SHERIFF IS HELD BLAMELESS FOR SHOOTING OF WOMAN

SHOT TO SAVE HIS OWN LIFE ON WILD RIDE

Mrs. Louise Horton Is Thought Crazed by Drink

BOOZE RUNNING BRINGS TRAGEDY

Much Alcohol Is Found in Car—Driver Has Alibi

HERINGTON, Kans., Nov. 16. (P)—Sheriff Sidney C. Dederick today was exonerated by a coroner's jury inquiring into action of the officer who last night shot and killed Mrs. Louise Horton, 35, of Kansas City, a whiskey runner.

After an inquest, late today, the jury found that the sheriff "shot lawfully in the discharge of his duty in defense of his life." Following the verdict County Attorney William J. Scott, Dickinson county, said no charges would be filed against the officer.

Mack Howard Harris, 41, also of Kansas City, driver of the "liquor car" in which the woman was riding when she was killed, testified at the inquest. He said Mrs. Horton was apparently under the influence of liquor and appeared crazed after the officer climbed on the running board of their car, and that he believed she would have used a revolver which Sheriff Dederick said the woman stuck into his body.

Harris was returned to the county jail at Abilene, Kans. No charges have been filed against him and the county attorney tonight said he was uncertain as to what action he would take. Sheriff Dederick had halted the woman's car as it was driven into the yard of a house on the outskirts of Herington, suspected of harboring a gang of liquor runners. The officer stepped on the running board just as Mack Howard Harris, 41, also of Kansas City, the woman's driver, speeded up the machine.

Down Herington's main street sped the automobile. Mrs. Horton, according to the officer, drew a revolver, and ordered him to jump from the car.

Behind the liquor runner's machine another automobile, carrying additional officers, gave chase. As the center of the town was reached the sheriff said Mrs. Horton exclaimed, "here's where I let you have it unless you jump."

As she slumped in the seat Harris obeyed the officer's order to stop the machine and surrendered. Harris denied ownership of two five-gallon jugs of alcohol and 25 one-gallon jugs of whiskey found in the car. The liquor and automobile belonged to Mrs. Horton, he asserted. He said he had been paid \$50 for making the drive.

The woman's husband, Frank Horton, alias Frank Bassett, or Jerry Bassett, is serving a prison term at Cottonwood Falls, Kans., for a liquor law violation.

Harris and his wife have been living in Kansas City with Mrs. Horton. A raid on the residence last spring resulted in the filing of state charge against Horton. He is a former Jackson county, Mo., deputy sheriff and recently was freed in federal court on a charge of selling protection to bootleggers.

Rev. J. W. Watson, Quannah, is made conference Sunday school superintendent and will be appointed to that post by the bishop. He spoke during yesterday afternoon asking cooperation of the pastors.

LIONS TO LEARN ABOUT WOMEN IN REVUE

Cast of Local "Girls" Is Released for First Time Today

Masculine pulchritude of Pampa assembled in the music cottage of the high school Friday night "to learn about women" from W. H. Aldridge, who is directing the Lions Follies which will be presented at the Central gymnasium next Thursday and Friday nights. The Lions club is sponsoring the dancing revue. A similar entertainment was presented at Panhandle Wednesday and Thursday nights and the high school auditorium was packed both nights.

The men were given their first lesson in transforming themselves into the "red hot mamas" and "jazz babies" that have taken up so much of their time and conversation in the past. After brief workouts, "Zieg" Aldridge announced the following "lasses" will form the revue cast and urges them to be at the gymnasium today at 3 o'clock for practice. He says that as only a few nights are available for practice before the opening night, it is almost necessary for the men to be on hand today.

The cast of the revue is as follows: Bathing beauties—Miss Pampa, Miss Otta Lee Studer; Miss 1929, Miss Johnnie Louise Peak; Miss Miami, the petite Miss Harriet Hoare; Miss Panhandle, Miss Walden Coffee; Miss Amarillo, Miss Clydean Fatheree; Miss Clara Bow, Miss Charlotte Dunkel; Miss Joan Crawford, Miss Lucy Lou Sone; John Gilbert, Miss Portia Malone; Greta Garbo, Miss Phyllis Carlson; Gloria Swanson, Miss Evalina Bechtelheimer; Charles Chaplin, Miss Phyllis Pond.

Chorus girls—Miss Vergie Castle, Miss Bertha Curry, Miss Clarice Kennedy, Miss Charline Boles, Miss Rachel Wilson, Miss Carlotta Schulkey, Miss Billie Frazer, Miss Elberta Thomas, Miss Peaches Browning Akers, Miss Artie Fullingim.

Russian (rush-in)—Miss Callie Callison, Miss Georgia M. Wallace, Miss Melvina P. Downs, Miss Clyde Stuckey.

Gypsy camp—King, Grady Morton; dancer, Miss Wadie Duncan; singer, Miss Della Vicars; violinist, Miss Eudora D. Zimmerman; tribe members, Miss Henrietta D. Lewis, Miss Eula Leech, Miss Ola Hinkle, Miss Tommie Erabham.

Spanish Dancers—Miss H. Hennie Hicks and Miss Clara Barrett.

Flappers of yesterday—Miss C. Helen Walker and Miss Willie Ada Bratton; flappers of 1929, to be chosen.

School Days—flapper teacher, Miss Frankie Culberson; Goldie Locks, Miss Mickey Hughes; Twins, Miss Paula Shepherd and Miss Aline Schneider; Mary, Miss Jane Cummings; naughty boys, Miss Allie Clark, Miss Mattie Lewis, Miss Rosie McGarrity, Miss Bobbie Thompson; Royal Oder O Ducks—Miss Rose Bud Fisher, Miss Tommie Fannell, Miss Georgia Briggs, Miss Connie Loftus, Miss Rayl McMillan, Miss C. Olivene Busby.

Pianist, Miss Hannah H. McSkimming; specialty, Miss Roberta Rose, Miss Chickie Hickman, Miss Jackie Dunn, Miss Dudie Balthrope.

Denver Rail Men Are Working Here

Three officials of the Fort Worth & Denver railroad have been here several days in connection with work on the proposed line from Pampa to Childers. They are John A. Hulien of the traffic department; L. M. Hogsett, general freight and passenger agent; and M. B. Oates, agricultural agent.

The Denver road officials are confident they will win the railroad battle for permission to enter the Pampa territory. However, the Interstate Commerce Commission will not announce its decision before January 1, it is believed.

BIG PROGRAM TO OPEN WITH 'LOVE FEAST'

Bishop Moore Will Be Speaker This Morning

CONFERENCE IS NEARING CLOSE

Appointments Will Be Broadcast This Evening

BY HAMILTON WRIGHT
By a vote of 116 to 62 the Northwest Texas conference of the Methodist church today voted down a resolution requesting the presiding bishop to set the time for the annual convention in midsummer instead of during the month of November as is the present custom. The debate on the resolution waxed warm but friendly throughout. The conference was busy throughout two sessions during the day hearing reports and adopting them.

The financial report of John B. Eldridge, treasurer of the conference, disclosed that the conference had raised:

Today's Program
An old-fashioned love feast will be first on the program of the Northwest Texas Methodist Conference today. It will begin at 9 a. m. Bishop Moore will occupy the pulpit at 11 a. m. and Dr. B. W. Dodson of Brownfield at the evening hour. The conference will hear the appointments after the evening service. Bishop Moore's reading will be broadcast from Station W DAG at Amarillo, about 8 p. m.

At 3 o'clock a memorial service for Methodist dead will be held with Dr. J. T. Griswold of Childers in charge. Visiting pastors will occupy local pulpits today. Rev. Gaston Poole of Haskell will preach at the Presbyterian church this morning and Rev. J. W. Hendrix of Tulsa in the evening. Rev. Lewis N. Stuckey of Amarillo will preach this morning at the Baptist church, and Rev. J. L. Henson of Abilene will speak in the evening. Rev. O. P. Clark of Sweetwater will occupy the First Christian pulpit this morning while this evening the congregation will hear the Rev. W. C. Hinds of Colorado City.

ed during the year for all purposes \$1,320,977. It raised \$87,530 on conference benevolence, or 72 1/4 per cent on the assessments, compared with 76 per cent last year. In the face of the severe drought prevalent in five districts, the record was commended by Bishop Moore.

