## Flora Stalls Over Cuba

### Nursing Home Is Under Construction

Ground has been broken on the construction of a new \$250,000, 100-bed Nursing Home in Pampa, according to a joint announcement made by Mr. and Mrs. James A. Davenport, of Pampa, and Al Graham, executive vice-president of Consolidated Realty & Construction Inc. in Amarillo.

The new Nursing Home, which will be known as Twilight Acres, Inc., will be built on an approximately five acre site on Kentucky

See Drawing on Page 8

street, northwest of the New Coronado Center. The land was purchased from the Pampa Community Hotel Company. The home will face to the northeast.

Of modern design, the new home

will occupy 20,000 square feet of floor space and will be of brick veneer construction. It will be centrally heated and air conditioned for year around comfort. Adequate visitors parking will be available and plans call for landscaping the site.

According to the announcement, the new Nursing Home will be fully accredited by the State. Registered and licensed nurses will be on duty at all times.

For convenience and safety, patient facilities at the new Twilight Acres will all be on one floor, with no stairs or ramps. Extra-wide doors and hallways will allow plenty of room for wheel-chair traffic. Hallways and bathrooms

will be equipped with handrails for patient safety.

As a result of the announcement made by Mr. and Mrs. James A. Davenport and Consolidated Realty & Construction, Inc. concerning the construction of a privately owned 100 patient nursing care home in Pampa, the Top O' Texas Foundation, Inc. will discontinue its efforts to provide a community nursing care home, according to Arthur Teed, Foundation President.

The Top O' Texas Foundation, Inc. a non-profit corporation, has been working for several years on its project to provide a community nursing care home for the people of Pampa and vicinity. It has raised approximately \$100,000 toward this project, and intended to continue its efforts until the home was built.

In a letter to Consolidated Realty & Construction, Inc., Teed said: "We are willing to step aside in the hope that you will provide an excellent home for the people of our town, which, was after all, our goal. We believe that such things should be provided by private enterprise whenever possible. We wish you every success in your venture."

Teed also stated that the Foundation's board of directors will meet in the very near future and those people who have contributed to the drive will be refunded their money as soon as possible.

In the ceramic-tiled bath rooms, tubs will be lower than standard height. Drive-in showers will accommodate wheel chair patients who may bathe, or be bathed while remaining in waterproof chairs.

There will be several patios and all rooms will have outside windows. A spacious living room with television and room for wheelchair patients will encourage conversational groups and visitors.

Private and semi-private bed accommodations will be available.

## 54 Dead; Damage Mounting

By FRANK EDGE

MIAMI (UPI)—Killer Hurricane Flora stalled over Cuba Saturday, raining more destruction on the island than all the anti-Castro raiders to date—and posing a definite threat to the U.S. mainland.

From the islands already raked by the vicious storm came grim reports of death and destruction.

"At least 54 persons have been killed by the tropical terror and no comprehensive report is yet available on one of the hardest hit areas—the Tiburon Peninsula of Haiti—which is in shambles.

Flora concentrated her 80-mile-an-hour winds and torrential rains Saturday on Cuba's province of Camaguey, known in the days before Fidel Castro installed his Communist regime as the "Texas of Cuba" because of its famed cattle ranches and huge sugar plantations.

Cuban radio broadcasts monitored in Miami told of mounting damage throughout the southeastern end of the island, particularly in mountainous Oriente Province where the hurricane hit with 125 m.p.h. winds Thursday.

The uncertain path-of-the drifting tempest caused many south Florida residents to begin storm preparations during the day.

A late Miami Weather Bureau fix located the hurricane's center about 75 miles southeast of the Cuban city of Camaguey, generally in the same spot it had lingered for nearly 12 hours in a very slow drift westward. This was near latitude 20.7 north, longitude 80.5 west.

**MAYOR PROCLAIMS NATIONAL BUSINESS WOMEN'S WEEK** — Mrs. Mabel Ford, left, president of the local Business and Professional Women's Club and Mrs. Ola McAfee, general chairman of B and PW activities during National Business Women's Week, look on as Mayor H. E. Thompson signs a proclamation designating Oct. 6 through Oct. 12 as National Business Women's Week.

## United Fund Assists Boy Scout Program

**EDITOR'S NOTE:** This is the first in a series of six articles written to explain the various organizations aided by the United Fund.

The hardest thing for a writer to do is to decide what will be the best way to open a new feature, one that will gather interest and will be informative as well as entertaining.

So with all of these various things in mind here goes.

Being new in Pampa it is rather difficult to determine what the people of this area term as interesting as well as humorous, however with today beginning Fire Prevention Week, not only in Pampa, but throughout the nation it might be wise to remind all of us of the dangers that are to be found in each of our homes, regardless of how careful each of us is, they still are present.

During this one week of the year, special emphasis is placed upon being extra careful concerning fires and their causes.

living make it easier to be less physically fit.

The formation of the Presidents' Council on Youth Fitness spearheaded a growing interest to make Americans more physically fit. The Boy Scouts have been leaders in the concept of keeping fit to improve health and decrease mental and emotional tension.

Boy Scouts realize physical health is not achieved through physical drill or organized athletics alone, but also through participation in our outdoor games, hiking, cycling, camping and swimming. Scouts also demonstrate physical hygiene and adequate rest are just as essential for good physical health.

Scouting is not only concerned with physical fitness as one of its primary objectives, but is also interested in character development and citizenship training.

The program of scouting is operated through a volunteer organization of one and a half million men and women who have given their support in time and money.

The Boy Scout story starts with boys eight years old and continues until they become young men of 18. During this period, they learn the importance of building character, training for citizenship and keeping physically fit.

For five decades, since its organization in 1909, these three original objectives, character building, citizenship training and physical fitness, have been the marks of scouting and are promoted by individual and group activities and programs.

The Boy Scout physical fitness program, shown through the scout's tendency to want to keep himself in good physical condition by swimming, doing push-ups or hiking many miles over rough terrain, have sometimes been taken for granted as a part of scouting.

Boy Scouts and their leaders realize it is harder for a boy to achieve high levels of physical fitness in these days when mechanized activities and push-button

## Car-Horse Accident Kills Horse

An "unavoidable" collision between a car and a horse at the intersection of Tignor and Gordon Sts., shortly before 7 p.m. Friday "shook up" two Pampa men and resulted in the death of a horse valued at \$1,000.

According to police, the horse was "probably spooked" by a passing car and threw its rider, Emma Wheelless of 1428 Hamilton onto a vacant lot about 30 feet from the intersection. The horse kept going and ran into a car driven by Charles L. Satterwhite of Cities Service Camp, south of Pampa.

"Satterwhite was going south on Tignor," Lieut. Bob Crouch said. "He stepped on his brakes and tried to avoid hitting the horse, but it kept going, rammed its neck into the windshield and broke its neck."

According to Lieut. Crouch, no one was seriously injured. Satterwhite and Thomas Bruce, 36, of the Cities Service Camp, a passenger in Satterwhite's car, suffered minor cuts and bruises, but did not go to a doctor.

Miss Wheelless was bounced around a bit and went to the doctor for a check-up but was found okay," Lieut. Crouch said.

Damage to Satterwhite's car was estimated at \$242. No citations were given, according to Police. The horse belonged to Lyle Gage, 2241 Mary Ellen, who told officers he valued it at \$1,000.

## The World This Morning

By United Press International

LUBBOCK, Tex. (UPI) — The chairman of the Board of Directors of Texas Technological College announced Saturday that he will ask a change in the name of the school to Texas Technological University at the next board meeting Nov. 1.

Chairman Manuel DeBusk told a luncheon of Ex-Student Association Chapter officers that he would recommend substituting the word college with university. If the board approved such a change, it could be submitted to the legislature at the next regular session in 1965.

Saigon, South Viet Nam — A young Buddhist priest burned himself to death in Saigon's central market square to protest alleged government anti-Buddhist policies. He was the sixth Buddhist to immolate himself with flaming gasoline. Uniformed police beat three of 13 American newsmen who witnessed the protest suicide.

CARACAS, Venezuela — Pro-Castro assassins shot and killed two national guardsmen on the Caracas-Laguaira sunhighway, raising to seven the death toll in a reign of terror touched off the night before. The Communist urban commandos stepped up their assassination attempts to prevent the arrest of several Communist congressmen, despite constitutional parliamentary immunity. They were to be tried for conspiracy.

ALGIERS, Algeria — Rebel sources reported first shots were fired in the Berber rebellion when government troops at a roadblock shot and wounded a rebel at Guaydon. The rebels claimed the capture of the six

(See THE WORLD, Page 8)

## Firemen Will Give Flaming Reminders Of Fire Prevention

To remind Pampans of the annual Fire Prevention Week, beginning today through Saturday, the Pampa Fire Department will conduct demonstrations of fire-fighting techniques in all schools and will remind downtown visitors of the dangers of smoking in bed by giving daily demonstrations on the corner of Cuyler and Foster.

Two school demonstrations will be given daily until all Pampa schools have seen the fire-fighting demonstration. Firemen will saturate a car body, set it ablaze and demonstrate procedure and safety measures necessary to extinguishing it.

As well as demonstrations, fire drills will be conducted at schools throughout the week and the downtown siren will be blown every day at unannounced hours.

Two downtown demonstrations will be given daily, one at 10 a.m. and one at 3 p.m. by L. V. Bruce,

assistant fire marshal and Richard Norwood, fireman.

Norwood will act the part of a "burned" man who had been smoking in bed and Bruce will be available to answer any questions of the demonstration or its purposes, according to J. E. Winborne, fire chief.

"Smoking in bed is one of the leading causes of fires," Chief Winborne said. "That is why we have selected that cause to emphasize."

All three fire stations, north, south and downtown, will have open house and conduct tours through the stations from 9 a.m. to 5 p.m. Wednesday. The north station is located at 321 E. 17th and the south station is located at 1019 S. Barnes. The central fire station location is 203 W. Foster.

Chairmen for fire prevention committees are Lee Fraser, Chamber of Commerce fire prevention committee chairman and

## Hearing on Gas Rates Set For Commission Meet

The City Commission will have a public hearing on the Pioneer Natural Gas Company proposal for increased gas rates during its weekly commission meeting at 8:30 a.m. Tuesday in City Hall.

The commission also plans to consider approving a plan of the state highway department to channel traffic through street intersection at Hobart, Perryton Parkway and 21st Ave.

Three other items on the agenda are to consider authorizing the city manager to advertise for bids on police uniforms and bids on five dempster dumpster boxes for the sanitation department and to consider approval of a salary schedule.

**A CLEAN SWEEP** — The noon Lions Club members are shown as they prepare to launch their broom sale campaign beginning tomorrow and continuing through Thursday. Shown, left to right, are J. C.

Roberts, Earl McConnell, Joe Tooley, Max Presnell, O. K. Gaylor, W. R. Dunn and Winnie Wells, chairman of the campaign. (Daily News Photo)

## WEATHER FORECAST

# Spotlighting Servicemen

Sgt. Teddy F. Swindle and his wife Marilyn have lived for the last 14 months in Berlin, Germany where he is working with the AG Division Headquarters U.S. Army, Berlin Brigade. He is the son of Mr. and Mrs. Peter F. Swindle, 508 E. Jordan.

His wife is the daughter of Mr. and Mrs. C. C. Ayers of Bradley and is teaching kindergarten classes at Thomas A. Roberts dependent school in West Berlin.

They have recently returned to Berlin from a short trip to western Germany and the Netherlands. They are scheduled to return to the United States in June, 1964 and will live in Canton, where he will attend West Texas State University.

at the Naval Air Technical Training Center, Memphis, Tenn.

Bellevue entering the Navy in February 1961. Bonner attended Panna High School.

Army Specialist Four Bobby L. Wallin, 24, son of Mrs. Florence Wallin, 425 N. Dwight, completed the 4th Armored Division Non-Commissioned Officer (NCO) Academy at New Ulm, Germany, Sept. 26.

Wallin is a heavy-truck driver in Service Battalion, 1st Howitzer Battalion, of the 4th Armored Division's 2nd Artillery near Elmstedt, Germany.

Specialist Wallin, son of Virginia Wallin, 855 E. Locust, is a 1957 graduate of McLean High School.

## East Texans Are Spreading The Texas Story

A.C. David K. Knapp of 1308 Pecos, Aurora, Colo., is returning to his Colorado Air National Guard Unit at Buckley following his graduation from the United States Air Force technical training course for jet aircraft mechanics at Amarillo AFB.

The aviator is the son of Mr. and Mrs. John E. Knapp of Denver, Colo. His wife, Bessie, is the daughter of Mrs. Christine Schriener of 1225 Willson.

Army Pfc. Leslie T. Rush, son of Mr. and Mrs. Leslie W. Rush, 1228 S. Dwight, was assigned to the 4th Armored Division at Fort Hood, Sept. 13.

Rush is a member of Troop D, 2nd Squadron of the division's 1st Cavalry. He is a 1962 graduate of Berger High School and attended Frank Phillips College in Berger.

D. S. Luedbeck, business second class, USN, son of Mr. and Mrs. Ernest A. Luedbeck of 511 N. Ward, is serving aboard the destroyer USS Mullany, a Pacific Fleet unit, which recently participated in a five-day operation off the West Coast.

Mullany's schedule began with a "pendent cruise" Sept. 2. This allowed families and guests of Mullany crewmen to spend a day at sea and witness routine drills and operations conducted aboard a Navy destroyer.

John D. Casper, aviation structural mechanic aircraft apprentice, USN, son of Mrs. T. J. Casper of 812 N. Gray, reported Aug. 30 for duty with Training Squadron 21 at the Naval Auxiliary Air Station, Kingsville, Tex.

The primary mission of Training Squadron 21 is to qualify student pilots in the German "Cessna" jet.

A graduate of Cooper High School, Cooper, Okla., Casper entered the Navy in October, 1962.

Martin E. Rapp, of Panna, starts his six months active duty tour with the US Army this week as part of his military obligation. Mr. Rapp is son of Mr. and Mrs. Rapp, 1015 S. Simpson, Panna, Okla., commander of the 28th (Texas) Infantry Division, 101st Airborne Division.

Private Rapp, a member of Company B, 2nd Battalion, 102nd Infantry, reported Sept. 28 at Fort Polk, La., for his initial phase of training.

Rev. L. Bonner III, aviator, USN, son of Rev. L. Bonner Jr., of 71 North West St., is serving

## Foreign Commentary

United Press International WASHINGTON, (UPI) — The Goldwater-for-President forces are out to clobber New York Gov. Nelson A. Rockefeller in New Hampshire's Presidential Preference Primary next March.

If things work out the way they have figured, the primary, first in the nation, will be the graveyard of the Governor's hopes to become the Republican nominee.

The pitch seems to be to present the primary as a sort of David and Goliath contest, with Barry Goldwater of Arizona in the role of David vanquishing the giant.

Sen. Norris Cotton of New Hampshire is the keynote recently in coming out for Goldwater. He said Goldwater would be coming into hostile liberal territory with his conservative philosophy and that the odds would be against the Arizona so far from home. But Goldwater, who said he would announce in January whether he will run for the White House, will have quite a number of things working for him which don't add up to the picture of an underdog.

Further, the state's liberal tradition is far from the burning variety. It has produced some of the nation's outstanding conservatives such as the late Sen. Styles Bridges and his former governor, Wes Powell. It leans more to conservatism than to liberalism, and if anything is middle-of-the-road.

