## Solons Fight To Retain Relief Commission

Twinkles

Cuba has a President-of-the-Month club but France is evidently going to make it a weekly cabinet.

This can't be a "lazy" town when, every time one steps out of his office, he is going to some particular meeting or place.

It will be worth the price of admission to see some of the cow hands in Tuxedos at the Lions minstrel—that is, if Tuxes can be found to fit the assorted shapes.

Pampans are already calling us to learn when the city swimming pool will open. Answer: as soon as the ice melts off of it "next winter."

Idea for today: Why not play baseball in high school on December 1, then open the football season? Or would our January weather be too hot for the gridiron sport?

Brevitorials

Musings of the moment. Troubles are relative. We'd like to be troubled once more by the necessity of making out an income tax return. We'd like to be bothered trying to decide where to spend a long vacation "in the waiting places." It would be bad to have to have to think long and intensely over whether to spend our money or save it. Wearing formal dress is much like taking a bath—not so bad after you get into it. Working for you to meet's Ustion (burning), wheyface (coward), rakehell (dissipater), depature (graze).

NEWCOMERS who see level pampans in every direction may know something of the ruggedness of central Gray county and even of the sandhills along the railroad ear'ward, but few of them have any conception of the country lying 20 miles north of Pampa. A B. C. D. group which drove to the Canadian river this week encountered deep, sandy ravines which stilled their car several times. There is a science in driving through deep sand, and a finer art in getting out when "stuck." The Pampans also saw a cotton-wood tree 12 feet in diameter—who said we have no trees in this section!

PERSONS unfamiliar with the Canadian river have no conception of the task of bridging the "stream." In ordinary times there is only a thread of water running through a bed of sand half a mile wide. Quicksand abounds—sand that in spots will quikly swallow a car, beyond all hope of recovery. There is an advanced art in getting out of quicksand, but in most cases agitation merely "sets" the impounded object. Lifting creates a vacuum which increases the grip. This wrager has seen wagonloads hay slowly sink from sight. Cattle occasionally are lost the same way.

ARGUMENTS abound as to the cost and method of bridging the Canadian. Soundings must be taken to find the "best" nearest to the surface, coupled with the narrowest practical width of the stream. With the shifting sands about the bridge pillars, the ends of any bridge are not likely to take much of a pounding in flood times without losing alignment. And the sleepy old stream can, on occasion,

See COLUMN, Page 6.

WHAT FORM OF GOVERNMENT HAS THE UKRAINE?  
(See ANSWERS, page 4.)

## SARAH HUGHES OPPOSES PLAN OF FERGUSONS

SAYS CWA ACTIVITIES WOULD BE HALTED FOR PROBE

AUSTIN, Feb. 8 (AP)—A proposal to replace the present Texas relief commission with a group more in harmony with Governor Miriam A. Ferguson provoked extensive debate today in the Texas house of representatives, considering a bill to authorize additional state relief bonds.

The governor yesterday advised the legislature "peace and harmony" were lacking in the commission's deliberations and that "certain members of the commission have not lost a single moment, since their appointment, to embarrass the present administration and to oppose the efforts of my office and appointees to successfully carry on the relief work in Texas."

The argument was precipitated by an amendment to strike out sections of the bill setting up a new commission and to provide for continuation of the existing board, which is composed of the governor, chairman of the industrial accident board, chairman of the civil judicial council and three members each appointed by the lieutenant governor and speaker of the house.

The bill would empower the governor to name two members. The lieutenant governor and speaker would name three each and the governor would serve as chairman with the right to vote, a privilege she does not now have.

Representative Sarah Hughes of Dallas asserted the recent action of the federal government in reorganizing the Texas relief commission as the CWA administrator was sufficient reason to continue the present commission. She said she feared the federal government would suspend CWA activities pending an investigation of the new commission if one was sent up.

"We should not disrupt this work merely to satisfy the whim of the governor," Mrs. Hughes said.

## Travel Bureau Illegal Under New State Law

Operation of "travel bureaus" is illegal under a new state law, according to Bernard Renfro of the motor transportation division of the Texas Railroad commission, who was here yesterday.

## Police Arrest 91 in January

Pampa police officers made 97 arrests in January.

These were distributed as follows: Vagrancy 9, drunkenness 36, affray 10, disturbing the peace 3, speeding 6, other traffic violations 19, investigation 6, possession of liquor 1, murder 1, theft 1. Fifteen cases were later dismissed.

Fines assessed totaled \$592.50, of which \$470 was collected. Prisoners worked 23 days, served 68 days in jail. Six cases were referred to higher courts. Prisoners were served 238 meals.

## I HEARD—

Bonnie Rose comparing one of M. K. Brown's London, England, tabloid papers with a store magazine.

Some of the "inside dope" on the Lions Minstrel which will be presented here Monday and Wednesday nights and it sure will be worth the price of admission.

Mr. and Mrs. J. P. Brown are the parents of a 7 1/2-pound daughter, born yesterday in Worley hospital. The young lady has been named Zula Margaret.

## AGED RESIDENT FATALLY INJURED WHEN STRUCK BY FENDER OF CAR BEING DRIVEN BY LOCAL YOUTH

Roy Webb, Jr., Unable To Stop Car When John Collins Appears Suddenly In Front of His Machine

INJURIES received when he was struck by an automobile last night proved fatal to John Collins, 78, in a local hospital this morning.

Mr. Collins was struck by a car driven by Roy Webb, son of Dr. and Mrs. R. A. Webb, who had just turned from Francis avenue into North Purviance street.

The youth said he had made the turn and driven a short distance before striking Mr. Collins, who was picked up about 10 feet behind the vehicle. One fender struck Mr. Collins, hurling him to the hard road.

Mr. Collins suffered a broken arm, broken leg, and bruises. He was rushed to a hospital in a C. C. Malone ambulance, called by Chief of Police Jno. V. Andrews, who was notified of the accident by Mr. and Mrs. D. Bowsher. They told Chief

Andrews that they heard Webb calling for someone to help him take Mr. Collins to a hospital.

Mr. Collins had been a resident of Pampa for a year. He made his home with a daughter, Mrs. D. Erazell, 720 West Buckler street. Mr. Brazell is local representative of an insurance company.

Mr. Collins is survived by five daughters: Mrs. Brazell; Mrs. S. A. Crow, Richmond, Va.; Mrs. W. E. Clark, Mosier, Ore.; Mrs. Harry Cain, Penola, Kan.; and Mrs. Bern Brewer, Arlington, Ore.; and three sons, H. A. of Weldon, Mont.; Oliver of Circle, Mont.; and Clark of Hutchinson, Kan.

Funeral arrangements have not been completed. The body will be sent to Mendon, Kan., for burial by the side of Mrs. Collins, who died 16 years ago. The body is at the Stephenson Mortuary.

## MANY ACTIVITIES TO CELEBRATE ANNIVERSARY OF SCOUTING HERE IN NEXT WEEK; PROGRAM GIVEN

Mobilization Day To Be Held All Day Saturday

AN outline of activities for Boy Scout week was completed today by Scout Executive C. A. Clark at the local headquarters of the Adobe Walls council.

The tentative program follows: February 8—Anniversary day; window displays by troops; renewing of Scout oath.

February 9—Community good turns; chapel programs, civic club programs; good turns at home.

February 10—Mobilization day; Pampa district Scouts will meet at the city auditorium at 10 a. m.; basketball, tennis, ground ball, and archery will be played before and after program, when President Roosevelt will be heard.

Sunday, February 11—Scout Sunday; church services will stress value of Scouting.

February 12—Lincoln day; patriotic services; chapel exercises; civic good turns.

February 13—Good Turn day; each Scout is "on his own."

