacular for St. Louis.

"Metcalf is as dangerous a back as we have in the league today," said Landry. "He's just incredible when you get him back on punts and kickoffs. I hope he never touches the ball because every time he does he scares you."

"We must not let Mel Gray get away from us, either. He is as fast as anybody in the league."

Although it would appear the Cowboys must whip St. Louis to preserve any hope of making the NFL playoffs for the ninth straight year, Landry says he will not be ready to concede even if Dallas should lose Sunday.

"If we do lose the best we could do would be 10-4," Landry said, "and we can do that. We have won 10 games in a row before."

RANGELAND management, good and bad, is illustrated in these two photos of Panhandle tracts. Upper photo shows poor condition due to overgrazing. Vegetation is of low forage value. In lower photo good management has resulted in brush spraying to prevent competition for moisture and light. Pasture has been deferred to allow grass a chance to gain vigor and produce seeds. (Photos by Soil Conservation Service.)

Range Management Involves Many Interrelated Programs

Range management is the science and art of obtaining maximum production from rangeland consistent with conservation of the land resources.

It involves a broad spectrum of disciplines — from agronomy to wildlife. Although range management is often overlooked, it is the basis of the ranching industry.

The main product of rangeland in Gray County is grass, which is harvested by cattle and converted to beef.

Rangeland also furnishes food and shelter for gamebirds, deer and antelope which can be harvested by paying hunters to furnish additional income to ranchers.

Ranchers in Gray County have an opportunity to increase their forage and livestock production by several range management practices: brush management, range seeding, better grazing distribution, grazing deferral, planned grazing system, and proper grazing use.

Just as people need rest and food, so do plants. For information on how you as a rancher can produce more from your rangeland, visit your local Pampa Soil Conservation Service office.

4-H Club Meets
ALAN REED, The Alanreed 4-H Club, at their recent October meeting, discussed participation in a poster contest and viewed a film, "Alexander's Breakfast Secret."

County Extension Agent Elaine Houston conferred with club members on several matters. Next meeting is scheduled for Nov. 6, according to Brenda Wilson, club reporter.

PEP Area Meeting Will Preview Research Center

Wednesday, Oct. 23 is the date set for the 1974 PEP (Panhandle Economic Program) meeting, according to county Extension agent Foster Whaley.

Convening at the Villa Motel and Convention Center in Amarillo, delegates and visitors from the 25-county PEP area will hear projected plans for a new Texas A&M University Research and Extension Center at Amarillo, and will get a leading economist's view of the general economic trends of the country.

They'll also hear expert testimony about the crops and livestock situation and share new ideas and concerns about family living.

The packed schedule of events will be jammed into a program that starts with registration at 8:30 a.m., and winds up at 4 p.m. complete with a buffet luncheon, Whaley added.

The Panhandle Economic Program is a voluntary organization of area leaders in agriculture, family life and agricultural industry who are concerned about the economic and social growth of the Panhandle.

R. B. Dawson, Jr. of Tulia, PEP's chairman, heads up this year's event. Keynote speaker will be Dr. H. O. Kunkel, dean of the College of Agriculture, Texas A&M University.

He will outline plans for a new Research and Extension facility at Amarillo, including plans as they are formulated to date and what the Center's role will be on the Golden Spread.

Dr. W. P. Gramm, Texas A&M University economist, will present a general outlook on agricultural economy and trends. His speech Whaley noted, should help give some direction to PEP's long-range goals which will be part of task force discussions that afternoon.

Three task forces will convene after the noon luncheon. They are the Agricultural Production Task Forces (crops and livestock) and the Family Living and Youth Task Force.

The crops section will review the outlook for wheat, sorghum, and cotton. Heading the discussions on wheat will be Leo Witkowski, president of the Texas Wheat Producers Association, Hereford.

The sorghum outlook will be presented by A. W. Anthony, Jr., president of the Texas Grain Sorghum Producers Association, Friona.

Don Johnson, executive vice-president of Plains Cotton Growers, Lubbock, will lead discussions about the cotton industry.

For the livestock section, Bill Helming, president of

Panhandle Water

Early in September of 1974, Lieutenant Gov. William P. Hobby appointed a subcommittee to the West Texas Senate Advisory Council on Water and Natural Resources.

