President Asks \$1,609,000,000 For National Defense In Budget Message

WOMAN KILLED IN CAR CRASH

Nearly Nine Billions For Year Wanted

Deficit For Fiscal Period Would Be Over 3 Billions

WASHINGTON, Jan. 5 (AP)—President Roosevelt asked vast sums for national defense today in a multi-billion dollar budget that projected another deficit and an unprecedented public debt of \$44,458,000,000 in 1940.

His annual report to congress on the nation's finances advised emphatically against a "violent contraction" in spending or "drastic new taxes." He opened the way, however, to "moderate tax increases" to meet increased expenditures of \$422,000,000 for armament and farm relief costs.

He called for \$8,995,663,200 of federal spending in the fiscal year beginning next July 1 and estimated the deficit for that year at \$3,326,343,200.

He asked \$1,609,000,000 for national defense, including an extra \$600,000,000 to speed up the armaments program. Of the latter sum, however, only \$210,000,000 would be disbursed next year.

Reiterating the preparedness theme voiced in his annual message to congress yesterday, the President said all are aware "of the grave and unsettling developments in the field of international relations during the past few years."

"Because of the conditions of modern warfare," he continued, "we must now perform in advance tasks that formerly could be postponed until war had become imminent."

Mr. Roosevelt did not specify the form of the suggested new taxes. He recommended continuation of a group of emergency "nuisance taxes" scheduled to expire June 30.

Crediting the administration's current spending program with aiding "the existing upward movement of business and employment," the President said it should not be curtailed "arbitrarily or violently."

Asks WPA Continuation
The budget included an estimate that at least \$750,000,000 would be required to operate WPA until June 30. Present funds are expected to run out Feb. 8.

For the next year, the President asked \$1,500,000,000 for the WPA. He requested no new public works program but estimated \$366,000,000.

Deskins Wells To Be BCD Speaker

Deskins Wells, of Wellington, president of the Texas Press Association, will be the speaker at the January membership luncheon meeting of the Pampa Chamber of Commerce, Reno Stinson, president of the BCD and Chamber of Commerce, announced today.

The luncheon has been postponed a week in order to secure Mr. Wells. The luncheon will be held the third Tuesday of the month, Jan. 17, instead of the second.

The Pampa Junior Chamber of Commerce will have their weekly luncheon meeting next Tuesday as usual and will meet jointly in the monthly luncheon meeting of the senior organization, Jan. 17, Dr. C. H. Schukley, president of the Jaycees, has announced.

Wells, as president of the Texas Press Association this year, heads one of the most influential groups of Texas citizens, the Texas newspaper editors. He is an outstanding leader in his profession and an interesting speaker.

Special invitations have been mailed to the newspaper men of the Top O' Texas territory to be Pampa's guests at the luncheon.

Spanish Insurgents Claim New Victory

HENDAYE, France (At the Spanish Frontier) Jan. 5 (AP)—The Spanish Insurgents announced officially today that Generalissimo Francisco Franco's legionnaires had fought their way into the outskirts of Borjas Blancas, southern key to the government defense line in Eastern Spain.

Unofficial reports reaching the French frontier said Generalissimo Francisco Franco's forces already had captured the little city in the Urgel tableland of Southern Lerida province, about 67 miles west of Barcelona.

The Insurgents' communique, however, said they were fighting hand-to-hand in the streets, cleaning out houses on the city's edges.

They said they had captured 3,000 prisoners in an encirclement of Borjas Blancas accomplished so swiftly that retreating government troops had to abandon heavy artillery in position.

They disclosed for the first time that Franco had put six army corps into his 14-day-old big push toward the governmental capital.

Frankfurter Named Associate Justice Of U. S. Supreme Court

WASHINGTON, Jan. 5 (AP)—Felix Frankfurter of Massachusetts, professor of the Harvard law school, was named by President Roosevelt today to be an associate justice of the Supreme Court.

Frankfurter was named to the vacancy created by the death last July of Benjamin N. Cardozo of New York.

Frankfurter has had a long legal background. His chief sponsor on Capitol Hill was Senator Norris (Ind.-Neb.), one of the leading liberals in Congress.

Frankfurter, who is 56 years old and a native of Vienna, former Austria, has been law professor at Harvard since 1914.

Frankfurter was the third appointment President Roosevelt has made to the Tribunal.

If confirmed by the Senate, he will succeed Justice Cardozo, who died July 9, after a long illness from heart disease.

The new appointment is not expected to change the court's liberal-conservative lineup.

Cardozo, until he became ill on December 10, 1937, led all his colleagues in supporting Roosevelt administration legislation brought before the Tribunal.

There are now only two justices—McReynolds and Butler—who are Democrats and have been the leading court opponents on New Deal legislation.

President Roosevelt's other appointments were Senator Hugo L. Black of Alabama to succeed Willis Van Devanter of Wyoming and Solicitor General Stanley Reed of Kentucky to succeed George Sutherland of Utah.

States in which the other justices lived when appointed are: New York—Chief Justice Hughes and Associate Justice Stone; Tennessee—McReynolds; Massachusetts—Brandeis; Pennsylvania—Roberts; Alabama—Black; Kentucky—Reed.

Hughes, Stone and Roberts are Republicans. The other five are Democrats.

Van Devanter retired in the midst of the Congressional fight over Mr. Roosevelt's plan to add new members.

Foxworth-Galbraith Cedar Post Bid Low

To Foxworth-Galbraith Lumber Company, of Pampa, the county commissioners at their meeting Wednesday afternoon awarded the bid for 9,475 6 1/2-foot cedar posts with 4-inch tops and 280 8-foot posts with 6-inch tops.

The company's bid was 19 cents each on the 6 1/2-foot posts and 45 cents on the 8-foot posts. Other bidders were Cicero Smith Lumber Company of McLean, White House Lumber Company, Fox Rig & Reel Company, both of Pampa, J. H. Shipman of San Angelo, Charles Mundy and Buck Worrell of Barksdale.

Under the terms of the bid, the posts are to be shipped in carlots, with 50 per cent of the shipment going to Pampa, 30 per cent to LeFors, and 20 per cent to McLean. Payment is to be made within 30 days after delivery.

The posts are to be used in rebuilding fences on the 100-foot right-of-way of the Pampa-McLean road, recently designated as a part of the state's highway system.

Awards Presented Winners In Xmas Home Decorations

Awards to the winners in the Christmas home decoration contest were presented to six victors attending the Pampa Junior Chamber of Commerce luncheon Tuesday at the Schneider hotel. Checks were mailed to other winners.

Winners present were Mrs. M. O. Feinling, Mr. and Mrs. George Dull, Mrs. W. H. Davis, Mrs. J. H. Harrison, Mrs. Fritz Waechter, and W. K. Finkbeiner.

Byron Singleton, Amarillo attorney, was a guest. There were 40 present at the luncheon, presided over by D. L. Parker, president.

FDR Appoints Pope Member TVA Authority

WASHINGTON, Jan. 5 (AP)—President Roosevelt today nominated more than 100 persons for important federal posts, including former Senator James P. Pope of Idaho as a member of the Tennessee Valley Authority, succeeding Arthur E. Morgan.

Most of the nominations sent to the Senate for approval were appointments made during the adjournment of Congress but which must be confirmed by that branch of Congress.

Among the new appointments was that of Charles E. Clark of Connecticut to be judge of the U. S. circuit court of appeals for the second circuit covering Vermont, Connecticut and New York.

Topping these recess appointments were those of Frank Murphy of Michigan to be attorney general and Harry L. Hopkins of New York to be secretary of commerce.

Other nominations included: Preston Delano, Massachusetts, comptroller of the currency; John W. Hanes, of North Carolina, under secretary of the treasury; Forrest F. Hill, New York, governor of the Farm Credit Administration; Ellen S. Woodward, Mississippi, member of the Social Security Board; Edward C. Eicher, former representative from Iowa, member of the Securities Commission; Franklin W. Hancock Jr., North Carolina, member of the Federal Home Loan Bank board.

John C. Wiley, Indiana, minister to Latvia and Estonia; Brigadier General Henry H. Arnold, chief of the army air corps with rank of major general; Colonel Walter C. Kilner, assistant chief with rank of brigadier general; Colonels Walter H. Frank and Herbert A. Dargue, wing commanders, with rank of brigadier general.

Daring Briton Gets Soviet Wife Back

MOSCOW, Jan. 5 (AP)—The Englishman, Bryan Grover, had his Soviet Russian wife back today after five years and:

1. An airplane flight from Stockholm, in a second hand plane after three weeks' flying instruction, to plead his case.

2. Six weeks in jail after he landed 100 miles from Moscow last November.

3. A \$300 fine and an order for expulsion from the Soviet for five years.

Moscow believes the two now were free to go where they pleased and that their freedom was due to government pleasure that Grover had dared all for the sake of a Russian girl.

Grover, 37, met and married her in 1933 when he worked here in the oil industry. He went to Iran alone in 1934. She was not permitted to travel with him. He was not permitted to come back to join her. Diplomatic efforts failed. So he bought a \$900 plane and "invaded."

Late News

HENDAYE, France (At the Spanish Frontier) Jan. 5 (AP)—The insurgent command today announced the complete conquest of Borjas Blancas strong point of the government defense system in Southern Lerida province. Dispatches said the occupation was completed shortly after brief battle in the suburbs of the town of 6,000 late in the morning.

CHICAGO, Jan. 5 (AP)—Jerome "Dizzy" Dean signed a 1939 contract with the Chicago Cubs today at a reported salary of \$20,000, the same he received last season. Charles Weber, secretary of the Cubs, declined to reveal the exact amount of Dean's contract, but the big pitcher was so enthused that baseball experts guessed \$20,000 was the correct amount. Dean said it was the quickest contract he had ever signed in baseball.

GREAT AUTHOR AS LOVER-ACTOR

Sinclair Lewis winner of Nobel and Pulitzer prizes in literature, appearing headed for new laurels as an actor if his technique in kissing Flora Campbell, leading lady in Lewis' newest play, "Angela Is Twenty-Two," is an indication.

Germany, Italy Storm At Defense Speech Of President Roosevelt

LONDON, Jan. 5 (AP)—Totalitarian Germany and Italy stormed at President Roosevelt's defense speech to Congress while European democracies hopefully viewed it today as a possible prelude to major changes in American foreign policy.

Heads of every government in Europe studied the speech as one of the most important declarations coming from Washington since the World War.

The Nazi and Fascist press accused the President of playing domestic politics and of deserting the isolation policy laid down by George Washington.

British and French said they were encouraged by the President's hints of changes in neutrality legislation and what they considered a veiled threat of boycotting aggressor nations.

Officials in most capitals were reluctant to comment in view of the unstable European condition and Prime Minister Chamberlain's imminent visit to Premier Mussolini in Rome.

Newspaper comment included: Germany: Marshall Goering's National Zeitung of Essen, asserting the breaking off of relations with Germany was being discussed in America, said that "Herr Roosevelt's declaration could almost be regarded as a provocation to such a rupture."

From a source close to the Nazi foreign office it was learned the message was considered there to be the result of "domestic difficulties into which the Roosevelt regime has led the United States."

Deutsche Allgemeine Zeitung titled its comment "Loud Words of An Uncertain President."

