PERRYTON GAME POSTPONED--SPECIAL TRAIN IS PROPOSED

LOW FARE IS READY IF 150 TICKETS SOLD

B. C. D. Is to Receive Ticket Deposits At Once

PROJECT WOULD ADVERTISE CITY

Legion Band Likely to Make Trip Next Thursday

Enthusiasm of Pampa football fans, dimmed somewhat by announcement of postponement to Wednesday or Thursday of the scheduled Armistice day game at Perryton, was sent soaring late yesterday by news that a special train to the upper plains city was being arranged.

It is planned to charter a special train for the day of the game. The train would leave here about 9 a. m., and return about 10 p. m., going by way of Shattuck, Okla. Plans call for the American Legion band to make the trip. Every citizen consulted said that he preferred to take the train instead of driving through by automobile. According to Tom Rose, who is taking a leading part in the movement to charter a train, the cost of a ticket for the round trip will be \$3, providing not less than 150 pay the fares. The motoring cost would be more than train fare, it was pointed out, and the associations through the latter would be very desirable.

The train would be placarded with banners to advertise the Harvesters and Pampa to towns along the route. At Perryton a monster parade would be staged, with the band at the head. Commander Paul Hill said the Legion band would be available, he believed, providing members could be released from their work.

George Briggs, manager of the Board of City Development, will receive ticket deposits for the proposed football special to Perryton, and will order the train as soon as requests for 150 tickets are made. He will be in his office on Armistice day from 8 to 10 a. m., and it is hoped to go "over the top" in ticket sales by noon Tuesday. All desiring to make the trip should place their ticket deposits at the B. C. D. at once.

With a 6-inch snow on the Perryton gridiron and more falling, school officials of the two cities yesterday decided to postpone the game until Thursday, with the understanding that it be rescheduled for Wednesday if the weather should be clear at once.

Meanwhile Coach Mitchell and his Harvesters continue their grind in preparation for the encounter with the Rangers. Although the Perryton eleven defeated the locals here last year, dope points strongly toward a reversal of the score in the very near future. Perryton is saving everything for her big shot at the district title, however, and the result may be in doubt until the final gun.

Closing of school for the day, under a plan to make up the work at a later date, was proposed to members of the school board, who are expected to have a called meeting to consider the suggestion.

Canyon high school, it was recalled, recently adjourned for a day and took a special train to Hereford.

Williamette valley horticulturists have demonstrated that at least three varieties of figs can be grown in Washington.

New Directory Will Be Issued Next January

Three employees of the Hudspeth Directory company of El Paso are in Pampa to prepare the 1930 city directory. They are Barney Kane, Jr., Floyd J. Walker, and M. W. Harper. The same information sources used last year will be consulted this time, but the book will be new in every respect and built with little reference to the current year. Mr. Kane said.

All persons 16 years of age or over will be listed. Cooperation of local citizenship is asked in order that no one be missed. The books will be ready about January 15. Directories in cities of this size are not usually issued annually, but Pampa's growth is so rapid that a new book is regarded as a necessity. The next smallest city in West Texas that has an annual directory is Lubbock.

ARMISTICE DAY PROGRAM TO BE FOR ALL PAMPA

An elaborate program for the entire community will be given tomorrow—Armistice day—at the Central gymnasium-auditorium under the auspices of the American Legion.

The program will open at 10 a. m., and will be as follows:
Prelude by American Legion band.
Invocation, the Rev. A. A. Hyde.
Talk on the American Legion purposes, Commander Paul Hill.
Musical number by high school department, directed by Thomas Fannell.
Talk by Mayor D. W. Osborne.
Reading, Mrs. Carson Loftus.
Talk by City Manager F. M. Gwin.
Music by high school talent.
Talk by representative of Rotary club.
Talk by C. H. Walker, representing Lions club.
Patriotic selection, Legion band.
Vocal solo, Thomas Fannell.
Talk by Supt. R. B. Fisher.
Number by Women's Auxiliary quartet.

Address by the Rev. James Todd, Jr. Selection by Legion band.

Pantages Given Full Sentence For His Crime

LOS ANGELES, Nov. 9. (AP)—Legal barriers intended to protect Alexander Pantages from punishment for a criminal assault on Eunice Pringle, 17-year-old dancer, were struck down today in superior court, and the 54-year-old theatrical magnate was sentenced to San Quentin penitentiary for a term of one to fifty years.

Pantages appeared shocked at the judgment. His face whitened, his hands clutched his chair, his lips twitched. But he did not speak. It was just three months today since the girl ran from Pantages' offices in his theatre building here screaming "he's ruined me—ruined me!"

Judge Charles Fricke listened more than an hour to efforts of defense attorneys to delay the sentence. He rejected a motion for a new trial. He dismissed a motion for probation. Then he pronounced sentence, taking no regard of the recommendation of clemency made by the jury as it convicted the vaudeville king.

The defense gave oral notice of appeal—the last impediment available in this court to aid Pantages' fight for freedom.

DELEGATES TO MAY MEETING TO BE CHOSEN

Boards for District to Be Chosen Here This Week

MANY PASTORS WILL BE MOVED

Bishop Moore Will Be Chairman for Session

Marking the close of quadrennium in the Methodist Episcopal church South, the twentieth annual assembly of the Northwest Texas conference will convene here next Tuesday evening, bringing to the city Bishop John M. Moore of Dallas, who will preside, and an expected crowd of 500 ministers and lay leaders of the denomination. The Rev. W. M. Murrell, presiding elder of the Clarendon district, of which Pampa is a part, and the Rev. Tom W. Brabham, pastor of the local Methodist church, will be clerical hosts for the five-day conference. Citizens of the community are opening their homes to entertain the large aggregation of delegates.

Many appointments will be significant not only as the occasion for the transfer of presiding elders and ministers necessary under the Methodist church rulings, but for the election of delegates to the quadrennial general conference to convene in Dallas next May, with representatives from the Methodist church, South, throughout the United States and from all foreign branches and missions. Boards of Northwest Texas conference for the coming four years, moreover, will be appointed at the meeting here.

The Northwest Texas conference promises to be one of the most interesting of any held within the state this year. The community has responded generously in providing homes for the visiting delegates, but, at the same time, fifty or sixty homes are still needed to care for the large attendance expected. Residents of the city who will cooperate in making the conference a success by taking one or more guests for the five-day meeting are requested to phone the Methodist church office, 624, or Mrs. W. Purviance, president of the Women's Missionary society, 45.

