THE PAMPA NEWS

Good Evening!

Let each man think himself an act of God; his mind a thought, his life a breath of God.—Bailey.

Franco Gives Little Comfort To Britain

Dry Leader Irks Solons At Hearing

Mann Holds Liquor Bill Proposal Is Unconstitutional

LONDON, Feb. 28 (AP)—Amid opposition cheers, Labor Leader Clement R. Attlee moved a vote of censure against the British government in the house of commons today for its recognition of the Franco regime as the legitimate government of Spain.

Attlee said the recognition "marks a further stage in a policy which is steadily destroying in all democratic countries confidence in the good faith of Great Britain."

"It is obvious there has been a decision prior to last Thursday, when the house was informed by Mr. (Prime Minister) Chamberlain that he could make no further statement on the question of recognition of Franco," Attlee declared.

"Therefore, the prime minister was not carrying out his pledge to the house to acquit it with his decision at the earliest possible moment."

Attlee referred to questions addressed to Chamberlain yesterday when the premier announced to commons that Britain had recognized Franco, and said:

"The prime minister then stated that he was not to be cross-examined. He might have been a dictator addressing a fascist grand council. I would remind him that he is a British prime minister."

LONDON, Feb. 28 (AP)—Prime Minister Chamberlain read to the House of Commons today a telegram from Generalissimo Franco asserting that the newly-recognized Spanish Nationalist government would maintain its independence.

The prime minister read the message during bitter debate on Britain's recognition of the nationalist.

City To Make Curves Safer

City officials are doing their best to eliminate bad curves on city streets and many property owners are cooperating, City Manager W. T. Williamson said today.

One of the worst spots in the city is the intersection of Hobart street and the Borger road. In order to eliminate a bad right-hand turn, Mrs. T. D. Hobart has given the city a piece of land 100 feet along each street and it will be paved if the city-wide program.

Officials, however, have been unable to secure property on the opposite corner to eliminate the bad turn to the left.

The city's Widening Works has given the city a piece of their lot at the corner of Hobart and Foster streets in order to eliminate a sharp turn and E. J. Dunigan has given a piece of a corner lot at the corner of Kingsmill and Hobart streets for the same purpose.

Laying of curb and gutter on Barnes street will be resumed tomorrow after which work will start on Hobart street.

Violator Of Wage Law Fined \$1500

BOSTON, Feb. 28 (AP)—The Government's first criminal prosecution for violation of the wage-hour law ended today with pleas of guilty, and imposition of fines totaling \$1,500.

The pleas of guilty were entered to federal indictments charging the Brown Contract Stitching, Inc., a Lawrence, Mass., shoe company, and Nathan Brown, treasurer and general manager of the corporation, failed to pay the required 40 cents an hour minimum wage. Falsified records, failed to keep required records and put goods thus produced into interstate commerce.

Brown was fined \$1,000 and the corporation \$500.

Government agents contended the corporation had saved between \$700 and \$1,000 through evasion of the law.

Joseph E. Brill, chief of the wage-hour unit of the Department of Justice, who developed the Government case, asked the court to fine the company be fined \$1,000 each, but Judge Brewster said the outcome of the case would show it had cost more than \$2,000 to "play with fire," which should be "sufficient to discourage others."

Hopkins' Council To Meet Thursday

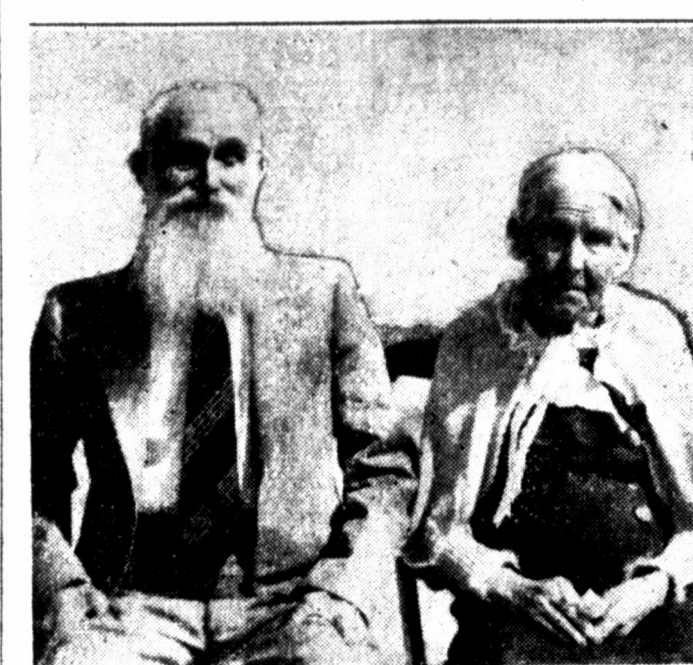

WASHINGTON, Feb. 28 (AP)—Secretary Hopkins' business advisory council will meet Thursday to give its opinion on the recent administration's overtures toward government-industry cooperation.

The group of about 60 industrial and financial leaders will deliberate in the light of "no-new-tax" promises from administration officials, of the President's labor peace proposal, and of Hopkins' plea for stimulants to private investment in industry.

Scalpers Get More Than 5 Cents For Jefferson Nickels

WASHINGTON, Feb. 28 (AP)—Pay no more than five cents for a nickel. That's the advice of the United States treasury after hearing rumors scalpers have obtained as high as \$1 each for the new Jefferson nickels on the erroneous information the coins were faulty and would be recalled.

MARRIED 72 YEARS AGO TODAY

Mr. and Mrs. W. S. Wilson

Mr. and Mrs. W. S. Wilson, two of Pampa's oldest residents, tomorrow will observe their 72nd wedding anniversary at their home on North Duncan street. He is 91 and Mrs. Wilson is 90.

Because of the illness of Mrs. Wilson, however, she and an anniversary party but friends and relatives will visit the couple. Mrs. Wilson has been confined to her bed for some time with a severe cold but today her condition was said to be improving.

Mr. Wilson's eyesight is gradually failing him but he can still enjoy his daily paper.

Although lines in her face show the passing years, Mrs. Wilson has lost none of the wit and humor which have been hers since youth.

She was married to Mr. W. S. Wilson in 1867, at Fayetteville, Ark. They moved to Alameda in 1903 and to LeFors in 1920. Three years ago they moved to Pampa to make their home. Mr. Wilson was a farmer and stock raiser. He has always been a lover of horses and in 1934 he rode in the Junior Chamber of Commerce Pre-Centennial parade.

At the age of 60 Mr. Wilson went to Cleburne and rode in a horse race. His long white beard flowing in the wind, later it was not an unusual sight to see him sitting erect on the back of his pet horse riding from LeFors to McLean, Alameda and Pampa for the love of speed was not in him.

Mr. and Mrs. Wilson make their home with a daughter, a son, W. E. Wilson still resides at LeFors. Two other daughters are Mrs. R. Kincaid of Johnson City, Tenn., and Mrs. Mattie Paxton of LeFors. In 1933 the couple visited their daughter in Tennessee.

Nude Ranch Deal Pondered At Fair

NEW YORK, Feb. 28 (AP)—New York World's Fair officials, who hope to show the "world of tomorrow" to 50 million customers, pondered today whether to establish a Sally Rand nude ranch among the wonders of flashing meadows.

Sally, who flew here from the West coast, was confident she could put more "umph" in the fair than any number of metal triviums and perispheres—but only if she is given free rein.

"There will be no nude ranch at the fair here if there are any stipulations," she said. "No clothes or no nude ranch."

Sally, who waved her way to fortune with ostrich fans at the Chicago fair in 1933, also thrived financially with a nude ranch at the Fort Worth, Tex., exposition and has an exhibit of girls and burros at the San Francisco Golden Gate exposition.

Grover A. Whalen, president of the fair, did not attend the conference. He said last summer no exhibition such as fan dancing would be allowed to overshadow the fair's education exhibits.

2 Trainmen Killed In Crossing Crash

PASCO, Wash., Feb. 28 (AP)—Railway officials and county authorities investigated today the crossing collision of a Northern Pacific passenger train and a Union Pacific freight train in which two trainmen were killed and two others injured.

The passenger train, a "local" bound from Walla Walla, Wash., to Pasco for connection with "attle, ran broadside into the freight train at the Atlatia crossing, about 12 miles west of here, last night.

The Northern Pacific engine overturned, killing engineer R. R. Elley, of Spokane, and William Lotz, fireman of Pasco, Wash.

Alva A. Fryer, about 55, Union Pacific brakeman, was taken to Walla Walla with head injuries. Harder, a livestock attendant, suffered a foot injury.

A passenger car left the rails but none of the seven or eight passengers aboard was injured, the Northern Pacific reported.

Hoyt Banks Will Be Sales Auctioneer Here On March 16

Date of the first livestock sale by the Pampa Livestock Exchange has been changed to Thursday afternoon, March 16. It was announced today by J. K. McKenzie, manager. Original date was March 8.

Auctioneer for the sale will be Hoyt R. Banks of Erick, Okla., licensed to practice in both Texas and Oklahoma. Scene of the sale will be across the road from the airport east of the city. Mr. McKenzie is erecting an indoor arena in which sales will be conducted during the winter months and in rainy weather.

Wind Smashes Plate Glass

(By The Associated Press)

Texas wiped the dust from their eyes today as the worst of a storm which struck yesterday moved northward toward Illinois.

Cold weather, however, still prevailed in part of the state.

Some damage from the high wind yesterday was reported. Dallas glass dealers estimated \$5,000 damage to plate glass windows, while Fort Worth had \$20,000 loss.

Miss Edith Jarred, Fort Worth theater cashier, was injured slightly when wind wrecked the box office during a 68-mile-an-hour blow.

