'Save America,' Movement Started

Twinkles
We congratulate the Wm. T. Frasers on the twice-blessed event.

Government experts will try to take steps to stop wheat-soil blowing. But they continue to do nothing about the surplus wind.

This is typical of the federal bureaucracy—never getting down to fundamentals of any problem.

We're asked to say how far a 4-inch steel ball would sink if it were dropped into the sea at a depth of 6 miles. This is no institute of Physics and we hastily call upon the smart engineers and scholars in this area to come to our aid. This column must let no question go unanswered.

A Ferguson Forum reaches our desk, and while many a jobless man tells us Jim has failed him, we're far from ready to read the Ferguson out of Texas politics. Jim's voice has lost some of its bitter edge, but his typewriter still beats a familiar tune.

No truer statement could be made than that of Jim when he says that "there will be three or four hundred incompetent candidates who will butt into the legislative campaign, and if a majority of them is elected it will just be too bad."

We have a hunch, however, that Jim's warning comes a bit too late.

MRS. ROBERT E. PEARY
FIRST WOMAN
EXPLORER,
1891

Answers to Previous Questions
MRS. PEARY, wife of the famous explorer, sailed with her husband on June 6, 1891, but this expedition did not reach the North Pole. The Boy Scouts were incorporated in the District of Columbia in 1910 and further authorized by act of Congress in June, 1916. Robert A. Chesbrough compounded the first petroleum jelly and registered it under the name, "Vaseline."

First in Pampa

Q—Who organized Pampa's first band?
A—Alex Schneider Sr., in 1914. Outdoor practices were held in a field near the city. The band marched around the field for practice.

PASTORS OKAY REVIVAL PLAN AT CANADIAN

CRITICISM HURLED AT LIBERAL THINKERS OF AMERICA

AMARILLO, April 19 (AP)—A "save America" revival movement "for God and home and country" to combat crime, lowering of moral standards and ruthless politics, is proposed in a resolution, adopted yesterday by the Amarillo district conference of the Methodist church in Canadian, and which will be submitted to the general conference of the Methodist church, South, next week in Jackson, Miss.

The resolution was announced today by Rev. E. N. Huckabee, pastor of the San Jacinto Methodist church, Amarillo, chairman of the resolution committee at the Canadian conference.

Other members of the committee are Rev. Marvin Boyd, Vega; Rev. Alfred Freeman, Dimmitt; and Rev. W. W. Riley, Amarillo. The resolution set forth that "there is an ever-increasing wave of crime sweeping over our beloved America which has armed 500,000 professional criminals. . . We have witnessed the spectacle of certain liberal thinkers in America hiring 6000 special correspondents and news gatherers at high salaries to deliberately poison the wells of information and thus take from us the greatest piece of moral legislation enacted since the emancipation proclamation. . . Many worthwhile periodicals are being discontinued and tons of salacious and sensational literature are being sold each day. . . There is a dearth of statesmen and patriots in our nation. Paid amusement overriding and destroying our Sabbath. . . Half our children have no religious training."

The resolution, which will be memorial to the general conference, proposed that the revival begin on Lincoln's birthday, 1935, and continue until the following Thanksgiving day.

Scout Troops to Issue Tickets to Knot-Hole Gang

Boys of this community who are 16 years of age and under may obtain their Knot-Hole Gang free baseball tickets for admission to the Pampa-Dangler park at meetings of Boy Scout troops tonight and Friday night.

The Scouts have been given the task of distributing the tickets to the Knot-Hole Gang. These receiving the tickets will take an oath to conduct themselves well at the games. Tickets may be canceled for misconduct.

Troop meetings are scheduled as follows:
Troop 1—First Baptist church, 7:15 p. m.; First Christian church, 7 p. m.; Skelly Gasoline plant, No. 1; First Presbyterian church, 7:30 p. m.; Baker school, 7:30 p. m.; Horace Mann school, 7:15 p. m.; First Methodist church, 7:30 p. m.; Friday night—Wayside school, 7:30 p. m.; Hopkins school; Baker school, 7 p. m.; Kingsmill, bunkhouse, 7:30 p. m.; Sam Houston school, 7 p. m.

BISHOP ON STAND

WASHINGTON, April 19 (AP)—Bishop James Cannon, Jr., testified today to a District of Columbia jury in an effort to prove that he is innocent of a charge of conspiracy to violate the federal corrupt practices act in connection with his 1928 efforts to defeat Alfred E. Smith for president.

Miss Melba Barrow has returned to her home in Detroit after a visit with Mr. and Mrs. George DeMoss.

PROGRAM FOR SCOUT EVENT IS ARRANGED

Space For Housing Display And Fair Sought and Will Be Announced Shortly.

VACANT buildings in Pampa have been rented, leaving no adequate space for holding this year's Boy Scout merit badge display or Howard C. Executive C. Clark and his scoutmasters will find suitable space within a few days.

The round-up will be held April 28, with the circus and display booths in connection. There will be a free picture show at 10 a. m. and a parade of all troops at 2:30 p. m. The parade will be led by the McLean Boy Scout band. At 7:30 p. m., the big circus will be held in the high school gymnasium.

Each troop will present a stunt lasting 5 or 10 minutes. Activities of Scouting will be shown.

A number of the out-of-town troops are expected to arrive Friday night to camp out in this vicinity. A court of honor will be held at a central location Friday evening, April 27, if enough troops make the request in advance.

An athletic tournament will be held, including tennis, ground ball, and possibly archery. McLean's Scouts have already asked that opponents be ready to meet them in these events.

The annual camp-out for May 25-26 near-to Nature park has already been announced, and other district camps are being planned in addition to the main summer camp tentatively set for the first week in August. This big camp meeting will be held near Cloudcroft, N. M., and the trip will include a visit to Carlsbad caverns.

Miss Davis Has Been Named as City Bookkeeper

Miss Mabel Davis county treasurer for the past term, is the latest appointee to the city family. In a special meeting of the city commission late yesterday, she was appointed city bookkeeper, succeeding Mrs. Ruba McConnell, who resigned Saturday.

Mrs. Deva Duvall of the water department has also been given the duties of assistant registrar of vital statistics, assisting W. M. Craven, registrar, city secretary, police judge, tax assessor, and tax collector.

Miss Davis will assist Mr. Craven as deputy tax collector. The city is completing plans for asking FERA aid in laying out parking places. It also will begin consideration soon of the summer opening of the municipal swimming pool. The pool will likely open about May 15. Many applications are being received from persons who wish to operate the pool or become employees in its operation.

Cage Games Are Postponed a Week

Because of conflicting engagements, the basketball tournament to raise money for the American Association of University Women scholarship fund will be postponed from Monday and Tuesday nights until the following week.

Besides the four civic clubs, three women's teams have entered the tournament and a fourth is being sought. Dr. H. H. Hicks, sponsor of the fat and lean football game last year, will be in charge of the basketball tournament.

Teams have already been entered from the Rotary club, Kiwanis club, Lions club, and Junior chamber of commerce. The A. A. U. W. and the P. A. T. A. City Council and a town team have been entered in the women's division. Admission to the games will be 10 cents for students and 35 cents for others. The student selling the most tickets will receive a cash award.

GREAT DAMAGE INDICATED IN FIRST REPORT

TREES ARE UPROOTED IN LAFAYETTE PARISH

LAFAYETTE, La., April 19 (AP)—At least two persons were killed and others injured in a wind and rain storm which swept thru Lafayette parish this morning.

Ophie Melancon, about 65, was killed at Carencro when his home was wrecked by the wind, and Mrs. Clime Taylor, about 52, was reported to have met death similarly in the collapse of her home at Arnaudville.

Two persons, Mrs. Moise Hebert and Walter Taylor, were listed as injured at Arnaudville.

Preliminary checks in the parish indicated extensive property damage.

A residence here was crushed by a falling oak tree but the only occupant, a negro servant, escaped injury. The tile roof of another home was blown off and trees were uprooted over the city.