Chancellor Hitler's Voelkischer said the message was considered there to be the result of "domestic difficulties into which the Roosevelt regime has led the United States."

Tenement Fire In New York Kills 4

NEW YORK, Jan. 5 (AP)—Flames sweeping through a 5-story tenement house in upper Manhattan early today burned four persons to death and drove between 150 and 200 survivors into the pre-dawn streets amid a series of spectacular rescues.

Two cripples in the burning structure, including a 50-year-old man paralyzed from the hips down, were frantically until they attracted the attention of firemen. They were rescued by scaling ladders.

Authorities were investigating a report that the blaze started in a Christmas tree outside the door of two of the victims.

Old Trinity River Bed Sold For \$10 Per Acre

DALLAS, Jan. 5 (AP)—The old Trinity river bed, covering 183,477 acres from the Elm Fork-West Fork junction northwest of Dallas to the Santa Fe railroad crossing south of the city has been sold to Worth S. Ray of Austin for \$10 an acre, he announced today. The land was sold by the state as a vacancy by retiring State Land Commissioner W. H. McDonald on Dec. 28. Ray paid \$25 for the timber on the entire tract.

200 Plan To Attend Jackson Day Dinner Here Saturday Night

Two hundred men and women are expected to attend the Top O' Texas Jackson Day dinner being sponsored by the Young Democratic organization of the district in Hotel Schneider at Pampa Saturday night.

Reno Stinson and John Ketter, members of the committee on arrangements, said today delegations of Democrats are expected to attend from Perryton, Panhandle, Stinson, Dumas, McLean, Groom, Wheeler, Shamrock, Canadian, LeFors and Borger.

C. H. Walker, Pampa postmaster, will be toastmaster and short talks will be given by several Pampans and representatives from the various visiting delegations.

Music during the dinner will be furnished by Ken Burnett and His Ambassadors of Swing. The guests also will listen to the Jackson Day radio address of President Roosevelt.

The banquet is scheduled for 8 o'clock. Reservations at \$1 a plate should be made before 9 a. m. Saturday at the office of County Attorney Joe Gordon, telephone 1238.

875 Millions For Financing Relief Asked

WASHINGTON, Jan. 5 (AP)—President Roosevelt, in asking Congress today for a supplemental appropriation of \$875,000,000 to carry work relief through next June, recommended strict legislation imposing penalties for "improper political practices" in relief.

The President, however, asked that the present program of administration be continued for the rest of the fiscal year to prevent disruption of the program, and suggested hearings and careful consideration before changing administration policy.

He opposed turning the administration over to local boards, as has been suggested in some quarters. Anyone proposing such method, Mr. Roosevelt, added, is "either insincere or is ignorant of the realities of local American politics."

The President's work relief message went to Congress in the midst of a controversy over the placings of WPA employees under civil service. Opponents of this step interpreted the move as a trend toward making the WPA a permanent agency, and declared it would give a preferred job-holding status to many administrators.

Tank Location May Be Changed

Location of the elevated water storage tank in East Pampa may be changed from the corner of LeFors to Jordan streets to the campus at Woodrow Wilson school. Yesterday afternoon in a called session, school board members agreed to sell a portion of the school campus to the city providing the state board approved the sale.

Question of changing the location was introduced earlier in the week when Pampa aviators and flying enthusiasts pointed out that location of the tank would prove a menace to flying, it being near one of the main runways at the airport just east of city.

City engineers made a survey of the section and reported that the school campus was the only other suitable site for the storage tank. A space of 75 feet by 75 feet would be required for the site.

Meeting with the school board yesterday were representatives of the city government and Board of City Development.

Frankfurter Has Nothing To Say Of Obligations

BOSTON, Jan. 5 (AP)—"I am, of course, sensible to the obligations and the honor involved," Prof. Felix Frankfurter named to the United States Supreme Court today by President Roosevelt, said when informed of the appointment. "Otherwise, I will have nothing to say," he added.

Wheat Men To Talk Prices

LONDON, Jan. 5 (AP)—What to do about drastic cuts in the price of wheat, caused by successive bumper crops for a number of years, will be discussed by representatives of the world's principal wheat nations at the International Wheat Conference opening here next Tuesday.

Kiwanis Officers To Be Installed Tonight

W. B. Weathered, Gray County school superintendent, will be installed as president of the Pampa Kiwanis Club at the club's annual installation banquet in Hotel Schneider tonight.

Others who will take office with Mr. Weathered are J. B. Massa, immediate vice president; Frank K. Harris, first vice president; Robert Boshen, second vice president; Fred Thompson, secretary-treasurer, and the following directors: Tex DeWeese, J. W. Goldston, R. P. Saxe, Alex Schneider, B. M. Behrman, Shelby S. Gantz, R. W. Lane, and C. E. McGrew.

Principal speaker at tonight's banquet, which will be followed by the annual Kiwanis installation night ball, will be Dr. Howard Taylor, dean of the Oklahoma College for Women at Chickasha, Okla., and past president of the Chickasha Rotary Club.

Tex DeWeese, Kiwanis Club program chairman in 1938, will be toastmaster at the banquet. Entertainment will be furnished by a sextet composed of Pampa school music teachers including Helen Martin, Madge Sears, Winifred Wiseman, Margaret Williams, Georgia Wilson, and Roy Park and Arthur Nelson, musical director of the First Baptist Church, and his vibra-harp.

Irwin Ochsner, lieutenant-governor of Division 5 of the Texas-Oklahoma district of Kiwanis International, will conduct the installation, and presentation of annual awards to members will be made by Guy McTaggart, member of the Pampa club.

Music for the dance will be furnished by the Pampa club. See KIWANIS, Page 5

Six Persons Injured Near Groom Today

Illinois Car And One Driven By Tom Kirby Sideswipe

Mrs. Lvo Dietz, about 38, was killed instantly and her husband and three children and her sister received serious injuries about 5 o'clock this morning when their car was in collision with a truck driven by County Commissioner Thos. O. Kirby on U. S. Highway 66 east of Groom in the Gray county. Kirby received injuries, not believed serious, however.

Sheriff Carl Rose and Deputy John Hudson, who investigated the accident, said the car and truck had sideswiped each other, rolling both off the highway. The Dietz car was almost demolished. Sheriff Rose said the Dietz car, a Pontiac sedan, was being driven east and that Kirby was going west, driving a pickup truck. The accident happened a quarter of a mile from where G. Everett Mitchell received fatal injuries in an accident Tuesday morning.

None of the injured have been able to make statements in Worley hospital where they were taken in Pampa military ambulances. The body of Mrs. Dietz lies at rest at Pampa Mortuary.

Sheriff Rose said identification cards gave the Dietz' home address as Rock Island, Ill. Mr. Dietz is a representative of the Van Gordon Tire company of Rock Island.

Most critically injured in the crash was Mrs. Theresa Ehrhart, aunt of Mr. Dietz, who suffered a broken back causing paralysis of the lower body, broken arm, concussion of the brain and severe lacerations.

Also critically injured was Mr. Dietz who suffered a broken back and other injuries.

Donald Dietz, 9, was injured internally and received a broken hip. Jeanne Dietz, 13, and Jack Dietz, 8, received lesser injuries, mostly cuts and bruises.

The R. R. Crashes Fuqua Barbecue-Attended By 400

By THE ROVING REPORTER. One time the Roving Reporter ate some of John Fuqua's barbecue at an American Legion picnic near Miami, and yesterday when he heard about the McConnell brothers' barbecue at their implement house on North Main street, he decided to try it. But he was by himself. There were other invited and uninvited guests.

Mr. Fuqua, an old-timer of the Panhandle who lives on a farm northeast of Pampa, is ranked by his public as the best in the country; and though comparisons are always odious, his fans claim nobody in the Panhandle can hold a candle to him.

At any rate, about 400 "farmers," including country and city farmers were present to eat barbecue, get-a-sun, apple pie, drink coffee, look at machinery movies, inspect machinery.

The R. R. saw a lot of "farmers" he knew. Practically all the Brown brothers, except Carl, were present. Joe Shelton, superintendent of school buses, was in line (by special invitation) and Hoover was well-represented. Even the Hoover school bus unloaded its passengers before the barbecue and took them back to school, but of course the Hoover students are farmers, too.

You can't afford to advertise a barbecue that is meant exclusively for farmers any more, because the whole town'll turn out, and especially persons on relief, so the host company just sends out invitations to farmers.

Tuesday, about 200 Mobeetie and White Deer farmers were guests at a barbecue given by the company.

Workers At Conchas Dam Quarantined

CONCHAS DAM, N. M., Jan. 5 (AP)—A quarantine of workers housed in the men's dormitory and infirmary here today marked New Mexico's second precaution against possible spinal meningitis outbreaks.

Members of the dam's medical staff said the quarantine was established after one worker had been found to have cerebral meningitis. Prompt injection of serum they said had given him a good chance for recovery. They added, however, that in their opinion there was little threat of an outbreak among the several thousand men employed on the \$16,000,000 Eastern New Mexico project.

Truck Drivers Called Out In Boston Strike

BOSTON, Jan. 5 (AP)—Union leaders called out 4,000 truck drivers at dawn in a city-wide strike for higher wages and shorter hours.

Mrs. Stevens Named Officer In Nurses Group

Mrs. Joe Stevens was named vice-president of the Graduate Registered Nurses of Pampa at a meeting of the group this week in the Worley Hospital Nurses' home.

In the business session three committees were appointed as follows: Place, Miss Louise Wirtz, superintendent of nurses at the Worley Hospital; Mrs. Carl Lawrence, and Miss Aliene Swindler, entertainment; Mrs. Guy McTaggart, chairman, Mrs. Floyd Ward, Mrs. Paul Simpson; program, Miss Molly Moran, chairman, Mrs. Carl Certain, and Miss Verna Fox. Additional members appointed to the resolutions committee are Mrs. Keith Gage and Mrs. J. G. Wheeler.

After the business meeting Mrs. Charles Russell gave a talk on the American Red Cross. The seven Red Cross nurses in Pampa are Mrs. Charles Russell, Mrs. Dora Hall, Mrs. Guy McTaggart, Mrs. Floyd Ward, Mrs. G. Gardner, Miss Louise Smith and Miss Fullerwider. Mrs. W. H. Davis is the local director and Dr. R. M. Bellamy is medical advisor.

On Friday, January 13, the Amalio group of district two will meet with the Pampa group. The time and place of the meeting will be announced later. The next regular session will be a social meeting on February 6.

Attending this session were Miss Pat Pettijohn, Miss Molly Moran, Mrs. Charles Russell, Mrs. Jerry Kennedy, Miss Aliene Swindler, Miss Helen Gray, Mrs. Edwards of Skellytown, Mrs. Dora Hall, Mrs. Floyd Ward, Miss Loretta Chilton, Mrs. N. Franklin, Miss Bo Bo, Mrs. Joe Stevens, Miss Marie Garrison, Mrs. Carl Certain, Mrs. Carl Lawrence, Miss Marie Shea, Mrs. Paul Simpson, Mrs. G. Gardner, Miss Dally Jim Daugherty, and Miss Helen Eberly.

Executive Board Of Sam Houston P-TA Will Meet Friday

Sam Houston Parent-Teacher Association executive board members will meet Friday morning at 10:30 o'clock in the school auditorium.