Minimum temperature at Amarillo last night was 13 degrees. A high wind blew most of the night but dropped this morning. Oddly, there was no dust.

Big Spring reported 24 degrees at 7 a. m. with the temperature slowly rising.

Some dust was still in the air at Fort Worth today, but the sun was bright. Continued cold was forecast tonight after a minimum of 26 degrees last night.

It was clear and cold at Corsicana today after a severe dust storm which started last night and lasted several hours. There was no damage. Wichita Falls reported a light breeze and a 29 minimum.

A light norther broke unseasonably.

Jury Gives Reed Two Years In Fraud Case

White Deer Pair Injured In Crash Here

Mrs. Haiduk And Daughter Hurt As Car Overturns

White Deer, Tex., Feb. 28 (AP)—A blizzard-borne snowfall ranging in depth from six to 17 inches anchored down today the travel-bent topsoil of the southwestern "dust bowl" home of the black blizzards of the drought years.

Lamar, subjected to two dust storms since an early January rain, received 17 inches of snow. Grateful farmers who had watched fall wheat grow spotty during recently dry weeks confidently planned to begin spring planting as soon as the ground soaks up the inch or more of new moisture.

"This is the most snow I've seen in this country since the winter of 1918-1919," said Hackett Smart of Lamar, vice president of the Colorado farm bureau. "It ought to settle the dust for the next month or six weeks."

Sleet fell through dust clouds last night at Texola, Okla., on the Oklahoma-Texas border, reducing visibility to zero. Rains settled southern Oklahoma dust storms. Drifting snow reduced visibility to 25 feet in the rich wheat lands of western Kansas. Some major and virtually all secondary highways were blocked. Many small communities were isolated.

The snow blanketed all northwest Oklahoma to depths ranging from six inches at Guymon and Beaver to 14 inches at Forgan, in the Panhandle.

The blizzard, blowing down off the Rockies Sunday and continuing until early today in some areas, extended westward through the Texas Panhandle to northern New Mexico and Colorado.

When Mrs. Austin went to her physician he said she was suffering from an attack of appendicitis, but Mrs. Austin said her appendix had been removed while she lived in another state. Despite the fact that a surgical scar was noticeable, physicians could find nothing else wrong. They operated and found that Mrs. Austin's appendix had never been removed and that it had ruptured.

Mrs. Austin was a member of the White Deer Baptist church. She was a member of and active worker in the Pampa Business and Professional Women's club and

A flurry of excitement marked the inquiry last night when it was reported the dying beauty had twice intoned the name "Al" as an ambulance took her to a hospital.

"Don't do it, Al," ambulance attendants said she repeated.

A letter signed "Al" had arrived at her apartment yesterday but investigation disclosed it had been written at San Francisco by her sister, Alice Susoff.

Hedley Man Wins Naval Promotion

WASHINGTON, Feb. 28 (AP)—President Roosevelt has approved a naval selection board report choosing 472 lieutenants for promotion to lieutenant commander.

They included present station and home addresses:

Lewis Wallace, USS R-10, Cuero, Texas; Stanley P. Mosley, Naval Academy, Fort Worth, Tex.; William L. Wright, staff of Comdr. Submarine Force, U. S. Fleet, Corpus Christi, Tex.; Everett E. Mann, Norfolk Navy Yard, Hedley, Tex.

Inquiry In Death Of Recluse Ordered

SAN ANTONIO, Feb. 28 (AP)—Justice of the Peace Otis West ordered a court inquiry today in the death of John Easterly, 62-year-old wealthy recluse, whose charred body was found in the ruins of his ranch home near Thelma.

Officers were working on the theory Easterly was shot to death before his home was set on fire early yesterday.

Near the body was a double-barreled shotgun from which two shells had been fired. One of Easterly's dogs was found dead and another was ill, leading to belief the dogs were poisoned.

17 Inches Of Snow Falls In 'Dust Bowl'

Azana Resigns As President Of Loyalists

COLLOGNES-SOUS-SALEVE, France, Feb. 28 (AP)—Mantel Azana, in a letter made public today, resigned as president of the Spanish republican government.

The letter was addressed to Diego Martinez Barrio, president of the republican cortes (parliament) and Azana's constitutional successor.

Azana, who came here yesterday from Paris where he had lived since Generalissimo Franco's troops cleaned up Catalonia, had withheld publication of his resignation until after French-British recognition of Franco's regime as the legitimate government of France.

The letter was sent to Paris by special messenger yesterday—the day on which France and Britain ceased to regard the republican regime as Spain's real government.

The letter of resignation was disclosed here by Azana's brother-in-law.

See AZANA, Page 3

Sales Tax Bill Introduced In Texas Senate

AUSTIN, Feb. 28 (AP)—A proposed constitutional amendment which might be the Senate's answer to the problem of pensions and other social security financing was introduced in the upper branch of the Legislature today.

By Senator R. A. Weir of Seguin, it proposed a 2 per cent retail sales tax with few exceptions, plus a service tax of equal amount on hotel room rent, transportation on commercial carriers, amusements, athletic events, advertising and brokerage commission.

Revenue would be allotted in maximum yearly amounts in this manner:

Old age pensions, \$15,000,000.
Aid to dependent children, \$1,500,000.
Aid to the needy blind, \$500,000.

See SALES TAX, Page 3

Sex Terrorists In Los Angeles Hunted

LOS ANGELES, Feb. 28 (AP)—Police started a roundup of suspected sex terrorists today after exhausting most of the clues that pointed to a jealous suitor as the slayer of Anya Sosoyevan, former Ziegfeld dancer.

Since the 32-year-old blonde was fatally beaten on the Los Angeles City college campus last Friday night, no substantial headway has been made in solving the mysterious case, detectives admitted.

A flurry of excitement marked the inquiry last night when it was reported the dying beauty had twice intoned the name "Al" as an ambulance took her to a hospital.

"Don't do it, Al," ambulance attendants said she repeated.

A letter signed "Al" had arrived at her apartment yesterday but investigation disclosed it had been written at San Francisco by her sister, Alice Susoff.

Dalhart To Play Bowie In Tourney

AUSTIN, Feb. 28 (AP)—Pairings for the Interscholastic League State Basketball tournament as announced here today will pit Abilene against Kingsville, Lanier of San Antonio against Gilmer, Livingston against Vernon and Dalhart against Bowie in the first round.

R. J. Kidd, athletic director for the league, said the initial round would start Friday at 2 p. m. Succeeding first round tilts will be played at 3:15, 7:15 and 8:30 p. m.

Semi-final games will take place Saturday morning at 10:15 and 11:30 with losers clashing at 7:15 p. m. for third place honors and the championship final slated to start at 8:30 p. m.

Kidd said J. W. Ziggy of Dallas, L. R. "Dusty" Boggs of San Antonio and Ab Curtis of Fort Worth will be the tournament officials.

Ex-Deputy Is Convicted On Funds Charge

Verdict Is Returned After Deliberating Hour And Half

After deliberating for an hour and a half, a district court jury at 4:45 p. m. today found Buford Reed guilty of misapplication of funds of the Gray county sheriff's office.

The jury ordered a two year sentence in the penitentiary. The offense called for a minimum penalty of two years and a maximum of ten years. The case went to the jury at 3:18 p. m. Monday.

After a brief defense which consisted in the questioning of only one witness, both sides rested early this forenoon in the Buford Reed trial, and summation by the state was begun when court reconvened at 1:30 o'clock this afternoon.

Reed, an ex-deputy sheriff for Gray county, is charged with fraudulently taking \$27.84 of sheriff's office money and applying it to his own use.

County Auditor Ray Wilson was the only defense witness called when the trial was resumed at 9:10 a. m. today. Counsel for Reed sought to show through his testimony that a surplus of \$900 existed in the sheriff's funds between the time of former Sheriff Earl Talley's death and the time of the alleged violation by Reed, and that during this time there was only a \$200 shortage in the office which would be covered by the surplus. The surplus was comprised of the sheriff's unpaid salary.

The county auditor was on the stand for only a few minutes, and both sides rested immediately following the conclusion of his testimony.

Ewing Writes Charge. Judge W. R. Ewing immediately prepared his charge to the jury and the rest of the morning was spent in examination of the charge by lawyers for the state and defense.

In 1928, Ewing was the sheriff's jury on two counts of misapplication of funds. One indictment was dismissed yesterday morning and the trial is proceeding under the second indictment.

Reed has admitted taking various sums of money from the sheriff's office and applying them to his own use over a period of more than a year. He is being tried specifically, however, on the one charge involving only the sum of \$27.84.

Miriam Wilson Case. At the opening of court Monday, District Attorney Clifford Bray said

Residence Guarded Against Kidnapers

KNOX CITY, Feb. 28 (AP)—A. J. Malouf, who reported to officers he received a letter last Friday afternoon demanding \$2,000 upon threat of harm to one of Malouf's young daughters, left by plane from Abilene Sunday night for Phoenix, Ariz., friends here said today.

At Phoenix Police Chief Dave Fountain reported the residence of Malouf's wife and children had been under surveillance since she reported Friday night threats against her daughter had been received in Knox City by Malouf.

Investigation of the attempted extortion is in the hands of the Dallas office of the Federal Bureau of Investigation, said Jim Stephens, Knox City Police Chief, to whom Malouf gave the letter.

The letter, neatly written, directed Malouf to place \$2,000 in currency under a culvert two and one half miles north of Rochester.

I Saw ---

Final figures on Bobby Andis' basketball scoring record for the season. He hit the basket for a total of 622 points in the 45 games the Harvesters played this season. He made nearly 50 points in the regional meet at Canyon. His average was 14 points per game.

