NOTICE TO THE PUBLIC
Any erroneous reflection upon the character, standing, or reputation of any individual, firm, concern, or corporation that may appear in the columns of the Pampa Daily News will be gladly corrected when called to the attention of the editor. It is not the intention of this newspaper to injure any individual, firm, or corporation, and corrections will be made when warranted as promptly as was the wrongfully published reference or article.

NEW MEXICO IS A STATE OF GREAT UNDEVELOPED RESOURCES, INCLUDING SCENIC POSSIBILITIES, AND LEADERS THERE ARE SOON TO ATTEMPT ORGANIZATION OF A STATE CHAMBER OF COMMERCE.

"It would be a sad commentary upon the business men of New Mexico if they were unable to lay aside all political, racial, and religious differences and organize for the promotion of the state's interests as a whole", says the Roswell Dispatch. "The meeting which will be held November 19 in Albuquerque for the purpose of organizing a state chamber of commerce will secure the whole-hearted support of every man and organization in the state who and which is patriotic enough to lay aside personal and sectional prejudices and forget political lines and work solely for commercial development of the state."

New Mexico needs leadership in her development—leadership divorced from the turbulent politics which dominates her elections. She needs a type of progress in which state graft charges will never be made, and in which men of all political faiths may have a part.

There are functions which ordinary departments of government cannot perform, and for the execution of which chambers of commerce are formed. New Mexico needs more advertising, more people, greater appreciation of her opportunities and popularity for her summer and health resorts. There are duties which logically fall to a chamber of commerce. Texas is too big to be served by one chamber, so she has many. New Mexico will become similarly too large for a single organization, but just now she lacks that one—a shortcoming soon to be remedied.

New Mexico newspapers are alarmed because border cities are making it well known that they are affiliated with the West Texas Chamber of Commerce. They feel that the state is losing its individuality. The answer is that cities wishing to forge ahead form chambers that will get results, and the New Mexico situation has arisen for lack of leadership to lead the state in similar work. However, state lines mean less in this day of fast travel. Even if New Mexico has a strong chamber for general purposes, her border cities will probably find it vital to cooperate with their neighbor communi-

ties over the line. The beneficial results should be mutual. Here is what the Santa Fe New Mexican says about it: "We should like to see the time come when Amarillo affiliates with the Eastern New Mexico chamber of commerce, and El Paso is glad to be honored with membership in the Southern New Mexico chamber association. Instead of getting submerged in somebody's else personality, let's extend ours right up to the state line in every direction, and push it over the line as Texas has been doing. Meanwhile, while the welcome sign

on the Texas border is kept bright and gleaming, let us not forget to have a similar sign on every other border. "An awakening of state spirit is always desirable. It seems to be particularly so at this time."

GOES TO AUSTIN
The Rev. D. H. Truhitt, pastor of the First Baptist church, left yesterday afternoon on a business trip to Austin, following which he will go to Beaumont, where the Texas Baptist association will convene Tuesday in annual session.

Mr. and Mrs. Roy Gillespie have announced the birth of a son on Tuesday, Nov. 12. The baby has been named Bobbie Gene.
Mrs. Clinton Henry and Miss Beulah Baird of Clarendon arrived yesterday afternoon to spend the week-end here as guests of Mrs. Henry's parents, Mr. and Mrs. Dave Pope.

HARVESTERS PROVE BETTER MUD HORSES AT PERRYTON—SCORE TWO TIMES IN FIRST PERIOD OF GAME

(Continued from page 1)

Captain M. Tucker of Perryton, and Captain Saulsbury of Pampa met in mid-field for the —. Saulsbury guessed "talks" and so it was. He chose to back up against the cold north breeze and Tucker decided to kick.

Bruner kicked 25 yards to Pafford, who returned 3. Saulsbury crashed right tackle for 6 yards, and circled right end for 6 more. Lard found his way around right end and dodged to the Perryton 13-yard line. Saulsbury plunger to the 6-yard line, then to within 3 yards of the goal. Chastain took the ball over on a criss-cross play. Lard's try for extra point hit the line.

Lard's return of Perryton's kick-off was 8 yards. Buckingham lost 2. Lard made 20 around right end, Buckingham raced away from left end for 32, and Saulsbury added a yard, putting the ball on Perryton's 15-yard line. Saulsbury and Lard barely failed of a first down and the ball went over on the 6-1-2 yard line.

Hangers Had to Punt

M. Tucker stabbed at the line for 1-2. Witt speared right tackle for 4, and Tucker got another. Shearer drove off left end for 6. Witt fumbled to lose 10 yards, but M. Tucker gained it back. Buckingham rushed up to stop Shearer at the line. Shearer punted out to the 30-yard line.