Want Bigger Districts
During the forenoon the report of the board of education was adopted with the exception of one item relative to a proposed change to be made in the discipline looking to enlargement of presiding elders' districts and reduction of their number wherever possible. The report was finally referred back to the committee for further study and thought. In the afternoon it was brought before the house in an altered form and readily passed.

The name of Rev. M. H. Hudson, Hermleigh, was referred to the committee on conference relations for the superannuate relation. The name of John W. Hawkins went to the committee for the superannuate relation.

In resolutions adopted today one commended President Hoover was commended on his stand on prohibition and world peace. Another gives a bill of clean health to Bishop Cannon. The report of the mission committee provides for a demonstration county within the bounds of the conference for evangelism. Sunday school and other training.

New Elder Is Named
Bishop Moore announced appointments for the superannuate relation.

Big Kansas Well
WICHITA, Kans., Nov. 16. (P)—Flowing 1,334 barrels in the first 24 hours, Derby Oil company's one Stuckey in Voshel eight miles south of McPherson was reached tonight as one of the best wells in the state. In the first eleven and one-half hours the well flowed 756 barrels. The well has been shut in to fifty barrels a day pending prorotation of an agreement.

MOWERY TO BE JUDGE FOR SHOW

Catalogs of Event Are Being Sent Out in Territory

The catalog of the Pampa Poultry Breeders' association annual show of December 5, 6, and 7 has been printed and is being widely distributed.

Prof. R. C. Mowery of the animal husbandry department of Texas Technological college will again be judge. The first annual rabbit show will be held in conjunction, and Russell Middleton will be judge.

The shows will be held in the new Studebaker garage.

In the poultry show, regular premiums will be paid on all standard varieties of fowls. There will also be sweepstakes prizes, prizes for turkeys, and for egg displays. The utility show this year will be limited to the English leg horn. All other breeds will be entered and judged in the regular standard division.

The rabbit show will be conducted under the rules of the American Rabbit and Cavy Breeders' association, of which the local association is a member.

Irvin Cole is president of the local Poultry association and George W. Briggs of the B. C. D. is secretary. C. C. Dodd is superintendent of the show.

Girl on Stand For Nine Hours in Davis Trial

Sobs and hysterical weeping frequently shook the frame of the prosecuting witness in the H. H. Davis criminal assault case, an 18-year-old girl from Chillicothe, during nine hours of grueling cross-examination, but when she rose from the witness chair at 6 o'clock last night the defense attorney had failed materially to alter the story which she has told to two Gray county juries.

The girl took the stand last night, repeating the testimony that she gave a month ago when Tom C. Johnson, Wheeler county deputy sheriff, was given a 10-year sentence for his part in the alleged attack on the girl and her older sister. She again told how she and her sister were taken by the two men to a pasture near Shamrock, after their companions had been put in jail on charges of reckless driving and speeding.

The girl was the third state's witness taken to the witness chair. Several character witnesses testified last night before court adjourned until Monday morning. The case is proceeding much more slowly than the Johnson case, which required a week for hearing. In all, the girl was on the stand 12 hours.

Davis will testify in his own behalf next week, probably Tuesday night or Wednesday, and it remains to be seen whether or not his testimony will be identical with that given by Johnson. About 40 witnesses were sworn in at the opening of the case Friday afternoon, though it is doubtful if the state will introduce the testimony of any besides the material witnesses.

Although citizens of the community are largely familiar with the testimony which thus far is practically the same as in the Johnson case, the courtroom is as crowded as when the deputy was tried.

Fatigue Noted in Condition of Secretary Good

WASHINGTON, Nov. 16. (P)—A "marked fatigue" in the condition of James W. Good, secretary of war, was reported tonight by physicians at his bedside as he resisted the infection that gripped him after an emergency operation for appendicitis last Wednesday.

The fatigue was regarded by the physicians as an unhelpful sign even though they said septic symptoms had not progressed.

COURTHOUSE IS COSTING MORE THAN FIGURED

Total Will Amount to \$350,000 When Completed

INCREASES MORE THAN THE CUTS

Warrant Sale Already Reaches Sum of \$332,500

The total cost to date of the Gray county courthouse since construction was begun on it eight months ago is \$345,881.38, according to figures compiled by R. C. Wilson, auditor, at the request of The News. Of this sum \$209,840.74 has been paid and \$136,040.64 is due. Amount of increases over the original contracts total \$12,548.44, while the reductions aggregate \$2,940.

Bills, paid and unpaid are as follows:

H. L. Case & Co., paid, \$152,583.63; due, \$66,323.17; site, \$24,405.16; plumbing, paid, \$14,469.10; due, \$3,794.90; Kaufman, architect, paid, \$11,374.26; due, \$3,693.60; paving paid, \$4,778.49; nothing due; Broome Electric company, paid, \$1,957.50; due, \$6,622.50; legal advice, \$250; interest on warrant, paid, \$12.68; interest on warrant, paid, \$10; Paulty job, due, \$17,980; McEwelee wood work, due, \$22,849.07; Art Metal and steel, due, \$12,751.40; Venetian blinds, \$2,226.

Total amount of contracts is \$306,816.69, but as the increases in final contracts were much larger than the reductions, the disbursements will amount to \$345,881.38 when the present contract bills are paid. There was an increase of \$5,000 and a reduction of \$2,800 in the Case Company contract. Mr. Kaufman's work was increased \$697.54 and lowered \$140 in amount.

The sale of the warrants aggregated \$332,500; the depository interest, \$180.79; the accrued interest to date, \$3,387.71; total \$336,068.50.

There is a probability that the present disbursement sum will be increased by the time the courthouse is ready for occupancy.

Fatigue Noted in Condition of Secretary Good

WASHINGTON, Nov. 16. (P)—A "marked fatigue" in the condition of James W. Good, secretary of war, was reported tonight by physicians at his bedside as he resisted the infection that gripped him after an emergency operation for appendicitis last Wednesday.

The fatigue was regarded by the physicians as an unhelpful sign even though they said septic symptoms had not progressed.

Earlier in the night a slight improvement had been noted in the secretary's condition when it was reported that his pulse, respiration, temperature and blood count were better. His physicians also had administered nourishment which was retained. This also was regarded as favorable.

PASS MEMORIAL
ATLANTA, Nov. 16. (P)—By a vote of 169 to 64, the North Georgia conference of the Methodist Episcopal church, South, late today adopted a memorial proposing to the general conference that bishops be elected for a four-year term instead of for life. Bishops would be eligible for re-election under the new plan, which was also approved recently by the South Georgia conference.

Eugene Johnson, employed by The News as linotype operator, is spending the week-end in Canyon with friends.

NEW FIRE TRUCK IS BOUGHT BY CITY

Lower Fire Rate May Result From Purchase

Purchase of a new La France fire truck was announced today by City Manager F. M. Gwin. It will be shipped to Pampa immediately.

The new truck is a 1929 model of the type owned by the city at present. Cost was \$12,500.

When the new fire-fighter arrives it will be housed in the fire hall, while the small, ancient truck will be stored elsewhere. City commissioners believe the new machine will result in a lower fire rate.

Curtailment Is Cutting Gray Oil Totals Sharply

Although three oil wells were completed during the last week with a combined initial production of 2,113 barrels, the curtailment which has been in effect for three months hampered down the daily production of the county to 61,204 barrels, a decrease of 2,626 barrels compared with that of the previous week.

The biggest well of the week was Humble Oil and Refining company's No. 3 Jackson, section 90, block B-2, H&GN survey, whose initial production was 985 barrels, at 3,050 feet. The well was completed by swabbing and gas lift.

McMan Oil and Gas company's No. 4 Jackson section 90, block B-2, H&GN survey, had an initial production of 708 barrels at 2,880 feet.

Magnolia Petroleum company's No. 2 Wright, section 13, block 3, I&GN survey, struck pay at 2,787 feet and had an initial production of 410 barrels.

Wells and production by counties compared with the previous week:

Carson—193 wells producing 9,973 barrels, a loss of 29 barrels.

Gray—477 wells producing 61,204 barrels, a loss of 2,626 barrels.

Potter—1 well with no production.