Speech Controlled By Weather

Canadians are the most talkative people in the world, says a telephone expert. Each Canadian averages 222 phone calls per year. The U. S. average is 197. This is not surprising, Canada has a very cold climate and its inhabitants naturally require more hot air than we do down here. In fact, a large proportion of telephone calls in the U. S. is used for classified want-ads which is a good thing all around, and there is no hot air in them.

Join the thrifty people who phone in their want-ads. Phone 666 for quick results.

THE PAMPA NEWS

Troops Kill 16 Men In Battle

JERUSALEM, Feb. 28 (AP)—British troops, acting to put down a new wave of Arab-Jewish terrorism in which 34 persons had been slain this week, killed 16 men today in a battle with a large armed band on the northern frontier. Fighting Royal air force warplanes aided the soldiers.

Another disastrous bomb explosion in Jerusalem probably was averted when police seized a time bomb in the David street market where three persons were killed and six wounded in explosions yesterday.

Two Jews were killed and three others injured by an Arab band today.

British authorities conducted widespread searches for those responsible for the explosions yesterday here and at Haifa.

An Arab strike was declared in Haifa in protest against yesterday's bombings.

Determination to fight the introduction of minority status for Jews in Palestine, as suggested by the British during an Arab-Jewish peace conference in London, was the keynote of an urgently summoned conference of leading Jewish representatives. The conference was called to define the Jewish attitude.

Deaths In Lover's Lane Investigated

JOLIET, Ill., Feb. 28 (AP)—The mysterious Lover's Lane deaths of two young students prompted officials to consider a grand jury investigation today of conditions at the Joliet Township high school.

The students, Ruth Virginia Underwood, 17, and William Engimann, 18, were found dead in an automobile, parked on a wooded park road.

Coroner Louiss said the girl died of strangulation and that Engimann presumably died of carbon monoxide poisoning several hours later. The girl was clad only in shoes and stockings.

Brannon said he would request an investigation of conditions at the school as well as an inquiry into the death of Miss Underwood. Engimann was a star athlete and co-captain of the football team.

The youth's arm was around his companion's neck when a searching party that included Engimann's father discovered the bodies yesterday. Coroner Brannon said he was investigating the possibility she was strangled accidentally in an embrace.

Trials Transferred

CRYSTAL CITY, Feb. 28 (AP)—The case of J. T. Halbert, charged with slaying Rev. B. G. Holloway, a Baptist minister, was transferred to Bearne, Kendall county, yesterday for trial April 10.

District Judge K. K. Woodley granted motion for the change of venue. Savala county district court jury failed to agree on a verdict at a previous trial.

I Heard ---

That the grand champion calf of the F. F. A. calf show owned by Billy Stockstill, came from the herd of W. S. Tolbert who plans to sell a number of calves to Gray county boys during the summer.

For an hour and a half firemen worked with acetylene torches to free Brewster Jacobie when the youth was pinned in his smashed automobile between a switch engine and a freight car in Cleveland, O. Above picture shows the rescue efforts shortly after the crash.

New Dealers Seek To Avoid Bad Beatings

WASHINGTON, Feb. 28 (AP)—New efforts to consolidate administration strength in the house were disclosed today after a meeting of the democratic steering committee with Speaker Bankhead and Floor Leader Rayburn.

These two leaders, it was learned, asked for assistance from the 15-man committee, which represents all sections of the country. While details of the private conference yesterday were not made public, one committee member said afterward: "What we want is to have all major legislation referred to our committee. We will be able to count noses and tell the leaders a certain bill doesn't have a chance of passage on the floor. In that way, the administration can avoid taking bad beatings."

MANN

(Continued From Page One) grounds it would increase drunkenness. Proponents of the measure, including hotel men, contended on the other hand it would promote temperance and that laws against drink sales cannot be enforced in the very wet communities.

Dr. Rainey To Talk Over Air To Texas Exes

Dr. Homer F. Rainey, newly-elected president of the University of Texas, will be heard in his first public address since his election, when he speaks over the Texas State radio network between 9:30 and 10 o'clock Thursday night.

His speech will be a part of the observance of Texas Independence day, traditionally observed over the state as the day when University of Texas Ex-students hold banquets.

Reno Stinson of Pampa will talk about the new president of the University in the program of the Top O' Texas-University of Texas Ex-students association banquet to be held at 7:30 p. m. March 3, at the U. D. Inn at Shamrock.

Burleson Rites To Be Wednesday

Funeral services for A. N. Burleson, 65, longtime resident of Pampa and Gray county, a stockman, farmer, and dairy owner, who died of a heart attack Sunday night, will be held at 3 o'clock Wednesday afternoon at the First Baptist church.

Six-Weeks Course To Begin At Church

St. Matthew's Episcopal Mission will begin tonight a six-week course on Confirmation. Instruction leading up to the administration of Confirmation by the Rt. Rev. E. C. Seaman, bishop of North Texas on April 9, Easter Day.

Fine Poultry Shown At Show Saturday

Several pens of fine poultry were exhibited Saturday at the Pampa fair show and sale held at the Panhandle Lumber company yard.

McLean Teacher Gets Promotion

MCLEAN, Feb. 28.—Miss Betty Farley, who has been teaching home economics in McLean high school for the past two years, has resigned and moved to Stratford. There she will be county demonstration agent for Sherman county.

GIRL TO WOMANHOOD

Amabilio, Texas.—Mrs. Ella M. Jones, 614 W. 5th St., at a recent meeting of the Woman's Club, presented a paper on "How to make a girl a woman."

FRANCO

(Continued From Page One) regime in which the laborite opposition charged Italy and Germany would dominate Spain.

The telegram said: "Spain is not disposed to accept any foreign intervention which might impair their (the Nationalist government's) dignity or sovereignty."

LONDON, Feb. 28 (AP)—British and French government leaders got little comfort today from the speech in which General Francisco Franco acknowledged recognition by the democracies of his nationalist Spanish government.

The recognition cleared away the red tape of formality so Britain and France could carry on an intensive drive to weaken German and Italian influence in Spain and, in sequence, maintain an equitable balance of power in the Mediterranean.

Francisco, speaking yesterday to cheering crowds at Burgos which is his capital, declared precisely that "it would be unfair in these moments of triumph, when even those who fought against us recognize us, that we should not remember those who believed in us from the first day."

British Disturbed

This first reaction from Franco was disturbing to British and French leaders who hope to win the general from his close ties with Adolf Hitler and Benito Mussolini, and it provided ammunition for critics of Premier Chamberlain as they launched in parliament an effort to ensure the government of his recognition.

In France, Premier Daladier and his aides mainly were concerned with selecting an ambassador considered skillful enough to counter German and Italian influence in Spain.

ACCIDENT

(Continued From Page One) broken but the fenders and top were badly damaged. Several other minor accidents happened last night and this morning.

TEXAS INDEPENDENCE DAY

This bank will be closed all day, Thursday, March 2, in observance of Texas Independence Day, a legal Holiday.

JURY

(Continued from page one) he would announce Wednesday his decision on whether he would be ready to try the case of District Clerk Miriam Wilson, indicted by the grand jury last week on two counts of misapplication of funds of the district clerk's office.

The state rested at 3:55 o'clock Monday afternoon, after six witnesses had been heard: Mrs. Earl Talley, who served as sheriff after the death of her husband in June, 1936, to January 2, of this year; Charles Thut, county clerk; R. K. Waits of Amarillo, an employe of Cornell & Co., auditors, who was in charge of an audit of Gray county records, completed early this month.

P. J. Willis of Houston, head accountant of the Federal Land bank, R. C. Wilson, county auditor, and Lewis M. Goodrich, of Shamrock, former district attorney, were the other state witnesses.

Willis was called upon to testify concerning a \$40.12 check in the case of Federal Land Bank of Houston vs. H. H. Luttrell. The Houston man testified that the check, payable to the sheriff of Gray county, had been paid on July 22, 1938.

The report of the sheriff's department for July, 1938, signed "Roberta Talley, sheriff, by Buford Reed, deputy" was introduced at a state exhibit.

Germany And Poland Seek An Agreement

BERLIN, Feb. 28 (AP)—Germany and Poland sought today to solve their respective Polish and German minorities problems at a Berlin conference table.

At the same time a commissioner of the Polish government was investigating circumstances of the arrest of several Polish students in the notified Free City of Danzig after a clash yesterday with German students.

The Danzig clash was one of a series of anti-German manifestations in Danzig and in Poland which started last week just before Italian Foreign Minister Count Galeazzo Ciano arrived at Warsaw for talks with Polish Foreign Minister Col. Joseph Beck.

Will Those Who Have Money Take A Chance?

As Economist John Flynn recently pointed out, one of the things that is holding back business recovery is the increasing reluctance of those who have money to risk it except on sure things. The old cycle of "three generations from shirt-sleeves to shirt-sleeves" has been interrupted by investment devices and also by an increasing timidity among moneyed people.

The Nation's Press

ANOTHER WPA EXPOSURE (Chicago Tribune) Municipal Judge Perry A. Frey of Cleveland says that four out of five of the more serious traffic violations in that city are committed by men on WPA. The offenses to which he has reference are driving while drunk, reckless driving, and speeding.

PIONEER DAY ECONOMICS

Marriner S. Eccles, who is head of the federal reserve board, and therefore is in a responsible and influential financial position, is reported to have said sneeringly that the effort to secure federal economy and a balanced national budget is "pioneer day economics."

Sharing the Comforts Of Life

RELIEF FIGURES The Los Angeles Times editorially says that on February 1, the number of unemployed receiving the cash dole from the State Relief Administration stood at the all-time high of 307,303. In one week, it had increased five per cent. In one month, that is, since January 1, it had increased 25 per cent and that in the same period, the number of persons supported by the Federal WPA increased 22 per cent.