Mrs. Carl Boston, president, has urged that all members of the board be present.

Officers Will Be Installed At Lodge Meeting This Evening

An installation of officers will be held at the meeting of the Rebekah Lodge this evening at 7:30 o'clock in the I. O. O. F. hall.

Members of the Rebekah team also will be selected tonight.

MATCHING MUFS AND HATS

Smart and new are these handsome muffs and the mink sleevelet with matching hat. The sleevelet takes the place of a muff, of course—and is for sophisticated only. The Persian lamb model is trimmed with a cluster of violets. The beaver creation is really two small muffs, joined together with a separate section of matching fur and finished with a brown satin bow. The silver fox of the muffs or in almost any other fur that strikes your fancy.

Fur Muffs Win Warm Reception On Every Hand

NEW YORK, Jan. 5.—This is the winter to spend your Christmas cash on a muff or a fur hat to match your fur coat or the color of a cloth one. Fur hats and muffs are great favorites with the smartly groomed women this season. Either is sure to add fresh interest to a wardrobe of which you may be getting mildly weary. And, of course, they are right in tune with the current renaissance of Victorian and Edwardian modes. If you haven't looked at muffs this year and mention of them conjures up visions of the enormous but slightly shapeless ones grandmother carried for no other reason than to keep her hands warm, you're due for a pleasant surprise. The modern models come in every imaginable shape and size. And their separate compartments, closed with slide fasteners, put them in the substitutes-for-pocketbooks category. You don't carry a muff and a bag. You carry one or the other. Among the smartest muffs in current collections is a beautiful rather long roll of silver fox, with the fur worked round and round to make a smartly luxurious spiral. A mink one is absolutely round—just a little ball of rich, gleaming fur. There's a small triangle of shiny black Persian lamb. Also a perfectly square model of this popular fur—in black, brown or gray.

Most spectacular of all is the type fashioned of two squares of fur, fastened together with a strip of matching fur with a huge satin bow on the strip. You can have one of these in sleek beaver with a brown bow, in silver fox with a black bow, or in almost any other fur that strikes your fancy. Newest among fur accessories is a mink sleevelet, one designer's idea of a perfect substitute for a muff. Tight at the wrist and flared at the cuff, which ends between elbow and shoulder, this slides on over one coat sleeve. And, worn with a brown or black cloth coat and a felt pillbox banded with matching mink, it makes an ultra chic ensemble. Among the eye-catching fur hats are felt pillboxes, which ends between elbow and shoulder, this slides on over one coat sleeve. And, worn with a brown or black cloth coat and a felt pillbox banded with matching mink, it makes an ultra chic ensemble.

Dance Given By Senior Class For Holiday Visitors

PANHANDLE, Jan. 5.—Seniors of 1938 entertained the younger set from college and the '39 seniors with a New Year dance in the Legion hall recently. All funds above expenses were donated to the 1939 senior class to carry on the tradition of an ex-senior dance during the holidays next year. The Hetrieks orchestra of Amarillo furnished music for the dance.

Couple Has Open House Recently For Shamrock Group

SHAMROCK, Jan. 5.—Mr. and Mrs. Earl Martin entertained their friends with an open house recently at their home on South Wall street. The guests were shown into the dining room where dainty hors d'oeuvres and canapés were served. The afternoon was spent in informal visiting. About 25 guests called during the afternoon.

Circles Formed At Meeting Of Methodist WMS

"Hasten the coming of the kingdom of God" was announced as the object of the Woman's Missionary Society of the First Methodist church for the coming year at a meeting of the executive board in the church parlor this week when circle members were drawn by study leaders.

After the opening hymn, "A Charge to Keep," Mrs. W. M. Pearce led in prayer and Mrs. J. M. Turner presented the devotional. Local and conference treasurer reports were given by Mrs. Warren Cretney.

Circle numbers drawn were: Mrs. W. M. Pearce, circle one; Mrs. R. A. Selby, circle two; Mrs. W. Purviance, circle three; Mrs. Art Hurst, circle four; Mrs. Tom Henry, circle five; Mrs. Carlton Nance, circle six; and Mrs. Hugh Anderson, circle seven.

Meetings of five circles will be held next Monday afternoon at 2:30 o'clock. Temporary chairman of these groups are Mrs. H. J. Davis, circle one, which will meet in the home of Mrs. W. M. Pearce; Mrs. John Hesse, circle two, to meet in the home of Mrs. R. A. Selby; Mrs. H. H. Boynton, circle three, to meet in the home of Mrs. J. M. Turner; Mrs. Joe Shelton, circle four, which will meet with Mrs. Art Hurst; and Mrs. Travis-Lively, circle seven, which will meet in her home.

A pledge program will be given in the church auditorium January 16 with all circles of the society meeting together. Circle divisions were made as follows: Circle one, Misses T. B. Barron, Thomas Cox, E. Ward, Horace McBeck, J. D. Sackett, Cecil Porter, S. Ripley, R. D. Morris, Cecil Myatt, C. E. Ward, A. L. Patrick, Annie Culberson, W. D. Waters, H. J. Davis, Bob McCoy, John Hodges, J. Knorr, C. E. Burns, H. P. Snyder, H. E. Boggs, W. M. Pearce, Joe Ley, Minnie Price, Charles Dunkel, Paul Cunningham, F. O. Gurley, J. B. Williams, and Z. H. Mundy. Circle two, Misses: John Hesse, Elmer Ewing, J. G. Smith, Sherman White, G. Gargle, Waldo Frazer, J. G. Doggett, Luther Peterson, R. W. Lane, L. C. Lockhart, C. W. Andrews, A. G. Averitt, O. L. Qualls, W. V. McArthur, Lashen, Ed Tracy, W. H. Peters, W. R. Ewing, Ranges, H. B. Barnes, Clyde Blackwell, R. A. Selby, Paul Lambert, B. Fullington, W. M. Frazier, Fahle, Roy Hicks, Homer Gibson and W. C. Jones. Circle three, Misses: G. E. Price, O. Drew, Aubrey Steel, Roy Tinsley, W. Purviance, L. E. Cullum, C. M. Wharton, E. E. Plank, H. R. Thompson, H. F. Barnhart, J. M. Turner, Robert Elkins, Joe Gordon, John Howard, A. F. Johnston, Homer Lively, C. W. Waller, Walter Knorr, V. L. Burns, W. M. Casselberry, J. A. Kercher, Shannon, S. Via, H. H. Boynton, J. M. Hash, E. C. Wright, and H. S. Galin.

Circle four, Misses: Joe Shelton, G. A. Hurst, W. F. Cretney, Roger McCannell, H. A. Burns, W. C. Cullum, C. A. Burton, C. T. Nicholson, P. W. Shotwell, C. T. Hunkapillar, W. Foster, L. L. Brundokos, Ralph Clisum, Marvin Daugherty, A. B. Whitton, Earl Plank, C. E. Davis, G. E. Walsiad, Al Lawson, W. E. Jarrett, Dick Hough, Lawrence West, Whitte, J. M. Hatfield, H. L. Wilder, and Howard Neath. Circle five, Misses: Minnie Allen, Mrs. Lester Aldrich, Miss Edna Bratton, Miss Mary Idelle Cox, Miss Mary Gordon, Miss Tom Henry, Miss Lillian Mullhax, Mrs. John Platt, Mrs. Tom Stunions, Mrs. George Swingle, Mrs. I. L. Smith, Miss Ethel Strong, Mrs. T. W. Stites, Miss Alice Thompson, Miss Arlean Patterson, Miss Ha Pool, and Mrs. Harold Wright.

Circle six, Misses: Russell Kennedy, Bob Ewing, Erel Ward, Leo Smith, Carlton Nance, William Tinsley, Bill Crowson, Farris Odum, Herman Van Sickle, J. M. Banning, Clyde Hasty, C. A. Smith, Russell McCannell, E. G. Lawrence, Frank Leonard, Arthur Peacock, W. E. Tarber and Joe Key. Circle seven, Misses: A. B. McAfee, Hood, Travis Lively, H. O. Roberts, Carl Wilson, T. M. Cox, J. M. Crawford, Lee Harshorn, Cokerell, Harvey Byers, F. P. Reid, A. C. Green, Glen Rattloff, J. E. Kirschman, O. C. Atkinson, W. R. Ketter, J. V. Kiddwell, Don Leitch, Leo Southern, Hoyt Allen, Louis Robinson, Suttis, Wilkins, DeWoody, W. A. Hardy, E. L. Emerson, O. V. Hoy, Fred Oary, and Hugh Anderson.

Two Churches Will Have Social Event On Friday Evening

A monthly social of the adult members of McCullough Memorial and Harrah Chapel Methodist churches will be given Friday evening at 7:30 o'clock in the home of Mr. and Mrs. E. N. Franklin, 427 North Dwight street. Mrs. O. G. Smith has charge of arrangements for the social event.

TEA TO TASTE

The color of brewed tea is not a true indication of either flavor or strength. Tea experts advise using only actively boiling, clear fresh water and allowing the tea to brew to suit your taste. A five-minute infusion is most generally preferred. Football players have been known to lose 30 pounds in a single game.

AFTERNOON STYLE

"Alerie" is the name of this formal afternoon hat in black velvet with red-wing trimming suggestive of a bird of flight Erik did it.

SOCIETY NOTES

FRIDAY Sam Houston P.T.A. executive board members will meet at 10:30 o'clock at the school.

A church social for adult members of McCullough Memorial and Harrah Chapel Methodist churches will be given at 7:30 o'clock in the home of Mr. and Mrs. E. N. Franklin, 427 North Dwight street.

Order of Eastern Star will meet at 8 o'clock in the Masonic hall.

Royal Neighbors will meet at 2:30 o'clock in the American Legion hall for the election of officers.

McCollough-Harrah Methodist Women's Missionary Society will meet at 2:30 o'clock at the school.

A. A. U. M. (International Literature) group will meet in the city club rooms at 7:30 o'clock for a review of "Andrew Jackson" by Marquis James.

Woman's Missionary Society of the First Methodist church will meet at 2:30 o'clock.

Order of Eastern Star will meet at 8 o'clock in the Masonic hall.

Business and Professional Women will have a program and business session at 7:30 o'clock in the city club rooms.

Ladies Bible class of the Central Baptist church will meet at 2:30 o'clock.

WEDNESDAY A meeting of the McCullough-Harrah Women's Missionary Society will be held at 2 o'clock in the home of Mrs. J. E. Beard.

Ladies Bible class of the Central Baptist church will meet at 2:30 o'clock.

Assembly of God church will meet at 2 o'clock in the church.

Woman's Missionary Society of the First Methodist church will meet at 2:30 o'clock.

Central Baptist church will meet at 2 o'clock in the home of Mrs. J. E. Beard.

A regular meeting of the Rebekah lodge will be held at 7:30 o'clock in the I. O. O. F. hall.

Dorcas class of the Central Baptist church will meet at 2 o'clock for visitation.

Couple Entertains With Dinner For Out-Of-Town Guests

PANHANDLE, Jan. 5.—Mr. and Mrs. A. A. Callaghan entertained with a New Year turkey dinner recently, honoring their daughters, Mrs. George Stephens of Austin and Mrs. Howard Anderson of Amarillo and their husbands. Guests other than the honorees were Mr. and Mrs. Milton Weath of Panhandle.

