VOLSTEAD ACT PENALTIES ARE DECLARED VOID

THOUSANDS CAN'T BE TRIED UNDER OLD LAW

WASHINGTON, Feb. 5 (AP)—The supreme court refused today to reconsider its recent 5 to 4 decision sustaining the validity of the Volstead act which upheld the right of the government to suspend the provisions of a contract in an emergency.

WASHINGTON, Feb. 5 (AP)—The supreme court ruled today persons charged with violating the national prohibition law before its repeal cannot be tried for such offenses in the federal court.

The case was brought by the United States as a test to determine its policy regarding the thousands of prohibition cases now pending in federal courts.

The government appealed from a decision by Federal Judge Hayes of the middle district of North Carolina directing the discharge of Bayrum Gibson and Claude Chambers on the ground that prohibition repeal prevented further prosecution.

On December 6, 1933, the North Carolina court dismissed indictments against Gibson and Chambers charging them with conspiracy to violate the federal prohibition law in Rockingham county, N. C., and with specific violations of that law.

The government charged that both had been convicted previously of similar offenses. Chambers had entered a plea of guilty but counsel for both men contended that as the prohibition amendment had been repealed the court was without jurisdiction to proceed with the trial.

The court took the position it had no power in view of prohibition repeal to hear and determine cases involving alleged violations of the Volstead act. It ruled the adoption of the repeal amendment deprived the Volstead act and its amendments and supplements of further force and effect, and wiped out all penalties and criminal liabilities incurred under that law.

Thus, thousands of cases growing out of the national prohibition law which still have not been disposed of must be quashed. This includes not only those in which indictments have been returned but those in which convictions have been obtained and appealed.

The national prohibition act, the opinion by Chief Justice Hughes said, was "rendered inoperative" by the repeal of the eighteenth amendment, "not by the congress but by the people."

Solicitor General James C. Biggs said the action of the court would require the dismissal of 13,400 cases. He had no definite information, however, of the approximate number of liquor cases in which defendants had been convicted but have appeals pending and who can not now be held.

WILL HEAR BORAH

Problems of the independent business man will be championed in a radio broadcast by Senator William H. Borah of Idaho Wednesday night. The broadcast will be over a national hook-up and will start at 9.30 o'clock, C. S. standard time. Independent organizations in and around Pampa are urging everyone to hear Senator Borah, who has championed the independent cause for many years.

SCOUT GROUP TO MEET—BYRD

"EAGLE" AID WILL BE HEARD

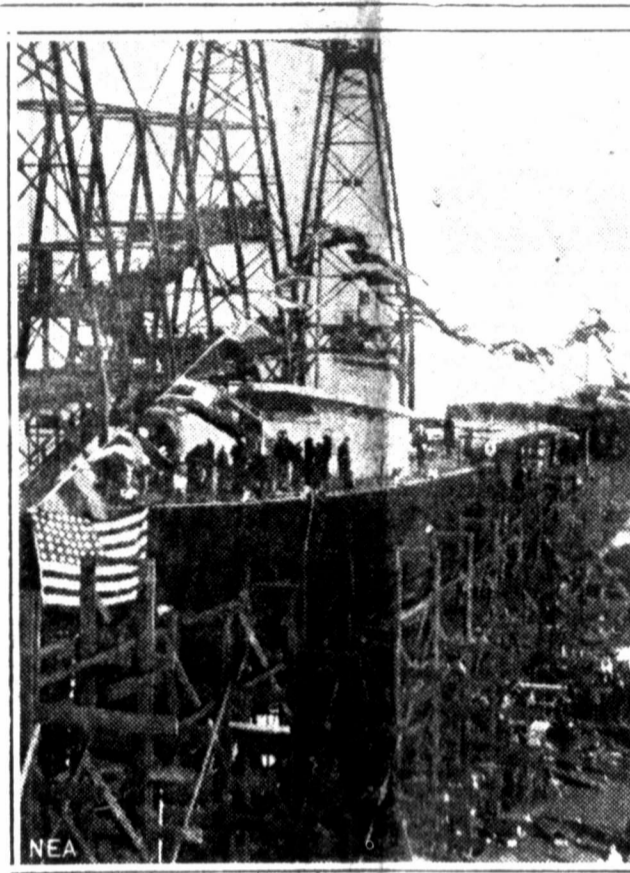

MEMBERS of the Old Scouts association, now in process of formation, and prospective members will meet at the city hall at 7 o'clock tonight. Because of scheduling of a number of other meetings for 8 o'clock, the Scout session was advanced from 7.30 p. m. to 7 o'clock.