These figures should cause any person, who is self-reliant and wants to make his own way in the world, realize that we have started something that is very difficult, indeed, to stop. We have spread the belief that people are not responsible for their own sustenance, that they have a right to be fed and clothed entirely at the expense of others, and that they have the right to do the selecting of what the support should be.

This condition is a result largely of the Federated Council of Churches, preaching a doctrine that wages need not be on the competitive basis and of the Republican and Democratic parties teaching that relief need not be local but that it is the duty of the Federal and State government to furnish jobs and sustenance.

MEANING OF CONSERVATIVE AND LIBERAL

Since we see the word "liberal" used so often nowadays and in a manner entirely different from what it originally meant—namely, the liberty of the individual to make decisions with the least possible coercion from the church or the state—it might be well to really form an accurate opinion as to what is meant when the word is used.

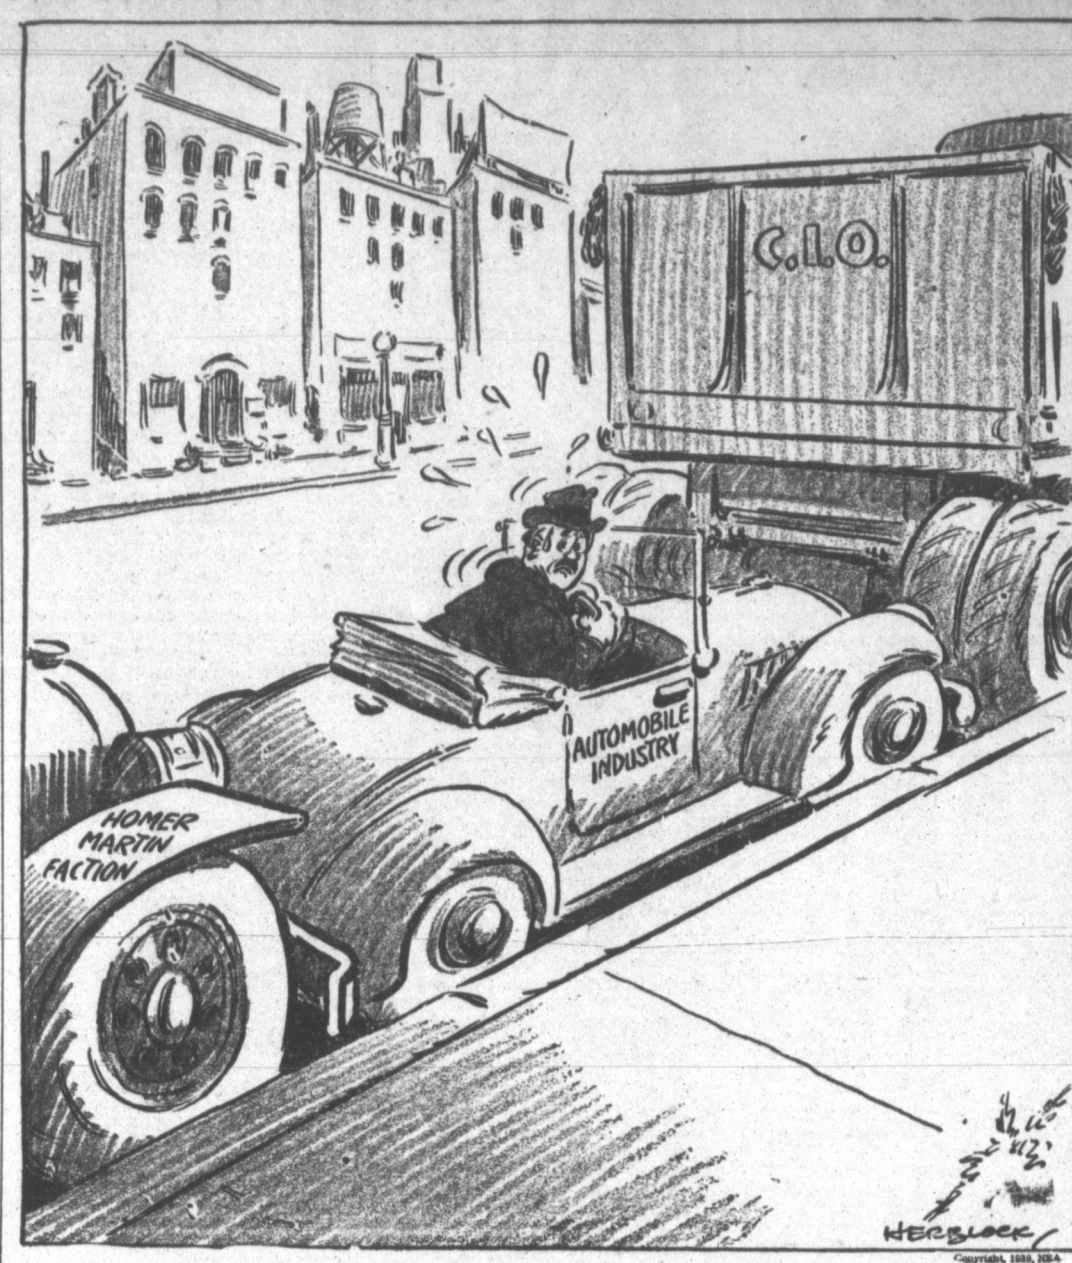

ONLY ARGUMENT FOR AN INCOME TAX

The only argument of which I can think for an income tax, is that it prevents any man from losing a lot of wealth by mismanagement, on which he does not, under the present taxing system, pay his full share to the government for his mistakes in using wealth.

Behind The News Of The Day

WASHINGTON—The diplomatic net which has not yet been cracked either here or abroad is whether Japan is tightly united with Germany and Italy in a military alliance against all comers or just merely sailing along with them for mutual benefit. Japan's seizure of Hainan island, off the French Indo-China coast, could be interpreted either way.

ONE OF THOSE TIGHT SPOTS

Around Hollywood

HOLLYWOOD—Can't vouch for it yet, but there are signs that the Dead End Kids are undergoing a decided change in character—and on off the screen. Off usually follows on, of course. The great actor who turns Sports King in his pictures, Gabriel Dell, is about sports in private life.

People You Know

Diary of a Sunday: The furry, frozen snow on the trees lasted less than an hour after the sun came out, and the sky cleared instantly and a warm wind blew, and the beauty of the white, feathery trees was hard to bear.

How's Your Health?

"The professors" — or medically untrained advisers who guide the public with health hunches—have certain rules of hygiene which they regularly recommend. They have to do with diet, with rest, with exercise, with the care of the teeth, with sleep, with chills and drafts, and with many similar topics.

Tex's Topics

THE PERSON WHO said that men are only boys grown great said a mouthful. . . . The child remains with us always, even in tottering old men with beards down to their third vest-buttons.

One of the characteristics of childhood that remains with us is that we have to have our coal-burning on our pills. The child who won't take his medicine unless it is first made to taste like something else never dies in the oldest man or woman.

A MAN IN a Kansas small town wanted to save a little money. But he found it hard, as who doesn't? So he devised an ingenious plan whereby he could be amused as he saved. . . . Every time he filled up the gas tank on the family car, he dropped a quarter into the tank after the gas.

Why didn't he just put a quarter in the sugar-bowl every week, save all the trouble and the damage done in recovering the money from the tank? . . . Oh, but that wouldn't have been any fun! The old pill just tastes nasty that way. It's so much nicer with sugar!

Book A Day

To begin with, "The Tree of Liberty" is an epic novel. Over the period of some 50 years, Elizabeth Page portrays no less than the birth of America itself. Her canvas stretches from the smug, settled "Tidewater of the Atlantic to the shadows of the wilderness of the Rockies."

Officials Of WPA

Five Works Progress administration officials from Amarillo and one each from Childress and Shamrock, and one National Youth administration officer from Amarillo, were in Pampa Monday afternoon on a routine inspection trip of local projects.

Convict Stays 3 Days After Parole

LINCOLN, Neb., Feb. 28 (AP)—Henry Fallone is not a man to leave a job undone. When Nebraska penitentiary warden Joseph O'Grady called Fallone, 47, into his office and told him a parole had been granted, Fallone replied he could not leave immediately because he had several unfinished jobs to perform.

So They Say

Banks do not yield up their buildings to armed forces; they are compelled by circumstances to invest deposits' money in government bonds and face competition from 34 federal lending agencies. —GEORGE H. DAVIS, president of the Chamber of Commerce of the United States.

My Personal Opinion is . . .

The reason lots of folks think the New Deal is some kind of a plague, is on account of they ain't good at figgers, you got to know how to figger to understand it and then the whole plaguey thing gets plainer and plainer. Ferinstance, nobody can't understand what they want to regulate the crops fer; Now I been givin' in this matter a lot of study, and I found out that under New Deal grow a man's things you kin do, either regulate things, er else plow em under. And our whole trouble is on account of this country is able to produce too much of everything, and that knock the price down so's nobody kin afford to produce it, and so you got to produce less'n what you need so's to get the people to bid agin each other fer what they is, and that way it makes the price better on account of the ones that bids the most gets it, and the others jest goes without it.

GENERAL ROBERT E. LEE was born Jan. 19, 1807. Seven months prior to his birth, his mother was pronounced dead by three physicians. She was buried in a sort of vault, and two days later a servant heard a faint noise; upon investigation he found her alive. She was given attention and restored to health.

LAPLAND HAS a population of 400,000 persons, yet there is not a doctor among them. In Quito, Ecuador, it is custom for the women to wear hats to the men in greetings.