Kent Hance of Lubbock was appointed chairman of the subcommittee with John Ivey of El Paso as vice-chairman. The other members of the subcommittee are James B. McCray of Panhandle, Troy McNeil of Dumas, Edward G. Weber of Amarillo, and George McClesky of Lubbock.

Kent Hance chairman of the subcommittee, is the Democratic nominee for State Senator from the Lubbock area.

Hance has a sister, Beth Hodges, who lives in Panhandle. The subcommittee held its first Public Hearing in Lubbock on September 27, 1974.

The announced purpose of the Public Hearing was to receive testimony on (1) the creation of ground water conservation districts and (2) the use of water in secondary recovery of oil and gas.

One of those testifying was a representative of the Texas Railroad Commission. Since secondary recovery of oil and gas is vital to the economy of this area we are carrying his testimony.

My name is James Smith, and I am an employee of the Texas Railroad Commission in its Field Operations Section. I have been requested to represent the Railroad Commission at this meeting.

Specifically the Railroad Commission was asked to make a presentation to you this morning on two points.

One was the use of fresh water in secondary recovery operations, and two was the manner in which the Railroad Commission regulates secondary recovery operation in the state of Texas. I will discuss these two points separately.

The oil and gas industry in Texas to fulfill its objective to supply energy resources has developed a technology that has come to be known as secondary recovery. Secondary recovery can simply be looked at as an induced effort to recover hydrocarbon resources that otherwise would not be recovered.

Consequently, the word "secondary" has been formed. Technology though, has advanced to a degree that secondary recovery is somewhat of a misnomer and we must recognize many other recovery processes such as the so-called "tertiary" project.

Initially secondary recovery was related to the use of a fluid, such as water,

The recent controversy over the sale of grain to Russia has brought forth a lot of strong opinions — mostly against the sale.

In my opinion, I'm for trading with them if we can out-trade them.

Sales of Agricultural products abroad are our best weapon in the balance of trade with other nations. Seven-dollar-per-bushel wheat will return twice as much oil to the U.S. as \$3.50 per bushel wheat.

The higher we can force the price on the world market on wheat and feed grains the more favorable the deal will be to all Americans in obtaining more foreign goods to this country in return.

Many housewives believe the Russian wheat deal has been the chief cause of the price of a one-pound loaf of bread almost doubling over the last two to three years. Not so.

Today wheat is bringing approximately \$4.80 per bushel. If the farmer would donate all the wheat to make the loaf of bread and this savings was passed on to the consumer, it would lower the price of a one-pound loaf of bread only eight cents.

The twenty-cent rise in the cost of a loaf of bread over the last several months can be attributed to increased profits, handling cost and other cost not connected to the cost of the wheat. No more than five or six cents can be attributed to cost of the wheat.

WHIP INFLATION NOW
Remember the Victory Garden during World War II? I don't remember much about it because I was tearing up the French and German gardens in Europe.

But this was the patriotic thing during the war. This might be news to many of you but Pampanas have suddenly become Victory Garden-conscious.

Our office passed out more literature, answered more calls on gardening, and made more fertilizer recommendations on gardens during the past 18 months than I have all my previous 24 years in the Extension Service.

Another thing I noticed — a large majority of the people doing gardening were retired people on fixed incomes. Instead of sitting down and howling to the government to raise their fixed incomes — they are doing something about inflation.

These good citizens are fighting in two ways. They are producing a sizeable portion of their food needs. They reduce their purchases of these food items.

Increasing production and cutting back on demand are the only two weapons to use in fighting inflation.

Elaine and I have an excellent supply of publications on home gardening, insect control, canning, and home freezing. Call our office, 669-7429. These publications will be mailed to you at no cost.

Maybe this Victory Garden idea should be renewed nationwide. Now let's hear from some of our readers: Are we right?

The National 4-H Service Committee, as its name implies, truly is a committee. The roster of officers, directors and members include public spirited leaders of business, agriculture and education.

CowBelles Give Beef To House

Top O' Texas CowBelles, represented by Mrs. Bill Gething, recently presented Genesis House with a "Beef Gift Certificate" for one-half beef.