In going into the state, Goldwater will have the benefit of the support of New Hampshire's senior politician, Sen. Cotton. The Republican party in the state has been split badly by personality feuds in recent years and Cotton

is now the top-ranking politician. And finally, Goldwater will have working for him the state's leading conservative newspaper, the Manchester Union-Leader. That could be quite important.

Rockefeller is defeated, he's out of consideration for the party's nomination. Rockefeller supporters such as Sen. Jacob K. Javits of New York don't go along with that sudden death conclusion. But it may add up to the political reality of 1964.

Further, the state's liberal tradition is far from the burning variety. It has produced some of the nation's outstanding conservatives such as the late Sen. Styles Bridges and his former governor, Wes Powell. It leans more to conservatism than to liberalism, and if anything is middle-of-the-road.

In going into the state, Goldwater will have the benefit of the support of New Hampshire's senior politician, Sen. Cotton. The Republican party in the state has been split badly by personality feuds in recent years and Cotton

pected to be the greatest. As Cotton sees it, if Rockefeller is defeated, he's out of consideration for the party's nomination. Rockefeller supporters such as Sen. Jacob K. Javits of New York don't go along with that sudden death conclusion. But it may add up to the political reality of 1964.

### Rural For Goldwater

As Cotton puts it, the newspaper's greatest influence in the state is in the towns and in rural areas. And it is there that the supposing of votes is expected to come in the presidential primary.

New Hampshire has a unique system of Town Hall meetings on the day the presidential primary is held. While the cities vote only on the presidential primary, towns throughout the state hold their annual meeting day to coincide with the presidential primary. This is expected to bring a bumper crop of votes in rural areas for the presidential contest, and it is just in those areas where Goldwater's strength is ex-

## New Books on Shelves At Public Library

New books on the shelves of Lovett Memorial Library are:

**Non-Fiction:**  
**RUN TO DAYLIGHT** — by Vince Lombardi; describes seven days in the life of Vince Lombardi, the fiery, dynamic coach of the Green Bay Packers — as he shapes up his team from Monday to Saturday for a crucial game on Sunday. It's a rare glimpse into the behind-the-scenes workings of a professional football team that builds in tension and excitement as the day of the big game nears.

**THE AGE OF CIVILIZATION VIII** — by Will and Ariel Durant; the story of civilization: a biography of the period 1648 - 1715.

**NEVER A DULL DAY** — by Myrtle Walgreen; the autobiography of the widow of the drug-store chain founder who recalls her childhood in southern Illinois and Chicago.

**FIFTY YEARS OF ACHIEVEMENT** — history of the Daughters of the Republic of Texas, together with the charter, by-laws, constitution and list of members.

**COMPENSATION AND SELF-RELIANCE** — by Ralph Waldo Emerson; beloved essays by one of America's most influential literary figures of the Nineteenth century.

**BY QUENTIN REYNOLDS** — an autobiography of a man who has

 A special Rheumatic Control Tablet. Quickly enters blood stream from intestine. Will not narcotize. Reduces uric acid, giving quick, longer lasting relief to rheumatic pains. Get genuine A.R. Pain Relief Tablets.

**RICHARD DRUG**  
 Joe Tooley—Pampa's Synonym for Drugs  
 111 N. Cuyler MO 5-5747

been eye-witness to world history through-out his entire career; a story of an extraordinary man, telling frankly of his accomplishments and failures, his beliefs and ideas, and his famous friends.

**DEEP IN THE HEARTS OF TEXANS** — by Perry Wampler Nichols; the author has accomplished the difficult task of writing interestingly about small things which the average unobservant person passes over in silence and unrecognition.

**THE CONCUBINE** — by Norah Lofts; a novel based upon the life of Anne Boleyn, Henry VIII's second wife, whom the Spanish ambassador most often referred to as "the Concubine" in his dispatches.

**A FINGER IN EVERY PIE** — by Victoria Case; heart-warming stories of the men and women who were pioneer settlers in Oregon and the Puget Sound country.

**A PRIVILEGED CHARACTER** — by Jeanne LaBorde; a superior novel of suspense that raises the modern dilemma of Justice and Society; neither institution can afford to be mistaken.

**JUDAS** — by Igal Mossinoh; a brilliant and provocative story of an ordinary man who lived and died as a victim of Jesus' followers; a novel that leaves widening circles and reverberations in the mind.

**ICE STATION ZEBRA** — by Alistair MacLean; a new novel of intrigue and suspense by the author of "The Guns of Navarone."

**Mysteriest:**  
**THE CORPSE THAT NEVER WAS** — by Brett Halliday; one of Michael Shayne's fastest moving and most puzzling cases, with the

## "First Come, First Serve"

United Press International WASHINGTON (UPI) — Democratic leader Mike Mansfield said yesterday it would be first come, first served in the Senate for civil rights and tax cut legislation.

The Montana Democrat said that neither bill had priority on the legislative calendar, and he predicted that both could pass before the end of the session.

Mansfield said the Senate would begin debate on the bill reaching the floor first.

Civil rights will get the nod if the House passes a bill before the Senate Finance Committee completes action on the House-passed \$11 billion tax cut measure, he said.

If, however, Sen. Harry F. Byrd, D.Va., chairman of the Finance Committee, reports a tax bill to the floor before the House acts on civil rights the tax bill will go first, Mansfield added.

Mansfield's timetable differed from that of Democratic Whip Hubert H. Humphrey, Minn., who said earlier this week that legislative priority belonged to the civil rights measure. He indicated that the tax bill might have to wait until early 1964.

At the same time Mansfield rejected the possibility that the Senate might jump the gun and plunge into the civil rights debate before the House completes work on a bill.

final answer not apparent until the final page.

### Center Wrap-Up

George Smith Director  
Pampa Youth and Community Center

The Center will enroll for Swimmer and Junior Life Saving classes on Monday, Oct. 7 from 3-5 p.m. Those youngsters who have passed intermediate class may enroll in swimmers. In order to enroll in Jr. Life Saving a child must be 12 years of age.

Classes will run for 3 weeks starting Oct. 10-14. Swimmers will meet from 4-5 p.m. and Jr. Life Saving will meet from 5-8 p.m. Center members will be enrolled free with non-members paying a \$2 enrollment fee.

The Rummage Sale sponsored for the swim team has been postponed until Oct. 18-19. The sale will be held in the building at 1315 South Caylor. Money raised from this project will be used to finance the swim team trips to swim meets next summer.

The Calico Capers are having their fall square dance lessons now at the Center. There are about 20 squares enrolled and they are enjoying themselves. The Capers had Amarillo Amarounds as their guests last Saturday night.

The HopCats Jr. High Club held their fall dance in the Center gym last Saturday night. The dance was a rock hop affair with around 200 young people attending. Music was furnished by records and the Star Fires dance band.

The third week of competition in the volleyball leagues has been played and the Harrah Methodist Church and Celanese No. 1, share first place in the men's division and La Bonita Beauty Salon is in first place in the women's division.

Results in league play for men last week were Harrah over Jay-

ces 15-12, 9-15 and 15-10; Celanese No. 1 over Cabot Fab Shop 15-12, 7-15 and 18-16; Cabot office over Kiwanis 6-0, 6-0 and Celanese No. 2 over Rotary 15-3, 11-15 and 15-13.

Games this week in men's division finds Celanese No. 1 vs. Kiwanis; Rotary vs Cabot Fab Shop; Jaycees vs Cabot Office and Harrah vs Celanese No. 2. In the women's league La Bonita plays First National Bank and JayCettes vs Celanese.

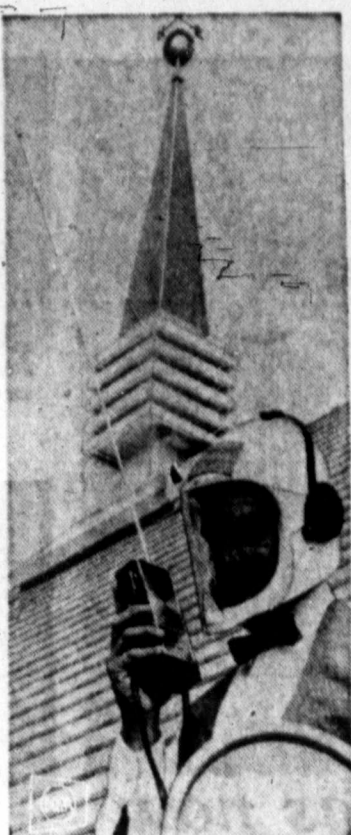

There has been some inquiries as to our basketball leagues which will be kicking off in November. The Center will have a men's open league consisting of eight teams. Final plans for entering of teams are being made and entry dates will be published very soon. There will be an entry fee into the league and a player must be a Center member or pay a basketball fee good for the season. Teams will play one time each week.

The league will run for 16 weeks and will be a double round robin affair with a play-off among the first four teams in the standings at the end of the schedule. The team winning the play-off will receive the league trophy and the team finishing in first place at the end of the regular season schedule will receive their entry fee back.

If there are enough women interested to have at least four teams, the Center will sponsor a women's league. Women's teams interested in this league should contact the Center so that plans may be made.

The handicapped Children's Classes taught under the direction of Mrs. R. H. Nensteil and Robin Gantz will start for the new year beginning Thursday, Oct. 10 at 2 p.m. These classes are taught on the second and fourth Thursday afternoons of the month.

Center memberships are for individuals \$5 for six months and \$8 per year. Families are \$12 and \$20 respectively. A sustaining membership of \$25 for a family membership may be budgeted at \$6.25 per quarter. There are activities for every age group at the Center and every member of the City of Pampa should join to support the Center. The Center is not tax supported and is one of the prides of Pampa. The Center has had guests from Houston, Dallas, Fort Worth and Amarillo and they say they have nothing in the form of a community building such as we have here. Pampans should be proud to have such an

"CHECK YOUR SHIP?"—Bellman Maurice Lewis works out with walkie-talkie, one of many to be used by personnel to speed service at a new 164-room Johnson motor lodge, soon to open on the Baltimore-Washington Parkway. Helmet is strictly for fun—it's one of several to be given away at the opening.

asset which may be used by the whole community.

The Center swim team, the Dolphins, will start their regular workouts this year on Oct. 14. A swim team meeting will be held prior to the workouts on Saturday Oct. 12 at 9:30 a.m. Rules and procedures for the swim team will be discussed.

### Youth Center Calendar

**MONDAY**  
9:00 — Adult Education Art Class  
4:00 — Advanced Beginners Lessons; Gym Open Activity

### RETAIL SALES RISE

WASHINGTON (UPI) — Retail sales in the United States totaled an estimated \$20.7 billion during August, according to the Commerce Department.  
The department reported Thursday that retail sales for the week ended Sept. 28 were estimated at \$4.6 billion. This was 5 per cent higher than the previous week's level, and 2 per cent more than the comparable week last year.

### Wall Street In Review

NEW YORK (UPI) — Thomson & McKinnon says to be patient and maintain your investment perspective.

It advises investors to "rely on time-tested yardsticks: sound quality, demonstrated earnings performance, strong financial support, consistent dividend record, competitive advantages and favorable prospects for industry and company." The advisors believe that the cumulative performance of stocks between now and Oct. 15 should provide a more dependable clue to the direction of the next important move than scattered day to day movements.

United Business Service says that, "with business prospects favorable and a tax cut in the making, the bulk of stock funds should remain invested."

Standard & Poor's warns that new buying should be delayed "and the proceeds of any selling retained in cash for the present."

The Dow Theory Trader says to expect a selectively higher market during the week ahead and a continuation of this up-trend, with occasional reactions, into late 1963 and probably into early 1964.

## Store Explodes, Burns in Alabama

BIRMINGHAM, Ala. (UPI)—A food store operated by a white man in a Negro neighborhood exploded and burned Wednesday night during an apparent arson attempt.

Police held a Negro youth, picked up while being treated for burns in a hospital emergency room, on suspicion of arson.

The explosion blew out the front of the Discount Meat Center, caving in the roof and touching off flames. Firemen quickly extinguished the fire, but the store was a shambles.

A crowd of about 50 Negroes gathered at the scene in north-east Birmingham but remained orderly. Police officers, some carrying submachine guns, surrounded the area.

Fire officials said the store was doused with gasoline from two five-gallon cans found in the ruins, and flames from a heater caused the gasoline fumes to explode.

### Seen in Area

Officers said the Negro youth, Johnny Lewis Ruffin, 20, was treated for first and second degree burns on his left side. He told police he was in a warehouse fire and flagged down a motorist who took him to the University Hospital. Officers said, however, they learned the youth caught a taxi in the vicinity of the store and went home where relatives drove him to the hospital.

Negro leaders, meanwhile, indicated dissatisfaction with the progress of biracial negotiations aimed at easing racial tension in this steel city. Dr. Martin Luther King Jr. and Rev. Fred Shuttlesworth planned a meeting Monday to decide whether to resume racial demonstrations.

Elsewhere in the nation: **Selma, Ala.** — Integration leaders said Martin Luther King would go there Oct. 15 to bolster a voter registration-desegregation campaign. Negro comedian Dick Gregory was expected to arrive Friday. Gregory's wife was given a \$300 fine and a 180-day sentence Wednesday in connection with racial demonstrations.

**Cambridge, Md.** — Negro leader Gloria Richardson said she would give Cambridge officials a cooling off period in this city's battle for a public accommodations law, but would open a second front against segregation in schools and industry.

**Orangeburg, S. C.** — Negroes, failing to gain an agreement with whites over a conference table, promised they would renew massive street demonstrations.

**Washington:** A Negro voice was raised today in condemnation of street demonstrations and civil rights militancy. Retired Army Maj. Hughes Alonzo Robinson, former commandant of cadets at Fort Valley State College, a Negro unit of Georgia's state school system, contends that self-improvement and not "ulimatums" on desegregation is the best way to advance the Negro cause.

**Atlanta:** An unidentified white man was beaten to death with nail-studded slats and set on fire Wednesday night, police said. Officers said a Negro youth reported seeing two Negroes drag the man from a car.

### Teacher Balks At Allegiance Wording

LOS ANGELES (UPI)—A Los Angeles school teacher who objected to the term "under God" in the Pledge of Allegiance will not be required to lead his classes in the pledge as a condition of employment, according to his lawyer.

A. L. Wirin, attorney for the American Civil Liberties Union, said Wednesday the city Board of Education had advised the Superior Court it would not require teacher Hawell Parker to lead his classes in the pledge.

As a result, Wirin said he would request dismissal of the suit. Parker had objected to use of the phrase "as a matter of personal conscience."

"The purpose of the suit, to protest personal conscience, being achieved, I will ask the court to dismiss the proceedings on Friday," Wirin said.

## Roughriders Ride Down Miami Warriors, 36-6

BOYS RANCH (Spl) — After a two-hour game delay due to light failure, the Boys Ranch Roughriders rode roughshod over the crippled Miami Warriors Friday night, 36-6.

With one of their leading ground-gainers, Roy Bean, out of the game, and another, Jody Holland, unable to operate at full strength, the Warriors were unable to stop

the fine running of Tommy Alvarez and Russell Perry.

