PRICE FIVE CENTS

ROOSEVELT DEMANDS MORE JOBS

Back to Career

Looking rested—and pleasant, as when doesn't she?—Myrna Loy, film actress, is pictured here upon her return to Los Angeles from a month's "hideaway" vacation in Hawaii.

PAMPA TOPICS OF OUR CITY

R. B. HAYNES in Miami Chief—We think one of the most important questions of the day in Miami is the question of handling the boys and girls of our community who have a tendency to go wrong. The movement of Boy Scouts is helping in a great way to keep the boys employed in such work as will lead to useful citizenship. If a number of good women would sponsor the Camp Fire Girls it would go a long way toward solving the girl problem. If parents will cooperate and take advantage of everything offered which has a refining influence, it may save many a father and mother some heartaches in the days to come.

J. C. ESTLACK II Donkey County Leader—Senator Long is sure for \$500,000 in a damage suit for calling a man a liar and a thief. Governor Murray calls the state auditor a liar. A man charged with brand swindling in Kansas is shelved for 673 years according to a jury edict. Thirteen banks are robbed over the nation during the week and

See COLUMN, Page 6.

'Midwest Tammany' Reign Periled

Root of Kansas City's powerful Tammany machine, ruled by Tom Pendergast, shown left in typical "boss" pose, is the aim of a "militant youth" fusion ticket, which hopes to achieve in the Missouri city what La Guardia did against Tammany. The ticket is headed by Dr. A. Ross Hill, above, for 13 years president of Missouri university. Hill is a democrat.

PRINCESS AWARDED \$125,000 IN SUIT AGAINST MAKERS OF 'RASPUTIN AND THE EMPRESS'

SAYS SHE INTENDS TO SUE THEATERS THAT SHOWED PICTURE

LONDON, March 5. (AP)—The jury in the libel suit of Princess Irene Youssoufoff today awarded her 25,000 pounds sterling (\$125,000) against Metro-Goldwyn-Mayer Ltd., makers of the film "Rasputin and the Empress."

The award was made after a dramatic trial in which Princess Irene testified that she was one of the group who killed the mad monk of Russia, the slaying picture in the film.

Previously in the day the high-powered lawyers engaged by the litigants made their final arguments.

The jury's verdict came after only a short deliberation.

Enlistments for Infantry Wanted

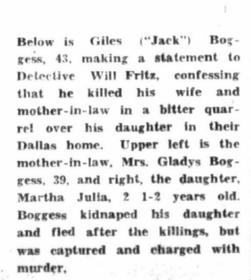

Sgt. Robert E. Forsythe in charge of the Army's recruiting station, has received orders to accept applicants for enlistment in the army. Age limits are from 18 to 35. An eighth grade education is required. All applicants accepted at this office will be forwarded to Denver, Colo., for completion of enlistment. From there they will be forwarded to Ft. Warren, Wyo. Enlistments are for infantry only.

NO DAMAGE IN FIRE

No damage resulted when material from a garage being torn down caught fire at the corner of Fisher and Davis street this morning. The material caught fire from a trash barrel.

Justice W. S. Baxter is on a business trip to Fort Worth.

Figures in Dallas Mother-in-Law Slaying Case

Below is Giles ("Jack") Boggess, 43, making a statement to Detective Will Fritz, confessing that he killed his wife and mother-in-law in a bitter quarrel over his daughter in their Dallas home. Upper left is the mother-in-law, Mrs. Gladys Boggess, 39, and right, the daughter, Martha Julia, 2 1/2 years old. Boggess kidnaped his daughter and fled after the killings, but was captured and charged with murder.

LATE NEWS

CRIMINAL COURT BUILDING, CHICAGO, March 5. (AP)—The defense in the trial of Dr. Alice Wynkoop rested its case at 11:01 a. m. central standard time today.

WILMINGTON, Del., March 5. (AP)—The bodies of two young men, one with a bullet wound in the neck and the other with the throat cut, were found lying in a blanket today along Shipley road, in Brandywine Hundred, near here.

ATHENS, March 5. (AP)—The ministry of the interior announced tonight that Samuel Insull Sr., the former Chicago utilities operator, must leave Greece tomorrow. Insull was to be notified of the expulsion order at once.

HOUSTON, March 5. (AP)—Seven indictments charging felony theft by bailer, felony theft and felony embezzlement were returned against C. E. Heidingsfelder, Houston lawyer, today by the Harris county grand jury. Heidingsfelder also faces a charge of theft and embezzlement in connection with the alleged theft of \$34,000 from Mrs. Adele Pipkin of New York.

CRIMINAL COURTS BUILDING, CHICAGO, March 5. (AP)—The state rested today in the trial of Dr. Alice Wynkoop, accused of the operating table murder of her daughter-in-law, Rheta Gardner Wynkoop.

Captain Ordered To 'Find' Ocker Claims Doctor

SAN ANTONIO, March 5. (AP)—Major David M. W. Grant, senior flight surgeon at Randolph field, testified at the court martial of Major William C. Ocker, noted army air pilot and inventor, that a subordinate Kelly field flight surgeon told Major Grant that he was "under pressure" to "find" Major Ocker for a pilot's rating.

The statement was made by Capt. H. E. Schneider, a flight surgeon at Kelly Field, Major Ocker's station. Major Grant testified that Major Ocker came to him at Randolph field and volunteered the statement, which was made informally and confidentially. Major Grant defined the term "find" to mean to disqualify.

Major Ocker is being tried for allegedly charging in his commanding officer, Lieut. Col. H. B. Claggett, and Major Clyde C. Johnston, senior flight surgeon at Kelly Field, with "collusion" to keep Major Ocker from being placed on a flying status.

Captain Schneider called me on the phone," Major Grant related. "He came over to Randolph field and said he was in rather a mess. He said he had been ordered to examine Major Ocker and that procedure was being brought on him to 'find' Major Ocker physically."

I SAW—

Principal A. L. Patrick and some of his boys running up a Texas flag at the Sam Houston school, proving that there is another Texas flag in Pampa besides Dr. von Brunow's. Mr. Patrick had the flag up on Independence day and will fly it on anniversaries of Goliad, Alamo and San Jacinto. The flag was used last year.

Clinton and Allen Evans, sons of Mr. and Mrs. S. C. Evans back from Texas university, answering numerous queries as to why they came home this time of the year. The answer, March 2, Texas independence day, is a legal holiday at the university.

WEST TEXAS: Partly cloudy tonight and Tuesday; unsettled in north portion. Warmer in south-portion tonight; colder in north portion Tuesday.

MORGAN SOLD STOCKS LONG IN AIR DEALS

Committee To Probe As To Whether 'Leak' Enabled Morgan to 'Cash In'

WASHINGTON, March 5. (AP)—Evidence that J. P. Morgan, head of the big banking house bearing his name, sold a block of 4,500 shares of United Aircraft stock within two weeks before government cancellation of the aircraft contracts, was presented today to the senate banking committee.

Morgan's name was on a list submitted to the committee by the New York stock exchange—of those who sold more than 1,000 shares of the air transport stocks from a long position within the two weeks before cancellation.

The exchange also submitted a long list of short sellers during the period, but they contained few well known names.

The committee ordered a thorough inquiry, however, to determine whether there had been a "leak" on the government's decision to cancel the air mail contracts.

Morgan was listed as selling the 4,500 share block of United Aircraft through Richard Whitney and company.

This firm is headed by Richard Whitney, president of the exchange, who submitted the names to the committee in response to a subpoena.

The short selling list included the names of F. A. Vandriep, who was disclosed to have sold 100 shares of United Aircraft during the period.

Among the other long sellers, meaning those who sold stock they owned as contrasted with those who sold short without owning stock, were Tom Bragg, noted trader, 1,000 shares; Aviation corporation, F. H. Douglas Trading account, 1,400 shares of Douglas Aircraft; Seymour Gug-nheimer, 12,400 United Aircraft; North American Aviation, 18,500 of Douglas Aircraft stock; and James Seligman, 800 United Aircraft, 1,400 Curtiss Wright and 5,200 Douglas Aircraft.

AUSTIN, March 5. (AP)—The Texas relief commission today voted to offer for sale \$4,000,000 of the redemption relief state bonds.

It was to be determined later whether the commission should budget that amount over a certain period of time.

Officials of the commission estimated that it would require \$2,074,000 to meet needs of the destitute through March.

Adam R. Johnson, director of relief, said if the federal government would match the \$4,000,000 on an even basis he believed that sum would meet requirements over four months.