Accepting the certificate for Genesis House were Emmett Saltzman and Gene Steel, president and immediate past president of the home's board. The processing of the half beef was donated by B&B Packing Company of Pampa.

Top O' Texas CowBelles have designed and printed "Beef Gift Certificates," which are available free of charge to all beef retailers. Many stores are already using them.

"Consumers should ask their favorite store to get the certificates from CowBelles, if they have not already done so," Mrs. Gething said.

CowBelles believe beef is an "ideal gift." Since the gift certificate is so flexible, a gift may be as reasonable or as luxurious as the giver wishes. Mrs. Gething explained.

"Certainly one could not find a more useful or desirable product. Top O' Texas CowBelles are urging everyone to consider this unique gift idea for weddings, birthdays, Christmas, and other special occasions," she added.

"Beef for Father's Day" has been a CowBelle promotion project for several years.

Genesis House is a licensed care home for girls in need of Christian love and care who have encountered problems within society.

Since its beginning in 1971, Genesis House has given care and counseling to some 60 girls, 80 percent of whom have been returned to their own homes to begin re-adjustment to life within the family group.

GIFT OF BEEF — Top O' Texas CowBelles representative Mrs. Bill Gething, left, presents a gift certificate for a half of a beef to Genesis House. Accepting the gift are Emmett Saltzman, center, president of the House board, and Gene Steel, immediate past president.

Crisis Center Report To Legislators Studied

AUSTIN, Tex. (UPI) — The director of the Austin Rape Crisis Center told legislators Friday that laws and practice must be changed to allow more rape cases to come to trial, particularly through eliminating the guilt which the victims is often made to feel.

"Right now there are just too many who believe there is no such thing as rape," Lee Donaldson told a House subcommittee on law enforcement training and standards. "The attitude is always that the woman has somehow incited this man to overwhelming passion."

Rape laws should be enforced as vigorously as other statutes against crimes of violence or abolished, Ms. Donaldson told legislators.

"The only deterrent to rape at this time is to

increase the rate of report and get as many cases as possible into court for prosecution. Even if the cases do not result in a conviction always, there will at least be an increased public awareness to the problem."

More than 97 percent of Ohio's residents live within a 25-mile radius of an institution of higher education. The state ranks seventh in the nation in the number of accredited colleges and universities.

Wage Reports Due By Oct. 1

Quarterly wage reports and social security contributions for household workers are due by October 31, according to Howard L. Weatherly, manager in Pampa.

If you pay a household worker \$50 or more in cash wages in any 3-month calendar quarter for work around your house, you must send a report of the wages and the social security contribution to the Internal Revenue Service within one month after the end of the quarter.

Quarters are January-February-March, April-May-June, July-August-September, and October-November-December. Wage reports and social security contributions for the third quarter of 1974 are due by October 31.

The reports may be filed on a form available at any Internal Revenue Service office — "Employer's Quarterly Tax Return for Household Employees (for Social Security)."

Under the current social security contribution rate, the employer and the employee each pay 5.85 percent of covered wages. "Or the employer can pay the full 11.7 percent contribution," he said.

Social Security contributions help build retirement, disability, survivor's and Medicare protection for 1 1/2 million household workers, including maids, cooks, cleaning women, gardeners, handymen, and babysitters. People who employ household workers can get a free copy of the leaflet, "Social Security and Your Household Employee," at any social security office. For more information, contact Pampa Social Security Office, 1541 North Hobart, telephone 806-669-3381.

Last Week In Wall Street

The digital watch, operating on the principle of the quartz crystal, has revolutionized the watch-making industry in the past two years. Thus far, digital watches have been an expensive luxury with demand far outstripping supply. But get ready for bargain prices in the digital watch field.

Just two years ago, producers of integrated electronic calculators and marketing them through high-volume retail outlets. The result has been a complete dominance of the electronic calculator market by such companies as Rockwell International, Texas Instruments and National Semi-conductor and a drop in prices of 66 percent from the earlier models. Now these integrated circuit giants are moving into the \$5-billion worldwide market for watches, so prepare for some ferocious price cutting.

A simple stone monument at the entrance to southeastern Arizona's Chiricahua Mountains marks the final surrender in 1886 of Geronimo and his Apache warriors. They used the mountain peaks and canyons as their last bastion against encroaching American and Mexican settlers.