Bishop Moore and all presiding elders will meet on Monday evening preceding the formal opening of the meeting in a pre-conference session, at which initial work will be done, toward assigning posts for the coming year. Similar meetings, for the same purpose, will be held each afternoon and evening until final assignments are read.

Selection to Speak

Bishop Moore and Dr. C. C. Selcman, president of Southern Methodist university at Dallas, will be principal speakers. The bishop will open each day's proceedings with an address at 9 o'clock. Dr. Selcman will speak several times during the week, on a variety of subjects. Recognized as being among the ablest speakers in the state, these two distinguished men are expected to be leading factors in attracting to the conference sessions large audiences of local citizens, in addition to the clergy and lay delegations in attendance.

In order that the church may accommodate the large crowds anticipated, loud speakers have been placed in the basement assembly room and the third floor chapel, where those not

(See CONFERENCE, page 8.)

Real Leader

The Rev. J. O. Haynes, presiding elder of the Vernon district, is one of the youngest presiding elders in Southern Methodism. He is a very successful leader in all phases of church work. He is a graduate of Southern Methodist university, and is a member of the educational commission of the entire Texas Methodism. He is a trustee of McMurry college and a member of the endowment commission. No doubt he will have one of the best reports to make at the conference here.

PLAN TO FORM NEW CHAMBER IS POSTPONED

George Briggs returned last night from Amarillo, where as president he presided over the session of the Panhandle Commercial Secretaries' association.

Among the important subjects discussed was the proposal to organize a Panhandle organization to advertise this section, work with local chambers in solving their problems, bring in farmers, and generally to promote interests more or less local in character. Mr. Briggs and others discussed the proposal, pointing out that if many desirable projects are furthered a smaller organization than the West Texas Chamber of Commerce would be necessary. At the same time the secretaries wished to be understood as having no opposition to the West Texas organization. They decided that, rather than be placed in the position of hurting the chances of the older body to emerge from difficulties and reorganize, steps to form the Panhandle organization should be postponed. They will meet in Amarillo Tuesday to discuss the program of the West Texas Chamber with President W. B. Hamilton, then will have a short session to discuss further work.

In the election of officers for the next fiscal year, Guy Hill of Shamrock was made president. A. T. Holcomb of Dalhart is vice-president, and R. E. Townsend is secretary-treasurer. Directors chosen were G. G. Granville of Borger, G. L. Boykin of Clarendon, and George Briggs of Pampa.

Church Officers Chosen at McLean

McLEAN, Nov. 9. (Special)—Officers of the First Methodist church of McLean for the coming year were elected recently at the fourth quarterly conference. They were as follows:

Trustees—S. A. Cousins, C. C. Bogan, C. E. Anderson, Charles M. Carpenter, O. K. Murphree, John Carpenter, and J. L. Hess.
Stewards—J. H. Bodine, Lee Wilson, C. C. Bogan, Donald Beall, R. O. Shannon, Homer Wilson, A. B. Christian, C. S. Doolen, J. M. Noel, A. B. Blake, and H. W. Brooks.
Sunday school superintendent—W. E. Bogan.
Charge lay leader—R. N. Ashby.

PLANS TO BUY STATE PARKS ARE REVEALED

Chairman Colp Would Have Legislature Give Funds

THREE TRACTS ARE DESIRABLE

Chamber Managers Urged to Obtain Options

AMARILLO, Nov. 9. (P)—Plans for a state-wide campaign in behalf of an appropriation from the next legislature to purchase three park sites were made public today by D. E. Colp of San Antonio, chairman of the Texas State park board.

Colp, appearing before a called meeting of the Panhandle Commercial Secretaries association outlined plans for acquiring large tracts for park purposes in Palo Duro canyon near Amarillo, in the Davis mountains in Jeff Davis county and around Caddo Lake in Marion county near Marshall.

He will ask the next session of the legislature to provide funds for the purchase of all three tracts. Support of the Texas Federation of Women's clubs, and the East, West and South Texas Chambers of Commerce will be sought. He declared that the governor and other state officers favored the plan.

One hundred thousand acres of land would be obtained in and around Palo Duro canyon. Chamber of Commerce officials plan to obtain options on the property as soon as possible.

Building Reaches High Total Last Week in Pampa

Though snow, sleet and rain fell most of every day, the first week in November ended yesterday with building permits at the highest figure reached in the last six weeks, a total of \$35,000. This amount brings the year's total up to \$1,237,870.

A permit was issued for the Culbertson-Smalling Chevrolet company building, construction of which was begun a week ago at the corner of Frances and Cuyler. According to the permit, the new home of the Chevrolet company will cost \$28,000.

B. F. Reno was issued a permit to build a \$1,000 house in the Alexander addition. The third permit was taken out by M. L. Gibson to build a residence in the Buckler and Wilks addition at a cost of \$6,000.

Miami Man Buys Keiser Herefords

MIAMI, Nov. 9. (Special)—Mr. and Mrs. B. F. Talley, owners of one of Roberts county's finest herds of Hereford herds of Hereford, purchased three registered cows at the recent Keiser Hereford sale in Canyon. All three of noted lines, the three cows were a worthy addition to the herd.

Fine Grain Raised Near White Deer

WHITE DEER, Nov. 9. (Special)—J. H. Skaggs, widely known for his successes in farming and ranching in the Panhandle, this year has harvested a crop of more than 200,000 bundles of rough feed of exceptionally fine quality from 300 acres under cultivation near here.

Some of the feed will be threshed and the grain placed on the market. The size of the heads and the maturity of the seed are expected to command a fancy price.

Good Record

The Rev. E. E. White, presiding elder of the Abilene district will be among the distinguished leaders presiding at the Methodist annual conference here. Rev. White for four years was pastor of the First Methodist church of Lubbock. During his pastorate and under his leadership, a \$75,000 educational building was erected. Last fall he was transferred to Abilene district as presiding elder. The district has made a remarkable record under his leadership. In the face of drought and crop failure, his area will be among the banner districts of the conference.

JURY PROBING DEATH OF FIVE IN GAS BLAST

ELYRIA, Ohio, Nov. 9. (AP)—A coroner's jury tonight probed the flame seared wreckage of the Timms Spring company plant opening an investigation into a gas explosion today which brought death to five men and one woman, probably fatally injured one woman, seriously burned four other persons, and shattered with one mighty blow an entire building.