February 14—St. Valentine's day; parties for Scouts on this day are suggested. Scouters and their wives should talk to their friends about value of Scouting.

Parents and citizens interested in Scouting are especially urged to attend the assembly in the auditorium Saturday morning, when there will be a combined local and broadcast program.

## POSTAGE RATE CHANGE ALSO RECOMMENDED

PRESIDENT WOULD 'BE EMPOWERED TO CUT STAMP RATE

WASHINGTON, Feb. 8 (AP)—The house ways and means committee today voted to repeal the two-cent bank check stamp tax effective January 1, 1935—this reducing by \$25,000,000 the additional amount of revenue expected from the new tax bill.

This provision was placed in the new revenue bill being drawn up for presentation to the house. It was a treasury estimate that in its present form it would provide \$25,000,000 additional annual revenue. The bank check tax would not expire until July 1, 1935, under existing law. It produced approximately \$39,000,000 in revenue in the calendar year, 1933.

The committee also continued the three-cent postage rate on first class mail but adopted an amendment which permits the rates on second class matter affecting newspapers, magazines and advertising matter to revert to the rates in effect prior to the 1932 revenue bill.

In addition the committee approved a provision giving the president power to reduce the three-cent rate on first class mail to two cents if the condition of the treasury justifies it.

The three-cent rate was continued by existing law. Under existing law it would expire on July 1.

## Bill Provides Judicial Stay Of Foreclosure

AUSTIN, Feb. 8 (AP)—A bill to provide for a judicial stay of real estate sales under mortgage foreclosure proceedings was approved today by the judiciary committee of the Texas house of representatives.

Floor action on the proposal was not anticipated before next week. Senate bills on the same subject remained in committee.

Under the bill, district courts would be empowered to stay execution of sales on sworn statement of the debtor that sale at this time would be unfair and jeopardize his equity. The debtor also would be required to swear that he was unable to pay, that the property was not being wasted or mismanaged, that taxes are not more than two years in arrears and that he has application pending for refinancing.

The debtor also would agree to pay a reasonable rental value, to be determined by the court, during the time he occupies the property under the court's order. Failure to pay rental value would result in eviction.

The bill proposes to suspend all action by or against guarantors, obligators and endorsers of the evidence of debt.

Terms of the bill would expire May 1, 1935.

## 3 West Texans Are Charged in Holdup

VERNON, Feb. 8 (AP)—Two men and a woman were arrested today on a grand jury indictment charging robbery with firearms in connection with the hijacking of John Gilbert, Paducah cotton truck driver, of \$1,300 near Oklaunion, Dec. 18. Heber Johnson and Gladys Johnson of Vernon, and Everett Flowers of Paducah were so charged and Leon and Ruby James of Vernon were charged as accessories to the robbery and with receiving and concealing stolen property in connection with the same case. Bonds were set at \$5,000 each.

## Carson County To Get T. C. Pierce

OKLAHOMA CITY, Feb. 8 (AP)—Gov. William Murray today ordered extradition of T. C. Pierce from Tulsa to Carson county, Texas, to face theft charges.

Fred C. Cullum returned yesterday from Detroit where he has been transacted business with the Dodge and Plymouth companies.

## Carroll's Best

These seven lassies are prize beauties without dispute, for they have passed the acid test—the judgment of Earl Carroll of the Vanities. He selected them to play in a new Hollywood production after scanning scores of candidates. From top to bottom, they are Inez Howard, Fort Worth, Calif.; Gladys Young, Sacramento, Calif.; Iris Lancaster, St. Petersburg, Fla.; Zuzema Garnett, San Francisco; Billy Huber, Cumberland, Md.; Blanche McDonald, Augusta, Me.; and Diane Hunter, Camden, Ala.

## MINSTREL ACT NOT KNOWN BY REST OF CAST

Male Fan Dance To Be Feature of Show

LITTLE has been said about the second act of the Lions minstrel show and musical revue to be given in the city auditorium Monday and Wednesday evenings. Very little has been divulged about the act, which has been practiced secretly by the several printing companies under the direction of Dr. H. H. Hicks and Otto Studer, members of the club. They will be at the general rehearsal at 7 o'clock this evening to hear the first act, but not to reveal their own. They have hinted of "Paris Nights," blackouts, and a male fan dance. They are supposed to be puzzled over what they may be able to "get by" the club's board of censors.

Every year the main cast is "in the dark" concerning the acts to be used by the end men and the plot of the second act. When the big chorus laughs—or fails to laugh—at the black-face quips, the reaction will be the same as that of the audience.

Tickets for the benefit show are on sale at Fatheree drug store No. 4, priced at 50 cents for adults and 25 cents for children, general admission, with a small reserved seat section at 75 cents.

## Cotton Control Is Favored

"We have the assurance of President Roosevelt's cooperation," said Rep. Bankhead.

Secretary Wallace last night endorsed the principles of the bill, which would restrict the 1934 cotton crop to 5,000,000 bales, a reduction of 4,000,000 from the 1933 figure.

The measure, which would impose a tax on cotton ginned in excess of the quotas, has received a favorable report by the senate agriculture committee and hearings will be started immediately by the house agricultural committee.

Senator Bankhead said that the replies received so far from a poll of more than 30,000 cotton farmers showed more than 98 per cent favoring the compulsory control bill.

## Ransom Money Given Captors Of Minnesotan

Magee Takes Note From Car Then Places Bundles Of Money on the Seat.

ST. PAUL, Feb. 8 (AP)—Ransomed with an unannounced amount of money, Edward G. Bremer, seized by kidnapers for \$200,000 January 17, was at home today after a 23-day imprisonment in an unlocated hideout.

Wounds about the head, which he had suffered when spirited away by the gang, were healed, Dr. Joseph Sprafka said, though the victim was weak, exhausted, and "very, very nervous."

Dr. Sprafka was summoned soon after the son of Adolph Bremer, wealthy brewer, had returned home after being thrown out on a highway near or at Rochester, Minn., about 85 miles south of here, last night. Dr. Sprafka said a ransom had been paid but he did not know how much.

Three men in a small sedan, members of the gang of six or seven which held the president and owner of the Commercial State bank prisoner, freed him about 8 p. m. last night.

See RANSOM PAID, Page 6.

## Mrs. Ladd Dies After Illness Of Two Weeks

Mrs. Leslie L. Ladd, 51 years, died in a local hospital at 1:30 o'clock this morning following an illness of less than two weeks.

Mrs. Ladd came to this country with her parents, Mr. and Mrs. Jim Stanley in 1901. Mr. Stanley established the town of Wheeler.

Mrs. Ladd had been living in Pampa for the last seven years. She had been a resident of Pampa earlier in life but moved away from here several years prior to the time she returned to make Pampa her permanent home. Mr. and Mrs. Ladd established Pampa's first newspaper in 1907. It was called the Pampa Crony. They later moved to Miami where they established the first newspaper in that town.

When Mr. and Mrs. Ladd returned to Pampa seven years ago, they established the American Printing company and Mrs. Ladd was active in its operation, being an experienced printer.

Mrs. Ladd is survived by her husband and three daughters, Mrs. T. C. Shaver of Pampa, Mrs. R. F. Kewner of Breckenridge, and Mrs. W. B. Guitler of Abilene. Other survivors are three grandchildren and three sisters, Mrs. A. B. Crump of Wheeler, Mrs. M. M. Meeks of Canadian, and Mrs. J. M. Griffin of San Antonio, and two brothers, T. E. Stanley and G. L. Stanley, both of Amarillo. Miss Pettie Ladd, a sister of Mrs. Ladd, made her home with Mr. and Mrs. Ladd for many years.