Lard slipped through right tackle for 4. Buckingham added 4 1-2 at left end, and Saulsbury fumbled but recovered to make a first down. Chastain made 5 around right end and Lard raced to the 1-yard line but was recalled by an offside penalty for Pam-

pa. Lard retraced his steps for 6 yards at right and repeated for 15 more, going over the 5-yard line. Saulsbury drove over right guard and over. Lard's kick for point was wide.

Buckingham kicked off to Brewer of Perryton, whom H. Ayres dropped in his tracks. L. Tucker made two on the Perryton 35-yard line as the first quarter ended. Score: Pampa 12, Perryton 0.

Witt went through for 9 and L. Tucker was set back by a teammate in motion in the backfield. Shearer made 4 then kicked but Pampa was offside and the ball was called back and Perryton given a first down. L. Tucker made 2 at center. Witt hit right guard for 1 yard and M. Tucker ran down right end for 1. Shearer kicked to Pampa's 20-yard line. Lard found a big hole and was downed after making 12 yards. Buckingham made 9 but an offside set the team back 5 yards on the play. Chastain went around right end for 9, then Lard lost 2 at the same place.

Christopher Was Good

Saulsbury's kick was blocked by Christopher but recovered by a teammate. Kicking too close to scrimmage, he saw Christopher block the second try and recover on Pampa's 28-yard marker. M. Tucker got 2 at right end on a fake play. Shearer lost 2 at left end. Witt lost 5 trying right end. The ball went over after M. Tucker lost 2 more on an attempted fake.

Saulsbury was held. Chastain fumbled and recovered but backfield motion brought a 5-yard penalty. Lard's pass to Saulsbury was low. Saulsbury kicked 35 yards to L. Tucker, who made no return. L. Tucker was stopped at center. The half ended on Perryton's 46-yard line. Score: Pampa 12, Perryton 0.

Pep Squads Active

Between halves the Pampa Green Jackets and the Red and White clad Perryton girls' pep squad gave clever drills in mid-field, and the Legion band from Pampa and the Perryton high school band played.

The same line-ups were started at the second half. Pampa kicked off 40 yards to M. Tucker, who returned 15. Shearer dived through 6 at left tackle. M. Tucker went through for 10 and L. Tucker for 5 and 4. Witt failed at left guard. Pampa lost 5 yards by an off-side. Shearer made a 1-2 and M. Tucker 2, then Pampa got the ball in a free fumble.

Saulsbury hit right end for 2 and Lard center for 2. Chastain slipped through for 9 but was held on another try. Buckingham got 2. Saulsbury 2, and Lard circled right end for 6. Saulsbury shoved over right guard 6 yards and got a first down on Perryton's off-side. Chastain went over left tackle for 5, Saulsbury hit center for 2 and 3, and Perryton was offside again, putting the ball on the latter's 9-yard line.

Fail to Go Over.

Buckingham tried left end for 1 and Lard 6, but the team lost 5 with a back field illegally in motion. Lard lost 3 and fumbled but retained the ball as it went out of bounds. Chastain squeezed a lone yard on Perryton's 10-yard line. Buckingham made 4 at left end but the ball went over on Perryton's 9-yard line.

Witt made 3 at right guard and M. Tucker 4 at right end, but Monroe stopped Shearer at the line as the quarter ended with the ball in Perryton's possession on her 13-yard line. Score: Pampa 12, Perryton 0.

To start the last period, Shearer punted to Lard, who returned 7 yards to the 50-yard line. Saulsbury made 3 at right end and Chastain 2 at left end. Saulsbury recovered his fumble, losing half a yard. He was held and the ball went over.

Chastain Was There

Witt got 2 at left end. Shearer passed to Coffee for 9 yards. He hurled another like it, but Chastain intervened, intercepted and ran to Perryton's 30-yard line. Chastain made 2 at right guard and Buckingham 2 at right tackle. Lard slipped through a big hole and eluded tacklers, dashing into the goal zone. His try for extra point was low.

Taking the kick-off for no gain, Perryton attempted to rally. Shearer broke through and dodged the secondary defense making 18 yards. L. Tucker added four, but Witt was held. M. Tucker lost 4, then Shearer punted to Lard on the Pampa 30-yard line. Buckingham was held. But Captain Saulsbury of Pampa skirted right end for 9 1-2 yards. Chastain was held. At this stage Coach Mitchell sent in 8 substitutes, and followed with two more, leaving only Saulsbury of the regulars to call signals.

Jim Ayres hit right tackle for 2. D. Benton for 2, and Saulsbury took a hand for 4. Joe Kahl was held, but D. Benton got 2 and 1. Saulsbury failed by a trifle to make his first down, and the ball went over. Witt of Perryton made 4 attempting to crash the new aggregation, and Shearer carried the ball to exact mid-field as the game ended. Final score, Pampa 18, Perryton 0.