Denver Officials Visit Here Today

Officials of the Fort Worth & Denver railroad were here today inspecting their properties and meeting citizens.

They included L. M. Hogsett, general freight agent; M. B. Oates, agricultural agent; Chas. B. Hinsey, freight agent; and passenger agent of the Frisco lines; and A. E. Drake, traveling freight and passenger agent for the Fort Worth & Denver road.

The railroad officials also are looking over the new oil development in the western Wheeler country area, where the Belco switch of the Denver is serving the oil companies and lumber yards.

Clark Speaks in Banquet at Turkey

Scout Executive C. A. Clark has returned from a trip to Clarendon, Memphis, and Turkey where activities of troops were found to be increasing.

He spoke at a Father and Son banquet in Turkey Tuesday evening, when about 40 men and 60 boys were present. At Memphis, J. A. Jackson, former Gray county man, has been made director of rural Scouting. Mr. Jackson is the Hall county agent.

Liars' Contest To Be Merten Stunt

LIARS, real or impromptu, will have their inning at the Merten school's pie supper Friday evening. Local civic clubs have been asked to designate their best known tellers of improbable or impossible yarns. The contest will be a feature of the evening.

Pampans are invited to attend the supper, and local trippers will gather at the city hall at 7:30 o'clock to start the short journey.

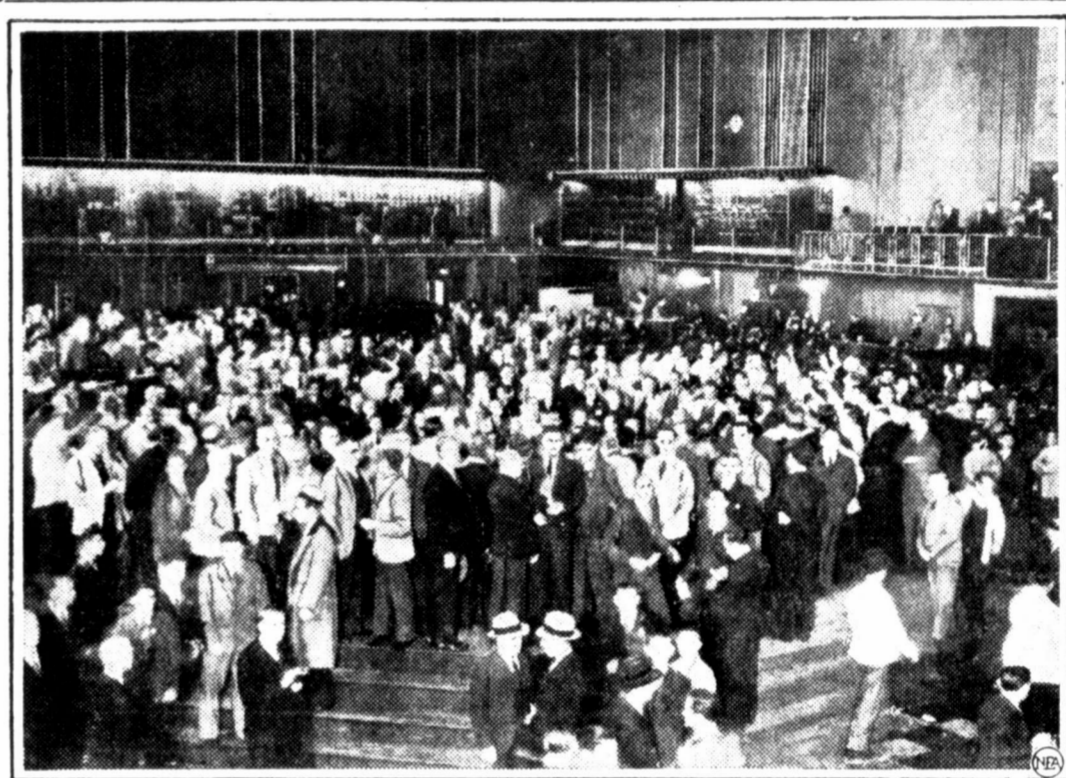

Bull Tried For Swindling

Jersey bull Blue Boy Fancy Premier, owned by E. W. Smith of Lockney, and both grand champions of the Guernsey division were new to the show.

Joe W. Vaughn, Swisher county Jersey breeder and consistent exhibitor since the show was first organized, was selected president of the association last night, succeeding Dr. George P. Groat of Panhandle.

H. B. Hales, Holstein breeder of Amarillo, was elected vice-president. Grady Shipp of Plainview, defeated secretary-treasurer. The new directors were elected to serve three years. The feature of today's entertainment was "trial of the scrub bull." A formal swindling complaint was filed by District Attorney Meade Griffin of Plainview, charging the defendant "did fraudulently pretend he was such an animal that with proper care and attention would bring maximum return to his owner" but "in truth and in fact, said scrub bull and his progeny were an expense and waste."

Price Crash Jolts Staid Chicago Wheat Pit

Wild turmoil reigned in the grain pit of the Chicago Board of Trade when the sharpest break of 1934 came, with most prices falling the limit allowed by market regulations. The picture above shows the wheat pit during a recent busy session, with a throng on the floor and brokers signaling their orders.

Jap Note Disturbs England

British Government Gets A Cable Warning Nations To Stay Out of China.

LONDON, April 19 (AP)—The British government today received an informative cable from its ambassador to Tokyo concerning Japan's warning to other countries against projects for the assistance of China.

The unusual form in which these cables were made and the fact that Japan reserves the sole right to decide whether projects aiding China are peaceful or otherwise, it is understood, is most disturbing to the British government.

WASHINGTON, April 19 (AP)—Japan's "re-statement and clarification of policy toward China" in its incomplete form as contained in press dispatches from Tokyo—loomed today as a possible major issue in Far Eastern affairs.

No official communication of the text of the purported document has been received at the state department, either through Ambassador Saito or from Ambassador Grew in Tokyo. Pending the actual receipt and consideration of a note, or an aide memoire with full text, state department and other administrative officials declined to make any official comment on the document itself, or any of the outstanding points in Japan's claim of a special responsibility and sphere of influence in China.

LATE NEWS

BOSTON, April 19 (AP)—Dave Komenon from the little mining town of Sudbury, Ont., won the 38th annual Boston Athletic association marathon today.

CHICAGO, April 19 (AP)—Three federal judges sitting en banc today issued a temporary injunction restraining Henry A. Wallace from enforcing an order lowering by about 30 percent the rates and commissions charged shippers by commission houses handling livestock at the Chicago Union stockyards.

CHICAGO, April 19 (AP)—Wheat prices on the board of trade broke 5 cents a bushel late today under pressure of heavy liquidation that followed a statement ascribed to Secretary of Agriculture Wallace that domestic and world prices of wheat would be closer together during the present year.

THE PEOPLES COLUMN

Editor, The NEWS—
To the Presiding Elder and Members of the Amarillo District Conference, in Session at Canadian, Texas, April 17-18.

Whereas, we view with alarm the breaking down of sentiment in favor of law enforcement throughout the United States, and the general increase of crime throughout the country, and the falling away of

moral forces in many communities, and the great lethargy on the part of many church members regarding their duties and obligations to the church and to the cause of righteousness, which we believe has resulted in the defeat of the 18th Amendment by the liquor interests, for which the church and moral forces have labored for over fifty years, and

Whereas, we deplore the conditions that confront us today, that the cause of temperance and sobriety seem to have lost the battle, and the way looks dark, but we thank God that He still rules the world, and we look to Him for guidance in this day of our calamity:

Therefore be it resolved: That we re-consecrate ourselves to the cause of temperance and we pledge anew our faith to the Church of God in her fight for the cause of prohibition and temperance.

We call upon the people to see to it that our public schools teach again to the children of our land, as they formerly were required to do, that alcohol is a deadly poison, and the harmful results that will follow to those who use it.