Boys Ranch got an early break when they got a short punt on the Warriors 29. A penalty moved the ball to the 14 and Alvarez went around end to the one. Perry went up the middle for the touchdown with a little more than a minute left in the period. Ray Guerrero stopped Perry on a conversion run.

## District 3-4A Roundup

Amarillo's Golden Sandies slipped past the Lubbock Plainsmen Friday night by the score of 20-13 in Lubbock.

The Sandies, led by quarterback Ben Hawkins, unleashed drives of 85 and 19 yards to sink the Plainsmen in the final half of play, after the Lubbock eleven had amassed a 13-7 halftime lead.

Leading the Lubbock attack was fleet John McIntyre.

The win left the Sandies with a 2-2 season record and a 2-0 record in district play.

In their 3-4A action Friday night, the Lubbock High unleashed an unmerciful offensive attack at the Caprock club as they walked away with a 45-6 win.

Senior quarterback Greg Lott-rand "wild", running for two touchdowns and passing for a third, in a game whose outcome was never in doubt.

This was the Westerners' first district win after being outlasted by the Tascosa Rebels 13-8. The win left Lubbock High with a 3-1 season record and a 1-1 district record.

Caprock's lone touchdown came when fullback Jerry Dunivan smashed over from the one clinching a 70 yard drive. Caprock is 0-4 for the season and 0-2 in district play.

## Jolly Roger Leads Middies

ANN ARBOR, Mich. (UPI) — Navy quarterback Roger Staubach put on another dazzling show Saturday to bolster his bid for All-America honors and led the unbeaten Midshipmen to a 26-13 victory over Michigan.

Staubach snapped his own Navy single game total offense record set last week by amassing 307 yards to lead the seventh-ranked Middies to their third straight victory.

Staubach rolled up 297 yards last week against William and Mary to set the previous record. The 6-foot-2 junior was 10-10 in his passing before he missed one late in the third period and he wound up with 14 of 16 for 237 yards and two touchdowns.

He also ran for 70 yards and a touchdown.

In the three games this season, Staubach completed 43 of 55 passes for 614 yards and three touchdowns. His total offense stands at 759.

Staubach threw his touchdown passes to John Sai on a 34-yard play and Neil Henderson on a 7-yard play. Staubach scored on a 5-yard run and Pat Donnelly scored the other Navy touchdown on a 1-yard run.

## CANTRELL BIRD WINS

The Top-O-Texas Racing Pigeon Club flew a 200 mile race from Waurika, Okla. yesterday.

Jim Cantrell won first place. Cantrell also won second and third places. Gordon Miller won fourth place. Bob Baird won fifth place. Bazel Pettit of White Deer won sixth place.

This was a hard race due to the hot weather. Many birds had not returned at press time. Ninety-four birds were entered in this race.

The club will fly a 300 mile race from Dallas next Saturday.

## Bowling

By MAXINE HAWKINS

After the first weekend of bowling in the Eastridge Tournament in Amarillo, the Harvester, Bowl Coffee Shop and Pampa Office Supply are leading in the team event. Leaders in the "B" Doubles are Aline Self and Mary Pryor. Aline had six strikes in a row for a 222 game and a 552 series. "C" Doubles leaders are Jeanine Kuecker and Maxine Lewis. Today's bowling will complete the tournament.

Many strange things happen in this game of bowling. Lonnie Harmon bowled a 235 game with his left arm in a cast. We may be seeing Lonnie using the sling as a permanent part of his bowling uniform. Charles Anderson steadily increased his score by rolling games of 127, 137, and 147. Several bowlers just missed the triplicate score this week. Donna Thornburg rolled her first two games the same, but ruined it — the good way — by rolling 70 pins higher the third game. George Berson rolled a 206 followed by a 126. That's all in the game.

Competition was keen between Rudy's Automotive and H. B. Coffee Shop in the women's Classic League. Bowling for Rudy's, Terry Barrett duplicated her 224 game she rolled the previous week and had a 553 series. Team mates Sue Clark and Irma Beck rolled 513 and 504 respectively. Irma said she never remembered a 504 being low score on any team before. On the Coffee Shop team, Barbara Moore rolled a 208 for a 548 series, and Mary Pryor had a 520. It was a hard way for the Coffee Shop to lose three. Barbara had rolled a 540 the same day in another league.

Other high scores rolled were: D. B. JAMESON, 224; "Boss" PRINCE, 233; T. D. JOHNSTON, 220; Lloyd STEPHENS, 220; Jim MESSINGER, 224; Walden HAYNES, 207; and Harv HOEPPNER, 219, 224, and 129. Sam PARSLEY started a game with seven strikes for a 236 game. He also had another 200 game. Ikey EARL rolled games of 190, 192 and 182 for a 564 series. Aileen CHILDERS had a 534 series.

Bowlers of the Week were Lela SWAIN who bowled a 230 game for a 585 series, and Joe WELLS with a 658 scratch. Joe put together games of 219, 214, and 225, having only one open frame in the series — a split.

## Colorado Whips Kansas State

MANHATTAN, Kan. (UPI) — Halfback Bill Harris scored three touchdowns Saturday to spark Colorado University a second-half surge that carried the Buffaloes to a come-from-behind, 21-7 victory over Kansas State in a Big Eight Conference football game.

## Stratford Recovered From Fumble

MINNEAPOLIS (UPI) — Minnesota turned Army fumbles and errant passes into three touchdowns Saturday and defeated the Black Knights, 24-8, in an intersectional football game.

The Gophers counted after two recovered fumbles and an intercepted pass. Their tough defense let Army into home territory only three times, the last in the fourth period when Army scored its lone touchdown.

## Minnesota Clubs Kaydets, 24-8

## Groom Tigers Edged By Clarendon, 7-6

CLARENDON (Spl) — The luckless Groom Tigers underwent another familiar but heartbreaking scene Friday night when they were beaten by the Clarendon Bronchos, 7-6, as two second-half field goal attempts failed.

The Tigers now take over undisputed possession of the term "unlucky" as they have lost their last three games by the TOTAL of five points.

Offensively and defensively the Tigers whipped the Bronchos all over the field as they drove inside the 20 three times and failed to score, while holding Clarendon four times inside the five-yard line. The game was a battle of fumbles however.

## Purdue Slips Past Notre Dame, 7-6

LAFAYETTE, Ind. (UPI) — A tough Purdue defense that tightened in the clutch staved off a final Notre Dame march Saturday to preserve a hard-fought 7-6 victory for the Boiler-makers.

Purdue quarterback Ron Di Gravio, harassed by Irish line men for three periods, finally reached scoring range in the fourth period with an 8-yard strike to Bob Hadrick in the end zone.

Sub Gary Hogan's go-ahead extra point gave Purdue its margin of victory.

Notre Dame, as in last week's 14-9 loss to Wisconsin, was within minutes of victory when Di Gravio broke loose.

Notre Dame was moving near the end on the strength of Ron Biley's carrying when Purdue's defense held and forced the Irish to attempt a field goal from the Purdue 27. The kick was blocked.

Junior John Huarte, labeled Coach Hugh Devore's "best passer," got Notre Dame its only touchdown. He threw two long passes in the second period for 80 yards and a touchdown.

Notre Dame then gambled and went for a two point pass conversion but it failed and the Irish held a 6-0 lead at halftime.

Notre Dame's defense was held and forced the Irish to attempt a field goal from the Purdue 27. The kick was blocked. Junior John Huarte, labeled Coach Hugh Devore's "best passer," got Notre Dame its only touchdown. He threw two long passes in the second period for 80 yards and a touchdown.

## Memphis State Beats Tulsa

TULSA, Okla. (UPI) — Quarterback Russell Vollmer and fullback Dave Casinelli each scored a pair of touchdowns Saturday as Memphis State came from behind to beat Tulsa, 28-15, and run its unbeaten string to 10 games.

Memphis State, which held mighty Mississippi to a scoreless tie two weeks ago, scored three times in the second half after Tulsa took a 9-7 halftime lead.

## PAMPA 8th LOSES

Austin Berger eighth grade took an 8-5 win over Pampa JHS 8th grade Thursday. Danny Stokes ran 92 yards for the Pampa touchdown.

## Thrashers Smash Over McLean, 36-6

The Pampa Thrashers administered the first thrashing of the McLean B team this year, taking a 36-6 win in Harvester Stadium yesterday.

The McLean Wild-kittens, who had won every previous game except for a tie with Canadian B, had twice beaten the Lee Rebels and also defeated the Pampa Reapers, but the Thrashers, led by a 100-yard touchdown run by Jimmy Williams and a stonewall defense that held the Kittens for eight straight downs inside the eight-yard line, were too much.

Pampa's C team marched 60 yards in the first quarter, with Daryl Cash leading the way, and Williams went over from two yards out. Quarterback Kyle Vann ran the conversion on the option.

McLean marched to the Pampa eight in the second quarter, and a defense led by Randall Scott, Ricky Maxey, Grover Ray and Ronnie Kline, took the ball away on the five. On the first play, the Thrashers fumbled and McLean recovered. Four more tries and again the Pampa wall of granite stood firm, taking over with the ball only one inch away from the goal line.

With the Thrashers taking over deep behind their goal line, David Geer and Jim Brumley opened a gaping hole off right guard and Williams broke through like a jet job on the loose and headed for the visiting goal line over 100 yards away.

McLean closed the gap as the second quarter opened, with Jackie McCabe breaking loose for a 60-yard score off right tackle. Ronnie Babcock stopped the conversion run.

Pampa marched right back, with Timmy Woods' long run the big gainer in a 45-yard drive. Vann going over from the six on a belly play, Charlie Walker went sweep right for the conversion.

Grover Ray recovered a fumble on the McLean 23 to open the fourth quarter, and Don Dinkins scored the touchdown when he took a pass from Vann on the line of scrimmage and ran it over 11 yards.

Midway in the period, the third Pampa unit was inserted, and wasted no time, as Larry Abbott ran 51 yards on sweep right the first play, stiff-arming the safeman and outrunning the pursuit. Abbott ran the conversion on the same play.

Other outstanding defensive efforts were provided by R. C. "Big Daddy" Cary and Max Taylor, and Bobby Adams of the kicking team.

## Nittany Lions Defeat Rice

UNIVERSITY PARK, Pa. (UPI) — Penn State rallied sharply for three second half touchdowns after being held to a 7-7 midway deadlock to defeat Rice, 28-7, for the Lions third straight intersectional victory.

The Mountain Lions turned opportunists, using two Turne fumbles and an intercepted pass for three of their four touchdowns. Penn State only had to travel three yards for one score after Rice's Walt McReynolds fumbled close to his goal line.

Penn State got its go ahead touchdown after Don Caum intercepted his second pass of the day on the State 39 in the third period. The Lions went 61 yards in 13 plays with Gary Kingensmith plunging the final yard.

Early in the fourth quarter, State scored again with Ed Stuckrath scoring from the one after McReynolds fumbled on the three. With 15 seconds left in the game, sophomore halfback Don Kunit plunged over from the one.

The Lions got an early break and took quick advantage of it in the opening minutes. Rice's Gene Fleming fumbled a punt and Bernie Sabol pounced on it scored the touchdown when he

# A Wins Third Straight Tilt, 1-0

LOS ANGELES (UPI)—Don Drysdale took advantage of one taint: run and broke backs of the New York Yankees Saturday with a three-hit victory which gave Los Angeles its third straight series triumph.

The towering righthander conduced the peerless pitching which has been the Dodger trademark all three games as he fanned nine hitters. He even shrugged a seventh-inning fiasco by mates in a two-men-on-third rlesque which was right out of their old daffiness days in Brook-

But while those days were led with Travail, this time it had a happy ending as the dodgers hung the defeat on young Jim Bouton. A roaring crowd of 55,912 in baseball's glittering new Taj Mahal watched the Dodgers put themselves in a deasate spot where now they only need one more win and have pur games—if necessary—in which to do it.

**Only Four Hits**

The Dodgers made only four hits—yet Bouton had only himself to blame for defeat in a pitching performance which would have won most games. But not this time, against those scrapping, battling underdog Dodgers fighting to wipe out a choke-up club.

They had blown the pennant last year and it had dogged them ever since, even though they came through valiantly all this season. Yet, going into the series, they were the underdogs.

But once again in this series

**Koufax To Pitch Again Today**

LOS ANGELES (UPI)—Three games up and needing only one out of four, Dodger manager Walter Alton Saturday refused to predict a World Series victory but admitted with a broad grin that "it's getting better all the time."

Don Drysdale's "greatest victory," a 1-0 three-hitter, had put the Dodgers one step from the top of the baseball world and Alton did concur that "this was the big one."

Alton backed off from predicting a four-game sweep—although he will shoot Sunday with flame-throwing Sandy Koufax—but he beamed at Drysdale for hurling "one helluva game."

"Drysdale has had had luck all year," Alton said. "We never got him many runs and we didn't get him many Saturday. This was one of his best games. I thought he handled the left-handers very well. He had just as good stuff in the ninth as he had earlier."

In answer to a question about prospects of winning the fourth game Sunday with Koufax on the mound, Alton laughed and said, "I still don't trust the Yankees... in a nice way, you understand... I don't think they'd steal our bats or anything like that."

Drysdale, the Giant righthander, said he "wasn't real tired" during the game.

He called it "my greatest game."

Drysdale was asked if he became nervous in the second inning when the Yankees had the bases loaded. He said, "no." He had walked Clete Boyer purposely to fill the bases and then struck out Jim Bouton.

He said second baseman Dick Tracewski made "a smart play" in throwing out John Blanchard at first on a grounder even though Mickey Mantle advanced to third and Joe Pepitone went to second in that inning.

"Tracewski got the sure out at first," said Drysdale.

Alton praised Bouton's pitching performance.

"That other kid (Bouton) pitched pretty good ball, too, although he got a little wild there," said the Dodger manager.

The Dodgers obviously were happy about their victory but there were no wild outbursts.

## SMU Mustangs Upset Air Force Falcons

DALLAS (UPI)—Southern Methodist's ornery Mustangs upset the Air Force Falcons 10-0 Saturday in a battle of fumble-forcing defenses.

The ball changed hands 10 times on fumbles with the edge

## Texas Trims OSU, 34-7

AUSTIN, Tex. (UPI)—Third-ranked Texas rallied behind two long first half field goals by stocking-footed Tony Crosby to overcome an early scare Saturday night, then unleashed its vaunted ground game to crush Oklahoma State 34-7.

Crosby kicked 32 and 33 yard field goals and converted after each Texas touchdown. The Longhorns bolted to their third straight top-rated victory, setting the stage for the showdown against top-rated Oklahoma next week.

Tailback Tommy Ford, halfback Phil Harris, quarterback Duke Carlisle, and alternate tailback Hix Green scored the Texas touchdowns on short runs.

Oklahoma state fullback Walt Garrison staked the Cowboys to a brief first quarter lead of 7-3 when he broke loose around left and scampered 48 yards for a touchdown.

Leading 20-7 at halftime, the Longhorns unwound for long scoring drives in the third quarter.

## Booker Belts Mobeetie's Stings, 64-14

MOBEETIE (Spi)—Swivel-hipped Bill Hughes led the Booker Kiowas to a 64-14 victory over the Mobeetie Hornets in the district three eight-man football opener Friday night.