WHEAT IS HIGHER

CHICAGO, Nov. 15. (AP)—Material fresh upturns in wheat values here took place early today owing to Liverpool quotations much higher than due and because of keto market advances.

Opening 1-2c to 1 7-8c higher, Chicago wheat afterward showed further gains. Corn, oats and provisions were also firmer, with corn starting 1-8c to 5-8c up, but subsequently reacting somewhat.

"We Are Here to Stay"

SIDELIGHTS

(Continued from Page 1)

Green Jackets, and fans. It was slushy marching, to say the least.

"Doc" Moss made it his purpose to show every courtesy, and other chamber members were at his bidding continually. Van Stewart, the very progressive Perryton editor, took the Pampa scribe in hand the whole "force" closed shop and went to the game.

Mothers present may have recognized their sons in the balls of mud that emerged from the pile-ups, but Twink of Pampa and Charles Claybaugh of the Ochiltree County Herald had all manner of trouble making identification, even though the referee made them the concession of working on the field. Number's disappeared the first time a player went down.

Bob Mullen, Pampa center, was on the verge of tears when his mud-caked shoes did not return from the cobbler's shop as quickly as did the shoes of other players. But the cobbler was sure though slow, and Bob traced into a great center-muddle. When a team has misty eyes before the game—look out! Coach Mitchell and Principal L. L. Sene were not very unchalant either as final exhortations were delivered. The Harvesters were mentally and physically primed from the start. Believe it or not, they needed to be; those Perryton backs are not slouches, though they never hit their stride for long at a time.

Part of the Harvesters' success this season is due to the sense of physical fitness that the coaches have been able to impress upon the team. Their endurance has impressed every opponent. "Coach, I haven't smoked a cigar since the training started," ventured Jim Ayres last night while the train was en route home. "And Jim" for that I will start you in our next game," shot back Coach Mitchell. Pampa's younger generation was well behaved and good humored

throughout. Who said the younger ideas just will shoot off a tangent? And who said the older generation was so all-fired pious? It is our idea that certain elders owe apologies, and we don't mean perhaps.

Perryton is eager to get rail and highway connections more directly with Pampa. Good feeling runs high between the two points. There was no hard feeling over the game. Appearance of a smiling Harvester brought a cheer from Perryton fans wherever he appeared. The victors were given the spoils and plenty of good wishes for the Pampa-Memphis encounter. Clarendon, by the way, forfeited to Memphis yesterday in the last part of the tilt at Memphis. It is rumored the fans clashed, but press dispatches offered no explanation.

Also heard: That a Memphis scout said his team would play one more game—with Pampa as the victor.

Pampa airplanes carried two parties to the game, and landed safely in the mid. Dr. J. C. McKean and Dr. H. H. Hicks went in the former's plane, and Clarence Barrett and H. Otto Sander rode in the Cree and Hoover plane piloted by Dutch Barkis. Gage Kennedy is pilot for Dr. McKean. The return trips were made in about 25 minutes.

No persons were more tireless in their efforts to make the trip a success than were Supt. R. B. Fisher and Principal L. L. Sene and their teachers. An honorable mention should go to the parents, especially mothers, who looked after the girls.

Another evidence of local support was the furnishing of the Harvesters' lunch, piping hot, by Pampa stores and restaurants. Among those who contributed were Gibson's Cafe, Barnes and Hastings Store, Oil Belt Grocery, My Bakery, Piggly-Wiggly, and M. System. Green Jackets served the meal on the train.

These items might be continued indefinitely. But in conclusion, Twink is authorized to deliver a part of not new but serviceable scissars to the person who left them or it on the train. Call at this office.

SATURDAY:
The Pythian Sisters will meet at 7:30 o'clock in the Odd Fellows hall.

Baptist Circles Hold Business Meetings and Mission Study Wednesday
Unit meetings of the four circles of the Baptist Women's Missionary union were held Wednesday afternoon, one at the church and the others in homes of members.

Mrs. L. H. Green was hostess to members of Circle 1. A lesson from "Pioneer Women," relating to missionary and social service work among the immigrants, was conducted by Mrs. E. F. Brake, following a devotional in which Mrs. T. W. Jameson led. Topics were given by Mrs. Green, Mrs. C. L. McKinney, Mrs. E. Bass Clay, Mrs. J. Powell Wehrung, and Mrs. Floyd McConnell.

Other members present were Mrs. H. L. Grove, Mrs. T. B. Solomon, Mrs. A. C. Shaw, Mrs. H. M. Stokes, Mrs. Karl Shulte, Mrs. McAllister, and Mrs. McIntosh.

