## WOMAN IS KIDNAPED BY

### R. R. Commission Makes Radical Change In East Texas Oil Field

#### R. D. PARKER PROMISES TO STOP HOT OIL

CHIEF SUPERVISOR IS PLACED IN CHARGE AT KILGORE

AUSTIN, March 31. (AP)—The Texas railroad commission today answered its critics in the oil industry with a shakeup of administrative personnel in the East Texas oil field as a preface to a new drive against illegal production of crude petroleum.

Direct control of oil production in the field, source of most of the commission's difficulties in oil production regulation, was placed with R. D. Parker, who was designated "administrative chief." Parker, who has been chief supervisor of the oil and gas division for several years, will have headquarters in Kilgore.

E. N. Stanley, who had charge of the commission's work in the field since January, 1933, will remain there as chief engineer. W. F. Knobe was designated chief petroleum engineer, with headquarters in Austin.

Appointment of Parker to direct control of the field was asked by oil operators at a meeting in Dallas yesterday, at which Commissioner Ernest O. Thompson promised the commission would curb over-production if given time. Parker also assured the operators he would stop "hot oil" if placed in control of the field and given full cooperation of the commission.

Issuance of new orders, by authority of recent enactments of the legislature, to stop movement of crude from its production through refineries was planned as the next step in the commission's "hot oil war." The orders will be based on an amended statute defining violations as criminal offenses and a new statute authorizing supervision of refineries.

Absolute authority over the commission's field personnel will be given Parker. He will immediately

(See PARKER, Page 8)

**WHO WAS FIRST?**  
IN AMERICA

By Joseph Nathan Kane  
Author of "Famous First Facts"

Where was the first rolling lift bridge erected?  
Who invented the air brake?  
What was the first labor political organization?  
Answers in next issue.

**KU KLUX KLAN WAS FOUNDED IN 1865 AT PULASKI, TENN.**

**A FOUNDRY AT PITTSBURGH EMPLOYED THE FIRST CHINESE LABORERS IN THE U.S. IN 1854.**

**FIRST SEATRAN FERRYING RAILROAD CARS, JAN. 12, 1929, BETWEEN NEW ORLEANS AND HAVANA.**

Answers to Previous Questions  
The Ku Klux Klan was established as a social order, but it soon became a self-empowered organization to enforce white supremacy over the newly enfranchised negroes. Chinese labor was introduced in the U. S. first to replace slave labor. Immigration of Chinese labor then became quite prevalent. Sea trains can accommodate 95 railroad cars. They are named after the cities they serve.

**Firsts in Pampa**  
Q—When was Gray county's first courthouse built?  
A—The building was completed and accepted in November of 1902 at LeFors. The courthouse was used there until 1928, when the county seat was moved to Pampa. The old structure was torn down and a park is located on the old site.

#### The Best of Fisherman's Luck

The gravity of events of the past two weeks is reflected in the face of President Roosevelt, left, saying goodbye to Postmaster General Jim Farley on the train platform as the president left Washington for a 10-day fishing cruise in Florida waters.

### WORLD'S WEALTHIEST INDIAN'S MARRIAGE WITH WHITE WOMAN IS INVALID; CREEK TO LOSE RICHES

#### Interior Department To Administer Fortune

LOS ANGELES, March 31. (AP)—The strange romance of a white woman and the "world's wealthiest Indian" was officially terminated today when Federal Judge William P. James ruled that Jackson Barnett, 33-year-old Oklahoma Creek Indian, was mentally incompetent. In the opinion filed in federal court here, Judge James declared the marriage of Barnett and Mrs. Anna Laurie Lowe, Texas oil promoter, was invalid and ordered the Indian's \$300,000 California estate turned over to the department of interior to be administered for the Creek.

Judge James said Barnett, if he desires, may employ Mrs. Lowe to manage his household, provided the Indian is permitted to live wherever he chooses and the expenses does not exceed \$2,500 a month. The Los Angeles properties of Barnett, who is about 90 years of age, include a colonial style mansion at the fashionable intersection of Wilshire boulevard and Rossmore avenue, and 100 acres of land in Coldwater canyon, where he keeps his pet ponies, which he visits every day, weather permitting. These holdings, the government declared, were purchased by Mrs. Barnett from the proceeds of \$500,000 worth of liberty bonds, which the government successfully contended in another suit were obtained by her through trickery and deceit upon a proved incompetent.

### Amarillo Slayer Is Exonerated

AMARILLO, March 31. (AP)—W. S. Cline, Omaha stockman, wounded critically yesterday in a gun duel here, was exonerated today in connection with the slaying of Gerald Knapp, buyer and feeder of Dixon, Ill. The grand jury "no-billed" Cline on evidence that the shooting was in self defense. Before the grand jury's action became known today, Sheriff Bill Adams filed murder charges against Cline, but no guard was placed over the patient in a hospital here. Cline was described as "a pretty sick man." The Omaha stockman was wounded in the left side.

### I HEARD—

Clovie Green, home from T. C. U., telling that Paul Hill, former Harvester, now weighs 265 pounds. Paul may be shifted to tackle and Clovie to end this year. A mixed pep squad loudly cheering Art Swanson down at the bowling alleys last night while a tournament was in progress. After the "squad" left, Art's playing declined badly.

## COURT UPHOLDS PRICE-FIXING RIGHT OF

### SOLUTION OF RAIL PUZZLE IS SUGGESTED

#### UNIONS DOMINATED BY COMPANIES WOULD BE OUTLAWED

NEW YORK, March 31. (AP)—The right of the federal government, under the national recovery act, to set a minimum price was upheld today by Federal Judge John C. Knox. The decision, which had been awaited by the NRA before remodeling its code set-up, was made in enjoining the Spottless Dry Cleaners, Inc. from cutting prices under the minimum rate established by the cleaners and dyers authority. The decision was regarded as charting a course for code enforcement. Other cases are under preparation in Washington for court presentation.

The Spottless company controls 32 stores in New York city. Its cleaning work is done by a plant in New Jersey, reputedly under its control. A proposal to penalize disobedience of the railway labor act and to outlaw the company dominated union on railroads was sent to congress today by Joseph B. Eastman, the co-ordinator of transportation. Accompanied by a letter explaining the measure, Eastman sent to Chairman Rayburn of the house commerce committee a bill to revise the railway labor act and write into permanent law the labor provisions of the emergency railroad transportation law under which he operates. Eastman would make interference with the formation of organizations of employees an election of employer representatives punishable by a jail sentence of six months or a fine of from \$1,000 to \$20,000 or both for each day such interference continued.

His proposed formation of a national adjustment board to handle disputes between workers and the railroads over interpretation or application of agreements regarding wages, rules or working conditions with power to enforce its decisions. The board of mediation, the principal authority under the present railway labor act, would be reduced from five to three members.

### Phew! Youth Boils Skunk in Kitchen!

ONTARIO, Calif., March 31. (AP)—Seeking an additional credit in his biology course at Chaffey college, Paul Wilson, 17, put the carcass of a skunk on the kitchen stove and boiled it several hours to obtain the skeleton for study. When his parents returned home, they rushed into the kitchen with handkerchiefs over their noses to discover the trouble. They burned the youth's clothing, destroyed all the groceries and used several different disinfectants, but they declared the odor remained oppressive. What they did to Paul was not reported.

### IMPRESSIONISTIC VIEWS OF CITY SCHOOLS SET FOR FRIDAY NIGHT

USUALLY, elaborated details of an intricate subject are more revealing than a panoramic view. That is the theory which members of the Parent-Teacher Association Council had in mind when they announced that "impressionistic glimpses of the entire school system may be obtained by Pampa school patrons at the high school gym, at 8 o'clock, April 9. The council has called the exhibition a "rally," but it will be more unusual than that word ordinarily connotes. An attempt will be made to actually inform the audience, as well as to inform it of the unique phases of work being done by the schools of the city. The council feels that the motive for attending the program will be worthy entertainment and not duty, according to Mrs. C. T. Hunkapillar. "Impressionism" in art means that details are more revelatory than a composite whole, and sometimes painters portray character by exaggerating one feature of the face. The impressionistic features of the Pampa school system which the P.-T. A. council believes will portray the character of the schools include work that is done in the class room, home visits. The program will open with a massed band concert of all the ward schools. More than 175 musicians ranging in age from 6 to 12 years will furnish the music. They will be in costumes. Winston Savage, director of the Woodrow Wilson kid band, will direct. The high school will give a demonstration of typing to music. The Junior high will give a geography demonstration. The Sam Houston school pupils will show how they teach the very young to tell the time by the clock. The Baker school which is ever civic-minded, will display their proficiency in a rapid-fire announcement of current events. The Horace Mann school where the study of English is almost a ceremony, will demonstrate how they learn to speak and write good English. Then the mathematicians of Woodrow Wilson will have their inning, in a demonstration that will smack of Einstein's magic with figures. Afterward, the Merten and Hoover schools will provide entertainment. Every patron of all the schools is urged to attend.

### ROADS WOULD MAKE PAMPA AREA CENTER

#### Feeder Highways Now Being Urged Would Connect Towns With City.

FEEDER highways which eventually will make Pampa the highway center of this area are receiving the close attention of the Board of City Development. Manager George Briggs Friday went over the Texas sector of a road which connects Oklahoma No. 33 southwest of Miami. He was accompanied by County Judge W. L. Helton of Canadian and County Judge J. A. Mead of Miami. Hemphill county is interested in the road because it joins Nos. 4 and 33 and serves southeastern county residents. Miami and Pampa are interested because Oklahoma 33 is a short cut to Tulsa and is being well maintained.

With the exception of 2-1-2 miles, the 25 miles of the road in Texas is well maintained. Hemphill county expects to improve the worst part with FERA funds, after which it will be possible to recommend travel over the highway. Mr. Briggs will go to Turkey Wednesday to attend a meeting which will have for its purpose a move toward obtaining state designation of a road from Clarendon to Turkey. This would amount to an extension of highway 88, another would likely be so named. It would be a step toward extending the road on to Sweetwater and beyond — long a goal of cities along the route as far as Old Mexico. And locally, of course, it is hoped that No. 88 may be extended north across the Canadian river to serve Pampa, Miami, Spearman, Pertyton, and other points.

### Insull Defies Arrest Order

ISTANBUL, April 1. (Sunday) (AP)—In defiance of a Turkish order for his arrest, Samuel Insull remained aboard his little Greek tramp steamer as midnight passed and it became Easter Sunday. Regardless of international complications, the former Chicago Utilities operator belligerently refused a request that he leave the Majoits. The master of the vessel is protesting detention by Turkish authorities and the Greek government is interested. Unofficial information last night from the Turkish capital indicated that a Dossier of information relative to Insull may reach the attorney general at Istanbul today. The Istanbul press is awaiting American documents to determine whether Turkey can expel him to the United States. It was a question whether the lone, aged passenger of the Majoits, Mrs. Anna Taylor, reported to have had diamonds and other valuables in the house. Those dead, through early identifications, were: Fleider, about 45 years old. Mrs. Fleider, about 50, the former Mrs. Anna Taylor. Their hands had been tied behind their backs, and their mouths had been taped, Sheriff D. L. Blankenship reported. Robbery was the apparent motive, as the house had been ransacked. Mrs. Fleider was reported to have had diamonds and other valuables in the house. Those dead, through early identifications, were: Fleider, about 45 years old. Mrs. Fleider, about 50, the former Mrs. Anna Taylor. Their hands had been tied behind their backs, and their mouths had been taped, Sheriff D. L. Blankenship reported. Robbery was the apparent motive, as the house had been ransacked. Mrs. Fleider was reported to have had diamonds and other valuables in the house.

### Six Persons Are Found Murdered

BREMERTON, Wash., March 31. (AP)—A grim tragedy, the shooting to death of six persons after they had been bound and gagged, was discovered late today at the pretentious beach home of Erlande Point of Frank Fleider, well-to-do retired grocery store operator. The victims, four men and two women, among them Fleider and his wife, had been dead from 36 to 48 hours. Their hands had been tied behind their backs, and their mouths had been taped, Sheriff D. L. Blankenship reported. Robbery was the apparent motive, as the house had been ransacked. Mrs. Fleider was reported to have had diamonds and other valuables in the house. Those dead, through early identifications, were: Fleider, about 45 years old. Mrs. Fleider, about 50, the former Mrs. Anna Taylor. Their hands had been tied behind their backs, and their mouths had been taped, Sheriff D. L. Blankenship reported. Robbery was the apparent motive, as the house had been ransacked. Mrs. Fleider was reported to have had diamonds and other valuables in the house.