That "wine is still a mocker and strong drink is raging, and that he who is deceived thereby is not wise," and that we carry on the fight for prohibition in the home, in the school, in the church, and in the byways of life until intoxicating liquors are driven from the land.

We regret that so many of our people look upon the drinking of intoxicating liquor lightly; they

NRA PROGRAM NEARS CRISIS
The heat of patriotic fervor dies. Crises are forgotten. Rules are made to be broken, as Americans understand it. The nation's recovery program has averted chaos, but it daily grows plainer that opposition is rising, individuality is demanding its turn, and any attempts to regiment business are doomed to fail. Of course, everyone knew this phase of the new deal was coming.

The fact that Mr. Roosevelt's program has been having tough sledding on Capitol Hill recently would not mean much except for the fact that this opposition reflects a rising opposition among the congressmen's constituents. Among the snags it has hit may be listed the following:

- Modification of the stock exchange control bill in the direction sought by Wall Street.
- The announced decision of legislative leaders to liberalize the securities bill in the same direction.
- Modification of the Wagner bill to meet the objections of large employers of labor.
- Drastic changing of the air mail policy in response to widespread objections from the business community.
- Defeat of the St. Lawrence waterway bill and over-riding of the veto on the economy bill.
- Abandonment by the NRA of its plan for a blanket order to cut hours and raise wages in industry.
- Other things could be cited, but these are the major points. And a review of them leaves one with the feeling that there has been a slowing up of the machinery which functioned so smoothly a few months ago.
- The nation is growing restive, and Congress reflects that feeling.
- All this being the case, what happens next?
- It is customary to say that Mr. Roosevelt will presently pull a new rabbit out of the hat. Yet no magician's hat is bottomless and no supply of rabbits is inexhaustible.
- In this case what we have to expect is not so much a new rabbit as a redefining of the whole program and a reiteration of fundamental policies.
- The first phase of the recovery program is over. A substantial amount of recovery has actually been made and more is in prospect.
- The task of maintaining the balance between recovery

KENTUCKY DERBY FAVORITES NARROWED DOWN TO 9 HORSES

Sir Thomas, Mata Hari, Riskulus, Singing Wood, Time Clock, Cavalcade, Named.

LOUISVILLE, Ky., April 19. (AP)—With little more than two weeks remaining before the running of the sixtieth Kentucky Derby at Churchill Downs, nine thoroughbred owners have nominees conceded the best chances to win the \$30,000 added stake May 5.

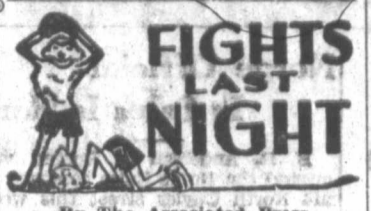

The constantly shifting derby odds indicate that turf owners with the strongest nominees are A. B. Gordon with Sir Thomas, Charles T. Fisher with Mata Hari, Norman W. Church with Riskulus, Mrs. John Hay Whitney with Singing Wood, and Mrs. L. D. Stone with Cavalcade and Time Clock.

Slightly less favored in the public eye are the chances of Col. E. R. Bradley with Bazaar and Baker's Dagen, Alfred G. Vanderbilt with Discovery, Mrs. Payne Whitney with Black Buddy, and John Simonetti with Sgt. Byrne.

The list of ten favored owners compiled ten days ago was cut to the present nine with declaration that George D. Widener's nominees, Chestnut, Kawagoe and Jack Low, would not start in the Derby.

One of the better grade of derby horses, Mrs. Louise J. Hickman's Dusty Dawn, has been withdrawn from training and will not start in the historic classic. This brings the list of almost certain non-starters to approximately a dozen, though every one of the 124 nominees remains eligible until entries are made the day before the race.

Another Phillips Team at Berger Asks for Games

Another baseball team of promise looms on the horizon with a letter from C. F. Jones of the production department of the Phillips Petroleum company at Berger, who says that department has a fast team nearly ready to meet all comers. It has been the ambition and hope of the production boys for two years, Mr. Jones reports.

New uniforms have been ordered and will arrive soon. There were 56 players reporting in the first workout this week. Included in the number were a few oldtimers and a lot of youngsters who showed great promise. The squad will be cut to 25 men immediately so that practice periods will not be hindered by large numbers of players on the field.

"We will be ready to meet a Pampa or LeFors club in the next two weeks and believe we can give them a good tussle by that time," writes Mr. Jones. "It looks like a great year for baseball. Fans are more interested than ever before."

Team managers in this section interested in a game with the new Phillips "66" team should write to C. F. Jones, Box 377, Whittenburg, Texas.

DALLAS STEERS TROUNCE TULSA OILERS 4 TO 1

BEAUMONT EXPORTERS WHIP HOUSTON 6 TO 0

BY BILL PARKER.
Associated Press Sports Writer.

Skipper Fred Brainerd's pennant-favored Dallas Steers opened their Texas League race Wednesday with a 4 to 1 victory over Manager Jake Katz's Tulsa Oilers.

Young John Whitehead, the husky right-hander who "silked" a hit last year and failed to be at his best pitching form, was in fine fettle against the Oilers. John held Tulsa to five blows to out-hurl Bivins, who stopped the steers with six singles.

"Hat" Pank Dallas' new catcher, splattered the mound-dust around the lot a bit in the ninth inning with his double, with the bases loaded, scoring three runs. Chubby weather and threatening rain held the attendance down to 1,000 persons.

Crashing Hillin and Caldwell for a flock of hits, the Galveston Buccaneers ransacked for a 12 to 3 verdict over the San Antonio Missions in a game of free swinging and much hitting. Galveston clicked with eight runs the first three innings to spoil whatever hope the Missions had of winning. Galveston got 18 hits against 14 for San Antonio.

The young, hustling Beaumont Exporters whitewashed Houston, 6 to 0. Jake Wade pitched an excellent 5-hit game for Beaumont. Al Vincent, Exporter second-baseman, drove in three runs with a pair of doubles. It was a mid-summer ball game with both clubs beating down and both getting good pitching, although Fischer and Lyons could not prevent the Exporters hitting in timely spots.

The Oklahoma City Indians have the honor of being the first 1934 Texas League team to win two consecutive games. They accomplished the feat Wednesday with an 8 to 2 victory over Fort Worth.

Poclass, a rookie pitcher, aided by a powerful batting attack, scattered eight Fort Worth hits while his mates got White, Baker, Davis and Rhodes for 13 lacy wallpops.

7 HURLERS TO BE READY FOR PHILLIPS NINE

BORGER CLUB DUE TO GIVE PLENTY OF COMPETITION

The Borger-Phillips "66" baseball team will present several new faces when it meets the Danziger Roadrunners here Saturday afternoon in the opening game of the season at the new Roadrunner park on West Brown street. The game will be called at 3 o'clock with admission \$1.

Phillips has seven hurlers ready for service, while the Roadrunners will have only Bill Hardin, right-hander, and Lefty Bulla, pitcher. Carl Stewart is just out of the hospital after an operation for appendicitis.

Although Manager Bill Ellis has not named his starting hurler, Dewee Bass, former House of David star, is doped to get the call unless Ellis starts the game himself. Other hurlers ready are Mulhoney, Morgan, Haddock, Johnson, and Underhill.

C. Francis, last year's catcher, will probably get that assignment, although Dick is being shown improvement. Big Lefty Hart will be at first and Red Lowrance, former House of David player, will play second base. Dutch Behrens, a new comer, is just out of the hospital after an operation for appendicitis. The outfield will be Gib Jackson or Vernon Deck, left field; Joe Surface, center field, and Parker Perry, right field. Francis, Surface, and Dick are the newcomers to the Borger nine.

The Roadrunners worked out yesterday afternoon despite a wet diamond. The infield was to be worked over this afternoon or the last time before the big game. The Roadrunners are ready to go despite the fact they will not have the pitching array being sent over from Borger.