Scoutmasters, adult leaders, all former Scouts, and others interested in the movement are urged to attend. Winston Savage is temporary chairman of the Old Scouts.

The main purpose of the meeting will be to plan the mobilization of next Saturday morning in the city auditorium of all Scouts, Scouters, scoutmasters, patrons, and Old Scouts at 10.30 o'clock to hear President Franklin D. Roosevelt's challenge to Scouting.

AUSTRIA DECIDES TO APPEAL TO LEAGUE FOR PROTECTION AGAINST AGGRESSION FROM NAZI GROUPS

Dispute To Be Filed For Settlement At Geneva

VIENNA, Feb. 5 (AP)—Austria decided today to appeal to the League of Nations to protect her against aggression from German elements.

The Austrian cabinet after a lengthy discussion of the Austro-German situation, unanimously decided to empower Chancellor Engelbert Dollfuss to submit its dispute with Germany directly to the League of Nations at Geneva.

Austria's appeal to the league is to be based on article XI of the league covenant, embodied in the Treaty of Versailles, which follows:

"Any war or threat of war, whether immediately affecting any of the members of the league or not, is hereby declared a matter of concern to the whole league, and the league shall take any action that may be wise and effectual to safeguard the peace of nations. In case any such emergency should arise the secretary general shall on the request of any member of the league forthwith summon a meeting of the council."

Highway 41 To Be Improved In Sayre Section

New progress in improvement of highway 41 is reported from Oklahoma and from Wheeler county.

Jim Lowrey, road enthusiast at Sayre, has written the B. C. D. office that Oklahoma is preparing to grade and drain the highway from Sayre to the Texas line, and to gravel much of the unpaved strip.

In Wheeler county, a contract will be let soon for about 6 miles of surface beyond the Wheeler paving, it is understood.

At Mr. Lowrey's request, George Briggs went to Wheeler county today to prepare data for a report on the highway 41 situation in Texas, where much progress has been made.

Business Gains Told In Address By Pampa Man

AMARILLO, Feb. 5 (AP)—Upturns in business were reported by the hardware and implement dealers of the Texas Panhandle and eastern New Mexico gathered here today for their twenty-fifth annual convention.

"There are grins on many faces today that last year found it difficult to force a smile," said F. C. Lavy, of Pampa, president. "Our convention a year ago came at the darkest hour of this country's history, but all of this has changed."

Clifton Rhodes of Louisville, Ky., advised the retailers not to "worry so much about all these codes. The efficient dealer will make a profit, while the inefficient dealer will not do so well under the codes as he thinks," Rhodes said.

Ed Hurdin of Amarillo the first president of the organization, was a speaker on today's program. The first day attendance was the largest in the association's 25 years.

JUSTICE BAXTER IN GIVEN WHEEL CHAIR

Justice W. S. Baxter today was proudly showing a new wheel chair, the gift of the sheriff's department. The chair was ordered in time to be presented at Christmas, but its delivery was delayed. Every member of the sheriff's force contributed to the chair fund.

WOULD ASSESS TAX AT WELL AND REFINERY

\$1,750,000 IS ASKED TO FINANCE OIL BODY

WASHINGTON, Feb. 5 (AP)—A one-tenth of a cent tax a barrel on oil at the well and another one-tenth of a cent on oil as it reaches the refinery was proposed to the house ways and means committee today by Secretary Ickes.

Ickes explained that \$1,750,000 he estimated could be raised by this means could be used to finance the oil administration.

He also proposed raising the import tax on oil from one half cent to one cent a gallon.

The secretary's proposal was submitted by members of his staff in amendment form for consideration by the committee which is nearing completion of a \$200,000,000 tax revision bill.