### 'COP KILLER' FOILS POLICE IN GUN FIGHT

#### DILLINGER ESCAPES IN BATTLE; SHOOTS WAY OUT

ST. PAUL, Minn., March 31. (AP)—John "the killer" Dillinger, with a sub machine gun in his hands and a big green sedan awaiting him, shot his way out of a police trap today and once more foiled the law. Finger prints left behind as he fled with a woman, believed wounded, and a man, presumably one of the members of his old gang, John Hamilton, definitely established authorities said, that one of the trio was the widely hunted desperado who broke out of jail at Crown Point, Ind., last month. Hamilton was identified through a description given police by Mrs. Daniel Coffey, wife of the proprietor of an apartment house, on the third floor of which the trio staged a gun fight with officers before escaping.

Behind them the fugitives left a few spots of blood, evidence leading to the opinion that a bullet fired by City Detective Henry Cummings had struck the woman and a miniature arsenal, including two sub-machine guns and road maps of Minnesota, Wisconsin and Michigan. Authorities at first suspected that one of the men had been wounded in the gun fight by police bullets. Later, the inclined to the view that it was the woman. It was she they pointed out who scampered down the rear stairway from the third floor hide-away in an exclusive residential section after the firing, rushed to the garage in the back and wheeled the green car into the alley where one of the men leaped in. Then the two disappeared. On the garage floor and in the snow near by the spots of blood were found.

### EES School Is Finished—But Not by Teacher

Adam E. Johnson, state relief administrator, tried to kill the Emergency Education school here in a telegraphic order to Mrs. W. H. Davis, county administrator, but there were indications last night that the school might be continued for some time, at least a week. Miss Beth Blythe, principal, pointed out that the two-month old school had just reached the point where definite progress and improvement were noticeable, said that she would be willing to continue the school without pay for a time. She said she certainly would continue to teach her own classes if it were agreeable to all concerned. At any rate, she would like to meet her classes Monday and Tuesday in order to obtain the students' reaction. She said she had not been able to contact the other five teachers in the school, but felt that they might like to continue classes. The EES had a total enrollment of about 200. Mr. Johnson's order read: "Effective immediately, all emergency teacher projects and all education projects, rural and otherwise, are terminated."

### JIM FARLEY, POPULAR CLUB BOY OF GROOM, IS TAKEN BY DEATH

GRAY COUNTY'S most popular 4-H club boy is dead. Jim Farley, 14-year-old son of Mr. and Mrs. P. B. Farley of southwest Gray county, died yesterday at Amarillo as a third operation for mastoid infection failed to save his life. He had been at the hospital six weeks. The funeral will be held at 3 p. m. today at the First Methodist church of Groom, where the lad attended school at Groom high school as an A-student. "He was one of the best boys I ever had in 4-H club work and the most popular boy at any stock show he attended," said County Agent Ralph Thomas. "He was intensely interested in feeding and showing his calves and he was a good sport, winning or losing." Young Jim usually won. He showed the reserve champion calf at Amarillo, then the grand champion,

### CITY ELECTION TUESDAY HAS INTEREST NOW

#### Only Five Absentee Votes Cast—Advertisements in News Carried Today.

Pampa's qualified voters will go to the polls Tuesday, April 3, to elect a mayor and two commissioners. The polling place will be the commission room on the first or main floor of the city hall. Election of Mayor W. A. Bratton for another term is generally assumed, since he is a nominee of the administration group and is endorsed by the sponsors of the second ticket. Clyde Fatheree, commissioner Number 1, and R. Earl O'Keefe, commissioner No. 2, have as their opponents W. T. Fraser and Marvin Lewis, for the same places, respectively. Although the campaigns are quiet compared with other elections, a large turnout of voters is expected Tuesday. Statements in behalf of the candidates appear in this issue of THE NEWS in the form of advertisements.

Absentee voting in the school district trustee election of next Saturday will be possible tomorrow and through Wednesday at the office of Joe Smith in the courthouse. The candidates are C. T. Hunkapillar and J. M. Daugherty, incumbents, and F. M. Foster and Paul Hill, with the two high men taking office.

### CRUTCHFIELD GETS LIFE

AMARILLO, March 31. (AP)—Frank Crutchfield, 29, of White Deer, was found guilty of the murder of Police Captain Preston Burnam on January 5 by a jury in district court here tonight after deliberation of three hours. His punishment was set at life imprisonment. Crutchfield showed no sign of emotion. Members of the jury had been confined since a week ago Monday, and had listened to eight days of testimony and argument by attorneys. The state prosecutors had demanded the death penalty. The defense was based on a plea of insanity which was substantiated by an insanity judgment returned here in 1928, and by the testimony of most of the members of the immediate family, neighbors and friends and business associates and alienists.

### OFFERS TO PAY

WASHINGTON, March 31. (AP)—The problem of European debts to the United States bobbed up again today with Germany offering a small loan payment on installment due and the state department, in a formal note, calling the Berlin government's attention to the "well known fact" that only congress can change the condition of the foreign settlements. Miss Margie Neal of Carthage is the first woman to be elected to the Texas senate and the first to hold the position of president pro tempore.

### YOUTH LOOTS BANK OF WEST SINGLEHANDED

#### RAYMOND HAMILTON IS SOUGHT AS LONE ROBBER

WACO, March 31. (AP)—A robber identified by his victims thru pictures as Raymond Hamilton, West Dallas desperado, was sought by officers throughout Central Texas tonight after a daring holdup, performed single-handed today, in which he took \$1,200 from the State National bank of West, near Waco. Shortly after the robber left seven persons locked in the bank's vault and fled, a blond youth whose description tallied with that of the bank robber kidnaped Mrs. Cuan Gunter, wife of a Mexico oil field worker, at Thelma, in the Horrie Hill community near Mexia, and drove away in Mrs. Gunter's car, abandoning a machine he had wrecked against an embankment. Officers were in pursuit of the fugitive tonight. Sheriff W. B. Mobley and the posse of officers the robber had eluded reached Thelma, on his trail, and found \$445 in money and a money wrapper in the abandoned car, as well as pistol clips and empty cartridge shells. Mobley said a check made out to a bank at Grand Prairie also was found in the car, leading to belief that the West robber was the same person who held up a bank at Grand Prairie, Dallas county, several weeks ago.

The robber entered the West bank at 10:30 a. m., threatened bank officials and employees with an automatic pistol and forced five men to lie on the floor and the women to sit down in chairs while he scooped up \$1,200 from a teller's cage. When he demanded more money, the bankers told him other funds were in the vault, under a time lock. The robber then shut the seven persons in the outer vault but did not lock the door. He drove away in a black sedan (Ford) with a woman companion, speeding off the old Waco highway and cutting off toward the east at the Katy lake.

### J. F. Meers Is In Sheriff's Race Of Gray County

Entering his name in the sheriff's race J. F. Meers last night authorized THE NEWS to place his candidacy before the voters of Gray county, subject to their action in the democratic primary. Mr. Meers is a substantial property owner, taxpayer, and farmer living south of Pampa. He is well known in most parts of the county. Mr. Meers said that if elected he would do his best to enforce the law fairly and impartially.

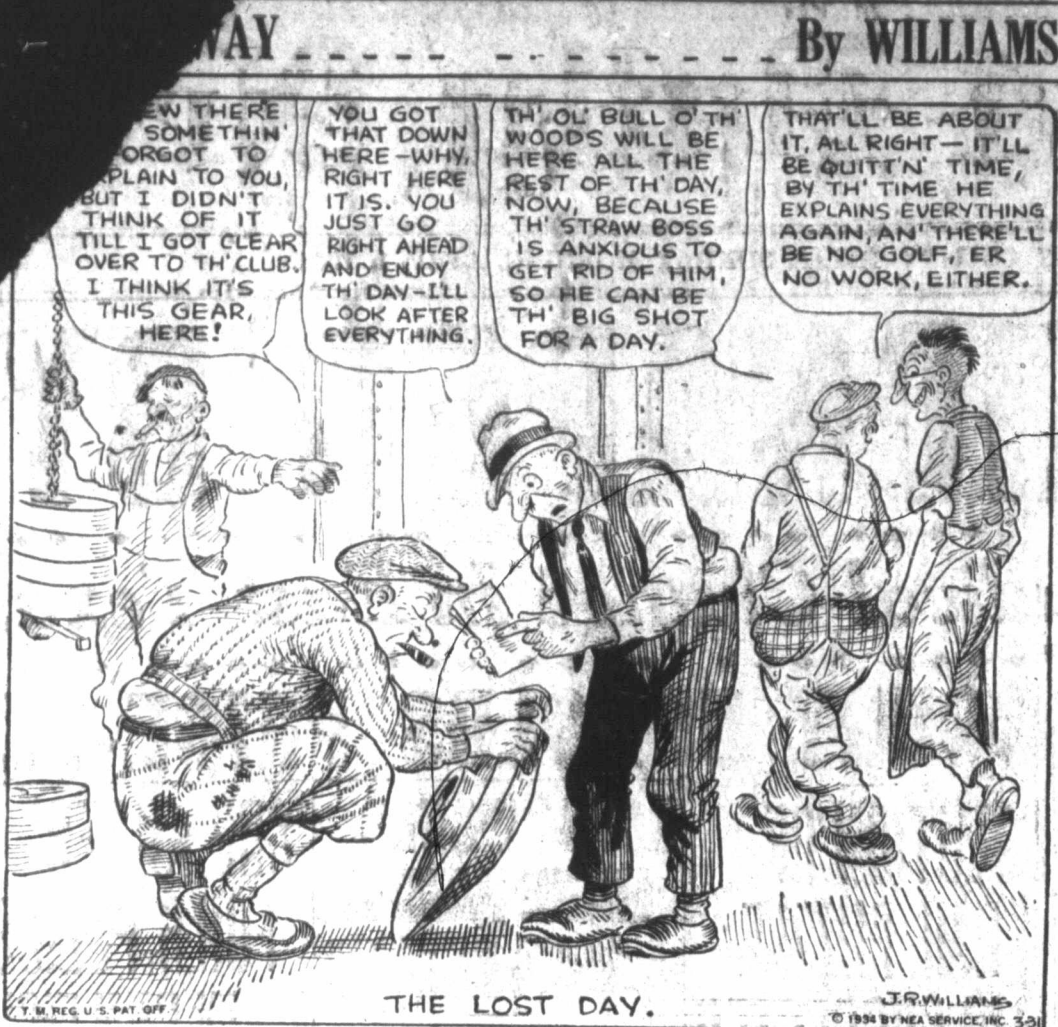

### Drivers of Cars With 1933 Tags, Look Out Monday!

If you own a motor vehicle, it will be unwise to operate it tomorrow and thereafter without license plates brought up to 1934. The deadline for operation of motor vehicles without new license plates will expire at midnight under the terms of the new, permanent state policy. A 20 per cent penalty plus payment of the tax for the entire year will be assessed during April against all violators.

### I SAW--

Numerous residents yesterday carrying home Easter lilies, daffodils, roses, violets, for Easter Sunday. —Go To Church Sunday—Geston Fotoe buying white carnations with which he is going to baptize babies this morning, and then present the blossoms to the infants. —Go To Church Sunday—Another letter from Germany to Dr. Brunow. It was from a newspaper and was signed "young lady" instead of "Hell Miller."

### Political Announcements

The Pampa Daily NEWS is authorized to announce the candidates of the following, subject to the Gray County Democratic primary of July 28, 1934:

For Commissioner, Precinct No. 1—CLEM V. DAVIS  
A. (ARLIE) CARPENTER  
EDWARD J. GETTING.

For Commissioner, Precinct No. 2—JOHN HAGGARD (second term).

For Commissioner, Precinct 3—J. G. McCLESKEY.  
THOS. O. KIRBY.

For Justice of Peace, Pct. 2, Place 2—E. F. YOUNG.

For County Clerk—CHARLIE THUT  
J. V. NEW.

For County Tax Assessor-Collector—F. E. LEECH.  
EDWIN G. NELSON.  
T. W. BARNES.

For Constable, Precinct No. 2—JIM M. KELLER  
FRANK JORDAN.

For County Superintendent—W. B. WEATHERS.  
JOHN B. HESSEY.

For County Treasurer—D. R. HENRY.

For Sheriff—MRS. C. E. PIPES.  
J. I. DOWNS.  
J. F. MEERS.

For County Judge—C. E. CARY (second term).

For County Attorney—SHEPHERD WHITE.

District Clerk—FRANK HILL.  
W. S. BAXTER.

For District Judge—W. R. EWING.

For District Attorney—LEWIS M. GOODRICH.

State Representative—JOHN PURYEAR, Wellington.  
EUGENE WORLEY, Shamrock.  
PHILIP WOLFE, Pampa.

Seals and pieces were played and criticized by members. Raymond Harrah is a new member.

**WAST OF HARMONY:** Better is a dry and quietness therewith, than a house full of sacrifices with strife.—Proverbs 17:1.