It was revealed that Texas' agreement with the federal government, embracing the matching arrangement had expired March 1. However, it was regarded as certain it would be renewed. It was explained the first agreement had been limited to the extent of the federal government's ability to pay. It was pointed out that since the agreement congress had appropriated \$950,000,000 for direct relief and CWA activities.

D. C. Davis Jr. of Miami was here on business Saturday.

FIVE JUDGES VOTE FOR ACT FOUR AGAINST

IMPORTANT RECOVERY LAW APPROVED BY HIGH COURT

WASHINGTON, March 5. (AP)—In a decision having an important bearing on the validity of recovery legislation, the supreme court today upheld the right of a state to fix a minimum price for milk.

It sustained the New York milk control law under which the minimum price was set at nine cents a quart in an effort to promote the return of prosperity. Justice Owen J. Roberts delivered the opinion.

Administration leaders received the decision with jubilation following their encouragement by the recent action of the high court in upholding the Minnesota mortgage moratorium act.

The Minnesota decision held that the government could suspend the provisions of a contract in an emergency. It granted an extension of time to redeem Minnesota property which had been seized under foreclosure proceedings.

The milk decision was 5 to 4. The law was enacted to correct evils which would not be eliminated by the operation of supply and demand, Justice Roberts said.

The agricultural adjustment act gave the secretary of agriculture power to fix the price of milk in various milk sheds and he has done so in a number of instances.

Man Kills Wife, 3 Daughters And Shoots Himself

LAURENS, S. C., March 5. (AP)—J. L. Rush, 50, killed his wife and three daughters this morning and then burned their home down around his own body.

At a hastily convened coroner's inquest meager evidence indicated Rush slew his wife and daughters with an axe and then shot himself after setting the home afire, officials announced.

The dead are the wife, Cynthia, 45, and Helen, 16, Ruth, 13 and Ruby, 11.

The family lived slightly apart from other families in a mill village near here, and the deaths were not discovered until flames from the burning home attracted attention.

The bodies of Mrs. Rush and two of the children were found in the yard, while that of Rush and the elder daughter were taken from the ruins of the house.

Physicians testified at the inquest that Rush had suffered from ill health for some time, and that he had been depressed.

E. D. Williams was here from White Deer this morning.

BANK BANDIT KILLED; PAL IS CAPTURED

Bank President Fires From Vault; Other Man Caught As Shots Puncture Tires

RUSK, March 5. (AP)—One man was shot and killed and another was captured a short time after they tried to rob the Continental State bank at Alto today.

Fred McClure, god of bullet wounds inflicted when C. M. Earle, city marshal, and Gus Rounsaville, president of the bank, fired at the men. A man who gave the name Merle French was captured when Earle shot into tires of the automobile in which he fled.

Rounsaville's suspicions about the two men were aroused when one of them entered the bank and sought to cash a check. Rounsaville stepped into the vault with his shotgun. The man stepped outside and returned a moment later with his companion, who had been waiting in an automobile.

The two men ordered the cashier and three customers into the vault. Rounsaville stepped out of the vault and fired. One of the men dropped, mortally wounded. The other ran out, jumped in the car and attempted to flee, but was captured. Earle's attention was attracted and he too joined in the shooting, using a rifle.

The men started to run out of the bank but McClure was dropped with a bullet through his body. A short time later two strange men left Alto in an automobile and headed for Nacogdoches and officers believed they might have been companions of McClure and his partner.

License Refunds Must Be Asked by 15th of March

Another deadline, March 15. This one concerns repayment of penalties assessed persons found driving their motor vehicles without 1934 licenses.

Because the legislature finally extended the time for paying 1934 license fees, the penalties assessed will be turned back to persons paying them, but only if the persons involved apply for the refunds by March 15 to the tax collector's office in the courthouse.

NINE ARRESTS MADE

City officers made nine arrests during the week-end. Five pleas of guilty on drunkenness charges were made before Judge J. H. Blithe. Three fines for gaming were also assessed. One man was turned over to the county.

'Play The Game' Roosevelt Tells Industry Heads

WASHINGTON, March 5. (AP)—President Roosevelt in his talk to industrial leaders today proposed:

Wage increases and shortening of hours to bolster consuming power and spread employment.

Greater adherence by the people to the Blue Eagle symbol to make all "play the game."

Continued enforcement of the anti-trust laws to retain competition and prevent monopoly.

Strict adherence by employers to the law allowing free choice by employees of representatives to do their collective bargaining.

Permanent reorganization of the economic and social structure along the lines already started.

SECURE HIKE IN WAGES IS ALSO ADVISED

SHORTENING OF HOURS AND RE-EMPLOYMENT ARE URGED

WASHINGTON, March 5. (AP)—President Roosevelt asked American industry today for "immediate cooperation to secure increase in wages and shortening of hours."

"It is the immediate task of industry to re-employ more people at purchasing wages and to do it now," he declared.

Speaking to several thousand members of NRA's code authorities assembled in constitution hall for a three-day review of the industrial control program, he warned that "the government cannot forever continue to absorb the whole burden of unemployment."

He called for greater protection of small business, terming the code authority "the keeper of your small industry brother."

He said the anti-trust laws "must continue in their major purpose of retaining competition and preventing monopoly."

He demanded that "every corporation in the United States" give its workers free choice to organize themselves and emphasized that "those two words 'free choice' mean just what they say."

Saying he knew industry with few exceptions would give wholehearted compliance, the president warned that in these exceptions "the government itself must and will under the law move firmly and promptly to prevent failure."

He contended that industry must keep to "the lowest schedule of prices on which higher wages and increasing employment can be maintained."

Banker Is Optimistic

In conclusion, the president told of a telegram from Francis M. Law, president of the American Bankers association, which said the national banking structure was "sound and liquid. There is a definite call, said the messages, for a most sympathetic attitude toward legitimate credit."

Thereupon, Mr. Roosevelt departed from his prepared text to say: "If the banks come along, my friends, we'll have the three great elements in American life working together, industry, agriculture and banks, and then we can't stop."

See ROOSEVELT, Page 6.

Harlingen And Lamesa To Open Cage Tournament

AUSTIN, March 5. (AP)—Pairings were made today of high school regional championship basketball teams which will participate this week end in the interscholastic league tournament here.

Roy B. Henderson, director of athletics for the league, announced the schedule as follows:

Friday, 2 p. m.: Harlingen vs. Lamesa; 3 p. m.: Brownwood vs. Thomas Jefferson of San Antonio; 7 p. m.: Austin high of El Paso vs. Denton; 8 p. m.: Jefferson Davis of Houston vs. Athens, the defending champions.

Semi-finals will be played Saturday, one game at 2 p. m., and the other at 3 p. m. The final will be played Saturday at 8 p. m., preceded by a consolation game. Officials will be J. W. (Ziggy) Sears of Fort Worth and L. W. (Dusty) Boggess of San Antonio.

Carbon Plant Is Defended

Testimony Heard On Smith Application To Build A Plant In Wheeler

APPLICATION of the Smith Bros. Refining company of McLean for permission to erect a carbon black plant to use residue gas from their large casinghead plant in Wheeler county was made at a hearing before representatives of the Texas railroad commission here this morning. J. M. McDonald, supervisor of oil and gas division of the Panhandle field, presided.

The refining company was represented by Senator Clint C. Small of Amarillo, who phoned several witnesses on the stand to show why the permit should be granted.

A formal protest was entered in the minutes by H. B. Hill of Sham-

rock, representing the Texas Panhandle Gas company of Shamrock. A letter of protest, from the Lone Star Gas company, received by the commission last week, was placed on record but was not read in open meeting.

Mr. Hill in his protest cited the present over-production of carbon black and stated that his company believed the granting of a permit would not be for the best interest of the citizenship and territory.

Smith Testifies.

Walter Smith, president of the Smith Brothers Refining company, during questioning by Senator Small said his casinghead plant had been erected in section 33, block 24, Wheeler county, at a cost of nearly \$250,000 and that it had a capacity of 120,000,000 cubic feet of gas a day. The plant started operating February 1, using between 60,000,000

and 80,000,000 cubic feet of gas daily.

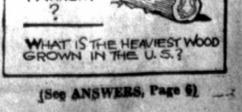

Gas to operate the plant is being supplied from seven wells within a radius of three miles. The wells have a potential of 372,700,000 cubic feet. The immediate territory has been under development for five years. Mr. Smith said he believed the area was 95 per cent undeveloped.