Ray Atar Lubbock boy who got his baseball experience at Texas university, will get the call at shortstop. Atar was with Longview and Fort Worth after leaving college. He is a "chatterer" and the life of the infield.

The hot corner will be in the hands of Chuck Carroll, former Phillips star. Carroll went to Borger from Pueblo in the Western League. Carroll was with Amarillo when that city had an entry in the Western League. Carroll has a sore arm but it is responding to treatment.

The Roadrunner outfield will have power and speed plus experience. In center field will be Fredrick Brickell, who although only 26 years old, has had three years with Philadelphia and three years with Pittsburgh. Brickell later played with Kansas City and Dallas.

The left field will be patrolled by Grover Seitz. White Deer boy who made good in the big time until he broke an ankle. Seitz started out with Wichita Falls in the Texas League after leaving the old Pampa Grays. Seitz, in his professional career, has seen service with St. Louis, Cleveland, Springfield, Rochester, and Elmira.

Whitley Vaughn, holdover from last year, will be in right field. Vaughn started out with Norfolk in the Nebraska State league and then had seasons with Oklahoma City and Omaha in the Western League. He went to Borger from McVitties, of Denver Tournament fame, in 1932. He moved to Pampa last year.

Ben McLarry, who held down the shortstop job last year, will be the utility man. McLarry can take his turn behind the bat, play second base or shortstop, or patrol the outfield. McLarry is being groomed to help Manager Ward at second base.

E. B. Nash, employe of the Panhandle drilling company, is a patient in Pampa hospital, where he was treated yesterday for a broken foot.

JIMMIE FOXX AND BABE RUTH GET HOME RUN RACE STARTED

Foxx Smashes Out 2 and Bambino Clouts One Into Window of House.

By HUGH S. FULLERTON, JR.
Associated Press Sports Writer.

With the major league baseball season only two days old, the home run marathon between the Babe Ruth, the old clouting king, and the young pretender to the throne of sweet Jimmie Foxx, already is well under way.

The first wallpops by this pair of rivals as they met at Philadelphia yesterday, provided the high spots of the day of the campaign, but there were plenty of other good jobs done on the ball field, including a total of 16 homers for the day and four more five-hit pitching performances.

Foxx, the home run ruler for the past two seasons, connected for his first 1934 homer in the second inning of the diamond Dornbrook which saw the Yankees square the series with an 11 to 5 triumph over the Athletics. He repeated the feat in the fourth frame, again with empty bases, while the Babe bided his time until the eighth, then outdied his rival's efforts by poling a mighty clout clear across the street to a porch roof, bouncing the ball into an open window of a house. By that time Bill Dickey had settled the game by driving home six runs with a homer, two doubles and a single.

Chick Hafey of Cincinnati and Zeke Bonura, the White Sox rookie first baseman, also fabricated two homers apiece while Chuck Klein hit his second of the year and Joe Medwick joined him at the head of the parade.

Neither Hafey nor Bonura could bring victory by his feat. The Reds got only four blows off Guy Bush aside from Hafey's pair and yielded to the Cubs 8 to 4 as the Chicago batters held a field day against Dazzy Vance's hurling. Bonura's circuit crashes accounted for three of the White Runs against Detroit but Goose Goslin and Gerry Walker brought home five tallies by the same method and the Tigers won 6 to 5.

Medwick also came out on the losing side when Pittsburgh's Pirates found young Paul Dean easier than brother Jerome Herman had been the day before and belted out a 7 to 6 victory. Gus Suhr, Pie Traynor and rookie Harry Lavagetto hit a homer apiece, the trio accounting for all but one Pirate run.

Along with the Tigers and the Cubs, the New York Giants and Washington Senators, last year's world series rivals, cropped up as two-time winners. The world champion Giants downed the Phillies for the second time, 6-2, on the strength of Fred Fitzsimmons' five hit hurling and Biondy Ryan's four-for-four hitting. Fitz had a close duel with Austin (Cy) Moore until the eighth, when the Giants put over four tallies.

The Senators gained their second triumph over the Red Sox by a 5-4 count when three hurriers, Monte Weaver, Al Thomas and Jack Russell combined to limit Boston to five hits and two pinch batsmen came through.

Irvin (Bump) Hadley of the St.

Louis Browns and Fred Frankhou and Rick Belts of the Boston Braves in combination were the other five-hit flingers. The former had the honor of pitching the first American league shutout. The Browns also were blanked until the ninth when George Pinchot, Bruce Campbell and Oscar Melillo solved Monte Pearson for the hit that brought a 2-0 victory over Cleveland. Frankhouse and Belts pitched the Braves to a 2 to 0 triumph over Brooklyn's Dodger who were in difficulty because three outfielders, Hack Wilson, Danny Taylor and Buzz Boyle were kept on the bench by minor injuries.

ROOSEVELT IS STILL WILLING TO TALK DEBTS WITH BRITISH

LITTLE HOPE IS HELD FOR SUCH PARLEY

PRESIDENT WILL ISSUE ANOTHER MESSAGE ON DEBTS

BY WILLIAM L. BEALE.

WASHINGTON, April 19 (AP)—President Roosevelt is as ready as ever to renew war debt discussions with Great Britain, but a view today from an official quarter held little hope for such a parley or any immediate successful settlement.

Authorities here noted a demand in London for writing down Britain's debt, made by Sir Herbert Samuel, liberal leader, during a debate in the house of commons on the new budget. For the third successive year it omits any provision for debt payment.

It can be stated that Mr. Roosevelt has not altered his policy "that a debtor may at any time approach a creditor with representations concerning the debt and ask for readjustment."

Many here feel, however, that additional debt talks at present would be unimply. Mr. Roosevelt himself announced the adjournment of last fall's extended debt meetings in Washington "until certain factors in the world situation—commercial and monetary—become more clarified." More than one official feels this time is not yet.

The chief executive now has under consideration a message to congress on the war debt situation. It is generally expected that he will confine himself to a factual report on the existing status.

Most leaders on capital hill are waiting for Mr. Roosevelt to speak before talking further themselves. An indication of the tenor, however, is contained in a clause approved by the house in passing the reciprocal tariff bill that nothing in it should be interpreted as giving the executive power to cancel debts in negotiating the trade agreements.

In less than two months—June 15—debt installments totaling \$174,647,000 are due. Great Britain owes \$85,670,765 of this total.

Treasury officials feel certain of collecting only about one thousandth of the sum due from all debtors.

ENGLAND SEES TROUBLE AHEAD WITH JAPANESE

Ban on Aid Would Be Direct Violation Of Treaty

LONDON, April 19 (AP)—The British government expects an immediate clarification from its ambassador in Tokyo of the reported Japanese foreign office warning to the world to keep its hands off China and the threat to resort to force to carry out this policy.

This expectation was announced at the foreign office where it was learned that no official communication had been received from Japan on the subject.

British official circles said they regarded as unwarranted alleged Japanese fears that the United States, Great Britain, or other powers would seize upon special influence in China.

A Japanese ban on international aid to China, it was held, would be a direct violation of the nine-power treaty and other agreements to which Japan has adhered.

The nine-power treaty, it was pointed out, allows the powers "to provide the fullest opportunity to China to develop herself" and "to use their influence for equal opportunity for commerce" in China, but bars them from seeking any special privileges.

It was also pointed out that Japan agreed to collaborate in any financing in China with Great Britain, the United States and France under the 1920 bankers consortium.

Furthermore, experts of the League of Nations have been invited to assist in the reconstruction of China since the creation of the Chinese national economic council in 1931. It was indicated that any move by Japan to curb these activities would be opposed by Great Britain.

PLANT AND TRANSPLANT

By The Pampa Irish Farmer. Well, Neighbor, could a gardener ask for a better day than Monday was, for transplanting? Those little plants did not wilt at all, when I moved them. The day was not half long enough. I had so many things to move, and reset.

Some folks laugh at me for planting "in the moon," instead of in the ground, but I sure like to plant when the moon is growing.