Baptist Officers And Teachers Study Methods Of Teaching

PANHANDLE, Jan. 5.—Officers and teachers of the Baptist Sunday School are taking a study course in Methods of Teaching in the various departments. The examinations will be given the latter part of the week. Several of the members are attending the lectures in Amarillo at the First Baptist church this week.

Miss Heiskell Named Honoree At Bridal Showers Wednesday

McCullough-Harrah WMS Meeting Date Changed This Week

At the meeting of the Woman's Missionary Society of the McCullough-Harrah Methodist churches this week in Harrah chapel, the meeting date was changed from Monday afternoon at the church to Wednesday afternoon at 2 o'clock in the home of members.

Following the opening hymn, Mrs. L. F. McDaniel, new president, led the program by giving the scripture and a meditation on love. Mrs. Kit Autry led the group in prayer and after the singing of another hymn, each member gave her aims in the W. M. S. for another year.

MODERN MENUS

By MRS. GAYNOR MADDOX NEA Service Staff Writer

Like new things? Then serve yellow tomato juice for a change. Three years ago the excess crop of yellow tomatoes in the Carolinas was turned into canned juice. It was sold privately. But now it is on the market.

It tastes a little different in an agreeable way from our usual and increasingly popular red tomato juice, and its color adds variety. The Educations and Development Fund of the Farmer's Federation, Asheville, N. C., is backing this co-operative canning venture as one step in solving a few of the severe economic problems of the South.

Yellow Tomato Cream Soup (Serves 4 to 6) Two tablespoons butter, 2 tablespoons flour, 2 cups rich milk, 1 can yellow tomato juice, 1-2 white onion, 1-2 bay leaf.

Simmer tomato juice, onion, bay leaf for 5 minutes. Strain, add water, blend in flour until smooth. Slowly add milk. Then add tomato juice. Serve in cups, garnished with sprig of parsley.

Yellow Tomato Aspic (One and three-fourths cups yellow tomato juice, bay leaf, 1 teaspoon celery salt, 1-4 teaspoon grated horseradish, 1-4 teaspoon lemon juice, 1 tablespoon plain gelatin, 1-4 cup cold water.)

Heat all ingredients together, except gelatin and water. Dissolve gelatin in the water. Then add to strained juice. Pour into molds and chill until firm.

Clam and Red Tomato Juice Cocktail (Serves 6) Try this appetizer for your next party dinner.

One and one-half cups red tomato juice, 1-2 cups strained clam juice, salt, dash cayenne pepper, cracked ice.

Combine ingredients, chill and serve in cocktail glasses. Garnish with thin slices of lemon.

Mind Your Manners

Test your knowledge of correct social usage by answering the following questions, then checking against the authoritative answers below:

1. Is it good manners to ask a person the cause of a physical deformity?

2. Is it good manners to ask either a man or a woman his or her age?

3. Is it necessary to answer a question you feel is too personal?

4. Should friends ask prying questions of the about-to-be-divorced?

5. If an acquaintance says something that hurts your feelings, is it good manners to say so?

What would you do if— (a) You realize that you have unintentionally hurt another's feelings. (b) Make an explanation? (c) Keep apologizing? Answers

1. No. 2. Better not. 3. Not if you can get around it. 4. No. Nor hint for details. 5. No. Much better to let it go by. Best "What Would You Do" solution—(b).

When an automobile is traveling 60 miles per hour, the pistons go up and down 50 times a second, 3,000 times a minute.

"Leto's" for the Gums Superficial soreness can become nightly trying. Druggists will return your money if the first bottle of "LETO'S" fails to satisfy. Patience Drug Store.

Annual Banquet Of Episcopalians Will Be Tuesday

Plans for the annual banquet to be given for members of St. Matthew's Episcopal church and their families on Tuesday, January 10, at 7 o'clock in the parish house, were made at the meeting of the Woman's Missionary Society Wednesday afternoon.

In the session which was conducted by Mrs. F. M. Drake in the absence of Mrs. Tom Ellis, president, a resume of last year's work was given and Mrs. Erle Scheig read a letter from Mrs. Charles Carver concerning the united thank offering. Mrs. Howard Wagner will have charge of the auxiliary programs for the coming year. It was announced.

Bridge And Pitch Party Compliments Panhandle Group

PANHANDLE, Jan. 5.—Mr. and Mrs. A. A. Callaghan entertained with a bridge and pitch party honoring their daughter, Mrs. George Stephens of Austin, who is visiting them.

Mrs. Anderson won high in bridge and Mr. Franze high in pitch. Guests were Mr. and Mrs. Ralph Ellis, George Stephens, Harold Wash, Milton Weath, Minor Slamm, Mike Purvines, W. L. McConnell, Henry Deahl, Carl Franze, and Howard Anderson of Amarillo, and Friday Hughes.

The New Year motif was stressed in the table appointments and salad course.

Marriage Of Alice Broce And Rev. Elam Revealed Recently

SHAMROCK, Jan. 5.—An impressive wedding took place in Amarillo, Okla., on Christmas day when Mrs. Alice Broce became the wife of the Rev. A. Elam, pastor of the Cumberland Presbyterian church of Shamrock.

The wedding occurred at 9 o'clock in the morning with the Rev. W. O. Wyman reading the ceremony. Mrs. Broce played the wedding march while the couple took their places in the room.

The bride wore a white silk frock and carried a silk handkerchief which her mother carried in her wedding 37 years ago on Christmas day. The bride's party included services at the Cumberland Presbyterian church and returned for a luncheon to the home of the bride's mother, Mrs. Emma Broce.

Mrs. Elam was born and reared in Amarita community and attended Amarita high school. Mr. Elam attended high school at Monroe City, Mo., and Lambert college at Jackson, Tenn. The couple will make their home in Shamrock.

Family Reunion And Holiday Dinner Entertain Group

Mr. and Mrs. R. A. Smith entertained with a family reunion and holiday dinner recently for their entire family of 12 children.

Attending were Bill Smith of Houston, Mrs. Ora Cross, Miss Grace Smith of Slinnett, Carl and Don Smith of Lawton, Mrs. Lester McKernis, Alex. Smith, C. W. Smith, Tom Smith, Weldon Smith, Mr. and Mrs. A. L. Smith, Mr. and Mrs. H. K. Wolfe, all of Pampa.

U. S. Defense Must Keep Potential Foes On Their Own Sides Of Ocean

American defense must present such a potential OFFENSE that nations contemplating attacking the United States will think twice about it and then decide not to. In this article, written exclusively for The News by George Fielding Eliot, former army major and author of "The Ramparts We Watch," he sums up his recommendations for national defense.

By GEORGE FIELDING ELIOT. (Copyright, 1939, NEA Service, Inc.) American defense must be capable of OFFENSIVE ACTION when it comes to actual fighting.

It is only in this way that we may hope to impose such risks upon a contemplative aggressor that he will not think it worthwhile to challenge us in arms.

It is only in this way that, if we are challenged, we may make sure that the issue of the conflict will be fought out upon the sea or in distant islands, far from our homes and firesides.

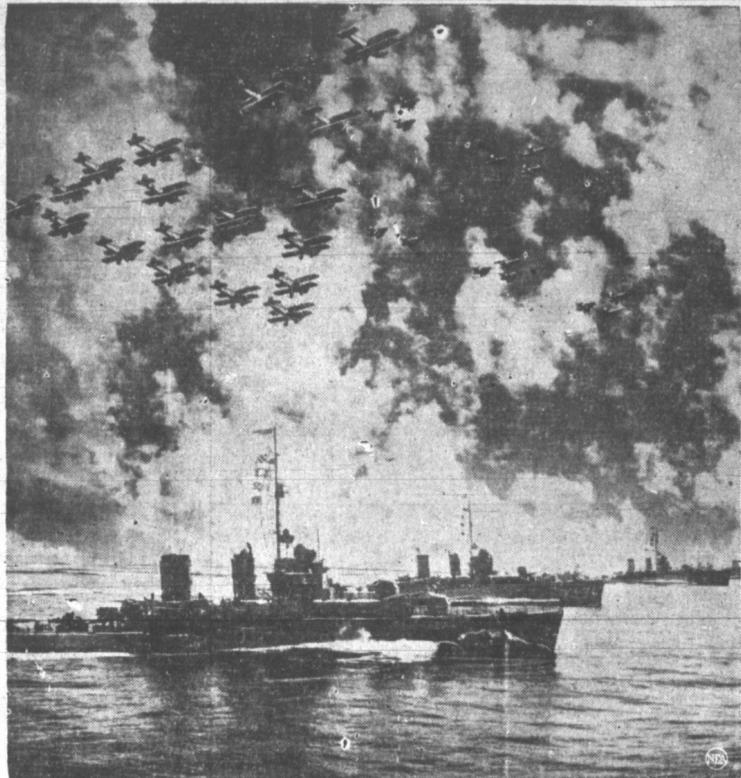

A navy maintained (including its air component) at a strength sufficient to afford us dominance of the seas, must always be the mainstay of American national defense.

It must be backed up by an army sufficient to hold such vital outlying positions as Panama and Hawaii, to assure the safety of the various naval bases against sudden attack, and to provide a mobile force, land and air, fully adequate to deal with any raiding expeditions against our coasts. More serious attack against us will hardly be undertaken, even by the most reckless, until our fleet has been disposed of.

But our navy must also be powerful enough to deal with any threats from overseas to our Latin-American neighbors or, indeed, to any position in the Western Hemisphere where a hostile air or naval base might otherwise be seized and used against us.

Our whole safety is bound up in the exclusion from this hemisphere of any predatory power.

Our army, in turn, must be of such size, and of such an immediate readiness for action, as shall enable it to provide small, perfectly equipped, highly trained expeditionary

A navy, with its air force, strong enough to give us dominance of the seas must always be the mainstay of American national defense. Above, fast, hard-hitting destroyers and their aerial "eyes" maneuver in the Pacific.

forces able to seize and hold bases for the uses of the fleet, or send immediate help to any American nation which may be in need of it.

It is a melancholy commentary on what we are pleased to call modern civilization—by which we mean the advances which modern man has made over his predecessor of prehistoric times—that it is still unsafe for nations to dispense with armed force as a means of self-protection against other nations.

Indeed, it is unsafe for individuals to do so; which is why we have shotguns behind farmhouse doors and armored cars manned with machine-guns for the transfer of money between city banks. Of course, the farmer can always call the sheriff and the bank the police force to lend a hand in case of danger.

There is no international police force for a menaced nation to call upon, nor does it seem at all likely

that there is going to be one, not at least in the life of our generation.

The attempts which have been made to create the international society of nations which must be the basis for any such police force have proved dismal failures as far as protecting Ethiopia, China, Spain, Austria, or Czechoslovakia is concerned. And who knows what people may find its turn coming around tomorrow?

Hence, for those peoples who desire to live their own lives without being compelled continually to yield to threats of force from others, the only possible course is to arm themselves as to be able to defy such threats. They must so arm themselves that the actual application of force against them will be as risky as for a bandit gang to attack an armored car bristling with machine-guns.

In this respect, the United States

is singularly favored by geography. We have no predatory neighbors with great armies ready to march across our frontiers. And, as yet, we are out of reach of air attacks coming from the bases of any power of dangerous proportions.