Yesteryear in The News

TEN YEARS AGO TODAY More than 100 Mexicans arrived to begin construction work on the Santa Fe line between Pampa and Canadian as soon as weather conditions were favorable. Pampa was in line to receive a federal building, messages from Washington officials revealed.

Cranium Crackers

Rearrange the terms in the following statements so that the sentences read correctly. 1. "Joseph and Potiphar's Wife" is a painting by Louis Bromfield. 2. "The Bride of Abydos" is a novel by Eugene O'Neill.

Chico Named As Colt To Win Derby

By SID FEDER
NEW YORK, Feb. 28 (AP)—There's a snappy little red-headed number calmly munching oats in a stall out at Belmont Park these days that's being tabbed by veteran horsemen here and there as your 1939 Kentucky Derby winner.

While all the hullabaloo goes on for the Cienfuegos, the Technicians, the Impounds and the Voltants campaigning on the winter circuit, this youngster, El Chico, gradually is rounding into shape on the Long Island racing strip, and Matt Brady, who trains William Ziegler, Jr., string, sits back and chuckles about it.

He smiles:

"You can get only one derby winner in a package, and I've waited 40 years for mine. And in all my years around the track, I've never seen a better youngster than the Chico."

What's more, the broad-shouldered son of John J. Grierola Chican which cost Ziegler just \$2,700, has come through the winter in such fine style all hands around the barn figure he can keep right on with the somewhat amazing winning streak he posted last year as an undefeated two-year-old.

Brady doesn't believe in winter racing for a horse likely to have a chance in the derby, so he kept El Chico here to round into his three-year-old form, and he's doing just that. Since he wound up his juvenile campaign, the chestnut colt (his mane is as red as a bottle of catsup) has put on 100 pounds and has added a couple of inches in size.

"I won't say he will and I won't say he won't win the derby," said Brady. "But our little pet looks like the best from here. Cienfuegos (winner of the Santa Anita Derby) is a good filly, but our Mat, Chico's stablemate, beat her out there, and our Mat isn't in the same league with Chico. There's nothing there. He won the Flamingo, but his time doesn't figure to make him too great a threat."

Down the Middle

Johnny Vander Meer of no-hit fame connects solidly on the golf course at Lake Worth, Fla., while waiting to go into training at the Cincinnati Reds' camp at Tampa.

Roanoke Five Has Lost One Cage Contest

By DREW MIDDLETON
NEW YORK, Feb. 28 (AP)—Roanoke means the first English colony in America to most folk hereabouts. In Virginia and most of the south it means the best basketball played in Virginia. If you can't believe it, mark to the tale of "the five smart boys."

The F. S. B.'s are the Roanoke College basketball team. Roanoke is a Lutheran College of only 361 students, 70 of them co-eds, but the "five smart boys" played the kind of basketball you expect to find in schools with an enrollment of 3,610.

Gordon (Pop) White, the coach, is in town telling the tale about his team and hoping they will get an invitation to the tournament sponsored by the Metropolitan Basketball Writers' Association.

In 22 starts this year Roanoke has lost only one game, that to Villanova on three days practice. Among others they licked Marshall, George Washington, Washington and Lee and Richmond.

"The outstanding factor in this team's success has been its intelligence," said White. "The first four have played together for three years. We play away from home most of the time but they are smart enough to make adjustments for the strange court. No defense really has stopp'd them and they have won 20 straight games."

The best scorer on the ball club is Paul Rice, a forward who has accounted for 256 points. Gene Studebaker, the other forward, has scored 243, and Bob Sheffield, the center, 224, but White thinks his guards are just as responsible for the team's success. One of them, Tom Leib, is a colorful citizen who likes to give cowboy yells as he directs the play.

The maroon and gray has scored 1,051 points to 721 for the opponents.

"We've won only three times out of southern teams in three years and eight regular games all told," says White.

BITS ABOUT BOWLING

Clint's Market won straight games from Jones-Everett while Cabot won two out of three from the Lions in Class C games rolled at Berry Alleys last night. The Shell-Norge game will be rolled Friday night at 9 o'clock. Pennington of the Lions rolled high game last night, topping 220 pins. High three game total went to Darby of Cabot, with 559 pins.

The Class A schedule for tonight follows: Thompson Hardware vs. Voss Cleaners and Cabot vs. Cargray at 7 o'clock; Diamond Shop vs. Schneider hotel at 9 o'clock.

Texas Filly Upsets Dope— Wins \$50,000

NEW YORK, Feb. 28 (AP)—A feminine Staghound who seems to run faster the further she goes has come along to upset the racing saw that a filly—no matter how good—can't beat good colts in the spring, and perhaps to join the select company of such as Regret, Anita Peabody and Nellie Morse.

Of course, the filly is Cienfuegos, brown daughter of Cohort-Science by Star Master, which ran away and hit from a lot of top-flight colts in the Santa Anita Derby.

There will be many to quibble about that Staghound tag, but the charts bear it out. At the quarter in Staghound's derby the year before he was twelve lengths off the leader; Cienfuegos was eleven. Both of them ran the last furlong in 12 3/5 seconds, but Staghound was driving to win by half a length from Dauber in 1:50 2-5 while Cienfuegos was out in front winging strong five lengths to the good of Xalapa Clown in 1:50 3-5.

Not much was said in the public prints last year about this filly. Richard Kieberg poked up the dam of Cienfuegos while in a bargain price. But she wasn't overlooked entirely by the gentlemen of the old school who take that business about racing for the improvement of the breed seriously and don't look on horses simply as something to gamble on.

Wrestling Card Will Be Presented Friday Night

Race-Horse Style Of Play Produces Super Cage Aces

By JERRY BRONDFIELD
NEA Service Sports Writer
NEW YORK, Feb. 28—Basketball with the tip-off eliminated has given rise to some interesting observations since the rule was instituted, but as the second season of race-horse play draws to a close there's one thing upon which coaches agree.

Big men for the sake of size alone have been bounced from the court. In their place have risen super-players—big men who can really MOVE.

The metamorphosis is only a natural result of the new game. Speed and more speed is the keynote of the current madhouse maneuvers which finds scores mounting up into the 90s, 70s, and 80s.

As much as eight minutes of playing time have been added to the game by the elimination of the tipoff. To meet the scoring challenge of the opposition, some coaches have placed five forwards on the floor—a favorite trick, incidentally of Frank Keaney, whose rampaging Rhode Island State team has averaged 71.6 points a contest.

With extreme mobility at such a premium, mentors have been forced to junk the six-foot, six-inch 230-pound behemoths who could do little more than plant themselves under a basket, wait for a pass, and turn and drop the ball in—maybe.

Just as often as not they'd muff the pass, or upon attempting to dribble, promptly had the ball taken away from them by more agile opponents.

Novak Knock-Out Opposition's Mike Novak, Bill Ogilvie, Slim Wintermute and a half dozen others are a far cry from that type of player.

Novak, one of the chief reasons why Loyola of Chicago has won 17 straight from the toughest opposition, is 6 feet 9, yet very graceful. He has averaged 11 points a game and is termed by Nat Holman of City College of New York the best college center the latter ever looked at.

Not only is he a heavy scorer but he spoils at least 10 points a game for the enemy by batting the ball down before it can get to the Loyola basket.

Wintermute of Oregon is the same height and has the same offensive and defensive tendencies.

Bill Ogilvie, who stands six feet six, is considered the best all-around center in California history.

Pick Dehner of Illinois, easily the best big man in the Big Ten, stands six feet four, but moves about like a gazelle. It takes more than height to dump in 25 points a game, which is what he did against Manhattan at the Garden.

The most graceful forward on the west coast is Laddie Gale, Wintermute's teammate, who at six feet four is highly reminiscent of Hank Luisetti, the former Stanford luminary.

Soph is Nightmare For Dixie Teams

The leading scorer of the South-east Conference is Bo Bozeman, a six foot, four-inch sophomore of Louisiana State who will be a nightmare to the Tigers' opposition for two more years. Bozeman, a

Slim Wintermute, Oregon ace, has more than size, but his altitude helps plenty.

Last night's storm caused Promoter Cliff B. Chambers to call off his weekly wrestling card, but not to cancel it. He will present the same program Friday night at the Pampa Athletic Arena beginning at 8 o'clock sharp.

"I believe the card one of the best of the year and I may not be able to match the same boys again so I am going to stage the matches Friday night, Promoter Chambers announced yesterday evening after calling off the hounds.

Headlining the big card will be a finish bout between Ernie Peterson, the cyclone from the Pacific Coast, and Sterling in (Dizzy) Davis, the Houston ruffian. The match is the main reason why Chambers decided to hold it Friday night. The two are among the best grapplers to be seen here in years. Both are fast, scientific and get as rough and tough as a buzz saw.

Supporting the main event will be a semi-final between Frankie Hill of Wichita, Kas., and Steve Neely, the flash from Miami, Fla.

Opening event will pit Abe Freeman of the Bronx against Russ Hiley of Muleshoe in what should be a masterpiece of scientific wrestling.

First Round Played In El Paso Tourney

EL PASO, Feb. 28. (AP)—Opening-round victories in the annual southwestern intercollegiate basketball tournament were scored here yesterday by the Texas College of Mines, New Mexico Normal of Las Vegas, Chihuahua (Mexico) State Teachers and New Mexico State Teachers of Silver City.

Texas Mines defeated Sul Ross 42-33; New Mexico Normal won over Panhandle A. & M., of Goodwell, Okla., 49-46; New Mexico State Teachers topped Regis college of Denver, 43-26, and the Chihuahua quintet defeated Catholic Union organization of El Paso, 59-41.

Today's games are between Kansas Wesleyan and New Mexico normal and Howard Payne and Chihuahua.