The witness was questioned by Mr. Hill in an effort to prove that nearby leases were being drained and that pressure was being reduced.

Lease and property owners in the vicinity of the gasoline plant testified that there had not been sufficient outlet for their gas before the construction of the casinghead plant. They also testified that there was

CRIME DETECTION—AND COURTS

Offensives against organized crime have taken new life in recent months, with appreciable results.

If the officers can catch the kidnapers, the murderers, the racketeers, the next responsibility rests with the courts—and the people who sit on the jury seats.

The best crime detection service in the world can be no stronger, in the last analysis, than the criminal court into which it feeds its product.

And it would take a very great optimist to say that our criminal courts today are anywhere nearly as effective as they ought to be.

The American criminal court is cursed by many things; by archaic rules of procedure, which give the criminal all the breaks; by politically minded judges, who periodically must run for re-election; by a jury system which too frequently keeps off the panel any man who is aware even moderately of what is going on in the world about him; by a vast horde of unscrupulous attorneys who will stop at nothing to get their clients off, and whose only question, when a case is offered them, is, "How much is there in it?"

If we had the best federal and municipal police systems on earth, we still would come up against this criminal court barrier.

We still would find smart lawyers interposing delay after delay between arrest and trial, until the case against the criminal collapsed of its own weight. We still would find judges granting continuance after continuance to defendants who "had an in."

We still would find the machinery of paroles and suspended sentences being perverted by politicians against the public good. We still would find juries being fixed, witnesses being tampered with, and legal technicalities being used to block the course of justice.

Before we can make real headway in our war on crime, we must overhaul our criminal court system—and the overhauling must be pretty drastic.

PREVENTION OF EROSION THRU TERRACING IN STATE GROWING

COLLEGE STATION, March 5.—An all time high record for the number of farms on which terracing was done in one year showed up when the 1933 reports of the extension service disclosed that 15,466 individual farms had had some terracing done on them last year in the 173 counties reporting, according to a statement made by M. R. Bentley, extension agricultural engineer, after a study of the annual report figures.

County agents actually assisted in terracing more than half of the state's total for the year, 694,386 acres, mostly at the same time training one or more farmers, or club boys to use the level, run the lines, and make the terraces themselves.

Bentley said. This has been done in spite of the fact that the year has been heavy with emergency agricultural adjustment work.

Texas now has 6,895,544 acres of land protected from erosion by terracing. The valuation placed on terraces made last year is \$1,814,582. Estimated values for this type of work were substantiated last year in the cotton plow-up campaign when it was proven again and again that yields on terraced lands were so much higher than those of un-terraced fields that the cash difference in the checks received from the government would have gone far to pay the cost of terracing, leaving the soil saving and future profits almost clear gain.

FIRST TECH EXPEDITION ON WAY TO YAQUI INDIAN LANDS

LUBBOCK, March 5.—Texas Technological college's first major expedition is now on its way into the heart of the Yaqui river country of Sonora, Mexico, where original research as to the history, customs, and habits of the Yaqui Indians is hoped to be found by Dr. W. C. Holden, leader of the group.

Three recognized scientists, a surgeon, a newspaper man, a clothing merchant, and a first string Matador football player make up the party. The scientists are Dr. W. C. Holden, historian and anthropologist; Dr. R. A. Studhalter, ethnologist of Texas Technological college; and Dr. Carl Seltzer, physical anthropologist of Harvard university.

Dr. Charles J. Wagner, Lubbock surgeon; Charles A. Guy, holder of

Ross Edwards, Lubbock clothing merchant; and Bennie McWilliams of San Benito, first string tackle on the Matador football team and student in anthropology who is to act as cook, interpreter, and truck driver, complete the party.

Two cars and a heavily loaded truck are being used for transportation. A week's time is expected for the trip to the camping base which is about 80 miles inland from Guaymas, Mexico, on the Gulf of California coast. Stops have been planned at Van Horn and El Paso, Texas; Tucson and Nogales, Ariz.; and Hermosillo and Guaymas, Mexico.

They will be joined by representatives of the Yaqui Indians in Tucson and escorted through the bad lands to Guaymas, the nearest city to the base.

OUT OUR WAY

SNAPPING OUT OF IT.

BANK SALARIES OF LAST YEAR ARE REVEALED

PAY MUCH LESS NOW THAN IN BANKS' BOOM DAYS

WASHINGTON, March 5 (AP)—During one of the nice, trying years in American bank history, a year in which the nation saw an unprecedented bank "holiday," ten bankers

were drawing annual salaries of \$100,000 or more, and 370 others were receiving more than \$25,000. The disclosure of bank salaries for the year ending last June was made today by the senate banking committee.

Names of the officials were included in a bulging report submitted to the senate by the federal reserve board in response to a resolution adopted last spring at the request of Senator Costigan (D., Colo.).

H. C. McEldowney, president of the Union Trust company, of Pittsburgh, and W. W. Aldrich, chairman of the governing board of Chase National bank, were the highest paid bank officers in the United States, the report indicated.

The Pittsburgh banker received \$165,000 during the year. His rate of compensation at the start of the year was \$180,000 but, later it was cut to \$120,000.

This was a far cry, however, from the compensation received by his predecessor, Albert H. Wiggin. The banking committee's own investigation had disclosed that Wiggin's peak salary was \$250,000 a year and that in some years his total compensation was almost \$300,000.

The highest salary in the National City bank, where Charles C. Mitchell once drew more than \$1,000,000 a year, was paid to Gordon S. Reut-schler, president. He received \$125,000 plus a bonus of \$5,550.

JOHN B. HESSEY.
For County Treasurer—D. R. HENRY.
For County Judge—C. E. CARY (second term).
For County Attorney—SHERMAN WHITE.
District Clerk—FRANK HILL.
W. S. BAXTER.
For District Attorney—LEWIS M. GOODRICH.
State Representative—JOHN PURYEAR, Wellington.

Maytag Official Is Visitor Here

G. S. Hammett was a visitor here today, spending the most of his time with Bert Curry, of the Bert Curry Refrigeration company, new local Maytag dealer.

Being in close touch with the washing machine industry, Mr. Hammett was asked regarding the present attitude of American housewives towards electrical household appliances. "The housewife's attitude has changed materially in the last year, particularly toward the economy and satisfaction in using an electric washer," he said. "The best proof of this is that in 1933 sixty per cent more homes bought washers than in the year before. "Even more significant is the fact that much of this increase was chiefly from women who had never owned washers before and had made their decision to buy not only because of the economy in the cost of providing clean clothes, but because of the saving of clothes as well. Statistics show that a larger percentage of well to do families bought washers than in any previous year. Gone are the days when washing at home was considered a hardship. Modern methods have taken away the work. Now housewives actually prefer to handle their own washing at home.

for many reasons, in addition to economy and less wear." Mr. Hammett was here attending to the details in connection with the sales of Maytag washers at the new low prices which were described as being the lowest in history.

HE DIDN'T HEAR KANSAS CITY—Mrs. Harry Beebe, on her way home from the union station, told the taxicab driver, Charles A. Willis, to turn west. The cab turned east. Puzzled, she repeated the instructions. Then she grabbed the wheel just in time to prevent the cab from crashing into another machine. Stopping the cab, she turned to the driver. He was dead, of heart disease.

Use NEWS Want-Ads. Positive Relief For Smarting Itch To end smarting skin itch, eczema, rash, nettle, ringworm and foot-itch use Blue Star Ointment. It melts on the skin, sending tested medicines deep into pores where it kills germs and ends itching. Very soothing. Does not burn. Pleasant in odor. (adv.)

GOVERNOR TO HEAR EVIDENCE BEFORE ACTING

COMMISSION CONTENTS PROMOTION BILLS ARE NECESSARY

AUSTIN, March 5 (AP)—Delegations from many parts of Texas are expected here this week to argue...

Word was received that a special train would leave Tyler tonight carrying interested parties who would have an audience tomorrow with the governor...

Other delegations were expected during the week from Dallas, Fort Worth, Houston, San Antonio, and Wichita Falls...

The governor said she would hear all concerned before taking final action. A group of independent refiners contended the proposed law would put them out of business...

Two other "proration" bills were pending before the governor. One would increase the tax on production from one-tenth to one-eighth of each cent value of the oil...

The other bill defines "felony" with reference to violators of the railroad commission's proration orders and would make it a penitentiary offense for one to produce oil in contravention to its regulations...