Secretary Ickes told newspapermen he did not discuss the question of "hot oil," a tax on which has been proposed in an amendment by Representative McClintock (D., Okla.). He added, however, the taxes he proposed would help that situation, by reducing a quantity produced in contravention of state laws through the closer check which would be afforded in levying the tax. The plan calls for a stamp to be attached to the certificate for oil coming from the well and another at the refinery. Penalties would be provided for evasions.

Ickes said the plan had the support of the planning and coordinating committee, members of which also appeared before the committee.

CWA School To Continue Thru Spring Months

Assurance from state headquarters that the emergency education program of the CWA will be continued through Feb. 15 and probably through all the spring months was received this morning by Supp. R. B. Fisher, supervisor of the CWA school here.

The continued allotment will provide for the same number of teachers—seven—for this county. At present six teachers are employed in the CWA school, and Fisher expects that the seventh instructor will be added as enrollment increases, since no other town in the county has asked for a teacher's services.

The notice received today was from George H. Fern, state director of emergency education.

Rifle Club To Sponsor Indoor Shooting Range

The Pampa Rifle club will sponsor indoor shooting with small bore rifles starting tomorrow night at 7.30 o'clock. A range has been erected over the used car sales room of the Culbertson-Smalling Chevrolet company building.

Shooting will be over a 50-foot range with 22 caliber rifles. The club has two or three good target rifles that can be used or marksmen can supply their own guns. Shooting will be every Tuesday night.

GOES TO TEMPLE

Dr. Archie Cole will undergo treatment at Temple for the next two or three weeks. While there he will take a course in gastro-entrostomy. Dr. Cole and Dr. W. Purviance left yesterday for Temple. Dr. Purviance will return in a few days.

MANY PAMPA GIRLS WILL BE SEEN IN BIG MINSTREL SHOW

A NUMBER of Pampa's most attractive girls will assist the Lions club in presenting the 1934 minstrel show and musical revue February 12 and 14 in the city auditorium.

Miss Dorothy Dodd and Miss Dorothy Doucette will have vocal solos in the first part of the show. A trio of girls voices will include Miss Mary Ellen Cary, Miss Doucette, and Miss Jackie Jones. Miss Doucette and Miss Jones will appear also with Director John Sturgeon just before the finale in a special number.

Girls in the minstrel first part will include Miss Cary, Imogene Hollenbeck, Claudia Atteberry, Jean Mann, Virginia Jeffries, Louise Wald, Frances Finley, Dorothy Dodd, Dorothy Doucette, Esther Stark, Florence Conley, Dorothy Brunley, Martha Jones, and Dorothy Harris.

Appropriation For Relief And CWA Approved

Income Tax Returns of Two Makers of Engines For Army Planes Studied.

WASHINGTON, Feb. 5 (AP)—The senate, smarting under defiance of its will by witnesses in the investigation of air and ocean mail contracts of the Hoover administration, relegated the Roosevelt program to the background today while it considered how to handle the challenge to its authority.

The administration made a gesture toward placating objectors in the house to the constant reworking of Roosevelt legislation without much debate, by allowing more time to discuss the \$950,000,000 relief and CWA appropriation before it passed it later in the day. No amendments were allowed under the house procedure that restricted debate to 40 minutes.

A committee of that membership, meanwhile, received testimony that one company in late years made a 5 per cent and another 36 per cent profit on airplane engines sold to the navy. So the committee decided to check up on the income tax returns of the firms.

Before bringing William P. MacCracken, former assistant secretary of commerce—before the senate for defying its subpoena, the investigating committee arranged to have Chairman Black report to the senate on the cases of L. H. Britten of Northwest Airways and Gilbert L. Givvin of Western Air Express.

The former took some letters from MacCracken's air mail files while they were under subpoena, and he said destroyed them. Givvin took 47 letters from these files, but later submitted them to the committee.

While senate and house doings attracted the tourists in the main, a scattering of developments downtown held their own significance. Eastern concentration of distilleries, for example, brought opposition from western spokesmen of the liquor industry before the alcohol control administration at a hearing on applications for distillers to increase production capacity.

Large new production was given as a further reason for increasing the field allowable immediately. It was declared necessary for the production to be raised if refineries are to continue to operate at capacity.

House To Give Preference To Jones Measure

Minister Killed By Wife and Boy For Ten Dollars

WASHINGTON, Feb. 5 (AP)—The house today unanimously agreed to give privileged status to the Jones bill to make cattle a basic commodity under the agriculture adjustment administration.