The deafening roar of ignited gas and great sheets of flame shooting more than 100 feet above the roof of the building was the only warning residents of the district had of the disaster.

Rescue squads of police, firemen and a national guard detachment were quickly formed and men risked death beneath falling timbers and twisted iron girders to drag the injured and dead from the ruins.

The blast rent the building when a workman entered a gas filled room, and struck a match to light a cigarette.

Scarlet Fever Is Fatal to Child

Raymond Seitz, 6-year-old son of Mr. and Mrs. Roy Seitz of White Deer died of scarlet fever Friday while on the way from his home to a Pampa hospital.

Funeral services will be held today at 3 o'clock at the First Methodist church, White Deer, with Rev. C. E. Pike, pastor, in charge. The boy is survived by his parents and one brother, J. D. He was a cousin of Charles Duennkel. G. C. Malone Funeral home has charge of the body.

McLean Methodists Dedicate Church

McLEAN, Nov. 9. (Special)—The First Methodist church, recently enlarged and refurbished, was rededicated in an impressive ceremony at which the Rev. W. M. Murrell, presiding elder of the Clarendon district, officiated. A large crowd was present for the service.

OLD SINCLAIR SITE WILL BE USED BY FIRM

Capacity to Be 5,000 Barrels Daily of Crude

FEW FACTS ARE TOLD IN REPORT

Gray County Brings in Three Good Wells During Week

Definite information that a 5,000 barrel refinery will be established here soon by the Bell Oil and Gas company of Tulsa, Okla., and news of three oil well completions with an initial daily production of 2,750 barrels featured the oil development of Gray county this week.

The refinery will be located east of Pampa on the Bell company property which was purchased this year from Sinclair Oil and Gas company. The refinery company already has pipelines to have the various fields in the south and southeast part of the county. The company will obtain oil from the Operators Oil company lease, it is understood.

Very little information other than assurance that the refinery will be located here, could be obtained locally. Announcement of the plan was made in Tulsa Saturday and was received here yesterday. The Bell Oil and Gas company owns a refinery at Grandfield, Okla., and has interest in several other in Oklahoma, according to information received here.

Sun Co. Gets Well

The largest well of the week was Sun Oil company's No. 4, Purviance, 330 feet south of the northwest corner of section 61, block B-2, H. & G. N. R. R. survey, which struck pay between 2,938-50 feet, making an initial production of 1,700 barrels. A total depth of 2,960 feet was reached.

McMan Oil and Gas company's No. 4 Jackson, 970 feet north and 330 feet east of the southwest corner of the west 95-25 acres of the east 190.5 acres, section 90, block B-2, H. & G. N. R. R. survey, made an initial production of 900 barrels daily. Pay was encountered at 3,015 feet.

Magnolia Petroleum company's Bowlers No. 8 in section 63, block B-2, after swabbing, came in for a daily production of 150 barrels.

The full force of the curtailment of oil production in Gray county and the Panhandle, and the 20 per cent cut in the purchase of crude by the Texas company were felt this week when the daily production of the Panhandle decreased 2,399 barrels. Gray county's average daily decrease was 2,341 barrels, with a daily production of 63,530 barrels as compared with 66,171 barrels of the previous week. Carson county was the only one in the Panhandle field that showed an increase in production. Its daily production was 10,003 barrels while last week's was 9,413 barrels.

Daily Production

Wells and production by counties compared with the previous week:
Carson—195 wells producing 10,003 barrels, an increase of 589 barrels.
Gray—473 wells producing 63,530 barrels, a loss of 2,341 barrels.
Hutchinson—690 wells, producing 27,130 barrels, a loss of 518 barrels.
Moore—19 wells, producing 770 barrels, a decrease of 64 barrels.
Potter—1 well, producing 54 barrels, no production previous week.
Wheeler—38 wells, producing 703 barrels, a loss of 33 barrels.
Total production—2,394 wells producing 102,489 barrels, a loss of 2,389 barrels.
Average production per well, 60.1 barrels.

Official estimates place the Hungarian corn crop at 75,000,000 bushels, 26,000,000 bushels more than in 1928.

THE STATE IS GOING TO WATCH WITH INTEREST THE DEVELOPMENT OF THE HIGHWAY PATROL SYSTEM.

Members of the patrol of 50 must be between 21 and 40 years of age. They will be chosen from 450 applications. Of those who applied, only three said they used intoxicants, and these gave excuses, such as for medicinal purposes. There will be some in the group chosen who will be unfit, and the answers indicate that there are either some liars in the number or Texas is going to be very fortunate in the personnel.

Fifty men will do little more than advertise the fact that there are highway laws. Speeding should be halted where it is very excessive, but speed is not the worst thing met on the highways. Intoxication is the very worst offense, and as far as the observation of the writer extends seems to be increasing. Several serious accidents in this territory recently could have been traced to intoxication of the drivers. The full penalty of the law should be assessed, for the sober drivers have no protection from accident except the sobriety and skill of others on the roads.

Driving with one light is another common offense which a highway patrol can do much to stop. The writer faced nine of these one-eyed vehicles at night recently between Pampa and Amarillo. Especially on rainy nights it is dangerous to meet these offenders.

TEXAS' NEW MARRIAGE LAW, REQUIRING THREEDAY NOTICES OF INTENTION AND PHYSICAL EXAMINATIONS FOR MEN, IS OF SMALL VALUE ALONG THE BORDER OF THE STATE.

The marriage statistics for Texas will doubtless reflect the fact that hundreds of Texans are going to Oklahoma to be wedded. Justices and preachers just across the line are doing a lucrative business.

Statistics from Wichita Falls are enlightening. Twenty-four licenses were issued in that city during October, compared with 91 during October of 1928. Since the Texas marriage law went into effect, 95 licenses have been issued there as contrasted with 452 during the similar period of last year. Other Texas cities along the Oklahoma line would show proportionate declines.

Does the lack of uniformity tend to neutralize the effects of the Texas law? It has long been similarly true of divorces the country over. Codification of state laws to obtain uniformity seems to the News to be a logical and most necessary step. The advantages of statehood are many, but in many things there is

nothing gained through having widely varying laws on the same subject.

Percy, the office mouse, is back to normalcy but the cat who invaded his domain a few days ago is still missing. Doc Donebain declares the cat was intelligent and inoffensive, perhaps explaining why he didn't eat Percy. And now Doc is offering a reward for the return of his cat and is looking on us with suspicion.