Circle 2 met in the home of Mrs. Mary Binford, where a program on "Service" was conducted by Mrs. G. C. Stark. The devotional with which the meeting opened was led by Mrs. Robert Mitchell.

A new mission study, "Wandering Jew in Brazil," was adopted by the membership, with the next meeting day set for the first program. Members present at the meeting were: Mrs. Van Carter, Mrs. R. R. Hingate, Mrs. H. E. Percy, Mrs. Ernest Fletcher, Mrs. Price, Mrs. Clyde Gainer, Mrs. Stark, and Mrs. Mitchell.

Members of Circle 3 made plans for a Christmas social and program and discussed business at their meeting in the home of Mrs. E. L. Anderson. The following members attended: Mrs. W. B. Barton, Mrs. S. L. Anderson, Mrs. O. L. Beatty, Mrs. E. L. Billingsley, Mrs. L. H.

Anderson, Mrs. Taylor, Mrs. Hall, Mrs. E. B. Stephenson, Mrs. Charles Kentling, Mrs. Brown, Mrs. J. F. Schmidt, Mrs. D. L. Lansford, Mrs. G. D. Holmes, and Mrs. Smith Meadows.

Circle 4 met in the church parlor. Mrs. D. H. Truhitt presented an interesting lesson on "Intercessory Prayer," with Mrs. W. E. Cobb and Mrs. W. J. Turpin assisting.

Interesting Session of Episcopal Auxiliary Conducted Wednesday

Mrs. R. C. Sowder was hostess to the Women's auxiliary of the Episcopal church on Wednesday afternoon at one of its most interesting meetings in recent months. Mrs. M. K. Brown, president, opened the session with a devotional, reading as the Scripture verses 19 to 29 of Colossians.

"The University of the South and Church Schools of North Carolina" was the study topic for the day and the basis of an excellent program. Mrs. Wm. M. Craven read a paper on the University of the South at Nashville. Mrs. Steve Suratt told of the work of the Appalachian school in North Carolina, which is carried on through the united thank offering of the Episcopal church.

During the business discussion, representatives to aid in the Red Cross annual roll call were elected as follows: Mrs. John L. Peake, Mrs. Wm. M. Craven, Mrs. M. K. Brown, and Mrs. R. C. Sowder. Mrs. Robert Hickey, although not a member of the auxiliary, also will represent the Episcopal group.

Plans were begun for a benefit Colonial tea, to be given some time during February. A social half-hour was enjoyed after the adjournment, the hostess serving dainty refreshments. The following members were present: Mrs. C. F. Buckler, Mrs. Henry Thut, Sr., Mrs. F. M. Perry, Mrs. Morgan, Mrs. Lovell, Mrs. Peake, Mrs. Brown, Mrs. Craven, and Mrs. Suratt.

Order of Eastern Star to Hear Report Tonight

Mrs. Roy Sewell, associate matron of the Pampa chapter of the Order of the Eastern Star, will make an official report of the recent grand chapter session in San Antonio this evening, at a regular meeting of the local body in the Masonic hall.

Mrs. Wilson Hatcher, worthy matron, has issued a request that every officer and all members be present for the report, which, she said, contains much of interest and value.

CHURCH OF CHRIST

Acts 8:25-39 tells of the conversion of the eunuch; if we hear what he heard, and do what he did, why won't we be what he was religiously? Notice what took place in his conversion: "Then Philip opened his mouth, and began at the same scripture, and preached unto him Jesus. And as they went on their way, they came unto a certain water; and the eunuch said, See, here is water, what doth hinder me to be baptized? And Philip said, If thou believest with all thine heart, thou mayest. And he answered and said, I believe that Jesus Christ is the son of God. And he commanded the chariot to stand still; and they came down both into the water, both Philip and the eunuch; and he baptized him. And when they came up out of the water the spirit of the Lord caught away Philip, then the eunuch saw him no more: and he went on his way rejoicing."

The eunuch was a religious man before his conversion, but he had not believed and obeyed our Lord Jesus. After he believed and obeyed, he then rejoiced. We should not rejoice because we believe there is a Christ, but like the eunuch, we should rejoice after we believe and obey him.

"RADIO RED" COMPLETES HIS ENDURANCE DRIVE TOMORROW AT 1 P. M.

10/400
"better have that fixed before it develops into Real Trouble. Take it to a United Motors Service Station!"

It's a very short-sighted policy to allow your radiator to go on leaking, especially when our service is so quick and inexpensive. Usually a new hose connection or a repair to the core or to the upper or lower tank is all that is necessary. As an Authorized United Motors Service Station for the Harrison Radiator Corporation—world's largest manufacturer of automobile radiators exclusively—we know the radiator repair business thoroughly. Bring your car to us the moment the radiator begins to leak or bring it in now and we will inspect your radiator and hose—free!