The bill provides for distribution immediately of \$200,000,000 to beef and dairy cattle producers.

Chairman Jones (Tex.) of the agriculture committee, gave assurances to Representative Snell of New York, republican leader, that the agriculture department planned to split the money about 50-50 with the beef and dairy cattle men.

Snell asked if Jones would agree to put that in the bill.

"I would not object to putting into the bill that not more than 60 per cent shall go the beef cattle producers," Jones said.

Snell said the dairy men in New York felt most of the money would go to the beef cattle men.

In reply to a question by Representative Martin (R., Mass.) as to whether the \$200,000,000 for immediate payments "is coming out of the treasury," Jones said it would be cared for through a processing tax to be collected later.

Jones indicated he would bring up the bill either late today or tomorrow.

Girl Teams To Play For Title Tomorrow Night

Two of the outstanding girls' basketball teams will play at the local high school gymnasium at 7.30 o'clock tomorrow night. The teams will be the Canadian Crazy Kats and the Allison Lassies.

The Crazy Kats swept everything in this section last year and then went to the national tournament, where they won high honors. The team toured a large portion of the west before returning from the tournament. This year's team is practically the same that represented Canadian last year.

The Kats and Lassies have met twice this season for sectional championship honors with the Kats winning 25 to 19 in Canadian and the Lassies winning 31 to 26 in Allison. Neither would play on the other's floor in the deciding game but both agreed on Pampa. Garrison Rush, coach at McLean high school, will be referee. Admission will be 15 cents for students and 25 cents for adults.

SENATE TO ACT ON CAR LICENSE BILL TOMORROW

Payment Period May Be Extended Till March

AUSTIN, Feb. 5 (AP)—The legislature moved quickly today to correct a defect in a bill to postpone for 30 days sheriff's sales of foreclosed real estate set for tomorrow.

The bill to amend the present statute for 30 days was passed by the house today.

The error was found after both houses had passed the bill and it was being prepared for the governor's signature. Legislators said it contained a section likely to render the measure invalid.

Extension of time for payment of automobile registration fees until March 31 of this year was proposed in a substitute bill of the governor's signature. Legislators said it would provide an automobile registration year from April 1 to March 31 as a permanent policy. Use of 1934 license plates until March 31, 1935, would be validated, and penalties provided in the present statute for 1 without payment of the 1934 registration fee would be suspended.

Tax collectors would be authorized to fund to motorists penalties for late payment of the fee since February 1.

Day in action on the bill until tomorrow was ordered by the senate after an effort to recommit and substitute to a committee had been defeated, 16 to 9.

Senator W. R. Poage of Waco, offered an amendment which would provide for a 20 per cent decrease in the registration rates.

Bob Knox To Be In Charge of Jaycee Program Tuesday

Bob Knox will be in charge of an interesting program at the Junior chamber of commerce luncheon at noon tomorrow. He refused to announce his program this morning but said it would be an interesting one.

There will be only a brief business session during the hour to give most of the time to the program. The buddy system of attendance will be started tomorrow. Each member will call one or two other members, reminding them of the meeting hour.

A REALLY SIMPLE SOLUTION

Wobble-kneed statements that thugs can better enforce prison discipline than guards sound typical of New York political machine rule. The rest of us, instead of laughing at the development, can get many a real lesson from them. Determination in law enforcement gets the same results as in other things. Back-bone and honesty get surprising results when many folks are ready to give up.

And the interesting thing about it is the fact that New York authorities seem to have very little real trouble in their task of showing the underworld who is boss.

They are cracking down on the crooks, the gamblers, the gunmen, and the hard guys with the same police and inspection agencies that let these gentry flourish like the green bay tree under the former administration. Changes have been made at the top, of course, but the rank and file remains the same.

A thoughtful citizen who looks about him and sees how firmly the underworld can get entrenched in a city's life often is moved to despair. Gangs, rackets and corruption exist with the tolerance of the police. How, asks the citizen, are you ever going to smash them without first getting an entirely new police force? And how, considering all the difficulties, is such a thing practically possible?