We do not oppose wearing some cotton to help the cotton farmers, but we object to doing it in the name of silk.

This is a good town, but the percentage of goodness ought to be increased considerably when 300 or more preachers arrive next week.

It is not a crime in Mexico to steal bread if you are starving. But there will be times when it should be a crime to quit work and try starving.

It doesn't pay to gossip or tattle about other people. They will surely retaliate and the net result will be that dirty tales are scattered about all concerned. There are plenty of folk in Pampa who should realize this.

Mrs. M. A. Graham Is Club Hostess Friday

Mrs. M. A. Graham was hostess to members of Club Mayfair and other friends on Friday afternoon, entertaining at her home on North Somerville street with two tables of bridge. At the close of the games tea was served and score favors awarded.

Mrs. E. H. Damon received the guest favor, a prettily decorated kitchen memoranda with pencil attached.

Mrs. Arthur Swanson was high for the club, and was given a vanity box for the dressing table. Consolation favor was an attractive silhouette, which went to Mrs. Otto Studer.

Other players were: Mrs. George Gill, special guest, Mrs. Clyde Fatheree, Mrs. H. G. Twiford, Mrs. H. E. Zollar, and Mrs. W. A. Duerr.

Dinner Bridge Given as Birthday Compliment to Roy Bourland Friday

Mrs. Roy Bourland was hostess on Friday evening at a delightfully planned dinner bridge, which she gave for her husband, honoring him on his birthday anniversary. The guests were present when Mr. Bourland arrived, and upon his entrance his little daughter, Sarah Frances, and little Miss Mary Sue Murray sang "Happy Birthday." He found a number of gifts, including several amusing novelties, at his place at dinner.

A three course dinner was served at the quartet tables, where covers were laid for the following: Mr. and Mrs. Dick Walker, Mr. and Mrs. J. M. McDonald, Mr. and Mrs. Fred Cary, Mr. and Mrs. Harry Cookston, Mr. and Mrs. Hugh Allspaugh, Mr. and Mrs. J. Frank Murray, Mr. and Mrs. Chester Norris, Mr. and Mrs. Edwin Vicars, the hostess and Mr. Bourland.

House decorations and accessories were in the motif of Thanksgiving Day. Attractive favors were given for combined scores, the high going to Mr. and Mrs. Allspaugh, and the low to Mr. and Mrs. Walker.

Eight and Forty Meets at Home of Mrs. W. C. de Cordova, President

Mrs. W. C. de Cordova, la petite chapeau, or president, of the local Eight and Forty, was hostess to other members of the salon at a combined business and social meeting in her home last Friday evening.

Mrs. J. A. Pearson, who was one of five delegates from the Texas organization to the national convention of the American Legion, the auxiliary, and allied secret societies, gave her report of the meeting. A particularly interesting point in the account was that the Eight and Forty had given the Legion auxiliary \$2,000 with which to carry on its program.

Bridge games were enjoyed at the conclusion of the business session. Members present were: Mrs. S. A. Burns, Mrs. H. H. Helskel, Mrs. R. A. Webb, Mrs. J. A. Pearson, Mrs. W. M. Voyles, and Mrs. Floyd McConnell.

Rainbow Order Holds Initiation Ceremony

The Order of the Rainbow for girls held initiation services recently for Miss Lillian Jameson. Ten members of the organization took part in the symbolic and impressive ceremony, which was witnessed by the club and a group of visitors.

Mrs. Sam Ripley, member of the grand examining board of the Order of the Eastern Star, was an honored guest at the social gathering following the service. Other special guests were Mrs. Roy Sewell, Mrs. I. P. Vincent, R. C. Campbell, and O. H. Ingram.

Mrs. Bonnie Rose, mother adviser, presided in the ceremony. Members present were: Miss Frances Finley, Miss Virginia Rose, Miss Frances Campbell, Miss Oletta Jones, Miss Alice Ingram, Miss Louise Walstad, Miss Esther Plank, Miss Wanda Barnard, and Miss Etha Jones.

SOCIAL CALENDAR

TUESDAY: El Progresso club will meet at 2:30 o'clock in the home of Mrs. John Andrews.

Twentieth Century club will meet at 2:45 o'clock in the home of Mrs. W. T. Fraser.

Junior Twentieth Century club will meet at 2:30 o'clock in the home of Mrs. C. C. Boles.

Baker Parent-Teacher association will meet at 2:30 o'clock in regular session.

SATURDAY: The Ladies of the First Christian church will hold their annual bazaar of needle-work and cooked foods at Barnes and Hastings grocery store, beginning at 9:30 o'clock. The rummage sale to be conducted by the Business and Professional Women's club, and postponed from last week, will be held at the old Cuyler hotel building on South Cuyler street.

Officers

Mrs. Tom Rose (top) yesterday was raised from the vice-presidency to the Council of Clubs to the presidency, following the resignation of Mrs. C. E. Hutchins. By virtue of the office she will be general chairman for the annual convention of the Seventh district Federation of Women's clubs, to be held here next spring. She is a representative of Twentieth Century club in the council. Mrs. C. E. Hutchins, (below) first president of the Council of Clubs, and representative of Wayside Study club, resigned the presidency because of continued ill health. She was general chairman of the successful annual conference of the Eighth District Congress of Mothers and Parent-Teacher associations, which was held here last April. Both the new president and the retiring officer have been prominent in civic affairs of the city.

Hostesses for December Scholarship Benefit Are Named After Meeting

Members of the reservations committee and table hostesses for the two game tournaments to be given by the Pampa branch of the American Association of University Women and College club on Dec. 5, for the benefit of its scholarship fund, met Thursday afternoon in the home of Mrs. R. Earl O'Keefe to complete details of arrangement and management.

Following the meeting, it was requested that devotees of bridge and forty-two patronize the benefit functions, funds from which will be used in sending a 1930 graduate of Central high school to college. Those who have a preference as to the hostess in whose group they play are requested to communicate with her. Those having no preference in the matter were asked to call Mrs. O'Keefe, chairman of the reservations committee, on telephone No. 387-J. Tickets for the affairs will sell for 75 cents each, and will be on sale next week, according to the committee's announcement.

Mrs. C. T. Munkapillar, president of the club, will be in charge of the functions, both of which will be given at the Schneider hotel by courtesy of Alex Schneider. A fund of \$200 is expected to result. Miss Fannie Florence Sims, scholarship and fellowship chairman, said in discussing the project.