Funeral services will be conducted at 10:30 o'clock Friday morning in the First Baptist church with the Rev. C. E. Lancaster, pastor, officiating. Arrangements will be in charge of the Stephenson Mortuary. Burial will be in Wheeler cemetery.

## Senate Debates Child Labor Act

AUSTIN, Feb. 8 (AP)—The state senate today started debate on a house resolution proposing that Texas ratify the child labor amendment to the United States constitution. Under the amendment congress would be empowered to legislate against child labor.

The house passed the resolution by a big margin, but considerable opposition had developed in the senate. At several previous sessions of the legislature the senate refused ratification although the house favored it each time.

Senator T. J. Holbrook of Galveston opposed ratification and was joined in the attack by Senators John W. Hornsby of Austin. They argued that regulation of child labor was a power that should be retained by the states.

WEST TEXAS: Fair, somewhat colder tonight; Friday, fair, in west portion.

## AGREEMENT IS NEAR ON OIL MARKET PLAN

STANDARD WANTS U. S. TO DISMISS ACTION

WASHINGTON, Feb. 8 (AP)—Sources close to the planning and coordination committee representing the oil industry under the code, predicted today differences in the industry over the marketing practices agreements would be adjusted within 48 hours and possibly by tonight.

Reports that some major companies favored abandonment of the agreement were confirmed in authoritative circles, but it was believed that the withdrawal of the government suit against the Standard Oil company for an injunction against premium and prize giving might result in an agreement on the marketing pact, although there was no direct relation between the two questions.

Oil circles mentioned the Standard, Continental, and Sun companies as having been among those which might have favored discarding the marketing practices agreement.

While there were still no statements forthcoming from the closed sessions of the representatives of signatories of marketing practices and gasoline stabilization pool agreement, it was believed that a substantial agreement had been reached informally on the pool agreement and was being reached on the marketing agreement.

## Highway 41 From Sayre To Texas Line Designated

A dream of the late F. P. "Uncle Peg" Reid is about to come true. Highway 41, the road he started as a short cut between Oklahoma City and Denver, will be hard-surfaced if plans now under way materialize.

The Oklahoma highway commission has recognized the road from Sayre to the Texas line and it is expected that improvement of that stretch will be started immediately. Wheeler county announced yesterday that 6 miles out of Wheeler on Highway 41 would be hard surfaced and that an effort will be made to have the distance from the end of the 6 miles to the Oklahoma line designated a CWA project.

Should that work be done, the only dirt road on the highway between Pampa and Oklahoma City would be in eastern Gray county from near Laketon to the Wheeler county line.

When completed, Highway 41 will reduce the distance between Pampa and Oklahoma City by 323 miles, all of that distance being between Wheeler and Sayre, Okla.

The highway committees of the Board of City Development and Junior chamber of commerce are trying to expedite work of the project.

Four hundred acres of raspberries have been planted near Morganton, N. C., by farmers seeking a new crop that can be converted into cash readily.

## I SAW—

Something the other night at a local theater that was surprising, in view of the fact that some people claim that most Pampans are "northern" descent. When Robert E. Lee appeared on the screen in the picture, his historical romance, the audience clapped—louder than if it had been Roosevelt. And this investigator also made certain that Bert Curry of George and Mrs. W. H. Davis of Alabama and John Keller of Mississippi were not in the audience.

A. G. Post trying to trace Dr. Belamy (Pete's first aid adviser) over a circuitous route from the doctor's home to Skellytown, Kingsmill and back to his office. They met at the office door. "What a sleuth," said Pete.

## WE'RE BAD FAIR WEATHER RISKS

You can depend on Americans to do the unexpected. And you can depend on Pampanians to strike an average very much like the rest of the country.

You have noticed that when weather is bad and accidents are expected, there are few of them. Newspaper men can tell you that fog is about the only bad weather that produces accidents.

One good-sized city gave a graphic illustration of this last month.

Its police traffic department is undermanned, and it does not ordinarily keep its traffic situation very well under control. Since the start of the year, fatal automobile accidents had been occurring at the rate of about one a day.

Then came a violent cold spell. The streets were icy, treacherous; snow flurries filled the air, cutting down the vision of drivers and pedestrians alike, and adding an extra risk to the situation.

And immediately the city's accident rate dropped to an astoundingly low point. Instead of killing someone every day, its motorists killed no one at all—until the storm had passed and traffic conditions became safer.

In this startling reversal of logic, there is a neat little moral for motorists all over the country.

It is pretty clear proof that auto accidents do not come from dangers inherent in the flow of traffic. They come simply because motorists and pedestrians take risks that they have no business to take.

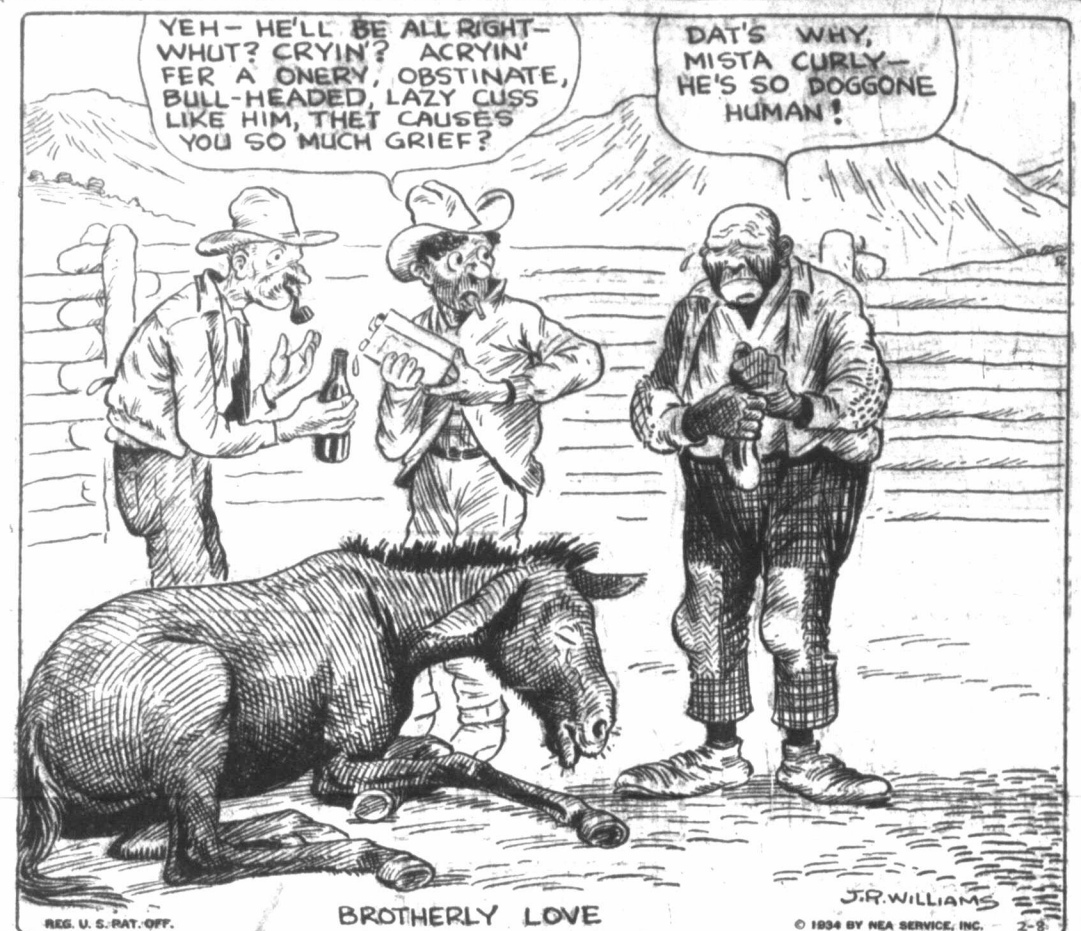

When the streets are dry, and every car can be kept under perfect control, and drivers and pedestrians alike can see without difficulty in every direction—then is the dangerous time.