It isn't possible—but it isn't necessary, either. It's the attitude at the top that counts. The ordinary policeman, the man who pounds the pavement and gets the evidence and makes the pinch, will give just exactly what is required of him in the way of service.

If little is asked, that's what he'll give; if much is asked, he'll give that—cheerfully and effectively.

What we are getting in New York is simply a large-scale demonstration of this fact.

The same enforcement agencies that winked at crookedness a year ago are jumping on it with both feet now.

Smashing gangs really is one of the simplest of jobs. A city administration that really wants to do it can do it. All it needs to do is tell the cops and to give them support.

Admiral Pictures Imagined Battle Of U. S.-Jap War

TOKYO, Feb. 5 (P)—Japanese government began making good today on its promise to soft-pedal Japanese-American war talk.

As its first move in pursuing a policy stated before the Imperial Diet, January 23, the government prevented circulation of a pamphlet describing an allegedly impending naval conflict on the Pacific.

The author is Kyosuke Fukumaga, retired naval lieutenant-commander, who wrote the "Forecast of Japanese-American War" in Saturday

magazine Dindoe seized by United States customs officials at Honolulu December 13.

His latest war pamphlet already had been printed and was to have been issued as a supplement to the magazine Hanashi.

Although this work was not actually suppressed, Fukumaga headed the naval office's "advance" not to publish it.

There was open criticism in the Diet last month of a magazine interview with Vice-Admiral Nobumasa Suetsugu in which he was quoted as saying Japan must prepare to defend herself against "America's policy of hostility encircling Japan by every possible means."

W. T. Gassaway underwent a major operation at Pampa hospital Saturday.

Music Lovers To Hear Concert By Amarillo Group

Groups of Pampa music lovers are planning to attend the concert of the Amarillo Philharmonic symphony at the city auditorium in Amarillo Wednesday night, beginning at 8 o'clock.

Interest in the concert is more than usual because Christian Thaulow of Simmons university, one of the best violinists of the southwest, will direct the 60-piece orchestra, and will play Mozart's Concerto in D Major.

director of the symphony, composed the special string orchestration to be played as accompaniment for Mr. Thaulow. Ellis B. Hall is director of the orchestra.

Mr. Thaulow has been in Amarillo a week rehearsing his musicians. The program will include Overture to Leonore No. 3, Beethoven; Unfinished Symphony, Schubert; Caucasian Ketchik, Ivanow; Finlandia, Sibelius. The Beethoven and Schubert numbers are of course necessary musical fare—items similar to those a person with musical intelligence would expect at any symphony concert. If the orchestra half-way understands its task and has ability, those two numbers alone should make the concert a musical event. Then the Mozart concerto by Mr. Thaulow should enable those whose passion for music is genuine, to lay up for the barren days ahead.

The last two numbers, the Ivanow and Sibelius opuses, will provide the modern touch.

DISMISSAL OF JEAN CHIAPPE IS PROTESTED

DEMONSTRATIONS ARE PLANNED IN PARIS

PARIS, Feb. 5 (P)—Fear of more serious rioting brought heavy reinforcements of soldiers into Paris today.

Four separate demonstrations scheduled against the new cabinet of Premier Edouard Daladier aroused apprehensions that the police would be overtaxed when the ministry is presented to parliament tomorrow.

Royalists and organizations of war veterans and the young patriots all were planning manifestations simultaneously with the reconvening of parliament.

Authorities, fearing police defections as a result of M. Daladier's ousting of Jean Chiappe as Paris police head, began filling Paris garisons with provincial troops.

Among the gendarmes drawn in the precautionary move was a company of North African cavalry called Spahis. Many of the cavalrymen are negroes.

M. Chiappe's popularity was demonstrated when a huge throng cheered him as he finally quit the prefecture at noon today, giving way to the premier's appointee, Bonnyol Sibour.

Subordinates massed in the grand salon of the prefecture and received each in turn a kiss on the cheek from the deposed prefect. In a broken voice he said goodbye and left hurriedly with his wife through ranks of enthusiasts whose echoing shouts followed the departing car.

His successor as chief of the capital's police, Sibour, stationed busloads of police reinforcements at strategic points throughout the city.

The whole capital was nervous. Tension was the greater because Premier Daladier will make the bid for parliamentary support tomorrow.