Spaghetti Supper Set By Boosters

Pampa High School Choir Boosters will host a spaghetti supper in the high school cafeteria Friday, Oct. 18, preceding the Pampa-Caprock football class. Tickets for the event which will commence at 5 p.m., may be obtained at the door. Serving will continue until 8 p.m. at a cost of \$1.50 per person. Tickets may also be purchased from any choir member.

Newt Secrest will be in charge of the supper preparation, assisted by parents of choir members, according to Mr. and Mrs. Jerry Allen, chairmen of the annual event. Musical entertainment will be provided by the choral

department during serving hours.

Proceeds from the spaghetti supper will be used for final payment of the Yamaha Baby Grand Piano now located in the choir room of the music building at Pampa High School. Choir Boosters have invited the public to visit the music building as a part of their effort to support choir projects and promote interest in the group.

The spaghetti supper each year is one of the main efforts of the Boosters. Other money-making projects scheduled for this year include a musical, scheduled for Nov. 22, and Nov. 23. "Brigadoon" will feature Sandra Vance and Eddie Roby.

The play, a story set in the Scotland Highlands, follows a plot of love and tragedy.

A spring banquet for the group will conclude the schedule for the year. Choir members and their parents will be honored at that event.

Citation Honors Area Resident

SKELLYTOWN — Carter, son of Mr. and Mrs. Don Carter of Skellytown was presented the American National Red Cross Certificate of Recognition for Extraordinary Personal Action for his effort which saved the life of a five year old girl recently.

The Lipan Volunteer Ambulance Service, of which Kenney is a member was called upon to assist in a two-car accident which claimed the lives of seven of the eight people involved in the accident. Carter was given credit for saving a little girl's life.

Carter and his family have lived in Lipan for the past two months. He is attending the Southwestern Baptist Seminary in Fort Worth and is song director of the First Baptist Church of Lipan. He is also working part time in a Lipan grocery store.

MIAMI (UPI) — An unidentified woman phoned the Coast Guard search and rescue service Wednesday with a distress call it couldn't handle.

She asked how far offshore a vessel must be for its captain to be authorized to perform marriage ceremonies. When a Coast Guardsman told her the United States does not recognize the legality of any such marriages, she sobbed. "You mean I'm not married?" and hung up the phone.

Pioneer Natural Gas Co. Names New Official

AMARILLO — Pioneer Natural Gas Company's board of directors, at a special meeting here, named James E. "Buck" Cannon vice president of Pioneer.

In making the announcement, Pioneer President, K.B. "Tex" Watson, said Cannon would be responsible for the liquid products sales of Pioneer and its subsidiaries and would be working on special development projects for the company.

"Cannon will continue to

negotiate the sale of in excess of two hundred million gallons of liquid petroleum products a year," Watson said.

Cannon joined Pioneer in August of 1972 as assistant manager for gas supply and in June of 1973, was named vice president of Pioneer Gas Products Company, a position he will continue to hold.

The Jersey Lily at Pecos, Tex., was the combined saloon and courtroom of Judge Roy Bean.

Mainly About Mobeetie

By MRS. W. BECK
Virginia Mae is the new sister of Albert and Doyle Aycock. Her parents are Mr. and Mrs. Robert Aycock and she arrived on the scene Saturday, Oct. 5, a few minutes before midnight. She and her mother came home from the Shamrock Hospital Tuesday.

Doug Baird underwent surgery in the High Plains Baptist Hospital in Amarillo last week and is reported improved, Monday.

Clyde Dickey is in St. Anthony's Hospital in Amarillo at this writing.

John Sims is home after spending several days in the hospital in Shamrock.

Vernon Hooker was dismissed from the Parkway Hospital in Wheeler, Thursday last week.

Mrs. Jewel Leonard is a patient in the Parkway Hospital in Wheeler at this time.

Mr. and Mrs. Leonard Johnson of Amarillo visited his parents, Mr. and Mrs. G.W. Johnson, Monday and wished his mother a happy 83rd birthday.

Mr. and Mrs. Dewey Kysar and family visited his mother and brother Mrs. Bert Kysar and Mr. and Mrs. Richard Kysar, and son Phillip, last weekend.