The first condition is that of an island, defensible primarily by sea. It was such a geographical accident which enabled the people of Great Britain to create their huge, world-girdling empire while protecting themselves, and the routes of maritime communications along which flowed the trade which was the lifeblood of that empire, by means of a superior navy cannot deal.

The second condition, however, does not longer apply to Great Britain, for that island is separated from the air bases of potential enemies on the continent of Europe only by narrow waters, easily flown over. The invention of the airplane and its adaptation to military use, therefore, has laid the military and industrial base of the British Empire, the island of Great Britain, open to a form of attack with which the British navy cannot deal.

This fact has brought about an enormous and indeed momentous change in the world balance of power—a change whose character was dimly foreshadowed at the conference of Munich, and whose further repercussions will become increasingly apparent in the months immediately before us.

The United States, however, retains that priceless privilege which for so long was Britain's of first defending herself upon the sea. It must be considered that the sea itself, forming as it does a difficult and indeed impassable barrier, is an all-sufficient protection. For the sea is also a highway, and is still the easiest and cheapest means of transporting goods—or armies. That is why it is necessary to

Health Program Planned By County Children's Council

PANHANDLE, Jan. 5.—County Children's Council met at the high school recently to discuss plans for a county-wide health program and election of officers.

The following officers were elected: Groul, Panhandle; Chester Strickland, Skellytown. The Rev. Arnold A. Boeding and Mrs. G. M. Brunner of Groom were elected president and secretary respectively at a former meeting.

Rev. Boeding appointed the following on the steering committee: Mrs. Barr of Petrolia, public health; Mrs. T. H. McKenzie, Panhandle, medical service; Miss Louise Orr, Panhandle, education and training; Mrs. E. H. Grimes, White Deer, social welfare.

The aims of the County Children's Council are to coordinate all agencies and institutions having child health and protection programs and to make plans for a county health project as a clearing house for such agencies, to make available to the County Children's Council and thru them to the various agencies such information as will enable them to progress in their local child health and protection programs.

The County Children's Council is composed of lay and professional organizations and interested individuals. Representatives in Carson county are Boy Scouts, P.-T. A. units, churches, Lions and Rotary clubs, federated clubs, home demonstration clubs, county health board, and Carson county library.

Funds from the membership fees will be used to sponsor a county-wide health program. A meeting of the program committee was called following the council meeting to make plans for a county health project. The next meeting will be the first Monday in April.

An average of 1,000 vessels per month have called at the port of Oakland, Calif., for the last 15 years.

dominate the seas which divide us from the other great powers of the world by means of a powerful navy, which, controlling the movements by sea of armed forces as well as commerce, shall enable us to command every means of access to the American continents from the sources from which danger may come.

To sum up: We need an adequate

Our army must be sufficient to hold our vital outlying positions, such as Panama and Hawaii. Above, army machine gunners face a "gas" attack during war games.

national defense first of all to keep us out of war in a world in which force is becoming increasingly the instrument of national policy and national aggrandizement. Second, we need the right kind of national defense to make sure that if war does come to us, we shall be able to bring it swiftly to a victorious conclusion without subjecting our women and children to ruthless slaughter from the air.

Taxicab Strike In New York Settled

NEW YORK, Jan. 5 (AP)—Eleven thousand striking taxicab drivers were expected to report for work tomorrow under a peaceful settlement announced by Mayor LaGuardia.

The mayor said representatives of the employers and striking members of the Transport Workers Union (CIO) had agreed to hold an election this afternoon at which the drivers will pick a bargaining agency. The two-day walkout would be called off then, La Guardia said, pending negotiations between the employers and the bargaining agency over demands for wage increases and other concessions.

Bishops From 4 States Attend M. E. Conference

SAN ANTONIO, Jan. 5 (AP)—Bishops from four states were listed as speakers today at the third session of the four-day conference of the Southern Methodist General Missionary Council which has drawn an attendance of 3,500.

Bishops J. L. DeKell of Atlanta, Ga., Clare Burrell of Charlotte, N.

C. W. C. Martin of Glendale, Calif., and Paul B. Kern of Nashville, Tenn., were on the program as were Dr. James H. Straughn of Baltimore and Dr. Forney Hutchinson of Tulsa.

Tobacco was originally the name for a tube through which West Indian natives inhaled smoke, the plant itself being known as cohoba.

Legislature All Ready To Open Tuesday

AUSTIN, Jan. 5 (AP)—From the vaulted chamber of the Texas House of Representatives came a low rumble today—a sound that will swell into a reverberating roar with the opening of the general session next Tuesday.

The noises which broke the stillness of the great room were the rap of the hammer, the thump of furniture, the swish of brooms, and the hollow echoes from conversational groups which press every two years the birth of a new House.

Ernest Boyett, lanky sergeant-at-arms, surveyed the situation and pronounced virtually everything in readiness for the opening of one of Texas' greatest free attractions.

All of the 1,550 members, save nine, have been assigned seats. Desks, cloakrooms and other equipment and facilities are spic and span.

Usually many members fail to choose desk locations until the session starts, which makes the intricate electric voting machines useless for a few days because the electrician does not know who sits at what desk and cannot properly wire the tally board.

Because of early registrations this year, the machine which records members' votes is twinkling lights high above the floor level—and by photographs for permanency—will function the very first day.

The big room has basked in quietude for many a month, except for occasional interruptions when state bar examinations were given or ad interim committees met for hearings, but through its vastness has begun a crescendo which will reach its height very soon.

True, there are two branches of the legislature, but when one thinks of legislative pyrotechnics the House rather than the Senate is recalled.

To begin with, the size of its membership, one of the largest outside of Congress, would automatically result in a greater volume of sound, even during normal progress of business.

Cyclonic Winds Take 3 Lives

LURAY, Tenn., Jan. 5 (AP)—Homeless families picked over debris left in West Tennessee today by cyclonic winds that took at least three lives, injured some 20 persons and demolished homes and stores buildings.

Striking last night following a period of unseasonably warm weather, the storm cut a well defined quarter-mile path in this area.

The dead were:

Mrs. Cecil Wilson, Bargerton, killed when the farm home was demolished.

Mary Ann Wilson, 4, her daughter, Monroe Willis, 45, Silerton, killed when his home collapsed.

Many of the injured were taken to Jackson, Tenn., but only five remained in hospitals there today. They are expected to recover.

High winds and rain were reported in other parts of the south. Farm buildings were damaged near Farmington, Ark., yesterday while Little Rock reported 2.30 inches of rain.

Winds and rain sweeping into North Alabama last night disrupted communication lines, uprooted trees and damaged buildings. North Georgia was subjected to heavy rain and wind early yesterday.

Again Don Budge Beals Elly Vines

BOSTON, Jan. 5 (AP)—Despite a decided overnight improvement, Elly Vines today found himself two matches down to Don Budge, the abdicated king of the world's amateur tennis shot-makers, when they took off for the first long jump in their 70-match transcontinental tour for cash.

Vines, who opened in jittery fashion against Budge in New York Tuesday, had his strokes almost razor-sharp here last night but he missed so many of them by the scantiest of margins that the court's latest professional recruit gained a 6-3, 8-6, 6-4 victory in a match that both agreed was much better than their initial effort.

Alfred And Powers Indictment Quashed—Appeal Announced

HOUSTON, Jan. 5 (AP)—An appeal of Federal Judge T. M. Kennerly's decision to quash an indictment against Renne Alfred Jr., brother of Governor James V. Alfred, and Neal Powers will be taken to the United States Supreme Court, special assistant attorneys general said today.

Henry A. Schweinhaut and Walter E. Gallagher who came here to prosecute the indictment charging Alfred and Powers, former Texas assistant attorney general, with conspiracy to violate the Connally hot oil act which allows the government to appeal decisions that involve validity of an act of Congress.

H. E. Hines, Texas oil man also named in the indictment, was not mentioned in the court's order entered yesterday. Hines is a fugitive, the federal marshal said.

San Angelo Man To Become O'Daniel's Private Secretary

FORT WORTH, Jan. 5 (AP)—A. J. Wylie of San Angelo will become private secretary to Governor W. Lee O'Daniel Jan. 17.

O'Daniel, who will be inaugurated at that time, announced yesterday that Wylie, for many years a resident of Fort Worth, had been appointed. Wylie accepted.

O'Daniel also said Claude Williams of Longview would be assistant secretary of state. Judge Tom L. Beauchamp of Tyler, who recently was appointed secretary, named Williams as his assistant.

Tall Tryout Tries Slickest Skiers

This is just one hop which skiers must negotiate in the wide open spaces above Timberline Lodge, Mount Hood, Ore. Scene of America's winter Olympic Games tryouts April 1-2, the tricky course down the rugged slopes is 2.74 miles long, providing an average drop of 1674 feet a mile.

How's Your Health?

By IAGO GALDSTON, M.D.

HAZARDS OF ASPIRIN.

More than a century ago an American physician by the name of Beaumont profited by an accident to make valuable contributions to our knowledge of the physiology of the stomach.

A Canadian hunter, Alexis St. Martin, accidentally shot himself through the abdomen. Dr. Beaumont treated him, and while St. Martin recovered, he was left with a permanent opening through the abdominal wall into his stomach.

For many years Dr. Beaumont employed St. Martin as a "guinea pig," and observed his stomach through its artificial opening. Beaumont wrote a classical work on the normal secretory function of the stomach, and its response to a variety of foods, fluids, and irritating substances.

In recent years there have been developed certain instruments called gastroscopes, by means of which it is possible to duplicate Beaumont's accomplishments. No artificial openings are required for the use of these instruments since they can be inserted (without much discomfort) into the stomach by way of the food-pipe or esophagus.

An interesting report on one such study was made recently by Drs. Douthwaite and Lintott of Guy's Hospital, London. They set out to observe the lining membrane of the stomach.

The warrant for this study lies in the fact that clinically it is well known that aspirin is likely to cause indigestion, heart burn, and at times "pain in the pit of the stomach."

In some cases aspirin has been known to cause gastric bleeding. Drs. Douthwaite and Lintott fed different brands of aspirin to 12 individuals and observed the effect of the drug upon the gastric mucosa. They found that in about 80 per cent of their cases the gastric mucosa showed a localized inflammatory reaction to aspirin. The reactions varied from slight redness to intense congestion, and even to the

SEC Attorney Charges Hot Oil Fraud In Texas

DALLAS, Jan. 5 (AP)—Forrest Tancer, attorney for the Securities and Exchange Commission, left word here today the SEC was investigating "a great deal of fraud" in operations of the Texas oil industry.

Unnamed operators, he said, were running hot oil and filing false reports on holdings and production.

Tancer, who was here yesterday at a hearing by the SEC at which the General American Oil Company of Texas agreed to sell no more stock until it has filed a new registration

statement and has the statement approved, declared the "Texas investigation was part of a nationwide attack by the SEC."

Tancer left upon conclusion of the hearing here for San Francisco where he is to take part in some hearing for California oil companies.

He pointed out that he was not speaking about the hearing for the General American Oil Company, which he said was held to determine whether the registration statement and prospectus of the company was complete.