Hutchinson—979 wells producing 27,753 barrels, an increase of 623 barrels.

Moore—19 wells producing 790 barrels, an increase of 20 barrels.

Wheeler—38 wells producing 610 barrels, an increase of 93 barrels.

Total production—1,697 wells, producing 100,330 barrels, a loss of 2,159 barrels.

Average production per well 56.8 barrels, a loss of 2 barrels.

Lyceum Program by Quartet Enjoyed on Friday Evening

A Central auditorium audience Friday night enjoyed an excellent program brought by Lloyd King of Cleveland and his King's Columbian quartet.

Besides being a fine group organization, the members of the quartet are highly talented as soloists. Mr. King gave an amusing impersonation of an "Arkansas Traveler."

The feature entertainment of the evening was played upon several dozen bells of graduated sizes. These hand bells, handled with amazing dexterity by the four young men, were used to give chime effects and to play many tunes.

Both popular and classical quartet selections were sung.

CALHOUN SAYS NEW EVIDENCE IS UNCOVERED

Jones and Hodges to Be Tried Within Month

OTHER PERSONS LIKELY INVOLVED

Accused Men Maintain Pleas of Being Innocent

STINNETT, Nov. 16. (P)—Former Deputy Constable Sam Jones of Borger and Jim Hodges of the same city were indicted today by the Hutchinson county grand jury for the assassination at Borger Sept. 13 of District Attorney John A. Holmes. It was understood that other indictments were returned in the case, but no announcements were made tonight.

Holmes assassination was the climax of a reign of crime in Borger, oil town which led Governor Dan Moody to declare martial law there and force the resignation of the Hutchinson county and Borger city administration.

Jones and Hodges already were charged with the crime. Jones was the second officer to be arrested under the reign of martial law. At that time he was charged with accepting a bribe. Later he was returned to Borger from Hobbs, N. M., and the murder charge filed against him. Hodges, manager of a boiler works, once was prosecuted by Holmes in a pipe theft case.

Both men maintained their innocence tonight. District Attorney Clem Calhoun, however, expressed confidence that the indictments would eventually solve the Holmes mystery.

"We will go to bat with these cases as soon as possible," Calhoun said. "More evidence against Jones and Hodges has been collected since their arrest in the Holmes case. The two will not be tried in the next two weeks, however, as the Hale and Scott murder trials at Canadian will occupy the time of my department. Jones and Hodges will be tried in Stinnett some time after those cases are ended."

Calhoun said that neither man had made any statement and that the indictments rested on the testimony of others.

Holmes was shot down as he was putting his car in his garage on the night of Sept. 13. His wife, who had just left the car, was a short distance away on her way to the house.

HOME NEEDED BY ORPHAN GIRL IN SCHOOL HERE

An orphan girl 11 years of age, who has been cared for by local women for two months, is in need of a good home, according to County Judge Ivy E. Duncan.

The judge does not wish to send the girl to an orphan home, and hopes that some local family will adopt her. She is in school here. Anyone interested is asked to communicate with the judge.

DEPARTMENT OF JUSTICE STUDIES LIQUOR TOLLING

WASHINGTON, Nov. 16. (P)—A possibility that the supreme court will be asked to decide whether buyers of liquor are subject to Volstead law penalties as well as sellers and transporters of liquor has developed as a result of legal studies in progress at the department of justice.

If the question goes to the supreme court, it probably will be in the form of a petition for a writ of certiorari, which the government may ask as a sequel to a recent decision of the federal circuit court of appeals at Philadelphia interpreted to mean that liquor buyers have no culpability under the present Volstead statute.

ACTRESS GETS DAMAGES
WHITE PLAINS, N. Y., Nov. 16. (P)—A supreme court jury tonight awarded \$167,600 to Miss Juanita Hansen, former motion picture actress, as damages for burns she said she suffered in a shower bath in the hotel Lincoln, N. Y.

"Radio Red" Ends Endurance Drive

Hundreds of persons who saw "Radio Red" Dorman drive up and down Pampa streets in his 100-hour endurance drive which ended at 2 o'clock today, heard him snore and watched him sleep Saturday afternoon on a handcraft mattress in the display window of the Amarillo Furniture company here.

Exactly two minutes after "Red" hit the hay at 2:15 o'clock he was dead to the world, "sawing wood" like an old-timer. He was oblivious to the eyes of hundreds who watched his tired body as it rested in the arms of Morpheus. "Red" could barely keep his eyes open as he walked to the furniture store. It

was five minutes before he could take a step after the handcraft that held his left hand to the steering wheel was taken off. His legs had been "asleep" for seven hours before the 100-hour drive ended but a squad of Masseurs quickly started the blood circulating. The drive was the coldest he ever made, a devastating ride he ever tried, although two weeks ago he drove 198 consecutive hours at Borger.

ENGINEER IS KILLED

HARLINGEN, Nov. 16. (P)—Walter E. Nixon, 40, Missouri Pacific engineer, was killed here today when his automobile was struck by one driven by his own fireman, W. J. Lee. Nixon was thrown from his car by the impact and died a few minutes later.

Roll Call Drive Again Postponed

With Pampa streets slippery with mud and snow, a successful membership drive, or annual roll call, for the American Red Cross was deemed impossible by the local committee, and the intensive campaign to raise the city's \$1,000 quota was postponed yesterday.

C. B. Akers, manager of the Rex and Crescent theatre, and member of the Lions club committee to assist in the drive, nevertheless made his two business hours "100 per cent" in Red Cross membership, and received for each Scott Marcus, roll call chairman, said a definite announcement of the time for the campaign would be made tomorrow evening through the Daily News and volunteer workers would be kept posted on plans.

WILL BUILD BRIDGE

SAN ANGELO, Nov. 16. (P)—The bid on the Austin Bridge company of Dallas for construction of a bridge across the Concho river seven miles southeast of here was accepted today by the Tom Green county commissioners court. The bid was \$137,431.

JOLIET PRISON PLOT IS BARED BY EX-CONVICT

JOLIET, Ill., Nov. 16. (P)—Precautionary measures against any possible outbreak among convicts at the Joliet state prison have been increased by Warden Henry O. Hill, it was made known today after Brig. General John V. Clinchin, commander of the Illinois National Guard said a paroled convict had informed him of plans for dynamiting the prison.

Hill said the prison already was aware of unrest among the prisoners and had increased the vigilance among the guards. He discounted the paroled convict's story but indicated the prison was prepared for any situation that might arise.

AMERICAN REPORTED KILLED

MEXICO CITY, Nov. 16. (P)—The American consulate today was investigating the death of Harry A. Schellenger, said to be an American, who was mysteriously shot on his coffee plantation near Tapchula, state of Chiapas, while in the company of three of his employees. The consulate has learned that Schellenger had lived for years on his plantation, but he was not registered at the consulate as an American.

Small Bond Is Set for Woman Following Killing

WICHITA FALLS, Nov. 16. (P)—Mrs. Mattie Williams, 33, was released on a personal recognizance bond of \$1,000 today and instructed to appear before the grand jury here in January at a court of inquiry into the fatal shooting last night of her husband, Edward Williams, 46, at their home here.

Sam B. Spence, district attorney, recommended that no charge be filed and that the bond be set as a formality. He expressed the conviction that the killing was "clearly self defense."

Williams was killed last night by a charge from a shotgun. His wife testified that she had locked the door when he left it, after he had been drinking, and that he returned through a window, armed with a shotgun. She said that she obtained a similar weapon and that three shots were fired, none of them injuring anyone. Williams then grappled with her she said, and in the scuffle the fourth and fatal shot was fired.

Two witnesses testified that shortly before his death Williams, crazed with liquor, had threatened to kill his wife.

Goose Frightens Child to Death

SANDUSKY, Ohio, Nov. 16. (P)—The terrifying spectacle of a goose, attacking with bill and flapping wings, caused 3-year-old Pricilla, daughter of John Shilcock, of Lorain, to die of fright today.