Recent visitors in the home of Mr. and Mrs. E.E. Johnston were a sister-in-law Mrs. Eula Johnston of Durant, Okla., and a niece, Mrs. Troy McKinzie of Altus, Okla. Mr. Johnston is home following several days stay in Highland Hospital in Pampa.

Mr. and Mrs. Jimmy Selby, Dewayne and Kathleen visited her parents, Mr. and Mrs. Elmer Wells in Guyman, Okla. last weekend.

Mr. and Mrs. Gene D. Harrison, Cindy and Leslie spent last weekend with his parents, Mr. and Mrs. Willard Harrison of Carnegie, Okla.

The Rev. Aaron Laverty visited Doug Baird in High Plains Hospital and Clyde Dickey in St. Anthony's

Hospital in Amarillo, Monday Tuesday morning he visited Mrs. Jewel Leonard, who is a patient in Parkway Hospital in Wheeler.

Mr. and Mrs. Byron Simpson and granddaughters, Gayla and Debbie Darnell, visited their son and family Mr. and Mrs. Jerry Simpson in Skellytown last weekend.

Mr. and Mrs. Ronnie Stuart visited his parents Mr. and Mrs. Calvin Stuart and sons while here they also visited her father, George B. Dunn, her brother, Bo Dunn and her grandparents, Mr. and Mrs. Tince Williams and Mrs. Thelma Dunn.

Mrs. Mary Brewer and daughter and son-in-law Mr. and Mrs. Len Stevenson visited in Denton and Dallas last week, Mrs. Brewer with her sister, The two brothers with their wives vacationed a few days in Hawaii, last week.

Mrs. Claudia Quarles and Mrs. Novelene Simpson visited their children Mr. and Mrs. Clinton Simpson and family in Amarillo, Tuesday and Wednesday.

Mr. and Mrs. Melvin May visited their children, Mr. and Mrs. Tom Stribling and Mrs. Jackie May and Don, in Miami, Sunday.

Mrs. Ethel Shackelford and several of her children Mr. and Mrs. C.B. Shackelford and Mrs. Viola Robertson, all of Panhandle, Mrs. Myrna Styner of Weatherford, Okla., Sam Shackelford of Pampa and Mr. and Mrs. Charlie Bright of Mobeetie attended a family reunion in the Community Building in Cordell, Okla., with some 58 people present.

Recent visitors of Mrs. Mary Brewer were her sister and brother-in-law, Mr. and Mrs. Steve Stephen of Okla. City, a sister-in-law Mrs. Claud Vawter of Sherman, and a granddaughter Miss Erietta Alexander of White Deer.

Claud Parker, who resides in the Abraham Nursing Home in Canadian, visited

his granddaughter, Mrs. Carlton Alexander in Perryton, Sunday.

Sunday afternoon visitors of Mrs. Bonnie Hogan were her son and daughter-in-law, Mr. and Mrs. James Hogan of Sunray.

Mr. and Mrs. J.H. Scribner of Plainview, visited and attended to business the first part of the week in Mobeetie.

Carl Dewayne Bright, son of Mr. and Mrs. Charlie Bright recently returned to his Navy Base at Treasure Island, near San Francisco, Calif.

Mrs. Bonnie Hogan and Mrs. Lorene Rector visited and shopped in Pampa, Wednesday, last week.

Mrs. Mable Burch of Mobeetie and Mrs. Mary Jane Mynear of Pampa, visited in the home of Mrs. Burch's brother Jerry Burch, Thursday evening.

Mrs. Walter Coward visited her son and family Mr. and Mrs. Gene Coward near Canadian, Tuesday.

Mrs. Bo Dunn was honored with a birthday dinner in the home of Mr. and Mrs. Tince Williams, Sunday. Those attending and wishing her happy birthday were Mr. and Mrs. Ronnie Stuart of Blackwell, Okla., Mr. and Mrs. Howard Hill and Mrs. Peggy Dunn of Wheeler, Mrs. Christine Meeks of Ft. Worth and her husband Bo Dunn.

May we express our sympathy to Mr. Mrs. Bob Galmor in the death of his brother, Woodrow Galmor of Forestburg, The Galmors attended the funeral, Friday.