I want to plant so many things this week that I am sure I will work more than an hour each day in the garden, but I am used to work now and it won't tire me much, if I work all day.

Of course, I will plant petunias, annual phlox, California poppies, nasturtiums, and summer flowering cosmos for cut flowers. Then the vines such as cypress, cardinal climber, balloon vine, and those giant blue morning glories.

When you get up about 6 o'clock some hot morning and look out at those blue morning glories, you wonder why you plant any other flower. Nothing can equal them at that hour, and the Japanese variety stays open most all day.

Did you ever stop to think what a wonderful frame for a flower picture, you can make with a vine? You know our fine pictures on the wall are framed, so why not frame our outdoor pictures? If we do not have big beautiful trees behind our flower plantings, to make the frame, we can easily grow a dense vine in the back ground, which will make such a pretty frame for the beds of flowers planted in front of the vine.

Yes, I am planting dahlias this week too. The northern growers advise planting first of June, for show blooms in the fall. Why not plant some now for show blooms the Fourth of July? Some will bloom all summer and then take a blue ribbon Thanksgiving, so I am planting some now.

And the canna lilies are ready to go now. I dig a hole as large and deep as a big wash tub, for each group planting, and work in some sand or rotted manure. I cover the tuber with about two or three inches of clean soil, and leave a basin for watering, after the plants are growing good.

Now when I plant these Glads, I shall alternate with aster plants. When the asters quit blooming, I just pull them out and leave the glads to ripen their bulbs for another year's planting. I like pe-

tunias planted in front of the Glads as they make such a nice shade for the roots, and they are still blooming at frost time. Save some Glads to plant later, and have blooms in the fall also.

Why here comes Tom Close without Sonny. Hello Tom, where is the boy?

You don't say. That is too bad now, for him to have to be sick. Oh, he has the measles. Well, I guess he did keep you awake all night, before he broke out. Delirious? Talked about bugs and worms all night, and begged you to go see the Irish Farmer with him. Here, let me get you some of these panicles to take to him, he thought they were so pretty when he was here the other day, and take this big bright tulip. You know boys like big red flowers. Pay me? I don't sell flowers, Tom, that is the florists' business. You might find a pot of those tulips blooming at the flower shop, if you want to buy some for him. They sure would be lots of company for him while he has to stay in bed.

When these little fellows get sick enough to call a doctor, we sure wish we had something nice for them. Oh, he told Old Doc Relief about the out worm? Ha ha ha. Sure, sure you can plant him some flowers. Not too late. Here let me get you some of this little annual phlox to set out, and watch what I tell you Tom, it will be blooming by the time he can get out doors. Surprise him with it.

So Doc Relief told Sonny that he wanted each of his nurses to plant a garden, and he hoped his was the last case of measles this season, so he could get to sleep one whole night and then work in his garden. I guess this measles and whooping cough season has been pretty hard on Old Doc, and he needs to get out and work in his garden and relax, and rest. This working in a garden, will make a fellow go to sleep quicker, and sleep harder, than any of these sleeping pills. And of course Doc knows that from experience.

Here comes Tom back. What? You forgot you promised to take a cut worm home to Sonny? Ha ha ha. The other one died. And he wanted you to learn the garden song. Well this is it:

We spade, we rake, we hoe, ah our each day you know, Hi yo my dearie, and the farmers in the dell, We water once a week, if it don't rain or snow,

HAMILTON LAST SEEN IN LARGE CHICAGO HOTEL

Desperado Likely To Go Back To Dance Hall Pleasures

DALLAS, April 19 (AP)—The belief that Raymond Hamilton, escaped convict and gunman wanted for bank robbery and other crimes, had removed himself from within easy reach of Texas officers and may evade the law until he gets into more troubles was strengthened today by receipt of a letter from a New Orleans detective.

The letter, sent to Deputy Sheriff Bud Walker, said Hamilton, former desperado of the notorious Barrow gang, had boarded a train in New Orleans the night of April 6, and traveled straight to Chicago. That same day he wrote a letter to Albert Baskett, Dallas attorney, saying he had severed relations with Clyde Barrow and was innocent of the killing of two Texas highway patrolmen near Grapevine.

The New Orleans detective said he followed the trail of Hamilton to Chicago. A Pullman conductor, in charge of the coach in which Hamilton and a woman companion rode, said the man described by Deputy Sheriff Walker and employees of the LaFayette hotel (where Hamilton had stayed in New Orleans) left the coach in Chicago and he was positive of his identification.

When Hamilton and the woman registered at the LaFayette hotel the night of April 5, the night clerk observed that Hamilton had a fresh cut across the bridge of his nose. The Pullman conductor remembered the same man. The information would place Hamilton in the Chicago area since April 8. He has not been seen since and all efforts to locate him in the southwest have been in vain.

Dallas officers considered it probable he would hide out somewhere around Chicago, or in the city. He was captured last year in Bay City, Mich., in a dance hall. That same temperament that caused Hamilton to be captured before, is likely to deliver him into the hands of officers again, Walker believes.

When caught in Bay City, he and Gene O'Dare were in a dance hall. Hamilton was drunk, swaggering and bragging. He got into an argument and announced in a loud voice he was a head man from Texas, that he had killed several persons and wouldn't mind killing some more.

'SHOT HEARD ROUND WORLD' FIRED AT FOR

LEXINGTON RESIDENTS SEND PROTEST TO WASHINGTON

LEXINGTON, Mass., April 19 (AP)—From Lexington, where "the shot that was heard around the world" was fired 159 years ago, another shot was fired today—this time at congress.

A protest, signed by more than 1,200 citizens of Lexington and addressed to Massachusetts members of congress, was carried to Washington criticizing, among other things:

"Federal interference in business under the guise of promoting social reform and economic recovery..."

"Indefinite extension of legislation originally designed solely for emergency purposes..."

"Passage of legislation without more careful consideration by congress..."

A reading of the petition also was part of the exercises on the battle green in observance of the 159th anniversary of the skirmish April 19, 1775, between the Minute Men and the British.

Drawn in the form used by Lexington citizens in colonial days, to protest to provincial and state authorities, the "declaration" concluded:

"We are resolved that the individual's rights of private enterprise and its rewards must continue, free from unreasonable interference by the federal government, and we demand their preservation at your hands."

CHINESE SEE BLOW AT U. S. FLIERS IN JAPANESE POLICY

Judith Lane

by JEANNE BOWMAN

SYNOPSIS: The test well Judith Lane is stinking to prove to the Scoggins family that there is no oil on a piece of ground Scoggins holds that is necessary to the Rio Diablo dam. She has been blown up in a storm Judith is building the dam with money left her by Big Tom Bevins for the purpose. And she has seen her husband, Norman Dale, in the camp of Morton Lampere, who is trying to obstruct Judith's work, and to recover the Bevins money for Mrs. Bevins and her daughter.

Chapter 39 CALLERS COME

The storm was over, the clean cool air that followed in its wake blew through Judith's house. Delphy sniffed it gratefully as she stood at the kitchen door, then sniffed back towards the kitchen and waddled rapidly across the floor towards the stove.

"Didn't burn," she said with a sigh of relief, and drew a golden-brown up-side down cake from the oven. Carefully then she went over her menu for the evening meal.

She went to the front door and looked down the hill. Judith Dale was coming up alone. Her clothing, dripping wet from the still falling rain, clung to her slim figure, her hair hung in bedraggled wisps, even her shoulders seemed slouched under some sudden weight.

As she came close she looked up and Delphy wondered if the wet drops glistening on her cheeks were rain drops or tears.

"Delicious cake," said Judith, a new note of confidence in her voice, then looked up. Delphy's back had straightened like a ramrod.

"He'll come then while trash now," she said and Judith, leaning forward, saw the Scoggins family approaching.

Judith left the table, told Delphy to clear it quickly, and met the trio at the front door. She glanced in astonishment at the shimmer of sequins as Mrs. Scoggins removed a rain sodden coat, and noticed in a second glance that her pretty, vapid face had been thickly coated with powder to hide tear stains.