Why Liquid Laxatives are Back in Favor

The public is fast returning to the use of liquid laxatives. People have learned that the right dose of a properly prepared liquid laxative will bring a perfect movement without any discomfort at the time, or after.

The dose of a liquid laxative can be varied to suit the needs of the individual. The action can thus be regulated. A child is easily given the right dose. And mild liquid laxatives do not irritate the kidneys.

Doctors are generally agreed that senna is a natural laxative. It does not drain the system like the cathartics that leave you so thirsty.

You can always get Dr. Caldwell's Syrup Pepsin at any drug store, ready for use. Member N. R. A.

M'LEAN STOCK JUDGING TEAMS MAKE RECORDS IN TULIA EVENT

M'LEAN, March 5.—McLean high school's judging teams carried off two of the three large trophies in the Tulia contest recently.

The poultry judging team went through its sixth contest as victors without suffering a defeat this year. The team had first, second, and fourth high scorers and was high in the examinations.

The livestock team won over a group of strong contestants from over West Texas. McLean placed second in hog judging, second in sheep, and second in horses, and second in beef cattle, and had high scorer in horse judging.

The dairy team placed seventh in general work and fifth in judging of jerseys, and was fourth high scorer in each event. There were 30 teams in the various contests, with 150 contestants present.

MRS. ICKES ADVOCATES LOW COST HOUSING AND SLUM DEMOLITION

(Mrs. Anna Wilmart Ickes, a member of the Illinois house of representatives and wife of Secretary Harold Ickes of the federal department, is co-sponsor of a series of low cost housing-slum clearance bills before the third special session of the Illinois legislature. In the following article Mrs. Ickes discusses the importance of this work, which is part of the federal public works program administered by Secretary Ickes.)

Only recently has the United States recognized and accepted its responsibility in the direction of low cost housing and slum clearance. We have always lamented the existence of slum areas in our cities, but we somehow felt that the unsightly conditions were due to the people who lived in them, as possibly, in part, they are.

Many of us remember the time when he heard the dictum, "at least they might be clean," and that other one, "he who would eat must work." Slum dwellings with insufficient water supply has put the first one out of date, and the unemployment situation has sent the second after it. Cleanliness has become a luxury and unemployment by no means confined to the idle.

Erstwhile residential districts were encroached upon by industrial plants. Smoke polluted the air and industrial wastes polluted the streams, and the original residents moved away. Underprivileged folk moved into the decaying buildings, and so slums grew as cities grew.

With this new sense of responsibility appeared a new nomenclature. We hear of "slum clearance," "demolition programs," "blighted areas," and "responsibility of our low-salaried classes."

England awakened earlier than did the United States to this new call, and at the close of the war set itself to provide a decent home for every returned soldier. How England went to work is shown in the figures which state that in 15 years over one million low cost homes have been provided with financial assistance from the government. Three quarters of these have been built by local public bodies. A million more housing accommodations have been provided without governmental assistance.

England is now working on a 5-year program for slum clearance which calls for the demolition of 210,000 houses and a quarter of a million new dwellings to be built. Holland has faced this problem with the astonishing result that nearly one-seventh of the population has been rehoused with governmental aid. In Vienna over 60,000 dwellings have been built for the wage earners in the very lowest brackets.

These facts are interesting because they show that the hundred million dollars allocated in the United States for low cost housing operations...

NEARBY TOWN BRIEFS

MIAMI, March 5.—A team of horses hitched to a light wagon, belonging to G. W. Welch ran away bearing on wheel off and breaking the tongue of the vehicle when they connected with a telegraph pole on the Santa Fe right-of-way.

Mrs. J. O. Stoval, wife of J. O. Stoval, former coach and high school agriculture instructor in the Miami schools, died Wednesday.

SHAMROCK, March 5.—Playing as partners in a bridge game last week, Mrs. G. W. McFann drew 100 honors in a 9-club suit and Mrs. J. G. Hamer at the same time had 100 honors in 8 hearts.

The thief who included a small penny bank among his loot in the postoffice robbery Thursday night, carried off 27 "bad" coins.

CANADIAN, March 5.—The Hemphill county interscholastic meet will be held here April 6-7.

R. S. Cansler, 72, well known farmer of this county, died at his home 2 1/2 miles east of Canadian, Tuesday.

CLARENDON, March 5.—An insane man who had escaped from his guard here by biting his finger, was captured in the First National bank while trying to cash a check.

The following letter was received by Homer Mulkey, local business man and trades day booster, from J. William Dillard, principal of the Alahred school: "I noticed in this week's issue of the Clarendon News when the business men of Clarendon are sponsoring a trades day movement. I do not know by what means you intend to advertise these days, but if your program is to make booster trips, let me make the following suggestion in regard to the Alahred committee in regard to the majority of the people from these three communities go to McLean and Pampa to do their trading, and there has been practically no effort to gain the friendship of this territory. Let me suggest that you make a date with us for some time in the near future, bring your hand and some sort of entertainment, and we will give you full opportunity to advertise your town and special occasions."

LEFORS, March 5.—The LeFors oil field workers received their charter from F. E. Townsend, local organizer.

PANHANDLE, March 5.—The elimination contest for one-act plays will be held March 22 in the White Deer high school auditorium. Panhandle and White Deer will compete for the honor of representing Carson county in the district contest at Pampa, April 6 and 7. White Deer will present a tragedy entitled "Kaw Men." The two characters are played by J. W. Tribble and Oscar Cunningham.

Born to Mr. and Mrs. Sam Dunn of Pampa, a girl.

EMPEROR KANG TEH LIKES PIE, HAM AND EGGS Prefers Sack Suits From America to Dragon Robes

HSINKING (Changchun), Manchukuo, March 5 (AP)—The Emperor Kang Teh, disdaining his dragon robes, donned an American sack suit and puffed on American cigarettes as he began his reign over 34,000,000 Manchukuan.

The man who was plain "Mr. Henry Puy-yi" until his elevation yesterday to the obnoxious throne was obviously exhausted this evening by that ceremonial and the busy hours that followed.

Using chop-sticks with no apparent appetite, he toyed with Chinese chow mein, shark's fins, a rare fowl called "Buddha's ears," dove's eggs, octopus tentacles, lily roots, and bamboo shoots.

The food was prepared by trusted Manchukuo cooks, who served him when he was the boy emperor of China 22 years ago, but even they were watched by others in the official family of the imperial palace.

The emperor, robed before dawn, chanted a prayer to Buddha at sunrise. He bathed and breakfasted lightly of rice, pickles, sweet cakes, and weak tea. He hates big banquets, friends said, and occasionally he switches from native dishes to such American fare as banana and eggs flambé, baked beans, and apple pie.

Clad in the sack suit, with a green fountain pen protruding from a breast pocket, the emperor walked about the palace grounds in superb weather. He interrupted the short walk to play with his pet mastiff. He loves animals.

Thereafter, returning to his tiny office, Kang Teh examined a great heap of gifts and read Japanese, Chinese, and English newspapers describing the enthronement.

A good photographer himself, the 28-year-old monarch complained jokingly of bad studio portraits which appeared in some of the papers, saying they gave him a chalk-like appearance.

RECOMPENSE MILTON, Ore.—The Lowell Cheavers, who a year ago lost their one-year-old boy, have another one. They found a day old boy on their doorstep. It was wrapped in a woman's night gown and a blanket.

Oil Field News

The Panhandle field was comparatively quiet last week with only six minor completions and six scattered locations, including one in Childress county.

It was rumored that the Natural Gasoline corporation would erect a large casinghead gasoline plant in section 100, block 23, in Wheeler county. The plant would be similar to the one recently completed by the Smith Brothers of McLean, which has a capacity of 125,000,000 cubic feet of gas a day.

New production in the field amounted to 410 barrels of oil and 60,000,000 cubic feet of gas. Recent locations by counties: Childress—Humble Oil & Refining company No. 1 Smith has been located 1,327 feet from the east line and 1,327 feet from the south line of section 27, lock 9, H&G survey. Forman has the rig ready in the southeast corner of the northwest quarter of section 126, block 3, I&G survey.

Hutchinson—Continental Oil Co., No. 1 Johnson "E" is building the rig 660 feet from the north line and 660 feet from the east line of the southeast quarter of section 5, block 1, B&B survey.

Harry Stekol No. 1 Canadian "A" is building the rig 1,125 feet from the west line and 900 feet from the north line of the east half and north 20 acres of the west half of the north half of section 20, block 47, H&TC survey.