Mother Cuts Roosevelt Cake

In honoring President Roosevelt on his 52nd birthday, New York didn't forget to honor his mother, too. Here you see Mrs. James Roosevelt, now in her 80th year, cutting a cake at the Waldorf ball, one of the 6,000 nation-wide celebrations held in the president's honor. "What gives the greatest happiness to me," said Mrs. Roosevelt, "is the realization that my son, the president, is receiving a wonderful tribute of affection."

Miss Thomas And Mr. Lee Married

Miss Pauline Thomas, daughter of Mr. and Mrs. W. H. Thomas, and Johnny Lee were married yesterday afternoon by the Rev. C. E. Lancaster, First Baptist minister, at his home.

The ceremony was read at 2:30 with Mr. and Mrs. Max Robinson as the only witnesses. The bride was attractive in a brown suit, carrying a bouquet of deep pink roses and baby breath.

They will be at home here. Mr. Lee is employed in the First National bank.

Candy Sale Funds Will Buy Material For Scout Activity

A successful candy sale was conducted by Girl Scout troop five Saturday, and funds will be used to buy a compass, material for signal flags, and other equipment for troop activities.

The candy was sold at Furr Food store on Cuyler street and Piggy Wiggy.

This troop meets every Friday in the Girl Scout room at junior high school.

FIFTH AVENUE FASHIONS

By ELLEN WORTH

This Slenderizing Frock Belongs in Every Wardrobe

Even the most frivolous of women find occasions on their calendar when they need a frock which can be at the same time both practical and smart. And what could they find that will suit this need more than the pleasant little frock sketched at the right?

For the serious-minded this frock will be an every-day necessity for office-wear or class-wear. The collar is rolled back in that youthful way, and prim, buttoned cuffs make a neat finish for well-fitted, long sleeves.

It would be very smart made in one of the flecked sheer woolsens, or that perennial favorite, rough crepe. Size 16 requires 2 1/2 yards 54-inch material, 3/4 yard 36-inch contrast for collar and cuffs.

Pattern No. 5437 is designed for sizes 34, 36, 38, 40, 42, 44, 46, 48, 50.

LUNCHEON AND TEA PLANNED BY AUXILIARY

EPISCOPAL WOMEN TO HEAR VISITING SPEAKER

MRS. ELIZABETH FRY PAGE of Canyon will be a guest of the Episcopal Auxiliary Wednesday when a luncheon will be given in her honor at Schneider hotel. She will speak afterward.

After the luncheon, the group will go to the parish house for a regular Auxiliary meeting. Mrs. Page will discuss her work with students in Canyon.

Mrs. Julian Barrett is in charge of reservations for the luncheon, which will start at 1 o'clock.

Annual Tea Friday.

Colonial costumes will be worn by women of the Episcopal Auxiliary who act as hostesses at the program tea Friday at the home of Mrs. C. P. Buckler.

All women of Pampa are invited to attend. An interesting program has been arranged for the afternoon. The February silver tea is an annual event in the auxiliary.

Two Families Of Canadian Moving To Nearby Towns

CANADIAN, Feb. 5.—Mr. and Mrs. Mason Davis and family moved this week to Miami, where they will make their home. Mr. Davis was the International Harvester company dealer here and is very well known in this territory. He will be in business with his father, Mr. W. W. Davis, at Miami.

W. L. Austin, city electrician for the city of Canadian, has purchased a building in Miami which he plans to remodel and equip for a modern ice and cold storage plant. Mrs. Austin and sons will remain in Canadian until school closes.

People of Canadian are sorry to lose these two families.

Boy's Eye Injured.

Mr. and Mrs. Arthur Keene were in Amarillo Wednesday with their son, Winton Dale, who received treatment on his eye, which was painfully injured a few days ago by a rock from a slingshot. He is reported to be doing very nicely.

Road Route Inspected.

Gib Gilchrist, state highway engineer at Austin, together with W. Van London, division highway engineer at Amarillo, and L. A. White, resident engineer at Pampa, have been making an inspection of the CWA highway work between the Horse Creek bridge and the Lipscomb county line on highway 4, north.

J. C. Dingwall, resident engineer of Canadian, reports that the caliche base in this county will be completed this week, and a second coat started within a few days.