Hostesses for the afternoon will be as follows: Mrs. C. S. Boston, Mrs. W. F. Byrd, Mrs. F. M. Culbertson, Mrs. R. G. Hughes, Mrs. A. D. Johnston, Mrs. W. M. Lewright, Mrs. T. R. Martin, Mrs. W. T. Fraser, Mrs. W. F. Campbell, and Mrs. George Walstad.

For the evening, they will be: Mrs. J. I. Bradley, Mrs. W. A. Bratton, Mrs. J. J. Devine, Mrs. Ivy Duncan, Mrs. H. P. Elliott, Mrs. I. B. Hughey, Mrs. I. E. Kullman, Mrs. C. E. Lawrence, Mrs. J. L. Speaking of snow, A. H. Doucette and C. P. Buckler remembered yesterday that back in 1907 there was a snow-drift "as high as the house" back of the White Deer Land company building.

That same year Doucette and Buckler admitted that they almost paid for the livery stable and wagon yard owned by Charles McMahon that used to be opposite the Methodist church by going to LeFors and beyond in a snappy two-horse rig.

In this town of Pampa, where 20 years ago 200,000 cattle were shipped to market in a single year; where hundreds of cowboys and their horses spent the night here ever so often—there is now not a single wagon yard or public stable to protect two horses from the cold blast of winter—two horses that would have been bought at Chief Downs' pound auction to provide delight for two local men who want to ride horses again, who are slightly tired of automobiles.

Wheat Market Is Nervous and Weak

CHICAGO, Nov. 9. (P)—Wheat traders striving for higher prices had a Robinson Crusoe time of it today.

Meanwhile, predictions were current that Chicago deliveries on December wheat contracts will be heavy, total stocks of wheat in elevators here being upward of 29,000,000 bushels and No. 2 hard wheat now waiting on railroad tracks in Chicago freight yards selling at a decided discount under December.

Closing quotations on wheat were nervous, 5-8 to 1 1-8c a bushel below yesterday's finish.

From the outset, the wheat trade here had to face the fact that the Liverpool wheat market today was down to a new low price record, the December delivery in Liverpool having dropped to below any level heretofore reached this season.

New Trial Is Asked on Basis of State's Abusive Argument

EASTLAND, Nov. 9. (P)—The "highly abusive language" of the state's attorneys toward Clyde Thompson, convicted of the murder of Lucian Shook and sentenced to be executed, was cited by Thompson's attorneys in a motion for a new hearing filed here late today.

Among the terms applied to Thompson, the motion said, were "the darkest and blackest murderer of all ages, robber and red handed murderer." This was improper argument, it was contended.

New York Banker, Friend of Smith Commits Suicide

NEW YORK, Nov. 9. (P)—With a bullet through his head, James J. Riordan, president of the County Trust company and close friend of former Governor Alfred E. Smith, was found dead yesterday in his home here where he lived with his sister. Police said it was suicide.

News of the death was withheld until today to avoid a possible run on the bank and to permit a check of its books.

The reason for the act, police headquarters said, was heavy losses in the stock market. Other friends and the board of directors of the bank ascribed the act to ill health.

The bank is in "wholly sound condition," the board of directors said in a statement at conclusion of a meeting today which Joseph A. Broderick, state superintendent of banks, attended. Broderick was quoted as having said that he had found the company in "wholly liquid and satisfactory condition."

Broderick would issue no statement personally but said the directors' statement had his approval. He said his examiners were going over the bank's books and he probably would issue a statement later.

Trains Marooned by High Water in Southeast Texas

HOUSTON, Nov. 9. (P)—Rain pounded a wide segment of Southeast Texas today, marooning two passenger trains at Waller for a time, thoroughly drenching Hempstead, Waller, and other towns in that section and halting motor traffic out of Houston to Austin, San Antonio, Dallas, Victoria, and Shreveport.

The Southern Pacific trains halted at Waller—one of the Houston-Dallas local and the other a football special bound for College Station, were able to make the crossing where a small washout occurred and proceed this afternoon.

Hempstead reported a cloudburst and Waller a total precipitation of 14 inches. Hockley, nearby, received 9 inches. Creek bottoms, it was said, were inundated but there was no known damage of major consequence. Bus schedules into Houston were interrupted. Here the rain, light most of the time, fell intermittently during the day to be followed this afternoon by a short fierce deluge. Water was standing in the low points about the city.

EL PASO MAN MADE MANAGER BY BIG CHAMBER

ABILENE, Nov. 9. (AP)—D. A. Bandeen of El Paso, unanimously selected manager of the West Texas Chamber of Commerce, announced there tonight he would accept the appointment. He was selected by the board of directors of the organization which also named ten regional directors for the organization. Bandeen is a former member of the war-time army, and for ten years has been manager of the El Paso Chamber of Commerce.

"I appreciate the honor conferred upon me," Bandeen said, "and I hope I may justify the confidence placed in me."

"The directors of the West Texas Chamber of Commerce are business and professional men of the highest standing, representatives of communities throughout the territory. It will be my pleasure to serve these directors and to assist in organizing for West Texas a constructive businesslike program of development and progress."

"Any credit for achieving our objectives will be due to and will be credited to Mr. Hamilton and the directors of the organization."

Bandeen was placed in charge of the organization today.

A policy of economy was indicated by President W. H. Hamilton in his announcement that he and the directors would pay their own expenses this year and that regional directors would have no expense accounts.

Regional directors named today follow:

District No. 1, Will O'Brien, Amarillo; No. 2, C. B. Jones, Spur; No. 3, F. W. Kennerly, Quanah; No. 4, Amon G. Carter, Fort Worth; No. 5, C. M. Caldwell, Abilene; No. 6, B. Reagan, Big Spring; No. 7, H. L. Birney, El Paso; No. 8, John Perkins, Alpine; No. 9, John Adams, Winters; No. 10, W. P. Ballmark, Dublin.

As an indication of the flourishing business conditions that have existed in Pampa, the Oden Music Shoppe ranked second in the Panhandle in the sale of radios, the Culberson-Smalling Chevrolet company sold its quota of cars and eight per cent over, and in 1928 the two Fatheree drug stores in Pampa ranked 14th among the 365 Rexall stores in Texas in selling Rexall merchandise.