Our sympathy goes to Mr. and Mrs. Ernest Gordon and Mrs. Flora Mae Kelley in the loss of their aunt in Shamrock, last week.

Investment Chatter

NEW YORK (UPI) — "While stocks are cheap and the technical ingredients are growing positive, the trend will remain down until leadership and volume develops," says Merkin & Co. It estimates the industrials will slip to the 500 to 525 range in the Dow Jones industrial average by the end of October or November. "With the outlook for most stock still pointing down," the firm continues, "traders and investors are advised to remain on the sidelines and to wait for a possible major buying opportunity in the coming weeks."

The Dow Jones industrials have averaged an annual growth rate of 8.4 per cent since 1945, says Wright Investors Service, which predicts even more favorable prospects ahead. "Even without any improvement in price earnings ratios," the Bridgeport, Conn. firm says, "investors in major blue chips can today look forward to a long-term annual growth rate of about 11 per cent."

Public Notices

NOTICE TO BIDDERS
The Commissioners Court of Gray County, Texas, will accept bids addressed to the County Judge of Gray County, Texas, until 10:00 a.m., November 1, 1974, for the purchase of one (1) used tractor (app. 40hp) and backhoe with fronted loader.
Specifications may be seen by contacting Jimmy McCracken, Commissioner, County Warehouse, Precinct No. 3, Pampa, Texas. To be paid from revenue sharing trust funds.
Bids shall be accompanied by bond as provided by Articles 2263 and 2264a and shall be opened and read in the County Courthouse in Pampa at the time set out above.
The Court reserves the right to waive technicalities and to reject any of all bids.

The Almanac

United Press International. Today is Sunday, Oct. 13, the 286th day of 1974 and 79 to follow.

The moon is approaching its new phase.

The morning stars are Venus and Saturn.

The evening stars are Mercury, Mars and Jupiter.

Those born on this date are under the sign of Libra.

Spanish King Ferdinand VII was born Oct. 13, 1784.

On this day in history:

In 1775, the Centennial Congress ordered construction of a naval fleet, thus originating the U.S. Navy.

In 1937, Germany promised Britain and France it would not violate the neutrality of Belgium, a promise later broken.

In 1943, Italy declared war on Germany, her earlier Axis partner in World War II.

In 1972, in the worst civil air disaster in history, more than 170 persons were killed when a Russian airliner crashed near the Moscow airport.

A thought for the day: Scottish novelist Robert Louis Stevenson said, "There is no duty so much underrated as the duty of being happy."

Red Cross News

By LIBBY SHOTWELL
 The Red Cross board met Tuesday morning, Oct. 8, with 20 members and one guest Denny Dannenburg, Physiotherapist at Highland General Hospital. Breakfast was served to the group and the program was on Cardio-pulmonary Resuscitation in basic life support given by Mrs. George Newberry, RN, and Dannenburg.

Mrs. Newberry told of the early signs of a heart attack and demonstrated on a dummy the proper way to give heart massage and artificial resuscitation. The board members took turns of using the dummy to revive a person. Miss Norma Briden, chapter chairman, held a short business session with standing committee chairman giving reports of the months work. The next meeting will be Nov. 12 in the City Club Room, City Hall.

The standard multimedia First Aid Class will begin Oct. 15 at the Pampa High School with J.D. Ray, FAI teaching the class. The community is invited to take this course and the cost is for textbooks only. Time is 7 p.m. to 9 p.m. on Tuesday evenings with the Adult Education Group. Our adult swim class has been completed with Jan Robertson instructing the course. Helen McGill, Donna Lowe, Virginia Bookout, Lala West, and Joyce Hunter completed the Adult Beginner class. Betty Casebier also taught

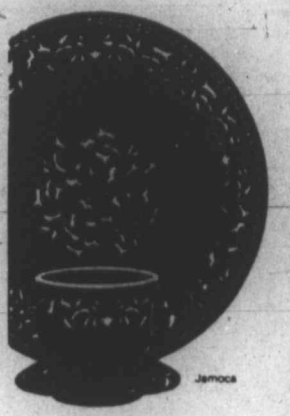

an adult Beginner class with the following receiving their cards: Elaine Graham, Trudy Henderson, Barbara Veach, Jimmie McCabe, Dorothy Keelin, Jane Radcliff, and Mary Johnson completing the course. There were 18 adults in these two classes. We have another Hospital Volunteer who has taken her training for this work at Highland General Hospital.