EAGLE RADIATOR SHOP
516 West Foster

In spite of the cold and disagreeable weather "Radio Red" has carried on his endurance drive and will terminate the stunt to-morrow at 1 p. m. Mr. Dorman will sleep in the Amarillo Furniture Co. window, where prizes will be given to the one guessing the nearest to the time which the driver will spend in bed.

WILL DRIVE BLIND-FOLDED THE LAST HOUR!

10/400
CONOCO GASOLINE AND QUAKER STATE MOTOR OIL

are being used by "Radio Red" in his endurance drive which ends tomorrow.

"It is absolutely essential", says "Radio Red", "That I use only the highest quality of gas and motor oil—I must have the kind that I can depend on. For this reason I have chosen CONOCO GASOLINE and QUAKER STATE MOTOR OIL."

We sell Kelly-Springfield Tires—the kind being used by "Radio Red" in this drive.

CONFERENCE—

(Continued from Page 1)
ately. There were 1,400 additions and 500 professions of faith. A total of \$25,000 was raised in the district.
Dr. C. C. Selecman, president of Southern Methodist university, who delivered an excellent address to a packed house last night on Christian Education, occupied the speaker's stand during the forenoon, urging efforts be made for endowment of scholarships and professorships at his institution. Bishop Moore followed and told of the needs of theological students. He said there was need for a \$200,000 theological dormitory at the institution. He told of success in securing annuities for the institution. He told of success in securing annuities for the institution. The institution was now seeking to obtain six professorships at \$75,000 each so as to make the teaching staff as good as any of the ministerial salaries.
The concluding minutes of the morning session today were given to an address by S. M. Yancey, Fayetteville, Ark., superintendent of the Mount

Sayquola encampment, following a resolution adopted on the work of the church in this great summer encampment.

B. & P. Club Prepares for Rummage Sale Which Will Be Held Tomorrow

Members of the Business and Professional Women's club today were busily preparing for the rummage sale which they will hold tomorrow at the old Cuyler hotel building on South Cuyler street.
Garments of all kinds were being collected and marked for the sale. A number of household articles also had been donated by friends of the members.
Mrs. W. C. Mitchell, as chairman of the finance committee, was in general charge. Miss Mabel Davis and Mrs. E. R. Thomason were gathering the donations of those who could not take them to the sale. Mrs. Florence Way, Miss Gladys Paine, Miss Aurilla Miller were in charge of housing arrangements.
The sale will open at 9 o'clock to-

morrow morning, with the club members taking turns as sales girls. Profits from the project will be used largely for Christmas charity, it was said.

Wichita Woman Strangely Hurt at Rooming House

WICHITA, Kans., Nov. 15. (AP)—Police today were at a loss to explain the critical injury of 21-year-old Mrs. Grace Abel, found at her rooming house last night suffering from a fractured skull.
George Savage, filling station attendant, told police he had befriended Mrs. Abel when she told him she was without money and he had secured the room for her. Wednesday night, he said, he took food to her room. She seemed ill.
Savage said he could not suggest the source of her injury.

Perfect 36's to Be Sought Tonight for Lions Follies

First practice for the Lions Follies to be given on November 21 and 22 will be held this evening at 7:30 o'clock at the Music cottage on the Central campus.
The big frolic, if it lives up to reports from the many other cities which have presented a similar performance, will bring down the house on both evenings. Here is comment from a review of a similar show in another city:
"Our dramatic critic has declined to give any opinion as to the relative merits of the various he-ballet dancers and 'flopers' who appeared in this production, but declares the display of nether extremities on the stage reminded him somewhat of the classic curves of a bunch of broom-handles."
Hear the King Male Quartet, High School Auditorium Tonight.

International Sunday School Lesson

BY DR. J. E. NUNN

International Sunday School Lesson for Nov. 17, 1929.

General Topic:—Living With People of Other Races.

Scripture Lesson:—Acts 10:9-15; 30-35; Gal. 3:28, 29.

Acts 10:9. Now on the morrow, as they were on their journey, and drew night unto the city, Peter went up upon the housetop to pray, about the sixth hour:

10. And he became hungry, and desired to eat: but while they made ready, he fell into a trance:

11. And he beholdeth the heaven opened, and a certain vessel descending, as it were a great sheet, let down by four corners upon the earth:

12. Wherein were all manner of four-footed beasts and creeping things of the earth and birds of the heaven.

13. And there came a voice to him, Rise, Peter; kill and eat.

14. But Peter said, Not so, Lord; for I have never eaten anything that is common and unclean.

15. And a voice came unto him again for the second time, What God hath cleansed make not thou common.

16. And Cornelius said, Four days ago, until this hour, I was keeping the ninth hour of prayer in my house; and behold, a man stood before me in bright apparel.