The child, playing in the yard of a farm house at Berlin Heights, east of here, thought the curious looking bird

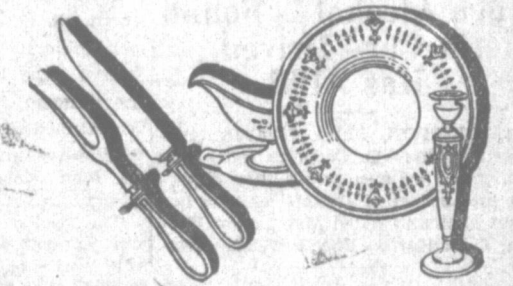

something worth while investigating pounced upon her and bit her. The injuries were slight, according to A. R. Grierson, Erie county coroner, who gave the verdict. He said the child died almost instantly.

Mrs. M. M. Noble and small daughter, Peggy Jeanne, of Clarandon are guests in the home of Mr. and Mrs. W. M. Lawright. The latter is Mrs. Noble's daughter.

Mrs. Willis was a daughter of Mr. and Mrs. J. W. Victory. She came here with her parents from Wink on August 25. Besides her parents, she is survived by two sisters, Mrs. H. A. Simer and Mrs. D. Hill of Wink, and three brothers, Melford Victory of Wink, Herbert and Billie Joe, who are at home.

No Indictment in Slaying Is Returned

AUSTIN, Nov. 16. (P)—The grand jury investigating the murder of Miss Lehlia Highsmith, supreme court commission of appeals stenographer, stabbed to death last Sunday morning, recessed today without returning an indictment in the case.

John W. Brady, 59, former member of the court of civil appeals, entered his second week in jail without bond having been set for his release on a charge of murder filed against him soon after Miss Highsmith died. She had been cut several times, the long blade, taken from Brady, having pierced her heart.

First Rehearsal For Minstrel to Be Held Today

First rehearsal for the Jubilee minstrel show to be introduced by the Knights of Pythias, the Pythian Sisters, and their friends, will be held this afternoon at 2:30 o'clock at the I. O. O. F. hall. "Happy Doc" Holland, professional producer with the American Amusement enterprises, is here to direct and costume the show. With a corps of workers from the Pythian lodges, Mr. Holland has enlisted the aid of a large array of local talent, including a number of organizations. He expects to complete the large cast within a few days, and has requested that all Knights of Pythias and Pythian Sisters attend the rehearsal.

The minstrel will be given on Dec. 4 and 5, at the Central auditorium. The five part show will include a Southern Melody chorus, novelty numbers, comic songs and ballads, five acts of vaudeville, a farce, and a spectacular review.

Optical Expert to Open Clinic Today at Amarillo Room

Optometrists of West Texas are expected to meet in Amarillo today for a three-day graduate clinic in eye diagnosis and correction.

Dr. A. M. Skeffington, who recently

returned from research clinics in Vienna and London, will be in charge. He has consented to stop while en route from California to Chicago. A specially equipped room has been provided for his use in demonstrating methods which are said to make possible correction of eye conditions formerly considered hopeless.

Dr. J. J. Jacobs, local optometrist, will close his office to attend the clinic in Amarillo.

Attorney General Heard in McLean by Dads and Sons

MCLEAN, Nov. 16. (Special)—With Attorney General Robert Lee Bobbitt as the speaker of the evening, and various organizations and prominent citizens cooperating to produce entertainment worthy of occasion, the annual father and son banquet of McLean recently was held with outstanding success.

The attorney general spoke of the important factors at work in forming the character of the youth of today, classing the Boy Scout movement with the home, the church, and the school. He was introduced by J. E. Biggs.

Sherman White presided as master of ceremonies. A toast to fathers was given by Norvin Ashby, T. A. Landers gave the toast to sons. A short address was given by Boy Scout Executive I. E. Jolly, who also conducted the sing-song. Other talks were made by the Rev. B. W. Wilkins, the Rev. W. A. Erwin, the Rev. D. H. Brynoff, and T. W. Gilstrap.

Piano selections were played by Miss Frankie Andrews, Joe Billie Bogart, and Lawrence Bourland. Ninety-eight fathers and sons were entertained and mutually honored. The meal was furnished by the Parent-Teacher association and served by the girls of the high school home economics classes.

Candy Making to Be Demonstrated Here on Monday

Mrs. Ruby Workman of the Martha Washington Candy Shop in Amarillo, will be in Pampa all day Monday demonstrating candy making at the Richards Drug Store.

Mrs. Workman is an expert candy-maker and will show the processes and materials used in making Martha Washington candy.

Airport Marking Is Given Recognition

A certificate of recognition for having placed the name of Pampa upon Central gymnasium, with an arrow pointing to the local airport, has been received by the Board of City Development from Daniel Guggenheim, president of the Guggenheim Fund for the Promotion of Aeronautics.

The award came through the local post office, which reported the marking. The name of Charles A. Lindbergh also appears on the certificate.

Going to Market
August A. Gordon, of Gordon Stores company, will leave today for Kansas City, and St. Louis to buy merchandise for the holiday trade.

FROST KILLS VEGETABLES
CRYSTAL CITY, Nov. 16. (P)—An unusually early frost covered the winter garden district last night destroying hundreds of acres of tender vegetables. Peppers, eggplants, tomatoes and beans suffered heavily. Spinach shipments had just started but due to the early cold weather the movement will be very light up until Christmas.

NOTRE DAME'S ELEVEN BEATS TROJAN TEAM

SOLDIER FIELD, Chicago, Nov. 16. (AP)—In a dramatic, fiercely fought battle, punctuated by a succession of tossing and scoring plays, Notre Dame vanquished Southern California, 13 to 12, and swept, on unbeaten toward the Hoosier goal of a national gridiron championship.

In the lightning-like surge of one of the greatest inter-sectional games of the year, another brilliant chapter was added to the embattled history of Soldier Field while the greatest crowd in the history of American football, 123,000, looked on in frenzied excitement. The actual paid admissions exceeded 120,000 officials said, and they unquestionably got their money's worth as they watched the Hoosiers rally from a bad start to sweep the powerful Trojans off their feet.

Pillowed on his movable bed, just behind the Notre Dame bench, where he could pull the strings of team play personally for the first time in three weeks, Knute Rockne forgot his ailing leg as his pupils scored a triumph that was more convincing than the one point margin indicated. It took a squad of police after the game to protect Rockne from being almost pushed from his bed by the rush of Hoosier enthusiasts, who had cheered their team's great push, booed frantically at the adverse decisions of officials, and then watched with bated breath as big Jim Musick, Trojan fullback, missed the kick for extra point that would have tied the score after a sensational 95-yard run for a touchdown by Quarterback Russell Saunders.

Close as Notre Dame came to being held to a deadlock, the blue clad machine from South Bend demonstrated its superiority by a clear margin. It took the trusty toe of Quarterback Frank Carideo, in kicking the extra point after the second touchdown to decide the issue, but Notre Dame outruined, outkicked, and outpassed the burly hard charging Trojans from the far west. The first downs, 12 for Notre Dame to 7 for Southern California, testified to the more dangerous attack of the Hoosiers, although the brilliant backfield work of Duffield, Saunders, and Musick came close to making the game at least a stand-off.

Platter-Bond Fight to Draw Great Audience

Fight fans of near-by towns are writing to Jack Rogers and J. J. Deneheim for ring-side tickets to the Platter-Bonds go at the Fla-Mor Friday night. The two heavies are scheduled to fight ten rounds. Both have been training here during last week.

Preceding the main bout, Johnnie Hillard of Wichita Falls, weight 158, and Ted Marten of Langston, Pa., weight 160 pounds, will fight eight rounds. L'Arher Platter's younger brother, "Kid" Platter, weight 126 pounds, will take on "Skeet" Sherrod of Pampa, weight 118 pounds, to settle an ancient grudge.

The fight between Hillard and Marten shows promise of being the feature item of the card, especially if Platter should knock out Cyclone or vice versa in the first few rounds. Hillard is the conqueror of Spike Flannigan and Buckshot Peoples at Wichita Falls. He is originally from Oklahoma City and scored knockouts from Eddie Murdock, Ad Stone, Willie Jackson, Montey Bey at Oklahoma City. Marten also has an impressive record.

The preliminaries will include a wrestling match between Tulsa Flash and "Wild Bill" Douglas, one fall, no time limit. The Flash weighs 145 and Wild Bill, 142. There will also be one four-minute round and two three-minute rounds, climaxed by a battle royal. Feeling that the fans are not so keen about the long prelims, the management has cut the number of them considerably.