In a sales contest that continued through September and October, five Chevrolet salesmen employed by Culberson-Smalling company won prizes from \$40 to \$75 each, and Leo Martin by his selling ability won the distinction of being the ranking Chevrolet salesman in the southwest region by selling more cars than any salesman in this area. The other salesman winning prizes were H. F. Anderson, B. N. Ehrlich, C. E. Burns, Charles Wiley. For the past year, the local agency has either been at the top or near the top of the list in Chevrolet sales in this region.

In a radio sales contest which just closed, Pampa, represented by the six P.-T.-A. organizations here, headed by Mrs. V. E. Fatheree, president, of the high school P.-T.-A., won second in the Panhandle which was district No. 6 of the Oklahoma City district. Although results of the other five districts have not been compiled, the local P.-T.-A. is sure to win a radio. There is a possibility that it will win a part of the thousands of dollars of cash prizes that will be given away in prizes.

When the votes were counted in the district, Amarillo had 1,173,935, while Pampa had 991,060 votes. Votes were secured by registration at radio demonstrations in the store by the purchase of new and used radios. The Amarillo shops were represented by the orphans home there. Among the \$10,000 in prizes to be given away to winners in the six districts of the Oklahoma City division are 30 radios.

The News will print other sales records if these are made available.

J. R. Brown, Dallas, representative of the Independent Oil company, was a business visitor in Pampa yesterday.

CHURCHES

FIRST BAPTIST CHURCH

Sunday school—9:45 a. m.
Morning preaching service—11 a. m.
Orchestral rehearsal—4 p. m.
Training service—6:15 p. m.
Evening preaching service—7:30 p. m.

Baptismal service—8:30 p. m.

On account of the bad weather and the probability of continued difficulty of getting to the services, Brother Kelley returned Friday to Tulsa so that he might be with his own people today. We appreciate the loyalty of those who attended the revival services despite the inclement weather, and although the meeting was not sensational, we feel that the church received many blessings from Brother Kelley's being with us and preaching to us. We hope that the next revival campaign may be held when the weather will be more favorable than it has been the past two weeks.

Brother Truhitte will occupy the pulpit at both the preaching services today. He has been out of his pulpit the past five Sundays, and it will be a distinct treat for the church to welcome him back to his regular place today. His morning subject will be, "America, All Wool and a Yard Wide." The subject for the evening service will be, "Playing the Fool." The average attendance of the Sunday school the past month was well beyond the 300 mark. This month we hope to excel the record of all former ones. Come to one of the classes in our Sunday school today. A cordial welcome and a rich spiritual blessing await you. The Men's Bible class hopes to have 50 in attendance today, and the joint class of the young people hopes to have a similar record.

Special attention is directed to the training service of the church. All the Unions meet at 6:15 this evening. The union of the people about your age will do for you what no other organization of service of the church will do. If you are not in one of our unions, you are missing something vitally worthwhile in your Christian life. A union for the young married people was organized last Sunday. A good program will be rendered in their meeting this evening.

The building will be warm today; the welcome you will receive from us will be warm; and your spirit will be warmed and blessed by having joined us in the worship of God on the day dedicated to His service.

JOHN LEE HARRIS,
Assistant Pastor.

Says Santa:

60
2700

"Every dog has its day! I no longer climb down sooty chimneys to leave my gifts. People use gas for heating purposes now and leave the front door open for me! A much cleaner job for me!"

Yes, and cleaner for the family which lives in the house too. The use of gas for fuel in the home is one of the greatest of modern conveniences. The modern home can now be free from the aggravating soot and smut of the old open fire.

The gas heated home is also free from the inconveniences and difficulty of heat control which are experienced with the use of the open fire, and coal and wood heaters. The unpleasant duty of starting the heating system for the day has now been eliminated through the use of gas. Quickly, simply, and easily the gas heaters over the entire house may be started. In a short time the rooms are cozy and warm.

Gas heating gives a steady continuous heat which is easily controlled. By a mere turn of the wrist you may increase or decrease the heat volume.

The efficiently heated home is a necessity for good health. If the house is now too warm and now too cold, the hazards to health are great.

We will be glad to co-operate with you and advise you concerning your heating problems. We strive to render the best possible service to the public at all times.

With Your Co-operation we can serve you best

PAMPA BOY FIGURES IN BAYOR AND TEXAS SCORELESS BATTLE

Kitchens Is to Battle Granite

K. O. Kitchens, the boy that gave Pug Grubbs of Borger the worst pounding he ever got, although in a draw fight, will accompany Jack C. Rogers, Pla-Mor promoter, to Hobart, Okla., tomorrow to fight Kid Granite tomorrow night. Kid Arthur, local boxer, will fight "Bear Cat" Stoope of the preliminaries.

Luther Platter and four "Cyclone Bonds, who knocked out Elmer Ripston of McLean in 45 seconds last Thursday night, yesterday began working out for their 10-round bout Nov. 11 at the Pla-Mor. Rogers is trying to work up a match for Kitchens on the same date here. Bonds will go with Rogers to Hobart tomorrow night, in case there should be some one at Hobart willing to take him on.

Abilene High Is Badly Outplayed by Breckenridge Men

BRECKENRIDGE, Nov. 9. (AP)—Abilene high school, 1928 state high school football champion, was defeated today when Breckenridge high school won 26 to 0 in the most crushing defeat Abilene has suffered in eight years.

Breckenridge whipped the Abilene team on the first play of the game after Abilene kicked off. Boyce Magness tossing a short pass across the line of scrimmage to Pruitt, Breckenridge fullback who ran 65 yards for a touchdown. Magness made all of the other touchdowns, one of them in the first quarter and two more in the final period.

One of the touchdowns followed a long march down the field and the others were made after Abilene had fumbled. Abilene, outplayed in every department, fumbled badly, losing the ball six times in that manner. The Eagles threatened three times, but never penetrated the 10-yard line. The field was muddy and slippery, but about 6,000 spectators were present.

Sankari Spurts to Victory Late in Arlington Race

FORT WORTH, Nov. 9. (AP)—Sankari, veteran campaigner of the R. C. stable moved along in the also ran class for most of the Dallas handicap, the \$2,500 feature at Arlington Downs Saturday, but wound up with a burst of speed that carried him past Trieze and Panchio, the latter the Three D hope.