**PROTECTION** of the health and well-being of children is an admirable goal. There are many persons who regret that the Texas senate did not approve the federal child labor amendment. Many of those who condemned the senate did so without ever having read the proposed amendment.

As written, the amendment would have made the federal government the master of the child, even over the wishes of the parents. Where parents are ruthless, careless, and perhaps heartless, it would have been a matter of little consequence if the federal government had said that the children could not work beside the parents for 14 hours per day, out of school. But the same amendment would have permitted the federal authorities to dictate the education and work opportunities of even farm boys. The most unfortunate thing of all is that sponsors of the amendment did not permit congress to make amendments which would have liberalized the plan but retained its most desirable features.

Work is not wholly bad, even for children of 10 to 16 years. Most of us worked and worked hard when youngsters, although we played hard and long too. A more local administration of child labor than the proposed amendment allowed is needed. To say that no child under 16 years of age shall work protects those who are worked too hard, but what about those who ought to work in order to reasonably help their parents and themselves?

Another problem is that of leisure time. In the absence of supervised play, the millions of children in America would find mischief more dangerous than work if they were not allowed to work a reasonable amount. Indeed, many families find the problem of finding vacation time work for boys more important than finding more leisure time for them: It is not work that is to be condemned, but reasonable hours of work and unhealthful conditions involved.

**LAWMAKERS** invalidate many of their measures by overshooting the mark. The by-product or indirect effect of a statute may exceed in ill effects the evil it was intended to correct. Reformers, especially, need to weigh the by-products of their proposals against the evils they wish to erase. Unfortunately, many reformers are one-tracked, bigoted, and basically cruel in that they will ignore the damage they do in reaching a goal.

Radicals are persons who count the cost only to one side in a question. They are the kind of men who figuratively get out on a limb and saw it off between themselves and the tree because they blindly declare the tree must be pruned. It is wise to consider which side of the saw you are on, and to cling to and support the institutions which maintain the strength and security of the nation.

**DRASTIC** steps are being proposed to make trade labels mean more than they do now. The reputable advertisers guard their integrity by not permitting an inferior product to be marketed under their brands. Millions of buyers can, with confidence, order a certain brand of baked beans, peaches, grape juice, or other food and know exactly what they will receive. It is therefore with some misgivings that buyers are noting a trend toward bulk packaging without any brands attached. Popularity of cellophane wrapping is a great encouragement to this trend. But those who do not wish to take chances on quality and purity will continue to demand tried and well-known brands.

**ALTHOUGH** milk is the most perfect food, Dr. John W. A. Brown, state health officer, writes us to emphasize that consumers should ascertain, and health departments should make sure, that the cows that produce the milk are in a healthy condition.

It is estimated that 2 per cent of all milk cattle have bovine type tuberculosis. Tuberculin testing of cattle will definitely prove whether the cow has tuberculosis. If a person owns their own cow, she should be tested, and if milk is being purchased, the purchaser should make sure that the cattle in the dairy he patronizes are free from this disease. These tests should be made each year, and if milk stock is to be purchased, they should be tested before completion of the sale.

About twenty-five per cent of all tuberculosis in children if of the bovine type—fatal bovine tuberculosis after the fifth year is rare. It generally attacks the lymph glands and bones. When not fatal, this disease, when it attacks the joints or bones, usually leaves the child crippled for life.

### Asparagus Bed Aids Food Plan

To increase the variety of vegetables on the pantry shelf for the use of my family I have completed an asparagus bed according to the suggestions given by Miss Ruby M. Adams," says Mrs. C. G. Smith, farm and ranch food supply demonstrator for the Kingsmill home demonstration club.

"The time that one may secure vegetables from the gardens in this area is rather limited but the addition of the asparagus bed will afford farm families an early vegetable," pointed out Mrs. Smith.

"I had a pit 3 feet deep, 8 feet long, and 4 feet wide dug. I had 12 inches filled in with all the old cans, wires, shoes, in fact a good cleaning made on the place. On this I had 18 inches of manure placed, then 5 inches of loamy soil. The crowns were then placed one foot apart in rows one foot apart and were covered with 2 inches of dirt. When the asparagus 'shoots' begin to show through I cover with two more inches of dirt and do this again for a third time and the pit or bed then will be level with the remainder of the garden. The planting of asparagus is a planting of probably 15 to 20 years duration and one should do it carefully."

The asparagus 'shoots' during the first year should not be cut and during the second year these may be cut for two weeks and add during the third year one may cut as he desires. In this way the crowns develop into strong ones. The Mary or Martha Washington asparagus crowns should be used as they are freer of rust on the roots.

### Junior Club Has Musical Program

Meeting on Friday instead of Saturday last week, the Junior Van Katwijk music club studied a classical and a modern composer.

Roll call was answered with biographical items about Haydn. Miss Lorene McClintock, club sponsor, told the story of Haydn's life and played some of his compositions. She also told interesting facts about Van Katwijk, Texas composer for whom the club was named, and played his Valse Mignonne.

## Twice Winner of Caliente Left Behind

**FINISHES POOR FIFTH IN FIELD OF NINE AT ARLINGTON**

ARLINGTON DOWNS, March 31.—An estimated crowd of 20,000 cheering racing fans saw the red, white and blue silks of Col. W. T. Waggoner's Three D's stable, carried by Quatre Bras 2nd, wave in victory today in the \$2,500 added Fort Worth handicap for 3-year-olds and up.

Quatre Bras 2nd ran the six furlongs in the slow time of 1:13 1/5, yet it was good enough to beat Norman W. Church's great Gallant Sir, twice winner of the Agua Caliente handicap, over a distance route. Gallant Sir, away next to last in the field of nine, finished a poor fifth behind Gallardia, Desert Call and Flying Sailor.

With Andy Beck up, Quatre Bras 2nd raced in close quarters in the early stages. At the stretch turn he challenged the speed of Gallardia and took the lead. Near the finish, the Waggoner horse flashed a burst of new speed that finished him a length and one half in front of J. D. Mikel's Gallardia who took second by a nose from Desert Call, the early pace setter, which tried tight-fight of the winner on a tightly pinched stretch run.

Quatre Bras 2nd paid his backers \$9.80 to win, \$4.80 to place and \$3.30 to show. Gallardia paid \$11.00 to place and \$4.80 to show. Desert Call paid \$8.50 to show. Quatre Bras 2nd's time was two and three fifths slower than the track record held by T. C. Worden's Trinchera who finished last today. Quatre Bras 2nd's victory was worth \$2,020 to his owners, W. T. Waggoner and sons.

**Allison, Lester Stoefen to Play in Houston Meet**

HOUSTON, March 31.—(AP)—William Allison of Austin, one of the singles players on the United States Davis cup team last year, today was seeded as the number 1 contestant in the River Oaks Country club invitation tennis tournament opening here Monday.

Seeded behind Allison for the singles competition was Lester Stoefen, Los Angeles, who recently won the national indoor championship. Bryan "Bitsy" Grant, of Atlanta was seeded No. 3, George Lott, colorful Chicagoan, No. 4 and Gilbert Hall of New York No. 5.

Sixty six players were entered for the singles competition, the list including most of the southwest's leading performers. Such young players as Jake Hess, former Rice Institute star, and Karl Kamrath and Martin Buxby from the University of Texas may make the going tough for the seeded stars.

In addition to the men's singles, the tournament will include competition in men's doubles, junior singles and women's singles. Mrs. Mary Greer Harris of Kansas City, Miss Anna Mae Reichert of San Antonio, Miss Jane Sharp of Los Angeles and Miss Eugene Sampson of Chicago were expected to be contenders for the women's title.

**Cotton Control Bill 'Not Same' Baby Says Jones**

WASHINGTON, March 31.—(AP)—House advocates of the controversial Bankhead compulsory cotton bill declared themselves frankly puzzled today over how to save the legislation so radically rewritten by the senate.

"It doesn't look like the same baby we sent to the senate," remarked Chairman Jones (D, Texas) of the house agricultural committee. "Its clothes are pretty badly torn, but maybe we can fix it up in conference."

Members of the agriculture committee immediately began studying the senate amendments preparatory to seeking a conference between the two branches next week.

Jay Marsh of Borger was a Pampa visitor yesterday afternoon.

## ONLY 2 DATES ARE OPEN ON HARVESTERS' GRID SCHEDULE

**TRAINING WITH THE MAJOR LEAGUES**

By The Associated Press

ST. PETERS, Fla., March 31.—With Jimmy de Shong, International league recruit, striking out first of his former teammates and allowed only five hits in six innings, the New York Yankees today defeated the Newark Bears, 6-5, scoring the deciding run in the ninth inning.

Pat Garrison is scheduled to tee a wildcat when he meets King Cole, Dallas Swede, in the semi-final. The Swede will outweight Garrison but that worthy is not doing any worrying. Garrison is in the best condition of a long time, but the same can be said of Cole, who has started to train hard.

Andy Gump and Farmer Miller will open hostilities with a 20-minute time limit affair. Eric is anxious to get in the win column. The opened match will beat 8:15 o'clock.

**10 Counties Will Send Entrants To Track Meet Here**

Track and field teams from 10 north Panhandle counties will come to the district meet in Pampa April 13 and 14. Boys who will compete here will be selected in county tournaments. The first four boys in each event will be eligible to compete.

The counties in District 2, of which Pampa is the tournament city, are Gray, Carson, Wheeler, Donley, Roberts, Hemphill, Lipscomb, Hutchinson, Hansford, Ochiltree, Supt. R. B. Fisher of the Pampa schools is director general of the district. Coach Odus Mitchell of Pampa will be in charge of athletic events.

Athletes from Pampa school do not have to compete in the county meet, but will have a meet of their own. Local blinches have been training by themselves, while coaches have been busy with spring football practice. The coaches, however, will take charge of the team this week and will hold a meet Wednesday afternoon at Harvester park.

A Pampa team will enter the Amarillo invitation meet next Saturday. The high point team in the district will receive a large plaque. The winners of each event will be given gold medals and the second place winners will receive silver medals. The winning relay team will be given a silver baton.

Tournament officials are making a call on Pampans to care for about 150 students and instructors Friday night and a much smaller number Saturday night. Anyone with rooms for one or more students are asked to call 70.

Mr. and Mrs. D. R. Henry are visiting relatives in Perryton.

**Illness Attacks Mickey Cochrane**

ORLANDO, Fla., March 31.—(AP)—Mickey Cochrane, catcher manager of the Detroit Tigers, was taken sick during practice today prior to the exhibition game with the Brooklyn Dodgers.

He will be put under observation tonight at Lakeland, where the Tiger training camp is located. It is feared the former ace back stop of the Athletics has appendicitis.

The Tiger pilot was advised to go to an Orlando hospital but refused, insisting he would be all right until the team got back to Lakeland, a two hour bus ride from here.

Cochrane had planned to go behind the bat for part of today's game but remained on the bench after the pain developed.

Sold by the Athletics for an estimated \$100,000, Cochrane has been the vital spark in rejuvenating the Tigers this spring. The combination of his catching, hitting and leadership has been counted upon to make the team a pennant factor for the first time in years.

He has been working as hard as any rookie ever since the training season opened.

GALVESTON, March 31.—Beau Bell's eight-inning homer with a man aboard fell short of bringing the Galveston Buccaneers victory in their second game with the Toledo Mudhens today, the locals losing 4-2.

**Avon Park Park, March 31.**  
The Cincinnati Reds today shook off the funk which minor league clubs had over them and walloped the Columbus Red Birds, 13 to 3, to avenge a 6 to 4 setback at the hands of the American Association team.

**AMARILLO'S COACH WATCHES 1934 HARVESTERS SCRIMMAGE**

Race Equipment To Be Improved By Tri-State Fair

AMARILLO, March 31.—(Special)—Only the newest and best equipment will be used this spring by the Tri-State fair's racing committee for this spring meet, here June 15 to 23.

The track is in fine shape, stables in splendid repair and grandstand spic and span.

However, one of the biggest improvements will be the use of a padded starting gate.

It is practically impossible for a horse to be injured in starting from this set of stalls. The horse is backed up into the proper stall, and gets away to an even start when the starter releases the barrier.

C. H. McMillan of San Saba will be the official starter. He will bring the 12-gate starting stall to Amarillo early enough so that many horses can get in some practice starting from it.

**Blair Cherry Is Interested Spectator, But Prospects Show Little Offense.**

Wind and sand failed to dampen the spirit of Harvester prospects and ex-Harvesters yesterday afternoon when they scrimmaged at Harvester park. Neither eleven showed much offensively but defensive play was good.

Coach Blair Cherry of the Amarillo Sandies was an interested spectator. He saw the Harvesters display an excellent defense but little offense. The ex-Harvesters were without a good backfield and as a result the ball-toting was not particularly dangerous. The Harvesters used only three or four plays.