Cyclone Bonds will go into the ring weighing 170 pounds, while Platter will tip the scales at 186, but that margin in weight does not mean that Platter will have an easy time of it. Pampans remember how in the last fight Bonds lived up to his nick-name. He never spars; he does not clinch and hugging is something of which he has never been accused, and about every blow he delivers lands in the region of the solar plexus. He has fought over a hundred fights and has never been licked. There are plenty of people around here who believe that Platter is just as good as Bonds.

In a fight at Carlsbad, New Mexico, Platter knocked out Arturo Bostino in the third round of a scheduled 10-round bout. It was Platter's sixth fight and his fifth knockout. Bostino is some punkin in the Cavern City has put the fear of God into many a pugilistic aspirant in the border cities of Texas-New Mexico.

Here are the high point scorers for the various major conferences. They lineup as follows: East—Marsters, Dartmouth, 108; South—McEver, Tennessee, 91; Pacific Coast—Schwartz, Washington State, 72; Southwest—Miller, Arkansas, 66; Missouri Valley—King, Drake, 52; Big Ten—Pharms, Minnesota, 49; Rocky Mountain—Pomeroy, Utah, 42; Big Six—Bausch, Kansas, 24. Marsters, cut for the reason because of an injury received in the Yale game, is shown above listening to a radio report of the Dartmouth-Brown game which the Big Green won.

HORNED FROGS DEFEAT TEXAS IN GREAT TILT

AUSTIN, Nov. 16. (AP)—Two powerful gridiron eleven's, neither of which had tasted defeat, battled spectacularly through four desperate quarters here today and the team which had not even been tied emerged the victor.

Texas Christian moved out the University of Texas 15 to 12, it was the first triumph for the Fort Worth warriors over the Longhorns in history and was doubly sweet in that it left the Horned Frogs at the top of the Southwest conference scramble.

Both eleven's had been essentially defensive teams but they threw caution to the winds today as each struggled to vanquish the unconquered. Grubbs and Leland of T. C. U. and Shelley and Kerins of the Longhorns garnered most of the crowd's plaudits.

All of the touchdowns were tallied in the second quarter. Perkins dashed around end for the Steers' first after he had led a march down field. On the next play, Cy Leland, track sprinter,

caught the kickoff on his ten-yard line and sped ninety yards for a touchdown in the most beautiful exhibition of the day.

Trieze Romps to Arlington Victory

ARLINGTON DOWNS, Nov. 16. (AP)—Trieze, ridden of Jockey T. May, won the richest purse of the Texas jockey club's inaugural meeting at Arlington Downs Saturday by outspeeding the field in the "Fort Worth handicap" paying a \$5,000 purse and a \$4,000 trophy. The latter was offered by W. T. Waggoner and his sons, E. P. and G. L.

The winning thoroughbred, owned by the Lewis and Kemp stables, won over quick return by a neck. Cal Roper, a Three D mount, was third.

The solid gold trophy was presented by Miss Ruth Gogkins, Fort Worth debutante, to J. J. Duggan, trainer of the winning stable.

Showing speed from the barrier, Jerry man forced the pace in the opening race and headed Levulose entering the stretch. The racer held the advantage and outlasted the second place winner, Levulose set an early pace and held on well in the stretch drive after being headed by the winner, but just about stayed sweeping ray.

Most of the thrills of the game were packed into the second period, when Baylor shoved over its only score after a determined march down the field and the Methodists came back to chalk up three in rapid succession to overcome the Bears' lead and themselves take a commanding advantage. Koontz, Mustang end, tacked on the fourth touchdown in the closing period, when he accepted a toss from Gilbert and wove his way 40 yards through the Baylor secondary to score. The play travelled a total of 54 yards.

THIS JAYHAWK GETS A HAND FOR OWNING BIGGEST MITTS

Here is Frank Bausch, Kansas giant, with the magnifying glass applied to his big, capable hands which enable him to handle that football much like the average person would handle a grapefruit.

LAWRENCE, Kans. (AP)—If monkeys could grip coconuts like Frank Bausch grips a football, the wilds of Africa would be unsafe for anything but monkeys.

When Frank lays his paws down on the pigskin in his official capacity of center for the University of Kansas eleven the ball is just about smothered.

The big Jayhawk has not submitted to any hand measurements. That has not been necessary, since no one in these parts questions his right to the championship when it comes to big mitts.

Frank is 6 feet tall, weighs 200 pounds and alternates at guard and center for Kansas. He is a sophomore.

BAYLOR EASY FOR MUSTANG AIR MASTERS

DALLAS, Nov. 16. (AP)—Unleashing a spectacular long-distance aerial attack that left their opponents and 18,000 spectators spellbound, Southern Methodist university's Mustangs came from behind to overwhelm Baylor university, 25 to 6, in a thrilling Southwest conference battle here today.

Four times the Methodists cracked down with their long range artillery and four times planted the ball across a bewildered Baylor eleven's goal line. Kattman, Long, and Koontz scored touchdowns after receiving long shots from Bob Gilbert, Pony quarterback. It was necessary for Gilbert to carry the fourth score over the six-yard mark after he had passed to Long for a 39-yard gain.

Bayla came prepared to throttle the individual efforts of Weldon Mason, the Mustangs' brilliant sophomore star. They succeeded in that fairly well, but while they were watching him, Gilbert, another soph and almost unheralded, came from nowhere to hand them a crushing defeat.

Brownsville Is Victor Again, 21-0

SAN ANTONIO, Nov. 16. (AP)—Main Avenue's fast charging crimson Buffaloes, inspired to great heights, fought Brownsville's touted Golden Eagles to a standstill throughout most of the game played here Saturday afternoon, ending up on the short end of a 21-0 score, yet gloried in the performance of holding those Eagles as no other team has held them this year.

Five thousand people cheered as Main placed the oval on Brownsville's two yard line, fumbled once and recovered, only to fumble again to have the ball recovered by Brownsville, nipping the greatest chance any team had had this year of scoring against the Eagles.

OKLAHOMANS TIE HUSKERS

LINCOLN, Neb., Nov. 16. (AP)—Oklahoma started and finished the scoring in the Big Six football battle with Nebraska today but the Corn-Huskies talked in between time and the teams left the field at the end of a bitter struggle on a muddy field with the score knotted, 13 to 13.

The tie score left the defending Big Six title holders—Nebraska—still undefeated in the conference and at the head of the pack, with one victory and two tie games. It also postponed settlement of the conference race until Thanksgiving, when Oklahoma meets Missouri and Nebraska faces Iowa State.

Buffaloes Sweep to 38-0 Victory Over Montezuma College Saturday

CANYON, Nov. 16. (Special)—The West Texas Buffaloes defeated the Montezuma Indians of New Mexico here today, 38 to 0.

Montezuma gained but one yard during the first quarter, but recovered to get 116 yards in the last three pe-

riods. For the visitors Shaw, Taylor, and Darnell were brilliant, while Newman, Clark, Gerald, Powell and McInnis were best among the Buffaloes.

Summary: Buffaloes—Yardage 459 including passes, lost 26. Passes attempted, 7, completing 4 for 77 yards and one for touchdown, three incomplete. Punted 6 times for 38-yard average. Penalized 3 times for 11 yards. Made 23 first downs in 81 plays. Montezuma—On 37 plays made 117 yards, lost 12. Punted 7 times for 37-yard average. Tried 16 passes, four completed for 31 yards, 6 intercepted, 6 incomplete. Penalized twice for 10 yards. Made 6 first downs.

Coach Ocus Mitchell and Supt. R. B. Fisher talked at length with Memphis school officials, and at the conclusion stated that rules of the Inter-scholastic League required the game to be played at Memphis.

Carl Gallagher of the Quanah Tribune-Chief and Emory E. Gose, farm loan agent of Quanah, are visitors here.

MEMPHIS TRIP FACES LOCALS NEXT FRIDAY

A powerful Memphis eleven, with their own gridiron as the place, will meet the Pampa Harvesters next Friday afternoon. The time will probably be 3:30 o'clock.

Since Memphis played here two years ago, and because they will not come here voluntarily at any price, Pampa must go into "enemy" territory for the second consecutive time. The Harvesters' expenses will be paid, and the local school will receive fifty per cent of the gate receipts. It is planned to advertise the game in every North Panhandle county.