The speedy Booker backs piled up a 36-0 lead before the crippled Hornets could break the scoring ice. Mobeetie, minus injured starters Johnny Allen, Eddie Ray Hodges and Joe Fred Nixon, were further stricken when quarterback Gerald Gudgel was taken out of the game in the second quarter.

Two long runs by Big Ray Corcoran were all that kept the Hornets in the game.

Bill Stone opened the scoring from two yards out, with Sloane Slovajak running over the conversion. Hughes then scored the first of his six touchdowns on a 20 yard return of an intercepted pass.

Slovajak flew 50 yards for the next TD, with Stone converting. Hughes went 40 yards for a score and the Kiowas varied the attack as Hughes passed to David Keith for the conversion.

Corcoran broke the Hornet scoring ice with a 70-yard sprint just before the half.

Hughes made it 42-6 by opening the second half with a 40-yard jaunt. Stone added the conversion. Hughes went 20 yards and a newcomer got into the act as Al Lemmons made the two-pointer.

Corcoran put a temporary halt to the proceedings as he fled 75 yards with an intercepted pass, and ran over the conversion.

Hughes closed out the scoring with a 30-yard run in the fourth quarter, and again Lemmons converted.

## Pitt Pounds California

PITTSBURGH (UPI)—Pittsburgh's three deep backfield ran roughshod over California Saturday for a 35-15 victory, the Panthers' third straight over a West Coast club.

Pitt, off to its best start since 1958, trailed for the first time this year when Jim Blakeney ran the opening kickoff 85 yards for a touchdown and Tom Blanchfield converted.

But from that point on, it was all Pitt.

The Panthers, who already owned wins over UCLA and Washington, rode the arm of quarterbacks Fred Mazurek and Kenny Lucas and the running of Paul Martha, Rick Lesson and Eric Crabtree, to score almost at will.

## LSU Upsets Georgia Tech

BATON ROUGE, La. (UPI)—Louisiana State University upset Georgia Tech 7-6 Saturday night when the invading Yellowjacket football team yielded its first touchdown of the season and was sluggish in the comeback.

A crowd of 67,500 saw LSU score the first time it had the ball. Georgia Tech's comeback drives fizzled repeatedly the rest of the night. The only Yellowjacket points came on field goals of 26 and 21 yards by quarterback Billy Lothridge.

Sophomore quarterback Pat Screen guided LSU to a 12-play, 45-yard scoring march early in the first quarter. Screen sprinted around right end standing up for the final seven yards and Doug Moreau kicked what proved to be the winning point.

The Tigers, unimpressive in their first two starts against Texas A&M and Rice, stuck to the ground in their touchdown drive. The longest gains were seven-yard runs by Buddy Stupka and Screen.

## Blue Devils Bomb Terrapins

RICHMOND, Va. (UPI)—The Duke Blue Devils, led by sophomore quarterback Scott Glacken, exploded for three fourth-period touchdowns Saturday to take a 36-12 victory over Maryland in the nationally televised, 15th annual Tobacco Bowl.

Glacken, starting for the first time in his career, displayed the finesse of a veteran as he led defending champion Duke to its third consecutive Atlantic Coast Conference win of the season. Glacken ran for one touchdown, passed for another and engineered a third.

## Illinois Upsets Northwestern

CHAMPAIGN, Ill. (UPI)—Lowly Illinois sent fourth-ranked Northwestern down to the first upset of the Big Ten season, 10-9, Saturday, capitalizing on a bad pass from center and Jim Plankenhorn's fancy place-kicking.

It was Northwestern's first loss to the Illini since 1959 and the men the Wildcats left behind them may be the reason. Neither punt specialist Merlin Norenberg, nor George Bunda, who holds the ball on place kicks, made the trip.

Thus a punt by Ron Rector, which rolled off the side of his foot and traveled only five yards preceded Illinois' only touchdown. And a bad pass from center which Roland Wahl couldn't field prevented Pat Stamison from trying to convert after Northwestern's only touchdown.

## Iowa Wins, 17-7

SEATTLE, Wash. (UPI)—Iowa quarterback Fred Riddle passed 44 yards for one touchdown Saturday and scored another himself to pace the Hawkeyes to a 17-7 victory over winless Washington.

## Statistics

First downs	2	10
Yards rushing	98	197
Yards passing	15	77
Completions	2-5	2-3

## Texas Tech Shuts Out Aggies, 10-0

LUBBOCK, Tex. (UPI)—A 46-yard pass from Ben Elledge to end David Parks and a record-tying field goal from H. L. Daniels gave Texas Tech a 10-0 Southwest Conference win over Texas A&M Saturday night.

Parks made a diving catch of the 46-yard toss from sophomore quarterback Elledge late in the first quarter and Daniels' conversion was good. Earlier in the period, Daniels had started the scoring with a 36-yard field goal that tied the conference career field goal record.

## Arkansas Works To 18-3 Win Over TCU

FAYETTEVILLE, Ark. (UPI)—A spectacular first quarter catch by end Jerry Lamb and two fourth period touchdowns by quarterback Bill Gray gave Arkansas a hard-earned 18-3 Southwest Conference victory Saturday over Texas Christian.

It was the first conference game for both teams, played before a Dad's Day crowd of 32,000 in 90-degree heat.

Lamb leaped over the shoulder of TCU halfback Marin Chipman to make a two-handed snare of a pass from Fred Marshall, a junior quarterback playing his first offensive action.

The touchdown play covered 58 yards with 8:36 left in the first quarter.

But TCU whittled it to 6-3 early in the second period on Jimmy McAttee's third consecutive field goal of the season. TCU drove to the Arkansas 19 on its first series of downs in the second quarter where the drive stalled.

But McAttee connected for the field goal from 37 yards.

Despite the score the first half was all Texas Christian. The Horned Frogs gained eight first downs against only two for the Razorbacks, who except for their lone touchdown could move no farther than their own 28 yard line.

# Annual Charity Ball

The Junior Service League of Pampa has set October 12 as the 1963 date for the Annual Charity Ball which will be held in Country Club Ballroom.

CLASSIC THEME (UPPER LEFT) — Mrs. J. B. Veale, Mrs. Ray Kuhn and Mrs. Wiley Reynolds are working diligently on the decorations which will transform the Country Club Ballroom into the Classic Period during the Charity Ball. Gray marble columns and Grecian statuary will add to the mood as members of the Junior Service League and other guests dance to the orchestra of Roland Drayer.

PROCEEDS TO CHARITY (LOWER LEFT) — Proceeds from this, the second Junior Service League sponsored Charity Ball, will be donated for the purchase of room-dividers to be used in semi-private rooms at Highland General Hospital. Making final arrangements in this field are three members of the executive board of the JSL: Mrs. Rex McAnelly, education committee; Mrs. Tom Braly, placement committee; and Mrs. Carlton Nance, hospital committee.

PRESIDENT (UPPER RIGHT) — Mrs. Jack Osborne, first president of the Junior Service League in Pampa was among the first interested and active in establishing the League. She is presently serving her second term as president of the organization and has added to the success of the group activities.

FORMAL AFFAIR (CENTER RIGHT) — Mr. and Mrs. Bob Curry, 1125 Charles, will attend the Charity Ball which is the first formal affair of the season in Pampa.

INVITATIONS (LOWER RIGHT) — Mrs. A. L. Smalley and Mrs. Buz Torpley, members of the invitation committee are looking over the growing list of persons planning to attend the Ball. Persons wishing to receive an invitation may contact Mrs. Smalley at MO 4-3832 or Mrs. Bill Gething MO 5-5255.

# National Business Women's Week Observed by Pampa B and PW Club

Focus 1963. "The Responsibility of Full Partnership". This progressive theme, adopted by the National Federation of Business and Professional Women's Clubs, sets the pace for National Business Women's Week, Oct. 6 thru Oct. 12. Mrs. Ola McAfee, chairman of National Business Women's Week, who is helping to coordinate National Business Women's Week in the Pampa area, said the purpose of the week is to spotlight the achievements and contributions of business and professional women, to create better understanding of the goals of working women, their needs and ambitions.

Across the country, American women are accepting "The Responsibility of Full Partnership" in their jobs, their communities, their country. "Only by working together toward a goal of better trained women, can we hope to fill the future needs of our growing economy. Currently, there are 24.5 million women in the National work force, and the Bureau of

Census predicts a 23 per cent increase in women workers by 1970, with progress fastest in the professional and technical fields," said Mrs. McAfee. Occupations which will need women include: doctors, nurses, medical technologists, nutritionists, chemists, engineers, teachers and community and social-service workers. Mrs. McAfee pointed out that The National Federation of Business and Professional Women's Clubs, Inc., celebrating its 35th National Business Women's Week, is helping to develop their individual talents, to be prepared to accept the new responsibilities of the space age.

In light of the National Business Women's Week, the Pampa chapter of the Business and Professional Women's Club will hold a breakfast this morning in the Starlight Room of the Coronado Inn.

Mrs. Mattie Crowson is chairman of the decoration committee which consists of Mrs. Nell Tinnin and Mrs. Lucille Turner. Mrs.

Mrs. Laura Belle Cornelius  
Woman of the Week  
(Daily News Photo)

## National Business Women's Week Will Honor Mrs. Laura B. Cornelius

Mrs. Laura Belle Cornelius has been selected by the Pampa Business and Professional Women's Club as Woman of the Week during National Business Women's Week, Oct. 6 - Oct. 12.

A pioneer of the Panhandle of Texas, Mrs. Cornelius was born more than fifty years ago to Mr. and Mrs. H. H. Smith of Canadian. She attended Canadian schools, graduating there. She attended college at the then listed, West Texas State Teacher's College, in Canyon.

She was listed in "Rodeo Town" by Stanton, as a school teacher in 1927 before her marriage in 1928. Her family moved to Pampa in 1931 where her three children were graduated from Pampa High School. They are: Jean (Mrs. Ross McElreath of Houston) who received a B.A. degree from Rice in 1954; Lynn (Mrs. Frank C. Cooksey of Washington, D.C.) who received a B.S. from Texas University in 1958; and Robert Cornelius who attended West Texas State University and is now in business in Irving.

Mrs. Cornelius has, for twenty years, been a member of the Pampa Chapter No. 65, Order of the Eastern Star.

She is a thirty-year member of the First Christian Church of Pampa, serving on the board, and

as president and secretary of church organizations.

She has been an active member of the Business and Professional Women's Club in Pampa since 1937, serving as president in 1959-1960 and presently is serving as representative to the Council of

## Pampa B and PW Active 34 Years

The Pampa chapter of the Business and Professional Women's Federation of Clubs was organized in 1929.

Numerous projects have been carried out by the club since that time, including scholarships to be awarded to student nurses, young women planning a career in the secretarial field, and college scholarship grants.

The local members assist in entertaining Senior Citizens periodically.

Membership however does not entirely embrace work. Socials are held throughout the year and fun-projects, such as building floats for Pampa parades are endeavored by the group.

## Social Meeting Held By Kappa Alpha

The Kappa Alpha Chapter of Epsilon Sigma Alpha Sorority held the first social meeting of the year recently in the Hospitality Room of the Southwestern Public Service Building.

A tall motif was used in the table decorations for the salad supper which preceded Bingo games. The table centerpieces were formed of milkglass composites holding grapes, and fall floral arrangements. The napkins carried out autumn colors. Hostesses for the event were Mrs. Dale Haynes and Mrs. Forrest Rader.

Members present were Mrs. J. L. Bain, Charles Beard, Ira Bewley, Howard Cruise, Lewis Epps, Felix Fisher Jr., James Frazer, Charles Guidry, Sid Harrison, Dale Haynes, Irvin Hungerford, Bob Miller, Forrest Rader, Wayne Rogers, Roland Treadway and Miss Faye Coleman.

Guests attending were: Mrs. R. O. Johnson, Jim Tucker, Raymond Shirley, Charles R. Martin, B. L. Hoover Jr. and Joe Achord.

## Six New Members In VFW Auxiliary

The Ladies Auxiliary to Veterans of Foreign Wars, Post 1657 met recently at the VFW Hall. Two Gold Star Mothers, Mrs. Ethel M. Austin and Mrs. W. J. Ulrich, were given the obligation of membership as well as James V. P. Boyles, C. R. Dirickson, Kirk Chester and Jesse T. Rodgers.

Sixteen Auxiliary members present for the meeting heard the letter read from Beta Sigma Phi announcing the Table Setting Contest which will be held in November.

met Gee, Leslie Henderson, Frank Hudgil, O. F. Kreimeyer, C. D. Malone, E. Savage, Joe

Slater, A. L. Smiley, Vernon Stuckey, A. L. Walling, and Carl M. Wright.

The next meeting, a Halloween social will be held Oct. 15 at 7:30 p.m. in the VFW Hall.

**DKG Holds First Meet**

WHITE DEER (Sp) — The Beta Delta Chapter of Delta Kappa Gamma Society held the first meeting of the fall season with a back-to-school lunch seminar in the Lovett Memorial Library in Pampa recently. Members from White Deer attending were Mrs. Ray Schultz, Mrs. Katie Strickland and Mrs. Shirley Kelly.

Miss Claudia Everly, formerly of White Deer, was presented a guard for her state achievement in recognition of her service to the local chapter.

A slide - commentary program was given by Mrs. Alice Short Smith of Lefors.

Mrs. Smith is a world-wide trav-

**Director of Ninth District to Preside**

Mrs. Wesley Lewis, past-president of the Pampa Business and Professional Women's Club will be the presiding officer during the Business and Professional Women's Clubs conference which will be held in Shamrock Oct. 19 and Oct. 20. She is the Director of the Ninth District of Business and Professional Women's Clubs.

Mrs. Lewis is a mother and a homemaker as well as business partner with her husband in an aircraft service company. She has her student's license and is working toward her pilot's license.

She has been an active member of the local B and PW for several years having served as chairman for committees, and as president before becoming the Director of District 9.

Others on the program were Mrs. Leslie Webb and Mrs. Jack Riley of McLean.

Mrs. Wesley Lewis  
Director of Ninth District

**Wedding Shower Honors Bride**

SKELLYTOWN (Sp) — Mrs. Bowie Hamilton of the Skelly Crawford Gasoline Camp North of Skellytown was honored recently with a wedding shower in the home of Mrs. C. E. Dehls. Co-hostesses were Mmes. C. V. McCloud, Dave Preston, Kelly Bowling and J. S. Dawson.

The serving table was covered with a beige lace cloth over pink, and centered with a fall centerpiece. A sheet cake with "Bowie and Orita" inscribed in blue, punch and coffee were served to the following guests: Mmes. Herman Mayfield, H. A. Muns, Carl Wallace, Andrew Simon, Jerry Lovingood, Frank Murrell, Jim Crawford, J. E. Meeks and Lela, Ben Neely, Bob Germany, S. T. Cown, Howard Farley, R. C. Heath, Hank Grayum, James Lewis and Hadda Moore. Sending gifts were Mrs. J. D. Herd and Mrs. Shaerer.

Vegetarians now can advertise the palate's choice with jewelry. Arthur Doucette, a designer, makes it possible by offering gold vegetables to adorn midady's dress or suit. The menu includes asparagus, celery, onion and artichoke.

Wayland Baptist College, Plainview. The groom attended Plainview High School and is presently employed by Homer G. Maxey Company in Lubbock. The couple will make their home at 2701 22nd St. in Lubbock.