The Harvesters were also put through a dummy scrimmage scrimmage while Olin E. Riddle of The NEWS took moving pictures with Dr. H. H. Hicks' new movie camera. The pictures will be used to show the players where they made mistakes.

The defensive work of Robert McAulley, Jack Powell, and Chubby Stewart appeared as high-lights of the scrimmage. They tore up the ex-Harvester offense with deadly tackling. Bill Dunaway was the most effective ball carrier for the Harvesters.

Among the former players on the field were Clovis Green of T. C. U. who now weighs 218 pounds; Wayne Kelley, Amarillo college star; Ralph Poe, West Texas Buffalo star; John Fafford; Finky Powell, and a number of other boys now making Pampa their home.

The scrimmage was the last of the present spring training period. The boys turned in their suits after the scrimmage and will turn their attention to track and field practice. A second group of prospects will start practice this week.

Mr. and Mrs. J. C. Dollard, injured in an automobile accident near Amarillo Thursday, were brought to their home in C. C. Malone ambulances yesterday. Both are doing as well as expected, although Mr. Dollard's injuries are painful. Their two children were not injured.

Mrs. E. L. Foster of Wilson, Okla.; Mrs. N. F. Nixon and son of Kilgore; Mrs. W. W. Goodwin and daughter of Longview, are weekend guests of Mr. and Mrs. J. H. Jones, 511 N. Yager.

## MORE GORE IN PROSPECT ON MONDAY NIGHT

**"KILLER" WILL BE OUT TO GET HAIR, HIDE OF DETTON**

Lightning Rod Fenton, baby-faced killer from Edmonton, Canada, will strike Pampa Monday night to battle with Dory Detton of Utah, also baby-faced boy but not a killer, in the main event wrestling match at the Pla-Mor auditorium.

Fenton, besides being middle-weight champion of Canada, is a former professional hockey player, a dog team driver, lumber-jack, and miner. He knows all the tricks of his former professions and he doesn't shun using them. His drop-kick is famous but so are his spin and a number of other weird holds.

Detton is popular with Pampa fans, who don't want to see him hurt by a big husky from the north. The Mormon has demonstrated that he can take care of himself and is doped to give Fenton the battle of his life. The youngster has been improving rapidly and is now recognized by the best men in his class.

**Klein Receives Veteran's Pay**

Mr. and Mrs. L. W. Klein have returned from Washington, where they went in connection with Mr. Klein's application for Spanish-American war compensation. The trip was successful and Mr. Klein will receive \$110 a month for the rest of his life and after death Mrs. Klein will receive half that amount.

Although Mr. Klein served in the Spanish-American war, he received no compensation until 1922 and it was cut off in 1933. Mr. Klein was with the 22nd infantry in Cuba in 1898 and in the spring of 1899 was transferred to the 10th infantry and sent to the Philippines.

Mr. Klein served with the 26th infantry on the Mexican border in 1901. He did not see service in the World war. Mr. Klein was station agent for the Santa Fe railroad company in Pampa until a few years ago when his health broke down.

HERE FROM DECATUR  
Prof. E. M. Gettys and Mrs. Gettys of Decatur Baptist college visited in the home of Miss Zenobia McFarlin and with other friends here yesterday.

Mrs. J. D. Herron and children left for their home in Roswell, N. M., yesterday after visiting with Mr. and Mrs. Lee Harrah.

**HILL'S**

AN OPEN LETTER TO ALL UNION MEN

Workers—

First... this message is NOT a flag waving idea on our part. It is a sincere and honest presentation of a timely number of interesting facts.

May we first state that Hill's have ALWAYS sold UNION MADE garments, Hill's have sold these garments during every day of the just past depression. The sale of UNION MADE garments is not a new idea... at HILL'S. Hills held to the UNION standard during every dark day of the past period. Days when other stores reaped the harvest of low priced NON-UNION garments. Hill's do not regret this sales loss!

Hill's are not bragging. Hill's are simply stating a fact of store policy that is as integral a part of their business as is their slogan... First of all—Reliability.

Hill's know that UNION men are fair, square and honest. Hill's do NOT believe that they will be tricked by blatant, flag waving... NOW... just because UNION men are getting a break.

Hill's ask for the business of UNION men on the basis of honest value, fair price, and because Hill's have been for you and yours, for a long, long time.

Sincerely,  
THE L. T. HILL COMPANY

# CHURCH CHOIRS WILL SING JOYOUS EASTER MESSAGE TODAY

## PLAYERS Named for Giant Checker Game

### STUDENT ACTIVITIES WILL BENEFIT BY TOURNAY

PLAYERS whose commands of "Move to the king row, Jane," or "Jump Mary and Ida, Sally" will decide the animated checker game at high school gymnasium Thursday evening have been named by the Rotary, Lions, and Kiwanis clubs.

Hamp Brown will play for the Rotarians, Gilmore Nunn for the Lions, and A. L. Patrick for the Kiwanians. One will draw a bye for the first game and meet the winner for the second game.

Giant checker boards will be drawn on the gymnasium floor, and high school girls will act as checkers. Each "checker" is sponsored by an oil company or territory, and will advertise her sponsoring firm.

Band Music, Eals.

In addition to the two games, which will consume about an hour, the high school band will play at the intermission, and candy, popcorn, and other refreshments will be sold by costumed vendors who will peddle their wares according to dictates of their trades.

C. P. Buckler will referee of the checker games. Girls who become "kings" in the games will be crowned in appropriate fashion.

The novel entertainment is sponsored by High School Parents' Teacher association and secure funds for student activities. National honor society pins are to be bought for honor students; awards for inter-scholastic league winners and for inter-scholastic league winners and for surplus money will go to the senior class fund for a class day trip to Carlsbad cavern.

The program will begin at 8 p. m. Thursday, and general admission will be 10 cents.

## Capital Bride

Marianne Harrison, daughter of Senator and Mrs. Pat Harrison of Mississippi, became the bride of James William Cummings Jr., at a ceremony performed in Washington. (Associated Press photo.)

## ATTENTION OF CLUB WOMEN IS CENTERED THIS MONTH ON DISTRICT CONVENTIONS

### In Social CALENDAR

**MONDAY**

First Baptist Missionary union will have a business meeting at the church, 2:30.

Methodist Missionary society meets in circles: Circle one with Mrs. A. L. Patrick, 807 N. Frost; circle two with Mrs. Joe Shelton, 523 N. Russell; circle three with Mrs. A. A. Kelly, 913 E. Browning; circle four with Mrs. Sherman White, 403 N. West.

Methodist Intermediate department will have an April Fool party in the church basement, 7:30.

County home demonstration clubs will sponsor a recreational hour at the high school cafeteria, 7:30.

**TUESDAY**

Civic Culture club will meet with Mrs. E. A. Shackleton, 2:30.

Mrs. Billy Johnson will be hostess to Edwin Markham circle, Child Conservation League, at her home, 454 N. Starkweather.

Tuesday bridge club will be entertained by Mrs. Skeet Roberts.

Mrs. H. C. Charles is to entertain the London bridge club.

Mrs. J. H. Koley will be hostess to the Amusu club, 2:30.

A. A. U. W. French class will meet at the high school, 4 p. m.

Order of the Rainbow for Girls will hold a regular meeting at Masonic hall, 7:30. Members of Rainbow, Masonic, and Eastern Star orders invited.

**WEDNESDAY**

Episcopal Auxiliary will meet for a covered dish luncheon.

Central Baptist Missionary society meets at the church, 2:30, for a business session.

Protestant Auxiliary will have its meeting at the church.

Mrs. P. D. Keim and Mrs. Ed Carrigan will be hostesses to Holy Souls Altar society at the home of Mrs. Keim, on N. West.

Treble Clef club will have its rehearsal at 3:30, city club rooms.

Women's Council of First Christian church will hold group meetings.

**THURSDAY**

Pampa Council of Women's clubs will meet in city club rooms, 9 a. m.

Mrs. W. J. Smith will be hostess to Club Mayfair, 2:30.

No-Trump bridge club will be entertained by Mrs. Ray Chastain.

Mrs. I. F. Cordell will entertain La Femme club.

City Parent-Teacher council will meet in high school cafeteria.

High School P. T. A. will sponsor an animated checker tournament at high school gym.

American Legion Auxiliary will hold a regular meeting at Legion hall, 8 p. m. Members and visiting members asked to attend.

**FRIDAY**

Mrs. C. E. Kennedy will entertain Merry Mixers club, 2:30.

Lea Madres circle, Child Conservation League, will meet with Mrs. G. F. Friauf, 605 N. Gray.

Order of Eastern Star will hold a regular meeting, Masonic hall, 8 p. m. All members urged to attend.

American Legion and Auxiliary will have joint social at the Legion hall, 8 p. m. Members and their families are urged to be present.

### CHORUS PRACTICES TO HOLD FEDERATION TROPHY

DISTRICT conventions impending for federated club and Parent-Teacher association workers will hold the major interest of club women during this month.

Federated clubs of the seventh district will convene in Amarillo for their annual session on April 16, and the district Parent-Teacher convention will start in Shamrock May 2.

Pampa women will have a prominent part at both meetings. A chorus of club women is rehearsing now for the federation chorus contests, hoping to win for the third successive year the district loving cup and make it their permanent possession.

Personnel of Chorus.

The triple trio includes Mmes. J. M. Dodson, W. A. Bratton, and A. N. Dilley Jr., first sopranos; Mmes. Tom Rose, A. H. Doucette, and A. M. Martini, second sopranos; Mmes. T. P. Morton, Raymond Harsch, and Charles Thut, altos.

Mrs. Philip Wolfe is director and Mrs. Frank Perry pianist. Their numbers are When Twilight Comes, the requited chorus, and Rain, the selection of their own choice.

The winning senior and junior choruses will appear on the annual fine arts program, which Mrs. C. T. Hunkapillar of Pampa will direct Tuesday evening. It will be in Amarillo's municipal auditorium, open to the public.

Kid Band to Play.

Woodrow Wilson Kid band of Pampa will open the program. Mrs. Parker Hannah of Canadian and Mrs. George of Dawn, both known here, are to give vocal solos. Amarillo Philharmonic orchestra and Amarillo Little Theater will present numbers.

A luncheon for all delegates will open the convention at noon Monday, followed by a board meeting, and then the first general business session. A "Lucky 13" dinner will be given on president's evening, as this year marks the 13th annual meeting.

All federated clubs here are electing their delegates to the convention this month, and a number of district chairmen who live here will also attend the meetings.

P. T. A. Chooses Delegates.

Parent-Teacher associations completed their reports for the year last week and mailed their publicity record books to Amarillo to be judged. They are also electing convention delegates.

Pampa city council will be in charge of a luncheon on May 3, featuring the endowment fund theme.

Mrs. J. M. Dodson, president of High School Parent-Teacher association here, is to be toastmaster.

Complete programs have not been released, but several other Pampa women are to be on program for discussions of educational progress.

Both the federated clubs and the Parent-Teacher association are scheduled for next Thursday.

## 'Very Latest'—From 18th Century

"The very latest thing, Madame," in Paris fashions—but Louis XV's dandies wore it first. Clothes worn by beaux of the eighteenth century have inspired some of the new spring frocks designed for modish moderns. Figures from Aesop's fables are woven into this filmy black-lace afternoon gown. Dikusha (the Princess de Rohan) designs it with a shirred basque of white pique and a collar of the same fabric. (Associated Press fashion service.)

## RELIGION HOLDS PRIMARY PLACE AT EASTERTIDE

### Deeply Rooted Real Meaning of Day Is Not Lost

BL ELEANOR ROOSEVELT.

Almost before we know it Easter Day is with us again. This day, like all the days of the week, comes down to us from Teutonic mythology with its real meaning firmly rooted in the Jewish and Christian religions. The Paschal Lamb of the Jews that was offered as a sacrifice for sin, came in the Christian religion to be exemplified by Christ's voluntary death upon the Cross that He might expiate the sins of the world. Easter day is a joyous one for Christians because it is the day of the Resurrection, that day of triumph over death and sin. In the Christian year it follows Lent, that period of fasting that enables us better to dominate ourselves and to think of things which are not of the world worldly. This period culminates in the anniversary of the Resurrection which again brought confidence and hope to His disciples.

No exact date has ever been permanently set for Easter. Various debates have taken place through the years and at times attempts have been made to set a definite date for the observance of Easter. One such effort produced strange results. Pope Gregory's tables, wherein he tried to reconcile the solar and lunar years on the Metonic system, resulted in 1582 in placing the Resurrection before the Crucifixion. For a time, under the edict of Emperor Constantine, Easter was the first day of the year and the vernal equinox in France until the year 1584, by order of King Charles IX, the first of January became the first day of the year.