Motorists drive too fast, they cut in and out of traffic lanes, they try to beat the other fellow across intersections.

Pedestrians trust to their nimbleness of foot to dart through lines of heavy traffic. The result, of course, is that many people get killed and a far greater number get maimed.

**C. E. GARY** (second term).  
District Clerk—**FRANK HILL**,  
**W. S. BAXTER**.  
For District Attorney—**LEWIS M. GOODRICH**.  
State Representative—**JOHN PURYEAR**, Wellington.

## Canadian River Costs Hemphill County Million

CANADIAN, Feb. 8. (AP)—The Canadian river—usually described as the "treacherous" Canadian—has cost Hemphill county approximately \$1,000,000 in damage losses in the last 45 years. It is estimated by County Judge W. L. Helton.

The loss has been sustained by farming operations from flood waters, loss of meadowlands, livestock, and fences, and from bridge wash-outs on highways and the Santa Fe railroad. As an example, he cites that the first highway bridge across the Canadian near this city was

1,200 feet long. It has been necessary to extend the span, after damage by floods, until it is now five-eighths of a mile long.

"The best and richest soil in Hemphill county formerly was along this stream," Helton said, "but most of it has been destroyed. Fine hay meadows and nice groves of trees have been swept away by flood waters."

Helton's statement was in answer to a questionnaire seeking to determine the advisability of constructing a dam in the vicinity of Tucuman, N. M., one of several such projects in the southwest which have been sought through the public works administration.

# STRONG ALLISON QUINTET WILL PLAY HARVESTERS HERE TOMORROW NIGHT

## LOST TO OWLS OF HEDLEY BY ONLY 1 POINT

HAVE BEEN DEFEATED ONE TIME THIS SEASON

Coach Odus Mitchell and his Harvesters will have a sample of the type of basketball played by Eastern Panhandle teams dished out to them tomorrow night when the fast Allison quintet comes here for a non-conference game. The Allison Lassies will also be here for a game with the Harvesters.

Allison has a team that won the Hemphill county championship and is favored to come to Pampa for the district playoff, Feb. 23 to 24.

The Harvesters will play for bi-county honors next week and the rights to play in the district tournament here the following week. Hedley is hoped to be the Harvesters' opposition. The Owls defeated Allison by one point last week in a great exhibition. It was Allison's only loss of the season.

The Allison Lassies lost the Hemphill county championship to Canadian by one point. The team is led by a little girl by the name of Funston who can loop baskets from all angles of the court. Coach J. H. McDonald is coaching his team to stop the great Allison star.

The first game will be called at 7-15 o'clock.

## Interscholastic League To Hold Rules Meeting

DALLAS, Feb. 8 (AP)—It's not the football rules that worry Texas high school grid coaches but the interscholastic league rules themselves.

And something is going to be done about it—thanks to the initiative of Henry Frnka, coach of the state championship Greenville club.

An interscholastic league rules interpretation meeting, to be conducted by Roy B. Henderson of the interscholastic league, will be held either in conjunction with the state high school basketball tournament or track meet, Frnka said today.

Numerous changes in the rules are made each season and it keeps coaches jumping trying to keep up with the mass of original laws and revisions. Several good chances at the state schoolboy championship have been "blown" by some teams because of the coach's innocent ignorance of rules.

It is expected the interpretation meeting, expected to be an annual affair, will thoroughly acquaint coaches with all rules and cause a considerable decrease in the flood of protests each season.

## Llano Country Taking to Polo

LLANO, Feb. 8 (AP)—While the international polo stars, Cecil Smith and Rube Williams, are in Los Angeles engaged in a busy season of winter polo, Llano, their home town, is planning to receive them in a big way when they return to Texas in March.

An invitation has been extended to the famous stars to bring their Austin club to Llano for a game sometime in March, to play against either some outstanding team of the state or against the newly-organized Llano club. Should the stars agree to play here, a much improved field must be provided which is at present the main objective of the local polo enthusiasts.

Interest in polo has increased here during the past few months due largely to the spectacular success of the former Llano cowpunchers, Smith and Williams. A local team has been organized and games are being matched with neighboring clubs. It is thought that the enthusiasm in the sport may have a far-reaching result in the Llano country, as ranchmen are beginning to talk polo ponies with a view of raising that type of stock.

## Babe Ruth Is 40 Years Old Today

NEW YORK, Feb. 8 (AP)—Babe Ruth, 40 years old today, quietly celebrated the achievement of his second baseball goal.

For several years, the New York Yankee slugger has harbored two major ambitions—to hit over 700 home runs and to continue his major career through his 40th year.

Including 15 home runs in world series games, the Babe has clouted 701 homers in the big time. He's 40 and still a Yankee outfield regular, able to command a \$35,000 salary which leaves him as the highest-paid performer in the game.

No set celebration of the Babe's birthday was planned, mainly because he has been suffering with a severe attack of the grippe from which he is slowly recovering. He plans to leave for the south tomorrow for some fishing and golfing before spring training time arrives.

MEET THE MRS. CHICAGO (AP)—For twenty-seven years, Mrs. Helen Rowland complained that her husband never relaxed his formality enough to address her in any other manner than "Mrs. Rowland," which got on her nerves. So she sued for divorce.

## Classified Advertising Rates Information

All Want Ads are strictly cash and are accepted over the phone with the positive understanding that the account is to be paid when our collector calls.

PHONE YOUR WANT AD TO 666 OR 667

Our courteous ad-taker will receive your Want Ad, helping you word it.

All Ads for "Situation Wanted," "Lost and Found" are cash with order and will not be accepted over telephones.

Out-of-town advertising cash with order.

Eggs, easy; extra firsts 17-17 1/2; fresh graded firsts 16 1/2-17; current receipts 16 1/2.

## COCHET THINKS AMERICA WILL REGAIN TROPHY

CHALLENGE ROUND TO BE PLAYED AT WIMBLEDON

NEW YORK, Feb. 8 (AP)—Take it from Henri Cochet, the United States has an excellent chance to regain the Davis cup, world's international tennis trophy this year.

Despite the pessimism of American critics, the famed French ace, now a professional, is convinced that the shift of the challenge round from France to England and the grass courts of Wimbledon will help bring the cup back to these shores.

"Your doubles team," Henri said, with appropriate gesticulation, "always wins. No one can beat George Lott and his partner, either John Van Ryn or Wilmer Allison. So there you have one point, to start with.

"On grass courts Frank Shields and Allison or Sidney Wood all are the equals of Bunny Austin and Fred Perry in singles. If I had to choose, to bet, I would not know who. So at least it is even in singles. The doubles then, makes it certain, no?"

Cochet arrived yesterday from South America to compete in a series of international team matches against Big Bill Tilden and Ellis-vard Vines. His partner, Martin Fina, was to arrive today. Or Vines and Tilden, Cochet had only words of praise.

"Vines, he is a great player," the Frenchman remarked. "He was superb when he beat me 6-4, 6-4, 6-4 in your national championships in 1932. Tilden, ah, he goes on forever. For seven years he does not beat me. Then in Paris, last year, I made my first professional match. Prof, he runs me over in straight sets."

"But," he added, smiling, "we'll beat them both this time."

The first team match will be played in Madison Square Garden Feb. 19 and 21. Cochet meets Vines and Fina battles Tilden the first night, with pairings reversed for the second night's play.