Wheeler—Piney Oil & Gas company No. 1 Williams has the cellar in the center of the southwest quarter of the northeast quarter of section 6, block 24, H&G survey. Piney Oil & Gas company No. 1 Batman National Bank has the cellar in the center of the east half of the northwest quarter of section 24, block 24, H&G survey.

The six recorded completions were as follows: Magnolia Petroleum company No. 8 fee in section 91, block 4, I&G survey, was bottomed at 3,050 and completed for 2,800,000 feet of gas from the pay at 2,725 to 3,050. Sinclair Prairie No. 4 McConnell "A" in section 67, block 4, H&G survey, was an old well deepened. It was completed for 2,335 barrels. Quit producing and was deepened to 3,259. Completed for five barrels.

Hutchinson—Deahl, et al., No. 2 Sanford in section 81, section 81, H&TC survey, was bottomed at 2,675. Pay was shot with 160 quarts from 2,100 to 2,400 and completed for 12,000,000 feet of gas. Moore—Shamrock Oil & Gas company No. 1-a Burnett in section 359, block 44, H&TC survey, was bottomed at 5,545. Completed for 14,000,000 feet of gas. The 5-inch and 6-inch casing had been pulled and the hole filled with mud to the bottom of the 6-inch casing.

Shamrock Oil & Gas company No. 1 Robertson in section 400, block 44, H&TC survey, was bottomed at 3,636. Water came in and it was plugged back to 3,450. Shot with 10 quarts from 3,395 to 3,400 and completed for 3 barrels of oil and 20,900,000 feet of gas.

Drilling Notes Gray—Cantone Oil company No. 2 Morse in section 15, block A-9, H&G survey, had 1,900 feet of oil pulled from the pay at 2,515 to 2,616 and is cleaning out and swabbing. The Dixon Creek Oil & Refining company No. 6 Archer in section 139, block 3, I&G survey, is rigging up standard tools at 2,515. Lyke Oil company No. 1 Saunders in section 3, block 1, BS&F survey, is now on test after rebuilding the rig after it had been pulled in. It had made 95 barrels in 5 hours.

Magnolia Petroleum company No. 1 Elyke in section 135, block 3, I&G survey, is bottomed at 3,255. Is Swabbing about 2 barrels an hour. Skelly Oil company No. 5 Webb "A" in section 61, block 25, H&TC survey, is down to 2,400. It will be deepened. Had 400 feet of oil in the hole at 2,338 to 2,346.

Texwell Oil company No. 1 Combs-Worley in section 39, block 3, I&G survey, is bottomed at 3,148. Increased to 3,094. Run 3-inch liner at 3,101. Saturated granite wash at 3,105 to 3,145, and making half baler of water per hour. Putting on the pump to test saturated granite wash.

Hutchinson—Shamrock O. & G. company No. 3 Pitcher in section 19, block M-21, TCRR survey, is bottomed at 3,120. Oil pay was from 3,020 to 3,110 where it swabbed 70 barrels in 24 hours. Cleaning out No. test.

Whitcomb O. & G. company No. 5 Ware "B" in section 1244, block M-21, TCRR survey, is bottomed at 3,120. Pay was from 3,005 to 3,110. After a shot of 250 quarts it swabbed 317 barrels in 17 hours. No. test.

Stekoll Oil company No. Whitcomb in section 18, block 47, H&TC survey, is bottomed at 2,927. as 100 feet of oil in the hole from a pay topped at 2,870.

Whitcomb in section 81, block 24, I&G survey, is bottomed at 2,352. Pays were shot with 120 quarts from 2,300 to 2,348. Swabbing 20 barrels an hour. Will probably deepen into the granite wash pay.

Mid-Continent Oil company No. 2 Carvies in section 81, block 24, H&G survey, will shoot and deepen to the granite wash pay. Present depth is 2,348. Pay is from 2,300 to bottom of hole where it swabbed 100 barrels in 24 hours.

Raymond Niece of Skellytown was in the city this morning. O. P. Taylor of Kingsmill transacted business here recently. Mrs. Jake Albers of Skellytown shopped in Pampa Saturday.

Blames Touhy

Isaac Costner, described by "Jake the Barber" Factor as the "kind" member of the gang which kidnapped him, is shown here in Chicago court as he gave damaging testimony against Roger Touhy and his aides, in the second trial of the sensational case. Costner admitted he received \$2500 of the ransom.

and helping Ducky Allen coach athletics at North Dallas high school. The excuse for this narrative is that Anderson recently moved along to the Dallas job after setting a record for length of continuous service as a member of the Simmons university athletic staff.

Texas Is One of States To Fight Income Tax

WASHINGTON, March 5 (AP)—The Union's eight states which have community property laws plan to base their fight against special income taxation on the ground any such proposed legislation would be unconstitutional.

Hearings on the special bill will start next Thursday and these states are preparing to battle in committee although they will be outnumbered overwhelmingly both here and in the house. However, they expect eventual victory through such legislation being declared invalid by the courts.

This unique law was attacked by the government in connection with income tax collections under the present internal revenue bill, but the supreme court found in favor of the states, upholding constitutionality of the community property law.

A farmers' cooperative of McMinnville, Ore., will distribute gasoline to members.

PROGRAMS OF WMO AND BTS START TODAY

CHRISTIAN CHURCH TO BE SCENE OF TWO MEETINGS

TWO divisions of First Baptist church will conduct meetings through this week, in programs starting today. Other churches of Pampa yesterday announced plans for the week to audiences larger than on previous cold and windy Sundays.

Women of First Baptist Missionary union are starting this afternoon a series of programs observing a week of prayer. They will meet each afternoon at 2:30 except on Wednesday, when the service will be at the regular prayer meeting hour.

Training Courses Open. Baptist young people will inaugurate a training school this evening at 7. All members of the church, young and old, are invited to enroll in one of the classes.

Books and teachers for the six courses follow: Our Doctrines, Tribble, taught by E. G. Barrett; Senior Y. P. U. Administration, Blake, by the Rev. C. E. Lancaster; Our Doctrines, Tribble, by the Rev. N. B. Moon; Intermediate B. Y. P. U. Plans, Conah, by Miss Geneva Groom; Junior B. Y. P. U. Manual, Leavelle, by Mrs. Wilson Hatcher; Bible Heroes, Hudson, by Mrs. Frank Johnson.

Classes will meet each evening from 7 to 8:45. Officers and teachers of the Sunday school have been invited by the pastor to be his guests at a supper Wednesday evening at 6.

Men's Banquet

Two programs of the week at First Christian church will be the monthly men's banquet Tuesday at 7:30, when Shelby Gantz and Ralph Jones will be in charge, and a social meeting of section one of the church membership Thursday evening in the church recreation hall.

Mr. and Mrs. W. B. Frost, Mr. and Mrs. C. E. Hutchins will be hosts for the Thursday evening gathering. Sunday school attendance increased at all churches yesterday. First Methodist church, observing a "homecoming" day, had 500 in attendance. First Baptist reported 538 in Sunday school and 130 in the training service. Central Baptist Sunday school was attended by 144, First Christian by 373, and Presbyterian by 92.

PUBLISHER DIES

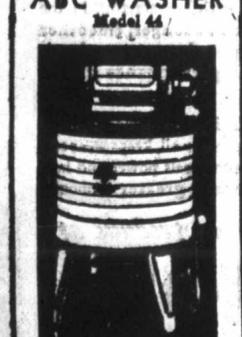

HOUSTON, March 5 (AP)—Last rites for G. J. Palmer, vice president and general manager of the Houston Chronicle, were arranged for 4 o'clock this afternoon from the family residence. In poor health for several years, the widely-known newspaper executive died yesterday from uremic poisoning at the age of 63.

Clarence Caswell was a visitor from Quiqueque last week-end.

For Hard Coughs Or Colds That Worry You

Creomulsion is made to give supreme help for coughs or colds. It combines seven helps in one—the best helps known to science. It is for quick relief, for safety. But careful people, more and more, use it for every cough that starts. No one knows where a cough may lead. No one can tell which factor will do most. That depends on the type of cold. Creomulsion costs a little more than lesser helps. But it means the utmost help. And it costs you nothing if it fails to bring the quick relief you seek. Your druggist guarantees it. Use it for safety sake. (Adv.-G)

COMMUNITY IS ENTERTAINED IN UNUSUAL PARTY

Hopkins H. D. Club Is Hostess at Track Meet Party

Rah-rah-rah! and a track meet was under way at Hopkins No. 1 school Friday evening with Hopkins home demonstration club members hostesses at one of their monthly parties. Residents of the entire community were guests.