If you have an inner-spring mattress handle it carefully to prevent any of the springs from loosening. Turn it quickly and lay it on a flat surface to air. Never hang it over the end of a bed as the springs in the center could then easily get out of condition.

Nine Deputies To Be Employed By Tax-Collector

Authority was given the county tax assessor-collector by the county commissioners at their meeting Wednesday to employ nine deputies. Of the nine, one is to be chief deputy at \$150 a month, four are to be regular deputies at \$125 each a month, three are part-time deputies, whose service is not to exceed four months, at \$125 each a month, and one is assessor for a six-month period at \$125 a month.

In his application for permission to employ the deputies, County Tax

Assessor-Collector F. E. Leach estimated the fees his office would receive in 1939 as \$22,000.

Two bonds of the tax officer, one for \$33,204, the other for \$16,968, both on the Massachusetts Bonding and Insurance Company of Boston, Mass., were presented and approved.

Trotzky 'Most Dangerous'

SAN ANTONIO, Jan. 5 (AP)—Mitchell M. Forizas, professor of political geography at the University of Pennsylvania, considers Leo Trotsky, exiled Russian, "the most dangerous man in the world."

Prof. Forizas, noted authority on world politics, sounded a warning to watch Trotsky and Mexico, where the Russian is now domiciled, in an address before the membership meeting of the Chamber of Commerce here yesterday.

Peace Officer Dies Soon After Office Term Ends

CORPUS CHRISTI, Jan. 5 (AP)—Only a few hours after his term as sheriff of Nueces county expired, William Shely, 71, well-known peace officer, died yesterday on his oil lease near Shreveport.

He served with the Texas Rangers, was commissioner of Jim Wells county, chief of police and a member of the school board here, and served two terms as sheriff.

Abernathy Five Fastest Pampa Has Played

Harvesters Play Canyon There Tonight

Basketball fans will see the fastest team the Harvesters have played this season when the Abernathy Antelopes take the floor against Pampa tomorrow night. The Antelopes are a good team to watch; they have a moving offensive; they pass the ball quickly and they are all over the court. The Harvesters couldn't keep up with them when the Pampa quintet invaded the Abernathy court before Christmas; they simply ran the Harvesters ragged. As a consequence they gave Pampa her first licking of the season.

Abernathy lost in the Plainview tournament by one point to Quitaque, finalist nosed out by Canyon. The Antelopes placed a guard on the all-tournament team. Pete Dunaway was the other all-tournament guard.

Despite the fact that the Antelopes whipped the local cagers in their first game, Coach Odus Mitchell and the Harvesters are planning to get revenge tomorrow night. It is believed the Harvesters have improved sufficiently to take the measure of the Antelopes. The Harvesters, however, are beating in mind that Abernathy has also improved.

Go To Canyon Tonight
The Harvesters will go to Canyon tonight for two games, instead of on Saturday night as originally scheduled. Canyon is the other team that has beaten the Harvesters. The game was moved up when local cagers hinted that they'd rather play tonight than Saturday night when the all-school dance will be held here. Coach Mitchell obligingly consented, even though he will not be able to make the trip and see the game. He will be attending the Kiwanis club installation and ladies night banquet, in the role of president of the Rotary club.

In charge of the team will be Coach Prejan and Bill Anderson, athletic business manager. The Harvesters have been looking good one day and had the next in practice. Kenneth Kie was absent from practice the first two days of this week, returning yesterday from a trip to Oklahoma City. Kyle plays quite a bit at center. The other center, A. C. Miller, did not practice yesterday. He is suffering from an infected wisdom tooth. He may not practice again today. Miller showed quite a bit of improvement Monday and Tuesday.

Mitchell Urges Attendance
School authorities and Coach Mitchell were quite anxious for a big crowd to attend the games Friday night. He is fairly confident that Abernathy will provide the most colorful and interesting team, and the stiffest opposition seen on the local floor this season. Fair-sized crowds have been attending the games, but nothing like a packed house has seen the games.

"A large crowd is always an inspiration to a team," the coach said. "I would like for the fans to show that they are behind the boys in basketball as well as football—because they'll have reason to be proud of this team now as well as later on."

O'Brien Passes Up Breakfast To Dine With His Best Girl
FORT WORTH, Jan. 5 (AP)—Football fans of Fort Worth welcomed with open arms yesterday morning their gridiron heroes, the triumphant Texas Christian University Horned Frogs, staging a big, homecoming reception for them when their train pulled in from New Orleans and the Sugar Bowl.

There was a crowd on hand at the railway station and the T. C. U. swing band was swinging out as the train rolled in to the further accompaniment of whistles and sirens going full blast. A "victory parade" through the business section followed, with the champion footballers riding atop a big fire truck. The celebration was concluded at an appreciation breakfast.

Davey O'Brien, all-American quarterback, took part in everything but the breakfast. He passed it up to have breakfast with his best girl, Miss Frances Buster, queen of the Sugar Bowl ball, and a student at T. C. U.

The Smithsonian Institution annually receives approximately \$1,044,000 from the government and \$140,000 from private endowments.

Don't Forget to Ask About **HOFFMAN'S GUARANTEED STARTING SERVICE**

Nine Members Of Corpus Christi Squad To Return

By HAROLD V. RATLIFF, Associated Press Staff.
The Corpus Christi Buccaneers, state schoolboy football champions, will have more competition in their district campaign next season but all indications are that they'll be back fighting for the title.

Under the redistricting plan of the Interscholastic League, which called for the state's most prominent teams to be placed in some quarters—but which will be solved by a referendum announced this week—Corpus Christi will face at least five opponents instead of three in the 1939 drive.

But the Bucs, who have won the district title 12 times in 19 years, return with nine members of the squad that smashed Lubbock in the finals, among whom will be two all-stars—Jack Hinman, center, and Pat Hill, end. In addition Coach Harry Stittler will have Dickie Haas, one of the state's most promising backs, to serve as the nucleus of his ball-carrying department.

As things now stand Brownsville, Harlingen, Laredo, San Benito and Robstown will be in the district with Corpus Christi and under the referendum, should the league membership vote favorably, it will be possible for still others to be admitted.

Corpus Christi will not only have more competition numerically but should get it from the standpoint of play although Rio Grande Valley teams last season were at about their lowest ebb in Interscholastic League history. A general strengthening all along the line is forecast this year, however.

Four Amendments Planned.
Four amendments will be voted upon by the membership. One will liberalize the present provision for admitting schools from the lower conferences—and should it pass the question of Masonic Home continuing in the higher bracket will be strictly up to the Fort Worth district.

Under the redistricting plan announced in November schools with 500 or more enrollment would be placed in Class AA, schools with 200 to 500 would be in Class A and those with less than 200 would be placed in Class B. This plan knocked out of the higher bracket schools with power, out of the top bracket, and on the basis of enrollment placed the Masons in Class B. However, Masonic Home had been advanced to Class A.

The new rule, if voted, would admit any school from a lower conference to a higher bracket upon unanimous recommendation of the district committee, therefore a Class B school could make the jump to Class AA. The present rule which provides for admitting schools from the next lower conference on three-fourths vote of the committee, is maintained. This even more members might be admitted to Corpus Christi's district.

Three other amendments will also be voted on but close followers of the league program anticipated no opposition, except possibly to the one that prevents a school engaging in any post-season game other than regular inter-district play-offs scheduled by the league after Dec. 1. A number of schools play all-star and inter-sectional games after that date. There might be opposition from those quarters.

Another amendment, favored by the State High School Coaches Association, would prevent football practice from the close of spring training to Sept. 1. The fourth amendment limits spring training to one calendar month. The schools can choose the period.

Sports Roundup
By EDDIE BRIETZ
NEW YORK, Jan. 5 (AP)—Sorry to report Colonel Rupert, long ill, is not doing so well. . . . Halfway thru the Vines-Budge tennis match, Tony Galento demanded: "When does the fight start?" . . . Plans are afoot to enlarge the Orange Bowl. . . . Best news the Giants have heard in a large time is that Burgess Whitehead is ready to go again, and that is a fact.

DRIVE SAFELY Through 1939 DRIVE SAFELY with **PANHANDLE INSURANCE AGENCY**

Coaches Likely To Devote More Time To Development Of Passers, Pass Receivers

By HARRY GRAYSON, NEA Service Sports Editor.
After what transpired in the New Year's Day games, you may rest assured that coaches will devote even more time to the development of passers and pass receivers next spring and fall.

Texas Christian, Southern California, and the west team in San Francisco demonstrated that good passing combinations can defy the opposition to stop them.

Little Davey O'Brien of Texas Christian was accorded his customary exceptionally tight protection as he combed Carnegie Tech.

Ki Aldrich, who won more than one leg in the competition for the right to be known as the All-America center, dropped back quickly after snapping the ball, crossed in front of O'Brien, and blocked out the first Skibo who came in from the defensive left side.

At its recent meeting the committee eased the penalty for hitting an ineligible receiver with a forward pass. Where the attacking team formerly lost the ball at the spot of the preceding down, it now gets a 15-yard penalty and loses the down.

Another change in rules, prevents ineligible receivers from advancing beyond the line of scrimmage until a pass is thrown. On the face of it, this will cut forward passing effectiveness, for the receiver will have to depend on the other eligible receivers for blocking unless there's a Jesse Owens in the line.

But the two changes taken together actually act for the offense. The short, shovel passes, and longer overhead heaves behind the line of scrimmage which can change the whole focus of a play will be used more. In the pass fear-of-hitting an ineligible receiver held the coaches back.

Down field pass receivers won't suffer much from the second change either. Good passing depends on able passers and receivers, not blocking after the pass is caught. Linemen will protect the passers more.

19 Girls And Boys Teams Entered In Wheeler Meet
WHEELER, Jan. 5—Quall's boys and girls basketball teams entered the annual Wheeler High school basketball tournament early in the week to bring the total to 11 boys squads and eight sextets entered to date. Several more strong teams are expected to enter before the tourney gets under way Friday.

Coach Stina Cain, director of the meet, says that he expects an entry from Reynold, Okla., and that there is a possibility that Coach Odus Mitchell and his Pampa Harvesters will be here.

Another strong quintet expected to enter in a late entry was the Terrible Turkey Turks, winner of the meet last year. Cain states that the entry of the Quall teams will strengthen the playing of the meet. The Quall boys were state A. A. U. winners last season. Coach Cain states that every coach Thursday so that brackets could be made. Cain says that coaches will receive a card stating who and when they play. Brackets will be made Thursday. Game time will start at 9 o'clock Friday morning and the finals will start at 7 o'clock Saturday night. Lawrence "Butch" Clark will officiate throughout the meet. Mobeette's girls team, winner last year, will be back thirsting for the first place trophy again this season. Texas Tech came within a gasp's eyelash of pulling its defeat by Saint Mary's out of the fire with passes late in the going. . . . scored two

Pro Football Successful In Last Season

By JOE F. CARR, President, National Professional Football League.
COLUMBUS, Ohio, Jan. 5. (AP)—The 1938 national professional football campaign was the most successful in the league's history, from the standpoint of artistry, attendance and spectacular play, and I am looking forward to an even better season in 1939.

Climaxed by the "storybook" game in which the New York Giants defeated the Green Bay Packers to take the championship, the season presented practically everything ever witnessed on a gridiron.