People often remember Easter as their first church service. I think when I began an Easter service was the occasion for my first appearance in church and the impression of the beautiful flowers—the white Easter lilies particularly—was one which remained with me for many years. White has always been the Easter color and is held the symbol of joy, light and purity.

For the children we have made of Easter not only a religious ceremony but the day when the Easter Bunny hides the eggs which the children can have the pleasure of scrambling around the house and garden to find.

While the religious significance of Christmas is sometimes completely overshadowed by its secular side, Easter, nevertheless, has always remained primarily a religious festival. To the people near Jerusalem the opportunity of spending Easter there is very generally taken advantage of and is an unforgettable experience. In Jerusalem itself, because of the fact that various nations and religions meet in that holy city, there have sometimes been unfortunate conflicts on Easter day. The Greeks and the Russians regard Easter Thursday as the day in the church year and for them Easter day in Jerusalem is the experience of a life time. The world over many people make the pilgrimage to pray before the Holy Sepulcher on this Holy day.

While we enjoy wearing our Easter finery, and it has become the custom for women and men both to wear something new on Easter day, we should remember its real significance. It means the sacrifice for others may be with white to them as well as to ourselves and that out of all sacrifice, as symbolized by the sacrifice of Christ, must come joy as it came with the Resurrection. This joyous celebration should fill the hearts of all Christians thru the years, as a result of that first Easter day.

## SPECIAL MUSIC ANNOUNCED BY ALL CHURCHES

### FOLLOWS PRE-EASTER VESPER MUSIC OF TWO WEEKS

EASTER music will swell triumphantly from the choirs of Pampa churches today. Their programs will climax the worship in song which started with vesper services the last two Sunday afternoons.

Most interesting of the Easter offerings will be a Gregorian choir, Missa de Angelis, by Holy Souls Catholic choir at high mass, 10 a. m. today. This is one of the many chants, ancient in church history, collected and arranged by a commission appointed by Gregory.

The entire composition is given in unison, with no solo parts. This is the first time such a musical offering has been attempted here. Mrs. J. W. Garman will be soloist in the offertory number, Regina Coeli.

Sacred Cantata.

A cantata, "The Seven Last Words of Christ, DuBois," is to be presented by First Methodist choir under direction of R. B. Fisher in the 7:45 p. m. service. The choir will appear in robes today, for their Easter numbers, which will be accompanied by Mrs. May F. Carr, organist.

At First Baptist church, the choir will sing the anthem, Christ Arose, Lowery, directed by B. E. Gatlin and with Mrs. Tom Rose as pianist. A quartet, God So Loved the World, will be sung by Mr. and Mrs. H. O. Price, Miss Doris Price, and Mr. Gatlin. The offertory will be In-ternment, directed by B. E. Gatlin, played by Miss Willie Reese Taylor, violinist.

Young People to Sing.

Selections from the cantata, "The First Easter, Wilson," will be sung by the young people choir at First Christian church, directed by W. A. Bratton. Miss Zola, Grace Donnelly and Charles Frost Madara will be vocal soloists, and Mrs. Walter Nelson will play a violin solo.

Orchestra, directed by Roy Wallerstein and a special vocal solo are to be heard in the evening.

Mr. Wallerstein will be in charge of the morning service music at St. Matthew's Episcopal church.

Two Easter Anthems, "The Lord Is Risen Indeed, Adams, and O Lamb of God, Noels, are to be sung by the Presbyterian choir directed by George Briggs. Mrs. A. N. Dilley and Mr. Harry Lyman will sing the solo parts.

The junior choir will also sing a number, Christ Arose, and Mrs. Nina McKimming, pianist will play Handel's Largo as a prelude and Spring Flowers, Gade, as an offertory.

## Movies' Effect On Children Is Studied by PTA

### BY MRS. JOHN M. FOX, Wichita Falls, State Public Director, Texas Congress of Parents and Teachers.

What are the movies doing to the children of America?

The Texas Congress of Parents and Teachers, through its state chairman of motion pictures, Harry Gordon of Beaumont, stands firmly back of the national congress at Washington in its campaign to arouse thinking people, both members and non-members everywhere, to the menace of wrong movies upon the mental, moral and physical well-being of the child life of the nation.

The kind of pictures produced in an American problem. In 1929, 98 per cent of all pictures shown in this country and 85 per cent of all pictures shown abroad were reported in government publications to be produced in the United States.

A universal discontent, in view of exhaustive research concerning the influence of motion pictures upon the home, school, church, and government has alarmed leaders of child welfare throughout the whole country.

Facts Are Striking.

Scientists among these studies have discovered a startling fact in reference to the maturation process of information gained through viewing motion pictures. The tests showed that children not only retained but increased their information content after weeks and months. The second and third grades remembered after interval testings even more after seven months than the day after seeing the picture.

Reviewing and listing motion pictures is not included in the program of the National Congress of Parents and Teachers. A chairman of motion pictures in the person of Mrs. Robbins Gilman, is identified with the national congress through monthly informational pages in the Child Welfare Magazine, its organ.

Two movie bills sponsored by Senator Patman, of Texas, are now being discussed at committee hearings at Washington. One would permit federal regulation of films through a commission duly authorized to eliminate films which "tend to debase or corrupt morals" or create "disrespect for law or religion." The other bill is calculated to legislate against the "block booking" practice of procedure now in vogue in the moving picture industry.

## BIRTHDAYS OF EASTER WEEK ARE OBSERVED

### Children Enjoy Egg Hunts at Parties Recently

Mrs. R. I. Pearce honored her daughter, Mildred, on her thirteenth birthday with a party Friday afternoon. After several games and an Easter egg hunt, angel food cake and ice cream were served.

Each guest presented the honoree with a lovely gift. Favors were given to Mary Lynn Schofield, Ruth Gray, Jessie Farmer, Kathryn Doyle, Betty Sue Price, Betty Jo Anderson, Carolyn Sue Abbott.

Mrs. Pearce was assisted in serving by her daughters, Maurine and Hazel.

Bill May Is Three

An Easter birthday party honoring the third birthday of Eddie Bill May was given by his mother, Mrs. K. T. May, Thursday. An Easter egg hunt was the big event of the party.

Gifts were presented to the honoree. An angel food cake lighted with three green candles was served with yellow and green jello. Candy rabbits were favors.

Guests were Mary Ann Hubert, Kathryn Ann Dean, Edgar Dean, Billie Dean, Gerald Redenbender, Charles Stevens, Gene Rotfeld, Buddie Ronelfel, Gene May, Gwendolyn Boyl, Jeannine May, Frankie Crocker, Johnny Sehon, Martin May, Lyndal May.

Mmes. H. E. Crocker, Charles Stevens, J. O. Sehon, and Boyd assisted in serving.

Niece Is Honored.

Mrs. C. S. Alexander was hostess at a birthday party honoring her niece, Mary Alice Warden, six years old Friday. Games were played and an Easter egg hunt enjoyed by the guests.

Refreshments of fruit salad, cake, and cocoa were served to Margaret, Grace, and Billy Davis, Arvilla Corbell, and the honoree. Mmes. W. H. Dennis and I. F. Cordell assisted the hostess.

## Club Council Is to Hear of Celebration

### Representation from every club in the city club council is requested for the monthly meeting Thursday, as a member of the Junior chamber of commerce will be present to discuss Pampa's pre-centennial celebration.

The council meeting will be at 9 a. m. in the city club room.

Representation from every club in the city club council is requested for the monthly meeting Thursday, as a member of the Junior chamber of commerce will be present to discuss Pampa's pre-centennial celebration.

The council meeting will be at 9 a. m. in the city club room.

## Vested Choir to Present Cantata

### A vested choir of 40 voices will sing the sacred cantata, Seven Last Words of Christ, DuBois, as an Easter evening musical offering at First Methodist church.

The cantata commemorates the death and resurrection of our Lord. It comprises beautiful solos, duets, and chorus obligatos, which will be taken by Mrs. R. R. Jones, soprano; Mrs. Elsie Powell, soprano; Mrs. Philip Wolfe, soprano; Miss Dorothy E. Plank, tenor; Ed Zimmerman, bass; Howard Zimmerman, bass.

An elaborate musical setting will be furnished by Mrs. May F. Carr, pianist, and Miss Hermina Stover, violinist. Mrs. Fisher is director.

Based on Scripture.

The text of the cantata is based on the seven sayings of Christ on the cross. The introduction, "O all ye who travel upon the highway, hearken to me and behold me. Was ever sorrow like unto my sorrow? For the Lord Almighty hath dealt bitterly with me. Call me now no more Naomi; from today call me Mara," is followed with songs based on the seven sayings:

"Father, forgive them, for they know not what they do."

"Verily, thou shalt be in paradise today with me, amen, so I tell thee."

"See, O woman, here behold thy son beloved."

"God, my father, why hast thou forsaken me?"

"I am thirsty."

"Father, into thy hands I commend my soul."

"It is finished."

"It closes with a prayer, 'Christ, we do all adore thee, and we do praise thee forever; for on the holy cross hast Thou the world from sin redeemed.'"

## GIRLS' GROUPS CONTINUE TO BE ACTIVE, RECEIVING NEW MEMBERS, ELECTING OFFICERS

### Camp Fire and Girl Scout Divisions Are Busy

Officers were elected by Camp Fire Girls of the Ithaca group at a meeting at the home of Mrs. B. Barrett Thursday. Hazel Jo Elder was chosen as president, Hazel Nicholson scribe, and Mildred Miller treasurer.

Each girl selected her Indian name, then studied Camp Fire ideals and theory and worked on membership requirements.

At the next meeting, at 4 p. m. Wednesday in Mrs. Barrett's home, they will complete membership requirements and sign the application for their charter.

Group Name Chosen.

The name, Iyega, was chosen by a new Camp Fire group formed of girls from 10 to 14 years of age, when they held their meeting last week. This group meets on Tuesdays in the camp fire room, Culbertson-Smalling building.

The new group name is symbolized by a star of many rays, and means "to make others happy." New members of the group were taught the meaning of Camp Fire watchword, hand sign, and code. They started work on new projects.

Next week members plan to start a window box garden, and vines to cover the club room windows.

New members were Bonnie Lee Rose, and Middle Sue Cook. Others present were Catherine Culbertson, Mildred Pierce, Catherine Covington, Lyndal May, Mrs. J. B. Austin, and Mrs. B. Barrett.

Scout Troop Six.

Another new member was added to troop six of Girl Scouts yesterday morning, maintaining the record of weekly growth. Lucille Carlock is the latest member.

The troop had a short business meeting, planning its part of the program for the next general Scout meeting; then went to a movie at the Methodist church.

Girls talked over a pleasant party given last week at the V. L. Dickinson home.

Present were Helen Chandler, Jacquelyn Davison, Anna Lee, Norma Dickinson, Frances Koonce, Betty Sue Price, Iris Williams, Evelyn Sackett, Eleanor Ruth Gillham, Mary Fisher, Margie Coffee, Wanda Cotton, Sylvia Belle Gray, Mary Jo Guthrie, and Lucille Carlock.

## Pointers on Poise

### By Laura Townsend Davies.

If while sitting, you just must cross your knees, no one will mind too much providing you keep the toe of the off-floor foot pointed toward the center of the room. A light touch of turning your toe upward and showing the company the sole of your shoe. Clowns and comedians make use of the soles of their shoes in getting laughs.

Perhaps you saw that picture of Zasu Fille—the one in which she buys a ferry boat. Zasu portrayed bewildered despair by flopping into a chair, arms and hands dangling at her sides, feet stretched out and wide-apart, backs of her heels on the floor, soles turned upward to her audience.

In ancient Greece, only a slave sat with the soles of his feet showing—and he had to. It was a mark of inferiority. Can you think of a single picture of a girl modeling dresses, a statue of a lovely woman or a portrait of a lady in which the sole of a foot is turned up, comically, for inspection.

## Tiny Tots Enjoy Easter Egg Hunt

### Gracie roll children of First Baptist church were entertained with an Easter egg hunt in the city park Friday afternoon.

Candy eggs were given as favors, and ice cream was served after the hunt to 18 children and mothers. Mmes. Richardson, Taylor, Roof, and May, teachers of the department, assisted the mothers in entertaining.

## Legion Post and Auxiliary Will Fete State Head

### Van Perkins, department commander of the American Legion, will be the guest of honor when the Post and auxiliary entertain Friday evening.

Members have invited the Legion Auxiliary to join them in the social. All members of both organizations and their families are invited to be present at the Legion luncheon at 8 o'clock.

In addition to Mr. Perkins, who will be the principal speaker on a program, several state officials of the Auxiliary will be present to be present for addresses. Refreshments will be served after the program.

## S.P.O.C. Club Has Party With Joint Hosts Wednesday

### Bruce Head and Orin Colvin were hosts to S. P. O. C. club in the club room at Merion Wednesday evening.

Games of bridge and forty-two were enjoyed.