Mrs. Jim Powers (Arens) Route 2, White, Deer, will work with Mrs. E.C. Shuman (Mildred) on the 1st Friday and the 3rd Monday mornings. We are so very happy to have Mrs. Powers and we think it is great that our friends will drive from our neighboring town to help those who are ill in our hospitals.

HAVE LUNCH IN CALIFORNIA TOMORROW WITH FRANCISCAN EARTHENWARE

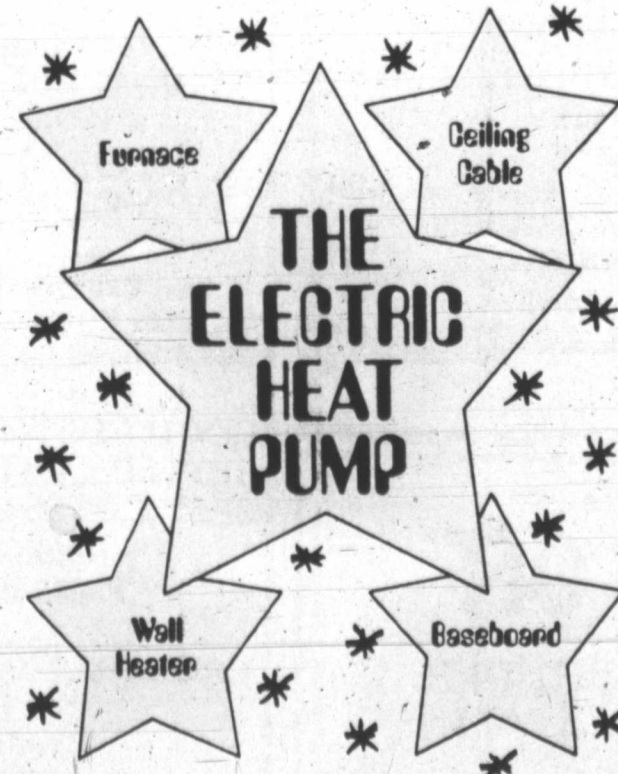

Franciscan borrowed these Earthenware designs from the sunny California scene and its Spanish heritage. Every piece is hand-crafted and hand-decorated. And those rich earthy colors and happy designs will never fade, never crack. Franciscan Earthenware resists chipping, and is completely safe in ovens and dishwashers. Come see them. And let us show you the nation's favorite contemporary crystal. Franciscan Modern in 8 forthright shapes. And 2 bold, vital colors. Start dining, California-style.

WARMTH LIKE THE SUN- 24 HOURS A DAY!

CHOOSE A BRIGHT STAR FROM THE GALAXY OF ELECTRIC HEAT!

That's electric heating... electric heat is clean, comfortable, economical... 100% efficient at the point of use. There are several different ways you can heat your home electrically. The best way to find out is to call us this week for a free personalized electric home heating survey!

Heat pump heats and cools your home with one unit. Using otherwise wasted heat and dependable electricity, the heat pump provides a comfortable climate throughout your home all year long... from the coldest winter's night to the hottest summer's day. Call us this week to find out more about the heat pump!

The Future Is Electric!

If you have to replace your old furnace this year...
 If you're thinking about adding Central Air Conditioning...
INVESTIGATE General Electric's Weathertron "HEAT PUMP" FOR HEATING & COOLING

This one remarkable unit cools your home in summer and heats it in winter! More efficient than ordinary resistance electric heating—provides 1 1/2 to 2 1/2 units of heat for every heat unit of electricity it uses depending on the outdoor temperature. No oil or gas furnace to worry about—needs no piping or flues—only one power source. The GE Weathertron Heat Pump operates by taking heat from the indoor air in summer and transferring it outdoors... from outdoor air in winter and transferring it indoors to maintain comfortable temperatures all year round automatically. It switches from heating to cooling and back again, as the weather dictates. Just set it and forget it!