The fans, responding to the hard fought and spectacular play, thronged the parks in such numbers that the attendance was more than 1,100,000, an increase of 15 per cent over 1937. The championship was witnessed by 48,120, a new game high mark for the playoff.

Records galore were broken, as was to be expected. The cream of the country's gridiron crop can't be concentrated on a few fields without that happening.

So evenly balanced was the league this year that any of the lower brackets, given a few breaks, could have emerged with the title. Our selective system, permitting the lower berth clubs first chance to negotiate with graduating college players, will maintain that balance.

For next season we are planning more pageantry, more colorful uniforms for the teams and officials, entertainment of various kinds for the intermission between halves and the hottest football games in the land.

Rule changes will be few. The goal posts will stay on the goal line, and passes will be allowed from any spot back of the finish line. We'll continue to play wide-open ball, with the emphasis on forward and lateral passes and kicking.

BITS ABOUT BOWLING
Friday night at 7 o'clock is the deadline for bowling teams to enter Class B competition. At that hour all captains will meet in the basement of the Schneider Hotel and vote on night of play and division of prize money.

At 8 o'clock captains of all Class G teams will meet in the basement of the Schneider Hotel and decide on rules and regulations for their league, which will be a handicap affair.

Eleven teams tentatively signed for Class B last night but some of the captains asked for a postponement on final action until they could talk with team members. President Alex Schneider then set Friday night as the deadline and named a committee to draw up different ways of dividing the prize money, final decision to be made by the team captains tomorrow night.

Teams tentatively entered in the league are the American Legion, Weir Barbers, Faulkner's, Standard Food, E. & M. Cafe, Gunn-Hilmerman, Santa Fe, Dr. Pepper, Texas Company, Kiwanis and Lions. It is hoped that 12 teams can be secured for the league. It was voted to give the "dummy" 136 pins. Another Class A team is being sought, only five being entered to date. They are Thompson Hardware, Cabot, Diamond Shop, Schneider Hotel and Cargray. On an average, every worker in England loses 28 days annually thru illness.

Southwest Cage Season Schedule Opens Tonight

By FELIX R. MCKNIGHT.
DALLAS, Jan. 5. (AP)—Football brethren have completed their chores and tonight, if you haven't noticed, the rather timid basketball teams of the Southwest conference come out in the open for start of a classic race.

Actually, the pennant scrap begins down at College Station tonight, where the Texas Aggies brace for the invasion of Rice's Owls, but the acknowledged sledge guns don't start booming until Friday and Saturday.

Nether Rice nor the Aggies has set off fires in pre-season games, but the Owls have a couple of threats who could boost them rather high in the standings in Frankie Carswell, the former schoolboy sensation, and E. Y. Steakley, the versatile senior.

One letterman, Captain Sammy Dwyer, is the nucleus for the Aggie five but Coach Hub McQuillan is working hard to develop scoring power around Center Bill Dawson, a giant of a fellow, and Tommy Tinker, one-time John Tarleton Junior college flipper.

First big series of the season will be held at Dallas, where Arkansas, defending its title with not too many experienced hands in the lineup, starts off against the veteran and highly dangerous Southern Methodist.

The Methodists, a strangely hot and cold team in practice games, knocked off Bradley Tech, one of the nation's finest, and then came back and sealed a bad defeat against an Oklahoma team they had handled handsily only one night before. Coach Whitey Bacus threatened a shakeup and the Methodists appeared ready for the Friday and Saturday night dates with Arkansas.

The potent Baylor Bears, loaded with excellent sophomores and featuring Frank Bryski, a great center, should have things to their liking when they run into Texas Christian at Fort Worth Friday night. The Christians, four years the cellar team of the league, do not look like they will improve their standing by many notches this season.

Perhaps the most feared of the lot, the University of Texas Steers, conquerors of Kansas and finalists in the Oklahoma City tournament, start off against the Aggies at Houston Saturday night. Coach Jack Gray, once an all-American himself, has a barrel of talent and has lost only to Kansas, for a series split, and the Warrensburg Teachers, winners of the Oklahoma meet.

of sport, hence had no real convictions in the matter. "Well, then, I'll tell you something about it," said Gus. "This is gonna be a real fight and my boy, John Henry, ain't gonna run any from Joe Lewis, and John Henry thinks he's got a 50-50 chance of winning the championship, and that's all we want—just a 50-50 chance."

"John Henry's weight for this fight will be about 185 pounds. At that weight he hits hard enough to hurt any fighter living, and he's the best boxer in the ring today above the middleweight division. I'm not just talking. That's something everybody knows."

"John Henry is only 24, almost exactly the same age as Joe. He had seven or eight good fights last year while Joe was fighting only one big fight, against Schmeling. A man can't fight one round a year and stay at his best. There's this much: If we catch Joe the way he was the night he fought Tommy Farr we'll punch his head right off."

New Wrestlers To Compete For Right To Meet McShane

An elimination of light heavyweight wrestlers will begin here Monday night and will close with the best man meeting Champion Danny McShane at a date to be set when McShane can be in this section. Promoter Cliff B. Chambers announced today.

A few of big middleweight grapplers who have been here in the past will be joined by a number of newcomers seeking a crack at McShane and the title. Two of the new men will appear on the card Monday night when Ernie Peterson of San Francisco and Steve Netry of Miami, Fla., strut their stuff against tough opponents. The other four contestants will be top hands among the present middleweight crop who have had to reduce to make the middleweight class.

Headlining the card will be a finish wrestling match between Tiger Billy McEwin, the Montana bulldogger from Billings, and Frankie Hill, the wild man from Wichita, Kan. This pair can really wrestle or they can rough it up if it is necessary to win.

In the semi-final Ernie Peterson, the San Francisco ace, will battle Joe Banaski of Oklahoma City. Peterson is coming to this section in the hopes of getting a crack at McShane's title which he believes he was entitled to in California.

Steve Netry, the Florida hurricane and another mauler here especially for a chance at McShane, will get Russ Miley of Mulhouse in the opener. Reserve seat tickets are now available at Cretney Drug at no extra cost.

Petition Asks Baggett Ouster

A petition asking the removal of Al Baggett as head coach at West Texas State College at Canyon is being circulated with the idea of presenting it to Dr. J. A. Hill, president, it was revealed last night. While the group of petitioners contacted social clubs, members of the T. club, composed of athletes who have already earned varsity letters, told President Hill that football and basketball players were solidly behind Coach Baggett. It was learned last night that Joe Hays of Allison, Monroe Horton of Pampa and Lother Stephenson had contacted Dr. Hill and expressed the opinion of their club and of other athletes. Robert Horton, president of the senior class, said he was one of the supporters of the petition. "There is a group of students who believe a change in the coaching staff would be beneficial to the college," Orton is reported to have said in a statement. Orton stated that all but one of the social clubs was behind the move. He said that 150 signatures had been attached to the petition and that it would be presented to Dr. Hill after there had been given an opportunity to sign. Dr. Hill said that he had received no petition and therefore had nothing to say. Coach Baggett also was silent, saying he was busy with basketball.

John Henry's Manager Says Lewis May Win

By GAYLE TALBOT
NEW YORK, Jan. 5 (AP)—Large Gus Greenlee, the Pittsburgh citizen who manages the affairs of John Henry Lewis, the fighter, dropped in to warn your correspondent not to be too sure that John Henry will get his ears batted down by Joe Lewis, the champion, when they meet in their 15-rounder at the Garden on Jan. 25.

"There's a lot of fellows making a mistake about this fight," said Greenlee, confidentially, as he sat down and overflew the largest chair in the room. "How do you feel about it? Do you think my boy's going to get licked easy?"

Your correspondent told him that, since picking Elsworth Vines to beat Donald Budge in tennis the other night, he had decided to do a lot less predicting in all branches

Puett New Manager Of Shamrock Schools. SHAMROCK, Jan. 5.—W. O. Puett, who Monday completed four years as county judge, moved to Shamrock Tuesday where he will fill the position of secretary and business manager of the Shamrock Independent school district.

Dr. Robert E. James invented a special ultraviolet lamp, which was a forerunner of the sterilump now widely used in the food industries for killing mold bacteria.

Farm Prices Jump 23 Per Cent In 1938

CHICAGO, Jan. 5 (AP)—Farmers start 1939 with prices of important commodities averaging 23 per cent higher than they were at the bottom of the 1938 slump, an analysis of Chicago markets showed today. Prices have risen the past few months despite substantial surpluses of many grains, increasing supplies of some livestock and heavy storage stocks of butter.

Most important farm items except cattle, however, are priced lower than a year ago when commodity values were on the downward swing. The recovery peaks reached in 1937, however, were more than double, in most cases.

Higher prices received for grain, fruit, truck crops and dairy products have accounted for part of the recent rise in the general level of commodity values.

The Roamin' Goose Step

After about a year's practice, Italian soldiers are still a ragged bunch of hot-footers when it comes to doing the marching step borrowed from the Germans.

Nye Promises Opposition To Repeal Of Neutrality Act

WASHINGTON, Jan. 5 (AP)—President Roosevelt's challenge to aggressor nations stirred up a congressional conflict today over revision of the neutrality law. Chairman Pittman (D-Nev.) of the Senate Foreign Relations committee interpreted a portion of the President's annual message as an invitation to congress to revamp the act, but he said there has been no suggestion as to the form the revision should take.

The American people wrote that law, said Senator Nye (R-ND), "It is legislation to keep this country out of other people's wars. I don't believe that any force can repeal it." The neutrality law directs the President to prohibit export of arms to warring nations. A "cash and carry" provision gives him power to limit shipments of supplies to those bought for cash and transported in vessels of the purchasing nation.

Educators To Propose New Tax Measure

A bill recommending changes in the equalization law, designed to be of benefit to all sections of the state, is to be drafted Saturday when representatives of the various districts of the Texas State Teachers Association meet in Austin.

Educators have pointed out that members of the legislature from thickly settled portions of the state are unacquainted with the expense involved in maintaining schools in some parts of the Panhandle, such as the cost of transporting students from a wide area.

Magician Will Give Program In Amarillo

From the remote corners of the globe Marquis, the famous magician who is coming to Pampa Friday night, has gathered sensational subjects for the matinee, featuring two-hour program he will present at 8 o'clock in the Pampa high school auditorium.

Marquis comes to Pampa from Amarillo, where tonight he is giving his program at the Amarillo high school auditorium under the auspices of the Amarillo College Balladors and Balladettes. His performance here is sponsored by the Pampa Lions club.

Civil Service For WPA Rouses Critics

WASHINGTON, Jan. 5 (AP)—Clear-cut opposition developed in Congress today to placing the WPA employees under civil service.

Opponents interpreted the move as a trend toward making the WPA a permanent agency, and declared it would give a preferred job-holding status to many administrative employees they consider incompetent.

Under an executive order issued last June 24 by President Roosevelt, 35,000 WPA administrative employees will be blanketed into the civil service for Feb. 1.

It is a marvelous perversion of the ordinary American process, commented Senator Vandenberg, Republican, Mich.

Ordinarily, the result of such an indictment as was filed by the Sheppard committee against the WPA would mean the wholesale evacuation of the gangsters. Instead, they are to be rewarded by life tenure in their rocking chairs.

Vandenberg referred to a report of the Senate campaign expenditures committee which criticized instances of political activity by WPA officials and exertion of political influence on some WPA workers.