Tommy, in long trousers and his first white collar, was very serious. Judith couldn't tell whether it was an expression worn for the solemnity of the occasion or the dignity of his new clothes.

And then she turned to Scoggins, senior. He wore the shabby town suit he had probably bought for his big adventure when he left Arkansas years before, and had saved for momentous occasions. From his inner pocket he was drawing his copy of the contract she had made with him, three months before.

Judith winced. He had come, as she would have said, "To put the screws on the torture chair." He was going to prove that she had promised—

"Mrs. Dale."

She realized he was using his oratorical voice reserved for important occasions—"we have gathered here this evening to tell you—"

"Please sit down," Judith interrupted. She felt her knees were going to buckle under her.

"Mrs. Dale."

Scoggins repeated the opening salutation of the speech he was intent upon making. He alone of the trio had remained standing. "We have gathered here this evening to tell you that we have seen a great light."

"In deepest hum—hum—hum—"

"Humiliation," prompted Tommy in a stage whisper.

"Humiliation we have come to tell you that the sword of the Lord has cut the blindness from our eyes."

Judith had interrupted one of Mr. Scoggins' declamations, she didn't intend to interrupt another, but she did wish he would get to the point. Word after word rolled in sonorous tones from his tongue. Occasionally whole sentences would remain in Judith's mind, such as—"Big Tom Bevins found us on the banks of the Rio Diablo, destitute, beggars, starving. He shared his food with us and then he lifted us up and gave us a chance to be human beings again."

"There was more of this extolling Big Tom and Big Tom's unselfish generosity."

"And what did I do for him?" barked the little man suddenly. "I listened to the serpent's voice. The woman tempted me with riches and I fell."

Judith was glad Clia Sanford wasn't present.

"Miss Judith, that is, Mrs. Dale, have you a match?" came suddenly at the end of a wordy declamation.

Judith motioned Delphy, who brought in a box of matches, admiration for the "white trash" who could use words like he could, shining in her black eyes.

Scoggins struck a match, let the flame burn to gold, then holding the contract in one hand, the match in the other he said—"The sword of the Lord burned the altar of Mammon. So will I burn this contract."

There was a flash of fire, and Scoggins, suddenly human, dropped the burning contract on the floor while Delphy shuffled away for a pan of water.

Judith was hysterical. An overwhelming desire to laugh, an overwhelming sense of relief each fought

for supremacy. Scoggins saw the tears in her eyes and nodded with satisfaction, then lapsing into his natural tone of voice said—"Land sakes, Miss Judy, didn't you think the Mexicans had crossed the border with big guns when they there drums started explodin'?"

Judith was relieved at his normal tone and started talking with animation. She could see Delphy standing by the kitchen table, eyeing the remains of her up-side-down cake as if trying to decide whether or not the Scoggins family were worthy of it.

The oratory of Thomas, Senior, evidently won for she put on the coffee pot and started clicking cake plates together.

AMERICA HAS MANY PLANES IN CHINA NOW

NUMBER OF MILITARY AIRCRAFT SLOWLY INCREASING

SHANGHAI, April 19 (AP)—Japan's resumption of policy toward China is seen here in part, as a direct blow at the activities of American aircraft manufacturers.

In the draft, announced by the Tokyo foreign office, Japan states that she objects to other nations supplying China with military airplanes and instructors.

Many Chinese also envisage a Nipponese protectorate over China on a basis of Japan's announcement that she considers herself solely responsible for maintaining the peace of East Asia.

Officials withheld comment. Under government censorship, newspapers were forbidden to discuss the draft, but well-informed quarters talked of little else.

Many American aircraft manufacturers have fliers in China now, selling planes to the national government. Also there are a number of American aeronautical instructors in the National Government's Aviation School at Hangchow.

John H. Jouett, formerly a colonel in the United States army air service, is directing the Hangchow instructors, 20 in all—including pilots, mechanics and doctors.

Despite the expressed objections of the Japanese, China is buying military aircraft in increasing numbers. Indications are that a fleet of bombers may be purchased soon.

Japs Would Use Force To Meet Force in China

TOKYO, April 19 (AP)—A foreign office spokesman said today that Japan is prepared to meet force with force, if necessary, to preserve peace in East Asia.

Of course he said in discussing Japan's restated China policy, Nippon will be guided in the application of her policy of responsibility for tranquility in East Asia by the circumstances.

But "Japan herself may be compelled to resort to force," the spokesman added, if foreign efforts to "disturb peace in East Asia" are supported forcefully.

In this connection, he made plain that Japan—and Japan alone—will determine whether foreign efforts to help China really imperil peace. He said flatly:

"It is our responsibility. We must be the judges."

He declined to say whether he referred to such matters as the United States wheat and cotton loan to China and the activities of American aviators selling planes and training Chinese fliers.

The diplomats rushed to their governments more detailed information concerning the full import of the declaration. They interpret it generally as a "hands off China" policy aimed at western nations. They see it as surpassing even the broadest claims made under the Monroe doctrine.

Pampans Praised For Courtesy In District Meet

Supt. R. B. Fisher is receiving congratulations daily from superintendents and coaches of schools that attended the District 2 meet here last Friday and Saturday. But the superintendent is also issuing thanks and congratulations.

"I desire to thank everyone that in any way assisted in making the district meeting the success it was," Supt. Fisher said this morning.

"Especially do I wish to thank the Pampans who so kindly kept students and school officials, the merchants who were so courteous to our visitors, and T. H. McDonald, who worked so hard assisting me as director of the meet."

Supt. Fisher has a letter from W. B. Irvin, superintendent of the Perryton schools and a former superintendent of the Pampa schools, who writes that the Perryton delegation was treated royally in Pampa and that everything went off smoothly and satisfactorily. Other school officials and coaches personally congratulated Supt. Fisher on the handling of the meet before they left Pampa Saturday night.

"We are looking forward to returning to Pampa next year," was the remark of many visitors.

KNOWS HIS ONIONS

CALDWELL, Idaho—Mess Sergeant Cornelius T. Cramer of headquarters troop, 116th cavalry, Idaho national guard, knows his onions, as well as his cabbages and vitamins.

Major John Hood was giving the organization its annual examination. "Do you believe in feeding your troops on salads and greens?" he inquired of Sergeant Cramer.

"Yes, sir."

"Why?"

"Because green stuff contains vitamin C."

"Name some disease this vitamin prevents," directed the major.

"Scurvy, sir."

"Do you know what a sacrimiscervical is?"

"Yes, sir."

"How do you happen to know that?"

"I'm biological instructor of the College of Idaho here, sir."

PLAINVIEW WANTS MEET

AMARILLO, April 19 (AP)—Plainview extended the only invitation for next year's convention of the seventh district, Texas Federation of Women's Clubs, at the closing session of the three-day meeting here today. Definite acceptance awaits a meeting of the district's executive board at an unannounced date. More than 350 delegates attended the sessions here. No election of officers was scheduled for this year.

FIVE PARDONED

AUSTIN, April 19 (AP)—Governor Miriam A. Ferguson today granted conditional pardons to five Texas convicts.

Great Battle To Be Fought In Canal Zone

By The Associated Press.

WITH THE U. S. FLEET, off West Coast of Central America, April 19.—Powerful submarines moved northward from the Bay of Panama today to defend the Canal Zone against a "hostile" fleet.

Steaming southward to encounter these undersea cruisers was the armada of the United States fleet, greater in strength than any fleet that ever engaged in a naval battle.

Admiral Joseph Mason Reeves, on the flag bridge of the dreadnaught California, was in command of the attacking force of nearly 40 score fighting ships, dreadnaughts, aircraft carriers, cruisers, destroyers, and auxiliaries.