Panchio, away with a burst of speed over the sloping track, led the field of six until the stretch. Then Trieze made a bid and the crowd, watching the two fight it out down the stretch, overlooked Sankari, coming fast as Jockey Ayraud made him move. The brown son of the Finn, came home a length ahead of Trieze, the latter took the place position with Panchio in the third spot.

Mix-up, the other Three D entry, ran well and was close on the leaders until Trieze challenged Panchio for their stretch duel, with Ayraud piloting Sankari through after the two former apparently had won and place honors cinched.

It was the second victory of the day for Ayraud. He was up on Opengo Shut, Arsonia stable gelding that captured the second race. Ayraud took home two mounts in first position Friday also.

The 2,000 fans who braved intermittent rain and a slick pike to see the Saturday program, groaned when they saw the track, mushy and with puddles of water here and there. They didn't think the day's program would be much but stayed to see some of the best races of the meet.

Arkansas Runs High Over Sooner Teachers' Eleven

FAYETTEVILLE, Ark., Nov. 9. (AP)—Led by Dandy Dick Miller, the Arkansas Razorbacks ran hog wild today to cross the Ada, Okla., teachers goal line eight times for a 22 to 7 victory here today.

Miller scored when the game was less than 60 seconds old, racing behind interference 80 yards for a touchdown. He chalked up another counter in the same period, and two more in the third quarter, running his scoring for the season to 66 points.

Cowboy Kyle, reserve back, scored a third marker in the first period.

The dazed and battered Teachers made their lonely touchdown when Lawrence, taking a 20-yard pass from M. Daughter, raced 50 yards in a clear field.

Mason Plays But Few Minutes in Defeating Aggies

COLLEGE STATION, Nov. 9. (AP)—The Southern Methodist university Mustangs proved the better mud horses today, taking a twelve to seven decision from Texas A. & M. in the dedicatory exercises for the Aggies new \$300,000 stadium.

The Ponies got their victory in a driving drizzle man except for a few moments. Weldon Mason went into the lineup for less than ten minutes in the second quarter, and slipped thirty yards through Aggie tacklers for a touchdown. Two plays later he went out after he had missed a try for the extra point from placement.

TEXAS CHRISTIAN REMAINS ONLY UNDEFEATED, UNTIED SCHOOL

FORT WORTH, Nov. 9. (AP)—Texas Christian university easily downed Rice institute on a field of mud, 24 to 0, here today and remained the only undefeated untied team in the race for the Southwest conference championship.

T. C. U. punters always kept the ball deep in own territory in spite of the soggy ball and the Horned Frog line outcharged the lighter Rice line throughout the game while the Christian's backfield excelled at lugging the ball forward.

Even in the fourth period, when the game was safely tucked away in the win column and T. C. U. had eleven second and third string men on the field Rice could not get past the mid-field stripe.

As against the Christian's four touchdowns Rice could show but three first downs throughout the game, two of them by line bucks and one by a forward pass.

A farmer near Centralia, Wash., seeded 1,000 acres of land in half a day, using an airplane.

The Innocent Cheat

THIS HAS HAPPENED
HELEN PAGE feels indebted to and in love with her guardian, LEONARD BRENT. The latter changes his plans for her future after meeting a drying business, NELLIN, and tells the girl she is the mistress of a millionaire, named CUNNINGHAM. Brent takes Helen to the lonely old man and offers proofs which Cunningham accepts, as he had been searching for his dead daughter's child.
Among Helen's new friends are EVA ENNIS and her brother ROBERT, who falls in love with her. Brent becomes jealous of Bob and plots to win Helen quietly, especially after finding another lock of the one he had taken from Nellin to prove Helen the mistress. Hearing that a sudden shock would kill Cunningham, Brent slyly administers the shock, and the servant finds the old man dead in bed. Then, by clever acting and appeal to her loyalty, Brent wins Helen's promise to marry him.
Later, she and Bob discover their true love for each other and he is certain when she tells him she cannot break her engagement, even though she loves him. Misunderstanding her reasons, Bob sires with SHALLIMAR MORRIS, a school friend of Helen's. He does not know that she had tried to break with Brent and that he had made threats against her happiness.
NOW GO ON WITH THE STORY
CHAPTER XXXVI
HELEN was turning to face to her room when Shallimar glanced to look up and caught the glimmer of her pale garments.
"Hi," she yelled, "we're home!" Helen wheeled back and leaned over the banister to look down at them.
"Stay for coffee, Bob," she said cheerily, and if there was a sob under the bright overtones of her voice it was too soft for those below to hear.
"Sorry," he answered with a lightness to match her own. "Breakfast will be waiting at home."
"Well, invite him to dinner, Shallimar," Helen sang back, and rushed blindly for her room.
When Shallimar came up a few minutes later she was sitting in bed with her knees drawn up under her chin and her arms clasped around them, proudly blinking back her telltale tears.
"Did you have a good time?" she asked perfunctorily as Shallimar seated herself on the edge of the bed.
"Positively intriguing," Shallimar enthused. "The boy's unique. Wants to fall out of love with you, Helen."
Helen's cheeks flamed red. "So you were discussing me?" she flared.
Shallimar raised a calm eyebrow. "Why not?" she inquired, "but there's one thing I forgot to ask him, Helen. Why did you turn him down? Money?"

CONFERENCE—
(Continued from page 7.)

finding seats in the auditorium may listen to the addresses and reports.

One or two of the morning sessions, following the bishop's addresses, will be devoted to reports of the presiding elders, in which each will give an account of every church and every minister in his district. Other morning sessions will be used for the transaction of church business.

The afternoon and evening programs will be under the direction of the several conference boards. Sermons and addresses of broad interest will be features of these gatherings.

Dr. A. V. Cole, of Dallas, editor of the Texas Christian Advocate, will speak Tuesday evening, when the Brotherhood, an organization of the pastors, will be in charge of the program. Dr. Selecman will make an address on Wednesday afternoon. Dr. C. E. Cram, Nashville, Tenn., secretary of the board of missions, will be the speaker of Wednesday evening.

Dr. J. W. Mills, chairman of the board of finance of the Texas conference and presiding elder of the Beaumont district, will speak Thursday afternoon on the superannuate endowment. The program of Thursday evening will be under the direction of the board of education, with Dr. Selecman again delivering the address.

Children Coming
The orphanage board at its special session Friday afternoon will present twenty children from the Methodist Orphan's home at Waco in a program that will be one of the most interesting of the entire week. Dr. O. O. Barnett, manager of the home, will deliver the address of the afternoon. Dr. W. T. Gray of the institution will be in charge of the children.