## Bowling Scores

The Country club bowling team in the Commercial league rolled a total of 2,883 pins in winning three straight games from the league-leading Thirty Footers Tuesday night. The Schneider Hotel team won two out of three games from the Kiwanis A team.

Art Swanson of the golfers rolled second high three game series of the year by topping 642 pins. He had games of 214, 222 and 206 pins. T. F. Morton of the hotelmen rolled high single game with 235 pins.

Mrs. Floyd McLaughlin of Miami was a Pampa shopper yesterday.

Mrs. Harry A. Nelson of the Miami community shopped here yesterday.

vealers (milk-fed), medium to choice, 4.00-7.00; stocker and feeder steers, good and choice, 4.00-5.35.

Sheep, 6,000; killing classes mostly steady; lambs closing dull; few late sales 5 lower; top fed lambs, 9.10; lambs, good and choice (x) 90 lbs. down, 8.25-9.10; yearling weathers, medium to choice, 90-110 lbs., 5.00-7.50; ewes, good and choice, 90-150 lbs., 3.35-4.50.

(x) Quotations based on ewes and weathers.

**POULTRY**  
CHICAGO, Feb. 8 (AP)—Poultry, steady; hens over 5 lbs, 13, 5 lbs, and under 14; leghorn hens 12; rock broilers 21-23, colored 20; rock springs 16, colored 15 1/2; leghorn chickens 11; roosters 9; turkeys 10-15; ducks 12-15; geese 12. Dressed turkeys, steady, unchanged.

**NEW ORLEANS COTTON**  
NEW ORLEANS, Feb. 8 (AP)—The market ruled quiet and rather nervous and erratic most of the morning with prices fluctuating within the earlier range, mostly near the lows. The easier tone was due principally to lower stocks and apparent waning of the recent demand.

Near noon the market rallied on fair trade buying and covering by shorts with contracts rather scarce. May advanced to 11.97 and July to 12.94, or 8 points above the earlier lows and 2 to 3 points under yesterday's close.

## WHY TEXAS COMMISSION HIKE OIL ALLOWABLE IS EXPLAINED

AUSTIN, Feb. 8 (AP)—Unexpected action of the railroad commission in calling a statewide oil production hearing to take evidence on which to base a new allowable, followed by an order increasing production to 41,000 barrels daily in excess of that recommended by the federal oil administration, is a point of major interest to the mid continent petroleum industry.

The commission's call for the hearing February 19 was unanticipated. The state now is operating under an order issued December 28 which, when issued, was to remain in effect until March 1. Protests against the existing allowable have been brought to the commission

from many sources, mostly from a group of the smaller refineries.

Purported importation of oil into Texas from the west coast also was regarded as a motivating factor in the commission's action.

Surprise at the commission's order increasing the allowable was currently expressed. Heretofore the commission has adhered closely to the federal allowables, calculated by the bureau of mines and proposed to the railroad commission by the oil administrators, as the proper amount of Texas oil to be placed on the market. Since federal control of the commission has followed a policy of setting an allowable lower than that suggested by the federal

authorities so that Texas production would remain within the recommended limitations.

R. D. Parker, chief of the railroad commission oil and gas division, said evidence has been presented that the market demand for Texas oil is in excess of the government's allowable.

Parker said testimony taken from operators in the Panhandle field, where the commission ordered an increase of 10,000 barrels daily in production, showed that since October, 1930, approximately 8,000,000 barrels of oil had been withdrawn from storage to meet the demand. Parker could give no figures on storage withdrawals in other parts of the state but estimated them as "considerable."

Well completions and development of new fields has made it almost physically impossible to keep within the 884,000 barrel recommendation of Texas, Parker said.

## Byrd's Flagship Is Returning To New Zealand Port

ABOARD ADMIRAL BYRD'S FLAGSHIP, Feb. 8 (AP)—(Delayed)—(Via Mackay Radio)—The flagship of the Byrd antarctic expedition sailed from the Bay of Whales shortly before noon today bound for New Zealand where she will be laid up for a year.

The flagship will return in December or January to take on the winter party. The vessel will remain at Port Chalmers or Denedin, N. Z., until that time.

Several members of the crew remained behind to aid in completing the job of moving stores from the unloading docks on the bay to the permanent camp. They will go north when the Bear of Oakland, supply ship, sails.

## Hunt Confers With Official at Austin

Frank Hunt, Pampa boxing and wrestling commissioner, returned last night from Austin, where he conferred with Charles H. Poe, state boxing and wrestling commissioner. Mr. Poe is head of the department of labor and boxing and wrestling comes under his department.

The state plans to make changes in the boxing and wrestling laws adopted a few months ago when boxing became legal and wrestling came under state regulation. Mr. Hunt, along with several other experienced commissioners, discussed the changes with Mr. Poe. The new rules may be presented to the legislature during its called session.

Jesse G. Thompson of Wellington was a Pampa visitor today.

# CHURCH SOCIETY HEARS GUEST; OTHERS STUDY, PLAN WORK

## SECRETARY OF CENTRAL WMS IS SELECTED

Election of Mrs. D. H. Coffey to serve the remainder of this year as secretary and treasurer featured the business meeting of Central Baptist Missionary society yesterday afternoon.

A mission study program from Royal Service magazine was given in connection with the business session. Mrs. J. W. Smith directed the discussions, assisted by Mmes. G. C. Stark, R. M. Mitchell, O. C. Weekly, Paul Link, and Cecil Lunsford. Mrs. Stark conducted the devotional also.

Other members present were Mmes. Earl Vernon, R. A. Overall, W. C. Brown, and Coffey. Mrs. Helen Lunsford of London, Tex., was a guest.

## ARRANGEMENTS COMPLETE FOR EPISCOPAL TEA

FINAL plans for their annual Episcopal tea tomorrow afternoon were made by women of the Episcopal Auxiliary in a meeting yesterday that included a luncheon at Schneider hotel and an address by a guest from Canyon.

Valentines marked places at the luncheon table for Mrs. Elizabeth Fry Page, the guest speaker, and a large group of members and visitors. Red and white sweet peas decorated the table.

After luncheon, the program and business meeting were conducted at the parish house. Mrs. Fry gave an interesting survey of her religious work with college students in Canyon.

Mrs. Earle Scheitz, delegate, who attended the annual convention at Lubbock recently, reported on that meeting.

The Auxiliary tea will be given at the home of Mrs. C. P. Buckler tomorrow from 3 to 5. All women of the city are invited to call during the afternoon. A program of vocal and instrumental music has been arranged. A silver offering will be taken.

Mrs. H. C. Charless, hostess for yesterday's meeting, served tea at its close.

## PRACTICE FOR OPEN PROGRAM IS COMPLETED

Treble Clef Club. To Entertain All Club Women

Treble Clef club members, who will be "at home" in the city club rooms to all federated club women Friday evening at 8, finished rehearsals yesterday afternoon for the program they will give.

Mrs. W. A. Bratton directed the practice hour, and Mrs. Phillip Wolfe was in charge of the brief business meeting.

Invitations have been sent to women's clubs here, and all members are invited to attend this annual open house musicale.

## REPORTS MADE BY CHRISTIAN STUDY GROUPS

LESSON AND BUSINESS PROGRAMS ARE CONDUCTED

STUDY hours, one following a covered dish luncheon, were observed by groups of the First Christian Women's council yesterday.

Mrs. A. A. Tieman and Mrs. Frank Meers were hostesses to group one at Mrs. Tieman's home. The program was in the form of a radio broadcast, with Mrs. Ramon Wilson as leader. She was assisted by Mmes. Johny Mullen, Lee Ledrick, Martin, W. B. Frost, Ross Cornilus, Meers, Floyd Coffin, and Alice Cockrill.