Somewhere at secret dispositions was the mightiest submarine force ever engaged in such a problem, together with the newest and fastest of American scout cruisers, under command of Vice Admiral Frank Hardeman Brumby, on the U. S. S. Indianapolis, with Vice Admiral Harris Loring, aboard the U. S. S. Chester, Rear Admiral Henry E. Luckey in command of cruiser division four aboard the Northampton, and Rear Admiral John W. Greenstade commanding the submarines.

For 36 hours the battle maneuvers of this far at sea defense of the Canal Zone will be on, leading up to a massed attack on the canal Saturday morning.

The Saturday engagement will be a joint army-navy maneuver. For defense of the canal, the first and fourth coast artillery regiments, the 33rd and 14th infantry regiments, and army air corps forces of France and A'brook stations were reported organizing. In addition the naval air units at Coco Solo, including the squadrons of the navy's largest heavier-than-air craft, were preparing for the defensive mission.

WOMEN FROM FOUR CHURCHES PLAN AND STUDY IN MEETINGS

ONE GROUP WILL BEAUTIFY CHURCH GROUNDS—ANOTHER MAKES CHANGE IN OFFICES

PROGRAM FOR CHRISTIAN COUNCIL IS GIVEN IN FORM OF PLAY, WHILE OTHER SOCIETIES HEAR REPORTS OF STUDY

BUSINESS and study meetings were conducted by women's societies of four churches yesterday afternoon.

Beautification of their church grounds was planned by the Episcopal Auxiliary, which will plant grass and trees on the lawn. Holy Souls Altar society advanced Mrs. J. P. West to the presidency after the resignation of Mrs. C. H. Robinson because of illness. A play presented a missionary lesson for the Christian Women's Council, and the Presbyterian Auxiliary had a Bible lesson.

Episcopal Auxiliary
Mrs. Joe Burrow was program leader for the Episcopal Auxiliary after the business session. She read a paper on Shamanism, another in a series of programs of world religions. Mrs. Gehr led the devotional. Refreshments were served to Mrs. S. F. Thornton, Gehr, Frank Perry, J. E. Cunningham, S. G. Surratt, H. C. Charles, Clyde Gold, Earle Scheig, Burrow, C. P. Buckler, and Julian Barrett.

Altar Society
As a part of the change of Altar Society officers, Mrs. R. E. McKernan was elected vice president.

RECENTLY WED COUPLE ARE TO LIVE IN PAMPA

WHEN BETTER AUTOMOBILES ARE BUILT - BUICK WILL BUILD THEM

Encore
Body by Fisher

BUICK's 1934 reception strikingly resembles the insistent demand of an audience for an encore from a favorite star. Led by an army of Buick owners, all the public is far surpassing previous enthusiasm for Buick. Everywhere, the talk about Buick is turning into a flood of buying action.

When you come to take your first ride in a Buick, you will find—in whichever type and size you prefer to buy—stunning new beauty and luxury. There is also new engineering progress... a broader incorporation of fine performance, thorough-going dependability and safety... greater ease and convenience. These desirable advantages are expressed in the new Knee-Action gliding ride as only Buick gives it, in automatic starting and other new features, in finer smoothness and quiet, with greater power.

Buick builds this year's cars in the size you want to buy—119-, 128-, and 136-inch wheelbase. All have the same high excellence, the same flashing performance, the same famous dependability, the same advanced features.

GUN THREATS MADE AS ZION'S POLITICO-SCHOOL WAR RAGE

LEADER DEFIED AND HE CRIES FOR REVENGE

'I'LL KILL A MAN AT DROP OF HAT IN SELF-DEFENSE'

ZION, Ill., April 19 (AP)—Wilbur Glenn Voliva, proclaiming himself a two-run man from away-back, buckled on his shooting irons today and threatened to kill me, but I walked out unharmed.

"Twenty-five years ago, right here in Zion, we had some real fights. There was nothing to have a dozen shot in a night. Those were the grand old days. I wish we had the same kind of men to fight against now."

When I was a boy I used to carry two guns. I am heavily armed now, and I'll kill any man at the drop of a hat in self defense. Countless guards, armed to the teeth, surrounded me. They have orders from me to shoot at a second warning.

"Threats, veiled and otherwise, have been made against me. Let those who make them act, and I guarantee to kill a hundred persons. I've got enough guards to kill that many in a few seconds."

"I am a real, honest-to-goodness old warrior. What have I got against me? A lot of yellow curs."

Voliva's war cry was his answer to the discussion that has arisen since he threatened last Tuesday to "crack the town wide open" by closing the schools, after his candidates for the school board had been defeated.

"His foes drew blood yesterday when the public school was opened despite the overseer's edict. Onias W. Farley, who was elected president of the school board against Voliva's candidate, declared this was only the start of the drive to end domination of the city which Voliva has exercised since he took over the mantle of Alexander Dowd, first head of the church, two score years ago.

"The people of Zion are fed up with Voliva's dominance and insolence," said Farley.

Couple Will Be Married Sunday

The marriage of Miss Leta Mae Patton of Miami and Sam Keith of Pampa is to be solemnized Sunday afternoon at 3 o'clock in the Christian church, with the Rev. James Todd Jr. officiating.

The bride-elect is the daughter of Mr. and Mrs. N. M. Maddox of Miami, and Mr. Keith is the son of Mr. and Mrs. S. J. Keith. The wedding party will include Miss Lorenz Keith, maid of honor; Misses Monette Carmichael and Frances Ramsey of Miami, bridesmaids; Phillip Bellow, best man; little Tommy Jean Gnesser, train bearer.

Mrs. W. A. Bratton and Mrs. Earl Tomason are to be vocal soloists.

Failures May Be Overcome, Says Revival Speaker

Youth may overcome failures and be made stronger by hardship and temptation, John S. Mullin told the dozens of young people who were guests of honor at the Christian revival service last evening. He used the life of St. Mark as his sermon basis.

All seats in the choir were filled by young people, and many were present in the audience. This evening the junior and intermediate boys and girls will be special guests. The Kid band from Woodrow Wilson school will play from 7:30 to 7:45.

"Spirited songs prefaced the sermon last evening, with a special duet by Mrs. Floyd Coffin and Geo. Frost. A baptismal service closed the meeting, and baptizing will be conducted again this evening. Additions to the church yesterday brought the total to 13 since services started Sunday.

Opening his message with a sketch of the life of Mark, who failed as a young man but overcame his failure, the minister spoke also of other biblical characters who overcame adversity. He discussed immorality as one of the worst sins, which strikes, he said, at the home, health, and at religion. Although it can be forgiven, the once immoral man is never quite free from the effect of his sin, Rev. Mullin said.

E. W. Outlaw of White was a Pampa business visitor this morning.

Melvin Jarnigan of Sweetwater, Okla., was a shopper in Pampa yesterday.

Surprise Party Is Given Scouts

Special Practice on Music Week Program Set by Treble Clef

A special rehearsal was called for Saturday at 3 p. m. for the Treble Clef club, after a regular practice hour yesterday in the city hall club rooms.

Work is being entered now on the club's program for Music week, May 6-12. The rehearsal yesterday was directed by Mrs. A. N. Dilley in the absence of Mrs. W. A. Bratton.

SKELLY CLUBS

(Continued from Page 6)

The program was followed by a round table discussion on these topics and the suggestion that every person having creative talent should foster it despite opposition or difficulty.

Guests were Misses Pauline Denham, Lewis Murfee, and Dickey. Members present were Misses E. R. Kuehnert, J. G. Sims, Gus Shofner, E. M. Stanford, V. H. Ramph, M. G. Roberts, E. New, L. C. Looman, J. C. Kennedy, E. F. Hutto, P. S. Jenck, H. Campbell, and W. S. Boyd.

The club will meet at the Methodist church May 1, with Miss Bessie Lee Sikes, county agent, in charge of a demonstration on use of foundation patterns.

New Candidacies Are Filed With Siler Faulkner

Few candidates for county and precinct officers have filed their names with Siler Faulkner, democratic county chairman, for places in the ballots. However, candidates have until June 16 to make such applications.