Tonight, the Warrensburg, Mo. Teachers, national intercollegiate champs, play Texas Mines and West Texas State Teachers of Canyon meet the Silver City Quintet.

Between 15 And 20 Horses Will Run In Santa Anita Race

LOS ANGELES, Feb. 28 (AP)—Latest advices from the camp of Santa Anita Handicap contenders today indicated between 15 and 20 horses would hook up in the \$100,000 race Saturday and speculation on the outcome was as wide open as ever.

Horses which seem virtually certain to go into the mile and quarter race, were:

Cravat, Kavak II, Whickee, Sorledo, Don Mike, Jacola, Thanksgiving, Heffly, Specity, War Minister, Today, Gosum, and Congressman.

Main Go, may go simply because Movie Magnate Louis B. Mayer wants one of his chargers to cheer for and others of Sweepshot, Unselfish, Amor Brujo and Ligarot might also run then because the stables still have faith in these long shots.

Major League Camp Briefs

(By The Associated Press)
ST. PETERSBURG, Fla.—Perhaps the happiest of the New York Yankees to open the world champions' training camp is Wesley Perrell, veteran hurler who had some bone chips removed from his elbow last fall. Perrell used his old-time wind-up and did his first hurling stint without difficulty. He says he has lost the dull ache in his arm for years, adding "all I want is a chance."

CLEARWATER, Fla.—Just to show the Dodgers still are the Dodgers, Brooklyn's first training camp session also was marked by the first collision in the outfield. Bill Posedel collided with big Jim Winford when they were chasing a fungo and was knocked out for a moment.

HOT SPRINGS, Ark.—Although Manager Bill Terry of the New York Giants claims his present team is good enough to win the National league pennant, he's still looking for a trade with Jimmy Riddle as bait.

LAKELAND, Fla.—Freddie Hutchinson, expensive rookie, hasn't had a chance to show his stuff in the Detroit camp but Manager Del Baker thinks he'll do. Baker was favorably impressed by Freddie's calm manner and decided his disposition at least was up to major league requirements. The Tigers' two question mark pitchers, Schoolboy Rowe and Dizzy Trout, both reported at playing weight.

ORLANDO, Fla.—Washington's Senators don't quite know what to do about Charley Gelbert, veteran infielder they grabbed in the draft last fall. They figured to trade Cecil Travis to Detroit, but the deal fell through and now both Gelbert and Ossie Bluege are around for extra infield duty.

TAMPA, Fla.—Jimmy Wilson, Cincinnati's new coach, seems really serious about getting back into harness. He has put in an order for catcher paraphernalia with an idea of filling in now and then for Ernie Lombardi and Bill Hershberger.

SPORT SPARKS

DALLAS, Feb. 28 (AP)—Dr. J. Harvey Hansen of Plainview recalls vividly that December day 23 years ago when he ploughed through snow to get to a schoolhouse near Elkhart, Kan.

Two boys had been burned when kerosene used to start a fire had exploded. One lad died, the other clung tenaciously to a thin chance for life. His legs were badly seared and he had to learn to walk again.

"You're a brave boy, Glenn," said Dr. Hansen.

Item: New York, Feb. 25.—Glenn Cunningham, king of the milers, added the 1,500-meter title of the national A. A. U. indoor championships to his collection for the fourth time tonight.

Red Fitzsimmons of San Angelo says he thinks Joe Louis will knock Jack Roper kicking (as who doesn't?). What makes his opinion interesting is the fact that he whaled the tar out of Roper in Los Angeles way back in 1929. Abe Lewis of the Sig Frucht Ramblers, crack Houston amateur basketball team, looped 73 points in a game the other night.

Russell Cox, Waco amateur, registered 11 consecutive one-putt greens in a friendly foursome on the Spring Lake course. Could you do it? ... Shoeless Bob Owens, Amarillo heavyweight, was so excited over going to the Chicago Golden Gloves tournament he climbed on the train at Fort Worth in his shirt sleeves. ... It gets pretty cold way up north, Buddy.

When Ken Rogers, dashing army lieutenant, won the medal in the Houston invitation golf tournament, he had a tummy ache. ... Miss Helen Brewer's independent girls' basketball team of Waskom, Texas, has won 26 of 27 games and scored an average of better than 35 points per game. Nice going, girls. ... Governor Chandler of Kentucky and Matty Bell, Southern Methodist coach, had a famous bee in Dallas the other P. M. Chandler played end for Transylvania when Bell was doing the same job of Centre.

Our hat's off to Captain Hyman of the Rice Institute Owls. The lithe forward is outclassed by others on the squad, but because he is captain, he starts every game. He plays a minute or two, then takes his place on the bench. But never a murmur of complaint. He practices as vigorously as anyone else and helps keep the team spirit high. A real captain, that. Add T. C. U. Dept.: Mike Brumbelev, line coach, thinks I. B. Hale is the greatest of defensive linemen he ever saw, but says Bob Cook, Hale's substitute last year, was better defensively.

Dimaggio Will Sign
SAN FRANCISCO, Feb. 28 (AP)—Joe DIMAGGIO, hard-hitting New York Yankee outfielder, said today he hadn't signed his contract, but would leave for the Yankee's spring training camp at St. Petersburg Thursday.

Dimaggio indicated he expected no contract troubles.

Shamrock's Boxers Going To Canadian

CANADIAN, Feb. 28.—The Shamrock boxing team will invade Canadian high school Thursday night. This will be the first meeting of combat and Pampa one time. Canadian emerged victorious over Pampa strong teams. Canadian has had two tests this year, one inter-squad combat and Pampa one time. Canadian emerged victorious over Pampa 7-4.

Boxing is attracting a lot of interest around Canadian this year. A large crowd is expected in the Canadian city auditorium Thursday night.

Shamrock and Canadian will meet again at Shamrock and again in the tournaments held at each place. The Shamrock tournament will be March 31 and April 1. The Canadian tournament will be held March 24-25.

Bad Luck Hounds National Indoor Tennis Tourney

NEW YORK, Feb. 28 (AP)—Despite the best intentions of the tournament officials, bad luck seems to hound the National Indoor Tennis championships.

A very good Wayne Sabin was persuaded to compete, which promised a nice final between the Portland, Ore., star and Don McNeill, of Oklahoma City. But Sabin wrenched his knee in the semi-finals, and McNeill beat Frank Bowden for the title in a hard, one-sided match.

This year, with McNeill touring the Orient, the committee induced Sabin to come back for another try and also roped in Gene Mako, the man he'd beaten in five straight southern tournaments. By seeding Sabin No. 1 and Mako No. 2, the officials again hoped to present a final match that would lure a few hundred customers.

But Mako caught cold last Friday and developed grippe. He had to withdraw. That leaves the tournament with all of the class concentrated in the upper half of the draw, where Sabin plays Gus Ganzennmuller and Sidney Woods meets Jack Tibball in quarterfinals this afternoon. Sabin and Wood are seeded first and third, respectively, with Bowden, No. 4, the lone ranking survivor of the lower half.

Of the upper-half quartet, only Ganzennmuller is a surprise. The husky New Yorker, a former Columbia basketball star, whipped Greg Mangin yesterday, 6-1, 6-3, in a match that proved only how much the latter had slipped since the years when he won four indoor championships. Tibball wasn't seeded and he plays indoors for the first time. But the 27-year-old Californian, who hopes to win a Davis Cup berth this year as Mako's partner in doubles, played well down south and before that had whipped such noted performers as Bobby Riggs and Jack Bromwich on the Pacific Coast.

Phillips Wins From Borgans

Pampa basketball fans were disappointed that they couldn't get to Borgers last night to see the Phillips 66 Oilers of Bartlesville and the Borgers Lions play but neither could a couple of ace basketball players and Phillips swamped the Borgans 63 to 39 before a medium-sized crowd.

Tonight in the Amarillo high gymnasium Phillips battles the Amarillo Gassers.

Gene McCollum, White Deer Clark, Groom coach, star Lions players, were prevented by the inclement weather from reaching Borgers for the game.

Phillips led 27 to 16 at the half-time interval. Steve Matthews and Gib Jackson officiated in the game.

"Catfish" Smith, Borgers coach, was high scorer of the game with 19 points. Pralle, Phillips guard, and Stephenson, his teammate guard, tied with 12 points each for the visitors.

Gilligan Beats Joey Archibald

BUFFALO, N. Y., Feb. 28 (AP)—Hamburg scramble, the already complex featherweight boxing situation last night by giving Joey Archibald, recognized as the world's champion, a 10-round pasting in a non-title fight.

The New York State Boxing Commission rescinded Archibald's claims shortly after the abdication of Henry Armstrong.

Team Scores More Points But Still Loses Cage Game

DAWSON, Minn., Feb. 28 (AP)—The Dawson Junior High school basketball team scored more points than its rival Appleton and still lost the contest.

The score was 8-8 at the half. Excited Dawson players forgot to change baskets at the opening of the second period and promptly scored two field goals before they realized their mistake.

The final result: Appleton 15; Dawson 14.

Dawson scored 18 of the 29 points.

Phillips Wins From Borgans

Pampa basketball fans were disappointed that they couldn't get to Borgers last night to see the Phillips 66 Oilers of Bartlesville and the Borgers Lions play but neither could a couple of ace basketball players and Phillips swamped the Borgans 63 to 39 before a medium-sized crowd.

The final result: Appleton 15; Dawson 14.

Dawson scored 18 of the 29 points.

Texans Win Fights In Gloves Tourney

Morris Corona, 135-pound battler from Galveston who won the lightweight championship of the state Golden Gloves tournament in Fort Worth, survived the second-round matches in the national Golden Gloves tournament in Chicago last night. Corona is the boy who eliminated Pampa's Denver Hubert from the state picture.