**Kelton Baptist Church Is Wedding Scene for Doris Rathjean, Roy Burson**

The marriage of Doris Rathjean and Roy Burson was solemnized recently in the First Baptist Church of Kelton. The bride is the daughter of Mr. and Mrs. Leonard Rathjen of Kelton and the bridegroom is the son of Mr. and Mrs. T. E. Burson of Plainview.

The Rev. Clayton Watkins, pastor of the Parkview Baptist Church of Plainview, performed the double ring ceremony before an altar decorated with white candles with greenery. The altar was flanked by baskets of white mums accented with white satin ribbons.

Traditional wedding music was provided by Miss Karen Moore of Kelton. She accompanied Miss Jane Watkins, Decatur, who sang, "Because" and "The Wedding Prayer."

Mr. Rathjen escorted his daughter to the altar and gave her in marriage. She wore a white ankle length gown of lace and tulle over taffeta fashioned with a scalloped neckline, fitted bodice with long sleeves which formed petal points over the wrist, and bouffant skirt. Her veil was attached to a tiara of seed pearls, centered with lace and seed pearl applique. She carried a white Bible topped with white french carnations and white streamers tied in love knots.

The bride carried out the tradition of something old, something new, something borrowed, and something blue.

Mrs. Charles Luker, San Angelo was her sister's attendant. She wore a dress of mint green silk accented with white accessories. She carried a bouquet of white carnation surrounded by small white mums.

Serving as best man was Toddy Burson, Plainview, brother of the bridegroom. Acting as ushers were Charles Luker, San Angelo, David Moore of Plainview and John Moore, Canon City, Colo. Miss Nikko Burson, Plainview, sister of the bridegroom, lighted the candles. She wore a white dress and a white corsage of white mums. Miss Elaine Bryant, Kelton, served as the flower girl. She wore a white dress and Nile green headband.

Registering the guests entering the church was Miss Ann Lummus, Shamrock. The register table was centered with a bouquet of white flowers.

Immediately following the ceremony a reception was held in the church fellowship hall. The serving table was covered with a white linen cloth centered with a bouquet of white flowers and green candles. Napkins imprinted "Doris and Roy," a four tiered wedding cake and appointments of crystal and silver completed the setting.

Presiding at the serving table were Miss Cherry Abernathy and Miss Sherry Burrell, both of Kelton.

Following the reception the cou-

ple left for a short wedding trip. For traveling the bride wore a blue sheath with white accessories and a white carnation corsage.

The bride is a graduate of Kelton High School and attended

WEDDING TOLD

FALL WEDDING PLANNED

Miss Marlene Bowers

Mr. and Mrs. Dave Bowers, 111 N. Dwight, announce the engagement and approaching marriage of their daughter, Marlene, to Kenneth Fox, son of Mr. and Mrs. Glenn Fox of Crowell. The wedding is planned for October 26, and will be held in the Central Baptist Church, Pampa.

(Photo, Call Studio)

Mrs. Jimmy W. Stenbridge, Mrs. and Mrs. Jimmie Allen announce the marriage of their daughter, Judy Ann to Jimmy Wade Stenbridge, son of Mr. and Mrs. Joe Stenbridge. The wedding vows were solemnized in Fort Worth on September 19. The bride is a graduate of Pampa High School. The bridegroom is a graduate of Pampa High School and is employed by the Fite Food Market in Pampa where the couple will reside.

Take It From Kathy

By KATHY PETERSON

DEAR KATHY: By the time they are 16, most girls have outgrown shyness but I haven't. There's a boy I like and I'm sure he likes me, but when I see him, I can't think of anything to say. I can talk to other people without any trouble, but not to him. Please help me. — B. L. S.

DEAR B. L. S.: Shy people have been accused of being egotists because they're so full of worries about themselves that there isn't room left for concern about others.

Figure out the things that make you self-conscious. Then either fix them or forget them. If you feel like a dope because you're a bookworm who never paid attention to sports, bone up a bit. Find out about anything the boy likes, from football to fishing, and concentrate on these things when you talk to him.

Are you most uncomfortable in a situation in which manners are under inspection? — Get a book with all the answers and do some homework! It will pay off.

Some teens are too sensitive about physical appearance. Crooked teeth or scattered blemishes can make them feel like misfits. If the problem can be solved, attack it. If there's no solution, accept what you see in the mirror and stop worrying.

Remember: the boy wasn't attracted to a talkative ball of fire. He decided to like just plain, shy you. Just as you are, you might be just right for him!

The Mature Parent

Fear of Responsibility:  
Lifelong Apron String

By MRS. MURIEL LAWRENCE

Dear Mrs. Lawrence: Since his father's death a year ago my husband keeps at me to let his mother come and live with us. Though she is only 51 and in good health, she writes him nearly every day complaining about how lonely she is and how she misses him now his father is gone. There's a daughter, but they don't get along. I always knew she would make trouble for me. My husband stands up for her no matter what she does...

ANSWER: I don't think I can be of much help here.

A man whose mother still controls his judgments of right and wrong is not going to be released from his bondage because someone writing in a newspaper says he should be.

However, I'd like to remind your husband that it was Jesus himself who said, "A man shall leave his father and mother to cleave to his wife."

Sociologists say the same thing. They say that husbands and wives must place marital loyalty ahead of loyalty to their parents be-

cause this priority is the root of the human family. But there exists a much more powerful reason for subordinating loyalty to our parents to loyalty to our married partner.

It is the fact we CHOOSE the person we marry.

Your husband did not choose the woman who became his mother.

He did choose the woman who became his wife. Our choice is us. So, to place your happiness before his mother's is to honor not you, but himself, his power to choose, to decide for himself.

Were he certain of the moral

rightness of your priority, you could easily invite his mother to live with you. As he seems so uncertain of it, I can quite understand your resistance to sharing your home with a woman who may attempt to compete with you for your husband's first loyalty.

I don't know what you are going to do about it.

If, as you suggest, your husband is one of the thousands upon thousands of "Mother's" children who have failed to outgrow dependence on her judgments, sharing your home with her will be risky. If

**BELTS FOR YOU**

Newest thing in belts this season—pastel lizard in narrow-to-medium width. Some have brass buckles, others are self-covered.

**FOR LONG-LEGGERS**

Short-legged girls shouldn't try to wear the new high boots. There are other boots around that are better proportioned for them and they'll still be in fashion.

**TO WED IN PAMPA**

Miss Mary Alice Coombes

Mr. and Mrs. A. P. Coombes, Pampa, announce the engagement and approaching marriage of their daughter, Mary Alice to Bruce L. Palmer, son of Mr. and Mrs. Coy C. Palmer, formerly of Pampa, now of Spearman. The wedding will be held October 12 in the home of the parents of the bride-elect.

(Photo, Koen's Studio)

**MARBLE TREATMENT**

A marble polish now comes in a push-button container. It may be used on marble tables and shelves, ceramic or mosaic surfaces. According to the manufacturer, it does not yellow or discolor.

**IT'S A SWITCH**

If you've grown accustomed to thinking in terms of brocade and velvet for evening coats, you'll be interested to learn that many of the short jackets for formal wear are now made of tweed, wool and camel's hair.

**Pampa Music Teachers To Honor Parents of Students Tuesday**

The Pampa Music Teachers Association will present Dale Roller of the faculty of Amarillo College at a reception for parents of their students in the auditorium of Lovett Memorial Library Oct. 8, at 8 p.m.

Dale Roller

Roller will speak on "The Parent's Responsibility in the Musical Education of their Children." Special music will be presented by Mr. and Mrs. Hubert G. Carson. Carson is the Minister of Music of the First Methodist Church where Mrs. Carson serves as church organist, and will present vocal selections, accompanied by his wife. He is a graduate of McMurry, receiving a B.A. in music education and M.M.E. degree from North Texas State. He has completed graduate studies in New York, and is experienced in high school band and choir. He was formerly Minister of Music at the First Methodist Church in Lubbock.

Mrs. Carson received a B.A. in music and M.M.E. from North Texas State, and has performed as first violinist in the Lubbock Symphony, Midland Symphony and San Angelo Symphony. She is presently giving private violin and piano instruction.

Dale Roller, personal director of the Amarillo College Choir, came to Amarillo from the faculty of Tulsa University in 1958. He holds three degrees from that school which are Bachelor of Music, Bachelor of Music Education, and Master of Music, with a major in piano.

During his five years in Amarillo College he has served as director of the Amarillo Civic Choir and musical director of the Amarillo Little Theatre's first musical production, "The Boy Friend" for which he received considerable acclaim.

A fine pianist, he has appeared in recitals before numerous groups throughout the Panhandle and served as adjudicator and conductor for competitions and festivals in the Tri-State Area. He is a popular speaker in music circles, known for his sense of humor and his "common sense approach" to musical work. He is also a member of the Amarillo Symphony, of which his brother A. Clyde Roller is immediate past conductor.

To make flowers last longer, cut them the morning or evening before you plan to use them. Cut when buds are partly opened and the color will be better and flowers will last longer.

OUR NEW AMBASSADORS — Mothers who have had Foreign Exchange Students in their home presented a panel discussion during the Annual Fall Fellowship Coffee of the Presbyterian Women's Association. They are, left to right, Mrs. J. B. Veale, Mrs. Jim Nation, Mrs. Frank Smith, Mrs. Julian Key and Mrs. Aubrey Steele. On the panel, but not pictured was Mrs. W. A. Morgan. (Daily News Photo)

## Annual Fall Fellowship Coffee

The annual Fall Fellowship Coffee of the Presbyterian Women's Association was held Wednesday morning in the Education Building to welcome and entertain new and prospective members.

Guests were received by Mrs. Horner D. Johnson, president, Mrs. Don Hauck, pastor's wife, and circle representatives, Mmes. Wm. Lemmons, Bob Dolgy, W. B. Colwell, L. F. Batson and Michael Wilson.

Mrs. Glenn Ritchhart, vice president, presided at the coffee service from an attractively appointed table in copper, with a beautiful cornucopia as decoration.

Following an interlude of music by Mrs. Fidelia Yoder, Mrs. Homer Johnson welcomed the guests. Mrs. A. D. Hills conducted a worship service on Christian Fellowship within the church. In her meditation she stated, "The best congregation is a fellowship of all kinds of people knit together, because of their love of God." She continued with a prayer and the group sang "In Christ There is No East or West." A worship center was placed on an altar table, with an illuminated world globe shining rays of light on an opened Holy Bible.

Dedication of the Fellowship of the Least Coin was led by Mrs. Clyde Fatheree. Each circle represents a brought the pennies—our country's least coin — which her circle members had prayerfully given each month to be used in mission work. Singing of "Bless Be the Tie That Binds" concluded this ceremony.

The main program, "Our New Ambassadors," arranged and introduced by Mrs. Frank Smith, consisted of a panel of mothers of former American Field Service students. Responding with a greeting in the language of her foreign student, Mrs. J. B. Veale, Mrs. W.

A. Morgan, Mrs. Julian Key and Mrs. Jim Nation were introduced as having been mother to: Turan Soylemez from Turkey, Luisa Prieto from Spain, Kathy Papanastasiou from Greece, and Gretchen Johansen of Germany respectively.

Mrs. Aubrey Steele, representative for American Field Service, explained the mechanics of the organization. She added, "The motto of the organization is 'The Open Door of Friendship.' To qualify as a family for these students it must have a big heart, and an open mind to appreciate the students for the differences as well as the similarities in background." Mrs. Steele, moderator of the panel, asked what preparations the families had made to receive the students. The general answer stated that a study of the student's

country was made, and in some cases, an attempt was made to familiarize themselves with the cases, an attempt was made to (See COFFEE, Page 22)

## Evening Fatigue Saps Radiance

By ALICIA HART  
Beauty Editor  
Newspaper Enterprise Assn.

A beauty expert and world traveler says that American women work harder than any other women in the world. To this millions of women who are combination dishwashers - chauffeurs - nurses say, "Amen."

But, would you agree so benevolently with the lady, Georgette Michel, an executive of a cosmetic firm, if she said all this was making you look older before your time?

Few of us like to admit that our myriad responsibilities can't be handled with one hand tied behind our backs. For this reason, Miss Michel believes she is justified in discussing what she calls "evening fatigue." This shows up after the 23rd birthday candle

sputters out, she says. "The look starts early in the U. S., but women here can do something about it."

She thinks we can learn from the French woman's attitude although she considers them faddists because they use cosmetics extravagantly for bizarre effects. One mistake we make here is to insist upon a "natural look." "This is fine," she admits, "but only if you are endowed with a perfect skin and features." She believes in continual, deft use of makeup to cover up defects, a la Francaise. Also, French women are mad for facial creams, especially, those based upon natural substances such as cucumber and royal jelly.

"The American woman should use more creams. She also should take an honest look at herself and

work at correcting what she sees wrong.

"How many of us go to salons for elaborate coiffures, yet the very next day we're the same frazzled dame?"

She suggests that we concentrate more on daily hair and facial care to avoid waste of money and good looks.

As a parting shot, she asks how recently you changed the shade of your lipstick.

"Many women continue to use a lipstick tone they selected seasons ago," she says. These shades often do not go well with current fashion colors. Skin tones also change with the years, another good reason for taking Miss Michel's advice to take an honest look in the mirror and do something about what you see.

**OCTOBER, 1963**

**NATIONAL PHARMACY WEEK**  
Prescription pharmacists in every part of the United States and Canada will celebrate during the week of October 6th. It is our annual dedication to the practice of pharmacy.

**PHARMACY IS AN ANCIENT PROFESSION.**  
During all recorded history, people have entrusted pharmacists, often called apothecaries or chemists, with the compounding of their unguents and lotions for personal body care and medicines. And, traditionally secured from them — adornment.

**PHARMACY IS AN EXACT PROFESSION.**  
Drugs now are more potent and can be depended upon to produce a desired result. Many incurable diseases have been conquered, others are controllable. Instead of a few hundred chemicals and herbal drugs as in the past, we now have thousands of complex man produced new synthetics.

**PHARMACISTS NOW HAVE MORE KNOWLEDGE.**  
After graduation from high school, it requires a minimum of five years study in a college of pharmacy, plus an internship to gain practical experience. A state examination must be passed before being licensed.

**WE LIKE PHARMACY.**  
It gives us the opportunity to help people enjoy better health. We enjoy working with physicians, dentists, nurses and other members of the health team. Please call on us for any possible service we can ethically perform. We appreciate the privilege of being your pharmacist.

### WCS of First Methodist Meets

The Women's Society of Christian Service of the First Methodist Church held the general meeting of September in Fellowship Hall of the church recently. The president, Mrs. W. H. Nichols, presided, greeting the members and guests. The secretary, Mrs. W. Cole Jr., read a letter from Mike Palmer, thanking the organization for the scholarship he is to receive this year from the Society. Mrs. Nichols announced that plans were being made for a Mother and Daughter Banquet to be held Nov. 4, with the proceeds to be forwarded to the youth scholarship. The women were urged to attend the W.S.C.S. district meeting to be held at Higgins, Oct. 29. Mrs. C. J. Killgo made an announcement concerning publicity, encouraging secretaries to be prompt in turning in circle meeting reports, and suggested that circle chairmen work two weeks ahead in business assignments in order for meetings to be listed in the church and local publications ahead of meeting dates.