Mrs. L. C. Cunningham made high score and H. C. Peebles low in bridge. Mrs. George Dillman high and Lewis Hughes low in forty-two.

Refreshments were served to Messrs. and Mmes. Paul Hughes, Dillman, John Brundson, Walter Hogue, Cunningham, V. A. Tasker, G. E. Tennant, Colvin, Peebles, Head, Mrs. Rex Taylor, Mabel Rowena and Juanita McNett, and Lewis Hughes.

## BRIDGE PARTIES WITH EASTER THEME ARE GIVEN FOR CLUBS

### Linger Longer club and a table of guests were entertained at an Easter party Thursday by Miss Mary Sned.

Pastel shades, stressing pink and green, decorated the rooms.

Table covers were in these colors. The tallies and score pads were miniature Easter bunnies, and blooming tulips brightened the rooms. A salad course was served, each plate lighted with tiny pink and green candles.

Special guests were Mmes. Fred Cary, Bill Boren, Gus Green, Bob Muller, and Miss Reba Baird. Members present were Mmes. H. C. Chandler, Sug Cobb, Clyde Oswald, Russell Kennedy, Jack Baker, and Miss Frances Finley.

Special guests were Mmes. Fred Cary, Bill Boren, Gus Green, Bob Muller, and Miss Reba Baird. Members present were Mmes. H. C. Chandler, Sug Cobb, Clyde Oswald, Russell Kennedy, Jack Baker, and Miss Frances Finley.

Play-Whirl Club.

Easter decorations marked all appointments when Mr. and Mrs. Bert Wilhelm were hosts to the Play-Whirl bridge club Friday evening.

Sandwiches, potato chips, olives, cake, and coffee were served after the games, in which Mrs. Fred C. Fischer and K. O. Wyatt made high scores, Mrs. J. M. Powell and Bert

## Las Madres Circle In Special Meeting At Anderson Home

### A special meeting of Las Madres circle, Child Conservation League, was conducted Friday at the home of Mrs. P. O. Anderson, when members enjoyed a social following a short business meeting.

A salad course was served to Mmes. D. W. Coffman, Tom Darty, W. A. Meyers, G. F. Friauf, and the hostess.

Mrs. Friauf is to be hostess for next regular meeting, Friday afternoon.

## Plans for Easter Observance in Nearby Cities are Varied

### WHEELER, March 31.—Young people of all churches are invited to a sunrise Easter service at the Methodist church Sunday at 6:30 a. m.

The Parent-Teacher association sponsored a forty-two tournament at which 10 tables were entertained. Miss Agnes Reynolds and O. Lewis made high scores.

April 5 has been set as the date of the annual junior-senior banquet in the high school.

Children Hunt Eggs.

MIAMI, March 31.—Children of the community were entertained at the fourth annual Easter egg hunt on the farm of C. P. (Doc) Parsley. Hundreds of adults annually attend this hunt to watch the many children.

Mrs. W. L. Russell was hostess to the Home Progress club last week. Mrs. Holt Barber entertained the Contract Bridge club. A surprise birthday dinner honoring S. R. Nelson was on his 68th birthday was given in his home at Salem Sunday.

Hedrick-Halley.

PANHANDLE, March 31.—Miss Velma Bailey of Amarillo and Guy

### Arno Club's Art Exhibit Viewed By Large Number

Closing yesterday after being viewed by hundreds of children and adults of the county, the Arno Art club's annual art exhibit ended a four-day downtown showing.

Appreciation was expressed yesterday by Mrs. T. P. Morton, president, for cooperation of the Texas Furniture company, the gas company, Voss Cleaners, the White House Lumber company, and Otto Stuber, owner of the building.

The 150 prints of famous pictures, representing both ancient and modern school of painting, were brought here to foster interest in art and to give school children an opportunity to see faithful reproductions of pictures which they study in school.

### All-Day Meeting Is Enjoyed by Junior Civic Culture Club

Members of the recently organized Junior Civic Culture club enjoyed an all-day social meeting and a covered dish luncheon Friday at the home of Miss Mary McKamey.

Those present to plan for future study and entertainment were Misses Ethel Hamilton, Willie Isbell, Minnie Olive Montgomery, Helen Jo Daugherty, Christine and Walden Dickinson; Mrs. B. A. Sumner, and a club guest, Mrs. Ed Burch.

### Education-Grants

BY MRS. J. A. HILL,  
Seventh District Chairman of  
Education Department.

"Education is Texas' greatest business."—L. A. Woods, state superintendent of public instruction.

Education time is drawing near and economy will again be the favorite slogan. We must watch our schools.

Miss Jessie Gray, president of the National Education association, recommends that voters "take steps to commit to a reasonable educational program every citizen who seek public office."

Delinquencies in taxes for schools run as high as \$100,000,000 in a single state. How much tax delinquency in any state is absolutely necessary?

"Strong resistance must be made in local communities to the efforts of the enemies of education to mask false economies under the guise of tax reduction."

—Miss Jessie Gray.

"The depression hit our schools later than it did business. It will linger longer with schools than with business and trade."

Dr. Zook, U. S. commissioner of education.

"In this critical year when school expenses are rightly under close scrutiny by anxious taxpayers, every department of the school system must show good reason for its continued claim to public support."—Mary Sawyer, dean of girls, Massachusetts.

### AUXILIARY HEAD TO SPEAK

Members of Pampa unit of the American Legion Auxiliary will have an opportunity to hear the Auxiliary's national president explain the aims and achievements of the organization on April 5, Mrs. Roy Sewell, publicity chairman, has announced. On that day, Mrs. William H. Bisler, Jr., national president, will speak from New York on the women's radio review of the National Broadcasting company. The broadcast, to be made on a nationwide network of radio stations, will begin at 3:30 p. m., EST.

Mr. and Mrs. Fred Fischer of Bower City were Pampa shoppers last night.

### MRS. WERTH IS NOELETTE S. S. CLUB HOSTESS

### Week-end Visits to And From Town Reported

NOELETTE, March 31.—Mrs. V. G. Werth was hostess for the Spang school study club Thursday afternoon. Following the study hour, refreshments of cake and coffee were served.

The ones who are to carry out such a demonstration are: Albrecht club, Mrs. A. B. Ward; Bell club, Mrs. Clyde King; Bluebonnet club, Mrs. Milt Williams; Hopkins club, Mrs. C. P. Couts; Kingsmill club, Mrs. O. G. Smith; Laketon club, Mrs. Lawton Hoffer; McLean club, Mrs. Christian Bjerg; Merion club, Mrs. Fred C. Fischer; Priscilla club, Mrs. Joe Lewis.

### PERSONALS

Mr. and Mrs. J. N. McCloud and daughter Nadine, have returned after visiting a few days with her parents in Hammon, Okla.

Miss Virginia Heaton of Canyon spent the week-end with her father, R. C. Heaton.

Mr. and Mrs. Vern Werth and children, Alladen and Eula Mae left Friday for Fredonia, Kan., to spend Easter with Mrs. Werth's parents, Mr. and Mrs. John Oran.

Robert Heaton spent the week-end with his uncle and aunt, Mr. and Mrs. R. Heaton of LeFors.

Mr. and Mrs. Cedill Green of Slocum, Okla., are visiting in the home of Mr. and Mrs. O. L. Satterfield.

Visits Sisters.

Mr. and Mrs. Elliott King of Dunsmuir, Okla., are visiting Mrs. King's sisters, Mrs. Joe Randall and Mrs. Ellis High. Mrs. King is remembered here as Miss Ruby Watkins.

Mr. and Mrs. George Luper and children left Thursday for Oklahoma to make their home.

Mr. and Mrs. B. L. Lowe and children of Eorger were recent visitors in the home of Mr. and Mrs. Leonard Cannon.

Mrs. Arthur Balchear, who has been ill several days, is improving.

Carl Sharpe left Sunday for Eorger, where he will be employed several weeks.

John Rush, construction superintendent for Easley Oil company, and W. J. Searle left Thursday for Fairfax, Okla. They expect to be away several months.

Se's Birth Announced.

Friends of Mr. and Mrs. Wayne Lewis have received announcement of the birth of a son Monday morning.

Mr. and Mrs. Henry Lamb and daughter Frances, have returned after visiting several days with Mrs. Lamb's parents in Sulphur Springs.

Mr. and Mrs. C. N. McGuire, who have been visiting in the home of Mr. and Mrs. Charles Showers, left Friday for East Texas.

Pete Skibinski of White Deer was a visitor here Thursday.

W. H. Sledge of Borger transacted business here Thursday.

Mr. and Mrs. Albert Bartz and children, Roy and Connie Jo, visited in the home of Mr. and Mrs. W. J. Bartz at LeFors Wednesday.

### Month's Activities Reported by Class Of Central Baptist

Reports of work last month were made by Madrina class members of Central Baptist church when Mrs. Fred McCann was hostess Thursday. During March they reported 20 telephone calls, five cards, a bouquet, a tray, and 18 visits on class business.

The next meeting will be with Mrs. McCann, 1019 E. Browning, on April 2. All members are urged to be present for a gift sale and to reveal their "forget-me-not" friends.

Present were: Misses E. V. Davis, Vernie Pipes, Earl Phillips, Jerry Lochard, J. H. Holleman, Walter Kirby, W. H. Hughes, the hostess, and a visitor, Mrs. Dee Campbell.

Mr. and Mrs. Clin' on Henry of the J. A. Ranch spent last week with friends and relatives in Pampa.

### Eight Women of County Start on 'Living at Home'

Eight farm and ranch food supply demonstrators of Gray county home demonstration clubs have decided that not only talk about the use of rented acres for living at home should be done but should actually be started and that the starting point for figuring such a program is in the food needs of the farm families.

The ones who are to carry out such a demonstration are: Albrecht club, Mrs. A. B. Ward; Bell club, Mrs. Clyde King; Bluebonnet club, Mrs. Milt Williams; Hopkins club, Mrs. C. P. Couts; Kingsmill club, Mrs. O. G. Smith; Laketon club, Mrs. Lawton Hoffer; McLean club, Mrs. Christian Bjerg; Merion club, Mrs. Fred C. Fischer; Priscilla club, Mrs. Joe Lewis.

These women realize that to plant these rented acres to corn, sorghum, peas, beans, and such will not give the family a good living at home. To give the family good food, of the right amounts, and for the whole year is a job that requires careful planning.

It means making a food budget and then making a garden and orchard (where at all possible) and crop plans accordingly. It means planning for fresh food in just as many men has as it can be supplied and then having a canning budget to take care of the unproductive months.

Living at home as well as developed in these demonstrations is based on an adequate diet. Such calls for at least 1 1/2 pints of milk per person each day; for at least one serving of butter each day; for at least three servings of leafy or green vegetables per week; two, each day of other vegetables; at least one serving of raw fruit each day; at least three servings each week of tomatoes or citrus fruits; at least four servings per week of other kinds of fruits; and two servings each day of such protein-rich foods as meat, eggs, nuts, dried peas or beans or cheese.

These requirements for a family of five may be obtained from one acre garden, a 1/2-acre home fruit plot, two good dairy cows, two meat heads, a fattened steer, 50 chickens, and a few melons, peas, beans, potatoes, and cane syrup.

There will be a series of open houses during October to show to the public the results of these women's undertaking.

### JEHOVAH'S WITNESSES

A transcribed lecture by Judge Rutherford will be heard at the city hall at 7 o'clock this evening by Jehovah's Witnesses. The public is invited.

PAY HIKED

NEW YORK, March 31.—Gordard Swope, president of the General Electric company, announced today that, effective April 1, all full-time salaries of \$2,600 or less and all hourly rates of pay will be increased ten per cent.

### LOCAL THEATER PROGRAMS

LA NORA—Today, Monday, and Tuesday, "It Happened One Night," with Clark Gable and Claudette Colbert; also Mickey Mouse in "Giantland," and Fox newscast. Wednesday and Thursday, "Success at Any Price," with Colleen Moore and Douglas Fairbanks, Jr.; also "Isn't It Awful?" a Pepper Pot comedy, and "Next Week-End," Midnight revue Thursday night; "Elysia" (native cast), also "Krazy Spooks" a cartoon comedy, and "Pampa Daily Newsweek."

REX—Today, Monday and Tuesday, "Sing and Like It," with Zasu Pitts, Ned Sparks, and Pert Kelton; also "Strange as It Seems" and "Air Fright," with Thelma Todd and Patsy Kelly. Wednesday and Thursday, "This Side of Heaven," with Lionel Barrymore, Mary Carlisle, and Una Merkel; also "Close Relations," Friday and Saturday, "Treasure," with Buck Jones; also "Little Boy Blue," and chapter 2 of "Perils of Pauline."