The track meet party was a new type of entertainment, and was enjoyed by the 50 people present.

Entries that added to the hilarity were the three-women cracker-eating contest, in which Mrs. C. P. Courts was the first to whittle, and the contest in which Mrs. G. Plinnell fed Mrs. Less Day a glass of water with a spoon in record time.

Miss Sloan directed an interesting pantomime, "Seeing a Movie." Bill Ridgeway, in a black and yellow checked suit and straw hat, carrying a cane and a ticket to the movie capital, "Hollywood," was the star of one skit. Other numbers were equally clever.

Miss Ruby Adams, county home demonstration agent, and Mrs. Faulkner were guests from Pampa. They and Mrs. Slaughter acted as judges for the evening.

Miss Opal Davis, recreational chairman, and Miss Fae Davis were in charge of the entertainment.

The Socials CALENDAR

TUESDAY

Arno Art club will meet in city club rooms, 2:30, with Mrs. Roy Tinsley as hostess.

Mrs. Siler Faulkner will entertain the Amnuss club at her home, 2:30. London Bridge club will be entertained at the home of Mrs. Bert Curry, 2:30.

Tuesday afternoon bridge club will meet with Mrs. Roger McConnell.

Mrs. V. L. Dickinson will be hostess to Civic Culture club.

Markham Circle, Child Conservation League, will meet with Mrs. Otto Geppelt at Danciger camp.

Mr. J. T. Crogan will entertain the J. U. G. bridge club.

A. U. W. French class will meet at the high school.

Order of the Rainbow for Girls, regular meeting at Masonic hall, 7:30. All members of Rainbow, Masonic, and Eastern Star organizations invited.

Shaffer girls 4-H club will meet at the school building.

Mrs. G. G. Frasier will be hostess to Kingsmill H. D. club.

Executive board of Horace Mann P-T-A. will meet at the school, 3:45.

WEDNESDAY

Groups of First Christian Women's council will meet at 2:30: Group one with Mrs. Lee Ledrick, 509 E. Kingsmill and Mrs. John Muller as co-hostess; group two with Mrs. C. P. Woodward, 307 N. Ballard; group three with Mrs. C. L. Thomas, north of town; group four at the church.

Presbyterian Auxiliary will have a regular meeting at the church annex.

Episcopal Women's Auxiliary will meet at the parish house, 2:30, with Mrs. Earle Scheig as hostess.

Mrs. H. W. Waddell and Mrs. McNaught will be hostesses to Holy Souls Altar society at the home of the former, 718 N. Someville.

Treble Ciel club will meet at city hall club rooms.

Bell 4-H girls' club and H. D. club will have regular meetings.

Officers and teachers of First Baptist Sunday school will be guests of the pastor for supper in the church dining room, 6:30.

THURSDAY

Methodist Friendship class will entertain with its quarterly luncheon.

A Body Builder

Mr. P. N. Barnes of 1017 E. Cannon St., Fort Worth, Texas, says: "I have had much experience with Dr. Pierce's Golden Medical Discovery as a family tonic. There is nothing like it for a builder of good health."

This tonic was originally prescribed by Dr. R. V. Pierce for his patients, 60 years ago. Write Dr. Pierce's Clinic, Buffalo, N. Y. New size, tablets, 50 ct.; liquid, \$1.00. Large size, tabs., or liquid, \$1.35. "We Do Our Part."

ONLY A LITTLE BOY!

WITH BIG NEWS FOR YOU.

Stage Door Line Awaits Shirley

Who said that the day of the movie "vamp" is past? Shirley Temple, with her fifth birthday yet to come, has captured the

Hollywood studio where she has a long contract. When work's over she has to run the gamut of admirers, just as a popular "Follies" girl might do.

Houston School Honors Birthday Of Sam Houston

Sam Houston school celebrated the birthday of the famous Texan for whom it was named, and also the anniversary of Texas independence in a chapel program Friday afternoon.

Program material was arranged by Estill Foster's sixth grade history class. A pageant was given with Maurine Ott as the reader. An Indian scene was followed by the independence convention scene, then a scene in which boys in cowboy costume sang range songs. The pageant closed with a tribute to the growth of the state and its citizens.

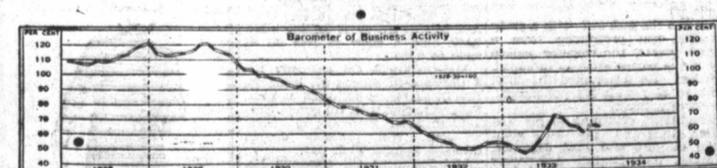

In the cast were Leola Holloway, Robert Wayne Stockton, Junior Barnett, and Billy Winchester, cowboy; Mary Lee Morris, as an Indian squaw; Charles Pearce, who played a clarinet solo; W. L. Vandenberg, who played the guitar; and Wayne Coffin, Raymond Jewell, Darwin Pendergrass, Alvin Wright, C. V. Edwards, Bobby Bissett, Edward Wilkins, Glenn Nichols, James Graves, Raymond Harrah, Ercell Gooks, Jack Lilburn, Junior Zimmerman, Ewert Duncan.

Mrs. Ora Christopher visited here from Skellytown Saturday.

South Has Most "White Spots" of Business

This map represents business conditions in every state of the Union as shown in March, 1934, issue of "Nations Business," official publication of the United States Chamber of Commerce.

WASHINGTON, March 5.—January saw December's rally in business carried into the new year with relatively increased force and volume; the normal lull in retail buying failing to function. Mail order sales (rural buying) showed remarkable percentage gains. Wholesale trade volume was generally larger. Prices of commodities, stocks and domestic and government bonds increased. Foods led in commodity rises. Auto

RANCH MUSEUM COLLECTION IS SEEN BY GIRLS

Scout Troop Visits Meeker Home Display

Relics and animals of West Texas and other parts of the world were viewed by Girl Scouts of troop three, who visited the private collection of Mr. and Mrs. Meeker at their home four miles south of White Deer Saturday.

The collection is made more interesting by stories told by Mr. Meeker about each specimen, usually by his own experiences in gathering them.

Animals in the display include about 15 deer and deer heads, heads of mountain goat, a caribou, a South Sea Island hog, and several coyotes; opossum, raccoon, skunk, prairie dogs, fox, seal, and two freak calves, each with two heads.

Bird Collection. In the bird collection are a bronze eagle, bald eagle two other eagles, a pheasant, several varieties of ducks, a carrier pigeon, a freak chicken, and other native birds of the Panhandle.

Many varieties of fish, turtles, insects, and snakes are on display. The girls were also interested in rocks containing minerals, fire arms, walking canes carved from wood brought from California, the Hawaiian islands, England, and one made in Switzerland.

They enjoyed chiefly the stories told about the specimens, especially about collecting the sea shells, coral, and tales of ships and barnacles.

A visit to a zoo near White Deer is planned by the troop for this spring, and also a trip to the old Adobe Walls battleground.

Miss Frey Wins Highest Mark in Violin Contests

Miss Eleanor Frey, Pampa violinist, retained her rating of highly superior that was established last year in the Panhandle music festival at Amarillo, when she was again the only violinist in any class to reach that mark.

Horace Jones of Denver, Judge, presided over the contest. The number highly, Miss Frey is a pupil of T. Duncan Stewart, formerly of Pampa but now of Amarillo. She is preparing a recital to be given in Amarillo under auspices of the Amarillo academy of music this spring.

Miss Frey also entered her first pupil, Norma Lee Lane, 10-year-old daughter of Mr. and Mrs. W. M. Lane, in the festival contest this year. Norma Lee tied for first place in her class with a contestant of three years more experience.

EXECUTIVE BOARD CALLED. An executive board meeting of Horace Mann Parent-Teacher association is called for 3:45 p. m. tomorrow by Mrs. J. M. Turner, president. Members are asked to meet at the school building.

Mrs. G. W. Nunley was a shopper here from LeFors Saturday.

RECEPTION HONORS SOLOIST AND HER ACCOMPANIST AFTER CONCERT SATURDAY EVENING

MRS. WOLFE AND MRS. GARMAN ENTERTAIN VISITORS

A NUMBER of Pampa music lovers were privileged to meet Mrs. Helen Fouts Cahoon, who appeared in concert Saturday evening under sponsorship of the Junior Treble Ciel club, at a lovely reception at the home of Mrs. Philip Wolfe after the concert.