Mrs. Elmer Radcliff gave the meditation using "The Role of a Christian Woman" as her title. The thoughts were based on First Corinthians. Mrs. Eben Warner prepared the Worship Center, using a Spanish Bible as the main point of interest.

Mrs. W. C. Hutchinson gave a talk on her visit to Peru. She told that Peru was the home of the Andes Mountains and the Amazon River, and stated that the climate was mild with no wind, and the thriving vegetation was due to abundant rain.

The geographic facts included information on the length and breadth, which is twice that of Texas. She spoke of the hospitality of the people, and of the Catholic dominance of religion. She stated that there are three Methodist institutions throughout the country. Common diseases throughout the area are attributed to poor sanitation and poor hospital facilities.

She added that dollars and workers are needed in Peru to continue the Christian growth of the people, and to improve the economic standards. Mrs. Carlton Nance gave the closing prayer with Circles One and Two acting as hostesses. The South American theme was carried out.

### Pampa Woman Performs With Amarillo Symphony Orchestra

By WANDA HUFF  
Pampa News Writer

A Boston, "Yankee" who has made Pampa her home, has auditioned for, and won herself a place in the Amarillo Symphony. Mrs. John Price, 1002 N. Somerville, will play the viola in this season's symphony performances.

It could be said her career as a music student, teacher and performer has been inevitable because both her father and her mother have been musicians. Her father, the late Alexander Thoma, who was an outstanding violin maker and violinist in Vienna.

She was a charter member of the Berkshire Music Festival at Tanglewood, Lennox, Mass., and studied with Frank Kneisel of New York City; Hugo Kortschalk of Yale University, and Carlos Pinfield of the Boston Symphony.

"While I was in school at Julliard, my roommate went over to Columbia University, which is just a few blocks from Julliard and met Miss Josephine Thomas, who was at the time, a principal in an elementary school in Pampa. Miss Thomas was taking a summer course at Columbia. She told Mary, my roommate, that she needed a music teacher for Horace Mann. Mary took the job, came here and a year later, wrote to me telling me they needed a teacher at Baker Elementary School," she said.

That was in 1942. Mrs. Price, known then as Evelyn Thoma, moved to Pampa and started teaching music at Baker. While teaching here from 1942 to 1946, she also played in the Amarillo Symphony orchestra, but says "there's no comparison because it has improved so much."

She met John Price while he was stationed at the air base in Pampa during World War II. They married and moved to Oklahoma in 1946. Until a year and a half ago, they made their home in Boise City, Okla., with their four children, John, Gregory, David and Mary. All three boys are musically inclined, but as Mrs. Price said, "Mary hasn't found her place yet. John is a coronet player; Greg plays the snare drums, and David the piano."

In 1961 they moved to Pampa. Since then, Mrs. Price has joined local and area music organi-

Austria, came to America when he was 19, and eventually made violins for the Boston Symphony orchestra. Her mother was also a violinist.

"I had my first violin when I was three," she said. "But it was mainly just to play with." The violin I use to perform with was made for me by my father in 1930."

Mrs. Price, a native of Boston, is a graduate of the Institute of Musical Art of the Julliard School of Music, New York, where she received a B.S. in public school music and majored in violin.

She was a charter member of the Berkshire Music Festival at Tanglewood, Lennox, Mass., and studied with Frank Kneisel of New York City; Hugo Kortschalk of Yale University, and Carlos Pinfield of the Boston Symphony.

"While I was in school at Julliard, my roommate went over to Columbia University, which is just a few blocks from Julliard and met Miss Josephine Thomas, who was at the time, a principal in an elementary school in Pampa. Miss Thomas was taking a summer course at Columbia. She told Mary, my roommate, that she needed a music teacher for Horace Mann. Mary took the job, came here and a year later, wrote to me telling me they needed a teacher at Baker Elementary School," she said.

In her audition for the Amarillo Symphony orchestra in June, she sight read music and played Bach's Double Concerto with Mrs. John Fagin, Borger, who also plays viola in the symphony.

"The violin is my instrument and always will be," she said. "However, when you study public school music you have to study all instruments in the orchestra, so it isn't hard to switch."

She rehearses with the symphony every Tuesday night in the Caprock High School in Amarillo. The orchestra has 85 members and opened its 40th season Oct. 1 with a new conductor, Dr. Thomas Hohstadt.

The native Oklahoman has been conductor of the Honolulu Symphony and holds a doctorate of musical arts. He is a Fullbright Scholar and member of the Eastman School of Music Conducting staff.

College teamwork means sharing dry-cleaning and laundering machines in the local coin-op. They'll do minor sewing repairs on the spot. Pooled efforts save money, time and ensure fresh wardrobes.

### Clothes Care Teamwork

By KAY SHERWOOD  
Newspaper Enterprise Assn.

Teamwork in clothes care is one way coeds and high school girls on their strict allowances can make their money go farther.

zations and participates in high school operettas. She is a member of the Treble Clef Club, is first violin in the Borger Chamber Music Ensemble, and is a member of the choir of St. Vincent's Catholic Church.

College towns, like most other towns, are studded with coin-op dry cleaning and laundering establishments that make it possible to keep clothes fresh for a nominal fee.

Some dry-cleaning machines hold eight-pound loads. Instead of waiting until you have a full load, team up with a roommate or friend to share the weight. A typical load might include four wool skirts, seven sweaters and two pairs of Bermuda shorts. Average cost of such a load is two dollars. Any pressing can be finished back at the dormitory.

Try to plan dry-cleaning loads, cleaning light colors together and dark colors together. If you have lint-producing tops in a load, place them in a nylon mesh bag. Turn all "long hair" sweaters inside out and put in bags to reduce pil-

ling and balling. By all means, read and follow directions for operating the machines unless there is an attendant on hand.

One word of caution: coin-operated laundries are somewhat different from home washing machines. You may, for example, find one that will handle a big load — too big for one person — so work out a joint load with a pal for economical laundering.

Follow printed instructions closely regarding the amount of detergent to use — the tendency is to use too much.

When you go off on a "cleaning" spree, pack along a small sewing kit. One girl can do minor repairs while the other sorts and loads machines.

Manners Make Friends

Talking to only one person in a threesome makes the other person feel he doesn't exist.

### Surprise Party For Birthday Honoree

Mrs. Myrtle Smith, was honored on her eighty-second birthday, with a surprise birthday party in the home of Mrs. Gordon Davidson, 2020 Alcock, Sept. 30.

Games were played, with the oldest guests present. Mrs. Smith and Mrs. Birdie McKinney, both eighty-two years of age, receiving rose corsages.

Garden flowers, provided by Mrs. McKinney, and white chrysanthemums, sent by Mrs. Myrtle Jackson, decorated the entertaining rooms.

Guests present were all old timers of the area, and had known Mrs. Smith for many years. Mrs. Smith, came to Texas, with her family in 1902.

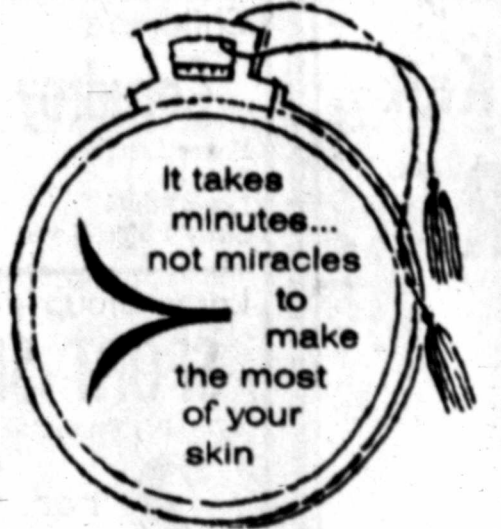

Mrs. Lillie McLoche, daughter of Mrs. Smith, assisted her mother in opening her gifts.

Refreshments, consisting of the decorated birthday cake and punch were served by Mrs. Davidson and her daughters, Mary and Connie, assisted by Mrs. Jack Wilkinson.

Attending were: Mmes. Boyd Brown, Maye Skaggs, E. F. Vanderburg, Elsie Batson, Thelma Batson, Harland Case, Archie Hawkins, S. T. Holding, Jack Wilkinson, Orvil Batson, Naida Haynes, Paul Shipley, Maxine Hapeman, Birdie McKinney and Mrs. Lillie McLoche.

Sending gifts but unable to attend were Mmes. Dissie Phillips, Lester Davis, Myrtle Jackson and Mrs. Frank Davis of Spearman, Texas.

Dear Abby...

What Is A Good Law?  
She's Got the Solution

By ABIGAIL VAN BUREN

**DEAR ABBY:** What good are laws? I'll tell you. They are good for the lawyers. The judge says a divorced man must pay so much alimony and child support. The man doesn't do it, so the woman has to go back to her lawyer and pay him to try to get her money for her. The divorced man says, "Okay, put me in jail and you'll get nothing!" Now, is that fair? Here is my plan. Instead of putting these men in jail full-time, why don't they sentence them to "jobs" on evenings and week-ends so they won't have all that free time to run around and spend the money they agreed to pay their ex-wives? How do I start the ball rolling?

**BITTER**

**DEAR BITTER:** In some circumstances the law permits a garnishee of wages, which means you get your share whether he likes it or not. If this relief fails, let the man test his bluff in jail on a charge of non-support. I'll betcha he won't repeat.

**DEAR ABBY:** I am a young woman. I have been told I am very attractive. I recently took a job running an elevator in what is supposed to be a high class office building. I would rather not go into detail, but I would like to know if it is really against the law to hit a man with glasses.

**GOING UP**

**DEAR GOING:** Yes—unless, of course, you hit with a police court

warrant for tampering with an elevator jockey.

**DEAR ABBY:** I understand that most men have a streak of jealousy in them, but my husband is impossible. He wakes me up at five o'clock in the morning to question me because he DREAMT I was chasing around with men all over the city. Abby, I am an ordinary-looking, middle-aged woman with three small children to look after, and I tell you I am not interested in any other men. I can't even go to church for fear of being accused of going somewhere else. My nerves are shot trying to stay sane for the children. I've never given my husband any reason to distrust me. He says he acts this way because he LOVES me. Is this love?

**NERVOUS**

**DEAR NERVOUS:** Your husband's jealousy has nothing to do with "love." Suspicious based on fantasy are a symptom of mental illness.

**DEAR ABBY:** I don't have a problem (any more) but I have some advice for young women. When you meet a man who says he is married "in name only" but isn't heel enough to divorce his wife because she is "sickly" — watch out! I fell for that line for two years. One evening while Mr. "No Heel" and I were barbecuing in my back yard his wife paid us an unexpected visit. She was so "sickly" that she picked up this 180-pound man and sailed him

POLLY'S  
POINTERS

**DEAR POLLY:** Would you and the other girls like some new shifts without spending a cent? If you or your daughters are tired of some of your full skirts and the fabric is still in good condition, you can make a short shift from the material after you remove the waistband and open up the hem. Use this material, holding it the long way, and with or without a pattern, you can make shifts for covering bathing suits or wearing around home. The gayer the material, the better—MRS. J. G. K.

**P. S.** — You can make pretty note paper by cutting off, with the pinking shears, the letterhead of some outmoded stationery and then pinking the bottom of the sheet to match.

**DEAR POLLY —** If you put up your paper towel rack in a vertical position and tear the towels down rather than across, they come off neatly. My husband was short of space and put up a towel rack this way in his darkroom because of necessity. We find the towels tear off much more neatly than when the rack is placed in a horizontal position. — MRS. J. A. D.

**DEAR POLLY —** Do not panic if the paperhanger calls to say he

across the yard. He landed on his head and broke his collarbone. Sincerely yours,  
HELENE

**Coffee**  
(Continued From Page 20)

student's religion. Values which the mothers placed the highest from this contact with the students were: that it cemented their own family relationships; they learned tolerance and understanding of other religions, respect for other points of view, cultures and traditions, and they appreciated the adaptability of these students.

The business meeting was opened with the reading of names from the Yearbook of Prayer by Mrs. Glenn Ritchhart and then a prayer. Announcement was made that Fall Presbyterian would be in McLean on October 15, and those attending are asked to bring a sack lunch. Mrs. George Friauf read the secretary's minutes and Mrs. Bill Deaton gave the treasurer's report.

Arrangements for the coffee were supervised by Mrs. K. A. Sorenson, Mrs. H. S. Alderman and Mrs. E. J. O'Brien of the Fellowship Department, with the help of circle members.

Besides the ladies aforementioned, these women were registered by Mrs. Brent Blomkvist and Mrs. W. S. Dixon: Mmes. E. W. MeJunkin, Bruce Pratt, F. D. Heckman, Dick Walker, Holt Barber, Earl Casey, John Brewer, G. H. Adams, Wallace Benefield, Dale Kessel, Hettie Seiber, Estelle Wheeler, Nelle Seiber, Ollie Stewart, Clinton Henry, Fred Hobart, Raymond Shirley, Jim Hobbs, E. L. Biggerstaff, Don Smith, T. D. Green, Owen Gee, J. B. McCreery, W. L. Hasse, L. W. Jolly, George Budd, John Nutting, David Gantz, R. H. Nennstiel, Claude Ferrel, John McKnerney, R. F. Dirksen, and Norman Briden.

is coming earlier than expected, and the woodwork is not painted. Just paint the edges of the woodwork that will touch the new paper and finish the job after he leaves—ELM

**GIRLS —** Do not be so careless that the paint drips in streaks down on the rest of the wood. Smooth it out with the brush or it may show when you finish the job.—POLLY

**DEAR POLLY —** When I am knitting a pattern stitch, I type or

copy off the pattern for every row with the full directions for each row separated by two lines. Then I tape this paper to a piece of cardboard. This eliminates having to refer to the book so often and is easier to handle. I also fasten a lightweight ruler across the page by anchoring it with paper clips and as I work each row of the pattern, I move the ruler. In this way I am not always hunting my place and when I stop knitting and start again, I know exactly where

I am. Many mistakes are saved.—MRS. D. S.