STATE—Today, Monday, and Tuesday, "Son of a Sailor," with Joe E. Brown; also "Buddy's Beer Garden," and "Grim and Bear It." Wednesday and Thursday, "Dark Hazard," with Edward G. Robinson, Genevieve Tobin, and Glenda Farrow; also "Seasoned Greetings," Friday and Saturday, "Gallop and Romance," with Bob Steele; also "Lora's Dunkin' Doughnuts."

### BRIDGE

(Continued from Page 4)

The new member scored high in the games, Mrs. W. G. Irving second, and Mrs. Roy Kilgore received the traveling prize. Cut favors went to Miss H. H. Isbell, O. E. Palmer, and Huff.

A salad and dessert course were served to Mrs. Minnie L. Walker of Herford, a club guest, and Misses E. W. Hogan, Robert Montgomery, Cora Kolb, Paul Caylor, Reese, Carl Dunlap, John Shannon, and the prize winners.

Le Bon Temps.

Mrs. H. C. Berry entertained Le Bon Temps club with a one o'clock luncheon at Court house cafe Wednesday. Five games of contract were enjoyed later at the home of the hostess. High score was made by Mrs. Dewey Manry and second high by Mrs. Archie Bakley. Other members present were Misses J. C. Carroll, E. Hooks, Otto Geppel, and the hostess.

Special guests were Mrs. R. Dunbar, Mrs. H. P. Elliot, and Mrs. Arthur Manry of Bradford, Penn.

I-Double-U Club.

The I-Double-U bridge club entertained in the home of Mrs. R. D. Yewell, 413 North Yeager street Thursday evening.

The Easter motif was cleverly arranged with yellow and white in the table appointments and the dainty refreshments served at the close of the meeting.

### Baptists Are to Attend District Meet Next Week

A district Sunday school and training school convention for Baptist churches will be conducted in Memphis next week, with several Pampans on program and many others expected to attend.

The program opens at 7:30 p. m. Tuesday, and closes with a morning service Thursday. Delegates will be guests in Memphis homes during the meeting. Officials of the Memphis church have sent a cordial invitation to Sunday school and training school workers here to be present.

Pampans on Program.

The Rev. C. E. Lancaster, First Baptist pastor here, will speak at 11 o'clock Wednesday morning. His subject is Relation of the Sunday School and B. T. S. to the Co-Operative Program. Miss Geneva Groom of Pampa will conduct the intermediate division of the B. T. S. conference Wednesday afternoon.

The Rev. N. B. Moon of Miami will speak at the Thursday morning session, and Mrs. C. T. Locke of Miami will direct the Junior B. Y. F. U. conference. The Rev. Cecil Goff of McLean is to be in charge of the associational B. T. S. division of the Wednesday afternoon conference. The Rev. Milton S. Leach of LeFors will speak Thursday morning at 9:10. His subject, Buckner Orphan Home.

Dr. R. C. Campbell of Lubbock, Rev. G. L. Yates of Amarillo, and Rev. B. N. Sheppard of Clarendon are to make inspirational addresses.

### PLANS

(Continued from Page 4)

Pathfinder club last week, Mrs. J. D. Elocking entertained the Friendship club at her home.

Depression Party.

CANADIAN, March 31.—Mrs. Norman Magill and Miss Lois Tubbs were hostesses at a depression party for the Bid-a-Bid club recently. Brown paper table covers set the motif, and Mrs. Fred Miller received the prize for the "most depressed" costume.

Mrs. Frank Stone entertained the Pleasure Hour club, Mrs. E. E. Watson, the Just For Fun club, Mrs. Dick Barton the Merry Matrons' club, Miss Vera Tjep the Merry Bidders club, Mrs. Jep Todd the As You Like It club, and Mrs. Darrell Wiggins the C. C. club.

Dance Pantomime.

BORGER, March 31.—High School P. T. A. sponsored a dance pantomime, Teddy Bear of Oz, presented by Miss Elsie Little and her pupils Wednesday. A crowded auditorium greeted the performance.

Mrs. Harry Willis explained the work of the Young People's Organization and asked cooperation of the Business and Professional Women's club, at a recent B. P. W. meeting.

### Little Theater Has Much to Be Discussed Monday

Talking over their next production, their last production, and their annual artists' ball is on program for Little Theater members at a meeting Monday evening in the city hall club rooms.

The talk and demonstration that evening will be on the fascinating subject of stage make-up.

Changes proposed in the by-laws will also be discussed, and in addition to planning for their own projects, the group will hear about Amarrillo's next play. All members are asked to be present at 8 o'clock.

PAMPANS RECEIVE LETTERS

CANYON, March 31.—Among those students of the West Texas State Teachers college who received football sweaters for their work on the Buffalo team during the fall of 1933 were three Pampa men—Al Duncan, Lloyd Moore, and Ralph S. conference Wednesday afternoon.

The Rev. N. B. Moon of Miami will speak at the Thursday morning session, and Mrs. C. T. Locke of Miami will direct the Junior B. Y. F. U. conference. The Rev. Cecil Goff of McLean is to be in charge of the associational B. T. S. division of the Wednesday afternoon conference. The Rev. Milton S. Leach of LeFors will speak Thursday morning at 9:10. His subject, Buckner Orphan Home.

Dr. R. C. Campbell of Lubbock, Rev. G. L. Yates of Amarillo, and Rev. B. N. Sheppard of Clarendon are to make inspirational addresses.

### COMING

One Showing Only

**LaNora**

PREVIEW THURSDAY NIGHT 11:15 P. M.

**ELYSIA**  
(Valley of the Nude)

The first authentic motion picture story filmed in an American nudist colony.

Few people have accurate ideas about the true significance of nudism... "ELYSIA" explains and illustrates these ideas.

"ELYSIA" is highly educational and entertaining and will be shown to men, women, and children.

## A Pair of Aces FROM OUR 614 NEW COTTON FROCKS

BY NELLY DON

195  
Colorful cotton fallie pattern trim \$1.95

### WHERE DOES THE COLD COME FROM?

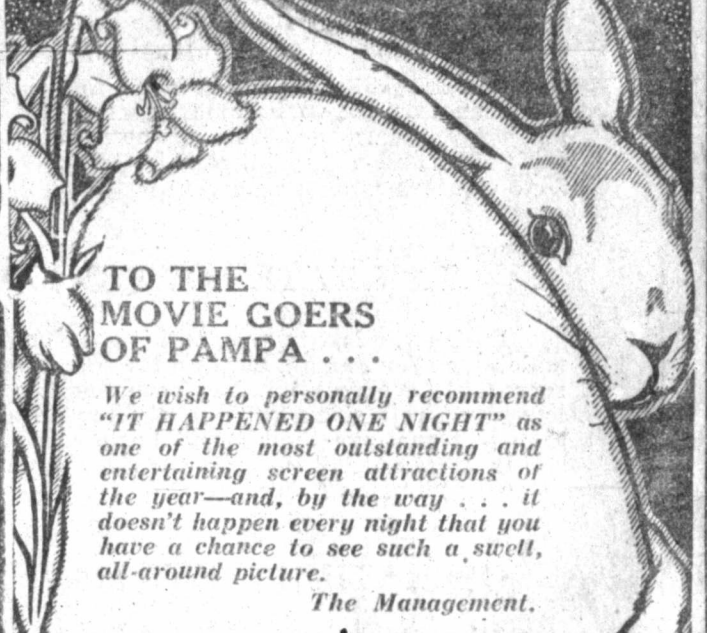

Folks often ask us just how and why an electric refrigerator gets cold. The process is one of removing heat from the inside of the box. The heat is soaked out by a special gas in much the same manner as water may be soaked up by a sponge. The gas is in the cooling coil in the box and starts in liquid form. It is allowed to expand slowly and as it does so it absorbs the heat just as the sponge absorbs water when it is allowed to expand. The gas is then drawn into the small compressor or pump where it is compressed. The compressing process squeezes the heat out of the gas and it then goes back into the box to pick up more heat. The same gas is used over and over and of course never comes in contact with foods in the box because the whole system is sealed. The machine automatically starts and stops and maintains an even temperature inside of the box regardless of the weather.

The 1934 electric refrigerators are the result of years of development. See them at your dealers and buy one now before hot weather arrives.

# Some Facts You Should Know Regarding The Management Of Your City's Affairs

Operating the city is comparable to managing an immense business organization. The total value of Pampa's public improvements, such as the water system, sewer system, public buildings, parks, fire fighting equipment, swimming pool, furniture and other equipment is far in excess of one million dollars. Annually, through the various departments of the city, the city officials are called upon to direct the receipt and expenditure of some \$200,000.00.

## CITY'S CREDIT IS MAINTAINED

The welfare of every Pampa citizen and the value of each piece of taxable property in the city is dependent upon the good credit of the city, and its record for operating on a cash basis. The city has a definite amount of fixed obligations heretofore voted by the people of Pampa. It is important, therefore, that a sufficient tax be levied each year to maintain a cash balance to take care of the interest and sinking fund charges that fall due on these obligations periodically. To allow the payment of these fixed charges to become delinquent impairs the credit of the city, and the value of all taxable property in it.

What is equally important is the fact that a city whose credit has been allowed to become impaired finds it difficult to administer and carry out properly the fulfillment of personal rights, protection, and welfare that it is the inherent and implied privilege of every Pampa citizen to possess.

## TAX RATE LOWEST SINCE 1927

During the last two years this good credit not only has been maintained for Pampa, but also through careful management and reasonable economies it has been possible to set for 1933 the lowest tax rate since 1927. If the present officials are retained, they will continue their sound business policies, and it is practically certain that through such management next year's tax rate will be much lower.

## OPERATING COSTS HAVE BEEN CUT

When the present administration took office there was in hand \$42,000.00 on all city funds. At the beginning of 1934, and as a result of careful operation, there was on hand the sum of \$80,000.00. How this was accomplished is best illustrated by a comparison of total expenditures of the city during the years that have followed. For the year 1931-32, total expenditures for city operating expenses were \$100,000.00. For 1932-33, \$82,500.00. This figure was still further reduced in 1933-34 to \$73,000.00, a reduction of \$27,000.00 in a year's expense as compared to what it was when they took office.

Furthermore, during 1933-34, the city was called upon to furnish \$2,500.00 toward the purchase of right-of-way for Highway 33 through Pampa, \$3,100.00 to meet the maturity of a purchase price note for a fire truck purchased in 1929, \$1,700.00 to settle a long pending suit against the city, and \$100.00 or more per month toward the medical care of unemployed people. Regardless of the fact that so many unusual obligations of this sort were cared for, this reduction was still effected.

## COMMISSION DID DIFFICULT WORK WELL

It must be remembered that the City of Pampa, with its public assets of more than one million dollars, has been so developed within a very short time of not more than seven years. This rapid growth has found an alert citizenship, ready to meet the demands which so quickly accumulated, and to match civic foresightedness with pressing need, but it has also necessitated, and rightly so, the fixing in the past by the people of Pampa of numerous obligations upon future years. The burden of meeting these obligations and at the same time the crying need for tax reduction is a heavy responsibility, and the efficient manner in which it has been assumed by the present administration thoroughly justifies the retention of these men in office.

## TAX PAYMENTS MADE EASIER

The tax policy of a city administration, or any other governing body, these days is one of the most important things to be taken into consideration by the voters. Unwise policy or thoughtless action would result not only in endangering the financial stability of the town, but also in the harassment of an overburdened people. The present administration has insisted upon every citizen meeting his obligation as a taxpayer, if possible, but it has not, in this past two years of depression, filed suits to foreclose tax liens and further harass citizens who were unable to pay. These officials also put into effect, in connection with 1933 taxes, a quarterly payment plan which has been recognized all over Texas as a great improvement in city tax systems. By this plan the taxpayer may retain his money until it is actually needed by the city.

## SWIMMING POOL GOOD INVESTMENT

During the year 1933, at the insistence of a great many people who desired to see the balance of the Park and Playground Bond Account which was voted in 1929 used for a permanent improvement, a swimming pool was constructed with funds derived from that account. This amount of \$6,000.00, to which was added \$1,000.00 from the General Fund, with labor which was furnished by the RFC to the extent of about \$8,000.00, enabled the city to own a \$15,000.00 pool for the expenditure of only \$7,000.00. Last summer this pool was operated by the city and it earned a net profit of \$1,500.00. The General Fund may now be repaid the \$1,000.00 which was borrowed from that fund to complete the pool, and now that that has been accomplished, the pool will be made more accessible to all the people of Pampa, and at the same time the cost of the pool may be retired within a few years.