T. B. Stanford of Fort Worth, who eliminated Frankie Bills in the semi-finals, won his first match but lost his second battle.

Eddie Russey of Wichita Falls, who won a headline decision from R. H. Robertson in the finals, also won his first fight but lost in the second round.

Corona first defeated Russell Arneson of Rockford, Ill. and in the second round matches defeated Benny Floyd, Davenport, Iowa.

Floyd Robinson, 112, Lafayette, Ind., defeated Harold Lawler, Fort Worth.

T. B. Stanford, 118, Fort Worth, overcame Robert McQuiller, Grand Rapids, Mich., in the second round matches, Martin Dames, St. Louis, defeated Stanford.

Eddie Russey, 126, Fort Worth, won over Lenward Calland, Fort Wayne, Ind., Phil Brown, Springfield, Ill. whipped Russey in the second round.

Market Briefs

NEW YORK, Feb. 28. (AP)-Rallying waves swept through the stock market today and lifted leading issues 1 to more than 2 points, a number to new peaks for the past year or longer.

Although the market had plenty of ammunition for the upward drive, some traders continued hesitant in view of the notable lack of response to an assortment of good news in the preceding session.

Steels, motors, rails, rubbers, mail orders, farm implements, utilities, copper and specialties were in the forefront of the forward share sales.

New 1938-39 bids were posted for the United States Public Works, including Philip Morris, J. C. Penney, U. S. Telephone, Engineers' Public Service, Southern California Edison, Pacific Gas, Caterpillar tractors, International Harvester and Montgomery Ward.

Consolidated gainers included U. S. Steel Bethlehem, Chrysler, Santa Fe, N. Y. Central, Pennsylvania, Great Northern, Delaware and Hudson, Anaconda, Johns-Manville, J. I. Case, U. S. Gypsum, U. S. Rubber and Montgomery Ward.

Aircrafts and oils were among the few losers.

Grains were a trifle mixed.

SERIAL STORY

WOMEN WANT BEAUTY!

BY LOUISE HOLMES

Yesterday's Susie's dream comes true when she sees Dick Tremaine at a night club. As she discovers the orchestra leader asks to introduce her but she declines.

CHAPTER XXI

THE smooth gentleman was master of more than ceremonies. How Susie became separated from Jeff, how she got to the platform, she could never have told. But there she was, shaking hands with the colorful orchestra leader, making the best of it. She had been lionized so endlessly of late, had met with so much insincere adulation, that this latest move seemed part of the picture.

Dancers had gathered around the stage. Among them Susie saw Jeff, nettled, belligerent, helpless. She smiled at him and he frowned. The master of ceremonies spoke into a microphone as he addressed the guests of the Pump Room.

"We have Suzanne with us tonight," he said with a what-do-you-think-of that endence in his smooth, delighted voice. "She needs no other introduction. We know and admire her as Suzanne, the beauty who dropped from nowhere into here." He was proud of that line and showed it. "I'm going to ask Suzanne to talk to you."

Catching her hand with a deceptively casual grip he drew her to the microphone. Instantly she was picked out by the wandering spotlight and, for a moment, panic seized her. Then she saw Dick Tremaine. He was rudely making his way through the dancers, his eyes holding her face intently.

Susie laughed softly, exultant little thrills ran the length of her spine. "Thank you, Mr. Master of Ceremonies," she said, head a little on one side, eyes on the microphone. "Greetings from the Pump Room to America and all the ships at sea."

The master of ceremonies liked this, he nodded encouragingly. Plainly he'd been fearful of a flop on his program. Unrehearsed amateurs always gave him the jitters. He smiled broadly. The girl was doing all right.

"This is Suzanne talking to you," Susie went on, her pretty voice natural and easy. "and I'll give you three rules for beauty. Eat two pounds of candy every day, take absolutely no exercise and never, never get in bed before 4 in the morning." She laughed, a musical little trill. "That's silly, isn't it?" she asked confidentially. "It's the best I can do impromptu. Thank you and good night."

FLUSHED, she turned from the microphone. Dick was standing at her feet, laughing up at her.

Jeff scowled beside him. She started for the steps. "Wait a minute," the orchestra leader begged, pleased with the bit of entertainment which had brought forth riotous applause from the diners. "What else can you do beside giving beauty hints?"

Susie never knew why she said it. "I can sing," she told him gravely. She caught Jeff's horrified expression and wished she had been more reticent. Dick led the storm of applause. Well, she could sing. Just because Jeff had never heard her sing was no reason why she couldn't.

"Good for you," the musician clapped his hands. "What can you sing?" "What can they play?" Susie countered with a nod toward the orchestra. She was going over big with the audience. Wanting to be amused they were taken with her naive simplicity. They might snub her tomorrow, but tonight she was their darling.

"You name it and we'll play it," the orchestra leader put in. "All right—I'll sing 'Day After Day'."

After the first few words of Susie's song a hush fell over the room, a breathless, incredulous hush. Her voice was beautifully trained, it had strength and sweetness and an appealing, tender quality. And, undoubtedly, she had the ability to put herself over. She swayed to the music while rich melody poured forth.

Singing, she looked straight into Dick Tremaine's eyes. "Dick smiled. It was as if they two were alone in the crowded room. With the end of the song Susie leaned down and Dick swung her to the floor. They stood alone in a small, hushed island while waves of applause rose and fell about them. It was over in a moment. Jeff, scowling darkly, fought his way to Susie's side and she jerked herself back to reality.

"Jeff," Dick said, "how about introducing me to Suzanne. I've had her on my 'must meet' list for a long time."

JEFF stiffly made the introduction and none too graciously stepped back to give up his place as Susie's dancing partner. Susie was in a rapturous daze. Her dream had come true. It was better than her dream, better than any dream in the world.

And then she was dancing with Dick, not stumbling or losing the time, like a drifting snowflake in the circle of his arm, sure of herself, exquisitely thrilled.

Dick grinned down at her, that dizzying, never-to-be-forgotten grin. "Snow White and the Seven Charms," he said.

"Name three," she came back with a ravishing side glance. He shook his head, wonder in his eyes. "I can only sense your charms, not name them."

"Answer approved," she laughed, exhilarated with heavy power. It had been worth waiting for, working for, this glorious moment.

When Dick took her back to the table his friends crowded around, demanding introductions. Susie was completely surrounded by admiring young men. Not that Jeff was admiring, he was definitely sullen. Edna made him dance with her, patting his arm, squeezing it, knowing full well what ailed him.

"It's Susie's big night, Jeff," she said. "Don't begrudge her a little moment of triumph."

"Who? Me?" said Jeff in surprise. "I'm tickled to death. She's a winner and deserves the best."

"Ask her to dance when we go back."

"She doesn't want to dance with me."

"You're not, by any chance, being a martyr, are you, dear?" his mother asked.

"Gosh, no. Just a bit low tonight, that's all, I guess."

Edna wanted to take him in her arms and cuddle him against her. Poor, blundering Jeff. He'd been in love with Susie for weeks. She had never been really unattractive to him. Would he ever wake up?

Edna sighed. Trying to blueprint her son's love affairs was a thankless job. She'd always let Jeff work out his own problems, so she wouldn't interfere now. Meanwhile, Susie was having a wonderful time with Mr. Harker and Dick and his friends who had drawn their chairs to the Harker table. Susie was flirting. How Susie knew how to flirt was something no mere man could guess, mere men not having been closely related to Mother Eve. Quite effectively Susie wove her spell, so effectively that, had she owned a date book, it would have been well filled for the next few days. Dick's name would have predominated, in fact it was the only name that mattered to Susie. She was glad when Jeff returned to the table. She liked having him near. Jeff was a comfortable old dear, bless his heart.

It was almost 3 when he took her home. Dick had suggested slipping away in search of more mad fun, but she had declined, rather to her own surprise. Jeff had brought her to the Pump Room. Flirtatiously speaking, it was a crafty move. Dick immediately eyed Jeff speculatively and made a note to call Suzanne not later than 9 on the following morning.

State Assembly May Accelerate Pension-Tax Law

AUSTIN, Feb. 28 (AP)—Growing restlessness among members of the Texas legislature and their constituents may accelerate action toward meeting the great problem of the biennial session, enactment of a new old age pension policy and financing of the whole social security program in Texas.

Evidenced in a number of ways, this restiveness may cause a pension-tax measure to reach the floor of the house within about two weeks, and the senate floor, some think, in even less time.

The way the wind is blowing has been pointed by conversations among legislators, the mail they have been receiving, introduction of a resolution instructing a committee of the house considering tax bills to report soon and observations of experienced by-standers.

Trouble Ahead? In the last category, former Senator T. J. Holbrook of Galveston has warned that unless the leadership of the present legislature changes its tactics things it would not like may come to pass.

Holbrook said it seemed this session had been "lacking in responsible leadership" and that the "able men in key positions" were inclined "to sit back and wait."

"But the new members and the old ones who are not 'in' on things are being pricked by constituents and under this criticism are getting restive," Holbrook asserted.

The legislature has been doing a great deal of work, but the spotlight is on old age pensions and taxes.

Busy On Hearings. Two committees of the house, the constitutional amendments and the revenue and taxation committees, have been holding hearings for the last 10 days, devoting most of the time to Governor W. Lee O'Daniel's transaction tax and a little to sales tax proposals. Next Tuesday it plans to consider natural resources taxes and thereafter an income tax. A senate committee had a hearing on a sales tax and will meet again next week.

When the house committees have had enough argument, they probably will submit all tax propositions, along with those on old age pensions, to a sub-group with instructions to bring back one constitutional resolution which will be recommended as the committee's idea of what is needed.