Expenses of candidates in the primaries will be about the same as last year. Merging of the tax assessor-collector offices has been balanced by the fact that the office of county superintendent is open for election this year.

There will be a number of additional voting places, but the expenses will not be greatly increased thereby. The cost of gathering returns of the primaries, as required by state law now of the county chairman, must be considered. However, Mr. Faulkner said there was a surplus in the committee's funds which could be used if needed.

4-Year Old Girl Dies of Illness

Joe Ann Marie Dwight, 4 years old, daughter of Mr. and Mrs. R. E. Dwight, 609 East Campbell street, died in a local hospital last night of pneumonia. She had been ill only a short time.

Mr. and Mrs. Dwight and family have been residents of Pampa for more than four years. Mr. Dwight is with the Hindertier company here.

The child is survived by her parents and two sisters, Janey and Mildred. Other survivors are a grandmother, Mrs. C. H. Myers of Winthrop, Ark., and Mr. and Mrs. C. A. Dwight, Mr. and Mrs. M. E. Dwight, and Mr. and Mrs. C. M. Dwight, all of Pampa; Mr. and Mrs. H. O. Grace of Wichita Falls, and Mrs. Bess Dwight of Oklahoma City, aunt and uncles.

Funeral services will be conducted at 3 o'clock tomorrow afternoon in the First Baptist church with the Rev. C. E. Lancaster, pastor, officiating. Burial will be in Fairview cemetery under direction of the G. C. Malone Funeral home.

MARKET BRIEFS

NEW YORK, April 19. (AP)—Stocks generally displayed pronounced resistance today in the face of another slump in grains and a rather sharp drop of Canadian gold equities. A strong undertone especially was exhibited by the rails. Most of the losers finished above their lows. The close was moderately irregular. Transfers approximated 1,375,000 shares.

NEW ORLEANS COTTON
NEW ORLEANS, April 19. (AP)—Cotton prices after ruling quiet during the first half of the morning turned easier later on liquidation by longs, reflecting a break in wheat. Near noon, the market had reacted to 11.83 for July and 11.64 for October, or 22 to 24 points below yesterday's close.

Eggs, easy; extra firsts, 16-16 1/2; fresh graded firsts, 15 1/2-16; current receipts, 15.

CHICAGO GRAIN
CHICAGO, April 19. (AP)—Wheat crashed downward late today 5 cents a bushel, the extreme limit that existing regulations allow in any 24-hour period.

This was the eighth successive day of declining prices for wheat in Chicago. It was noted as significant that the Liverpool wheat market closed today 12 1/2 cents a bushel under the Chicago May delivery, compared with 18 cents discount on Monday. Contributing to weakness of the Chicago market was arrival of nearly 50 carloads of wheat from Kansas City recently bought for Chicago handlers.

Wheat closed feverish, 2 1/2-3 cents under yesterday's finish, May 74 1/2-75, July 75-75 1/2, corn unchanged to 1/2 higher, May 48 1/2-49, July 48 1/2-49; oats 1/2 off to 1/4 up, and provisions unchanged to 15 cents down.

PAMPA TOPICS OF OUR CITY

(Continued From Page 1)
good cause. The profits will be added to the A. A. U. W. college scholarship fund, annually given some deserving local girl. Or take a drive down through the oil fields and see the coming of green hues along the creek-beds. Or drive over into Eastern Gray county and see the new oil development. Today's synonyms for knowledge: Cognition, ken, pansophy, guptavidya, privity.

MAYBE we Americans hold in our hands the keys to most of our problems. A sociologist says that if every woman and girl would eat four slices of white bread per day and wear cotton stockings, there would be no major agricultural problems. There are a great many women and girls in this country. Others are being born every minute. Their life span is lengthening. They can be powers for good or by following their whims, can wreck many a great industry. Mae West has done much for the bread industry, but nothing of our knowledge, for the cotton industry. We know better than to blame the ladies with the troubles of the wheat farmers and cotton growers. But if, reading this, the dear women see fit to take remedial steps, we will have nothing but praise for their efforts.

TIMES could be a lot worse than they were last year. In this connection we recall a story told by R. J. Osebaugh of Denver, Lions International vice-president. In the worst of the depression a man visiting an insane asylum was asked "how things were" on the outside. Before answering, he asked what an inmate was doing with his wildly waving arms. The warden answered that the man was pitching imaginary baseballs. "Well," said the visitor, "if things get much worse I'm going to come in here and catch for him."

EVERYONE has a "stake" in the profits of the nation's business. Wage earners cannot hope for higher pay unless businesses which employ them are able to show profits. To strike for a higher wage is hopeless unless business can stand the strain. Tales of huge profits in a few big industries have been misleading. Income tax reports show an alarming decrease in the profits of business. The basic purpose of the industrial codes is to make profits possible, not to prevent them. We Americans ought to think a long time over the necessity for profits. Profits attract capital, spur expansions, start new buildings, provide new jobs. Any step taken by an individual or a group or a governmental agency which would destroy profits defeats its own ends.

Fred Hobart Wins Six-Gun Contest

Fred Hobart, son of Mr. and Mrs. T. D. Hobart of Pampa, won the "six-shooter contest" at the semi-annual convention of the Southwest Oklahoma and North Texas Peace Officers association held yesterday in Childress. It marked the fourth time in the last six contests that the former Pampa sharpshooter has won the cup. Mr. Hobart lives in Hemphill county.

In winning yesterday, Mr. Hobart (not a record 97 out of a possible 100 slow fire and 92 out of a possible 100 rapid fire. He tied with another contestant in the rapid fire division but won the second trial by one point.

Mr. Hobart will hold the large cup until next year. He won it twice in succession, but took second place last year. The cup becomes the property of the person winning it three consecutive times.

Texas Editors Visit New York

NEW YORK, April 19. (AP)—A delegation of Texas editors who are "selling" the Lone Star state to the nation arrived in New York today on a special train.

They were met at the station by representatives of the Merchants' association of New York who have planned a day of sightseeing tours for the visitors.

In the delegation were 84 newspapermen and many Texas business executives.

R. C. Heaton has returned from a business trip to Fairfax, Okla.

POLITICAL TRENDS IN ITALY AND GERMANY TOLD TO CLUBMEN

The origins and progress of fascism in Italy and Nazi-ism in Germany were explained to Rotarians yesterday by Olin E. Hinkle and Walter F. G. Stein, respectively.

Fascism was shown to have been born in chaos as a means of combating communism in Italy, and its progress to the present dictatorship of its founders, Benito Mussolini, was detailed.

Mr. Stein told of the three German empires, the last of which is that envisioned by the National-

Socialist leader, Adolph Hitler. He told how Hitler and his party have disbanded and dissolved all opposition and have standardized government throughout the nation.

President Philip Pond of the Rotary club announced that Pampa clubmen would present a program for the Amarillo club April 26. It will be a noon luncheon.

W. J. Smith was appointed to manage the Rotary entry in the A. A. U. W. basketball tourney of next Monday and Tuesday. Glen

Ragsdale was named to represent the club in a Liars' contest at the Meriton pie supper Friday evening.

Pupils of Horace Mann school cleverly announced a public benefit program to be presented at the city hall Tuesday night to raise money for playground equipment and to buy a horn for the band. Admission will be 10 and 25 cents.

Visitors yesterday were W. A. Myers, Mrs. Newt Dilley, and J. E. Murfee. W. J. Smith was program chairman.

BABY SEA SERPENT
VICTORIA, B. C.—Old Gady and Amy Hiaschuckaluck Cadborosaurus, Pacific Northwest sea serpents, have been visited by the stork, Jordan river people believe.

Mr. and Mrs. Charles Lindner and Mr. and Mrs. A. Cox reported they saw the infant, which was about 25 feet long. They have named the youngster "Jorda."

E. J. Christian has returned after a week's visit in Detroit, Mich.