## FIRE RECORD EXCEPTIONALLY GOOD

Another item of efficient management in city affairs during the last two years is that of the fire department. Fire losses in Pampa in 1932 amounted to \$7,982.35 and in 1933, \$1,290.80. When these figures are compared with the fire loss in 1930 of \$72,316.42 and in 1931 of \$20,810.00, it is easily seen why the fire insurance key rate for Pampa has been reduced from 34c to 29c. Three cents of this reduction has been brought about, not by the purchase of equipment, but by reason of records kept, inspections made, and other items of good management. We have today a twelve per cent good fire credit rating because of the low amount of losses as compared to the total amount of fire insurance premiums paid. Heavy fire losses as compared to premiums paid would cause an addition to the rate instead of a credit. Even though Pampa has only four regular men on the fire department, when other cities of this size have eight to twenty men, this city has almost the lowest fire loss ratio in the State of Texas.

## EFFICIENCY IS FIRST CONSIDERATION

WE BELIEVE THAT THE PEOPLE OF PAMPA SHOULD TAKE PRIDE IN SUCH A RECORD OF PUBLIC EFFICIENCY, AND WE BELIEVE THAT THE VOTERS OF PAMPA SHOULD FEEL FORTUNATE THAT THE MAYOR AND COMMISSIONERS, WHO HAVE WORKED SO DILIGENTLY TO MAKE THIS RECORD POSSIBLE, HAVE BEEN PERSUADED TO OFFER THEIR SERVICES FOR ANOTHER TWO YEARS. WE ARE COGNIZANT OF THE FACT THAT THERE ARE TWO TICKETS IN THE FIELD AND THAT BOTH HAVE CAPABLE MEN, BUT BECAUSE WE KNOW THE ABOVE RECORD TO BE ONE OF EFFICIENT CITY GOVERNMENT, WE BELIEVE IT TO BE TO THE BEST INTEREST OF ALL PAMPA RESIDENTS TO ASSURE ITS CONTINUATION BY RETURNING TO OFFICE THE PRESENT COMPETENT AND PUBLIC SPIRITED BUSINESS MEN WHO NOW COMPOSE THE CITY COMMISSION.

We, the undersigned, therefore recommend and urge that you interest yourself in and vote for the following: **W. A. BRATTON**, for Mayor; **CLYDE F. FATHEREE**, for Commissioner No. 1; **R. EARL O'KEEFE**, for Commissioner No. 2.

# WATCHORN WELL IN WHEELER LEASING 37 BARRELS AN HOUR

## NEW OIL SCHEDULE WILL BE EFFECTIVE TODAY; DECISION ON LARGER OUTLET AWAITED

### Large Audience Told How Living Conditions Hiked

Fred L. Phillips, first vice president of the International Association of Oil Field Workers, spoke in behalf of organized labor to a large audience at the First Baptist church Sunday evening. He told the place of Y. L. Coulter, international secretary who was called to New York Sunday to complete his leave for Pampa from Washington, Mr. Phillips told of instances where unions are bringing about better living conditions and cost of living to the benefit of the workers. He stated that unless the cost of living is kept down, a firm hand in the market will be felt. Phillips said that the cost of living is the most important factor in the economy of the country.

### SCHEDULE IS NEARLY IDENTICAL WITH LAST MONTH'S

A new oil well in Wheeler county is scheduled to become effective at 7 o'clock this morning, and an awaited decision on a larger outlet for the Panhandle oil field is expected in the Panhandle field last night. J. Dungan, Jr., representing the Panhandle field, asked the Texas Railroad commission at a state-wide hearing in Austin Wednesday night to allow a larger outlet for the Panhandle oil field. He stated that the market demand for the oil is increasing and that the current outlet is insufficient. The commission is expected to make a decision on the matter by the end of the month.

## SCRAMBLE FOR OIL LEASES IS GROWING FAST

### Lack of Major Discoveries in Recent Years Points To Possible Scarcity.

News has been received of the purchase by Harry Stekol, independent operator, of the 180-acre Hamlet Frewitt lease, survey 3, Hutchinson county, from J. C. Whitteburg. This lease is in the center of the Stekol pool north of the Canadian river, completing a 1,400 acre block. The lease is said to have involved a price of \$200,000, together with drilling of ten wells on the property within two years. Drilling will commence soon on the No. 1 well in the northwest corner of the survey. Mr. Stekol said he also is drilling at 1450 feet on the A-1 well in section 20, block 47, H&TC survey and at 400 feet on his E-2 well in section 38, block M-23, in the same area. He announced that he would average two new wells per month during the rest of the year. Additional houses and recreational facilities will be provided at his camp.

## Teachers Fight Over Secretary

FORT WORTH, March 31 (AP)—In a closed session the executive committee of the Texas State Teachers association re-elected R. T. Ellis as executive secretary today, but for a period of six months instead of the customary three years. Barred from the executive session, Ellis returned to the meeting when it was thrown open and challenged the group to explain the meaning of its action. The short contract was understood to have been a compromise to pacify a group which fought bitterly to oust the secretary, but was unable to get the necessary majority vote to do so. Leading the fight against Ellis were H. L. Mills of Houston, V. Z. Rogers of Lamesa, and E. H. Hereford of Corpus Christi.

## Winners in Gray County Meet at McLean Decided

Complete data on the county interscholastic meet held in McLean was not available last night. Officials worked late but were unable to finish tabulations. Enough figures were available, however, to name the winning schools in the various divisions. Individual records were the ones not completed. Contests were conducted in literary and athletic events, in four divisions. The Class A high school division winner was the McLean high school, with LeFors taking second place. Alamed won the Class B high school division by default. The Hopkins No. 1 was declared winner by default in the Class B junior division. The junior ward title went to Hopkins No. 2 with LeFors second and McLean third. The junior rural division title went to Hopkins No. 1 with Webb and Grandview practically tied for second place, with tabulations not complete. Only two individual champions in athletic contests had been declared last night. J. L. Jones of Hopkins No. 2 won high point honors in the junior ward division and Fred Vanhook of Hopkins No. 1 was high point boy in the junior rural division. Hopkins No. 1 school took first in choral singing, with McLean second and Hopkins No. 2 third. McLean took first in arithmetic with Hopkins No. 1 second and Alamed and Hopkins No. 2 tied for third. In extemporaneous speech, McLean boys were first, Hopkins No. 1 was second and LeFors was third. LeFors girls were first, Hopkins No. 1 was second and McLean was third. Hopkins No. 1 was first in picture memory, with Hopkins No. 2 second and Webb third. Back won the 3Es contest. In boys' class B playground ball, McLean was first, LeFors second, and Hopkins No. 2 third in the ward division. In girls' playground ball, LeFors was second, rural division; Webb first; Eldridge second; ward; McLean first and Alamed second. In story telling, third grades, Hopkins No. 2 was first, Alamed second, LeFors third. For first and second grades, boys; McLean first, Eldridge second, LeFors third; girls; McLean first, LeFors second, Back third. LeFors won first in boys' singles in tennis with McLean second, and in boys' doubles LeFors was first and McLean second; in girls' tennis: singles, not finished when report made; doubles, McLean first and Alamed second; McLean was second and LeFors first, McLean ward was second, and LeFors high was third. Rural declamation results: Junior boys—Hopkins No. 1 first, Grandview second, Eldridge third; Junior girls—Hopkins No. 1 first, Webb second, Laketon third.

## BEARCATS BEATEN

COMMERCE, March 31 (AP)—The East Texas Teachers' college Lions track team won a dual meet from the Sam Houston Teachers' college Bearcats from Huntsville by a score of 84 1/2 and 51 1/2 today.

LOMAX TO WED  
AUSTIN, March 31 (AP)—Engagement of Miss Ruby R. Terrill, dean of women at the University of Texas, and John A. Lomax of Dallas, was announced today at a luncheon of Delta Kappa Gamma, honorary fraternity for women teachers. The marriage will be in early summer.

## COMMUNICATION HAS BEEN RECEIVED HERE

Rates of pay for employees engaged in drilling operations have been set out by J. D. Collett, general chairman of the Regional Planning and Coordinating committee, Fort Worth, in a communication to all members of the production committee. The letter follows: "We are quoting below resolution of the planning and coordinating committee, setting out the rates of pay for employees engaged in drilling operations. This resolution was approved by the J & C committee on February 21st and approved and promulgated by the petroleum administrator on March 29th, 1934. "Resolved, That the planning and coordinating committee recommend the substitution of the following provisions, with reference to minimum rates—of pay pertaining to drilling operations, in lieu of page with similar provisions contained in recommendations of the Planning and Coordinating committee of February 16, 1934: "Wage minimums pertaining to drilling operations— Rotary Tools: Drillers ..... \$1.25 per hour Helpers ..... .75 per hour Cable Tools: Drillers ..... \$1.00 per hour Helpers ..... .75 per hour "Areas not exceeding 3500 feet in depth may be entitled to a 15 per cent reduction in the above minimums upon petition by a regional committee on drilling practices (operating under sub-section (f) of Section 8 of Article III of the Petroleum Code), subject to the approval of the Planning and Coordinating committee and the petroleum administrator. "Areas not exceeding 1000 feet in depth may be entitled to a 25 per cent reduction in the above minimums upon petition by a regional committee on drilling practices (operating under sub-section (f) of Section 8 of Article III of the Petroleum Code), subject to the approval of the Planning and Coordinating committee and the petroleum administrator. "Hourly wages now being paid in excess of these minimums shall not be reduced. "Factions of committees on drilling practices should be cleared through this office for transmittal to the P & C committee."

## New Oil Testing Device Designed To Help Drivers

The "Test-o-Drop" motor oil campaign sponsored by the Gulf Refining company introduces an innovative motor oil testing device which should prove invaluable to motorists who are often in a quandary as to the time when they should change their oil. The Western Oil company's campaign will also include a new production in western Texas. The new oil was tested on a road test Friday afternoon and was found to be making 450 barrels a day from the granite wash formation. The well is located on the Johnson lease in section 47, block 21, The Skelly Oil company and the Elbar Oil company are building rigs for direct tests to the new producer. The Skelly Petroleum company has made a location for another effort but has not started building the derrick. Elbar Creek's test on the Archer lease west of Pampa has been on a railroad commission test and is making 450 barrels a day from the granite wash formation. The Skelly

## Pampa's WTCC Drive Success In First Week

Pampa's membership drive in the West Texas chamber of commerce has "gone over the top" in the week's campaign announced last Monday. Gilmore N. Nunn, WTCC director in charge of the local drive, said that 29 members had been taken and promises of others would carry the city beyond the goal of 30 memberships. He expressed appreciation for the local response and pointed out that the city shared in the benefits of the regional chamber and should also share in its financial support. The memberships reported included the following: Pampa Daily News, Furr Food stores 1 and 2, Dock's department store, La Nora theater, H. B. Loyd, E. M. Culbertson, Ed. Roff, Frank Kelm, R. G. Allen, Central States Power & Light company, John Rely, Murree's Inc., L. T. Hill company, Fatheree Drug stores, Panhandle Insurance Agency, Pampa Hardware company, W. T. Frazer, Pampa Daily News staff, C. H. Walker, Southwestern Public Service company, J. M. Collins, White Deer Land company, Board of City Development, Tom Rose Motor company, E. & B. Lubricating company.

## Belco Is New Town of County

The town of Belco or Belco, spelling undecided, is now on the map. It is located in Gray county, four miles east of Denworth on the Fort Worth and Denver railroad branch between Pampa and Childress. The new town is on the Bell Oil and Gas Oil company's spur track near a prominent oil field. Three lumber companies have started yards in the new town. The companies with sites are the Foxworth-Galbraith Lumber company, the Acme Lumber company and the Tulsa Rig and Reel company.

NEW WORLD'S RECORD  
COLUMBUS, O., March 31 (AP)—Jack Medina, sophomore from the University of Washington, set a new world's record here tonight in the 440 yard free style. Medina's time was 4:46.8. The old mark held by Jim Gillula of Southern California was 4:48.6. Gillula finished second to Medina tonight.

(Continued From Page 1)  
y pass upon the qualifications of thirty additional employees, ability of some of whom was questioned at the Dallas meeting. The additional men were employed with funds anticipated from the one-eighth cent barrel tax on production levied to defray expenses of oil promotion enforcement.

TYLER, March 31 (AP)—Laws governing regulation of oil production in Texas became the object of another federal suit here today when F. W. Fischer, oil attorney, sought an injunction for two companies against enforcement of the recently-enacted measure placing refineries under supervision of the railroad commission.

LAMESA POLO TEAM  
ARLINGTON DOWNS, March 31 (AP)—The Lamesa Yellow-Jackets and Dallas Hurricanes staged a fast game today to open the fourth annual spring polo tournament at El Rancho, Lamesa winning 7 to 6, in a nine chukker game. The scores were tied 6-all at the end of the regulation eight chukkers.

Mrs. S. C. McAdams of Canadian was a Pampa shopper yesterday.