Then, with the resolution on the floor, several days will be allotted for debate and amendment. Out of the

melee will appear the house version of a constitutional amendment to be submitted to the people.

February Pensions In Gray Drop \$26

February pension payments in Gray county showed a decline of \$26 in total amount but the same number of clients as for January, according to a comparison of the two months' reports.

The February report of the Texas Old Age Assistance commission, filed Monday, in the office of the county clerk, showed a total payment of \$4,710 at 281 clients, while the January report lists payment to 281 clients of a total of \$4,736.

Feet Acquit Man Of Drunk Charge

LOS ANGELES, Feb. 28 (AP)—Glen Quiney took off his shoes and a jury acquitted him of a drunkenness charge.

"Sure a stagger and shuffle," Quiney testified. "You would think if you had feet like mine."

He took off his shoes—look at those corns and those fallen arches.

The jury was out five minutes.

Texas has more cattle than any other state. In 1936 it had 7,222,000 head to Iowa's 4,570,000.

Slot Machine Used To Make Fine Table

From marble machine to table in the county attorney's office was the route given a confiscated machine Thursday when Lee Harris, courthouse janitor, decided the fine wood of the machine was too valuable to be discarded.

Monday Mr. Harris loaned to the county attorney a table with gumwood frames and legs and a five-ply fiber pine top. The table measures 22½x42½ inches and stands 23 inches from the floor.

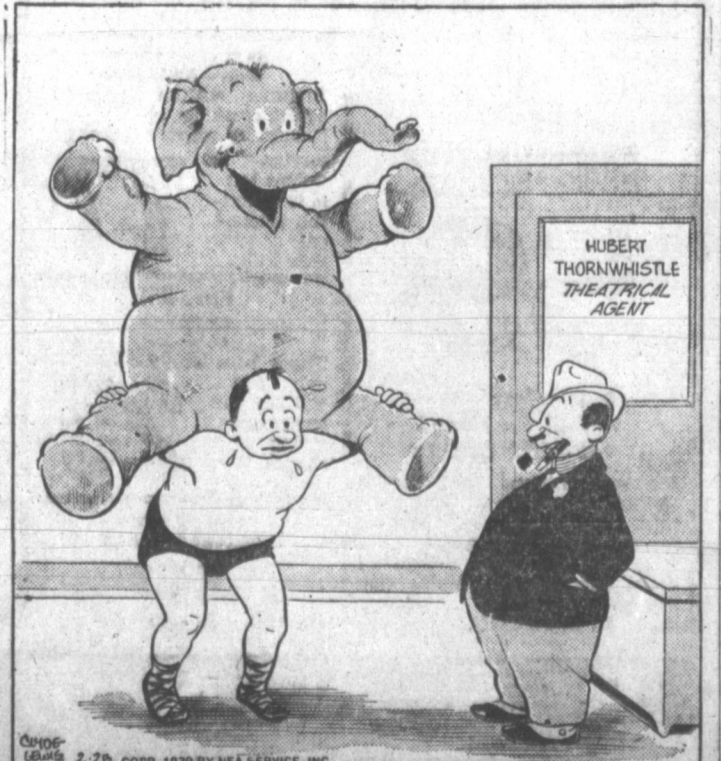

Beaded moulding adorns the table, just underneath the top. The entire table is a fine bit of craftsmanship and was constructed in a half-day by Mr. Harris. He used the wood from one slot machine in the construction of the table he loaned to the county attorney, and plans to build two other tables, using the wood from the two remaining machines that are stored in the courthouse basement.

A middle step in the flight that leads to the Colorado statehouse at Denver is exactly one mile above sea level.

NLRB Loses In Supreme Court Ruling

WASHINGTON, Feb. 28 (AP)—The first major reversal suffered by the National Labor Relations board in the Supreme Court encouraged the board's critics today to press demands for new restrictions on its operations.

An official of the American Federation of Labor said "the Supreme Court decision in the *Funston* case is a justification of the policies of the AFL with regard to the labor board."

Senator Burke (D-Nebr.) declared the decisions were "excellent" and said they would bring support for proposals to amend the Wagner Labor act, under which the board was set up in 1935.

Both Burke and the AFL have proposed changes in the act. Burke would make the law recognize

Seeing Pleasing Prospects

Smiles sparkled as these Republican leaders united in criticism of the New Deal at the Lincoln Day dinner of the National Republican Club in New York. Left to right, ex-President Hoover, National Committee Chairman John Hamilton and District Attorney Dewey.

Orators Hail Quick Passage Of Army Bill

WASHINGTON, Feb. 28 (AP)—An outburst of oratory on foreign policy forced Senate leaders today to abandon plans for quick passage of the \$368,000,000 army expansion bill.

A series of lengthy addresses that started yesterday showed signs of continuing for several days.

The bill, which would carry out a major portion of President Roosevelt's defense program, would provide \$300,000,000 for air corps expansion; \$23,750,000 for Panama Canal defense, and \$35,500,000 for "educational orders" to familiarize manuevers with army needs.

Senator Clark (D-Mo.) served notice he would fight for an amendment limiting the army to 5,500 planes, the total voted by the House. The Senate committee approved a limit of 6,000.

Senator Johnson (D-Colo.) disclosed one point of controversy had been removed by an army decision to withdraw its support of a proposal exempting the "educational order" from existing labor standards legislation.

(The present law forbids government contracts with manufacturers who fail to observe designated labor standards.)

John L. Lewis of the CIO called yesterday on Senator Barkley, the Democratic leader, to urge that the army exemption be eliminated.

Despite indications of prolonged debate, all conceded the bill would be approved by a big majority.

Senator Nye said he would read the Senate excerpts from debate in the French Chamber of Deputies in which the purchase of American military planes was discussed.

He said the French debate indicated some members thought the planes had been purchased here "for credit reasons" rather than for military reasons.

While the Senate considered the

specifically the rights of employers as well as employees in labor disputes. The AFL would attempt to set up legal safeguards against what it terms the board's partiality toward the CIO.

The court delivered its opinions yesterday in the midst of efforts by President Roosevelt to end the bitter rivalry between the AFL and the CIO.

Labor leaders on both sides speculated on the possible effect of the decisions on this movement, but first opinions were that it would not be of great importance, although the NLRB long has been an issue between the organizations.

Insofar as the peace movement itself was concerned, labor and the administration alike awaited some response from John L. Lewis, CIO chief, to the President's appeal. William Green, AFL president, already has appointed his negotiators.

Meanwhile, it was expected that Chairman Thomas (D-Utah) would set a new date for the Senate Labor committee to begin hearings on all proposals to amend the Wagner act. Thomas announced yesterday that hearings had been postponed indefinitely in the interest of CIO-AFL peace.

Subsequently it was learned that Green had protested to Thomas and won assurances that the postponement would not be indefinite.

In one of the NLRB cases the Supreme Court took occasion to condemn sit-down strikes. The opinion reversed the labor board, upheld the right of the Pansteel Metallurgical corporation of North Chicago, Ill., to discharge employees who occupied two key buildings of the Pansteel plant during a 1937 strike.

Chief Justice Hughes called the seizure and retention of the buildings a "high-handed proceeding without shadow of legal right."

Lupe Confesses She's In Love With Playboy

HOLLYWOOD, Feb. 28 (AP)—It's love again for Lupe Velaz: "a beg New York playboy."

But his name? Well, Lupe's trying to be mum as a mummy until her divorce from Johnny Weissmuller becomes final here next August.

"I don't want to—what you call it?—gum up the machinery," the Mexican red-head explained.

A film engagement called her back to Hollywood from Florida where a few nights ago she was dining with Woolworth Donahue, five-and-dime store heir.

She tossed off a series of interviews on the affairs of her heart, and proclaimed that, "romance, et cetera wonderful."

She showed only casual interest in Weissmuller's recent announcement that as soon as he is legally free, he will wed Beryl Scott, daughter of a San Francisco rug dealer.

"Any girl who gets him as a husband will be luckee," Lupe has said.

They had been married for five years and twice during that time she had sued for divorce but later changed her mind.

Texans Walk "Ooze Along" Experi Says

EL PASO, Feb. 28—Texans just "ooze" along when they walk, Miss Elizabeth Osborne, pose and personality expert, recently told students at the College of Mines and Metallurgy, here, a branch of the University of Texas.

In spite of the "oozing" effect given when Texans—College of Mines students in particular—walk, Miss Osborne said the slow, deliberate movements were indicative of poise and charm.

Miss Osborne conducted classes and private conferences for a week at the College of Mines.

The liner Queen Mary has four complete radio transmitters aboard.

army bill, the House leadership ticked off the \$1,700,000,000 treasury appropriation bill for page-48 age.

Committees in both the House and Senate considered measures to eliminate freight rate differentials between the North and the South.

The House coinage committee tackled the touchy issue of continuing the administrations \$2,600,000 stabilization fund. Linked with it is the question of renewing the President's power to revalue the dollar. Both the fund and the revaluation authority expire June 30.

Production Of Oil Up 12,161 Barrels

TULSA, Feb. 28. (AP)—Production of crude oil increased 12,161 barrels daily during the week ending Feb. 25 to an average of 3,333,122 barrels daily, the Oil and Gas Journal reported today.

Oklahoma's increase was 5,350 barrels daily to average 449,825. East Texas had a slight increase, 150 barrels daily to 372,547, and the state of Texas was up 7,404 barrels daily to 1,311,693.

Louisiana increased 2,275 barrels daily to 366,905, California a decline of 10,700 barrels daily to average 623,600 and Kansas production declined 1,725 barrels daily to 150,700.

Eastern states including Illinois and Michigan increased 7,897 barrels daily to 396,454 and the Rocky Mountain west increased 1,020 barrels daily to 66,280.