Mrs. Cahoon and her accompanist, Mrs. A. P. Arnold, both of Fort Worth, were honorees. Mrs. J. W. Garmann was joint hostess with Mrs. Wolfe, in whose home the visitors were guests during their stay here.

In the receiving line were Miss Frances Finley, of the junior club, the hostesses and guests of honor. Girls of the junior club who assisted in receiving and serving were Bra Smith, Dorothy Dodd, Doris Price, and Dorothy Harris.

Mrs. C. T. Hunkapiller and Mrs. Raymond Harrah poured tea and coffee from a table covered with lace over pink satin. The centerpiece of pink sweet peas and baby breath was flanked by pink papers, White cakes iced in pink, and sandwiches were served.

About 75 guests, members of the Treble Ciel clubs and their husbands, and a few other friends interested in music, called during the evening.

Mrs. Cahoon's program preceding the reception was received with pleasure by an audience that comfortably filled the city hall club room. Miss Dodd, president of the junior club, was head of a committee of members who arranged for the concert.

Children Attend Birthday Party

A birthday party for Joe Milam was enjoyed by a group of children Saturday. They played games, with the prize going to Modean Rosenbaum, and were served refreshments.

Present were Maurine and Edward Harvey, Hazel Claxton, Livon Shepin, Margie, Modean Peary Joe, and Alvin Rosenbaum, Jack McPeak, Ray Wilmons, Burl Wilmons, Joe Sims, Mickie, Huella, and E. B. McDaniel, Merlene and Minnie Louise Murphy.

Mr. and Mrs. T. G. Arney, Mrs. O. V. Hunt, and Miss Birdie Belle

Rates Highest

Bruce Cunningham was one of the two pianists from Pampa who obtained a rating of highly superior, the highest offered in contests of the Panhandle music festival at Amarillo last week-end. He and Betty Lee Thompson, both young pupils of Samuel Pendleton, won this distinction.

QUILTING PARTY

A quilting party at the home of Mrs. E. D. Neil, north of Pampa, was enjoyed by a group of friends Thursday afternoon. Sandwiches, cake, and coffee were served to Mmes. Ben Walling, Virgil Nixon, Dalton Tarrant, and Bernal Robinson.

E. F. Poston was a visitor from Skellytown Saturday.

Scoring And Use Of Canned Foods Shown to Club

"When canning vegetables, be sure to grade your products according to size, color, and degree of maturity to obtain a uniform product," Miss Ruby M. Adams, county home demonstration agent, told members of the Laketon club Thursday.

She scored canned products to determine the variety best adapted to this area. Mrs. Lawton Hoffer was hostess.

Miss Adams urged everyone to plant New Zealand spinach, turnips, kale, mustard, and collards to assure a year-round supply of leafy vegetables.

Serving Suggestions. Following are some other pointers she brought out in her talk: The greener the vegetable, the more food value it contains; canned vegetables should be opened and left in open vessels three hours before using, to improve their flavor; two teaspoons of chopped onion fried with bacon and added to canned vegetables gives them a fresher taste.

Miss Adams presided during the business meeting. Final plans were made for the club entries in the meat show that is being conducted in Amarillo today. Mrs. Hoffer reported on the last county council meeting.

Miss Adams gave Mrs. Hoffer, who is to be club demonstrator for a new type of sweet corn, a package of Honey June corn seed.

During the social hour apple sauce cake and coffee were served to Mmes. E. C. Murrell, H. I. Gillespie, Nettie Ataway, Charles Tulley, Miss Adams, and a guest, Mrs. Tom Breeding.

TOPNOTCHERS ON WRESTLING CARD TONIGHT

KODRICK, HEARD MEET IN SEMI-FINAL EVENT

Two veterans of the wrestling game will clash in the final event at the Pampa-Mor auditorium tonight. They will follow one of the classic semi-finals imaginable. The two main-eventers will be Sailor Otis Clingman, known in Pampa as Squeek, Pretty Boy, Baby Face, and a few other names, and Charlie Heard, Santone Flash, together in a 30-minute time limit or one-fall affair. Kodrick is the little giant that made 30 minutes miserable for Pat Garrison last week. This time the strong man is matched against a boy his own size. Both are quick as cats with Kodrick having the strength advantage and Heard packing the knowledge.

The show will open at 8:15 with Andy Gump meeting the German clown, Joe Bauer. The two maulers are matched for one fall or 20-minute time limit affair. This Ken Gaston is an unknown quantity here, but he comes with a long record from the north. He wrestled in Lubbock in the first week-out of the north and made a great hit with the fans, although losing a close decision to Yagui Joe. Two weeks later, Gaston stayed 30 minutes with Clingman in a time-limit affair and the former sailor learned to appreciate Gaston's ability. Fans appear to be more interested in the semi-final than the closing match, although they are anxious to see Gaston in action. Clingman has a large following here and a record crowd is expected to see the matches tonight.

AGGIES TAKE SECOND PLACE IN CAGE RACE

JACK GRAY LEADS IN SCORING WITH 151 POINTS

By The Associated Press. Another race slipped into history Saturday night when the Southwest conference basketball campaign closed with Texas Christian University as 1934 champion. The Frogs, who won the championship with 17 victories and 2 defeats, take the throne occupied last year by the University of Texas Longhorns, whose best this season was a third place tie with Rice and the University of Arkansas.

The curtain dropped after Texas had trimmed the Texas Aggies, 27 to 25, after Rice had defeated Baylor 39 to 32, and after Southern Methodist's 44 to 37 decision over Arkansas. But these victories had no bearing on top spot in the conference race—the Frogs clinched the title several days before the close of the schedule. This year's basketball championship served as Coach Francis Schmidt's farewell to the conference. The Texas Christian mentor, who has won more conference basketball titles than any other Southwest coach, leaves within a few weeks for his new position at Ohio State.

Jack Gray, University of Texas push-shot artist, won conference scoring honors with 84 field goals and 43 free shots for 151 points. Richard Allison of Texas Christian was second with 50 field goals and

JACK DEMPSEY TO REFEREE IN WEST TEXAS THIS WEEK

Babe Didrikson Will Work With Cardinals in Spring Exhibition Games.

By BILL PARKER, Associated Press Sports Writer. Brief glances through the Texas sports hour-glass over the week-end disclosed that Coach Ray Morrison of Southern Methodist university told Ohio State officials that Francis Schmidt would give them a versatile and fighting football team. Morrison, dean of Southwest coaches, is firmly believed by Schmidt to be a huge success in the Big Ten. Smilin' as usual, J. Walter Morris, southern promotional director of the National Association of Professional Baseball Leagues, stopped over at Dallas for the week-end with the announcement that Hamlin, Stamford, Anson, Albany, Rotan and Haskell would be members of a fast semi-pro baseball league in West Texas.

Still deeply in love with each other, Mr. and Mrs. Jack Dempsey, the old manassa mauler to you, arrived at Dallas Saturday to take up temporary headquarters. While in Texas, Jack will look after his oil interests and play the role of referee at boxing and wrestling matches. Jack said he was scheduled to referee at Lubbock Monday night, Childress Tuesday, Clovis, N. M., Wednesday, Borger Thursday and Plainview Friday.

Babe Didrikson, Texas wonder girl athlete and Olympic sensation, wired Texas friends she would soon join the St. Louis Cardinals for work in spring exhibition games. The girl is getting a few shekels even though she is poorly managed. Dick Griffin's telegram from San Francisco contained information that he had definitely matched Tony Herrera and Barney Ross for a world's junior welterweight championship fight at Fort Worth, April 20. Herrera holds the Texas junior welter title by virtue of a recent decision over Tracy Cox.

Matty Bell, former head football coach at Texas A. and M., went into a huddle Saturday with Coach Ray Morrison and Captain Ray Fuqua of the Southern Methodist Mustangs who planned to start spring grid practice Monday. Bell, recently signed as line coach and first assistant to Morrison, created the impression he is "tickled pink" over his new job. Gus Moreland, Texas amateur champion, played his first round Saturday since returning to Dallas from the Texas open, Galveston open and Houston invitation. He carried a sub-par 87 over the Dallas County club course. Moreland has been invited by Bobby Jones to compete in the Masters' Invitation at Augusta, Ga., March 22. The tournament will be played over the course constructed along the lines of Jones' specifications.