**GIRLS—**Any of you who have lost your way in a knitting or crocheting pattern will surely appreciate this and be saved from ripping many a row.—POLLY

**OCTOBER 6 to 12**

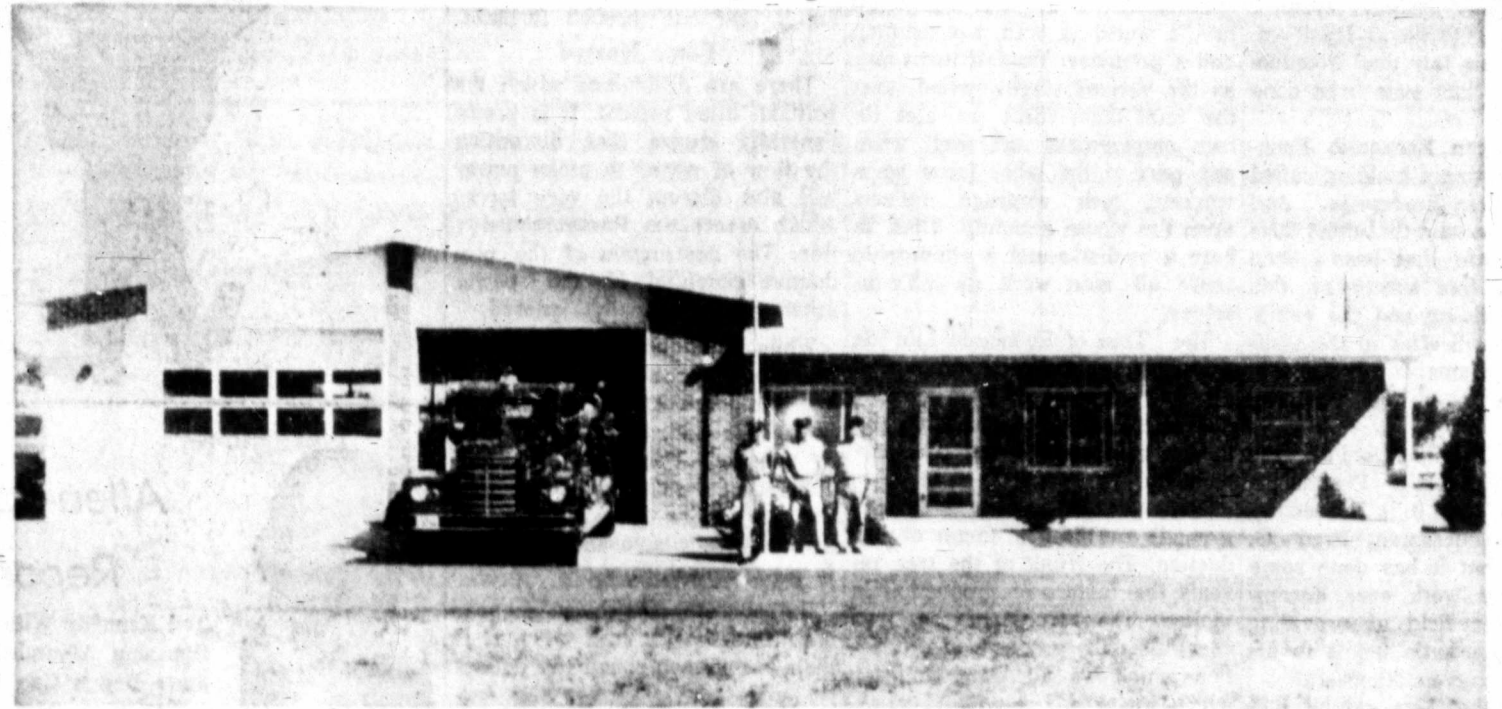

**MESSAGE FROM  
FIRECHIEF WINBORNE**

I would like to stress the importance of a good fire prevention program, not just this week but 365 days of the year. The fire department has to have the help of the citizens of Pampa. Every year in early fall we have a number of fires because we fail to clean and adjust our floor furnace, we are careless with our smoking, and we are overloading our electric wiring.

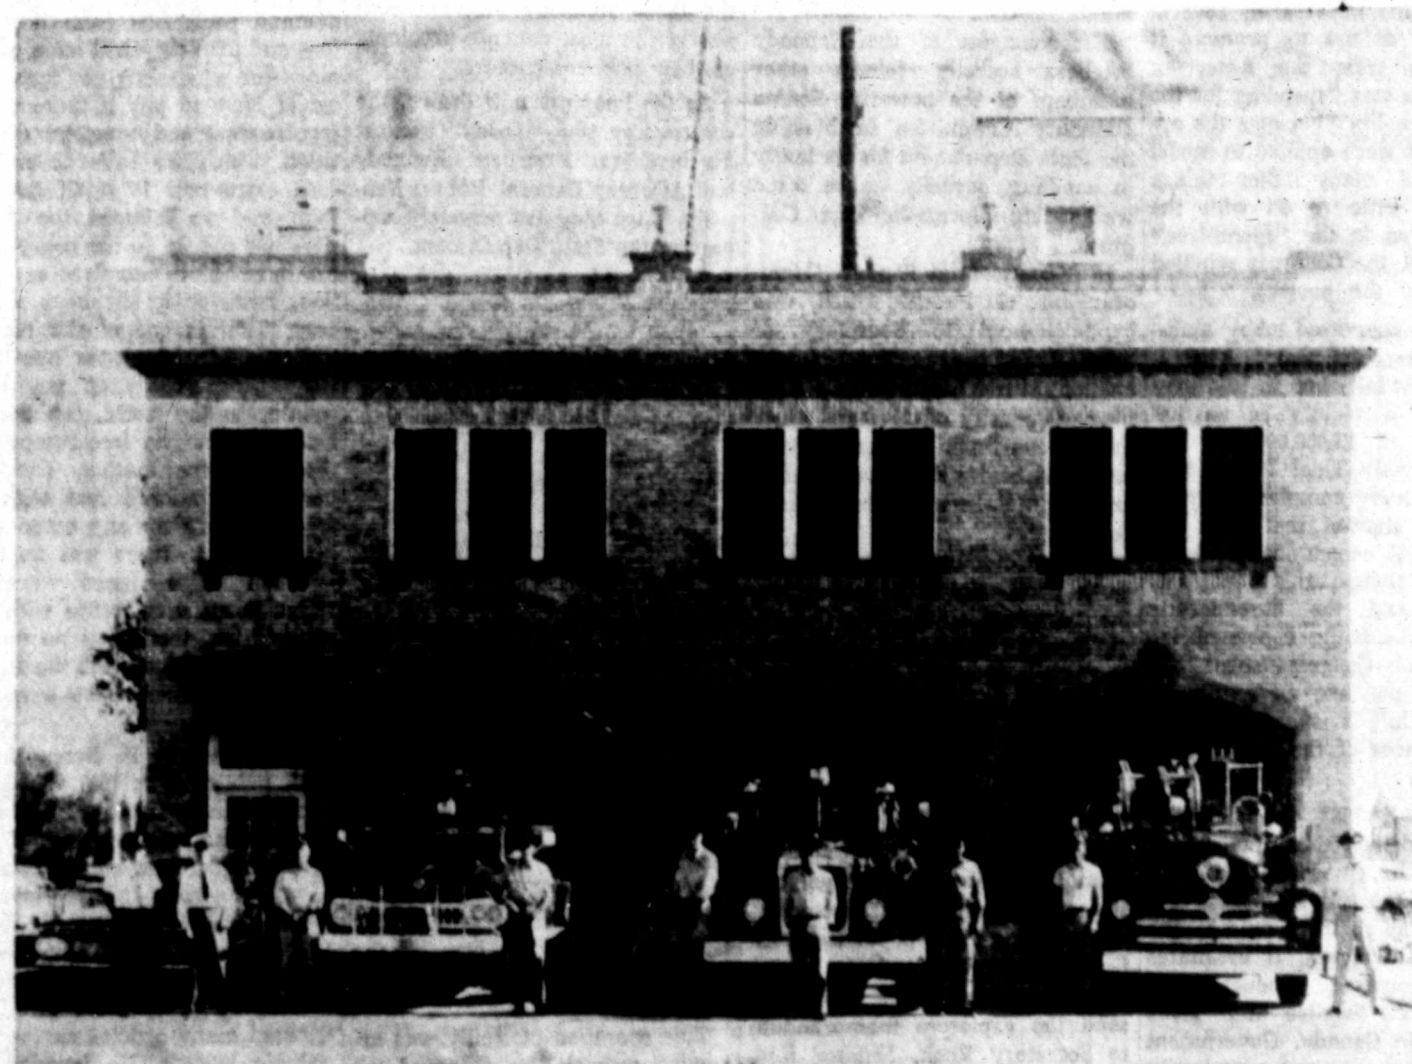

We have tried to get free fire inspection started in Pampa. If any citizen will call MO 4-6441, we will be delighted to come and make a free home inspection. We will not make requests, only suggestions.

Sincerely  
Firechief J. E. Winborne

FIRE STATION NUMBER 1, At 321 East 17 th Street. This station has 3 firemen on duty at all times. It is equipped with one 750 gallon per minute pumper, with 400 gallon booster tank.

**OPEN  
HOUSE  
AT ALL  
3 FIRE  
STATIONS**

CENTRAL STATION at 203 West Foster. This main Pampa station has 7 firemen on duty at all times, plus Firechief Winborne, assistant Firechief J. V. Pirkle, and Assistant Fire Marshall L. V. Bruce. This station is equipped with one 85 ft. aerial ladder, one 750 Mack pumper with a 400 gallon booster tank, one booster truck with 440 gallon tank: (This booster truck is equipped for country fire fighting), plus one emergency vehicle used as an ambulance. This emergency vehicle is equipped with a Scott Air Pack and Resuscitator.

Telephone Number

**?**

FIRE STATION NUMBER 2 at 1010 S. Barnes. This station has 3 firemen on duty at all times. It is equipped with one 750 Broadman Pumper with 400 gallon booster tank, and a booster truck with 200 gallon tank.

**FIRE PREVENTION  
SHOULD BEGIN AT HOME**

- Keep dry grass and other combustible material cleaned up
- Never leave matches near children
- Don't have that last smoke in bed.
- Examine and replace faulty electrical wiring.
- Don't store combustibles in your cellar and attic
- Cooperate with your local fire authorities.

The Hall of Free Enterprise

We're beginning to get excited about the New York World's Fair. Not because fairs get us excited generally. But rather, because there is going to be at least one exhibit at this fair that is unlike anything that has ever been done before.

The American Economic Foundation is erecting a building called a "Hall of Free Enterprise." And while it can be said that most fairs offer very little that hasn't been produced by free enterprise, this particular building and the exhibits within it will offer to the visiting public a tremendously graphic view of the way the economy works.

Those not familiar with the American Economic Foundation should know that it is headed by a retired businessman, Fred G. Clark, and that it has done some of the finest work ever accomplished in the field of providing the proper semantic labels to ordinary economic functions.

The beauty of this exhibit will be that it will combine the simplicity for which the foundation is noted, with an actual graphic presentation of how the economy really does work. It will be done in such a way that we suspect just about anyone can understand it.

As you glimpse the building, you will be impressed at once by the gigantic pillars across the front, making it appear to be a sort of Greek Parthenon somehow transported to New York. There are ten of these pillars, representing the ten pillars of economic wisdom.

But your real thrill begins as you go into the building. For the first time in known history you will experience what some are calling the "instant learning" process. The keys to quick comprehension are the self-evident truths presented and the simple words used to explain what those truths are and how they work.

There are four principal exhibits. These are: 1. The Pathway to Plenty. 2. The Tree of Economic Life. 3. The Flow of Corporate Funds. 4. The Question and Answer Board.

When a visitor enters the building, he will spend his first 12 minutes on the Pathway to Plenty. This pathway is a route past nine living tableaux, each of which electronically presents various stages in the route to a better and more plentiful economic system.

Edward Gibbon's great historical work on the decline and fall of the mighty Roman republic should be read by every person in or out of school. The great historian was painstaking in his research and most scholars today concede that the work is one of the most accurate and detailed on any known period ever chronicled.

What principally interested Gibbon was not only the task of setting the record straight in respect to the awful event which changed the history of the world but in trying, if possible, to determine the causes which brought on the catastrophe.

He finally reduced the causes to five basic trends which developed during the time from Sulla to Diocletian. Here are the five: 1. The undermining of the dignity and sanctity of the home, which is the basis for human society.

2. Higher and higher taxes; the spending of public money for free bread and circuses for the populace. 3. The mad craze for pleasure; sports becoming every year more exciting, more brutal, more immoral.

4. The building of great armaments when the real enemy was within — the decay of individual responsibility. 5. The decay of religion; faith fading into mere form, losing touch with life, losing power to guide the people.

Gibbon was an historian and not an economist. Were we to seek to simplify and condense all of these five into a single harmful policy which was followed avidly by the lusty Roman throngs we would contend that a summation

The American Way

QUODDY FOLLY- By Willis E. Stone Chairman, National Committee for Economic Freedom

The new drive by the Secretary of the Interior to impose the Passamaquoddy Tidal Power Project on the American people is a brazen and bizarre spending scheme.

It all started back in 1913 when the 16th Amendment gave political manipulators the power to dip into the pay envelope of every American through the income tax route. Then began the long quest for projects to justify the spending of taxpayers' money to give them so-called "something for nothing."

Promotion of the Passamaquoddy project is a political fantasy which began in 1919. On Passamaquoddy Bay in northern Maine, because of an unusual arrangement of inlets, the rise and fall of the tides inside the bay are vastly greater than in the ocean.

The idea was, and is, that electricity can be made by fencing off the high tide in the bay and making it flow out through turbines. There are difficulties which the political mind rejects. It is pretty generally known that disrupting the flow of water to make power will also disrupt the very forces which create the Passamaquoddy tide.

The destruction of the productive potential of the power scheme is politically ignored. While the flow of water can make power, the difficulties of using this force at Passamaquoddy have been studied for a long time by qualified engineers. The unanimous decision has been that the cost factors would make it fantastically expensive and completely uneconomical.

Bureaucrats, however, appear unconcerned with such logic. It is their business to spend tax dollars to build their empires, and economic feasibility has rarely been a consideration in bureaucratic eyes.

Political Plumb — In 1935 the Passamaquoddy project became a political plumb, without much discussion and, at the bottom of the depression, several million tax dollars to promote it were taken from the American people. This was "spending for the sake of spending" because the appropriations were applied to model villages and many other things which had little to do with the project. Even in the "spend-free" days of 1936, the Congress rebelled and stopped the project.

The tax-supported lobby maintained tremendous pressure to re-establish this folly and in 1955 they again won a victory in an appropriation of \$3,000,000 for the Passamaquoddy Tidal Power Survey. The survey completed a year or so ago showed that it is decidedly NOT economically feasible. It was thought this would permanently end the bureaucratic nonsense. Suddenly, copies of the report which Congress spent \$3,000,000 to get are as scarce as "hen's teeth." It is assumed that remembrances of the report have also faded.

On July 1, 1963, the Interior Secretary delivered a "favorable" report on the Quoddy Folly. This report cuts the estimated cost to a mere \$1.2 billion to be paid by the American taxpayers. It estimates greatly increased production to make it look feasible and gives half of it to Canada. Government estimates have proved notoriously faulty. They sometimes estimate only one-tenth of the eventual cost, while promising many times the actual production, but bureaucrats are never held responsible for bad guesses.

Protective Power — The original Constitution tried to prevent federal bureaucrats from competing with taxing and accountable private enterprises. THE LIBERTY AMENDMENT is designed to revitalize the protective power of the Constitution and terminate a multitude of "Quoddy" follies. It is pending in Congress as H. J. Res. 23 and has been approved by six States. It provides that: "Sec. 1. The Government of the United States shall not engage in any business, professional, commercial, financial or industrial enterprise except as specified in the Constitution."

"Sec. 4. Congress shall not levy taxes on personal incomes estates, and — for gifts." dependency and reliance upon the "strong man." Religious faith is little more than an ultimate belief in the eternal rightness of the universe as it relates to human beings. For human beings to exist at all, they must own property privately. When public theft is practiced over long periods, people no longer have faith in the rightness of things. Their faith is transferred to government, which becomes their only god. This is the core of all paganism. Faith in government always leads to a total loss of faith in self. Self-reliance is replaced by group

"You Mean You Bagged That With a Blueprint and a Box of Tools?"

Allen-Scott Report Ted Kennedy With Senate in Opposing Administration On State Dept's Gag Rules and Move to Oust Otepa ROBERT ALLEN PAUL SCOTT

WASHINGTON — Senator Edward "Teddy" Kennedy has reluctantly taken his first politically explosive stand against his brother's administration.