Other members present were Mmes. Weldon Wilson, O. H. Ingram, John Tule, E. J. Olsen, L. O. Allen, and Robert Gledhill.

They reported 27 calls, 176 Bible chapters read, three garments and three meals given during the month.

Group Two.

A Bible lesson from I Cor. 14-16 was conducted by Mrs. Tom Eckard for group two, meeting at the home of Mrs. Roy McMillen with Mrs. Ed Fritchle as co-hostess. Mrs. C. P. Woodward gave the devotional.

Mrs. Mabry was a visitor, and members present were Mmes. H. J. Lippold, E. L. Reese, Don Hurst, Hugh Isbell, George Farley, S. E. Elkins, J. M. Garrett, Robert Woodward, Hovell, J. H. Jones, P. D. Hill, and those on program.

Group three met at the church and heard a devotional lesson by Mrs. A. Cole and a Bible lesson led by Mrs. J. B. Kinzer. The topic was "Our Need of Christ."

Members reported 67 calls during the month, 15 garments, four bouquets, and one basket sent. Mmes. W. G. Kinzer, J. G. Wheeler, DeLoa Vicars, C. L. Thomas, Claude Lard, J. G. Gans, Cole, Followell, J. B. Townsend, and J. B. Kinzer were present.

Group Four.

Four new members were received by group four, which had a luncheon at the church. Mmes. Hugh Myers, C. Clarke, C. L. Austin, and O. N. Fraser were welcomed to the group. A missionary study of the Congo district of Africa was led by Mrs. A. L. Burge, assisted by Mmes. B. C. Hauk, W. E. Noblett, H. C. Schofield, I. E. Duncan, and C. E. Riggin. A map emphasized the lesson. Other members present were Mmes. A. C. Matthews, G. H. Kruepker, and G. G. Frazier. John S. Mullen was a visitor with the group.

Reports of 159 Bible chapters read and 200 calls made were given in the business session, with Mrs. Duncan presiding.

Group five of the council had its meeting Tuesday evening with Mrs. Ramon Wilson.

## PROGRAMS FOR COMING WEEKS ARE OUTLINED

SPECIAL EVENTS FOR PRESBYTERIANS PLANNED

TWO SPECIAL programs of this month were planned by women of the Presbyterian Auxiliary in a business and study hour at the church annex yesterday afternoon. A series of prayer program will be observed on Feb. 16, and a mission study review on Feb. 21.

The first program will be presented in the afternoon, and the second in the form of a covered dish luncheon. Lunch will be served at noon, with families of members as guests. Review of the mission text will follow.

Yesterday's program topic was Prayer, with Mrs. Wilson as leader. A vocal solo by Mrs. John V. Andrews; a talk, choosing the Apostles, by Mrs. George Briggs; and a humorous reading, "Mrs. Talker on Sunday Mornings," by Mrs. R. F. Dirksen, were heard.

Mrs. Harry Lyman and Mrs. Dirksen were hostesses for the afternoon. Mrs. T. W. Sweetman presided at the business session in the absence of Mrs. C. H. Todd, president.

## Visitors To Speak At Calvary Baptist Services This Week

Daily services are being conducted this week at Calvary Baptist church, beginning at 7:30 each evening.

E. G. Barrett will preach this evening, and Will Dodson will conduct a prayer and praise service tomorrow. Another visitor will speak Saturday. The Rev. J. L. Hesteliff, pastor, will preach at regular Sunday services. The public is invited.

Use NEWS WANT-ADS

## Chili Supper To Include Special Children's Menu

Children have not been overlooked in preparation for the chili supper which Sam Houston Parent-Teacher association will sponsor this evening. A special lunch of sandwiches and milk chocolate will be served for them.

Chili, pickles, crackers, pie, and coffee will be on the menu for adults. The supper will start at 6 o'clock at the school building. Proceeds will buy chairs for the school auditorium.

## Couple Marry at Amarillo Church

The marriage of Miss Mary E. Espgal of Amarillo and Richard Nunn of Pampa was solemnized Tuesday at the Episcopal church in Amarillo, with the Rev. Mr. Foster reading the ceremony.

Miss Espgal made her home with her grandparents, Mr. and Mrs. H. E. Hierner of Amarillo. Mr. Nunn is an employe of the Hampton-Campbell garage here. The couple, at present at home in the Adams hotel, will reside in Pampa.

## Boy Star

Remember this shot from "Sunny Side Up"? The boy in the case is Billie Vallie, 7-year-old veteran of 53 pictures, who will appear at the Rex Saturday at 10 a. m. in a special matinee where he'll give autographed photographs to all children attending the show. Billie and the maiden he is with, sang "If I Had a Talking Picture." Billie co-starred with Al Jolson in "Sonny Boy."

## Course in Music Appreciation Is New CWA Subject

Not everything is figures, verbs, formulas and equations in the CWA school.

Does one want to know the difference between a sonata and a nocturne? A symphony and a concerto? A fugue and a scherzo? Does one to whom all classical music sounds alike, wonder what possible difference there can be between the music of Hayden and Beethoven, Mozart, and Chopin?

If so, then one can take the course in music appreciation being offered by the CWA school. The teacher, according to Principal Beth Blythe, knows much about such things and is fully capable of teaching the subject.

The course will be taught from 7 until 8 o'clock in the evenings on Tuesdays and Thursdays. The enrollment in the CWA school was 222 yesterday.

## Supper Proceeds Swell Funds for Playground Needs

The playground fund at Horace Mann school was increased by \$40.65 as a result of the chili supper sponsored by the Parent-Teacher association Tuesday evening. A donation of \$2 was made by Mrs. V. E. Fatheree in addition to proceeds of the supper.

Valentine decorations and pot plants made the dining room cheerful for the entertainment. A musical program was presented by school groups and visitors.

Pupils of Miss Clara Brown's third grade room will be entertained by the association as a reward for selling the most tickets to the supper. Mrs. T. A. Cox's second grade room placed second, and Mrs. George Clark's first grade room third.

Valentine decorations for the cooperation of parents, teachers and pupils, and friends was expressed by Mrs. J. M. Turner, P. T. A. president. The association also expressed gratitude to the H. A. Marr grocery company for donating the coffee.

## Singers Meet at Hopkins Sunday

The first 1934 meeting of Gray county singing convention will be on Sunday at the community hall of Hopkins school number two.

A large crowd is expected, says M. L. H. Baze, president. Invitations are being sent to singers in all parts of the county. Special numbers and assembly singing will make up the day's program.

## Valentine Bridge Party Is Enjoyed

Four tables of players were entertained with bridge Tuesday evening when Miss Jewel Motley was hostess. Valentine appointments were used for the games.

Mrs. Russell Acklam made high score for women and A. B. Heater for men, while consolation went to Mrs. C. E. Cobb. A delicious refreshment course was served to end the evening.

Guests were Mr. and Mrs. Acklam, Mr. and Mrs. Cobb, Mrs. Aubrey Covey, Mrs. Hazel Rains, Misses Norma Jean White, Pearl Walburn, Esther Shill, Jessie Nix, Betty Rains; Messrs. Ralph Sloan, Alec Crowell, C. B. Higgins, Bob Meek of Burger, and Heater.

Mrs. Joe Duboy of LeFors stopped in the city yesterday afternoon. J. A. Clayton of White Deer visited here last night.

## Early Spring Arrivals

PHOENIX HOSIERY \$1.00 TO \$1.95

The new shades for Spring are here... Single, grey bound, collie, setter... they're all just made to wear with your new Spring costume.

NEW WOOLENS \$1.95 TO \$3.50

We've never seen prettier patterns and better materials... Be individual! Fashion your own new dress, suit or coat from these new woolens.