Memphis has an unusually powerful line, with two men in the line-up who weigh more than 200 pounds. Her backfield is light but exceptionally

Breckenridge Is Held to 15 to 6 Score Saturday

SAN ANGELO, Nov. 16. (AP)—Breckenridge, which last week defeated Abilene, 1928 state high school champions, 26 to 0, was held to a 15 to 6 victory here today by a fiercely fighting San Angelo team.

Boone Magness, star Breckenridge halfback, scored both of the Buckeroos' touchdowns, the initial one in the first four minutes of play on a 44-yard drive and the second one late in the third quarter on a 37-yard run which broke a 6 to 6 deadlock. Magness muffed the first try for extra point, but centered the second one.

Breckenridge's center, Griffin, added the final two points by blocking a punt on San Angelo's 20-yard line and forcing a safety. San Angelo scored its touchdown when Odum raced 35 yards through a broken field to the goal line. McCamey missed goal. More than 400 Breckenridge fans accompanied the team here.

Four Waves of the Golden Hurricane

Coach Henderson, of the University of Tulsa, smiles for the camera, despite his usual gloom, and thereby expresses appreciation of his 1929 squad, four important members of which are pictured above.

Austin College Beats Simmons

ABILENE, Nov. 16. Austin college squelched the Texas conference aspirations of Simmons university here today by defeating the Cowboys 6 to 0 in a desperately fought game. Austin won by the same score last year.

Using a varied attack, Austin drove 67 yards for its touchdown early in the third quarter. Bryan Henderson, a hard hitting halfback, who distinguished himself throughout the game, headed on the goalward charge with long gains over the tackles and finally dived across the goal line from the four-yard line.

Amarillo Wins Over Electra, 26-0

AMARILLO, Nov. 16. (AP)—Playing on a field heavy with mud and using straight football for the most part Amarillo hurdled another obstacle in its quest of the district championship today by defeating Electra 26 to 0.

Amarillo was powerful on offense and defense making 20 first downs while the invaders were scoring three. The locals, however, played under wraps during the entire game, displaying nothing except plays they have used all season.

Only Wichita Falls remaining between Amarillo and a clean district title. The Coyotes will play here Thanksgiving day in the final district battle.

RAZORBACKS USE AIR

FAYETTEVILLE, Ark., Nov. 16. (AP)—After being outrooted in their own mud puddle for the first period the giant Arkansas Razorbacks turned to the air to humble Centenary 13 to 2 today in the annual home-coming game between the two schools. The game was played in an unpleasant downpour with the temperature near the freezing mark.

HOOSIER HALF SENSATION
EVANSTON, Ill., Nov. 16. (AP)—The battle of Hoosiers from Indiana led by a winged-foot, 155-pound halfback named George Ross, emerged from football's wilderness dramatically and suddenly today to defeat Northwestern, 19 to 14, in one of the most stunning upsets of the Big Ten campaign.

TENNESSEE IS VICTOR
KNOXVILLE, Tenn., Nov. 16. (AP)—With Gene McEver, the southern touchdown king, splashing through the mud and mire to set the pace, Tennessee's powerful volunteers moved a step nearer the southern championship here today with a decisive 13-0 decision over the Vanderbilt Commodores.

MANY MEN ARRESTED FOR DISPLAYING FLASKS
DALLAS, Nov. 16. (AP)—Twenty-nine men who were said by Sheriff Hal Hood and his aides to have exhibited liquor flasks at the S. M. U.-Baylor game were arrested today while the game was in progress. All except four were released on their own recognizance pending a hearing before U. S. Commissioner L. E. Smith, Monday.

One man was said to have possessed a box of chocolates, each piece of the candy containing about a thimble-full of whiskey. Sheriff Hood said that no students were arrested.

"HOME OF HART SCHAFFNER & MARX CLOTHES"

Many visiting Lions among the Methodist conference were guests of the Pampa club at the last meeting. Many of them were called upon to introduce themselves briefly. Presiding Elder W. M. Murrell of this district presided. He is a member of the Clarendon club.

CONFERENCE—

(Continued from Page 1)
ment of Rev. R. A. Stewart, pastor at St. John church, Stamford, as presiding elder, succeeding Rev. J. H. Hamblen, who relinquishes the post in behalf of Stewart whose health requires him to travel. The bishop explained that the action on the part of Hamblen was voluntary and not because of any friction between Hamblen and himself. In fact the bishop commended Hamblen and said his action was magnanimous. Hamblen had served only three years of the usual quadrennium. He will take a pastorate, Frenchers who have served under him this afternoon presented him a beautiful leather dressing set. The presentation was by Rev. E. Gaston Foote, Haskell. Likewise the bishop reported he had also appointed Rev. C. A. Bickley, five years pastor of the Vernon church, a member of his cabinet. He will probably become presiding elder of the Lubbock district, succeeding Rev. D. B. Doak, who has served his quadrennium and will take a pastorate this year.

Vacancies on the board of missions will be filled by J. T. Griswold and B. W. Dodson; and those on the board J. H. Hamblen. Reports were heard during the afternoon on Sabbath observance, state of the church, American Bible society, hospitals.
Gain 1,615 Members
Announcement was made that there had been a net gain in membership of 1,615 this year. Many hundreds of names were taken off the various registers since they had been lost sight of. Methodism keeps its books clean of dead timber, the committee indicated.
Dr. George S. Slover, Amarillo, was made a director of the Golden Cross, secretary of education, and commissioner of hospitals, with headquarters in Amarillo.
Compilation made today shows that the Northwest Texas Methodist conference, revised roll, shows a total membership of 62,700. During the year there were 2,500 adults baptized and 532 infants baptized. In Sunday schools there are 45,877 students. Following the report of the committee on the state of the church Bishop Moore inveighed against the tendency to cull the roll because members do not pay. He said he was interested in the religious education of the people. Major emphasis, he said, should be upon the spiritual life of the church. He deplored the small net increase made in the various conferences and in the church at large. He expressed the belief that this was due to failure to carry on evangelistic work. More meetings must be held and every legitimate method should be employed to bring people to Christ. He declared that the business of the preacher was to take the gospel to the people that do not want it. The thought of taking people into the church through the front door and turning them out the back was bad business. "I think we have done too much culling the rolls."
"Act Old Song"
The bishop declared feelingly, "God being my witness, I want to stand for Him." The bishop then said that preachers should not only sing but act the old song "A Charge to Keep I Have."
Boyd M. McKeown, dean of McMurry college, was re-elected conference lay leader. He was honored during this session by being elected a lay delegate to the general conference meeting in Dallas in April next year.
Dr. J. W. Hunt, president of McMurry college, in speaking to the educational report, told of educational ships which had failed to weather the gale, but said, "McMurry is one ship that is coming into port." The report said that the church was behind Amarillo college whenever that city was ready. Slover said that no institution would be founded there until it had been sufficiently endowed. Bishop Moore declared McMurry college must be made an A grade institution patronized by all the Texas conferences. He likewise favors a grade A co-educational institution for San Antonio.

tee on the state of the church Bishop Moore inveighed against the tendency to cull the roll because members do not pay. He said he was interested in the religious education of the people. Major emphasis, he said, should be upon the spiritual life of the church. He deplored the small net increase made in the various conferences and in the church at large. He expressed the belief that this was due to failure to carry on evangelistic work. More meetings must be held and every legitimate method should be employed to bring people to Christ. He declared that the business of the preacher was to take the gospel to the people that do not want it. The thought of taking people into the church through the front door and turning them out the back was bad business. "I think we have done too much culling the rolls."
"Act Old Song"
The bishop declared feelingly, "God being my witness, I want to stand for Him." The bishop then said that preachers should not only sing but act the old song "A Charge to Keep I Have."

Bridge Tea Given by Three Hostesses Largest Week-end Hospitality

The dining room of the Schneider hotel was simply but attractively decorated with ferns and boxed palms on Friday afternoon, when three hostesses, Mrs. J. D. Sugg, Mrs. W. J. Smith, and Mrs. W. T. Frazer, entertained there with bridge for more than fifty guests. Suggestions of Thanksgiving day in colorful tally cards and other game accessories contributed a festive note to the affair. A dainty plate luncheon was served at the conclusion of the playing.