The youngest of the Kennedy brothers secretly joined other members of the powerful Senate Judiciary Committee in blasting the State Department for its laxity in handling security cases and withholding information from Congress.

In a confidential 10-page "Memorandum of Fact," which was hand-delivered to Secretary of State Rusk, the senators bluntly challenged the department's banning of security officers and other State Department personnel from testifying before the Senate Judiciary Internal Security Subcommittee.

They demanded that Secretary Rusk personally halt the department's move to oust Otepa, 48, chief of the evaluation division in the department's Office of Security, questioning the validity of the charges against him.

Citing chapter and verse of numerous instances of the department's laxness in handling security risk cases, the senators listed what they described as "untrue" statements made to the subcommittee by a high department official while under oath.

Before joining in the decision to send the explosive memorandum to Secretary Rusk, Senator Kennedy, a member of the full judiciary committee, argued against hasty action and suggested a delay for further investigation.

However, after this meek plea failed, young Kennedy later supported Senator James Eastland, chairman, in his request to press the showdown by sending the memorandum to Rusk.

Senator Eastland, who is also chairman of the Internal Security Subcommittee, demanded the head-on collision with the State Department after he learned that Rusk had silenced Otepa, his subcommittee's star witness, and was preparing to oust him because of information he had furnished the senators.

THE RUSK GAG—According to the memorandum, the gag order is contrary to Title V, Section 42, of the U.S. code which states that the right of any member of the classified civil service to furnish information to any member of Congress shall not be denied. This law was passed by Congress in 1948.

It also states that the order is in violation of concurrent resolutions of the House and Senate in 1958, which provide: "Any person in government service should put loyalty to highest moral principles and to country above loyalty to persons, party or governmental department."

These congressional actions and laws have become the focal point in the senators' head-on conflict with the State Department's refusal to cooperate with Congress, and in the department's handling of the Otepa case.

Question Box

(We invite questions on economic and the proper functions of government which will not injure any...)

QUESTION: "Why do so many think competition is harmful?"

ANSWER: Probably the reason is that they can see the benefits they get if they have a protection from competition, because the benefits are concentrated. They fail to see that if they are protected from competition others will demand protection from competition, and then they will have to pay more for what they get than they would have to pay if there was a free market and complete competition, which we have never had.

This extra cost is small on each item and so diffused the buyer does not see it. To the degree that we have had complete competition, however it has been a success. That is one of the reasons that the United States has been more prosperous than any other country in the world, because we have more nearly free competition than any other nation. The government interfered less with the free market than any other place in the world. There was no tariff between states, taxes were low, which is an interference with free competition, there was no monopoly of labor unions, and the federal government didn't have a monopoly on money.

Sir Ernest J. P. Benn, in his book published in 1928, "The Return To Laissez Faire," has about as clear an explanation of why people object to competition as we have run across. It is too bad that this book is out of print. Sir Ernest J. P. Benn was an employer of 2,000 men and the publisher of various magazines. He also contributed many articles on the Capitalistic system. He founded the Society of Individuals in London. Here is part of what Sir Ernest J. P. Benn had to say on competition:

"Competition does cause inconveniences, but so does gravity, and just as the physical world is held together by this force, which imposes odd inconveniences, so the economic world is absolutely dependent upon the force of competition.

"The modern habit of objection to competition arises from the modern political folly of thinking of only one side of trade and industry. We insist upon concentrating the whole of our attention upon the maker of an article, and forget altogether the other person or persons whose need of the article is the only excuse for the making of it or for the existence of the maker. Without competition no market would ever have come into being, and if the attempt to eliminate competition succeeded every market would wither and disappear. We should thus drift into forgetting one need after another. We should live simpler and harder and shorter lives, and generation by generation we should retrace our steps to barbarism and to Eden, all the time steadily reducing our numbers until eventually we all disappeared.

"We must organize, we must amalgamate, but on no account, say the Collectivists, must we compete."

"The value of competition as a market maker is ignored; yet it is to competition that we owe every material amenity we possess. We have allowed public opinion on this question to become very seriously onesided. In our endeavour

Edson in Washington Great Civil Rights March Was Just Another Parade

By PETER EDSON

WASHINGTON (NEA) — As leaders of the Aug. 28 March on Washington For Jobs and Freedom meet in the capital again to assess what has happened in the intervening month and to plan their future course of action, they are confronted by a confused civil rights situation in Congress.

The draft of a bill to carry out President Kennedy's civil rights reform recommendations for this year is being readied for action by the full House Judiciary Committee under Chairman Emanuel Celler, D-N.Y. He was also chairman of the subcommittee which wrote the bill.

It is obviously not going to satisfy all demands of the march organizers, meeting in Washington as members of the Leadership Conference on Civil Rights.

This is a 14-year-old biracial lobby of 60 religious, labor, fraternal and civil liberties groups working for stronger legislation. It recently opened a Washington headquarters under its secretary Arnold Aronson for the duration of the Congressional battle. Its general chairman is Roy Wilkins, executive secretary of the NAACP and one of the march organizers.

If the Leadership Conference decides that the House civil rights bill is as good as can be obtained this year, there may be no cause for immediate action.

If the leaders decide the bill is too weak, there will be a fight. If even a mild reform bill gets hung up in House Rules Committee, there will be protest and further demonstrations.

The general assumption is that if a good bill is cleared by the Rules Committee, it will pass the House, though not without considerable oratorical fireworks.

In the meantime, the Senate had been scheduled to take up as a test case on civil rights prospects for the year an amendment to an unrelated private claims bill. It was sponsored by Senators Mike Mansfield, D-Mont., and Everett M. Dirksen, R-Ill.

Their rider would make the U.S. Civil Rights Commission a permanent government agency and enlarge its powers.

The Civil Rights Commission's final report is ready for issuance and the agency is scheduled to wind up its affairs by Nov. 30 unless it is given a new lease on life.

President Kennedy has recommended a four-year extension, and this has been approved by a Senate civil rights subcommittee. The attempt to make the commission a permanent agency and enlarge its functions brought on such prompt southern opposition that the sponsors withdrew their amendment, claiming it had been introduced as a mistake. In its place they offered a simple one-year extension.

This may prevent an immediate filibuster, but one is almost sure to develop when the House-approved omnibus civil rights bill gets to the Senate, say mid-November.

During preparations for the March on Washington its leaders announced that in event of a filibuster, march participants would get rid of all that is meant by "wage slavery" that are forging chains of slavery for ourselves as consumers. But we are all of us much more directly interested in the economic position as consumers than as producers.

The Almanac

By United Press International Today is Sunday, Oct. 6, the 279th day of 1963 with 86 to follow.

The moon is approaching its last quarter.

The morning stars are Mercury and Jupiter.

The evening stars are Jupiter and Saturn.

On this day in history: In 1890, Morrison in Utah renounced the practice of polygamy.

In 1927, the first full-length "talking" movie — "The Jazz Singer" — was shown.

In 1938, Dr. Edward Benes resigned as president of Czechoslovakia under pressure of a German ultimatum.

In 1958, 66 persons died when a United Airlines DC 4 hit Medicine Bow Peak in Southern Wyoming.

Modern blue-black inks are made according to an ancient recipe: a soluble iron salt mixed with an extract of tannin. The first inks, dating back to about 2500 B.C. Egyptian and Chinese civilizations, were made of lampblack ground with a solution of glue or gum and allowed to harden into sticks.

HOW TO ADDRESS OUR LAW MAKERS You may wish to write your senators and representatives in Washington and Austin. Here are their addresses: (FEDERAL) Rep. Walter Rogers, House Office Bldg., Washington 25, D. C. Sen. Ralph Yarborough, Senate Bldg., Washington 25, D. C. Sen. John Tower, Senate Office Bldg., Washington 25, D. C. (STATE) Rep. Grainger McIlhenny, House of Representatives, Austin, Texas. Sen. Grady Hazelwood, State Senate Bldg., Austin, Texas.

**SCIENCE SKETCHES**

**THE SUN** is losing weight, says physicist Eugene Parker of the University of Chicago, at the rate of two million tons a second. Parker believes the material shoots off into space as a sort of solar wind.

ONE out of every 12 American adults takes tranquilizers regularly. The pills are the third-most-prescribed drug with annual retail sales of over \$12 million.

**'BUBBLE BATHS'** for crude oil extracted from soybeans and cottonseed increase yields of edible oil, reports Victor in Lenoirville, U.S. license for the new Swedish process. Bubbling droplets of oil through a bath of weak lye removes the free fatty acids as soap.

**'Be My Baby' Replaces 'Blue Velvet' as No. 1**

CHICAGO (UPI) — "Be My Baby" by the Ronettes this week pushed Bobby Vinton's "Blue Velvet" from the top spot in United Press International's list of top 20 tunes, a nationwide survey showed today.

"Be My Baby" rushed to the forefront from fourth place last week, shoving "Blue Velvet" from the first position it occupied for five weeks to second place. "Sugar Shack" by Jimmy Gilmer was in third place.

The Jaynetts' "Sally Go 'Round the Roses" moved up on position to fourth place, and "Surfer Girl" by the Beachboys dropped a notch to fifth spot. "My Boy Friend's Back" by the Angels tumbled from second place a week ago to sixth spot this week.

"Mean Woman Blues" by Roy Orbison, in his first week on the survey, captured seventh place. "Talk to Me" by Sunny and the Sunlows held eighth. In ninth spot was "Donna, the Prima Prima Donna" by Dio Di Muci and a newcomer, "Deep Purple" by Nino Tempo and April Stevens ranks 10th.

The top 20 tunes with positions last week, and number of weeks on the survey in parentheses: 1. (4-5) Be My Baby. Ronettes. Philips.

11. (18-2) Don't Think Twice. Peter, Paul and Mary. Warner.

12. (17-2) Maria Elena, Los Indios Tavarajas. RCA.

13. (11-6) Cry Baby. Garnett Sims. United Artists.

14. (0-1) Martian Hop. Ren-Dells. Chairman.

15. (19-5) Mickey's Monkey. Miracles. Tampla.

16. (0-1) Busted. Ray Charles. Paramount.

17. (0-1) Surfer Joe. Surfari. Dot.

18. (14-2) I can't Stay Mad at You. Skeeter Davis. RCA.

19. (0-1) Only in America. Jay and the Americans. United Artists.

20. (0-1) Fools Runs In. Rick Nelson. Decca.

**MAGNIFICENT BUM**—Chuck Connors has really been around. He has played baseball with the Dodgers, starred in a television western, became a television attorney and now he's in a movie comedy.

**HORTON SIGNED**

NEW YORK (UPI) — Norman Rosemont, personal manager and partner of singer Robert Goulet, has signed actor-singer Robert Horton to a personal management contract. Rosemont also plans to be involved in production ventures with Horton. Horton first achieved national prominence as the star of the network television series, "Wagon Train."

**TV-Off Camera**

By **JOSEPH FINNEGAN**, UPI Hollywood Correspondent

HOLLYWOOD (UPI) — The comedy comeback on television may have surprised some performers, but it was no news to Red Skelton, who believes it's an entertainment fact of life.

Red has only to point at himself to prove it. He's been around television longer than almost any star.

"Since the beginning of time it was comedy," Red said. "They started with comedies, went to cowboy movies then tragedy and back to comedy. It was the same with radio in the beginning with Ed Wynn. He was the first one to put an audience in the radio studio."

Skelton, now starting his 13th year on television, said movies went through the same cycle as video.

**NEW TV SHOW**

NEW YORK (UPI) — Mary Markham, game show specialist previously identified with such audience participation programs as "Truth or Consequences" and "First Impressions," has joined with Bob Banner Associates to create a new TV word game called, "Great Expectations." Planned for a night time schedule, "Great Expectations" will soon have a "dry run" for network executives and interested sponsors. This is the first venture of its type for the Bob Banner group which currently produces the Gary Moore Show, Candid Camera and the Jimmy Dean Show, the latter a new fall entry on ABC-TV.

**NAZI TO WED**

COVENTRY, England (UPI) — Colin Jordan, Britain's No. 1 Nazi, said Saturday he and Francoise Dior, 31-year-old niece of the late couturier Christian Dior, will be married here next month.

Jordan has lost a teaching job and has spent some time in jail because of his extreme rightist political activities. He is the head of Britain's National Socialist Movement.

**Nervous Exhaustion Strikes Anna Maria**

HOLLYWOOD (UPI) — Singer-actress Anna Maria Alberghetti was in Good Samaritan Hospital Friday recovering from what her physician described as nervous exhaustion.

The 27-year-old singer collapsed Thursday at a nearby Beverly Hills restaurant. She was rehearsing the National Anthem which she was to have sung Sunday at the fourth World Series game at Dodger Stadium.

**"My neighbors insisted that I get an ELECTRIC RANGE!"**  
says Mrs. Huff Pope, 1722 9th, Levelland, Texas

"When I moved from the farm to the city, my wonderful new neighbors, Mrs. Lendsey Dycus (at left in the picture above), and Mrs. Fred Barker, both of whom were already cooking electrically, insisted that I, too, get an electric range. Well, they won out and I'm sure glad—I wouldn't cook any other way," Mrs. Pope says.

In the picture, at right, Mrs. Pope slices one of her locally famous pound cakes with the comment, "I've never baked better cakes than in my electric range."

**SPECIAL OFFER**  
You, too, can perk up your cooking with a new electric range and, if you're a Southwestern Public Service Company customer, receive a West Bend 12 to 30-cup party perk free. Your Reddy Kilowatt Recommended dealer will demonstrate his range for you—ask him.

## New Drilling Techniques Will Aid Oil

DALLAS (UPI)—The oil industry's problem of rising exploratory costs can be solved by the development of less expensive drilling techniques and new exploratory tools, W. O. Ham, Jr., vice president of the Continental Oil Co. said yesterday.

Ham told the Fifth National Institute of Petroleum Landmen that the per cent of profitable gas and oil fields started a downward trend in 1945 and is continuing down.

Ham suggested several companies combining their acreage and that companies must be alert to changes and new concepts in exploration and research.

**Card of Thanks**  
You are gone but not forgotten, the one we love so well. The loneliness that has been ours No tongue can ever tell. Come winter time, come summer Come sweat and cleansing rain, And when the Autumn comes Both sun and moon shall wane. Come and time and the flowering And the harvesting of grain. The earth will cease and time grow old, But we shall meet again. Now you will sleep a little while, And dream in peace and contentment. Now one day we shall follow you And sleep, too, beneath the sod. And when we meet again, With a vague sense of remembering, And have lived in other lives Before this new ascending.

**CLAYTON YORK**  
May we express our gratitude to our many friends and neighbors - anyone who in any way acted in love and kindness, and extended so many deeds of sympathy in our behalf, at the loss of our beloved husband and father, Clayton York, to the Rev. Loren Williams and the Lamar Christian Church members for their kind words of condolence. To the Duenkel-Carmichael Funeral Directors for their impressive last rites for the lovely array of flowers, and to those whose efforts were manifested in the preparing and serving of the food. May Grace and Blessings be extended to you - my dearest and dearest Clayton, to my Brothers and Sisters, J. B. Owens.

**Not Responsible**  
I WILL NOT be responsible for any loss of property by anyone other than myself as of this date, October 4th, 1963.

/s/ Gerald Chase