Taking Business Census.

Frank Casterton has been employed in Hemphill county to take the business census. He is working under Jim Bowen of Amarillo, who is supervising the census of American business, the kind of merchandise handled and other similar information. All information is held strictly confidential by the government.

Busy Bee Club's Subject Is New Pure Food Bill

Outstanding provisions of the newly proposed federal food and drugs act were discussed by Busy Bee Home Demonstration club members at their meeting last week.

Mrs. Techard gave a general summary of present laws. Mrs. Ralph Ferguson's topic was Beauty at Cost.

Discussing Contractions and Cures, Mrs. W. D. Champion told members that the present law has no provision to prohibit the sale of worthless or harmful mechanical devices recommended for remedial purposes, while the new bill includes such devices in the definition of drugs as "all substances, preparations, and devices intended for use in cure, mitigation, treatment, or prevention of disease."

Other topics were: How Much Poison Is Poison? Mrs. Alexander; Standards for Some Food—Why Not All? Mrs. Stonecipher; False Medicine—The Cost Human Lives, Mrs. Bacchus; Must the Housewife Beware? Mrs. Bohn.

The secretary reported on the education fund to be used as a scholarship for some worthy girl.

The next club meeting will be on February 15 at 2 p. m. in the club room.

CONDITION NOT SERIOUS

The condition of George Taylor, manager of a local automobile agency, was reported as good at an Amarillo hospital today.

Mr. Taylor is "knocked all over" and has a broken shoulder bone, but his injuries, suffered when his car overturned, are not regarded as serious. He was thrown high in the air, landing about 60 feet from the car.

Mrs. Herbert Wills of White Deer shopped here Saturday night.

Girl Scouts Fill Office Vacancies

Two vacant offices were filled when Girl Scouts of troop five met Friday afternoon. Mary Lynn Schofield was elected treasurer and Mattie Brown reporter.

Plans were completed for a candy sale Saturday. Members present were Elizabeth Mullinax, Martha Price, Edwina Gilbert, Mattie Brown, Lou Dean Luttrell, Lois Alvine Foster, Mary Lynn Schofield, and the troop captain, Mrs. C. C. Wilson.

Clyde Mathews of Kingsmill was a Pampa visitor Saturday.

J. H. Blythe is confined to his home with a leg injury.

Why Hospitals Use a Liquid Laxative

Hospitals and doctors have always used liquid laxatives. And the public is fast returning to laxatives as a liquid form. Do you know the reasons?

The dose of a liquid laxative can be measured. The action can thus be regulated to suit individual need. It forms no habit; you need not take a "double dose" a day or two later. Nor will a mild liquid laxative irritate the bowels.

The right dose of a liquid laxative brings a perfect movement, and there is no discomfort at the time.

The wrong cathartic may often do more harm than good.

A properly prepared liquid laxative like Dr. Caldwell's Syrup Pepsin brings safe relief from constipation. It gently helps the average person's bowels back to regularity. Dr. Caldwell's Syrup Pepsin is an approved liquid laxative which all druggists keep ready for use. It makes an ideal family laxative; effective for all ages, and may be given the youngest child. DOLLFUSS DEFIED AS PRINCE SEIZES GOVERNMENT IN TYROL

MUST ABANDON PARTY RULE IS CHIEF'S ORDER

SOCIALIST NEWSPAPER IS SUPPRESSED BY HEIMWEHR

BY WADE WERNER.

Associated Press Foreign Staff. VIENNA, Feb. 5 (AP)—Prince Ernst von Starhemberg, a member of the triumvirate governing Austria, defied Chancellor Engelbert Dollfuss today and established fascist government in the Tyrol.

He replaced the elected provincial government with a commission of Heimwehr soldiers, peasant league officials, and Catholic storm troop leaders and told his chancellor that the Heimwehr (home guard) which he heads would support Dollfuss' anti-Nazi campaign only if Dollfuss abandoned political party rule.

The Tyrolean government change was made at Innsbruck. Not only were the elected office-holders thrown out of office but the socialist newspaper Volkszeitung was suppressed.

Socialists have in the past opposed Dollfuss and the Heimwehr. The appointment of the commission to govern the Tyrol came after sensational speeches at Innsbruck by Prince von Starhemberg and Richard Steidle, federal propaganda commissioner.