Southwestern Oklahoma and Texas Tech divided honors Saturday night in Texas Tech's first invitation Southwest boxing tournament. Twelve schools of Texas, Oklahoma, New Mexico and Arizona were represented. The annual race meet that starts Friday.

Ex-Grid Star Of Panhandle Dies

A former football star of Panhandle high school, Aubrey ("Red") Davidson, 23, died suddenly at the home of his father-in-law, D. W. Badgley in Amarillo yesterday morning. He was stricken suddenly in late Saturday night. He was the son of M. B. Davidson, coach of Panhandle, superintendent of the race meet association and prominent realtor of that town. Aubrey Davidson had come to Amarillo Saturday afternoon with his wife and 2-year old son, Donald, to spend the week-end. He was an employe of the Universal Oil company. The body was taken to Panhandle where funeral services were to be held at 2 o'clock this afternoon from the Baptist church of which he was a member. Several Pampa people attended the funeral. The youth competed against Harvester athletic teams from 1927 through 1929.

STATE FINALS IN CAGE RACE BEGIN FRIDAY

8 REGIONAL TITLISTS GO TO AUSTIN THIS WEEK

By The Associated Press. Vigorous regional competition, eight high school basketball quintets will prime the next four days to compete in the fourteenth annual Texas Interscholastic League championship tournament scheduled at Austin Friday and Saturday. Competing will be League Gregorio gymnasium at the University of Texas, and the Athens high school Hornets, coached by Bobo Nelson, will be defending champion.

The eight teams who survived regional competition and are eligible for the state tournament include Lamasa, Denton, Brownwood, Athens, Jefferson Davis of Houston, Thomas Jefferson of San Antonio, Harlingen and Austin High of El Paso. The state tournament will be in charge of Roy Henderson, Texas Interscholastic League director. He will announce first-round pairings at a later date. The championship battle will be Saturday night. In last year's final game, Athens trimmed Jefferson Davis, 36 to 20.

Golden overwhelmed the Amarillo Golden Sandies Saturday, 37 to 21, to win in region No. 1. In a bitterly-contested game, Brownwood emerged with a 28 to 26 decision over the Colorado Wolves for the championship of region No. 2.

Denton, always a strong state championship contender, experienced no trouble beating McKinney, 34 to 15, to take honors in region 3. The region No. 4 title went to Athens when the Hornets smothered Emory, 31 to 15. Jefferson Davis survived in region 5 by taking a 26 to 16 game from Huntsville.

In a rough and tumble game, Thomas Jefferson eliminated the Temple Wildcats, 31 to 19, to win in region No. 6. The seventh region crown went to Harlingen by virtue of an 18 to 16 win over Taft in a game played at Kuykendall. Austin high will journey a long way to compete in the state tournament after winning in region No. 8. Austin eliminated Big Lake, 4 to 12. The eight survivors will compete in a round-robin tournament. At the conclusion the champions for the season 1934 will be crowned, and the all-state high school team will be announced.

MIAMI, Fla., March 5. (AP)—With half of the four seeded teams eliminated, survivors of the opening round of the \$3,500 international four-ball golf tournament at Miami Country club buckled down today to the serious business of warding off a similar fate. One of the finest of the hand-picked teams, Tommy Armour, of Chicago, twice co-holder of the four ball crown, and Craig Wood of Deal, N. J., fell before Henry Ciuci and Mike Turnesa, youthful Metropolitan New York pair, by two and one, over 36 holes.

The other seeded pair to fall was Gene Sarazen, the P. G. A. champion, and Joe Kirkwood. They surrendered to T. Philip Perkins of Cleveland, former British amateur champion, and Ralph Stonehouse, of Indianapolis, three and one. The defending champions, Paul Runyan, of White Plains, N. Y., and Horton Smith, of Chicago were carried to two extra holes by a straight shooting Long Island, N. Y., pair, Willie Klein and Jimmie Hines. Willie MacFarlane, of Tuckahoe, N. Y., and Johnny Revolta, of Milwaukee, the remaining seeded team, fought a nip-and-tuck battle with Abe Espinosa, of Chicago, and Reggie Myles, of Cleveland, before winning one up on the 36th green.

Luther Byars of Groom was here on business Saturday.

You will soon be planning your vacation, which will most certainly include the Carlsbad Caverns.

COSTES IS NO LONGER LOST

'French Lindbergh' Lands Safely in Germany; Fog Forces Airman Down.

MUNSTER, Germany, March 5. (AP)—Diplomate Costes, known as the "Lindbergh of France," whom the world feared lost after he landed here Saturday because of fog, took off at noon today for Copenhagen. Costes did not know until four hours before his departure that he had been the object of a wide search after he failed to complete on schedule a flight from Paris to Copenhagen late Saturday.

A few hours out of Paris after taking off alone in his private plane at 12:15 p. m., Saturday, the famous French airman encountered fog over Bremen, Germany. He headed into Munster to await better weather.

Apparently he thought nothing of the matter other than that it was an inconvenience on his business trip. But this morning he was astonished to learn that planes were searching out of Copenhagen and that grave fears were held that he had crashed and was killed.

"I didn't discover until this morning that I was supposed to be missing," he said before the take-off, obviously regretful that concern had been aroused.

Costes leaped into international renown when, in September 1930 he and Maurice Bellonte landed their scarlet plane—the Question Mark—at New York, completing the first non-stop westward flight from Paris to New York in 27 hours, 17 minutes.

Since his triumphant return to France, he has become one of the most successful business men in aviation. On the trip to Copenhagen he planned to arrange a deal between the Danish government and American motor manufacturers.

INTERSCHOLASTIC LEAGUE MEET WILL BE HELD AT McLEAN SOON

Bobby Jones Clips 7 Strokes Off Par On His Own Course

McLEAN, March 3.—Plans are going forward for the county meet of the Interscholastic League, which will be held in McLean, March 30, 31. C. A. Crier, local superintendent is director-general, and has the cooperation of the business men of the town. Below is the program: Thursday, March 29. All tennis, 9:30 a. m.; playground ball, 1 p. m.; preliminaries in volleyball, 7:45 p. m.

Friday, March 30. Assembly, auditorium, 9:30 a. m.; choral singing, auditorium, 10 a. m.; Arithmetic, room 1, 10:30 a. m.; Extemporaneous Speech, room 2, 11 a. m.; Three R's, room 4, 11 a. m.; Music memory, room 3, EE a. m.; Picture memory, room 5, 11 a. m.; Story telling III, auditorium, 1 p. m.; Story telling I & II, auditorium, 1:30 p. m.; Spelling IV & V, room 1, 1 p. m.; Spelling VI & VII, room 2, 1 p. m.; Essay writing, room 4, 1 p. m.; Rural declamations, auditorium, 2:30 p. m.; Ward declamations, auditorium, 7:30 p. m.; High school declamations, auditorium, 8 p. m.

Saturday, March 31. Playground ball finals (if not completed Thursday) 9:30 a. m.; Senior track, 10 a. m.; Junior track, 1 p. m.; Volley ball finals, 7:45 p. m.

PHONY WORKOUT ORLANDO, Fla., March 5. (AP)—The Brooklyn Dodgers' first works were slightly "phony" but Casey Stengel promised real work today. The squad of 19, was summoned to the practice field yesterday afternoon but it was largely for the benefit of press photographers.

hagen he planned to arrange a deal between the Danish government and American motor manufacturers.

GIANT HURLERS PLEASE MIAMI BEACH, Fla., March 5. (AP)—The New York Giants have completed their first week of spring training and Bill Terry is convinced the world champions will get better pitching than they did a year ago. "I look for Parmelee to come through consistently," Bill says, "and Schumacher should be better. Then, of course, there's Hubbell, Fitzsimmons, Clark and a couple of young fellows I don't want to boast about now."

HOLDOUTS TO TRAIN ST. PETERSBURG, Fla., March 5. (AP)—Thanks to Babe Ruth's early capitulation, the New York Yankees

have adopted a policy this season of permitting none of their holdouts to train with the team until they come to terms. In other years, the Babe was a holdout and the club did not see fit to enforce the rule against lesser members of the cast while permitting the Babe to train.

WHERE IS APPLING? PASADENA, Cal., March 5. (AP)—Although not exactly World Manager Law Fongosa of the Chicago White Sox, is wondering what has become of Luke Appling, his prize shortstop. Nothing has been heard from Appling, who hit 322 last season. Meanwhile mysterious Joe Chamberlain, who eluded the Sox all last season, has been doing well at short.