Favors of the afternoon were awarded as follows: For high score, Mrs. Walter Darlington; for second-high score, Mrs. Wade Duncan; consolation, Mrs. Clifford Braly; for top cut, Mrs. Charles Thut; and for low cut, Mrs. George Wolfe.

In addition to the guests named above the following were present: Mrs. Clarence Barrett, Mrs. W. E. Coffey, Mrs. Dick Walker, Mrs. I. B. Hughey, Mrs. H. W. Johns, Mrs. Porter Malone, Mrs. Otto Studer, Mrs. John Studer, Mrs. George Waldstad, Mrs. Curtis Douglass, Mrs. H. C. Wilson.

SIDELIGHTS OF METHODISM

BY HAMILTON WRIGHT

The Rev. C. S. Cameron, superannuate, has been out of the effective work seven years. To the correspondent he said Thursday: "If I had the opportunity I would travel 40 more years in the Methodist ministry."

Preachers and laymen of the Lubbock district held a great rally Thursday evening at a luncheon in the Schneider hotel at which Rev. B. W. Dodson, Brownfield, presided. The luncheon was in honor of Rev. Danell B. Doak, presiding elder, who has served his fourth year and must move about 75 attended the function. Among those who spoke were Rev. E. E. White, presiding elder of the Abilene district, but last year a member of Doak's family; J. M. Story, layman of Seagraves; O. H. Cline, district lay leader; H. W. Richardson, educational director, Lubbock First church; Bishop Sam R. Hay of the Pacific and North Texas conferences; Dr. C. C. Seelman, president of Southern Methodist university; and Dr. D. B. Doak, presiding elder. The affair was punctuated with some rare jokes that provoked ringing and continuous laughter. The preachers paid tribute to the great service of their elder.

Rev. J. W. Michael, pastor at Abernathy, has finished his fourth year at that place. All finances are in full. Membership of the church has been doubled during the four years. The church is well organized.

A picturesque figure attending the conference is Rev. R. F. Dunn, superannuate of Lubbock. Dunn was the first Methodist preacher west of Abilene on the Texas and Pacific railroad. He served Sweetwater and Colorado as the charges. That was 48 years ago. Dunn is still hale and hearty and preaches frequently. When he first came west he said hospitality was unbanded and that nobody would permit itinerant Methodist preachers to pay for meals. He recalled a young man sent to the far-flung frontier who stopped at a hotel and thinking he would be charged full fare for his meal ate to repletion. He was much chagrined on finishing to be the landlord that his meal was free. That night he rolled and tumbled, his stomach lashing him for his interperance.

Rev. J. W. Price, pastor at Ovalo, Abilene district, was one of those who was ordained as elder by Bishop Moore at the morning session yesterday. His name was inadvertently omitted in the names of members of his class ordained. Price has done a great work. He was admitted into the conference on trial at Canyon four years ago.

Rev. J. S. Strother, junior preacher at Polk Street, Amarillo, gave a pipe organ recital just preceding the Educational Anniversary service Thursday night. Strother comes of preacher stock and himself is a fine speaker and brilliant musician.

Beautiful tribute was paid by Rev. Lewis N. Stuckey, Amarillo, and others to Rev. M. H. Hudson, pastor at Hermleigh, who was unable to attend the conference on account of illness. Hudson recently purchased a home and furniture, but the drought came on and he was unable to meet the payments. Ministers and laymen of the conference yesterday contributed to a fund which will save him from losing the property.

Dr. John M. Moore, bishop presiding at the conference, is closing out his quadrennium with the Northwest Texas conference and will probably be assigned to another conference next year. Bishop Moore is declared by all the ministers under him to be a fair-minded Christian gentleman, easily approachable and always willing to hear complaints from the preachers. He has been a leading figure in the educational life of the church. He also

port and bringing more efficiency to the rural churches.

Rev. C. B. Hillburn, superannuated preacher, living down in the bowels of the earth—in Chia Canyon—where the Methodist summer encampment is held, wired the conference yesterday his greetings. He said his message was found in the First Epistle of Peter, second chapter from the first to be ninth verse. The passage was read by Bishop Moore.

Every minister, familiar with Pampa in the last few years is surprised at the great growth which has taken place here in the last two or three years. Fine buildings, especially churches, are springing up, indicating that the people are religious and God fearing.

Rev. Mark Beavers, presiding elder of the Plainview district, needs a combination preacher and newspaper publisher for a town in his district. If you can qualify ecclesiastically and editorially, see him just outside his office in the bishopric cabinet. "No admittance in the office."

Dr. C. C. Seelman, president of Southern Methodist university, told this joke on himself at the Schneider hotel Thursday night. Seelman is also a preacher and years ago was a circuit-rider.

"A woman came to me a few days after a service. She asked if it was Brother Seelman and asked me if I remembered her. I told her I did. She said, 'Brother Seelman, I am

Reta Holmes Honored with Party on Tenth Birthday Anniversary

Little Miss Reta Holmes was the honoree of a party given yesterday by her mother, Mrs. G. D. Holmes. Ten pink candles were lighted on a white cake, in observance of the little girl's birthday anniversary, and lovely gifts were presented her. Games and contests were greatly enjoyed, after which soda pop, cookies, and candy were served as refreshments.

The following friends of the honoree were present: Mary and Frances Coffey, Pauline and Cleo Barrett, Ruby Sackett, Betty Alline Stocking, Lois Foster, Paul Potter, Paul Luttrell, Sammy and Paul Link, Jr.

standing behind you.' Then she said, 'You know why I remember you and love you so well?' No, I replied. Because you preached my husband's funeral."

Dr. C. C. Seelman, president of Southern Methodist university, Thursday night spoke to a packed house on Christian Education. He stressed parental training in the homes, took a fling at the booze elements, and praised the work of McMurry college. Seelman punctuated his address with a story from Missouri and "has to be shown" that Christian colleges are many jokes that brought laughter, Seelman said.

THE TRIP TO PERRYTON WAS A REVELATION TO MANY PAMPANS WHO HAD NO IDEA OF THE MAGNITUDE OF THE UPPER PLAIN AND OF THE DEVELOPMENT TAKING PLACE THERE.

Perryton is highly optimistic. The town is growing. It expects to become a little city in the near future. The citizens feel sure that the Santa Fe will continue the branch line to some other point on the parent system, thereby giving the city a better freight rate schedule.

Perryton is especially eager to have rail and highway connections direct to Pampa. This was repeatedly impressed upon the local business men who made the trip. Several trippers who have lived here for more than 20 years had never been to Ochiltree county before.

The territory north of Pampa has tremendous potentialities. It behooves both the population above and that below the Canadian river to work hard for connecting links. Perryton will have a poultry show one week after the Pampa show in December. If at all possible Pampa poultrymen should send exhibits to the Perryton event.

HERE IS A LITTLE ITEM THAT MERITS COMMENT ON THE HABIT OF THRIFT VERSUS SPECULATION.

"New York, (AP)—Whatever happens to stocks, there will be a Santa Claus. Christmas clubs of the nation will distribute a total of \$600,000,000 which members have saved up during the year. The average check will be \$59.50 and payments will range as high as \$1,000."

"To save is to have". Statistics prove that every person of even moderate means could be reasonably wealthy, barring difficulties of long duration. Putting away of a few dollars a week for 20 years means thousands saved through capital additions and compounded interest.

But few persons in this age of luxuries strive for wealth in that manner. The installment buying plan, which gives present use and future payment, is the trend of the time. It is unfortunate, however, that so many have no accumulations for the proverbial rainy days. Hand-to-mouth existence tends to destroy credit.

There is plenty of argument for investment instead of mere saving. Investment in self, whether through correspondence course, college training, or other method of growth. Capital, foundation, preparedness—these are essential to success, and the primary consideration is self. But indulgence in meaningless, pleasurable expenditures have ruined many thousands' chances. Failure to save and to invest in

self-improvement explains why so many people arrive at middle life without having really started anywhere.

TWINKLES

Percy, the office mouse, is under a grave suspicion, and we are considering hiring of an attorney to defend him. The office supply department opened a large box and found several pounds of finely chewed paper among the articles within. Percy is charged with chewing up valuable paper. Personally, we don't believe it, and we will defend him to the limit, as we would any falsely accused member of this staff.