Spring DRESSES \$14.95 AND \$19.50

Prints and solids in bright, cheery colors! Combinations that are styled for the best tastes... wear them now!

NATTIKNIT DRESSES & SUITS \$19.50

If you prefer a warmer dress, yet want to forget the styles of winter, step out in a new "Nattiknit."

SWAGGER SUITS \$19.50

Swagger styles for everyone! These new arrivals portray what's style-coolest for Spring wear.

SPRING MILLINERY \$2.95 and \$3.95

These new hats add to any costume! They're just sparkling with newness... Be one of the first to wear a beautiful new hat.

KAYSER GLOVES \$1.00 and \$1.50

White navy and black in novelty weaves for spring. Something new and different in gloves. Pull-on styles in all sizes.

Look Ahead When You Buy Your New SPRING COAT

These are the kind that you wear right now... yet they will be just as smart in the latter part of the Spring season.

Many of them follow the newest silhouette and look wind-swept... others are trimly fitted to the figure.

You'll find a wide range of colors, all of which are decidedly correct.

### ANSWERS

to today's THREE GUESSES

Gen. Italo Balbo's air fleet covered approximately 12,000 MILES flying from Italy to America and back. The Ukraine is a SOVIET REPUBLIC part of the U. S. S. R. UNIVERSITY OF OHIO football team scored a total of 278 points in 1933.

## Mrs. Ewing Has Guests With Club

Mrs. W. R. Ewing entertained the Amusa bridge club with three special guests at her home Tuesday afternoon. A colorful Valentine setting had been arranged for the four tables.

Mrs. Newton Willis of Canadian, Mrs. Robert Ewing of Shamrock, and Mrs. Henry Thut were club guests. Members playing were Mmes. Clifford Braly, W. A. Bratton, C. P. Buckler, Chris Cook, W. M. Craven, Siler Faulkner, J. H. Kelley, L. N. McCullough, J. M. McDonald, Tom Rose, Alex Schneider, Charles Thut, and George Waldstad.

Mrs. Willis scored high for guests and Mrs. McCullough for club members. An appetizing plate lunch with coffee was served after the games.

## Officers Chosen For Class Year

Mrs. Jerry Lockard will serve the Madama class of Central Baptist church as president next year, as the result of an election Tuesday. The class met with Mrs. Cecil Lunsford for a social and business session.

Mrs. J. B. Holloman was elected first vice president, Mrs. Ben Seibold second vice president, Mrs. George Latus third vice president, Mrs. Walter Kirbie fourth vice president, Mrs. Earl Phillips secretary and treasurer, Mrs. O. H. Gilstrap reporter, Mrs. Fred McCann and Mrs. D. H. Coffey will be group captains.

Games were played after the election, and refreshments of pink heart cookies, jello, and coffee were served to Mmes. Homer Cone, B. M. Mitchell, E. V. Davis, Lockard, McCann, Holloman, Phillips, Coffey, Kirbie, and the hostess.

## Class Entertained Monday by Teacher

Games were enjoyed by boys and girls of the freshman class of First Christian Sunday school, when they were entertained at the church Monday by their teacher, Mrs. Ivy Duncan. Mrs. Lee Ledrick assisted her in directing games.

Refreshments were served to Naomi Mae Sunkel, Fern Brumley, Marjorie Somerville, Betty Jo Thomas, Mickey Ledrick, Chris Martin, Meredith Wilson, Foster Kinzer, R. B. Panko, Leon Plato, Edwin Koonce, Charles Hutchins, Warren Martin, Ivan Noblett.

## LOSE FAT Safely and Quickly

Kruschen salts—a perfect combination of six mineral salts your body should possess to function properly—purify your blood of harmful wastes and aid the kidneys and bowels to throw off waste material—the continual formation of which is probably the cause of your fat.

But don't worry just as long as you use Kruschen salts. Take a half teaspoon every morning before breakfast in a glass of hot water—little by little that ugly fat disappears, you'll feel better than ever before—years younger, more energetic. You'll soon possess that enviable beauty, clear skin, sparkling eyes, superb figure which only perfect health can impart.

An 800 bottle lasts 4 weeks at Richards Drug Co., Inc., City Drug Store or any progressive druggist in America. Money back if Kruschen doesn't convince you that it is the safest, quickest, easiest way to lose fat. (Adv.-8)

## Illness Fatal To Yearwood Child

Glen Murie Yearwood, 3 years, died in a local hospital last night following a brief illness. The child was the son of Mr. and Mrs. George Yearwood, 310 Malone street.

Besides his parents, the baby is survived by a brother, Melvin. A sister died last week.

Funeral services will be conducted at 2 o'clock tomorrow afternoon in the chapel of the G. C. Malone Funeral home with the Rev. James Todd Jr., officiating. Burial will follow in Fairview cemetery.

A. A. Callahan of McLean was a Pampa visitor this morning.

### Reconciliation Between Mary And Doug Seen

HOLLYWOOD, Feb. 8 (AP)—A possibility of a reconciliation between Mary Pickford and Douglas Fairbanks, Sr., was seen today by Joseph M. Schenck, motion picture producer.

"There is no question in my mind," said Schenck, "but that Mary and Doug are still very much in love with each other."

"When I talked to Miss Pickford several days ago in New York, and delivered a message to her from Doug, she told me she felt she was the aggrieved party."

"She told me if Doug would woo her all over again there was every possibility their difficulties could be patched up and their marriage resumed without a divorce."

"Fairbanks did not say to me directly they would become reconciled but from what he told me, he gave me the feeling that he wanted to try it all over again with Miss Pickford."

Schenck indicated previously he saw no possibility of a reconciliation.

### Blue Eagle Is Removed From Texas Hospital

WASHINGTON, Feb. 8 (AP)—The NRA today snatched down its first blue eagle in a case involving violation of child labor provisions.

The national compliance board announced a unanimous vote to withdraw the eagle from the laundry of Moss Laguna, Hamhill, Mo., who was found to have worked his son, under 16, more than three hours a day.

The national compliance board also announced the withdrawal of a blue eagle from the following concern:

The Battle Creek Health Center, Dr. J. E. Cranfill, manager, Dallas, Texas, for violation of the minimum wage and maximum hour provisions.

### BOY SCOUTS OF WORLD TO HEAR PRESIDENT ROOSEVELT SATURDAY IN HIS CHALLENGING SPEECH

The greatest mobilization of Boy Scouts in history will occur on Saturday, February 10, when President Roosevelt, in a nation-wide broadcast, will personally call upon them to perform an important national service.

The nature of the service to be requested will remain a mystery until the moment the president addresses his audience. It is generally known that the Scouts will be asked to assist the national relief program in some practical way. If cooperation of the public is essential to the successful carrying out of the program a general invitation to participate will be issued in the course of the broadcast.

The entire membership of the Boy Scouts, 904,240, will be called together to listen to President Roosevelt's message. The more than a million Scout parents and the 5,408,268 others who have had Scouting experience will be asked to unite also in meeting the president's summons. The extent of the vast audience that will greet the president is gathered from the fact that, with those named, there will be the 1,268,466 who were members of the Boy Scouts of America during 1933, and the 14,500 new Scouts who have joined the movement since the first of the year.

In addition to the "Call to Service" the president is expected to

draw attention to the forthcoming "Silver Jubilee" of the Boy Scouts of America which will be celebrated throughout 1935. In this connection it is expected that President Roosevelt will extend an invitation to the Boy Scouts which will pave the way for a national celebration to mark the completion of the first quarter century of the Boy Scout movement in the United States.