Addressing a huge mass meeting of guardsmen in this hot spot of Austrian opposition to Nazi political propaganda, the prince bluntly warned Chancellor Engelbert Dollfuss.

"I no longer can guarantee the Heimwehr will continue to support Dollfuss" (in his anti-Nazi drive) unless the character ends immediately "the rule of political parties in Austria."

Steidle likewise frankly declared that Dollfuss must change his views toward all parties, including his own group of Christian socialists.

Californians Beat Texas Polo Stars

LOS ANGELES, Feb. 5 (AP)—Superior teamwork and ponies in the pink of condition put California one up today on Texas in the inter-sectional polo series between quartered led by two of America's 10-gal riders, Elmer Boeske and Cecil Smith.

Boeske's team took the measure of Smith's players, 10 to 15 Sunday at the Midway Country club, the margin of victory being exactly the difference in the goal ratings of the two teams. The Californians boasted 32 goals and the Texans 26.

Defense Loses Motion in Dean Highball Trial

GREENWOOD, Miss., Feb. 5 (AP)—Judge S. F. Davis, presiding at the murder trial of Dr. Sarah Ruth Dean, charged with the alleged poisoning death of Dr. John Preston Kennedy, today denied a defense motion to strike from the record all of the testimony of August Thalheimer, first state witness, who described Kennedy's ten-day fatal illness in detail.

Dr. Dean's counsel disclosed before court opened today that they will use Dr. Kennedy's insurance policies, which were payable to his divorced wife, Mrs. Bessie Barry Kennedy, as a base for attacking the state murder charge.

The state called Mrs. A. Weller, mother-in-law of Thalheimer, with whom Kennedy and the Thalheimers lived, as its second witness.

Corroborating Thalheimer's testimony, she said Dr. Kennedy had lived in her home for 15 months after separating from his wife. She was asked if the physician had been drinking during the day preceding the morning on which he became ill.

"No, not that I could tell," she said.

Anniversary Of Store Observed

The City Drug store is celebrating this week the seventh anniversary of its operation in Pampa. The store is being decorated and a special birthday sale will be held all this week.

The personnel of the store includes W. F. Cretney, manager, Jack Keary, Clyde Oswalt, and Lewis Sprinkle.

NEW ORLEANS COTTON

NEW ORLEANS, Feb. 5 (AP)—Touching a new high for the year and season this morning, cotton on the New Orleans market sold at approximately \$8.75 a bale above the levels prevailing just before the Christmas holidays, when the current upward movement began.

Today's bulge on an active opening sent futures to new 1934 tops for the second successive session. May reaching 11.87, July 12.05 and all new crop months selling well above 12-cents a pound. These quotations were 60 to 75 cents a bale above the Saturday highs, reached right at the close and compared with a closing quotation of 10.12 for May before Christmas. The net gain for the pre-Christmas period, therefore, amounted to about 175 points, or \$8.75 a bale.

Hol Wagner played golf in Pampa yesterday.

MARKET BRIEFS

NEW YORK, Feb. 5 (AP)—Stocks boiled over blazing speculative fires today. Extreme gains of 1 to around 4 points, however, were reduced in the last hour by heavy profit-taking. The activity was the most pronounced since last July and many issues reached new highs for the past two years or more. The close was firm. Transfers approximated 5,000,000 shares.

CHICAGO GRAIN

CHICAGO, Feb. 5 (AP)—Wheat went moderately higher in price today, with considerable broadening of trade on the part of the general public.

The bulk of the buying of wheat was associated with coaring of stock market values, though reports of dust storms west and southwest received much attention. A decrease of 2,916,000 bushels was shown in the United States wheat visible supply, bringing the total down to the smallest at this season since 1923.

Wheat closed unsettled, 3/4-1/2 above Saturday's finish, corn 1/2-3/4 up, oats unchanged, and provisions showing a rise of 7 to 20 cents.

THE SHAWNS in Higgins News-Journal—Years ago it was the rarest thing to hear of a child suicide, but it is not uncommon now. Almost every day brings news of such a tragedy. I firmly believe many children today are victims of a neurotic condition that is brought on by the stress under which they live.