Many things are supposed to have been sunkist, but to judge by some of them is to believe that cloudy days just will happen.

Horse racing is being tried in Texas. We too have an inclination to do something for Old Dobbin, and Chief Downs promises we can buy a respectable nag at the city pound for two bucks down (not installment plan either), with fair horse flesh available at two bits. But it's not the first cost; it's the upkeep that costs with nags as with flivvers. But we think we will rescue some Old Dobbin next spring when grass is green.

If movie-struck folks read the papers, they may get a shock or two if their heroes and heroines are convicted by Uncle Sam for defrauding on income tax returns.

They cannot print details of hearings in Lubbock murder cases, so all the folk flock to hear the testimony direct, and how they do talk about it. Suppression is a fine phase of advertising.

There are quite a number of persons who should be glad that what they tell newspapermen is "killed" at the copy desk and not published—for instance, the case of the man who boasted that he was going to charter a plane and hunt ducks in modern style. Any game warden will tell you why.

Uniform Use of Flags Is Urged by Lions at McLean

MCLEAN, Nov. 16, (Special)—McLean Lions favor uniform decoration and flag raising on national holidays and similar occasions for their home town. Deploring the lack of uniform observance of Armistice day, the Lions club discussed plans for encouraging merchants and business men to own their flags and hoist them on proper occasion. A committee composed of the Rev. B. W. Wilkins, W. A. Erwin, and E. L. Sitter, was selected to take action on the problem.

Wheat Market Scores Increase and Looks Good

CHICAGO, Nov. 16. (AP)—Big buying that suddenly developed in wheat today attained steam roller impetus in the late dealings, with prices up nearly 5c a bushel. Back of the new whirl of purchasing was an official statement from the United States department of agriculture at Washington that wheat values are likely to rise fully 25c a bushel within the next 60 days.

Accelerating today's advance too was word that Argentine weather had turned warmer, threatening worse development of black rust damage to wheat, and probable slashing of 20,000,000 bushels from estimates of the 1929 Argentine wheat exportable surplus.

Closing quotations on wheat were strong, 4c to 4 1/2c a bushel higher than yesterday's finish. Corn closed 2 3/8 to 2 7/8c up, oats 1 to 1 3/8c advanced, and provisions unchanged to a rise of 15c.

Export purchases of North American wheat today broadened to a total of 1,500,000 bushels, and dispatches from various districts in Argentina curtailed 15 to 50 per cent under last year's production.

Despite favorable weather for corn crop movement, corn and oats as well proved responsive to the unusual outburst of strength in the wheat market. Provisions also developed firmness as a result of grain price upticks and notwithstanding that hog values were tending downward.

The Innocent Cheat

THIS HAS HAPPENED HELEN PAGE feels indebted to her father for her guardian. LEONARD HENRY, who changes his name to her father after assisting a spy named NELLIN, at 16, he presents the girl to a millionaire, CYRIL CUNNINGHAM, as his niece, and offers her to Helen's father. Helen's father, who is a millionaire, offers her to Helen's father. Helen's father, who is a millionaire, offers her to Helen's father.

self in his satisfaction. Helen was his. He could take her when he killed. She was utterly helpless. Finally he glanced at a small clock on his desk, stretched himself and went to change his dressing gown for his street coat. His Japanese, ever watchful, came in to help him. Brent told him to telephone for his car. The garage was just around the corner, a convenience for which those who hired space in it were required to pay heavily. The car was brought to the door of Brent's apartment house within 10 minutes and he went down to take the wheel, thoroughly convinced that the ultimate success of his scheming was at hand. Fears he had entertained formerly that Helen would refuse the new role he would offer her had subsided. No one could be so mad, he believed. Give up millions? Face poverty—a girl who had been carefully protected all her life? Yes, perhaps, he admitted, but the publicity? Could she stand up to all that exposure would mean to her? He thought not.

A New Crop of Beauties and Buffoons Makes Broadway Brighter

By DEMING SEYMOUR

NEW YORK (AP)—Broadway considers that it is contributing its share of the amusement and culture of the nation when 15 shows worth cheering for are on view at one time among its half a hundred playhouses.

This season the Mazda Canyon can point with pride to that number of notable plays and hilarious musical shows without over-statement of its wares. The Forties echo with the laughter of the customers at such comedies as "June Moon," "Strictly Dishonorable" and "It's a Wise Child;" throb with the searching tragedy of penal injustices revealed in "The Criminal Code," thrill with the lifelike horrors of such mystery plays as "Subway Express," "Rope's End" and "Remote Control," and lit with the sad or merry melodies of "Sweet Adeline," "Bittersweet," and "The Street Singer."

Here are some of Broadway's new toasts:

Charles Butterworth, the forlorn and eager clown of "Sweet Adeline," a Notre Dame graduate who quit the practice of law to be a funny man.

Harry Rosenthal, who pounded night club pianos around town for years until Ring Lardner found he was just the man to play a wise-cracking keyboard thumper in "June Moon."

Muriel Kirkland, who was born in Yonkers but inherited from her daddy just the sort of southern dialect, thick and smooth as a magnolia leaf, that makes her drawled ingenuities so lovably funny in "Strictly Dishonorable."

Walter Graeza, who jumped from a Jamaica, L. I., stock troupe into the role of the gushing radio announcer of "Remote Control" who disperses a bandit gang and solves a killing in a broadcasting studio.

Mildred McCoy, chosen by Belasco to

NORMAN FOSTER and HARRY ROSENTHAL in "June Moon"

MURIEL KIRKLAND in "Strictly Dishonorable"

CHARLES BUTTERWORTH in "Sweet Adeline"

QUEENIE SMITH in "The Street Singer"

MILDRED MCCOY in "It's a Wise Child"

Theme Songs in Jolson Picture at Rex Are Good

The theme song is winning increased importance in motion pictures. But it is not the theme song as motion pictures first knew it—a song sung by a voice off-stage and themed through the accompanying music score. The theme song of today is an integral part of the picture, with an actual relation to the characters, the plot and its development.

No better example of this could be named at the moment than Warner Bros. new Al Jolson Vitaphone talking and singing picture, "Say It With

Songs," which opens at the Rex theatre today.

"Little Pal," the theme song, is one that Jolson sings to his tiny son in earlier scenes in the picture. It is one that he later sings in jail and which his son hears over the radio. It is the phonograph record which the child's mother plays when the boy is ill and has lost his voice. His emotion on hearing the song the father had sung to him so often makes him cry out, "Daddy!", leading to the restoration of his voice. It is one of the big song hits of Jolson's new picture.

"Why Can't You" is sung by Jolson, formerly a radio entertainer, to his fellow prisoners; "Used to You" he sings to his wife in the picture; "I'm In Seventh Heaven" is sung to his wife and child after his release from prison, the child's recovery and his reconciliation

with his wife. "Just One Sweet Kiss" is one of the songs that Jolson sings over the radio.

The five songs mentioned above are new and written and composed for "Say It With Songs" by Al Jolson, B. G. DeSylva, Lew Brown and Ray Henderson. The star sings two other numbers in his role of radio entertainer: "Back In Your Own Back Yard" and "I'm Krazy For You," both of which he wrote in collaboration with Billy Rose and Dave Dreyer some years ago and which he has sung before.

Warner Bros. expect "Little Pal" to develop into one of the really tremendous song hits of the year and that the other original numbers will become extremely popular. Their experience with "Sonny Boy," which Jolson sang in "The Singing Fool" caused them to buy one of the oldest music publishing

houses in the city, M. Witmark & Son, and now they publish most of the original songs written for the Warner Vitaphone singing and talking pictures.

Dr. C. V. McCallister, chiropractor, is establishing an office in Pampa. He will be located in the Cook Building at 113 L.2 South Cuyler Street.

Dr. McCallister is a graduate of Carver School of Chiropractic at Oklahoma City and of the National College of Drugless Physicians and Surgeons at Chicago, having spent four and a half years at each place. Before coming to Pampa, he was connected with the Chicago General Health service, which

maintains the largest clinic in the United States.

Mrs. Bessie Rorex and daughter Ileen, are spending the week-end with relatives in Panhandle.