All the coffee used by the entire world came from Yemen province, South Arabia, until the end of the 17th century. The tree, and much celebrated, much still is produced there.

ANSWER TO CRANIUM CRACKER

A crossword puzzle grid with numbers and some filled-in letters. The puzzle is titled "CONCEALED PROVERB" and "ANSWER TO CRANIUM CRACKER". The grid is 15 columns wide and 15 rows high. Some letters are already filled in, such as 'S', 'P', 'I', 'K', 'E' in the first row, and 'A', 'S', 'T', 'R', 'O', 'L', 'L', 'I', 'N', 'G', 'S', 'T', 'O', 'N', 'E' in the second row.

SERIAL STORY

SKI'S THE LIMIT BY ADELAIDE HUMPHRIES

Copyright, 1939, NEA Service, Inc.

CAST OF CHARACTERS
SALLY BLAIR—heroine. She could win her, except...

Yesterday, Corey plans to take Sally to a Lake Placid ski jump...

CHAPTER XXII

IF there was a more beautiful world than that of snow-bound Lake Placid, Sally had never seen it.

The crowd was exceedingly gay and smart, lovely girls in all manner of sport outfits...

Looking at them anyone might be envious. They had everything, this young couple, good looks, health, money to burn...

THE day after the arrival of Corey and his party there was to be a contest. It's a sort of unofficial trout for the Olympics...

even know where he was. What had become of him. She told herself she did not care.

That next day could not have been more perfect. Not a cloud in the sky, the scene like a carnival with its hundreds of rainbow-hued spectators...

There were several events scheduled—langlauf, or cross-country, jumping and down-hill, a slalom course with its flag-forming gates and zigzag flushes...

If she closed her eyes Sally almost could have imagined that some one of the contestants might have been Dan. But none of them, she told herself, sizing up their performances, could equal him.

"Why, look... who's that?" someone in Corey's party asked, even as Sally Blair had voiced much the same question over a year ago.

Carson county district and a program of activity for 1939 will be planned. Groom, White Deer and Panhandle will each send a large group of skiers and scouts.

"I did not," Corey said. That was a bad break for him. If he had dreamed Reynolds would enter this meet he never would have planned this party...

YES, even if that Sally was dead. If the new-old Sally never saw him again. Dan had won; he had licked the things that had tried to best him.

Oh, it was very difficult not to believe in a boy who had done what this boy had!

"I want to congratulate him," Sally said after it was all over and Dan was the center of an admiring group.

Carson county district and a program of activity for 1939 will be planned. Groom, White Deer and Panhandle will each send a large group of skiers and scouts.

Many Texas Officials Not Native Texans

By RAY NEUMANN.
AUSTIN, Jan. 4 (AP)—On Jan. 17, Texas, for the first time in 24 years, will have a governor who was not born in the state. W. Lee O'Daniel is a native of Ohio.

But—Texas prominent in government and other fields of endeavor who are not natives include:

Twenty-eight members of the legislature.

One of the three members of the Texas Supreme Court.

Three Texas congressmen.

The head of a powerful federal agency.

The commander of the Texas National Guard.

Four presidents of great Texas colleges.

The chief justice of a Texas court of civil appeals.

Two Texas federal judges, and several ranking officials in the Texas government.

Historians point out O'Daniel's native Ohio gave the United States its first Presidents, a record-breaking number in recent years.

Justice Richard Critz of the Texas Supreme Court was born in Mississippi.

Among Texas congressmen, Hattin W. Summers of Dallas is a native of Tennessee; G. H. Mahon of Colorado calls Louisiana his natal state and J. J. Mansfield of Columbus calls West Virginia as his birthplace.

Jesse H. Jones of Houston, born in Tennessee, is chairman of the federal government's Reconstruction Finance Corporation.

Oregon gave Texas her national guard commander—Major General Claude V. Birkhead of San Antonio.

Jones from Colorado.

Texas college presidents include J. W. Calhoun, acting president of the University of Texas, a native of Tennessee; Edward M. Waits of Texas Christian University, born in Kentucky; J. D. Sandefur of Hardin-Simmons University, a native of Arkansas, and Clifford Jones of Texas Tech, born in Colorado.

Chief Justice J. W. McCloud of the third court of civil appeals calls Georgia his birthplace.

Federal Judges William H. Atwell of Dallas and Charles A. Boynton of El Paso were born in Wisconsin and Quebec, Canada, respectively.

Officials in the Texas government include Orville S. Carpenter, chairman-director of the Texas Unemployment Compensation Commission, a native of Kansas; Pat Moreland, member of that commission, North Carolina, and Harry Hines, member of the Highway Commission, Missouri.

Hogg First Native.

It was not until 1891, more than a half century after the founding of the Republic of Texas, that a native born governor took the chair. That was James Stephen Hogg who served from 1891 to 1895.

After him came four more who were not natives—Charles A. Culberson, an Alabamian; Joseph D. Sayers, a Mississippian; S. W. T. Lanham, a South Carolinian, and O. B. Colquitt, a Georgian, who served two terms until 1915.

Only two signers of the Texas Declaration of Independence from Mexico were born on the soil that later became Texas—Francisco Ruiz and Jose A. Navarro of San Antonio, then a part of Mexico. The signers included a Scotchman, a Spaniard, an Irishman, and an Englishman.

The great names in Texas history include Sam Houston and Stephen F. Austin who were born in Virginia; Mirabeau B. Lamar of Georgia; James A. Bowie and Davy Crockett of Tennessee and Anson B. Jones of Massachusetts.

Among the two houses of the legislature on whose cooperation O'Daniel must depend to carry out his program are 24 representatives and four senators who were born outside the boundaries of the Lone Star state.

Worley a Seamer.

Missouri gave Texas Rep. M. A. Bundy of Wichita Falls, Homer Leonard of McAllen; L. C. McDaniel of Dallas, and J. Harry Shell of Gregory; Oklahoma contributed Reps. Max Boyer of Perryton and Eugene Worley of Shamrock; Alabama was the birthplace of Reps. R. W. Chambers of May, P. L. Crossley of Eastland and E. B. Hamilton of Hillsboro;

Texas is the natal state of Rep. C. M. McParland of Wichita Falls; Tennessee is the birthplace of Reps. Dorsey B. Hardeman of San Angelo, John E. Roach of Forney, Jeff D. Stinson of Dallas and A. B. Tarwater of Plainview; Mississippi gave Texas Reps. Eugene F. Harrell of Paris, G. E. Newell of Ellersville, R. H. Reeves of Blackwell and J. H. Waggoner of Whitewright;

Illinois contributed Rep. Henry Hull of Fort Worth; Louisiana is the natal state of Reps. W. C. Mont-

gomery of Houston, Harvey Revere of Fort Arthur and E. L. Vint of Sealy; Indiana gave Texas Rep. C. E. Nicholson of Fort Neches while Rep. E. J. Cleveland of Buda hails from Georgia.

Senators E. Harold Beck of Texas, W. C. Graves of Dallas, Clint Small of Amarillo and J. Franklin Spears of San Antonio were born in Arkansas, Louisiana, Alabama and South Carolina, respectively.

Government Runs Into Red Rapidly

WASHINGTON, Jan. 5 (AP)—The government finished the first half of the fiscal year 1939 running into the red three times as rapidly as a year ago.

The daily treasury statement issued today showed spending exceeded income by \$1,601,303.73 at December 30, 1938. This compared with excess of expenditures totaling \$562,541,774.67 for the first six months of the fiscal year, 1938.

For the first six months of the current fiscal year the statement showed shrinking income and expanding expenditures.

Total receipts for the first six months were \$2,927,285,376.99 compared with \$3,176,213,515.70 for the corresponding period in the 1938 fiscal year.

During the six months just ended total expenditures swelled to \$4,528,705,700.77 compared with \$3,728,755,290.37 in the like fiscal period a year ago.

According to estimates, there are 150,000 pharmacists in the United States.

Motion Pictures Made Of Nursery Pupils At T. U.

AUSTIN, Jan. 5.—Stardom in Hollywood may not be their reward, but twenty of the youngest students at the University of Texas—daily "strut" their way across the silver screen before an intent audience.

These tiny motion picture luminaries are pupils attending the University Nursery School; their roles consist of being natural for a "round the clock" story of nursery school activities. The audience is comprised of students in elementary education and educational psychology classes at the university.

Three hundred feet of silent motion picture film were taken to portray a full day's activities at the school, showing the 2- to 6-year-olds eating their morning cereal, playing on ladders and seesaws in the shady back yard, drinking orange juice, taking their 1 o'clock siesta, and dressing to meet mother at 4 o'clock.

After the stars, featured players, and extras became accustomed to the presence of the cameramen, they went about their duties without prompting, according to Dr. B. F. Holland, assistant professor of educational psychology, who took the movies.

For many years Dr. Holland has been devoting much of his attention to the field of visual instruction in education. Due to his efforts courses in visual instruction have been inaugurated in a half dozen or more Texas colleges, notably Abilene Christian college, Texas

Supreme Court Records

AUSTIN, Jan. 5 (AP)—Proceedings in the Court of Criminal Appeals: Affirmed: James T. Younger from Jefferson; Allen Blake from Wheeler; Leno Cooks from Jefferson; B. F. McGaw from Denton; Roy Nix from Taylor.

Reversed and remanded: James T. Younger from Jefferson.

Appeal dismissed: J. H. (Pee Wee) Drew from Marion.

Submitted on brief for state: H. S. Skaggs from Denton (2 cases); H. S. Skaggs from Pannin; H. S. Skaggs from Wise.

Submitted on motion to reinstate appeal: Y. Nichols from Jones; Garland Anderson from Navarro.

Submitted on state's motion for rehearing: Leola Holmes from Taylor and George Newsum from Harris; Sellman Moss from San Saba; Jack Colman from San Saba; Andy Duncan from Rusk.

Submitted on motion to reinstate appeal: Submitted on appellant's motion for rehearing: J. R. Aiken from Palo Pinto;

Technological college, North Texas State Teachers college, Sul Ross State Teachers college, Baylor university and others. The University of Texas has given attention to this field for many years. Nearly every college in the state will include such a course in its 1939 summer curriculum.

Stepson Held On Murder Suspicion

LOS ANGELES, Jan. 5 (AP)—Police inquiry into the fatal beating of James Peters, 57-year-old Portland, Ore. financier, took a sensational turn early today when Peters' stepson, George Phillips, 38, was arrested on suspicion of murder.

Peters, on a holiday visit here with his family, died of injuries received Tuesday night when Phillips said, a stranger attacked him. Peters, his wife, Daisy; their daughter, Betty, 15; and Phillips and his wife, Helen, had been making the rounds of Hollywood cafes, collecting match folders as souvenirs, when the financier was fatally hurt.

An autopsy report showed he died of a cerebral hemorrhage and contusions, complicated by a heart ailment.

Detective-Lieut. Ray Giese said Phillips' story of the attack was vague and conflicting. Phillips, he said, bore a bruise on his chin and another on his head.

Giese disclosed an informant had come forward to tell police of what apparently had been a violent argument between the father and stepson.

Charlie Coy from Hidalgo; R. S. Hibbetts from Hidalgo; Madam Lovine from Jefferson.