**Broadcast From White House**  
The presidential broadcast will go on the air from the White House at noon, Eastern Standard Time, in this zone it will be 11 a. m. In Alaska and Hawaii many Scouts and their leaders will be up early to pick up the broadcast. Out in the Philippine Islands where there are 7,685 members of the Boy Scouts of America, many Scouts have asked permission to remain up to get the broadcast at 1 a. m. Sunday, February 11.

Information on the president's broadcast has been sent by wireless to Paul Siple, chief biologist of the second Byrd Antarctic Expedition, now at Little America in the South Polar regions. If he and the twenty-five other explorers of the party who are identified with the Boy Scouts of America want to listen in, they will have to tune in at 6 a. m.

### BLOND GODDESS

A New Serial by HERBERT JENSEN

**SYNOPSIS:** Frank Grahame, explorer in the Mexican jungle on a search for Bill Langton, missing aviator, sends his companion, Juan, back to the coast and determines to try to rescue the movie star, Jeanie Kent, through his binoculars he has seen her led up the steps of a Mayan pyramid with a companion; he realizes that she has come to Mexico "on location" and has been betrayed into the hands of the "bulevados," a dangerous band in the Yucatan jungles.

**Chapter 27**  
**FRANK EXPLORES**  
The sun had sunk below the horizon. Cautiously he slid into the open outside the ruin. Ahead, where the column of pursuers had gone, he made out a white object above the tree tops.

He drew forth his binoculars and adjusted them. It was the house atop the pyramid reflecting from its altitude the sun. He was closer to the city than he thought,—not more than a mile or two. He heard a rustle behind him. He whirled, gun in hand. The shadows had lengthened, and semichiarly shrouded the ground. The sound was not repeated, but he believed he saw a shadow fade and disappear at the jungle's edge.

An iguana, as large as a cat, drifted across the rocks ahead of him. Doubtfully he holstered his pistol, and withdrew into the ruin. Time enough to enter the city after dark; meanwhile he would get some badly needed sleep. The squeaking of bats and the soft whispering of their wings awakened Frank. He glanced at the illuminated dial of his watch: it was a little after midnight. He stretched the stiffness from his limbs. He adjusted his clothing as best he could in the darkness, and tightened his belt. He was very hungry.

He stepped into the open and followed in the tracks of the party that had passed the ruin during the afternoon. As he approached the city the trees thinned and gave him scant cover. A head, he saw a light, a dull glow, that he guessed from its height to be a fire of some kind atop the big pyramid. This was confirmed as he approached the huge mass. He wondered at the lack of edifices on this side. Doubtfully he gauged the height of the moon, speculating if the two hours light remaining were likely to be more of a help than a hindrance. He was grateful for the dim illumination a few minutes later when he stepped into the shadow of the pyramid.

He stopped, rigid with astonishment. There, ahead of him, almost at his feet was the white disk of the moon! It took a few seconds for an explanation of this eerie phenomenon to penetrate his mind. It was the moon, reflected in a pool of water. As his gaze adjusted itself to the correct focus, he made out the dim bulk of the pyramid reflected below the lopsided shield that was the moon. It was a cenote! One of those huge cavernous openings that abound throughout the Yucatan peninsula, where the roof of rock ages ago, had fallen into a natural subterranean reservoir.

Grahame dropped to his hands and knees and crawled to the edge. The brink was sharp and the sides almost perpendicular. It made a sort of lake sunk scores of feet below the surface of the surrounding terrain. The cenote was a rough oval, a hundred yards long, with a breadth-span of about two-thirds that distance.

The pyramid abutted against the farther end, looming like a grim sentinel of past ages. He stepped away from the edge and progressed with infinite caution to the base of the structure. The moon was somewhat behind him, shining upon the massed stone. He saw to his surprise that the pyramid had been constructed so that this side reared itself in a smooth, perpendicular line from the lip of the cenote.

It would be a terrible fall, thought the American, from the truncated top of the pyramid. An object hurled from that height would have an uninterrupted plunge to the surface of the water. He rounded the corner away from the pool, and gazing himself with one hand touching the mason-

about the walls and he caught glimpses of reflected light upon the metallic equipment of the sleeping guards.

He retreated softly, and stole down the corridor to the opposite end. There were no guards before the doorway.

He nodded his head and compressed his lips. He returned into the left corridor and approached the end until he stood over the sleepers. He reached under his arm. His automatic gleamed dully in the fitful light.

Silently, like a cat compressing itself for a spring, he bent over. His left hand closed accurately upon a throat. A whisper died with the pressure of his finger muscles; he brought the barrel of the gun down upon the spot over the ear.

Grahame made an unintelligible sound in his throat and reached for the other neck. There was a whistling of the guard's breath as he essayed a shout and he writhed within the sudden grasp. His back bowed and he panted at the American's face with his fist.

Grahame threw his leg forward and pressed the man's arm to his side. Again he chopped down the barrel of his pistol, and the figure collapsed to the stone.

He paused, holding his breath. There was no sound but the sputter of the central urn.

A glance at his watch told him that it was nearing three o'clock. It would be getting light soon and there was little time to lose if he were to find Janice, and get down the pyramid into his hiding place.

He was feeling faint from lack of food, and his imagination was beginning to play tricks with his sense of smell. He would have sworn that he smelled food, ever since he had topped the pyramid.

He found that the doors of these side rooms were casually fastened, rough wooden pegs pinning a metal latch. The doors were wooden. He lifted the peg and pushing open the nearer one he entered. There was a lamp burning dimly in the room he entered.

At the farther end he made out a pallet and a fig reclining upon it. He approached the figure; his shadow bounded about the stone walls like a huge misshapen phantom. He bent over the couch; almost he exclaimed aloud.

The wide-open eyes of Janice Kent, their blue irises glowing with a dark content, stared at him. He watched them widen in astonishment. Her lips parted, as if she were about to speak, but his palm swiftly covered her mouth. "Don't speak," he cautioned in a low voice.

**Read the "Ads"**  
but don't ignore medical opinion  
if you want to  
relieve constipation gently and safely  
take the exact dose suited to your need  
avoid danger of bowel strain

A doctor will tell you that the careless use of harsh laxatives will often do more harm than good. Harsh laxatives often drain the system, weaken the bowel muscles, and even affect the liver and kidneys. Fortunately, the public is fast returning to laxatives in liquid form.

**Can Constipation be safely relieved?**  
"Yes!" say medical men. "Yes!" say thousands who have followed this sensible medical advice: 1. Select a good liquid laxative. 2. Take the dose that you find suited to your system. Gradually reduce the dose until bowels are moving regularly without assistance.

Dr. Caldwell's Syrup Pepsin is a prescription preparation containing senna, a natural vegetable laxative which relieves constipation gently and safely. Why not try it? Some pill or tablet may be more convenient to carry. But there is no "convenience" in any cathartic that's taken so frequently, you must carry it wherever you go!

**What is the "Right" Laxative?**  
In buying any laxative, read the label. Not the claims. But the contents. If it contains doubtful

the barest of whispers. (Copyright, 1934, by Herbert Jensen)  
Tomorrow, Janice complicates their escape.

**EAGLES PLENTIFUL**  
AMARILLO, Feb. 8 (AP)—Gene Howe, Amarillo publisher and recognized authority on wild fowl, said there were more eagles on the Texas plains this year than ranchers could

recall having seen in a number of years. He said their presence here was probably due to the warm winter. Eagles, he said, migrate as do small hawks.

**HOPE FOR FREEDOM**  
WASHINGTON, Feb. 7 (AP)—Many of the 7,500 federal prohibition prisoners were hopeful today that they soon would receive freedom.

## HILL'S SECOND GREAT WEEK OF A GREAT SALE

**Wash Cloths 4c**  
12 x 12 inches. Heavy Turkish. Assorted color patterns. Extra special price.