17. And saith, Cornelius, thy prayer is heard, and thine alms are had in remembrance in the sight of God.

18. Send therefore to Joppa, and call unto thee Simon, who is surnamed Peter; he lodgeth in the house of Simon a tanner, by the sea side.

19. Forthwith therefore I sent to thee; and thou hast well done that thou art come. Now therefore we are all here present in the sight of God, to hear all things that have been commanded thee of the Lord.

20. And Peter opened his mouth, and said, of a truth I perceive that God is no respecter of persons:

21. But in every nation he that feareth him, and worketh righteousness, is acceptable to Him.

22. Gal. 3:28. There can be neither Jew nor Greek, there can be neither bond nor free, there can be no male and female; for ye all are one man in Christ Jesus.

23. And if ye are Christ's, then are ye Abraham's seed, heirs according to promise.

Golden Text:—Of a truth I perceive that God is no respecter of persons, but in every nation he that feareth Him, and worketh righteousness, is acceptable to him.—Acts 10:34, 35.

Time and Place:—The period of the lesson extends from B. C. 1433 to B.

C. 1102 (Beecher). Christ's conversation with the Samaritan woman near Sychar, A. D. 27, the first year of his ministry. The conversation of Cornelius, Caesarea, A. D. 41.

The United States is called "The

melting-pot of the nations." The term is most appropriate, since for many years our country has received far more immigrants than any other land in human history. More than a million a year reached our shores before our present immigration restriction law fixed the quotas admissible in any one year from the various foreign lands, and now more than half a million aliens come to us every year, a third of a million being immigrants. They are Armenians, Bohemians, Bulgarians, Servians, Chinese, Cubans,

Dillard Well Is Still Shut Down Awaiting Storage

Dillard and others' No. 1 Furneaux Brothers, section 202, block B-2, is still shut down for storage but it is estimated the well is good for 25 barrels a day from the present depth.

This well opens up a vast new amount of territory to exploitation, and the possibility of a new pool of large caliber.

The nearest production to this test is in a well drilled by the Empire Gas & Fuel company in section 185, to the northwest. It was completed at a total depth of 3,364 feet with an initial production of 25 barrels per day. It is 4 1/2 miles northwest of the Dillard discovery which is 12 miles southwest of the Finley-Brown pool. It sprayed five barrels of oil per day with 10,000,000 feet of gas, the gas coming from the upper lime and the oil from the granite wash at 2,070-75 feet.

Sea Food Firm Is New Addition Here in Business Circle

The Standard Fish and Oyster company has opened a new house at 802 west Foster avenue. It has modern equipment with an experienced staff in charge.

The firm is handling poultry, eggs, fruits, vegetables, fish, oysters, and all kinds of sea foods in season. It is said that few cities the size of Pampa have sea food houses.

Sea foods are recommended by physicians, especially in the prevention of diseases of the blood, such as goiter.

The new firm invites the public to visit its house.

Farley Tire Shops Win Goodrich Prize

News that Farley tire shops had won a nationwide contest of Goodrich tires was transmitted to the local shop today. Cal Farley, owner of the shops, will be given a Studebaker President sedan as the prize. The contest was held in connection with the recent tour of the Goodrich silver fleet, which passed through the Panhandle last spring. Each Goodrich dealer in the country was given a quota, and the Farley shops sold 220 per cent of the quota. Farley operates two shops in Amarillo, one in Pampa, and one in Borger.

Hear the King Male Quartet, High School Auditorium Tonight.

Giant Monte Blue Has Davy Lee for Support in Movie

Monte Blue, giant among stars, has in his support Davy Lee, thickest of stars in "Skin Deep" the latest Warner Bros. all talking Vitaphone picture now at the Rex theatre. As all the world knows four-year-old Davy Lee was the first player to be chosen for Al Jolson's "The Singing Fool," and it was his astonishingly natural work as the tiny tragic figure, "Sonny Boy," that caused Warners to elevate him to stardom—and to present him in the delightful comedy, "Sonny Boy."

The selection of Master Davy as the "Sonny Boy" of the "Singing Fool" is a triumph for the lad over one hundred and eighty screen children who were being considered by the Warner Bros. casting office.

And it was a personal triumph for Davy, for he won out all by himself. While Joe Marks, casting director, was interviewing the tot's mother, Davy wandered out on the lot, and was latter discovered by his frantic mother riding pick-a-back on the shoulders of Jolson. The two had already decided between themselves that Davy was to have the part.

After seeing a screen test of Davy Lee, Jack Warner, production manager, expressed the belief that the child was ideal, having much the same charm that Jackie Coogan showed in earlier screen roles, together with utter lack of self-consciousness. The child has an elfin twinkle, a shy humor and a way of playing his part that is quite irresistible.