The program of Friday evening will be given by the Sunday school and Epworth League boards. Final business of the large body, before the reading of new assignments, will be completed at the Saturday afternoon session, when final reports from boards and committees will be heard. A sermon on evangelism will be given Saturday evening by Dr. Selecman.

Bishop Moore will occupy the pulpit of the host church for the regular 11 o'clock service on Sunday, the closing day. Other ministers will preach at other churches of the city at the same hour.

The bishop will make his final address Sunday evening, after which assignments of the ministers will be read, together with appointments to the boards and committees of the conference.

Have Many Boards
Board appointments will be for four years and will include the following: Sunday school board, twenty members;

At the Rex

Light which has hidden under the proverbial bushel in favor of more pronounced flames of talent are proving assets to many of the screen players these days.

Petite Sally O'Neill's ability to sing and dance had never been put to any use other than entertaining her family and friends until she was cast for one of the leading roles of "The Sophomore" a forthcoming all dialogue Pathe film in which Eddie Quillan, Jeannette Loff and Miss O'Neill are featured. This picture will permit the world to enjoy the talents of the little Irish actress which were hitherto regarded as secondary, since one sequence shows her as Eddie's partner in a complicated terpsichorean offering, and in another she sings.

"The Sophomore," which comes to the Rex theatre today is a peppy college story which appeared serially in "College Humor".

board of education, twenty members; board of missions, seventeen members; board of church extension, fourteen members; Epworth League board, eighteen members; board of temperance and social service, fifteen members; board of Christian literature, sixteen members; board of lay activity, sixteen members; and board of finance, fifteen members.

With the exception of the board of lay activity, which is composed entirely of laymen, with Dr. Boyd McKeeven, dean of McMurry college as its present chairman, the above named boards are formed from representatives of both the laity and the clergy. Climaxing interest in the Pampa meeting, alike for the ministers and

Methodist congregations throughout the Panhandle, will be the reading of assignments at the close of the session Sunday night, there being this year an exceptionally large group of pastors whose tenures expire, either by custom or by definite rule.

Although under the church law ministers, with the exception of presiding elders, may be returned to a charge annually for a number of years, it is nevertheless customary for the conference to transfer them every four years at least. A presiding elder may not remain in the office of a district more than four years, according to the laws of the denomination.

Among the men who have served four or longer in one charge, and whose transfer is scheduled to take place in the meeting here are the following: the Rev. J. E. Boyd, Albany; the Rev. H. C. Gordon, Anson; the Rev. C. C. Wright, Baird; the Rev. L. N. Stuckey, Polk Street Methodist church, Amarillo; the Rev. U. S. Sherrill, Mobeetie-Kelton; the Rev. J. F. Michael, Abertathy; the Rev. R. A. Steward, St. Johns, Stamford; and the Rev. C. A. Bickley, Vernon.

Dr. McKean Buys Big Airplane for His Personal Use

Dr. J. C. McKean of the McKean and Connor Clinic hospital has purchased a new Spartan biplane costing \$9,550. Its motor is a 225 horsepower Wright motor with a high speed of 140 miles an hour. It is the same type

motor used in the planes of several of the major airlines. It is fully equipped with latest instruments, and has a self-starter.

The plane was painted specially for Dr. McKean. It has a red fuselage, old gold wings, and a black undercarriage.

Dr. McKean, who holds a student pilot's license, will pilot the plane himself, he has announced. He purchased it from Bill Morris, sub-dealer for the Garland Aircraft corporation. The biplane will be kept at the local airport.

PRESBYTERIAN CHURCH

You are cordially welcome to our services today.

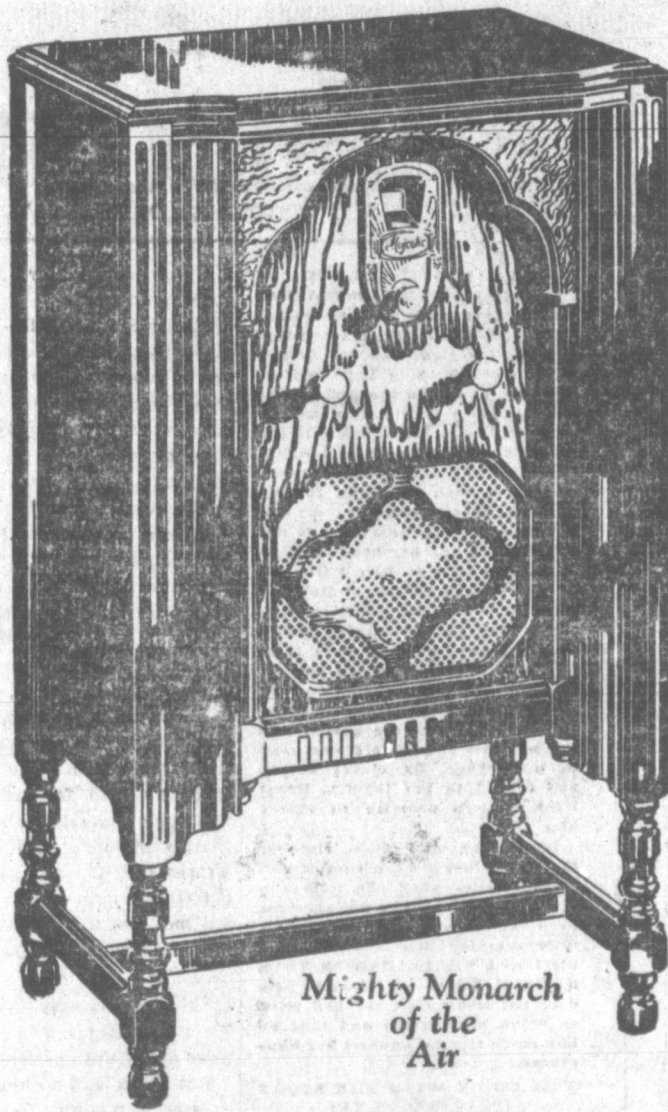

At the 11 o'clock service, the pastor will bring the message, "Religion or Christianity, Which?"

At 7:30 p. m., the message will be "It Takes Two to Make a Contract." Sunday school, 10 a. m. Morning worship, 11 a. m. Junior Endeavor, 4 p. m. Intermediate Endeavor, 4 p. m. Sermon, 7:30 p. m.