Jolson again chose Davy to support him in "Say It with Jones."

In "Skin Deep" Davy plays the part of the son of the district attorney, who has prosecuted Joe Dalley, causing his sentence to Sing Sing. Davy's wife makes him believe that the prosecutor has designs on her and when free from prison he goes to the attorney's house intending to kill him. This decision is changed by the coming of Davy!

LESSON

(Continued from page 5.) Dutch, English, French, Germans, Mexicans, Russians, Swedes, Syrians, Turks, and people from many other lands. Never before has a nation been so cosmopolitan as ours. Never before has a country been faced to such a degree as ours with the problem we are to study today, the question how people of many races can live happily and helpfully together.

Ruth the Moabitess One of the most beautiful stories in the Bible is that of Ruth. We are all familiar with it. We all know how Ruth insisted upon going with her mother-in-law, using the lovely words that have become classic: "Entreat me not to leave thee, and to return from following after thee; for whither thou goest, I will go; and where thou lodgest, I will lodge; thy people shall be my people, and thy God my God; where thou diest, will I die, and there will I be buried; Jehovah do so to me, and more also, if I should be parted from thee and me." Those words may be called the Pledge of the Emigrant on taking up an abode among a new people.

We all know also Ruth's later story, her faithfulness to Naomi, her industry, her fine character that won the approval of Boaz, her marriage to that noble gentleman, and the fact that she, a Moabitess, a foreigner, became an ancestress not only of David, the great king of the Jews, but also of "great David's greater son," Jesus Christ, the Son of God and Saviour of men.

The Samaritan Woman In our last lesson we had a few verses from Christ's memorable conversation with the woman of Sychar at Jacob's well in Samaria. This despised Samaritan, member of a race with whom the Jews had no dealings, a woman, moreover, of abandoned character, was the recipient from our Lord of some of his most exalted sayings. He told her that he would give to any one who asked, the living water "springing up into eternal life," and whoever should drink of it would never thirst again. He gave to her the memorable definition of true worship: "God is a Spirit; and they that worship Him must worship in spirit and truth." He declared to her point-blank that He was the Messiah. The Samaritan woman was so moved by this contact with a Being of unexampled purity, beauty, and wisdom that she went to Sychar and became a devotedly efficient though crude herald of the Saviour.

Cornelius, the Roman Centurion

The Jews hated the Romans and at the same time feared them. They were despised Gentiles, and they were the proud conquerors of Palestine. Peter, the head of the apostolic band, was firmly fixed in his Jewish prejudices. To touch a Gentile would pollute him and render him unfit to join in the worship of God. He would not think of entering a Gentile home or eating at a Gentile table. In Caesarea on the seaboard, the Roman capital of the country, was a Roman centurion Cornelius. He was truly religious, prayed always to God, and gave much alms to the poor.

To this admirable Latin soldier God sent an angel in broad daylight, telling him that the Lord had heard his prayer. And seen his almsgiving, and had a reward in store for him. He was to be a messenger to Peter, who was lodging in Joppa with Simon a tanner, and he was to ask Peter to come to him in Caesarea, since of course a Roman soldier could not leave his duty to go to Joppa. So Cornelius sent two of his household servants and one of his soldiers, a devout man like himself, and they sped on their errand.

The Vision of Peter Peter went up upon the housetop to pray. The flat Eastern housetops, screened by walls three or four feet high, make admirable places for prayer and religious meditation. "About the sixth hour," Noon, the day beginning at sunrise, our 6 a. m. This was one of the three regular times for daily prayer.

"He fell into a trance." This was a spiritual ecstasy following his prayer. "And he beheldeth the heaven opened." Signifying that the vision was from God. "And a certain vessel descending. . . Wherein were all manner of fourfooted beasts and creeping things of the earth and birds of the heaven." A great hodgepodge of living things, fishes only being omitted, though some of those also were reckoned unclean. Peter was probably kneeling and was to rise from that posture, which would indicate that the trance fell upon him as he was praying.

"I have never eaten anything that is common and unclean." Food that was "common" was in common use by Gentiles, but forbidden to Jews. "Unclean" ceremonially, unfit to eat if one would observe the laws of Moses. "No greater shock to a Hebrew could be imagined than to be told to assuage his hunger by eating unclean meats. It is recorded in the Second Book of Maccabees (6:18:7:1) that Hebrews submitted to death that they

might escape such an indignity." Philip Schaff.

The Voice From Heaven "And a voice came unto him again the second time, What God hath cleansed make not thou common." The heaven-sent voice revokes what had been enjoined from heaven at the giving of the Law.

The message was repeated three times to make it unmistakable, as Christ had bidden Peter three times to feed his flock (John 21:15-17). Then the great sheet was taken back into heaven to emphasize its origin from above. While Peter was wondering what the vision meant, it was interpreted by the event, for the messengers of Cornelius arrived and presented their request from the centurion; and though before the vision Peter would certainly have refused, he was now constrained to grant the request, and the next day he went to Caesarea with the messengers. Cornelius met the apostle with all respect, and brought him before a gathering of his household and friends of his house.

"God is No Respector of Persons" "And Peter opened his mouth, and said, Of a truth I perceive that God is no respecter of persons." God has no favoritism; He thinks no more of the rich and powerful than of the poor and humble. "But in every nation he that feareth Him, and worketh righteousness, is acceptable to Him." Two things, and two things only, render one pleasing to God; not race, not nationality, not station, not outward conformity to religious rites, nothing but the fear of God in the heart and obedience to God in the life.

Peter followed these epochal words with an eloquent sermon on the life of Jesus Christ, his sacrificial death, and his glorious resurrection, a sermon so moving on the hearts of his hearers that the descent of the Holy Spirit testified to their acceptance of Christian truth, and all present were admitted to the church by baptism. This was the beginning of the expansion of Christianity beyond the Jews, an expansion for which Peter stoutly contended at a meeting in Jerusalem, silencing his critics by telling the wonderful story of his visit to Cornelius, and winning not only their approval but their glad thanksgiving.

Neither Jew Nor Greek "There can be neither Jew nor Greek; for ye are one man in Christ Jesus." Gal. 3:28. The truth that Peter learned on the housetop in Joppa was learned by Paul in Damascus, and put into practice through the remainder of his heroic life. As he wrote when contemplating a visit to Rome to preach the gospel at the

heart of the Gentile world; "I am debtor both to Greeks and to Barbarians, both to the wise and to the foolish." Christ had placed him under so heavy a debt by what he had done for him that Paul could never pay it; but the attempt to pay it required him to do all he could to carry out the Great Commission, and pass the good news along to all men, all nations, all races. That was the motive of the life, which next to that of the Saviour, was the noblest ever lived on earth.

The Brotherhood of Men "Then let us pray that come it may As come it will for a' that— That man to man the world o'er Shall brothers be for a' that!" — Burns.

Advertisement for American Beauty automatic electric iron. Text: A Different and Better Electric Iron. With this iron you merely touch the control lever to get the proper heat for any particular kind of work. The automatic thermostat holds the heat at exactly the required degree. To make it easy for you to own one of these marvelous irons we will allow \$1.00 for your old iron—any kind or condition to apply on the purchase of an American Beauty automatic electric iron. The best iron made. You Pay Only 95c. Down! and enjoy using the perfect iron while paying the balance at the rate of \$1.00 A MONTH! There has never before been an iron like this! Southwestern Public Service Company.

Advertisement for Frigidaire refrigerators. Text: How can the Price be so low? Frigidaire has certain important features you will want when you buy an automatic refrigerator. And because it has all of these features you probably think it costs more. But it doesn't. It costs less. In other words, you get the famous Frigidaire "Cold Control" without cost. You pay nothing extra for the surplus power of the Frigidaire compressor. You pay no premium for the greater beauty of the Frigidaire cabinets or the greater convenience of design and arrangement. But how can the price be so low? More than a million Frigidaires are in use and sales are greater than the sales of all other makes of electric refrigerators combined. That means that Frigidaire has the advantage of quantity production and its resulting economies. Frigidaire prices are low because Frigidaire occupies a position of dominant leadership in the field of electric refrigeration. A leadership won by superior quality and unquestioned dependability when prices were far higher than they are today. Come in, get the figures, and make comparisons. Do it today.

Advertisement for White Swan Coffee. Text: "I never thought your husband went into places like that!" Mrs. BEARDSLEY had just returned from the city and she was telling her friend, Mrs. Stanley, all about her visit. "... and I saw him through the window. He was all alone at a table in the main dining room of the very best hotel. I was so surprised—you know, from seeing your husband washing his own car and cutting the grass himself and all those things. I didn't think he was at all extravagant." "Sure, I go in there once in a while when I'm in the city," Mr. Stanley told his wife that evening. "It's not for the food. It's for the coffee. That coffee is worth the price of a meal there by itself. You know, dear, I simply must have good coffee once in a while and... well, I didn't like to hurt your feelings by mentioning it." "That coffee, madam," the waiter told Mrs. Stanley the next time she accompanied her husband, "is White Swan Coffee. This hotel has used it for years." Wives who are coffee-wise know that the appetizing aroma and satisfying flavor of White Swan Coffee served at home makes everyone wish that every meal could be eaten there.
